MANDATE STATEMENT

City Administrative Code, Section 10.170-1 mandates that any department, board, or commission that seeks to accept and expend federal, State, or other grant funds in the amount of \$100,000 or more is subject to approval by resolution of the Board of Supervisors.

BACKGROUND

The federal Coronavirus Response and Relief Supplemental Appropriation (CRRSA) Act passed on December 27, 2020, provides over \$2 billion in economic relief funds for eligible U.S. airports and eligible concessions at airports affected by the COVID-19 public health emergency. The Federal Aviation Administration (FAA) has established the Airport Coronavirus Response Grant Program (ACRGP) to distribute these funds, which come directly from the U.S. Treasury's General Fund, and are designed to support the economic recovery of the national airport system.

San Francisco International Airport (Airport) received notice via email on February 16, 2021 that it is eligible for two types of ACRGP funding: General funding and Concessions Relief funding. The Airport was provided prepopulated application forms, including the dollar amount it had been allocated for each funding category.¹ The Airport returned the ACRGP applications (over three months in advance of the June 30, 2021 application deadline), and as of March 11, 2021 is awaiting FAA approval of the grant. According to the FAA, all ACRGP funds will be fully executed and obligated by September 30, 2021.

On March 2, 2021, pursuant to Resolution No. 21-0047, the Airport Commission authorized the Airport Director to accept and expend the anticipated ACRGP funding, subject to approval by resolution of the Board of Supervisors.

The grant funds will not be used to add new positions - therefore, acceptance and expenditure of these grants do not require an Annual Salary Ordinance amendment.

The Airport is meeting the employee retention requirement for receiving the ACRGP funds, according to Ronda Chu, Airport Capital Finance Director and Acting Budget Director. As of February 15, 2021, the Airport exceeded the 90 percent workforce retention requirement with an overall employee retention percentage of 100.4 percent, after adjusting the March 27, 2020 baseline Full Time Equivalent (FTE) report for retirements and voluntary employee separations. The workforce retention report was submitted to the FAA prior to the March 1, 2021 deadline.

The \$46,543,901 that would be provided to the Airport by the ACRGP is less than the \$254.8 million previously provided to the Airport by the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act, signed into law on March 27, 2020. Acceptance of ACRGP does not preclude the Airport from receiving other future federal funds.

¹ According to the FAA ACRGP website, grant allocations are distributed formulaically to primary commercial service airports based on the number of annual passenger boardings, in a model similar to the distribution of Airport Improvement Program (AIP) entitlement funds.

DETAILS OF PROPOSED LEGISLATION

The resolution would authorize the Airport Commission to accept and expend one or more grants from the FAA's ACRGP in the amount of up to \$46,543,901, plus additional amounts up to 15 percent of the original grant amount that may be offered.²

The Airport is poised to receive up to \$40,594,314 to reimburse costs incurred for certain general airport purposes including operations, personnel, cleaning, sanitization, janitorial services, combating the spread of pathogens at the Airport, and debt service payments incurred on or after January 20, 2020.

The Airport also expects to receive up to \$5,949,587 to reimburse costs of providing financial relief to eligible airport concessions, for providing relief from rent and minimum annual guarantees (MAG) to on-Airport car rental, on-Airport parking, and in-terminal Airport concessions. Only relief associated with rent due for concession occupancy or commercial use after December 27, 2020 (the date the CRRSA Act was enacted) is eligible for grant payment.

The FAA has not approved the Airport's grant application yet but is expected to do so. Under the ACRGP, Airport will submit payment requests for expenses already incurred.

The legislation allows for a maximum grant agreement term of four years from the date of acceptance (with the latest being on September 30, 2021). If the grant offer is accepted on September 30, 2021, the grant agreement term would extend through September 30, 2025, allowing the Airport to reimburse allowable costs until the grant is fully expended, but no later than September 30, 2025.

FISCAL IMPACT

According to Airport Grant Development Program Manager Ms. Tina Ko, the Airport anticipates using the total amount of ACRGP General Purpose funds provided (\$40,594,314) to reimburse approximately two months of personnel costs that were paid for with Airport Operating funds. Ms. Ko anticipates that the funds will be reimbursed in FY 2020-21 and/or FY 2021-22.

The expected \$5,830,596 ACRGP Concessions Relief funding does not overlap with other Airport grants.³ ACRGP Funds would be distributed proportionally to eligible concessionaires, according

² According to Airport Grant Development Program Manager Ms. Tina Ko, this "15 percent" clause is standard language included in all Airport grant resolutions in case additional grant funding becomes available.

³ The March 2020 CARES Act provided the Airport with \$254.8 million to pay for operations and maintenance expenses. The Airport provided approximately \$21.8 million financial relief for Airport tenants through the Airport's "2020 COVID-19 Emergency Rent Relief Program" which is separate from federal ACRGP Concessions Relief funding. In December 2020 (File No. 20-1278), the Board authorized the Airport to amend concession leases to waive rent and other fees for the time from March through December 2020. Since that program ended in December 2020, Airport concessions are resuming operations in phases, and reassuming their obligations to pay Percentage Rent of gross revenues, but not MAG rent which is currently suspended due to the impact of COVID-19 on air travel.

to grant guidelines,⁴ in the form of rent credits. The concessionaires can apply these rent credits towards the percentage rent, office rent, and/or storage rent that is due to the Airport after December 27, 2020. If a concession is currently not operating, and not paying rent, the rent credit will remain on the books and available to use when the concession re-opens. Ms. Ko estimates that the \$5,830,596 rent credits equate to one to two months of concessions' rent payment. In the absence of the ACRGP Concessions Relief funding, the Airport would have received the \$5,830,596 in rent dues from the concessions.

As authorized by the CRRSA Act, the Airport would retain up to 2 percent of \$5,949,587 (or \$118,991) for reimbursing direct costs of administering the ACRGP Concessions Relief funding. No indirect costs will be included for reimbursement.

As shown in Table 1, the grant funding is available at a 100 percent Federal share, with no Airport matching funding required.

POLICY CONSIDERATION

General Fund Impact

According to the Controller's FY 2020-21 Six-Month Budget Status Report, issued February 12, 2021, the Airport projects a net operating surplus of \$26.2 million for FY 2020-21. If this resolution is approved, then the net operating surplus would increase by the ACRGP grant award amount to \$66.9 million (\$40.6 million in General Purpose Funding plus \$118,991 in Administration Fees for Concessions Relief).

RECOMMENDATION

Approve the proposed resolution.

⁴ ACRGP guidelines for administering concession relief funds require airports to distribute funds proportionally according to the concessionaire's percent share of total base-line rent income. Source: <https://www.faa.gov/airports/crrsaa/media/ACRGP-FAQs-20210212.pdf>

The FAA has established the ACRGP to distribute these funds and intends to implement the program quickly to support the economic recovery of the national airport system.

The Airport is receiving:

As a requirement for receiving the ACRGP funds, the Airport must continue to employ through February 15, 2021, at least 90% of the number of individuals employed (after adjusting for retirements or voluntary employee separations) as of March 27, 2020.

Dear Airport Sponsor:

As announced by the Secretary of Transportation on February 12, 2021, your airport is eligible for funds under the Coronavirus Response and Relief Supplemental Appropriations Act (Public Law 116-260) (CRRSA). These funds will assist airport sponsors to address the COVID-19 public health emergency. The FAA will distribute these grants under the new Airport Coronavirus Response Grant Program (ACRGP).

There are three types of funding included in CRRSA with different restrictions on use. Your airport may receive one or two types of funding in the attached application.

1. **General:** Funding for costs related to operations, personnel, cleaning, sanitization, janitorial services, combating the spread of pathogens at the airport, and debt service payments. While this funding is similar to the CARES funding, it is more limited in scope. Any airport development must be directly related to combating the spread of pathogens at the airport. If you intend to use funds for development, please work with your Region/ADO prior to beginning the project.
2. **Contract Tower:** Funding to cover lawful expenses to support FAA contract tower operations. This type of funding is provided to sponsors of non-primary airports participating in the FAA Contract Tower Program and can only be used to support the contract tower.

The attached Application for Federal Assistance (OMB SF-424) is prepopulated with general airport information, including only the ACRGP general and Federal contract tower grant amount, for your airport. An application for an ACRGP concessions' relief grant may follow for primary airports.

For submission of ACRGP Applications for Federal Assistance (OMB SF-424), send the signed application to 9-awp-sfo-ado-communications@faa.gov with your State and location identifier (LOC ID) as the first 5 characters of the subject line and file name i.e. CASFO ACRGP Application.

Accepting an ACRGP grant does not impact your ability to receive Airport Improvement Program grants.

If you do not want to receive ACRGP funds, please respond to this email. In your response, please state that you do not wish to receive ACRGP funds and the reason.

To facilitate FAA offering an ACRGP grant, please contact your Region or Airports District Office if your airport grant signatories have changed.

We are available to assist you in any way possible. Please contact us if you have any questions or concerns. Additionally, there is detailed information about the Airport Coronavirus Response Grant Program at: <https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Favanan.url-protection.com%2Fv1%2Furl%3Fo%3Dhttps%253A%2F%2Fwww.faa.gov%2Fairports%2Fcrrsaa%2F%26g%3DZDkzYjNjOGE2M2Y1NjBlNw%3D%3D%26h%3DNjE1YTMzNTIyM2I3MWZjYmMxYTE3OGewODU4NmQ5MGU1ZmMzMGFkMGU3MzlhMmQ1YzYzYzQ3M2Q1YzE4NjYxNQ%3D%3D%26p%3DYXAzOnNmZHQyOmF2YW5hbJpvZmZpY2UzNjVfZW1haWxzX2VtYWlsOmUzNDgoMzEyOTY1OWExMmIyMmRjYWZiODUoY2VjNTQ5OnYx&data=04%7Co1%7CTzvet.Katchakova%4oflysfo.com%7C1986eb5712234e07e55c08d8d299f379%7C22d5c2cfce3e443d9a7dfcc0231f73f%7Co%7Co%7C637490906059930291%7CUnknown%7CTWFpbGZsb3d8eyJWIjoiMC4wLjAwMDAiLCJQIjoiV2luMzIiLCJBTiI6Ikk1haWwiLCJXVCi6Mno%3D%7C1000&sd ata=MKIolkQoKTQK6dA4TQW%2FUd1AoM%2BZoq3o1TrHOGPXLoo%3D&reserved=0>

By accepting these funds, you are committing to relieving rent and minimum annual guarantees, proportionally, for the entirety of your ACRGP concessions' grant amount. You may retain up to 2% of this amount for administrative fees.

For submission of ACRGP Applications for Federal Assistance (OMB SF-424), send the signed application to 9-awp-sfo-ado-communications@faa.gov, with your State and location identifier (LOC ID) as the first 5 characters of the subject line and file name i.e. CASFO ACRGP Concessions Application.

SUBJECT: Authorization to Accept and Expend Federal Funds in the Amounts of up to: (1) \$40,594,314 for Certain Lawful Airport Purposes, and (2) \$5,949,587 for the Purpose of Providing Relief to Eligible Concessionaires, for a Total Amount Not to Exceed \$46,543,901

DIRECTOR'S RECOMMENDATION: ACCEPT AND EXPEND FEDERAL FUNDS IN THE AMOUNTS OF UP TO: (1) \$40,594,314 FOR CERTAIN LAWFUL AIRPORT PURPOSES, AND (2) \$5,949,587 TO PROVIDE RELIEF TO ELIGIBLE CONCESSIONAIRES, FOR A TOTAL AMOUNT NOT TO EXCEED \$46,543,901, PLUS ADDITIONAL AMOUNTS UP TO 15% OF THE ORIGINAL AMOUNTS THAT MAY BE OFFERED.

Executive Summary

In Federal Fiscal Year (FFY) 2021, the San Francisco International Airport (Airport) anticipates receiving federal funds from the Federal Aviation Administration's (FAA) Airport Coronavirus Response Grant Program (ACRGP) for certain eligible purposes. The proposed Resolution authorizes the acceptance and expenditure of up to \$40,594,314 in ACRGP funds for certain lawful Airport purposes, and up to \$5,949,587 to provide relief to eligible concessionaires, for a total amount not to exceed \$46,543,901, plus additional amounts up to 15% of the original grant amounts that may be offered.

Background

The Coronavirus Response and Relief Supplemental Appropriation Act (CRRSAA) provides \$2 billion in economic relief funds for eligible U.S. airports and eligible concessions at those airports affected by the COVID-19 public health emergency. The FAA has established the ACRGP to distribute these funds and intends to implement the program quickly to support the economic recovery of the national airport system.

AIRPORT COMMISSION CITY AND COUNTY OF SAN FRANCISCO

LONDON N. BREED MAYOR LARRY MAZZOLA PRESIDENT ELEANOR JOHNS VICE PRESIDENT RICHARD J. GUGGENHIME EVERETT A. HEWLETT, JR. MALCOLM YEUNG IVAR C. SATERO AIRPORT DIRECTOR

The CRRSAA funding for eligible U.S. airports is formula-based grant funding with two components:

- (1) For costs related to operations, personnel, cleaning, sanitization, janitorial services, combating the spread of pathogens at the airport, and debt service payments (General Purpose Funding); and
- (2) For providing relief from rent and minimum annual guarantees (MAG) to on-airport car rental, on-airport parking, and in-terminal airport concessions (Concessions Relief Funding).

There is no local match required for the ACRGP funds.

As a requirement for receiving ACRGP funds, the City and County of San Francisco, as sponsor of the Airport, must continue to employ, through February 15, 2021, at least 90% of the number of individuals employed (after adjusting for retirements or voluntary employee separations) at the Airport as of March 27, 2020.

Funds remaining from the Coronavirus Aid, Relief, and Economic Security (CARES) Act are re-allocated to airports through CRRSAA and any funds remaining under the CRRSAA or the CARES Act, may be re-allocated to airports in the future. Furthermore, there are ongoing industry efforts to secure additional federal funding to provide economic relief to airports. Staff will return to the Commission for authorization to accept and expend any additional federal funds that may be offered to the Airport in the future in response to the COVID-19 public health emergency.

ACRGP Funds

Based on FAA's calculation of the statutory formula under the CRRSAA, the Airport expects to receive up to \$46,543,901 of ACRGP funds, as follows:

- (1) Up to \$40,594,314 for costs related to operations, personnel, cleaning, sanitization, janitorial services, combating the spread of pathogens at the airport, and debt service payments; and
- (2) Up to \$5,949,587 for providing rent and MAG relief to on-airport car rental, on-airport parking, and in-terminal airport concessions.

The \$40,594,314 of funding for more general Airport purposes includes \$8,649,943 of remaining CARES Act funds that FAA has re-allocated to the Airport.

The FAA will distribute the funds on a reimbursement basis for eligible expenditures.

The CRRSAA allows for airports to retain up to 2% of the Concessions Relief Funding received to cover costs to administer the required relief. Staff plans to request reimbursement from FAA for this administrative amount, estimated at \$118,991.

As a condition of receiving this rent and MAG relief, each concession tenant must comply with (i) all applicable federal, state, and local laws, including all guidance and directives from public health authorities; (ii) all terms and conditions of the tenant's lease; and (iii) the Airport Rules and Regulations, including but not limited to Rule 12 Workforce Harmony. Failure to satisfy these requirements could result in a default under the terms and conditions of the lease.

The attached Resolution authorizes the acceptance and expenditure of the ACRGP funds for eligible budgeted Airport operations and maintenance expenses and/or debt service, and for rent and MAG relief to Airport concessions, over a period of up to four years from the date of grant acceptance.

Additional Authorizations

Approval of the San Francisco Board of Supervisors (Board) is required to accept and expend grants of this type in the amount of \$100,000 or more.

The Airport has not yet received Board approval to accept and expend the ACRGP funds. If approved by the Commission, the Airport will seek the approval of the Board to accept and expend the ACRGP funds.

Recommendation

I recommend the Commission adopt the attached Resolution authorizing the acceptance and expenditure of up to \$40,594,314 in ACRGP funds for certain lawful Airport purposes, and up to \$5,949,587 in ACRGP funds to provide relief to eligible concessionaires, for a total amount not to exceed \$46,543,901, plus additional amounts up to 15% of the original grant amounts that may be offered. I further recommend that the Commission authorize the Commission Secretary to seek approval from the Board to accept and expend the ACRGP funds.
