Dear Ms. Crayton,

I am writing to express my support for Del Rio Produce Market's application for a liquor license.

As a local resident and customer, I appreciate having a neighborhood market that provides fresh produce, groceries, and other everyday necessities in one convenient location. Del Rio Produce Market has been a positive part of our community, and the owners have worked hard to provide quality products and friendly service.

I believe granting this liquor license would allow the market to better serve the needs of local residents by offering additional convenience while helping the business continue to grow and remain competitive. Having a well-operated neighborhood market with a broader selection of products benefits our community and encourages residents to shop locally.

I respectfully ask that you give favorable consideration to their application. Thank you for your time and for considering my support.

Sincerely,

Luis Hernandez

Dear Monique,

I am writing to express my strong support for the liquor license application submitted by Del Rio Produce Market, located in our neighborhood.

As a long-time customer, along with my family and friends, I have been very impressed with the improvements made by the new ownership. The market provides a vital service to the Clement neighborhood by offering a diverse range of international products, fresh produce, dairy, and meat.

Granting this license would allow the market to become a convenient one-stop shopping destination for the community, eliminating the need for residents to travel to other locations for wine and spirits. I believe this addition would greatly benefit the neighborhood and support a local business that is already doing excellent work.

Please feel free to contact me if you have any questions or require further information.

Sincerely,

Yen Thi Le
