Neighborhood-based Community Learning Hubs

Board of Supervisor
Joint Select Committee
July 24, 2020

Key Rational

- SFUSD has planned for **distance learning** for the Fall 2020-2021 Academic year
- There were a significant number of children who did not fully benefit from distance learning since Shelter-In-Place Order was issued
- The American Academy of Pediatrics, the CDC and CDE all agree that children need in-person learning to prevent further decline in academic and social-emotional development
- As the City reopens our economy, parents/guardians need safe places for their children to go during the day
- Public transportation is projected to operate **at 30% of normal capacity** by end of August

What is a Community Learning Hub?

- These are neighborhood-based facilities (i.e. Rec Centers, Libraries, CBO facilities, Cultural Centers, City College, and other City owned buildings) that will provide in-person supports for children, and youth.
- Community Hub hours of operation will accommodate working parents. They will include early drop-off and late pick-ups.
- Hubs will be managed and operated by DCYF's CBO partners.
- Hubs will provide CYF access to technology devices to aide in distance learning.
- Hubs will provide social-emotional supports for CYF.
