Hearing on Ending HIV Infections in San Francisco

**The text is listed below or attached:**

Hearing on the status of San Francisco's Getting to Zero effort, a collaboration among public health agencies, non-profit healthcare providers, and HIV advocates with the goal of eliminating new HIV infections in San Francisco. The San Francisco Getting to Zero Consortium was established in 2014 to move San Francisco toward being the first city to achieve the UNAIDS vision of "Getting to Zero": zero new HIV infections, zero HIV deaths and zero HIV stigma. The hearing will explore the City's current strategies to curb the spread of the disease, and what steps need to be taken to "Get to Zero" by ending HIV infections in San Francisco.
