RE: BOS File No. 170443 [Police Code - Outdoor Amplified Sound Permits]

Small Business Commission Recommendation to the Board of Supervisors: **Approval**

Dear Ms. Calvillo,

On May 8, 2017, the Small Business Commission voted (4-0, 3 absent) to recommend that the Board of Supervisors approve BOS File No. 170443.

The current law does not adequately address amplified outdoor sound, such as music on a restaurant patio; as a consequence, businesses that play music on outdoor speakers may face complaints from the community. Certain types of sound are improperly treated as “noise” (a nuisance) rather than as “entertainment.”

The legislation serves to create more clarity for the City to regulate outdoor amplified sound and for small businesses to gain formal permission in order to preclude unwarranted noise complaints.

Thank you for considering the Commission’s comments. Please feel free to contact me should you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Regina Dick-Endrizzi".
