No listing of specific instances, items or examples in any way limits the scope or generality of any language in this Agreement. References to days, months and years mean calendar days, months and years unless otherwise specified. References to a party mean the named party and its successors and assigns.

(b) Headings are for convenience only and do not define or limit any terms. References to a specific City Document or other document or exhibit mean the document, together with all exhibits and schedules, as supplemented, modified, amended or extended from time to time in accordance with this Agreement. References to Articles, Sections and Exhibits refer to this Agreement unless otherwise stated. (c) Accounting terms and financial covenants will be determined, and financial information will be prepared, in compliance with GAAP as in effect on the date of performance. References to any Law, specifically or generally, will mean the Law as amended, supplemented or superseded from time to time.

(d) The terms and conditions of this Agreement and the other City Documents are the result of arms'-length negotiations between and among sophisticated parties who were represented by counsel, and the rule of construction to the effect that any ambiguities are to be resolved against the drafting party will not apply to the construction and interpretation of the City Documents. The language of this Agreement will be construed as a whole according to its fair meaning.

ARTICLE 2 <u>FUNDING</u>.

2.1 <u>Funding Amount</u>. The City agrees to lend to Borrower a maximum principal amount equal to the Funding Amount in order to finance the development and construction of a multifamily residential building consisting of eighty-four (84) rental units of affordable housing for low-income persons, plus one manager's unit, including twenty-two (22) LOSP units reserved for formerly homeless households and five (5) units for referrals from the City's Plus Housing List. The Funding Amount will be disbursed according to the terms and subject to the conditions set forth in this Agreement.

Borrower acknowledges that the City's agreement to make the Loan is based in part on Borrower's agreement to use the Funds solely for the purpose set forth in **Section 2.1** and agrees to use the Funds solely for that purpose in accordance with the approved Table of Sources and Uses. Notwithstanding anything to the contrary contained herein, City will not approve expenditure of Funds for expenses incurred by Borrower prior to the Agreement Date.

2.3 <u>Accounts; Interest</u>. Each Account to be maintained by Borrower under this Agreement will be held in a bank or savings and loan institution acceptable to the City as a segregated account that is insured by the Federal Deposit Insurance Corporation or other comparable federal insurance program. With the exception of tenant security deposit trust accounts, Borrower will use any interest earned on funds in any Account for the benefit of the Project.

2.4 <u>Records</u>. Borrower will maintain and provide to the City upon request records that accurately and fully show the date, amount, purpose and payee of all expenditures from each Account authorized under this Agreement or by the City in writing and keep all estimates, invoices, receipts and other documents related to expenditures from each Account. In addition, Borrower will provide to the City promptly following Borrower's receipt, complete copies of all monthly bank statements, together with a reconciliation, for each Account until all funds (including accrued interest) in each Account have been disbursed for eligible uses.

(a) Borrower will give ongoing construction updates to neighbors and report any issues to MOHCD.

(b) Borrower will provide MOHCD with detailed monthly updates via the Post Closing Report.

(c) Borrower will provide quarterly updated responses to any letters requesting corrective action.

(d) Borrower will apply for Continuum of Care ("CoC") subsidies, if available, to replace and/or supplement the City's funding under LOSP. In the event Borrower obtains additional subsidies for the Project, including CoC subsidies, Borrower will re-evaluate opportunities to obtain permanent debt to reduce the Funding Amount or partially repay the Loan and provide such evaluation to MOHCD.

(e) Borrower will provide initial draft marketing plan prior to the year the Project receives its first certificate of occupancy, outlining the affirmative steps they will take, subject to applicable law, including without limitation, fair housing law, to market the Project to the City's preference program participants, including COP Holders, Displaced Tenants, and Neighborhood Residents, as well as how the marketing is consistent with the Mayor's Racial Equity statement and promotion of positive outcomes for African American San Franciscans.

(f) Borrower will submit an updated first year operating budget and 20-year cash flow, if any changes have occurred, by no later than November 1st prior to the year the Project receives its first certificate of occupancy so that MOHCD may request the LOSP funding for the Project.

ARTICLE 3 <u>TERMS</u>. Borrower's repayment obligations with respect to the Funding Amount will be evidenced and governed by the Note, which will govern in the event of any conflicting provision in this Agreement.

3.1 <u>Maturity Date</u>. Borrower will repay all amounts owing under the City Documents on the date that is the later of (a) the fifty-seventh (57th) anniversary of the date the Deed of Trust is recorded in the Recorder's Office of San Francisco County or (b) the fifty-fifth (55th) anniversary of the Conversion Date (the "Maturity Date").

3.2 <u>Compliance Term; Declaration of Restrictions</u>. Borrower will comply with all provisions of the City Documents relating to the use of the Site and the Project as set forth in the Declaration of Restrictions to be recorded in the Official Records, for the period commencing on the date the Deed of Trust is recorded in the Official Records and continuing for the Life of the Project (the "Compliance Term"), even if the Loan is repaid or otherwise satisfied or the Deed of Trust is recorveyed before the end of the Compliance Term.

3.3 <u>Interest</u>. The outstanding principal balance of the Loan will bear simple interest at a rate of [three percent (3.00%)] per annum, as provided in the Note. Interest will be calculated on the basis of actual days elapsed and a 360-day year, which will result in higher interest charges than if a 365-day year were used.

3.4 <u>Default Interest Rate</u>. Upon the occurrence of an Event of Default under any City Document, the principal balance of the Loan will bear interest at the default interest rate set forth in the Note, with such default interest rate commencing as of the date an Event of Default occurs and continuing until such Event of Default is fully cured. In addition, the default interest rate will apply to any amounts to be reimbursed to the City under any City Document if not paid when due or as otherwise provided in any City Document.

3.5 <u>Repayment of Principal and Interest</u>. Except as set forth in Section 3.5., the outstanding principal balance of the Loan, together with all accrued and unpaid interest, if any, will be due and payable on the Maturity Date according to the terms set forth in full in the Note. Except as set forth in the Note, no prepayment of the Loan will be permitted without the prior written consent of the City in its sole and absolute discretion.

3.5.1 <u>Notification and Repayment of Excess Proceeds.</u> Borrower will notify the City in writing within thirty (30) days after the later of the date on which Borrower receives its Form 8609 from the California Tax Credit Allocation Committee or the date on which Borrower receives Excess Proceeds from its Limited Partner or other financing sources. To the extent permitted by the California Department of Housing and Community Development ("HCD"), Borrower will repay all Excess Proceeds to the City no later than sixty (60) days after receipt of such notification, unless the City has elected to waive such payment. The City will use such Excess Proceeds to reduce the balance of the Loan. The Director of MOHCD may elect to waive all or a portion of repayment of Excess Proceeds upon receipt from Borrower of adequate documentation supporting the need for such waiver in order to make the Project financially feasible.

3.6 <u>Changes in Funding Streams</u>. The City's agreement to make the Loan on the terms set forth in this Agreement and the Note is based in part on Borrower's projected sources and uses of all funds for the Project, as set forth in the Table of Sources and Uses. Borrower covenants to give written notice to the City within thirty (30) days of any significant changes in budgeted funding or income set forth in documents previously provided to the City. Examples of significant changes include loss or adjustments (other than regular annual adjustments) in funding under Continuum of Care, Section 8 or similar programs.

3.7 <u>Additional City Approvals</u>. Borrower understands and agrees that City is entering into this Agreement in its proprietary capacity and not as a regulatory agency with certain police powers. Borrower understands and agrees that neither entry by City into this Agreement nor any approvals given by City under this Agreement will be deemed to imply that Borrower will obtain any required approvals from City departments, boards or commissions which have jurisdiction over the Property. By entering into this Agreement, City is in no way modifying or limiting the obligations of Borrower to develop the Property in accordance with all local laws. Borrower understands that any development of the Property will require approvals, authorizations and permits from governmental agencies with jurisdiction over the Property, which may include, without limitation, the San Francisco City Planning Commission and the San Francisco Board of Supervisors. Notwithstanding anything to the contrary in this Agreement, no party is in any way limiting its discretion or the discretion of any department, board or commission with jurisdiction over the Project, including but not limited to a party hereto, from exercising any discretion available to such department, board or commission with respect thereto, including but not limited to the discretion to (i) make such modifications deemed necessary to mitigate significant environmental impacts, (ii) select other feasible alternatives to avoid such impacts, including the "No Project" alternative; (iii) balance the benefits against unavoidable significant impacts prior to taking final action if such significant impacts cannot otherwise be avoided, or (iv) determine not to proceed with the proposed Project.

3.8 <u>Failure to Provide Budgeted Supportive Services</u>. If Borrower fails to provide Supportive Services in the amount shown in the approved 20-Year Cash Flow Proforma, Borrower will provide notice to the City within ten (10) business days of the date the Supportive Services were terminated, which notice will include, at a minimum, a proposed plan to restore the Supportive Services within a reasonable period of time. If at the time such notice is provided, Borrower is unable to propose a feasible plan for restoring the Supportive Service, Borrower will include in the notice a detailed explanation as to the cause of the termination of Supportive Services and the reasons why it would not be feasible to restore the Supportive Services within a reasonable period of time.

ARTICLE 4 CLOSING; DISBURSEMENTS.

4.1 <u>Generally</u>. Subject to the terms of this Agreement, the City will make Disbursements in an aggregate sum not to exceed the Funding Amount to or for the account of Borrower in accordance with this Agreement and the approved line item budget contained in the Table of Sources and Uses.

4.2 <u>Closing</u>. Unless otherwise agreed by the City and Borrower in writing, Borrower will establish an escrow account with the title company issuing the Title Policy, or any other escrow agent Borrower chooses, subject to the City's approval (the "Escrow Agent"). Additionally, Borrower will obtain the City's prior written approval for all requested reallocations of Funds for line items previously approved by the City.

(b) No Event of Default, or event that with notice or the passage of time or both could constitute an Event of Default, may have occurred that remains uncured as of the date of the Expenditure Request.

Before starting any demolition, rehabilitation or construction on the Site, Borrower will deliver to the City insurance endorsements and bonds as described in **Exhibit L**. At all times, Borrower will take prudent measures to ensure the security of the Site.

5.5 <u>Notice to Proceed</u>. No demolition, rehabilitation or construction may commence until Borrower has issued a written notice to proceed with the City's approval.

5.6 <u>Commencement and Completion of Project</u>. Unless otherwise extended in writing by the City, Borrower will: (a) commence demolition, rehabilitation or construction by a date no later than [August 31, 2025]; (b) complete construction by a date no later than [December 31, 2027], in accordance with the plans and specifications approved by the City, as evidenced by a certificate of occupancy or equivalent certification provided by the City's Department of Building Inspection, and an architect's or engineer's certificate of completion (the "Completion Date"); and (c) achieve occupancy of ninety-five percent (95%) of the Units by a date no later than [December 31, 2028].

5.7 <u>Rehabilitation/Construction Standards</u>. All rehabilitation or construction will be performed in a first class manner, substantially in accordance with final plans and specifications approved by the City and in accordance with all applicable codes.

ARTICLE 6 MARKETING.

6.1 <u>Marketing and Tenant Selection Plan</u>. No later than twelve (12) months before the Completion Date, Borrower will deliver to the City for the City's review and approval an affirmative plan for initial and ongoing marketing of the Units and a written Tenant selection procedure for initial and ongoing renting of the Units based on MOHCD's then-current form of marketing and tenant selection plan (the "Marketing and Tenant Selection Plan"), all in compliance with the restrictions set forth in **Exhibit A** and in form and substance acceptable to the City. Borrower will obtain the City's approval of reasonable alterations to the Marketing and Tenant Selection Plan. Borrower will market and rent the Units in the manner set forth in the Marketing and Tenant Selection Plan, as approved by the City.

6.2 <u>Affirmative Marketing and Tenant Selection Plan Requirements</u>. Borrower's Marketing and Tenant Selection Plan will address how Borrower intends to market vacant Units and any opportunity for placement on the Waiting List, as defined in 6.5. The Marketing and Tenant Selection Plan will include as many of the following elements as are appropriate to the Project, as determined by the City:

(a) A reasonable accommodations policy that indicates how Borrower intends to market Units to disabled individuals, including an indication of the types of accessible Units in the Project, the procedure for applying, and a policy giving disabled individuals a priority in the occupancy of accessible Units.

(b) A plan that satisfies the requirement to give preference in occupying units in accordance with the Preferences and Lottery Manual and the Preferences Ordinance.

(c) Advertising in local neighborhood newspapers, community-oriented radio stations, on the internet and in other media that are likely to reach low-income households. All advertising will display the Equal Housing Opportunity logo.

(d) Notices to neighborhood-based, nonprofit housing corporations and other low-income housing advocacy organizations that maintain waiting lists or make referrals for below-market-rate housing.

- (e) Notices to SFHA.
- (f) Notices to MOHCD

(g) To the extent practicable, without holding Units off the market, the community outreach efforts listed above will take place before advertising vacant Units or open spots on the Waiting List to the general public.

(h) An acknowledgement that, with respect to vacant Units, the marketing elements listed above will only be implemented if there are no qualified applicants interested or available from the Waiting List.

(i) Borrower will use access points and accept Qualified Tenant referrals from HSH, MOHCD (for Plus Housing Program Units), or their successor agencies.

6.3 <u>Marketing and Tenant Selection Plan & Tenant Screening Criteria Requirements:</u>

(a) Borrower's Marketing and Tenant Selection Plan will comply with the requirements of the Tenant Selection Plan Policy as set forth in the attached <u>Exhibit H</u>. The Marketing and Tenant Selection Plan will be kept on file at the Project at all times.

(b) Borrower's tenant screening criteria will comply with the Tenant Screening Criteria Policy set forth in the attached Exhibit I.

6.4 <u>Marketing Records</u>. Borrower will keep records of: (a) activities implementing the Marketing and Tenant Selection Plan; (b) advertisements; and (c) other community outreach efforts.

6.5 <u>Waiting List</u>. Borrower's Marketing and Tenant Selection Plan will contain, at a minimum, policies and criteria that provide for the selection of tenants from a written waiting list

that complies with the Marketing and Tenant Selection Plan (the "Waiting List"). The Marketing and Tenant Selection Plan may allow an applicant to refuse an available Unit for good cause without losing standing on the Waiting List but will limit the number of refusals without cause as approved by the City. Borrower will at all times maintain the Waiting List. Upon the vacancy of any Unit, Borrower will first attempt to select the new Tenant for such Unit from the Waiting List, and will only market the Unit to the general public after determining that no applicants from the Waiting List qualify for such Unit. The Waiting List will be kept on file at the Project at all times.

ARTICLE 7 AFFORDABILITY AND OTHER LEASING RESTRICTIONS.

7.1 <u>Term of Leasing Restrictions</u>. Borrower acknowledges and agrees that the covenants and other leasing restrictions set forth in this Article will remain in full force and effect: (a) for the Compliance Term and survive the prior repayment or other satisfaction of the Loan, termination of this Agreement or reconveyance of the Deed of Trust; (b) for any Unit that has been subject to a regulatory agreement with TCAC, for a period ending three (3) years after the date of any transfer of the Project by foreclosure or deed-in-lieu of foreclosure; and (c) with respect to any Unit occupied by a Qualified Tenant at expiration of either the Compliance Term or the 3-year period referred to in **Subsection (b)** above, until the Qualified Tenant voluntarily vacates his/her Unit or is evicted lawfully for just cause. The requirements to comply with the provisions of Internal Revenue Code Section 42, including Section 42(h)(6)(E)(ii), are hereby acknowledged.

7.2 Borrower's Covenant.

(a) Borrower covenants to rent all Units (except one Unit reserved for the manager of the Project) at all times to households certified as Qualified Tenants at initial occupancy, as set forth in **Exhibit A**. In addition, twenty-two (22) Units will be rented to Homeless Households during the period in which the City's Local Operating Subsidy Program is in operation and the City provides the Local Operating Subsidy to the Project, and five (5) Units will be rented to households referred from MOHCD's Plus Housing Program.

(b) A Tenant who is a Qualified Tenant at initial occupancy will not be required to vacate the Unit due to subsequent rises in household income, except as provided in **Section 7.3**. After the over-income Tenant vacates the Unit, the vacant Unit will be rented only to Qualified Tenants as provided in this **Article 7**.

7.3 <u>Rent Restrictions</u>.

(a) Rent charged to each Qualified Tenant may not exceed the amounts set forth in **Exhibit A**, *provided that* Rents may be adjusted annually, subject to the limitations below.

(b) Subject to the Hold Harmless Policy, rents for all Units may be increased once annually up to the maximum monthly rent by unit type as published by MOHCD.

(c) With the City's prior written approval, Rent increases for Units exceeding the amounts permitted under **Section 7.3(b)** may be permitted once annually in order to recover increases in approved Project Expenses, provided that: (i) in no event may single or aggregate increases exceed ten percent (10%) per year unless such an increase is contemplated in a City-approved temporary relocation plan or is necessary due to the expiration of Section 8 or other rental subsidies; and (ii) Rents for each Unit may in no event exceed the maximum Rent permitted under **Section 7.3(a)**. City approval for such Rent increases that are necessary to meet all approved Project Expenses will not be unreasonably withheld.

(d) For any Qualified Tenant participating in a Rent or operating subsidy program where the Rent charged is calculated as a percentage of household income, adjustments to Rent charged may be made according to the rules of the relevant subsidy program. There is no limit on the increase/decrease in Rent charged under this provision, as long as it does not exceed the maximum Rent permitted under **Section 7.3(a)**. There is no limit on the number of Rent adjustments that can be made in a year under this provision.

(e) For any Qualified Tenant that becomes ineligible to continue participating in a rent or operating subsidy program, there is no limit on the increase in Rent charged as long as it does not exceed the maximum Rent permitted under **Section 7.3(a)**.

(f) Unless prohibited under any applicable Laws, including without limitation Section 42 of the Internal Revenue Code of 1986, as amended, if the household income of a Qualified Tenant exceeds the maximum permissible income during occupancy of a Unit, then, upon no less than thirty (30) days' prior written notice to the Tenant or as otherwise required under the Tenant's lease or occupancy agreement, Borrower may adjust the charges for Rent for the previously Qualified Tenant to be equal to thirty percent (30%) of the Tenant's adjusted household income. Rents charged under this provision may exceed the Maximum Rent permitted under **Section 7.3(a**).

7.4 <u>Certification</u>.

(a) As a condition to initial occupancy, each person who desires to be a Qualified Tenant in the Project will be required to sign and deliver to Borrower a certification in the form shown in **Exhibit C** in which the prospective Qualified Tenant certifies that he/she or his/her household qualifies as a Qualified Tenant. In addition, each person will be required to provide any other information, documents or certifications deemed necessary by the City to substantiate the prospective Tenant's income. Certifications provided to and accepted by the SFHA will satisfy this requirement.

(b) Borrower will require each Qualified Tenant in the Project to recertify to Borrower on an annual basis the Qualified Tenant's household income, and in accordance with applicable tax credit requirements.

(c) Income certifications with respect to each Qualified Tenant who resides in a Unit or resided therein during the immediately preceding calendar year will be maintained on

file at Borrower's principal office, and Borrower will file or cause to be filed copies thereof with the City promptly upon request by the City.

7.5 <u>Form of Lease</u>. The form of lease for Tenants will provide for termination of the lease and consent to immediate eviction for failure to: (i) qualify as a Qualified Tenant if the Tenant has made any material misrepresentation in the initial income certification, or (ii) submit to Borrower an annual recertification of income. The initial term of the lease will be for a period of not less than one (1) year. Borrower will not terminate the tenancy or refuse to renew any lease of a Unit except for serious or repeated violation of the terms and conditions of the lease, for violation of applicable Laws or other good cause. Any termination or refusal to renew the lease for a Unit will be preceded by not less than thirty (30) days' written notice to the Tenant specifying the grounds for the action.

7.6 <u>Nondiscrimination</u>. Borrower agrees not to discriminate against or permit discrimination against any person or group of persons because of race, color, creed, national origin, ancestry, age, sex, sexual orientation, disability, gender identity, height, weight, source of income or acquired immune deficiency syndrome (AIDS) or AIDS related condition (ARC) in the operation and use of the Project except to the extent permitted by law or required by any other funding source for the Project. Borrower agrees not to discriminate against or permit discrimination against Tenants using Section 8 certificates or vouchers or assistance through other rental subsidy programs.

7.7 <u>Security Deposits</u>. Security deposits may be required of Tenants only in accordance with applicable state law and this Agreement. Borrower will segregate any security deposits collected from all other funds of the Project in an Account held in trust for the benefit of the Tenants and disbursed in accordance with California law. The balance in the trust Account will at all times equal or exceed the aggregate of all security deposits collected plus accrued interest thereon, less any security deposits returned to Tenants.

ARTICLE 8 MAINTENANCE AND MANAGEMENT OF THE PROJECT.

8.1 Borrower's Responsibilities.

(a) Subject to the rights set forth in **Section 8.2**, Borrower will be specifically and solely responsible for causing all maintenance, repair and management functions performed in connection with the Project, including selection of tenants, recertification of income and household size, evictions, collection of rents, routine and extraordinary repairs and replacement of capital items. Borrower will maintain or cause to be maintained the Project, including the Units and common areas, in a safe and sanitary manner in accordance with local health, building

and housing codes, California Health and Safety Code 17920.10 and the applicable provisions of 24 CFR Part 35.

(b) Borrower will take prudent measures to ensure the security of the Site. Measures may include erecting a fence; covering and securing all openings in any vacant building and hiring security guards, as appropriate for the circumstances.

8.2 <u>Contracting With Management Agent.</u>

(a) Borrower may contract or permit contracting with a management agent for the performance of the services or duties required in **Section 8.1(a)**, subject to the City's prior written approval of both the management agent and, at the City's discretion, the management contract between Borrower and the management agent, *provided, however*, that the arrangement will not relieve Borrower of responsibility for performance of those duties. Any management contract will contain a provision allowing Borrower to terminate the contract without penalty upon no more than thirty (30) days' notice. As of the Agreement Date, the City has approved RA Management, LLC as Borrower's management agent, subject to approval of the management contract.

(b) The City will provide written notice to Borrower of any determination that the contractor performing the functions required in **Section 8.1(a)** has failed to operate and manage the Project in accordance with this Agreement. If the contractor has not cured the failure within a reasonable time period, as determined by the City, Borrower will exercise its right of termination immediately and make immediate arrangements for continuous and continuing performance of the functions required in **Section 8.1(a)**, subject to the City's approval.

8.3 <u>Borrower Management</u>. Borrower may manage the Project itself only with the City's prior written approval. The City will provide written notice to Borrower of any determination that Borrower has failed to operate and manage the Project in accordance with this Agreement, in which case, the City may require Borrower to contract or cause contracting with a management agent to operate the Project, or to make other arrangements the City deems necessary to ensure performance of the functions required in **Section 8.1(a**).

ARTICLE 9 GOVERNMENTAL APPROVALS AND REQUIREMENTS.

9.1 <u>Approvals</u>. Borrower covenants that it has obtained or will obtain in a timely manner and comply with all federal, state and local governmental approvals required by Law to be obtained for the Project. Subject to **Section 17.2**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings.

9.2 <u>Borrower Compliance</u>. Borrower will comply, and where applicable, require its contractors to comply, with all applicable Laws governing the use of Funds for the construction, rehabilitation and/or operation of the Project, including those set forth in **Exhibit E** and **Exhibit L**. Borrower acknowledges that its failure to comply with any of these requirements will constitute an Event of Default under this Agreement. Subject to **Section 17.2**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings.

ARTICLE 10 PROJECT MONITORING, REPORTS, BOOKS AND RECORDS.

10.1 <u>Generally</u>.

(a) Borrower understands and agrees that it will be monitored by the City from time to time to assure compliance with all terms and conditions in this Agreement and all Laws. Borrower acknowledges that the City may also conduct periodic on-site inspections of the Project. Borrower will cooperate with the monitoring by the City and ensure full access to the Project and all information related to the Project as reasonably required by the City.

(b) Borrower will keep and maintain books, records and other documents relating to the receipt and use of all Funds, including all documents evidencing any Project Income and Project Expenses. Borrower will maintain records of all income, expenditures, assets, liabilities, contracts, operations, tenant eligibility and condition of the Project. All financial reports will be prepared and maintained in accordance with GAAP as in effect at the time of performance.

(c) Borrower will provide written notice of the replacement of its executive director, director of housing development, director of property management and/or any equivalent position within thirty (30) days after the effective date of such replacement.

10.2 <u>Monthly Reporting.</u> Borrower will submit monthly reports (the "MOHCD Monthly Project Update") describing progress toward developing the Project with respect to obtaining necessary approvals from other City departments, procuring architects, consultants and contractors, changes in scope, cost or schedule and significant milestones achieved in the past month and expected to be achieved in the coming month. The MOHCD Monthly Project Update will be submitted by email in substantially the form requested by MOHCD until such time as the Project Completion Report is submitted to the City pursuant to **Section 10.5** below.

10.3 <u>Annual Reporting</u>. From and after the Completion Date, Borrower will file with the City annual report forms (the "Annual Monitoring Report") that include audited financial statements with an income and expense statement for the Project covering the applicable reporting period, a statement of balances, deposits and withdrawals from all Accounts, line item statements of Project Expenses, Project Income, Partnership Fees (if any), Residual Receipts and any Distributions made, evidence of required insurance, a description of marketing activities and a rent roll, no later than one hundred fifty (150) days after the end of Borrower's fiscal year. The Annual Monitoring Report will be in substantially the form attached as **Exhibit G** or as later modified during the Compliance Term.

10.4 <u>Capital Needs Assessment</u>. In accordance with the CNA Policy, Borrower will deliver to MOHCD an updated CNA every five (5) years after the Completion Date for approval.

10.5 <u>Project Completion Report</u>. Within the specific time periods set forth below after the completion of rehabilitation or construction, the lease-up and/or permanent financing of the Project, as applicable, Borrower will provide to the City the reports listed below certified by Borrower to be complete and accurate. Subsequent to the required submission of the reports listed below, Borrower will provide to the City information or documents reasonably requested by the City to assist in the City's review and analysis of the submitted reports:

(a) within <u>ninety</u> (90) days after the Completion Date, a draft cost certification (or other similar project audit performed by an independent certified public accountant) identifying the sources and uses of all Project funds including the Funds;

(b) within one hundred-eighty (180) days after the Completion Date, a report on compliance with the applicable requirements under **Section 5.1** of this Agreement, including the type of work and the dollar value of such work; and

(c) within <u>ninety</u> (90) days after the Completion Date, a report demonstrating compliance with all requirements regarding relocation, including the names of all individuals or businesses occupying the Site on the date of the submission of the application for Funds, those moving in after that date, and those occupying the Site upon completion of the Project.

10.6 <u>Response to Inquiries</u>. At the request of the City, its agents, employees or attorneys, Borrower will respond promptly and specifically to questions relating to the income, expenditures, assets, liabilities, contracts, operations and condition of the Project, the status of any mortgage encumbering the Project and any other requested information with respect to Borrower or the Project.

10.7 <u>Delivery of Records</u>. At the request of the City, made through its agents, employees, officers or attorneys, Borrower will provide the City with copies of each of the following documents, certified in writing by Borrower to be complete and accurate:

(a) all tax returns filed with the United States Internal Revenue Service, the California Franchise Tax Board and/or the California State Board of Equalization on behalf of Borrower and any general partner or manager of Borrower;

(b) all certified financial statements of Borrower and, if applicable, its general partner or manager, the accuracy of which will be certified by an auditor satisfactory to the City; and

(c) any other records related to Borrower's ownership structure and the use and occupancy of the Site.

10.8 <u>Access to the Project and Other Project Books and Records</u>. In addition to Borrower's obligations under **Sections 2.4, 10.1, 10.2, 10.3, 10.4, 10.5, 10.6** and **10.7** and any other obligations to provide reports or maintain records in any City Document, Borrower agrees that duly authorized representatives of the City will have: (a) access to the Project throughout the Compliance Term to monitor the progress of work on the Project and compliance by Borrower with the terms of this Agreement; and (b) access to and the right to inspect, copy, audit and examine all books, records and other documents Borrower is required to keep at all reasonable times, following reasonable notice, for the retention period required under **Section 10.9.**

10.9 <u>Records Retention</u>. Borrower will retain all records required for the periods required under applicable Laws.

ARTICLE 11 USE OF INCOME FROM OPERATIONS.

11.1 Project Operating Account.

(a) Borrower will deposit all Project Income promptly after receipt into a segregated depository account (the "Project Operating Account") established exclusively for the Project. Withdrawals from the Project Operating Account may be made only in accordance with the provisions of this Agreement and the approved Annual Operating Budget, as it may be revised from time to time with the City's approval. Borrower may make withdrawals from the Project Operating Account of Project Expenses and Partnership Fees. Withdrawals from the Project Operating Account (including accrued interest) for other purposes may be made only with the City's express prior written approval.

(b) Borrower will keep accurate records indicating the amount of Project Income deposited into and withdrawn from the Project Operating Account and the use of Project Income. Borrower will provide copies of the records to the City upon request.

ARTICLE 12 <u>REQUIRED RESERVES.</u>

12.1 <u>Replacement Reserve Account.</u>

(a) Commencing no later than the Conversion Date, or any other date the City designates in writing, Borrower will establish or cause to be established a segregated interestbearing replacement reserve depository account (the "Replacement Reserve Account"). On or before the 15th day of each month following establishment of the Replacement Reserve Account, Borrower will make monthly deposits from Project Income into the Replacement Reserve Account in the amount necessary to meet the requirements of this Section. The City may review the adequacy of deposits to the Replacement Reserve Account periodically and require adjustments as it deems necessary.

(b) Monthly deposits will equal a minimum of \$500 per Unit per year. After the Project's first five (5) years of operation, Borrower may request adjustments every five (5) years based on its most recently approved CNA.

(c) Borrower may withdraw funds from the Replacement Reserve Account solely to fund capital improvements for the Project, such as replacing or repairing structural elements, furniture, fixtures or equipment of the Project that are reasonably required to preserve the Project. Borrower may not withdraw funds (including any accrued interest) from the Replacement Reserve Account for any other purpose without the City's prior written approval, which approval shall not be unreasonably withheld or conditioned.

12.2 <u>Operating Reserve Account</u>.

(a) Commencing no later than the Conversion Date, or any other date the City designates in writing, Borrower will establish or cause to be established a segregated interestbearing operating reserve depository account (the "Operating Reserve Account") by depositing funds in an amount equal to fifty (50%) of the approved budget for Project Expenses for the first full year of operation of the Project. The City may review the adequacy of deposits to the Operating Reserve Account periodically and require adjustments as it deems necessary.

(b) No less than annually after establishing the Operating Reserve Account and continuing until the Compliance Term has expired, Borrower will make additional deposits, if necessary, to bring the balance in the Operating Reserve Account to an amount equal to twenty-five percent (25%) of the prior year's actual Project Expenses, subject to availability of Project Income.

(c) Borrower may withdraw funds from the Operating Reserve Account solely to alleviate cash shortages resulting from unanticipated and unusually high maintenance expenses, seasonal fluctuations in utility costs, abnormally high vacancies and other expenses that vary seasonally or from month to month in the Project. Borrower may not withdraw funds (including any accrued interest) from the Operating Reserve Account for any other purpose without the City's prior written approval.

ARTICLE 13 **DISTRIBUTIONS**.

13.1 <u>Definition</u>. "Distributions" refers to cash or other benefits received as Project Income from the operation of the Project and available to be distributed to Borrower or any party having a beneficial interest in the Project, but does not include reasonable payments for property management, asset management or other services performed in connection with the Project.

13.2 <u>Conditions to Distributions</u>. The 20-Year Cash Flow Proforma attached hereto as Exhibit B-2 includes projections of annual Distributions. Exhibit B-2 is not intended to impose limits on the amounts to be annually distributed. Distributions for a particular fiscal year may be made only following: (a) City approval of the Annual Monitoring Report submitted for that year; (b) the City's determination that Borrower is not in default under this Agreement or any other agreement entered into with the City and County of San Francisco or the City for the Project; and (c) the City's determination that the amount of the proposed Distribution satisfies the conditions of this Agreement. The City will be deemed to have approved Borrower's written request for approval of a proposed Distribution unless the City delivers its disapproval or request for more information to Borrower within thirty (30) business days after the City's receipt of the request for approval.

13.3 <u>Prohibited Distributions</u>. No Distribution may be made in the following circumstances:

(a) when a written notice of default has been issued by any entity with an equitable or beneficial interest in the Project and the default is not cured within the applicable cure periods; or

(b) when the City determines that Borrower or Borrower's management agent has failed to comply with this Agreement; or

(c) if required debt service on all loans secured by the Project and all operating expenses have not been paid current; or

(d) if the Replacement Reserve Account, Operating Reserve Account or any other reserve account required for the Project is not fully funded under this Agreement; or

(e) if the Loan is to be repaid from Residual Receipts, Borrower failed to make a payment when due on a Payment Date and the sum remains unpaid; or

(f) during the pendency of an uncured Event of Default (including Borrower's failure to provide its own funds at any time the City determines the Loan is out of balance) under any City Document.

13.4 <u>Borrower's Use of Residual Receipts for Development</u>. To the extent that making a Distribution is not inconsistent with any other financing agreement for the Project, and subject

to the limitations in this Article, with the City's prior written approval Borrower may retain a portion of Residual Receipts in lieu of using them to repay the Loan in an amount consistent with the Residual Receipts Policy attached hereto as **Exhibit P**. Borrower acknowledges that the City may withhold its consent to a Distribution in any year in which Residual Receipts are insufficient to meet Borrower's payment obligations under the Note. For so long as HCD's loan is outstanding, the City's share of Residual Receipts available for Payment is the proportional amount between the City's financial assistance amount and HCD's financial assistance amount 43.77% to MOHCD and 56.23% to HCD.

ARTICLE 14 SYNDICATION PROCEEDS.

14.1 <u>Distribution and Use</u>. If Borrower is a limited partnership or limited liability company, and unless otherwise approved by the City in writing, Borrower will allocate, distribute and pay or cause to be allocated, distributed and paid all net syndication proceeds and all loan and grant funds as specified in the Table. Borrower will notify the City of the receipt and disposition of any net syndication proceeds received by Borrower during the term of this Agreement.

ARTICLE 15 DEVELOPER FEES.

15.1 <u>Amount</u>. The City has approved the payment of development fees to the Developer in an amount not to exceed [Six Million Dollars (\$6,000,000] [Three Million Five Hundred Thousand Dollars (\$3,500,000] for developing the Project ("Developer Fees"), subject to the Developer Fee Policy and the terms and conditions set forth in full in the Developer Fee Agreement between the City and Developer.

15.2 <u>Fee Payment Schedule</u>. Developer will receive payment of the Developer Fees pursuant to Section 2(b) of the Developer Fee Agreement.

ARTICLE 16 TRANSFERS.

Permitted Transfers/Consent. Borrower will not cause or permit any voluntary 16.1 transfer, assignment or encumbrance of its interest in the Site or Project or of any ownership interests in Borrower, or lease or permit a sublease on all or any part of the Project, other than: (a) leases, subleases or occupancy agreements to occupants of Units and/or Commercial Space in the Project; or (b) security interests for the benefit of lenders securing loans for the Project as approved by the City on terms and in amounts as approved by City in its reasonable discretion; (c) transfers from Borrower to a limited partnership or limited liability company formed for the tax credit syndication of the Project, where Borrower or an affiliated nonprofit public benefit corporation is the sole general partner, member, or manager of that entity or is the manager or sole member of a limited liability company that is the sole general partner or manager of that entity; (d) transfers of the general partnership or manager's interest in Borrower to a nonprofit public benefit corporation approved in advance by the City; (e) transfers of any limited partnership or membership interest in Borrower to an investor pursuant to the tax credit syndication of the Project and transfers of any limited partner interest in Borrower to affiliates of the Permitted Limited Partner in accordance with the terms of the Partnership Agreement; (f) any transfer by foreclosure or deed in lieu of foreclosure, (g) the grant or exercise of an option agreement or a right of first refusal agreement, between Borrower and Borrower's general partner or manager or any of its affiliates in connection with the tax credit syndication of the Project where such agreement has been previously approved in writing by the City; or (h) to remove or replace the General Partner in accordance with the terms of the Partnership Agreement, a transfer of any general partnership interest to a new general partner approved in advance by the City. Further, City will not unreasonably withhold or delay its approval of the removal or replacement of a General Partner by the Permitted Limited Partner, pursuant to the terms of the Partnership Agreement. Any other transfer, assignment, encumbrance or lease without the City's prior written consent will be voidable and, at the City's election, constitute an Event of Default under this Agreement. The City's consent to any specific assignment, encumbrance, lease or other transfer will not constitute its consent to any subsequent transfer or a waiver of any of the City's rights under this Agreement. For clarity, SFHDC is deemed an affiliate of Borrower.

ARTICLE 17 INSURANCE AND BONDS; INDEMNITY.

17.1 <u>Borrower's Insurance</u>. Subject to approval by the City's Risk Manager of the insurers and policy forms, Borrower will procure and keep in effect, and cause its contractors and subcontractors to obtain and maintain at all times during any work or construction activities on the Property, the insurance and bonds as set forth in **Exhibit L** from the date the Deed of Trust is recorded in the Recorder's Office of San Francisco County until the expiration of the Compliance Term at no expense to the City.

Borrower's Indemnity Obligations. Borrower will indemnify, protect, defend and 17.2 hold harmless each of the Indemnitees from and against any and all Losses arising out of: (a) any default by Borrower in the observance or performance of any of Borrower's obligations under the City Documents (including those covenants set forth in Article 18 below); (b) any failure of any representation by Borrower to be correct in all respects when made; (c) from and after the effective date of the Ground Lease until Borrower is no longer lessee under the Ground Lease, injury or death to persons or damage to property or other loss occurring on or in connection with the Site or the Project, whether caused by the negligence or any other act or omission of Borrower or any other person or by negligent, faulty, inadequate or defective design, building, construction, rehabilitation or maintenance or any other condition or otherwise; (d) from and after the effective date of the Ground Lease until Borrower is no longer lessee under the Ground Lease, any claim of any surety in connection with any bond relating to the construction or rehabilitation of any improvements or offsite improvements; (e) any claim, demand or cause of action, or any action or other proceeding, whether meritorious or not, brought or asserted against any Indemnitee that relates to or arises out of the City Documents, the Loan, the Site, or the Project or any transaction contemplated by, or the relationship between Borrower and the City or any action or inaction by the City under, the City Documents; (f) the occurrence, from and after the effective date of the Ground Lease until Borrower is no longer lessee under the Ground Lease, until the expiration of the Compliance Term, of any Environmental Activity or any failure of Borrower or any other person to comply with all applicable Environmental Laws relating to the Project or the Site; (g) the occurrence, after the Compliance Term, of any Environmental Activity resulting directly or indirectly from any Environmental Activity occurring from and after the effective date of the Ground Lease before

the expiration of the Compliance Term; (h) any liability of any nature arising from Borrower's contest of or relating to the application of any Law, including any contest permitted under **Sections 9.1, 9.2** and **18.2**; or (i) any claim, demand or cause of action, or any investigation, inquiry, order, hearing, action or other proceeding by or before any Governmental Agency, whether meritorious or not, that directly or indirectly relates to, arises from or is based on the occurrence or allegation of any of the matters described in clauses (a) through (h) above, *provided that* no Indemnitee will be entitled to indemnification under this Section for matters caused solely by its own gross negligence or willful misconduct.

Duty to Defend. Borrower acknowledges and agrees that its obligation to defend 17.3 the Indemnitees under Section 17.2: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 17.2, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Borrower by the Indemnitee and continues at all times thereafter. In the event any action or proceeding is brought against an Indemnitee by reason of a claim arising out of any Loss for which Borrower has indemnified the Indemnitees, upon written notice, Borrower will answer and otherwise defend the action or proceeding using counsel approved in writing by the Indemnitee at Borrower's sole expense. Each Indemnitee will have the right, exercised in its sole discretion, but without being required to do so, to defend, adjust, settle or compromise any claim, obligation, debt, demand, suit or judgment against the Indemnitee in connection with the matters covered by this Agreement. The Indemnitee will give Borrower prompt notice of any Loss and Borrower has the right to defend, settle and compromise any such Loss; provided, however, that the Indemnitee has the right to retain its own counsel at the expense of Borrower if representation of such Indemnitee by the counsel retained by Borrower would be inappropriate due to conflicts of interest between such Indemnitee and Borrower. An Indemnitee's failure to notify Borrower promptly of any Loss does not relieve Borrower of any liability to such Indemnity under Section 17.2, unless such failure materially impairs Borrower's ability to defend such Loss. Borrower will seek the Indemnified Party's prior written consent to settle or compromise any Loss if Borrower contends that such Indemnitee shares in liability with respect thereto.

17.4 <u>No Limitation</u>. Borrower's obligations under **Section 17.2** are not limited by the insurance requirements under this Agreement.

17.5 <u>Survival</u>. The provisions of this Section will survive the repayment of the Loan and/or termination of this Agreement.

ARTICLE 18 HAZARDOUS SUBSTANCES.

18.1 <u>Borrower's Representations</u>. Borrower represents and warrants to the City that, to the best of Borrower's actual knowledge, without independent investigation or inquiry as of the Agreement Date, the following statements are true and correct, except as disclosed in the Phase I Environmental Site Assessment prepared by Rambol US Consulting, Inc. dated July 11, 2023, that certain Phase II Environmental Site Assessment prepared by Rambol US Consulting, Inc. dated July 12, 2023, and that certain updated Phase I Environmental Site Assessment prepared

by Ramboll Americas Engineering Solutions, Inc. dated February 4, 2025, or otherwise in writing: a) the Site is not in violation of any Environmental Laws; (b) the Site is not now, nor has it been, used for the manufacture, use, storage, discharge, deposit, transportation or disposal of any Hazardous Substances, except in limited quantities customarily used in residences and offices and in compliance with Environmental Laws; (c) the Site does not consist of any landfill or contain any underground storage tanks; (d) the improvements on the Site do not consist of any asbestos-containing materials or building materials that contain any other Hazardous Substances; (e) no release of any Hazardous Substances in the improvements on the Site has occurred or in, on, under or about the Site; and (f) the Site is not subject to any claim by any Governmental Agency (including the California Department of Toxic Substances Control and the Regional Water Quality Control Board) with respect to the presence of Hazardous Substances in the improvements on the Site or in, on, under or about the Site or in, on, under or about the Site or about the Site or in, on, under or about the Site, or the migration of Hazardous Substances from or to other real property.

18.2 <u>Covenant</u>. Unless the City otherwise consents in writing, at all times from and after the date of this Agreement, at its sole expense, Borrower will: (a) comply with all applicable Environmental Laws relating to the Site and the Project, and not engage in or otherwise permit the occurrence of any Environmental Activity in violation of any applicable Environmental Laws or that is not customary and incidental to the intended use of the Site, *provided that* nothing contained in this Section will prevent Borrower from contesting, in good faith and by appropriate proceedings, any interpretation or application of Environmental Laws; and (b) deliver to the City notice of the discovery by Borrower of any event rendering any representation contained in this Section incorrect in any respect promptly following Borrower's discovery.

18.3 <u>Survival</u>. Borrower and City agree that this Article 18 is intended as City's written request for information (and Borrower's response) concerning the environmental condition of the Site as security as required by California Code of Civil Procedure § 726.5; and each provision in this Article (together with any indemnity applicable to a breach of any such provision) with respect to the environmental condition of the Site as security is intended by City and Borrower to be an "environmental provision" for purposes of California Code of Civil Procedure § 736, and as such it is expressly understood that Borrower's duty to indemnify City hereunder will survive: (a) any judicial or non-judicial foreclosure under the Deed of Trust, or transfer of the Property in lieu thereof, (b) the release and reconveyance or cancellation of the Deed of Trust; and (c) the satisfaction of all of Borrower's obligation under the City Documents.

ARTICLE 19 DEFAULT.

19.1 <u>Event of Default</u>. Any material breach by Borrower of any covenant, agreement, provision or warranty contained in this Agreement or in any of the City Documents that remains uncured upon the expiration of any applicable notice and cure periods contained in any City Document will constitute an "Event of Default," including the following:

(a) Borrower fails to make any payment required under this Agreement within ten (10) days after the date when due; or

(b) Any lien is recorded against all or any part of the Site or the Project without the City's prior written consent, whether prior or subordinate to the lien of the Deed of Trust or Declaration of Restrictions, and the lien is not removed from title or otherwise remedied to the City's satisfaction within thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or

(c) Borrower fails to perform or observe any other term, covenant or agreement contained in any City Document, and the failure continues for thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or

(d) Any representation or warranty made by Borrower in any City Document proves to have been incorrect in any material respect when made; or

(e) All or a substantial or material portion of the improvements on the Site is damaged or destroyed by fire or other casualty, and the City has determined upon restoration or repair that the security of the Deed of Trust has been impaired or that the repair, restoration or replacement of the improvements in accordance with the requirements of the Deed of Trust is not economically practicable or is not completed within two (2) years of the receipt of insurance proceeds; or all or a substantial or material portion of the improvements is condemned, seized or appropriated by any non-City Governmental Agency or subject to any action or other proceeding instituted by any non-City Governmental Agency for any purpose with the result that the improvements cannot be operated for their intended purpose; or

(f) Borrower is dissolved or liquidated or merged with or into any other entity; or, if Borrower is a corporation, partnership, limited liability company or trust, Borrower ceases to exist in its present form and (where applicable) in good standing and duly qualified under the laws of the jurisdiction of formation and California for any period of more than ten (10) days; or, if Borrower is an individual, Borrower dies or becomes incapacitated; or all or substantially all of the assets of Borrower are sold or otherwise transferred except as permitted under **Section 16.1**; or

(g) Without the City's prior written consent, Borrower assigns or attempts to assign any rights or interest under any City Document, whether voluntarily or involuntarily, except as permitted under **Section 16.1**; or

(h) Without the City's prior written consent, Borrower voluntarily or involuntarily assigns or attempts to sell, lease, assign, encumber or otherwise transfer all or any

portion of the ownership interests in Borrower or of its right, title or interest in the Project or the Site except as permitted under **Article 16**; or

(i) Without the City's prior written consent, Borrower transfers, or authorizes the transfer of, funds in any Account required or authorized under this Agreement; or

(j) Either the Deed of Trust or the Declaration of Restrictions ceases to constitute a valid and indefeasible perfected lien on the Site and improvements, subject only to Permitted Exceptions; or

(k) Borrower is subject to an order for relief by the bankruptcy court, or is unable or admits in writing its inability to pay its debts as they mature or makes an assignment for the benefit of creditors; or Borrower applies for or consents to the appointment of any receiver, trustee or similar official for Borrower or for all or any part of its property (or an appointment is made without its consent and the appointment continues undischarged and unstayed for sixty (60) days); or Borrower institutes or consents to any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, dissolution, custodianship, conservatorship, liquidation, rehabilitation or similar proceeding relating to Borrower or to all or any part of its property under the laws of any jurisdiction (or a proceeding is instituted without its consent and continues undismissed and unstayed for more than sixty (60) days); or any judgment, writ, warrant of attachment or execution or similar process is issued or levied against the Site, the improvements or any other property of Borrower and is not released, vacated or fully bonded within sixty (60) days after its issue or levy; or

(1) Any material adverse change occurs in the financial condition or operations of Borrower, such as a loss of services funding or rental subsidies, that has a material adverse impact on the Project, provided that, if the Borrower provides an alternate funding source to cover a loss of funding or rental subsidy that is reasonably satisfactory to the City, a material adverse impact shall not be deemed to have occurred; or

(m) Borrower fails to make any payments or disbursements required to bring the Loan in balance after the City determines that the Loan is out of balance; or

(n) Before a certificate of occupancy or equivalent certification is issued for the Project, Borrower ceases rehabilitation or construction of the Project for a period of twenty five (25) consecutive calendar days, and the cessation is not excused under **Section 19.3**; or

(o) Borrower is in default of its obligations with respect to the Ground Lease or any funding obligation (other than the Loan) for the Project, and the default remains uncured following the expiration of any applicable cure periods; or

(p) Borrower is in default of its obligations under any other agreement entered into with the City and County of San Francisco, and the default remains uncured following the expiration of any applicable cure periods.

19.2 <u>Remedies</u>. During the pendency of an uncured Event of Default, the City may exercise any right or remedy available under this Agreement or any other City Document or at law or in equity. All of the City's rights and remedies following an Event of Default are cumulative, including:

(a) The City at its option may declare the unpaid principal balance of the Note, together with default interest as provided in the Note and any other charges due under the Note and the other City Documents, immediately due and payable without protest, presentment, notice of dishonor, demand or further notice of any kind, all of which Borrower expressly waives.

(b) The City at its option may terminate all commitments to make Disbursements or to release the Site from the Deed of Trust or Declaration of Restrictions, or, without waiving the Event of Default, the City may determine to make further Disbursements or to release all or any part of the Site from the Deed of Trust or Declaration of Restrictions upon terms and conditions satisfactory to the City in its sole discretion.

(c) The City may perform any of Borrower's obligations in any manner, in the City's reasonable discretion.

(d) The City, either directly or through an agent or court-appointed receiver, may take possession of the Project and enter into contracts and take any other action the City deems appropriate to complete or construct all or any part of the improvements, subject to modifications and changes in the Project the City deems appropriate.

(e) The City may apply to any court of competent jurisdiction for specific performance, or an injunction against any violation, of this Agreement or for any other remedies or actions necessary or desirable to correct Borrower's noncompliance with this Agreement.

(f) Upon the occurrence of an Event of Default described in **Section 19.1(k**), the unpaid principal balance of the Note, together with default interest as provided in the Note and any other charges due under the Note and the other City Documents, will become due and payable automatically.

(g) All costs, expenses, charges and advances of the City in exercising its remedies or to protect the Project will be deemed to constitute a portion of the principal balance of the Note, even if it causes the principal balance to exceed the face amount of the Note, unless Borrower reimburses the City within ten (10) days of the City's demand for reimbursement.

19.3 <u>Force Majeure</u>. The occurrence of any of the following events will excuse performance of any obligations of the City or Borrower rendered impossible to perform while the event continues: strikes; lockouts; labor disputes; acts of God; inability to obtain labor, materials or reasonable substitutes for either; governmental restrictions, regulations or controls, including, but not limited to, government health orders related to a pandemic or epidemic; judicial orders; enemy or hostile governmental actions; civil commotion; fire or other casualty and other causes beyond the control of the party obligated to perform. The occurrence of a force majeure event

will excuse Borrower's performance only in the event that Borrower has provided notice to the City within thirty (30) days after the occurrence or commencement of the event or events, and Borrower's performance will be excused for a period ending thirty (30) days after the termination of the event giving rise to the delay.

19.4 <u>City's Recourse</u>. The City's recourse against Borrower following an Event of Default is limited as set forth more specifically in the Note.

ARTICLE 20 REPRESENTATIONS AND WARRANTIES.

20.1 <u>Borrower Representations and Warranties</u>. As a further inducement for the City to enter into this Agreement, Borrower represents and warrants as follows:

(a) The execution, delivery and performance of the City Documents will not contravene or constitute a default under or result in a lien upon assets of Borrower under any applicable Law, any Charter Document of Borrower or any instrument binding upon or affecting Borrower, or any contract, agreement, judgment, order, decree or other instrument binding upon or affecting Borrower.

(b) When duly executed, the City Documents will constitute the legal, valid and binding obligations of Borrower. Borrower hereby waives any defense to the enforcement of the City Documents related to alleged invalidity of the City Documents.

(c) No action, suit or proceeding is pending or, to Borrower's knowledge, threatened that might affect Borrower or the Project adversely in any material respect.

(d) Borrower is not in default under any agreement to which it is a party, including any lease of real property.

(e) None of Borrower, Borrower's principals or Borrower's general contractor has been suspended or debarred by the City, the Department of Industrial Relations, or any Governmental Agency, nor has Borrower, any of its principals or its general contractor has been suspended, disciplined or prohibited from contracting with the City or any Governmental Agency. Further, Borrower certifies that neither it nor any of its principals is listed by the General Services Administration as debarred, suspended, ineligible or voluntarily excluded from receiving the Funds on the Agreement Date. In addition, Borrower will review the list to ensure that any contractor or subcontractor who bids for a contract in excess of \$100,000 is not debarred, suspended, ineligible or voluntarily excluded from participating in federal programs and activities in addition to obtaining the certification of each contractor or subcontractor whose bid is accepted.

(f) The Loan is in balance, and the Funding Amount, together with all other committed sources of financing for the Project, are sufficient to complete the Project in accordance with this Agreement.

(g) All statements and representations made by Borrower in connection with the Loan remain true and correct as of the date of this Agreement.

(h) The Borrower is duly organized and in good standing under applicable laws of the State of California and is qualified to do business in the City and County of San Francisco.

ARTICLE 22 GENERAL PROVISIONS.

22.1 <u>Subordination</u>. The Deed of Trust may be subordinated to other financing secured by and used for development of the Project (in each case, a "**Senior Lien**"), but only if MOHCD determines in its sole discretion that subordination is necessary to secure adequate acquisition, construction, rehabilitation and/or permanent financing to ensure the viability of the Project. Following review and approval by MOHCD and approval as to form by the City Attorney's Office, the Director of MOHCD or his/her successor or designee will be authorized to execute any approved subordination agreement without the necessity of any further action or approval. The Declaration of Restrictions will not be subordinated to any financing secured by and used for the Project.

22.2 <u>No Third Party Beneficiaries</u>. Nothing contained in this Agreement, nor any act of the City, may be interpreted or construed as creating the relationship of third party

beneficiary, limited or general partnership, joint venture, employer and employee, or principal and agent between the City and Borrower or Borrower's agents, employees or contractors.

22.3 <u>No Claims by Third Parties</u>. Nothing contained in this Agreement creates or justifies any claim against the City by any person or entity with respect to the purchase of materials, supplies or equipment, or the furnishing or the performance of any work or services with respect to the Project. Borrower will include this requirement as a provision in any contracts for the development of the Project.

22.4 <u>Entire Agreement</u>. This Agreement and its Exhibits incorporate the terms of all agreements made by the City and Borrower with regard to the subject matter of this Agreement. No alteration or variation of the terms of this Agreement will be valid unless made in writing and signed by the parties hereto. No oral understandings or agreements not incorporated herein will be binding on the City or Borrower.

22.5 <u>City Obligations</u>. The City's sole obligation under this Agreement is limited to providing the Funds as described in this Agreement, up to the Funding Amount. Under no circumstances, including breach of this Agreement, will the City be liable to Borrower for any special or consequential damages arising out of actions or failure to act by the City in connection with any of the City Documents.

Borrower Solely Responsible. Borrower is an independent contractor with the 22.6 right to exercise full control of employment, direction, compensation and discharge of all persons assisting in the performance contemplated under this Agreement. Borrower is solely responsible for: (a) its own acts and those of its agents, employees and contractors and all matters relating to their performance, including compliance with Social Security, withholding and all other Laws governing these matters and requiring that contractors include in each contract that they will be solely responsible for similar matters relating to their employees; (b) any losses or damages incurred by Borrower, any of its contractors or subcontractors and the City and its officers, representatives, agents and employees on account of any act, error or omission of Borrower in the performance of this Agreement or any other City Document and the development and operation of the Project; and (c) all costs and expenses relating to Borrower's performance of obligations under the City Documents, the delivery to the City of documents, information or items under or in connection with any of the City Documents and taxes, fees, costs or other charges payable in connection with the execution, delivery, filing and/or recording of any City Document or document required under any City Document.

22.7 <u>No Inconsistent Agreements</u>. Borrower warrants that it has not executed and will not execute any other agreement(s) with provisions materially contradictory or in opposition to the provisions of this Agreement.

22.8 <u>Inconsistencies in City Documents</u>. In the event of any conflict between the terms of this Agreement and any other City Document, the terms of this Agreement control unless otherwise stated; *provided, however*, that any provision in this Agreement in conflict with any Law will be interpreted subject to that Law.

22.9 <u>Governing Law; Venue</u>. This Agreement is governed by California law and the City's Charter and Municipal Code without regard to its choice of law rules. Any legal suit, action, or proceeding arising out of or relating to this Agreement shall be instituted in the Superior Court for the City and County of San Francisco, and each party agrees to the exclusive jurisdiction of such court in any such suit, action, or proceeding (excluding bankruptcy matters). The parties irrevocably and unconditionally waive any objection to the laying of venue of any suit, action, or proceeding in such court and irrevocably waive and agree not to plead or claim that any suit, action, or proceeding brought in San Francisco Superior Court relating to this Agreement has been brought in an inconvenient forum. The Parties also unconditionally and irrevocably waive any right to remove any such suit, action, or proceeding to Federal Court.

22.10 <u>Joint and Several Liability</u>. If Borrower consists of more than one person or entity, each is jointly and severally liable to the City for the faithful performance of this Agreement.

22.11 <u>Successors</u>. Except as otherwise limited herein, the provisions of this Agreement bind and inure to the benefit of the undersigned parties and their heirs, executors, administrators, legal representatives, successors and assigns. This provision does not relieve Borrower of its obligation under the City Documents to obtain the City's prior written consent to any assignment or other transfer of Borrower's interests in the Loan, the Site or the ownership interests in Borrower.

22.12 Reserved.

22.13 <u>Severability</u>. The invalidity or unenforceability of any one or more provisions of this Agreement will in no way affect any other provision.

22.14 <u>Time</u>. Time is of the essence in this Agreement. Whenever the date on which an action will be performed falls on a Saturday, Sunday or federal holiday, the date for performance will be deemed to be the next succeeding business day.

22.15 <u>Further Assurances</u>. Borrower agrees to: (a) pursue in an effective and continuous manner; (b) use best efforts to achieve; and (c) take all actions reasonably required by the City from time to time to confirm or otherwise carry out the purpose of this Agreement.

22.16 <u>Binding Covenants</u>. The provisions of the City Documents constitute covenants running with the land and will be binding upon Borrower and Borrower's successors and assigns, and all parties having or acquiring any right, title or interest in whatever form, including leasehold interests (other than Tenants and approved commercial tenants), in or to any part of the Property, except that the same will terminate and become void automatically at the expiration of the Compliance Term of this Agreement. Any attempt to transfer any right, title or interest in the Property in violation of these covenants will be void.

22.17 <u>Consent</u>. Except as expressly provided otherwise, whenever consent or approval of a party is required in any City Document, that party agrees not to withhold or delay its consent or approval unreasonably.

22.18 <u>Counterparts</u>. This Agreement may be executed in any number of counterparts, all of which will constitute but one agreement.

22.19 <u>Borrower's Personnel</u>. The Project will be implemented only by competent personnel under the direction and supervision of Borrower.

22.20 <u>Borrower's Board of Directors</u>. Borrower, or Borrower's manager or general partner, or such entity's managing member, as applicable, will at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors will meet regularly and maintain appropriate membership, as established in the bylaws and other governing documents of Borrower, Borrower's manager or Borrower's general partner, or such entity's managing member, as applicable, and will adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Such board of directors will exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Borrower of its obligations under this Agreement.

EXHIBIT A Schedules of Income and Rent Restrictions

1. <u>Income and Rent Restrictions</u>. Maximum rent is 30% of maximum income level. As used in this Agreement, the term "Qualified Tenant" includes each category of Tenant included below:

Unit Size	No. Of Units	Maximum Income Level
PSH LOSP U		
1BR – LOSP	11	50% of Median Income
2BR – LOSP	6	50% of Median Income
3BR – LOSP	5	50% of Median Income
PLUS UNIT	rs - Unsue	BSIDIZED
1BR – PLUS Housing	3	50% of Median Income
2BR – PLUS Housing	2	50% of Median Income
GENERAL AFFORDA	ABLE UNIT	S - UNSUBSIDIZED
Studio	12	60% of Median Income
1BR	7	60% of Median Income
2BR	2	60% of Median Income
3BR	4	60% of Median Income
Studio	3	70% of Median Income
1BR	3	70% of Median Income
2BR	4	70% of Median Income
3BR	4	70% of Median Income
2BR	8	80% of Median Income
3BR	10	80% of Median Income
2BR	1	Manager's Unit
Total	85	

5 Units must be rented at all times to tenants qualifying under MOHCD's Plus Housing Program. If the Plus Housing Program is terminated, discontinued or reduced at no fault of Borrower with respect to the Project, the Plus Housing Program units may be made available to Qualified Tenants whose income does not exceed fifty percent (50%) of Median Income.

22 Units must be made available to the chronically homeless or those at risk of homelessness during the period in which the City's Local Operating Subsidy program is in operation and the City provides such subsidy to the Project under the LOSP Agreement.

If the LOSP is terminated, discontinued or reduced at no fault of Borrower with respect to the Project, then the rent restrictions above may be altered but only to the extent necessary for the Project to remain financially feasible, as determined in City's reasonable discretion, provided that:

(a) Borrower diligently pursues an additional or alternative source of income or subsidy acceptable to the City to replace the rental subsidies.

(b) One hundred percent (100%) of the Units formerly under the LOSP must at all times be occupied by Qualified Tenants whose income does not exceed sixty percent (60%) of Median Income and the monthly rent paid by the Qualified Tenants may not exceed (i) thirty percent (30%) of sixty percent (60%) of Median Income, adjusted for household size, (ii) less utility allowance. The maximum initial occupancy income level restrictions when averaged for all Residential Units in the Project may not exceed sixty percent (60%) of Median Income and subject to any applicable regulatory agreement, restrictive covenant, or other encumbrance. To the extent financially feasible, as mutually determined by the Parties, any such rent increase will be limited to (or will be first implemented with) any vacant units.

If the Project continues to demonstrate financial infeasibility after the rent (c) alterations above, to the extent financially feasible as determined in City's reasonable discretion, the City will waive the average income restriction of sixty percent (60%) of Median Income for all Residential Units, and increase rents to the extent necessary for Project to remain financially feasible (not past TCAC maximums); provided that one hundred percent (100%) of the Units must at all times be occuped by Qualified Tenants whose adjusted income does not exceed eighty percent (80%) of area median income, as published by TCAC (the "TCAC Median Income"), and the monthly rent paid by the Qualified Households may not exceed (a) thirty percent (30%) of eighty percent (80%) of TCAC Median Income (b) less utility allowance. On an annual basis, Borrower will convert to the TCAC Median Income and maximum rent to the corresponding published MOHCD maximum income level and maximum rent level, respectively, and provide MOHCD with supporting documentation. The maximum initial occupancy income level restrictions when averaged for all Residential Units in the Project may not exceed sixty percent (60%) of TCAC Median Income and subject to any applicable regulatory agreement, restrictive covenant, or other encumbrance.

In such event, the City will use good faith efforts to meet with Borrower within fifteen (15) days after Borrower's request to meet. The relief provided by the foregoing will not be construed as authorizing Borrower to exceed any income or rent restriction imposed on the Project by CDLAC, CTCAC, or under any other agreement. Borrower covenants and warrants that it will obtain all necessary approvals or relief from any other applicable income or rent limitations before implementing the relief provided in this paragraph.

[To the extent the Borrower needs to repay the full outstanding loan balance by the Maturity Date, the rent restrictions above may be altered, but only to the extent necessary for the Project to refinance and repay the full outstanding loan balance by the Maturity Date, as determined in City's reasonable discretion. One hundred percent (100%) of the Units will at all times be occupied by Qualified Households whose Adjusted Income does not exceed eighty percent (80%) of Median Income, and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of eighty percent (80%) of Median Income (b) less utility allowance. The maximum initial occupancy income level restrictions when averaged for all Residential Units in the Project may not exceed sixty

percent (60%) of Median Income and subject to any applicable regulatory agreement, restrictive covenant, or other encumbrance. In such event, Borrower will provide the City with a written request no less than one year prior to the Maturity Date, and the City will use good faith efforts to meet with Borrower within fifteen (15) days after Borrower's request to meet. To the extent financially feasible, as mutually determined by the Parties, any such rent increase will be limited to (or will be first implemented with) any vacant units.]

2. <u>Rent and Utilities</u>. The total amount for rent and utilities (with the maximum allowance for utilities determined by the San Francisco Housing Authority) charged to a Qualified Tenant may not exceed the greater of:

(i) thirty percent (30%) of the applicable maximum income level, adjusted for household size; or

(ii) the tenant paid portion of the contract rent as determined by the San Francisco Housing Authority for Qualified Tenants holding Section 8 vouchers or certificates.

Notwithstanding the foregoing, rents may be increased as permitted pursuant to Section 7.3 of the Agreement.

EXHIBIT D

First Source Hiring Requirements and Numerical Goals

Borrower's use of Funds triggers the following hiring requirements imposed by the City's First Source Hiring Ordinance (San Francisco Administrative Code Chapter 83). Borrower will, or will require its general contractor to, separately execute a First Source Hiring Agreement with the City as set forth below, although the lack of such a separate execution will not affect the requirements of Chapter 83 as incorporated herein.

A. <u>Incorporation of Administrative Code Provisions by Reference</u>. The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor will comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement have the meanings assigned to such terms in Chapter 83.

B. <u>First Source Hiring Agreement</u>. On or before the effective date of the Ground Lease, Borrower will, or will require its general contractor to, enter into a first source hiring agreement ("FSH Agreement") with the City, that will include the terms as set forth in Section 83.9(b). Borrower also enter into an FSH Agreement with the City for any other work that it performs in the City.

C. <u>Hiring Decisions</u>. Borrower or its general contractor will make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.

D. <u>Exceptions</u>. Upon application by Contractor, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.

E. <u>Liquidated Damages</u>. Borrower agrees:

1. To be liable to the City for liquidated damages as provided in this Section;

2. To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this Section;

3. That the Borrower's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantity; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result

of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.

4. That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;

5. That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this Section is based on the following data:

a. The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and

b. In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to a contractor and who is hired in an entry level position is at least one year; therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.

6. That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and

7. That in the event the City is the prevailing party in a civil action to recover liquidated damages for breach of a contract provision required by this Chapter, the contractor will be liable for the City's costs and reasonable attorney's fees.

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors will be made by the FSHA.

F. <u>Subcontracts</u>. Any subcontract entered into by Borrower or its general contractor will require the subcontractor to comply with the requirements of Chapter 83 and will contain contractual obligations substantially the same as those set forth in this Section.

<u>EXHIBIT E</u> Governmental Requirements

Prevailing Wages and Working Conditions. Any undefined, initially-1. capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 6.1. Every contract for the rehabilitation or construction of housing assisted with Funds must comply with Chapter I (commencing with Section 1720) of Part 7 of the California Labor Code (pertaining to the payment of prevailing wages and administered by the California Department of Industrial Relations) and contain a provision requiring: (1) the payment of not less than the Prevailing Rate of Wage to all laborers and mechanics employed in the development of any part of the housing, (2) provide the same hours, working conditions and benefits as in each case are provided for similar work performed in San Francisco County, and (3) employ Apprentices in accordance with state law and San Francisco Administrative Code Section 6.22(n), (collectively, "Prevailing Wage Requirements"). The Prevailing Wage Requirements of this Section apply to all laborers and mechanics employed in the development of the Project, including portions other than the assisted Units. Borrower agrees to cooperate with the City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. If applicable, Borrower must include, and require its Contractors and Subcontractors (regardless of tier) to include, the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Chapter 6.

2. <u>Environmental Review</u>. The Project will meet the requirements of the California Environmental Quality Act (Cal. Pub. Res. Code §§ 2100 *et seq.*) and implementing regulations.

3. <u>Conflict of Interest</u>.

Except for approved eligible administrative or personnel costs, no (a) employee, agent, consultant, officer or official of Borrower or the City who exercises or has exercised any function or responsibilities with respect to activities assisted by Funds, in whole or in part, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in or benefit from the activities assisted under this Agreement, or have an interest, direct or indirect, in any contract, subcontract or agreement with respect thereto, or in the proceeds thereunder either for himself/herself or for those with whom he/she has family or business ties, during his/her tenure and for one year thereafter. In order to carry out the purpose of this Section, Borrower will incorporate, or cause to be incorporated, in all contracts, subcontracts and agreements relating to activities assisted under the Agreement, a provision similar to that of this Section. Borrower will be responsible for obtaining compliance with conflict of interest provisions by the parties with whom it contracts and, in the event of a breach, Borrower will take prompt and diligent action to cause the breach to be remedied and compliance to be restored.

(b) Borrower represents that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of the San Francisco Campaign and Governmental Conduct Code, and Sections 1090 through 1097 and 87100 *et seq.* of the California Government Code, all of which relate to prohibited conflicts of interest in connection with government contracts. Borrower certifies that it knows of no facts that constitute a violation of any of these provisions and agrees to notify the City immediately if Borrower at any time obtains knowledge of facts constituting a violation.

(c) In the event of any violation of the conflict of interest prohibitions, Borrower agrees that the City may refuse to consider any future application for funding from Borrower or any entity related to Borrower until the violation has been corrected to the City's satisfaction, in the City's sole discretion.

4. <u>Disability Access</u>. Borrower will comply with all applicable disability access Laws, including the Americans With Disabilities Act (42 U.S.C. §§ 1201 *et seq.*), Section 504 of the Rehabilitation Act (29 U.S.C. § 794) and the Fair Housing Amendments Act (42 U.S.C. §§ 3601 *et seq.*). Borrower is responsible for determining which disability access Laws apply to the Project, including those applicable due to the use of Funds. In addition, before occupancy of the Project, Borrower will provide to the City a written reasonable accommodations policy that indicates how Borrower will respond to requests by disabled individuals for accommodations in Units and common areas of the Project.

5. <u>Lead-Based Paint</u>. Borrower will satisfy the requirements of Chapter 36 of the San Francisco Building Code ("Work Practices for Exterior Lead-Based Paint") and the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§ 4821 *et seq.*) and implementing regulations at 24 CFR part 35. Borrower will also comply with the provisions contained in 17 CCR 350000 *et seq.*, and 8 CCR 1532.1 and all other applicable Laws governing lead-based hazards.

6. <u>Relocation</u>. Borrower will comply with any applicable requirements of the California Relocation Assistance Act (Cal. Gov. Code §§ 7260 *et seq.*) and implementing regulations in Title 25, Chapter 6 of the California Administrative Code and similar Laws.

7. <u>Low-Income Hiring Requirements</u>. The use of Funds triggers compliance with certain hiring requirements imposed by the City's First Source Hiring Ordinance (S.F. Admin. Code Chapter 83). To ensure compliance with those requirements, Borrower must include the provisions attached as **Exhibit D** in its contract with the general contractor for the Project. Borrower will be responsible to the City for ensuring compliance with the requirements listed on **Exhibit D**.

8. <u>Non-Discrimination in City Contracts and Benefits Ordinance</u>.

(a) <u>Borrower Will Not Discriminate</u>. In the performance of this Agreement, Borrower agrees not to discriminate against any employee, City and County employee working with Borrower or any subcontractor, applicant for employment with Borrower or any subcontractor, or against any person seeking accommodations, advantages, facilities, privileges, services or membership in all business, social or other establishments or organizations operated by Borrower on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, height, weight, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) <u>Subcontracts</u>. Borrower will incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code. Borrower's failure to comply with the obligations in this subsection will constitute a material breach of this Agreement.

(c) <u>Non-Discrimination in Benefits</u>. Borrower does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) <u>Condition to Contract</u>. As a condition to this Agreement, Borrower will execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD-12B-101) with supporting documentation and secure the approval of the executed form by the San Francisco Contract Monitoring Division.

(e) <u>Incorporation of Administrative Code Provisions by Reference</u>. The provisions of Chapters 12B ("Nondiscrimination in Contracts") and 12C ("Nondiscrimination in Property Contracts") of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Borrower will comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Borrower understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Borrower and/or deducted from any payments due Borrower.

9. <u>MacBride Principles</u>. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Borrower acknowledges and agrees that he or she has read and understood this Section.

10. <u>Tropical Hardwood & Virgin Redwood Ban</u>. Pursuant to § 804(b) of the San Francisco Environment Code, City urges all grantees and borrowers not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

Preservative-Treated Wood Containing Arsenic. Borrower may not 11. purchase preservative-treated wood products containing arsenic until the Deed of Trust has been fully reconveyed unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" will mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Borrower may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Borrower from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" will mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

12. <u>Submitting False Claims; Monetary Penalties</u>. Any borrower, grantee, contractor, subcontractor or consultant who submits a false claim will be liable to the City for the statutory penalties set forth in that section. A borrower, grantee, contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the borrower, grantee, contractor, subcontractor or consultant:

(a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval;

(b) knowingly makes, uses or causes to be made or used a false record or statement to get a false claim paid or approved by the City;

(c) conspires to defraud the City by getting a false claim allowed or paid by the City;

(d) knowingly makes, uses or causes to be made or used a false record or statement to conceal, avoid or decrease an obligation to pay or transmit money or property to the City; or

(e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

13. <u>Sunshine Ordinance</u>.

(a) Borrower acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals (RFPs) and all other records of communications between City and persons or entities seeking contracts, will be open to inspection immediately after a contract has been awarded. Nothing in such Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Borrower that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request. Further, Borrower specifically agrees that any meeting of the governing body of its general partner/manager that addresses any matter relating to the Project or to Borrower's performance under this Agreement will be conducted as a passive meeting.

(b) By executing this Agreement, Borrower agrees to comply with the provisions of Chapter 12L of the San Francisco Administrative Code to the extent applicable. By executing this Agreement, Borrower agrees to open its meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the San Francisco Administrative Code. Borrower further agrees to make good faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. Borrower acknowledges that its material failure to comply with any of the provisions of this paragraph will constitute a material breach of this Agreement. Borrower further acknowledges that such material breach of the Agreement will be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety.

(c) In accordance with the Citizen's Right to Know Act of 1998 (S. F. Admin. Code Chapter 79), no officer, department, board or commission of the City may approve a City Project, as defined in Chapter 79, unless a sign has been posted on the applicable property at least fifteen (15) days before approval. A City Project is a project that involves new construction, a change in use or a significant expansion of an existing use where the City funding for the project is \$50,000 or more. If the Loan will be used for a City Project, this Agreement will not become effective until fifteen (15) days

following the posting of the requisite sign, or, in the alternative, thirty (30) days following the delivery of written notices to residents and owners within 300 feet of the Site, and the City will have the right to nullify or revoke this Agreement without cost or liability of any sort whatsoever at any time before that date. If Borrower believes that this Agreement relates to a City Project and that the requisite sign has not been posted, Borrower will notify the City so that the City may determine the applicability of Chapter 79, and, if necessary, post the requisite sign.

14. <u>Prohibition on Use of Public Funds for Political Activities.</u> Borrower will comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for this Agreement from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. Borrower is subject to the enforcement and penalty provisions in Chapter 12G.

15. <u>Nondisclosure of Private Information</u>. Borrower has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12.M.2, "Nondisclosure of Private Information", and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Borrower agrees that any failure of Borrower to comply with the requirements of Section 12M.2 of this Chapter will be a material breach of the Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement, bring a false claim action against Borrower pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar Borrower.

16. <u>Graffiti Removal</u>. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti will be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

(a) Borrower will remove all graffiti from any real property owned or leased by Borrower in the City and County of San Francisco within forty eight (48) hours of the earlier of Borrower's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require a Borrower to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" will not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

(b) Any failure of Borrower to comply with this section of this Agreement will constitute an Event of Default of this Agreement.

17. <u>Resource-Efficient Building Ordinance</u>. Borrower acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Chapter 7 relating to resource-efficient City buildings and resource-efficient pilot projects. Borrower hereby agrees it will comply with the applicable provisions of such code sections as such sections may apply to the Property.

18. Consideration of Criminal History in Hiring and Employment Decisions.

(a) Borrower agrees to comply fully with and be bound by all of the provisions of Chapter 12T "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code (Chapter 12T), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Chapter 12T is available on the web at www.sfgov.org/olse/fco. A partial listing of some of Borrower's obligations under Chapter 12T is set forth in this Section. Borrower is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement will have the meanings assigned to such terms in Chapter 12T.

(b) The requirements of Chapter 12T will only apply to a Borrower's or Subcontractor's operations to the extent those operations are in furtherance of the performance of this Agreement, will apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, will apply only when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco, and will not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

(c) Borrower will incorporate by reference in all subcontracts the provisions of Chapter 12T, and will require all subcontractors to comply with such provisions. Borrower's failure to comply with the obligations in this subsection will constitute a material breach of this Agreement.

(d) Borrower or Subcontractor will not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant's or potential applicant for employment, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment

program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

(e) Borrower or Subcontractor will not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection 16.16(d), above. Borrower or Subcontractor will not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

(f) Borrower or Subcontractor will state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment to be performed under this Agreement, that the Borrower or Subcontractor will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

(g) Borrower and Subcontractors will post the notice prepared by the Office of Labor Standards Enforcement (OLSE), available on OLSE's website, in a conspicuous place at every workplace, job site, or other location under the Borrower or Subcontractor's control at which work is being done or will be done in furtherance of the performance of this Agreement. The notice will be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the workplace, job site, or other location at which it is posted.

(h) Borrower understands and agrees that if it fails to comply with the requirements of Chapter 12T, the City will have the right to pursue any rights or remedies available under Chapter 12T, including but not limited to, a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Agreement.

19. Food Service Waste Reduction Requirements. Borrower agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Borrower agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Borrower agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same vear is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount will not be considered a penalty, but rather agreed monetary damages sustained by City because of Borrower's failure to comply with this provision.

20. <u>Bottled Drinking Water</u>. Unless exempt, Borrower agrees to comply fully with and be bound by all of the provisions of the San Francisco Bottled Water Ordinance, as set forth in San Francisco Environment Code Chapter 24, including the administrative fines, remedies, and implementing regulations provided therein, as the same may be amended from time to time. The provisions of Chapter 24 are incorporated herein by reference and made a part of this Agreement as though fully set forth.

Public Power. From and after the effective date of the Ground Lease, 21. Borrower will procure water and sewer service from the City and electricity, telephone, natural gas, and any other utility service from the City or utility companies providing such services, and will pay all connection and use charges imposed in connection with such services. From and after the effective date of the Ground Lease, as between the City and Borrower, Borrower will be responsible for the installation and maintenance of all facilities required in connection with such utility services to the extent not installed or maintained by the City or the utility providing such service. All electricity necessary for operations on the Site will be purchased from the San Francisco Public Utilities Commission ("PUC"), at PUC's standard rates charged to third parties, unless PUC determines, in its sole judgment, that it is not feasible to provide such service to the Premises. PUC is the provider of electric services to City property, and the Interconnection Services Department of SFPUC's Power Enterprise coordinates with Pacific Gas and Electric Company and others to implement this service. To arrange for electric service to the Site, Borrower will contact the Interconnection Services Department in the Power Enterprise of the SFPUC.

22. <u>Local Business Enterprise and Non-Discrimination in Contracting Ordinance</u>. Borrower will comply with the applicable requirements of the Local Business Enterprise Utilization and Non-Discrimination in Contracting Ordinance under Administrative Code Chapter 14B ("LBE Ordinance") and will incorporate such requirements in contracts with any Contractors and Subcontractors.

Tenant Selection Plan Policy

This policy is in addition to the obligations to comply with applicable federal, state and local civil rights laws, including laws pertaining to reasonable accommodation and limited English proficiency (LEP),¹ and the applicable provision of the Violence Against Women Act, Pub. Law 109-62 (January 5, 2006), as amended.

Application Process

- **Application Materials.** MOHCD will provide an application to be used prior to the housing lottery. The housing provider agrees to use this application to determine lottery eligibility. The housing provider's written and/or electronic application materials should:
 - outline the screening criteria that the housing provider will use;
 - be in compliance with San Francisco Police Code Article 49 or the Fair Chance Ordinance,
 - o outline how an applicant may request a modification of the admission process and/or a change in admission policies or practices as a reasonable accommodation;
 - o be written in language that is clear and readily understandable,
- **First Interview**. In accordance with the housing provider policies, an initial interview is required to assess each applicant's minimum eligibility requirements for housing units. All applicants will be offered the opportunity for an interview in lottery rank order.
- **Second Interview**. Before issuing a denial, the housing provider should consider offering a second interview to resolve issues and inconsistencies, gather additional information, and assist as much as possible with a determination to admit the applicant.
- **Confidentiality**. All information provided will be kept confidential and be used only by the housing provider, the referring agency and the funding agency for the purpose of assisting and evaluating the applicant in the admission process. All applicant information will be retained for 12 months after the final applicant interview.
- **Delays in the Process**. If delays have occurred or are likely to occur in the application and screening process or the process exceeds the housing provider's normal timeline for application and screening, the housing provider will immediately inform the referring agency and the funding agency, of the status of the application, the reason for the delay and the anticipated time it will take to complete the application process.

¹See for e.g., Title VIII of the Civil Rights Act of 1968 (Fair Housing Act), 42 U.S.C. §§ 3601, et seq.; 24 C.F.R. - **Problems with the Referring Agency**. If at any point the housing provider has difficulty reaching or getting a response from the applicant and referring agency, the housing provider will immediately contact the referring agency, if possible, and the funding agency, DPH or HSA.
- <u>Limited English Proficiency Policy</u>. Throughout the application process, the housing provider will comply with City policy for language access requirements for applicants with limited English proficiency.

Reasonable Accommodation and Modification Policy

Reasonable Accommodation: The application process should provide information about how an applicant may make a reasonable accommodation request. At any stage in the admission process, an applicant may request a reasonable accommodation, if the applicant has a disability and as a result of the disability needs a modification of the provider's rules, policies or practices, including a change in the way that the housing provider communicates with or provides information to the applicant that would give the applicant an equal chance to be selected by the housing provider to live in the unit.

Reasonable Modification: Applicant may request a reasonable modification if he or she has a disability and as a result of the disability needs:

- a physical change to the room or housing unit that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site;
- a physical change in some other part of the housing site that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site.

Response to Request: The housing provider will respond to a request for reasonable accommodation or modification within ten (10) business days. The response may be to grant, deny, or modify the request, or seek additional information in writing or by a meeting with the applicant. The housing provider will work with the applicant and referring agency to determine if there are ways to accommodate the applicant.

The housing provider will grant the request if the provider determines that:

- the applicant has a disability;
- o reasonable accommodation or modification is necessary because of the disability; and
- the request is reasonable (i.e., does not impose an undue financial or administrative burden or fundamentally alter the nature of the housing program.)

If the reasonable accommodation request is denied, the rejection will explain the reasons in writing. If the denial of the reasonable accommodation request results in the applicant being denied admission to the unit, the provisions of the section on Notice of Denial and Appeal Process apply.

Notice of Denial and Appeal Process

- The housing provider will:
 - Hold a comparable unit for the household during the entire appeal process.
 - promptly send a written and electronic notice (to the addresses provided) to each applicant denied admission with a written and/or electronic copy to the referring agency and the funding agency. The notice should:
 - list all the reasons for the rejection, including the particular conviction or convictions that led to the decision in cases where past criminal offenses were a reason for rejection;
 - explain how the applicant can request an in person appeal to contest the decision;
 - state that an applicant with a disability is entitled to request a reasonable accommodation to participate in the appeal;
 - inform the applicant that he or she is entitled to bring an advocate or attorney to the in person appeal;
 - provide referral information for local legal services and housing rights organizations;
 - describe the evidence that the applicant can present at the appeal;
 - give applicants denied admission a date within which to file the appeal, which will be at least ten (10) business days from the date of the notice;
 - unless an extension is agreed to by the applicant and the housing provider, hold the appeal within ten (10) business days of the request for the appeal;
 - o confine the subject of the appeal to the reason for denial listed in the notice;
 - give the applicant a chance to present documents and/or witnesses showing that he or she will be a suitable tenant;
 - have an impartial supervisor or manager from the housing provider, but who is not the person who made the initial decision or a subordinate of the person who made the initial decision, conduct the appeal;
 - within 5 business days of the in person appeal, provide the applicant with a written decision that states the reason for the decision and the evidence relied upon. A copy of the written decision will be sent (electronically or otherwise) to the referring agency and the funding agency.
- If the rejection is based on a criminal background check obtained from a tenant screening agency, the Fair Chance Ordinance imposes additional notice requirements.

<u>EXHIBIT I</u>

Tenant Screening Criteria Policy

The screening criteria and considerations outlined below encourage providers to "screen in" rather than "screen out" applicants. These requirements are also designed to satisfy the requirements of San Francisco Police Code Article 49, Sections 4901-4920 or the Fair Chance Ordinance. This policy describes a minimum level of leniency; providers are encouraged to adopt less restrictive policies and processes whenever appropriate. For example, providers may opt not to review or consider applicant criminal records at all.

Screening Criteria

- Housing providers will not automatically bar applicants who have a criminal record² in recognition of the fact that past offenses do not necessarily predict future behavior, and many applicants with a criminal record are unlikely to re-offend.
- Housing providers will not consider:
 - o arrests that did not result in convictions, except for an open arrest warrant;
 - convictions that have been expunged or dismissed under Cal. Penal Code § 1203.4 or 1203.4a;³
 - o juvenile adjudications.
- Housing providers will consider:
 - the individual circumstances of each applicant; and
 - the relationship between the offense, and
 - (1) the safety and security of other tenants, staff and/or the property; and
 - (2) mitigating circumstances such as those listed below.
 - only those offenses that occurred in the prior 7 years, except in exceptional situations, which will be documented and justified, such as where the housing provider staff is aware that the applicant engaged in violent criminal activity against staff, residents or community members and/or that the applicant intentionally submitted an application with materially false information regarding criminal activity.
 - mitigating factors, including, but not limited to:
 - (1) the seriousness of the offense;
 - (2) the age and/or circumstances of the applicant at the time of the offense;
 - (3) evidence of rehabilitation, such as employment, participation in a job training program, continuing education, participation in a drug or alcohol treatment program, or letters of support from a parole or probation officer, employer, teacher, social worker, medical professional, or community leader;

² The policy recognizes that some housing may be subject to mandatory laws that require the exclusion of an applicant based upon certain types of criminal activity.

³ The purpose of the statute is allow a petitioner to request a dismissal of the criminal accusations, a change in plea or setting aside of a verdict and to seek to have certain criminal records sealed or expunged and a release "from all penalties and disabilities resulting from the offense."

- (4) if the offense is related to acts of domestic violence committed against the applicant;
- (5) if the offense was related to a person's disability.

Developer Fee Policy

[To be attached]

Mayor's Office of Housing and Community Development Policy on Development Fees For Tax Credit Projects Effective October 16, 2020

This MOHCD Policy on Development Fees for Tax Credit Projects applies to all developments seeking City funding in conjunction with new Tax Credit financing for the current project, including recapitalization projects with existing MOHCD loans. This does not apply to non-Tax Credit projects such as Small Sites Program (SSP) projects, which are subject to the SSP Program Guidelines. It also does not apply to HOPE SF or RAD projects, which are subject to separate developer fee policies.

Developers may include fees in their project budgets according to the terms below.

I. MINIMUM FEES: 5% of total development costs.

II. MAXIMUM FEES: <u>Notwithstanding any other section of this Policy</u>, the maximum Total Fee that may be included in basis is the Tax Credit limit (currently 15% of Eligible Basis) subject to the additional limitations identified below.

A. <u>Total Development Fee</u>

("Total Fee") for different project types are further detailed below, and reflect the sum of the Cash-Out Fee (Base, Additional, and Deferred) and Non Cash-Out Fee (Deferred and General Partner Equity Contribution).

B. Fee Components

1. Cash-Out Fee (Base and Additional)

	9% Project -		
	Maximum	4% Project - Maximum	
Project Type	Cash-Out Fee	Cash-Out Fee	Notes
New Construction	TCAC Maximum	The lesser of TCAC Maximum or \$2,200,000 (Base) + \$10,000 per unit over 100 units (Additional), if additional cash-out requires no additional MOHCD gap funding.	
Newly Acquired and Substantially Rehabilitated (Per unit Hard Cost >= \$75,000)	TCAC Maximum	Same as new construction fee.	-Hard Cost is defined as "Total Construction Costs" summed in the MOHCD Application in cell K37, Tab 4b-PermS&U.
Substantial Rehabilitation (Per unit Hard Cost >=\$75,000) by Existing or Affiliate GP Includes New City Funds or Re-structured City Debt	50% TCAC Maximum	The lesser of TCAC maximum or \$1,100,000 (Base) + \$10,000 per unit over 100 units (Additional), if additional cash-out requires no additional MOHCD gap funding.	-Sponsor may take the allowable fee for Newly Acquired and Rehabilitated projects described above if 1) in the project's original syndication, sponsor did not take the maximum allowable developer fee; or 2) sponsor adds new affordable units to the project.

			-Hard Cost is defined as "Total Construction Costs" summed in the MOHCD Application in cell K37, Tab 4b-PermS&U.
			-Sponsor cash out permissible only per MOHCD Cash Out Acquisition/Rehabilitation, Resyndication, and Refinancing Policy.
Recapitalization, acquisition, or transfer with less than \$75,000 Per unit hard cost capital improvements			-Hard Cost is defined as "Total Construction Costs" summed in the MOHCD Application in cell K37, Tab 4b-PermS&U. -Sponsor cash out permissible only per MOHCD Cash Out Acquisition/Rehabilitation, Resyndication, and Refinancing Policy.
	No Fee	No Fee	

- a. <u>A note about Cash-Out Additional Fee</u>: If Eligible Basis is less than Threshold Basis, projects over 100 units may take up to \$10,000 per unit over 100 as cash-out fee, but only if such cash payment does not require additional gap funding from MOHCD (see MOHCD Application, Tab 8-DevFeeCalc, for calculation).
- <u>Cash-Out Fee (Deferred)</u>: If Eligible Basis is less than Threshold Basis, Developers may include a Cash-Out Deferred Fee component in the Total Fee up to the aggregate of 50% of surplus cash flow taken over the project's first 15 years of operation (after typical payments of base ground rent, the general partner management fee, and investor asset management fee, if applicable). Cash-Out Deferred Fee is shown as both a source and a use of funds in the capital budget. Developers may use industry standard inflators of income and expenses to calculate Cash-Out Deferred Fee.
 - a. Distributions of surplus cash as Deferred Fee are in lieu of (not in addition to) the typical 33.3% distribution of surplus cash to the Sponsor. At Year 15 of operations, or earlier if the Deferred Fee is fully repaid before then, a surplus cash distribution shall commence at 33.3% of surplus cash (after typical payments of base ground rent, the general partner management fee, and investor asset management fee, if applicable).
 - b. For projects supported by the Local Operating Subsidy Program, Cash-Out Deferred Fee must be taken over a minimum time period of 5 years.
- 3. <u>Non-Cash Out Fee (Deferred and General Partner Equity Contribution)</u>: Where Eligible Basis is less than Threshold Basis, Developers should include in Total Fee the maximum amount available for re-contribution as General Partner Equity or as Non-Cash Out Deferred Fee. It is

MOHCD's intent to use Deferred Fee and General Partner Equity Contribution up to 15% of Eligible Basis to reduce MOHCD's overall contribution to projects, so that MOHCD may invest its funds in the most projects possible. MOHCD will work with developers, lenders, and investors to ensure that the developer fee structure meets MOHCD financing goals and feasibility considerations.

4. Commercial Developer Fee is not addressed in this Policy. Please see MOHCD's Commercial Underwriting Guidelines for information regarding development fees associated with Commercial, Community Serving Commercial, and Public Benefit Use spaces.

III. FEE DISTRIBUTION: The Cash-Out Base Fee shall be divided equally between "Project Management Fee" and "At-Risk Fee" (subject to the "At-Risk Fee Adjustment" described below). Any Cash-Out Additional Fee will be distributed as At-Risk Fee. Cash-Out Fees (Base and Additional) shall be distributed according to achievement of certain development milestones, as follows:

0/ - 5 - - -

Example below assumes Base Fee is \$2.2 M and Additional Fee is \$300,000.

*Joint Venture development team partners must split all Fee during the pre-development period 50%-50%. This helps ensure the new or emerging partner has access to Fee upfront to support their participation in the project and their capacity building.

	% of Fee

certification.	30%	\$420,000
TOTAL AT-RISK FEE	100%	\$1,400,000

A. <u>At-Risk Fee Adjustment</u>

When outside funding sources limit the Cash Out Fee to a value less than allowed under this Policy (e.g., California's Department of Housing and Community Development), the Developer may still be paid a maximum of \$1.1M as a Project Management Fee and the At-Risk Fee shall be reduced to bring the total Cash-Out Fee (Base and Additional) in line with the outside funding source cap.

IV. WAIVERS OF THE DEVELOPER FEE POLICY

The Citywide Affordable Housing Loan Committee may approve a waiver or modification of any portion of this Policy for the purpose of assuring project feasibility. All recommendations related to this Policy are subject to the Mayor's approval in his or her sole discretion.

V. CDBG or HOME REQUIREMENTS

If MOHCD uses CDBG or HOME funds to pay the development fee, it is considered "program income", and, should MOHCD request it, the Sponsor must provide a report to MOHCD on its use of developer fees.

Recipients of CDBG administrative funding may not also receive a Project Management Fee for the same project covering the same time period.

VI. POLICY IMPLEMENTATION

This Policy applies to any development that has not received its gap financing commitment or debt restructuring approval from MOHCD by the effective date of the Policy.

Hold Harmless Policy

[To be attached]

London N. Breed Mayor

> Kate Hartley Director

Hold Harmless Policy for MOHCD's Income Limits & Maximum Rents Effective: 5/3/2019 (update to the initial policy that was effective 2/19/2016)

Background

Every year, the United States Department of Housing and Urban Development ("HUD") publishes area median income ("AMI") data for jurisdictions across the United States. The City and County of San Francisco, acting through its Mayor's Office of Housing and Community Development ("MOHCD"), is a part of the San Francisco HUD Metropolitan Fair Market Rent Area ("SF HMFA"), which contains San Francisco, San Mateo and Marin County. MOHCD uses HUD's unadjusted AMI for SF HMFA as opposed to adjusted AMI, which is inflated to reflect high cost factors, to establish the income limits, maximum rents and sales prices that apply to affordable housing projects and programs regulated by MOHCD.

In 2016, MOHCD established a Hold Harmless Policy which stated that in any year when AMI decreased, MOHCD would maintain the income limits, maximum rents and sales prices at the previous year's levels in order to protect the operational integrity of affordable and inclusionary housing developments.

Purpose

This update to the Hold Harmless Policy (this "Policy") adds a limit to annual increases to income limits, maximum rents and sales prices published by MOHCD in order to mitigate the significant financial burden on low- and moderate-income tenants and homebuyers during periods of high escalation of AMI in San Francisco.

This Policy establishes the following:

- Limit annual increases to income limits, maximum rents, and sale prices to a maximum of 4%ⁱ
- Uphold the current policy of maintaining income limits, maximum rents and sales prices at the previous year's levels in years when AMI, as published by HUD, has decreased.

This Policy is intended to limit harm by:

- 1. Protecting tenants from displacement due to annual rent increases that would cause a significant financial burden; and
- 2. Protecting the operational integrity of housing developments so that owners are able to cover operating costs that typically increase annually, even when AMI decreases; and

3. Ensuring that San Francisco's low-, moderate- and middle-income workforce retain access to homeownership opportunities.

Hold Harmless Limits

For the purpose of this Policy:

"**HUD SF AMI**" means the maximum income by household size, maximum rent by unit type, and maximum sales prices as published annually by MOHCD, derived from the median income determined by HUD for the San Francisco area, adjusted solely for household size, but not high housing cost area, also referred to as "Unadjusted Median Income".

"**MOHCD AMI**" means the maximum income by household size, maximum rent by unit type, and maximum sales prices as published annually by MOHCD under this Policy.

"Housing Provider" means any person or entity that owns a multi-family property that is restricted for the purpose of affordable housing and/or subject to MOHCD administration, regulations, or policies.

<u>Limited Increases</u>: Annual increases to MOHCD AMI shall be limited to the <u>lesser of</u>: (1) the percentage amount necessary to adjust MOHCD AMI to match the then-current year's HUD SF AMI, or (2) four percent (4%)ⁱ. This Policy limits year-over-year increases to MOHCD AMI to 4% in periods of high HUD SF AMI escalation, while allowing MOHCD AMI to "catch up" to HUD SF AMI during periods when HUD SF AMI grows slowly, is static, or decreases.

<u>Limited Decreases</u>: This update to the Policy does not eliminate the Hold Harmless Policy adopted in 2016. In years when the MOHCD AMI matches the HUD SF AMI, and the subsequent year's HUD SF AMI decreases, MOHCD will maintain the MOHCD AMI from the previous year. If, in subsequent years, HUD SF AMI decreases again, stays flat, or increases to a level that is still lower than before the initial decrease, MOHCD will maintain its published AMI until such time as the HUD SF AMI increases to a level that is greater than the MOHCD AMI.

The application of this Policy may result in the creation of a calculation of MOHCD AMI that is different than the HUD SF AMI. The below chart demonstrates how this Policy would be applied over a hypothetical 6-year period:

	Base Year	Year 2		Year 3		Year 4		Year 5		Year 6	
	AMI	AMI	% Change								
HUD SF AMI	100.0	108.0	8.0%	107	-0.9%	111	3.9%	109.0	-2.0%	112.5	3.2%
MOHCD AMI	100.0	104.0	4.0%	107	2.9%	111	3.9%	111	0.0%	112.5	1.2%

Utility Allowances

Notwithstanding anything to the contrary in this Policy, it is important to note that a Housing Provider will be required to lower net rents (i.e. tenant-paid rent) as the result of increases in utility allowances in years when the MOHCD AMI matches the HUD SF AMI, and HUD SF AMI has decreased or remained flat. MOHCD AMI establishes the limits for maximum gross rent (aka "Tier 2 rent" under the City's Inclusionary Housing Manual)," which consists of tenant rent plus utility allowance. If HUD SF AMI decreases or remains flat, and therefore MOHCD AMI remain the same as the previous year, an increase in the utility allowance means that the tenant rent would have to be lowered.

Limited Hardship Waiver

MOHCD will consider, in its sole discretion, a waiver of this Policy from a Housing Provider with rental units restricted under contracts (i.e., loan agreement, grant agreement, or other agreement for funding from the City) with MOHCD upon demonstration that: (1) the MOHCD AMI imposes a financial hardship that puts at risk the Housing Provider's ability to cover reasonable operating costs and debt service, (2) existing tenants will not be unreasonably financially burdened by the Housing Provider's proposed rent increases, and (3) the Housing Provider is not in default under any contract with MOHCD. Any waiver from this Policy approved by MOHCD, in its sole discretion, shall apply for only one year. Housing Providers are solely responsible for providing MOHCD with any documentation requested by MOHCD to support a hardship waiver of this Policy.

ⁱ The application of the 4% increase is made on the amount for the 100% AMI level for a 4-person family. MOHCD continues to using rounding to the nearest \$50 on the calculations for all of the other income levels and household sizes. The use of rounding may create nominal differences in the percentage increases for all of the other max income levels and household sizes, as well as for all of the maximum rents.

Insurance Requirements

Subject to approval by the City's Risk Manager of the insurers and policy forms Borrower will obtain and maintain, or caused to be maintained, the insurance and bonds as set forth below from the date of this Agreement or other applicable date set forth below throughout the Compliance Term at no expense to the City:

1. <u>Liability Insurance</u>. Borrower will obtain and maintain, or cause its contractors, subcontractors, property managers and/or agents, as appropriate for each, to obtain and maintain, insurance and bonds as follows:

If the professional liability insurance provided by the architects, engineers, or surveyors is "Claims made" coverage, Borrower will assure that these minimum limits are maintained for no less than three (3) years beyond completion of the constructions or remodeling. Any deductible over Fifty Thousand Dollars (\$50,000) each claim will be reviewed by Risk Management; and

(e) a crime policy or fidelity bond covering Borrower's officers and employees against dishonesty with respect to the Funds of no less than Seventy Five Thousand Dollars (\$75,000) each loss, with any deductible not to exceed Five Thousand Dollars (\$5,000) each loss, including the City as additional obligee or loss payee;

(f) as applicable, pollution liability and/or asbestos pollution liability covering the work being performed with a limit no less than Two Million Dollars (\$2,000,000) per claim or occurrence and Two Million Dollars (\$2,000,000) annual aggregate per policy. This

coverage will be endorsed to include Non-Owned Disposal Site coverage. (iii) Commercial General Liability and Commercial Automobile Liability Insurance policies will provide that such policies are primary insurance to any other insurance available to the "Additional Insureds," with respect to any claims arising out of this Agreement, and that the insurance applies separately to each insured against whom claim is made or suit is brought.

(iv) All policies will be endorsed to provide thirty (30) days' advance written notice to the City of cancellation for any reason, intended non-renewal, or reduction in coverages. Notices will be sent to the City address set forth in **Section 21.1** of the Agreement.

(b) <u>Certificates of Insurance</u>. (c) <u>Waiver of Subrogation – Property Insurance</u>. With respect to any property insurance, Borrower hereby waives all rights of subrogation against the City to the extent of any loss covered by Borrower's insurance, except to the extent subrogation would affect the scope or validity of insurance.

(ii) for all other insurance under this Exhibit L, continuously through the Compliance Term and, without lapse, for a period of no less than three (3) years beyond the expiration of the Compliance Term, to the effect that, if any occurrences during the Compliance Term give rise to claims made after expiration of the Agreement, then those claims will be covered by the claims-made policies.

(e) <u>Additional Requirements</u>.

(i) If any of the required insurance is provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit will be double the occurrence or claims limits specified above.

(iv) Borrower's compliance with the insurance requirements under this Exhibit L will in no way relieve or decrease Borrower's indemnification obligations under this Agreement or any of Borrower's other obligations under this Agreement.

Residual Receipts Policy

[To be attached]

Mayor's Office of Housing and Community Development Residual Receipts Policy Effective April 1, 2016

INTRODUCTION

The Mayor's Office of Housing and Community Development (MOHCD) typically requires annual payments under the Ground Leases and Loans provided for the purpose of developing or preserving affordable housing to the extent that making payments is feasible and does not jeopardize the long-term affordability or maintenance of safe and secure housing for its residents. Payments may be required under one or a combination of several structures, including amortization, deferral, or payment from residual receipts, depending on the circumstances.

When a development financed by MOHCD is projected to enjoy more income than is needed to pay expenses, service other debt, fully fund its reserves, and make approved payments out of surplus, it is MOHCD's policy that a portion of the remaining "residual" income be directed toward repayment of MOHCD's investment.

MOHCD also permits a modest portion of "residual" income to be distributed by the borrower. Distribution of any portion of "residual receipts" is conditioned on MOHCD's annual determination that certain performance standards and benchmarks have been met.

I. Definition of Residual Receipts	As depicted in the approved MOHCD Operating Budget Proforma for each project, the amount remaining in the annual operating budget after calculation of Net Operating Income (Project Income less Project Expenses) and allowable payments of surplus.
II. Annual Residual Receipts Payments Due to MOHCD	Generally, 2/3 ^{rds} of residual receipts is payable to the City. Larger Tax Credit projects may be eligible to use an alternative ½ - ½ split for up the first 10 years of a new tax credit period, see the Developer Fee Policy for more details.
III. When more than one MOHCD contract requires residual payments	The approved MOHCD Operating Budget Proforma is a required exhibit to the last-executed MOHCD contract and must reflect a comprehensive summary of approved cash flow waterfall, listing of all lenders, relative lien positions, underlying loan terms and amounts owed to MOHCD annually across all MOHCD contracts.
IV. When a project has other Lenders in addition to MOHCD that require residual payments	The portion to be repaid to each Lender is typically determined by the proportional amount of capital funded under each loan. The approved MOHCD Operating Budget Proforma must include a list of all loans and details about projected amounts owed annually, including how the portion of residual receipts to be paid to each lender will be calculated, if not based on a proportional amount.
V. Conditions to Distribution of Residual Receipts to Borrower	Distribution of Residual Receipts may be made only upon: (1) MOHCD approval of Annual Monitoring Report; (2) determination by MOHCD that borrower is not in default; and (3) approval by MOHCD of amount of

Waiver Option				

I. Definition of Residual Receipts

- A. Residual Receipts is the amount remaining in the annual operating budget after calculation of Net Operating Income (Project Income less Project Expenses) and allowable payments from surplus.
- B. The project-specific Funding Agreements and/or Ground Leases define what Project Income entails and which Project Expenses are allowable. In general, the definition of allowable Project Expenses will include mandatory or "hard" debt service payments, minimum or Base Rent owed under a Ground or Land lease, and required annual payments into Reserve accounts. Each MOHCD contract will include a copy of the approved Operating Budget Proforma.
- C. When MOHCD requires repayments from Residual Receipts, the formula usually requires payment of a portion of the available Residual Receipts. The use of a proportional formula makes it is essential to clearly define which uses of surplus cash have been approved for payment prior to the calculation of the amount owed to MOHCD.
- D. The approved uses of any available surplus may also be referred to as the cash flow waterfall. The approved MOHCD Operating Budget Proforma is used to document the approved cash flow waterfall. In general, the following expenses may be a part of a cash flow waterfall:
 - 1. Fees payable to the project, the GP, the LP or the parent entity
 - 2. Fees payable to project funders
 - 3. "Soft" debt repayments to lenders / lessors

Please see the City's Developer Fee Policy and Operating Fees Policy for a list of allowable fees and any applicable limits.

E. Limited Partnership Agreements may also provide a narrative summary of the cash flow waterfall. In the event that a Limited Partnership Agreements is found to be inconsistent with the MOHCD Funding Agreement and/or the approved MOHCD Operating Budget Proforma, the MOHCD documents shall control.

II. Annual Residual Receipts Payments due under MOHCD Ground Leases & Loans

Except as recommended by the Loan Committee and approved by the Mayor on a project by project basis, the portion to be paid to the City shall be 2/3^{rds} of Residual Receipts. Larger Tax Credit projects may be eligible to use an alternative ½ - ½ split for up the first 10 years of a new tax credit period and the borrower's portion of Residual Receipts shall be considered payment of Deferred Developer Fee. See the Developer Fee Policy for more details.

Any residual receipts payments shall be applied toward the unpaid balance of MOHCD loan/s according to the terms in the Promissory Note and/or Funding Agreement, and toward the payments required under the MOHCD Ground Lease.

III. When more than one MOHCD contract requires residual payments:

Some projects supported by MOHCD may be governed by more than one MOHCD contract. The MOHCD Operating Budget Proforma provides a comprehensive summary of the approved cash flow waterfall, a listing of all lenders, the relative position of each lien, the amounts owed and the relevant repayment terms, and will also reflect the cumulative amount of repayments owed to MOHCD annually across all MOHCD contracts. Projects governed by more than one MOHCD contract that extend or initiate a MOHCD contract after the effective date of this policy will be required to get approval of a new MOHCD Operating Budget Proforma.

IV. When a project has other Lenders in addition to MOHCD that require residual payments

- A. If any other project lenders besides MOHCD require repayment from residual receipts, the portion to be repaid to each Lender will typically be determined by the proportional amount of capital supplied under each loan. For example, if a project received a \$2 million loan from MOHCD and a \$3 million loan from another lender, MOHCD would receive 2/5^{ths} of the amount available to be repaid, and the other lender would receive 3/5^{ths} of the amount available to be repaid. The approved MOHCD Operating Budget Proforma must include a list of all Loans and provide an appropriate amount of detail about the projected amounts owed annually including details about how the portions to be paid to each lender will be calculated. If a project makes an agreement with any other lender/s after executing a MOHCD contract containing the final MOHCD-approved Operating Budget Proforma, prior to making any payments to such other lender/s, the project must request and be approved in writing to amend the MOHCD-approved Operating Budget Proforma to include the new lender/s.
- B. During operations, MOHCD will require Residual Receipts payments using MOHCD's method of calculating surplus and any amounts owed to the MOHCD. If there is a difference in the amount calculated to be owed to any other lenders under another lender's repayment calculation method when compared to MOHCD method, then each lender will be paid according to its calculation, so long as doing so would not result in a reduction in the amount payable to MOHCD.

V. Conditions to Distribution of Residual Receipts to Borrower

- A. Distribution of Residual Receipts to the borrower of a MOHCD loan, or lessee of a MOHCD ground lease, may be made only upon:
 - 1. MOHCD approval of the Annual Monitoring Report submitted for that year; and
 - 2. Determination by MOHCD that the borrower is not in default under terms of the Loan; and

- 3. Approval by MOHCD of the amount to be distributed.
- B. No distribution of Residual Receipts shall be made under any of the following circumstances:
 - 1. When a written notice of default has been issued by any lender or investor and such default has not been cured; or
 - 2. When the City determines that the borrower or the borrower's management agent has failed to maintain the housing and its surroundings in a safe and sanitary manner in accordance with local health, building, and housing codes; or
 - 3. If any operating expense, including debt service on non-City loans remains unpaid; or
 - 4. If any required reserve account is not fully funded according to the terms of the MOHCD contract/s; or
 - 5. In the event of any other material failure to comply with the provisions of the MOHCD contract/s.

VI. Use of Residual Receipts Distributed to the Borrower

MOHCD strongly encourages borrowers to use the portion of Residual Receipts that is not applied toward repayment of MOHCD's loan or payment of residual rent under a MOHCD ground lease for activities in San Francisco that would be eligible uses under the CDBG Program Income rules (except to the extent that those rules may prohibit the use of funds for new construction).

VII. Uses of Project Income for Services and other Extraordinary Costs Associated with the Project

- A. With the exception of Residual Receipts retained by a borrower pursuant to this policy, any other use of the income derived from housing developed or preserved with MOHCD financing apart from ordinary and routine operating expenses, debt service or required reserves must be approved by the Loan Committee and the Mayor at the time MOHCD financing is committed and approved.
- B. The Loan Committee may approve variations of this policy on a project-specific basis, including the payment of costs associated with the provision of social, educational, vocational, counseling or other supportive services to residents either as a project expense or out of that portion of Residual Receipts that would otherwise be repaid to the City.
