EXECUTIVE SUMMARY	
<p>Legislative Objectives</p> <ul style="list-style-type: none"> • The proposed resolution would approve the third modification to the Airport’s agreement with Dignity Health (dba St. Mary’s Medical Center) to exercise the option to extend the term of the current agreement two-years through June 30, 2024 and increase the contract amount by \$1,600,000 for a new contract amount not to exceed \$11,000,000. <p>Key Points</p> <ul style="list-style-type: none"> • The SFO Clinic provides urgent care, emergency medicine, occupational health services, travel care, diagnostic services and screen evaluations, and clinical care for City and Airport tenant employees, contractors, and airline travelers. <p>Fiscal Impact</p> <ul style="list-style-type: none"> • The agreement is structured to guarantee Dignity Health is reimbursed for all operating costs net of patient revenue plus a \$355,000 management fee, which was reduced to \$177,500 in FY 2020-21 and FY 2021-22. • The original agreement assumed 90,992 patients over the five-year contract provided \$10,376,082 in patient revenues, resulting in a total Airport payment of \$9,506,131. MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

The Airport clinic opened in the 1970's and has been operated by Dignity Health – formerly Catholic Health Care West – since 2001. When the prior operating agreement with Dignity Health expired in 2018, the Airport issued a Request for Proposals (RFP) to gather proposals from qualified providers to assume operation of the clinic. According to Cynthia Avakian, Airport Director of Contracts, the Airport received only one response that came from Dignity Health. The Airport determined that Dignity met the minimum qualifications and entered into negotiations. A new operating agreement was reached, and on February 19, 2019, the Airport Commission awarded the Professional Services Contract No. 50118.02 to Dignity Health to operate the SFO Medical Clinic for a not to exceed amount of \$5,900,000. The contract ran for three years, ending on June 30, 2022, with a two-year extension option at the discretion of the Airport Commission. The contract did not require Board of Supervisors approval because it was less than \$10 million.

Prior Modifications

On May 28, 2020, the Airport Director approved Modification No. 1 to the Contract to amend the Scope of Services to include onsite COVID-19 testing for Airport Commission employees, and for employees of authorized tenants, service providers, licensees and other tenants of the Airport. A second modification took place on May 18, 2021 when the Airport Commission approved Modification No. 2 to increase the not to exceed amount to \$9,400,000 to provide additional revenue to cover operating revenue losses due to the significantly reduced airlight traffic volumes caused by the pandemic., and reduce the management fee from \$355,000 to \$177,500, or by 50 percent, for fiscal years 2020-2021 and 2021-2022.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve the third modification to the Airport's agreement with Dignity Health (dba St. Mary's Medical Center) to exercise the option to extend the term of the current agreement two-years through June 30, 2024, and increase the contract amount by \$1,600,000 for a new contract amount not to exceed \$11,000,000.

Services Provided

The SFO Clinic provides urgent care, emergency medicine, occupational health services, travel care, diagnostic services and screen evaluations, and clinical care for City and Airport tenant employees, contractors, and airline travelers. A breakdown of visits by types of services received for FY 2018 show that the majority of visits were accounted for by health care related to worker

compensation (34.7%), drug screening (20.9%), physical therapy (14.5%), and occupational medicine/PT (9.1%). SFO employees account for the majority of clinic visits.

Contract Monitoring and Oversight

In response to our inquiry regarding performance monitoring and contract oversight, the Airport reported that Labor Distribution Reports are printed every pay period and reconciled with employee time cards. The Airport conducts regular reviews to confirm the Clinic is meeting all the required state and federal licensing and service standards. This includes ensuring that the Clinic is cost-efficient, that staffing is aligned to patient demand, assessing the short-, medium-, and long-term objectives for the Clinic, attending monthly meetings with Dignity Health to review the Clinic's financial performance, and conducting regular on-site visits. AIR also requires the SFO Clinic is subject to an independent annual financial audit. Anwar Elgonemy, Airport Hotel & Special Projects Director, stated he is satisfied that Dignity Health is accurately reporting information on patient visits, services provided, staffing requirements, and patient revenue. Director Elgonemy also stated that he conducts a more extensive review of Clinic operations and finances with representatives from Dignity Health every three months as part of the financial reconciliation that occurs through the true-up process.

FISCAL IMPACT

The projected and actual expenditures are shown in Exhibit 1. The agreement is structured to guarantee Dignity Health is reimbursed for all operating costs net of patient revenue plus a \$355,000 management fee. The contract stipulates that the Airport will make monthly payments of \$150,000 to Dignity Health. If operating costs exceed patient revenues plus the base fixed \$150,000 payment in a given month, this amount is reimbursed by Airport through a "true up", with settlement taking place every three months. Patient revenues are insurance reimbursements and applicable out of pocket expenses.

Source: Appendix C-1 of Proposed Amendment

The original agreement assumed 90,992 patients over the five-year contract provided \$10,376,082 in patient revenues, resulting in a total Airport payment of \$9,506,131. Primarily due to COVID, total patients over the five-year term are now estimated to be 66,664, providing \$6,939,789 in revenues. Clinic staffing, advertising costs, and the management fees were reduced in FY 2020-21 and FY 2021-22. The total payment from FY 2019-20 – FY 2023-24 is \$ \$10,825,878, as shown above. Costs are funded by Airport operating revenues.

POLICY CONSIDERATION

Contracting Services

Our analysis suggests that the contracted labor is less expensive than the civil service equivalent by approximately \$850,000 per year. If the City assumed responsibility for the clinic rather than contracting with Dignity Health, total Airport expenses net of patient revenues in FY 2021-22 would be \$2.8 million rather than \$2.2 million. Over the five-year term, total Airport costs would have been \$13.7 million rather than \$10.8 million.

RECOMMENDATION

Approve the proposed resolution.

Charges will accrue only after prior written authorization certified by the Controller, and the amount of City's obligation under this Agreement shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization. This Agreement will terminate without penalty, liability

or expense of any kind to City at the end of any fiscal year if funds are not appropriated for the next succeeding fiscal year. If funds are appropriated for a portion of the fiscal year, this Agreement will terminate, without penalty, liability or expense of any kind at the end of the term for which funds are appropriated. City has no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements. City budget decisions are subject to the discretion of the Mayor and the Board of Supervisors. In no event shall the amount of this Agreement exceed **Five Million Nine Hundred Thousand Dollars (\$5,900,000)**, over the initial term of the first three fiscal years, as set forth in the annual breakdown of costs associated with this Agreement which is presented in Appendix C. "Five-Year Budget", attached hereto and incorporated by reference as though fully set forth herein. Should the City exercise the option to extend the Agreement for the Extension Term per Section 2.2, the total amount of this Agreement for the Extension Term shall not exceed Three Million Eight Hundred Thousand Dollars (\$3,800,000), as set forth in the Five Year Budget. In no event shall City be liable for interest or late charges for any late payments.

3.3.2 Payment Limited to Satisfactory Services. Contractor is not entitled to any payments from City until Airport Commission approves the invoices submitted by Contractor, as specified in Appendix B – Calculation of Charges.

3.3.3 Withhold Payments. If Contractor fails to provide Services consistent with Contractor's obligations under this Agreement, the City may withhold any and all payments due Contractor until such failure to perform is cured, and Contractor shall not stop work as a result of City's withholding of payments as provided in this Agreement.

3.3.4 Invoice Format. Invoices furnished by Contractor under this Agreement must be in a form acceptable to the Controller and City, and must include a unique invoice number. Payment shall be made by City as specified in 3.3.6, or in such alternate manner as the Parties have mutually agreed upon in writing.

Contractor shall maintain such data and records in an accessible location and condition for a period of not fewer than five years after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any Federal agency having an interest in the subject matter of this Agreement shall have the same rights as conferred upon City by this Section. Contractor shall include the same audit and inspection rights and record retention requirements in all subcontracts.

Article 4 Services and Resources

4.1 Services Contractor Agrees to Perform. Contractor agrees to perform the Services provided for in Appendix A, "Scope of Services." Officers and employees of the City are not authorized to request, and the City is not required to reimburse Contractor for, Services beyond the Scope of Services listed in Appendix A, unless Appendix A is modified as provided in Section 11.5, "Modification of this Agreement."

4.2 Qualified Personnel. Contractor shall utilize only competent personnel under the supervision of, and in the employment of, Contractor (or Contractor's authorized subcontractors) to perform the Services. Contractor will comply with City's reasonable requests regarding assignment

and/or removal of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor. Contractor shall commit adequate resources to allow timely completion within the project schedule specified in this Agreement.

4.3 **Subcontracting.**

4.3.1 Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All Subcontracts must incorporate the terms of Article 10 "Additional Requirements Incorporated by Reference" of this Agreement, unless inapplicable. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. Any agreement made in violation of this provision shall be null and void.

4.3.2 Contractor will not employ subcontractors, but may hire medical professionals as independent contractors to fill certain roles listed in Appendix D, Five-Year Staffing Plan.

4.4 **Independent Contractor; Payment of Employment Taxes and Other Expenses.**

4.4.1 **Independent Contractor.** For the purposes of this Article 4, "Contractor" shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that at all times, Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Agreement. Contractor, its agents, and employees will not represent or hold themselves out to be employees of the City at any time. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor's performing services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of Contractor. Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor's work only, and not as to the means by which such a result is obtained. City does not retain the right to control the means or the method by which Contractor performs work under this Agreement. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor's compliance with this section. Should City determine that Contractor, or any agent or employee of Contractor, is not performing consistent with the requirements of this Agreement, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor's receipt of such notice, and consistent with Contractor policy and procedure, Contractor shall remedy the deficiency. If City believes that an action of Contractor, or any agent or employee of Contractor, warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

4.4.2 **Payment of Employment Taxes and Other Expenses.** Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already

paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this section.

4.5 **Assignment.** The Services to be performed by Contractor are personal in character and neither this Agreement nor any duties or obligations may be assigned or delegated by Contractor unless first approved by City by written instrument executed and approved in the same manner as this Agreement. Any purported assignment made in violation of this provision shall be null and void.

4.6 **Warranty.** Contractor represents and warrants that it is qualified to perform the Services required by City under this Agreement Contractor warrants to City that the Services will be performed with the degree of skill and care that is required by current, good and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the Services are performed so as to ensure that all Services performed are correct and appropriate for the purposes contemplated in this Agreement.

Article 5 Insurance and Indemnity

5.1 Insurance.

5.1.1 **Required Coverages.** Without in any way limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

(a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than \$1,000,000 each accident, injury, or illness; and

(b) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence and \$2,000,000 general aggregate for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations; policy must include Abuse and Molestation coverage; and

(c) Commercial Automobile Liability Insurance with limits not less than \$1,000,000 each occurrence, "Combined Single Limit" for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.

(d) Professional liability insurance, applicable to Contractor's profession, with limits not less than \$3,000,000 each claim with respect to negligent acts, errors or omissions in connection with the Services.

(e) Cyber Security and Privacy Insurance Liability, with limits not less than \$5,000,000 each occurrence applicable to Contractors network system, electronic data, and electronic medical records. Such insurance shall include coverage for liability, fines penalties, along any notification requirements and/or any notice requirements arising from theft, dissemination, and/or use of confidential information, including but not limited to, patient account information or personal information, such as name, address, social security numbers, protected health information or other personally identifying information, stored or transmitted in electronic or physical form.

5.1.2 Commercial General Liability and Commercial Automobile Liability Insurance policies must be endorsed to provide:

(a) Name as Additional Insured the City and County of San Francisco, its Officers, Agents, and Employees.

(b) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought.

5.1.3 All policies shall be endorsed to provide thirty (30) days' advance written notice to the City of cancellation for any reason, intended non-renewal, or reduction in coverages. Notices shall be sent to the City address set forth in Section 11.1, entitled "Notices to the Parties."

5.1.4 Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

5.1.5 Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

5.1.6 Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

5.1.7 Before commencing any Services, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

5.1.8 The Workers' Compensation policy(ies) shall be endorsed with a waiver of subrogation in favor of the City for all work performed by Contractor, its employees, agents and subcontractors.

5.1.9 If Contractor will use any subcontractor(s) to provide Services, Contractor shall require the subcontractor(s) to provide all necessary insurance and to name the City and County of San Francisco, its officers, agents and employees and Contractor as additional insureds.

5.2 **Indemnification.** Contractor shall indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them from and against any and all claims, demands, losses, damages, costs, expenses, and liability (legal, contractual, or otherwise) arising from or in any way connected with any: (i) injury to or death of a person, including employees of City or Contractor; (ii) loss of or damage to property; (iii) violation of local, state, or federal common law, statute or regulation, including but not limited to privacy or personally identifiable information, health information, disability and labor laws or regulations; (iv) strict liability imposed by any law or regulation; or (v) losses arising from Contractor's execution of subcontracts not in accordance with the requirements of this Agreement applicable to subcontractors; so long as such injury, violation, loss, or strict liability (as set forth in subsections (i) – (v) above) arises directly or indirectly from Contractor's performance of this Agreement, including, but not limited to, Contractor's use of facilities or equipment provided by City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors, or either's agent or employee. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.

In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter.

Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons arising directly or indirectly from the receipt by City, or any of its officers or agents, of Contractor's Services.

Article 6 Liability of the Parties

6.1 **Liability of City.** CITY'S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN SECTION 3.3.1, "PAYMENT," OF THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

6.2 **Liability for Use of Equipment.** City shall not be liable for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Contractor, or any of its subcontractors, or by any of their employees, even though such equipment is furnished, rented or loaned by City.

6.3 **Liability for Incidental and Consequential Damages.** Contractor shall be responsible for incidental and consequential damages resulting in whole or in part from Contractor's acts or omissions.

Article 7 Payment of Taxes

7.1 Except for any applicable California sales and use taxes charged by Contractor to City, Contractor shall pay all taxes, including possessory interest taxes levied upon or as a result of this Agreement, or the Services delivered under this Agreement. Contractor shall remit to the State of California any sales or use taxes paid by City to Contractor under this Agreement. Contractor agrees to promptly provide information requested by the City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 Contractor acknowledges that this Agreement may create a "possessory interest" for property tax purposes. Generally, such a possessory interest is not created unless the Agreement entitles Contractor to possession, occupancy, or use of City property for private gain. If such a possessory interest is created, then the following shall apply:

7.2.1 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest.

7.2.2 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a "change in ownership" for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest created by this Agreement. Contractor agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

7.2.3 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (see, e.g., Rev. & Tax. Code section 64, as amended from time to time). Contractor agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

7.2.4 Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

Article 8 Termination and Default

8.1 Termination for Convenience

8.1.1 City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by

giving Contractor written notice of termination. The notice shall specify the date on which termination shall become effective.

8.1.2 Upon receipt of the notice of termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to effect the termination of this Agreement on the date specified by City and to minimize the liability of Contractor and City to third parties as a result of termination. All such actions shall be subject to the prior approval of City. Such actions shall include, without limitation:

(a) Halting the performance of all Services under this Agreement on the date(s) and in the manner specified by City.

(b) Terminating all existing orders and subcontracts, and not placing any further orders or subcontracts for materials, Services, equipment or other items.

(c) At City's direction, assigning to City any or all of Contractor's right, title, and interest under the orders and subcontracts terminated. Upon such assignment, City shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.

(d) Subject to City's approval, settling all outstanding liabilities and all claims arising out of the termination of orders and subcontracts.

(e) Completing performance of any Services that City designates to be completed prior to the date of termination specified by City.

8.1.3 Within 30 days after the specified termination date, Contractor shall submit to City an invoice, which shall set forth each of the following as a separate line item:

(a) The reasonable cost to Contractor, without profit, for all Services prior to the specified termination date, for which Services City has not already tendered payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Contractor's direct costs for Services. Any overhead allowance shall be separately itemized. Contractor may also recover the reasonable cost of preparing the invoice.

(b) A reasonable allowance for profit on the cost of the Services described in the immediately preceding subsection (a), provided that Contractor can establish, to the satisfaction of City, that Contractor would have made a profit had all Services under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.

(c) The reasonable cost to Contractor of handling material or equipment returned to the supplier, delivered to the City or otherwise disposed of as directed by the City.

(d) A deduction for the cost of materials to be retained by Contractor, amounts realized from the sale of materials and not otherwise recovered by or credited to City, and any other appropriate credits to City against the cost of the Services or other work.

8.1.4 In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the termination date specified by City, except for those costs specifically enumerated and described in Section 8.1.3. Such non-recoverable costs include, but are not limited to, anticipated profits on the Services under this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under Section 8.1.3.

8.1.5 In arriving at the amount due to Contractor under this Section, City may deduct: (i) all payments previously made by City for Services covered by Contractor's final invoice; (ii) any claim which City may have against Contractor in connection with this Agreement; (iii) any invoiced costs or expenses excluded pursuant to the immediately preceding subsection 8.1.4; and (iv) in instances in which, in the opinion of the City, the cost of any Service performed under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected Services, the difference between the invoiced amount and City's estimate of the reasonable cost of performing the invoiced Services in compliance with the requirements of this Agreement.

8.1.6 City's payment obligation under this Section shall survive termination of this Agreement.

8.2 Termination for Default; Remedies.

8.2.1 Each of the following shall constitute an immediate event of default ("Event of Default") under this Agreement:

(a) Contractor fails or refuses to perform or observe any term, covenant or condition contained in any of the following Sections of this Agreement:

8.2.2 On and after any Event of Default, City shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Agreement or to seek specific performance of all or any part of this Agreement. In addition, where applicable, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any Event of Default; Contractor shall pay to City on demand all costs and expenses incurred by City in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. City shall have the right to offset from any amounts due to Contractor under this Agreement or any other agreement between City and Contractor: (i) all damages, losses, costs or expenses incurred by City as a result of an Event of Default; and (ii) any liquidated damages levied upon Contractor pursuant to the terms of this Agreement; and (iii), any damages imposed by any ordinance or statute that is incorporated into this Agreement by reference, or into any other agreement with the City.

8.2.4 Any notice of default must be sent by registered mail to the address set forth in Article 11.

8.3 **Non-Waiver of Rights.** The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions.

APPENDIX B

CALCULATION OF CHARGES

Contractor shall be paid for services in a total amount not to exceed the amount set forth in Section 3.3 of the Agreement, and consistent with the Compensation Structure outlined in Section 2 below.

1. Invoicing and Payments

Contractor shall submit monthly invoices as follows:

For the first eleven (11) months of any Fiscal Year during the term of the contract, the invoice shall be for a monthly retainer of One Hundred Fifty Thousand Dollar (\$150,000); for the 12th month of the fiscal year, Contractor shall submit the final invoice for the year based on the actual audited financial results for the fiscal year, accounting for the balance of any operating losses (considering actual expenditures incurred and actual revenues received during the year) plus any portion of the annual Management Fee that has not been covered with the monthly retainers paid in the preceding 11 months of the fiscal year.

The final invoice for any fiscal year shall include a detailed report with all the revenues and expenses for the year plus supporting documentation. The report shall also include a comparison of these amounts with those established in the approved Annual Cost Proposal (see Section 2.1 below) for the corresponding fiscal year.

The total reimbursements for any fiscal year shall not exceed the Airport-approved Annual Cost Proposal for the year.

2. Compensation Structure

2.1 Compensation Structure: Compensation payable by City to Contractor for any given fiscal year is comprised of the sum of (i) the Management Fee (as adjusted by the Management Fee Adjustment, if any) plus (ii) an amount equal to the audited operating loss for the year, except to the extent it exceeds the amounts set forth in the Approved Annual Cost Proposal (as defined below). On or before October 1st of each year, Contractor shall submit to City for City's approval the Annual Cost Proposal for the upcoming Fiscal Year. The Annual Cost Proposal shall include the Management Fee, as well as the projected operating costs, operating revenues and operating profit (loss). Contractor shall incur no expenses under this Agreement for a given fiscal year unless and until the Annual Cost Proposal for that fiscal year has been approved in writing by the City (the "Approved Annual Cost Proposal"). Compensation payable to Contractor shall be limited each year by the amounts set forth in the approved Annual Cost Proposal.

2.2 Account: On or before the Effective Date of this Agreement, Contractor shall establish one or more accounts (collectively, the "Account") with a national bank acceptable to Director (an "Approved Bank"). Such Account need not be segregated from other accounts related to Contractor's other operations provided that Contractor can provide to Director, upon request, records of Account and related information showing deposits and withdrawals from the Account related to the operations of the Clinic. Contractor will record all receipts and expenses relating to the Clinic using appropriate accounting procedures such that the Clinic receipts and expenses can be separately identified and segregated from other Contractor programs and operations.

Contractor shall apply all receipts achieved with respect to the Clinic to Airport-approved Actual Direct Costs. If and to the extent there are Net Operating Receipts in a particular month, such funds and any interest thereon, shall be retained by Contractor in trust for City and applied to Clinic expenses in the following month(s). To the extent there is a Net Operating Loss with respect to such month and there are insufficient Clinic revenues or funds carried forward from prior month(s), then Contractor shall invoice City for such Net Operating Loss as provided above in Section 1, Invoicing and Payments. As part of its end-of year report, Contractor shall specify the funds if any remaining in the Account or otherwise available, which are related to Clinic operations, as of the end of such Fiscal Year. In the event there are any such funds, Contractor shall pay to City such funds within ten (10) days after the submission of such report.

3. Management Fee

Each fiscal year, Contractor shall be paid a Management Fee. The Management Fee is a separate budget line item from the direct costs related to management and operation of the Clinic. This Management Fee is compensation paid to the Contractor for Contractor's profit, plus reimbursement for all indirect services to the Clinic provided by Contractor's various administrative personnel (such as financial / accounting, information technology, purchasing, human resources, quality assurance, etc.), plus any other indirect costs incurred by Contractor to operate the Clinic.

The annual Management Fee for any given fiscal year shall consist of two components, as follows:

- Base Amount equal to \$355,000;
- Management Fee Adjustment (if any), based on the audited operating results for the year.

The Management Fee Adjustment for any fiscal year shall be determined based on the amount of "savings" achieved during such fiscal year. The term "savings" for any fiscal year is defined as the difference between the projected operating shortfall for the fiscal year in question corresponding to the "Base Case Scenario" presented in Appendix C, and the actual audited operating shortfall during that fiscal year. If the "savings" for a particular fiscal year is a positive number (i.e., the results for the year represent a smaller operating shortfall than the budgeted amount corresponding to the "Base Case Scenario" presented in Appendix C), the Management Fee Adjustment shall consist of an increase in the Management Fee equal to Sixty Percent (60%) of the "savings". If the "savings" for a particular fiscal year is a negative number (i.e., the results for the year represent a greater operating shortfall than the budgeted amount corresponding to the "Base Case Scenario" presented in Appendix C), the Management Fee Adjustment shall be zero.

Example 1: If the operating shortfall for Fiscal Year 2020-2021 is hypothetically assumed to be \$1,500,000, and considering that the projected operating shortfall in the "Base Case Scenario" for that year is \$1,550,740 (as presented in Appendix C), the "savings" for that year is a positive amount equal to +\$50,740 (the difference between \$1,550,740 and \$1,500,000), and 60% of this amount (\$30,444) corresponds to the Management Fee Adjustment. Therefore, the Total Management Fee (Base Amount plus Adjustment) for the year is \$355,000 plus \$30,444, or \$385,444.

Example 2: If the operating shortfall for Fiscal Year 2020-2021 is hypothetically assumed to be \$1,600,000, and considering that the projected operating shortfall in the "Base Case Scenario" for that year is \$1,550,740 (as presented in Appendix C), the "savings" for that year is a negative amount equal to -\$49,260 (the difference between \$1,550,740 and \$1,600,000), and the Management Fee Adjustment is zero. Therefore, the Total Management Fee (Base Amount plus Adjustment) for the year is \$355,000.

4. Labor Cost Limitations.

4.1 The individual direct labor cost rates, including fringe benefits, shall not exceed the amounts set forth in Appendix D, "Five-Year Staffing Plan".

4.2 The individual direct labor cost rates are subject to salary administration by Contractor, but in no case are they to be adjusted more than three percent (3%) without prior written approval of Director.

4.3 Premium costs incurred as a result of working overtime or holidays are not allowable without the prior written approval of Director. Such approval may be in the form of Director's approval of Contractor's overtime policy.

4.4 If and to the extent Contractor anticipates or receives any subsidies or grants money from any governmental agency for participating in a government-sponsored program for persons employed under this Agreement, such subsidies or grants shall be reflected as credits in the Annual Cost Proposal, and such credits shall be properly reflected in Contractor's invoices to City.

4.5 The parties acknowledge that labor costs could increase the cost of performing the services under this Agreement. Accordingly, Contractor shall keep City apprised of all negotiations with labor regarding labor costs, including the negotiation of any collective bargaining agreements. Notwithstanding the foregoing, increases in labor rates billed by Contractor shall be subject to all limitations set forth in this section.

5. Reimbursement of Other Direct Costs.

All Other Direct Costs which alone (or taken together with all similar Other Direct Costs), exceed the amount of Five Hundred Dollars (\$500), shall be subject to Director's prior written approval. Prior approval shall not be necessary for Other Direct Costs which are specified with reasonable detail in the approved Annual Cost Proposal and are within the limits of such approved Annual Cost Proposal.

SUBJECT: Approval of Modification No. 3 to Contract No. 50118.02 with Dignity Health dba St. Mary's Medical Center to Exercise the Two-Year Option to Extend the Contract and to Increase the Contract Amount for Fiscal Years 2022/23 and 2023/24

DIRECTOR'S RECOMMENDATION: APPROVE MODIFICATION NO. 3 TO CONTRACT NO. 50118.02 WITH DIGNITY HEALTH DBA ST MARY'S MEDICAL CENTER TO EXERCISE THE TWO-YEAR OPTION TO EXTEND THE CONTRACT THROUGH JUNE 30, 2024 AND TO INCREASE THE CONTRACT AMOUNT BY \$1,600,000, FOR A NEW TOTAL NOT-TO-EXCEED CONTRACT AMOUNT OF \$11,000,000.

Executive Summary

Dignity Health dba St. Mary's Medical Center (Dignity Health) manages and operates the SFO Medical Clinic (Clinic) under Contract No. 50118.02 (Contract), which has a three-year term that expires on June 30, 2022, and one two-year option to extend at the sole discretion of the Airport Commission (Commission).

Prior to the onset of the COVID-19 pandemic, the Clinic's operating performance was within the Contract's projected budget. Since March 2020, the Clinic has been operating at a substantial shortfall due to significantly reduced patient visit volumes. Additional Airport funding is required to pay the projected Contract requirements.

Background

The Clinic has been operated by Dignity Health (formerly Catholic Healthcare West) since 2001 providing: urgent care, emergency medicine, occupational medicine, travel medicine, pre-placement examinations, and clinical care for City and tenant employees, contractors, and the traveling public.

Following a competitive process, on February 19, 2019, by Resolution No. 19-0026, the Commission awarded the Contract for the management and operation of the Clinic to Dignity Health, with an initial term of three years, effective July 1, 2019, and a not-to-exceed amount of \$5,900,000. The Contract allows for one option to extend for two years, exercisable at the sole discretion of the Commission.

On May 28, 2020, due to the COVID-19 pandemic, Dignity Health and the Airport entered into Modification No. 1 of the Contract, which provided for Dignity Health, through a subcontractor, to make available on-site testing for the diagnosis of COVID-19 for Airport Commission employees, Airport tenants, airlines, and other entities serving the Airport.

On May 18, 2021, by Resolution No. 21-0116, the Commission approved Modification No. 2 of the Contract, which increased the contract amount by \$3,500,000 and reduced the Management Fee by 50% for fiscal years (FYs) 2022/23 and 2023/24 only. This reduction was implemented because the Clinic was operating at a substantial loss due to the significantly reduced visit volumes caused by the pandemic. The Clinic is still operating at a considerable loss.

In FY 2019/20, the Airport had approximately 20.2 million enplanements, 29% below FY 2018/19. In FY 2020/21, the Airport had around 6.9 million enplanements, 66% lower than FY 2019/20. The pandemic continues to impact businesses globally and, if the current trends continue, passenger traffic is expected to reach 2019 levels by FY 2025 at the earliest. To address the revenue impact, the Airport significantly reduced its operating budget by cutting professional and service contracts, among other actions.

As a result, the Clinic's operating performance has been, and will continue to be, severely impacted by the reduction in passenger volumes. The Clinic's operating shortfalls in FYs 2019/20 and 2020/21 were approximately -\$2,000,000. For FY 2021/22, Staff projects the operating shortfall to also be near -\$2,000,000. In response, Staff proposed cost reduction measures to the Airport's Expense Control Committee to reduce the Clinic's Monday-to-Friday operating hours from 12 to 8 hours. The proposed measure would result in expected savings of at least \$900,000 annually for FYs 2022/23 and 2023/24. Dignity Health has agreed to this measure.

The Airport continues to require the services provided by the Clinic and is now seeking Commission approval of Modification No. 3 of the Contract to exercise the two-year option to extend the term of the Contract through June 30, 2024 and to increase the contract amount by \$1,600,000, for a new total not-to-exceed contract amount of \$11,000,000.

As the Contract exceeds \$10,000,000, pending Commission authorization, the Airport will request the Board of Supervisors to approve Modification No. 3, as required by San Francisco Charter Section 9.118(b).

On April 18, 2022, Staff will seek Civil Service Commission approval to contract out for this service. If this item is not approved on April 18, 2022, Staff will remove this item from the Commission agenda.

Recommendation

I recommend the Commission adopt the attached resolution approving Modification No. 3 to Contract No. 50118.02 with Dignity Health dba St. Mary's Medical Center to exercise the two-year option to extend through June 30, 2024 and to increase the Contract amount by \$1,600,000, for a new total not-to-exceed amount of \$11,000,000. I further recommend the Commission direct the Commission Secretary to request approval of Modification No. 3 from the Board of Supervisors pursuant to Section 9.118(b) of the Charter of the City and County of San Francisco.

SUBJECT: Award of Contract No. 50118.02 to Dignity Health, St. Mary's Medical Center for Management and Operation of the SFO Medical Clinic with a Not-to-Exceed Amount of \$5,900,000 for a Period of Three Years effective July 1, 2019, with One 2-Year Option

DIRECTOR'S RECOMMENDATION: ADOPT RESOLUTION TO AWARD CONTRACT NO. 50118.02 TO DIGNITY HEALTH, ST. MARY'S MEDICAL CENTER FOR MANAGEMENT AND OPERATION OF THE SFO MEDICAL CLINIC, WITH A NOT-TO-EXCEED AMOUNT OF \$5,900,000 FOR A PERIOD OF THREE YEARS WITH ONE 2-YEAR OPTION.

Executive Summary

Staff recommends the Airport Commission (Commission) award Contract No. 50118.02 to Dignity Health, St. Mary's Medical Center (Dignity Health) for management and operation of the SFO Medical Clinic (Clinic). Dignity Health was the sole proposer for the Request for Proposals (RFP) No. 50118.02 for management and operation of the Clinic. The contract will be for an initial term of three (3) years effective July 1, 2019, for a not-to-exceed funding amount of \$5,900,000, with one 2-year option exercisable at the discretion of the Commission.

Background

The Clinic provides urgent care, emergency medicine, occupational medicine, travel medicine, pre-placement examinations, and clinical care for City and tenant employees, contractors, and the traveling public.

The Clinic has been operated by Dignity Health (formerly Catholic Healthcare West) dba St. Mary's Medical Center since 2001. The current contract for operation of the Clinic was awarded by Resolution No. 11-0233 dated October 25, 2011, with an initial term of three years starting on July 1, 2012, with three 1-year options to extend. The Commission exercised all the options in

the contract, and made two additional amendments to extend the term, until August 31, 2018 (Resolution No. 18-0167 dated June 5, 2018) and subsequently until June 30, 2019 (Resolution No. 18-0229 dated August 7, 2018).

On August 7, 2018, through Resolution No. 18-0230, the Commission authorized Airport staff to issue an RFP to commence a new competitive process. Staff issued the RFP on October 15, 2018 and conducted an extensive outreach effort to advertise this opportunity. In response to the RFP, the Airport received one proposal submitted by Dignity Health; this proposal met all the qualification requirements outlined in the RFP.

Professional Services Agreement

Dignity Health will be responsible for management and operation of the Clinic. The compensation for any given fiscal year will consist of an amount to cover the Clinic's net operating shortfall (revenues minus direct operating costs) for the year, plus a Management Fee to cover the operator's indirect costs and profit. The annual Management Fee for any given fiscal year shall consist of two components, as follows:

- Base Amount equal to \$355,000; and
- Management Fee Adjustment, based on the audited operating results for the year.

The Management Fee Adjustment will be determined based on the amount of savings achieved during the fiscal year. The term "savings" is defined as the difference between the projected operating shortfall corresponding to the "Base Case Scenario" (presented in Exhibit A), and the actual audited operating shortfall. If the savings for a fiscal year is a positive number (i.e., the financial results for the year represents a smaller operating shortfall than the budgeted amount in the "Base Case Scenario"), the Management Fee Adjustment will consist of an increase equal to Sixty Percent (60%) of the savings. If no savings are achieved in a particular fiscal year, the Management Fee Adjustment will be zero.

The contract will have an initial term of three years, with one 2-year option to extend the term at the discretion of the Commission. The agreement will be for a not-to-exceed amount of \$5,900,000 during the initial three years. The Airport will use operating funds to cover these payments.

Dignity Health plans to retain the staff currently working at the Clinic, as required by the City and County of San Francisco Employee Retention Policy. Dignity Health will discuss with the Airport any proposed changes in the staffing plan and will not implement any staffing changes without the Airport's approval.

Recommendation

I recommend this Commission award Contract No. 50118.02 for management and operation of the SFO Medical Clinic to Dignity Health for three (3) years, for an amount not to exceed \$5,900,000, with one 2-year option exercisable at the sole discretion of the Commission.

SUBJECT: Approval of Modification No. 2 to Contract No. 50118.02 with Dignity Health dba St. Mary’s Medical Center to Increase the Contract Amount and Reduce the Management Fee by 50% for Fiscal Years 2020/21 and 2021/22

DIRECTOR’S RECOMMENDATION: APPROVE MODIFICATION NO. 2 TO CONTRACT NO. 50118.02 WITH DIGNITY HEALTH DBA ST MARY’S MEDICAL CENTER TO INCREASE THE CONTRACT AMOUNT BY \$3,500,000 FOR A NEW TOTAL NOT-TO-EXCEED CONTRACT AMOUNT OF \$9,400,000 AND REDUCE THE MANAGEMENT FEE BY 50% FOR FISCAL YEARS 2020/21 AND 2021/22.

Executive Summary

Dignity Health dba St. Mary’s Medical Center (Dignity Health) manages and operates the SFO Medical Clinic (Clinic) under Contract No. 50118.02 (Contract), which has a three-year term that expires on June 30, 2022 and one two-year option to extend at the sole discretion of the Commission. The Clinic provides urgent care, emergency medicine, occupational medicine, travel medicine, pre-placement examinations, and clinical care for City and tenant employees, contractors, and the traveling public.

Prior to the onset of the COVID-19 pandemic, the Clinic’s operating performance was within the Contract’s projected budget. Since March 2020, the Clinic has been operating at a substantial shortfall due to significantly reduced patient visit volumes, so additional Airport funding is required to pay the projected Contract requirements. Additionally, a portion of the current Contract’s authority was used to pay invoices for similar services from Fiscal Year (FY) 2018/19. These invoices from the Clinic’s prior Contract No. 9088 were received late in FY 2019/20. To address the shortfall, Staff recommends modifying the Contract to (i) reduce the management fee paid to Dignity Health by 50% for FY 2020/21 and FY 2021/22 and (ii) increase the current not-to-exceed amount by \$3,500,000 for a new not-to-exceed amount of \$9,400,000, with no other changes to the Contract’s terms.

Following a competitive process authorized by the Commission, on February 19, 2019, by Resolution No. 19-0026, the Commission awarded the Contract for management and operation of the Clinic to Dignity Health with an initial term of three years effective July 1, 2019 and a not-to-exceed amount of \$5,900,000. The Contract allows for one option to extend for two years exercisable at the discretion of the Commission.

On May 28, 2020, due to the COVID-19 pandemic, Dignity Health and the Airport entered into Modification No. 1 of the Contract, which provided for Dignity Health, through a subcontractor, to make available onsite testing for diagnosis of COVID-19 for Airport Commission employees, Airport tenants, airlines, and other entities serving the Airport.

Cost Reduction Measures

The Clinic's operating performance has and will continue to be severely impacted by the COVID-19 pandemic due to lower patient visitor volumes. The Clinic experienced a 22% decline in visits in FY 2019/20, and anticipates declines in visits of 44% and 32% in FYs 2020/21 and 2021/22, respectively. In response, Staff proposed cost reduction measures to the Airport's Expense Control Committee (ECC) to (i) close the Clinic on Saturdays and (ii) reduce the management fee paid to Dignity Health by 50% for FY 2020/21 and FY 2021/22. The proposed measures would result in expected savings of at least \$177,500 annually for FYs 2020/21 and 2021/22. Dignity Health has agreed to these measures.

FY 2018/19 Late Invoices

The Airport is billed quarterly for the monthly retainer (Retainer) of \$150,000 for the first 11 months of each fiscal year that is applied to the Clinic's annual management fee and the year's anticipated operating shortfall. Following the fiscal year-end, the Clinic submits the final invoice based on the actual audited financial results for the fiscal year (True Up), accounting for the remaining amount needed to cover the annual operating shortfall plus any portion of the management fee that was not covered by the Retainer payments.

Retainer invoices for the third and fourth quarters of FY 2018/19 for Contract No. 9088 were received in August 2019, and the True Up invoice was received in July 2020. These invoices totaled \$1,257,182, and funds from Contract No. 9088 were no longer available for these payments. Therefore, the invoices were paid using the current Contract.

Modification to Contract Amount

Due to the Clinic's current and projected operating performance and payments for the prior Contract No. 9088 invoices, there will not be enough Contract authority to fund the expected costs

over the Contract's three-year term. Staff anticipate an additional \$3,500,000 will be needed for the initial term. There will be no change in the Contract's scope of work or three-year term. If recommended, Staff will return to the Commission for approval to exercise the two-year option to extend the Contract.

Recommendation

I recommend the Commission approve Modification No. 2 to Contract No. 50118.02 with Dignity Health dba St. Mary's Medical Center to (i) reduce the management fee by 50% for FY 2020/21 and FY 2021/22 and (ii) increase the contract amount by \$3,500,000 for a new total not-to-exceed amount of \$9,400,000.
