Hi Greg,

I hope all is well. I spoke with Lily and she suggested I connect with you. we have a bit of an unusual situation and we need to A&E \$1m from the state.

Background:

In the State budget bill (SB105), a \$1m earmark was included for Chinese Hospital for an oncology center. However, that bill states the money needs to be paid to the City as a pass through. So, what we need to do is an A&E to appropriate the money from the state. Once done, the Contracts team can certify a grant between DPH and Chinese Hospital.

The weird part is that I don't have much documentation as this is a budgetary earmark and not a formal state grant with associated terms etc. The attached document is what DHCS wants the City to sign. Beyond that, the only thing I have to offer is the legislation SB105 itself that states the money is for an oncology center at Chinese hospital but has to be paid to us instead of Chinese Hospital directly.

Can we connect and figure out how we get an A&E going? Can we find time next week? We have eyes on this one and could use your help getting it moving.

Thanks,
Jonathan

Memorandum

To: Honorable Members of the Board of Supervisors

From: San Francisco Department of Public Health

Date: Thursday, April 30, 2026

RE: **Retroactivity re: File 260401**

This Resolution seeks authorization for the Department of Public Health (DPH) to retroactively accept and expend a grant in the amount of \$1,000,000 from the California State Water Resources Control Board.

This grant accept and expend is retroactive because DPH received notice of the award after the pre-determined project start date. DPH received notice of the grant on January 20, 2026 for a project start date of July 1, 2025. The project start date was predetermined by the grantor. Upon receiving the notice of grant increase, DPH brought the item to the Controller's Office for review on February 25, 2026. The Controller's Office reviewed and forwarded the packet to the Mayor's Office for approval on April 8, 2026, for introduction on April 14, 2026.

We respectfully request retroactive authorization for these items. Please contact Greg Wong, Administrative Analyst, at greg.wong@sfdph.org for any questions about this request for retroactive authorization.
