Pursuant to Charter section 4.101 (a)1, please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I am uniquely qualified to serve on the Board. I was raised in the Sunset District (34th and Lawton) and went to school in the district. As a biracial person (my mother was born in El Salvador and my father is Irish-American), I understand and embrace the diversity and cultures of San Francisco. I have also worked in government - after law school, I worked for over a year for the San Francisco Superior Court, and my position was part of Local 21. I have also volunteered as a Young Ambassador to fundraise for the Pomeroy Recreation Center, which works to provide opportunities for the disabled of all ages. I would be honored to work for one of the world's best-known landmarks, and I believe my first-hand knowledge of public entity law - and history of representing public entites and transportation districts - would be an asset to the board. My skills will help with legal issues, budgeting and strategic planning.

**Business and/or professional experience:**

I have knowledge of business and the law. I graduated from the University of San Francisco with a degree in Business Administration, and recieved my law degree from Western State with a certificate in business law. Since 2009, I have worked as an attorney in private practice in San Francisco.

Over the past six years I have represented multiple public entities (including a multi-county Bay Area Transit District) and understand the complex legal and business issues facing public entities.

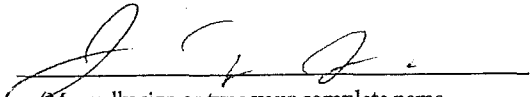

**Civic Activities:**

St. Dominic's Catholic Church (San Francisco) - Parishoner  
Pomeroy Recreation Center for the Handicapped - Young Ambassador (past)

Since moving here in 1972, I have lived in the Haight, Noe Valley, Western Addition, Western SOMA, and West of Twin Peaks. Throughout that time, I have primarily traveled as a MUNI rider, pedestrian and bicyclist, striving to promote healthy transportation and lifestyle choices that serve people of all economic classes, ages, ethnicities, and gender/sexual orientation. While I arrived in SF with no assets, and grew up sometimes homeless, San Francisco has served as a place of great opportunity. I continue feel a responsibility to give back, and to that end, have served in a wide range of volunteer positions. In my role as chair of the Bicycle Advisory Committee for a decade, I have used the position to balance this advocacy with the concerns and desires of others who share our streets, especially seniors like me, my interracial children and grandchildren, the disabled and transportation challenged, and women who have suffered from discrimination and cultural exclusion in their home cultures.

John Avalos, SF Board of Supervisors

Dear Supervisor Avalos;

I recently applied for appointment to the Golden Gate Bridge, Highway, and Transportation District Board of Directors. I believe the Board needs a qualified and respected advocate for bicyclists, pedestrians and transit users.

Today, we live in an enlightened period, where our population increasingly understands the environmental, economic, reliable, efficient, and healthy benefits associated with human-powered transportation and public transit. The growth in use of these transportation modes will require fundamental changes in the way the District funds, encourages and accommodates demand.

I believe I am uniquely qualified to serve on this board, given my extensive experience and leadership as a public transportation advocate, former engineering/construction cost management professional, and appointed SF Gov. committee member, with an understanding of how public agencies operate.

### **Background**

Moving to SF in 1972, I was dependent on transit until 1992, when I began bicycle commuting. All together, I have bicycled over sixty years. I began active advocacy first through the *SF Bicycle Coalition* (SFBC), expanding to include *WalkSF* and *Transportation for a Livable City* (now *Livable City*) as a founding board member. I am a recipient of the SFBC's *Golden Wheel Award*, and the League of American Bicyclists' *2009 Education Award*.

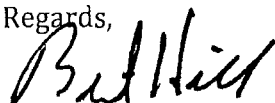

In 1999, I began a bike sharing & storage company (*Bike Tree*); followed in 2003 with *Bicycle Commuter Services* (BCS), teaching *Urban Street Skills* as a certified cycling instructor, with over four thousand attendees in SF. I also produced two safety videos for professional drivers, and serve as an expert witness in civil litigation involving bicycle use.

As a public service, I have chaired the *SF Bicycle Advisory Committee* (10 years), and have served on a number of working groups, task forces and projects, including the *Caltrans District 4 BAC*, representing SF.

In 2010 I was a candidate for the BART Board, endorsed by a majority of City Supervisors.

I hope you will consider my application for appointment to the Golden Gate Bridge Board.

Regards,

Bert Hill

ATTN Alisa Somera,

Below is a letter of support for Bert Hill for the Board of Directors of the Golden Gate Bridge Highway and Transportation District, that I have submitted to Sups. Avalos, Cohen, and Tang.

Please include a copy of this statement in the packet for the 2/26/15 Rules Committee hearing.

Thank you,

----

Dear Supervisor,

I am writing you to recommend Bert Hill for the Board of Directors for the Golden Gate Bridge Highway and Transportation District. Bert is one of 7 candidates for 4 open seats on the Board and he deserves your vote at the February 26 meeting of the Rules Committee.

For the past two years I have served with Bert on the Bicycle Advisory Committee where he is the elected Chair. He has ably managed this position, drawing on a decades of experience as well as natural leadership talent and a healthy sense of humor.

Unlike many of the voluntary advisory bodies that inform city government in San Francisco, the Chair of the BAC has significant responsibilities, having been tasked with responding to all the recommendations of the 2009-2010 San Francisco Civil Grand Jury report on bicycles. Since transportation politics in San Francisco are slow moving, these tasks were reassigned by the 2012-2013 Civil Grand Jury and Bert continues to work with the SFPD and SFMTA to see these complicated issues resolved.

More than just a bicycle partisan, Bert is a true multi-modal transportation expert with in-depth knowledge of public transit, pedestrian, and automobile issues along with the various regulations and agencies that govern their use. He will bring to the Board the kind of balanced and informed perspective that it needs.

I am proud to give Bert my strongest recommendation. Please vote to appoint him to the Board of Directors for the Golden Gate Bridge Highway and Transportation District.

Sincerely,

Kevin Dole

I am pleased to endorse Bert Hill for the position of Board Member, Golden Gate District, Board of Directors. In the decade I've known Bert, he has helped me gain perspective on the roles of bicyclists and tourists in and around my community in Southern Marin. His views on bicyclist safety are sometimes non-intuitive, but are factually grounded.

I think Bert will bring an important perspective on non-drivers in the mix of Golden Gate users. It wouldn't hurt that he also brings over a decade of project controls experience from his earlier years at Bechtel.

**Subject:** Support for Bert Hill to Golden Gate Bridge, Highway, and Transportation District Board of Directors

Dear Rules Committee:

I am writing as an individual to support the appointment of Bert Hill to the Golden Gate Bridge, Highway, and Transportation District Board of Directors. I believe the Board needs a respected advocate for pedestrians, bicyclists, and transit users, and Mr. Hill is qualified to represent these active and sustainable transportation interests.

Mr. Hill began active advocacy first through the *SF Bicycle Coalition* (SFBC), expanding to include *Walk San Francisco* and *Transportation for a Livable City* (now *Livable City*) as a founding board member. Mr. Hill taught *Urban Street Skills* as a certified cycling instructor to over four thousand attendees in SF, and produced two safety videos for professional drivers, and serves as an expert witness in civil litigation involving bicycle use.

Mr. Hill has chaired the *SF Bicycle Advisory Committee* (10 years), and served on a number of working groups, task forces and projects, including the *Transit Effectiveness Project CAC*, and the *Caltrans District 4 BAC*, representing San Francisco.

I support Mr. Hill's appointment and encourage you to support him as well.

Best,

Nicole

Hello Supervisor Cohen & Rules Committee --

I am writing in support of Bert Hill for the Golden Gate Bridge Board of Directors. Bert is a long-time San Franciscan, and very insightful on improving conditions for people travelling by bicycle, on foot, and by transit. These are often overlooked by the GGB Board, but are important to help make the bridge safer and less congested.

To the Supervisors,

I am writing to urge you to take the opportunity of Dave Snyder's leaving the Golden Gate Bridge Board to appoint Bert Hill.

I value Bert's thoughtful and communicative personal style, his consensus-building natural impulses, and his careful strategies to improve the lives of people in the region.

I have worked tangentially with Bert on various projects over the years. I am a longtime transportation activist, organizer of the Duboce Bike Mural, founding newsletter editor for the SF Bicycle Coalition and a community historian.

Please appoint Bert. He would be an excellent choice to participate in the Bridge Board.

Thank you!

Joel

**Re: Appointment of Bert Hill to the GGBH&TD Board**

Dear Supervisor Avalos:

I am writing to endorse the appointment of Bert Hill to the Golden Gate Bridge Highway and Transportation District Board. I have known Mr. Hill for twelve years and his expertise, advocacy experience, and transit-first values are the kind I want representing me as a resident of San Francisco.

As you know the center of San Francisco is overwhelmed with large volumes of cars originating from outside of the city. We need to expand regional transit in order to address the negative impacts of all of this traffic. Mr. Hill thinks regionally about ways to minimize this traffic congestion through his advocacy to preserve and expand the Golden Gate transit system.

It is also critical to have someone with Hill's knowledge involved in the bicycle component of the GG Bridge. Mr. Hill will advocate for improvements for bicycling on the bridge, as well as for better bicycle access to Golden Gate Transit buses. This is exactly what is needed to reduce the overwhelming congestion in the center of San Francisco.

I believe there are few people more qualified to serve on the Golden Gate Bridge Highway and Transportation District Board of Directors than Mr. Hill. Please vote to appoint him to the Bridge District.

Dear Supervisor Wiener,

I am writing to request that you support Bert Hill's nomination to the Golden Gate Bridge Board. I have known Mr. Hill for many years. He served with distinction for several years on the SF Housing Action Coalition's Executive Committee.

Mr. Hill is a cost engineer by training, of deep experience, and who balances both pragmatism and idealism.

But the main reason that he deserves your support is that we are approaching the limits of what our traditional car-centric regional transportation system can deliver. New thinking and new ways of doing business are urgently needed relative to competing transportation modes for bridge space. It is critical that non-motorized users have an equal say in future strategies for meeting demands for space. Mr. Hill would be an outstanding proponent of these views.

His nomination comes at a critical time for our transit infrastructure and I respectfully urge you to approve his nomination.

Sincerely,  
Tim Colen

Dear Supervisor Avalos;

I am writing to express the San Francisco Bicycle Coalition's support for the appointment of Bert Hill to the Golden Gate Bridge, Highway, and Transportation District Board of Directors. As San Francisco's leading bicycle advocacy, we are focused on improving transportation streets and neighborhoods by promoting the bicycle for everyday transportation. Our members frequently use the Golden Gate Bridge to get to work, run errands, visit family and friends, exercise, or simply tour the beautiful Bay Area, and the Bridge's continued existence as an open, accessible, sustainable transportation corridor is of the utmost importance.

The San Francisco Bicycle Coalition has worked with Bert in varying capacities for many years. His dedication to San Francisco, and to ensuring that San Franciscans have affordable, sustainable, reliable transportation options, is significant, and would serve the Golden Gate Bridge, Highway, and Transportation District well. As thousands of people walk or bike over the Golden Gate Bridge every day, it is critical that they have a strong voice to represent them on the District Board.

We appreciate your consideration of Bert's application.

Sincerely,

Dear Chair Avalos & members of the SF Board of Supervisors' Rules Committee,

I am pleased to write in strong support of Bert Hill as a worthy candidate to serve on the Golden Gate Bridge, Highway & Transportation District Board of Directors.

As a former member myself of the GG Bridge Board of Directors for five years, I am confident that Mr. Hill would serve the people of San Francisco in an exceptional manner. I have had the honor to work with Mr. Hill for well over 10 years, particularly in my former capacity as the Executive Director of the SF Bicycle Coalition. Mr. Hill consistently proved himself to be one of the most honorable, hard-working, and principled people I've had the pleasure to know. And I have seen first-hand that he cares deeply about helping people access safe, affordable, equitable, healthy transportation options.

I cannot think of a better fit to serve San Franciscans on the Golden Gate Bridge Board than Bert Hill. I hope you will give him the opportunity to step into a leadership role such as this to benefit millions.

Thank you for consideration.

**RE: Golden Gate Bridge District – recommend Bert Hill**

Dear Supervisor Avalos:

I am writing to express my very strong support and recommendation for Bert Hill as the Board of Supervisors consider appointments to the four vacant seats on the Golden Gate Bridge, Highway and Transportation District board.

Bert's qualifications for service on the Golden Gate Bridge District board are broad and deep, with experience and expertise in everything from transportation policy and system operations to labor relations and public finance. Bert's wise and compassionate engagement of complex issues, coupled with his intelligence and category knowledge, would be powerful assets in this role, and I know he would serve San Francisco and the Golden Gate Bridge District with great distinction.

I hope that you will give Bert Hill your fullest consideration for this appointment.

Sincerely,

**Subject:** We support Bert Hill for the Golden Gate Bridge, Highway, and Transportation District

Dear Supervisors,

Personally and on behalf of Livable City, I strongly urge you to appoint Bert Hill to the Vacant seat on the Golden Gate Bridge, Highway, and Transportation District.

The Golden Gate Bridge, Highway, and Transportation district is a multi-modal transportation agency. It maintains the Golden Gate Bridge, a vital transportation link that connects San Francisco to the north bay that serves many thousands of people who walk, bicycle, take transit, and drive. It also maintains a public transit network of buses and ferries that serves thousands of daily riders.

It is essential that the needs of people who use sustainable modes of transportation - walking, cycling, and transit - are well represented on this board. When sustainable mobility is neglected, walking and cycling become difficult and dangerous, and transit expensive and inconvenient. Unfortunately that is the daily experience of many who need to move within and between the counties that comprise the district. The district depends on San Francisco, with its strong policies favoring walking, cycling, and public transit, to represent the needs of all travelers, and help create a multi-modal transportation system that fosters safety, accessibility, equity, and sustainability. We are sad to see Dave Snyder leave the board - he has been an extraordinary leader and advocate there.

Fortunately, Bert Hill has applied for a seat on the Board. For decades, Bert has been a sustainable transportation advocate, educator, and public servant, dedicating countless hours to the cause. His commitment and expertise are an essential addition to the Golden Gate Bridge board. We are fortunate to have steadfast and effective advocates like Bert, and we and we strongly support his appointment. Thank you.

Best,

Tom

**Candidate statement of qualifications relative to demographic qualities of the City and County of San Francisco pursuant to Charter section 4.101(a)1:**

***In advocacy for women and minorities; increased diversity in the organized trades; economic justice for women, minorities and youth; pathways to high-skill/high-pay careers:***

As a minority woman in an industry dominated by white men (electrical construction) I am both fortunate to have achieved my level of professional success and challenged to create new ways in which I can assist other San Francisco women, minorities and youth to enter and succeed in high-skill, high-pay careers in the organized trades. This is why, throughout my career, I have maintained an active role in community based organizations such as Tradeswomen Inc, and in AFL-CIO constituency organizations such as the Electrical Workers Minority Caucus (EWMC), Pride @ Work, and the Coalition of Labor Union Women (CLUW), all of which advocate for the rights of women and minorities at work. I am particularly excited about IBEW Local 6 plans to partner with the San Francisco Unified School District in creating a pre-apprenticeship program for San Francisco high school students interested in exploring industrial careers.

***In efforts to defend the rights of the San Francisco immigrant worker community:***

As a business representative and public works contract compliance officer for IBEW Local Union 6, I represent the interests of IBEW members and our management partners; however, much of my work benefits non-unionized immigrant workers primarily from China, Korea, Mexico and Central America. As immigrants, many of whom have limited English language skills, these workers are vulnerable and often taken advantage of; paid less than the wages required by law, asked to perform work in unsafe conditions, not compensated for overtime and otherwise abused of their rights. As I monitor public works projects in San Francisco, I often come across workers experiencing these unfortunate and illegal conditions. My position and training allow me to educate them on their rights under the law and assist them in seeking remedies through the San Francisco Office of Labor Standards Enforcement and other authorities having jurisdiction.
