**RE:** **Retroactivity re: File 241215:** Accept and Expend Grant - Retroactive - California Department of Health Care Service - Heluna Health - SFDPH BHS CYF Proposed Approach for Implementing MATCH - \$750,000

---

This Resolution seeks authorization for the San Francisco Department of Public Health (SFDPH) to retroactively accept and expend funds in the amount of \$750,000 from the California Department of Health Care Service via Heluna Health.

This grant accept and expend is retroactive because DPH received the notice of award on the first day of the grant term. DPH received notice of the award on October 4, 2024, for the pre-determined project start date of October 4, 2024. Upon receiving the notice of award, DPH put together the accept and expend packet and forwarded it to the Controller's Office for review on November 25, 2024. The Controller's Office approved the accept and expend packet and forwarded it to the Mayor's Office on December 11, 2024, for introduction on December 17, 2024. We respectfully request retroactive authorization for this item.

Please contact Christina Chiong, SFDPH Accept & Expend Unit Manager, at [christina.chiong@sfdph.org](mailto:christina.chiong@sfdph.org) for any questions about this request for retroactive authorization.
