Item 9 File 15-0428	Department: Civil Service Commission (CSC); and Office of Labor Standards and Enforcement (OLSE)
--------------------------------------	---

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed resolution would fix prevailing wage rates for employees of businesses having City contracts that (1) perform public works and improvement projects, (2) perform janitorial services, (3) work in public off-street parking lots, garages, or storage facilities for vehicles on property owned or leased by the City, (4) engage in theatrical or technical services related to the presentation of shows on property owned or leased by the City, (5) haul solid waste, (6) perform moving services at facilities owned or leased by the City, and (7) perform exhibit, display or trade show work at special events in the City.

Key Points

- Each year, the Board of Supervisors is required to establish the prevailing wage rates that specified businesses having City contracts are required to pay their employees. The Civil Service Commission assists the Board of Supervisors by furnishing relevant prevailing wage data collected by the Office of Labor Standards Enforcement; however, the Board of Supervisors is not bound to consider only the Civil Service Commission's data.
- The proposed resolution would establish the following prevailing wage rates: (1) construction employees would receive wage rates that vary by classification, ranging from a decrease of \$1.47 per hour for certain sheet metal workers to an increase of \$2.84 per hour for certain painters; (2) janitorial employees would receive wage rate increases that vary by classification, ranging from \$0.14 per hour to \$0.40 per hour; (3) garage and parking lot employees would receive a wage rate that varies by classification ranging from a decrease of \$0.32 per hour to no change; (4) theatrical employees would receive a wage rate increase of \$0.34 to \$0.49 per hour, depending on the classification; (5) employees hauling solid waste would receive a wage rate increase ranging from \$1.99 per hour to \$2.49 per hour; (6) employees performing moving services would receive a wage rate increase ranging from \$0.01 per hour to \$.75 per hour; and (7) employees performing trade work would receive a wage of \$37.50.

Fiscal Impact

- The proposed resolution increasing the prevailing wage rates could result in increased costs to the City under future City contracts for the subject services. However, such costs are dependent on future City contractor bids and the extent to which City contractors increase the bids submitted to the City to pay for the costs of the increased prevailing wages rates. Therefore, such potential increased costs to the City cannot be estimated at this time.

Recommendation

- Approval of the proposed resolution is a policy decision for the Board of Supervisors.

MANDATE STATEMENT

Charter Section A7.204 requires contractors that have public works or construction contracts with the City to pay employees the highest general prevailing rate of wages for similar work in private employment. The Charter allows the Board of Supervisors to exempt payment of the prevailing wage for wages paid under public works or construction contracts between the City and non-profit organizations that provide workforce development services.

Administrative Code Section 22(E)(3) requires the Board of Supervisors to annually set prevailing wage rates for employees of businesses having City contracts. Table 1 below identifies the (a) specific Administrative Code Sections, (b) the dates each Administrative Code Section was last amended by the Board of Supervisors, and (c) the types of City contracts, leases, and/or operating agreements in which the businesses are required to pay prevailing wages.

Table 1: List of Contractors Required to pay the Annual Prevailing Wage

Administrative Code	Date of Most Recent Amendment	Type of Contract
Section 6.22 (E)	May 19, 2011	Public works or construction
Section 21C.2	February 2, 2012	Janitorial and window cleaning services
Section 21C.3	February 2, 2012	Public off-street parking lots, garages and vehicle storage facilities
Section 21C.4	February 2, 2012	Theatrical performances
Section 21C.5	February 2, 2012	Solid waste hauling services
Section 21C.6	February 2, 2012	Moving services
Section 21C.8	June 29, 2014	Trade show and special event work

BACKGROUND

Each year, the Board of Supervisors is required to establish the prevailing wage rates that businesses having contracts with the City are required to pay their construction, janitorial and window cleaning, parking, theatrical, motor bus service¹, solid waste hauling service, moving, and trade show employees.

To assist the Board of Supervisors in determining the prevailing wage rates, the Civil Service Commission is required to furnish the Board of Supervisors, on or before the first Monday of November of each year, relevant prevailing wage rate data. The Civil Service Commission submitted the report to the Board of Supervisors on April 27, 2015.

Administrative Code Section 6.22(E) states that the Board of Supervisors is not limited to the data submitted by the Civil Service Commission to determine the prevailing wage rates, but may consider other information on the subject as the Board of Supervisors deems appropriate. If the Board of Supervisors does not adopt the prevailing wage rates, the wage rates established by the California Department of Industrial Relations for the year will be adopted.

¹ Under Administrative Code, Section 21C.1, the Board of Supervisors is required to set the annual prevailing wage rates for motor bus service; however, because the City does not have an existing motor bus services contract, the proposed ordinance does not set the prevailing wage rates for these classifications at this time.

The Civil Service Commission's relevant prevailing wage rate data provided to the Board of Supervisors is based on a survey by the City's Office of Labor Standards Enforcement and includes collective bargaining agreements that have recently been negotiated.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would fix prevailing wage rates for employees of private businesses having the following contracts, leases, or operating agreements with the City:

- Public works and improvement project contracts,
- Janitorial and window services contracts,
- Public off-street parking lots, garages, or storage facilities for vehicles on property owned or leased by the City,
- Theatrical or technical services related for shows on property owned or leased by the City,
- Hauling of solid waste generated by the City in the course of City operations
- Moving services under City contracts at facilities owned or leased by the City, and
- Exhibit, display or trade work show services at a special event on City-owned property.

The Administrative Code requires that the Civil Service Commission provide prevailing wage data to the Board of Supervisors that includes both the basic hourly wage rate and the hourly rate of each fringe benefit, including medical and retirement benefits.

- Prevailing wage rates for various crafts and labor classifications under public works projects are established by the California Department of Industrial Relations, usually based on collective bargaining agreements that cover the employees performing the relevant craft or type of work in San Francisco.
- Prevailing wage rates for contracts for other services and classifications covered by the Administrative Code, as recommended by the Civil Service Commission, are based on the collective bargaining agreements that cover work performed in San Francisco between employers and the respective labor unions:

Attachment I to this report provides an alphabetical list of the all occupations covered by the City's prevailing wage rate requirements.

FISCAL IMPACT

Attachment II to this report, prepared by the Budget and Legislative Analyst, summarizes (a) the types of contracts, leases, or operating agreements required to pay prevailing wages, (b) the respective collective bargaining agreements and labor unions, (c) the amount of the hourly wage rate increases in 2015 as compared to 2014, (d) the amount of the hourly fringe benefit rate increases in 2015 as compared to 2014, and (e) the proposed prevailing hourly wage rates.

Potential impact on the costs of future contractor bids

Under the proposed resolution, private businesses that have contracts with the City, and perform public works construction, janitorial services, parking, theatrical, moving, solid waste hauling services, and trade show work in San Francisco, would be required to pay their employees at least the prevailing wage rates as shown in Attachment II of the report. Increases in the prevailing wage rates could result in increased costs of future City contracts. However, any increased contract costs to the City as a result of the proposed prevailing wage rates are dependent on future City contractors' bids, and the extent to which such higher wage rates result in higher bids submitted by City contractors. Therefore, such potential increased costs to the City cannot be estimated at this time.

RECOMMENDATION

Approval of the proposed resolution is a policy decision for the Board of Supervisors.

Subject: **Prevailing Wage Certification Legislation**

Dear Ms. Calvillo:

At its meet of September 15, 2014, the Civil Service Commission had for its consideration the certification of the highest prevailing rate of wages of exhibit, display or trade show work in private employment in the City and County of San Francisco (CSC File No. 0196-14-5). A copy of the report prepared by the Office of Labor Standards Enforcement is attached.

It was the decision of the Civil Service Commission, in accordance with Charter Section A7.204 and Administrative Code Section 6.22, to adopt the Office of Labor Standards Enforcement's report.

The Civil Service Commission requested the City Attorney to draft legislation to accompany the report being forwarded to the Board of Supervisors as required by the Administrative Code. The draft legislation prepared by the City Attorney will be forwarded to you shortly.

CIVIL SERVICE COMMISSION

GENERAL SERVICES AGENCY
OFFICE OF LABOR STANDARDS ENFORCEMENT
DONNA LEVITT, MANAGER

DATE: September 15, 2014
TO: The Honorable Civil Service Commission

CERTIFICATION OF THE HIGHEST PREVAILING RATE OF WAGES OF EXHIBIT,
DISPLAY, OR TRADE SHOW WORK IN PRIVATE EMPLOYMENT IN THE CITY AND
COUNTY OF SAN FRANCISCO

RECOMMENDATION: ADOPT REPORT; FORWARD TO BOARD OF SUPERVISORS

On June 10, 2014, the Board of Supervisors finally passed Ordinance No. 90-14 amending Administrative Code 21.C to require that prevailing wages be paid for work involving the on-site installation, set-up, assembly, and dismantling of temporary exhibits, displays, booths, modular systems, signage, drapery, specialty furniture, floor coverings, and decorative materials in connection with trade shows, conventions, expositions, and other special events on City property.

Section 21C.8 of the Administrative Code requires that the Civil Service Commission shall submit to the Board of Supervisors data as to the Prevailing Rate of Wages for Exhibit, Display, or Trade Show Work by the first week of August 2014. Please excuse the delay in the provision of data on the rates of prevailing wages to the Civil Service Commission. **Attachment 1** is the current Collective Bargaining Agreement between Convention Services Employer and Allied Trades District Council 36, on behalf of Sign Display and Allied Crafts Local Union 510.

The Board of Supervisors amended Administrative Code Section 21C.7(c)(1) on January 4, 2012 to require that the Civil Service Commission provide data on two components for each craft, classification, and type of work: (1) the basic hourly wage rate and (2) the hourly rate of each fringe benefit, which together equal the hourly prevailing rate of wages. **Attachment 2** is Office of Labor Standards Enforcement's (OLSE's) summary of these rates based on information provided by Sign and Display and Allied Crafts local 510. This table is for reference only and may not include all of the information on prevailing basic hourly wages and fringe benefits described in the Collective Bargaining Agreement.

It is recommended that the Civil Service Commission certify the Collective Bargaining Agreement, which reflect the highest prevailing rate of wages paid various crafts and kinds of labor paid in private employment in the City and County of San Francisco.

If the Civil Service Commission certifies these rates, companion legislation effectuating such proposed changes should be drafted by the City Attorney and transmitted to the Board of Supervisors concurrently with the certification.

Respectfully Submitted,

TRADE SHOW AND CONVENTION INSTALLER AGREEMENT

THIS AGREEMENT is made and entered in this April 1, 2012 by and between Convention Services Employer, hereinafter referred to as "EMPLOYER" and PAINTERS and ALLIED TRADES DISTRICT COUNCIL 36, on behalf of SIGN DISPLAY AND ALLIED CRAFTS LOCAL UNION 510, hereinafter referred to as "UNION".

For and in consideration of harmonious relations and the maintenance of settled conditions in the Trade Show and Convention Industry; for the stabilizing of the standards thereof; for the peaceful adjustment of any disputes or grievances that may arise from time to time, and other mutually beneficial relations, the parties hereto have agreed individually and collectively.

ARTICLE I. JURISDICTION.

A. Sign, Display and Allied Crafts Union No. 510 shall have sole jurisdiction over the following work done by the Employer: the installation and removal of all exhibits (floor-to-ceiling) and related materials in connection with trade shows and conventions, including, but not limited to: (a) trade show and convention booth assembly and disassembly; (b) installation and removal of interior and exterior decorations, flags, drapes, and other display materials, specialty furniture, theme areas, modular systems and other display materials; and when assigned to employees covered by this Agreement, operation of mechanical lifts, installation and operation of chain motors and trusses for sign and display material, shall be performed by Installers JATC trained and accredited as riggers; (c) uncrating, assembly, installation, removal, disassembly, and re-crating of all commercial exhibits; installation, dismantling of furniture owned or received by the Employer, installation and removal of floor coverings and special event displays.

B.

1. The Union shall also have sole jurisdiction over the following work done by the Employer:

(a) the construction, preparation, erection, and maintenance of all swing stage sign work, and all other signs, including installation of all electronic and digital signs and displays, lettering, pictorial work, screen process work, show card writing, commercial exhibits and fabrication of advertising displays, including, but not limited to, graphics production where and as currently performed, operation of CNC routing equipment and operation of production output controllers (e.g. computers) and

(b) pattern and sketch making, scale model making, the preparation of training aids and mockups, and the fabrication and application of plastic, vinyl, ScotchLite and similar materials,

(c) driving of trucks (bobtails and stake-beds and vans) in the delivery and/or installation, removal of the above work, and

warehouse work, including forklift operation where currently performed.

2. The Employer agrees that, by entering this Agreement, it will be bound by and abide by the terms and conditions of employment for employees in the classifications set forth in this Agreement. All members of Union Local 510 shall have complete protection of the provisions of this Agreement including access to the Grievance Procedure, Article VIII.

C. The Employer recognizes the Union as the sole and exclusive source of labor for classifications covered by the Agreement. All work within the jurisdiction of this Agreement shall be done by workers governed by this Agreement in conformity with past practice. Nothing contained in this Agreement shall be construed to restrict workers to the performance of work within his or her classification. Any worker may perform any work within the jurisdiction conferred by this Agreement that he or she may be qualified to do, in conformity with past practice.

D. The Union has requested recognition as the exclusive representative of the bargaining unit employees of the undersigned Employer pursuant to Section 9(a) of the National Labor Relations Act, and has shown proof of majority support or offered to do so. On the basis of that showing, the undersigned Employer unconditionally recognizes the Union as the exclusive representative of its bargaining unit employees pursuant to Section 9(a) of the National Labor Relations Act.

E. The Union's exclusive jurisdiction shall remain subject to the requirements set forth in the 1991 NLRB decision in 20-CD-653/654/656 and 657, published at 302 NLRB 416.

F. The jurisdiction of the Union shall cover the following California counties so long as the Union can provide sufficient qualified workers: Alameda, Alpine, Calaveras, Contra Costa, Fresno, Lake, Madera, Marin, Mariposa, Mendocino, Merced, Mono, Monterey, Napa, San Benito, San Francisco, San Joaquin, San Mateo, Santa Clara, Santa Cruz, Solano, Sonoma, Stanislaus and Tuolumne. The Union shall use its best effort to equitably enforce this provision at all locations where its jurisdiction is established and maintained.

G. When a member leaves the geographic area governed by this agreement, he/she shall be covered by the terms and conditions set forth in this agreement.

H. In consideration of the grant of jurisdiction made by the Employer to the Union in this contract, the Union shall cooperate with the Employers to avoid any encroachment by other labor organizations or crafts over the jurisdiction of the work described in this Article I.

I. Any installation of exhibits or displays including any setup materials or uncrating "with the exception of exhibitor product as described herein below"

which requires the use of hand tools, or more than one person, or longer than 30 minutes (including crating or uncrating) to install, or structure exceeds ten feet in any direction, shall be installed by employees covered by this Agreement. Installation of product that is used as an exhibit shall be considered as such. It is the intent when an exhibitor uses the product in its designed form and it is not attached to or part of another item (i.e., pegboard, framework) then it will be permitted. An exhibitor's product shall be considered exempt from any jurisdictional claim with the following exceptions: Any display consisting of back wall panels, headers, light boxes, partitions, or graphic panels, shall fall within the jurisdiction of the Union even if that display is the product sold by the exhibiting company.

ARTICLE II. UNION MEMBERSHIP.

A. All employees in classifications governed by this Agreement who are members of the Union on the effective date of this Agreement shall be required as a condition of employment to maintain their membership in good standing in the Union during the term of this Agreement.

B. Employees in classifications governed by this Agreement who are not members of this Union on the effective date of this Agreement, and all new employees in classifications governed by this Agreement hired thereafter, shall be required as a condition of employment to become and remain members of the Union in good standing on or after the 30th day following the beginning of their employment or the effective date of the Agreement, whichever is later.

C. For the purposes of Article II, "members of the Union in good standing" means "persons who tender to the Union the periodic dues and administrative fees uniformly required as a condition of acquiring or maintaining membership".

D. Upon written notice from the Union that any employee has failed to acquire or maintain membership as described above, the Employer agrees to discharge such employee. The Union agrees to hold the Employer harmless for such action.

ARTICLE III. HIRING AND DISPATCHING

A. The Employer recognizes the Union as the sole and exclusive source of labor for all classifications covered by this Agreement. The Employer accepts the exclusive hiring hall procedure (See Appendix A) as the Union's procedure for dispatching Installers. The Union reserves the right to modify its dispatching procedures in Appendix A during the term of this agreement. The Employer shall be entitled to complete a crew with workers from any source when the Union is unable to provide sufficient qualified workers.

B. Workers who were covered by the "Convention Services Agreement" (SHOP) in effect until March 31, 2012 shall be known as Regulars. Workers who were covered by the Trade Show and Convention Decorator agreement (SHOW) in effect until March 31, 2012 shall be known as Installers.

C. The Union upon request of the Employer shall dispatch up to thirty-six (36) Installers by name. Regular status employees of the Employer shall not be counted against the Employer's "call-by-name" list.

D. The Employer shall notify the Union of their call by name and provide their rollover lists for the next calendar week by 2:00 PM each Monday (except holidays) via e-mail or fax. There will be no modifications to the list during that calendar week except by mutual agreement as required for security reasons or client demands. If the Union does not receive a list by 2:00 PM each Monday the latest current list will remain in effect

E. The Union agrees to furnish competent workers in good standing to the best of its ability, and the membership of the Union will give loyal, unprejudiced support to the requirements of the Employer.

F. The Employer shall have the right to reject any worker dispatched by the Union if the worker is deemed by the Employer, in its sole discretion, not to be in a fit condition to perform the work for which the worker is dispatched. Workers sent home for just cause shall not be again dispatched to the same Employer for the remainder of the show.

G. When Installers are requested, the final update for the following days dispatch shall be sent to the Union before 2:00 PM by the Employer or such late dispatch shall be subject to low priority. The initial dispatch requirement for Saturday, Sunday or Monday morning shall be sent to the Union by 2:00 PM Friday. All initial requests for labor shall be submitted in writing, via e-mail or fax. This notification will satisfy the approximate number of Installers needed. Other dispatch, layoff and rollover information shall be sent by e-mail or fax.

H. On reporting for the installation an Installer shall notify the Employer if he/she will not be available for the dismantle. No later than completion of the installation the Employer shall notify those employees available for the dismantle when to return. Employees so notified shall return as scheduled, except for reason of undue hardship. Employers may reassign Journeyperson Installers from one job or jobsite to another so long as no layoff of more than 48 hours (excluding holidays) occurs and shall give priority callback subject to reasonable operational requirements. Rollover from Friday to Monday is allowed as the sole exception to this provision. Employers may reassign Apprentices or B or C list Installers from one jobsite to another only with mutual agreement of the Union.

I. The normal order of layoff for installers shall be: first "C" list, second "B" list and last "A" list or Apprentice, unless operational inefficiencies on a given day would result from layoff in that order. The workday shall end at midnight (unless completing a minimum guarantee). Employees not scheduled by the Employer to work on the subsequent day of installation shall be notified by 3:00 PM, whenever practicable, and no later than the end of their shift on the day of layoff. An employee placed on such layoff may decline recall to that show providing the Employer is so advised at the time of layoff.

J. The Employer shall select and designate a primary foreperson for installers on the call, and such foreperson shall be excluded from the number of employees dispatched by name (See Article III, par. C) and shall be paid 11% above journeyman rate of pay. Such foreperson shall remain accessible until work at all locations is completed and shall be available to properly supervise the work and perform other forepersons duties and responsibilities under the direction of the Employer. Whenever three or more Installers are employed one shall be a foreperson. The right to promote or demote forepersons shall be at the sole discretion of the Employer.

K. Should a court of competent jurisdiction or the National Labor Relations Board determine that seniority provisions such as those contained in the Procedures for Installers are unlawful, those provisions shall become inoperative. The parties shall meet as soon as possible to agree upon revised provisions.

L. Other details of the dispatch procedure shall be conducted in accordance with the Employment Office Procedures for Installers (See Appendix A).

M. The Union shall furnish each Installer and Apprentice with an appropriate photo identification badge to be properly displayed above the waist while working. Each Employer shall furnish Company identification to be properly and visibly worn while working for that Employer.

N. The employer shall maintain a daily sign-in sheet that includes the name and classification of each employee. The Employer shall provide a copy to the Union in a timely manner. Upon request the union may review employee time records and obtain copies of sign-in sheets.

O. The employer shall maintain a daily time record and furnish a copy to each employee on a daily basis.

P. It is agreed that Building Trades workers from other unions shall be paid at the "B" rate after being properly dispatched.

ARTICLE IV. STEWARD.

A. The steward shall be recognized as the representative of the Union whose duty shall be to see that the bargaining unit employees of the Union and the Employer observe the Agreement. The Union will appoint a steward without regard to seniority and will post a notice of who is steward at the jobsite. Stewards will have access to time records and assignments and advance notice of layoffs. Stewards will promote contract compliance, and encourage harmonious relations between all workers, management and other participants at the jobsite. The stewards shall be permitted to devote a reasonable amount of time to these concerns. Any issue involving the steward's job or responsibilities shall be taken directly to the Union.

B. Forepersons shall not be eligible to be Show, Working or Warehouse Stewards.

C. The steward shall be notified of accidents, dismissals, or acts of discipline on the jobsite. The Union shall receive a copy of the Employer's accident report involving any employees under this Agreement upon request.

D. The Employer shall provide a copy of the daily sign-in sheet to the Union steward.

E. For each work location, the Employer shall make available to the Show Steward or working steward, by 9:00 am, an agreed upon form, or its equivalent, containing a list of employees laid off on the previous day.

F. The Union is responsible for notifying the Employer and employees at the job site of the Show Steward and working stewards. All such stewards shall be previously trained in or familiar with their appropriate duties and responsibilities.

G. The Employer shall not dismiss or otherwise discipline any steward for properly performing his or her duties, nor shall the Employer dismiss or otherwise discipline any employee for making a complaint to a steward or giving evidence with respect to an alleged violation of this Agreement.

H. **SHOW STEWARDS:** On major shows of 200,000 or more square feet, or as determined by the parties in advance, the Union shall assign and schedule an Installer to be a Show Steward to the event. The Show Steward shall be properly trained and qualified to be in charge of all steward responsibilities and the supervision of working stewards in the employ of any and all signatory Employers at the jobsite(s), as determined by the Union. The Show Steward shall be compensated at the Leadperson rate of pay, including fringes, by the general contractor of the show and shall be free to perform the duties of the Steward. The Show Steward shall directly report to the Business Agent designated by the Union, shall act as the Union's representative and is subject to assignment or reassignment by the Union.

The Show Steward's duties and responsibilities include, but are not limited to, monitoring and enforcing the provisions of the Agreement without unnecessary loss of employee and/or working steward productive time, coordinate with all appropriate Employer representatives (forepersons and management) in the implementation of the Agreement, work with the safety and loss prevention representatives of the Employer, courteous and appropriate interaction with facility management, show management, exhibitors and representatives of other Unions working on the premises.

It is the intention of the parties that Show Stewards will properly represent the interests of the Union and employees at the jobsite, therefore eliminating floor disputes, increasing efficiency and promoting industry and customer relations.

I. **WORKING STEWARDS:** The Union may appoint working stewards as a representative of the Union in sufficient numbers to assist the Business Representative and/or Show Steward to protect the jurisdiction of the Union under the Agreement. More than one working steward may be appointed to an event or Employer by mutual agreement of the parties, one such working steward

shall be designated the primary working steward. Further, by mutual agreement a working steward may assist the Business Representative or Show Steward in a subsequent dispatch.

Working stewards will promote safe work practices and encourage harmonious relations on the jobsite. They will be permitted to devote a reasonable amount of time to these concerns. If a working steward leaves a jobsite and three or more Installers remain the working steward (or Show Steward) shall be entitled to appoint a successor from the remaining Installers. Working stewards and employees shall not be disciplined, coerced or discriminated against for engaging in lawful activity under the Agreement. Whenever practicable working stewards shall not directly contact exhibitors or show management concerning jurisdictional or other matters under the Agreement without first contacting the Employer. In any event such contact shall be made in a courteous and professional manner. Working stewards shall be the 3rd from last person laid off each day. If the entire call-by-name crew is rolled over the stewards shall be rolled over, but not necessarily as the stewards.

The Show Steward or a working steward will be present when out-of-area workers sign in and out and the Employer shall make every reasonable effort not to assign working stewards to installing and dismantling displays whenever practicable.

J. WAREHOUSE STEWARD:

In warehouse facilities with three (3) or more employees there shall be a Steward, appointed by the union who shall be the 3rd to last laid off (for purpose of seniority). All new hires shall meet with the steward for fifteen (15) minutes on the first day of work. Said steward shall receive and endeavor to adjust, at the first step, all grievances which may be submitted to him or her.

ARTICLE V. MANAGEMENT PREROGATIVES.

The Employer shall have sole and exclusive jurisdiction of the management and operation of its business, including but not limited to; direction and size of the working force, types of equipment, establishment of production rates and standards, the extent to which the jobsite or any part thereof is operated or shut down, the right to maintain efficiency in all places of employment, the right to transfer (with the consent of the employee), hire, promote, demote, discipline and/or discharge employees, subject to the specific provisions of this Agreement. It is agreed the foregoing rights shall not be deemed to exclude other preexisting rights of management not enumerated herein providing such preexisting rights do not conflict with any terms and conditions of this Agreement.

ARTICLE VI. DISCHARGE AND DISCRIMINATION AGAINST EMPLOYEES.

A. The Employer agrees not to discharge or discipline any employee for engaging in any lawful protected activity that is not in violation of this Agreement.

B. The parties signatory agree that no employee will be discriminated against by reason of age, race, ethnicity, religion, disability, gender, sexual orientation, national origin, military status, or membership in the Union. Further the parties shall abide by all applicable Federal and State Laws including but not limited to the Family Medical Leave Act. It shall not be a violation of this Agreement for any employee to refuse to work in connection with any display of any establishment of any individual, firm or corporation, when such individual, firm or corporation is under lockout or is under strike recognized by the Teamsters, ILWU, AFL/CIO Labor Council and/or a Building & Construction Trades Council.

ARTICLE VII. DISMISSAL.

The Employer is at liberty to discharge for sufficient cause any employee. Sufficient cause shall include, but is not limited to; dishonesty, substance abuse, repeated violation of the safety rules and failure to report to work without just cause. The Employer shall notify the Union of any termination for cause in writing within five (5) working days (Monday - Friday).

ARTICLE VIII. GRIEVANCE PROCEDURE.

A. Any dispute that may arise as to the interpretation of this Agreement shall be brought to the attention of the other party of this Agreement. Any dispute must be taken up with the Employer within thirty (30) days of the date the Union has been notified of the dispute.

B. Any dispute as to the interpretation of this Agreement which cannot be adjusted amicably between the Union and the Employer within fourteen (14) days may be referred to a Board of Adjustment upon written request of either party. The Board shall consist of two (2) selected by the Union and two (2) selected by the Employer. The findings of this Board shall be binding upon both the Union and the Employer, provided that the Board shall not have authority to change, alter or modify any of terms or provisions of this Agreement. The decision of the Board shall be by a majority and shall be reached within seven (7) days from the date the controversy is presented for adjustment. This process may be waived by either party (Union or Employer) and shall proceed directly to Step C. By mutual agreement of the Employer and the Union this section may be modified during the term of this Agreement.

C. In the event that any dispute submitted to this Board of Adjustment cannot be settled within the period of time provided for in Section B above, the issue in dispute may be submitted for disposition to an impartial arbitrator. The party presenting the dispute shall request arbitration in writing not more than ten (10) days following a deadlock in the Board of Adjustment, or the dispute shall be considered to have been withdrawn and waived. If no response is made to the request for arbitration within fifteen (15) days, the allegations shall be deemed to have been submitted and proved. Such impartial arbitrator shall be selected by alternate striking from a panel of seven arbitrators to be obtained from the Federal Mediation and Conciliation Service. The arbitrator shall have authority only to interpret the provisions of this Agreement, and shall not have authority to change, alter, add to, delete, amend or modify it. His/her decision on any matter

submitted to him/her shall be final and binding on both parties to this Agreement.

ARTICLE IX. LABOR CONTROVERSY.

If members who are subject to this Agreement are withdrawn upon the order of the International Officers, or of a Central Labor Organization with which they are affiliated, because of a labor controversy upon the building or site in which members are, or about, to perform any display installation, it shall not be a violation of this Agreement.

ARTICLE X. CLASSIFICATIONS OF WORK.

A. INSTALLER JOURNEYPerson "A": Prior to August 1, 2011, to gain journeyperson classification, an Installer must have met all requirements set by the JATC: 500 hours plus designated classes, or have been a journeyperson shop builder for a minimum of two years. After August 1, 2011, to gain journeyperson classification, an Installer must have met all requirements of Local 510's Apprenticeship Program (See Appendix B of this agreement). Transfers from other categories shall be governed by conditions determined by the JATC.

G. LEADPERSON: There shall be one Leadperson (journeyperson) whenever an employee is coordinating the workflow of six or more Installers. Such Leadperson shall be paid 10% premium. The Employer retains the right to promote and demote Leadpersons.

ARTICLE XI. REGULAR STATUS EMPLOYEES.

A Regular employee is one who is designated by the Employer as a Regular or has qualified as a Regular under the terms of the previous agreement referred to as the Convention Services Agreement (Shop) prior to March 31, 2012. To be eligible for Regular status the employee must be selected from the Journeyperson Installer, Graphics Production or Display Builder classifications.

A Regular employee shall be paid the wage scale and benefits set forth in Article XV Wages of this agreement and shall accumulate benefits on an accrual basis as set forth in the section below or as otherwise granted by this Agreement.

An employee shall be a Regular only for the company who so designates him/her as a Regular employee. When working for another employer he/she shall be considered an Installer and shall be paid accordingly.

Nothing in this Article shall prevent an Installer or an Apprentice in ratio from working in the warehouse, graphics, or builder shop. Unless otherwise designated as a Regular employee, pursuant to terms of this article, he/she shall be paid at the Installer or apprentice rate of pay.

Jurisdiction of the above work is defined solely by the provisions of Article I and Article X of this Agreement and as implemented and practiced at each individual Employer signatory to this Agreement.

ARTICLE XII. SENIORITY FOR REGULAR STATUS EMPLOYEES

A. Seniority shall be accrued on an Employer by Employer basis; seniority shall not be accrued on the basis of aggregate employment by Employers signatory to this Agreement. Only workers engaged in regular, full-time work for an Employer shall accrue seniority. The first seventy-five (75) days of service with an Employer will be a probationary period during which time an employee has no seniority standing; upon satisfactory completion of the probationary period, the employee will be entitled to seniority dating from the commencement of regular, full-time employment with the Employer.

B. The Employers shall not be required to recognize seniority in connection with employment decisions unless specifically required to do so by this contract. In selecting among Regular employees within the same classification for layoff in connection with a decrease in the work force or in the recall from layoff, where skill, efficiency, workmanship, and productivity are equal, seniority shall govern.

C. A Regular employee will lose seniority in any of the following circumstances:

1. Discharge for cause;
2. Voluntary resignation;

3. Five consecutive working days of absence without notice, unless such failure to provide notice is due to circumstances beyond the employee's control, then he/she shall not lose his or her seniority.
4. Layoff of thirty calendar days' duration (refer to Article XIV).

ARTICLE XIII. ACCRUED BENEFITS FOR REGULAR STATUS EMPLOYEES

A. SICK LEAVE: Regular employees will be eligible after one (1) years employment with the same employer for five (5) days sick leave/personal time per year. All sick leave/personal time must be used in the year eligible. Days may not be carried over. Employees must schedule the use of sick leave/personal time as far in advance as possible. Sick leave shall be computed from the first day of employment to establish a yearly (minimum of 1500 hours worked) or pro rata below 1500 hours.

B. BEREAVEMENT: Three (3) days leave of absence for death in the immediate family, without loss of pay, will be granted all Regular employees. The immediate family shall consist of spouse, parents and children.

C. JURY DUTY: Regular employees who have worked seventy-five (75) days or more for the same Employer shall receive their straight-time pay while performing jury duty. Any monies paid by the Courts to an employee are to be retained by the employee. It is understood that an employee is to report to work for any part of his/her straight-time work day when he/she is not actually required to be present for said jury duty. Employees on layoff are not eligible for Jury Duty pay. The Employee shall furnish the Employer with verification from the court of jury service.

D. VACATION: After cumulative time worked as a Regular in the Industry, under the jurisdiction of the Union, as outlined in Article I of this Agreement, and verified by pension credits of a minimum of 500 hours per year:

- 2) Three (3) weeks paid vacation after five (5) years cumulative time.
- 3) Four (4) weeks paid vacation after twelve (12) years cumulative time.

Should any employee through sickness, unemployment, termination or resignation, be unable to work the required number of months or time prescribed, he or she shall be granted pro rata vacation pay to be computed by multiplying the fraction of the qualifying year which the employee worked times his or her straight rate of pay for number of weeks to which the employee would have been entitled had he or she completed the entire qualifying year.

Vacation time shall be computed from the date of employment to establish a yearly or pro rata basis.

Earned vacation pay must be taken each year with the following exception: up to five days of vacation pay may be rolled over for one year and must be used in the following year.

E. HOLIDAYS: Regular employees shall be paid at the eight (8) hour straight time rate of pay for each of the recognized holidays (See Article XVI Holidays for the list of recognized holidays).

If any of the recognized holidays are worked, the employee shall receive double time plus the holiday pay.

Paid holidays that occur during the vacation period of an employee shall be paid for in addition to vacation pay.

Regulars laid-off within fifteen (15) working days before a paid holiday shall be paid for said holiday.

Employees must have worked at least 75 days within the preceding 6 months to be eligible for Holiday pay for that particular Employer.

ARTICLE XIV. TERMINATION OF EMPLOYMENT FOR REGULAR STATUS EMPLOYEES

A. In selecting among regular employees within the same classification for layoff in connection with a decrease in the work force or in the recall from layoff, where skill, efficiency, workmanship, and productivity are equal, seniority shall govern.

B. Upon termination of employment, the employee shall be paid all accrued wages, vacation pay and any other accrued benefits due under the Agreement. The employee shall further receive severance allowance of one eight hour day for each year of regular full time employment from commencement of employment to date of permanent separation, up to a maximum of ten eight hour days, for any of the following reasons:

1. Permanent Layoff or discharge for other than just cause*
2. Voluntary resignation **
3. Termination of employment due to death, disability, illness or any reason beyond the control of the employee
4. Retirement

*Upon sixty consecutive calendar days of temporary layoff due to reduction-in-force such layoff shall be deemed a permanent layoff and severance allowance shall be paid unless the parties agree to extend the temporary layoff.

Upon request of any Employer the Union will provide copies of all authorization. The Union agrees to hold the Employers harmless for any liability they may incur to employees by virtue of dues which have been checked off or omitted from check off in reliance upon any of the aforesaid certifications by the Union. D. The Union may defer wages to the Pension Plan during the term of this Agreement. (See Article XV, section H)

ARTICLE XXIII. PAYMENT OF FRINGE BENEFITS.

A. DUE DATES. Each Employer shall submit to the Trust Fund Administration Office payment contributions along with a monthly fringe benefit remittance form, showing all hours paid or owed for employees during the preceding month or stating that it had no employees. Each Employer shall simultaneously submit a copy of its monthly fringe benefit remittance form to the Union. In order to be timely, fringe benefit contributions must be received by the Administration Office on or before the fifteenth (15th) day of the month following the month when the work was performed by employees of Employers whose principal place of business is located within the State of California and on or before the twentieth (20th) day of the month following the month when the work was performed by employees of Employers whose principal place of business is located outside the State of California.

B. DELINQUENT PAYMENTS. In respect to all fringe benefit payments, time is of the essence. The parties hereto recognize and acknowledge that the regular and prompt payment of fringe benefit contributions by each Employer to the Trust Funds is essential to the maintenance in effect of the various Funds and Plans involved, and that it would be extremely difficult, if not impossible, to fix the actual expense and damage to the parties hereto and to the Funds and Plans which would result from the failure of an Employer to make the monthly payments in full within the time provided. Therefore, it is agreed that the amount of damage to each said Fund and to the parties hereto resulting from any such failure shall be, by way of liquidated damages and not as a penalty, the greater of \$200 or ten percent (10%) of the amount due and unpaid, or as otherwise determined by the Trust Funds. Such liquidated damages shall become due and payable to the Trust Funds on the day immediately following the day on which the Employer become delinquent. In addition, all delinquent contributions and liquidated damages shall bear interest at the rate of ten percent (10%) per annum, from the date each was due, until paid. If any Employer defaults in the payment of any contributions due to the Trust Funds, then in addition to the fringe benefit contributions, liquidated damages and interest provided herein, said Employer shall pay all reasonable collection expenses incurred by the Trust Funds, including but not limited to arbitration fees, costs of fees of collection agents, auditing fees, accountants' fees, costs of attachment bonds, all legal expenses and costs, attorneys' fees, court costs, and reasonable compensation for employees or agents of the Trust Funds incurred in connection therewith.

C. EMPLOYER RESPONSIBILITY. In addition to all other remedies, if an Employer is delinquent in the payment of fringe benefit contributions and, consequently, an employee is denied benefits, said Employer shall pay for the health benefits that would have been provided for its employees but for said delinquency.

D. WITHDRAWAL OF EMPLOYEES. It shall not be a violation of this Agreement for the Union, after receiving notice from the Administration Office that an Employer is delinquent in the payment of fringe benefit contributions, to withdraw employees working under this Agreement from the job or jobs of said delinquent employer or to refuse to furnish employees to said delinquent Employer until full payment has been made. Before withdrawing employees pursuant to this paragraph, the Union must give said Employer seventy-two (72) hours notice by certified mail. Each employee so withdrawn shall continue to receive from said delinquent Employer full wages and fringe benefits up to a maximum of three (3) days, in addition to all wages and fringe benefits due for time actually worked prior to the withdrawal from the job. No employee will be disciplined as the result of leaving the jobsite of a delinquent Employer.

E. RIGHT TO AUDIT. Upon notice in writing from the Trust Funds or an authorized agent thereof, each Employer shall permit any accountant appointed by the Trust Funds to enter upon its premises during business hours, at all reasonable times, and to examine and copy such books, records, and documents of such Employer as may be necessary to determine whether the Employer is making full and prompt payment of all sums required to be paid by this Agreement.

F. DOCUMENTS FOR AUDIT. The Employer understands that the purpose of the audit is to determine how much money, if any, is owed under the terms of this Agreement. The Employer further understands that the purpose of the audit would be defeated if it were able to limit the audit in any way, including limiting the audit to the employees whom the Employer defines as covered employees. Therefore, the Employer shall not limit the scope of the audit in any fashion, but must make available to the Trust Funds, upon request, all of the following books and records maintained by the Employer. The parties agree that the following documents are necessary for the completion of an audit pursuant to this Agreement: the Employer's quarterly tax returns to the state and federal government including California Forms DE-6 and IRS Forms 941; payroll journals, individual earnings records and time cards for all employees; general check registers; reports of employee hours to all trade unions and to all employee benefit plans; and workers compensation insurance reports for all employees. Upon the accountant's certification that further documents are necessary to complete an audit, the Employer shall be required to produce any of the following documents as specified by the accountant and approved by the Trust Funds: general ledgers; bank statements; canceled checks; IRS Forms W-2, W-4, 1096 and 1099; cash receipts journals; financial statements; invoices; contracts; federal and state income tax returns; and any other records which the accountant deems necessary or relevant to complete the audit.

G. COST OF AUDIT. The entire cost of the audit shall be borne by the Employer if the audit reveals that the Employer paid fringe benefit contributions which were less than the amount due, by at least ten percent (10%) of all contributions due for the period covered by the audit. Any Employer who cancels an audit without at least two (2) working days notice, or who fails to provide the required documents, shall be liable for the costs caused by that delay or that failure whether or not the audit reveals any contributions due. If an employer refuses the accountant entry for purposes of an audit, the Trust Funds may take legal action to compel entry, without regard to any grievance or arbitration procedure in this Agreement; and the Employer shall pay all reasonable costs and legal fees incurred by the Trust Funds in compelling or obtaining such an audit. In the event that an audit is performed outside the State of California, the Employer shall pay all costs incurred by the Trust Funds' accountant for transportation, meals and lodging in connection with the audit.

H. TERMINATION NOTICE. In addition to giving written notice of termination or modification as set out in Article XXXIII Termination of Contract herein, an Employer desiring to terminate the Collective Bargaining Agreement shall also give notice of termination to the Fringe Benefit Trust Fund Administrator, at least sixty (60) days prior to the last effective date set out in this Agreement, or the last day of January of any succeeding year, sixty (60) days notice of the desire to terminate or modify this Agreement in order that the Fringe Benefit Trust Funds may have knowledge of such notice on the part of the Employer.

I. ACKNOWLEDGEMENT OF RECEIPT. The parties hereby acknowledge that the Employer has received copies of, and agrees to be bound, by all Declarations of Trust, as amended, establishing each of the several Fringe Benefit Trust Funds set out in this Agreement.

ARTICLE XXIV. VISITS TO ESTABLISHMENTS.

It is agreed by the parties that for the purpose of the carrying out and enforcing the terms of this Agreement, the Business Representatives of the Union, or a properly accredited representative of the International Union, shall have the right of visiting and entering the establishment of the Employer to interview workers. The Union representative shall enter Employer premises by the front door and shall notify the owner or manager or (if neither is available) some other non-bargaining unit employee prior to proceeding to the work area.

ARTICLE XXV. LABELS.

The label of Local Union No. 510 shall be placed on each finished piece of display work in such a position as may be mutually agreed.

ARTICLE XXVI. CONTRACT ENFORCEMENT.

A. The Union agrees to immediately take all steps to enforce the terms and conditions of this Agreement upon all Employers engaged in any of the classifications of work covered by this Agreement.

B. The Union further agrees to immediately take all steps to prevent the installation of displays and/or exhibits in any shows or conventions located within the jurisdiction of the Union, by other than employees of the Employers signatory to this Agreement. The Employer agrees to notify its clients of the Union's jurisdiction over the work of the classifications defined in this Agreement. A copy of such notice shall be sent to the Union.

C. There shall be no strike or lockout during the term of this Agreement.

ARTICLE XXVII. NOTIFICATIONS.

A. Each Employer signatory to this Agreement agrees to notify the Union of any new hires within three (3) days of the payday immediately following hire.

B. The Union agrees and it shall, upon the execution of this Agreement, notify its members of the provisions thereof, and shall thereafter discipline any of its members found guilty of the violation of the goodwill and cooperation of this collective bargaining Agreement.

C. Each Employer signatory to this Agreement shall notify the Union of all bookings or scheduling of shows by the 7th of the month prior to the month for which said show is scheduled. All shows with one thousand (1000) or more booths shall have a pre-job conference.

ARTICLE XXVIII. CHANGE OF OWNERSHIP.

A. This Agreement, and any supplements or amendments thereto, hereinafter referred to collectively as "Agreement," shall be binding upon the parties hereto, their successors, administrators, executors, and assigns.

B. In the event the Employer fails to require the purchaser, transferee, or lessee to assume the obligations of this Agreement, the Employer (including partners thereof) shall be liable to the Union, and to the employees covered for the terms of this Agreement for all damages sustained as a result of such failure to require assumption of the terms of this Agreement, but shall not be liable after the purchaser, transferee, or lessee has agreed to assume the obligations of this Agreement. The word "damages" in this paragraph means any loss of wages or fringes sustained by an employee or the Union due to the Employer's failure to abide by the provisions of this paragraph.

APPENDIX A
SIGN, DISPLAY & ALLIED CRAFTS LOCAL 510
EMPLOYMENT OFFICE PROCEDURES FOR INSTALLERS

Location of Employment Office. Sign, Display & Allied Crafts Local 510, hereinafter called the "Union" shall maintain an employment office, presently at 250 Executive Park Boulevard, San Francisco, CA.

Purpose of Employment Office. The purpose of the employment office is to enable the Union, pursuant to its obligations under its collective bargaining Agreements, to furnish skilled and competent workers when requested to do so by an Employer.

Financing of the Employment Office. It is recognized that the operation of the employment office entails considerable expense to the Union. Members of the Union contribute to that expense through their Union dues. Since the employment office is available to members and non-members on an equal basis, justice requires that non-members contribute their fair share, estimated to be fifty dollars (\$50.00) per year, by payment of a training fee in that amount payable by March 1st of each year.

Non-Discriminatory Standards. In carrying out the registration and dispatch procedures set forth below, the Union shall not discriminate either in favor of or against any individual by reason of his or her age, race, ethnicity, religion, disability, gender, sexual orientation, national origin or military status; nor shall the registration or dispatch of any individual be based upon, or in any way be affected by, Union membership, by-laws, rules, regulations, constitutional provisions, or any other aspect of Union membership, policies or requirements, except to the extent that membership in the Union, or after the thirtieth (30th) day following the beginning of employment, shall be a condition of employment.

Registration.

A. Facilities. The Union shall maintain adequate registration facilities at the employment office.

B. Registration Lists. The Union shall maintain the following registration lists:

1. List A (Journeypersons) – The A List consists of: (i) persons who qualified for the A List before August 1, 2011; and (ii) persons who have fulfilled the Apprentices Program's requirements. These workers shall be listed in the order of their seniority as determined by the Union's Seniority Regulations set forth below.
2. List B – The B List consists of individuals who have worked 72 hours or more and are not on the A List. These workers shall be listed alphabetically.
3. List C – The C List contains all individuals not on the A List or the B List who desire employment as installers with Employers who are

signatory to collective bargaining agreements with the Union. These workers shall be listed by order of registration.

C. Initial Registration. Any person wishing to register for List A or B shall provide proof to the Union that he/she meets the requirements of the particular list and shall, if not a member of the Union, pay the registration fee.

D. Seniority Regulations. Seniority for journeyman installers (List A) shall be defined as preference in employment based on:

1. The first day dispatched to work as a Journeyman Installer for an Employer signatory to the agreement with Local 510 which covers this classification of work.
2. Registration for work and availability for work.
3. Seniority is accrued after meeting all requirements of the Apprenticeship Program.
4. An Installer will lose seniority if not registered for dispatch and/or available for work in District Council No. 36.
5. Exception to the above shall be for illness, injury or service in the Armed Forces of the United States provided that the Union is given valid and adequate notification.
6. An Exhibit Display Journeyman registered with Local 510 is currently placed on the bottom of the A List only after serving two (2) years as a full-time journeyman in their craft, or after working the required hours as a properly dispatched Installer, or two (2) years time served as a builder, helper or trainee (upon becoming a journeyman builder.) The Joint Apprenticeship Training Committee (JATC) may modify the requirements of this paragraph.
7. Outdoor or commercial journeymen in good standing currently shall be eligible to go on the bottom of the Installer A List, if they have worked a minimum of four years time as a journeyman registered with Local 510 immediately prior to admittance. In order to maintain a position on the A List, said worker currently must successfully complete the Installer Training Program within one (1) year of his or her placement on the list. The JATC may modify the requirements of this paragraph.

E. Continuing Registration

1. List A, Apprentices, and List B. All persons registered for List A, the Apprentice Program, or List B shall remain permanently registered provided they (1) continue to meet the qualifications for the list they are on, and (2) either (i) remain members in good standing of the Union, or (ii) make timely payment of their training fees. Any person on Lists A or

B who fails to remain a member in good standing, or who fails to make timely payment of his registration fee, shall have his registration terminated until such time as he becomes a member in good standing or pays his training fee.

2. List C. Registration fee for List C shall be valid only during the calendar year of the registration. At the end of each calendar year, all persons on List C who wish to remain registered for that list shall be required to (1) re-register for the following year and (2) either (i) be members in good standing of the Union, or (ii) make timely payment of their training fee. Past 'B' and 'C' listers must reregister (under rules established by Local 510) prior to being dispatched.

Dispatch Procedures

A. Order-of-Dispatch for Journeypersons and Apprentices. The order of dispatch for journeypersons and Apprentices is as follows:

1. To the extent the employer does not designate the crew by name, the employment office shall first dispatch persons whose names are on List A and Apprentices. The dispatch from List A shall be by seniority by show, so that Journeypersons are not dispatched twice to the same show unless all Journeypersons who are available have already been dispatched once. Apprentices shall be dispatched under guidelines developed by the JATC.

2. If no persons on List A are available and more Journeypersons are needed, Journeypersons from lists maintained by other IUPAT Local Unions shall be dispatched if they are available to meet the needs of the show.

B. Order of Dispatch for List B. Thereafter, if more workers are needed, persons on List B shall be dispatched in an alphabetical rotation system.

C. Order of Dispatch for List C. Thereafter, if more workers are needed, persons on List C shall be dispatched in order of registration and by rotation.

D. Order of Dispatch after List C (Extras). Thereafter, if more workers are needed, workers shall be dispatched from the most reasonable source of workers available.

E. Failure to Report. An employee who accepts a dispatch and does not report for work as scheduled, shall fall to the bottom of the list for the subsequent dispatch. Except for emergencies, an employee who is unable to report for work as scheduled shall report this fact to the Employer's designated attendance call-in phone number at least two (2) hours prior to the scheduled start time. The Union dispatch office shall be furnished a list of Employer's call-in phone numbers and employees will be notified of such phone numbers by the Employer by posting or other suitable means.

F. Refusal of Dispatch. Any employee who refuses an offer of dispatch to a job, or is not available, must wait until his name comes up again on the list.

G. Layoff. The JATC will develop guidelines for layoff procedures for Apprentices.

Posting of Procedures. A copy of these procedures shall be posted at the employment office.

APPENDIX C DRUG-FREE WORKPLACE POLICY

INTRODUCTION

Convention Services Employers (the "Employer") and Sign Display & Allied Crafts Local Union 510 (the "Union") are committed to providing a safe and productive work environment for all employees. This policy is to ensure that all employees of the Company work in an environment free of the effects of illegal drug use and the abuse or misuse of legal drugs and alcohol. The Companies and the Union recognize that such use, abuse or misuse of drugs and alcohol can lead to serious physical and mental health problems.

The Companies and the Union recognize that early recognition and treatment of substance abuse is the key to successful rehabilitation. Employees are strongly encouraged to use, on a voluntary and confidential basis, the Members Assistance Program ("MAP/EAP"). Employees who undergo counseling or treatment remain subject to the same job performance and behavior standards as all other employees, and those who fail to meet those standards are subject to appropriate disciplinary action. This policy applies equally to all bargaining unit employees.

Testing for drugs and/or alcohol may be required, in certain circumstances, under this program. The methods used to determine the presence of alcohol and/or drugs shall be urine, breath and/or blood testing.

The Company may require tests for the presence of illegal drugs and/or alcohol in an employee's system in the following circumstances:

- **Reasonable Suspicion Drug and/or Alcohol Testing**

The determination that reasonable suspicion exists must be made by a trained management representative, a trained Union foreperson and the trained Union Steward and must be based on specific, contemporaneous, articulable and documentable observations concerning the appearance, behavior, breath, smell or speech of the Employee.

- **Post-Accident Drug and/or Alcohol Testing**

Employees who are at fault in a job-related accident which results in injury to persons or serious damage to equipment or property, including accidents involving company vehicles, machinery and/or equipment, are required to take a post-accident drug and alcohol test. 3. Collection and Testing Procedures

The Company wants to ensure that the collection and testing procedures are conducted through a scientifically valid program to insure fairness, scientific accuracy and the highest integrity in the process. As such, the Company and Union adopt the Department of Transportation's (DOT) anti-drug and alcohol processes as contained in 49 C.F.R., Section 40. Under this program an independent DOT-approved laboratory will test by way of urine collection for the presence of five illegal drugs, namely, amphetamines, marijuana, cocaine, opiates (heroin) and phencyclidine (PCP). The laboratory will further test for the presence of alcohol by taking breath samples through the use of a DOT-approved Breathalyzer. Section 4, below, shall govern drug and alcohol violation rates. In addition, to insure fairness and integrity in the process, the DOT-approved collection and chain of custody procedures, Medical Review Officer review, Substance Abuse Professional review and split sample testing will also be adopted by Company as part of this program. A full description of these procedures is available from either the Company or the Union, at the employee's request.

- **Chain of Custody**

When a specimen is obtained, the container or test tube(s) will remain in full view of the Employee and must be sealed, labeled, and initialed by the Employee. From that time on the specimen container shall never be handled by any employee of the Company or Union Member.

- **Confidentiality**

Company managers and supervisors are to restrict communications concerning test results of this procedure to persons who have an absolute need to know. The test results are to be reported to an appointed manager or supervisor, and all files are to be kept confidential and locked in accordance with established procedures.

4. Evaluation and Violation Rates

All Employees will be tested based upon the following violation rate standards:

Any Employee who tests at or over these cutoff levels for drugs or alcohol or engages in any of the prohibited conduct as outlined in this Policy has violated this Policy.

5. Consequences for Violation of this Policy

Except for conduct described in Section 6, "Grounds for Immediate Termination," an employee who violates this Policy shall be given the opportunity to enter into EAP/MAP recommended Continued Employment Agreement ("CEA"). The CEA will obligate the employee, as a condition of retaining his or her job to:

- Successfully complete treatment and counseling as prescribed by the MAP/EAP, including passage of a return-to-work drug and alcohol test;
- Abide by all Company employment policies and work rules, including, but not limited to, all provisions of the Drug-Free Workplace Policy, and
- Be subject to additional drug and alcohol tests during the period of the CEA, as determined by the MAP/EAP.

Any employee who violates any of the conditions of the CEA or fails a second drug or alcohol test may be automatically terminated from employment. An individual may approach the Union following termination, if he/she possesses an MAP/EAP recommendation and a timely successful passage of a return to work drug and alcohol test, to request that the Union set a meeting with the Employer to discuss the potential return to work of such individual.

6. Grounds for Immediate Termination

Engaging in the following conduct shall be grounds for immediate termination, although the Employer, in its discretion, may choose to impose different discipline, including referral to the MAP/EAP.

DONNA LEVITT, MANAGER

DATE: March 26, 2015

TO: The Honorable Civil Service Commission

SUBJECT: CERTIFICATION OF THE HIGHEST PREVAILING RATE OF WAGES OF THE VARIOUS CRAFTS AND KINDS OF LABOR PAID IN PRIVATE EMPLOYMENT IN THE CITY AND COUNTY OF SAN FRANCISCO

RECOMMENDATION: ADOPT REPORT; FORWARD TO BOARD OF SUPERVISORS

Section 6.22 of the Administrative Code requires that the Civil Service Commission furnish the Board of Supervisors data as to the highest general prevailing rate of wages of the various crafts and kinds of labor as paid in private employment in the City and County of San Francisco. The attached General Prevailing Wage Determinations made by the Director of Industrial Relations, State of California pursuant to the California Labor Code reports the highest prevailing rate of wages of the various crafts paid in private employment in the City and County of San Francisco (please see **Attachments 1-4**).

In addition to the classifications and crafts addressed by the Director of Industrial Relations' General Prevailing Wage Determinations, the San Francisco Administrative Code Section 21C requires that prevailing wages be paid for other crafts and classifications, described below.

Janitorial Services: In May 1999, the Board of Supervisors amended the Administrative Code to require that contracts for janitorial services to be performed at any facility owned or leased by the City, "where such work is to be done directly under the contract awarded (a 'prime contract') must require that any individual performing Janitorial Services thereunder be paid not less than the Prevailing Rate of Wages." **Attachment 5** contains the Collective Bargaining Agreement between the San Francisco Maintenance Contractors Association and Service Employees International Union, Building Service Employees Union, Local 1877 Division 87 in effect from August 1, 2012 through July 31, 2016, reflecting the prevailing wage rates for individuals performing janitorial services. **Attachment 6** contains the Collective Bargaining Agreement between the San Francisco Window Cleaning Contractors Association and Window Cleaners Union – SEIU Local 1877, AFL-CIO in effect from April 1, 2014 to March 31, 2017, reflecting the wage and benefits levels for individuals performing window cleaning services.

Workers in Public Parking Lots and Garages: In January 2003, the Board of Supervisors amended the Administrative Code to require workers employed in public off-street parking lots, garages, or storage facilities for automobiles on property owned or leased by the City and County of San Francisco be paid the prevailing wage rate. **Attachment 7** is the Garage and Parking Lot Agreement between Parking Employers and Teamsters Automotive Employees, Local 665 in effect from December 1, 2012 to November 30, 2015.

Theatrical Workers: In April 2004, the Board of Supervisors amended the Administrative Code to require that workers engaged in rigging, sound, projection, theatrical lighting, videos, computers, draping, carpentry, special effects, and motion picture services for shows on property

owned by the City and County of San Francisco be paid the prevailing wage rate. **Attachment 8** is the Project Collective Bargaining Agreement between the City and County of San Francisco and the International Alliance of Theatrical Stage Employees Bargaining Agreement, Local 16 for January 1, 2015 through June 30, 2015.

Moving Services: In July 2004, the Board of Supervisors amended the Administrative Code to require that “any individual performing moving services...be paid not less than the Prevailing Rate of Wages.” **Attachment 9** is the Agreement between the Northern California employers and the Northern California Regional Council of Carpenters and the Carpenters 46 Northern California Counties Conference Board regarding furniture movers and related classifications in effect from September 1, 2013 until August 31, 2015.

Hauling of Solid Waste: In December 2006, the Board of Supervisors amended the Administrative Code to require that for every contract awarded by the City for the hauling of solid waste generated in the course of City operations, “any Individual engaged in the hauling of solid waste be paid not less than the Prevailing Rate of Wages.” **Attachment 10** is the Collective Bargaining Agreement between Recology Sunset & Recology Golden Gate and Sanitary Truck Drivers and Helpers Union Local 350, IBT, in effect from January 1, 2012 until December 31, 2016.

The Board of Supervisors amended Administrative Code Section 21C.7(c)(1) in 2012 to require that the Civil Service Commission provide data on two components for each craft, classification, and type of work: (1) the basic hourly wage rate and (2) the hourly rate of each fringe benefit, which together equal the hourly prevailing rate of wages. The Office of Labor Standards Enforcement (OLSE) has summarized these rates based on the Collective Bargaining Agreements included in Attachments 5-10 for the crafts and classifications added at the request of the Board of Supervisors discussed above (please see **Attachment 11**). These tables are for reference only and may not include all of the information on prevailing basic hourly wages and fringe benefits described in the Collective Bargaining Agreements.

For ease of reference, also included is an alphabetical list of the occupations covered in these various Wage Determinations (please see **Attachment 12**).

It is recommended that the Civil Service Commission certify the State Department of Industrial Relations Director’s General Prevailing Wage Determination Report and Collective Bargaining Agreements, which reflect the highest prevailing rate of wages paid various crafts and kinds of labor paid in private employment in the City and County of San Francisco.

If the Civil Service Commission certifies these rates, companion legislation effectuating such proposed changes should be drafted by the City Attorney and transmitted to the Board of Supervisors concurrently with the certification.

Respectfully Submitted,

Donna Levitt
Manager
Office of Labor Standards Enforcement

**IMPORTANT NOTICE TO AWARDING BODIES AND
OTHER INTERESTED PARTIES CONCERNING THE NEW
AMENDMENTS TO LABOR CODE SECTION 1720(a)**

The passage of Senate Bill 975 (Chapter 938), effective January 1, 2002, codifies existing Department of Industrial Relations' administrative decisions on appeal and determinations regarding the above referenced statute. This statute, among other things, also expands the definition of "public funds" for purposes of the Prevailing Wage Law and adds "installation" to the definition of construction. Chapter 938 also provides for certain specified exemptions to the new definition of "public funds."

In accordance with SB 975, its terms will be strictly enforced for all public works projects advertised for bids on or after January 1, 2002, except for those projects that that would have been covered under the Department's public works coverage determinations or decisions on appeal made precedential prior January 1, 2002, in which case there is an independent basis for enforcement of projects advertised for bid prior to January 1, 2002.

RE: Prevailing Wage Determination - Soils and Materials Tester (SMT) On Site

Dear Ms. Robbins:

Please find enclosed the response of Operating Engineers Local Union No. 3 in support of a Prevailing Wage Determination for a Soils and Materials Tester as set forth in the Master Construction Agreement for Northern California.

The data enclosed, we believe, justifies and establishes the Scope of Work Conforming to SB1999 for a Soils and Materials Tester performing on-site work in Northern California.

We respectfully request that a conclusive determination be made that the wage rates and fringe benefit rates applicable to this classification are the prevailing wage for this type of work within the geographical jurisdiction established in the Master Agreement and are consistent with the requirements of SB1999.

Your continuing assistance is appreciated. If there are any further questions, do not hesitate to contact myself or Dean Dye at 510/748-7400.

Sincerely,

**DEPARTMENT OF INDUSTRIAL RELATIONS
STATE OF CALIFORNIA
CLARIFICATION REQUEST - SOILS & MATERIALS TESTER (SMT)
WITH
OPERATING ENGINEERS LOCAL 3'S RESPONSES**

1. Summarize the intent of the coverage of the SMT classification in your No. CA Master Agreement, which serves as the basis for the prevailing wage determination.

All visual, physical and non-destructive testing that is done at a jobsite, on-site lab, fabrication site (yard), or off-site lab used exclusively for covered work.

2. Define the following and indicate if done by the SMT classification:

- a) Magnetic particle testing -- used for welding, laminations and other steel inspections; done by SMT
- b) Non-destructive inspection -- used for welding, laminations and other steel inspections; done by SMT
- c) Ultrasonic testing -- used for welding, laminations and other steel inspections; done by SMT
- d) Keying -- excavation at the toe of a slope; done by equipment operator
- e) Benching -- process of removing noncompacted or "soft" soil in order to properly place the compacted soil on unyielding materials; done by equipment operator
- f) Scarifying -- process of ripping or otherwise preparing the existing surface; done by equipment operator
- g) "Rolling of slopes" -- process of compacting the slope to the required density (also called "back rolling"); done by equipment operator
- h) One-pointer -- test made to roughly determine the weight and maximum density of the soil being used as fill material; done by SMT
- i) "Correction for rock" -- used during a compaction test to mathematically remove all oversize rock from the equation; done by SMT

3. Does lab work fall within the jurisdiction of the SMT? Does the on/off site location of the lab make a difference?

Lab work done offsite normally does not fall under the Construction Inspectors jurisdiction. If a field lab is set up at the project site in the field, it then falls under the Construction Inspectors jurisdiction.

4. What is the civil engineer's job when working with the SMT? Is the civil engineer covered under the scope of the SMT sections of the collective bargaining agreement (CBA)?

A Civil Engineer generally provides direction, plan interpretation and engineering type decisions. They may be either on- or off-site (depends on the nature of the project). They generally do not do the Construction Inspector type work; but if they do, then it is covered work.

- 5. The MLA (p.5) lists employees excluded from coverage. Does this imply that engineers and architects, project managers, off-site laboratory workers are excluded?**

Engineers, Architects, Project Managers, off-site Lab Workers, as long as they do not perform the Construction Inspector work, would not be covered.

- 6. Some signatories perform mechanical & electrical inspections. Are these jobs covered under the Operating Engineers Agreement? If so, how is work performed?**

We (OE3) consider Mechanical Inspectors to be covered by our CBA, therefore the prevailing wage (at the SMT rate) would be paid. Electrical should be covered work by the electrical craft.

- 7. Regarding manufacturing sites, if inspectors visit plants, is that inspection of the plant and its processes covered under the Agreement, is that the intent of SB1999?**

Steel fab shops, concrete and asphalt batch plants, prestressed yard and fabrication shop, etc. (such as those for piles & girders, gul lam beams) is covered work under the intent of SB1999, including mechanical and electric.

- 8. Are the following inspectors included in the scope of the agreement: Geotechnical, Concrete, Painting, Steel and Electrical?**

Concrete, Steel, Painting and Electrical Inspectors are covered work. Also Inspectors such as Roofing, Mechanical (HVAC), Suspended Ceiling, Plumbing, Geotechnical (unless registered Geologists/Engineer is specifically required by the plans & specs) Masonry, Fireproofing, Gul lam beams, Shotcrete, etc. In essence all inspection as required by the Uniform Building Code (UBC) is considered covered work.

- 9. Is visual observation inspection covered? For example: Using tape measures...**

The Construction/Special Inspector shall observe the work for conformance.....” is part of the UBC requirements. The majority of inspection work is visually by nature. Slump of concrete, length of weld, depth of footings, pile caps, width of footings, pile caps etc. are but a short list of work that a Construction Inspector would use a tape measure for.

- 10. What is the difference between a Geotechnical Inspector and a Geotechnical Engineer? Are they covered under the Operating Engineer Agreement?**

A Geotechnical Engineer normally would be a registered person with a college degree. They may be a Geologist/Engineer in training also. Geotechnical Engineer performs/supervises the analyses, design and documents preparation associated with the geotechnical aspects of the project. They would not normally be covered, unless doing Construction Inspector work.

A Geotechnical Inspector ascertains through inspection and/or testing that the Geotechnical Engineer’s requirements/recommendations are complied with. A Geotechnical Inspector would normally be covered.

- 11. Is a Project Manager whose duties include weekly meetings, approving, contracts, managing engineers, managing subcontracts and preparing monthly reports be covered under the CBA?**

A Project Manager, (who would normally not be doing construction inspection work) would not be covered.

12. Is a Resident Engineer whose duties include logging correspondence amongst contractors and subcontractors, performing soil, concrete, masonry, and HVAC tests, and acting as a liaison between contractors and engineers be covered?

Resident Engineers, normally a professional registered person is not covered unless doing Construction Inspector work (such as performing soils, concrete, masonry & HVAC tests).

13. Is the SMT an apprenticeable classification?

Yes.

14. Is inspection of bridges and piers covered under the SMT classification under Operating Engineers Local #3's agreement?

Yes.

The following, in addition to the above, are also considered covered inspection work: high strength bolting; shearwall & diaphragms; metal connectors, anchors or fasteners for wood construction; piling; drilled piers; caissons; bolts installed in concrete; post tensioning steel; pre-stressed steel. Also includes, but not limited to, underground construction (sewers, gas lines, drainage devices, water lines, backfilling, welding, bedding). SMT rates apply.

Re: Building Construction Inspector (BCI) and Field Soils and Material Tester (FSMT) Classifications

Dear Ms. Robbins:

Pursuant to your request for clarification contained in your November 20, 2001 correspondence we submit the following:

1. *What is the difference between the Building Construction Inspector (BCI) and the Field Soils and Materials Tester (FSMT) classifications? There appears to be some overlap of duties. Could you summarize the intent of the coverage between Southern California Contractors Association, Inc. and the International Union of Operating Engineers Local No. 12, which serves as the basis for the prevailing wage determination?*

As stated in our June 5, 2001 correspondence to your office, a Building Construction Inspector (BCI) is a licensed inspector who generally works under the direction of a registered civil engineer. The BCI is used when higher stresses are involved, e.g., welding, reinforced concrete, masonry, non-destructive testing and other related disciplines. The term "building inspector" or "construction inspector" has the same meaning as "special inspector." The BCI classification is meant to include inspection of all structures, including but not limited to, residential and commercial buildings, bridges, piers, warehouses, oil/water tanks, docks, refineries, heavy highway construction, underground construction, water works, sewers, water reclamation, flood control, dams, dredge, etc.

A field soils and material tester (FSMT) performs a variety of duties. They include special grading, excavation filling, soils used in construction, concrete sampling, density testing and various types of verification tests.

Occasional overlap of duties may occur between the BCI and FSMT, such as taking concrete specimens in the field, however, one must look at the overall scope of work/duties to determine the proper prevailing wage/rate classification.

2. *How is grading inspection different when performed by a BCI or by a FSMT?*

"Grading inspection is generally the work of a FSMT. The City of Los Angeles certifies/licenses grading inspectors whose duties are similar, but more stringent than those of the FSMT. The grading inspector in the Los Angeles area is covered under the BCI classification/wage rate.

3. *Please define the following and identify which classification performs this work:*

- a) *Magnetic particle testing*
- b) *Nondestructive inspection*
- c) *Ultrasonic testing*
- d) *Keying*
- e) *Benching*
- f) *Scarifying*
- g) *"Rolling of slopes"*
- h) *One-pointer*
- i) *"Correction for rock"*

a) b) c) Magnetic and ultrasonic testing are two different forms of non-destructive testing (NDT). They use mechanical devices to check defects in structures such as welds. The use of magnetic and ultrasonic waves in the evaluation process does not cause any damage to the structure, hence, the term non-destructive testing. Other forms of non-destructive testing include radiography (x-rays) and penetrant testing. All of this work is that of the BCI.

d) Keying in is benching into existing material while filling up an adjacent fill, to bind the two areas (materials) together, eliminating the chance of a soft or uncompacted area in between the two materials or areas. A "stair-step" procedure is usually used.

e) Benching is using a piece of equipment (usually a dozer) to cut into existing material while filling up an adjacent fill, to bind the two areas (materials) together. This eliminates the chance of soft or uncompacted area in-between the two materials or areas. A "stair-step" procedure is usually used.

f) Scarifying is a procedure performed by equipment that rips up existing material approximately one foot deep, then processing that material by watering and mixing it.

g) Rolling of Slopes is a compaction technique used on the slopes of a new fill area. The time required for compaction on the slope of a fill is the same as the required compaction on the top of the fill.

h) A One-Pointer is one test made on the soil by a field soils and material tester (or FSMT).

i) Correction for Rock is a calculation made for oversized rock in soil, done by a field soils and material tester (FSMT).

Items a, b and c are performed by the BCI. Items d, e, f, g, h and i are performed by the FSMT.

To perform items a, b, and c, the individual would have to obtain certification as required by the agency. If certified, for example, in "Ultrasonic Testing," one could perform FSMT work and then move to BCI work if certified to do so.

4. *Does lab work fall within the jurisdiction of the BCI? Does the on/off site location of the lab make a difference?*

No, lab work is not covered. If a lab is located on-site and the individual stays "inside" the lab, there is no coverage. However, if the individual goes on-site and performs "field work," then he or she is covered for all hours worked.

5. *What is the civil engineer's job when working with the BCI or FSMT? Is the civil engineer covered under the scope of the BCI or FSMT sections of the collective bargaining agreement (CBA)?*

The civil engineer usually acts in a supervisory role, directing the BCI or FSMT activities. The civil engineer work would not be covered unless he or she performs "field work."

6. *The Master Labor Agreement (page 5) lists employees excluded from coverage. Does this imply that engineers, architects, project managers and off-site laboratory workers are excluded?*

Yes.

7. *Some signatories perform mechanical & electrical inspections. Are these jobs covered under the Operating Engineers agreement? If so, how is work performed?*

Not covered.

8. *When inspectors visit manufacturing sites, is the inspection of the plant and its processes covered under the agreement? Is that the intent of SB 1999?*

Yes, pursuant to the agreement. The intent of SB1999 was to further define coverage in the public work arena.

9. *Are the following inspectors included in the scope of the agreement: Geotechnical, Concrete, Painting, Steel and Electrical?*

Geotechnical, yes. Concrete, yes. Painting, no. Steel, yes. Electrical, no.

10. *Is visual observation inspection (e.g., using tape measures) covered?*

Yes. Visual inspection is a component of the Inspector's duties.

11. *What is the difference between a Geotechnical Inspector and a Geotechnical Engineer? Are they covered under the Operating Engineer agreement?*

A Geotechnical Inspector is "on-site" performing the "field work" and is covered. The

Geotechnical Engineer is usually "in-house," a supervisory position, "off-site."

12. *Is a project manager whose duties include weekly meetings, approving contracts, managing engineers, managing subcontracts and preparing monthly reports covered under the CBA?*

No.

13. *Is a resident engineer whose duties include logging correspondence amongst contractors and subcontractors, performing soil, concrete, masonry and HVAC tests, and acting as a liaison between contractors and engineers covered?*

When a Resident Engineer logs correspondence among contractors and subcontractors, the work is not covered. When the Resident Engineer acts as a liaison between contractors and engineers, the work is not covered. When performing soil, concrete or masonry tests, the work is covered. HVAC tests are not covered.

14. *Is the BCI an apprenticeable classification?*

Yes.

15. *Is the FSMT an apprenticeable classification?*

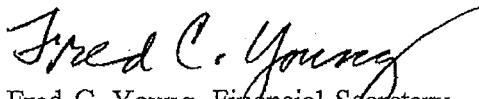

Yes.

16. *Is inspection of bridges and piers covered under the BCI and/or FSMT classifications under your agreement?*

Yes. Please see the coverage language in the CBA. Both classifications are covered pertaining to bridge work.

We hope the information provided herein is beneficial to you. Please call this office if you should have any questions.

Sincerely,

**Important Notice to Awarding Bodies and Other Interested Parties
Regarding Shift Differential Pay in the Director's General Prevailing Wage Determinations**

Dear Public Official/Other Interested Parties:

The Director's General Prevailing Wage Determinations includes shift differential pay for various crafts used on public works projects. This notice is to clarify the worker's eligibility to receive the shift differential pay when working on a public works project. Please note that not all crafts have shift differential pay published in the Director's General Prevailing Wage Determinations.

When a worker is required to work a regular shift, he/she must be paid the applicable craft rate from the Director's General Prevailing Wage Determinations for the construction activity he/she is performing. However, when a worker is required to work a shift outside of normal working hours, he/she must be paid the shift differential pay according to the shift he/she is working. For example, if only one shift is utilized for the day, and the work being performed is during the hours typically considered to be a swing (second) shift or graveyard (third) shift, the worker employed during the hours typically considered to be a swing shift or graveyard shift must be paid the shift differential pay for the shift he/she is working. If multiple shifts are used for the day, the worker working on the second or third shift must be paid according to the shift he/she is working.

Please refer to the contract provisions posted on the Internet at www.dir.ca.gov/DLSR/PWD for the working hours applicable to the craft/classification published in the Director's General Prevailing Wage Determinations, which has a swing shift and/or a graveyard shift.

Sincerely,

Dear Chuck,

I hope the information below will help you.

For C7 licensed contractors with whom CWA holds a collective bargaining agreement in the State of California, I believe the following statement covers 95 % of work performed by our members.

The scope of work that CWA members perform requires the running of conduit from time to time. This conduit work is typically coincidental to Telecommunications work and normally in telecommunications rooms / closets. Usually the conduit run is not longer than 10 feet.

Bill Quirk

RE: Enforcement of Prevailing Wage Obligations for On-Haul and Off-Haul Trucking By Owner-Operators Not Employed by Material Suppliers

Dear Interested Parties:

This notice is in response to the various letters I have received regarding enforcement of prevailing wage obligations for owner-operator truck drivers hauling material and equipment to and from public works sites.

It has been this Department's policy that owner-operators, including owner-operator truckers, performing public work must be paid prevailing wages.¹ It appears, however, and as some of you have acknowledged, the majority of the Department's enforcement of prevailing wage obligations has concerned owner-operators (of any kind) performing work within a public works site.²

In light of the Department's enforcement experience and its current consideration of appropriate wage rates for owner-operators performing on-haul and off-haul trucking, enforcement of prevailing wage obligations for such work is stayed pending DLSR's establishment of the appropriate rates, including a formula for applying them to the unique circumstances of owner-operator compensation.³

In addition, the rates established by DLSR for owner-operator truckers performing off-haul and on-haul deemed to be public work will be applicable to all work advertised for bid on or after the date of the rates issued by DLSR.⁴

Sincerely,

/s/John M. Rea
Acting Director

¹ Under *O. G. Sansone Co. v. Department of Transportation* (1976) 55 Cal.App.3d 434, 458, 127 Cal.Rptr. 799, this excludes owner-operators employed by material suppliers.

² Almost all prevailing wage complaints involving owner-operators performing on-haul and off-haul trucking appear to have come in after the request for a determination or after the issuance of the determination.

³ Labor Compliance Programs are required to enforce prevailing wage obligations in a manner consistent with the enforcement policies of DLSE (title 8, California Code of Regulations, section 16434). Thus, Labor Compliance Programs are directed to observe the same stay policy as described herein.

⁴ Consistent with the Department's enforcement policy, if an awarding body does not advertise the public works project for bid, other benchmarks events, including the first written memorialization of the agreement concerning the public works elements of project or the contract governing the award of public funds will be utilized instead. See e.g., Baldwin Park Market Place, City of Baldwin Park, Public Works Case No. 2003-028, October 16, 2003.

SUMMARY OF IMPORTANT NOTICES CONCERNING BURGLAR ALARM AND FIRE ALARM INSTALLATION

Dear Public Official/Other Interested Parties:

The Department has issued four important notices (June 27, 2002, March 5, 2003, February 25, 2004, and November 10, 2005) regarding the prevailing rate of pay for burglar alarm and fire alarm installation. Each important notice has only prospective effect (applies only to projects advertised for bids on or after the tenth day of issuance). The tables on the following two pages provide a summary of the applicable rates of pay by county for burglar and fire alarm installation as contained in each of the important notices issued for these types of work. The information in these tables **does not** alter the applicable rates of pay issued in the aforementioned important notices.

Please note that minimum rate of pay determinations are issued on a "project-by-project basis." If you have a public works project in one of the counties listed in the tables that indicates "project-by-project basis," you may request a minimum rate of pay determination prior to the bid advertisement date of the project by sending a written request to the address below. Each request should include all the relevant documents that would assist the Department in issuing a determination. These documents include but are not limited to the contract, financial documents, plans, specifications, as well as contact information for the Awarding Body.

TO AWARDING BODIES AND INTERESTED PARTIES
REGARDING
THE PREVAILING WAGE RATES BELOW THE CALIFORNIA MINIMUM WAGE**

In accordance with Labor Code Sections 1770, 1773, and 1773.1, the Director of the Department of Industrial Relations is responsible for determining the prevailing wage rates for each worker employed on public works projects of more than \$1,000.

Effective on January 1, 2007, the minimum wage in California will increase to seven dollars and fifty cents (\$7.50) per hour. Effective on January 1, 2008, the minimum wage in California will increase to eight dollars (\$8.00) per hour. The Director's prevailing wage determinations shall not be below the California minimum wage. Each employer is required to pay at least the California minimum wage for the basic hourly rate in all cases where the published prevailing wage rate is below the California minimum wage. Any and all employer payments required by these determinations must also be paid.

If the California minimum wage is increased in the future to an amount above that shown in a prevailing wage determination, the basic hourly rate in that determination automatically increases to the new minimum wage.

**IMPORTANT NOTICE TO AWARDING BODIES
AND OTHER INTERESTED PARTIES
REGARDING THE DETERMINATIONS ISSUED ON FEBRUARY 22, 2007 FOR
METAL ROOFING SYSTEMS INSTALLER (PAGES 2J - 2J-15)**

Dear Public Official/Other Interested Party:

The Division of Labor Statistics and Research (DLSR) found through the Metal Roofing Systems (Commercial Construction) Statewide Wage and Benefits Survey that there is insufficient or no data to establish a mode for metal roofing in **Alpine, Colusa, Del Norte, Glenn, Imperial, Inyo, Kern, Kings, Lake, Mariposa, Merced, Modoc, Mono, Nevada, Plumas, San Benito, San Luis Obispo, Santa Cruz, Sierra, Sutter, Tehama, Trinity, and Tuolumne** counties. The Director of Industrial Relations determined that the minimum acceptable rate for metal roofing in these counties would be one of the four rates which DLSR publishes as prevailing through broad areas of California (i.e. the Carpenter, Iron Worker, Roofer and Sheet Metal Worker rates published in the General Prevailing Wage Determinations).

These will remain the minimum rates unless and until the rate is successfully challenged, in the context of a specific job with payroll evidence that another rate prevails, under Labor Code Section 1773.4 (for a specific project) or should another party submit payroll data showing that there is a single rate prevailing in a broad labor market which includes these counties or for one of these counties, via petition meeting the requirements of under Title 8, California Code of Regulations section 16302. We will require, as the survey did, actual payroll data linked to a project on which a metal roof was installed by the worker paid that rate. Please note that in the successfully challenged county(ies), a wage and benefits survey will be conducted to determine the prevailing wage rate for this type of work.

**IMPORTANT NOTICE
TO AWARDING BODIES AND INTERESTED PARTIES
REGARDING OVERTIME ON PUBLIC WORKS**

The Department has received several inquiries regarding whether it would be appropriate to refer to the contract provisions for a craft, classification, or type of worker in cases where the prevailing wage is based on a collective bargaining agreement to determine the overtime requirements for public works.

Contract provisions that allow for employees to work alternative workweek schedules in which they may work more than 8 hours per day without overtime pay do not apply to work performed on public works. The laws and regulations governing prevailing wages require that employees of contractors on public works be paid not less than 1-1/2 times the basic rate of pay for all hours worked in excess of 8 hours per day and 40 hours during any one week. In addition, overtime compensation may be required at a higher rate than 1-1/2 times the basic rate of pay, for less than 40 hours in a standard workweek, or for less than 8 hours in a calendar workday as specified in the prevailing wage determination. Contractors are required to pay overtime pursuant to Labor Code sections 1810-1815 and as indicated in the prevailing wage determination. Therefore, please refer to Labor Code sections 1810-1815 and the prevailing wage determination and not the contract provisions for each particular craft, classification, or type of worker to obtain the applicable requirements for overtime hours and rates of pay.

THE PREVAILING WAGE RATES BELOW THE CALIFORNIA MINIMUM WAGE**

In accordance with Labor Code Sections 1770, 1773, and 1773.1, the Director of the Department of Industrial Relations is responsible for determining the prevailing wage rates for each worker employed on public works projects of more than \$1,000.

Effective on January 1, 2008, the minimum wage in California will increase to eight dollars (\$8.00) per hour. The Director's prevailing wage determinations shall not be below the California minimum wage. Each employer is required to pay at least the California minimum wage for the basic hourly rate in all cases where the published prevailing wage rate is below the California minimum wage. Any and all employer payments required by these determinations must also be paid.

If the California minimum wage is increased in the future to an amount above that shown in a prevailing wage determination, the basic hourly rate in that determination automatically increases to the new minimum wage.

Clarification of the Notice dated October 8, 2008 for the off-the-site Hauling of Construction Materials

This is a clarification based on questions and comments from industry sources that should help employers and unions better respond to the previously mailed and posted request for data to determine prevailing wage rates for off-the-site hauling of construction materials.

DLSR is requesting information from three sources for off-the-site hauling: a) the construction employers who employ drivers to haul materials to and from the construction site, b) the material suppliers, and c) the trucking companies who haul construction materials.

The following is provided to help clarify the information DLSR has requested:

- A description of the trucks as to type (dump, low boy, transit mixer, etc.) and their size (cubic yards, number of axles*, tonnage, or gross vehicle weight, etc.) that are used as the basis for the different pay rate classifications.
- Provide the actual payroll records that show the peak day of employment for each county (peak day is defined as the single day when the greatest number of workers perform the off-the-site hauling in the last 12 months and the rates these employees were paid).
- The construction site where the deliveries were made or material was picked up will determine the County for counting peak employment.
- Both public and private work are to be combined in submitting data.
- For purposes of this investigation, it is possible that the same employee can be counted two or more times if the employee worked more than one county on the same day.
- Likewise, an employee-driver can be counted two or more times if the driver worked at more than one pay rate classification on the same day.

Note this request for information is only for workers engaged in hauling of construction materials off-the-site of construction. The payroll records must be submitted to support the data provided above. If necessary, the payroll records may be supplemented with written comments to further explain the data.

Confidentiality:

Individual employer or employee wage data or payroll information provided is confidential and will be used for statistical purposes only. Direct testimony given at a public hearing is not confidential

REGARDING PREVAILING WAGE DETERMINATIONS
FOR RESIDENTIAL PROJECTS**

The Division of Labor Statistics and Research (DLSR) will no longer issue residential wage rates as special prevailing wage determinations pursuant to the California Code of Regulations Section 16202. Effective January 26, 2009, the DLSR will make available on demand residential prevailing wage determinations for those crafts/classifications which are on file with the DLSR to any interested party upon request. This does not alter the basis for determination, it only improves the availability of these determinations to the regulated public.

As defined under the California Code of Regulations Section 16001(d), residential projects consist of single-family homes and apartments up to and including four stories. The residential determinations will apply only to the residential portion of the project meeting this definition. Construction of any structures or ancillary facilities on the project that does not meet this definition requires the payment of the general prevailing wage rates found in the Director's General Prevailing Wage Determinations.

To obtain residential determinations, please fax a request to (415) 703-4771 or send to the following address:

Department of Industrial Relations
Division of Labor Statistics and Research
P.O. Box 420603
San Francisco, CA 94142-0603

It is anticipated that residential determinations will be updated semi-annually as are the Director's General Prevailing Wage Determinations. An important notice will go up on DLSR's website when residential determinations are updated. If you are obtaining residential determinations and your project is not immediately advertised for bids, please refer to these important notices to make sure you are using the residential determinations in effect at the time a project is advertised for bids.

If you have any questions, please contact the Division of Labor Statistics and Research at the aforementioned address or call (415) 703-4780 and ask for the Prevailing Wage Analyst of the Week.

REGARDING THE GENERAL PREVAILING WAGE DETERMINATIONS FOR THE
CRAFT OF DRIVER (ON/OFF-HAULING TO/FROM CONSTRUCTION SITE)**

The Department of Industrial Relations ("Department") conducted a wage investigation to determine the prevailing wage rate(s) for the craft of Driver (On/Off-Hauling to/from a Construction Site). Based on the results of this investigation, the Department has issued statewide prevailing wage determinations for the classifications of Dump Truck Driver and Mixer Truck Driver (see pages 2L-1 through 2L-6 and pages 2K-1 through 2K-16, respectively). These determinations will be applicable to public works projects advertised for bids on or after March 4, 2009.

The Department determined that the Dump Truck Driver rates found in the Teamsters Master Labor Agreement for on-site construction also set the prevailing rate for On/Off-Hauling to/from a Construction Site for Marin, Napa, Solano, Sonoma, and Yolo Counties. Based on the results of this investigation, this on-site determination does not apply to any other counties for On/Off-Hauling to/from a Construction Site. To find the applicable rate(s) for the Dump Truck Driver classification in Marin, Napa, Solano, Sonoma, and Yolo Counties, please refer to the prevailing wage determination for the craft of Teamster (Applies only to Work on the Construction Site) found on pages 55, 56, and 56A of the Director's General Prevailing Wage Determinations.

For CD recipients, please note the correction that determination NC-23-261-4-2005-1 for the craft of Driver (On/Off-Hauling to/from a Construction Site), page 59, is no longer applicable to public works projects advertised for bids on or after March 4, 2009. To obtain the current determinations for this craft, please visit our website at <http://www.dir.ca.gov/DLSR/PWD/Statewide.html> on or after March 4, 2009, or contact the Prevailing Wage Unit at (415) 703-4774.

On February 22, 2010, the Division of Labor Statistics and Research issued the “Notice Regarding Advisory Scope of Work for the Southern California Carpenters’ General Prevailing Wage Determination.”

In reviewing the notice on our website, the carpenters notice contains a typographical error in the last sentence of paragraph 1, “the minimum rate of pay for work in question is performed by Electricians: Inside Wiremen...”

The correct wording should be as follows, “*the minimum rate of pay for the work in question is – Electricians: Inside Wiremen...*”

REGARDING
THE PREVAILING WAGE RATES BELOW THE CALIFORNIA MINIMUM WAGE**

In accordance with Labor Code Sections 1770, 1773, and 1773.1, the Director of the Department of Industrial Relations is responsible for determining the prevailing wage rates for each worker employed on public works projects of more than \$1,000.

Effective July 1, 2014, the minimum wage in California is nine dollars (\$9.00) per hour. Effective January 1, 2016, the minimum wage in California is ten dollars (\$10.00) per hour. The Director's prevailing wage determinations shall not be below the California minimum wage. Each employer is required to pay at least the California minimum wage for the basic hourly rate in all cases where the published prevailing wage rate is below the California minimum wage. Any and all employer payments required by these determinations must also be paid.

If the California minimum wage is increased in the future to an amount above that shown in a prevailing wage determination, the basic hourly rate in that determination automatically increases to the new minimum wage.

REGARDING THE CRAFT/CLASSIFICATION OF ELECTRICIAN/SOUNDMAN**

Determination: IMP-2015-1 and SDI-2015-1
Craft/Classification: Electrician: Soundman (all shifts)
Locality: Imperial and San Diego Counties

The craft/classification of Electrician: Soundman has been deleted from the 2014 - 2019 Sound Agreement by IBEW Local 569 and San Diego Chapter, NECA. Therefore, there is no longer a basis for the Department of Industrial Relations to recognize the Soundman classification in General Prevailing Wage Determinations IMP-2015-1 in Imperial County and SDI-2015-1 in San Diego County. The Soundman classification has been deleted from the above referenced determinations and will no longer be in effect for public works projects advertised for bids on or after March 4, 2015.

This notice also updates the two tables that were issued with the important notice dated November 22, 2005, regarding the applicable rate of pay for work involving the installation of burglar and fire alarms. Effective for projects advertised for bids on or after March 4, 2015 in Imperial and San Diego Counties, the minimum rate of pay for **burglar alarm** and **fire alarm** installation would be that of the craft/classification of Electrician: Sound and Signal Technician.

Please note that the minimum rate of pay for all conduit installation associated with either alarm system installation would be that of the craft/classification of Electrician: Inside Wireman.

Please refer to the county determinations to find the rates for the craft/classifications referenced above. Notwithstanding any other provision of the Agreement, this provision shall cover the filling of available positions by each Employer (Contractor) covered by the Agreement.

(Permanent employees are defined as those employees who are assigned by the Employer to a particular workstation on a daily and permanent basis.) The second list will include temporary employees who were permanent for a particular Employer but are now laid off and shall be known as the "A List". The third list will include top wage rate temporary employees for a particular Employer and shall be known as the "B List". (Top wage employees are defined as those employees who have never been permanent.) The fourth list will consist of temporary employees who are earning less than top wage rate for a particular Employer and shall be known as the "C list". To be included on any Employer's "C list", an individual must have worked at least one (shift) in the last twelve (12) months for that Employer.

It is understood that an employee will be considered to have not responded to a notification for dispatch on a given day only if the notification was given at some time from 3:00 p.m. to 4:30 p.m. on that day, except under extenuating circumstances. It is further understood that this paragraph does not in any way restrict the Employer's right to notify for dispatch at any time before 3:00 p.m. or after 4:00 p.m.
- C.9 Each Employer shall supply the Union with a copy of the lists stated in C.1. Thereafter, each Employer shall supply the Union with a daily report concerning the filling of temporary vacancies no later than 3:00 p.m. following the completion of the previous workday. BACKGROUND CHECKS

At client request employees shall be subject to security background checks. Employees shall cooperate with the Employer as necessary for obtaining security background checks. Employees who fail such security background checks shall be subject to termination, if there is just cause. Any employee may elect not to participate in the requested background checks and will be reassigned based on seniority. No bumping of permanent employees shall be allowed.

For the purpose of this provision, just cause to terminate an employee who has failed a security background check exists only if it is established:

1. That one or more of the findings of the background security check is directly related to the employee's job functions or responsibilities, or
2. That the continuation of employment would involve an unreasonable risk to property or to the safety or welfare of specific individuals or to the general public.

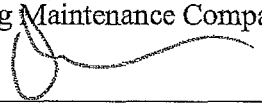

If the customer or Employer determines that the employee has failed a security background check, but the Employer lacks just cause for termination under this provision, then the employee may be transferred or reassigned based on seniority. No bumping of permanent employees shall be allowed. Employees who failed a background check will have a right to a copy of the report and can appeal through the grievance procedure.

WINDOW CLEANERS AGREEMENT

April 1, ~~2013~~ 2014 to March 31, ~~2014~~ 2017

by and between

SAN FRANCISCO WINDOW CLEANING CONTRACTORS ASSOCIATION

and

WINDOW CLEANERS UNION – SEIU USWW, AFL-CIO

THIS AGREEMENT is made and entered into this 1st day of April, ~~2013~~ **2014** by and between the San Francisco Window Cleaning Contractors Association, hereinafter called the Employer, and the Window Cleaners Union, Service Employees International Union, United Service Workers West, hereinafter called the Union. The terms of the Agreement shall apply to all signatory Employers as listed on the signature page of this Agreement.

SECTION 1. RECOGNITION

The Employer recognizes the Union as the sole collective bargaining agency for all window cleaners employed by the Employer in San Francisco. In order to be recognized by the Union, the Employer must have an established place of business and must employ at least one (1) full time window cleaner. Also, the Employer must furnish the Union with a certificate of Workers' Compensation Insurance for his employees directly from the insurance company involved.

SECTION 2. UNION MEMBERSHIP AND HIRING

- (a) Union Membership: It shall be a condition of employment that all employees covered by this agreement and hired on or after its effective date shall, on the thirtieth day following the beginning of such employment, become and remain members in good standing of the Union or tender to the Union the initiation fees and periodic dues that are the obligation of members. Check-off provisions are set forth in Section 23.

For the purpose of this Section only, tender of the initiation fees not later than the thirty-first (31st) day following the date of employment or not later than the thirty-first (31st) day following the effective date of this Agreement, whichever is later, and tender thereafter of the regular monthly periodic dues uniformly required as a condition of retaining membership shall, for the purpose of this Agreement, constitute membership in good standing in the Union.

CONTRACT DRAFT 08/26/14

If the Employer uses persons not members of the Union as window cleaners (except conscientious objectors or financial core members), it shall be recognized as a violation of this Agreement. The Board of Arbitration established in Section 22 below, shall assess a reasonable penalty against the Employer, in the event of such employment violation. It shall not be a violation of this Agreement for janitors who are not members of this Union to wipe off glass doors and spot-clean partition glass; however, janitorial employees shall not use natural sponges, window cleaners' brushes or squeegees.

- (b) Hiring: When new or additional employees are needed, the Employer shall notify the Union of the number of employees needed. Applicants for jobs shall be referred by the Union to the Employer on a non-discriminatory basis.

The Employer shall be the sole judge of the competency of all applicants and reserves the right to reject any applicant referred by the Union. The Employer agrees within one (1) day of the date of hiring to notify the Union of the names, phone numbers and addresses of the persons hired.

In hiring, the Employer shall give preference to applicants previously employed as window cleaners in the local labor market area, which shall be defined to mean the City and County of San Francisco. It is expressly understood that neither the Employer nor the Union shall discriminate against any applicant for employment or employee because of religious creed, race, sex, union membership or age as defined in the Age Discrimination Act as amended.

If the Union is unable to refer to the Employer suitable applicants for employment within two (2) days (working days), the Employer may then hire persons from other sources, provided the Employer on the date of hiring shall notify the Union of the name, phone numbers and address of each person hired.

- (c) Probation period: There shall be a ~~forty five (45)~~ **sixty (60)** working days probationary period for a new employee. The probationary period shall be applicable to each Employer for which the employee works until the new employee works more than ~~forty five (45)~~ **sixty (60)** working days for one Employer.

CONTRACT DRAFT 08/26/14

SECTION 3. SENIORITY

Seniority is the right accruing to employees through length of service which entitles them to appropriate preference in layoffs, rehiring and vacation.

Seniority shall be terminated by discharge for cause, resignation, retirement or failure to return from an authorized leave of absence or failure to return from vacation unless good cause for such failure is shown. In the event of a lay-off, employee's seniority shall be protected for twelve (12) months. If an employee is recalled to work within the twelve month period and does not report to work, then his seniority is terminated.

In all cases of layoffs, the principal of seniority shall apply. If the Employer is required to reduce the size of his crew, then the last person hired shall be the first person laid off. If an employee is laid off outside his seniority date because he lacks a particular skill, when the Employer regains that particular work that can be performed by the more senior employee, then the more senior employee will be recalled with no change in his seniority date. Recall shall be done on a weekly and not daily basis. This means if there is less than one week's work, recall is not mandatory.

It is understood that the Leadman shall be the last employee laid off because of the type of responsibilities required of the job. This provision shall apply to only one person per company and the Employer shall notify the Union of the person designated under this provision. The Employer agrees that the Leadman will not perform Journeyman work (i.e. window cleaning) if, in fact, a Journeyman with more seniority would be laid off. Once all the more senior Journeymen are recalled, the Leadman may perform Journeyman work, if necessary.

SECTION 4. HOURS AND OVERTIME

(a) The maximum workweek shall be thirty-seven and one-half (37 ½) consecutive hours segregated into five (5) working days of seven and one-half (7 ½) hours. The workweek shall be Monday through Friday, with Saturdays and Sundays off. Employees shall receive a one-half (1/2) hour between 11:00 a.m. and 11:30 a.m. for lunch. Employees must take a full half (1/2) hour for lunch and no employee shall substitute part of the lunch period for any part of the regular working day. The Union pledges its best efforts to enforce the provisions of a seven and one-half (7 ½) hour day, and agrees to discipline any member found to be in violation thereof. It is understood the employees covered by this Agreement will at all times conduct themselves on the job in an orderly and business-like fashion.

If there is a shift change, notification shall be given by Thursday noon for the following week. If a building requires cleaning at different times, the Employer shall establish a swing or grave shift. Any such shift shall start after 1:00 p.m. and shall be eligible for a shift premium of forty (\$0.40) cents per hour. Any shift starting after 1:00 p.m. shall be offered to the most senior qualified employee and down the seniority list until exhausted. If no employee volunteers, the least senior qualified employee shall be assigned such shift.

The parties recognize the principle that the Employer and the Union shall maintain proper and reasonable times on the jobs. In the event of any question concerning reasonable time for performing a job, Employer and Union shall promptly meet and confer in good faith effort to reach agreement. If the representatives fail to agree, the disagreement shall be handled in accordance with the provisions of Section 22 below.

Any problems relating to work schedules, rest periods and lunch periods in connection with scaffold and bos'n chair work shall be determined promptly by agreement between Employer and Union. If the representatives fail to agree, the disagreement shall be handled in accordance with the provisions of Section 22 below.

(b) The maximum workweek with a holiday, as designated in Section 6 below, shall be reduced seven and one-half (7 ½) hours for each holiday falling within that workweek.

Paid non-work hours and daily overtime hours shall be counted as worked hours for the purpose of determining Saturday and Sunday overtime.

SECTION 5. SPLIT SHIFTS

There shall be no split shifts, but in case of emergency of any store that might change display windows in late afternoon or evening, the employee shall be permitted to go back and wash the inside of said windows at overtime rates. This overtime will not have to be taken off the following week. When an employee is called back to work after completing his regular shift, he shall receive a minimum of two (2) hours work or two (2) hours pay at the applicable overtime rate.

* Employees shall be eligible for their floating holiday one year from their date of hire with the Employer. The employee shall request the floating holiday in writing at least two weeks prior to the date s/he wishes to take it and the request shall be by mutual agreement.

If a holiday falls on a Saturday or Sunday, it shall be observed on the following Monday, provided that in cases of emergency, special arrangements can be made with the Union. If a holiday falls on a Thursday, an employee who gives

All employees shall receive a full day's pay for the observance of said holidays, regardless of the day on which the holiday occurs, provided such employees have reported to work on their regular working day immediately before and immediately after said holiday. An employee shall have been considered to have reported for work, if absence on the day before or after said holiday is due to express permission of the Employer or to a bona fide illness, or to a dispute between Employer and Union that has resulted in work stoppage. An employee required to work on a holiday shall be paid by the Employer for whom he works at the rate of double time in addition to his regular pay. Unless authorized by the Employer and the Union, no vehicle shall be used in any manner by an employee after working hours, but shall be returned to the shop each day. No employee shall be disciplined or discharged because of a refusal to drive the contractor's vehicle.

(b) All traveling time and transportation expenses shall be paid by the Employer, except that an Employer may require an employee to report directly to a job and to leave any job at the end of the working day without providing transportation expense or travel time to first job or from last job, provided that all assigned work is within the city limits of San Francisco. All out-of-town work shall be voluntary, and no employee shall be required to accept out-of-town assignments.

SECTION 15. RESTRICTIONS

The foreman shall not be allowed to clean windows. This section does not apply to principal owners.

SECTION 16. EQUIPMENT

Employers shall furnish the employee all normally issued tools and working equipment for that day and the employee shall be held responsible for same except when ordered to leave tools on the job in an unsecured area. The company will notify the employee as to who in the company will issue and receive tool inventory.

All new window cleaning tools must be submitted for approval by the person to employ such new tools. They shall be screened by the joint committee consisting of two (2) representatives of the Union and two (2) representatives of the Employer. They shall not be put into use without the prior approval of said committee. It is recognized that the loss of the Company issued "bucket tools", other than for loss due to bona fide accidents of normal wear and tear will be grounds for the employee to replace the "bucket tools" at the Company cost.

SECTION 17. SUBCONTRACTING

[Type text]

CONTRACT DRAFT 08/26/14

No piece work or sub-contracting of work shall be allowed unless mutually agreed upon by the Union and the Employer.

SECTION 18. SAFETY

- (a) Suitable belts must be used on all buildings that have anchor bolts. Ropes on belts and on Bos'n Chairs must be renewed every six (6) months, or on demand of employee.
- (b) No windows shall be cleaned that are not in good working order.
- (c) No window cleaner shall be allowed to work on an extension ladder more than four (4) hours in any one (1) day. Only in case of extreme emergency, where an employee can finish a job, one (1) hour more will be permitted.
- (d) A person shall be placed at the foot of all ladders in use that exceed eighteen(18) feet in length. Two (2) window cleaners shall work together on extension ladders which are extended thirty-six (36) feet or more in length.
- (e) It is agreed that when the personal safety of a member is concerned, his refusal to work on defective windows, or inadequate window cleaning equipment, shall not be sufficient cause for discharging of the employee and it is further agreed that said member will not be penalized for such refusal by the Employer.
- (f) All other safety conditions not specified herein, but which form a part of the rules and regulations of the California Occupational Safety and Health Administration (Cal-OSHA) for Window Cleaners, shall be observed by the Employer.
- (g) When the personal safety of a member is concerned, his refusal to pass through a picket line shall not constitute a violation of this Agreement.
- (h) Where acid is used on scaffold work, steel falls shall be used instead of rope falls. Whenever employees are obliged to use acid in the course of their employment, Employers shall furnish employees with rubber gloves or other necessary equipment.
- (i) The Parties agree to establish a Labor-Management Committee of a maximum of seven (7) members from each side. This committee is meant to discuss areas

of mutual concern such as safety, training and the preservation of standards in the Window Cleaning Industry. It is not intended to discuss contractual issues.

SECTION 19. BREAKAGE

Employees shall not be held responsible for any breakage or damage, and no deductions shall be made from the employee's wages for any breakage or for insurance, public liability, property damage, employees compensation or for any other reason or purpose except those deductions required by law. Deductions may be made from employees' wages in order to purchase group insurance, provided that the Union is advised in advance concerning the proposed establishment of any group insurance plan the employee agrees voluntarily to be a party to such a group insurance plan.

SECTION 20. DISCHARGE AND DISCIPLINE

Any Employer discharging or disciplining a member of the Union must have just and reasonable cause. In case of a dispute, it shall be taken up under Section 22 of this Agreement.

SECTION 21. SHOW-UP PAY

Any employee who is ordered to work and is not put to work must receive two (2) hours pay. Any employee instructed not to come to work because of rain or wind will not be entitled to show-up pay if informed within four (4) hours prior to the start of the shift. Such notification shall be solely based on seniority of people who work out of the shop and shall not be for punitive, discriminatory or personal favoritism reasons. Any employee who is put to work shall be guaranteed seven and one-half (7 1/2) hours work or pay.

SECTION 22. GRIEVANCE PROCEDURE

In case of a grievance or dispute concerning the interpretation or application of the terms of this Agreement, a representative from the Union and a representative from the Employer shall immediately attempt to settle the grievance or dispute.

The right to grieve is lost if the grievance is not brought up in writing within thirty (30) working days from the time the Union is aware of such dispute.

[Type text]

CONTRACT DRAFT 08/26/14

If the parties are unable to do so, a Board of Adjustment composed of two (2) representatives from the Union and two (2) representatives from the Employer shall, within ten (10) working days after written notice is mailed by either party to the other, meet to consider all questions under dispute and endeavor to arrive at a satisfactory settlement.

By advance mutual agreement of the Parties, an Adjustment Board as described above can be convened with the addition of a neutral mediator. The mediator will provide a non-binding recommendation to the parties to assist the parties in settling the grievance. If the parties reach a settlement, it shall be reduced to writing the day of the Board of Adjustment and signed off by the Board members.

The parties may file for Arbitration if the grievance is not settled at the Board of Adjustment. The party filing the Arbitration shall notify the other in writing within twenty business (20) days of the Board of Adjustment.

The Arbitrator shall be selected by mutual agreement between the parties. If the parties are unable to agree upon an arbitrator, they shall request a list of nine (9) arbitrators from the FMCS. Upon receipt of such a list, the parties shall alternately strike one (1) name from the list until one name remains. That person shall serve as arbitrator. The party striking the first name shall be determined by the flip of a coin. The costs of the Arbitration shall be borne equally by the parties. The decision of the Arbitrator shall be final and binding upon the Employer, the Union and the employee(s). The Arbitrator shall have no authority to add to, amend, delete or modify this Agreement.

SECTION 23. CHECKOFF

(a) The employer agrees to deduct from the pay of each employee the membership dues required to maintain good standing as defined by the Constitution and Bylaws of the Union.

(b) Membership dues shall be deducted in the following manner:

1. Deducting for monthly dues shall be made from each paycheck based on the percentage established by the Union up to the maximum monthly dues amount commencing with the second (2nd) month of employment.
2. Deduction for initiation fees, in the case of new employees not members of the Union, shall be deducted from the second (2nd) pay check received by such employee during the second (2nd) month of their employment.

[Type text]

CONTRACT DRAFT 08/26/14

(c) All sums deducted for monthly dues and initiation fees shall be remitted to the Secretary-Treasurer of the Union not later than the last day of the calendar month in which such deductions are made, together with a list showing the names and addresses of employees and the amount of deductions made.

(d) It is understood and agreed between the parties that deduction of Union membership dues shall be made only on the basis of written authorization from the individual affected.

(e) The Union agrees to indemnify and hold the Employer harmless as to this provision.

SECTION 24. MISCELLANEOUS

(a) The Employer agrees to notify the Union of all jobs and also agrees to give notice to the Union of all new jobs and job cancellations within thirty (30) days.

(b) The Union shall have the right to inspect the payroll concerning any employees covered by this Agreement, including records showing straight time and overtime work.

(c) "During the term of this Collective Bargaining Agreement, the San Francisco Window Cleaning Contractors Association and Service Employees International Union Local 1877 shall each appoint three (3) persons to a joint labor/management study committee. The purpose of the joint Study Committee will be to examine the feasibility and practicality of creating a joint labor/management state certified apprenticeship program including the costs that would be attached to creation of such an apprenticeship program. The committee will attempt to arrive at a joint recommendation during the term of this Collective Bargaining Agreement and present such recommendation to Service Employees International Union Local 1877 and the San Francisco Window Cleaning Contractors Association for further discussion between the Parties."

(d) Most Favored Nations Clause: If, during the term of this Agreement, the Union enters into a collective bargaining agreement or allows practices with another employer or group of employers employing employees in the classifications covered hereunder which provided for a total compensation package of wage rates or economic fringe benefits which are favorable to any employer than the total of the corresponding or similar provisions of the Agreement, then it is agreed that those more favorable conditions will become effective under the terms and conditions of this Agreement on the same date that they become effective under the other collective bargaining agreement.

CONTRACT DRAFT 08/26/14

(e) Alcohol and Drug Testing:

- 1) **Purpose.** This policy is to provide guidelines for "reasonable suspicion" alcohol and controlled substance testing to be effective April 1, 2000.
- 2) **Scope.** This policy applies to all employees of the Employers signatory to this Agreement.
- 3) **Definitions.** For the purpose of this policy, controlled substances are the drugs that the Federal Department of Transportation (D.O.T.) has defined in its drug testing program. These drugs are marijuana, cocaine, opiates, amphetamines and phencyclidine (PCP).

4) **POLICY**

A. **General Rules.**

No employee shall report for duty or remain on duty while having an alcohol concentration of 0.04 or greater, or use any controlled substance except when the use is pursuant to the instructions of a physician who has advised the employee that the substance does not adversely affect the employee's ability to safely perform his/her job duties.

An employee whose conduct indicates that he/she is not in a physical condition to perform his/her job safely and efficiently will be required to submit to an alcohol and/or a controlled substance test.

A manager must have a "reasonable suspicion" that the employee is under the influence of, or adversely affected by, alcohol or a controlled substance. Reasonable suspicion exists when there is a clear indication of impairment based on objective evidence and/or based on specific personal observation by a manager who can attest to the appearance, behavior, speech or breath odor of the employee. The manager will document his/her observations and reasons for requesting testing, and get a witness where there is at least one (1) additional employee at the same worksite. Those observations may include but are not limited to:

- Abnormal work performance;
- Any combination of physical conditions and/or symptoms such as unsteady balance, alcohol on breath, glassy eyes, reddened eyes, unsteady gait, etc.;

[Type text]

CONTRACT DRAFT 08/26/14

- Abnormal person behavior or unusual interpersonal relations on the job;
- It is the Employer's policy to test for the abuse of drugs and alcohol following certain accidents on the job, AND when an individual is involved in an OSHA-reportable accident. An accident is defined as requiring more than first aid (e.g. treating by a physician or hospitalization), injuries that require lost time (at least 1/2 day), or loss of consciousness. When such accidents occur, a urine drug screen and breath alcohol test will be done.

The Employer will provide training to make managers aware of the above conditions.

An accident that occurs under suspicious circumstances or without any logical explanation may establish "reasonable suspicion" for requiring the employee involved to be tested; however, the mere fact that an accident occurred is not sufficient in itself to establish reasonable suspicion. In any case, an employee involved in a work-related accident who is the victim of another's carelessness shall not be subjected to any testing merely because he/she requires medical treatment.

Failure by an employee to submit to a test when reasonable suspicion exists shall be grounds for termination. Any employee who tests positive for a controlled substance and/or an alcohol test showing a concentration of 0.04 or greater or is in violation of any part of this policy may be subject to disciplinary action which could include suspension and/or termination.

If an employee tests positive or if they volunteer to enter a program, they must enter a program for rehabilitation. Upon successful completion of this program they will be allowed to return to work; however, if they test positive a second time, they shall be terminated without recourse to the grievance procedure.

B. Reasonable Suspicion Testing Procedure.

All alcohol and controlled substance testing will be performed at a qualified collection site. Alcohol testing will be done by Breathalyzer (evidential breath testing device) and controlled substance testing by urine specimen (an initial screening test is done and if necessary a conformation test using gas chromatography/mass spectrometry). Alcohol and controlled substance testing will be done during an employee's paid time.

[Type text]

CONTRACT DRAFT 08/26/14

All samples which test positive for controlled substances will be confirmed using a chromatography/mass spectrometry test, or it may be confirmed by use of a superior or equally reliable test if such becomes available.

The employee, at his/her personal expense, will have the opportunity to have a reputable testing facility test the same sample as was submitted to the original test facility. Accepted chain of custody procedures must be followed and the test facility selected by the employee must meet all standards set by Federal/Health Agencies for laboratory performance using certified Medical Technologists and Technicians. An employee may request the independent test by notifying the Employer or its manager in writing within two (2) calendar days after the day when the employee is informed of the test results. The test result will be kept confidential and will be available only to a designated Employer representative, a designated Union representative, or a designated legal representative.

None of the testing procedures are intended to be in violation of the law, and if any part of this Policy comes to be in violation of Federal, State law or City Ordinance, only that part shall be void and it shall not nullify any other provisions of this policy.

- f) If the Employer goes out of business, the parties agree to meet to discuss severance pay.

SECTION 25 – NO STRIKE/NO LOCKOUT

The language and spirit of this Agreement guarantees the prompt and faithful performance by the Employer and the Union of all obligations imposed by the terms of this Agreement. The parties, therefore, mutually agree that during the term of this Agreement, the Employer shall not lock out its employees, nor shall the Union or its members either cause, sanction, or engage in any strike, or slowdown or stoppage of work of the Employer's business. In the event of a violation of the provisions of this Section, the Union shall, upon notice from the Employer, immediately direct the affected employees to resume immediately normal operations.

It is understood that the observance by an individual member of the Union of a lawful picket line or another labor organization, which picket line has been sanctioned by the San Francisco Labor Council, shall not constitute a breach of this Agreement.

SECTION 26. INDUSTRY STABILIZATION

CONTRACT DRAFT 08/26/14

- (a) ~~The Employer shall contribute five cents (\$.05) for each straight time hour worked by employees under this Agreement to the Maintenance Cooperation Trust Fund, whose purpose is to enforce wage and hour, OSHA, insurance and other laws affecting the Window Cleaning Industry.~~
- (b) The Union agrees that no employee working under this Agreement shall engage in any window cleaning in the commercial office, commercial residential or retail sectors in the City and County of San Francisco which is not under the terms of this Agreement.

SECTION 27. TERM OF AGREEMENT

This Agreement shall become effective as of April 1, ~~2013~~ **2014** and shall remain in effect until March 31, ~~2014~~ **2017**, and shall continue from year to year thereafter, provided, however, that each party reserves the right to give notice, in writing, to the other at least sixty (60) days prior to March 31, ~~2014~~ **2017** of its desire to change or terminate said agreement.

GARAGE AND PARKING FACILITIES AGREEMENT

December 1, 2012 through November 30, 2015

PREAMBLE

This Agreement is made and entered into by and between the Jurisdictional Operators of Parking Facilities referenced in Section 34, hereinafter referred as the "Employer", and **Teamsters Local Union No. 665**, affiliated with the International Brotherhood of Teamsters, hereinafter referred to as the "Union", covering the employment of persons coming under the jurisdiction of the Union in San Francisco, California.

SECTION 1: RECOGNITION

The Employer hereby recognizes the Union as the exclusive collective bargaining representative of all employees employed by the Employer to perform work in the classifications specified in Section 15, "DUTIES", herein, and employees performing work in these classifications shall be known by the term: "Garage Employees."

It is agreed that the signing of this Agreement shall constitute a recognition of the Union, and it is further agreed that no member shall be discharged for activity in or representing their Union. Persons not covered by this Agreement, including non-bargaining unit employees of the Employer, shall not, under normal circumstances, perform any work or services covered by this Agreement.

SECTION 2: HIRING

Only members in good standing in the Union shall be retained in employment. For the purposes of this Section, "members in good standing" shall be defined to mean employee members of the Union who tender the periodic dues and initiation fees uniformly required as a condition of acquiring or retaining membership.

All employees covered by this Agreement shall become members of the Union within thirty-one (31) days from the effective date of this Agreement or within thirty-one (31) days from the date of employment, whichever is later, and shall remain members of the Union in good standing as a condition of continued employment.

The Employer shall require new employees to obtain a referral from the Union before starting to work, and it shall be the Employer's responsibility for any violation of this Section in the Agreement. The Employer shall pay a \$100.00 fine per day and per violation, to be disbursed by the Union, but this fine shall be subject to the grievance procedure in the Agreement.

The Employer shall be the judge of the competency and fitness of the employee for all purposes, including hiring, promotion, and demotion. When an employee is engaged outside of the Union office, the employee shall be required to obtain a referral from the Union before starting to work.

A. Probation Period: Employees hired after the ratification of this Agreement shall be on probation for the first ninety (90) calendar days of employment. New employees terminated by the Employer during the ninety (90) day probationary period shall not be subject to the grievance procedure. Wages and other working conditions in the contract shall apply to employees during the probationary period.

B. Non-Discrimination: There shall be no discrimination in hiring, promotion, or other aspects of employment, because of age, sex, race, creed, color, national origin, physical handicap, marital status or sexual orientation. No employee shall be discriminated against by the Employer for living up to and observing the provisions of this Agreement. The Employer agrees to promote diversity in hiring and promotion within the bargaining unit.

C. Cost of Hiring: The Employer agrees to pay the cost of medical examination and bonding fees if required. The Employer shall pay employment agency fees if it or its agent specifically orders employees from employment agencies.

D. Observer Status: The Union shall have the right to attend and observe final, pre-employment meetings where a bona fide offer of employment is tendered to any prospective new-hire in the bargaining unit.

The Union shall not retain any rights which shall prevent the Employer from offering employment to any prospective employee. Further, the Union retains the right to waive attendance at such meetings.

Effective January 1, 2013 operators/signatures to this Agreement will be required to submit to the Union a comprehensive list including the names of employees, hire date, current rate of compensation and work location. The list must be provided to the Union no later than the 15th of the following month.

In the event that an Employer does not provide this employment audit list to the Union in the timeframe noted the Employer shall pay a fine of \$2500 for each month the list is not received. In addition, if additional employees are determined to be working for the Employer, but not included on the list, the Employer may pay up to \$100.00 for each day the employee has been omitted from the Employer Audit List.

The Union retains the right to waive the financial penalties outlined in this clause, at its discretion.

SECTION 3: UNION MEMBERSHIP

Membership in the Union on or after thirty-one (31) days following the beginning of employment, or the effective date of this Agreement, whichever is later, shall be a condition of employment to the extent consistent with the law.

Upon satisfactory proof from the Union, the Employer agrees to suspend or discharge any employee who fails to make application for and complete membership in the Union or, alternatively, fails to tender initiation fees and dues uniformly required as a condition of acquiring or retaining membership. The Union shall hold the Employer harmless from any and all liability.

The Employer agrees that members of the Union shall not be discriminated against or be penalized because of activities in the Union, provided said activities do not interfere with their regular employment.

The Union may designate an individual to serve as shop steward. There shall be neither discrimination against nor preferential treatment, for purposes of layoff or recall, of the steward because of Union activity.

The Employer at the request of the Union is to deduct from the wages of employees, membership dues (and initiation fees) of the Union, and promptly transmit such funds to the Union; provided, that the Employer has received from each employee, on whose account such deductions are made, a written assignment which shall be irrevocable for a period of more than one (1) year, or beyond the termination date of the applicable collective bargaining agreement, whichever occurs sooner.

SECTION 4: SENIORITY

A. Definition: For the purpose of this Agreement, seniority is defined as time spent on the active payroll or actively at work for the Employer at the facility covered by this Agreement on a continuous basis. Any employee transferred to any facility of his or her Employer will carry with him or her all seniority heretofore established.

B. Application: When it is necessary to increase or decrease the number of employees, the principle of seniority shall be observed. The last person hired shall be the first person laid off and the last laid off shall be the first rehired. The rule of seniority of employees covered by this Agreement shall apply only within each Employer and shall prevail on different jobs providing the senior employee is qualified to fill the job of the junior employee. The rule of seniority shall also apply to vacation periods. Seniority shall also apply to shift and holiday preference provided the senior employee is capable and qualified to perform the work as determined by the Employer.

C. Seniority Rights: Companywide seniority rights shall apply to layoffs, reduction in hours, location changing from one to another and vacation entitlement.

D. Open Job: As additional help is needed at an individual location, employees, in seniority order, may be given the opportunity to fill such open job, and hours if they have applied to the Employer, provided the senior employee is capable and qualified to perform the work as determined by the Employer.

Seniority shall not prevent the Employer from moving any employee from one location to another location. There shall be at least one shift bid per year per location. An employee may exercise his or her seniority only at that location.

E. Layoff: Any employee at the time of layoff will, if recalled within one (1) year, be credited with the amount of service credit he or she had at the time of layoff.

F. Recall: The seniority of an employee will be terminated for failure to report for work within five (5) working days after notice of recall is mailed by Certified Mail by the Employer, to the last address of the employee on the Employer's records.

G. Broken Seniority: Seniority shall also be broken for the following reasons: Voluntary quit, discharge for cause, retirement, absence from work from three (3) consecutive scheduled work days without proper report of and proof of reason for absence, the use of intoxicants or drugs during the hours of employment, or leaving his or her place of employment before the completion of his or her designated shift, unless permitted to do so by his or her Employer, layoff for a period exceeding the employee's seniority but not to exceed twelve (12) continuous months, suspension or revocation of driver's license, and not returning from a leave of absence. The term "drug" means any substance or combination of substances, other than alcohol, which could so affect the nervous system, brain, or muscles of a person as to impair, to an appreciable degree, his or her ability to drive a vehicle or perform work in the manner that an ordinarily prudent and cautious person, in full possession of his or her faculties, using reasonable care, would drive a similar vehicle under like conditions. (See Section 20 (S.)

SECTION 5: VACATIONS

F. Each employee having had twenty-five (25) years' completed continuous service with his or her Employer shall receive a vacation of six (6) weeks with pay.

G. Accrual: The vacation schedules contained herein shall be vested, accessed, paid out and/or awarded after the completion of the 1st year of employment, and thereafter, with the unvested accrual for such benefits taking place during the year prior to the award.

Vacation pay shall consist of an employee's normal and usual weekly or bimonthly earnings of all time worked, exclusive of overtime, and shall be paid to the employee on the last working day immediately preceding the actual commencement of the employee's vacation.

H. Beginning January 1, 2013, all employees shall receive a reconciliation of all past accrued vacation time, and a cash-out for all accrued vacation hours, up to and including hours worked on December 31, 2012.

This reconciliation and cash-out of these monies shall be completed on a piecemeal basis or before June 30th, 2013.

All employees will be allowed up to ninety (90) days after June 30th, 2013 to protest, through the contractual grievance procedure, any discrepancies discovered in this reconciliation and cash-out. Any protests regarding this reconciliation and cash-out filed after April 15, 2013 shall be considered null and void and shall be denied by a contractual grievance panel.

During the initial period of January 1, 2013 through November 30, 2013 all employees shall be entitled to take vacation as it accrues, in daily or weekly increments, throughout the year 2013, with advance permission from their Employer.

Beginning December 1, 2013, all employees shall accrue vacation benefits in accordance with schedules A through F above, on a calendar year basis, December through November of each year. Employees must use the "ninety (90) day wage claim" provision of this Agreement to protest any discrepancies detected by the employee upon the Employer's presentation of any vacation accrual schedule.

Employees hired after January 1, 2013 shall receive a pro-rata accrual of one-week vacation based on his/her date of hire during their first year of employment. The Employer shall adhere

to and follow the vacation accrual schedules A through F above for improvements in accrual rates during any calendar year, using the initial employment date or seniority date of each employee, whichever is deemed as primary based on the Change of Management/Change of Ownership sections of this Agreement.

I. No "Use-It-or-Lose-It": All employees shall be allowed, on a calendar year basis, to maintain their normal annual accrual, as a vacation "bank", at all times.

Forced cash-outs shall cause the Employer to provide for contractual health and welfare premiums for any period taken off in a calendar year, where time-off is taken in conjunction with the forced cash-out.

Vacation time may be split or used in the entirety of the normal annual accrual. Vacation time may be taken in one-day increments, with the permission of the employer. Nothing herein shall prevent the Employer and the employee to allow for a mutually agreed cash-out outside of the usual January cash-out period.

Vacation schedules shall be posted at the beginning of the calendar year at each location and shall be bid in seniority order; however, seniority shall not be used to "bump" vacation schedules which have been previously approved, after being bid in seniority order.

Posted Vacation Schedules shall be in weekly increments.

No Automatic "Black-Outs": No time in the calendar year shall be under a "Black-Out". The Union and the Employer shall confer and mutually approve "Black-Outs" which may previously have been in place in the industry. Criteria for approval shall include the business and staffing needs of any given location, on a case-by-case basis at the sole discretion of the Employer.

Whenever a worksite is not subject to an approved "Black-Out", the number of employees allowed to utilize vacation benefits at any one time shall not be structured in such a way that the business needs of the Employer are jeopardized. Employees prevented from utilizing vacation because of "business needs" shall be offered alternative times by the Employer.

Regardless of the reason for termination from employment, including but not exclusive to voluntary quit, permanent lay-off, retirement, termination for cause, or other subjects of attrition, the employee shall receive all unused vacation up to and including time accrued on the last day of employment.

In the event of the death of an employee, the estate of the deceased employee shall receive the amount of all unused vacation.

J. The employee shall make all requests for vacation to the Employer within two (2) weeks prior to the requested time off, unless the vacation has been approved during the initial worksite vacation bid in January.

If mutually agreed between the parties, the grievance shall proceed to an impartial mediator selected from the Federal Mediation and Conciliation Service instead of the matter proceeding to a Board of Adjustment. The mediator will issue a non-binding recommendation to the parties. Either party to the mediation may reject the non-binding recommendation by demanding Arbitration in accordance with Section 30 (D) below within ten (10) business days of receiving the non-binding recommendations, otherwise it shall become final and binding.

C. The Board of Adjustment shall consist of two (2) representatives of the Union and two (2) representatives of the Employer. No member of the Union or any representative of the Union directly involved in, or a party to the dispute, and no Employer or Representative or Attorney of any Employer directly involved in, or a party to the dispute, shall be eligible to serve as a member of the Board of Adjustment. A decision by a majority of the members of such Board shall be final and binding on all parties. The Employer and the Union agree to establish a

The intent of the parties is to provide consistency and professionalism to the Adjustment Board Process.

D. In the event that the Adjustment Board is unable to reach a decision by majority or unanimous vote on any such matter, or a party is dissatisfied with the non-binding recommendation of the mediator, the party may bring the matter to an impartial arbitrator by demanding arbitration in writing to the Federal Mediation and Conciliation Service within ten (10) business days of receiving notification from the Board of Adjustment or the mediator. The decision of the impartial arbitrator shall be final and binding. Each side shall pay one-half of the charges of such Arbitrator. Selection of the impartial Arbitrator shall be from a list of five (5) names furnished by the Federal Mediation and Conciliation Service, with each side striking one (1) name in order to reduce the list to one (1) person. If the Arbitrator so selected cannot hear the matter within forty-five (45) days, a second Arbitrator selected by lot shall be the Arbitrator, and so on.

There shall be no transcripts of any arbitration unless the parties mutually agree to do so. No briefs shall be submitted and the arbitrator shall render a bench decision upon conclusion of the case, unless the time is extended by mutual agreement of the parties, but in no case shall the extension be in excess of five (5) working days.

Neither the Board of Adjustment nor the Arbitrator will have the authority in any manner to amend, alter or change any provision in the Agreement.

Time limits projected herein may be extended or waived by mutual agreement between the parties.

The Employer will not discharge or suspend any employee without just cause.

If an Employer discharges an employee the wages and unpaid vacation at the time of discharge are due and payable immediately.

SECTION 31: MARKETING CONDITIONS

The parties to this Agreement recognize the necessity of monitoring economic standards within the industry and the competitive pressures existing. Consistent with that recognition, the Union agrees to meet with the Employer on request to review the continuing effectiveness of this Agreement in maintaining the Employer's competitive position. In the event that the Employer determines during the term of this Agreement that it is at a substantial competitive

In the event any such proposed modifications are not ratified by the membership they shall not become effective. It is further agreed that the Employer shall not unilaterally implement any modifications to the Agreement and that neither party may resort to economic action during the term of the Agreement except as may be otherwise expressly provided. The Employer shall provide the Union all financial and other information reasonably necessary to assist the Union in assessing the competitive problems and to determine what relief, if any, maybe appropriate.

In the event of any dispute or controversy between Local 16 and any of the persons subject to this agreement and the Employer related to the application or interpretation of any part of the terms and conditions of this agreement, a grievance can be filed by the employee, Local 16, or the Employer. Only Local 16 or the Employer: however,

may process a grievance through this procedure. The procedure, unless otherwise specifically provided for herein, shall be as follows:

STEP 1:

A party, that is either Local 16 or the Employer, shall mail or deliver to the other party a written notice of the claim or grievance within five (5) working days (work days equal Monday through Friday) of the event(s) giving rise to the grievance. The written notice shall contain the specific contract sections which are alleged to have been violated, the date(s) or approximate date(s) of the alleged violation(s), the facts on which the grievance is based, the name(s) of the individual(s) aggrieved and the remedy sought. The party receiving the grievance shall, within ten (10) working days after the grievance is received, respond in writing to the aggrieved party, setting forth the reasons, if any, for the action(s) taken by it, which action(s) gave rise to the grievance. The representative of Local 16 and the designated representative of the Employer shall immediately discuss the matter within two (2) work days of the written response and the grievance shall be settled if at all possible. The decision, if any, of such representatives shall be final and binding upon the parties and any employee(s) concerned. If the party receiving the grievance fails to serve the written response required by STEP 1, then the other party may elect to proceed directly to arbitration or to STEP 2 by serving a written demand upon the other party within five (5) working days after the written response is due.

STEP 2:

If the parties fail to meet and/or confer, or the grievance is not settled, then the aggrieved party may proceed to STEP 2, by delivering or mailing, within five (5) working days as set forth above, a written demand, which shall include a statement of the particulars of the claim, upon the other party. If neither requests a STEP 2 conciliation meeting, then the aggrieved party may proceed directly to STEP 3, arbitration, by serving a written demand upon the other party within the time period set forth above. Failure of the aggrieved party to serve such demand for STEP 2 conciliation meeting or arbitration on a timely basis shall constitute a waiver of the grievance, unless both parties mutually stipulate otherwise in STEP 1.

If a demand for STEP 2 is served, the grievance shall be brought before a committee consisting of two (2) persons, each designated by Local 16 and the Employer. They shall be known as the Joint Conference Committee. The Joint Conference Committee shall meet no later than ten (10) work days following the receipt of such demand. The parties to such grievance shall be present and shall be responsible for the presentation of their own position at the designated time and place of the Joint Conference Committee. If the aggrieved party fails to appear, the grievance shall be considered to be waived. If the responding party fails to appear, the aggrieved party shall be entitled to proceed with the presentation of its position. The Joint Conference Committee, upon presentation of the evidence showing a contract violation, has the authority to settle the grievance and determine the matter if the majority of the persons designated render such a determination.

B. ARBITRATION:

Local 16 or the Employer, after properly utilizing all steps of the grievance procedure, and desiring to submit a matter to arbitration, shall notify the other in writing within ten (10) working days of the conclusion of STEP 1 or within ten (10) working days following the STEP 2 meeting or the cancellation of the STEP 2 meeting. The party desiring arbitration must, within five (5) working days of such notice, request the State Mediation and Conciliation Service of the Federal Mediation and Conciliation Service to

submit a panel of five (5) or seven (7) Arbitrators. If the parties cannot agree to an Arbitrator within five (5) working days after receipt of such a list, each party shall have a right to alternatively strike an Arbitrator's name from the panel until such time as one Arbitrator is left, and the remaining Arbitrator shall be selected as the Arbitrator in the proceedings.

The arbitration hearings shall be held at such a time and place as the Arbitrator shall determine. The decision of the Arbitrator shall be rendered in writing, relating his or her reasons for the award after the submission of the grievance for decision. The Arbitrator's decision shall be final and binding upon the parties. The Arbitrator shall not have the power to amend, modify or effect a change in the provisions of this Agreement. Fees and expenses of the Arbitrator and the cost of the Court Reporter (if required by the Arbitrator) and the original transcript, where jointly requested, shall be borne equally by both parties to the dispute. If only one party requests a transcript, that party shall pay for it. All other costs shall be borne by the party incurring the cost. No individual employee shall have the right to initiate the arbitration process.

C. ALTERNATIVE DISPUTE RESOLUTION PROCESS

At any time in this dispute/grievance process, with mutual agreement, the parties may request to submit the matter to mediation. With the concurrence of both parties, the Federal Mediation and Conciliation Service shall be contacted to request the services of a mediator. Time lines may be mutually waived for the mediation to proceed. If the parties fail to reach a mutually satisfactory resolution, the moving party may proceed through the grievance procedure. Request to have the matter heard by an Arbitrator shall be submitted in writing within ten (10) calendar days of the final date of mediation.)

COLLECTIVE BARGAINING AGREEMENT

THIS AGREEMENT is made and entered into by and between SANITARY TRUCK DRIVERS AND HELPERS UNION, LOCAL 350, an affiliate of International Brotherhood of Teamsters, hereinafter referred to as the "UNION," and RECOLOGY GOLDEN GATE DISPOSAL & RECYCLING COMPANY, RECOLOGY SUNSET SCAVENGER COMPANY, hereinafter referred to as the "EMPLOYERS."

WITNESSETH

It is the intent and purpose of the parties hereto that this Agreement promote and improve the industrial and economic status of the parties, provide orderly collective bargaining relations between the Employers and the Union, and secure a prompt and fair disposition of grievances so as to eliminate interruption of work and interference with the efficient operation of the Employers' business.

SECTION 1. RECOGNITION

The Employers recognize the Union as the sole collective bargaining representative for all employees of the Employers working in the classifications hereinafter set forth, except and excluding the directors, office clericals, guards, and supervisors as defined in the National Labor Relations Act.

The Employers shall not subcontract any bargaining unit work currently being performed by bargaining unit employees.

SECTION 2. NON-DISCRIMINATION

The Employers agree with respect to all hiring and employment decisions that there will be no discrimination or favoritism of any kind based on race, creed, color, sex, sexual orientation, religion, age or national origin or on the basis of physical or mental disability or medical condition as defined under the Americans With Disabilities Act and the California Fair Employment and Housing Act, or the FMLA, so long as the affected person is fully capable of performing all essential job duties.

SECTION 3. UNION SECURITY

(a) It shall be a condition of employment that all employees covered by this Agreement shall apply for Union membership on or after the thirtieth (30th) day following the beginning of their employment or the effective date of this Agreement, whichever is later, and as a condition of continued employment, shall maintain their membership in the Union in good standing. "Union membership" and "membership in good standing" shall mean for purposes of this provision the payment or tender of payment by the employee of the initiation fee and monthly dues uniformly applied by the Union pursuant to its Bylaws. In the event an employee shall not comply with his/her obligation under this provision, the Union shall so notify the individual, providing such information as is required by the National Labor Relations Act in such circumstances, and copy the Employers. Thereafter, if the employee fails to remove his/her

delinquency within such period of time as the Union allows, but not less than ten (10) days, the Union shall so notify the Employers and the Employer shall terminate the employee forthwith.

(b) The Employers recognize the right of the Local Union to designate a job steward from the Employers' seniority lists. The authority of the job steward so designated by the Local Union shall be limited to, and shall not exceed, the following duties and activities: the steward, upon receipt of prior approval from the Employers, shall be allowed a reasonable time to investigate, present and process grievances on Company property without loss of time or pay during his regular working hours, and, where mutually agreed to by the Employers and the Union, off the property and at times other than during his regular working schedule without loss of time or pay. Time spent handling grievances during steward's regular working hours shall be considered working hours in computing daily or weekly earnings.

(c) The steward shall, whenever possible, investigate, present and process grievances after the completion of his daily duties. All employees, including the steward shall report to the proper Employer representative with any concerns regarding unsafe working conditions, including, but not limited to, hazardous material, defective equipment or dangerous access. No shop steward or employee may change a customer container, location of pickup, frequency of pickups, level of service without express authorization from Employer. All employees must report, promptly, any changes in service provided to customer. In the event the handling of grievances and the daily duties of the steward require more than a regular working day, the steward shall receive no extra compensation.

(d) This Agreement shall be binding upon all the parties hereto and their successors. In the event the operations of the Employers which are covered by this Agreement, or any part of said operations, are sold, transferred or assigned, the Employers shall require the purchaser, transferee or assignee to adopt and become a signatory to this Agreement for the duration of its term. At such time as the purchaser, transferee or assignee adopts and signs this Agreement, the Employers' obligations to the Union and to the employees shall cease and the Employers shall have no continuing liability hereunder.

(e) The Employers shall give notice in writing of the existence of this Agreement to any purchaser, transferee or assignee, with a copy to the Union, not later than the effective date of the sale, transfer or assignment.

SECTION 4. EMPLOYERS' RESPONSIBILITY

It is recognized that in addition to other functions and responsibilities, the Employers have and will retain the right and responsibility to direct the operations of the Employers and in this connection to determine the assignment of all work to employees; the scheduling of routes and the methods, processes, and means of operation, to select, hire, promote, demote, and transfer employees, including the right to make and apply rules and regulations for discipline, efficiency, and safety, providing, however, that exercise of such rights shall not conflict with the following provisions of this Agreement.

SECTION 5. JOB CLASSIFICATION AND WAGE RATES

(a) All occupations to which employees within the respective bargaining units are or may be assigned are classified into categories listed below. It is understood that the determination and operation of the job classification is the function and responsibility of the Employers and placement of employees in any of the following classifications shall be subject to the requirements of the Employers. Job descriptions for each of the classifications which are covered by this Agreement and which are utilized by the Employers are set forth in Section 23 of this Agreement.

(b) Each employee will be assigned to a classification, the duties of which he/she is competent to perform and which generally reflects his normal work. The fact that a job classification is listed herein does not necessarily mean that it must be utilized by the Employers.

(c) Any employee assigned by his Employers to perform work for any other company shall, for the duration of such assignment, remain subject to the terms and conditions of this Agreement.

(d) Any dispute involving job classifications shall be settled in accordance with the procedures set forth in Section 16 hereof.

*The dollar amounts shown for 7/1/13, 1/1/14, 1/1/15, and 1/1/16 are minimums, which assume a COLA increase of 3% each year.

The percentage increase above of three to five percent for the 7/1/13 and 1/1/14 adjustments and three to six percent for the 1/1/15 and 1/1/16 adjustments shall be referred to hereinafter as "floor/ceiling". Employer agrees that increases in wages shall be based on the BLS Consumer Price Index (BLS CPU-U) All Urban Consumers for San Francisco-Oakland San Jose area (1982-84=100) (hereinafter "Index") subject to the following conditions:

Employers shall determine the increase in the Index as follows:

For the increase effective July 1, 2013, the Employers shall apply the Index based on the period October 2011 to October 2012, subject to the Floor/Ceiling. For example, if the Index based on October 2011/October 2012 is 1.2%, the increase applicable July 1, 2013 shall be 3.0%. January 1, 2014, the Employers shall apply the Index based on the period October 2012 to October 2013, subject to the 2014 Floor/Ceiling. The increase in each year commencing January 1 thereafter shall be based on the same October to October test, as follows: 2015 shall be based on October 2013/October 2014, and 2016 shall be based on October 2014/October 2015 subject to the floor/ceiling applicable for that year.

The percentage increases above shall be based on the wage rate then in effect. For example, if the wage rate for Helper/Drivers in 2014 is \$41.39/hour, and the Index for 2015 as determined above is 3.3%, the Helper/Driver hourly rate effective January 1, 2015 shall be \$42.75. These increases shall be cumulative, and permanent.

Any Employee who is required to maintain a Class A drivers license for the purpose of performing work, shall receive the same wages as the Transfer Drivers in the Recology SF "Long Haul" CBA.

Employees in the Cart Department shall be paid at the Helper/Driver rate of pay; if the employee drives, he/she shall be paid at the Fan 3 rate of pay for all time spent driving/on the road.

When the need exists for a second person on a front loader route, the Company will pay the second person at the Commercial Driver wage rate. Second persons on rear loaders will be paid under the Helper Driver scale. All Drivers will be paid the Fan 3 rate of pay with the following exceptions: Recycling Drivers who will be paid under the Recycling Collector scale above until 7/1/13 at which time they will be paid according to the Fan 3 scale.)

The above rate for the Shop Foreperson of \$44.10 was calculated at 5% above the \$42.00 Mechanic Truck Welder rate. Beginning with the July 1, 2013 increase, the rates for the Shop

Foreperson set out above were calculated by applying the applicable COLA formulas to the \$44.10 rate.

(e) New Hire Addendum

All employees who have completed six full months of employment as of January 1, 2012 will receive 100% of the hourly wage and benefits for their classification from that date forward. All employees hired after January 1, 2012 shall be hired under the following wage percentages which take precedence over any conflicting wage in the Collective Bargaining Agreement.

1. **Wages** - New hires shall work under the applicable percentage in the employee's classification.

During 1st 12 months of employment	80% of hourly wage
During 2nd 12 months of employment	85% of hourly wage
During 3 rd 12 months of employment	90% of hourly wage
After completion of 36 months	100% of hourly wage

(f) Mechanic Certifications

A.S.E. Certified mechanics will receive a base hourly wage increase based on the level or levels of certification they obtain and maintain. This certification is available to the Shop Foreperson and Assistant Shop Foreperson, and Mechanics.

- 1st Level: Diesel Engine Certification 5%
- 2nd Level: Certified Master Technician T3, T4, T5, T6 & T8 5%

The Shop Persons who perform the work of a Lube Preventive Maintenance Person will receive a maximum base hourly wage increase of 3% if they pass the T8 test.

SECTION 6. GUARANTEED HOURS AND REASSIGNMENT

(a) All regular employees shall be guaranteed eight (8) hours per day and forty (40) straight time hours of pay per week; provided such employees make themselves fully available for work; provided further, however, that such guarantees shall not apply to employees with less than one hundred twenty (120) calendar days of continuous service to the Employers.

(b) Upon completion of an employee's assigned route in less than eight (8) hours, the employee must report to the garage before going home. Any employee who is reassigned to perform any additional work (except missed pickups) shall be paid time and one-half for all such additional work.

(c) Any employee who, at the specific direction of the dispatcher, is assigned and performs work in a higher job classification shall receive the wage rate shown in Section 5 (above) for such higher classification for each day on which such work is assigned and performed.

(d) No Helper/Driver shall be required or allowed to perform said duties unless he is specifically directed to do so by the company official in charge of Route Leadperson. Any Helper/Driver who is directed to perform said duties shall be paid Route Leadperson wages for the actual time spent performing said duties.

SECTION 7. HOURS OF WORK

(a) Straight Time Hours

Forty (40) hours of work shall constitute the maximum straight time work week, provided that this section shall not be construed as limiting the number of hours of work any employee may perform at overtime wage rates.

(b) Overtime

All work performed in excess of eight (8) hours in any work day shall be paid for at the overtime rate of one and one-half (1-1/2) times the straight time rate. All work performed after twelve (12) hours in one day shall be paid at the double time (2X) rate of pay.

(c) Saturday and Sunday Work

All work performed on Saturday shall be paid for at the overtime rate of one and one-half (1-1/2) times the straight time rate, and any employees performing Saturday work shall be paid for not less than eight (8) hours.

All work performed on Sunday shall be paid for at the overtime rate of two (2) times the straight time rate and any employee performing Sunday work shall be paid for not less than eight (8) hours.

(d) The regular work week shall be Monday through Friday, inclusive.

(e) All shifts on Fridays that are required to perform Saturday work shall be scheduled after 6:00 p.m. and at the rate of Saturday rate of pay.

All shifts on Saturdays that are required to perform Sunday work shall be scheduled after 6:00 p.m. and at the rate of Sunday rate of pay.

All shifts on Sundays that are required to perform Monday work shall be scheduled after 6:00 p.m. and at the rate of Monday rate of pay.

(f) It is agreed that the Employers have the right to require employees to work overtime as needed and that employees may be held over after completion of their regular routes or shifts as needed. Call-out overtime (e.g. Saturday and Sunday overtime) shall be offered in

descending order of their seniority to employees who are qualified to perform the work required on the particular route. If the most senior qualified employee declines the offer, the overtime shall be offered to the next most senior qualified employee and so forth until the roster is exhausted; the least senior qualified employee shall be required to accept the call-out overtime assignment. In case of an emergency, the Employers shall have the right to depart from the foregoing seniority procedure and the employee designated to work the call-out overtime shall be required to perform the work. No employee will be allowed to work a double shift in violation of DOT policy.

(g) The Employers shall maintain seniority rosters of qualified employees and shall rotate overtime on a fair basis.

SECTION 8. PAID HOLIDAYS

(a) The following shall be paid holidays under the terms of this Agreement and all eligible regular employees shall receive eight (8) hours straight time pay for each of such holiday in addition to pay received for work performed during the course of such holidays.

New Year's Day	Employee's Birthday
Martin Luther King's Birthday	Labor Day
President's Day	Columbus Day
Cinco de Mayo	Veteran's Day
Memorial Day	Thanksgiving Day
July 4 th	Christmas Day

(b) The total pay for a holiday received by regular employees shall be eight (8) hours straight time holiday pay plus an additional eight (8) hours pay at the overtime rate of 2 times the straight time rate of pay for any holiday actually worked: provided such employees work the regularly scheduled work day immediately preceding the holiday and the regularly scheduled work day following the holiday. If the employee works the holiday but does not work both the regularly scheduled work day immediately preceding the holiday and the regularly scheduled work day following the holiday, they will receive eight (8) hours straight time holiday pay plus an additional eight (8) hours pay at the straight time rate. The employee shall be excused from the requirement of working the day before and/or the day after if, upon either such day, the employee is absent on a leave of absence approved in writing by the Operations Manager, or his substitute, excused by evidence of a doctor's note, on vacation, on another holiday, or on account of any work related illness or injury sustained on the job or off the job. In any event, the employee must present verification of illness or injury satisfactory to the Employers. Payments for holidays shall be in strict conformity with this subparagraph (b), and all past practices by which employees of either Employer have in the past received payments which vary from the provisions of this subparagraph (b) are hereby abolished.

(c) With respect to all employees other than regulars, any employee who reports for work and is put to work more than ten (10) days in a calendar month shall be entitled to any paid holiday which occurs during that month.

(d) If an employee's birthday falls on a regular working day for that employee, the employee will be allowed to stay home as long as the Employer can cover the work with its existing complement of employees. Any employee who desires to take his birthday off shall so notify the dispatcher five (5) days prior to his birthday. In the event that more than one employee desires to take the same day off as his birthday and the dispatcher is unable to allow all such employees to take the day off, the employee(s) granted the day off shall be selected on the basis of Company seniority; and if the remaining employees still desire to take a day off in lieu of their birthday, the dispatcher and each such other employee will select a mutually acceptable alternative date. In that event, the alternate date shall be deemed to be the employee's birthday for purposes of payment. If the employee takes his birthday off, he shall be paid a total of 8 hours at the overtime rate of 2 times the straight time rate. If an employee works on his birthday (except that in the case where an alternative date is selected as set forth above, the alternate date shall be considered to be the birthday), he shall be paid in accordance with paragraph (b) of this Section. It is understood between the parties that all regular employees are entitled to eight (8) hours pay for each holiday whether the holiday is worked or not, provided they are still generally eligible for benefits.

(e) If any of the above-mentioned holidays falls on Sunday, the following Monday shall be observed as a holiday; if any of the above-mentioned holidays falls on Saturday, the preceding Friday shall be observed as a holiday. When a holiday falls during an employee's vacation period, the employee shall be paid an additional day's pay.

(f) Notwithstanding the foregoing, there shall be no pyramiding of pay for holiday work.

(g) All holiday work must be assigned by seniority.

(h) All employees assigned to the City Can Routes shall perform their job on the holidays in that department as required.

SECTION 9. VACATIONS

(a) All regular employees shall be entitled to a paid vacation following each year of continuous employment to be taken at a time agreeable to their Employers. They shall be entitled to paid vacations as follows: one (1) week after one (1) year of continuous employment; two (2) weeks after two (2) years of continuous employment; three (3) weeks after four (4) years of continuous employment; four (4) weeks after seven (7) years of continuous employment; five (5) weeks after twelve (12) years of continuous employment; six (6) weeks after twenty (20) years of continuous employment; seven (7) weeks after twenty-five (25) years of continuous employment; and eight (8) weeks after thirty (30) years of continuous employment. Time off as a result of an industrial injury shall be credited as time worked for purposes of this section.

(b) All vacations shall be subject to the qualifying requirements of the Company.

(c) Employees shall be required during December of each year to sign up for their vacation dates for the coming year in accordance with the following procedures:

(i) During the first week of December the Employers shall notify all employees that the vacation sign-up will occur during the last two (2) weeks in December. Employees may sign up for vacation through a written proxy. The employee's vacation will be recorded at the time he/she would normally sign per seniority. In the event that any weeks are unavailable, the employee will be allowed to sign in person per part (iv).

(ii) During the last two weeks in December, the Employers will assign a date for each employee to meet with the Dispatcher for the purpose of signing up for the employee's vacation preferences. The date for meeting with the Dispatcher shall be assigned on the basis of departmental seniority, with the employee in the department having the most Company seniority being given the opportunity to sign up first, and so forth;

(iii) Any employee who fails to show up on the date assigned will be allowed to sign up for a later date, but will not be entitled to bump other employees who signed up timely. In such event, the Employers shall attempt to accommodate the employee's first choice of vacation dates, but the Employers retain the sole discretion to require the employee to choose from other available dates.

(iv) The Employers guarantee that if an employee is sick or otherwise off work at the time he is supposed to sign up for his vacation, the Employers will allow the employee to sign up at the time such employee returns to work

(v) An employee who has already signed up may change his prior choice of vacation dates, but only after consulting with his Employer and reaching a mutually satisfactory agreement. The Employers, insofar as is practicable, will grant employees vacation on the dates selected by the employees.

It is also agreed that employees will have the option to work part of their vacations rather than take time off. This option is available for any weeks in excess of three (3) weeks that the employee has earned. If an employee desires to exercise said option, he must communicate his desire during the sign-up in December of the year preceding the vacation year. Once the employee has decided to cash out excess vacation, said vacation checks shall be issued during the month of February.

(vi) In the administration of the provisions of these vacation scheduling procedures, there shall be absolutely no bumping of employees already signed up, regardless of seniority, unless agreed to by the employees involved in the individual change being requested.

(vii) In the event there is a conflict between a mechanic's vacation and his night shift obligations, the mechanic will try to arrange a voluntary switch with another mechanic. In the event that the switch cannot be done on a voluntary basis, the lowest mechanic on the Seniority List will be required to switch.

(d) If upon termination, an employee has completed less than a full year of continuous service from his last anniversary, the employee shall be paid pro rata his accumulated vacation based on the number of months worked since his last anniversary.

(e) No employee shall be allowed to take more than four (4) consecutive weeks of vacation, except that an employee who furnishes proof that he is going to go out of the country for his vacation and that he needs additional time off may request more than four (4) weeks. The additional time shall be granted upon satisfactory proof.

(f) Vacation pay shall be computed and paid at the classification in which the employee worked the most hours in the preceding calendar year. This shall not apply where an employee has successfully "bid into" a new classification. In that instance, vacation pay shall be paid at the classification rate which the employee bid into.

(g) All employees who retire pursuant to the Employers' pension plan during any month of the year shall be entitled to receive their full vacation pay in the event that such employee did not take their vacation-time allowance off during the same year.

(h) No Employee shall be charged vacation (during any absence) day except when approved by the individual employee. This paragraph does not change the requirements/qualifications for vacation scheduling, use, and approval.

(i) The Company commits to make sufficient slots available at Vacation Sign Up to allow all employees to sign up for all their vacation during the calendar year.

SECTION 10. SICK LEAVE

(a) Each regular employee shall be entitled to take up to twelve (12) days paid sick leave per year. As used herein, the term year means a period from January 1 to January 1 during the life of this Agreement.

(b) An employee shall be entitled to receive pay for a sick day commencing with the first day of each illness; provided, however, that he must furnish satisfactory medical verification of each said illness if requested. Any employee absent due to illness for only one day will not be requested to provide a medical certificate to be paid.

(c) On the first payday following January 1, of each year each employee shall receive a day's pay for each unused day of sick leave. Said pay shall be at the wage rate which was in effect during the period in which the unused sick leave was accrued.

(d) There shall be no accumulation of sick leave from year to year.

(e) No Employee shall be charged a sick day (during any absence) except when approved by the individual employee. This paragraph does not change the requirements regarding the use of sick days.

SECTION 11. MAINTENANCE OF BENEFITS

(a) If an employee is off work due to illness or injury on state disability, any benefit, except health and welfare insurance, due him or her under the Collective Bargaining Agreement shall be paid for a maximum of six (6) months. The contract provides disability insurance which begins after the employee has been disabled for one hundred eighty (180) days. Health and welfare benefits shall continue for a maximum of twelve (12) months. Any employee being paid under workers compensation laws are not subject to these limitations. Benefits to employees being paid under workers compensation laws shall terminate at the conclusion of the workers compensation proceeding. No employee shall suffer a reduction of his or her hourly wage by the implementation of this Collective Bargaining Agreement.

(b) Health and Welfare. Effective on the first of the month following ratification of this Agreement, employees who work eighty (80) or more hours per month will receive the Recology Health, Life and Long-Term Disability Package. The Employers may modify said package from time to time, upon notice to the Union, but guarantees that the level of benefits included in the package will not be reduced during the term of the Agreement unless required by law. Further, during the term of this contract there will be no monthly employee premium contribution for the employee to participate in the Aetna EPO Plan, Aetna PPO Plan, Kaiser HMO Plan or HealthNet HMO.

(i) Effective July 1, 1997, the Kaiser HMO Plan and HealthNet will be changed so there will be no co-pay for doctor visits.

(ii) Effective January 1, 2007, the annual maximum for dental benefits in the dental indemnity plan will increase from \$3,500 to \$4,000.

(iii) Effective January 1, 2005, with the exception of Aetna, the maximum number of chiropractor visits in Kaiser will be forty (40) per year and HealthNet will be fifty (50) per year.

(iv) Effective January 1, 2007, the eyeglass frame allowance for the Aetna vision plan will be increased from \$100 to \$200.

a) Allowances in the other health plans are as follows:

(1) Kaiser eyewear allowance: \$200.

(2) HealthNet eyeglass frame allowance: \$100.

(v) Effective January 1, 2002, the lifetime orthodontic maximum in the dental indemnity plan will be increased from \$2,000 to \$2,500.

(vi) This agreement supersedes the San Francisco Healthcare Accountability Ordinance and the San Francisco Healthcare Security Ordinance and the Union hereby waives any additional rights or benefits employees covered by this agreement may have under these laws if either or both were legally applicable or subject to waiver.

(c) Supplemental Payment. The Employers shall pay \$75.00 per week to each employee who is off work on account of illness or injury; provided, however, that there shall be no payment for the first two (2) weeks of absence.

(d) Retiree Health Plan. Effective January 2007 (December hours/January Contributions) the Employers shall participate in the Teamsters Benefit Trust (TBT) by contributing to the Retirement Security Plan ("RSP"), a retiree health plan, on behalf of each employee who has passed their probationary period and who works eighty (80) hours or more per month. The Employers shall submit the RSP monthly contribution rate as determined by the TBT Board of Trustees on behalf of all active members subject to this Agreement and shall pay a supplemental RSP monthly contribution as determined by the TBT Board of Trustees for purposes of making the RSP comparable to active employee coverage for Rule of 84 Retirements as described in paragraph (k) up to the retiree's 65th birthday. Said supplemental RSP premium shall not exceed 10% of the standard RSP GOLD premium through 12/31/15 and shall not exceed 12% of the standard RSP GOLD premium thereafter. The Employers shall maintain both the standard and supplemental components of the RSP benefit for the duration of this Agreement.

For purposes of their participation in the RSP the Employers hereby adopt the TBT Agreement and Declaration of Trust and agree to accept the TBT Subscriber's agreement providing for participation in the RSP.

(e) Pension Plan. The Employers shall continue to maintain a pension plan for all eligible employees. The designation of the plan for employees hired prior to January 1, 1989 and employed by Golden Gate Disposal Company is the RECOLOGY INC. DEFINED BENEFIT PENSION PLAN. The designation of the plan for employees hired prior to January 1, 1989 and employed by Sunset Scavenger Company was the ENVIROCAL, INC.—RETIREMENT PLAN. The ENVIROCAL, INC. RETIREMENT PLAN was merged with and into the RECOLOGY INC. DEFINED BENEFIT PENSION PLAN and remains a separate benefit structure under that plan. Employees hired by either Company on and after January 1, 1989 shall be participants in the RECOLOGY DEFINED BENEFIT PENSION PLAN, and not in the other plans mentioned above. The current trustee of the pension plan is Prudential Bank and Trust Company, FSB, and the Employers may change trustees at any time.

The earnings upon which pension benefits under each plans shall be determined, shall be those earnings defined in each plan.

(f) For eligible employees who retire under the terms of the pension plan on or after January 1, 2000, the multiplier in the RECOLOGY—DEFINED BENEFIT PENSION PLAN shall be 1.6% and the multiplier in the ENVIROCAL benefit structure under the RECOLOGY INC. DEFINED BENEFIT PENSION PLAN shall be 1.75%. These multipliers for eligible

employees will be used for all years of Benefit Service. Effective January 1, 2001, employees who are participants in the RECOLOGY DEFINED BENEFIT PENSION PLAN who are represented by Teamsters Local No. 350 and who accrue the RECOLOGY benefit will have their retirement benefits calculated using a maximum Benefit Service of 40 years, and their maximum benefit will be \$4,166.67 per month. Plan Compensation does not include any compensation earned after 40 years of Benefit Service. Participants who accrue the ENVIROCAL benefit will continue to have their retirement benefits calculated using a maximum Benefit Service of 40 years, their maximum benefit will be \$4,166.67 per month, and Plan Compensation does not include any compensation earned after 40 years of Benefit Service.

(g) Starting with the Pension Plan Year beginning 10/01/2012, and for the term of any successor agreement(s), Recology Inc. will increase its annual contribution to the Recology Defined Benefit Pension Plan so that (by generally accepted actuarial standards) the plan is projected to be funded at 90% no later than September 30, 2016. "90% funded" for this purpose shall be measured by taking the market value of plan assets and dividing by the actuarially determined accumulated benefit obligation (ABO) on the Company's pension plan disclosure at the end of the prior plan year. In order to obtain this 90% funded status, the Employers agree to make an average annual contribution of \$18 million until the 90% funded status is reached. In addition to the annual average contribution of \$18 million an additional average contribution of \$7 million will be made each plan year (for a total average contribution of \$25 million per plan year over the term of this Agreement), or such lower amount to bring the funded status up to 90%, but the total contribution for the plan year shall not exceed the maximum deductible under the Internal Revenue Code. "Average" for purposes of the Employers' funding obligation is not intended to (1) change the Employers' overall funding obligation but to recognize that the Employers may contribute more than \$25 million in one year and less than \$25 million in another; or (2) allow the Employers to backload this funding obligation on the later years of this agreement. As long as the Plan is at the 90% funded level as described above, no contributions in excess of ERISA minimum contributions will be required by this Agreement.

(h) In addition to the 90% funding obligation described in the preceding paragraph, effective October 1, 2015 the funded percentage of the Recology Defined Benefit Plan shall be no less than 80% as defined by the Adjusted Funding Target Attainment Percentage as that term is defined by the Pension Protection Act of 2006. At the conclusion of each plan year, the Employers shall allow an independent actuary to review information and data actuarially necessary to determine the Plan's funded status. Such review shall be performed by Milliman USA (or such other qualified actuary designated by the Union).

(i) The Union may designate one individual to be appointed by the Recology Board of Directors to the Recology Pension Committee. Such individual must be competent in pension matters, be willing to carry out the fiduciary duties under ERISA, and be approved and appointed by the Recology Board of Directors.

(j) The parties acknowledge that, (a) although this Agreement applies to Recology subsidiaries Golden Gate Disposal and Sunset Scavenger, the funding obligations described in this paragraph (g) are assumed by parent corporation Recology, Inc., and (b) these funding obligations are intended to reach the targeted funded percentages listed for purposes of the

Recology Defined Benefit Plan in its entirety, not simply the Golden Gate Disposal and Sunset Scavenger benefit structures within that Plan.

(k) Rule of 84 Retirement. Effective January 1, 1998, when an Employee reaches the age of fifty-four (54), and the Employee's age when combined with the total years of contributory service exceeds eighty-four (84), the Employee shall meet the age and contributory service requirements to retire with one hundred percent (100%) of the pension benefits. Employees who choose to exercise this early retirement option after September 2012, shall not be eligible to participate in the Employer's health plan but shall instead be eligible to participate in the Teamsters Benefit Trust's RSP and Supplemental Retirement Security Plan, referenced above, according to the eligibility requirements of that plan (with the exception of those former Envirocal Noteholders, who are entitled to coverage under the Employer's plan by separate contractual undertaking).

It is understood between the Parties that employees who choose to retire prior to October 2012 as Rule of 84 Retirees shall continue to participate both in the Employer's health plan up to age 65 and TBT's RSP plan.

SECTION 12. FUNERAL LEAVE

Each employee shall be entitled to receive up to eight (8) days' paid funeral leave (or nine (9) days if the employee is required to travel outside of the State of California) on each occasion of the death of a grandparent, grandchild, mother, father, grand-parent-in-law, mother-in-law, father-in-law, sister, brother, spouse or child. The Employers agree that once the employee satisfies his Employer, with proof of death, the funeral leave will automatically be paid without delay.

SECTION 13. UNIFORMS AND EQUIPMENT

(a) Packing Can: It is understood that most rubbish collection employees employed by Golden Gate Disposal Company do not utilize packing cans. Should the need arise on any route, Golden Gate Disposal Company agrees to supply an appropriate packing

Sunset Scavenger Company shall supply and maintain, within each twelve-month period, one standard packing can, 24 inches in diameter, with wheels, carrying handle and dumping handle, for each employee who is required to use one on the route.

Each employee of the Employers to whom a can is furnished is responsible for any damage to it which is the result of the negligence of the employee. In the event a can is lost or damaged beyond repair, the can must be replaced by the employee at his own expense. Before a replacement can is issued, the employee seeking a replacement at the end of the twelve-month period must turn in his old can.

(b) Rain Gear: The Employers shall furnish each contract year, at Company expense, rain gear when required for route employees, not to exceed one set every year. In the event the rain gear is lost or damaged beyond repair before the expiration of the one-year period, the employee must replace it at his own expense.

The Employers will maintain an adequate number of sets of rain gear in the shop for use as needed by shop personnel.

(c) Uniforms: The Employers will furnish to each regular employee, including shop, five (5) sets of uniforms in February of each year. The Employers shall also furnish for use by shop personnel an adequate supply of coveralls. All employees working outside the facility must have their high visibility vests as the outermost garment.

(d) Work Boots: Employers agree during January of each year during the term of this Agreement to pay each regular employee \$200.00 to be used for the purpose of purchasing work boots. Work boots shall be substantial in quality and of the type customarily worn by garbage collectors and shall be in reasonably good condition. Employees will not be allowed to wear excessively worn boots or unsafe footwear.

(e) Safety Equipment: The Employers shall maintain for use as required by shop personnel an adequate supply of safety equipment such as welding masks, hard hats, dust filters and such other devices as may be required by law or regulation. Safety bonus that were paid separately in prior contracts are now computed in the hourly wage as set forth in Section 5.

(f) Hand Tools and Insurance: Shop personnel must provide all their own hand tools. The Employers agree to provide adequate insurance to compensate shop personnel for losses as the result of theft or other casualty. Such compensation shall be by replacement of the tool and not by cash.

(g) Gloves: The Employers will furnish fifteen (15) pairs of working gloves per year to route employees.

(h) No Cash Allowance: Except as provided in subparagraph (d), above, there shall be no cash allowance given to any employee in lieu of the receipt by him of any of the items provided for in this Section 13.

(i) Employees are required to wear their uniforms and work shoes at all times during working hours. Any employee who violates this requirement shall be sent home without pay and shall receive a warning letter.

SECTION 14. NO STRIKES OR LOCKOUTS

It is agreed that there shall not be any stoppage of work either by strike or lockout by the Union or the Employers during the life of this Agreement. It shall not be deemed a violation of this Agreement or cause for discharge for any employee to honor any picket line authorized by the Joint Council of Teamsters having jurisdiction in the territory where the picket line is in effect, and no employee shall be discharged or discriminated against for Union activities or upholding Union principles.

SECTION 15. DISCHARGES AND SUSPENSIONS

(a) Employees shall be subject to discharge for dishonesty, intoxication, willful insubordination, recklessly negligent performance of duties, competing with Employers, without

prior warning or notice. Discipline for other matters such as, but not limited to, habitual tardiness, failure to report for work, neglect of duty, and violation of published company rules and regulations shall require a written warning to the employee and any similar offenses occurring after two prior warnings and within six (6) months of the last warning shall be grounds for discharge. Discipline for absenteeism and tardiness shall be tracked separately from other offenses for purposes of discipline. All warning letters may not be used for disciplinary action if said warning letter is more than six (6) months old. Copies of all warnings must be sent to the Union.

(b) Any suspension for more than five (5) days is governed by the same procedure as that required for discharges. A suspension of five (5) days or less may be given without notice but shall not be given without just cause. A notice of suspension of less than five (5) days shall be sent to the Union and shall constitute a written warning within the meaning of subsection (a) hereof.

(c) Probationary employees are subject to discharge for any reason deemed sufficient in the sole discretion of the Employers.

SECTION 16. SETTLEMENT OF DISPUTES

(a) Disputes: In the event that a dispute arises during the term of this Agreement regarding the interpretation or enforcement of any section of this Agreement, or the terms or provisions of written agreements supplementary to this Agreement, the matter in dispute in all its particulars shall be set forth in writing by the complaining party and served upon the other. If the dispute is not settled by the parties within ten (10) working days following the receipt of such written notice, or within such extended time as may be agreed upon, the dispute shall be referred to the Federal Mediation and Conciliation Service. No change in this Agreement, or interpretations resulting from a Federal Mediation and Conciliation Service or arbitration proceeding hereunder, will be recognized unless agreed to by the Employers and the Union.

(b) FMCS: If the dispute is not settled by the parties within ten (10) working days following the receipt of such written notice or within such extended time as may be agreed upon, the dispute may be referred to the Federal Mediation and Conciliation Service (FMCS) in accordance with subsection (b) hereof. Written notices given under this provision may be transmitted by telefacsimile (fax). If the United States Postal Service is used for notice, the post-marked date will be the date upon which service is effective.

(c) Arbitration: In the event that a resolution of a dispute regarding the interpretation or enforcement of any of the sections of this Agreement, or the terms or provisions of written agreements supplementary hereto, is not reached at the FMCS step, the dispute shall, upon the request either of the Union or the Employers, be submitted to a neutral arbitrator mutually selected and agreed upon, whose decision shall be final and binding.

(d) Selection of Arbitrator: Unless the parties can otherwise agree upon an arbitrator, a list of arbitrators shall be requested from the Washington, D.C. Office of the Federal Mediation and Conciliation Service. After a toss of a coin to decide which party shall move first, the Employers' representative and the Union representative shall alternatively strike one name from

the list until one name remains and such person shall be the arbitrator for the determination of the case. The next to the last name stricken shall be the alternate arbitrator, and so on. The arbitrator shall have no right, power or authority to add to, subtract from, alter, amend or change any term or provision of this Agreement. Discovery procedures as permitted under California Law are permissible.

(e) Cost of Arbitration: Each party shall bear its own expense in presenting the case to the arbitrator. The expense of the arbitrator and of the reporter, if any, shall be divided between the parties hereto. The Employers agree to pay a sum equal to but not greater than one-half of said expense, and the Union agrees to pay a sum equal to but not greater than one-half of said expense. Each side shall bear its own expense of producing witnesses, experts, interpreters and the like.

(f) No Interruption of Work: There shall be no interruption of work during the settlement of a dispute.

SECTION 17. CHECK-OFF SYSTEM AND CREDIT UNION

(a) The Employers agree to recognize all written authorizations from Union members authorizing the deductions for their compensation of all uniformly required dues for the period of authorization which, in any event, shall be irrevocable for a period of one year. The Employers do not agree to deduct initiation fees, assessments or other exactions imposed by the Union unless the expense to the Company is paid by the Union. All deductions made pursuant to this Agreement shall be deducted from the employee's second payroll check of the month and shall be transmitted to the office of the Union by the twenty-eighth (28th) day of the same month. In the event the amount of said deductions is not transmitted to the office of the Union by the 28th day of any month for some reason beyond the Employers' control (for example, the fact that a particular pay period ends on or close to the 28th day), the Employers shall have a reasonable time within which to make said remittance. In no event shall the Employers' failure to make timely remittance be deemed by the Union, for any purpose whatever, to be a default in the timely payment of dues by any Union member.

(b) The Employers shall make credit union deductions from employee paychecks and transmit the amounts deducted to the employee's credit union upon receipt of authorization and designation duly executed by the employee; provided, however, that the deduction so authorized is a fixed sum each payday and the amount is not changed by the employee more frequently than once a year.

(c) DRIVE Deduction: (Upon ratification) the Employers agree to deduct from the paycheck of all employees covered by this Agreement voluntary contributions to D.R.I.V.E. D.R.I.V.E. shall notify the Employers of the amounts designated by each contributing employee that are to be deducted from his/her paycheck on a weekly/bi-weekly basis for weeks worked. The phrase "weeks worked" excludes any week other than a week in which the employee earned a wage.

Employers shall transmit to D.R.I.V.E. National Headquarters on a monthly basis, in one check, the total amount deducted along with the name of each employee on whose behalf

a deduction is made, the employee's social security number and the amount deducted from the employee's paycheck. The International Brotherhood of Teamsters shall reimburse the Employers annually for the Employers' actual cost for the expenses incurred in administering the payroll deduction.

SECTION 18. PAST PRACTICES

(a) The parties agree that during the term of this Collective Bargaining Agreement, all past practices shall continue provided they are consistent, well-defined and have been repeatedly followed by both parties, over a reasonable period of time without objection. Both parties agree that during the term of this contract to meet as often as needed to list all past practices that currently exist.

(b) No past practice which may subsequently be determined to constitute a discriminatory employment practice shall be maintained; provided further, that should any provision of this Agreement or any practice maintained in effect pursuant to this Agreement be required to be terminated, modified or amended in any way by an order of any court of competent jurisdiction, the parties hereto agree that they will forthwith make whatever changes, modifications or amendments as required to be made to this Agreement or said practice by the order of said court.

SECTION 19. CASUAL AND EXTRA EMPLOYEES

(a) The parties recognize that the Employers have a need for casual and/or extra employees to replace employees who are sick, on vacation or who for other reasons do not report for work. Accordingly, the Employers shall establish a pool of persons who are available for such work. A list of such individuals shall be maintained by the Employers, arranged sequentially in accordance with their first day of work, and shall be updated as needed for accuracy.

(b) Available extra work, including vacation relief, shall be assigned by seniority from the list of casuals in the order that such casuals appear on the list. When a casual completes the assignment, he shall be returned to his place on the casual list for further work assignment.

(c) The Employers shall have the right to eliminate names from the casual list on the basis of unreliability, poor work performance, or for other legitimate reasons. The grievance procedures of this Agreement shall not be available to casuals because they have been eliminated from the list, except as provided in paragraph (d) below.

(d) New registrants on the casual list shall be considered on probation, and shall not acquire seniority until they have completed one hundred twenty (120) calendar days. Upon achieving seniority, a casual shall be entitled to use the grievance procedures of the Agreement. The Guaranteed Hours provision of the Agreement shall not be applicable to casuals or extra employees.

(e) Casuals shall not be used in the manner that deprives regular employees of reassignments under Section 6(b) of this Agreement.

(f) Casual employees who have acquired seniority shall accrue vacation pay and sick leave on a pro-rata basis, and those who work at least 80 hours or more in a month will also be eligible for Recology Health and Welfare benefits. Casual employees shall receive the same benefits as regular employees after two years of employment as a casual.

(g) Vacancies in regular employment shall be filled from casuals who have achieved seniority, in the order that their names appear on the casual list. In the event of layoff of regular employees, they shall have the right to be included at the top of the casual List, in accordance with their seniority. Their recall rights under this Agreement shall remain intact while performing work as casuals. Such laid off regular employees shall receive the full contractual rate of pay while working off the casual list.

SECTION 20. STARTING TIME

(a) Changing of established starting times shall be at the discretion of the Employers, with notice of any such change posted on the bulletin board at least 24 hours in advance. Said posting requirement applies only to general changes in shift starting times and does not apply to changes in individual starting times which may from time to time be required.

(b) It is understood that all routes that ordinarily leave the garage before 6:00 a.m. are considered to be night routes. All routes which ordinarily leave the garage at or after 6:00 a.m. are morning routes.

SECTION 21. COFFEE BREAKS

All employees shall each day be entitled to take two (2) paid coffee breaks of fifteen (15) minutes each. An unpaid lunch break of thirty (30) minutes at as near to mid-shift as possible is also permitted.

SECTION 22. SENIORITY AND LAYOFFS

(a) Separate Seniority: It is understood and agreed that the seniority provisions of this Agreement shall apply separately to Golden Gate Disposal Company and to Sunset Scavenger Company. It is further understood that said seniority provisions shall also apply separately to the Shop Departments and the Garbage Collection Departments of each Employer and to the Curbside Recycling Program Department at Sunset Scavenger Company and that said departments shall be considered as distinct entities for purposes of the application of these provisions.

(b) Attainment of Seniority: Seniority shall not apply to an employee until he shall have been employed for one hundred twenty (120) calendar days. Upon attainment of seniority, an individual shall be considered a regular employee.

(c) Application of Seniority: In the reduction of forces due to the slackness of work, the last employee hired shall be the first employee laid off and in rehiring, the last employee laid off shall be the first employee re-hired until the list of former employees is exhausted, provided, however, that seniority shall be broken, and there shall be no re-hire right, after an employee has been on layoff for a period of six (6) consecutive months due to lack of work.

(d) Seniority List: The Employers shall maintain master seniority lists of all employees covered by this Agreement and provide the Union with a copy.

(e) The Employers shall not lay off any seniority employee without proper justification.

(f) Re-Hire Procedure: In the event of a layoff, an employee so laid off shall be restored to duty according to seniority.

(g) Filling All Positions: Seniority shall be adhered to in filling positions under this Agreement. Employees working other classifications under the jurisdiction of this Agreement shall be given reasonable trial of up to one week on the basis of seniority to qualify for and accept such positions. Upon request by the employee, the Company shall grant the employee an additional week of training for an accepted position. Employee may only try and reject one route in a twelve month period. Employee may bid on an additional route but must accept the route without the trial period. Training will be provided on the accepted route.

(h) Vacancies: All jobs and classifications will be subject to a direct bid. Wherever a permanent vacancy occurs, it shall be posted for a period of ten (10) working days, during which interested employees shall be entitled to bid on the vacancy. At the conclusion of the posting period, the Employers shall award the position to the most qualified bidder with the greatest seniority. The Employers shall establish a separate telephone system that provides up to date voice mail that provides route openings/vacancies. Any employee who is absent during these postings/vacancies shall notify the Company of their interest by contacting the Company immediately. Any employee who is absent during the awarding of the new vacancy shall be notified by the Company of their turn to accept/reject such vacancy, and they will be required to give their decision on the vacancy in a timely manner.

The Company shall post all vacancies at all time clock locations within two (2) weeks after such openings become available.

All future vacancies in commercial route positions such as front-end loader drivers, debris-box drivers and any other classifications in the commercial department shall be posted on the bulletin board to allow all employees qualified to bid for such vacancies.

Any employee who successfully bids for and is assigned to fill any vacancy shall not be eligible to bid on another vacancy for one year after he/she is so assigned, except that this limitation shall not prevent an employee from bidding on a vacancy in a higher classification.

(i) Temporary Vacancies: All temporary openings shall be awarded by seniority within the Floater Pool, defined as regular employees that do not have an assigned route, and with refusal rights by each employee. If no employee accepts the assignment, the Company shall appoint the least senior employee in the Floating Pool. Such temporary openings shall be posted within (1) week of the job opening, and shall be awarded in accordance with Section 22 of the CBA. The definition of a temporary vacancy is when an employee is off of work due to illness, injury, approved leave, or any absence of three (3) weeks or more. Any driver within the Floater Pool who selects or is assigned such a route shall remain in this position until the regular employee returns. The driver shall be returned to the Floater Pool in accordance with his/her

seniority upon completion of such an assignment. Such an employee may bid on permanent vacancies during this period.

(j) Job Seniority in Reassignment: Twenty (20) working days in a thirty (30) day period will establish seniority in a classification, except that employees assigned to cover temporary assignments such as vacation relief or temporary leaves of absence shall not acquire seniority in the classification to which they are temporarily assigned, no matter how long a period the assignment covers. An employee does not gain seniority in a classification except in the situation where the employee has been permanently assigned as the result of a permanent bid.

When an employee, at his own request, is placed in a lower paid classification, he shall be paid at the rate of the lower classification. In the event the Employers have to cut down on any of the operations, they will have the right to reassign any employee to a lower classification without being obligated to pay the higher rate of pay. Seniority will be observed in such reassignment.

(k) Reduction in force protection: No employee employed under this agreement on the date of ratification will be laid off or removed from the bargaining unit as a result of a reduction in force through December 31, 2016; provided, however, that this paragraph shall not apply in the event of a reduction in force caused by an act of God, terrorist action, loss of any City contract, or a successful challenge to the 1932 Initiative Ordinance. Such losses shall be verified.

(l) Removal of routes: In the event that route reductions are implemented, the seniority of the employee(s) on the removed route(s) will be compared to the remaining employees in that classification with a steady route(s). The senior displaced employee(s) has the option to assume the Route(s) of the least senior employee(s) in that classification. If the senior employee(s) exercise his/her option then, the least senior employee(s) within the affected classification with the steady route will be moved to the floater department in accordance with his/her seniority. The more senior employee(s) from the displaced route(s) will then be allowed to assume those route(s). The change of status form will indicate the effective change date of transfer. Additionally, if the senior employee(s) does not exercise his/her option to assume the least senior employee's route then he/she will be assigned to the floater department. Any option to assume an existing route under this provision is limited to those displaced employees without any trial period (except for directions) as time is of the essence to minimize customer disruption.

SECTION 23. DESCRIPTIONS

1. Helper/Driver: The second man on rear loader routes. Shuttles garbage collection truck from house to house and collects garbage and refuse; washes truck inside and outside.
