Hello,

I am writing to voice my support of the continuation of services that the Tenderloin center provides. I live down the street from the Tenderloin Center and so on a daily basis see the need for these services. If they're stopped, these poor people are just going to die on the streets. Some have already died in my doorway. It's a horrible thing that didn't and doesn't need to happen. We should be helping these people who need it the most, not punishing them. Please continue these love saving services.

Warmly,

Lea McGeever, D6 resident
