General email Board Of Suervisors,

Supervisors,

I support Supervisors Mandelman and Engardio's ordinance appropriating \$199,286 for three new positions in the Office of the District Attorney to address open-air drug dealing in Fiscal Year (FY) 2022-2023.

Long-awaited cooperation between our Mayor, District Attorney, and the Police Chief has resulted in significant progress in arresting drug dealers that prey on our most vulnerable San Franciscans.

Arraignments for felony narcotic sales have nearly doubled for the second half of 2022 compared to the second half of 2021.

Our District Attorney's Office requires this small amount of additional funding to prosecute this nearly doubling of cases and we strongly urge the Board of Supervisors to authorize these additional funds.

Long-awaited cooperation between our Mayor, District Attorney, and the Police Chief has resulted in significant progress in arresting drug dealers that prey on our most vulnerable San Franciscans.

Arraignments for felony narcotic sales have nearly doubled for the second half of 22 compared to the second half of 21.

Our District Attorney's Office requires this small amount of additional funding to prosecute this nearly doubling of cases and we strongly urge the Board of Supervisors to authorize these additional funds.

Thank you.

**I support Supervisors Mandelman and Engardio's ordinance appropriating \$199,286 of General Fund General Reserves for the DA's office.**

Message to the Board of Supervisors      Dear Supervisors,

I support Supervisors Mandelman and Engardio's ordinance appropriating \$199,286 of General Fund General Reserves for three new positions in the Office of the District Attorney to address open-air drug dealing in Fiscal Year (FY) 2022-2023.

Long-awaited cooperation between our Mayor, District Attorney, and the Police Chief has resulted in significant progress in arresting drug dealers that prey on our most vulnerable San Franciscans.

Arraignments for felony narcotic sales have nearly doubled for the second half of 22 compared to the second half of 21.

Our District Attorney's Office requires this small amount of additional funding to prosecute this nearly doubling of cases and we strongly urge the Board of Supervisors to authorize these additional funds.

Thank you.

**I support Supervisors Mandelman and Engardio's ordinance appropriating \$199,286 of General Fund General Reserves for the DA's office.**

Message to the Board of Supervisors      Dear Supervisors,

I support Supervisors Mandelman and Engardio's ordinance appropriating \$199,286 of General Fund General Reserves for three new positions in the Office of the District Attorney to address open-air drug dealing in Fiscal Year (FY) 2022-2023.

Long-awaited cooperation between our Mayor, District Attorney, and the Police Chief has resulted in significant progress in arresting drug dealers that prey on our most vulnerable San Franciscans.

Arraignments for felony narcotic sales have nearly doubled for the second half of 22 compared to the second half of 21.

Our District Attorney's Office requires this small amount of additional funding to prosecute this nearly doubling of cases and we strongly urge the Board of Supervisors to authorize these additional funds.

Thank you.

Message to the Board of Supervisors      Dear Supervisors,

I support Supervisors Mandelman and Engardio's ordinance appropriating \$199,286 of General Fund General Reserves for three new positions in the Office of the District Attorney to address open-air drug dealing in Fiscal Year (FY) 2022-2023.

Long-awaited cooperation between our Mayor, District Attorney, and the Police Chief has resulted in significant progress in arresting drug dealers that prey on our most vulnerable San Franciscans.

Arraignments for felony narcotic sales have nearly doubled for the second half of 22 compared to the second half of 21.

Our District Attorney's Office requires this small amount of additional funding to prosecute this nearly doubling of cases and we strongly urge the Board of Supervisors to authorize these additional funds.

Thank you.

Message to the Board of Supervisors      Dear Supervisors,

I support Supervisors Mandelman and Engardio's ordinance appropriating \$199,286 of General Fund General Reserves for three new positions in the Office of the District Attorney to address open-air drug dealing in Fiscal Year (FY) 2022-2023.

Long-awaited cooperation between our Mayor, District Attorney, and the Police Chief has resulted in significant progress in arresting drug dealers that prey on our most vulnerable San Franciscans.

Arraignments for felony narcotic sales have nearly doubled for the second half of 22 compared to the second half of 21.

Our District Attorney's Office requires this small amount of additional funding to prosecute this nearly doubling of cases and we strongly urge the Board of Supervisors to authorize these additional funds.

Thank you.

Message to the Board of Supervisors

Dear Supervisors,

I support the Mayor's Budget Supplemental for SFPD.

The SFPD Budget Supplemental will provide \$27 million of immediate funding to the SF Police Department to maintain overtime police hours.

This allows SFPD to continue to staff its efforts to continue to meet current levels of service, disrupt drug dealing in the Tenderloin and continue neighborhood patrols.

If it does not pass by the end of March, SFPD will have to immediately cut 10-15% of police hours and this is unacceptable.

Increasing SFPD officer overtime as a short term remedy to our current shortage of SFPD officers is a responsible and urgently needed measure to keep San Franciscans safe.

Thank you.

Message to the Board of Supervisors

Dear Supervisors,

I support Supervisors Mandelman and Engardio's ordinance appropriating \$199,286 of General Fund General Reserves for three new positions in the Office of the District Attorney to address open-air drug dealing in Fiscal Year (FY) 2022-2023.

Long-awaited cooperation between our Mayor, District Attorney, and the Police Chief has resulted in significant progress in arresting drug dealers that prey on our most vulnerable San Franciscans.

Arraignments for felony narcotic sales have nearly doubled for the second half of 22 compared to the second half of 21.

Our District Attorney's Office requires this small amount of additional funding to prosecute this nearly doubling of cases and we strongly urge the Board of Supervisors to authorize these additional funds.

Thank you.

Thank you.

SAVE OUR CITY. IT IS AN EMBARRASSMENT AND A DISASTER. Your job is to represent the people and the people want to be safe. Do your job and fund the DA so they can prosecute. SF is lawless and without an aggressive change, it will be to the point of no return. Longtime residents will leave.

Message to the Board of Supervisors

Dear Supervisors,

I support Supervisors Mandelman and Engardio's ordinance appropriating \$199,286 of General Fund General Reserves for three new positions in the Office of the District Attorney to address open-air drug dealing in Fiscal Year (FY) 2022-2023.

Long-awaited cooperation between our Mayor, District Attorney, and the Police Chief has resulted in significant progress in arresting drug dealers that prey on our most vulnerable San Franciscans.

Arraignments for felony narcotic sales have nearly doubled for the second half of 22 compared to the second half of 21.

Our District Attorney's Office requires this small amount of additional funding to prosecute this nearly doubling of cases and we strongly urge the Board of Supervisors to authorize these additional funds.

Thank you.
