[Accept and Expend Grant - Retroactive - Patient-Centered Outcomes Research Institute - University of California, San Francisco - Pure-Tone Audiometry Versus Otoacoustic Emissions for Preschool Hearing Screening - \$1,044,792]

Resolution retroactively authorizing the Department of Public Health to accept and expend a grant in the amount of \$1,044,792 from the Patient-Centered Outcomes Research Institute (PCORI) through the University of California, San Francisco for participation in a program, entitled "Pure-tone audiometry versus otoacoustic emissions for preschool hearing screening," for the period of July 1, 2023, through June 30, 2028.

WHEREAS, The Patient-Centered Outcomes Research Institute (PCORI), through the University of California, San Francisco (UCSF) has agreed to fund the Department of Public Health (DPH) in the amount of \$1,044,792 for participation in a program, entitled "Pure-tone audiometry versus otoacoustic emissions for preschool hearing screening," for the period of July 1, 2023, through June 30, 2028; and

WHEREAS, The primary objective is to investigate the efficacy of single-stage

Otoacoustic Emissions (OAE) screening, when performed in a community-based preschool setting, compared to the gold-standard two-stage Pure Tone Audiometry (PTA) + OAE screening; and

WHEREAS, The study aims to determine whether the single-stage OAE screening is or is not inferior to the two-stage approach in identifying hearing loss accurately; and

WHEREAS, The ultimate goal of this research is to assess the effectiveness of both screening methods in a community-based setting and assist in early identification of hearing loss among pre-school-aged children; and

WHEREAS, We hope to further improve the hearing screening methods within community-based and preschool settings; and

WHEREAS, The grant does not require an Annual Salary Ordinance Amendment; and WHEREAS, A request for retroactive approval is being sought because DPH received the award letter on March 25, 2023, for a project start date of July 1, 2023; and

WHEREAS, The grant budget includes a provision for indirect costs in the amount of \$206,813; now, therefore, be it

RESOLVED, That DPH is hereby authorized to accept and expend a grant in the amount of \$1,044,792 from the PCORI through UCSF; and, be it

FURTHER RESOLVED, That DPH is hereby authorized to retroactively accept and expend the grant funds pursuant to Administrative Code, Section 10.170-1; and, be it

FURTHER RESOLVED, That the Director of Health is authorized to enter into the Agreement on behalf of the City.
