19 WHEREAS, Limited access to financial services is a problem that disproportionately  
20 impacts low-income communities and communities of color, with nearly half of Black and

7 by creating a stable, accessible financial services platform with the BankCal program; and

8           WHEREAS, BankCal builds on the success of California’s other financial programs,  
9 CalSavers and CalKids, and would allow all Californians, no matter how much money they
