7 WHEREAS, The intersection of Broadway Street, Columbus Avenue and Grant Avenue
8 is difficult and dangerous to cross on foot; and

9 WHEREAS, Residents have expressed concern with the speed of traffic and length of
10 pedestrian crossing intervals at that intersection; and

11 WHEREAS, Scramble signals provide exclusive pedestrian crossing intervals at
12 dangerous intersections; and

13 WHEREAS, Scramble signals have proved extraordinarily effective in improving and
14 encouraging pedestrian flow in high traffic areas; and

15 WHEREAS, The high volume of vehicular traffic at the intersection of Broadway Street,
16 Columbus Avenue, and Grant Avenue make it difficult to cross on foot; and

17 WHEREAS, Pedestrian traffic reduces reliance on automobiles and improves the
18 livability of our city; and

19 WHEREAS, It is necessary for the City to enhance pedestrian accessibility at this
20 intersection; now, therefore, be it

21 RESOLVED, That the Board of Supervisors urges the Department of Public Transit to
22 install a Scramble Signal at the intersection of Broadway Street, Columbus Avenue, and Grant
23 Avenue to facilitate street-crossing and encourage pedestrian traffic in the area.
