MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

Chapter 21B of the Administrative Code authorizes the Department of Homelessness and Supportive Housing (HSH) to enter into and amend contracts for homeless services without competitive bidding. This waiver is valid until March 2024, or until the Point In Time (PIT) count is at 5,350.¹ In accordance with Chapter 21B, HSH awarded the proposed contract with Urban Alchemy to operate a semi-congregate shelter at 711 Post Street without a competitive solicitation.

Urban Alchemy is a San Francisco-based non-profit founded in 2018. As of December 30, 2021, Urban Alchemy currently operates under five other HSH contracts serving adults experiencing homelessness in the City: Services at Shelter in Place Hotel Site 5, Safe Sleep at Fulton, Safe Sleep at 33 Gough, Safe Sleep at 180 Jones, and a Vehicle Triage Center on Carrol Street. All five contracts are under the \$10 million threshold that would require Board of Supervisors approval. HSH reports that Urban Alchemy has been successful in operating all contracts and furthermore, is able to begin services at the new 711 Post St. location in a timely manner.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve a grant agreement between the City and Urban Alchemy to operate a semi-congregate shelter for approximately 250 adults experiencing homelessness at 711 Post Street, for a total term of February 1, 2022 through June 30, 2024, and for a total not-to-exceed amount of \$18,736,820. The proposed not-to-exceed amount includes a contingency of 23 percent, or \$3,503,633. The proposed resolution would also affirm the Planning Department’s determination that the temporary shelter operation is not subject to the California Environmental Quality Act (CEQA) and is consistent with the City’s General Plan and policy priorities of Planning Code Section 101.1.²

¹ The 5,350 threshold figure below the most recent 2019 point in time count of 8,035. The point in time count is regularly conducted every two years, but the 2021 effort did not occur due to COVID. The next full count is anticipated for 2022, with figures expected to be available in June 2022.

² According to the Planning Department, under Assembly Bill 101, the proposed shelter at 711 Post Street does not require environmental review under California Environmental Quality Act (CEQA) because it meets the use by right criteria of being a low barrier navigation center located in a mixed-use zoning area.

Services Provided

Under the proposed grant agreement, Urban Alchemy would provide semi-congregate shelter operations and support services at the 123-unit Ansonia Hotel at 711 Post Street to approximately 250 single adults. Guests must be referred to the program by the City-approved shelter referral systems and processes. Under the agreement, the number of guests served may vary to account for COVID-19 social distancing protocol. Urban Alchemy would provide onsite shelter operations and support services, and obtain and manage other vendors for laundry, meals, and internet.

The program is part of HSH's emergency response to both street homelessness and COVID-19 to quickly open additional non-congregate/semi-congregate shelter beds while congregate shelter is at lower COVID-19 capacity, and as an alternative to outside Safe Sleep sites during the colder months. (See Policy Consideration below)

Reporting Requirements

According to Appendix A of the proposed grant agreement, Urban Alchemy is to provide monthly Shelter Community Meetings (at least 60 percent of guests are to attend), a quarterly resident survey (at least 50 percent of guests are to complete the survey and 75 percent of those shall rate the services as good or excellent), and a complaints process for residents, provide intake and orientation to all guests, turnover beds within 24 hours, refer all guests to employment benefits and other eligible services, and offer assessment for other HSH services (Problem Solving & Coordinated Entry) within one-week of placement

Urban Alchemy is to use various City data systems to maintain current and former guest lists and their relevant associated information, including the ONE (Online Navigation and Entry) System and RTZ, which are systems that record client information through the system of care.

Program Monitoring

HSH will review supporting documentation from Urban Alchemy including monthly and annual invoice review, program monitoring and fiscal and compliance monitoring, and tracking alignment with the aforementioned service objectives.

Note: Operating Expenses include Utilities, Office Supplies, Building Maintenance Supplies and Repair, Insurance, Staff Training, Client Supplies, Internet, and Uniforms. Other Expenses include Rental of Property and subcontracted Laundry Services. "Other Revenues" refers to funding sources that have not yet been determined.

As shown above, the proposed grant would provide \$15,233,188 of funding to the emergency shelter at 711 Post Street from February 1, 2022 through June 30, 2024, a term of two years and five months. According to HSH, the Department plans issue a Request for Proposals for temporary shelter providers in FY 2022-23 and current temporary shelter agreements are therefore being set through June 2024.

FY 2021-22 expenses from February 1, 2022 through June 30, 2022 are covered by Proposition C, the Gross Receipts Tax for Homelessness Services.³ The funding sources for the remaining two years of operations have not been identified and will be determined in the next annual appropriation process.

The annualized cost of the proposed temporary shelter is \$6.3 million, not including the contingency amount.

Rental of Property

711 Post Street was formerly run as a youth hostel but is no longer active. No tenants remain at the site and the property is vacant. The property owner is "711 Post LLC." Under the proposed grant agreement, Urban Alchemy will execute a lease with 711 Post LLC for use of the property as a temporary shelter. HSH reports that having the operator hold the lease allows for the

operator to provide building maintenance and facilities support and pay rent directly with the property owner. This also allows for direct communication between the operator and building owner when issues arise with the property so they can be immediately addressed. The proposed grant agreement provides for maintenance and facilities management staff.

According to the grant agreement, Urban Alchemy's lease for 711 Post Street has annual lease cost of \$1,976,400 (approximately \$53.74 per square foot for 36,780 square feet). According to HSH, the cost is based on \$1,400 per month for 48 rooms with private bathrooms and \$1,300 per month for 75 rooms without bathrooms. The City did not attempt to purchase the building, however, according to HSH staff, the lease agreement provides the City a First Right of Offer to Purchase.

Payment for Services

Urban Alchemy will submit invoices and supporting documentation to HSH on a monthly basis and be reimbursed only for actual costs incurred.

Program Cost

The annual cost of the proposed grant agreement is \$6.3 million for 250 beds, or approximately \$69 per bed per night, not including meals. Based on other reporting, this is less than the cost of a Safe Sleeping site (\$190 per night, as shown in our report for File 20-1187), a Vehicle Triage parking spot (\$105 per night, per the February 2021 Controller's Office Vehicle Triage Center Evaluation), and a Navigation Center bed (\$87 per night, based on information in our report for File 19-0418).

POLICY CONSIDERATION

Shelter System

As part of the Mayor's Homelessness Recovery Plan, HSH is working to open 2,100 total adult and transitional age youth shelter beds by June 30, 2022. This goal includes the addition of new beds and re-opening of shelter and navigation center beds that were closed during the pandemic. According to HSH data, the Department has opened 1,075 congregate and semi-congregate shelter beds. The 250 beds at 711 Post are part of the pipeline of 2,100 shelter beds HSH is working to open or reopen.

Contingency

As shown above, the proposed grant budget includes a \$3.5 million or 23 percent contingency, which is higher than the contingencies in other HSH services contracts, which typically range for 8 percent to 12 percent. According to HSH, the relatively high contingency amount is to allow for increased capacity of up to 318 total beds in the final year of the grant agreement, if feasible, given the state of the pandemic.

Grantee acknowledges that City budget decisions are subject to the discretion of its Mayor and Board of Supervisors. Grantee assumes all risk of possible non-appropriation or non-certification of funds, and such assumption is part of the consideration for this Agreement.

2.2 Certification of Controller. Charges will accrue only after prior written authorization certified by the Controller, and the amount of City's obligation shall not at any time exceed the amount certified for the purpose and period stated in such advance

authorization.

- 2.3 Automatic Termination for Non-Appropriation of Funds.** This Agreement shall automatically terminate, without penalty, liability or expense of any kind to City, at the end of any Fiscal Year if funds are not appropriated for the next succeeding Fiscal Year. If funds are appropriated for a portion of any Fiscal Year, this Agreement shall terminate, without penalty, liability or expense of any kind to City, at the end of such portion of the Fiscal Year.
- 2.4 SUPERSEDURE OF CONFLICTING PROVISIONS.** IN THE EVENT OF ANY CONFLICT BETWEEN ANY OF THE PROVISIONS OF THIS ARTICLE 2 AND ANY OTHER PROVISION OF THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, THE TERMS OF THIS ARTICLE 2 SHALL GOVERN.
- 2.5 Maximum Costs.** Except as may be provided by City ordinances governing emergency conditions, City and its employees and officers are not authorized to request Grantee to perform services or to provide materials, equipment and supplies that would result in Grantee performing services or providing materials, equipment and supplies that are beyond the scope of the services, materials, equipment and supplies specified in this Agreement unless this Agreement is amended in writing and approved as required by law to authorize the additional services, materials, equipment or supplies. City is not required to pay Grantee for services, materials, equipment or supplies provided by Grantee that are beyond the scope of the services, materials, equipment and supplies agreed upon herein and not approved by a written amendment to this Agreement lawfully executed by City. City and its employees and officers are not authorized to offer or promise to Grantee additional funding for this Agreement that exceeds the maximum amount of funding provided for herein. Additional funding for this Agreement in excess of the maximum provided herein shall require lawful approval and certification by the Controller. City is not required to honor any offered or promised additional funding which exceeds the maximum provided in this Agreement which requires lawful approval and certification of the Controller when the lawful approval and certification by the Controller has not been obtained. The Controller is not authorized to make payments on any agreement for which funds have not been certified as available in the budget or by supplemental appropriation.

ARTICLE 3 TERM

- 3.1 Effective Date.** This Agreement shall become effective when the Controller has certified to the availability of funds as set forth in Section 2.2 and the Department has notified Grantee thereof in writing.

ARTICLE 4 IMPLEMENTATION OF GRANT PLAN

- 4.1 Implementation of Grant Plan; Cooperation with Monitoring.** Grantee shall diligently and in good faith implement the Grant Plan on the terms and conditions set forth in this Agreement and, to the extent that they do not differ from this Agreement, the Application Documents. Grantee shall not materially change the nature or scope of the Grant Plan during the term of this Agreement without the prior written consent of City. Grantee shall promptly comply with all standards, specifications and formats of City, as they may from time to time exist, related to evaluation, planning and monitoring of the Grant Plan and shall cooperate in good faith with City in any evaluation, planning or monitoring activities conducted or authorized by City.
- 4.2 Grantee's Personnel.** The Grant Plan shall be implemented only by competent personnel under the direction and supervision of Grantee.
- 4.3 Ownership of Results.** Any interest of Grantee or any subgrantee, in drawings, plans, specifications, studies, reports, memoranda, computation sheets, the contents of computer diskettes, or other documents or Publications prepared by Grantee or any subgrantee in connection with this Agreement or the implementation of the Grant Plan or the services to be performed under this Agreement, shall become the property of and be promptly transmitted to City. Notwithstanding the foregoing, Grantee may retain and use copies for reference and as documentation of its experience and capabilities.
- 4.4 Works for Hire.** If, in connection with this Agreement or the implementation of the Grant Plan, Grantee or any subgrantee creates artwork, copy, posters, billboards, photographs, videotapes, audiotapes, systems designs, software, reports, diagrams, surveys, source codes or any other original works of authorship or Publications, such creations shall be works for hire as defined under Title 17 of the United States Code, and all copyrights in such creations shall be the property of City. If it is ever determined that any such creations are not works for hire under applicable law, Grantee hereby assigns all copyrights thereto to City, and agrees to provide any material, execute such documents and take such other actions as may be necessary or desirable to effect such assignment. With the prior written approval of City, Grantee may retain and use copies of such creations for reference and as documentation of its experience and capabilities. Grantee shall obtain all releases, assignments or other agreements from subgrantees or other

persons or entities implementing the Grant Plan to ensure that City obtains the rights set forth in this Grant.

4.5 Publications and Work Product.

- (a) Grantee understands and agrees that City has the right to review, approve, disapprove or conditionally approve, in its sole discretion, the work and property funded in whole or part with the Grant Funds, whether those elements are written, oral or in any other medium. Grantee has the burden of demonstrating to City that each element of work or property funded in whole or part with the Grant Funds is directly and integrally related to the Grant Plan as approved by City. City shall have the sole and final discretion to determine whether Grantee has met this burden.
- (b) Without limiting the obligations of Grantee set forth in subsection (a) above, Grantee shall submit to City for City's prior written approval any Publication, and Grantee shall not disseminate any such Publication unless and until it receives City's consent. In addition, Grantee shall submit to City for approval, if City so requests, any other program material or form that Grantee uses or proposes to use in furtherance of the Grant Plan, and Grantee shall promptly provide to City one copy of all such materials or forms within two (2) days following City's request. The City's approval of any material hereunder shall not be deemed an endorsement of, or agreement with, the contents of such material, and the City shall have no liability or responsibility for any such contents. The City reserves the right to disapprove any material covered by this section at any time, notwithstanding a prior approval by the City of such material. Grantee shall not charge for the use or distribution of any Publication funded all or in part with the Grant Funds, without first obtaining City's written consent, which City may give or withhold in its sole discretion.
- (c) Grantee shall distribute any Publication solely within San Francisco, unless City otherwise gives its prior written consent, which City may give or withhold in its sole discretion. In addition, Grantee shall furnish any services funded in whole or part with the Grant Funds under this Agreement solely within San Francisco, unless City otherwise gives its prior written consent, which City may give or withhold in its sole discretion.
- (d) City may disapprove any element of work or property funded in whole or part by the Grant Funds that City determines, in its sole discretion, has any of the following characteristics: is divisive or discriminatory; undermines the purpose of the Grant Plan; discourages otherwise qualified potential employees or volunteers or any clients from participating in activities covered under the Grant Plan; undermines the effective delivery of services to clients of Grantee; hinders the achievement of any other purpose of City in making the Grant under this Agreement; or violates any other provision of this Agreement or applicable law. If City disapproves any element of the Grant Plan as implemented, or requires any change to it, Grantee shall immediately eliminate the disapproved portions and make the required changes. If City disapproves any materials, activities or services provided by third

parties, Grantee shall immediately cease using the materials and terminate the activities or services and shall, at City's request, require that Grantee obtain the return of materials from recipients or deliver such materials to City or destroy them.

- (e) City has the right to monitor from time to time the administration by Grantee or any of its subcontractors of any programs or other work, including, without limitation, educational programs or trainings, funded in whole or part by the Grant Funds, to ensure that Grantee is performing such element of the Grant Plan, or causing such element of the Grant Plan to be performed, consistent with the terms and conditions of this Agreement.
- (f) Grantee shall acknowledge City's funding under this Agreement in all Publications. Such acknowledgment shall conspicuously state that the activities are sponsored in whole or in part through a grant from the Department. Except as set forth in this subsection, Grantee shall not use the name of the Department or City (as a reference to the municipal corporation as opposed to location) in any Publication without prior written approval of City.

ARTICLE 5 USE AND DISBURSEMENT OF GRANT FUNDS

5.1 Maximum Amount of Grant Funds.

- (a) In no event shall the amount of Grant Funds disbursed hereunder exceed **Eighteen Million Seven Hundred Thirty Six Thousand Eight Hundred Twenty Dollars (\$18,736,820)**.
- (b) Grantee understands that, of the Maximum Amount of Grant Funds listed under Article 5.1 (a) of this Agreement, **Three Million Five Hundred Three Thousand Six Hundred Thirty Three Dollars (\$3,503,633)** is included as a contingency amount and is neither to be used in Budget(s) attached to this Agreement or available to Grantee without a modification to the Appendix B, Budget, which has been approved by the Department of Homelessness and Supportive Housing. Grantee further understands that no payment for any portion of this contingency amount will be made unless and until a modification or revision has been fully approved and executed in accordance with applicable City and Department laws, regulations, policies/procedures and certification as to the availability of funds by Controller. Grantee agrees to fully comply with these laws, regulations, and policies/procedures.

5.2 Use of Grant Funds. Grantee shall use the Grant Funds only for Eligible Expenses as set forth in Appendix A, Services to be Provided and Appendix B, Budget and for no other purpose. Grantee shall expend the Grant Funds in accordance with the Budget and shall

obtain the prior approval of City before transferring expenditures from one line item to another within the Budget.

5.3 Disbursement Procedures. Grant Funds shall be disbursed to Grantee as follows:

- (a) Grantee shall submit to the Department for approval, in the manner specified for notices pursuant to Article 15, a document (a “Funding Request”) substantially in the form attached as Appendix C, Method of Payment. Any unapproved Funding Requests shall be returned by the Department to Grantee with a brief explanation why the Funding Request was rejected. If any such rejection relates only to a portion of Eligible Expenses itemized in a Funding Request, the Department shall have no obligation to disburse any Grant Funds for any other Eligible Expenses itemized in such Funding Request unless and until Grantee submits a Funding Request that is in all respects acceptable to the Department.
- (b) The Department shall make all disbursements of Grant Funds pursuant to this Section through electronic payment or by check payable to Grantee sent via U.S. mail in accordance with Article 15, unless the Department otherwise agrees in writing, in its sole discretion. For electronic payment, City vendors receiving new contracts, contract renewals, or contract extensions must sign up to receive electronic payments through the City's Automated Clearing House (ACH) payments service/provider. Electronic payments are processed every business day and are safe and secure. To sign up for electronic payments, visit www.sfgov.org/ach. The Department shall make disbursements of Grant Funds as set forth in Appendix C, Method of Payment.

5.4 Reserved. (State or Federal Funds).

**ARTICLE 6
REPORTING REQUIREMENTS; AUDITS;
PENALTIES FOR FALSE CLAIMS**

- 6.1 Regular Reports.** Grantee shall provide, in a prompt and timely manner, financial, operational and other reports, as requested by the Department, in form and substance satisfactory to the Department. Such reports, including any copies, shall be submitted on recycled paper and printed on double-sided pages, to the maximum extent possible.
- 6.2 Organizational Documents.** If requested by City, Grantee shall provide to City the names of its current officers and directors and certified copies of its Articles of Incorporation and Bylaws as well as satisfactory evidence of the valid nonprofit status described in Section 8.1.
- 6.3 Notification of Defaults or Changes in Circumstances.** Grantee shall notify City immediately of (a) any Event of Default or event that, with the passage of time, would constitute an Event of Default; and (b) any change of circumstances that would cause any of the representations and warranties contained in Article 8 to be false or misleading at

any time during the term of this Agreement.

- 6.4 Financial Statements.** Pursuant to San Francisco Administrative Code Section 67.32 and Controller requirements, if requested, within sixty (60) days following the end of each Fiscal Year, Grantee shall deliver to City an unaudited balance sheet and the related statement of income and cash flows for such Fiscal Year, all in reasonable detail acceptable to City, certified by an appropriate financial officer of Grantee as accurately presenting the financial position of Grantee. If requested by City, Grantee shall also deliver to City, no later than one hundred twenty (120) days following the end of any Fiscal Year, an audited balance sheet and the related statement of income and cash flows for such Fiscal Year, certified by a reputable accounting firm as accurately presenting the financial position of Grantee.
- 6.5 Books and Records.** Grantee shall establish and maintain accurate files and records of all aspects of the Grant Plan and the matters funded in whole or in part with Grant Funds during the term of this Agreement. Without limiting the scope of the foregoing, Grantee shall establish and maintain accurate financial books and accounting records relating to Eligible Expenses incurred and Grant Funds received and expended under this Agreement, together with all invoices, documents, payrolls, time records and other data related to the matters covered by this Agreement, whether funded in whole or in part with Grant Funds. Grantee shall maintain all of the files, records, books, invoices, documents, payrolls and other data required to be maintained under this Section in a readily accessible location and condition for a period of not less than five (5) years after final payment under this Agreement or until any final audit has been fully completed, whichever is later.
- 6.6 Inspection and Audit.** Grantee shall make available to City, its employees and authorized representatives, during regular business hours all of the files, records, books, invoices, documents, payrolls and other data required to be established and maintained by Grantee under Section 6.5. Grantee shall permit City, its employees and authorized representatives to inspect, audit, examine and make excerpts and transcripts from any of the foregoing. The rights of City pursuant to this Section shall remain in effect so long as Grantee has the obligation to maintain such files, records, books, invoices, documents, payrolls and other data under this Article 6.
- 6.7 Submitting False Claims** Grantee shall at all times deal in good faith with the City, shall only submit a Funding Request to the City upon a good faith and honest determination that the funds sought are for Eligible Expenses under the Grant, and shall only use Grant Funds for payment of Eligible Expenses as set forth in Appendix A, Services to be Provided. Any Grantee who commits any of the following false acts shall be liable to the City for three times the amount of damages the City sustains because of Grantee's act. A Grantee will be deemed to have submitted a false claim to the City if Grantee: (a) knowingly presents or causes to be presented to an officer or employee of the City a false Funding Request; (b) knowingly disburses Grants Funds for expenses that are not Eligible Expenses; (c) knowingly makes, uses, or causes to be made or used a false record or statement to get a false Funding Request paid or approved by the City; (d)

conspires to defraud the City by getting a false Funding Request allowed or paid by the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

- 6.8 Grantee's Board of Directors.** Grantee shall at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors shall meet regularly and maintain appropriate membership, as established in Grantee's bylaws and other governing documents and shall adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Grantee's board of directors shall exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Grantee of its obligations under this Agreement.

ARTICLE 7 TAXES

- 7.1 Grantee to Pay All Taxes.** Grantee shall pay to the appropriate governmental authority, as and when due, any and all taxes, fees, assessments or other governmental charges, including possessory interest taxes and California sales and use taxes, levied upon or in connection with this Agreement, the Grant Plan, the Grant Funds or any of the activities contemplated by this Agreement.
- 7.2 Use of City Real Property.** If at any time this Agreement entitles Grantee to the possession, occupancy or use of City real property for private gain, the following provisions shall apply:
- (a) Grantee, on behalf of itself and any subgrantees, successors and assigns, recognizes and understands that this Agreement may create a possessory interest subject to property taxation and Grantee, and any subgrantee, successor or assign, may be subject to the payment of such taxes.
 - (b) Grantee, on behalf of itself and any subgrantees, successors and assigns, further recognizes and understands that any assignment permitted hereunder and any exercise of any option to renew or other extension of this Agreement may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. Grantee shall report any assignment or other transfer of any interest in this Agreement or any renewal or extension thereof to the County Assessor within sixty (60) days after such assignment, transfer, renewal or extension.
 - (c) Grantee shall provide such other information as may be requested by City to enable City to comply with any reporting requirements under applicable law with respect to possessory interests.
- 7.3 Withholding.** Grantee agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement.

Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Grantee further acknowledges and agrees that City may withhold any payments due to Grantee under this Agreement if Grantee is delinquent in the payment of any amount required to be paid to the City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Grantee, without interest, upon Grantee coming back into compliance with its obligations.

ARTICLE 8 REPRESENTATIONS AND WARRANTIES

Grantee represents and warrants each of the following as of the date of this Agreement and at all times throughout the term of this Agreement:

- 8.1 Organization; Authorization.** Grantee is a nonprofit corporation, duly organized and validly existing and in good standing under the laws of the jurisdiction in which it was formed. Grantee has established and maintains valid nonprofit status under Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, and all rules and regulations promulgated under such Section. Grantee has duly authorized by all necessary action the execution, delivery and performance of this Agreement. Grantee has duly executed and delivered this Agreement and this Agreement constitutes a legal, valid and binding obligation of Grantee, enforceable against Grantee in accordance with the terms hereof.
- 8.2 Location.** Grantee's operations, offices and headquarters are located at the address for notices set forth in Section 15. All aspects of the Grant Plan will be implemented at the geographic location(s), if any, specified in the Grant Plan.
- 8.3 No Misstatements.** No document furnished or to be furnished by Grantee to City in connection with the Application Documents, this Agreement, any Funding Request or any other document relating to any of the foregoing, contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.
- 8.4 Conflict of Interest.**
- (a) Through its execution of this Agreement, Grantee acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of the City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Agreement.
 - (b) Not more than one member of an immediate family serves or will serve as an officer, director or employee of Grantee, without the prior written consent of City. For

purposes of this subsection, “immediate family” shall include husband, wife, domestic partners, brothers, sisters, children and parents (both legal parents and stepparents).

- 8.5 No Other Agreements with City.** Except as expressly itemized in Appendix D, Interest in Other City Grants, neither Grantee nor any of Grantee's affiliates, officers, directors or employees has any interest, however remote, in any other agreement with City including any commission, department or other subdivision thereof.
- 8.6 Subcontracts.** Except as may be permitted under Section 13.3, Grantee has not entered into any agreement, arrangement or understanding with any other person or entity pursuant to which such person or entity will implement or assist in implementing all or any portion of the Grant Plan.
- 8.7 Eligibility to Receive Federal Funds.** By executing this Agreement, Grantee certifies that Grantee is not suspended, debarred or otherwise excluded from participation in federal assistance programs. Grantee acknowledges that this certification of eligibility to receive federal funds is a material term of the Agreement.

ARTICLE 9 INDEMNIFICATION AND GENERAL LIABILITY

- 9.1 Indemnification.** Grantee shall indemnify, protect, defend and hold harmless each of the Indemnified Parties from and against any and all Losses arising from, in connection with or caused by: (a) a material breach of this Agreement by Grantee; (b) a material breach of any representation or warranty of Grantee contained in this Agreement; (c) any personal injury caused, directly or indirectly, by any act or omission of Grantee or its employees, subgrantees or agents; (d) any property damage caused, directly or indirectly by any act or omission of Grantee or its employees, subgrantees or agents; (e) the use, misuse or failure of any equipment or facility used by Grantee, or by any of its employees, subgrantees or agents, regardless of whether such equipment or facility is furnished, rented or loaned to Grantee by an Indemnified Party; (f) any tax, fee, assessment or other charge for which Grantee is responsible under Article 7; or (g) any infringement of patent rights, copyright, trade secret or any other proprietary right or trademark of any person or entity in consequence of the use by any Indemnified Party of any goods or services furnished to such Indemnified Party in connection with this Agreement. Grantee's obligations under the immediately preceding sentence shall apply to any Loss that is caused in whole or in part by the active or passive negligence of any Indemnified Party, but shall exclude any Loss caused solely by the willful misconduct of the Indemnified Party. The foregoing indemnity shall include, without limitation, consultants and experts and related costs and City's costs of investigating any claims against the City.
- 9.2 Duty to Defend; Notice of Loss.** Grantee acknowledges and agrees that its obligation to defend the Indemnified Parties under Section 9.1: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or

potentially falls within the scope of Section 9.1, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Grantee by the Indemnified Party and continues at all times thereafter. The Indemnified Party shall give Grantee prompt notice of any Loss under Section 9.1 and Grantee shall have the right to defend, settle and compromise any such Loss; provided, however, that the Indemnified Party shall have the right to retain its own counsel at the expense of Grantee if representation of such Indemnified Party by the counsel retained by Grantee would be inappropriate due to conflicts of interest between such Indemnified Party and Grantee. An Indemnified Party's failure to notify Grantee promptly of any Loss shall not relieve Grantee of any liability to such Indemnified Party pursuant to Section 9.1, unless such failure materially impairs Grantee's ability to defend such Loss. Grantee shall seek the Indemnified Party's prior written consent to settle or compromise any Loss if Grantee contends that such Indemnified Party shares in liability with respect thereto.

9.3 Incidental and Consequential Damages. Losses covered under this Article 9 shall include any and all incidental and consequential damages resulting in whole or in part from Grantee's acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights that any Indemnified Party may have under applicable law with respect to such damages.

9.4 LIMITATION ON LIABILITY OF CITY. CITY'S OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE AGGREGATE AMOUNT OF GRANT FUNDS ACTUALLY DISBURSED HEREUNDER. NOTWITHSTANDING ANY OTHER PROVISION CONTAINED IN THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, THE GRANT FUNDS, THE GRANT PLAN OR ANY ACTIVITIES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

ARTICLE 10 INSURANCE

10.1 Types and Amounts of Coverage. Without limiting Grantee's liability pursuant to Article 9, Grantee shall maintain in force, during the full term of this Agreement, insurance in the following amounts and coverages:

- (a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than one million dollars (\$1,000,000) each accident, injury, or illness.
- (b) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence and \$2,000,000 general aggregate for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations;

policy must include Abuse and Molestation coverage.

- (c) Commercial Automobile Liability Insurance with limits not less than one million dollars (\$1,000,000) each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.

10.2 Additional Requirements for General and Automobile Coverage. Commercial General Liability and Commercial Automobile Liability insurance policies shall:

- (a) Name as Additional Insured City and its officers, agents and employees.
- (b) Provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought, except with respect to limits of liability.

10.3 Additional Requirements for All Policies. All policies shall be endorsed to provide at least thirty (30) days' advance written notice to City of cancellation of policy for any reason, nonrenewal or reduction in coverage and specific notice mailed to City's address for notices pursuant to Article 15.

10.4 Required Post-Expiration Coverage. Should any of the insurance required hereunder be provided under a claims-made form, Grantee shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three (3) years beyond the expiration or termination of this Agreement, to the effect that, should occurrences during the term hereof give rise to claims made after expiration or termination of the Agreement, such claims shall be covered by such claims-made policies.

10.5 General Annual Aggregate Limit/Inclusion of Claims Investigation or Legal Defense Costs. Should any of the insurance required hereunder be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

10.6 Evidence of Insurance. Before commencing any operations under this Agreement, Grantee shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement.

10.7 Effect of Approval. Approval of any insurance by City shall not relieve or decrease the liability of Grantee hereunder.

10.8 Insurance for Subcontractors and Evidence of this Insurance. If a subcontractor will be used to complete any portion of this agreement, Grantee shall ensure that the subcontractor shall provide all necessary insurance and shall name the City and County of San Francisco, its officers, agents, and employees and Grantee listed as additional insureds.

ARTICLE 11 EVENTS OF DEFAULT AND REMEDIES

11.1 Events of Default. The occurrence of any one or more of the following events shall constitute an “Event of Default” under this Agreement:

- (a) **False Statement.** Any statement, representation or warranty contained in this Agreement, in the Application Documents, in any Funding Request or in any other document submitted to City under this Agreement is found by City to be false or misleading.
- (b) **Failure to Provide Insurance.** Grantee fails to provide or maintain in effect any policy of insurance required in Article 10.
- (c) **Failure to Comply with Representations and Warranties or Applicable Laws.** Grantee fails to perform or breaches any of the terms or provisions of Article 8 or 16.
- (d) **Failure to Perform Other Covenants.** Grantee fails to perform or breaches any other agreement or covenant of this Agreement to be performed or observed by Grantee as and when performance or observance is due and such failure or breach continues for a period of ten (10) days after the date on which such performance or observance is due.
- (e) **Cross Default.** Grantee defaults under any other agreement between Grantee and City (after expiration of any grace period expressly stated in such agreement).
- (f) **Voluntary Insolvency.** Grantee (i) is generally not paying its debts as they become due, (ii) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction, (iii) makes an assignment for the benefit of its creditors, (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Grantee or of any substantial part of Grantee's property or (v) takes action for the purpose of any of the foregoing.
- (g) **Involuntary Insolvency.** Without consent by Grantee, a court or government authority enters an order, and such order is not vacated within ten (10) days, (i) appointing a custodian, receiver, trustee or other officer with similar powers with respect to Grantee or with respect to any substantial part of Grantee's property,

(ii) constituting an order for relief or approving a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction or (iii) ordering the dissolution, winding-up or liquidation of Grantee.

11.2 Remedies upon Event of Default. Upon and during the continuance of an Event of Default, City may do any of the following, individually or in combination with any other remedy:

- (a) **Termination.** City may terminate this Agreement by giving a written termination notice to Grantee of the Event of Default and that, on the date specified in the notice, this Agreement shall terminate, and all rights of Grantee hereunder shall be extinguished. In the sole discretion of the City, Grantee may be allowed ten (10) days to cure the default. In the event of termination for default, Grantee will be paid for Eligible Expenses in any Funding Request that was submitted and approved by City prior to the date of termination specified in such notice.
- (b) **Withholding of Grant Funds.** City may withhold all or any portion of Grant Funds not yet disbursed hereunder, regardless of whether Grantee has previously submitted a Funding Request or whether City has approved the disbursement of the Grant Funds requested in any Funding Request. Any Grant Funds withheld pursuant to this Section and subsequently disbursed to Grantee after cure of applicable Events of Default, if granted by the City in its sole discretion, shall be disbursed without interest.
- (c) **Offset.** City may offset against all or any portion of undisbursed Grant Funds hereunder or against any payments due to Grantee under any other agreement between Grantee and City the amount of any outstanding Loss incurred by any Indemnified Party, including any Loss incurred as a result of the Event of Default.
- (d) **Return of Grant Funds.** City may demand the immediate return of any previously disbursed Grant Funds that have been claimed or expended by Grantee in breach of the terms of this Agreement, together with interest thereon from the date of disbursement at the maximum rate permitted under applicable law.

11.3 Termination for Convenience. City shall have the option, in its sole discretion, to terminate this Agreement at any time for convenience and without cause. City shall exercise this option by giving Grantee written notice that specifies the effective date of termination. Upon receipt of the notice of termination, Grantee shall undertake with diligence all necessary actions to effect the termination of this Agreement on the date specified by City and minimize the liability of Grantee and City to third parties. Such actions shall include, without limitation:

- (a) Halting the performance of all work under this Agreement on the date(s) and in the manner specified by City;

- (b) Terminating all existing orders and subcontracts, and not placing any further orders or subcontracts for materials, services, equipment or other items; and
- (c) Completing performance of any work that City designates to be completed prior to the date of termination specified by City.

In no event shall City be liable for costs incurred by Grantee or any of its subcontractors after the termination date specified by City, except for those costs incurred at the request of City pursuant to this section.

- 11.4 Remedies Nonexclusive.** Each of the remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The remedies contained herein are in addition to all other remedies available to City at law or in equity by statute or otherwise and the exercise of any such remedy shall not preclude or in any way be deemed to waive any other remedy.

ARTICLE 12 DISCLOSURE OF INFORMATION AND DOCUMENTS

- 12.1 Proprietary or Confidential Information of City.** Grantee understands and acknowledges that, in the performance of this Agreement or in contemplation thereof, Grantee may have access to private or confidential information that may be owned or controlled by City and that such information may contain proprietary or confidential information, the disclosure of which to third parties may be damaging to City. Grantee agrees that all information disclosed by City to Grantee shall be held in confidence and used only in the performance of this Agreement. Grantee shall exercise the same standard of care to protect such information as a reasonably prudent nonprofit entity would use to protect its own proprietary or confidential data.
- 12.2 Sunshine Ordinance.** Grantee acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals and all other records of communications between City and persons or entities seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Grantee covered by Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request.
- 12.3 Financial Projections.** Pursuant to San Francisco Administrative Code Section 67.32, Grantee agrees upon request to provide City with financial projections (including profit and loss figures) for the activities and/or projects contemplated by this Grant ("Project") and annual audited financial statements thereafter. Grantee agrees that all such

projections and financial statements shall be public records that must be disclosed.

ARTICLE 13 ASSIGNMENTS AND SUBCONTRACTING

- 13.1 No Assignment by Grantee.** Grantee shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of Grantee hereunder without the prior written consent of City. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of Grantee involuntarily or by operation of law without the prior written consent of City. A change of ownership or control of Grantee or a sale or transfer of substantially all of the assets of Grantee shall be deemed an assignment for purposes of this Agreement.
- 13.2 Agreement Made in Violation of this Article.** Any agreement made in violation of Section 13.1 shall confer no rights on any person or entity and shall automatically be null and void.
- 13.3 Subcontracting.** If Appendix B, Budget, lists any permitted subgrantees, then notwithstanding any other provision of this Agreement to the contrary, Grantee shall have the right to subcontract on the terms set forth in this Section. If Appendix B, Budget, is blank or specifies that there are no permitted subgrantees, then Grantee shall have no rights under this Section.
- (a) **Limitations.** In no event shall Grantee subcontract or delegate the whole of the Grant Plan. Grantee may subcontract with any of the permitted subgrantees set forth on Appendix B, Budget without the prior consent of City; provided, however, that Grantee shall not thereby be relieved from any liability or obligation under this Agreement and, as between City and Grantee, Grantee shall be responsible for the acts, defaults and omissions of any subgrantee or its agents or employees as fully as if they were the acts, defaults or omissions of Grantee. Grantee shall ensure that its subgrantees comply with all of the terms of this Agreement, insofar as they apply to the subcontracted portion of the Grant Plan. All references herein to duties and obligations of Grantee shall be deemed to pertain also to all subgrantees to the extent applicable. A default by any subgrantee shall be deemed to be an Event of Default hereunder. Nothing contained in this Agreement shall create any contractual relationship between any subgrantee and City.
- (b) **Terms of Subcontract.** Each subcontract shall be in form and substance acceptable to City and shall expressly provide that it may be assigned to City without the prior consent of the subgrantee. In addition, each subcontract shall incorporate all of the terms of this Agreement, insofar as they apply to the subcontracted portion of the Grant Plan. Without limiting the scope of the foregoing, each subcontract shall provide City, with respect to the subgrantee, the audit and inspection rights set forth in Section 6.6. Upon the request of City, Grantee shall promptly furnish to City true and correct copies of each subcontract permitted hereunder.

13.4 Grantee Retains Responsibility. Grantee shall remain liable for the performance by any assignee or subgrantee of all of the covenants terms and conditions contained in this Agreement.

ARTICLE 14 INDEPENDENT CONTRACTOR STATUS

14.1 Nature of Agreement. Grantee shall be deemed at all times to be an independent contractor and is solely responsible for the manner in which Grantee implements the Grant Plan and uses the Grant Funds. Grantee shall at all times remain solely liable for the acts and omissions of Grantee, its officers and directors, employees and agents. Nothing in this Agreement shall be construed as creating a partnership, joint venture, employment or agency relationship between City and Grantee.

14.2 Direction. Any terms in this Agreement referring to direction or instruction from the Department or City shall be construed as providing for direction as to policy and the result of Grantee's work only, and not as to the means by which such a result is obtained.

14.3 Consequences of Recharacterization.

- (a) Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Grantee is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Grantee which can be applied against this liability). City shall subsequently forward such amounts to the relevant taxing authority.
- (b) Should a relevant taxing authority determine a liability for past services performed by Grantee for City, upon notification of such fact by City, Grantee shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Grantee under this Agreement (again, offsetting any amounts already paid by Grantee which can be applied as a credit against such liability).
- (c) A determination of employment status pursuant to either subsection (a) or (b) of this Section 14.3 shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Grantee shall not be considered an employee of City. Notwithstanding the foregoing, if any court, arbitrator, or administrative authority determine that Grantee is an employee for any other purpose, Grantee agrees to a reduction in City's financial liability hereunder such that the aggregate amount of Grant Funds under this Agreement does not exceed what would have been the amount of such Grant Funds had the court, arbitrator, or administrative authority had not determined that Grantee was an employee.

Without limiting the foregoing, Grantee understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of fifty dollars (\$50) for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Grantee and/or deducted from any payments due Grantee.

If Grantee fails to comply in good faith with any of the provisions of Chapter 5, Grantee shall be liable for liquidated damages in an amount equal to Grantee's net profit under this Agreement, or five percent (5%) of the total contract amount, whichever is greater. Grantee acknowledges and agrees that the liquidated damages assessed shall be payable to City upon demand and may be offset against any monies due to Grantee from any contract with City.
- 16.7 Compliance with ADA.** Grantee acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity to the public, whether directly or through a grantee or contractor, must be accessible to the disabled public. - 16.9 Limitations on Contributions.** By executing this Agreement, Grantee acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with, or is seeking a contract with, any department of the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, for a grant, loan or loan guarantee, or for a development agreement, from making any campaign contribution to (i) a City elected official if the contract must be approved by that official, a board on which that official serves, or the board of a state agency on which an appointee of that official serves, (ii) a candidate for that City elective office, or (iii) a committee controlled by such elected official or a candidate for that office, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve months after the date the City approves the contract. The prohibition on contributions applies to each prospective party to the contract; each member of Grantee's board of directors; Grantee's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 10 percent in Grantee; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Grantee. Grantee may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Grantee from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term “saltwater immersion” shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement, bring a false claim action against Grantee pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar Grantee.

By executing this Agreement, Grantee agrees to open its meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the Administrative Code. Grantee further agrees to make good-faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. Grantee acknowledges that its material failure to comply with any of the provisions of this paragraph shall constitute a material breach of this Agreement. 16.16 Consideration of Criminal History in Hiring and Employment Decisions.

- (a) Contractor agrees to comply fully with and be bound by all of the provisions of Chapter 12T, “City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions,” of the San Francisco Administrative Code (“Chapter 12T”), including the remedies provided, and implementing regulations, as may be amended from time to time. By entering into this Agreement, Grantee agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Grantee agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Grantee's failure to comply with this provision.

17.12 Dispute Resolution Procedure.

(a) The City Nonprofit Contracting Task Force submitted its final report to the Board of

Supervisors in June 2003. The report contains thirteen recommendations to streamline the City's contracting and monitoring process with health and human services nonprofits. These recommendations include: (1) consolidate contracts, (2) streamline contract approvals, (3) make timely payment, (4) create review/appellate process, (5) eliminate unnecessary requirements, (6) develop electronic processing, (7) create standardized and simplified forms, (8) establish accounting standards, (9) coordinate joint program monitoring, (10) develop standard monitoring protocols, (11) provide training for personnel, (12) conduct tiered assessments, and (13) fund cost of living increases. The report is available on the Task Force's website at https://sfgov.org/ccsfgsa/sites/default/files/City%20Nonprofit%20Contracting%20Task%20Force/CNPCTF_BOS_RPT_06-26-03%281%29_3adc.PDF. The Board adopted the recommendations in February 2004. The Office of Contract Administration created a Review/Appellate Panel ("Panel") to oversee implementation of the report recommendations in January 2005.

- (b) The Board of Supervisors strongly recommends that departments establish a Dispute Resolution Procedure to address issues that have not been resolved administratively by other departmental remedies. The Panel has adopted the following procedure for City departments that have professional service grants and contracts with nonprofit health and human service providers. The Panel recommends that departments adopt this procedure as written (modified if necessary to reflect each department's structure and titles) and include it or make a reference to it in the contract. The Panel also recommends that departments distribute the finalized procedure to their nonprofit Grantees. Any questions or concerns about this Dispute Resolution Procedure should be addressed to purchasing@sfgov.org.
- (c) The following Dispute Resolution Procedure provides a process to resolve any disputes or concerns relating to the administration of an awarded professional services grant or contract between the City and County of San Francisco and nonprofit health and human services Grantees. Grantees and City staff should first attempt to come to resolution informally through discussion and negotiation with the designated contact person in the department. If informal discussion has failed to resolve the problem, Grantees and departments should employ the following steps:
 - (1) Grantee will submit a written statement of the concern or dispute addressed to the Contract/Program Manager who oversees the agreement in question. The writing should describe the nature of the concern or dispute, i.e., program, reporting, monitoring, budget, compliance or other concern. The Contract/Program Manager will investigate the concern with the appropriate department staff that are involved with the nonprofit agency's program, and will either convene a meeting with Grantee or provide a written response to Grantee within 10 working days.
 - (2) Should the dispute or concern remain unresolved after the completion of Step 1, Grantee may request review by the Division or Department Head who supervises the Contract/Program Manager. This request shall be in writing and should

describe why the concern is still unresolved and propose a solution that is satisfactory to Grantee. The Division or Department Head will consult with other Department and City staff as appropriate, and will provide a written determination of the resolution to the dispute or concern within 10 working days.

- (3) Should Steps 1 and 2 above not result in a determination of mutual agreement, Grantee may forward the dispute to the Executive Director of the Department or their designee. This dispute shall be in writing and describe both the nature of the dispute or concern and why the steps taken to date are not satisfactory to Grantee. The Department will respond in writing within 10 working days.
- (d) In addition to the above process, Grantees have an additional forum available only for disputes that concern implementation of the thirteen policies and procedures recommended by the Nonprofit Contracting Task Force and adopted by the Board of Supervisors. These recommendations are designed to improve and streamline contracting, invoicing and monitoring procedures. For more information about the Task Force's recommendations, see the June 2003 report at https://sfgov.org/ccsfgsa/sites/default/files/City%20Nonprofit%20Contracting%20Task%20Force/CNPCTF_BOS_RPT_06-26-03%281%29_3adc.PDF.
- (e) The Review/Appellate Panel oversees the implementation of the Task Force report. The Panel is composed of both City and nonprofit representatives. The Panel invites Grantees to submit concerns about a department's implementation of the policies and procedures. Grantees can notify the Panel after Step 2. However, the Panel will not review the request until all three steps are exhausted. This review is limited to a concern regarding a department's implementation of the policies and procedures in a manner which does not improve and streamline the contracting process. This review is not intended to resolve substantive disputes under the contract such as change orders, scope, term, etc. Grantee must submit the request in writing to purchasing@sfgov.org. This request shall describe both the nature of the concern and why the process to date is not satisfactory to Grantee. Once all steps are exhausted and upon receipt of the written request, the Panel will review and make recommendations regarding any necessary changes to the policies and procedures or to a department's administration of policies and procedures.

17.13 Cooperative Drafting. This Agreement has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the Agreement reviewed and revised by legal counsel. No party shall be considered the drafter of this Agreement, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Agreement.

17.14 Services During a City-Declared Emergency. In case of an emergency as declared by the Mayor under Charter section 3.100, Grantee will make a good faith effort to continue to provide the services set forth in Appendix A, Services to be Provided. Any services provided beyond those listed in Appendix A, Services to be Provided must be approved by the Department.

17.15 MacBride Principles--Northern Ireland. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Grantee acknowledges and agrees that he or she has read and understood this section.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the date first specified herein. The signatories to this Agreement warrant and represent that they have the authority to enter into this agreement on behalf of the respective parties and to bind them to the terms of this Agreement.

An alternative period of repayment may be calculated in order to ensure cash flow and repayment.
2. All advance repayments must be recovered within the fiscal year for which it was made.
3. In the case where advance repayments cannot be fully recovered by deducting from the Grantee's monthly invoices, Grantee shall be repay the outstanding balance via check in the amount verified by the assigned HSH Contract Manager, as listed in CARBON. Re: Temporary Shelter at 711 Post Street
Planning Department / Environmental Review Officer Concurrence
California Environmental Quality Act (CEQA) Exemption per AB 101

To Whom It May Concern:

This memorandum is in response to correspondence from the Department of Homeless and Supportive Housing requesting Planning Department confirmation that no environmental review is required for the use of the existing building at 711 Post Street as a temporary shelter. The memo will confirm that the temporary shelter at 711 Post Street is not subject to the California Environmental Quality Act (CEQA) under the terms of recent changes to California law set forth in Assembly Bill 101, California Government Code Sections 65660 – 65668 (AB 101).

AB 101 provides that a low barrier navigation center that meets certain criteria and is located in a mixed-use zoning district or a non-residential zone that permits multifamily uses is a use by right and is not subject to CEQA (Government Code Section 65660(b)). A “use by right” is defined in Government Code Section 65583.2(i) to mean that the local government’s review of the use may not require a conditional use permit, planned unit development permit, or other discretionary local government review or approval that would constitute a “project” for purposes of CEQA.

The zoning designation for this site is RC-4 (Residential-Commercial- High Density). This zoning district Provides for a mixture of high-density Dwellings similar to those in RM-4 Districts with supporting Commercial uses. A homeless shelter that is owned, operated, or leased by the City and County of San Francisco is a principally permitted used in the RC-4 District pursuant to Planning Code Section 209.3.

The correspondence dated December 7, 2021 from the Department of Homeless and Supportive Housing explained how the temporary shelter at 711 Post Street complies with the criteria set forth in AB 101. It meets the definition of a low barrier navigation center set forth in Government Code Section 65660(a) and meets the criteria set forth in Government Code Section 65662. Accordingly, the temporary shelter at 711 Post Street is not subject to CEQA.

Recommendation: Finding the project, on balance, is **in conformity** with the General Plan

Project Description

The Ansonia Hotel at 711 Post Street is a former youth hostel. It is a five-floor, 18,159 square foot facility with 123 units (70 residential units and 53 tourist rooms). The units are a mix of singles, doubles, triples, and quads which equates to an overall capacity of 318 beds. 48 units have private baths. All floors have shared bathrooms/showers. There is lobby/front desk, basement, community area, commercial kitchen, dining space and laundry facility. An elevator operates at all floors. The SF Department of Homelessness and Supportive Housing (HSH) is requesting City approval to utilize this property as a semi-congregate shelter.

Type of construction: foundation/substructure is concrete, slab-on-grade with concrete perimeter walls and interior footings under a load bearing structure. The facade is brick masonry. The superstructure is conventional wood-framing with steel columns at the sub-basement. The roof is a flat, built-up granular surface.

Environmental Review

The proposed temporary shelter at 711 Post Street complies with the criteria set forth in AB 101. It meets the definition of a low barrier navigation center set forth in Government Code Section 65660(a) and meets the criteria set forth in Government Code Section 65662. Accordingly, the proposed temporary shelter at 711 Post Street is not subject to CEQA.

General Plan Compliance and Basis for Recommendation

As described below, the use of the former youth hostel as a semi-congregate shelter is consistent with the Eight Priority Policies of Planning Code Section 101.1 and is, on balance, in conformity with the Objectives and Policies of the General Plan.

HOUSING ELEMENT

OBJECTIVE 1

IDENTIFY AND MAKE AVAILABLE FOR DEVELOPMENT ADEQUATE SITES TO MEET THE CITY'S HOUSING NEEDS, ESPECIALLY PERMANENTLY AFFORDABLE HOUSING

POLICY 1.3

Work proactively to identify and secure opportunity sites for permanently affordable housing.

POLICY 7.5

Encourage the production of affordable housing through process and zoning accommodations, and prioritize affordable housing in the review and approval processes.

The use of the property as a semi-congregate shelter will help meet the city's housing needs.

OBJECTIVE 6

REDUCE HOMELESSNESS AND THE RISK OF HOMELESSNESS

POLICY 6.1 Prioritize permanent housing and service enriched solutions while pursuing both short- and long-term strategies to eliminate homelessness.

The use of the former youth hostel as semi-congregate shelter will reduce homelessness and the risk of short and long-term homelessness. Its proposed use is permitted in RC-4.

Planning Code Section 101 Findings

Planning Code Section 101.1 establishes Eight Priority Policies and requires review of discretionary approvals and permits for consistency with said policies. The Project is found to be consistent with the Eight Priority Policies as set forth in Planning Code Section 101.1 for the following reasons:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced;

The project site does not have retail space and the new use will not have adverse impacts to surrounding

retail.

2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods;

The Project would not have a negative effect on housing or neighborhood character.

3. That the City's supply of affordable housing be preserved and enhanced;

The project would have no impact on affordable housing.

4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking;

The Project would not result in commuter traffic impeding MUNI transit service or overburdening the streets or neighborhood parking.

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced;

The project does not include office space and would protect the industrial and service sectors from displacement. It would have no impact on future opportunities for employment and ownership in these sectors.

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake;

The project would not have an adverse effect on City's preparedness against injury and loss of life in an earthquake.

7. That the landmarks and historic buildings be preserved;

The project would not have any adverse impacts to the historic resource. No exterior changes are proposed.

8. That our parks and open space and their access to sunlight and vistas be protected from development;

The project would not have an adverse effect on the City's parks and open space and their access to sunlight and vistas.

Recommendation: Finding the project, on balance, is in conformity with the General Plan

Re: Letter of Compliance for the Change of Use at 711 Post Street (0304/018) from Residential Hotel to Semi-Congregate Emergency Shelter

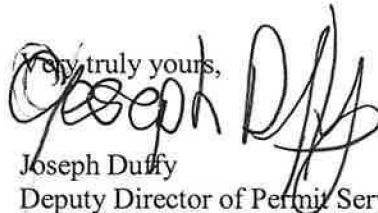

This letter certifies that the project proposed at 711 Post Street (Block: 0304, Lot: 018) complies with Chapter 41 of the San Francisco Administrative Code or the Hotel Conversion Ordinance ("HCO").

Under the MOU between city permitting agencies and the Department of Homelessness and Supportive Housing for emergency homeless shelter projects pursuant to Ordinance No. 60-19, DBI will not act as the permitting agency and will provide written determination of compliance in lieu of a building permit.

The building at 711 Post Street is a residential hotel subject to the HCO with seventy (70) Residential guest rooms and fifty-three (53) Tourist guest rooms—a total of one hundred twenty-three (123) guest rooms. This project seeks to temporarily change the use of all 123 guest rooms to temporary emergency housing and more specifically, a semi-congregate shelter.

Under normal circumstances, any change of status of Residential guest rooms requires evaluation under the HCO and a Permit to Convert with the required one-for-one replacement housing, as provided for in Sections 41.12 and 41.13 of the HCO. Because this project is a temporary change in status from Residential guest rooms to transitional emergency housing—resulting in a qualifying one-to-one replacement per HCO section 41.13(a)(3)—and is submitted via Ordinance 60-19, a formal Permit to Convert is not required.

Accordingly, and so long as the subject property operates as a temporary homeless shelter and Ordinance No. 60-19 remain in effect, the 70 Residential guest rooms will not be subject to the restrictions and reporting requirements set forth in the HCO. Should the semi-congregate homeless shelter use be discontinued at this property or the shelter crisis and Ordinance No. 60-19 terminate, a total of 70 guest rooms will revert to their prior use and become subject to all of the provisions set forth in the HCO, unless an approved Permit to Convert is issued and one-for-one replacement housing provided.

Very truly yours,

Joseph Duffy

Supervisors,

My husband and I have lived in Lower Nob Hill for over 14 years, specifically, the Tendernob. I am also a 20-year small business owner in Union Square. It's always been a neighborhood in need of improvements and has at times struggled to cope with a myriad of issues that don't have quick solutions including homelessness, violence, graffiti, drug use, and crime. However, over the course of the last several years, this neighborhood has gone from feeling somewhat neglected by the city to now *completely ignored*—and we're all suffering because of it. Beyond public trash cans being removed and never replaced, the street itself torn up and never repaired, and broken and run-down bus stops that are never repaired, now, the lack of attention we've been getting has transcended from annoying to dangerous.

It is undeniable that there is a direct correlation between the rapid demise in the quality of life in our neighborhood and the high concentration of mismanaged services that the city has decided to locate within a 2-block radius of where we live:

- The Granada, 1000 Sutter Street
- The Hotel Vertigo, 940 Sutter Street
- Lower Polk TAY Navigation Center, 700 Hyde Street
- Hyde Street Community Services, 815 Hyde Street

Please understand that this is not a NIMBY letter. As citizens of San Francisco, we think that it is entirely reasonable for all neighborhoods to have supportive services for our homeless community, and the TenderNob—our back yard—shouldn't be an exception. And while we welcome the services and residents with open arms, we do expect that the neighborhood is respected, and the city takes accountability for the property they are running. It is simply unfair to provide services to a handful of citizens in need at the detriment to the entire neighborhood.

The mismanagement of these facilities is quite obvious to anyone who lives near one, and something that desperately needs to be resolved prior to adding yet **another homeless shelter in our neighborhood at 711 Post Street**. While we think four of these services in such concentration is simply bad city planning, adding a 5th would be disastrous if that property is mismanaged like the others listed above.

The Hotel Vertigo - SIP

We have always been a strong supporter of getting our community's homeless populations the help they

deserve and need. Especially during the pandemic, when our homeless population was at its most vulnerable, the City of San Francisco needed to step in. We think the SIP hotel idea was a stroke of genius that not only supported the guests who were housed there but also supported the hotel itself and other local businesses that supply the food, security, laundry, and other services.

The Hotel Vertigo is 74 feet from where we live—and it bears repeating—we do not have an issue with the location. But The Hotel Vertigo, **managed by the city of San Francisco and Urban Alchemy is an embarrassment and a travesty:**

Garbage

Prior to turning into a SIP hotel, this location was never a problem when it came to waste management. Now, garbage is a recurring issue. The streets have never been more disgusting. Utensils, food, and food containers from the hotel foodservice are scattered on the sidewalks, bus stops, and on the steps to our apartment on a daily basis. What appears to be the belongings of evicted tenants can frequently be found on the sidewalks. Broken glass, used needles, human feces and used condoms are now daily reminders that we live next to a mismanaged SIP.

Additionally, as 'landlords', you are in violation of your own laws surrounding recycling and composting that we as residents embrace and work hard to adhere to. Food is not being composted, and black garbage bins are always stuffed with recyclables. You've been a supporter of Zero Waste initiatives in the past, yet this city-run property is in violation of local ordinances with seemingly zero enforcement.

Resident Loitering

Residents of the Hotel are frequently gathered on the sidewalks where they are tearing apart bicycles and electric scooters, sleeping, fighting, playing loud music, and openly doing drugs. Especially after dark, this has made most of us feel very unsafe walking back to our apartments. We're not going out after dark, and unfortunately, that means our neighborhood small businesses suffer.

Vehicle Loitering

The hotel has attracted a steady stream of vehicles that are parked around our neighborhood that are:

- Parked illegally - often blocking access to fire hydrants
- Blatantly consuming alcohol while operating a vehicle
- Selling stolen goods out of trunks
- Playing music loud enough to rattle building windows
- Dumping trash in the streets and sidewalk

Security

The Security Service employed seems to be doing nothing to prevent any of this. In fact, we frequently witness one particular guard getting high at surrounding area bus stops before returning to work.

Property at 711 Post

To be clear, we are strongly against this property being converted into a 123 unit homeless shelter. Particularly since San Francisco will be awarding the management contract to the same company managing the Vertigo Hotel. Unless you can assure our neighborhood that we will see no increase in unlawful activity, this project needs to be halted. Or else, you are effectively turning Lower Nob Hill into an expansion of the Tenderloin that we fear it will never recover from.

Sincerely,
Jill Jodar

This building is a bad addition to the support services of San Francisco.

The entire area from Geary Street to Market Street on Jones, Leavenworth, and Hyde is not possible for pedestrian traffic.

We are seniors and walk either to the east or the west of this area.

Clearly we need more services and also more city planning around this issue.

Thank you.

1. The entire method of planning has put a burden on this neighborhood in terms of the number of homeless shelters and SROs without any central planning.

I'm writing to you today to voice my opposition to the proposed shelter at 711 Post Street.

It is undeniable that there is a direct correlation between the rapid demise in the quality of life in our neighborhood with the high concentration of mismanaged services that the city has decided to locate within a 2-block radius of where we live:

- The Granada, 1000 Sutter Street

Unless you can assure our neighborhood that we will see ZERO increase in unlawful activity, this project needs to be halted immediately. Otherwise, you are effectively turning Lower Nob Hill into an expansion of the Tenderloin that we fear it will never recover from.

Our longtime residents and small businesses have spearheaded solutions to a problem that has only gotten worse. The City has failed time and time again to deliver on its promises to ensure the success of these programs and the creation of another 250-bed homeless shelter in San Francisco is fundamentally subverting the city's policy of geographic equity. It's time for the city to make good on its promise of dispersing the facilities currently in the pipeline

Additionally, this enormous "no-rules" homeless shelter is the wrong type of shelter for our neighborhood and for its residents. San Francisco's most severely challenged homeless residents need to be permanently housed in small facilities, away from their drug dealers and abusers, with comprehensive on-site services provided by a licensed public health provider, not an unqualified nonprofit like Urban Alchemy.

The city's "outreach" on this proposal has been a disgrace – announcing the proposal over Thanksgiving weekend with a vote already scheduled for Wednesday right after the holidays. If this were the Mayor's neighborhood, or the Marina or Forest Hills, the neighborhood would never have been handled like this. We are renters, voters, families, seniors, workers, teachers, and artists. We demand as a community to be respected and heard.

Dear supervisor Haney, Sarai, and Mar,

Earlier this week, I submitted an email in opposition to the proposed shelter at 711 Post to your office. I request that my email a part of the record. Our neighborhood has done its part.

There is one detailed aspect of the Department of Housing & Homeless plan for 711 that will not work, namely, be idea of using the building's kitchen as a communal kitchen. My family operated a residence club located on the 800 block of Sutter for a number of years with basement cooking and dining. We experimented with resident self food preparation. It proved completely unworkable. First there was ongoing conflicts among residents for stove, sink and refrigeration access. There was an ongoing risk of stove top fire. There was ongoing sanitation problems. Very few residents cleaned up after cooking. We abandoned the communal resident approach and retained trained staff. I cannot imagine residents dealing with drug and mental health challenges are able to safely use a communal kitchen. If you are otherwise inclined to proceed with 711 Post, I urge that you defer proceeding until a realistic food service plan is worked out in detail.

Thank you for your consideration

Andrew Lange

Dear Brent and Supervisors,

I'm providing here my comments on the Budget and Finance Committee's 1/5/22 Meeting Agenda Item #9 - Funding for 711 Post Street.

I am opposed to the project in its current form, and the City's approach with its outreach and approval process during the winter holidays.

Simply, it would be great if you (the Committee, the Board of Supes, the Mayor) could follow your own rules, and follow the same rules that everyone lives by.

1. Reach out to the community in an honest, available, daylight way.
2. Listen to our feedback.
3. Study and Estimate and assess the real impacts. The City made crisis housing exempt from CEQA/EIR review (a Trumpian move), but the cumulative impacts are still adding up.
4. Strive for neighborhood equity; work to prevent inequity. Neighborhoods should share successes, and share burdens. The Lower Nob Hill Community has been unfairly burdened with solving the City's homeless crisis. Allow other neighborhoods to help.

Sincerely,
Christopher Pizzi

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

I am writing to you today to sincerely urge you put a temporary hold on the proposed Homeless Shelter at 711 Post Street in order give us residents time to assess the impact the hotel conversion will have on our fragile neighborhood. I have been a homeowner in the 600 block of Post Street for over 25 years and have invested a tremendous amount of time, energy, and money in trying to make Lower Nob Hill a safe and vibrant community. The recent rushed announcement of the hotel conversion at 711 Post Street was a kick in the teeth to me and the other members of our community who have had to endure tremendous hardships due to Covid-19 and the City-wide shutdown.

Our neighborhood has already done more than our fair share in combatting the homelessness crisis by supporting the recent addition of 451 units of permanent supportive housing and a 75-bed homeless shelter, all clustered within a small radius of our Lower Nob Hill working class neighborhood. Adding another 250-bed “no rules” homeless shelter flies in the face of the City’s policy of geographic equity – Lower Nob Hill has shouldered its fair share and it is time for the City to make good on its promise that other neighborhoods receive a balance of the facilities currently in the pipeline.

It is important for the Supervisors of the Board to hear how the City’s disinvestment and disregard for the neighborhood have dramatically impacted everyone, from parents walking their kids to school to seniors trying to attend medical appointments to hotel and wait staff afraid to go to work. The Mayor, the Department of Homelessness, the Department of Public Health, the Office of Economic & Workforce Development, and the Department of Public Works have all failed to deliver on their promises at previous community meetings to solicit our support that they would increase services and facilities. We were promised well-run professional supportive housing programs, adequate street cleaning, and community foot patrols. We were promised we’d be treated like a *real* neighborhood, with investment and City collaboration. Instead, we’ve watched the neighborhood deteriorate even further – for our housed and unhoused residents.

I thank you in advance for taking this issue into consideration and look forward to your putting the brakes on this matter on Wednesday’s scheduled Budget Committee meeting.

Sincerely,

Michael J Lussier Jr.

Date: Wednesday, January 5, 2022 11:17:29 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

I'm opposed to 711 Post Street proposal because:

- (1) Our neighborhood has already done more than our share in combating the homelessness crisis by supporting the recent addition of 451 units of permanent supportive housing and a 75-bed homeless shelter, all clustered within a small radius of our Lower Nob Hill working class neighborhood. Our longtime residents and small businesses championed solutions to a problem that has only gotten worse, as the City has failed repeatedly to deliver on its promises to ensure the success of these programs; and
- (2) adding another 250-bed "no rules" homeless shelter flies in the face of the City's policy of geographic equity – Lower Nob Hill has shouldered its fair share and it is time for the City to make good on its promise that other neighborhoods receive a balance of the facilities currently in the pipeline; and
- (3) this huge "no-rules" homeless shelter is the wrong type of shelter for our neighborhood and for its residents – San Francisco's most severely challenged homeless residents need to be permanently housed in small facilities, away from their drug dealers and abusers, with comprehensive on-site services provided by a licensed public health provider, not an unqualified nonprofit like Urban Alchemy; and
- (4) the City's "community outreach" on this proposal has been a disgrace – announcing the proposal Thanksgiving weekend with a vote already scheduled for the Wednesday right after the holidays. If this were the Mayor's neighborhood, or the Marina or Forest Hills, the neighborhood would never have been treated with this inequity. We are renters, families, seniors, workers, teachers and artists. We demand as a community to be respected and to be heard!

5. Urban Alchemy is unprepared to operate the facility. I have searched the website for information and I have not found any evidence to suggest that Urban Alchemy has any experience, let alone expertise, in residential building operations in San Francisco. Similarly, Urban Alchemy has no reported food service expertise. The recipient of a 18M grant of public funds should promise more than cleaning trash from the sidewalk outside the facility and respectful dialogue with residents in distress. **Homeless resources are not unlimited. The Department of Housing & Homelessness proposed five year financial commitment to an unproven organization makes no sense.**

6. The homeless in distress need better care. Ms. Cohen and the representatives of Urban Alchemy were clear that 711 Post is intended to house our most severely challenged homeless. However, equally clear was the intention that the building serve as a no rules shelter. She stated that open on-premise drug use would not disqualify a resident. It is apparent that Urban Alchemy was selected because it promised that both sides of the 700 block of Post (for 12 hours per day) would be cleared of 711 residents. The apparent objective is to shift those at risk of overdose and the severely disturbed out of sight. Urban Alchemy staff members are not licensed and qualified public health professionals. Our acute homeless need help and well-run professional supportive housing. I urge you to aspire to more than simply warehousing our people in distress out of sight.

There is no way the Supervisors or the Mayor could know the horror show our neighborhood has become. In the last year, we are 180 degrees different. This neighborhood is working class. Its vital and strategic to a healthy downtown. Lower Nob Hill is all ethnicities, very diverse with the best core of small business and restaurants in San Francisco. This plan will gut us. We are old, young, all races and every gender. You don't move into this neighborhood if you're uncomfortable with diversity, so I throw back the shade intentionally tossed at us by Urban Alchemy, who know nothing about our neighborhood, not even our name, and who declare we object because we fear diversity. The reality is crime is a tsunami now and the city's plans and UA work does nothing to address it.

If your plans don't include drug and medical treatment, which 711 Post does not, then you are magical thinking. Placing 250 to 318 mostly men, in one building with one kitchen with no rules, no fulltime skilled medical care and no law enforcement is not an Experiment. It is a crime that we will watch unfold in real time. Not only to the Meth addicted and the newly released felons who you plan to house at 711 Post, but to this neighborhood.

You are giving 711 Post the hardest of the hardened, and the worst of the worst harmed who come here from the whole country. While offering nothing more than cigarette butt sweeping and a vest wearing UA security guard at the door and on the corner. I'm in the Tenderloin every day. I see how UA shuffles people away from the corners and businesses who employ them, but the problems are still there, right across the street or shuffled down the block. That's what this 18 million will pay for on our block. Maybe 700 feet of clear sidewalk and then crime and poverty just beyond. You are magical Thinking if you have faith in this experiment. And you are wasting money, once again on something that will create a bigger problem.

You have not done any economic impact studies on the neighborhoods you place shelters in. You're not on the streets. We are. We see the closed businesses, the boarded up windows, the For Lease signs and the glittering sidewalks coated with broken car windows.

We already cannot go out after dark anymore. The best thing about this neighborhood was it's a direct and vital artery to Union Square, Downtown and beyond. Our walkability was appreciated internationally. Our residents live and work here. We are the service people for the downtown area. No more. Your shelter and the spreading out of street people into Lower Nob Hill is killing our neighborhood. Tourists who dare to visit are horrified at the open drug

dealing in our alleys and corners, the sex and prostitution right on the sidewalk in broad daylight, the meth people who can barely stand and who openly urinate and defecate where they are lying. The assaults on property, and on our persons. No wonder its crime spreading into Union Square 2 and a half blocks away. None of us were surprised at what happened there. If the Mayor was surprised, she is choosing not to see. San Francisco is a triage center. Get medical and Meth help now or you take us all down.

Dear Chair Haney and Supervisors Safaí and Mar,

I am writing on behalf of UNITE HERE Local 2's 13,000 members to request a continuance of Item 9 on the January 5, 2022 Budget and Finance Committee calendar.

Many Local 2 members are longtime residents of the Lower Polk/Nob Hill and Greater Tenderloin neighborhoods and many work in those neighborhoods, which comprise the heart of the City's recovering tourism industry. It is the densest neighborhood west of Manhattan, and working in partnership with the District 3 office, the community has recently supported the addition of 451 units of permanent supportive housing and a new 75 bed Navigation Center all within the same four block radius. We have been proud champions of solutions to homelessness, and have eagerly awaited the City's follow-through on its previous commitments to "geographic equity". Our office on Golden Gate Avenue was one of the lead organizers of the grassroots "Four Corner Friday" project, where community stakeholders worked together to address public safety issues and street conditions through positive activation and service coordination. In short, we've been at the heart of proactive and progressive policy organizing for many years.

The Mayor's proposal to fast-track a 250-318 bed facility within a block of the TAY Navigation Center and other permanent supportive housing facilities still struggling to get promised city investment is very concerning to our members. It's also concerning that the extremely challenging population proposed for the facility clearly needs specific support from a licensed public health and housing provider, of which the proposed grantee is not. Perhaps most concerning though is the lack of community process.

This is a diverse working-class community that deserves to have input into a plan that will have a dramatic impact on the fabric of the neighborhood. 75% of Local 2 members are

women of color and immigrants, and many of the residents in this neighborhood are also seniors living on fixed-incomes in rent-controlled properties. Sending out English-only notices that require email registrations for two virtual meetings over the holidays is not acceptable. Our workers and residents deserve to be treated with dignity and respect – and even gratitude and appreciation for those who have been in the trenches working on these issues for years.

I respectfully request that you give this ill-considered proposal a hard pause until the City can make time to address the community's concerns and respond with alternatives. Thank you for your time and consideration.

Good Afternoon Mr. Jalipa:

My name is Ian Bevilacqua and I am the President of the Lower Nob Hill Neighborhood Alliance. I would greatly appreciate you adding the letter below the the file for Agenda Item #9 of tomorrow's Budget Committee Meeting with Supervisors Haney, Mar and Safai.

Thank you,

Dear Budget Chair and Supervisor Haney:

My name is Ian Bevilacqua and I am the President of the Lower Nob Hill Neighborhood Alliance. I have been a resident of San Francisco for 22 years and have lived on the 600 block of Post Street in Lower Nob Hill for the past 11 years. I am writing to you on behalf of the Lower Nob Hill Neighborhood Alliance to express our strong opposition to the proposed shelter at 711 Post Street, which would replace a recently closed youth hostel, and to urge you to vote against the proposal. For the following reasons, if adopted, this proposal would prove to be catastrophic for the residents, small businesses, and tourist hotels of our neighborhood.

(1) Our neighborhood has already done more than our share in combatting the homelessness crisis by supporting the recent addition of 451 units of permanent supportive housing and a 75-bed homeless shelter, all clustered within a small radius of our Lower Nob Hill working class neighborhood. Our longtime residents and small businesses championed solutions to a problem that has only gotten worse, as the City has failed repeatedly to deliver on its promises to ensure

the success of these programs.

(2) Adding another 250-bed “no rules” homeless shelter flies in the face of the City’s policy of geographic equity – Lower Nob Hill has shouldered its fair share and it is time for the City to make good on its promise that other neighborhoods receive a balance of the facilities currently in the pipeline.

(3) This huge “no-rules” homeless shelter is the wrong type of shelter for our neighborhood and for its residents – San Francisco’s most severely challenged homeless residents need to be permanently housed in small facilities, away from their drug dealers and abusers, with comprehensive on-site services provided by a licensed public health provider, not an unqualified nonprofit like Urban Alchemy.

(4) Finally, the City’s “community outreach” on this proposal has been a disgrace – announcing the proposal Thanksgiving weekend with a vote already scheduled for the Wednesday right after the holidays. If this were the Mayor’s neighborhood, or the Marina or Forest Hills, the neighborhood would never have been treated like this. We are renters, families, seniors, workers, teachers, and artists. We demand as a community to be respected and to be heard!

The City’s disinvestment and disregard for the neighborhood have dramatically impacted everyone, from parents walking their kids to school to seniors trying to attend medical appointments to wait staff afraid to go to work. The Mayor, the Department of Homelessness, the Department of Public Health, the Office of Economic & Workforce Development, and the Department of Public Works have all failed to deliver on their promises at previous community meetings to solicit our support that they would increase services and facilities. We were promised well-run professional supportive housing programs, adequate street cleaning, and community foot patrols. We were promised we’d be treated like a *real* neighborhood, with investment and City collaboration. Instead, we’ve watched the neighborhood deteriorate even further – for our housed and unhoused residents.

We know that you are seeking to represent Lower Nob Hill in the California Assembly. We are looking for a representative who understands our economically and socially diverse historically-significant neighborhood. We need a representative who will seek our input and collaborate with us to further the interests of the residents, workers, and merchants of Lower Nob Hill.

The Lower Nob Hill Neighborhood Alliance would welcome an immediate meeting or call with you to discuss this very important neighborhood issue. My mobile is 415.350.1447.

Sincerely,

Ian Bevilacqua

Dear Supervisors

Please vote against or vote to postpone the approval of the experimental, no rules shelter replacing the Youth Hostel at 711 Post Street. The neighbors are against the project. We only learned of the project two days before Thanksgiving. And you are voting on Wednesday January 5th! There is no notice posted on the building. Meetings were held so quickly few of us could organize to attend. But we are organizing. We are circulating a petition. We have created a neighborhood organization. Please give us the time to be heard!!!

Lower Nob Hill already is home to 526 units of supportive housing plus a 75 bed TAY shelter. We are doing our share. We are an area of historic apartment buildings and hotels that offer an affordable range of accommodations in our city that is often criticized for being outlandishly expensive. Please don't implode our community. Our streets are already unsafe and unclean.

And the shelter being proposed at 711 Post is the most difficult type for a community to host. We are told the guest population would change continually, only be in residence until a placement is determined. Guests would be recently released from incarceration, hospitalization and the most challenged people living on our streets. The group holding the lease for the shelter is Urban Alchemy. The Urban Alchemy representative told us that there are no restrictions. None limiting guests entrance and egress, none limiting their drug use. Guests will be asked to check their weapons at the door. Guests that wish to smoke or to walk are free to roam the neighborhood and the Tenderloin. This shelter is right between two struggling tourist hotels and across from small restaurants, some of which have just spent precious resources on building Parklets with outdoor seating. The shelter will be tragic for our struggling working class Lower Nob Hill community.

711 Post is being run under the auspicious of Urban Alchemy. Urban Alchemy is being awarded an 18 million plus no bid contract. Urban Alchemy has no experience that I could discern running a residential building, providing food service or the treatment vital to the urgent needs of its guests.

Please vote against the 711 Post Street project. It will harm our community. We have not had the time to organize our neighborhood response. 711 Post Street project will not benefit the guests, placing them in an unsupervised situation, close to the conditions that they are trying to escape, with no supportive programs or treatment. Giving Urban Alchemy over 18 million is suspect. Please vote against or vote to postpone the vote on this project.

Thank you
