EXECUTIVE SUMMARY

Legislative Objective

- File 12-0409 would approve the second amendment to the existing agreement between the Department of Public Health (DPH) and Apollo Health Street, Inc. (Apollo) to (1) extend the agreement by four years, from July 1, 2012 through June 30, 2016, and (2) increase the not-to-exceed amount by \$1,450,000, from \$2,225,000 to \$3,675,000.
- File 12-0411 would approve the second amendment to the existing agreement between DPH and Triage Consulting Group (Triage) to (1) extend the agreement by four years from July 1, 2012 through June 30, 2016, and (2) increase the not-to-exceed amount by \$478,761, from \$1,345,000 to \$1,823,761.

Key Points

- DPH issued a Request for Proposals (RFP) in 2008 to select vendors to collect patient accounts that DPH was unable to collect. DPH selected Accordis, Inc. to collect aged patient accounts and Triage to retroactively collect on closed patient accounts that were underpaid. The Board of Supervisors previously approved the original agreements between DPH and Accordis, Inc. (File 08-1141) and between DPH and Triage (File 08-1142). Subsequently, the agreement between DPH and Accordis, Inc. was assigned to Apollo.

Fiscal Impacts

- According to Ms. Diana Guevara, Community Health Network (CHN) Patient Financial Services Director, DPH is proposing increases in the not-to-exceed amounts of the agreements between DPH and Apollo and between DPH and Triage, as noted above, to allow for sufficient authorization to pay fees to Apollo and to Triage from July 1, 2012 through June 30, 2016.
- Apollo is paid up to 25% of revenue collected from aged DPH patient accounts, depending on the type of account. From FY 2008-09 through FY 2010-11, Apollo has collected \$8,721,955 in aged patient accounts, of which \$1,074,876, or 12.3%, were fees paid to Apollo, and \$7,647,079, or 87.7%, were net revenue to DPH.
- Triage is paid 25% of revenue collected from retroactively claiming closed DPH patient accounts that have been underpaid. From FY 2008-09 through FY 2010-11, Triage collected \$963,958 in closed patient accounts that were underpaid, of which \$240,990, or 25%, were fees paid to Triage, and \$722,968, or 75%, were net revenues to DPH. According to Ms. Guevara, revenue from underpaid closed accounts collected by Triage has decreased from FY 2008-09 through FY 2010-11 because (1) San Francisco General Hospital has terminated all third party payer contracts except for MediCal and Medicare; and (2) San Francisco General Hospital has closed its Occupational Health Clinic, thus terminating Workers Compensation accounts which were previously a large source of underpaid closed accounts. According to Ms. Guevara, DPH has implemented billing and collection procedures, based on recommendations made by Triage, which have also reduced the number of closed accounts that are underpaid.

Recommendation

- Approve the proposed resolutions.

MANDATE STATEMENT / BACKGROUND**Mandate Statement**

In accordance with City Charter Section 9.118, any agreement having anticipated revenue to the City of \$1 million or more, or the modification of such an agreement, is subject to approval by the Board of Supervisors.

Background**Apollo Health Street, Inc. (File 12-0409)**

The Board of Supervisors previously approved an agreement between the Department of Public Health (DPH) and Accordis, Inc. (Accordis) for four years, from July 1, 2008 through June 30, 2012 (File 08-1141). Accordis was selected, based on a competitive Request for Proposals (RFP), to pursue aged patient accounts from third party payers.

In February 2011, DPH agreed to the assignment of the existing agreement with Accordis to Apollo Health Street, Inc. (Apollo). Under the existing agreement, Apollo identifies DPH aged patient accounts; determines patient eligibility for MediCal, Medicare, or other third party coverage; and pursues billing and collection from third party payers.

Triage Consulting Group (File 12-0411)

The Board of Supervisors approved the existing agreement between DPH and the Triage Consulting Group (Triage) for four years, from July 1, 2008 through June 30, 2012 (File 08-1142). Triage was selected, based on a competitive RFP, to provide retroactive claiming of closed paid patient accounts. Triage pursues collections with third party payers, such as MediCal and Medicare, for closed patient accounts that have been underpaid.

DETAILS OF PROPOSED LEGISLATION

File 12-0409 is a resolution approving the second amendment to the existing agreement between DPH and Apollo, which increases the term of the agreement by four years, and increases the not-to-exceed amount of the agreement by \$1,450,000, from \$2,225,000 to \$3,675,000, as shown in Table 1 below.

File 12-0411 is a resolution approving the second amendment to the existing agreement between DPH and Triage, which increases the term by four years, and increases the not-to-exceed amount of the agreement by \$478,761, from \$1,345,000 to \$1,823,716, as shown in Table 2 below.

FISCAL IMPACT

According to Ms. Diana Guevara, Community Health Network (CHN) Patient Financial Services Director, DPH is proposing:

- (1) An increase in the not-to-exceed amount in the agreement between DPH and Apollo of \$1,450,000, from the existing not-to-exceed amount of \$2,225,000 under the first amendment to a proposed not-to-exceed amount of \$3,675,000 (see Table 1 above) to allow for sufficient authorization to pay Apollo's fees from July 1, 2012 through June 30, 2016; and
- (2) An increase in the not-to-exceed amount in the agreement between DPH and Triage of \$478,761, from the existing not-to-exceed amount of \$1,345,000 under the first amendment to a proposed not-to-exceed amount of \$1,823,761 (see Table 2 above) to allow for sufficient authorization to pay Triage's fees from July 1, 2012 through June 30, 2016.

Apollo's fees are based on the revenue that they collect from aged DPH patient accounts. Apollo is paid up to 25% of revenue collected, depending on the type of account¹. As shown in Table 3 below, Apollo collected \$8,721,955 in revenues from FY 2008-09 through FY 2010-11. Fees paid to Apollo were \$1,074,876 and net revenues to DPH were \$7,647,079 (\$8,721,955 less \$1,074,876).

Table 3
Collection of Aged Accounts by Apollo
FY 2008-09 through FY 2010-11

Fiscal Year	Revenue Collected	Fees Paid to Apollo	Net Revenues to DPH
FY 2008-09	\$2,846,563	\$313,935	\$2,532,627
FY 2009-10	2,962,817	386,426	2,576,392
FY 2010-11	2,912,575	374,515	2,538,059
Total	\$8,721,955	\$1,074,876	\$7,647,079

Source: DPH

Under the existing agreement, Triage is paid 25% of all revenue collected by Triage from third party payers for DPH closed accounts. As shown in Table 4 below, Triage collected \$963,958 in revenues from FY 2008-09 through FY 2010-11. Fees paid to Triage were \$240,990 and net revenues to DPH were \$722,968 (\$963,957 less \$240,990).

¹Under the existing agreement, Apollo is paid from 15% to 25% of collected revenues depending on the type of account. The total fee may be less than 15% of collected revenues if Apollo collects more than the baseline amount for self-pay patient accounts.

Table 4
Collection of Underpaid Closed Accounts by Triage
FY 2008-09 through FY 2010-11

Fiscal Year	Revenue Collected	25% Fees to Triage	Net Revenues to DPH
FY 2008-09	\$671,557	\$167,889	\$503,667
FY 2009-10	212,401	53,100	159,301
FY 2010-11	80,000	20,000	60,000
Total	\$963,958	\$240,990	\$722,968

Source: DPH

As shown in Table 4 above, total revenue collected by Triage for underpaid closed accounts from FY 2008-09 through FY 2010-11 decreased. According to Ms. Guevara, revenue from underpaid closed accounts collected by Triage has decreased in part because (1) San Francisco General Hospital has terminated all third party payer contracts except for MediCal and Medicare; and (2) San Francisco General Hospital has closed its Occupational Health Clinic, thus terminating Workers Compensation accounts which were previously a large source of underpaid closed accounts. According to Ms. Guevara, DPH has implemented billing and collection procedures, based on recommendations made by Triage, which have also reduced the number of closed accounts that are underpaid.

Such section is hereby amended in its entirety to read as follows:

d. h. Approval of the insurance by City shall not relieve or decrease the liability of Contractor hereunder.

Such section is hereby amended in its entirety to read as follows:

c. Regarding Workers' Compensation, Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

i. Approval of the insurance by City shall not relieve or decrease the liability of Contractor hereunder.

2c. Section 42 of the Agreement currently reads as follows:

42. LIMITATIONS ON CONTRIBUTIONS

Through execution of this Agreement, Contractor acknowledges that it is familiar with section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or a board on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Contractor acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Contractor further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Contractor's board of directors; Contractor's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Contractor; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Contractor. Additionally, Contractor acknowledges that Contractor must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126.

Such section is hereby amended in its entirety to read as follows:

Additionally, Contractor acknowledges that Contractor must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126.

2d. Section 45 of the Agreement currently reads as follows:

45. **FIRST SOURCE HIRING PROGRAM**

a. **Incorporation of Administrative Code Provisions by Reference**

The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 83.

b. **First Source Hiring Agreement**

As an essential term of, and consideration for, any contract or property contract with the City, not exempted by the FSHA, the Contractor shall enter into a first source hiring agreement ("agreement") with the City, on or before the effective date of the contract or property contract. Contractors shall also enter into an agreement with the City for any other work that it performs in the City. Such agreement shall:

(1) Set appropriate hiring and retention goals for entry level positions. The employer shall agree to achieve these hiring and retention goals, or, if unable to achieve these goals, to establish good faith efforts as to its attempts to do so, as set forth in the agreement. The agreement shall take into consideration the employer's participation in existing job training, referral and/or brokerage programs. Within the discretion of the FSHA, subject to appropriate modifications, participation in such programs maybe certified as meeting the requirements of this Chapter. Failure either to achieve the specified goal, or to establish good faith efforts will constitute noncompliance and will subject the employer to the provisions of Section 83.10 of this Chapter.

(2) Set first source interviewing, recruitment and hiring requirements, which will provide the San Francisco Workforce Development System with the first opportunity to provide qualified economically disadvantaged individuals for consideration for employment for entry level positions. Employers shall consider all applications of qualified economically disadvantaged individuals referred by the System for employment; provided however, if the employer utilizes nondiscriminatory screening criteria, the employer shall have the sole discretion to interview and/or hire individuals referred or certified by the San Francisco Workforce Development System as being qualified economically disadvantaged individuals. The duration of the first source interviewing requirement shall be determined by the FSHA and shall be set forth in each agreement, but shall not exceed 10 days. During that period, the employer may publicize the entry level positions in accordance with the agreement. A need for urgent or temporary hires must be evaluated, and appropriate provisions for such a situation must be made in the agreement.

(3) Set appropriate requirements for providing notification of available entry level positions to the San Francisco Workforce Development System so that the System may train and refer an adequate pool of qualified economically disadvantaged individuals to participating employers. Notification should include such information as employment needs by occupational title, skills, and/or experience required, the hours required, wage scale and duration of employment, identification of entry level and training positions, identification of English language proficiency requirements, or absence thereof, and the projected schedule and procedures for hiring for each occupation. Employers should provide both long-term job need projections and notice before initiating the interviewing and hiring process. These notification requirements will take into consideration any need to protect the employer's proprietary information.

(4) Set appropriate record keeping and monitoring requirements. The First Source Hiring Administration shall develop easy-to-use forms and record keeping requirements for documenting compliance with the agreement. To the greatest extent possible, these requirements shall utilize the employer's existing record keeping systems, be nonduplicative, and facilitate a coordinated flow of information and referrals.

(5) Establish guidelines for employer good faith efforts to comply with the first source hiring requirements of this Chapter. The FSHA will work with City departments to develop employer good faith effort requirements appropriate to the types of contracts and property contracts handled by each department. Employers shall appoint a liaison for dealing with the development and implementation of the employer's agreement. In the event that the FSHA finds that the employer under a City contract or property contract has taken actions primarily for the purpose of circumventing the requirements of this Chapter, that employer shall be subject to the sanctions set forth in Section 83.10 of this Chapter.

(6) Set the term of the requirements.

(7) Set appropriate enforcement and sanctioning standards consistent with this Chapter.

(8) Set forth the City's obligations to develop training programs, job applicant referrals, technical assistance, and information systems that assist the employer in complying with this Chapter.

(9) Require the developer to include notice of the requirements of this Chapter in leases, subleases, and other occupancy contracts.

c. Hiring Decisions

Contractor shall make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.

d. Exceptions

Upon application by Employer, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.

e. Liquidated Damages

Contractor agrees:

(1) To be liable to the City for liquidated damages as provided in this section;

(2) To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this section;

(3) That the contractor's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantify; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first

investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.

(4) That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;

(5) That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this section is based on the following data:

A. The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and

B. In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to an employer and who is hired in an entry level position is at least one year;

therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.

(6) That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and

(7) That in the event the City is the prevailing party in a civil action to recover liquidated damages for breach of a contract provision required by this Chapter, the contractor will be liable for the City's costs and reasonable attorneys fees.

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors shall be made by the FSHA.

f. Subcontracts

Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of Chapter 83 and shall contain contractual obligations substantially the same as those set forth in this Section.

Such section is hereby amended in its entirety to read as follows:

Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Contractor's failure to comply with this provision.
