

[Continuing the Ongoing work of the Utility Undergrounding Task Force]

Resolution continuing the ongoing work of the Utility Undergrounding Task Force to advise the City and County of San Francisco on the future of the utility undergrounding process in San Francisco and to complete its work by October 31, 2006.

WHEREAS, The Utility Undergrounding Task Force was originally established by Resolution 041354 on December 1, 2004 and cosponsored by Supervisors Maxwell, Ma, Alioto-Pier, Gonzalez and Peskin; and

WHEREAS, The Utility Undergrounding Task Force has been meeting and working diligently towards their Utility Undergrounding recommendations and solutions since April of 2005; and

WHEREAS, The City and County of San Francisco has an extensive program to remove overhead utility poles and replace them with underground facilities; and

WHEREAS, In July 1997, the Board of Supervisors approved an agreement between the City and Pacific Gas and Electric Co. ("PG&E") that, among other things, required the City to establish by legislation 42 miles of underground utility districts; and,

WHEREAS, By December 1999, the City had legislated 42 miles of underground utility districts; and

WHEREAS, Except for major capital improvement projects such as Third Street and Octavia Boulevard, the City has not legislated any additional underground utility districts since December 1999; and

WHEREAS, While the July 1997 agreement required PG&E to complete undergrounding the 42 miles of legislated underground utility districts by January 1, 2002, PG&E now expects to complete the project by December 2006 at the earliest; and

BOARD OF SUPERVISORS

1 WHEREAS, Since December 1999, many San Franciscans have expressed interest in
2 having their neighborhoods designated as underground utility districts; and

3 WHEREAS, Due to the costs of completing the undergrounding in the 42 miles of
4 legislated underground districts, resources for the next phase of utility undergrounding may be
5 limited; and

6 WHEREAS, As PG&E nears completion of the undergrounding in the 42 miles of
7 legislated underground utility districts, the City may be in a position to legislate additional
8 underground districts; and

9 WHEREAS, Members of the general public and residents of San Francisco have a
10 strong interest in utility undergrounding projects and policies; and

11 WHEREAS, the Current members of the Utility Undergrounding Task Force have been
12 working towards finding solutions for the undergrounding program and want to continue their
13 work so that they are able to provide the City and County of San Francisco with substantive
14 suggestions on how to better this program now, therefore, be it

15 RESOLVED, That the Board of Supervisors of the City and County of San Francisco
16 continues the Utility Undergrounding Task Force consisting of fifteen (15) voting members
17 who will represent the following officials and groups: each Supervisor shall designate one (1)
18 member from his or her district; and the Mayor shall designate four (4) members. The Utility
19 Undergrounding Task Force shall also contain eight (8) ex-officio/non-voting members to
20 provide institutional and educational support who will represent the following groups: the
