11 Be it ordained by the People of the City and County of San Francisco:

12

13 Section 1. Environmental Findings.

14 The Planning Department has determined that the actions contemplated in this
15 ordinance comply with the California Environmental Quality Act (California Public Resources
16 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of
17 Supervisors in File No. 240189 and is incorporated herein by reference. The Board affirms
18 this determination.

19

20 Section 2. Article 12 of the Park Code is hereby amended by revising Section 12.11, to
21 read as follows:

22 **SEC. 12.11. MARINA FEES.**

23 The following fees shall be charged for goods and services at the Marina Small Craft
24 Harbor:

11
12 Section 3. Effective Date. This ordinance shall become effective 30 days after
13 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
14 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
15 of Supervisors overrides the Mayor's veto of the ordinance.

16
17 Section 4. Scope of Ordinance.

18 (a) In enacting this ordinance, the Board of Supervisors intends to amend only
19 those words, phrases, paragraphs, subsections, sections, articles, numbers, punctuation
20 marks, charts, diagrams, or any other constituent parts of the Municipal Code that are
21 explicitly shown in this ordinance as additions, deletions, Board amendment additions, and
22 Board amendment deletions in accordance with the "Note" that appears under the official title
23 of the ordinance.

24 (b) The various codified fees presented as existing Code text in Section 2 of this
25 ordinance do not necessarily reflect the fees that are currently applicable. Pursuant to Park

1 Code Section 12.11(j), the Controller adjusts those fees on an annual basis to reflect changes
2 in the Consumer Price Index. This ordinance is not intended to invalidate any adjustments
3 under Section 12.11(j) that the Controller has previously approved.

4 (c) The Recreation and Park Department is considering a potential project for the
5 planning, outreach, design, environmental review, permitting, remediation, and reconstruction
6 of the Marina Small Craft Harbor. Notwithstanding this ordinance, the City retains absolute
7 discretion to require modifications to such future project to mitigate or avoid any direct or
8 indirect significant environmental impacts; select feasible alternatives that avoid significant
9 adverse impacts; require the implementation of specific measures to mitigate the significant
10 adverse environmental impacts; reject all or part of any such project as proposed if the
11 economic and social benefits of the project rejected do not outweigh otherwise unavoidable
12 significant adverse impacts; and/or approve any such project upon a finding that the economic
13 and social benefits of the project approved will outweigh otherwise unavoidable significant
14 adverse environmental impacts.

REVISED LEGISLATIVE DIGEST
(Amended in Committee, 9/4/2024)

[Park Code - Marina Fees]

Ordinance amending the Park Code to raise the fees for various goods and services at the Marina Small Craft Harbor; and affirming the Planning Department's determination under the California Environmental Quality Act.

Existing Law

The Recreation and Park Department charges fees for various goods and services at the Marina Small Craft Harbor.

Amendments to Current Law

The proposed ordinance would increase certain Marina fees effective July 1, 2024, with a further increase on July 1, 2025. But there would be a 15% discount on berthing license fees going forward, if the primary owner of the vessel was a San Francisco resident.

Background Information

The fees shown in the proposed ordinance as existing text do not necessarily reflect the fees that currently apply, as the Controller adjusts the fees annually after they are adopted based on changes in the Consumer Price Index. For example, the codified fee for a 20-foot berth at the East Harbor is \$8.64 (Park Code Section 12.11(a)(1)), but the current adjusted fee is \$11.93. The Recreation and Park Department maintains a record of the fees currently in effect. The purpose of the fee increase is to help cover Marina operating costs.

On April 23, 2024, the sponsor introduced a substitute ordinance that changed the amount of some of the fees. The ordinance was subsequently amended in committee to offer a resident discount for berthing license fees. On September 4, 2024, the ordinance was amended again to increase certain West Harbor berthing license fees.

<p>Item 20 File 24-0189 <i>(Continued from 9/4/24 meeting)</i></p>	<p>Department: Recreation and Parks (REC)</p>
<p>EXECUTIVE SUMMARY</p>	
<p>Legislative Objectives</p>	
<ul style="list-style-type: none"> The proposed ordinance would amend Section 12.11 of the Park Code to increase Yacht Harbor fees, retroactive to July 1, 2024 and again on July 1, 2025. The proposed ordinance also provides a 15 percent discount for berthing fees if the boat owner is a San Francisco resident. Following FY 2025-26, fees would continue to automatically escalate by the Consumer Price Index without further Board of Supervisors action. 	
<p>Key Points</p>	
<ul style="list-style-type: none"> The Recreation and Parks Department operates a Yacht Harbor in the Marina neighborhood. The fees have never covered the full cost of the Yacht Harbor’s operations, which has therefore required a General Fund subsidy. As we discuss in our January 2024 report, “Marina Yacht Harbor Fee Analysis,” to eliminate the General Fund subsidy to the Yacht Harbor, the City needs to expand the number of revenue generating slips or increase fees. The proposed ordinance increases fees for berthing and harbor services by 10.2 percent, on average, in FY 2024-25 and by 14.6, on average, in FY 2025-26. As an example, a forty-foot berth in the West Harbor currently costs \$9,758 per year. The proposed ordinance would increase that fee to \$10,891 in FY 2024-25 and \$12,600 in FY 2025-26. For San Francisco residents, the new fees for the same berth would be \$9,258 in FY 2024-25 and \$10,710 in FY 2025-26. 	
<p>Fiscal Impact</p>	
<ul style="list-style-type: none"> The FY 2024-25 – FY 2025-26 budget removed the direct General Fund subsidy and assumed passage of this fee ordinance. The proposed fee increases are sized to backfill the direct General Fund subsidy for Yacht Harbor operations. The additional revenue generated amounts to \$723,000 in FY 2025-26. 	
<p>Policy Consideration</p>	
<ul style="list-style-type: none"> As we noted in our January 2024 report on Marina revenues, the City’s Yacht Harbor had the highest berthing fees among the 36 other marinas in the Bay Area but also had a long waitlist. We do not know how the proposed fee increases will impact the Yacht Harbor’s utilization. If the proposed fee increases are not approved, Recreation & Parks Department staff report that the Department will reduce maintenance at the Marina and Marina Green, reduce Marina services for boat tenants, and shift gardener and Park Ranger costs, which amount to approximately \$433,000 per year, to the General Fund. 	
<p>Recommendation</p>	
<ul style="list-style-type: none"> Approve the proposed ordinance. 	

MANDATE STATEMENT

City Charter Section 2.105 states that all legislative acts shall be by ordinance, approved by a majority of the members of the Board of Supervisors.

BACKGROUND

Section 12.11 of the Park Code sets berthing and services fees for the Recreation and Park Department’s Yacht Harbor, which includes boat slips to the east and west of Marina Green Park. Because the fees automatically escalate each year by the Consumer Price Index, the fees in the Park Code do not reflect current rates, which are published separately by the Recreation and Parks Department (REC). The fees have never covered the full cost of the Yacht Harbor’s operations, which has therefore required a General Fund subsidy. In FY 2023-24, the General Fund provided a \$592,921 direct subsidy to the REC Yacht Harbor and also funded approximately \$278,000 in maintenance and gardening expenses in the Yacht Harbor area.

As we discuss in our January 2024 report, “Marina Yacht Harbor Fee Analysis,” to eliminate the General Fund subsidy to the Yacht Harbor, the City needs to expand the number of revenue generating slips or increase fees.¹ The Recreation and Parks Department planned to renovate the East Harbor and expand the West Harbor to increase the number of slips however in February 2024, the Board of Supervisors and the Mayor approved an ordinance prohibiting the expansion of the West Harbor by more than 150 feet from its current eastern boundary (File 23-1191). Following approval of that project control ordinance, in February 2024 REC introduced this ordinance to increase fees at the Yacht Harbor.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would amend Section 12.11 of the Park Code to increase Yacht Harbor fees, retroactive to July 1, 2024 and again on July 1, 2025. Exhibit 1 summarizes the average increase in each fee category. Following FY 2025-26, fees would continue to automatically escalate by the Consumer Price Index without further Board of Supervisors action.

The proposed ordinance also provides a 15 percent discount for berthing fees if the boat owner is a San Francisco resident. According to REC staff, approximately half of boat owners that berth at the Yacht Harbor are San Francisco residents. This is not reflected in Exhibit 1 below.

¹ Our report on the Marina Yacht Harbor’s revenues may be accessed at: https://sfbos.org/sites/default/files/BLA_Marina_Yacht_Harbor_Fee_Analysis_012624.pdf

Source: Proposed Ordinance

A detailed list of fee changes is included in an Appendix to this report. As an example, a forty-foot berth in the West Harbor currently costs \$9,758 per year. The proposed ordinance would increase that fee to \$10,891 in FY 2024-25 and \$12,600 in FY 2025-26. For San Francisco residents, the new fees for the same berth would be \$9,258 in FY 2024-25 and \$10,710 in FY 2025-26.

FISCAL IMPACT

The FY 2024-25 – FY 2025-26 budget removed the direct General Fund subsidy and assumed passage of this fee ordinance. The proposed fee increases are sized to backfill the direct General Fund subsidy for Yacht Harbor operations. The additional revenue generated amounts to \$723,000 in FY 2025-26.

If the proposed fee increases are not approved, Recreation & Parks Department staff report that the Department will reduce maintenance at the Marina and Marina Green, reduce Marina services for boat tenants, and shift gardener and Park Ranger costs, which amount to approximately \$433,000 per year, to the General Fund.

POLICY CONSIDERATION

As we noted in our January 2024 report on Marina revenues, the City’s Yacht Harbor had the highest berthing fees among the 36 other marinas in the Bay Area but also had a long waitlist. We do not know how the proposed fee increases will impact the Yacht Harbor’s utilization.

As also discussed in that report, the City may use up to \$190 million from PG&E to remediate and rebuild the Yacht Harbor. The Department is in the process of re-designing the Yacht Harbor renovation project. Expanding the West Harbor would require legislative action. However, there may be other project designs that expand the number of slips, reduce operating costs of the Yacht Harbor, or align with the policy priorities of the Board of Supervisors. The harbor renovation project could take 5-10 years to complete.

Finally, the proposed increases for berthing fees are the same for all slip sizes. The Board could consider higher increases for larger berths to generate additional revenue for Yacht Harbor maintenance needs. REC intends to propose an amendment to the ordinance to increase fees on berths of 70 feet and above, which would increase revenues by approximately \$40,000 in FY 2025-26.

RECOMMENDATION

Approve the proposed ordinance.

MATEO PUBLIC ADMINISTRATOR

appointed as personal representative to administer the estate of the decedent. The Petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority. A HEARING on the petition will be held in this court as follows: 12/31/24 at 9:00AM in Dept. 1 located at 400 COUNTY CENTER, REDWOOD CITY, CA 94063 IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney. IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law. YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk. Attorney for Petitioner: ANDREW K. Thanks, Frances! Our main points are summarized below – please present to the Committee:

The proposed 31% increase is being characterized by Rec and Park as a replacement for the City’s decision to not provide \$600,000+ from the General Fund to support the harbor. We feel there is a misplaced assumption that this is supporting the harbor, as “the harbor” is a public park that’s used by the City for various Civic events, including Fleet Week, Escape from Alcatraz and other activities that should contribute revenue to the harbor fund, but the City chooses to not charge for them as this is a public service. Therefore we believe it is proper for the City to contribute to the operation of the harbor park from the General Fund.

Berth holders already contribute to the General fund – in fact in FY 2021/22 that was \$620,000. It is reasonable to recycle this back into the harbor.

RPD is not actually reducing its budget request from the City – instead, it states that it prefers to hire some custodians or resurface some courts elsewhere in the parks system – this indirectly contravenes the CalBoating loan covenant that all revenues must stay in the harbor.

The proposed renovation of East Harbor was based on completely removing and rebuilding all the slips. The newest plan covers around half of that. As suggested by Supervisor Peskin in the January hearing which limited the scope of that project by shut down the expansion of Outer West, if funds from the PGE settlement could be redirected to paying off the remaining loan secured by West Harbor, then there would be a balanced budget and no need for this 31% rent increase.

Lastly, we believe that the current high vacancy will continue and be made much worse by this rent increase, driving out middle class boaters and leaving the harbor as just an amenity enjoyed by the rich. Is that in the spirit of San Francisco? The increased vacancy will cause not only a loss of berth revenue but also loss of

property tax and possessory interest tax paid into the General Fund.

The chart they present showing a "waiting list" has not been vetted by a survey of people on the list, which would show that few own a boat and are ready to take a slip at today's rates. At the proposed rates, those people will disappear. When contacted about an empty slip, 95% of those people decline – so in effect, that's the best survey.

We recommend against the rent increase, and that the city recycle the tax receipts from the harbor berth holders into the General Fund, as well as open a dialogue with PGE about using around \$16 million of the construction budget to retire the existing loan from Cal Boating. This then eliminates the need for any money from the General Fund.

TO: Board of Supervisors Budget and Finance Committee
Ref: [File No. 240189](#) and the hearing on December 4, 2024, regarding the SF Marina rate increase.

SF Rec and Park has requested a berthing rate increase of around 31% to support harbor operations, and they are pretending this has nothing to do with the East Harbor project, but it has everything to do with that project. They have already raised rates to support supplemental dredging, and this increase is designed to fill the hole because they plan to build half of the proposed number of slips. They now want to tax West Harbor berth holders for the likely budget shortfall in East Harbor.

We understand that another catalyst for the proposed increase is the City's plan to retrench on allocations of General Fund moneys to departments. However, we wish to point out that in 22/23, the General Fund received over \$630,000 from boaters in the form of possessory interest taxes and property taxes, and a higher amount since then. This approximately matches the recent General Fund subsidies and should be taken into consideration.

RPR plans to extend the breakwater of West Harbor by 200 feet which they say will mitigate future dredging costs and enable building the "I" docks just East of Golden Gate Yacht Club which were destroyed due to silting. We hope this works and suggest they build that extension right away to test these two theories. With success, will they then roll back the "temporary" 21% dredging surcharge that they recently enacted?

There is no market study about the effect on West Harbor occupancy at those inflated berthing rates. The so-called waiting list is meaningless as few people accept a slip assignment – they are just squatting on the list pending the possibility of buying a boat in the future. In the meantime, West Harbor runs with 12-15% vacancy and several have stated they will leave due to the rate increases. Rec and Park is blind to how many people they will lose from West Harbor. Before you vote this increase, why not ask RPD to survey berth holders as well as the wait list to see how many want a slip at these proposed rates?

Note that West Harbor does not fill up because the slips are too narrow for wide power boats, and too shallow for sail boats since the inner harbor has not been dredged since the original renovation and is long-overdue.

The East Harbor project maximizes the number of slips rather than total revenue. This design ignores the potential demand for sailboats needing deeper draft and power boats over 35 feet wanting wider slips.

For cost savings, RPD plans to dredge only to 8 feet instead of the normal 12 feet. As a result, the revamped harbor is mainly going to attract smaller power boaters with outboard gasoline engines, not the most environmental idea. While it will also serve sailboats 30 feet and under, they are more budget conscious than power boaters. Once all East Harbor boats are removed for several years during construction, returning boaters would face an approximately 85% increase when coming up to parity with West Harbor at the proposed rates, plus a few years of inflation. Given East Harbor tenants are mostly retirees averaging 69 years old and their boats are in poor condition, few will pay that new rate, so essentially the East Harbor marina starts with zero occupancy.

In conclusion, we see this rate increase is the first act in a white elephant project that no independent marine operator would design or finance.

A more successful path forward would be to:

*acknowledge the contribution by boaters to the General Fund as an offset to the subsidy, thereby obviating the rent increase and attracting more berth holders rather than chasing them away

*dredge the entire West Harbor, not just the entrance

*reconfigure the design of East Harbor so that at least a third of the proposed slips are longer and wider than the 25-30 foot slips currently planned.

Please feel free to call to discuss this further.

Sincerely,

Subject: West Harbor Proposed Slip Increase

Hello - I am unable to attend the meeting in person but here are my thoughts. Thanks for considering.

Date: December 2, 2024

From: Mitch Cihomsky, holder of West Harbor slip 473.

Ref: [File No. 240189](#) &

December 4, 2024 hearing regarding the SF Marina rate increase.

The proposed berthing rate increase of 31% will end up costing the SF Rec and Park money rather than increasing revenue for the following reasons:

1. The 31% will most likely decrease slip occupancy. Not only will existing West Harbor berthholders leave since the current 12-15% vacancy rate will increase but the new slips being proposed are too narrow for wide power boats and too shallow for sail boats since the inner harbor has not been dredged since the original renovation.
2. The recent 21% increase in fees has already resulted in more empty slips as the slip utility has not improved. Being able to exit the harbor without running aground should be treated as a bonus that I have to pay extra for.
3. Using the wait list as an indication of interest cannot be trusted. Have you asked those on the list if they would be willing to pay more? No market study about the effect on West Harbor occupancy at the inflated berthing rates has been conducted.
4. The East Harbor project maximizes the number of slips rather than total revenue. The design ignores the potential demand for sailboats needing deeper draft and power boats over 35 feet wanting wider slips since RPD plans to dredge only to 8 feet instead of the normal 12 feet. Thus, the revamped harbor can attract only smaller power boats with outboard gasoline engines, not the most environmentally friendly solution.
5. While all East Harbor boats are removed for several years during construction, returning boaters would face an approximately 85% increase when returning to reach parity with West Harbor slip rates.

The illusion that the increase helps the City's plan to retrench on allocations of General Fund

moneys to departments is false. In 2022-23, the General Fund received over \$630,000 from boaters in the form of possessory interest taxes and property taxes, and a higher amount in 2024. That approximately matches the recent General Fund subsidies should be considered.

Please before you vote this increase, ask RPD to survey berth holders as well as the wait list to see how many would still want a slip at these proposed rates?

To whom it may concern,

My name is Steve Balestrieri. I am a third generation San Franciscan, and a retired Fire Captain. I currently work part time at City College of San Francisco in the Fire Science Department where I teach young aspiring firefighters.

My family has been part of the SF Marina since the early sixties. My late grandfather Frank, a hard-working immigrant from Sicily, was a tenant in the harbor community for many years. I have wonderful childhood memories sharing precious hours with him, my siblings, and my father, in the harbor and on the boat.

Sadly, my grandfather and my father have both passed away. I carry on their memory by maintaining our family boat, where I am now creating new memories with my children and grandchildren.

I am writing to you today express my deep opposition to the proposed rate increases to the West Harbor. There seems to be some misconceptions about the tenants of the harbor. That being that we are all a bunch of rich folks with deep pockets. That could not be further from the truth. The fact of the matter is that many of us our working-class residents who struggle to maintain a small boat and keep it in the harbor. We are a diverse group of people, with a wide range of financial abilities. Many are people like me who have a small older fishing boat that they struggle to maintain.

The recent 21 percent increase enacted on the o West Harbor tenants was a severe blow to many of us. As a result, some have been priced out of the harbor. If the proposed 31 percent increase is approved many more of us will have no other choice, then to vacate. I won't waste my time speaking to the many common-sense alternatives that are available to avoid this mass exodus, as I know others are addressing those issues.

When searching for common sense solutions to this financial situation, please keep in mind the last sentence in the San Francisco Rec and Park Mission Statement: " The San Francisco Recreation And Park Department's Mission is to provide enriching recreational activities, maintain beautiful parks and preserve the environment for the well-being of EVERYONE IN

OUR DIVERSE COMMUNITY." That doesn't mean push out the working class, and create an exclusive marina for only the very wealthy.

Respectfully submitted,

Steve Balestrieri

Hi Board Clerks,

I hope you're all well. I have a substitution legislation for BOS File 240189 from SF Recreation and Park Department. Please find attached the email below confirming it is approved as to form from the City Attorney's office. Please confirm receipt and date of introduction (June 3?).

Thank you,

Beverly

Tom/Bev,

I am attaching committee amendments to BOS File 240189, marina fees, which add a resident discount to the berthing license fees. The changes appear in the ordinance at the bottom of p. 2. I am confirming by this email that it is approved as to form, and also attach an updated legislative digest. Thank you-

Bev,

Attached is an updated ordinance adjusting certain of the proposed marina fees (BOS File 240189), approved as to form. As mentioned, I've formatted this as a substitute ordinance on the assumption that you'll be able to coordinate with the sponsor to get this introduced at the full BOS sufficiently in advance of the committee hearing. If that proves infeasible, please let me know. If that I can re-format all this in Board amendment font. Thank you.

Bev,

Attached is the legislation you requested, to increase fees at the Marina. I confirm via this email that it is approved as to form. I am also including the legislative digest. I understand that the Mayor's Office is sponsoring, so feel free to forward this to them. (If the sponsor changes, the footer of the ordinance should be updated accordingly.)
