### **ARTICLE XIII:**

### **STANDARD OF CARE FOR CITY SHELTERS**

#### **SEC. 20.401. DEFINITIONS.**

For the purposes of this ~~Chapter~~ Article XIII, the following definitions shall apply to the terms used herein.

"Case management services" means those services offered to shelter clients by people with the title of "case manager," or with equivalent job duties customarily associated

1 with that title, that include, but are not limited to, referrals to housing, public benefits, and  
2 behavioral health, medical, and other social services.

3 “City” means the City and County of San Francisco department that contracts for  
4 services at a particular shelter.

5 “Director” means the head of the department that contracts for services at a particular  
6 shelter, or their designee.

7 “Family Shelter” means a Shelter that provides temporary emergency shelter services for  
8 households consisting of at least one adult and one minor, or one pregnant person.

9 “Program manager” means the City employee who monitors the shelter provider’s  
10 compliance with the contract for shelter services.

11 “Shelter” means a facility, including a resource center, operating under a contract  
12 with the City, to provide temporary emergency shelter services for single adults or families  
13 experiencing homelessness.

14 “Shelter provider” means the contracted nonprofit provider of a shelter.

15  
16 **SEC. 20.404.5. FAMILY SHELTER CONTRACT REQUIREMENTS.**

17 (a) All contracts and grants between the City and Family Shelter providers shall include a  
18 provision that requires Family Shelter providers to allow eligible families to remain in shelter for a  
19 continuous period of not less than one year, so long as all members of the household remain eligible  
20 and comply with all applicable shelter rules. This provision shall be included in contracts or grants  
21 executed or amended after the effective date of the ordinance in File No. \_\_\_\_\_.

22 (b) This Section 20.404.5 is intended to have prospective effect only, and shall not be  
23 interpreted to impair the obligations of any contract or grant existing on the effective date of the  
24 ordinance.

1           (c) The requirement in subsection (a) of this Section 20.404.5 shall not apply where  
2 inclusion of the one-year shelter stay minimum would be inconsistent with any requirements of the  
3 source of funding for the City's contract or grant with the Family Shelter provider.

4           (d) The requirement in subsection (a) of this Section 20.404.5 shall not confer any tenancy  
5 rights under State law or the San Francisco Rent Ordinance (Administrative Code, Chapter 37).

6  
7           Section 2. Effective Date. This ordinance shall become effective 30 days after

## **LEGISLATIVE DIGEST**

[Administrative Code - Family Shelter Stay Policy]

**Ordinance amending the Administrative Code to amend the City's Standard of Care for City Shelters to require City-funded family shelters to allow eligible families to remain in shelter for a continuous term of not less than one year, subject to the household's continued eligibility and compliance with shelter policies.**

### **Existing Law**

Article XIII of the Administrative Code codifies the Shelter Standard of Care for City Shelters, which establishes contractual requirements that apply to all shelter providers in San Francisco. Currently, the Standard of Care does not address the duration of a resident's stay in a family shelter.

### **Amendments to Current Law**

The proposed ordinance would amend the Shelter Standard of Care to require that all contracts and grants between the City and Family Shelter providers include a provision that requires Family Shelter providers to allow eligible families to remain in shelters for a continuous period of no less than one year, as long as the family otherwise remains eligible and complies with shelter rules.
