10
11 WHEREAS, the opening of Davis Street between Washington and Clay Streets is one
12 of the last planned phases of the Mid-Embarcadero Roadway Project; and

13 WHEREAS, this opening of Davis Street would replace a pedestrian pathway through
14 open space on the western end of what is commonly known as "Ferry Park"; and,

15 WHEREAS, there is a possibility that the City and County of San Francisco may
16 jeopardize Federal and State funding to the Mid-Embarcadero Roadway Project if the City
17 chooses to cancel this project without the permission of State and Federal agencies
18 responsible for funding the Roadway Project; and,

19 WHEREAS, considering the adverse impact of the opening of Davis Street on park
20 space along the Embarcadero and potential traffic impacts on the local neighborhood, the
21 City should do everything it can to work with the Federal and State agencies responsible for
22 funding the Embarcadero Roadway to explore whether a project with the anticipated traffic
23 capacity of the Davis Street opening is still necessary to meet initial project objectives of the
24 Roadway Project and if such a project is still necessary, if viable alternatives exist to opening
25 of Davis Street; and,

1 WHEREAS, the opening of Davis Street is an approved project that was scheduled to
2 begin construction in the week of March 19, 2001 and was delayed by a prior resolution
3 approved by the Board of Supervisors on March 12, 2001; now therefore, be it

4 RESOLVED, That the Board of Supervisors of the City and County of San Francisco
5 strongly urges the Department of Public Works to delay the commencement of this
6 construction project until which time the City can determine, in partnership with State and
7 Federal agencies responsible for Mid-Embarcadero Roadway Project funding, whether Davis
8 Street can either be deleted or replaced as a phase of the Roadway Project without
9 jeopardizing a significant loss of funding; and, be it

10 FURTHER RESOLVED, That if the City and State and Federal agencies find that
11 Davis Street opening is either not necessary or can be replaced by an alternative traffic
12 project, that the Board of Supervisors recommends the City to pursue an alternative that
13 avoids the opening of Davis Street.
