(a) The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of

Supervisors in File No. 250926 and is incorporated herein by reference. The Board affirms this determination.

(b) On November 6, 2025, the Planning Commission, in Resolution No. 21863, adopted findings that the actions contemplated in this ordinance are consistent, on balance, with the City's General Plan and eight priority policies of Planning Code Section 101.1. The Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of

the Board of Supervisors in File No. 250926, and is incorporated herein by reference.

(c) Pursuant to Planning Code Section 302, this Board finds that these Planning Code amendments will serve the public necessity, convenience, and welfare for the reasons set forth in Planning Commission Resolution No. 21863, and the Board adopts such reasons as its own. A copy of said resolution is on file with the Clerk of the Board of Supervisors in File No. 250926 and is incorporated herein by reference.

# Section 2. Additional Findings.

(a) The Housing Crisis Act of 2019, adopted by the California Legislature as Senate Bill 330 (hereafter, "SB 330"), provides that cities may not approve housing development projects that will require the demolition of existing residential units unless the sponsors of those projects agree to certain criteria. Among other things, the project sponsors must allow existing occupants to remain in their units until a certain time before the start of construction

activities; replace all protected units; offer displaced lower-income households a right of first refusal to comparable units; and provide lower-income tenants relocation assistance. Further, SB 330 provides that cities may go beyond these minimum requirements to assist displaced households, particularly those who are lower-income.

- (b) Consistent with SB 330, this Ordinance adopts a series of tenant protections tailored for San Francisco, with a particular focus on protecting lower-income tenants to whom SB 330 grants a right of return. In many instances, lower-income households displaced by demolition projects have been unable to stay in San Francisco or the Bay Area, due to the property owner's timetable for constructing a new building, contrary to the intent of SB 330 that lower-income tenants shall enjoy a right to occupy a comparable unit in the new building. A similar pattern exists when landlords displace lower-income tenants in order to perform capital improvements and renovation projects. The current rules assume that this work will last for only three months and that the tenant will then be able to reoccupy the unit, but the displacements often last much longer, and lower-income tenants in particular suffer from these impacts and often have no choice but to give up on their right to return altogether. Tenants are also vulnerable to harassment, pretextual owner move-ins, and may be induced to leaving their units under buyout agreements without a full understanding of their rights. It is reasonable, and in the case of lower-income tenants essential, to prevent the potential abuse of evictions, to ensure tenant protections are not undermined, and to require property owners who are pursuing demolition or renovation projects to absorb the impacts that their projects will cause.
- (c) This Ordinance also includes a requirement that a landlord withdrawing a unit under the Ellis Act must state whether they intend to demolish the unit within the next five years. This statement would be for informational purposes only: it is not intended to create a substantive defense to an eviction, but it will be helpful for the City to understand the impacts

ı	of SB 330 and to manage tenant displacements. Such a disclosure is intended to assist City
2	agencies to track and monitor plans to demolish housing, to track and mitigate tenant
3	displacement, and to advance policies implementing SB330 and other state and local laws. In
4	is not intended to create an additional affirmative defense to an eviction.

### **SEC. 311. PERMIT REVIEW PROCEDURES.**

7 \* \* \* \*

(c) Planning Entitlement Application Review for Compliance. Upon acceptance of any application subject to this Section, the Planning Department shall review the proposed project for compliance with the Planning Code and any applicable design guidelines approved by the Planning Commission. Applications determined not to be in compliance comply with the standards of Articles 1.2, 1.5, 2 and 2.5 of the Planning Code, Residential Design Guidelines, including design guidelines for specific areas adopted by the Planning Commission, or with any applicable conditions of previous approvals regarding the project, shall be held until either the application is determined to be in compliance, is disapproved or a recommendation for cancellation is sent to the Department of Building Inspection.

(2) Removal of Residential Units. When removal or elimination of a#

Residential Unit authorized or #Unauthorized residential #Unit, as defined in Sections 102 and 317 of this Code, is proposed, the Applicant shall provide notice as required in this Section 311, and as required by Section 317.2, and such notice shall include contact information for the appropriate City agency or resource for assistance in securing tenant counseling or legal services, as applicable. The Applicant shall post a notice of the application at least 30 inches by 30 inches in a conspicuous common area of the subject property, and such sign shall be posted no later than the start date of the notification period required by this Section 311 and shall remain

posted until the conclusion of any hearings on the permit before the Planning Commission,
the Zoning Administrator, the Board of Supervisors or the Board of Appeals. The Zoning
Administrator shall determine any additional notification procedures to be applied in such a
case.

(3) **Replacement Structure Required.** Unless the building is determined to pose a serious and imminent hazard as defined in the Building Code, an application authorizing a project that will require the demolition of one or more Residential or Unauthorized Units and/or the demolition of an historic or architecturally important building or of a dwelling, shall be conditioned upon the City granting final approval of a building permit for construction of the replacement building. A building permit is finally approved if the Board of Appeals has taken final action for approval on an appeal of the issuance or denial of the permit or if the permit has been issued and the time for filing an appeal with the Board has lapsed with no appeal filed. Approval of the replacement structure shall comply with Section 317.2, as applicable.

(4) Buildings Posing a Safety Hazard.——(A) The demolition of any building, including but not limited to historically and architecturally important buildings, may be approved administratively when the Director of the Department of Building Inspection, the Chief of the Bureau of Fire Prevention and Investigation, or the Director of Public Works determines, after consultation with the Zoning Administrator, that an imminent safety hazard exists, and the Director of the Department of Building Inspection determines that demolition or extensive alteration of the structure is the only feasible means to secure the public safety.

Nothing in this subsection (c)(4) shall relieve a project sponsor from complying with Section 317.2, as applicable. The Zoning Administer may modify the timing of compliance with Section 317.2, as necessary, for demolitions approved under this subsection (c)(4).

# SEC. 317. LOSS OF RESIDENTIAL AND UNAUTHORIZED UNITS THROUGH DEMOLITION, MERGER, AND CONVERSION.

- (a) **Findings.** San Francisco faces a continuing shortage of affordable housing. There is a high ratio of rental to ownership tenure among the City's residents. The General Plan recognizes that existing housing is the greatest stock of rental and financially accessible residential units, and is a resource in need of protection. Therefore, a public hearing will be held prior to approval of any <u>Development Application permit</u> that would <u>allow</u> remov<u>ale of</u> existing housing, with certain exceptions, as described below. The Planning Commission <u>shall has</u> develop<u>ed</u> a Code Implementation Document setting forth procedures and regulations for the implementation of this Section 317 as provided further below. The Zoning Administrator shall modify economic criteria related to property values and construction costs in the Implementation Document as warranted by changing economic conditions to meet the intent of this Section.
- (b) **Definitions.** For the purposes of this Section 317, the terms below shall be as defined below. *The Planning Department shall use these definitions when implementing state laws* that use similar terms if state law does not define such terms. Capitalized terms not defined below are defined in Section 102 of this Code.

18 \* \* \* \*

- (2) "Residential Demolition" shall mean any of the following:
- (A) Any work on a Residential Building for which the Department of Building Inspection determines that an application for a demolition permit is required, or
- (B) A major alteration of a Residential Building that proposes the Removal of more than 50% or more of the sum of the combined Front Facade and Rear Facade and also proposes the Removal of more than 65% of the sum of all exterior walls, measured in lineal feet at the foundation level, or

1	(C) A major alteration of a Residential Building that proposes the
2	Removal of more than 50% or more of the Vertical Envelope Elements and more than 50% of
3	the Horizontal Elements of the existing building, as measured in square feet of actual surface
4	area.

(D) The Planning Commission may reduce the above numerical elements of the criteria in Subsections (b)(2)(B) and (b)(2)(C), by up to 20% of their values should it deem that adjustment is necessary to implement the intent of this Section 317, to conserve existing sound housing and preserve affordable housing.

- (7) "Residential Merger" shall mean the combining of two or more Residential or Unauthorized Units, including the creation of an open connection between Units, resulting in a decrease in the number of Residential Units and Unauthorized Units within a building, or the enlargement of one or more existing units while substantially reducing the size of others by more than 25% of their original floor area, even if the number of units is not reduced. The Planning Commission may reduce the numerical element of this criterion by up to 20% of its value should it deem that adjustment is necessary to implement the intent of this Section 317, to conserve existing housing and preserve affordable housing.
  - (8) "Rear Façade" is defined in Section 102 of this Code.
- (9) "Removal" shall mean, with reference to a wall, roof or floor structure, its dismantling, its relocation or its alteration of the exterior function by construction of a new building element exterior to it. The infill of an existing exterior opening shall be considered a demolition. Where a portion of an exterior wall is removed, any remaining wall above or below that new opening with a height less than the Building Code requirement for legal head room shall be considered demolished. Where exterior elements of a building are removed and replaced for repair or maintenance, in like materials, with no increase in the extent of the

1	element or volume of the building, such replacement shall not be considered Removal for the
2	purposes of this Section. Removal and replacement of exterior elements for repair or
3	maintenance pursuant to a Department of Building Inspection Corrections Notice shall not be
4	considered Removal for purposes of this Section 317, provided the replacement uses like
5	materials and does not increase the extent of the removed element or increase the volume of
6	the building. The foregoing does not supersede any requirements for or restrictions on
7	noncomplying structures and their reconstruction as governed by Article 1.7 of this Code.
8	Where an entire building is moved to another location, it shall not be considered Removal for
9	the purposes of this Section. The elevation of an entire building, regardless of height, shall be
10	considered Removal of Horizontal Elements for the purposes of this Section 317.

22	including local density requirements, a development project that will require the demolition of
23	occupied or vacant Protected Units, or that is located on a site where Protected Units were demolished
24	in the five years preceding the date the project sponsor submits a Development Application, shall not
25	be approved unless the project meets all of the following requirements:

1	(1) Replacement of Protected Units. The project shall replace all existing Protected

3	as otherwise provided in this Section 317.2, for purposes of this subsection (d)(1), the term "replace"

8	<i>Households.</i> Except as provided in subsection $317.2(d)(2)(D)$ , for projects proposing to demolish
9	buildings that include Protected Units that were occupied by Lower-Income Households at the time of
10	the Development Application, the project sponsor shall replace such Protected Units with Comparable
11	Units at an affordable housing cost to persons and families in the same or lower income categories as
12	those households in occupancy or presumed to be in occupancy as described in Section
13	65915(c)(3)(B)(i). Such units shall be occupied by persons and families in the same or lower income
14	categories as those households in occupancy or presumed to be in occupancy as described in Section
15	65915(c)(3)(B)(i). Comparable Units in rental projects must be made available at an affordable rent
16	or the prior rental rate, whichever is lower. Housing Development Projects in which 100 percent of the
17	units, exclusive of a manager's unit or units, are reserved for Lower Income Households, may comply
18	with subsection $(d)(1)(A)$ by providing at least the same total number of units and the total aggregate
19	number of bedrooms as the Protected Units being replaced on the project site.
20	(B) Demolition and Replacement of Units Occupied by With Above Lower-
21	Income Households. For projects proposing to demolish buildings with Protected Units that were
22	occupied by above Lower-Income Households, the project sponsor shall replace those units with
23	Comparable Units. Comparable Units in Rental Projects shall be subject to the rent increase
24	limitations of Chapter 37 of the Administrative Code. Comparable Units in Ownership Projects, as

2	approved by the Planning Department.
3	(C) Vacant or Demolished Units. If all Protected Units have been vacated or
4	demolished within the five years preceding the Development Application, then the project sponsor shall
5	replace those units with Comparable Units based on the number of Lower-Income Households in
6	occupancy or presumed to be in occupancy at the highpoint in the preceding five years, as described in
7	California Government Code Section 65915(c)(3)(B)(ii). Housing Development Projects in which 100
8	percent of the units, exclusive of a manager's unit or units, are reserved for Lower Income Households,
9	may comply with this subsection $(d)(1)(C)$ by providing at least the same total number of units and the
10	total aggregate number of bedrooms as the Protected Units being replaced on the project site.
11	(D) Accessibility Requirements. Any demolished Protected Unit that was an
12	accessible unit under California Building Code Chapter 11A shall be replaced with an accessible
13	Comparable Unit.
14	(E) Inclusionary Requirements. Replacement Units constructed pursuant to
15	this subsection (d)(1) shall be considered in determining whether the Housing Development Project
16	satisfies the requirements of California Government Code Section 65915, or any on-site affordable

If a project that proposes to demolish  Protected Units is not a Housing Development Project, the project sponsor shall ensure that any  Replacement Units are developed prior to or concurrently with the non-housing development project.  Such Replacement Units shall be Comparable Units, and may be located on a site other than the non-housing development project site but shall be located within San Francisco and within one mile of the

4	Implementation Document shall contain guidelines as deemed necessary to assist with implementation,
5	monitoring, and enforcement of this subsection $(d)(1)(F)$ .
6	(G) Exceptions. Consistent with California Government Code Section
7	$\underline{66300.6(b)(1)(C)}$ , this subsection $\underline{(d)(1)}$ does not require a Replacement Unit where $\underline{(i)}$ the project is an
8	industrial use; (ii) the project site is entirely within a zone that does not allow Residential uses; (iii) the
9	zoning applicable to the project site that does not allow Residential uses was adopted prior to January
10	1, 2022; and (iv) the Protected Units that are or were on the project site are or were nonconforming
11	<u>uses.</u>
12	(2) Protections for Existing Occupants. A Development Application shall not be
13	approved unless the project sponsor complies with the requirements of subsections $(d)(2)(A)-(D)$ , and
14	has provided all Existing Occupants notice of their rights under subsections (d)(2)(A)-(D). The project
15	sponsor shall include a compliant relocation plan with their Development Application. To ensure
16	that Existing Occupants are provided the relocation assistance and services required by this
17	Section 317.2, the The Implementation Document shall include minimum standards for notices to be
18	provided informing Existing Occupants of their rights, and a compliant relocation plan, as well as
19	instructions and guidelines on how a project sponsor or a relocation specialist hired by the project
20	sponsor can comply with the requirements in this subsection (d)(2). The Department may impose a fee
21	for the review of a relocation plan.
22	(A) Right to Remain. Existing Occupants who are Lower-Income Households
23	shall be allowed to occupy their units until three months before the start of construction activities.
24	Existing Occupants who are not above Lower-Income Households shall be allowed to occupy their
25	units until six months before the start of construction activities. A project sponsor may allow an

1	Existing Occupant to remain beyond three or six months before the start of construction activities.
2	(i) The project sponsor shall provide Existing Occupants, with a copy to
3	the Planning Department and Rent Board, written notice of the planned demolition, the date they must
4	vacate, and their rights under this Section 317.2. The notice shall be provided in writing, by certified
5	mail, at least six months in advance of the date that Existing Occupants must vacate, and shall be in
6	addition to any other notices that may be required by law. This notice shall include the following text
7	in at least 14 point bold face type: "This notice is not an eviction notice. It is not notice that you must
8	vacate the building or that your tenancy is being ended. It is to inform you about your rights under
9	Section 317.2 of the San Francisco Planning Code."
10	(ii) The notice in subsection $(d)(2)(A)(i)$ shall be sent by certified mail
11	and provided in the Required languages, and in languages spoken by a Substantial Number of Limited
12	English Speaking Persons, as those terms are defined in Administrative Code Chapter 91.
13	(B) Right to Return if Demolition Does Not Proceed. Any Existing Occupants
14	who vacate their units following receipt of the notice required by subsection (A) shall be allowed
15	to return at their prior rental rate, as adjusted in accordance with the provisions of Administrative
16	Code Chapter 37, if the demolition does not proceed and the property is returned to the rental market.
17	The project sponsor shall follow any applicable guidelines in the Implementation Document regarding
18	the offer and acceptance of a right to return if demolition does not proceed.
19	(C) Right to Relocation Assistance. The Department shall ensure that
20	Project sponsors shall provide relocation assistance to Existing Occupants as follows:
21	(i) All displaced households regardless of income level shall receive
22	relocation assistance equivalent to the amounts required under Administrative Code Section 37.9A(e).
23	(ii) When the displaced household is Lower-Income, the project sponsor
24	shall provide the additional relocation assistance as set forth in subparagraphs a., b., or c of this
25	subsection (d)(2)(C). The project sponsor shall continue to provide this additional assistance until they

1	have discharged their obligation to offer the household a permanent Comparable Unit under
2	subsection (d)(2)(D), or until 42 months have elapsed since the displacement occurred, whichever
3	comes first. The Department shall review and verify the adequacy of the project sponsor's relocation
4	assistance plan before it finally approves the demolition permit, shall assist project sponsors and
5	displaced households to ensure consistent implementation of the plans, and may contract with third-
6	party relocation specialists to assist with these functions.
7	a. Substitute Housing. The project sponsor shall secure a
8	substitute unit for the household that is Comparable and is located in San Francisco, commencing on
9	the date that the household would be required to vacate their original unit. The rent shall be not
10	greater than the rent that the household was paying before the displacement. The project sponsor shall
11	follow any applicable procedures in the Implementation Document regarding the offer and acceptance
12	of the substitute unit. If the household accepts the offer of a substitute unit, their tenancy in that unit
13	shall be subject to all applicable provisions of Administrative Code Chapter 37. If the household does
14	not accept the offer of a substitute unit, the project sponsor shall provide relocation assistance under
15	subparagraphs b. or c.
16	b. Standardized Payment. The project sponsor shall provide the
17	household standardized financial payments to assist with the relocation, commencing three months
18	after the date that the household vacated their original unit. The payments shall occur monthly in an
19	amount equivalent to the difference between the maximum monthly rent for that household and unit
20	type as published by MOHCD, and the San Francisco Housing Authority Payment Standard for that
21	unit size (or the amount that the household is paying for interim housing, whichever is less).
22	c. Individualized Relocation Process. Consistent with California
23	Government Code Section 66300.6(b)(4)(A), the project sponsor shall provide the household financial
24	payments in the amounts required to be paid by public entities under California Government Code
25	Sections 7260-7277, as amended from time to time. The Department's Implementation Document shall

1	include procedures and guidelines for project sponsors who wish to provide relocation assistance
2	under this option.
3	(iii) The Department shall develop procedures for Lower-Income
4	Households to provide the Department and project sponsor confirmation at least once every twelve
5	months that they remain eligible for the additional relocation assistance described in subparagraphs a.
6	or b. of subsection (ii), as applicable, and that they intend to occupy a Comparable Unit under
7	subsection $(d)(2)(D)$ upon completion, as a condition of receiving the additional relocation assistance.
8	Information related to a displaced household's source of income shall be treated as confidential
9	information.
10	(iv) If paying relocation assistance under subparagraphs a. or b. of
11	subsection (ii) would constitute an undue financial hardship for the project sponsor in light of all of the
12	resources available to them, the project sponsor may file a written request with the Rent Board for a
13	hardship adjustment, on a form provided by the Rent Board and with supporting evidence. The Rent
14	Board, or its designated Administrative Law Judges, may order a payment plan or any other relief they
15	determine is justified following a hearing on the request.
16	(v) The relocation assistance set forth in this Section $317.2(d)(2)(C)$ is
17	not intended to affect any assistance the displaced household may be entitled to under federal or state
18	law. If a displaced household is also entitled to receive relocation assistance under Chapter 37 of the
19	Administrative Code, then the project sponsor may apply the amounts paid under Chapter 37 as a
20	credit against the amounts required under this Section 317.2(d)(2)(C).
21	(D) Right of First Refusal For Comparable Units. The project sponsor shall
22	offer Comparable Units to Existing Occupants of Protected Units as set forth below. The City shall not
23	issue a Temporary or Final Certificate of Occupancy unless the Planning Department has certified that
24	the project sponsor has complied with these requirements, the applicable notice rules under subsection
25	(E), as well as any offer and acceptance procedures and guidelines set forth in the Department's

1	Implementation Document.
2	(i) The project sponsor shall provide above Lower-Income Households a
3	right of first refusal for a Comparable Unit available in the new housing development, or if the
4	development is not a housing development, in a Comparable Unit associated with the new development
5	provided such development is a rental housing development.
6	(ii) The project sponsor shall provide Lower-Income Households a right
7	of first refusal for a Comparable Unit available in the new housing development, or if the development
8	is not a housing development, in any required Comparable Units associated with the new development
9	at an affordable rent or an affordable housing cost. To ensure the Comparable Unit is affordable to
10	the Lower Income Household, the project sponsor shall offer the unit either at the Existing Occupant's
11	prior rental rate (plus any annual rent increases that may have been allowed under Administrative
12	Code Sections 37.3(a)(1)-(2)) or at an Affordable Rent, whichever is lower; or at an Affordable
13	Housing Cost. If a Lower-Income Household has been accepting relocation assistance in the form of a
14	substitute housing unit, their decision not to accept a Comparable Unit under this subsection (ii) shall
15	not affect their right to continue occupying the substitute housing unit. If a Lower-Income Household
16	accepts a Comparable Unit at their prior rental rate which is lower than the Affordable Rent, any
17	annual rent increase shall be governed by Administrative Code Section 37.3(a)(1)-(2) for the duration
18	of the Lower-Income Household's tenancy. At the conclusion of the tenancy, the Comparable Unit
19	shall be an Affordable Unit subject to the requirements of Section 415 and the Inclusionary Affordable
20	Housing Procedures Manual.
21	(iii) Consistent with California Government Code Sections
22	66300.6(b)(4)(B)(i)-(iii), Existing Occupants shall not have a right of first refusal under this subsection
23	(D) to a Comparable Unit in any of the following circumstances:
24	a. a development project that consists of a single residential unit
25	located on a site where a single Protected Unit is being demolished;

of the units, exclusive of a manager's unit or units, are reserved for Lower-Income Households, except in the case of an Existing Occupant of a Protected Unit who qualifies for residence in the new development and for whom providing a Comparable Unit would not be precluded due to unit size limitations or other requirements of one or more funding source of the housing development; or
development and for whom providing a Comparable Unit would not be precluded due to unit size
limitations or other requirements of one or more funding source of the housing development; or
c. a development project that meets the requirements set forth in
California Government Code Section 66300.6(b)(1)(C).
(e) Notice Requirements. In addition to any other notices required by this Code, a project
sponsor shall comply with the notice requirements under subsections (e)(1) and (e)(2), below. The
Department shall create forms to assist project sponsors in providing these notices, and may include
additional rules and guidelines in the Replacement Unit Implementation Document. The project
sponsor shall provide copies of these notices to the Department at the time they provide them to the
Existing Occupants, unless otherwise specified. The Department shall also develop forms for Existing
Occupants to keep the project sponsor and Department apprised of future changes of physical address,
telephone number, and electronic mail.
(1) Posted Notice at Site. Within seven days of receiving notice that their Development
Application is complete or has been deemed complete, the project sponsor shall place posters at the
subject property that includes the content set forth in Section 333(d). The posters shall comply with the
requirements of Section 333(e)(1), and shall remain at the property until the Department issues a
Planning Approval Letter or until the project sponsor withdraws or cancels the application. This
notice shall be in addition to any notices required by the Building Code or any other State or local law.
In addition to the locations required by Section 333(e)(1), the project sponsor shall also place posters
in at least one high-traffic area used by tenant households. The requirements of this subsection
317.2(e)(1) may be modified upon a determination by the Zoning Administrator that a different location
for the poster would provide better notice or that physical conditions make this requirement impossible

1	or impractical, in which case the notice shall be posted as directed by the Zoning Administrator.
2	(2) Notifications to Existing Occupants. Project sponsors must provide notice to
3	Existing Occupants as set forth below, and as further required in the Implementation Document, by
4	certified mail and email, in the Required languages and in languages spoken by a Substantial Number
5	of Limited English Speaking Persons as those terms are defined in Administrative Code Chapter 91.
6	(A) Notice of Right to Remain. Project sponsors shall notify all Existing
7	Occupants of their right to remain consistent with Section 317.2(d)(2)(A).
8	(B) Notice of Right to Relocation Benefits. Project sponsors shall notify all

## SEC. 37.9. EVICTIONS.

Notwithstanding Section 37.3, this Section 37.9 shall apply as of August 24, 1980, to all landlords and tenants of rental units as defined in Section 37.2(r).

(a) A landlord shall not endeavor to recover possession of a rental unit unless:

18 \* \*

(10) The landlord seeks to recover possession in good faith in order to demolish or to otherwise permanently remove *the-individual* rental unit(s) within a building rather than all the units from housing use and has obtained all the necessary permits on or before the date upon which notice to vacate is given, and does so without ulterior reasons and with honest intent; provided that a landlord who seeks to recover possession under this Section 37.9(a)(10) shall subject to the payment of relocation expenses as provided in Section 37.9C except that a landlord who seeks to demolish an unreinforced masonry building pursuant to Building Code Chapters 16B and

16C and must provide the tenant	with the relocation	assistance specifie	d in Section	37.0A(f) below
100 and musi provide the tenant	with the relocation	assistance specific	a in section	37.71(j) below
prior to the tenant's vacating the	<del>-premises</del> ; or			

(11) The landlord seeks in good faith to remove temporarily the unit from housing use in order to be able to carry out capital improvements or rehabilitation work that would make the unit hazardous, unhealthy, and/or uninhabitable while work is in progress, and has obtained all the necessary permits on or before the date upon which notice to vacate is given, and does so without ulterior reasons and with honest intent. Any tenant who vacates the unit under such circumstances shall have the right to reoccupy the unit at the prior rent adjusted in accordance with the provisions of this Chapter 37. The landlord may require the tenant to vacate the unit only for the minimum time required to do the work.

(A) On or before the date upon which notice to vacate is given, the landlord shall: (i) advise the tenant in writing that the rehabilitation or capital improvement plans are on file with the Central Permit Bureau of the Department of Building Inspection and that arrangements for reviewing such plans can be made with the Central Permit Bureau, and (ii) provide the tenant a disclosure form prepared by the Board that advises the tenant of the tenant's right to return; and (iii) provide the tenant a form prepared by the Board that the tenant can use to keep the Board apprised of any future change in address; and (iv) provide the tenant a form prepared by the Board that lower-income tenants can use to seek additional monthly relocation assistance under subsection (D).

20 \* \* \* \*

(C) The tenant shall not be required to vacate pursuant to this Section 37.9(a)(11), for a period in excess of three months; provided, however, that such time period may be extended by the Board (including its Administrative Law Judges) upon application by the landlord.

(i) In reviewing an application for an extension of time, the Board

shall first determine whether the landlord has demonstrated that all of the work is reasonable and necessary to meet state or local requirements concerning the safety or habitability of the building or the unit, rather than elective in nature. If so, the Board shall only consider whether the landlord has delayed in seeking the extension; and the reasonableness of the landlord's time estimate.

(ii) Alternatively, if the Board determines that not all of the work is reasonable and necessary to meet state or local requirements concerning the safety or habitability of the building or the unit, the Board shall consider the degree to which the work is elective in nature; whether any tenants have objected that the cost of securing alternative housing during the time extension would cause them a financial hardship, and/or that they are 60 years of age or older or disabled; and any other extraordinary circumstances. The Board shall also consider whether the landlord has offered reasonable mitigation, other than the relocation expenses required by <u>subsection (D)Section 37.9C</u>, to address the hardship imposed upon the tenant, such as <u>additional relocation assistance or</u> temporary occupancy of another vacant unit should one be available.

(iii) The Board may grant or deny an application for an extension of time or may approve a shorter period of time, based upon the consideration of the facts of the case. The Board shall adopt rules and regulations to implement the application procedure. If the landlord does not timely allow the tenant to reoccupy the unit, and upon completion of the work the subsequent occupant is someone other than the original tenant, there shall be a rebuttable presumption that the original tenant did not reoccupy the unit due to the delay and therefore, for purposes of restricting the rent as set forth in Section 37.3(f)(1), that the original tenancy was terminated by the landlord.

(D) Any landlord who seeks to recover possession under this Section 37.9(a)(11) shall pay relocation expenses as provided in Section 37.9C. *In addition, if a tenant* 

1	who is lower-income as defined in California Health and Safety Code section 50079.5 will be required
2	to vacate for in excess of three months pursuant to a notice to vacate under this subsection (a)(11) that
3	was served on or after the effective date of the ordinance in Board of Supervisors File No, then
4	the tenant shall be entitled to receive additional relocation assistance, as set forth below.
5	(i) A lower-income tenant seeking additional relocation assistance on or
6	after the three-month mark shall submit a form to the Board and to the landlord that includes a
7	verification of the tenant's income, the number of persons who resided with them in the unit, and any
8	other information the Board may deem is necessary in order to calculate the amount of additional
9	relocation assistance authorized under this subsection (D). The landlord may also submit information
10	to the Board to assist the Board in making this calculation. The Board shall inform the parties of the
11	additional relocation assistance required within 30 days of receiving the tenant's verification form, or
12	within 45 days if the landlord has also submitted information. Information related to a tenant's
13	source of income shall be treated as confidential information.
14	(ii) The amount of additional relocation assistance shall be equivalent to
15	the monthly difference between the rent that the tenant was paying as of the date of the notice to vacate,
16	and the San Francisco Housing Authority Payment Standard for that unit size (or the amount the tenant
17	is paying for interim housing, whichever is less). The landlord shall provide the tenant the Board-
18	determined amount each month, until the tenant has accepted or rejected an offer to reoccupy the unit
19	after completion of the work (but in no case for more than 39 months).
20	(iii) The Board shall require tenants to reconfirm their eligibility as
21	described in subsection (i) and to certify their intent to return to the unit upon completion of the work,
22	at least once every twelve months, as a condition of receiving the additional assistance.
23	(iv) Either party may challenge a determination regarding additional
24	relocation assistance by seeking a hearing before a Board Administrative Law Judge. In addition, if
25	the additional assistance would constitute an undue financial hardship for the landlord in light of all of

1	the resources available to them, the landlord also may file a written request for a hardship adjustment,
2	on a form provided by the Board and with supporting evidence. The Board, or its designated
3	Administrative Law Judges, may order a payment plan or any other relief they determine is justified
4	following a hearing on the request.

5 \* \* \*

(17) The landlord seeks to recover possession in good faith in order to complete a development project that will require a Residential Demolition under Section 317 of the Planning Code, and has obtained all the necessary permits on or before the date upon which notice to vacate is given. Consistent with Planning Code Section 317.2(b)(2)(A), the effective date of the notice to vacate for above lower-income tenants shall not fall more than six months before the start of construction activities provided for in the permit, and not more than three months before the start of construction activities in the case of lower-income households. Consistent with Planning Code Section 317.2(b)(2)(B), if the landlord does not proceed with the demolition and re-rents any of the units, then the displaced tenant shall be allowed to return to the unit at a rent not greater than that which would have applied had they remained in continuous occupancy.

(c) *Notices to Vacate*. A landlord shall not endeavor to recover possession of a rental unit unless at least one of the grounds enumerated in Section 37.9(a) or (b) above is (1) the landlord's dominant motive for recovering possession and (2) unless the landlord informs the tenant in writing on or before the date upon which notice to vacate is given of the grounds under which possession is sought. For notices to vacate under Sections 37.9 (a)(1), (2), (3), (4), (5), or (6), the landlord shall prior to serving the notice to vacate provide the tenant a written warning and an opportunity to cure as set forth in Section 37.9 (o). For notices to vacate under Sections 37.9 (a)(8), (9), (10), (11), *er*-(14), *or* (17), the landlord shall state in the notice to vacate the lawful rent for the unit at the time the notice is issued, before endeavoring

to recover possession. The Board shall prepare a written form that (1) states that a tenant's
failure to timely act in response to a notice to vacate may result in a lawsuit by the landlord to
evict the tenant, and that advice regarding the notice to vacate is available from the Board;
and (2) includes information provided by the Mayor's Office of Housing and Community
Development regarding eligibility for affordable housing programs. The Board shall prepare
the form in English, Chinese, Spanish, Vietnamese, Tagalog, and Russian and make the form
available to the public on its website and in its office. A landlord shall attach a copy of the form
that is in the primary language of the tenant to a notice to vacate before serving the notice,
except that if the tenant's primary language is not English, Chinese, Spanish, Vietnamese,
Tagalog, or Russian, the landlord shall attach a copy of the form that is in English to the
notice. A copy of all notices to vacate except three-day notices to pay rent or quit and a copy
of any additional written documents informing the tenant of the grounds under which
possession is sought shall be filed with the Board within 10 days following service of the
notice to vacate. In any action to recover possession of the rental unit under Section 37.9-, the
landlord must plead and prove that at least one of the grounds enumerated in Section 37.9-(a)
or (b) and also stated in the notice to vacate is the dominant motive for recovering
possession. Tenants may rebut the allegation that any of the grounds stated in the notice to
vacate is the dominant motive.

\* \* \* \*

- (j) The following additional provision shall apply to a landlord who seeks to recover a rental unit by utilizing the grounds enumerated in Sections 37.9(a)(8), (a)(9), (a)(10), or(a)(17).
- (1) It shall be a defense to an eviction under Sections 37.9(a)(8), (a)(9), (a)(10), (a)(11), or(a)(12), or(a)(17) if a child under the age of 18 or any educator resides in the unit, the child or educator is a tenant in the unit or has a custodial or family relationship with a

- tenant in the unit, the tenant has resided in the unit for 12 months or more, and the effective date of the notice of termination of tenancy falls during the school year.
  - (2) Section 37.9(j)(1) shall not apply where the landlord is seeking to temporarily evict or temporarily sever housing services in order to perform seismic work required by Building Code Chapter 34B and has provided notice and compensation as required by Administrative Code Chapter 65A.
  - (3) Within 30 days of personal service by the landlord of a written request, or, at the landlord's option, a notice of termination of tenancy under Sections 37.9(a)(8), (a)(9), (a)(10), (a)(11), or (a)(12), or (a)(17), the tenant must submit a statement with supporting evidence to the landlord, if the tenant claims to be a member of the class protected from eviction by Section 37.9(j). The landlord's written request or notice shall contain a warning that a tenant's failure to submit a statement within the 30 day period shall be deemed an admission that the tenant is not protected from eviction by Section 37.9(j). The landlord shall file a copy of the landlord's request or notice with the Rent Board within 10 days of service on the tenant. 2	alleging wrongful endeavor to recover possession of the tenant's unit through harassment.
3	<u>Upon receipt of such a report</u> , the Board through its Executive Director shall send a notice <u>to the</u>
4	landlord and the tenant acknowledging receipt of the report, and summarizing the rights and
5	responsibilities of landlords and tenants regarding possession of, and eviction from,
6	residential rental units, and requesting that the landlord submit a written response to the Board
7	within seven days. If the tenant remains in possession of the unit and the harassment is alleged to be
8	ongoing, the Executive Director shall also request that the landlord submit a compliance plan. A
9	compliance plan is not an admission of liability but a plan to avoid future claims of harassment.
10	(2) Upon consideration of such report <u>and any response</u> , the Executive Director
11	shallmay schedule an investigative hearing on the allegations before a Board Administrative
12	Law Judge if the Executive Director determines that all of the following apply:
13	(A) The alleged harassment occurred after the effective date of the ordinance in
14	Board File No, and within 12 months of the date of the report;
15	(B) The alleged harassment resulted in the unit becoming uninhabitable, is
16	ongoing against the tenant who submitted the complaint, or is part of a pattern and practice of tenant
17	harassment based on claims previously submitted by other tenants in the building within the last 12
18	months;
19	(C) The alleged harassment is so severe that it has materially impacted
20	a tenant's enjoyment of the unit;
21	(C)(D) The allegations will be supported by documentary evidence, and/or with
22	testimony of a witness other than the complaining tenant; and
23	(D)(E) The allegations are not frivolous.
24	The Rent Board need not hold a hearing if a related civil or criminal action is already pending. The
25	Rent Board may adopt regulations consistent with this Chapter 37 to further define the standards for

ı	when the Executive Director shall schedule investigative hearings and the conduct of such hearings.
2	(3) The Executive Director shall schedule any such hearing within 45 days after receipt
3	of the report of alleged harassment, or as soon as practicable thereafter. bBoth the tenant and the
4	landlord may appear at the hearing and make oral and/or written presentations, including
5	presentation of other witnesses. Following such hearing, the Administrative Law Judge shall
6	issue findings and conclusions in regard to whether harassment occurred that was severe enough
7	that it materially impacted the tenant's enjoyment of the unit, and in the case of a prior tenant
8	whether the prior tenant vacated the unit due to the harassment for purposes of Planning Code Section
9	317.2. The findings and conclusions may be appealed by either party to provide the Board under
10	Section 37.8. with a summary of evidence produced at the hearing.
11	(4)(2) In addition to considering any appeals, Upon review of the evidence, the Board
12	shall $\underline{\mathit{also}}$ consider whether to undertake any further proceedings such as, but not limited to,
13	civil litigation pursuant to Section 37.9(f), or referral to the District Attorney for potential criminal
14	prosecution (see Section 37.9(e)).
15	(5)(3) For purposes of this Subsection 37.9(I), harassment means includes but is
16	not limited to the types of harassment defined in Section 37.10B(a)(1)-(6) and (8)-(14).

18	(n) A landlord who serves a notice to vacate under Section 37.9(a)(8) for the purpose of
19	recovering possession of the unit for their own use or occupancy or for their family members may seek
20	approval from the Rent Board to rescind the notice or stop eviction proceedings at any time, but if the
21	tenant vacates within one year of the date of service of the notice, the tenancy is rebuttably presumed to
22	have been terminated by the landlord pursuant to the notice for purposes of Planning Code Section
23	317(d)(6) and Administrative Code Section $37.3(f)(1)(A)(ii)$ . This presumption shall apply even if the
