Dear Commissioners Peskin, Mandelman, and Chan:

I am pleased to recommend the reappointment of Commissioner Kimberly Brandon to the Port Commission.

Commissioner Brandon has worked faithfully and aggressively as a Commissioner and as President of the Port Commission to bring business to San Francisco.

As Chairperson of the San Francisco- Abidjan Sister City Committee I am aware of and supportive of her international focus and fairness. I trust she will be able to continue to represent our fair city effectively.

Thank you in advance for reappointing Ms. Brandon.

Very truly yours,
