**NOTICE OF SPECIAL RESTRICTIONS
FUTURE EMERGENCY VEHICLE ACCESS EASEMENT**

This NOTICE OF SPECIAL RESTRICTIONS (the "Notice") is made as of _____, 20__ (the "Effective Date") by MAXIMUS PM PHASE 1D OWNER LLC, a Delaware limited liability company, as declarant, its successors and assigns (the "Declarant"), in favor of the City and County of San Francisco, a charter city and county of the State of California (the "City"), with reference to the following facts and circumstances:

A. Declarant is fee title owner of record of that certain real property located in the City legally described in the attached Exhibit A (the "Property"). The Property is "Lot 1", "Lot A", and "Lot B" as shown on that certain map entitled "FINAL MAP No. 10700" filed for record in Book _____ of Final Maps, at Pages _____ - _____ inclusive, in the Office of the Recorder of the City and County of San Francisco, State of California (the "Final Map").

B. The Property is located on Block 21S of the Project Site of the Parkmerced Development Project (the "Project"), as described in that certain Development Agreement dated for reference purposes only July 6, 2011 (the "Development Agreement") and recorded in the Official Records of San Francisco County (the "Official Records") as Document No. 2011J20995900. On June 7, 2011, the San Francisco Board of Supervisors adopted Ordinance No. 89-11, approving the Development Agreement and authorizing the Planning Director to execute the Development Agreement on behalf of the City (the "Enacting Ordinance"). The Enacting Ordinance took effect on July 9, 2011. All capitalized terms herein and not otherwise defined herein shall have the meaning set forth in the Development Agreement.

C. On June 7, 2011, the San Francisco Board of Supervisors adopted Ordinance No. 90-11, approving amendments to the Planning Code to establish the Parkmerced Special Use District (the "SUD"). The Property is located within the SUD, as described in Planning Code

Section 249.64. The SUD establishes that the Project shall be regulated by the controls contained in the "Parkmerced Design Standards and Guidelines" (the "DSG"), as required under Planning Code Section 249.64.

D. The Development Agreement, SUD, DSG, and Final Map contemplate a new development on Lot 1 of the Final Map (the "Future Development"); however, the final design of the Future Development remains uncertain as of the Effective Date of this Notice.

E. The Future Development will be required to comply with emergency vehicle access standards in the Uniform Codes (as that term is defined in the Development Agreement). At the size and density permitted by the SUD and DSG, it is anticipated that it may not be possible to provide emergency vehicle access required by the Uniform Codes solely on public right of way, meaning the City may require one or more emergency vehicle access easements over a portion or portions of the Property to ensure such required emergency vehicle access to the Future Development in perpetuity (each such easement, a "Future EVAE").

F. City wishes to record this Notice to provide constructive notice to Declarant during the term of the Development Agreement that the City may require Declarant to grant one or more Future EVAE over portions of the Property.

NOW, THEREFORE, incorporating the above Recitals, the Declarant agrees and covenants as follows:

1. Future EVAE. Declarant hereby acknowledges that the Future Development may require one or more Future EVAE on the Property and each Declarant hereby agrees that it will promptly execute any such required Future EVAE substantially in the form attached hereto as Exhibit B, with the legal description of any such Future EVAE to be determined in accordance with the standards of the Uniform Codes (as that term is defined in the Development Agreement) applicable to the final design of the Future Development. Declarant's failure to execute a Future EVAE for the Future Development required by the Uniform Codes shall be grounds for the City to withhold final approval for the Future Development.

2. Term. This Notice shall continue in full force and effect for the Term of the Development Agreement. During the Term of the Development Agreement, in the event that (a) the Development Agreement, SUD, DSG, and/or the Uniform Codes is amended such that a Future EVAE on the Property is no longer necessary to complete the Future Development, (b) a site or building permit for the Property has been issued by the City and the Developer has recorded against title for the Property any necessary Future EVAE substantially in the form attached hereto as Exhibit B, or (c) that the Future Development is no longer contemplated by the Development Agreement, SUD, or DSG, Declarant may request in writing that the City modify or terminate this Notice. In such event, the City, in its discretion (subject to City's Implementing Approval obligations in Section 3.1 of the Development Agreement and the parties' cooperation obligations in Section 3.9.1 of the Development Agreement) and acting through its Director of the Department of Building Inspection, may modify or terminate this Notice to conform to such circumstances. Following expiration or the earlier termination of the Development Agreement, this Notice shall be deemed terminated and of no further force and effect.

3. Subsequent Building Permits. As part of the submission of any building permit applications to the Department of Building Inspection on or after the Effective Date of this Notice that affect the Property, Declarant shall submit a copy of this Notice.

4. Governing Law. This Notice shall be governed and construed in accordance with the laws of the State of California.

5. Successors and Assigns; Binding Covenants; Run With the Land. From and after recordation of this Notice, all of the provisions, agreements, rights, powers, standards, terms, covenants and obligations contained in this Notice, all of the provisions, agreements, rights, powers, standards, terms, covenants and obligations contained shall be binding upon Declarant and City, and their respective heirs, successors (by merger, consolidation, or otherwise) and assigns, and all persons or entities acquiring the Property, or any interest therein, whether by sale, operation of law, or in any manner whatsoever, and shall inure to the benefit of the Declarant and City and their respective heirs, successors (by merger, consolidation or otherwise) and assigns. All provisions of this Notice shall be enforceable as equitable servitudes and constitute covenants and benefits running with the land pursuant to applicable law, including but not limited to California Civil Code section 1468.

6. No Amendment of Development Agreement. The express purpose of this Notice is limited to satisfaction of the requirements of the Development Agreement and Final Map. This Notice solely restates certain rights and obligations of the Development Agreement and does not modify, amend, expand, or limit the rights and obligations of Declarant (including but not limited to the release of liability provisions of Section 11.6 of the Development Agreement and the Default provisions of Section 12.3 of the Development Agreement) or City under the Development Agreement in any manner.

F. Owner agrees to grant such an emergency access easement to City on the terms and conditions specified in this Agreement.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereby agree as follows:

1. Grant of Easement. Pursuant to the terms and conditions specified in this Agreement, and commencing on the Effective Date, Owner grants to City a non-exclusive, irrevocable easement in gross on, over and across the Easement Area for emergency vehicular access over the Easement Area ("**Emergency Access Easement**"). The vertical limits of the Easement Area shall extend from ground level (finished surface) to a height of sixty-eight (68) feet above ground level (finished surface).

Without limiting the foregoing, this Agreement does not prohibit Owner, its successors, assigns, grantees, and licensees from using the Easement Area after the Effective Date in any manner that does not interfere with the Emergency Access Easement, including, but not limited to, installing, maintaining, repairing, replacing or removing improvements in the Easement Area, the Burdened Property, or the abutting privately owned lots, as long as interim measures are made available for emergency access over the Easement Area or the Burdened Property to the satisfaction of the City's Fire Department. Nothing herein shall be construed in any way to alter, amend, or otherwise relieve Owner of its responsibilities with regard to the physical condition of the Easement Area (including without limitation, responsibilities with regard to environmental investigation and remediation and construction of public improvements) set forth in any other document, instrument or agreement between City and Owner. Notwithstanding anything to the contrary in this Agreement, City shall have no liability for any claims or damages in connection with any hazardous material on or in the Easement Area, except to the extent that City caused the release on or in the Easement Area.

3. Maintenance and Repair. Commencing on the Effective Date, except as otherwise expressly permitted under Section 1 above, Owner shall maintain the Easement Area, and any surface improvements from time to time constructed on the Easement Area, at all times in a level, good and safe condition consistent with City's use of the Emergency Access Easement and City's load requirements for emergency vehicles. Upon such default, City shall be entitled to all remedies and means to cure or correct such default, both legal and equitable, allowed by operation of law except termination of the Emergency Access Easement herein granted. In the event of any breach of this Agreement, City shall be entitled to recover all attorneys' fees and costs reasonably incurred in connection with City's enforcement activities and actions.

City shall have all rights and remedies at law and in equity in order to enforce the Emergency Access Easement and the terms of this Agreement.
