Subject: Mid-Market/TL CAC Seat 6 Application

Greetings,

I am applying for Seat 6 of the Mid-Market/TL CAC. I live and work at Faithful Fools Street Ministry on Hyde St. We are non-profit dedicated to creating a strong community and creating relationships among people who might not otherwise meet. One of my primary roles is to engage in community advocacy. In that role, I have engaged with issues surrounding housing, homeless services, and displacement.

I have been attending the Mid-Market/TL CAC for nearly two years, getting to know members of the CAC, the Tech Liaisons, and others engaged with issues related to rapid economic development in these neighborhoods. I see the work of the CAC as providing a forum for engaging community, business, and civic interests in the difficult and often conflicted discussions of how displacement and development should be addressed. While there is no one party to blame for distress that comes with development, there is a profound need for civil and productive discussion of the issues.

The CBA process has had it's difficult moments, but out of that process has come a deeper understanding of what the community needs, on the one hand, and what the CBA companies can reasonably commit to, on the other hand. It is my wish to participate, with the other committee members, in continuing to foster a productive process.

Thank you for considering my application.

Supervisor Avalos, this email is in support of Sam Dennison with Faithful Fools for one of the vacant seats on the Central Market/Tenderloin CAC. Sam both lives and works in the Tenderloin, giving her the benefit of two separate perspectives of our neighborhood and its needs. I have worked with Sam on various civic & neighborhood organizations/efforts for almost two years, and found her to be a tremendous resource for the TL. She has outstanding communication skills and extensive experience building relationships and fostering communication among people with divergent interests.

Having worked alongside Sam on Market Street for the Masses Coalition efforts, I can personally attest to her dedication and leadership in working with the tech companies to build a stronger neighborhood & city.

I can think of no one more qualified and better suited to serve on the CAC.

Thank you for your consideration.

Dear Supervisor Avalos,

I write in support of Sam Dennison for membership on the Community Affairs Council.

I work closely with Sam at the Faithful Fools and the Institute for Street Level Learning, and I know her to be a strong, smart partner in her many endeavors. She is a community builder who works intentionally to build relationships and bring people together across divergent interests. She not only works in the Tenderloin, but she also lives here, which gives her a powerful interest in working with her neighbors toward common goals, and building a thriving, supportive community for people of all income levels and backgrounds. She has good communications skills that support that work. She has built relationships with business owners and police in the neighborhood, and she will be an asset on the CAC.

Sincerely,

Hello John,

Next week in the Rules Committee you'll be considering constituents of the Central Market/Tenderloin CAC.

Please support Sam Dennison in this role.

Having worked with her closely in the Tenderloin I know her to be a person of integrity, diligence and devotion to making certain that "the least of us" have a seat at the table.

Sam has strong respect among community-based organizations, technology companies and small businesses based on her work in the Institute for Street Level Learning and with the Faithful Fools.

She is a leader in Market Street for the Masses and encourages everyone she works with through her compassion and sense of humor.

Sam is the type of leader who can add the secret sauce to a team and help it function better. We need her, I hope you'll support her with your vote.

Thanks for all you do!

Hello Mr. John Avalos,

I am writing to express support for Sam Dennison in her application to be on the Citizen's Advisory Committee for the Central Market and Tenderloin areas.

I have worked with Sam on many community efforts. She lives AND works in the Tenderloin and can represent many different groups of people. I believe she has a nuanced analysis of the issues we are facing and will especially stand with marginalized folks.

She also is great at bringing people together through difference and I know she has good relationships with tech company liaisons. She has opened up dialogue in an honest and respectful way with business owners and police in our neighborhood.

I would love to see Sam on the CAC.

Thank you!

I have been participated in Tenderloin activities pertaining to children, teens, adults and especially seniors since I came to San Francisco after Hurricane Katrina. After being homeless with my grandson and then by myself, I have experiences that are common to many people in my community. Good Morning Lisa,

I spoke with Ms. Evans yesterday, and she now understands that each CMTA CAC seat seeks a specific experience and that seat #9 is for someone with commercial real estate experience. Ms. Evans withdraws her application for the seat, but would like to have her application kept on file in case an opportunity occurs where she is eligible.

I will contact Ms. Evans today to see if she can contact you, however in the event that she doesn't, please accept this notification that she has withdrawn her application for seat #9.
