6. The property acquired or developed with GRANT MONIES may be transferred to another eligible entity only if the successor entity assumes the obligations imposed under this AGREEMENT and with written approval of the STATE.
7. Any real property (including any portion of it or any interest in it) may not be used as security for any debt or mitigation, without the written approval of the STATE provided that such approval shall not be unreasonably withheld as long as the purposes for which the GRANT MONIES were awarded are maintained. Any such permission that is granted does not make the STATE a guarantor or a surety for any debt or mitigation, nor does it waive the STATE'S rights to enforce performance under this AGREEMENT.
8. All real property, or rights thereto, acquired with GRANT MONIES shall be subject to an appropriate form of restrictive title, rights, or covenants required and approved by the STATE. If the project property is taken by use of eminent domain, GRANTEE shall reimburse the STATE an amount at least equal to the amount of GRANT MONIES received from the STATE or the pro rated full market value of the real property, including improvements, at the time of sale, whichever is higher.
9. If eminent domain proceedings are initiated against GRANTEE, GRANTEE shall notify STATE within 10 days of receiving the complaint.
