

Project Restore: Women's Housing for victims of crime

Project Restore will provide a safe space that promotes healing, reduces re-traumatization and increases physical and emotional stabilization following a violent crime. Will provide brief stabilization to women who have suffered an acute violent crime.

Who we serve

Women and/or women with children (underage of 17 years old). Have a reported documented violent crime. Crime types include: Domestic violence, child abuse/sexual assault, physical assault (non-familial), human trafficking, homicide, next of kin.

cost	Description
