3 **Resolution determining and declaring that the public interest and necessity demand**  
4 **the construction, reconstruction, development, acquisition, improvement,**  
5 **rehabilitation, preservation, and repair of rental affordable housing projects, and the**  
6 **expansion of homeownership opportunities through the Downpayment Assistance**  
7 **Loan Program, and related costs necessary or convenient for the foregoing purposes;**  
8 **to be financed through bonded indebtedness in an amount not to exceed \$300,000,000;**  
9 **authorizing landlords to pass-through 50% of the resulting property tax increase to**  
10 **residential tenants under Administrative Code, Chapter 37; providing for the levy and**  
11 **collection of taxes to pay both principal and interest on such bonds; affirming a**  
12 **determination under the California Environmental Quality Act; and finding that the**  
13 **proposed Bond is consistent with the General Plan, and with the eight priority policies**  
14 **of Planning Code, Section 101.1**

15

16 WHEREAS, The City and County of San Francisco ("City")'s General Plan 2022  
17 Housing Element ("2022 Housing Element") details the City's goals, objectives, and  
18 corresponding policies and programs to meet the housing needs of all San Francisco  
19 residents, with a focus on racial and social equity; and

20 WHEREAS, This includes the objective to substantially expand the amount of  
21 affordable housing for extremely low- to moderate-income households and expand housing  
22 opportunities for middle-income households (as defined in Section 3 below) (2022 Housing  
23 Element, Objectives 4.A and 4.B), as well as the requirement for San Francisco to plan for  
24 and support the production of 46,598 affordable housing units over the next eight years as  
25 mandated by the Regional Housing Needs Allocation Plan; and.

1           WHEREAS, The U.S Department of Housing and Urban Development (HUD) considers  
2 housing to be “affordable” when a household spends 30 percent or less of its income on  
3 housing costs, including rent and utilities; and

4           WHEREAS, By this definition, the median condominium price of \$1.2 million is  
5 affordable to households making \$222,000 annually; and

6           WHEREAS, Less than 25 percent of San Francisco households earn this income and  
7 less than 10 percent of San Francisco workers have this salary; and

8           WHEREAS, In 2022, the median rent for a 2-bedroom was \$3,800, affordable to a  
9 household earning \$137,000; and

10          WHEREAS, Less than 40 percent of San Francisco households earn this income (2022  
11 Housing Element, Goal 4); and

12          WHEREAS, The need for affordable housing was severely exacerbated during the  
13 COVID-19 pandemic, when the City’s unemployment rate rose to 13 percent in April 2020  
14 from 2.2 percent in February 2020; and

15          WHEREAS, As a result, the City invested in policies and programs to support residents  
16 at risk of eviction, foreclosure, and displacement due to loss of income related to the  
17 pandemic; and

18          WHEREAS, These investments included (i) establishment of the Emergency Rental  
19 Assistance Program, (ii) expansion of the Homeowner Emergency Loan Program, and (iii)  
20 issuance of a moratorium on evictions due to nonpayment of rent; and

21          WHEREAS, While these policies and programs provided temporary support,  
22 overwhelming demand far exceeded and continues to exceed the City’s available resources;  
23 and

24          WHEREAS, The City’s economy is still recovering from the pandemic, and the impacts  
25 of the pandemic will have lasting effects, particularly for families and individuals that were

1 disproportionately impacted by the pandemic (2022 Housing Element, Figure 33); and

2 WHEREAS, The City’s ability to produce the affordable rental housing it needs has  
3 been significantly impacted by the limited availability of state and federal resources; and

4 WHEREAS, From 2018 to 2022, for every \$1 of local funding invested by the City to  
5 create affordable housing, the City’s affordable housing projects received \$2 in funding from  
6 state and federal sources; and

7 WHEREAS, As detailed in the 2024 Affordable Housing Bond Report, the economic  
8 environment for affordable housing has changed significantly in recent years, with state  
9 affordable housing funding programs becoming more competitive and severely  
10 oversubscribed, including the state’s allocation of volume cap for tax-exempt housing revenue  
11 bonds; and

12 WHEREAS, The City contributes significant resources to ensure project delivery; and

13 WHEREAS, San Francisco voters have approved measures to create local funds  
14 dedicated to the construction, preservation, and rehabilitation of affordable housing, including  
15 the 2012 Housing Trust Fund and affordable housing general obligation bonds in 2015 and  
16 2019; and

17 WHEREAS, The City’s local funds from the 2015 and 2019 bonds are projected to be  
18 exhausted by 2028 (2024 Affordable Housing Bond Report); and

19 WHEREAS, Additional sources of affordable housing funds from the City’s impact fees  
20 have been decreasing due to the economic environment, such as the Jobs-Housing Linkage  
21 Fee (Planning Code, Sec. 413), the Inclusionary Affordable Housing Program (Planning Code,  
22 Sec. 415), various development agreements, and other impact fees; and

23 WHEREAS, Funding from such sources decreased by 95 percent between Fiscal Year  
24 2019-2020 and Fiscal Year 2021-2022; and

25

1           WHEREAS, Moreover, the Office of the Controller’s FY 2023-2024 and 2024-2025  
2 Revenue Letter projects only modest tax revenue growth over the coming years, severely  
3 limiting the amount of resources the City will have to fund the development of affordable  
4 housing; and

5           WHEREAS, The City’s economic future and ongoing recovery will ultimately depend on  
6 its ability to produce and preserve enough affordable housing to ensure the City’s  
7 economically diverse households can equitably access housing and remain stably housed in  
8 San Francisco; and

9           WHEREAS, Failure to meet this need will result in the displacement of more  
10 households to areas with more affordable housing; and

11           WHEREAS, This displacement could result in (i) greater disparity between above  
12 moderate-income and lower-income households in the City with little change to the City’s  
13 median income levels as determined by the U.S. Census Bureau; and (ii) long commutes,  
14 road congestion, and environmental harm as people seek affordable housing at greater  
15 distances from where they work; and

16           WHEREAS, The proposed Bond will provide a portion of the critical funding necessary  
17 to construct, reconstruct, develop, acquire, improve, rehabilitate, repair, and preserve rental  
18 affordable housing projects in the City, and to expand homeownership opportunities for San  
19 Franciscans; now, therefore, be it

20           RESOLVED, The Board determines and declares that the public interest and necessity  
21 demand the construction, reconstruction, development, acquisition, improvement,  
22 rehabilitation, repair, and preservation of rental affordable housing projects in the City for  
23 households ranging from extremely low-income to moderate-income households, and the  
24 expansion of homeownership opportunities for eligible households, including middle-income  
25 households, to support first-time homebuyers who would otherwise not be able to purchase a

1 primary residence in San Francisco, and the payment of related costs necessary or  
2 convenient for the foregoing purposes; and, be it

3 FURTHER RESOLVED, Proceeds of the Bonds will be used to fund the costs of capital  
4 projects that will (i) construct, reconstruct, develop, acquire, rehabilitate, repair, and improve  
5 new affordable rental housing serving extremely low-income households, very low-income  
6 households, and lower-income households; (ii) acquire, construct, reconstruct, repair,  
7 develop, and rehabilitate, and improve rental housing, so as to preserve it as affordable for  
8 lower-income households and moderate-income households; and (iii) to expand the City's  
9 Downpayment Assistance Loan Program to assist prospective first-time homebuyers who  
10 would otherwise not be able to purchase a market-rate residence in San Francisco; and, be it

11 FURTHER RESOLVED, This portion of the Bond shall be allocated to MOHCD's  
12 existing programs that provide downpayment assistance loans to eligible households earning  
13 up to 200 percent of Median Income, including loans to assist middle-income households  
14 described in 2022 Housing Element Objective 4.B. (collectively, "San Francisco Affordable  
15 Housing Bond"); and, be it

16 FURTHER RESOLVED, The estimated cost of \$300,000,000 for the San Francisco  
17 Affordable Housing Bond is and will be too great to be paid out of the ordinary annual income  
18 and revenue of the City, will require an expenditure greater than the amount allowed by the  
19 annual tax levy, and will require the incurrence of bonded indebtedness in an amount not to  
20 exceed \$300,000,000; and, be it

21 FURTHER RESOLVED, The Planning Department has determined that the actions  
22 contemplated in this resolution comply with the California Environmental Quality Act  
23 (California Public Resources Code, Section 21000 et seq.); and, be it

24 FURTHER RESOLVED, Said determination is on file with the Clerk of the Board of  
25 Supervisors in File No. 230970 and is incorporated herein by reference; and be it

1 FURTHER RESOLVED, The Board affirms this determination; and, be it

2 FURTHER RESOLVED, On August 17, 2023, the Planning Department issued its  
3 General Plan Referral Report finding that the actions contemplated in this resolution are  
4 consistent, on balance, with the General Plan, and eight priority policies of Planning Code,  
5 Section 101.1; and, be it

6 FURTHER RESOLVED, The Board adopts these findings as its own; and, be it

7 FURTHER RESOLVED, A copy of said General Plan Referral Report is on file with the  
8 Clerk of the Board of Supervisors in File No. 230970, and is incorporated herein by reference

9 FURTHER RESOLVED, The time limit for approval of this resolution specified in  
10 Administrative Code, Section 2.34 is waived; and, be it

11 FURTHER RESOLVED, Under Administrative Code, Section 2.40, the ordinance  
12 submitting this proposal to the voters shall contain a provision authorizing landlords to pass-  
13 through 50% of the resulting property tax increases to residential tenants in accordance with  
14 Administrative Code, Chapter 37; and, be it

15 FURTHER RESOLVED, The City hereby declares its official intent to reimburse prior  
16 expenditures of the City incurred or expected to be incurred prior to the issuance and sale of  
17 any series of the Bonds in connection with the San Francisco Affordable Housing Bond. The  
18 Board hereby declares the City's intent to reimburse the City with the proceeds of the Bonds  
19 for the expenditures with respect to the San Francisco Affordable Housing Project (the  
20 "Expenditures" and each, an "Expenditure") made on and after that date that is no more than  
21 60 days prior to the adoption of this Resolution; and, be it

22 FURTHER RESOLVED, The City reasonably expects on the date hereof that it will  
23 reimburse the Expenditures with the proceeds of the Bonds; and, be it

24 FURTHER RESOLVED, Each Expenditure was and will be either (a) of a type properly  
25 chargeable to a capital account under general federal income tax principles (determined in

1 each case as of the date of the Expenditure), (b) a cost of issuance with respect to the Bonds,  
2 (c) a nonrecurring item that is not customarily payable from current revenues, or (d) a grant to  
3 a party that is not related to or an agent of the City so long as such grant does not impose any  
4 obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the  
5 City;the maximum aggregate principal amount of the Bonds expected to be issued for the  
6 Project is \$300,000,000; the City shall make a reimbursement allocation, which is a written  
7 allocation by the City that evidences the City's use of proceeds of the applicable series of  
8 Bonds to reimburse an Expenditure, no later than 18 months after the later of the date on  
9 which the Expenditure is paid or the related portion of the Project is placed in service or  
10 abandoned, but in no event more than three years after the date on which the Expenditure is  
11 paid; the City recognizes that exceptions are available for certain "preliminary expenditures,"  
12 costs of issuance, certain de minimis amounts, expenditures by "small issuers" (based on the  
13 year of issuance and not the year of expenditure) and Expenditures for construction projects  
14 of at least five years; and, be it

15 FURTHER RESOLVED, Documents referenced in this resolution are on file with the  
16 Clerk of the Board of Supervisors in File No. 230970, which is hereby declared to be a part of  
17 this resolution as if set forth fully herein.

**EXECUTIVE SUMMARY**

**Legislative Objectives**

**File 23-0969:** is an ordinance that would call and provide for a special election on March 5, 2024 to request voter approval for a \$300 million of general obligation bond to fund three affordable housing programs: (1) \$258 million for new rental housing, (2) \$30 million to preserve rental housing, and (3) \$12 million for homeownership downpayment assistance.

**File 23-0971:** is an ordinance that would provide for a special election on March 5, 2024 to request voter approval for a \$300 million of general obligation bond to fund three affordable housing programs: (1) \$240 million for new rental housing, (2) \$30 million to preserve rental housing, and (3) \$30 million for rental housing for victims and survivors of homelessness and violence.

**Files 23-0970 and 23-0972:** are resolutions that would determine and declare that incurring the proposed debt is in the public interest and necessity.

**Key Points**

- The FY 2024-2033 Capital Plan includes a schedule of planned debt and other capital financing. The schedule shows a \$340 million general obligation bond for affordable housing and shelters will be requested for voter approval in March 2024. The Capital Planning Committee has since voted to shift \$40 million for shelters to the November 2024 election. Prior to issuing the proposed debt, the Board must find that such indebtedness is in the public interest and schedule an election to seek voter approval for the debt.

**Fiscal Impact**

- According to the Office of Public Finance, the proposed bonds are projected to have an annual interest rate of 6.5 percent over approximately 20 years, with estimated total debt service payments of \$544.5 million, including approximately \$244.5 million in interest and \$300 million in principal. The Office of Public Finance estimates average annual debt service payments of \$24.8 million.

**Policy Consideration**

- The proposed legislation includes two different proposals for the single affordable housing general obligation bond request to voters scheduled in the City’s capital plan for March 2024. The Mayor’s proposal includes \$12 million for downpayment assistance whereas President Peskin’s proposal includes \$30 million for rental housing for victims and survivors.

**Recommendation**

- Approval of the proposed resolutions is a policy matter for the Board of Supervisors.

**MANDATE STATEMENT**

City Administrative Code Section 2.34 requires that a resolution determining the public interest and necessity for the acquisition, construction or completion of any municipal improvement funded by property taxes be adopted by the Board of Supervisors not less than 141 days before the election at which such proposal will be submitted to the voters. Approval of such resolutions requires a 2/3 vote by the Board of Supervisors.

According to Article 16, Section 18(a) of the State of California Constitution, no county, city, town, township, board of education, or school district, shall incur any indebtedness or liability for any purpose exceeding in any year the income and revenue provided for such year, without the approval of two-thirds of the voters of the public entity voting at an election to be held for that purpose.

**BACKGROUND**

The FY 2024-2033 Capital Plan includes a schedule of planned debt and other capital financing. The schedule shows a \$340 million general obligation bond for affordable housing and shelters will be requested for voter approval in March 2024. The Capital Planning Committee has since voted to shift \$40 million for shelters to the November 2024 election. According to the Office of Public Finance, a resolution will be introduced for the Board of Supervisors to amend the capital plan to reflect this change.

**2019 Affordable Housing General Obligation Bond**

Voters approved a \$600 million general obligation bond in 2019, of which \$425 million has been issued. Of the \$425 million in bond proceeds, approximately \$7 million was for issuance costs and \$254 million has been spent or encumbered as of June 2023, leaving a remaining balance of \$165 million in bond proceeds.<sup>1</sup>

The 2019 general obligation bond has approximately \$175 million in authorized but unissued bonds, which is allocated among the following programs: \$35 million in low-income housing, \$13 million for preservation/downpayment assistance, \$107.5 million for senior housing, and \$20 million for educator housing.

**DETAILS OF PROPOSED LEGISLATION**

Files 23-0969 and 23-0971 are ordinances that each call for a special election on March 5, 2024 to request voter approval for a \$300 million general obligation to fund various affordable

---

<sup>1</sup> The remaining \$165 million balance of issued but unspent bond proceeds is allocated among the following programs: \$95 million for public housing, \$35 million for low-incoming housing, \$29 million for preservation and downpayment assistance, and \$5 million for senior housing.

housing programs, detailed in Exhibit 1 below. Files 23-0970 and 23-0972 are resolutions that determine such indebtedness is in the public interest. In particular:

**Sponsored by the Mayor’s Office and Board of Supervisors President Peskin:**

**File 23-0969:** is an ordinance that would call and provide for a special election on March 5, 2024 to request voter approval for a \$300 million general obligation to fund three affordable housing programs: (1) \$258 million for new rental housing, (2) \$30 million to preserve rental housing, and (3) \$12 million for homeownership downpayment assistance.

**File 23-0970:** is a resolution that would determine and declare that the public interest and necessity demand: (1) construction and rehabilitation of new affordable rental housing, (2) preservation of affordable rental housing, and (3) expansion of the City’s Downpayment Assistance Program.

**Sponsored by Board of Supervisors President Peskin:**

**File 23-0971:** is an ordinance that would provide for a special election on March 5, 2024 to request voter approval for a \$300 million general obligation to fund three affordable housing programs: (1) \$240 million for new rental housing, (2) \$30 million to preserve rental housing, and (3) \$30 million for rental housing for victims and survivors of homelessness and violence.

**File 23-0972:** is a resolution that would determine and declare that the public interest and necessity demand: (1) construction and rehabilitation of new affordable rental housing, (2) preservation of affordable rental housing, and (3) develop or rehabilitate housing for households that have survived homelessness, street violence, domestic violence and abuse, sexual abuse and assault, and/or human trafficking.

The proposed legislation would also:

- Find that the estimated cost of \$300 million for such proposed projects will be too great to be paid out of the ordinary annual income and revenue of the City and will require expenditures greater than the amount allowed by the annual tax levy;
- Find that the bond proposal is not subject to review under the California Environmental Quality Act (CEQA);
- Find that the proposed bonds are in conformity with the General Plan, and the eight priority policies of Planning Code, Section 101.1(b);
- Waive the time requirements specified in Administrative Code, Section 2.34;
- Authorize landlords to pass-through 50 percent of the resulting property tax increase to residential tenants under Administrative Code, Chapter 37; and,
- Declare the City’s intention to use bond proceeds to reimburse capital expenses incurred prior to the issuance of the proposed bonds

Possible uses of the bond proceeds are shown in Exhibit 1 below, based on the ordinances scheduling a special election.

**Exhibit 1: Possible Uses of Bond Funds**

<b>Uses</b>	<b>Mayor</b>	<b>Peskin</b>
New & Rehab	\$258,000,000	\$240,000,000
Preservation	30,000,000	30,000,000
Downpayment Assistance	12,000,000	0
Victims & Survivors*	0	30,000,000
<b>Total</b>	<b>\$300,000,000</b>	<b>\$300,000,000</b>

Source: Files 23-0969 and 23-0971

Note: Victim and Survivor housing is defined in File 23-0972 as serving households that have survived homelessness, street violence, domestic violence and abuse, sexual abuse and assault, and/or human trafficking.

Exhibit 2 below shows each program's expected unit count and area median income (AMI) limits, as defined in the respective ordinances.

**Exhibit 2: Units and Households Served**

<b>Program</b>	<b>Mayor</b>	<b>Peskin</b>	<b>Household Area Median Income</b>
New Rental	1,400	1,298	Up to 80% AMI
Preservation Rental	60	60	30% - 120% AMI
Downpayment Assistance	30	0	Up to 200% AMI
Victims & Survivor Rental	0	71-162	Up to 80% AMI
<b>Rental Units</b>	<b>1,460</b>	<b>1,429 - 1,520</b>	
<b>Ownership Units</b>	<b>30</b>	<b>0</b>	

Source: BLA and MOHCD

Note: Unit estimates are based on the following assumptions: \$185,000 per unit local funding for new rental housing, \$500,000 per unit local funding for preservation, \$400,000 per unit for downpayment assistance, and \$185,000 - \$420,000 for victim and survivor housing, which may not be able to leverage the same funding sources as rental affordable housing for the general population.

Approval of the proposed \$300 general obligation bond would require approval by at least two-thirds of San Francisco voters. All issuances of the bonds and appropriations of the bond fund proceeds would be subject to Board of Supervisors approval. At that time, CEQA review and approval of the specific projects may be required, and the project costs would be identified.

**FISCAL IMPACT****Debt Service**

According to Vishal Trivedi, Financial Analyst in the Office of Public Finance, the proposed bonds are projected to have an annual interest rate of 6.5 percent over approximately 20 years, with estimated total debt service payments of \$544.5 million, including approximately \$244.5 million in interest and \$300 million in principal. The Office of Public Finance estimates average annual debt service payments of \$24.8 million.

**Property Taxes**

Repayment of such annual debt service would be recovered through property tax revenues. According to the Office of Public Finance, the average property tax rate for the proposed bonds would be \$5.70 per \$100,000 of assessed valuation, half of which could be passed through to tenants.

**Debt Limit**

According to the FY 2024-2033 Capital Plan, the proposed bonds are consistent with the City's current debt management policy to maintain the property tax rate for City general obligation bonds below the FY 2005-06 rate of \$0.12 per \$100 of assessed value.

**POLICY CONSIDERATION**

The proposed resolutions are competing proposals for the single affordable housing general obligation bond request to voters scheduled in the City's capital plan for March 2024.

**RECOMMENDATION**

Approval of the proposed resolutions is a policy matter for the Board of Supervisors.

**EXECUTIVE SUMMARY**

**Legislative Objectives**

**File 23-0970:** is a resolution would determine and declare that the public interest and necessity demand: (1) construction and rehabilitation of new affordable rental housing, (2) preservation of affordable rental housing, and (3) expansion of the City’s Downpayment Assistance Program.

**File 23-0972:** is a resolution would determine and declare that the public interest and necessity demand: (1) construction and rehabilitation of new affordable rental housing, (2) preservation of affordable rental housing, and (3) develop or rehabilitate housing for households that have survived homelessness, street violence, domestic violence and abuse, sexual abuse and assault, and/or human trafficking.

**Key Points**

- The FY 2024-2033 Capital Plan includes a schedule of planned debt and other capital financing. The schedule shows \$340 million in general obligation bond for affordable housing and shelters will be requested for voter approval in March 2024. The Capital Planning Committee has since voted to shift \$40 million for shelters to the November 2024 election. Prior to obtaining voter approval for bonds, the Board must find that such indebtedness is in the public interest.

**Fiscal Impact**

- According to the Office of Public Finance, the proposed bonds are projected to have an annual interest rate of 6.5 percent over approximately 20 years, with estimated total debt service payments of \$544.5 million, including approximately \$244.5 million in interest and \$300 million in principal. The Office of Public Finance estimates average annual debt service payments of \$24.8 million.

**Policy Consideration**

- The proposed resolutions are competing proposals for the single \$340 million general obligation bond request to voters scheduled in the City’s capital plan for March 2024.

**Recommendation**

- Approval of the proposed resolutions is a policy matter for the Board of Supervisors.

**MANDATE STATEMENT**

City Administrative Code Section 2.34 requires that a resolution determining the public interest and necessity for the acquisition, construction or completion of any municipal improvement funded by property taxes be adopted by the Board of Supervisors not less than 141 days before the election at which such proposal will be submitted to the voters. Approval of such resolutions requires a 2/3 vote by the Board of Supervisors.

**BACKGROUND**

The FY 2024-2033 Capital Plan includes a schedule of planned debt and other capital financing. The schedule shows \$340 million in general obligation bond for affordable housing and shelters will be requested for voter approval in March 2024. The Capital Planning Committee has since voted to shift \$40 million for shelters to the November 2024 election. According to the Office a Public Finance, a resolution will be introduced for the Board of Supervisors to amend the capital plan to reflect this change.

Files 23-0969 and 23-0971 are ordinances pending Board of Supervisors approval that each call for a special election on March 5, 2024 to request voter approval for \$300 million of general obligation bonded indebtedness to fund affordable housing programs. Prior to the election, the Board must find that such indebtedness is in the public interest.

**DETAILS OF PROPOSED LEGISLATION**

**File 23-0970:** is a resolution would determine and declare that the public interest and necessity demand: (1) construction and rehabilitation of new affordable rental housing, (2) preservation of affordable rental housing, and (3) expansion of the City’s Downpayment Assistance Program.

**File 23-0972:** is a resolution would determine and declare that the public interest and necessity demand: (1) construction and rehabilitation of new affordable rental housing, (2) preservation of affordable rental housing, and (3) develop or rehabilitate housing for households that have survived homelessness, street violence, domestic violence and abuse, sexual abuse and assault, and/or human trafficking.

Both the resolutions would:

- Find that the estimated cost of \$300 million for such proposed projects will be too great to be paid out of the ordinary annual income and revenue of the City and will require expenditures greater than the amount allowed by the annual tax levy;
- Find that the bond proposal is not subject to review under the California Environmental Quality Act (CEQA);
- Find that the proposed bonds are in conformity with the General Plan, and the eight priority policies of Planning Code, Section 101.1(b);

- Waive the time requirements specified in Administrative Code, Section 2.34;
- Authorize landlords to pass-through 50 percent of the resulting property tax increase to residential tenants under Administrative Code, Chapter 37; and,
- Declare the City’s intention to use bond proceeds to reimburse capital expenses incurred prior to the issuance of the proposed bonds

Possible uses of the bond proceeds are shown in Exhibit 1 below, based on the pending ordinances scheduling a special election.

**Exhibit 1: Possible Uses of Bond Funds**

<b>Uses</b>	<b>File 23-0970</b>	<b>File 23-0972</b>
New & Rehab	\$258,000,000	\$240,000,000
Preservation	30,000,000	30,000,000
Downpayment Assistance	12,000,000	0
Victims & Survivors	0	30,000,000
<b>Total</b>	<b>\$300,000,000</b>	<b>\$300,000,000</b>

Source: Files 23-0969 and 23-0971

All issuances of the bonds and appropriations of the bond fund proceeds would be subject to Board of Supervisors approval, at which time CEQA review and approval of the specific projects would be required, and the project costs would be identified.

**FISCAL IMPACT**

**Debt Service**

According to Vishal Trivedi, Financial Analyst in the Office of Public Finance, the proposed bonds are projected to have an annual interest rate of 6.5 percent over approximately 20 years, with estimated total debt service payments of \$544.5 million, including approximately \$244.5 million in interest and \$300 million in principal. The Office of Public Finance estimates average annual debt service payments of \$24.8 million.

**Property Taxes**

Repayment of such annual debt service would be recovered through increases to the annual property tax rate. According to the Office of Public Finance, the average property tax rate for the proposed bonds would be \$5.70 per \$100,000 of assessed valuation, half of which could be passed through to tenants.

**Debt Limit**

According to the FY 2024-2033 Capital Plan, the proposed bonds are consistent with the City’s current debt management policy to maintain the property tax rate for City general obligation bonds below the FY 2005-06 rate of \$0.12 per \$100 of assessed value.

**POLICY CONSIDERATION**

The proposed resolutions are competing proposals for the single \$340 million general obligation bond request to voters scheduled in the City's capital plan for March 2024.

**RECOMMENDATION**

Approval of the proposed resolutions is a policy matter for the Board of Supervisors.

RE: File 230969 – Ordinance authorizing \$300 Million General Obligation Bond Issuance for Affordable Housing

Dear Ms. Calvillo,

Should the proposed \$300 million in bonds be authorized and sold under current assumptions, the approximate costs will be as follows:

- a) In Fiscal Year (FY) 2025-2026, following issuance of the first series of bonds, the best estimate of the tax required to fund this bond issue would result in a property tax rate of \$0.0041 per \$100 (\$4.10 per \$100,000) of assessed valuation.
- b) In FY 2027-2028, following issuance of the last series of bonds, the best estimate of the tax required to fund this bond issue would result in a property tax rate of \$0.0079 per \$100 (\$7.90 per \$100,000) of assessed valuation.
- c) The best estimate of the average tax rate for these bonds from FY 2025-2026 through FY 2046-2047 is \$0.0057 per \$100 (\$5.70 per \$100,000) of assessed valuation.
- d) Based on these estimates, the highest estimated annual property tax cost for these bonds for the owner of a home with an assessed value of \$700,000 would be approximately \$55.00.

The best estimate of total debt service, including principal and interest, that would be required to be repaid if all proposed \$300 million in bonds are issued and sold, would be approximately \$544.5 million. These estimates are based on projections only, which are not binding upon the City. Projections and estimates may vary due to the timing of bond sales, the amount of bonds sold at each sale, and actual assessed valuation over the term of repayment of the bonds. Hence, the actual tax rate and the years in which such rates are applicable may vary from those estimated above. The City's current non-binding debt management policy is to keep the property tax rate for City general obligation bonds below the 2006 rate by issuing new bonds as older ones are retired and the tax base grows, though this property tax rate may vary based on other factors.

Sincerely,

## Project Description

The City and County of San Francisco is proposing a \$300 million General Obligation Affordable Housing Bond for the March 2024 ballot. The Bond aims to address critical housing needs, protect residents, and stabilize communities. With this investment, the City can:

- Create new affordable homes that align with the Housing Element’s goals of providing equitable opportunities, especially for those who are most vulnerable, access to high resource neighborhoods, and stabilization of communities.
- Preserve affordability in existing housing at risk of market-rate conversion or loss due to physical disrepair and protect San Franciscans living in apartments at risk of displacement, including those covered by rent-control.
- Expand affordable home ownership opportunities for the City’s middle-income residents and workforce, including educators, first responders, nonprofit workers, and service industry employees.

To address the immediate and serious need for more affordable housing in San Francisco, the 2024 Affordable Housing Bond proposes three categories of investments, each of which supports people earning a range of incomes, from low-income households to middle-income households.

*The estimated funding program for the 2024 affordable housing bond is as follows:*

Program Categories	2024 GO Bond Funding
Production of Low-Income Housing (up to 80% AMI)	\$258 Million
Affordable Housing Preservation (30% to 120% AMI)	\$30 Million
Homeownership Opportunities (Up to 200% AMI)	\$12 Million
<b>TOTAL</b>	<b>\$300 Million</b>

For all investment categories, State Constitutional requirements regarding eligible uses of general obligation bond funding apply. For each investment, specific eligible uses will be prioritized with the overall goal of protecting the City’s most vulnerable residents; stabilizing communities, especially neighborhoods in which there has been limited affordable housing production; enhancing the City’s economic health; and planning for a future San Francisco that maintains its diversity and vibrancy.

**1. Production: \$258 Million**

The City’s goal is to maintain a steady pipeline of new construction affordable units moving through the development process. As of summer 2023, MOHCD has a robust portfolio of pre-development opportunities that could produce more than 4,700 units.

***Eligible Uses:***

The construction of permanently affordable rental housing serving individuals and families earning from 0% to 80% AMI.

***Who is Served?***

Low-income housing protects vulnerable populations, such as

- Working families
- Veterans
- Seniors
- People with disabilities
- Transitional aged youth
- People experiencing homelessness

Low-income housing also serves vital members of the City's workforce in jobs with traditionally low pay scales, such as school district employees, nonprofit workers, health care attendants, and hotel, restaurant, and retail employees.

***Priorities:***

- Shovel-ready projects able to start construction within four years
- Sites in a diversity of neighborhoods that can either open housing opportunities in high resource neighborhoods or that stabilize equity communities
- Projects positioned to leverage substantial investment from state, federal and other non-City sources
- Proximity to public transit

**2. Preservation: \$30 million**

***Eligible Uses:***

The acquisition and/or rehabilitation of rental housing at risk of losing affordability, whether through speculative market forces or a building's physical decline.

***Who is Served?***

Lower- to middle-income households earning between approximately 30% and 120% of AMI, such as:

- Current residents living in housing at-risk of losing affordability (e.g. Ellis Act or unlawful evictions)
- Future generations of tenants

***Priorities:***

- Acquisitions and/or rehabilitations that create or enhance permanent affordability
- Acquisitions and/or rehabilitations of buildings at imminent risk of conversion to market-rate rents
- Districts with limited affordable housing production
- Districts with high documented eviction rates

Acquisition and preservation programs, including the Small Sites Program and the Preservation and Seismic Safety Program, protect San Francisco residents of properties that are vulnerable to market pressure and resulting property sales, increased evictions, and rising tenant rents. Acquired properties are converted to permanently affordable housing with rents at an average of 80% AMI, and available to families earning up to 120% AMI. Through FY22, these acquisition and preservation programs have deployed over \$217 million in funding to preserve 50 projects with 39 commercial spaces and 519 residential units.

### 3. Home Ownership: \$12 million

#### **Eligible Uses:**

The creation of new affordable housing opportunities through MOHCD's Downpayment Assistance Loan Programs.

#### **Who is served?**

Households earning between 80% and 200% of AMI. Some programs include:

- The Down Payment Assistance Loan Program (DALP) serves households earning up to 175% of AMI
- Teacher Next Door Down Payment Assistance Loans (TND) serve households earning up to 200% of AMI and support all United Educators of San Francisco (UESF) members, including teachers, paraprofessionals, and other certificated staff (e.g., counselors, deans, nurses, speech pathologists, psychologists, behavioral analysts, social workers, Special Education (SPED) Content Specialists and librarians), and also including those who work in the SFUSD Early Education department.

## Environmental Review

The proposed bond is within the scope of the 2022 Housing Element Update Final EIR certified by the Planning Commission on November 17, 2022, Motion No. 21206. Any physical projects would require separate environmental analysis or General Plan Evaluation under the 2022 Housing Element EIR.

## General Plan Compliance and Basis for Recommendation

As described below, the proposed Project is consistent with the Eight Priority Policies of Planning Code Section 101.1 and is, on balance, in conformity with the General Plan.

Note: General Plan Objectives are shown in **BOLD UPPER CASE** font; Policies are in **Bold** font; staff comments are in *italic* font.

### HOUSING ELEMENT

#### OBJECTIVE 1.A

ENSURE HOUSING STABILITY AND HEALTHY HOMES

#### OBJECTIVE 1.B

ADVANCE EQUITABLE HOUSING ACCESS

#### **POLICY 2**

Preserve affordability of existing subsidized housing, government-owned or cooperative-owned housing, or SRO (single-room occupancy) hotel rooms where the affordability requirements are at risk or soon to expire.

**POLICY 3**

Acquire and rehabilitate privately-owned housing as permanently affordable to better serve residents and areas vulnerable to displacement with unmet affordable housing needs.

*The proposed Bond, if approved, would provide resources to preserve affordability of existing housing that is at risk and protect renters at risk of displacement.*

**OBJECTIVE 3.B**

**CREATE A SENSE OF BELONGING FOR ALL COMMUNITIES OF COLOR WITHIN WELL-RESOURCED NEIGHBORHOODS THROUGH EXPANDED HOUSING CHOICE**

**POLICY 19**

Enable low- and moderate-income households, particularly American Indian, Black, and other people of color, to live and prosper in Well-resourced Neighborhoods by increasing the number of permanently affordable housing units in those neighborhoods.

*The proposed Bond, if approved, would provide funding to help construct permanently affordable housing. Priorities for affordable housing in this bond measure include sites that can open housing opportunities in high resource neighborhoods or that stabilize equity communities.*

**OBJECTIVE 4.A**

**SUBSTANTIALLY EXPAND THE AMOUNT OF PERMANENTLY AFFORDABLE HOUSING FOR EXTREMELY LOW- TO MODERATE-INCOME HOUSEHOLDS**

**POLICY 15**

Expand permanently affordable housing investments in Priority Equity Geographies to better serve American Indian, Black, and other People of color within income ranges underserved, including extremely-, very low-, and moderate-income households.

**POLICY 22**

Create dedicated and consistent local funding sources and advocate for regional, State, and Federal funding to support building permanently affordable housing for very low-, low-, and moderate-income households that meets the Regional Housing Needs Allocation targets.

**POLICY 23**

Retain and increase the number of moderate- and middle-income households by increasing their homebuying opportunities and reversing the shortage in housing that is affordable to these households.

*The proposed Bond, if approved, would provide funding to help construct permanently affordable rental housing serving individuals and families earning from 0% to 80% AMI. Priorities for affordable housing include sites that can open housing opportunities in high resource neighborhoods or that stabilize equity communities. The proposed Bond would also provide funding for down payment assistance loans for home ownership.*

**OBJECTIVE 4.B****EXPAND SMALL- AND MID-RISE MULTI-FAMILY HOUSING PRODUCTION TO SERVE OUR WORKFORCE, PRIORITIZING MIDDLE-INCOME HOUSEHOLDS**

*The proposed Bond, if approved, would expand affordable housing for the City's workforce and middle-income households.*

**Planning Code Section 101 Findings**

Planning Code Section 101.1 establishes Eight Priority Policies and requires review of discretionary approvals and permits for consistency with said policies. The Project is found to be consistent with the Eight Priority Policies as set forth in Planning Code Section 101.1 for the following reasons:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced;

*The Project would not have an adverse effect on neighborhood-serving retail uses or opportunities for employment in or ownership of such businesses.*

2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods;

*The Project would enhance the economic diversity of our neighborhoods by increasing the production of affordable housing at a range of income levels, as well as preserving existing affordable rental housing.*

3. That the City's supply of affordable housing be preserved and enhanced;

*The Project would directly support the preservation and enhancement of the City's supply of affordable housing. The purpose of the bond is to create new affordable housing units that align with the Housing Element's goals, preserve existing housing, and expand home ownership opportunities.*

4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking;

*The Project would not result in commuter traffic impeding MUNI transit service or overburdening the streets or neighborhood parking in San Francisco. The adopted Housing Element calls for parallel planning for both new housing and transportation. The City's goal is to advance well-connected neighborhoods consistent with the City's ConnectSF vision and encourage sustainable trips in new housing.*

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced;

*The Project would not cause displacement of the industrial or service sectors due to office development*

*and would not have an adverse effect on future opportunities for resident employment or ownership in these sectors.*

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake;

*The Project would not have an adverse effect on the City's preparedness against injury and loss of life in an earthquake.*

7. That the landmarks and historic buildings be preserved;

*The Project would not have an adverse effect on the City's landmarks and historic buildings.*

8. That our parks and open space and their access to sunlight and vistas be protected from development;

*The Project would not have an adverse effect on the City's parks and open space and their access to sunlight and vistas.*

**Finding:** The project, on balance, is **in conformity** with the General Plan.

## MEMORANDUM

TO: Ben Rosenfield, City Controller, Office of the Controller

FROM: Brent Jalipa, Assistant Clerk, Budget and Finance Committee  
Board of Supervisors

DATE: September 15, 2023

SUBJECT: GENERAL OBLIGATION BOND INTRODUCED  
March 5, 2024 Election

---

The Board of Supervisors' Budget and Finance Committee has received the following General Obligation Bond legislation for the March 5, 2024, Election, introduced by Mayor London Breed. These matters are being referred to you in accordance with Administrative Code 2.33.

### **File No. 230969**

**Ordinance calling and providing for a special election to be held in the City and County of San Francisco on Tuesday, March 5, 2024, for the purpose of submitting to San Francisco voters a proposition to incur bonded indebtedness of not to exceed \$300,000,000 to finance the construction, reconstruction, development, acquisition, improvement, rehabilitation, preservation, and repair of rental affordable housing projects, and to expand homeownership opportunities through the Downpayment Assistance Loan Program; and related costs necessary or convenient for the foregoing purposes; authorizing landlords to pass-through 50% of the resulting property tax increase to residential tenants under Administrative Code, Chapter 37; providing for the levy and collection of taxes to pay both principal and interest on such Bonds; incorporating the provisions of the Administrative Code relating to the Citizens' General Obligation Bond Oversight Committee's review of Affordable Housing Bond expenditures; setting certain procedures and requirements for the election; affirming a determination under the California Environmental Quality Act; and finding that the proposed Bond is consistent with the General Plan, and with the eight priority policies of Planning Code, Section 101.1.**

**File No. 230970**

**Resolution determining and declaring that the public interest and necessity demand the construction, reconstruction, development, acquisition, improvement, rehabilitation, preservation, and repair of rental affordable housing projects, and the expansion of homeownership opportunities through the Downpayment Assistance Loan Program, and related costs necessary or convenient for the foregoing purposes; to be financed through bonded indebtedness in an amount not to exceed \$300,000,000; authorizing landlords to pass-through 50% of the resulting property tax increase to residential tenants under Administrative Code, Chapter 37; providing for the levy and collection of taxes to pay both principal and interest on such bonds; affirming a determination under the California Environmental Quality Act; and finding that the proposed Bond is consistent with the General Plan, and with the eight priority policies of Planning Code, Section 101.1.**

Please review and prepare a financial analysis of the proposed measure prior to the first Budget and Finance Committee hearing.

Hello Clerks,

Attached for introduction to the Board of Supervisors is a Resolution determining and declaring that the public interest and necessity demand the construction, reconstruction, development, acquisition, improvement, rehabilitation, preservation, and repair of rental affordable housing projects, and the expansion of homeownership opportunities through the Downpayment Assistance Loan Program, and related costs necessary or convenient for the foregoing purposes; to be financed through bonded indebtedness in an amount not to exceed \$300,000,000; authorizing landlords to pass-through 50% of the resulting property tax increase to residential tenants under Administrative Code, Chapter 37; providing for the levy and collection of taxes to pay both principal and interest on such bonds; affirming a determination under the California Environmental Quality Act; and finding that the proposed Bond is consistent with the General Plan, and with the eight priority policies of Planning Code, Section 101.1

Please note that Supervisor Peskin is a co-sponsor of this legislation.

Best,  
Susanna
