Re: **Transmittal of Planning Department Case Number 2014.0556GPA to the Board of Supervisors:
Updating the Transportation Element and the Urban Design Element of the General Plan to
reflect the City's Vision Zero Policy.
Planning Commission Recommendation: Approval**

Dear Ms. Calvillo,

On October 20, 2016, the San Francisco Planning Commission (hereinafter "Commission") conducted a duly noticed public hearing at a regularly scheduled meeting to consider the proposed Ordinance which the Commission initiated on July 7, 2016. The proposed Ordinance would amend the Transportation Element and the Urban Design Element of the General Plan.

The proposed amendments are not defined as a project under CEQA Guidelines Section 15060(c) and 15378 because they do not result in a physical change in the environment.

At the October 20th hearing, the Commission voted to recommend approval of the proposed Resolution.

Please find attached documents relating to the Commission's action. If you have any questions or require further information please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "John Rahaim".

John Rahaim
Director of Planning
