EXECUTIVE SUMMARY

Legislative Objectives

- The proposed resolution would approve and authorize the Director of Property to convey a portion of City-owned property at 240 Van Ness Avenue in exchange for property at 234 Van Ness Avenue with 234 Van Ness, LLC, reconfigure the properties, adopt findings that the conveyance and exchange is consistent with the General Plan and eight priority policies of Planning Code Section 101.1, authorize the Director of Property to execute documents, make certain modifications, and take all actions necessary or advisable to effectuate the purposes of the resolution, and adopt findings under the California Environmental Quality Act (CEQA).

Key Points

- The City owns adjacent surplus properties at 240 Van Ness Avenue, 155 Grove Street, and 165 Grove Street. In December 2019, the Board of Supervisors approved an Exclusive Negotiating Agreement with Mercy Housing California to develop affordable housing on the parcels through a future ground lease.
- The City has agreed to exchange a 2,725 square foot portion of the 240 Van Ness property for the equal 2,725 square foot 234 Van Ness property, owned by with 234 Van Ness, LLC, and controlled by Mr. Patterson McBaine. The exchange would enable the Mayor's Office of Housing and Community Development (MOHCD) to build approximately 100 units of below market rate housing on the City's three adjoining parcels. The property conveyed to 234 Van Ness, LLC would be adjacent to the 250 Van Ness property also owned by Mr. McBaine, allowing for future development on the two parcels.

Fiscal Impact

- The proposed transaction is an even exchange of property without a financial cost. The estimated cost to the City for closing costs and title insurance is approximately \$20,000.
- The anticipated ground lease with Mercy Housing California would have annual base rent of \$15,000, without inflation adjustments. Over the initial 75-year term of the lease, the City would receive \$1,125,000 in rent. If the option to extend for an additional 24 years is exercised, the City would receive an additional \$360,000, for total rent of \$1,485,000.
- MOHCD is anticipated to contribute approximately \$13,000,000 for the affordable housing development from Inclusionary Housing Funds.

Recommendation

- Approve the proposed resolution.

MANDATE STATEMENT

Administrative Code Section 23.3 states that the Board of Supervisors must approve acquisitions and conveyances of real property by resolution. An appraisal of the property is required if the Real Estate Division determines that the fair market value is greater than \$10,000 and an appraisal review if the fair market value is greater than \$200,000

BACKGROUND

The City owns an approximately 5,450 square foot property at 240 Van Ness Avenue, containing a vacant two-story commercial building (shown as “Parcel 2” in the attached Exhibit A). The City also owns adjacent properties at 155 and 165 Grove Street, totaling 8,365 square feet, containing a vacant one-story commercial building and a community garden (shown collectively as “Parcel 1” in the attached Exhibit A). The City has determined these parcels to be surplus property. In December 2019, the Board of Supervisors approved an Exclusive Negotiating Agreement (ENA) with Mercy Housing California to develop affordable housing on the parcels through a future ground lease (File 19-1111).

234 Van Ness, LLC, controlled by Mr. Patterson McBaine, owns an approximately 2,725 square foot property at 234 Van Ness Avenue, containing a vacant two-story commercial building (shown as “Parcel 3” in the attached Exhibit A). Mr. McBaine also owns an approximately 4,725 square foot property at 250 Van Ness Avenue (also known as 171 Grove Street), containing a vacant two-story commercial building (shown as “APN 0811-020” in the attached Exhibit A).

The City and 234 Van Ness, LLC have agreed to exchange properties of equal area. The City has agreed to convey approximately 2,725 square feet of the 240 Van Ness property in exchange for the 234 Van Ness property. An appraisal conducted by R. Blum and Associates determined that the two properties are equal in value, affirmed in an appraisal review by J Kaeuper & Company.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve and authorize the Director of Property to convey a portion of the City-owned property at 240 Van Ness in exchange for the property at 234 Van Ness with 234 Van Ness, LLC. The proposed resolution would also reconfigure the 234 Van Ness and the portion of 240 Van Ness retained by the City into a single developable parcel; adopt findings that the conveyance and exchange is consistent with the General Plan and eight priority policies of Planning Code Section 101.1; authorize the Director of Property to execute documents, make certain modifications, and take all actions necessary or advisable to effectuate the purpose of the resolution; and adopt findings under the California Environmental Quality Act (CEQA).

The exchange would enable the Mayor’s Office of Housing and Community Development (MOHCD) to develop affordable housing on the City’s three adjoining properties (shown as “Parcel A” in the attached Exhibit B). The property conveyed to 234 Van Ness, LLC (shown as “Parcel B” in the attached Exhibit B) would be adjacent to the 250 Van Ness property also owned by Mr. McBaine, allowing for future development on the two parcels.

According to Ms. Amy Chan, MOHCD Director of Policy and Legislative Affairs, the City will enter into an option to ground lease with Mercy Housing in Spring 2021, and a ground lease in 2022, prior to construction start. The ground lease would have annual base rent of \$15,000, without annual inflation adjustments, and a term of 75 years with an option to extend for an additional 24 years. Mercy Housing would construct approximately 100 units of below market rate housing in seven stories. Construction is anticipated to begin in January 2023 and take approximately two years to complete.

FISCAL IMPACT

The proposed transaction is an even exchange of property between the City and 234 Van Ness, LLC without a financial cost. According to Mr. Joshua Keene, Real Estate Division Special Projects and Transactions Manager, the estimated cost to the City for closing costs and title insurance is approximately \$20,000.

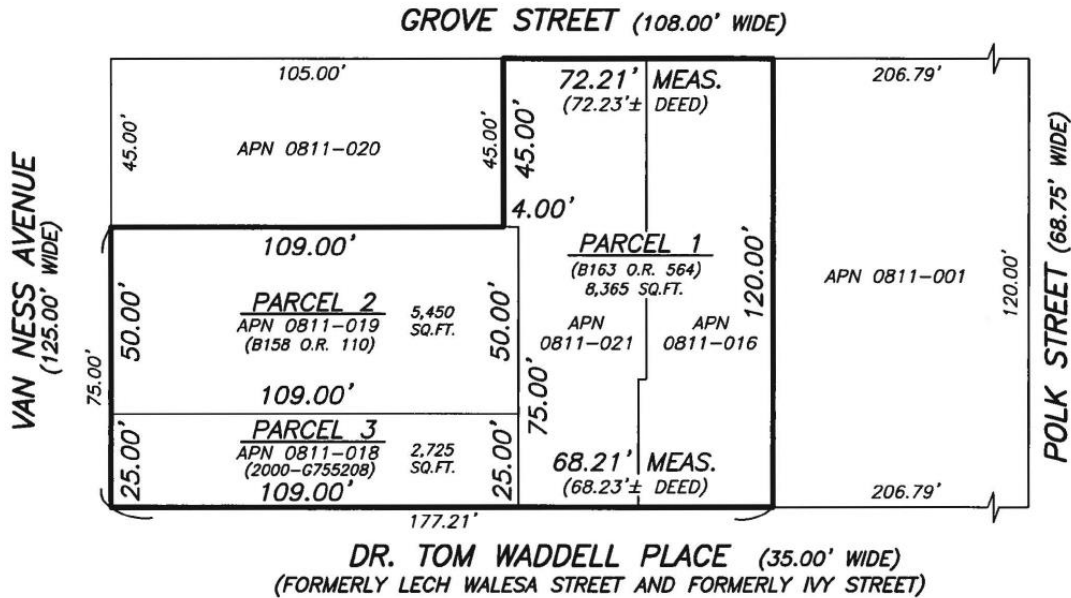

The anticipated ground lease would have annual base rent of \$15,000. Over the initial 75-year term of the lease, the City would receive \$1,125,000 in rent. If the option to extend for an additional 24 years is exercised, the City would receive an additional \$360,000, for total base rent of \$1,485,000. According to Ms. Chan, the City may also receive residual rent if the project generates positive cashflow, but that is not anticipated at this time.

According to Ms. Mara Blitzer, MOHCD Director of Housing Development, the total project budget for the affordable housing development is approximately \$88,269,116. MOHCD is anticipated to contribute approximately \$13,000,000 to the project from Inclusionary Housing Funds.

Hereinafter the owner of 234 VN or 250 VN may be referred to as "**McBaine**."

D. 234 VN and 250 VN may be referred to collectively, or individually as "**McBaine Property**". 240 VN and the 240 Building and 234 VN and the 234 Building are sometimes collectively referred to as the "**Property**."

E. The City, under the jurisdiction of RED, is the owner of the following real property located in San Francisco, California: 155 Grove Street (Assessor's Parcel Number 0811-016, referred to herein as "**155 Grove**") with a building currently located on it ("**Grove Building**"). 155 Grove is further described in the attached **Exhibit A**.

G. The Parties have identified mutual benefit from exchanging an approximately

I. To allow for the reconfiguration, the Parties will enter into separate contracts with Mercy for the demolition of the 234 Building, the 240 Building and the Grove Building (collectively referred to herein as the “**Buildings**”).

J. To effectuate this exchange and reconfiguration of the parcels described above, the Parties will cooperate with Mercy to effectuate the conveyance of a deed for 234 VN to City, demolition of the Buildings, application for a lot line adjustment with the relevant City agencies and or departments, recordation of a new parcel map, and recordation and delivery of a Parcel B deed to McBaine and Parcel A deed to City, with jurisdiction to MOHCD. The formal maps and legal descriptions being used in the lot line adjustment application are attached as **Exhibit C** (“**Lot Line Adjustment**”).

K. Each Party acknowledges and agrees that this Agreement is subject to the approval of the Board of Supervisors, and in itself does not grant either Party the right to develop Parcels A or B. Development of any parcel is subject to the approval of the Board of Supervisors, and any relevant City regulatory agencies or departments.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

ARTICLE 1: PROPERTY EXCHANGE AND ESCROW

1.1. **Exchange of Property**. Subject to the terms and conditions in this Agreement, McBaine agrees to cause the conveyance of the 234 VN to City. The City agrees to deliver to the McBaine at Closing (as defined below), clear title to the new Parcel B (such actions are the “**Exchange**”).

1.2. **Exchange Values**. The Parties agree that, for purposes of the Exchange, the fair market value for Parcel B shall be deemed to be \$1,900,000 and that the fair market value for 234 VN shall be deemed to be \$1,900,000. Neither City nor McBaine will not be required to pay any consideration towards any purchase price.

1.3. **Effective Date and Escrow**. The Effective Date of this Agreement is the date the Director of Property executes this Agreement. Within ten (10) days following the Effective Date, the Parties shall open an escrow for the Exchange (“**Escrow**”) with Chicago Title Company in San

Francisco (the "**Title Company**") and deposit a fully executed copy of this Agreement with Title Company. This Agreement shall serve as instructions to Title Company as the escrow holder for consummation of the Exchange. McBaine and City agree to execute such additional or supplementary instructions as may be reasonably appropriate to enable the Title Company to comply with the terms of this Agreement and effect Closing; provided, however, that if there is any conflict between the provisions of this Agreement and any additional supplementary instructions, the terms of this Agreement shall control.

ARTICLE 2: INVESTIGATION; PROPERTY OPERATION

2.1 Investigation of City Property.

(a) Entry. At all times prior to the Closing Date (as defined in Section 6.1), City shall afford McBaine and its Agents (as defined in Section 9.14) access to 240 VN so McBaine, at its sole election, may independently conduct its due diligence review of all aspects of 240 VN and verify City's representations, warranties and covenants in this Agreement. McBaine shall give City notice of any planned entry of the 240 VN by email or phone to City at least twenty four (24) hours before such entry and shall conduct such entry and any inspections in a manner that reasonably minimizes interference with the current uses of the 240 VN.

(b) On-Site Testing. Notwithstanding anything to the contrary in this Section 2.1, McBaine shall not perform any on-site testing at the City Property without first obtaining the prior written consent of the Director of City's Administrative Services Real Estate Division (the "**Director of Property**"). To obtain such consent, McBaine shall notify the Director of Property of the identity of the party that will perform the testing, the proposed scope of the testing, and any other information reasonably requested by the Director of Property. City shall have the right to reasonably approve or disapprove of the proposed testing within ten (10) business days after receipt of such notice. In addition, City may condition any such approval on the maintenance of adequate general liability, pollution legal liability, business auto and workers compensation insurance by the entity performing such activities, the naming of City as additional insured under such insurance, and the release of any claims against City by the party performing such testing. . If McBaine or its Agents takes any sample from the 240 VN, upon written request, McBaine shall provide to City a portion of such sample being tested to allow City, if it so chooses, to perform its own testing. City or its representative may be present to observe any testing or other inspection performed on 240 VN. If Closing does not occur for any reason, McBaine shall promptly deliver, or cause to be delivered, to City copies of any reports relating to any testing or other inspection of the 240 VN performed by McBaine or its respective Agents. Neither McBaine nor its Agents shall otherwise disclose such information to other parties unless and except to the extent required by Applicable Law (as defined in Section 9.8).

(c) Insurance. McBaine shall maintain, and shall require that its Agents maintain, public liability and property damage insurance in amounts and in form and substance adequate to insure against all liability of McBaine and its Agents, arising out of any entry or inspection of 240 VN, and McBaine shall provide City with evidence of such insurance coverage upon request from City. If McBaine conducts any on-site testing at 240 VN, McBaine, and any of its Agents performing such testing, shall maintain an occurrence-based commercial general liability insurance policy during the period of such testing, with coverage of at least One Million Dollars (\$1,000,000), to insure against all liability of McBaine and its Agents that arises out of any such testing. McBaine shall provide City with (or cause to be provided to City) evidence of such insurance coverage upon request from City.

(d) Indemnification. McBaine hereby agrees to indemnify, protect, defend and hold harmless City, including, but not limited to, all of its boards, commissions, departments, agencies and other subdivisions, all of the Agents of City, and their respective heirs, legal representatives, successors and assigns (collectively, the "**City Indemnified Parties**"), from and against any

Losses (defined as follows) arising out of or relating to the conduct of McBaine or its Agents, as applicable, or its or their activities during any entry on, under or about the 240 VN in performing any inspections, testings or inquiries thereof, whether prior to the date of this Agreement or during the term hereof, for any injuries or deaths to any party (including, without limitation, McBaine's Agents) and damage to any property, from McBaine's and its Agents activities, except to the extent caused by the negligence or willful misconduct of City or its Agents. The foregoing indemnity shall not include any claims resulting from the discovery or disclosure of pre-existing environmental conditions or the non-negligent aggravation of pre-existing environmental conditions on, in, under or about 240 VN. If McBaine's investigation of 240 VN causes any material alteration and this Agreement is terminated for any reason other than City's default hereunder, McBaine shall restore the 240 VN to substantially the same condition it was in prior to such investigation, subject to all Applicable Laws. This indemnity shall survive the termination of this Agreement or the Closing, as applicable.

"Loss" or "Losses" shall mean any and all claims, demands, losses, liabilities, damages (including foreseeable and unforeseeable consequential damages), liens, obligations, interest, injuries, penalties, fines, lawsuits and other proceedings, judgments and awards and reasonable costs and expenses of whatever kind or nature, known or unknown, foreseen or unforeseen, or contingent or otherwise, including, without limitation, Attorneys' Fees and Costs. **"Attorneys' Fees and Costs"** shall mean any and all reasonable attorneys' fees, costs, expenses and disbursements, including, but not limited to, expert witness fees and costs, travel time and associated costs, transcript preparation fees and costs, document copying, exhibit preparation, courier, postage, facsimile, long-distance and communications expenses, court costs and the costs and fees associated with any other legal, administrative or alternative dispute resolution proceeding, fees and costs associated with execution upon any judgment or order, and costs on appeal.

2.2 Investigation of McBaine Property.

(a) Entry. At all times prior to the Closing Date, McBaine shall afford City and its Agents access to McBaine Property so City, at its sole election, may independently conduct its due diligence review of all aspects of McBaine Property and verify McBaine's representations, warranties and covenants in this Agreement. Such activities may include tests of the environmental condition of McBaine Property, including, without limitation, the drilling of test wells and the taking of soil borings. City shall give McBaine notice of any planned entry of McBaine Property by email or phone to McBaine at least two (2) business days before such entry and shall conduct such entry and any inspections in a manner that reasonably minimizes interference with the current uses of McBaine Property.

(b) On-Site Testing. Notwithstanding anything to the contrary in this Section 2.2, before performing any on-site testing of McBaine Property, City shall obtain McBaine's prior written consent. To obtain such consent, City shall notify McBaine of the identity of the party that will perform the testing, the proposed scope of the testing, and any other information reasonably requested McBaine. McBaine shall have the right to reasonably approve or disapprove the proposed testing within three (3) business days after receipt of such notice. In addition, McBaine may condition any such approval on the maintenance of adequate general liability, pollution legal liability, business auto and workers compensation insurance by the entity performing such activities, the naming of McBaine as additional insured under such insurance, and the release of any claims against McBaine by the party performing such testing. Any utility deposits paid by McBaine for 234 VN prior to the Closing Date shall remain the property of McBaine, and City shall reasonably cooperate to cause the return of such deposits to McBaine to the extent McBaine is entitled thereto. If any of the foregoing prorations cannot be accurately calculated on the Closing Date, they shall be calculated as soon as reasonably feasible after the Closing Date. Either Party owing the other Party a sum of money based on such subsequent prorations shall promptly pay such sum to the other Party.

ARTICLE 8: DEFAULT AND REMEDIES

8.1 Default; Right to Specific Performance. If either Party fails to perform its obligations under this Agreement (except as excused by the other Party's default), including, without limitation, a failure to convey Parcel B or 234 VN at the time and in the manner provided for hereunder, the Party claiming default may, at its sole election, make written demand for performance. If the Party receiving such demand for performance fails to comply with such written demand within thirty (30) days after such notice is delivered, the Party claiming default will have the option to (i) waive such default, (ii) demand specific performance or (iii) terminate this Agreement, in each case by written notice to the defaulting Party. If a Party becomes aware

of a default by the other Party under this Agreement that relates to Parcel B or 234 VN before the Closing Date and the Party elects to proceed with the Closing, then the Party that elects to proceed shall be deemed to have waived the default.

8.2 Termination. If any Party terminates this Agreement pursuant to this Article 8, such Party shall have the right to seek all legal remedies available to such Party.

ARTICLE 9: GENERAL PROVISIONS

9.1 Notices. Any notice, consent or approval required or permitted to be given under this Agreement shall be in writing and shall be deemed to be delivered upon (i) personal delivery, or the day the addressee refuses to accept such delivery, (ii) one (1) business day after being deposited with a reliable overnight courier service, or (iii) two (2) days after being deposited in the United States mail, registered or certified mail, postage prepaid, return receipt required, and addressed as follows:

For the convenience of the Parties, copies of notice may also be given by facsimile, but a Party may not give official or binding notice by facsimile and the effective time of a notice shall not be affected by the receipt, prior to receipt of the original, of a facsimile copy of the notice.

Every notice given to a Party pursuant to this Agreement must state (or must be accompanied by a cover letter that states) substantially the following: (A) the Section of this Agreement under which the notice is given and the action or response required, if any; (B) if applicable, the period of time within which the recipient of the notice must respond thereto; (C) if approval is being requested, shall be clearly marked "Request for Approval"; and (D) if a

notice of a disapproval or an objection which requires reasonableness, shall specify with particularity the reasons therefor.

Any mailing address or facsimile number may be changed at any time by giving written notice of such change in the manner provided above at least ten (10) days prior to the effective date of the change. If delivery of any notice given pursuant to this Agreement is rejected, such notice shall be deemed to have been made on the attempted delivery date.

9.2 Amendments. Except as otherwise provided in this Agreement, this Agreement may be amended or modified only by a written instrument executed by City and McBaine. The Director of Property of City (or any successor City officer as designated by law) shall have the authority to consent to any non-material changes to this Agreement. For purposes hereof, "non-material change" shall mean any change that does not materially reduce the consideration to City under this Agreement or otherwise materially increase the liabilities or obligations of City under this Agreement. Material changes to this Agreement shall require the approval of City's Board of Supervisors by resolution.

9.3 Severability. If any provision of this Agreement, or its application to any party or circumstance, is held invalid by any court, the invalidity or inapplicability of such provision shall not affect any other provision of this Agreement or the application of such provision to any other party or circumstance, and the remaining portions of this Agreement shall continue in full force and effect, unless enforcement of this Agreement as so modified by and in response to such invalidation would be unreasonable or grossly inequitable under all of the circumstances or would frustrate the fundamental purposes of this Agreement.

9.4 Non-Waiver. Except as expressly set forth herein to the contrary, a Party's delay or failure to exercise any right under this Agreement shall not be deemed a waiver of that or any other right contained in this Agreement.

9.5 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties and their respective successors, heirs, legal representatives, administrators and assigns. Neither Party's rights or obligations hereunder shall be assignable without the prior written consent of the other Party; provided, however, even if the other Party approves any such proposed assignment, in no event shall the assigning Party be released of any of its obligations hereunder.

9.6 Consents and Approvals. Any approvals or consents of City required under this Agreement may be given by the Director of Property, unless otherwise provided in the City Charter or applicable City ordinances. Any approvals or consents of McBaine required under this Agreement may be given by Justin McBaine.

9.7 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

9.8 Applicable Laws. "**Applicable Laws**" shall mean all present and future applicable laws, ordinances, rules, regulations, resolutions, statutes, permits, authorizations, orders, requirements, covenants, conditions and restrictions, whether or not in the contemplation of the Parties, that may affect or be applicable to the Property or any part of the Property (including, without limitation, any subsurface area) or the use of the Property. "Applicable Laws" shall include, without limitation, any environmental, earthquake, life safety and disability laws, and all consents or approvals required to be obtained from, and all rules and regulations of, and all building and zoning laws of, all federal, state, county and municipal governments, the departments, bureaus, agencies or commissions thereof, authorities, board of officers, any national or local board of fire underwriters, or any other body or bodies exercising similar functions, having or acquiring jurisdiction of Parcel B or 234 VN, as applicable. The term

"Applicable Law" shall be construed to mean the same as the above in the singular as well as the plural.

9.9 No Brokers or Finders. Each Party warrants to the other Party that no broker or finder was instrumental in arranging or bringing about this transaction and that there are no claims or rights for brokerage commissions or finder's fees in connection with the transactions contemplated by this Agreement. If any party brings a claim for a commission or finder's fee based on any contact, dealings, or communication with McBaine or City, then the Party through whom such party makes a claim shall defend the other Party(ies) from such claim, and shall indemnify, protect, defend and hold harmless the indemnified Party from any Losses that the indemnified Party incurs in defending against the claim. The provisions of this Section shall survive the Closing, or, if the conveyance is not consummated for any reason, any termination of this Agreement.

9.10 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

9.11 Interpretation of Agreement.

(a) Exhibits. Whenever an "Exhibit" is referenced, it means an attachment to this Agreement unless otherwise specifically identified. All such Exhibits are incorporated herein by reference.

(b) Captions. Whenever a section, article or paragraph is referenced, it refers to this Agreement unless otherwise specifically identified. The captions preceding the articles and sections of this Agreement have been inserted for convenience of reference only. Such captions shall not define or limit the scope or intent of any provision of this Agreement.

(c) Words of Inclusion. The use of the term "including," "such as" or words of similar import when following any general term, statement or matter shall not be construed to limit such term, statement or matter to the specific items or matters, whether or not language of non-limitation is used with reference thereto. Rather, such terms shall be deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of such statement, term or matter.

(d) References. Wherever reference is made to any provision, term or matter "in this Agreement," "herein" or "hereof" or words of similar import, the reference shall be deemed to refer to any and all provisions of this Agreement reasonably related thereto in the context of such reference, unless such reference refers solely to a specific numbered or lettered, section or paragraph of this Agreement or any specific subdivision thereof.

(e) Recitals. If there is any conflict or inconsistency between the recitals and any of the remaining provisions of this Agreement, the remaining provisions of this Agreement shall prevail. The Recitals in this Agreement are included for convenience of reference only and are not intended to create or imply covenants under this Agreement.

9.12 Entire Agreement. This Agreement (including the exhibits) contains all the representations and the entire agreement between the Parties with respect to the subject matter herein. Any prior correspondence, memoranda, agreements, warranties or representations relating to such subject matter are superseded in total by this Agreement (and such other agreements to the extent referenced herein). No prior drafts of this Agreement or changes from those drafts to the executed version of this Agreement shall be introduced as evidence in any litigation or other dispute resolution proceeding by either Party or any other party and no court or other body shall consider those drafts in interpreting this Agreement.

9.13 Survival. Any and all other representations, warranties and indemnities of the Parties contained herein (including the Exhibits), shall survive the Closing or termination of this Agreement.

9.14 Parties and Their Agents. As used herein, the term "**Agents**" when used with respect to either Party shall include the agents, employees, officers, contractors and representatives of such Party. McBaine is comprised of more than one party, and McBaine's obligations under this Agreement shall be joint and several among such parties.

9.15 Attorneys' Fees. If either Party hereto fails to perform any of its respective obligations under this Agreement or if any dispute arises between the Parties hereto concerning the meaning or interpretation of any provision of this Agreement, then the defaulting Party or the Party not prevailing in such dispute, as the case may be, shall pay any and all reasonable Attorneys' Fees and Costs incurred by the other Party on account of such default or in enforcing or establishing its rights hereunder, including without limitation, court costs. Any such Attorneys' Fees and Costs incurred by either Party in enforcing a judgment in its favor under this Agreement shall be recoverable separately from and in addition to any other amount included in such judgment, and such Attorneys' Fees and Costs obligation is intended to be severable from the other provisions of this Agreement and to survive and not be merged into any such judgment. For purposes of this Agreement, the reasonable fees of attorneys of the Office of City Attorney of the City and County of San Francisco shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which such services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the City Attorney's Office.

9.16 Time of Essence. Time is of the essence with respect to the performance of the Parties' respective obligations contained herein.

9.17 Non-Liability. Notwithstanding anything to the contrary in this Agreement, no elective or appointive board, commission, member, officer, employee or agent of City shall be personally liable to McBaine or its successors and assigns, if there is any default or breach by City or for any amount which may become due hereunder, or for any obligation of City under this Agreement. Notwithstanding anything to the contrary in this Agreement, no officers, directors, members, shareholders, employees or Agents of McBaine (or of its successors or assigns) shall be personally liable to City, or its successors and assigns, if there is any default or breach by McBaine or for any amount which may become due to City, or its successors and assigns, or for any obligations of McBaine under the terms of this Agreement.

9.18 Tropical Hardwoods and Virgin Redwoods. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood or tropical hardwood wood product or virgin redwood or virgin redwood wood product.

9.19 Sunshine Ordinance. McBaine understands and agrees that under City's Sunshine Ordinance (San Francisco Administrative Code, Chapter 67) and the State Public Records Law (Gov. Code Section 6250 *et seq.*), this Agreement and any and all records, information, and materials submitted to City hereunder are public records subject to public disclosure. McBaine hereby acknowledges that City may disclose any records, information and materials submitted to City in connection with this Agreement.

9.20 MacBride Principles - Northern Ireland. City urges companies doing business in Northern Ireland to move toward resolving employment inequities and encourages them to abide by the MacBride Principles as expressed in San Francisco Administrative Code Section 12F.1 *et seq.* City also urges companies to do business with corporations that abide by the MacBride Principles. McBaine acknowledges that it has read and understands the above statement of City concerning doing business in Northern Ireland.

9.21 Relationship of the Parties. The relationship between the Parties hereto is solely that of transferor and transferee of real property.

9.22 Prohibition Against Making Contributions to City. McBaine acknowledges that no party that contracts with City for the rendition of personal services, or the furnishing of any material, supplies or equipment to City, or for selling any land or building to City, whenever such transaction would require approval by a City elective officer, or the board on which that City elective officer serves, shall make any contribution to such an officer or candidate at any time between commencement of negotiations and either the completion of, or the termination of, negotiations for such contract.

9.23 Effective Date. This Agreement shall become effective upon the first day ("**Effective Date**") on which each of the following events has occurred: (i) the Parties have duly executed and delivered this Agreement, and (ii) the City Approval Condition has been satisfied. The Parties shall confirm in writing the Effective Date of this Agreement once such date has been established pursuant to this Section; provided, however, the failure of the Parties to confirm such date in writing shall not have any effect on the validity of this Agreement. Where used in this Agreement or in any of its attachments, references to the "Effective Date" will mean the Effective Date as established and confirmed by the Parties pursuant to this Section.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, MCBAIN ACKNOWLEDGES AND AGREES THAT NO OFFICER OR EMPLOYEE OF CITY HAS AUTHORITY TO COMMIT CITY TO THIS AGREEMENT UNLESS AND UNTIL A RESOLUTION OF CITY'S BOARD OF SUPERVISORS THAT APPROVES OF THIS AGREEMENT AND AUTHORIZES THE TRANSACTIONS CONTEMPLATED HEREBY HAS BEEN DULY ENACTED. THEREFORE, ANY OBLIGATIONS OR LIABILITIES OF CITY HEREUNDER ARE CONTINGENT UPON THE DUE ENACTMENT OF SUCH A RESOLUTION, AND THIS AGREEMENT SHALL BE NULL AND VOID IF CITY'S BOARD OF SUPERVISORS AND MAYOR DO NOT APPROVE THIS AGREEMENT IN THEIR RESPECTIVE SOLE DISCRETION. APPROVAL OF THE TRANSACTIONS CONTEMPLATED HEREBY BY ANY EMPLOYEES, DEPARTMENTS OR COMMISSIONS OF CITY SHALL NOT BE DEEMED TO IMPLY THAT SUCH RESOLUTION WILL BE ENACTED NOR WILL ANY SUCH APPROVAL CREATE ANY BINDING OBLIGATIONS ON CITY.

Recommendation: Finding the project, on balance, is **in conformity** with the General Plan

Project Description

This is an exchange in property enabling the eventual merger of contiguous City owned parcels and future construction of an affordable housing project that will be subject to all requisite regulations and development processes.

234 Van Ness (0811-018) will be transferred to the City from private owner.

Following demolition of existing buildings on the multiple parcels involved, and a lot line adjustment, a new parcel consisting of a portion of City owned 240 Van Ness (0811-019) will be created and transferred to the private owner who currently owns 234 Van Ness.

Demolition approvals and the lot line adjustment will be addressed in separate submissions to the City by the Mayor's Office of Housing and Community Development and or its agents.

This General Plan Referral and associated CEQA review is requested in conjunction with the proposed conveyance/acceptance of City property and is not specific to any future projects or developments on the properties.

Environmental Review

The proposed project is a real estate transaction only and not defined as a project under CEQA Guidelines Sections 15378 and 15060(c)(2) because it would not result in a direct or indirect physical change in the environment.

General Plan Compliance and Basis for Recommendation

As described below, the proposed exchange in property enabling the eventual merger of contiguous City owned parcels is consistent with the Eight Priority Policies of Planning Code Section 101.1 and is, on balance, in conformity with the Objectives and Policies of the General Plan.

This GPR is for the proposed exchange in property. That exchange will enable the eventual merger of contiguous City owned parcels and the future construction of affordable housing on the site. That housing development will also align with the following General Plan objectives.

The Note: General Plan Objectives are shown in **BOLD UPPER CASE** font; Policies are in **Bold** font; staff comments are in *italic* font.

CIVIC CENTER AREA PLAN

OBJECTIVE 4

PROTECT AND ENHANCE HOUSING RESOURCES IN THE CIVIC CENTER AREA.

Policy 4.2

Encourage new infill housing at a compatible density.

Expanding the supply of housing in the Civic Center Area will complement and enhance the existing housing in the area by providing a broader residential presence.

Increasing the supply of housing in the Civic Center Area will allow more residents to benefit from the Civic Center Area's convenient accessibility to major culture, employment and shopping centers

The project will enable the eventual increase in the supply of affordable housing in the Civic Center area.

DOWNTOWN AREA PLAN

OBJECTIVE 7

EXPAND THE SUPPLY OF HOUSING IN AND ADJACENT TO DOWNTOWN.

Policy 7.2**Facilitate the conversion of underused industrial and commercial areas to residential use.**

Opportunities exist for major new residential development in certain areas close to downtown.

- New housing can be provided there without significant displacement of existing residential units or commercial or industrial activity. In some areas, entire new residential neighborhoods can be created. In others, housing can be introduced on vacant or underused sites adjacent to sites that are and will remain in active commercial or industrial use.

The project will enable eventual new residential development in the Downtown Plan area.

Planning Code Section 101 Findings

Planning Code Section 101.1 establishes Eight Priority Policies and requires review of discretionary approvals and permits for consistency with said policies. The Project—an exchange in property enabling the eventual merger of contiguous City owned parcels—is found to be consistent with the Eight Priority Policies as set forth in Planning Code Section 101.1 for the following reasons:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced;
The Project would not have a negative effect on existing neighborhood-serving retail uses and will not have a negative effect on opportunities for resident employment in and ownership of neighborhood-serving retail.
2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods;
The Project would enable the eventual protection of economic diversity through the provision of affordable housing.
3. That the City's supply of affordable housing be preserved and enhanced;
The Project would enable the eventual enhancement of the City's supply of affordable housing.
4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking;
The Project would not result in commuter traffic impeding MUNI transit service or overburdening the streets or neighborhood parking.
5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced;
The Project would not cause displacement of the industrial or service sectors due to office development, and future opportunities for resident employment or ownership in these sectors would not be impaired.
6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake;
The exchange in property will improve earthquake preparedness because it will enable the demolition of the seismically unsound building at 155 Grove as a step in the lot line adjustment required to deliver the new parcel to the private party.

7. That the landmarks and historic buildings be preserved;
The exchange in property would not have an adverse effect on the City's Landmarks and historic buildings.
8. That our parks and open space and their access to sunlight and vistas be protected from development;
The exchange in property enabling the eventual merger of contiguous City owned parcels would not have an adverse effect on the City's parks and open space and their access to sunlight and vistas.

Recommendation: Finding the project, on balance, is in conformity with the General Plan
