12 Be it ordained by the People of the City and County of San Francisco:

13 Section 1. Background and Findings. The Board of Supervisors of the City and
14 County of San Francisco (“Board of Supervisors” or “Board”) hereby finds, determines, and
15 declares, based on the record before it, that:

16 (a) California Statutes of 1968, Chapter 1333 (“Burton Act”) and San Francisco
17 Charter Section 4.114 and Appendix B, beginning at Section B3.581, empower the City and
18 County of San Francisco (“City”), acting through the San Francisco Port Commission (“Port”
19 or “Port Commission”), with the power and duty to use, conduct, operate, maintain, manage,
20 regulate, and control the lands within Port jurisdiction.

21 (b) Seawall Lot 337 Associates, LLC, a Delaware limited liability company (“Master
22 Developer”) and the City, acting by and through the Port, are parties to a Disposition and
23 Development Agreement (as amended from time to time, “DDA”), including a Financing Plan
24 (as amended from time to time, “Financing Plan”), that governs the disposition and
25 development of certain parcels in the jurisdiction of the Port, including Seawall Lot 337, 3.53
26 acres located at Terry A. Francois Boulevard from Third Street to Mission Rock Street, China

1 Basin Park and 1/2 acre to the east of Terry A. Francois Boulevard between Pier 48 and Pier
2 50 (“Project Site”), and also provides for development of Pier 48, which DDA was approved by
3 the Board by Resolution No. 42-18, adopted on February 13, 2018, signed by the Mayor on
4 February 23, 2018, and a copy of which is in Board File No. 180092 (“Mission Rock Project
5 Resolution”).

6 (c) The Port collaborated with the State Lands Commission and the Legislature,
7 resulting in an amendment of the Burton Act to lift or suspend its statutory trust use
8 restrictions that impede the Port’s ability to realize the development potential of Port lands.
9 Under Senate Bill 815 (Stats. 2007, ch. 660, as amended by Stats. 2016, ch. 529) (“SB 815”),
10 the Port is authorized to lease certain seawall lots south of Market Street, including the Project
11 Site, for non-trust purposes, providing revenues for rehabilitation of historic wharves and piers
12 and other trust uses; SB 815 allows long-term non-trust uses that are otherwise not
13 permissible under the Burton Act as a primary mechanism to generate Port revenues for trust
14 purposes, including the construction of infrastructure needed for development.

15 (d) On November 3, 2015, San Francisco voters approved the Mission Rock
16 Affordable Housing, Parks, Jobs and Historic Preservation Initiative (“Proposition D”), which
17 authorized increased height limits on the Project Site, subject to environmental review, and
18 established a City policy to encourage development of the Project Site. Proposition D
19 specifically provides that it is intended to encourage and implement the lease and
20 development of the Project Site as described in SB 815 to support the purposes of the Burton
21 Act, especially the preservation of historic piers and historic structures and construction of
22 waterfront plazas and open space.

23 (e) The proposed development of the Project Site, which is commonly referred to as
24 the Mission Rock project (“Project”), will be a new mixed-use neighborhood that is proposed
25 to include a mix of commercial/office, retail, parking, and market rate and affordable

1 residential uses and approximately eight acres of new and expanded parks and shoreline
2 access.

3 (f) Under the DDA, (1) the Master Developer is responsible for master development of
4 the Project Site, including construction of public infrastructure, (2) the Port and Master
5 Developer will enter into a master lease for all of the Project Site, (3) the Port will convey
6 development parcels to vertical developers and those parcels will be released from the master
7 lease, and (4) the Port may enter into a separate lease with the Master Developer (or an
8 affiliate of Master Developer) for development of Pier 48.

9 (g) The City anticipates that, in addition to the infrastructure and private development
10 described above, future improvements will be necessary to ensure that the shoreline, public
11 facilities, and public access improvements will be protected should sea level rise in the vicinity
12 of the Project Site, and the Board of Supervisors desires to provide a mechanism to pay for
13 the costs of such improvements.

14 (h) At its hearing on October 5, 2017, and prior to recommending proposed Planning
15 Code amendments for approval, by Motion No. M-20017, the Planning Commission certified a
16 Final Environmental Impact Report (“FEIR”) for the Project pursuant to the California
17 Environmental Quality Act (“CEQA”) (California Public Resources Code Sections 21000 et
18 seq.), the CEQA Guidelines (14 Cal. Code Reg. Sections 15000 et seq.), and Administrative
19 Code Chapter 31. A copy of said Motion is on file with the Clerk of the Board in File No.
20 171117, and is incorporated herein by reference.

21 (i) In recommending proposed Planning Code Amendments for approval by the Board
22 at its hearing on October 5, 2017, by Motion No. M-20018, the Planning Commission also
23 adopted findings under CEQA, including a statement of overriding consideration, and a
24 Mitigation Monitoring and Reporting Program (“MMRP”). Copies of said Motion and MMRP
25

1 are on file with the Clerk of the Board in File No. 171117, and are incorporated herein by
2 reference.

3 (j) Under Chapter 43, Article X of the Administrative Code ("Code"), which Code
4 incorporates by reference the Mello-Roos Community Facilities Act of 1982, as amended
5 ("Mello-Roos Act"), the Board is authorized to establish special tax districts and to act as the
6 legislative body for each such district.

7 (k) On February 25, 2020, the Board adopted Resolution No. 84-20, entitled
8 "Resolution declaring the intention to establish City and County of San Francisco Special Tax

12 connection therewith, as defined herein; and making findings under the California
13 Environmental Quality Act" ("Resolution of Intention"), which Resolution of Intention was
14 signed by the Mayor on March 6, 2020, a complete copy of which is on file with the Clerk of
15 the Board in File No. 200117, stating its intention to form (1) the "City and County of San

17 Tax District") and (2) a "City and County of San Francisco Special Tax District No. 2020-1
18 (Mission Rock Facilities and Services) (Future Annexation Area)" ("Future Annexation Area"),
19 pursuant to the Code.

20 (l) On February 25, 2020, the Board also adopted Resolution No. 85-20, entitled
21 "Resolution declaring the intention to incur bonded indebtedness and other debt in an
22 aggregate principal amount not to exceed \$3,700,000,000 for the City and County of San
23 Francisco Special Tax District No. 2020-1 (Mission Rock Facilities and Services); ordering
24 and setting a time and place for a public hearing of the Board of Supervisors, sitting as a
25 Committee of the Whole, on April 7, 2020, at 3:00 p.m.; and determining other matters related

1 thereto, as defined herein” (“Resolution of Intention to Incur Indebtedness”), which Resolution
2 of Intention to Incur Indebtedness was signed by the Mayor on March 6, 2020, a complete
3 copy of which is on file with the Clerk of the Board in File No. 200118, stating its intention to
4 incur bonded indebtedness and other debt (as defined in the Mello-Roos Act) within the
5 boundaries of the Special Tax District for the purpose of financing the costs of certain facilities
6 specified in the Resolution of Intention.

8 the Special Tax District and the Future Annexation Area, to levy a special tax to provide for
9 certain facilities, services, and incidental expenses, and to incur bonded indebtedness and
10 other debt for the Special Tax District in an amount not to exceed \$3,700,000,000.

16 (o) Subsequent to the hearings, the Board adopted resolutions entitled “Resolution of
17 formation of the City and County of San Francisco Special Tax District No. 2020-1 (Mission
18 Rock Facilities and Services) and a future annexation area; determining other matters in
19 connection therewith, as defined herein; and making findings under the California

23 (Mission Rock Facilities and Services); and determining other matters in connection therewith,
24 as defined herein” (“Resolution of Necessity”) and “Resolution calling a special election in the
25 City and County of San Francisco Special Tax District No. 2020-1 (Mission Rock Facilities and

4 financed by the Special Tax District, established the Special Tax District, authorized the levy
5 of special taxes within the Special Tax District, determined the necessity to incur bonded
6 indebtedness and other debt in the Special Tax District and called an election within the
7 Special Tax District on the propositions of incurring indebtedness, levying the special taxes,
8 and establishing an appropriations limit within the Special Tax District.

10 the FEIR for the disposition and development of the Project Site, and those findings are
11 incorporated in this Ordinance as if set forth in their entirety herein.

10 Method") set forth in the Resolution of Formation, which Resolution of Formation is by this
11 reference incorporated herein, a complete copy of which is on file with the Clerk of the Board
12 in File No. 200120. The special taxes are hereby levied commencing in fiscal year 2020-21

15 period provided in the Rate and Method, as contemplated by the Resolution of Formation and
16 the Resolution of Necessity, and all costs of administering the Special Tax District.

17
18 Section 3. The Board hereby authorizes and directs the Director of the Office of Public
19 Finance of the City to determine each fiscal year the specific special tax rate and amount to
20 be levied for the next ensuing fiscal year for each parcel of real property within the Special
21 Tax District, in the manner and as provided in the Resolution of Formation and the Rate and
22 Method.

1 Section 4. In no event shall the special taxes be levied on any parcel within the Special
2 Tax District in excess of the maximum special taxes specified in the Resolution of Formation
3 and the Rate and Method.

4
5 Section 5. All of the collections of the special taxes shall be used as provided for in the

7 only to the initial territory included in the Special Tax District but also to parcels included in the
8 Future Annexation Area that are annexed to the Special Tax District at the rate or rates to be
9 approved unanimously by the owner or owners of each parcel or parcels to be annexed to the
10 Special Tax District.

11
12 Section 8. Severability. If for any reason any portion of this Ordinance is found by a
13 court of competent jurisdiction to be invalid, or if the special taxes are found by a court of
14 competent jurisdiction inapplicable to any particular parcel within the Special Tax District, the
15 balance of this Ordinance and the application of the special taxes to the remaining parcels
16 within the Special Tax District shall not be affected. Furthermore, if any section, subsection,
17 sentence, clause, phrase, or word of this Ordinance, or any application thereof to any person
18 or circumstance, is held to be invalid or unconstitutional by a decision of a court of competent
19 jurisdiction, such decision shall not affect the validity of the remaining portions or applications
20 of this Ordinance. This Board hereby declares that it would have passed this Ordinance and
21 each and every section, subsection, sentence, clause, phrase, and word not declared invalid
22 or unconstitutional without regard to whether any other portion of this Ordinance or application
23 thereof would be subsequently declared invalid or unconstitutional.

1 Section 9. Effective Date. This Ordinance shall become effective 30 days after
2 enactment. Enactment occurs when the Mayor signs the Ordinance, the Mayor returns the
3 Ordinance unsigned or does not sign the Ordinance within 10 days of receiving it, or the

LEGISLATIVE DIGEST

[Ordinance Levying Taxes- City and County of San Francisco Special Tax District No. 2020-1 (Mission Rock Facilities and Services)]

Ordinance levying special taxes within the City and County of San Francisco Special Tax District No. 2020-1 (Mission Rock Facilities and Services).

Existing Law

This is new law.

Background Information

The City, acting through the Port Commission, is empowered to manage lands within the Port's jurisdiction. The Port has entered into a Disposition and Development Agreement ("DDA"), including a Financing Plan ("Financing Plan") with Seawall Lot 337 Associates, LLC, a Delaware limited liability company ("Master Developer") in connection with the development of certain parcels within the jurisdiction of the Port including Seawall Lot 337, China Basin Park and ½ acre to the east of Terry A. Francois Boulevard between Pier 48 and Pier 50 ("Project Site"), and also provides for development of Pier 48.

The DDA contemplates that the Port will initially lease the Project Site to the Master Developer for infrastructure development, and, ultimately, lease parcels in the Project Site to vertical developers for the development of a mixed-use project described in the DDA. In addition to the infrastructure and private development, future improvements will be necessary to ensure that the shoreline, public facilities, and public access improvements will be protected should sea level rise occur in the vicinity of the Project Site.

In order to pay the cost for such future shoreline, public facilities, and public access infrastructure improvements, a communities facilities district ("San Francisco Special Tax District No. 2020-1 (Mission Rock Facilities and Services)") ("District") has been established under the City's Special Tax District Financing Law ("Code"). The proposed Ordinance authorizes the levy of special taxes within the District (including any Future Annexation Area) pursuant to the Code, at the rate and in accordance with the formula ("Rate and Method") set forth in the Resolution of Formation to establish the District, as adopted by the Board. Special taxes levied pursuant to the Ordinance will continue until payment in full of any bonds or other debt issued by the City for the District or longer period as provided in the Rate and Method.

Under the proposed Ordinance, the Controller's Director of the Office of Public Finance is authorized each fiscal year to determine the specific special tax rate and amount to be levied for the next ensuing fiscal year for each parcel of real property within the District, in the manner and as provided in the Resolution of Formation and the Rate and Method.

(Mission Rock Facilities and Services)**

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

Special Taxes applicable to the Leasehold Interest in each Taxable Parcel in the City and County of San Francisco Special Tax District No. 2020-1 (Mission Rock Facilities and Services) shall be levied and collected according to the tax liability determined by the Administrator through the application of the appropriate amount or rate for Leasehold Interests in Taxable Parcels, as described below. The Leasehold Interest in all Taxable Parcels in the STD shall be taxed for the purposes, to the extent, and in the manner herein provided, including property subsequently annexed to the STD.

The City will covenant in each Indenture that, as long as any Bonds are outstanding, it will not terminate, and it will inhibit the Port from terminating, any Leasehold Interest in a Taxable Parcel unless the Port enters into a new lease the term of which ends on or after the final maturity date of the Bonds and that covers substantially the same real property and improvements as the terminated lease. covenant if the City or the Port initiates judicial foreclosure of any such lease pursuant to the CFD Law.

“Taxable Parcel” means any Parcel within the STD that is not a Tax-Exempt Port Parcel or a Parcel for which the Special Tax has been prepaid pursuant to Sections 53317.3 or 53317.5 of the Mello-Roos Act.

“Taxpayer” means the lessee of a Taxable Parcel within the STD.

“Tax Zone” means a separate and distinct geographic area in the STD within which one or more Special Taxes are applied at a rate or in a manner that is different than in other areas within the STD. The two Tax Zones at STD Formation are identified in Attachment 2 hereto. Parcels that annex into the CFD may annex into Tax Zone 1, Tax Zone 2, or establish a new Tax Zone upon annexation. The Port will determine the applicable Tax Zone for Parcels that annex into the STD.

“Trigger Event” means the earlier of (i) any amendment to the Management Agreement that expressly authorizes the levy of Contingent Services Special Taxes, (ii) the expiration or earlier termination of the Management Agreement, or (iii) any Taxable Parcel becoming Developed Property prior to a Management Agreement being executed by both the Port and the Association (or related entity).

“Undeveloped Property” means, in any Fiscal Year, all Taxable Parcels that are not Developed Property.

“Vertical Developer” means a developer that has entered into a Parcel Lease for construction of vertical improvements on a Taxable Parcel or rehabilitation of Pier 48.

B. DATA FOR STD ADMINISTRATION

On or about July 1 of each Fiscal Year, the Administrator shall identify the current Assessor’s Parcel numbers for all Taxable Parcels. The Administrator shall also determine: (i) whether each Taxable Parcel is Developed Property or Undeveloped Property; (ii) the Planning Parcel and Tax Zone within which each Taxable Parcel is located; (iii) for Developed Property, the Market-Rate Residential Square Footage and Office Square Footage within each building; (iv) the Taxpayer for each Leasehold Interest in a Taxable Parcel; and (v) the Development Special Tax Requirement, Office Special Tax Requirement, Shoreline Special Tax Requirement, and, if applicable, Services Special Tax Requirement for the Fiscal Year.

When a Parcel becomes Developed Property, the Administrator and Review Authority shall reference the Permit for each building on the Parcel to determine the Market-Rate Residential Square Footage and/or Office Square Footage within the building(s). If the Market-Rate Residential Square Footage and/or Office Square Footage is not identified on the Permit, the square footage assumptions used in the appraisal prepared when the Vertical DDA and/or Parcel Lease for such Parcel was executed shall be used to determine Market-Rate Residential Square Footage and/or Office Square Footage within the building. If, after review of the Permit and appraisal, there is still no clear indication of the Market-Rate Residential Square Footage and/or Office Square Footage for a building, the Review Authority shall review the

Development Approval Documents and make a determination as to the amount of Market-Rate Residential Square Footage and/or Office Square Footage in the building.

When a Parcel becomes Developed Property, the Administrator and Review Authority shall also identify and document the Initial Exempt Square Footage for the building or buildings on or expected on the Parcel. The Administrator shall keep a record of the Initial Exempt Square Footage broken down by Exempt Use. After the First Bond Sale, as square footage within a building is designated for Exempt Uses, the Administrator shall compare the actual square footage used for each Exempt Use to the Initial Exempt Square Footage by Exempt Use. If, at any point in time, there is determined to be Excess Exempt Square Footage within a building, the Administrator and Review Authority shall use this comparison to determine which square footage should be designated Excess Exempt Square Footage. In addition, the Administrator shall determine whether the Excess Exempt Square Footage resulted in a reduction in Market-Rate Residential Square Footage or Office Square Footage expected in the building and, based on this determination, identify the applicable Maximum Special Taxes for the Excess Exempt Square Footage pursuant to the tables in Section C below.

The Administrator shall also: (i) coordinate with the Deputy Director to confirm Parcel Increment; (ii) coordinate with the Treasurer-Tax Collector's Office to determine if there have been any Special Tax delinquencies or repayment of Special Tax delinquencies in prior Fiscal Years; (iii) review the Development Approval Documents and communicate with the Developer and Vertical Developers regarding proposed Land Use Changes; and (iv) upon each annexation, Land Use Change, and notification of Parcel Lease Execution Dates, update Attachment 3 to reflect the then-current Expected Land Uses, Expected Maximum Development Special Tax Revenues,

Expected Maximum Office Special Tax Revenues, and Expected Maximum Shoreline Special Tax Revenues. The Developer, Port, or Vertical Developer shall notify the Administrator each time a Parcel Lease is executed in order for the Administrator to keep track of Parcel Lease Execution Dates. In addition, the Port will: (i) provide the Administrator with copies of all leases that establish a Leasehold Interest, (ii) notify the Administrator of renewals of leases that establish a Leasehold Interest, and (iii) identify the buildings, Parcels, and Square Footage subject to such leases that establish a Leasehold Interest. Any time a lease on property within the STD is terminated, the Port will immediately notify the Administrator of such termination.

Prior to the First Bond Sale, the Administrator, Port, Developer, and any Vertical Developers shall coordinate to review the Expected Land Uses and determine if changes should be made to reflect more current estimates for land uses on each Planning Parcel. Based on this review, the Administrator shall update Attachment 3 with the then-current Expected Land Uses and Expected Maximum Development Special Tax Revenues, Expected Maximum Office Special Tax Revenues, and Expected Maximum Shoreline Special Tax Revenues, which will be used to size the sale of Bonds unless and until there are additional updates of Attachment 3.

In any Fiscal Year, if it is determined that (i) a parcel map or condominium plan was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created Parcels into the then current tax roll), (ii) because of the date the map or plan was recorded, the Assessor does not yet recognize the newly-created Parcels, and (iii) one or more of the newly-created Parcels meets the definition of Developed Property, the Administrator shall calculate the Special Taxes for the property affected by recordation of the map or plan by determining the Special Taxes that applies separately to each newly-created Parcel, then applying the sum of

the individual Special Taxes to the Parcel that was subdivided by recordation of the parcel map or condominium plan.

C. MAXIMUM SPECIAL TAXES

In calculating Maximum Special Taxes pursuant to this Section C, in any Fiscal Year in which the boundaries of the Planning Parcels are not identical to the boundaries of the then-current Assessor's Parcels, the Administrator shall review the Expected Land Uses for each Planning Parcel and assign the Maximum Special Taxes to the then-current Assessor's Parcels. The Maximum Special Tax Revenues after such allocation shall not be less than the Maximum Special Tax Revenues prior to the allocation.

1. Undeveloped Property

1a. Development Special Tax, Office Special Tax, Shoreline Special Tax

The Maximum Development Special Tax, Maximum Office Special Tax, and Maximum Shoreline Special Tax for Leasehold Interests in Undeveloped Property in all Tax Zones shall be the Expected Maximum Development Special Tax Revenues, Expected Maximum Office Special Tax Revenues, and Expected Maximum Shoreline Special Tax Revenues shown in Attachment 3 of this RMA, as it may be amended as set forth herein.

1b. Contingent Services Special Tax

No Contingent Services Special Tax shall be levied on Parcels of Undeveloped Property in any Tax Zone within the STD.

2. Developed Property

2a. Development Special Tax

When a Taxable Parcel in Tax Zone 1 or Tax Zone 2 becomes Developed Property, the Administrator shall use the Base Development Special Taxes shown in Table 1 below and apply the steps set forth in this Section 2a to determine the Maximum Development Special Tax for Leasehold Interests in the Taxable Parcel. For property that annexes into the CFD, different maximum rates and different Square Footage Categories may be established by creating a separate Tax Zone for such annexed property. Alternatively, property may be annexed into Tax Zones that were established prior to the annexation, and such property shall be subject to the Maximum Special Taxes applicable to that Tax Zone.

Table 1 Base Development Special Tax		
Square Footage Category	Base Development Special Tax Tax Zone 1 (FY 2019-20) *	Base Development Special Tax Tax Zone 2 (FY 2019-20) *
Market-Rate Residential Square Footage	\$8.58 per Market-Rate Residential Square Foot	\$8.58 per Market-Rate Residential Square Foot
Office Square Footage	\$6.50 per Office Square Foot	\$6.50 per Office Square Foot

Excess Exempt Square Footage	\$8.58 per Excess Exempt Square Foot if Market-Rate Residential Square Footage was reduced or \$6.50 per Excess Exempt Square Foot if Office Square Footage was reduced	\$8.58 per Excess Exempt Square Foot if Market-Rate Residential Square Footage was reduced or \$6.50 per Excess Exempt Square Foot if Office Square Footage was reduced
------------------------------	---	---

****The Base Development Special Tax shown above for each Tax Zone shall be escalated as set forth in Section D.1.**

Step 1. Identify the Market-Rate Residential Square Footage, Office Square Footage, and/or Excess Exempt Square Footage in the building(s) on the Taxable Parcel pursuant to Section B above.

Step 2. Multiply the applicable Base Development Special Tax from Table 1 by the actual and/or expected Market-Rate Residential Square Footage and Office Square Footage included in Leasehold Interests in the Taxable Parcel. Prior to the First Bond Sale, the Maximum Development Special Tax for Leasehold Interests in the Taxable Parcel shall be the sum of the amounts calculated for Market-Rate Residential Square Footage and Office Square Footage, and Step 3 below shall not apply.

After the First Bond Sale, the Administrator shall apply Step 3 to determine the Maximum Development Special Tax for Leasehold Interests in the Taxable Parcel.

Step 3. Compare the Estimated Base Development Special Tax Revenues from Step 2 to the Expected Maximum Development Special Tax Revenues, and, apply one of the following, as applicable:

If the Estimated Base Development Special Tax Revenues are: (i) greater than or equal to the Expected Maximum Development Special Tax Revenues or (ii) less than the Expected Maximum Development Special Tax Revenues, but the Maximum Development Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Development Special Tax Revenues, are still sufficient to provide Required Coverage, then the Maximum Development Special Tax for Leasehold Interests in the Taxable Parcel shall be determined by multiplying the applicable Base Development Special Taxes by the actual and/or expected Market-Rate Residential Square Footage and Office Square Footage within each building on the Taxable Parcel. The Administrator shall update Attachment 3 to reflect the change in the Expected Maximum Development Special Tax Revenues.

If the Estimated Base Development Special Tax Revenues are less than the Expected Maximum Development Special Tax Revenues, and the Maximum Development Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Development Special Tax Revenues, are insufficient to provide Required Coverage, then the Administrator and Review Authority shall coordinate with the Developer and Vertical Developer, and the Review Authority shall determine which of the following shall occur:

(i) the Base Development Special Taxes that were applied to Market-Rate Residential Square Footage and/or Office Square Footage in Step 2 shall be increased proportionately until the amount that can be levied on Leasehold Interests in the Taxable Parcel, combined with the Expected Maximum Development Special Tax Revenues from all other Taxable Parcels in the STD, is sufficient to maintain Required Coverage, or

(ii) if Estimated Base Development Special Tax Revenues are less than the Expected Maximum Development Special Tax Revenues due to Excess Exempt Square Footage, then the Base Development Special Tax for Excess Exempt Square Footage shall be levied against all Excess Exempt Square Footage included in Leasehold Interests in the Taxable Parcel.

If, pursuant to (i) above, the Base Development Special Taxes are proportionately increased to maintain Required Coverage, the Administrator shall use the adjusted per-square-foot rates to calculate the Maximum Development Special Tax for each building on the Taxable Parcel. The Administrator shall revise Attachment 3 to reflect any changes to the Expected Land Uses (including the addition of Excess Exempt Square Footage) and the Expected Maximum Development Special Tax Revenues.

If, in any Fiscal Year, the Maximum Development Special Tax is determined for Leasehold Interests in any Parcel of Developed Property for which a Permit had not yet been issued, and if, when a Permit is issued for a building(s) on the Parcel, the Market-Rate Residential Square Footage and/or Office Square Footage of such building(s) is different than that used to determine the Maximum Development Special Tax, then the Administrator shall once again apply Steps 1 through 3 in this Section C.2a to recalculate the Maximum Development Special Tax for Leasehold Interests in the Parcel based on the Market-Rate Residential Square Footage and/or Office Square Footage that was determined when the Permit was issued.

The Administrator shall do a final check of the Market-Rate Residential Square Footage and Office Square Footage within each building when a Certificate of Occupancy is issued. Once again, if the Market-Rate Residential Square Footage and/or Office

Square Footage is different than the Market-Rate Residential Square Footage and/or Office Square Footage that was used to determine the Maximum Development Special Tax after the Permit was issued, then the Administrator shall apply Steps 1 through 3 in this Section C.2a to recalculate the Maximum Development Special Tax for Leasehold Interests in the Parcel.

2b. Office Special Tax

When a Taxable Parcel in Tax Zone 1 or Tax Zone 2 becomes Developed Property, the Administrator shall use the Base Office Special Taxes shown in Table 2 below and apply the steps set forth in this Section 2b to determine the Maximum Office Special Tax for Leasehold Interests in the Taxable Parcel. For property that annexes into the CFD, different maximum rates and different Square Footage Categories may be established by creating a separate Tax Zone for such annexed property. Alternatively, property may be annexed into Tax Zones that were established prior to the annexation, and such property shall be subject to the Maximum Special Taxes applicable to that Tax Zone.

Table 3 Base Shoreline Special Tax		
Square Footage Category	Base Shoreline Special Tax Tax Zone 1 (FY 2019-20) *	Base Shoreline Special Tax Tax Zone 2 (FY 2019-20) *
Office Square Footage	\$1.82 per Office Square Foot	\$1.82 per Office Square Foot
	\$1.82 per Excess Exempt Square Foot if Market-Rate Residential Square	\$1.82 per Excess Exempt Square Foot if Market-Rate Residential Square

Excess Exempt Square Footage	Footage was reduced or \$1.82 per Excess Exempt Square Foot if Office Square Footage was reduced	Footage was reduced or \$1.82 per Excess Exempt Square Foot if Office Square Footage was reduced
------------------------------	--	--

*** The Base Shoreline Special Tax shown above for each Tax Zone shall be escalated as set forth in Section D.1.**

Step 1. Identify the Market-Rate Residential Square Footage, Office Square Footage, and/or Excess Exempt Square Footage in the building(s) on the Taxable Parcel pursuant to Section B above.

Step 2. Multiply the applicable Base Shoreline Special Tax from Table 3 by the actual and/or expected Market-Rate Residential Square Footage and Office Square Footage included in Leasehold Interests in the Taxable Parcel. Prior to the First Bond Sale, the Maximum Shoreline Special Tax for Leasehold Interests in the Taxable Parcel shall be the sum of the amounts calculated for Market-Rate Residential Square Footage and Office Square Footage, and Step 3 below shall not apply.

After the First Bond Sale, the Administrator shall apply Step 3 to determine the Maximum Shoreline Special Tax for Leasehold Interests in the Taxable Parcel.

Step 3. Compare the Estimated Base Shoreline Special Tax Revenues from Step 2 to the Expected Maximum Shoreline Special Tax Revenues, and, apply one of the following, as applicable:

If the Estimated Base Shoreline Special Tax Revenues are: (i) greater than or equal to the Expected Maximum Shoreline Special Tax Revenues or (ii) less than the Expected Maximum Shoreline Special Tax Revenues, but the Maximum Shoreline Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Shoreline Special Tax Revenues, are still sufficient to provide Required Coverage, then the Maximum Shoreline Special Tax for Leasehold Interests in the Taxable Parcel shall be determined by multiplying the applicable Base Shoreline Special Taxes by the actual and/or expected Market-Rate Residential Square Footage and Office Square Footage within each building on the Taxable Parcel. The Administrator shall update Attachment 3 to reflect the change in the Expected Maximum Shoreline Special Tax Revenues.

If the Estimated Base Shoreline Special Tax Revenues are less than the Expected Maximum Shoreline Special Tax Revenues, and the Maximum Shoreline Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Shoreline Special Tax Revenues, are insufficient to provide Required Coverage, then the Administrator and Review Authority shall coordinate with the Developer and Vertical Developer, and the Review Authority shall determine which of the following shall occur:

(i) the Base Shoreline Special Taxes that were applied to Market-Rate Residential Square Footage and/or Office Square Footage in Step 2 shall be increased proportionately until the amount that can be levied on Leasehold Interests in the Taxable Parcel, combined with the Expected Maximum Shoreline Special Tax Revenues from all other Taxable Parcels in the STD, is sufficient to maintain Required Coverage, or

(ii) if Estimated Base Shoreline Special Tax Revenues are less than the Expected Maximum Shoreline Special Tax Revenues due to Excess Exempt Square Footage, then the Base Shoreline Special Tax for Excess Exempt Square Footage shall be levied against all Excess Exempt Square Footage included in Leasehold Interests in the Taxable Parcel.

If, pursuant to (i) above, the Base Shoreline Special Taxes are proportionately increased to maintain Required Coverage, the Administrator shall use the adjusted per-square-foot rates to calculate the Maximum Shoreline Special Tax for each building on the Taxable Parcel. The Administrator shall revise Attachment 3 to reflect any changes to the Expected Land Uses (including the addition of Excess Exempt Square Footage) and the Expected Maximum Shoreline Special Tax Revenues.

If, in any Fiscal Year, the Maximum Shoreline Special Tax is determined for Leasehold Interests in any Parcel of Developed Property for which a Permit had not yet been issued, and if, when a Permit is issued for a building(s) on the Parcel, the Market-Rate Residential Square Footage and/or Office Square Footage of such building(s) is different than that used to determine the Maximum Shoreline Special Tax, then the Administrator shall once again apply Steps 1 through 3 in this Section C.2c to recalculate the Maximum Shoreline Special Tax for Leasehold Interests in the Parcel based on the Market-Rate Residential Square Footage and/or Office Square Footage that was determined when the Permit was issued.

The Administrator shall do a final check of the Market-Rate Residential Square Footage and Office Square Footage within each building when a Certificate of Occupancy is issued. Once again, if the Market-Rate Residential Square Footage and/or Office Square Footage is different than the Market-Rate Residential Square Footage and/or

Office Square Footage that was used to determine the Maximum Shoreline Special Tax after the Permit was issued, then the Administrator shall apply Steps 1 through 3 in this Section C.2c to recalculate the Maximum Shoreline Special Tax for Leasehold Interests in the Parcel.

2d. Contingent Services Special Tax

In the first Fiscal Year after the Fiscal Year in which the Trigger Event occurs, and in each Fiscal Year thereafter, this Section C.2d shall be applied to determine the Contingent Services Special Tax for each Taxable Parcel in the STD.

When a Taxable Parcel in Tax Zone 1 or Tax Zone 2 becomes Developed Property, the Administrator shall use the Base Contingent Services Special Taxes shown in Table 4 below and apply the steps set forth in this Section 2d to determine the Maximum Contingent Services Special Tax for Leasehold Interests in the Taxable Parcel. For property that annexes into the CFD, different maximum rates may be established by creating a separate Tax Zone for such annexed property. Alternatively, property may be annexed into Tax Zones that were established prior to the annexation, and such property shall be subject to the Maximum Special Taxes applicable to that Tax Zone.

Table 4 Base Contingent Services Special Tax		
Square Footage Category	Base Contingent Services Special Tax Tax Zone 1 (FY 2019-20) *	Base Contingent Services Special Tax Tax Zone 2 (FY 2019-20) *

Market-Rate Residential Square Footage	\$1.40 per Market-Rate Residential Square Foot	\$1.40 per Market-Rate Residential Square Foot
Office Square Footage	\$1.40 per Office Square Foot	\$1.40 per Office Square Foot
Excess Exempt Square Footage	\$1.40 per Excess Exempt Square Foot	\$1.40 per Excess Exempt Square Foot

*** The Base Contingent Services Special Tax for each Tax Zone shown above shall be escalated as set forth in Section D.2.**

Step 1. Identify the Market-Rate Residential Square Footage, Office Square Footage, and/or Excess Exempt Square Footage in the building(s) on the Taxable Parcel pursuant to Section B above.

Step 2. Multiply the applicable Base Contingent Services Special Tax from Table 4 by the actual and/or expected Market-Rate Residential Square Footage, Office Square Footage, and Excess Exempt Square Footage included in Leasehold Interests in the Taxable Parcel. The Maximum Contingent Services Special Tax for Leasehold Interests in the Taxable Parcel shall be the sum of the amounts calculated for Market-Rate Residential Square Footage, Office Square Footage, and Excess Exempt Square Footage.

If additional structures are anticipated to be built on the Taxable Parcel as shown in the Development Approval Documents, the Administrator shall, regardless of the definitions set forth herein, categorize each building for which a Permit has been issued as Developed Property, and any remaining buildings for which Permits have not yet been issued shall not be subject to a Contingent Services Special Tax until a Permit is issued for such remaining buildings. To determine the Contingent Services Special Tax for any

such Taxable Parcel, the Administrator shall take the sum of the Contingent Services Special Taxes determined for each building.

D. CHANGES TO THE MAXIMUM SPECIAL TAXES

1. Annual Escalation of Development Special Tax, Office Special Tax, and Shoreline Special Tax

Beginning July 1, 2020 and each July 1 thereafter, each of the following amounts shall be increased by 2% of the amount in effect in the prior Fiscal Year: the Base Development Special Tax for each Tax Zone; the Base Office Special Tax for each Tax Zone; the Base Shoreline Special Tax for each Tax Zone; the Expected Maximum Development Special Tax Revenues, the Expected Maximum Office Special Tax Revenues, and the Expected Maximum Shoreline Special Tax Revenues in Attachment 3; and the Maximum Development Special Tax, the Maximum Office Special Tax, and the Maximum Shoreline Special Tax assigned to the Leasehold Interests in each Taxable Parcel.

2. Annual Escalation of Contingent Services Special Tax

Beginning July 1, 2020 and each July 1 thereafter, the Base Contingent Services Special Tax for each Tax Zone and the Maximum Contingent Services Special Tax assigned to the Leasehold Interests in each Taxable Parcel shall be adjusted by the Escalator.

3. Changes in Square Footage Category on a Parcel of Developed Property

If any Parcel that had been taxed as Developed Property in a prior Fiscal Year is rezoned or otherwise has a Land Use Change, as determined by the Review Authority, the Administrator shall, separately for each of the Special Taxes, multiply the applicable Base Special Tax by the new square footage within each Square Footage Category; if the First Bond Sale has not yet occurred, this amount shall be the Maximum Special Tax for Leasehold Interests in the Parcel. If the First Bond Sale has taken place, the Administrator shall apply the remainder of this Section D.3.

If the Maximum Special Tax that would apply to Leasehold Interests in the Parcel after the Land Use Change is greater than the Maximum Special Tax that applied to Leasehold Interests in the Parcel prior to the Land Use Change, the Administrator shall increase the Maximum Special Tax for the Parcel to the amount calculated for each new Square Footage Category. If the Maximum Special Tax after the Land Use Change is less than the Maximum Special Tax that applied prior to the Land Use Change, there will be no change to the Maximum Special Tax for Leasehold Interests in the Parcel. Under no circumstances shall the Maximum Special Tax on Leasehold Interests in any Parcel of Developed Property be reduced, regardless of changes in Square Footage Category or square footage on the Parcel, including reductions in square footage that may occur due to demolition, fire, water damage, or acts of God.

4. Changes to Planning Parcels and Expected Land Uses

If, at any time prior to the First Bond Sale, the Developer or a Vertical Developer makes changes to the boundaries of the Planning Parcels or the Expected Land Uses within one or more Planning Parcels, as determined by the Review Authority, the Administrator shall update the Expected Land Uses and Expected Maximum Development Special Tax Revenues, Expected Maximum Office Special Tax Revenues,

and Expected Maximum Shoreline Special Tax Revenues, which will be reflected on an updated Attachment 3. In addition, the Administrator will request updated Attachments 1 and 2 from the Developer. Updated attachments shall be maintained by the Administrator for purposes of applying this RMA, and such updates shall not require recordation of an amended RMA.

If, after the First Bond Sale, the Developer or a Vertical Developer proposes to make changes to the boundaries of the Planning Parcels or the Expected Land Uses within one or more Planning Parcels, the Administrator shall meet with the Port, Developer, and any affected Vertical Developers to review the proposed changes and evaluate the impact on the Expected Maximum Development Special Tax Revenues, Expected Maximum Office Special Tax Revenues, and Expected Maximum Shoreline Special Tax Revenues. If the Administrator determines that such changes will not reduce Required Coverage on Bonds that have been or will be issued, the Port will decide whether to allow the proposed changes and corresponding redistribution of the Expected Maximum Development Special Tax Revenues, Expected Maximum Office Special Tax Revenues, and Expected Maximum Shoreline Special Tax Revenues. If such changes are permitted, the Administrator will update Attachment 3 and request updated Attachments 1 and 2 from the Developer. Updated attachments shall be maintained by the Administrator for purposes of applying this RMA, and such updates shall not require recordation of an amended RMA. If the Administrator determines that the proposed changes will reduce Required Coverage on Bonds that have been issued, the Port will not permit the changes.

5. Reduction in Maximum Development Special Taxes Prior to First Bond Sale

Prior to the First Bond Sale, if the City, Port and Developer determine that assumptions that were factored into estimates of Tax Increment at STD Formation have changed, and the estimated Tax Increment is expected to be lower than the original estimates, the Port and Developer may agree to a proportional or disproportional reduction in the Base Development Special Tax as set forth in Section 4.5(e) of the Financing Plan. If the parties agree to such a reduction, the Port will direct the Administrator to use the reduced Base Development Special Tax for purposes of levying the taxes pursuant to this RMA, and an amended Notice of Special Tax Lien reflecting the reduction will be recorded against all Taxable Parcels within the STD. The reduction shall be made without a vote of the qualified STD electors.

E. ANNEXATIONS

If, in any Fiscal Year, a property owner within the Future Annexation Area wants to annex property into the STD, the Administrator shall apply the following steps as part of the annexation proceedings:

Step 1. Working with Port staff, the Administrator shall determine the Expected Land Uses for the area to be annexed and the Tax Zone into which the property will be placed.

Step 2. The Administrator shall prepare or have prepared updated Attachments 1, 2, and 3 to reflect the annexed property and identify the revised Expected Land Uses, Expected Maximum Development Special Tax Revenues, Expected Maximum Office Special Tax Revenues, and Expected Maximum Shoreline Special Tax Revenues. After the annexation is complete, the application of this RMA shall be based on the adjusted Expected Land Uses and Maximum Development

Special Tax Revenues, Maximum Office Special Tax Revenues, and Maximum Shoreline Special Tax Revenues, as applicable, including the newly annexed property.

Step 3. The Administrator shall ensure that a Notice of Special Tax Lien is recorded against all Parcels that are annexed to the STD.

F. METHOD OF LEVY OF THE SPECIAL TAXES

1. Development Special Tax

Each Fiscal Year, the Administrator shall determine the Development Special Tax Requirement for the Fiscal Year, and the Development Special Tax shall be levied according to the steps outlined below:

Step 1. The Administrator shall determine the Development Special Tax to be levied on Leasehold Interests in each Taxable Parcel of Developed Property, as follows:

Step 1a. Calculate the Maximum Development Special Tax for each Leasehold Interest in each Parcel of Developed Property.

Step 1b. In consultation with the City, determine which Parcels of Developed Property are Assessed Parcels.

Step 1c. For all Parcels of Developed Property that are not Assessed Parcels, levy the Maximum Development Special Tax on Leasehold Interests in such Parcels.

Any Remainder Special Taxes collected shall be applied pursuant to the Financing Plan.

Step 1d. For all Assessed Parcels:

Step 1dA. Determine the amount of the Parcel Increment.

Step 1dB. If the total amount of Parcel Increment available is equal to or greater than the total aggregate Maximum Development Special Taxes for all Assessed Parcels, then the levy on each Assessed Parcel shall be zero (\$0).

Step 1dC. If the total amount of Parcel Increment available is less than the aggregate Maximum Development Special Taxes for all Assessed Parcels, the Administrator shall apply the appropriate sub-step below:

Substep 1dC(i). If, after coordination with the City and Port, the Administrator is provided with a breakdown of Parcel Increment on a Parcel-by-Parcel basis in time for submission of the Special Tax levy, the Administrator shall determine the net tax levy on Leasehold Interests in each Assessed Parcel (the "Net Assessed Parcel Tax Levy") by taking the following steps in the following order of priority: (i) subtract from the Maximum Development Special Tax for each Assessed Parcel the amount of Parcel Increment generated from the applicable Assessed Parcel, and (ii) for each Assessed Parcel whose tax levy was not reduced to \$0 pursuant to item (i) in this paragraph, apply any remaining Parcel Increment that was not applied pursuant to item (i) in this paragraph to each such Assessed Parcel on a pro rata basis (based on the Assessed Parcel's net remaining tax levy as a percentage of the aggregate net remaining tax levy for all Assessed Parcels for which Parcel Increment was insufficient to pay the full amount of

the Assessed Parcel's Maximum Development Special Tax). The Administrator shall levy on Leasehold Interests in each Assessed Parcel the Net Assessed Parcel Tax Levy for such Assessed Parcel. Any Remainder Special Taxes collected shall be applied pursuant to the Financing Plan.

Substep 1dC(ii). If, after coordination with the City and Port, the Administrator determines that a breakdown of Parcel Increment on a Parcel-by-Parcel basis cannot be provided in time for submission of the Special Tax levy, the Administrator shall determine the net tax levy on the Leasehold Interest in each Assessed Parcel (the "Net Assessed Parcel Tax Levy") by subtracting from the Maximum Development Special Tax for each Assessed Parcel a pro rata share of the Parcel Increment, with such pro rata share determined based on each Assessed Parcel's Maximum Development Special Tax as a percentage of the aggregate Maximum Development Special Tax for all Assessed Parcels in the STD. The Administrator shall levy on the Leasehold Interest in each Assessed Parcel the Net Assessed Parcel Tax Levy for such Assessed Parcel. Any Remainder Special Taxes collected shall be applied pursuant to the Financing Plan.

The Review Authority shall make the final determination regarding available Parcel Increment, the Maximum Development Special Tax that applies to a Parcel based on the Leasehold Interests in the Parcel, and the application of Parcel Increment pursuant to Substeps 1dC(i). and 1dC(ii) above.

Step 2. After the First Bond Sale, if additional revenue is needed after Step 1 in order to meet the Development Special Tax Requirement after Capitalized Interest has been applied to reduce the Development Special Tax Requirement, the Development Special Tax shall be levied Proportionately on Leasehold Interests in each

Taxable Parcel of Undeveloped Property, in an amount up to 100% of the Maximum Development Special Tax for Leasehold Interests in each Taxable Parcel of Undeveloped Property for such Fiscal Year.

2. Office Special Tax

Each Fiscal Year, the Administrator shall determine the Office Special Tax Requirement for the Fiscal Year, and the Office Special Tax shall be levied according to the steps outlined below:

Step 1. Levy the Maximum Office Special Tax on Leasehold Interests in each Taxable Parcel of Developed Property. Any Remainder Special Taxes collected shall be applied pursuant to the Financing Plan.

Step 2. After the First Bond Sale, if additional revenue is needed after Step 1 in order to meet the Office Special Tax Requirement after Capitalized Interest has been applied to reduce the Office Special Tax Requirement, the Office Special Tax shall be levied Proportionately on Leasehold Interests in each Taxable Parcel of Undeveloped Property, in an amount up to 100% of the Maximum Office Special Tax for Leasehold Interests in each Taxable Parcel of Undeveloped Property for such Fiscal Year.

3. Shoreline Special Tax

Each Fiscal Year, the Administrator shall determine the Shoreline Special Tax Requirement for the Fiscal Year, and the Shoreline Special Tax shall be levied according to the steps outlined below:

Step 1. Levy the Maximum Shoreline Special Tax on Leasehold Interests in each Taxable Parcel of Developed Property. Any Remainder Special Taxes collected shall be applied pursuant to the Financing Plan.

Step 2. After the First Bond Sale, if additional revenue is needed after Step 1 in order to meet the Shoreline Special Tax Requirement after Capitalized Interest has been applied to reduce the Shoreline Special Tax Requirement, the Shoreline Special Tax shall be levied Proportionately on Leasehold Interests in each Taxable Parcel of Undeveloped Property, in an amount up to 100% of the Maximum Shoreline Special Tax for Leasehold Interests in each Taxable Parcel of Undeveloped Property for such Fiscal Year.

4. Contingent Services Special Tax

Each Fiscal Year after the Fiscal Year in which the Trigger Event occurs, the Administrator shall coordinate with the City and the Port to determine the Services Special Tax Requirement for the Fiscal Year. The Contingent Services Special Tax shall then be levied Proportionately on Leasehold Interests in each Taxable Parcel of Developed Property, in an amount up to 100% of the Maximum Contingent Services Special Tax for Leasehold Interests in each Parcel of Developed Property for such Fiscal Year until the amount levied is equal to the Services Special Tax Requirement. The Contingent Services Special Tax may not be levied on Undeveloped Property.

G. COLLECTION OF SPECIAL TAXES

Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes on the regular tax roll, provided, however, that the City may directly bill Special Taxes, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods as authorized by the CFD Law. The Board of Supervisors has ordered any Special Taxes to be levied on Leasehold Interests to be levied on the secured roll. The Special Tax bill for any Taxable Parcel subject to a Leasehold Interest will be sent to the same party that receives the possessory interest tax bill associated with the Leasehold Interest unless it is sent directly to the Taxpayer.

In calculating the Development Special Tax Requirement, Office Special Tax Requirement, or Shoreline Special Tax Requirement, under no circumstances may the Development Special Tax, Office Special Tax, or Shoreline Special Tax that is levied on a Leasehold Interest in a Taxable Parcel in a Fiscal Year be increased by more than ten percent (10%) of the respective Maximum Development Special Tax, Maximum Office Special Tax, or Maximum Shoreline Special Tax for that Parcel (or such lesser amount required by the CFD Law) as a consequence of delinquency or default in payment of Special Taxes levied on Leasehold Interests in another Parcel(s) in the STD (the "Delinquency Levy").

The Delinquency Levy, if any, is determined when calculating the Development Special Tax Requirement. Accordingly, when determining the levy of Development Special Taxes on Leasehold Interests in Assessed Parcels pursuant to Step 1 of Section F.1, the Delinquency Levy, if any, has already been applied and, therefore, the Administrator shall not levy any additional Delinquency Levy on an Assessed Parcel that has its Development Special Tax levy reduced or eliminated by Parcel Increment.

The Development Special Tax shall be levied and collected on Leasehold Interests in each Taxable Parcel until the earlier of: (i) the Fiscal Year in which the Port determines that all Authorized Expenditures that will be funded by the STD have been funded and all Development Special Tax Bonds have been fully repaid; (ii) the Fiscal Year after the Fiscal Year in which Tax Increment is no longer collected within the Sub-Project Area within which the Taxable Parcel is located and all Development Special Tax Bonds have been fully repaid, as determined by the Administrator with direction from the Deputy Director; and (iii) Fiscal Year 2093-94.

The Office Special Tax and the Shoreline Special Tax shall be levied on and collected from Leasehold Interests in each Taxable Parcel for 120 Fiscal Years.

Beginning in the first Fiscal Year after the Fiscal Year in which the Trigger Event occurs, the Contingent Services Special Tax shall be levied and collected in perpetuity.

H. EXEMPTIONS

Notwithstanding any other provision of this RMA, no Special Taxes will be levied on fee simple interests in the STD, including Tax-Exempt Port Parcels.

I. INTERPRETATION OF SPECIAL TAX FORMULA

The City may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness, or ambiguity, by resolution or ordinance, as long as such interpretation, clarification, or revision does not materially affect the levy and collection of the Special Taxes and any security for any Bonds.

J. SPECIAL TAX APPEALS

Any Taxpayer who wishes to challenge the accuracy of computation of the Special Taxes in any Fiscal Year may file an application with the Administrator. The Administrator, in consultation with the City Attorney, shall promptly review the Taxpayer's application. If the Administrator concludes that the computation of the Special Taxes was not correct, the Administrator shall correct the Special Tax levy and, if applicable in any case, a refund shall be granted. If the Administrator concludes that the computation of the Special Taxes was correct, then such determination shall be final and conclusive, and the Taxpayer shall have no appeal to the Board from the decision of the Administrator.

The filing of an application or an appeal shall not relieve the Taxpayer of the obligation to pay the Special Taxes when due.

Nothing in this Section J shall be interpreted to allow a Taxpayer to bring a claim that would otherwise be barred by applicable statutes of limitation set forth in the CFD Law or elsewhere in applicable law.
