TO: Board of Supervisors members

I am supporting the continued funding for Edgewood Center for Children and Families.

Located in the Sunset-Parkside district, Edgewood has provided vital services for the City and the neighborhood since 1851.

Besides its critical work for youth and families, Edgewood is known as an extension of Stern Grove with its wooded campus. The campus is filled with trees and wildlife creating an urban oasis.

The Edgewood campus is also part of the architectural heritage of the neighborhood.

Please support the positive recommendation of the Government Audit and Oversight Committee.
