18 Be it ordained by the People of the City and County of San Francisco:

19 Section 1. CEQA and Land Use Findings.

20 (a) The Planning Department has determined that the actions contemplated in this  
21 ordinance comply with the California Environmental Quality Act (California Public Resources  
22 Code section 21000 et seq., "CEQA"). Said determination is on file with the Clerk of the  
23 Board of Supervisors in File No. 231045 and is incorporated herein by reference.

24 (b) Pursuant to Planning Code Section 302, the Board of Supervisors finds that the  
25 proposed landmark designation of the Sacred Heart Parish Complex, located at 546-548  
Fillmore Street, 554 Fillmore Street, 735 Fell Street, and 660 Oak Street, Assessor's Parcel  
Block No. 0828, Lot Nos. 12, 21, 22, 22A, will serve the public necessity, convenience, and

1 welfare, for the reasons set forth in Historic Preservation Commission Resolution No. 1345,  
2 recommending approval of the proposed designation, which is incorporated herein by  
3 reference.

4 (c) On September 20, 2023, the Historic Preservation Commission, in Resolution  
5 No. 1345, adopted findings that the actions contemplated in this ordinance are consistent, on  
6 balance, with the City's General Plan and with the eight priority policies of Planning Code  
7 Section 101.1. The Board adopts these findings as its own.

8  
9 Section 2. General Findings.

10 (a) On October 5, 2016, the Historic Preservation Commission adopted Resolution No.  
11 806, initiating landmark designation of the Sacred Heart Parish Complex as a San Francisco  
12 Landmark pursuant to Section 1004.1 of the Planning Code. Said resolution is on file with the  
13 Clerk of the Board in Board File No. 231045 and incorporated herein by reference.

14 (b) Pursuant to Section 4.135 of the Charter of the City and County of San Francisco,  
15 the Historic Preservation Commission has authority "to recommend approval, disapproval, or  
16 modification of landmark designations and historic district designations under the Planning  
17 Code to the Board of Supervisors."

18 (c) Historic preservation consultant Elaine Brown Stiles prepared a Landmark  
19 Designation Report for the Sacred Heart Parish Complex. All preparers meet the Secretary of  
20 the Interior's Professional Qualification Standards for historic preservation program staff, as  
21 set forth in Code of Federal Regulations Title 36, Part 61, Appendix A, and Planning  
22 Department staff reviewed the report for accuracy and conformance with the purposes and  
23 standards of Article 10 of the Planning Code.

1 (d) The Historic Preservation Commission, at its regular meeting of  
2 September 20, 2023, reviewed the analysis of the Sacred Heart Parish Complex's historical  
3 significance set forth in the Landmark Designation Fact Sheet dated September 20, 2023.  
4

5 (e) On September 20, 2023, after holding a public hearing on the proposed  
6 designation, and having considered the specialized analyses prepared by consultants and  
7 Planning Department staff, and the Landmark Designation Fact Sheet dated September 20,  
8 2023, the Historic Preservation Commission recommended designation of the Sacred Heart  
9 Parish Complex as a landmark under Article 10 of the Planning Code in Resolution No. 1345.  
10 Said resolution is on file with the Clerk of the Board in Board File No. 231045.

11 (f) The Board of Supervisors hereby finds that the Sacred Heart Parish Complex has a  
12 special character and special historical, architectural, and aesthetic interest and value, and  
13 that its designation as a Landmark will further the purposes of and conform to the standards  
14 set forth in Article 10 of the Planning Code. In doing so, the Board hereby incorporates by  
15 reference the findings of the Landmark Designation Fact Sheet dated September 20, 2023.

16 (g) This ordinance includes the elevated, enclosed bridge connecting the Parish  
17 Complex Rectory to the choir loft of the Church as a character-defining feature of the  
18 Landmark site. This enclosed bridge was constructed during the Landmark's initial period of  
19 significance (1891-1936) and is a prominent feature of the Complex's exterior elevations  
20 along Fillmore Street.

21 (h) This ordinance lists certain interior character-defining features of the Landmark  
22 site. The interior features described in subsection 4(c)(2) of this ordinance are associated with  
23 areas of the Church building that have historically been accessible to the public and are  
24 prominent features of the Landmark's interior.  
25

1           (i) The Board of Supervisors finds that, notwithstanding the designation of the Sacred  
2 Heart Parish Complex as a Landmark, the extant stained glass windows in the north and  
3 south nave elevations of the Church building, and the bell located in the campanile of the  
4 Church building, may be retained and exhibited, or otherwise used, elsewhere on the  
5 Landmark site, subject to approval of a Certificate of Appropriateness by the Historic  
6 Preservation Commission.

7  
8           Section 3. Designation.

9           Pursuant to Section 1004 of the Planning Code, the Sacred Heart Parish Complex,  
10 located at 546-548 Fillmore Street, 554 Fillmore Street, 735 Fell Street, and 660 Oak Street,  
11 Assessor's Parcel Block No. 0828, Lot Nos. 21, 22, 22A, and 12, in, is hereby designated as a  
12 San Francisco Landmark under Article 10 of the Planning Code. Appendix A to Article 10 of  
13 the Planning Code is hereby amended to include this property.

14  
15           Section 4. Required Data.

16           (a) The description, location, and boundary of the Landmark site consists of the parcel  
17 located at 546-548 Fillmore Street, 554 Fillmore Street, 735 Fell Street, and 660 Oak Street,  
18 Assessor's Parcel Block No. 0828, Lot Nos. 21, 22, 22A and 12, in in San Francisco's  
19 Western Addition neighborhood.

20           (b) The characteristics of the Landmark that justify its designation are described and  
21 shown in the Landmark Designation Fact Sheet dated ~~October 5, 2016~~September 20, 2023  
22 and other supporting materials contained in Planning Department Case No. 2015-  
23 005890DES. In brief, the Sacred Heart Parish Complex is eligible for local designation under  
24 National Register of Historic Places Criteria A (associated with events that have made a  
25 significant contribution to the broad patterns of our history), B (associated with a significant

1 person; and embodies distinctive characteristics of a type, period, or method of construction),  
2 and C (represents the work of a master architect). Under Criterion A, designation of Sacred  
3 Heart Parish Complex is proper due to its association with the growth and development of the  
4 Western Addition and Catholic religious institutions in San Francisco in the late nineteenth  
5 and early twentieth centuries. Under Criterion B, its designation is proper because of its  
6 association with prominent and influential civil rights activist Father Eugene Boyle, pastor of  
7 the church from 1968 to 1972. Under Criterion C, it is proper as a distinctive and  
8 well-executed example of a Romanesque Revival-style Catholic parish grouping and for its  
9 association with master architect Thomas J. Welsh.

10 (c) The particular features that shall be preserved, or where the City determines it is  
11 necessary due to deterioration of the feature, repaired or replaced in-kind-as-determined  
12 necessary, are those generally shown in photographs and described in the Landmark  
13 Designation Fact Sheet dated September 20, 2023, which can be found in Planning  
14 Department Case No. 2015-005890DES, and which are incorporated in this designation by
