FILE NO. 260610 RESOLUTION NO.

[Accept and Expend Grants - Recurring State Grant Funds - Department of Public Health - FY2026-2027]

Resolution authorizing the acceptance and expenditure of Recurring State grant funds by the San Francisco Department of Public Health for Fiscal Year (FY) 2026-2027.

WHEREAS, The San Francisco Administrative Code requires City Departments to obtain Board of Supervisor's approval in order to accept or expend any grant funds (Section 10.170 et seq.); and

WHEREAS, The Board of Supervisors provided in Section 11.1 of the administrative provisions of the Fiscal Year (FY) 2026-2027 Annual Appropriation Ordinance that approval of recurring grant funds contained in departmental budget submissions and approved in the FY2026-2027 budget are deemed to meet the requirements of the San Francisco Administrative Code regarding grant approvals; and

WHEREAS, The agencies of the State of California that provide grant funds to Department of Public Health (DPH) require documentation of the Board's approval of their specific grant funds (State Administrative Manual, Section 1208.2 (a)); and

WHEREAS, The City's budget for FY2026-2027 does not list each State grant but contains two aggregate items; one indicating all Federal, and one all State grant funds; and

WHEREAS, DPH has prepared a document entitled "Recurring FY2026-2027 State Grants, Attachment A" that lists the estimated amount of each recurring grant provided by the State of California for FY2026-2027, the State agency that provides the grant, and the indirect costs of each grant, which is on file with Clerk of the Board of Supervisors in File No. 260610; and

WHEREAS, As a result of periodic redistribution of appropriations within the State budget, DPH may, in fact, receive more money or less money from some of the various grants itemized in the attached document that DPH estimates at this time; and

WHEREAS, This Resolution requires expedited review by the Board of Supervisors to ensure that documentation of specific grant funds can be provided to the State as early as possible in the funding year; and

WHEREAS, Resolutions authorizing the acceptance and expenditure of grant funds may be placed automatically on consent agendas in committee, as they are usually considered to be routine items, and this Resolution authorizes the acceptance and expenditure of grant funding; now, therefore, be it

RESOLVED, That the Board of Supervisors hereby approves the acceptance and expenditure of Department of Public Health of the State of California grants listed in the "Recurring FY2026-2027 State Grants, Attachment A"; and, be it

FURTHER RESOLVED, That the Director of Health is authorized to enter into the Agreement, and any amendments, invoices, or any other documents related to or required for the administration of said Agreement on behalf of the City and County; and, be it

FURTHER RESOLVED, That the Director of Health is authorized to certify that DPH has and will comply with all applicable federal and state statutory and regulatory requirements related to any grant funds received; and, be it

FURTHER RESOLVED, That should DPH receive more money or less money on any of the grants than is estimated in the "Recurring FY2026-2027 State Grants, Attachment A", that the Board of Supervisors hereby approves the acceptance and expenditure by DPH of the additional or reduced money.
