Supervisor Aaron Peskin, Rules Committee Chair:

I am writing representing C5 Children's School and as CPAC Chair to support the candidates put forth jointly by the CPAC Policy & Leg Committee and SF ECE Advocacy Coalition as follows:

- Seat 6, Pat Sullivan**, as a Family Child Care Owner/Operator/Educator, FCCA of SF president, ECESF co-chair, and reappointment to the CAC
- Seat 7, Monica Walters**, as ED of Wu Yee Children's Services, a community based ECE provider
- Seat 8, Gina Fromer** as ED of Children's Council, a Resource & Referral Agency for both family and ECE program provider supports
- Seat 9, Sara Hicks-Kilday** as the elected representative of CPAC, and Director of ECE of SF, dedicated to bringing the priorities of early care educators into policy and program development.

We appreciate the resolution approved by the Board of Supervisors on 3/16 ensuring that the Commercial Tax for Early Care and Education dollars and other city funds have strengthened community oversight. OECE CAC needs applicants who are able to jump into community and department planning already underway as well as represent diverse San Francisco families and early care and education delivery systems. The candidates put forward by the joint committee fill this need.

Thank you,
-- Bev

To Supervisor Aaron Peskin, Rules Committee Chair:

My name is Anna Wolde-Yohannes and I am a resident of District 2. I am writing to support the candidates representing Early Care Educators working in sites throughout San Francisco:

- **Seat 6, Pat Sullivan**, as a Family Child Care Owner/Operator/Educator, FCCA of SF president, ECESF co-chair, and reappointment to the CAC
- **Seat 9, Sara Hicks-Kilday** as the elected representative of CPAC, and Director of ECE of SF, dedicated to bringing the priorities of early care educators into policy and program development.

I appreciate the resolution approved by the Board of Supervisors on 3/16 ensuring that the Commercial Tax for Early Care and Education dollars and other ECE funds have strengthened community oversight. OECE CAC needs candidates who are able to jump into community and department planning already underway as well as represent diverse San Francisco families and early care and education delivery systems. Both Pat Sullivan and Sara Hicks-Kilday are active in our educator community and deep listeners to educator priorities. They will well represent the interests and expertise of those working directly with children and families providing early care and education on the OECE CAC.

Thank you,

Anna Wolde-Yohannes
District 2

***Good morning Chair Peskin and Supervisors Mandelman and Chan.
Thank you for this time to write on behalf of candidates for the OECE CAC. I am requesting your support candidates who know educator experiences and will be in regular contact with educators—Pat Sullivan representing FCCs in Seat #6; and Sara Hicks-Kilday for Seat 9, as the elected CPAC representative. They will bring not just their own perspective, but input informed by their regular communications with broad groups of educators, both Family Child Care and center educators, as well as active participants in CPAC. Sara Hicks-Kilday was elected to the CPAC positions over a year ago—and will be an excellent voice for the ECE community. Pat Sullivan comes with years of family childcare practice and leads the Family Child Care Association.
I appreciate your time and consideration.***
