SECTION 3. General Authority.

The Controller is hereby authorized and directed to set up appropriate accounts for the items of receipts and expenditures appropriated herein.

SECTION 3.1 Two-Year Budget.

For departments for which the Board of Supervisors has authorized, or the Charter requires, a fixed two-year budget appropriations in this ordinance shall be available for allotment by the Controller on July 1st of the fiscal year in which appropriations have been approved. The Controller is authorized to adjust the two year budget to reflect transfers and substitutions consistent with City's policies and restrictions for such transfers. The Controller is further authorized to make adjustments to the second year budgets consistent with Citywide estimates for salaries, fringe benefits, and work orders.

SECTION 4. Interim Budget Provisions.

All funds for equipment and new capital improvements shall be held in reserve until final action by the Board of Supervisors. No new equipment or capital improvements shall be authorized during the interim period other than equipment or capital improvements that, in the discretion of the Controller, is reasonably required for the continued operation of existing

1 programs or projects previously approved by the Board of Supervisors. Authorization for the
2 purchase of such equipment may be approved by the Board of Supervisors.

3
4 During the period of the interim annual appropriation ordinance and interim annual salary
5 ordinance, no transfer of funds within a department shall be permitted without approval of the
6 Controller, Mayor's Budget Director and the Budget Analyst of the Board of Supervisors.

7
8 When the Budget Committee reserves selected expenditure items pending receipt of
9 additional information from departments, upon receipt of the required information to the
10 satisfaction of a financial committee, the Controller may release the previously reserved funds
11 with no further action required by the Board of Supervisors.

12
13 If the Budget Committee of the Board of Supervisors recommends a budget that increases
14 funding that was deleted in the Mayor's Budget, the Controller shall have the authority to
15 continue to pay these expenses until final passage of the budget by the Board of Supervisors,
16 and approval of the budget by the Mayor.

17

18 **SECTION 4.1 Interim Budget – Positions.**

19 No new position may be filled in the interim period with the exception of those positions which
20 in the discretion of the Controller are critical for the operation of existing programs or for
21 projects previously approved by the Board of Supervisors or are required for emergency
22 operations or where such positions would result in a net increase in revenues or where such
23 positions are required to comply with law. New positions shall be defined as those positions
24 that are enumerated in the Mayor's budget for the current fiscal year but were not enumerated
25 in the appropriation and salary ordinances for the prior fiscal year, as amended, through June

1 30 of the prior fiscal year. In the event the Mayor has approved the reclassification of a
2 position in the department's budget for the current fiscal year, the Controller shall process a
3 temporary or "tx" requisition at the request of the department and subject to approval of the
4 Human Resources Director. Such action will allow for the continued employment of the
5 incumbent in his or her former position pending action by the Board of Supervisors on the
6 proposed reclassifications.

7
8 If the Budget Committee of the Board of Supervisors recommends a budget that reinstates
9 positions that were deleted in the Mayor's Budget, the Controller and the Director of Human
10 Resources shall have the authority to continue to employ and pay the salaries of the
11 reinstated positions until final passage of the budget by the Board of Supervisors, and
12 approval of the budget by the Mayor.

13

14 **SECTION 5. Transfers of Functions and Duties.**

15 Where revenues for any fund or department are herein provided by transfer from any other
16 fund or department, or where a duty or a performance has been transferred from one
17 department to another, the Controller is authorized and directed to make the related transfer
18 of funds, provided further, that where revenues for any fund or department are herein
19 provided by transfer from any other fund or department in consideration of departmental
20 services to be rendered, in no event shall such transfer of revenue be made in excess of the
21 actual cost of such service.

22

23 Where a duty or performance has been transferred from one department to another or
24 departmental reorganization is effected as provided in the Charter, in addition to any required
25 transfer of funds, the Controller and Human Resources Director are authorized to make any

1 personnel transfers or reassignments between the affected departments and appointing
2 officers at a mutually convenient time, not to exceed 100 days from the effective date of the
3 ordinance transferring the duty or function. The Controller, Director of Human Resources and
4 Clerk of the Board of Supervisors, with assistance of the City Attorney, are hereby authorized
5 and directed to make such changes as may be necessary to conform all applicable
6 ordinances to reflect said reorganization, transfer of duty or performance between
7 departments.

8

9 **SECTION 5.1 Agencies Organized under One Department.**

10 Where one or more departments or agencies are organized under a single appointing officer
11 or department head, the component units can continue to be shown as separate agencies for
12 budgeting and accounting purposes to facilitate reporting. However the entity shall be
13 considered a single department for purposes of employee assignment and seniority, position
14 transfers, and transfers of monies among funds within the Department of Public Health, and
15 reappropriation of funds.

16

17 **SECTION 5.2 Continuing Funds Appropriated.**

18 In addition to the amount provided from taxes, the Controller shall make available for
19 expenditure the amount of actual receipts from special funds whose receipts are continuously
20 appropriated as provided in the Administrative and Municipal Codes.

21

22 **SECTION 5.3 Multi-Year Revenues.**

23 In connection with money received in one fiscal year for departmental services to be
24 performed in a subsequent year, the Controller is authorized to establish an account for
25 depositing revenues which are applicable to the ensuing fiscal year, said revenue shall be

1 carried forward and become a part of the funds available for appropriation in said ensuing
2 fiscal year.

3

4 **SECTION 5.4 Contracting Funds.**

5 All money received in connection with contracts under which a portion of the moneys received
6 is to be paid to the contractors and the remainder of the moneys received inures to the City
7 and County shall be deposited in the Treasury.

8

9 (a) That portion of the money received that under the terms of the contract inures to
10 the City and County shall be deposited to the credit of the appropriate fund.

11

12 (b) That portion of the money received that under the terms of the contracts is to be
13 paid to the contractor shall be deposited in special accounts and is hereby appropriated for
14 said purposes.

15

16 **SECTION 5.5 Real Estate Services.**

17 Rents received from properties acquired or held in trust for specific purposes are hereby
18 appropriated to the extent necessary for maintenance of said properties, including services of
19 the General Services Agency.

20

21 Moneys received from lessees, tenants or operators of City owned property for the specific
22 purpose of real estate services relative to such leases or operating agreements are hereby
23 appropriated to the extent necessary to provide such services.

24

25

1 **SECTION 5.6 Collection Services.**

2 In any contracts for the collection of unpaid bills for services rendered to clients, patients or
3 both by the Department of Public Health in which said unpaid bills have not become
4 delinquent pursuant to the provisions of Administrative Code Section 10.37 and 10.38, the
5 Controller is hereby authorized to adjust the estimated revenues and expenditures of the
6 various divisions and institutions of the Department of Public Health to record such recoveries.
7 Any percentage of the amounts, not to exceed 25 percent, recovered from such unpaid bills
8 by a contractor is hereby appropriated to pay the costs of said contract. The Controller is
9 authorized and is hereby directed to establish appropriate accounts to record total collections
10 and contract payments relating to such unpaid bills.

11

12 **SECTION 5.7 Contract Amounts Based on Savings.**

13 When the terms of a contract provide for payment amounts to be determined by a percentage
14 of cost savings or previously unrecognized revenues, such amounts as are actually realized
15 from either said cost savings or unrecognized revenues are hereby appropriated to the extent
16 necessary to pay contract amounts due. The Controller is authorized and is hereby directed to
17 establish appropriate accounts to record such transactions.

18

19 **SECTION 5.8 Collection and Legal Services.**

20 In any contracts between the City Attorney's Office and outside counsel for legal services in
21 connection with the prosecution of actions filed on behalf of the City or for assistance in the
22 prosecution of actions that the City Attorney files in the name of the People, where the fee to
23 outside counsel is contingent on the recovery of a judgment or other monies by the City
24 through such action, the Controller is hereby authorized to adjust the estimated revenues and
25 expenditures of the City Attorney's Office to record such recoveries. A percentage of such

1 recoveries, not to exceed 25 percent plus the amount of any out-of-pocket costs the Controller
2 determines were actually incurred to prosecute such action, is hereby appropriated from the
3 amount of such recoveries to pay the contingent fee due to such outside counsel under said
4 contract and any costs incurred by the City or outside counsel in prosecuting the action. The
5 Controller is authorized and hereby directed to establish appropriate accounts to record total
6 collections and contingent fee and cost payments relating to such actions. The City Attorney
7 as verified by the Controller shall report to the Board of Supervisors annually on the
8 collections and costs incurred under this provision, including the case name, amount of
9 judgment, the fund which the judgment was deposited, and the total cost of and funding
10 source for the legal action.

11

12 **SECTION 6. Bond Interest and Redemption.**

13 In the event that estimated receipts from other than utility revenues, but including amounts
14 from ad valorem, taxes shall exceed the actual requirements for bond interest and
15 redemption, said excess shall be transferred to a General Bond Interest and Redemption
16 Reserve account. The Bond Interest and Redemption Reserve is hereby appropriated to meet
17 debt service requirements including printing of bonds, cost of bond rating services and the
18 legal opinions approving the validity of bonds authorized to be sold not otherwise provided for
19 herein.

20

21 Issuance, legal and financial advisory service costs, including the reimbursement of
22 departmental services in connection therewith, for debt instruments issued by the City and
23 County, to the extent approved by the Board of Supervisors in authorizing the debt, may be
24 paid from the proceeds of such debt and are hereby appropriated for said purposes.

25

1 **SECTION 7. Allotment Controls.**

2 Since several items of expenditures herein appropriated are based on estimated receipts,
3 income or revenues which may not be fully realized, it shall be incumbent upon the Controller
4 to establish a schedule of allotments, of such duration as the Controller may determine, under
5 which the sums appropriated to the several departments shall be expended. The Controller
6 shall revise such revenue estimates periodically. If such revised estimates indicate a
7 shortage, the Controller shall hold in reserve an equivalent amount of the corresponding
8 expenditure appropriations set forth herein until the collection of the amounts as originally
9 estimated is assured, and in all cases where it is provided by the Charter that a specified or
10 minimum tax shall be levied for any department the amount of appropriation herein provided
11 derived from taxes shall not exceed the amount actually produced by the levy made for such
12 department.

13

14 The Controller in issuing payments or in certifying contracts, purchase orders or other
15 encumbrances pursuant to Section 3.105 of the Charter, shall consider only the allotted
16 portions of appropriation items to be available for encumbrance or expenditure and shall not
17 approve the incurring of liability under any allotment in excess of the amount of such
18 allotment. In case of emergency or unusual circumstances which could not be anticipated at
19 the time of allotment, an additional allotment for a period may be made on the
20 recommendation of the department head and the approval of the Controller. After the
21 allotment schedule has been established or fixed, as heretofore provided, it shall be unlawful
22 for any department or officer to expend or cause to be expended a sum greater than the
23 amount set forth for the particular activity in the said allotment schedule so established, unless
24 an additional allotment is made, as herein provided.

25

1 Allotments, liabilities incurred and expenditures made under expenditure appropriations herein
2 enumerated shall in no case exceed the amount of each such appropriation, unless the same
3 shall have been increased by transfers or supplemental appropriations made in the manner
4 provided by Section 9.105 of the Charter.

5

6 **SECTION 7.1 Prior Year Encumbrances.**

7 The Controller is hereby authorized to establish reserves for the purpose of providing funds
8 for adjustments in connection with liquidation of encumbrances and other obligations of prior
9 years.

10

11 **SECTION 7.2 Equipment Defined.**

12 Funds for the purchase of items of equipment having a significant value of over \$5,000 and a
13 useful life of three years and over shall only be purchased from appropriations specifically
14 provided for equipment or lease purchased equipment, including equipment from capital
15 projects. Departments may purchase additional or replacement equipment from previous
16 equipment or lease-purchase appropriations, or from citywide equipment and other non-salary
17 appropriations, with approval of the Mayor's Office and the Controller.

18

19 Where appropriations are made herein for the purpose of replacing automotive and other
20 equipment, the equipment replaced shall be surrendered to the Department of Administrative
21 Services and shall be withdrawn from service on or before delivery to departments of the new
22 automotive equipment. When the replaced equipment is sold, in lieu of being traded in, the
23 proceeds shall be deposited to a revenue account of the related fund. Provided, however, that
24 so much of said proceeds as may be required to affect the purchase of the new equipment is
25 hereby appropriated for the purpose. Funds herein appropriated for automotive equipment

1 shall not be used to buy a replacement of any automobile superior in class to the one being
2 replaced unless it has been specifically authorized by the Board of Supervisors in the making
3 of the original appropriation.

4
5 Appropriations of equipment from current funds shall be construed to be annual
6 appropriations and unencumbered balances shall lapse at the close of the fiscal year.

7
8 **SECTION 7.3 Enterprise Deficits.**

9 Funds appropriated herein to meet estimated enterprise deficits shall be made available to
10 each such enterprise only to the extent that an actual deficit shall exist and not to exceed the
11 amount herein provided. Any amount not required for the purpose of meeting an enterprise
12 fund deficit shall be transferred back to the General Fund at the end of each fiscal year.
13 Provided, however, that the Board of Supervisors, in the annual budget, may approve
14 appropriating such amounts to fund the activities of the enterprise in the succeeding fiscal
15 year.

16
17 **SECTION 8. Expenditure Estimates.**

18 Where appropriations are made for specific projects or purposes which may involve the
19 payment of salaries or wages, the head of the department to which such appropriations are
20 made, or the head of the department authorized by contract or interdepartmental order to
21 make expenditures from each such appropriation, shall file with the Controller, when
22 requested, an estimate of the amount of any such expenditures to be made during the
23 ensuing period.

24
25

1 **SECTION 8.1 State and Federal Funds.**

2 The Controller is authorized to increase Federal and State funds that may be claimed due to
3 new General Fund expenditures appropriated by the Board of Supervisors. The Director of
4 Human Resources is authorized to add civil service positions required to implement the
5 programs authorized by these funds. The Controller and the Director of Human Resources
6 shall report to the Board of Supervisors any actions taken under this authorization before the
7 Board acts on the Annual Appropriation and Annual Salary Ordinances.

8

9 **SECTION 8.2 State and Federal Funding Restorations.**

10 If additional State or Federal funds are allocated to the City and County of San Francisco to
11 backfill State reductions, the Controller shall backfill any funds appropriated to any program to
12 the General *Fund* Reserve.

13

14 **SECTION 8.3 Process for Addressing General Fund Revenue Shortfalls**

15 Upon receiving Controller estimates of revenue shortfalls that exceed the value of the General
16 *Fund* Reserve and any other allowances for revenue shortfalls in the adopted City budget, the
17 Mayor shall inform the Board of Supervisors of actions to address this shortfall. The Board of
18 Supervisors may adopt an ordinance to reflect the Mayor's proposal or alternative proposals
19 in order to balance the budget.

20

21 **SECTION 9. Interdepartmental Services.**

22 The Controller is hereby authorized and directed to prescribe the method to be used in
23 making payments for interdepartmental services in accordance with the provisions of Section
24 3.105 of the Charter, and to provide for the establishment of interdepartmental reserves which
25 may be required to pay for future obligations which result from current performances.

1 Whenever in the judgment of the Controller, the amounts which have been set aside for such
2 purposes are no longer required or are in excess of the amount which is then currently
3 estimated to be required, the Controller shall transfer the amount no longer required to the
4 fund balance of the particular fund of which the reserve is a part. Provided further that no
5 expenditure shall be made for personnel services, rent, equipment and capital outlay
6 purposes from any interdepartmental reserve or work order fund without specific appropriation
7 by the Board of Supervisors.

8
9 The amount detailed in departmental budgets for services of other City departments cannot
10 be transferred to other spending categories without prior agreement from both the requesting
11 and performing departments.

12
13 The Controller, pursuant to the provisions of Charter Section 3.105, shall review and may
14 adjust charges or fees for services that may be authorized by the Board of Supervisors for the
15 administration of the Computer Store. Such fees are hereby appropriated for that purpose.

16

17 **SECTION 10. Positions in the City Service.**

18 Department heads shall not make appointments to any office or position until the Controller
19 shall certify that funds are available.

20

21 Funds provided herein for salaries or wages may, with the approval of the Controller, be used
22 to provide for temporary employment when it becomes necessary to replace the occupant of a
23 position while on extended leave without pay, or for the temporary filling of a vacancy in a
24 budgeted position. The Controller is authorized to approve the use of existing salary
25 appropriations within departments to fund permanent appointments of up to six months to

1 backfill anticipated vacancies to ensure implementation of successful succession plans and to
2 facilitate the transfer of mission critical knowledge. The Controller shall provide a report to the
3 Board of Supervisors every six months enumerating permanent positions created under this
4 authority.

5
6 Appointments to seasonal or temporary positions shall not exceed the term for which the
7 Controller has certified the availability of funds.

8
9 The Controller shall be immediately notified of a vacancy occurring in any position.

10

11 **SECTION 10.1 Positions, Funds, and Transfers for Specific Purposes.**

12 Funds for personnel services may be transferred from any legally available source on the
13 recommendation of the department head and approval by the Director of Administrative
14 Services, Board or Commission, for departments under their respective jurisdiction, and on
15 authorization of the Controller with the prior approval of the Human Resources Director for:

16

17 (a) Lump sum payments to officers, employees, police officers and fire fighters
18 other than elective officers and members of boards and commissions upon death or
19 retirement or separation caused by industrial accident for accumulated sick leave benefits in
20 accordance with Civil Service Commission rules.

21

22 (b) Payment of the supervisory differential adjustment, out of class pay or other
23 negotiated premium to employees who qualify for such adjustment provided that the transfer
24 of funds must be made from funds currently available in departmental personal service

(c) Payment of any legal salary or fringe benefit obligations of the City and County including amounts required to fund arbitration awards.

(d) The Controller is hereby authorized to adjust salary appropriations for positions administratively reclassified or temporarily exchanged by the Human Resources Director provided that the reclassified position and the former position are in the same functional area.

(e) Positions may be substituted or exchanged between the various salary appropriations or position classifications when approved by the Human Resources Director as long as said transfers do not increase total departmental personnel service appropriations.

(f) The Controller is hereby authorized and directed upon the request of a department head and the approval by the Mayor's Office to transfer from any legally available funds amounts needed to fund legally mandated salaries, fringe benefits and other costs of City employees. Such funds are hereby appropriated for the purpose set forth herein.

(g) The Controller is hereby authorized to transfer any legally available funds to adjust salary and fringe benefit appropriations as required under reclassifications recommended by the Human Resources Director and approved by the Board of Supervisors in implementing the Management Compensation and Classification Plan.

Amounts transferred shall not exceed the actual amount required including the cost to the City and County of mandatory fringe benefits.

1 (h) Pursuant to California Labor Code Section 4850.4, the Controller is authorized
2 to make advance payments from departments' salary accounts to employees participating in
3 CalPERS who apply for disability retirement. Repayment of these advanced disability
4 retirement payments from CalPERS and from employees are hereby appropriated to the
5 departments' salary account.

6
7 (i) For purposes of defining terms in Administrative Code Section 3.18, the
8 Controller is authorized to process transfers where such transfers are required to administer
9 the budget through the following certification process: In cases where a character of
10 expenditure or project expenditure is reduced during the Board of Supervisors phase of the
11 budget process, the Chair of the Budget Committee, on recommendation of the Controller,
12 may certify that such a reduction does not reflect a deliberate policy reduction adopted by the
13 Board. The Mayor's Budget Director may similarly provide such a certification regarding
14 reductions during the Mayor's phase of the budget process.

15

16 **SECTION 10.2 Professional Services Contracts.**

17 Funds appropriated for professional service contracts may be transferred to the account for
18 salaries on the recommendation of the department head for the specific purpose of using City
19 personnel in lieu of private contractors with the approval of the Human Resources Director
20 and the Mayor and the certification by the Controller that such transfer of funds would not
21 increase the cost of government.

22

23 **SECTION 10.3 Surety Bond Fund Administration.**

24 The Controller is hereby authorized to allocate funds from capital project appropriations to the
25 San Francisco Self-Insurance Surety Bond Fund, as governed by Administrative Code

1 Section 10.100-317 and in accordance with amounts determined pursuant to Administrative
2 Code Section 14B.16.

3

4 **SECTION 10.4 Salary Adjustments, Memoranda of Understanding (MOUs).**

5 The Controller is authorized and directed to transfer from the Salary and Benefits Reserve, or
6 any legally available funds, amounts necessary to adjust appropriations for salaries and
7 related mandatory fringe benefits of employees whose compensation is pursuant to Charter
8 Sections A8.403 (Registered Nurses), A8.404 (Transit Operators), A8.409 (Miscellaneous
9 Employees), A8.405 and A8.590-1 through A8.590-5 (Police and Firefighters), revisions to
10 State Law, and/or collective bargaining agreements adopted pursuant to the Charter or
11 arbitration award. The Controller and Director of Human Resources are further authorized and
12 directed to adjust the rates of compensation to reflect current pay rates for any positions
13 affected by the foregoing provisions.

14

15 Adjustments made pursuant to this section shall reflect only the percentage increase required
16 to adjust appropriations to reflect revised salary and premium pay requirements above the
17 funding level established in the adopted budget of the respective departments.

18

19 The Controller is authorized and directed to transfer from reserves or any legally available
20 funds amounts necessary to provide costs of non-salary benefits in ratified Memoranda of
21 Understanding or arbitration awards. The Controller's Office shall report to the Budget and
22 Finance Committee on the status of the Salary and Benefits Reserve, including amounts
23 transferred to individual City Departments and remaining Reserve balances, following the first
24 quarter of FY 2009-10 and as part of the Controller's Six and Nine Month Budget Status
25 Reports.

1 **SECTION 10.5 MOUs to be Reflected in Department Budgets.**

2 Should the City and County adopt an MOU with a recognized employee bargaining
3 organization during the fiscal year which has fiscal effects, the Controller is authorized and
4 directed to reflect the budgetary impact of said MOU in departmental appropriations by
5 transferring amounts to or from the Salary and Benefits Reserve, or, for self-supporting or
6 restricted funds, to or from the respective unappropriated fund balance account. All amounts
7 transferred pursuant to this section are hereby appropriated for the purpose.

8

9 **SECTION 10.6 Funding Memoranda of Understanding (MOUs).**

10 Whenever the Board of Supervisors has ratified by ordinance or resolution Memoranda of
11 Understanding or has not contested an arbitration award with recognized employee
12 organizations and said memoranda or award contains provisions requiring the expenditure of
13 funds, the Controller, on the recommendation of the Human Resources Director, shall reserve
14 sufficient funds to comply with such provisions and such funds are hereby appropriated for
15 such purposes. The Controller is hereby authorized to make such transfers from funds hereby
16 reserved or legally available as may be required to make funds available to departments to
17 carry out the purposes required by the Memoranda of Understanding or arbitration award.

18

19 **SECTION 10.7 Fringe Benefit Rate Adjustments.**

20 Appropriations herein made for fringe benefits may be adjusted by the Controller to reflect
21 revised amounts required to support adopted or required contribution rates. The Controller is
22 authorized and is hereby directed to transfer between departmental appropriations and the
23 General Reserve or other unappropriated balance of funds any amounts resulting from
24 adopted or required contribution rates and such amounts are hereby appropriated to said
25 accounts.

1

2

When the Controller determines that prepayment of the employer share of pension contributions is likely to be fiscally advantageous, the Controller is authorized to adjust appropriations and transfers in order to make and reconcile such prepayments.

5

SECTION 10.8 Police Department Uniformed Positions.

7

Positions in the Police Department for each of the various ranks that are filled based on the educational attainment of individual officers may be filled interchangeably at any level within the rank (e.g., Patrol Officer Q2, Q3 or Q4, Sergeant Q50, Q51, Q52). The Controller and Director of Human Resources are hereby authorized to adjust payrolls, salary ordinances and other documents, where necessary, to reflect the current status of individual employees; provided however, that nothing in this section shall authorize an increase in the total number of positions allocated to any one rank or to the Police Department.

14

SECTION 10.9 Holidays, Special Provisions.

16

Whenever any day is declared to be a holiday by proclamation of the Mayor after such day has heretofore been declared a holiday by the Governor of the State of California or the President of the United States, the Controller, with the approval of the Mayor's Office, is hereby authorized to make such transfer of funds not to exceed the actual cost of said holiday from any legally available funds.

21

SECTION 10.10 Litigation Reserve, Payments.

23

The Controller is authorized and directed to transfer from the Reserve for Litigation Account for General Fund supported departments or from any other legally available funds for other funds, amounts required to make payments required to settle litigation against the City and

25

1 County of San Francisco that has been recommended by the City Attorney and approved by
2 the Board of Supervisors in the manner provided in the Charter. Such funds are hereby
3 appropriated for the purposes set forth herein.

4

5 **SECTION 10.11 Changes in Health Services Eligibility.**

6 Should the Board of Supervisors amend Administrative Code Section 16.700 to change the
7 eligibility in the City's Health Service System, the Controller is authorized and directed to
8 transfer from any legally available funds or the Salary and Fringe Reserve for the amount
9 necessary to provide health benefit coverage not already reflected in the departmental
10 budgets.

11

12 **SECTION 11. Funds Received for Special Purposes, Trust Funds.**

13 The Controller is hereby authorized and directed to continue the existing special and trust
14 funds, revolving funds, and reserves and the receipts in and expenditures from each such
15 fund are hereby appropriated in accordance with law and the conditions under which each
16 such fund was established.

17

18 The Controller is hereby authorized and directed to set up additional special and trust funds
19 and reserves as may be created by either additional grants and bequests or under other
20 conditions and the receipts in each fund are hereby appropriated in accordance with law for
21 the purposes and subject to the conditions under which each such fund was established.

22

23 **SECTION 11.1 Special and Trust Funds Appropriated.**

24 Whenever the City and County of San Francisco shall receive for a special purpose from the
25 United States of America, the State of California, or from any public or semi public agency, or

1 from any private person, firm or corporation, any moneys, or property to be converted into
2 money, the Controller shall establish a special fund or account evidencing the said moneys so
3 received and specifying the special purposes for which they have been received and for which
4 they are held, which said account or fund shall be maintained by the Controller as long as any
5 portion of said moneys or property remains.

6
7 Recurring grant funds which are detailed in departmental budget submissions and approved
8 by the Mayor and Board of Supervisors in the annual budget shall be deemed to have met the
9 requirements of Administrative Code Section 10.170 for the approval to apply for, receive and
10 expend said funds and shall be construed to be funds received for a specific purpose as set
11 forth in this section. Positions specifically approved by granting agencies in said grant awards
12 may be filled as though said positions were included in the annual budget and Annual Salary
13 Ordinance, provided however that the tenure of such positions shall be contingent on the
14 continued receipt of said grant funds. Individual grants may be adjusted by the Controller to
15 reflect actual awards made if granting agencies increase or decrease the grant award
16 amounts estimated in budget submissions.

25 and return must be made of said sums so advanced by the person receiving the same within

1 ten days after said person returns to duty in the City and County of San Francisco, and failure
