Not defined as a project under CEQA Guidelines Sections 15378 and 15060(c)(2) because it does not result in a physical change in the environment. Individual projects would require environmental review.

17 Section 1. Environmental and Land Use Findings.

18 (a) The Planning Department has determined that the actions contemplated in this
19 ordinance comply with the California Environmental Quality Act (California Public Resources
20 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of
21 Supervisors in File No. _____ and is incorporated herein by reference. The Board affirms this
22 determination.

23 (b) On _____, the Planning Commission, in Resolution No. _____, adopted findings
24 that the actions contemplated in this ordinance are consistent, on balance, with the City's
25 General Plan and eight priority policies of Planning Code Section 101.1. The Board adopts

1 these findings as its own. A copy of said Resolution is on file with the Clerk of the Board of
2 Supervisors in File No. _____, and is incorporated herein by reference.

3 (c) Pursuant to Planning Code, Section 302, the Board of Supervisors finds that these
4 Planning Code amendments will serve the public necessity, convenience, and welfare for the
5 reasons set forth in Planning Commission Resolution No. _____, and the Board incorporates
6 such reasons herein by reference. A copy of said Resolution is on file with the Clerk of the
7 Board of Supervisors in File No. _____, and is incorporated herein by reference.

8
9 Section 2. Additional Findings.

10 (a) Former Mayor Edwin Lee's Executive Directive No. 17-02, issued on September 27,
11 2017, states that "Years of failing to build homes has resulted in families and long-term
12 residents leaving San Francisco in search of more affordable places to live We must
13 continue to prioritize the production of housing in a smart, thoughtful manner that adds homes
14 for residents of all economic levels."

15 (b) Parcels that were rezoned to Service Arts Light Industrial (SALI) with the adoption
16 of the Western SoMa Plan in 2013 were previously within the Service Light Industrial (SLI)
17 District, where affordable housing was permitted. The SALI controls eliminated the allowance
18 for affordable housing, diminishing the limited supply of land available for construction of new
19 affordable housing.

20 (c) The amended zoning controls in this ordinance strike a balance between preserving
21 light industrial and arts uses and meeting the need for new affordable housing. They will
22 permit new affordable housing on parcels in the SALI District that are presently undeveloped,
23 but leave in place the general prohibition on new housing construction on developed sites,
24 thus ensuring that no uses existing as of the effective date of this ordinance are displaced by
25 new affordable housing construction.

1
2 Section 3. The Planning Code is hereby amended by renumbering existing Sections
3 846.24 and 846.25 as Sections 846.25 and 846.26 respectively, adding a new Section
4 846.24, deleting existing Section 846.26, and revising Sections 263.28, 803.8, 846, 846.20,
5 846.21, and 846.22, to read as follows:

7 **SEC. 263.28. SPECIAL EXCEPTIONS: SALI DISTRICTS IN THE 40-55-X HEIGHT**
8 **AND BULK DISTRICT AND AFFORDABLE HOUSING PROJECTS IN SALI DISTRICTS.**

9 (a) **Purpose.** Arts activities are encouraged in the Western SoMa Planning Area
10 Special Use District, and especially in the SALI District. Therefore, additional development
11 potential is provided in the SALI District when additional space is provided for the exclusive
12 use of arts activities.

13 (b) **Applicability.** This Section 263.28 shall apply to all properties zoned SALI and a
14 Height and Bulk district of 40-55-X, and Affordable Housing Projects under Section 846.24.

15 (c) **Controls.**

16 (1) **Additional Height Permitted.** In SALI Districts in the 40-55-X Height and
17 Bulk District, buildings are limited to a maximum height of 40 feet unless all of the following
18 criteria are met, in which case they may extend to a maximum height of 55 feet. Affordable
19 Housing Projects under Section 846.24 are limited to a maximum height of 45 feet unless all of the
20 following criteria are met, in which case they may extend to 55 feet:

21 (A) At least one Story of the Building, as defined in Section 102, located
22 on the First Story or above, as defined in Section 102 under the definition for Story, is
23 designated for the exclusive use of Arts Activities, as defined in Section 102. If the First Story
24 is designed for the use of Arts Activities, it shall also be permitted to contain lobbies, egress,
25

1 building services, and other features necessary for the operation of the building and permitted
2 uses elsewhere in the building.

3 (B) Any such story dedicated to arts activities pursuant to ~~S~~subsections
4 (2) and (3) below, regardless of its location within the building, shall have a minimum floor-to-
5 floor height of 15 feet.

9 **SEC. 803.8. HOUSING IN MIXED USE DISTRICTS.**

10 (a) **Low-Income Affordable Housing Within the Service/Light Industrial and**

12 SLI District as a Conditional Use pursuant to Sections 303, 817.14, and 817.16 of this Code,
13 and Dwelling Units, SRO Units, and Group Housing are principally permitted in the SALI District

LEGISLATIVE DIGEST

[Planning Code - Affordable Housing Projects on Undeveloped Lots in Service/Arts/Light Industrial Districts]

Ordinance amending the Planning Code to permit Affordable Housing on undeveloped lots in Service/Arts/Light Industrial (SALI) Zoning Districts; affirming the Planning Department's determination under the California Environmental Quality Act; and making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section, 101.1, and findings of public necessity, convenience, and welfare under Planning Code, Section 302.

Existing Law

The Planning Code regulates residential land uses in the City, including Dwelling Units, Group Housing, and Single Room Occupancy (SRO) Units. Article 8 of the Planning Code sets forth the zoning controls for Mixed Use Districts in San Francisco, including the Service/Arts/Light Industrial (SALI) District.

Dwelling Units, Group Housing, and SRO Units are not currently permitted in SALI Districts.

The Planning Code and Zoning Map limit the height and bulk of buildings in the City. The Planning Code provides various exceptions to these limitations for projects that meet certain criteria.

Amendments to Current Law

This legislation would principally permit certain Affordable Housing Projects on certain lots in SALI Districts, as follows:

“Affordable Housing Project” shall mean a project consisting of Low-Income Affordable Housing Dwelling Units, SRO Units, or Group Housing as defined in Section 803.8(a) of the Planning Code. Affordable Housing Projects may also include principally permitted non-residential uses on the ground floor, and a non-residential use that is accessory to and supportive of the Low-Income Affordable Housing Dwelling Units, SRO Units, or Group Housing.

Affordable Housing Projects are principally permitted in SALI Districts on any undeveloped parcel containing no existing habitable buildings as of the effective date of this legislation, including any parcel that contains only a surface parking lot.

Affordable Housing Projects shall be subject to the Use Standards applicable to Residential Uses in the Residential Enclave-Mixed (RED-MX) District listed in Table 847 of the Planning Code, and the height and bulk limitations of the 45-X Height and

FILE NO. 180364

Bulk District, subject to any applicable exceptions or bonuses available under state law or the Planning Code.

This legislation would specify that these Affordable Housing Projects shall be eligible for the 100 Percent Affordable Housing Bonus Program set forth in Section 206.4 of the Planning Code.

This legislation would also allow these Affordable Housing Projects to be eligible for the special exception to height limits set forth in Section 263.28 of the Planning Code for buildings that provide space for arts activities.
