If simultaneous interpretation services are used, speakers will be governed by the public testimony time limit applied to speakers not requesting interpretation assistance. Members of the public who want to display a document should place it on the overhead during their public comment and remove the document when they want the screen to return to live coverage of the meeting.

IMPORTANT INFORMATION: The public is encouraged to testify at Board and Committee meetings. Americans with Disabilities Act (ADA)

The ADA is a civil rights law that protects people with different types of disabilities from discrimination in all aspects of social life. More specifically, Title II of the ADA requires that all programs offered through the state and local government such as the City and County of San Francisco must be accessible and usable to people with disabilities. The ADA and City policy require that people with disabilities have equal access to all City services, activities, and benefits. People with disabilities must have an equal opportunity to participate in the programs and services offered through the City and County of San Francisco. If you believe your rights under the ADA are violated, contact the ADA Coordinator.

Ordinance No. 90-10 added Section 2A.22.3 to the Administrative Code, which adopted a Citywide Americans with Disabilities Act Reasonable Modification Policy that requires City departments to: (1) provide notice to the public of the right to request reasonable modification; (2) respond promptly to such requests; (3) provide appropriate auxiliary aids and services to people with disabilities to ensure effective communication; and (4) train staff to respond to requests from the public for reasonable modification, and that requires the Mayor's Office on Disability to provide technical assistance to City departments responding to requests from the public for reasonable modifications. The Board of Supervisors and Office of the Clerk of the Board support the Mayor's Office on Disability to help make San Francisco a city where all people enjoy equal rights, equal opportunity, and freedom from illegal discrimination under disability rights laws.

Meetings are real-time captioned and are cablecast open-captioned on SFGovTV, the Government Channel, at www.sfgovtv.org or Cable Channels 26, 28, 78 or 99 (depending on your provider). Board and Committee meeting agendas and minutes are available on the Board's website www.sfbos.org and adhere to web development guidelines based upon the Federal Access Board's Section 508 Guidelines. To request sign language interpreters, readers, large print agendas or other accommodations, please contact (415) 554-5184 or (415) 554-5227 (TTY). Requests made at least 48 hours in advance of the meeting will help to ensure availability. If further assistance is needed, please contact Wilson Ng at (415) 554-5184 wilson.l.ng@sfgov.org
