15 Article 16, and any regulations promulgated thereunder, require from an Applicant.

16
17 **SEC. 1608. TRANSFER OF PERMIT; PORTABILITY OF PERMIT; SALE OF**
18 **CANNABIS BUSINESS; CHANGE IN OWNERSHIP; INTERIM CANNABIS BUSINESS**
19 **PERMITS.**

20 * * * *

21 ~~(c) Sale of Cannabis Business.~~ If a Permittee sells the Cannabis Business, the
22 Permittee shall promptly surrender the permit to the Director. This obligation is not dependent
23 on the Director's requesting the surrender, but arises by operation of law on the sale of the
24 Cannabis Business. If the Permittee fails to surrender the permit to the Director, the Director

1 may, after giving the Permittee notice by mail and electronically of the proposed action and an
2 opportunity to respond, revoke the permit.

3 ~~(d) **Change in Ownership.** A Permittee may change partners, shareholders, or other
4 Owners of a Cannabis Business provided that: the sale or other transfer of ownership
5 regardless of the form of ownership results in a new Person owning: no more than 20% of the
6 Cannabis Business, and the Permittee obtains an amendment to the Permit as provided in
7 subsection (d)(2) of this Section 1608. If the sale or other transfer of ownership does not result
8 in any Person (who did not already have such a percentage interest) having an ownership
9 interest of 20% or more, the Permittee is not required to obtain a permit amendment.~~

10 ~~—— (1) A Permittee seeking to amend a permit as required under this subsection (d)
11 shall pay the required filing fee for a permit amendment and that portion of the information
12 required for Applicants under Section 1609, as determined by the Director.~~

13 ~~—— (2) The Director shall determine within 30 days of the filing of a complete
14 application for a permit amendment under this subsection (d) whether to approve it. The
15 Director shall approve the application unless the Director determines that denial is warranted
16 under any of the grounds set forth in Section 1615. The Director shall notify the Permittee of
17 the Director's decision electronically and either by mail or personal delivery.~~

18 ~~—— (3) Notwithstanding this subsection (d), a Permittee must obtain a permit
19 amendment if a change in ownership results in a decrease in an Equity Applicant's Ownership
20 Interest in the Cannabis Business, a change in the Equity Applicant's role as Chief Executive
21 Officer or member of the Board of Directors, or a material change in the degree of the Equity
22 Applicant's participation in the direction, control, or management of the Cannabis Business.
23 Applications for a permit amendment in accordance with this Subsection 1608(d)(3) must
24 include the terms of the change in ownership.~~

25 (c) **Ownership; Changes in Ownership; Changes in Form or Structure.**

1 (1) Any change affecting any ownership interest of a Cannabis Business,
2 including, but not limited to, any change in ownership that affects an ownership interest of less
3 than 20% of the Cannabis Business, must be promptly disclosed, in writing, to the Director.

4 (2) Any change affecting any ownership interest of a Cannabis Business that
5 results in a Person holding an aggregate ownership interest of 20% or more of a Cannabis
6 Business, when that Person did not previously hold an aggregate ownership interest of 20%
7 or more in the Cannabis Business, shall require the Permittee to promptly obtain a permit
8 amendment. Such permit amendment shall be reviewed by the Director in a manner
9 consistent with subsection (c)(5), and shall not be granted unless the Director determines that,
10 if the relevant Person (i.e., the Person who newly holds an aggregate ownership interest of
11 20% or more in the Cannabis Business) had been an Owner at the time the Permittee applied
12 for a permit awarded under this Article 16, that permit would have been granted.

13 (3) Any change in the direction, control, or management of a Cannabis
14 Business must be promptly disclosed, in writing, to the Director, and such change shall
15 require the Permittee to promptly apply for and obtain a permit amendment. An application for
16 such a permit amendment shall be reviewed by the Director consistent with subsection (c)(4),
17 and shall not be granted unless the Director determines that, if the relevant Person (i.e., the
18 Person newly exercising direction, control, or management with respect to the Cannabis
19 Business) had been an Owner at the time the Permittee applied for a permit awarded under
20 this Article 16, that permit would have been granted.

21 (4) A Permittee seeking a permit amendment as required under this subsection
22 (c) shall pay the required filing fee for a permit amendment and provide such information, from
23 the categories of information described in Section 1609, as may be required by the Director.
24 The decision to grant or deny a permit amendment shall be entrusted to the Director's
25

1 discretion in the same manner, and subject to the same criteria, as the decision to grant or
2 deny a permit as set forth in Section 1615.

3 (5) Notwithstanding any other provision of this subsection (c), an aggregate
4 ownership interest of 50% or more in a Permittee may not be transferred to any Person or
5 combination of Persons who were not Owners of the Permittee at the time that a Cannabis
6 Business Permit was awarded under this Article 16. In the event that an aggregate ownership
7 interest of 50% or more in a Permittee is transferred to any Person or combination of Persons
8 who were not Owners of the Permittee at the time that a Cannabis Business Permit was
9 awarded, the Permittee shall promptly surrender the permit to the Director. This obligation is
10 not dependent on the Director's requesting the surrender, but arises by operation of law on
11 the sale of the Cannabis Business. If the Permittee fails to surrender the permit to the
12 Director, the Director may, after giving the Permittee notice by mail and electronically of the
13 proposed action and an opportunity to respond, revoke the permit.

14 (6) A change in the form or structure of a Permittee shall not be considered a
15 change affecting an ownership interest in a Cannabis Business for purposes of this
16 subsection (c). Notwithstanding any other provision of this subsection (c), a Permittee may
17 undertake any change in its form or structure, as long as the change in form or structure does
18 not cause any change affecting an ownership interest. The Permittee must promptly disclose
19 its change in form or structure, in writing, to the Director, and such change shall require the
20 Permittee to promptly apply for and obtain a permit amendment as set forth in subsection
21 (c)(4).

22 (7) Whenever, under this Article 16, an Owner is anything other than an
23 individual, every individual who exercises direction, control, or management of that Owner
24 shall also be treated as an Owner for purposes of this Article 16.

1 (8) Notwithstanding any other provision of this subsection (c), it shall not be
2 considered a change affecting an ownership interest in a Cannabis Business if an individual
3 transfers an ownership interest in a Cannabis Business to a Person that is entirely owned and
4 controlled by that same individual, but any subsequent transfer of an ownership interest in that
5 Person shall be considered a change affecting an ownership interest in the Cannabis
6 Business. All transfers described in this subsection (c)(8) must be promptly disclosed, in
7 writing, to the Director.

8 (de) Interim Cannabis Business Permits. Once the Director receives a surrendered
9 Cannabis Business Permit to Operate, as set forth in subsection (b) of this Section 1608, the
10 new Owner of the business may apply to the Director for an Interim Cannabis Business
11 Permit, subject to any required Planning Department approvals, for a period not to exceed 90
12 days from the date of surrender (an "Interim Permit"). An Interim Permit may not be renewed.
13 The Director may grant an Interim Permit provided that:

LEGISLATIVE DIGEST

[Police and Health Codes - Regulation of Cannabis Businesses]

Existing Law

Police Code Article 16 and Health Code Article 33 govern the regulation of commercial cannabis. Existing law defines an owner as an individual participating in the direction, control, or management of the entity applying for a Cannabis Business permit and does not define ownership interest. Existing law establishes an Equity Program in which Equity Incubators can apply for a permit provided that they agree to assist or "incubate" Equity Applicants. Existing law authorizes the Director of the Office of Cannabis ("Director") to issue Temporary Cannabis Permits. Existing law prescribes the order in which the Director may review and process Cannabis Business Permit applications, defines the application requirements, defines the conditions under which a change in ownership requires a permit amendment, defines the amount of Cannabis that may be delivered or sold, authorizes storefront and delivery sales, and defines the requirements to operate a Cannabis Microbusiness. Finally, existing law defines the date on which Article 33, which regulates Medicinal Cannabis, expires.

Amendments to Current Law

FILE NO.

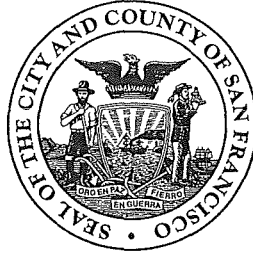

This ordinance amends the Police and Health Codes by defining ownership interest and revising Equity Applicant criteria, for purposes of the Equity Program, modifying the Cannabis Equity Incubator Program requirements, extending by one year the possible duration of a Temporary Cannabis Permit; authorizing the Director to issue Cannabis Business Permits to Medical Cannabis Dispensaries forced to discontinue operations due to a no fault lease termination, modifying the order in which the Director may review and process Cannabis Business Permit applications, revising requirements associated with a Cannabis Business' change in ownership and structure, revising Cannabis Business Permit application requirements, clarifying that Cannabis Businesses must comply with all permit conditions whether or not they are currently engaging in the permitted activity, modifying the amount of Cannabis that may be delivered or sold, authorizing Cannabis Microbusinesses to conduct either storefront or delivery sales, but not both, and reducing from four to three the categories of Commercial activity required to operate as a Cannabis Microbusiness. In addition, the proposed ordinance revises the eligibility requirements for medical cannabis dispensaries seeking authorization to Sell Adult Use Cannabis. Finally, this ordinance extends by one year the date on which Article 33 expires by law.

Background

At its regular meeting on October 24, 2018, the Board of Supervisors Rules Committee duplicated the file for this ordinance, and added one additional amendment that revised what was the housing insecurity Equity Applicant criteria to require that applicants demonstrate that they: 1) lost housing through eviction, foreclosure or loss of a housing subsidy; 2) resided in permanent supportive housing or a SRO building, in San Francisco; or 3) stayed overnight for 90 non-consecutive days at a Navigation Center or Shelter.
