2 The United States Department of Health and Human Services provides funds to the
3 City and County of San Francisco, through the California Department of Social Services, to
4 operate the California Work Opportunity and Responsibility to Kids (CalWORKs) Program.
5 CalWORKs funds include local state dollars as well as federal Temporary Aid to Needy
6 Families (TANF) dollars. With the passage of the American Recovery and Reinvestment Act
7 (ARRA), Congress expanded the kinds of expenses that can be reimbursed with TANF funds.
8 Until September 30, 2010, HSA is now able to claim reimbursement for 80% of expenses
9 associated with subsidized employment programs and related ancillary services for current
10 and former recipients of CalWORKs aid, and families earning income less than 200% of the
11 Federal Poverty Level. TANF is an eligibility-based public assistance program and employers
12 providing work to eligible individuals under this program are program participants, and not
13 contractors or grantees subject to traditional contracting requirements imposed by the City
14 and County of San Francisco.

15 With Ordinance No. 191-09, the Board of Supervisors authorized the Human Services
16 Agency to accept and expend grant funds totaling \$26,505,777. This Ordinance authorizes
17 the Human Services Agency to retroactively accept and expend additional grant funds in the
18 amount of \$20,014,497 for the continued operation of the subsidized employment program
19 known as Jobs NOW, for a total authorized acceptance and expenditure of \$46,520,274.
