ADMINISTRATIVE PROVISIONS

SECTION 3. General Authority.

The Controller is hereby authorized and directed to set up appropriate accounts for the items of receipts and expenditures appropriated herein.

SECTION 3.1 Two-Year Budget.

For departments for which the Board of Supervisors has authorized, or the Charter requires, a fixed two-year budget appropriations in this ordinance shall be available for allotment by the Controller on July 1st of the fiscal year in which appropriations have been approved. The Controller is authorized to adjust the two year budget to reflect transfers and substitutions consistent with City's policies and restrictions for such transfers. The Controller is further authorized to make adjustments to the second year budgets consistent with Citywide estimates for salaries, fringe benefits, and work orders.

SECTION 4. Interim Budget Provisions.

All funds for equipment and new capital improvements shall be held in reserve until final action by the Board of Supervisors. No new equipment or capital improvements shall be authorized during the interim period other than equipment or capital improvements that, in the discretion of the Controller, is reasonably required for the continued operation of existing programs or projects previously approved by the Board of Supervisors. Authorization for the purchase of such equipment may be approved by the Board of Supervisors.

During the period of the interim annual appropriation ordinance and interim annual salary ordinance, no transfer of funds within a department shall be permitted without approval of the Controller, Mayor's Budget Director and the Budget Analyst of the Board of Supervisors.

When the Budget Committee reserves selected expenditure items pending receipt of additional information from departments, upon receipt of the required information to the satisfaction of a financial committee, the Controller may release the previously reserved funds with no further action required by the Board of Supervisors.

If the Budget Committee of the Board of Supervisors recommends a budget that increases funding that was deleted in the Mayor's Budget, the Controller shall have the authority to continue to pay these expenses until final passage of the budget by the Board of Supervisors, and approval of the budget by the Mayor.

SECTION 4.1 Interim Budget – Positions.

No new position may be filled in the interim period with the exception of those positions which in the discretion of the Controller are critical for the operation of existing programs or for projects previously approved by the Board of Supervisors or are required for emergency operations or where such positions would result in a net increase in revenues or where such positions are required to comply with law. New positions shall be defined as those positions that are enumerated in the Mayor's budget for the current fiscal year but were not enumerated in the appropriation and salary ordinances for the prior fiscal year, as amended, through June 30 of the prior fiscal year. In the event the Mayor has approved the reclassification of a position in the department's budget for the current fiscal

year, the Controller shall process a temporary or "tx" requisition at the request of the department and subject to approval of the Human Resources Director. Such action will allow for the continued employment of the incumbent in his or her former position pending action by the Board of Supervisors on the proposed reclassifications.

If the Budget Committee of the Board of Supervisors recommends a budget that reinstates positions that were deleted in the Mayor's Budget, the Controller and the Director of Human Resources shall have the authority to continue to employ and pay the salaries of the reinstated positions until final passage of the budget by the Board of Supervisors, and approval of the budget by the Mayor.

SECTION 5. Transfers of Functions and Duties.

Where revenues for any fund or department are herein provided by transfer from any other fund or department, or where a duty or a performance has been transferred from one department to another, the Controller is authorized and directed to make the related transfer of funds, provided further, that where revenues for any fund or department are herein provided by transfer from any other fund or department in consideration of departmental services to be rendered, in no event shall such transfer of revenue be made in excess of the actual cost of such service.

Where a duty or performance has been transferred from one department to another or departmental reorganization is effected as provided in the Charter, in addition to any required transfer of funds, the Controller and Human Resources Director are authorized to make any personnel transfers or reassignments between the affected departments and appointing officers at a mutually convenient time, not to exceed 100 days from the effective date of the ordinance transferring the duty or function. The Controller, Director of Human Resources and Clerk of the Board of Supervisors, with assistance of the City Attorney, are hereby authorized and directed to make such changes as may be necessary to conform all applicable ordinances to reflect said reorganization, transfer of duty or performance between departments.

SECTION 5.1 Agencies Organized under One Department.

Where one or more departments or agencies are organized under a single appointing officer or department head, the component units can continue to be shown as separate agencies for budgeting and accounting purposes to facilitate reporting. However, the entity shall be considered a single department for purposes of employee assignment and seniority, position transfers, and transfers of monies among funds within the Department of Public Health, and reappropriation of funds.

SECTION 5.2 Continuing Funds Appropriated.

In addition to the amount provided from taxes, the Controller shall make available for expenditure the amount of actual receipts from special funds whose receipts are continuously appropriated as provided in the Administrative and Municipal Codes.

SECTION 5.3 Multi-Year Revenues.

In connection with money received in one fiscal year for departmental services to be performed in a subsequent year, the Controller is authorized to establish an account for

depositing revenues which are applicable to the ensuing fiscal year, said revenue shall be carried forward and become a part of the funds available for appropriation in said ensuing fiscal year.

SECTION 5.4 Contracting Funds.

All money received in connection with contracts under which a portion of the moneys received is to be paid to the contractors and the remainder of the moneys received inures to the City and County shall be deposited in the Treasury.

(a) That portion of the money received that under the terms of the contract inures to the City and County shall be deposited to the credit of the appropriate fund.

(b) That portion of the money received that under the terms of the contracts is to be paid to the contractor shall be deposited in special accounts and is hereby appropriated for said purposes.

SECTION 5.5 Real Estate Services.

Rents received from properties acquired or held in trust for specific purposes are hereby appropriated to the extent necessary for maintenance of said properties, including services of the General Services Agency.

Moneys received from lessees, tenants or operators of City-owned property for the specific purpose of real estate services relative to such leases or operating agreements are hereby appropriated to the extent necessary to provide such services.

SECTION 5.6 Collection Services.

In any contracts for the collection of unpaid bills for services rendered to clients, patients or both by the Department of Public Health in which said unpaid bills have not become delinquent pursuant to the provisions of Administrative Code Section 10.37 and 10.38, the Controller is hereby authorized to adjust the estimated revenues and expenditures of the various divisions and institutions of the Department of Public Health to record such recoveries. Any percentage of the amounts, not to exceed 25 percent, recovered from such unpaid bills by a contractor is hereby appropriated to pay the costs of said contract. The Controller is authorized and is hereby directed to establish appropriate accounts to record total collections and contract payments relating to such unpaid bills.

SECTION 5.7 Contract Amounts Based on Savings.

When the terms of a contract provide for payment amounts to be determined by a percentage of cost savings or previously unrecognized revenues, such amounts as are actually realized from either said cost savings or unrecognized revenues are hereby appropriated to the extent necessary to pay contract amounts due. The Controller is authorized and is hereby directed to establish appropriate accounts to record such transactions.

SECTION 5.8 Collection and Legal Services.

In any contracts between the City Attorney's Office and outside counsel for legal services in connection with the prosecution of actions filed on behalf of the City or for assistance in

the prosecution of actions that the City Attorney files in the name of the People, where the fee to outside counsel is contingent on the recovery of a judgment or other monies by the City through such action, the Controller is hereby authorized to adjust the estimated revenues and expenditures of the City Attorney's Office to record such recoveries. A percentage of such recoveries, not to exceed 25 percent plus the amount of any out-of-pocket costs the Controller determines were actually incurred to prosecute such action, is hereby appropriated from the amount of such recoveries to pay the contingent fee due to such outside counsel under said contract and any costs incurred by the City or outside counsel in prosecuting the action. The Controller is authorized and hereby directed to establish appropriate accounts to record total collections and contingent fee and cost payments relating to such actions. The City Attorney as verified by the Controller shall report to the Board of Supervisors annually on the collections and costs incurred under this provision, including the case name, amount of judgment, the fund which the judgment was deposited, and the total cost of and funding source for the legal action.

SECTION 6. Bond Interest and Redemption.

In the event that estimated receipts from other than utility revenues, but including amounts from ad-valorem, taxes shall exceed the actual requirements for bond interest and redemption, said excess shall be transferred to a General Bond Interest and Redemption Reserve account. The Bond Interest and Redemption Reserve is hereby appropriated to meet debt service requirements including printing of bonds, cost of bond rating services and the legal opinions approving the validity of bonds authorized to be sold not otherwise provided for herein.

Issuance, legal and financial advisory service costs, including the reimbursement of departmental services in connection therewith, for debt instruments issued by the City and County, to the extent approved by the Board of Supervisors in authorizing the debt, may be paid from the proceeds of such debt and are hereby appropriated for said purposes.

SECTION 7. Allotment Controls.

Since several items of expenditures herein appropriated are based on estimated receipts, income or revenues which may not be fully realized, it shall be incumbent upon the Controller to establish a schedule of allotments, of such duration as the Controller may determine, under which the sums appropriated to the several departments shall be expended. The Controller shall revise such revenue estimates periodically. If such revised estimates indicate a shortage, the Controller shall hold in reserve an equivalent amount of the corresponding expenditure appropriations set forth herein until the collection of the amounts as originally estimated is assured, and in all cases where it is provided by the Charter that a specified or minimum tax shall be levied for any department the amount of appropriation herein provided derived from taxes shall not exceed the amount actually produced by the levy made for such department.

The Controller in issuing payments or in certifying contracts, purchase orders or other encumbrances pursuant to Section 3.105 of the Charter, shall consider only the allotted portions of appropriation items to be available for encumbrance or expenditure and shall not approve the incurring of liability under any allotment in excess of the amount of such

allotment. In case of emergency or unusual circumstances which could not be anticipated at the time of allotment, an additional allotment for a period may be made on the recommendation of the department head and the approval of the Controller. After the allotment schedule has been established or fixed, as heretofore provided, it shall be unlawful for any department or officer to expend or cause to be expended a sum greater than the amount set forth for the particular activity in the said allotment schedule so established, unless an additional allotment is made, as herein provided.

Allotments, liabilities incurred and expenditures made under expenditure appropriations herein enumerated shall in no case exceed the amount of each such appropriation, unless the same shall have been increased by transfers or supplemental appropriations made in the manner provided by Section 9.105 of the Charter.

SECTION 7.1 Prior Year Encumbrances.

The Controller is hereby authorized to establish reserves for the purpose of providing funds for adjustments in connection with liquidation of encumbrances and other obligations of prior years.

SECTION 7.2 Equipment Defined.

Funds for the purchase of items of equipment having a significant value of over \$5,000 and a useful life of three years and over shall only be purchased from appropriations specifically provided for equipment or lease-purchased equipment, including equipment from capital projects. Departments may purchase additional or replacement equipment from previous equipment or lease-purchase appropriations, or from citywide equipment and other non-salary appropriations, with approval of the Mayor's Office and the Controller.

Where appropriations are made herein for the purpose of replacing automotive and other equipment, the equipment replaced shall be surrendered to the Department of Administrative Services and shall be withdrawn from service on or before delivery to departments of the new automotive equipment. When the replaced equipment is sold, in lieu of being traded-in, the proceeds shall be deposited to a revenue account of the related fund. Provided, however, that so much of said proceeds as may be required to affect the purchase of the new equipment is hereby appropriated for the purpose. Funds herein appropriated for automotive equipment shall not be used to buy a replacement of any automobile superior in class to the one being replaced unless it has been specifically authorized by the Board of Supervisors in the making of the original appropriation.

Appropriations of equipment from current funds shall be construed to be annual appropriations and unencumbered balances shall lapse at the close of the fiscal year.

SECTION 7.3 Enterprise Deficits.

Funds appropriated herein to meet estimated enterprise deficits shall be made available to each such enterprise only to the extent that an actual deficit shall exist and not to exceed the amount herein provided. Any amount not required for the purpose of meeting an enterprise fund deficit shall be transferred back to the General Fund at the end of each fiscal year. Provided, however, that the Board of Supervisors, in the annual budget, may

approve appropriating such amounts to fund the activities of the enterprise in the succeeding fiscal year.

SECTION 8. Expenditure Estimates.

Where appropriations are made for specific projects or purposes which may involve the payment of salaries or wages, the head of the department to which such appropriations are made, or the head of the department authorized by contract or interdepartmental order to make expenditures from each such appropriation, shall file with the Controller, when requested, an estimate of the amount of any such expenditures to be made during the ensuing period.

SECTION 8.1 State and Federal Funds.

The Controller is authorized to increase Federal and State funds that may be claimed due to new General Fund expenditures appropriated by the Board of Supervisors. The Director of Human Resources is authorized to add civil service positions required to implement the programs authorized by these funds. The Controller and the Director of Human Resources shall report to the Board of Supervisors any actions taken under this authorization before the Board acts on the Annual Appropriation and Annual Salary Ordinances.

SECTION 8.2 State and Federal Funding Restorations.

If additional State or Federal funds are allocated to the City and County of San Francisco to backfill State reductions, the Controller shall backfill any funds appropriated to any program to the General Reserve.

SECTION 8.3 Process for Addressing General Fund Revenue Shortfalls

Upon receiving Controller estimates of revenue shortfalls that exceed the value of the General Reserve and any other allowances for revenue shortfalls in the adopted City budget, the Mayor shall inform the Board of Supervisors of actions to address this shortfall. The Board of Supervisors may adopt an ordinance to reflect the Mayor's proposal or alternative proposals in order to balance the budget.

SECTION 9. Interdepartmental Services.

The Controller is hereby authorized and directed to prescribe the method to be used in making payments for interdepartmental services in accordance with the provisions of Section 3.105 of the Charter, and to provide for the establishment of interdepartmental reserves which may be required to pay for future obligations which result from current performances. Whenever in the judgment of the Controller, the amounts which have been set aside for such purposes are no longer required or are in excess of the amount which is then currently estimated to be required, the Controller shall transfer the amount no longer required to the fund balance of the particular fund of which the reserve is a part. Provided further that no expenditure shall be made for personnel services, rent, equipment and capital outlay purposes from any interdepartmental reserve or work order fund without specific appropriation by the Board of Supervisors.

The amount detailed in departmental budgets for services of other City departments cannot be transferred to other spending categories without prior agreement from both the requesting and performing departments.

The Controller, pursuant to the provisions of Charter Section 3.105, shall review and may adjust charges or fees for services that may be authorized by the Board of Supervisors for the administration of the Computer Store. Such fees are hereby appropriated for that purpose.

SECTION 10. Positions in the City Service.

Department heads shall not make appointments to any office or position until the Controller shall certify that funds are available.

Funds provided herein for salaries or wages may, with the approval of the Controller, be used to provide for temporary employment when it becomes necessary to replace the occupant of a position while on extended leave without pay, or for the temporary filling of a vacancy in a budgeted position. The Controller is authorized to approve the use of existing salary appropriations within departments to fund permanent appointments of up to six months to backfill anticipated vacancies to ensure implementation of successful succession plans and to facilitate the transfer of mission critical knowledge. The Controller shall provide a report to the Board of Supervisors every six months enumerating permanent positions created under this authority.

Appointments to seasonal or temporary positions shall not exceed the term for which the Controller has certified the availability of funds.

The Controller shall be immediately notified of a vacancy occurring in any position.

SECTION 10.1 Positions, Funds, and Transfers for Specific Purposes.

Funds for personnel services may be transferred from any legally available source on the recommendation of the department head and approval by the Director of Administrative Services, Board or Commission, for departments under their respective jurisdiction, and on authorization of the Controller with the prior approval of the Human Resources Director for:

- (a) Lump sum payments to officers, employees, police officers and fire fighters other than elective officers and members of boards and commissions upon death or retirement or separation caused by industrial accident for accumulated sick leave benefits in accordance with Civil Service Commission rules.
- (b) Payment of the supervisory differential adjustment, out of class pay or other negotiated premium to employees who qualify for such adjustment provided that the transfer of funds must be made from funds currently available in departmental personal service appropriations.
- (c) Payment of any legal salary or fringe benefit obligations of the City and County including amounts required to fund arbitration awards.

(d) The Controller is hereby authorized to adjust salary appropriations for positions administratively reclassified or temporarily exchanged by the Human Resources Director provided that the reclassified position and the former position are in the same functional area.

(e) Positions may be substituted or exchanged between the various salary appropriations or position classifications when approved by the Human Resources Director as long as said transfers do not increase total departmental personnel service appropriations.

(f) The Controller is hereby authorized and directed upon the request of a department head and the approval by the Mayor's Office to transfer from any legally available funds amounts needed to fund legally mandated salaries, fringe benefits and other costs of City employees. Such funds are hereby appropriated for the purpose set forth herein.

(g) The Controller is hereby authorized to transfer any legally available funds to adjust salary and fringe benefit appropriations as required under reclassifications recommended by the Human Resources Director and approved by the Board of Supervisors in implementing the Management Compensation and Classification Plan.

Amounts transferred shall not exceed the actual amount required including the cost to the City and County of mandatory fringe benefits.

(h) Pursuant to California Labor Code Section 4850.4, the Controller is authorized to make advance payments from departments' salary accounts to employees participating in CalPERS who apply for disability retirement. Repayment of these advanced disability retirement payments from CalPERS and from employees are hereby appropriated to the departments' salary account.

(i) For purposes of defining terms in Administrative Code Section 3.18, the Controller is authorized to process transfers where such transfers are required to administer the budget through the following certification process: In cases where expenditures are reduced at the level of appropriation control during the Board of Supervisors phase of the budget process, the Chair of the Budget Committee, on recommendation of the Controller, may certify that such a reduction does not reflect a deliberate policy reduction adopted by the Board. The Mayor's Budget Director may similarly provide such a certification regarding reductions during the Mayor's phase of the budget process.

SECTION 10.2 Professional Services Contracts.

Funds appropriated for professional service contracts may be transferred to the account for salaries on the recommendation of the department head for the specific purpose of using City personnel in lieu of private contractors with the approval of the Human Resources Director and the Mayor and the certification by the Controller that such transfer of funds would not increase the cost of government.

SECTION 10.3 Surety Bond Fund Administration.

The Controller is hereby authorized to allocate funds from capital project appropriations to the San Francisco Self-Insurance Surety Bond Fund, as governed by Administrative Code Section 10.100-317 and in accordance with amounts determined pursuant to Administrative Code Section 14B.16.

SECTION 10.4 Salary Adjustments, Memoranda of Understanding (MOUs).

The Controller is authorized and directed to transfer from the Salary and Benefits Reserve, or any legally available funds, amounts necessary to adjust appropriations for salaries and related mandatory fringe benefits of employees whose compensation is pursuant to Charter Sections A8.403 (Registered Nurses), A8.404 (Transit Operators), A8.409 (Miscellaneous Employees), A8.405 and A8.590-1 through A8.590-5 (Police and Firefighters), revisions to State Law, and/or collective bargaining agreements adopted pursuant to the Charter or arbitration award. The Controller and Director of Human Resources are further authorized and directed to adjust the rates of compensation to reflect current pay rates for any positions affected by the foregoing provisions.

Adjustments made pursuant to this section shall reflect only the percentage increase required to adjust appropriations to reflect revised salary and premium pay requirements above the funding level established in the adopted budget of the respective departments.

The Controller is authorized and directed to transfer from reserves or any legally available funds amounts necessary to provide costs of non-salary benefits in ratified Memoranda of Understanding or arbitration awards. The Controller's Office shall report to the Budget and Finance Committee on the status of the Salary and Benefits Reserve, including amounts transferred to individual City Departments and remaining Reserve balances, following the first quarter of FY 2009-10 and as part of the Controller's Six and Nine Month Budget Status Reports.

SECTION 10.5 MOUs to be Reflected in Department Budgets.

Should the City and County adopt an MOU with a recognized employee bargaining organization during the fiscal year which has fiscal effects, the Controller is authorized and directed to reflect the budgetary impact of said MOU in departmental appropriations by transferring amounts to or from the Salary and Benefits Reserve, or, for self-supporting or restricted funds, to or from the respective unappropriated fund balance account. All amounts transferred pursuant to this section are hereby appropriated for the purpose.

SECTION 10.6 Funding Memoranda of Understanding (MOUs).

Whenever the Board of Supervisors has ratified by ordinance or resolution Memoranda of Understanding or has not contested an arbitration award with recognized employee organizations and said memoranda or award contains provisions requiring the expenditure of funds, the Controller, on the recommendation of the Human Resources Director, shall reserve sufficient funds to comply with such provisions and such funds are hereby appropriated for such purposes. The Controller is hereby authorized to make such transfers from funds hereby reserved or legally available as may be required to make funds available to departments to carry out the purposes required by the Memoranda of Understanding or arbitration award.

SECTION 10.7 Fringe Benefit Rate Adjustments.

Appropriations herein made for fringe benefits may be adjusted by the Controller to reflect revised amounts required to support adopted or required contribution rates. The Controller is authorized and is hereby directed to transfer between departmental appropriations and the General Reserve or other unappropriated balance of funds any amounts resulting from adopted or required contribution rates and such amounts are hereby appropriated to said accounts.

When the Controller determines that prepayment of the employer share of pension contributions is likely to be fiscally advantageous, the Controller is authorized to adjust appropriations and transfers in order to make and reconcile such prepayments.

SECTION 10.8 Police Department Uniformed Positions.

Positions in the Police Department for each of the various ranks that are filled based on the educational attainment of individual officers may be filled interchangeably at any level within the rank (e.g., Patrol Officer Q2, Q3 or Q4, Sergeant Q50, Q51, Q52). The Controller and Director of Human Resources are hereby authorized to adjust payrolls, salary ordinances and other documents, where necessary, to reflect the current status of individual employees; provided however, that nothing in this section shall authorize an increase in the total number of positions allocated to any one rank or to the Police Department.

SECTION 10.9 Holidays, Special Provisions.

Whenever any day is declared to be a holiday by proclamation of the Mayor after such day has heretofore been declared a holiday by the Governor of the State of California or the President of the United States, the Controller, with the approval of the Mayor's Office, is hereby authorized to make such transfer of funds not to exceed the actual cost of said holiday from any legally available funds.

SECTION 10.10 Litigation Reserve, Payments.

The Controller is authorized and directed to transfer from the Reserve for Litigation Account for General Fund supported departments or from any other legally available funds for other funds, amounts required to make payments required to settle litigation against the City and County of San Francisco that has been recommended by the City Attorney and approved by the Board of Supervisors in the manner provided in the Charter. Such funds are hereby appropriated for the purposes set forth herein.

SECTION 10.11 Changes in Health Services Eligibility.

Should the Board of Supervisors amend Administrative Code Section 16.700 to change the eligibility in the City's Health Service System, the Controller is authorized and directed to transfer from any legally available funds or the Salary and Fringe Reserve for the amount necessary to provide health benefit coverage not already reflected in the departmental budgets.

SECTION 11. Funds Received for Special Purposes, Trust Funds.

The Controller is hereby authorized and directed to continue the existing special and trust funds, revolving funds, and reserves and the receipts in and expenditures from each such

fund are hereby appropriated in accordance with law and the conditions under which each such fund was established.

The Controller is hereby authorized and directed to set up additional special and trust funds and reserves as may be created by either additional grants and bequests or under other conditions and the receipts in each fund are hereby appropriated in accordance with law for the purposes and subject to the conditions under which each such fund was established.

SECTION 11.1 Special and Trust Funds Appropriated.

Whenever the City and County of San Francisco shall receive for a special purpose from the United States of America, the State of California, or from any public or semi-public agency, or from any private person, firm or corporation, any moneys, or property to be converted into money, the Controller shall establish a special fund or account evidencing the said moneys so received and specifying the special purposes for which they have been received and for which they are held, which said account or fund shall be maintained by the Controller as long as any portion of said moneys or property remains.

Recurring grant funds which are detailed in departmental budget submissions and approved by the Mayor and Board of Supervisors in the annual budget shall be deemed to have met the requirements of Administrative Code Section 10.170 for the approval to apply for, receive and expend said funds and shall be construed to be funds received for a specific purpose as set forth in this section. Positions specifically approved by granting agencies in said grant awards may be filled as though said positions were included in the annual budget and Annual Salary Ordinance, provided however that the tenure of such positions shall be contingent on the continued receipt of said grant funds. Individual grants may be adjusted by the Controller to reflect actual awards made if granting agencies increase or decrease the grant award amounts estimated in budget submissions.

The expenditures necessary from said funds or said accounts as created herein, in order to carry out the purpose for which said moneys or orders have been received or for which said accounts are being maintained, shall be approved by the Controller and said expenditures are hereby appropriated in accordance with the terms and conditions under which said moneys or orders have been received by the City and County of San Francisco, and in accordance with the conditions under which said funds are maintained.

The Controller is authorized to adjust transfers to the San Francisco Capital Planning Fund, established by Administrative Code Section 10.100-286, to account for final capital project planning expenditures reimbursed from approved sale of bonds and other long term financing instruments.

SECTION 11.2 Insurance Recoveries.

Any moneys received by the City and County of San Francisco pursuant to the terms and conditions of any insurance policy are hereby appropriated and made available to the general city or specific departments for associated costs or claims.

SECTION 11.3 Bond Premiums.

Premiums received from the sale of bonds are hereby appropriated for bond interest and redemption purposes of the issue upon which it was received.

SECTION 11.4 Ballot Arguments.

Receipts in and expenditures for payment for the printing of ballot arguments, are hereby appropriated in accordance with law and the conditions under which this appropriation is established.

SECTION 11.5 Tenant Overtime.

Whenever employees of departments are required to work overtime on account of services required by renters, lessees or tenants of City-owned or occupied properties, or recipients of services from City departments, in connection with such properties the cost of such overtime employment shall be collected by the departments from the requesters of said services and shall be deposited with the Treasurer to the credit of departmental appropriations. All moneys deposited therein are hereby appropriated for such purpose.

SECTION 11.6 Refunds.

The Controller is hereby authorized and directed to set up appropriations for refunding amounts deposited in the Treasury in excess of amounts due, and the receipts and expenditures from each are hereby appropriated in accordance with law. Whereby State statute, local ordinance or court order, interest is payable on amounts to be refunded, in the absence of appropriation therefore, such interest is herewith appropriated from the unappropriated interest fund or interest earnings of the fund involved. The Controller is authorized, and funds are hereby appropriated, to refund overpayments and any mandated interest or penalties from State, Federal and local agencies when audits or other financial analyses determine that the City has received payments in excess of amounts due.

SECTION 11.7 Arbitrage.

The Controller is hereby authorized and directed to refund excess interest earnings on bond proceeds (arbitrage) when such amounts have been determined to be due and payable under applicable Internal Revenue Service regulations. Such arbitrage refunds shall be charged in the various bond funds in which the arbitrage earnings were recorded and such funds are hereby appropriated for the purpose.

SECTION 11.8 Damage Recoveries.
