14 March 2014

Dear Rules Committee Supervisors:

I am honored to be considered for a vacant seat on the Veterans Affairs Commission. I am unable to attend the Rules Committee meeting since I will be in Pearl Harbor, Hawaii, serving as a Navy Reservist with the Region Legal Service Office Hawaii.

For more than 19 years I have served honorably in the United States Navy, and I look forward to the opportunity of serving on the Veterans Affairs Commission to address the problems, interests, and needs of veterans who are residents of the City and county of San Francisco.

In 1994, I was commissioned as an Ensign in the Navy Judge Advocate Corps, and reported to my first assignment at the Naval Legal Service Office Great Lakes, Illinois. In April of 1998, I left active duty and affiliated with the Navy Selective Reserves.

In 2007, in support of OPERATION IRAQI FREEDOM, I was mobilized to active duty, and I served as the Officer in Charge (OIC) of the Combined Review and Release Board, Task Force 134, Multi-National Force Iraq, in Baghdad, Iraq. As the OIC, I was responsible for all production operations, facilities, equipment, security, and personnel in a legal office comprised of attorneys, paralegals, and linguists. During my tenure as OIC, under hostile fire conditions, I ensured the timely and efficient review of more than 14,000 security internee files.

In 2013, I was promoted to the rank of Navy Captain (06) and also selected as the Commanding Officer of the Naval Reserve Regional Legal Services Office Hawaii, which is my current billet.

My military decorations include the Defense Meritorious Service Medal, the Navy and Marine Corps Commendation Medal (2 awards), the Navy and Marine Corps Achievement Medal (3 awards), the Iraq Campaign Medal, the National Defense Service Medal (2 awards), the Global War on Terrorism Service Medal, and the Sea Service Deployment Ribbon.

I am active in community organizations such as the Marines' Memorial Association, the Jewish War Veterans of the United States, and the Naval Order of the United States. My wife, my son, and I live in San Francisco.

Thank you for considering my application for the Veterans Affairs Commission.

Re: Veterans Affairs Commission Application

Dear Mayor Lee and Members of the Board of Supervisors:

One-Hundred Forty Nine years ago today, March 4th, 1865, President Lincoln gave his second inaugural address to a gathering of citizens in a muddy Pennsylvania field. During his speech, he called upon Americans to heal from the wounds of war, to have charity for all, and “*to care for him who have borne the battle.*” While San Francisco has always been a peaceful and charitable city, many honorable veterans remain homeless, jobless and in need of medical services.

I would like to join the effort to care for the veterans in our community and I respectfully request consideration for appointment to the San Francisco Veteran’s Affairs Commission.

As a military veteran, urban planner and San Francisco business owner, I have the experience, insight and expertise to help veterans live, work and thrive in our great City through my contributions on the Commission. In my work as an urban planner, I have become keenly aware of the challenges veterans face in finding affordable housing in a competitive real estate market. I have a proven ability to analyze legislative policy and understand the housing development process. This will be a useful skill to better inform legislators and other decision-makers on the impacts to veterans.

When men and women leave military service to rejoin their communities, there should be jobs available that match their abilities. San Francisco is rich in opportunities in education and innovation. I have personally experienced the transformative journey from soldier, to student, to innovative business owner. I know through my experience as a former student/veteran the systems that provide educational

and training benefits. I know through my experience as both an employee and a business owner the systems that regulate employment.

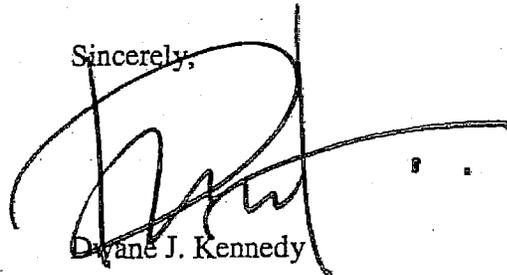

However, **I do not know** the extra burden of a service-related disability and **I do not know** what it's like to slip through the cracks, to become jobless, homeless and beyond the sphere of accessible and affordable care. My experiences and this fortune can be useful as we collectively formulate and evaluate policies to achieve full employment and improve care for all San Francisco veterans.

The San Francisco VA Medical Center is an invaluable resource to veterans from San Francisco and throughout northern California. Its staff is top notch in their mission to provide medical support to veterans and I rely on the Center for my own medical care. The staff is an impressive collection of skilled men and women who are committed to serving the needs of veterans. The patients are equally impressive as they are the men and women who's service ensured that our rights and civil liberties are protected. Through my experience as an urban planner, I believe that I can contribute to the Commission by analyzing policy matters that could improve the delivery of critical medical services including the transportation needs of patients and staff.

Sadly, President Lincoln was assassinated only six weeks after giving his second inaugural address but his uncompromising passion for honoring veterans lives on through the hard work of the Veteran's Affairs Commission, service organizations, care providers and everyday San Franciscans. I look forward to doing my part in this effort and serving as a Member of the San Francisco Veteran's Affairs Commission.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dwyane J. Kennedy', with a long horizontal flourish extending to the right.

Jen,

Per our conversation earlier today, I have included the application submitted to our office today by Mr. Dwane J. Kennedy.

As mentioned in my conversation with you, the one vacant seat of which the Mayor has appointing authority is one where, pursuant to Administrative Code Section 5.100 we are mandated to appoint "one person who served in the Armed Forces of the United States of America and is suffering under a physical disability arising from that service, in accordance with the definitions applied in such cases by the Veterans' Administration." I do not believe that Mr. Kennedy meets those qualifications, however, it is my understanding that he could meet those of the current BOS seat that is available.

I have copied Mr. Kennedy here, and I would encourage you and him to connect. From his application he looks as though he may be a stellar candidate for BOS Seat #10.

Best,
Nicole

Target Seats

Vacant seat 2, portion of a four-year term ending January 31, 2017.

Vacant seat 5, term expiring on January 31, 2014, must be a woman veteran, for a four-year term ending January 31, 2018.

Vacant seat 10, expiring on January 31, 2014, must be an at-large appointment, for a four-year term ending January 31, 2018.

State your qualifications

I have several veterans in my family. My father told stories of swimming for safety through oil fires in the waters of Pearl Harbor. My brother solemnly received the bodies of young men fallen in Southeast Asia as a member of the Army service color corps during Vietnam. My uncles strutted in their brown uniforms while in segregated regiments in World War II. And, like my father, brother and uncles before me, I proudly served my country during the first Gulf War. Immediately after my Honorable Discharge in 1992, the VA Center in San Francisco uniquely supported my transition into civilian life by providing services to me through another woman veteran. She successfully guided me through a complex bureaucratic maze to acquire tailored services that fit me perfectly.

The VA Center's multiple support tools were the impetus and enabler for a college education and successful 22-year federal career. The opportunity to give back what I was given is one of the reasons I am seeking to serve veterans on the VA commission.

My experience also impressed on me that value of ensuring other women veterans receive comparable treatment.

Currently I serve on the Equity Advisory Committee of San Francisco Human Rights Commission advocating support for Reentry populations as a member of the Out Migration Subcommittee. I am aware of veterans' disproportionate contact with the criminal justice system and I hope to reverse this trend.

I am a graduate of Urban Habitat's Boards, Commissions and Leadership Institute (BCLI), an institute known for training and seating many conscientious community members on influential boards throughout the Bay Area.

Pursuant to Charter section 4.101 (a)1, please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

As a nurse and retired female veteran with an aged mother, who is a widow of a WWII veteran, I am able to assess, plan and provide interventions for the social, physical, mental, and spiritual needs of the veterans regardless of age, gender, race, and abilities/ disabilities. My experience in emergency preparedness also gives me the necessary knowledge and skills to assist communities in planning for disasters, especially in the care of homebound, elderly and special needs residents.

Business and/or professional experience:

I am a retired military nurse who was a deputy commander for a combat support hospital. In that capacity I supervised the clinical operations of the hospital and also the needs of the soldiers and their families. Since retiring, I have been a member and leader of the medical team for the International Military Lourdes Pilgrimage caring for wounded and sick WWII to GWOT veterans and their families. I continue to provide care management for elderly and those with special needs. I was an emergency room head nurse and emergency preparedness liaison officer for 2nd Medical Brigade working with the OES of SF Bay Area counties.

Civic Activities:

As a member of the San Francisco Veterans Affairs Commission (SFVAC), I have been involved in promoting the Veterans Treatment Court for incarcerated veterans in San Francisco. I have made several visits to the incarcerated veterans at San Bruno Pod and had been able to gather and relay their concerns to the commission. One of the major requests in my first visit in February 2013 was for the establishment of a SF Veterans Treatment Court (SFVTC). The following month's visit, I was able to give the information for the approval for the SFVTC. I am involved with the San Francisco Interfaith Council (SFIC) and the 2013 Thanksgiving Prayer Breakfast honored "The Veterans and the Faith Community that Serves Them." The SFIC helps provide assistance to homeless and veterans in need through fund raising and the work of the faith community. I am applying for re-appointment as a member of the SFVAC.

Have you attended any meetings of the Board/Commission to which you wish appointment? Yes No

For appointments by the Board of Supervisors, appearance before the RULES COMMITTEE is a requirement before any appointment can be made. (Applications must be received 10 days before the scheduled hearing.)
