RE: **Retroactivity re: File 241122:** Accept and Expend Grant - Retroactive - San Francisco General Hospital Foundation - MedSurg/ICU and the Family Birth Center - \$180,000

This Resolution seeks authorization for the Department of Public Health (DPH) to retroactively accept and expend funds in the amount of \$180,000 from the San Francisco General Hospital Foundation.

This grant accept and expend is retroactive because DPH received the notice of award two days after the pre-determined project start date. DPH received the notice of award on September 3, 2024, for a project start date of September 1, 2024. Upon receiving the notice of award, DPH put together the accept and expend packet and forwarded it to the Controller's Office for review on September 12, 2024. The Controller's Office approved the accept and expend packet and forwarded it to the Mayor's Office on October 31, 2024, for introduction on November 19, 2024. We respectfully request retroactive authorization for this item.

Please contact Christina Chiong, SFDPH Accept & Expend Unit Manager, at christina.chiong@sfdph.org for any questions about this request for retroactive authorization.
