

1 [Planning Code - Eastern Neighborhoods Code Cleanup]

2

3 **Ordinance amending various sections of the San Francisco Planning Code to: 1)**
 4 **improve the City’s ability to implement the goals, objectives, and policies of the**
 5 **Eastern Neighborhoods Plan; 2) make technical corrections to the Code; 3) update land**
 6 **use tables in the Eastern Neighborhoods; 4) clarify language for affordable housing**
 7 **tiers and the use of historic buildings in the UMU District; 5) clarify permitted**
 8 **modifications for large project authorizations in the Eastern Neighborhoods; and 6)**
 9 **making environmental findings, Planning Code Section 302 findings, and findings of**
 10 **consistency with the General Plan, and the Priority Policies of Planning Code Section**
 11 **101.1.**

12 NOTE: Additions are *single-underline italics Times New Roman*;
 13 Deletions are ~~*strike-through italics Times New Roman*~~.
 14 Board amendment additions are double-underlined;
 Board amendment deletions are ~~strikethrough-normal~~.

15 Be it ordained by the People of the City and County of San Francisco:

16 Section 1. Findings.

17 (a) The Planning Department has determined that the actions contemplated in this
 18 Ordinance are in compliance with the California Environmental Quality Act (California Public
 19 Resources Code sections 21000 et seq.). Said determination is on file with the Clerk of the
 20 Board of Supervisors in File No. _____ and is incorporated herein by reference.

21 (b) On _____, 2011, the Planning Commission, in Resolution No.
 22 _____ approved and recommended this legislation for adoption by the Board of
 23 Supervisors and adopted findings that it is consistent, on balance, with the City's General
 24 Plan and eight priority policies of Planning Code Section 101.1. The Board adopts these
 25

1 findings as its own. A copy of said Resolution is on file with the Clerk of the Board of
2 Supervisors in File No. _____, and is incorporated herein by reference.

3 (c) Pursuant to Planning Code Section 302, this Board of Supervisors finds that this
4 legislation will serve the public necessity, convenience, and welfare for the reasons set forth in
5 Planning Commission Resolution No. _____, and incorporates such reasons herein
6 by reference.
7

8 Section 2. The San Francisco Planning Code is hereby amended by amending Sections
9 102.5, 121.8, 134, 135, 140, 145.1, 145.5, 151.1, 157.1, 175.8, 207.1, 218, 227, 231A,
10 249.36, 249.37, 249.38, 329, 352, 401, 411.3, 419.2, 419.5, 423.5, 607.2, 726, 734, 735, 736,
11 736.1, 781.5, 803.3, 803.8, 803.9, 814.31, 814.49, 840, 841, 842, 843, 890.49, 890.54, to
12 read as follows:

13 **SEC. 102.5. DISTRICT.**

14 A portion of the territory of the City, as shown on the Zoning Map, within which certain
15 regulations and requirements or various combinations thereof apply under the provisions of
16 this Code. The term "district" shall include any use, special use, height and bulk, or special
17 sign district. The term "R District" shall mean any RH-1(D), RH-1, RH-1(S), RH-2, RH-3, RM-
18 1, RM-2, RM-3, RM-4, RTO, RTO-M, RC-1, RC-2, RC-3, RC-4 or RED District. The term "C
19 District" shall mean any C-1, C-2, C-3, or C-M District. The term "RTO District" shall be that
20 subset of R Districts which are the RTO and RTO-M District. The term "M District" shall mean
21 any M-1 or M-2 District. The term "PDR District" shall mean any PDR-1-B, PDR-1-D, PDR-1-
22 G, or PDR-2 District. The term "RH District" shall mean any RH-1(D), RH-1, RH-1(S), RH-2, or
23 RH-3 District. The term "RM District" shall mean any RM-1, RM-2, RM-3, or RM-4 District. The
24 term "RC District" shall mean any RC-1, RC-2, RC-3, or RC-4 District. The term "C-3 District"
25 shall mean any C-3-O, C-3-R, C-3-G, or C-3-S District. For the purposes of Section 128 and

1 Article 11 of this Code, the term "C-3 District" shall also include the Extended Preservation
2 District designated on Section Map 3SU of the Zoning Map. The term "NC District" shall mean
3 any NC-1, NC-2, NC-3, NC-T, NC-S, and any Neighborhood Commercial District and
4 Neighborhood Commercial Transit District identified by street or area name in Section 702.1.
5 The term "NCT" shall mean any district listed in Section 702.1(b), including any NCT-1, NCT-
6 2, NCT-3 and any Neighborhood Commercial Transit District identified by street or area name.
7 The term "Mixed Use" District shall mean all Chinatown Mixed Use, South of Market Mixed
8 Use, Eastern Neighborhoods Mixed Use, and Downtown Residential Districts. The term
9 "Chinatown Mixed Use District" shall mean any Chinatown CB, Chinatown VR, or Chinatown
10 R/NC District named in Section 802.1. The term "South of Market Mixed Use Districts" shall
11 refer to all RED, RSD, SLR, SLI, or SSO Districts named in Section 802.1. The term "Eastern
12 Neighborhoods Mixed Use Districts" shall refer to all SPD, MUG, MUO, MUR, and UMU
13 Districts named in Section 802.1. The term "DTR District" or "Downtown Residential District"
14 shall refer to any Downtown Residential District identified by street or area name in Section
15 825, 827, 828, and 829.

16 **SEC. 121.8. USE SIZE LIMITS (NON-RESIDENTIAL), PDR-1-B AND PDR-2 DISTRICTS.**

17 In order to preserve land and building space for light industrial activities, non-accessory
18 retail and office uses that exceed the square footage stated in the table below shall not be
19 permitted in PDR-1-B and PDR-2 Districts. The use area shall be measured as the occupied
20 floor area of all retail or offices activities on a lot, as defined in the land use controls for PDR
21 Districts in Section 218 (Retail Sales and Personal Services) and Section 219 (Offices) of this
22 Code. Additionally, a cumulative use size maximum applies in PDR-1-B and PDR-2 Districts,
23 such that the combined floor area of any and all uses permitted by Sections 218 and 219 may
24 not exceed the limits stated in the table below for any given lot.

25 These use size maximum limits shall not apply to accessory uses, as defined in Section 204.3

1 of this Code.

District	Cumulative Use Size Limit, All Uses per Section 218	Cumulative Use Size Limit, All Uses per Section 219	Total Size Maximum. All Uses per Sections 218 and 219 Combined
PDR-1-B	2,500 sq. ft.	5,000 sq. ft.	7,500 sq. ft.
PDR-2	2,500 sq. ft.	5,000 sq. ft.	5,000 sq. ft.

8 **SEC. 134. REAR YARDS, R, NC, C, SPD, M, MUG, MUO, MUR, UMU, RSD, SLR, SLI AND**
9 **SSO DISTRICTS.**

10
11 The rear yard requirements established by this Section 134 shall apply to every
12 building in an R, NC-1, NC-2 District or Individual Neighborhood Commercial District as noted
13 in Subsection (a), except those buildings which contain only single room occupancy (SRO) or
14 live/work units and except in the Bernal Heights Special Use District and Residential
15 Character Districts to the extent these provisions are inconsistent with the requirements set
16 forth in Section 242 of this Code. With the exception of dwellings in the South of Market Mixed
17 Use and Eastern Neighborhoods Mixed Use Districts containing only SRO units, the rear yard
18 requirements of this Section 134 shall also apply to every dwelling in a(n) MUG, MUO, MUR,
19 UMU, SPD, RSD, SLR, SLI, SSO, NC-2, NCT-1, NCT-2, NC-3, NCT-3, Individual Area
20 Neighborhood Commercial Transit District, Individual Neighborhood Commercial District as
21 noted in Subsection (a), C or M District. Rear yards shall not be required in NC-S Districts.
22 These requirements are intended to assure the protection and continuation of established
23 midblock, landscaped open spaces, and maintenance of a scale of development appropriate
24 to each district, consistent with the location of adjacent buildings.
25

1 (a) **Basic Requirements.** The basic rear yard requirements shall be as follows for the
2 districts indicated:

3 (1) **RH-1(D), RH-1, RH-1(S), RM-3, RM-4, RC-1, RC-2, RC-3, RC-4, NC, C, M, MUG,**
4 **MUO, MUR, UMU, RED, SPD, RSD, SLR, SLI and SSO Districts.** The minimum rear yard
5 depth shall be equal to 25 percent of the total depth of the lot on which the building is situated,
6 but in no case less than 15 feet. For buildings containing only SRO units in the South of
7 Market Mixed Use and Eastern Neighborhoods Mixed Use Districts, the minimum rear yard
8 depth shall be equal to 25 percent of the total depth of the lot on which the building is situated,
9 but the required rear yard of SRO buildings not exceeding a height of 65 feet shall be reduced
10 in specific situations as described in Subsection (c) below.

11 (A) **RH-1(D), RH-1, RH-1(S), RM-3, RM-4, RC-1, NC-1, NCT-1, Inner Sunset, Outer**
12 **Clement Street, Haight Street, Sacramento Street, 24th Street-Noe Valley, and West**
13 **Portal Avenue Districts.** Rear yards shall be provided at grade level and at each succeeding
14 level or story of the building.

15 (B) **NC-2, NCT-2, Ocean Avenue, Castro Street, Inner Clement Street, Upper**
16 **Fillmore Street, North Beach, Union Street, Valencia Street, 24th Street-Mission**
17 **Districts.** Rear yards shall be provided at the second story, and at each succeeding story of
18 the building, and at the first story if it contains a dwelling unit.

19 [DIAGRAM: OMITTED BUT NOT TO BE DELETED]

20
21 (C) **RC-2, RC-3, RC-4, NC-3, NCT-3, Broadway, Hayes-Gough, Upper Market Street,**
22 **SoMa, Mission Street, Polk Street, C, M, RED, SPD, RSD, SLR, SLI, SSO, MUR, MUG,**
23 **MUO, and UMU Districts.** Rear yards shall be provided at the lowest story containing a
24 dwelling unit, and at each succeeding level or story of the building.

25 (D) **Upper Market NCT and Upper Market NCD.** Rear yards shall be provided at the

1 grade level, and at each succeeding story of the building. For buildings in the Upper Market
2 NCT that do not contain residential uses and that do not abut adjacent lots with an existing
3 pattern of rear yards or mid-block open space, the Zoning Administrator may waive or reduce
4 this rear yard requirement pursuant to the procedures of subsection (e).

5 (2) **RH-2, RH-3, RTO, RTO-M, RM-1 and RM-2 Districts.** The minimum rear yard depth
6 shall be equal to 45 percent of the total depth of the lot on which the building is situated,
7 except to the extent that a reduction in this requirement is permitted by Subsection (c) below.
8 Rear yards shall be provided at grade level and at each succeeding level or story of the
9 building.

10 [DIAGRAM: OMITTED BUT NOT TO BE DELETED]

11 (b) **Permitted Obstructions.** Only those obstructions specified in Section 136 of this
12 Code shall be permitted in a required rear yard, and no other obstruction shall be constructed,
13 placed or maintained within any such yard. No motor vehicle, trailer, boat or other vehicle
14 shall be parked or stored within any such yard, except as specified in Section 136.

15 (c) **Reduction of Requirements in RH-2, RH-3, RTO, RTO-M, RM-1 and RM-2**
16 **Districts.** The rear yard requirement stated in Paragraph (a)(2) above, for RH-2, RH-3, RTO,
17 RTO-M, RM-1 and RM-2 Districts, and as stated in Paragraph (a)(1) above, for single room
18 occupancy buildings located in either the South of Market Mixed Use or Eastern
19 Neighborhoods Mixed Use Districts not exceeding a height of 65 feet, shall be reduced in
20 specific situations as described in this Subsection (c), based upon conditions on adjacent lots.
21 Except for those SRO buildings referenced above in this paragraph whose rear yard can be
22 reduced in the circumstances described in Subsection (c) to a 15-foot minimum, under no
23 circumstances, shall the minimum rear yard be thus reduced to less than a depth equal to 25
24 percent of the total depth of the lot on which the building is situated, or to less than 15 feet,
25 whichever is greater.

1 (1) **General Rule.** In such districts, the forward edge of the required rear yard shall be
2 reduced to a line on the subject lot, parallel to the rear lot line of such lot, which is an average
3 between the depths of the rear building walls of the two adjacent buildings. Except for single
4 room occupancy buildings in the South of Market Mixed Use Districts, in any case in which a
5 rear yard requirement is thus reduced, the last 10 feet of building depth thus permitted on the
6 subject lot shall be limited to a height of 30 feet, measured as prescribed by Section 260 of
7 this Code, or to such lesser height as may be established by Section 261 of this Code.

8 (2) **Alternative Method of Averaging.** If, under the rule stated in Paragraph (c)(1)
9 above, a reduction in the required rear yard is permitted, the reduction may alternatively be
10 averaged in an irregular manner; provided that the area of the resulting reduction shall be no
11 more than the product of the width of the subject lot along the line established by Paragraph
12 (c)(1) above times the reduction in depth of rear yard permitted by Paragraph (c)(1); and
13 provided further that all portions of the open area on the part of the lot to which the rear yard
14 reduction applies shall be directly exposed laterally to the open area behind the adjacent
15 building having the lesser depth of its rear building wall.

16 (3) **Method of Measurement.** For purposes of this Subsection (c), an "adjacent
17 building" shall mean a building on a lot adjoining the subject lot along a side lot line. In all
18 cases the location of the rear building wall of an adjacent building shall be taken as the line of
19 greatest depth of any portion of the adjacent building which occupies at least ½ the width
20 between the side lot lines of the lot on which such adjacent building is located, and which has
21 a height of at least 20 feet above grade, or two stories, whichever is less, excluding all
22 permitted obstructions listed for rear yards in Section 136 of this Code. Where a lot adjoining
23 the subject lot is vacant, or contains no dwelling or group housing structure, or is located in an
24 RH-1(D), RH-1, RH-1(S), RM-3, RM-4, RC, RED, SPD, RSD, SLR, SLI, SSO, NC, C, M or P
25 District, such adjoining lot shall, for purposes of the calculations in this Subsection (c), be

1 considered to have an adjacent building upon it whose rear building wall is at a depth equal to
2 75 percent of the total depth of the subject lot.

3 (4) **Applicability to Special Lot Situations.** In the following special lot situations, the
4 general rule stated in Paragraph (c)(1) above shall be applied as provided in this Paragraph
5 (c)(4), and the required rear yard shall be reduced if conditions on the adjacent lot or lots so
6 indicate and if all other requirements of this Section 134 are met.

7 [DIAGRAMS: OMITTED BUT NOT TO BE DELETED]

8 (A) **Corner Lots and Lots at Alley Intersections.** On a corner lot as defined by this
9 Code, or a lot at the intersection of a street and an alley or two alleys, the forward edge of the
10 required rear yard shall be reduced to a line on the subject lot which is at the depth of the rear
11 building wall of the one adjacent building.

12 (B) **Lots Abutting Properties with Buildings that Front on Another Street or Alley.**
13 In the case of any lot that abuts along one of its side lot lines upon a lot with a building that
14 fronts on another street or alley, the lot on which it so abuts shall be disregarded, and the
15 forward edge of the required rear yard shall be reduced to a line on the subject lot which is at
16 the depth of the rear building wall of the one adjacent building fronting on the same street or
17 alley. In the case of any lot that abuts along both its side lot lines upon lots with buildings that
18 front on another street or alley, both lots on which it so abuts shall be disregarded, and the
19 minimum rear yard depth for the subject lot shall be equal to 25 percent of the total depth of
20 the subject lot, or 15 feet, whichever is greater.

21 (C) **Through Lots Abutting Properties that Contain Two Buildings.** Where a lot is a
22 through lot having both its front and its rear lot line along streets, alleys, or a street and an
23 alley, and both adjoining lots are also through lots, each containing two dwellings or group
24 housing structures that front at opposite ends of the lot, the subject through lot may also have
25 two buildings according to such established pattern, each fronting at one end of the lot,

1 provided all the other requirements of this Code are met. In such cases the rear yard required
2 by this Section 134 for the subject lot shall be located in the central portion of the lot, between
3 the two buildings on such lot, and the depth of the rear wall of each building from the street or
4 alley on which it fronts shall be established by the average of the depths of the rear building
5 walls of the adjacent buildings fronting on that street or alley. In no case, however, shall the
6 total minimum rear yard for the subject lot be thus reduced to less than a depth equal to 25
7 percent of the total depth of the subject lot, or to less than 15 feet, whichever is greater.
8 Furthermore, in all cases in which this Subparagraph (c)(4)(C) is applied, the requirements of
9 Section 132 of this Code for front setback areas shall be applicable along both street or alley
10 frontages of the subject through lot.

11 [DIAGRAMS: OMITTED BUT NOT TO BE DELETED]

12 (d) **Reduction of Requirements in C-3 Districts.** In C-3 Districts, an exception to the
13 rear yard requirements of this Section may be allowed, in accordance with the provisions of
14 Section 309, provided that the building location and configuration assure adequate light and
15 air to windows within the residential units and to the usable open space provided.

16 [DIAGRAM: OMITTED BUT NOT TO BE DELETED]

17 (e) **Modification of Requirements in NC and South of Market Mixed Use Districts.**
18 The rear yard requirements in NC and South of Market Mixed Use Districts may be modified
19 or waived in specific situations as described in this Subsection (e).

20 (1) **General.** The rear yard requirement in NC Districts may be modified or waived by the
21 Zoning Administrator pursuant to the procedures which are applicable to variances, as set
22 forth in Sections 306.1 through 306.5 and 308.2, in the case of NC Districts, and in
23 accordance with Section 307(g), in the case of South of Market Mixed Use Districts if all of the
24 following criteria are met for both NC and South of Market Mixed Use Districts:

25 (A) Residential uses are included in the new or expanding development and a

1 comparable amount of usable open space is provided elsewhere on the lot or within the
2 development where it is more accessible to the residents of the development; and

3 (B) The proposed new or expanding structure will not significantly impede the access of
4 light and air to and views from adjacent properties; and

5 (C) The proposed new or expanding structure will not adversely affect the interior block
6 open space formed by the rear yards of adjacent properties.

7 (2) **Corner Lots and Lots at Alley Intersections.** On a corner lot as defined by this
8 Code, or on a lot at the intersection of a street and an alley of at least 25 feet in width, the
9 required rear yard may be substituted with an open area equal to 25 percent of the lot area
10 which is located at the same levels as the required rear yard in an interior corner of the lot, an
11 open area between two or more buildings on the lot, or an inner court, as defined by this
12 Code, provided that the Zoning Administrator determines that all of the criteria described
13 below in this Paragraph are met.

14 (A) Each horizontal dimension of the open area shall be a minimum of 15 feet.

15 (B) The open area shall be wholly or partially contiguous to the existing midblock open
16 space formed by the rear yards of adjacent properties.

17 (C) The open area will provide for the access to light and air to and views from adjacent
18 properties.

19 (D) The proposed new or expanding structure will provide for access to light and air from
20 any existing or new residential uses on the subject property.

21 The provisions of this Paragraph 2 of Subsection (e) shall not preclude such additional
22 conditions as are deemed necessary by the Zoning Administrator to further the purposes of
23 this Section.

24 (f) **Modification of Requirements in the Eastern Neighborhoods Mixed Use**
25 **Districts.** The rear yard requirement in Eastern Neighborhoods Mixed Use Districts may be

1 modified or waived by the Planning Commission pursuant to Section 329, and modified by the
2 Zoning Administrator pursuant to the procedures ~~and criteria~~ set forth in Section 307(h) for
3 other projects, provided that:

4 (1) ~~Residential uses are included in the new or expanding development and a comparable amount~~
5 ~~of readily accessible usable open space is provided elsewhere on the lot or within the development~~ A
6 comparable, but not necessarily equal amount of square footage as would be created in a code
7 conforming rear yard is provided elsewhere within the development;

8 (2) The proposed new or expanding structure will not significantly impede the access to
9 light and air from adjacent properties or adversely affect the interior block open space formed by the
10 rear yards of adjacent properties; and

11 (3) ~~The proposed new or expanding structure will not adversely affect the interior block open~~
12 ~~space formed by the rear yards of adjacent properties~~ The modification request is not combined with
13 any other residential open space modification or exposure variance for the project, except exposure
14 modifications in designated landmark buildings under Section 307(h)(1).

15 (g) **Reduction of Requirements in the North of Market Residential Special Use**
16 **District.** The rear yard requirement may be substituted with an equivalent amount of open
17 space situated anywhere on the site, provided that the Zoning Administrator determines that
18 all of the following criteria are met:

19 (1) The substituted open space in the proposed new or expanding structure will improve
20 the access of light and air to and views from existing abutting properties; and

21 (2) The proposed new or expanding structure will not adversely affect the interior block
22 open space formed by the rear yards of existing abutting properties.

23 This provision shall be administered pursuant to the notice and hearing procedures which
24 are applicable to variances as set forth in Sections 306.1 through 306.5 and 308.2.

25 [DIAGRAMS: OMITTED BUT NOT TO BE DELETED]

1 **SEC. 135. USABLE OPEN SPACE FOR DWELLING UNITS AND GROUP HOUSING, R,**
2 **NC, MIXED USE, C, AND M DISTRICTS.**

3 Except as provided in Sections 134.1, 172 and 188 of this Code, usable open space shall
4 be provided for each dwelling and each group housing structure in R, NC, C, Mixed Use, and
5 M Districts according to the standards set forth in this Section unless otherwise specified in
6 specific district controls elsewhere in this Code.

7 (a) **Character of Space Provided.** Usable open space shall be composed of an outdoor
8 area or areas designed for outdoor living, recreation or landscaping, including such areas on
9 the ground and on decks, balconies, porches and roofs, which are safe and suitably surfaced
10 and screened, and which conform to the other requirements of this Section. Such area or
11 areas shall be on the same lot as the dwelling units (or bedrooms in group housing) they
12 serve, and shall be designed and oriented in a manner that will make the best practical use of
13 available sun and other climatic advantages. "Private usable open space" shall mean an area
14 or areas private to and designed for use by only one dwelling unit (or bedroom in group
15 housing). "Common usable open space" shall mean an area or areas designed for use jointly
16 by two or more dwelling units (or bedrooms in group housing).

17 (b) **Access.** Usable open space shall be as close as is practical to the dwelling unit (or
18 bedroom in group housing) for which it is required, and shall be accessible from such dwelling
19 unit or bedroom as follows:

20 (1) Private usable open space shall be directly and immediately accessible from such
21 dwelling unit or bedroom; and shall be either on the same floor level as such dwelling unit or
22 bedroom, with no more than one story above or below such floor level with convenient private
23 access.

24 (2) Common usable open space shall be easily and independently accessible from such
25 dwelling unit or bedroom, or from another common area of the building or lot.

1 (c) **Permitted Obstructions.** In the calculation of either private or common usable open
2 space, those obstructions listed in Sections 136 and 136.1 of this Code for usable open space
3 shall be permitted.

4 (d) **Amount Required.** Usable open space shall be provided for each building in the
5 amounts specified herein and in Table 135 for the district in which the building is located;
6 ~~provided, however, that in the Downtown Residential (DTR) Districts, open space shall be provided in~~
7 ~~the amounts specified in Section 825.~~

8 In Neighborhood Commercial Districts, the amount of usable open space to be provided
9 shall be the amount required in the nearest Residential District, but the minimum amount of
10 open space required shall be in no case greater than the amount set forth in Table 135A for
11 the district in which the building is located. The distance to each Residential District shall be
12 measured from the midpoint of the front lot line or from a point directly across the street there
13 from, whichever requires less open space.

14 (1) For dwellings other than ~~those specified in SRO dwellings, except as provided in~~
15 Paragraphs (d)(23) ~~through (d)(5)~~ below, the minimum amount of usable open space to be
16 provided for use by each dwelling unit shall be as specified in the second column of Table
17 135A if such usable open space is all private. Where common usable open space is used to
18 satisfy all or part of the requirement for a dwelling unit, such common usable open space shall
19 be provided in an amount equal to 1.33 square feet for each one square foot of private usable
20 open space specified in the second column of Table 135A. In such cases, the balance of the
21 required usable open space may be provided as private usable open space, with full credit for
22 each square foot of private usable open space so provided.

23 (2) For group housing structures and SRO units, the minimum amount of usable open
24 space provided for use by each bedroom or SRO unit shall be 1/3 the amount required for a
25 dwelling unit as specified in Paragraphs (d)(1) above and (d)(4) and (d)(5), below. For purposes

1 of these calculations, the number of bedrooms on a lot shall in no case be considered to be
2 less than one bedroom for each two beds. Where the actual number of beds exceeds an
3 average of two beds for each bedroom, each two beds shall be considered equivalent to one
4 bedroom.

5 (3) For dwellings specifically designed for and occupied by senior citizens or physically
6 handicapped persons, as defined and regulated by Section 209.1(m) of this Code, the
7 minimum amount of usable open space to be provided for use by each dwelling unit shall be
8 ½ the amount required for each dwelling unit as specified in Paragraph (d)(1) above.

9 (4) **DTR Districts.** For all residential uses, 75 square feet of open space is required per
10 dwelling unit. All residential open space must meet the provisions described in this Section
11 unless otherwise established in this subsection or in Section 825 or a Section governing an
12 individual DTR District. Open space requirements may be met with the following types of open
13 space: "private usable open space" as defined in Section 135(a) of this Code, "common
14 usable open space" as defined in Section 135(a) of this Code, and "publicly accessible open
15 space" as defined in subsection (h) below. At least 40 percent of the residential open space is
16 required to be common to all residential units. Common usable open space is not required to
17 be publicly-accessible. Publicly-accessible open space, including off-site open space
18 permitted by subsection (i) below and by Section 827(a)(9), meeting the standards of
19 subsection (h) may be considered as common usable open space. For residential units with
20 direct access from the street, building setback areas that meet the standards of Section 145.1
21 and the Ground Floor Residential Design Guidelines may be counted toward the open space
22 requirement as private non-common open space.

23 (5) *Eastern Neighborhoods Mixed Use Districts.* The minimum amount of usable open space to
24 be provided for use by each dwelling unit shall be as specified in Table 135B. For group housing
25 structures and SRO units, the minimum amount of usable open space provided for use by each bedroom

1 *shall be 1/3 the amount required for a dwelling unit as specified in Table 135B.*

<p>TABLE 135B</p> <p>MINIMUM USABLE OPEN SPACE FOR DWELLING UNITS AND GROUP HOUSING IN THE EASTERN NEIGHBORHOODS MIXED USE DISTRICTS</p>
--

Square feet of usable open space per dwelling unit, if not publicly accessible	Square feet of usable open space per dwelling unit, if publicly accessible	Percent of open space that may be provided off site
80 square feet	54 square feet	50%

(e) **Slope.** The slope of any area credited as either private or common usable open space shall not exceed five percent.

(f) **Private Usable Open Space: Additional Standards.**

(1) **Minimum Dimensions and Minimum Area.** Any space credited as private usable open space shall have a minimum horizontal dimension of six feet and a minimum area of 36 square feet if located on a deck, balcony, porch or roof, and shall have a minimum horizontal dimension of 10 feet and a minimum area of 100 square feet if located on open ground, a terrace or the surface of an inner or outer court.

(2) **Exposure.** In order to be credited as private usable open space, an area must be kept open in the following manner:

(A) For decks, balconies, porches and roofs, at least 30 percent of the perimeter must be unobstructed except for necessary railings.

(B) In addition, the area credited on a deck, balcony, porch or roof must either face a street, face or be within a rear yard, or face or be within some other space which at the level of the private usable open space meets the minimum dimension and area requirements for common usable open space as specified in Paragraph 135(g)(1) below.

[DIAGRAMS: OMITTED BUT NOT TO BE DELETED]

(C) Areas within inner and outer courts, as defined by this Code, must either conform to the standards of Subparagraph (f)(2)(B) above or be so arranged that the height of the walls

1 and projections above the court on at least three sides (or 75 percent of the perimeter,
2 whichever is greater) is such that no point on any such wall or projection is higher than one
3 foot for each foot that such point is horizontally distant from the opposite side of the clear
4 space in the court, regardless of the permitted obstruction referred to in Subsection 135(c)
5 above.

6 (3) **Fire Escapes as Usable Open Space.** Normal fire escape grating shall not be
7 considered suitable surfacing for usable open space. The steps of a fire escape stairway or
8 ladder, and any space less than six feet deep between such steps and a wall of the building,
9 shall not be credited as usable open space. But the mere potential use of a balcony area for
10 an emergency fire exit by occupants of other dwelling units (or bedrooms in group housing)
11 shall not prevent it from being credited as usable open space on grounds of lack of privacy or
12 usability.

13 (4) **Use of Solariums.** In C-3 Districts, the area of a totally or partially enclosed solarium
14 shall be credited as private usable open space if (i) such area is open to the outdoors through
15 openings or clear glazing on not less than 50 percent of its perimeter and (ii) not less than 30
16 percent of its overhead area and 25 percent of its perimeter are open or can be opened to the
17 air.

18 (g) **Common Usable Open Space: Additional Standards.**

19 (1) **Minimum Dimensions and Minimum Area.** Any space credited as common usable
20 open space shall be at least 15 feet in every horizontal dimension and shall have a minimum
21 area of 300 square feet.

22 (2) **Use of Inner Courts.** The area of an inner court, as defined by this Code, may be
23 credited as common usable open space, if the enclosed space is not less than 20 feet in
24 every horizontal dimension and 400 square feet in area; and if (regardless of the permitted
25 obstructions referred to in Subsection 135(c) above) the height of the walls and projections

1 above the court on at least three sides (or 75 percent of the perimeter, whichever is greater) is
2 such that no point on any such wall or projection is higher than one foot for each foot that
3 such point is horizontally distant from the opposite side of the clear space in the court.

4 [DIAGRAMS: OMITTED BUT NOT TO BE DELETED]

5 (3) **Use of Solariums.** The area of a totally or partially enclosed solarium may be
6 credited as common usable open space if the space is not less than 15 feet in every
7 horizontal dimension and 300 square feet in area; and if such area is exposed to the sun
8 through openings or clear glazing on not less than 30 percent of its perimeter and 30 percent
9 of its overhead area.

10 (h) **Publicly-Accessible Usable Open Space Standards:** In DTR Districts and the
11 Eastern Neighborhoods Mixed Use Districts, any space credited as publicly-accessible usable
12 open space, where permitted or required by this Code, shall meet the following standards:

13 (1) Open space shall be of one or more of the following types:

14 (A) An unenclosed park or garden at street grade or following the natural topography,
15 including improvements to hillsides or other unimproved public areas;

16 (B) An unenclosed plaza at street grade, with seating areas and landscaping and no
17 more than 10 percent of the total floor area devoted to facilities for food or beverage service,
18 exclusive of seating areas as regulated in Subsection (2)(d), below;

19 (C) An unenclosed pedestrian pathway which complies with the standards of Section
20 270.2 and which is consistent with applicable design guidelines.

21 (D) Streetscape improvements with landscaping and pedestrian amenities that result in
22 additional pedestrian space beyond the pre-existing sidewalk width and conform to the Better
23 Streets Plan and any other applicable neighborhood streetscape plans per Section 138.1 or
24 other related policies such as those associated with sidewalk widenings or building setbacks,
25 other than those intended by design for the use of individual ground floor residential units; and

1 (2) Open space shall meet the following standards:

2 (A) Be in such locations and provide such ingress and egress as will make the area
3 convenient, safe, secure and easily accessible to the general public;

4 (B) Be appropriately landscaped;

5 (C) Be protected from uncomfortable winds;

6 (D) Incorporate ample seating. Any seating which is provided shall be available for public
7 use and may not be exclusively reserved or dedicated for any food or beverage services
8 located within the open space;

9 (E) Be well signed and accessible to the public during daylight hours;

10 (F) Be well lit if the area is of the type requiring artificial illumination;

11 (G) Be designed to enhance user safety and security;

12 (H) Be of sufficient size to be attractive and practical for its intended use; and

13 (I) Have access to drinking water and toilets if feasible and appropriate.

14 (3) **Maintenance:** Open spaces shall be maintained at no public expense. The owner of
15 the property on which the open space is located shall maintain it by keeping the area clean
16 and free of litter and keeping in a healthy state any plant material that is provided. Conditions
17 intended to assure continued maintenance of the open space for the actual lifetime of the
18 building giving rise to the open space requirement may be imposed by the Commission or
19 Department pursuant to applicable procedures in this Code.

20 (4) **Informational Plaque:** Prior to issuance of a permit of occupancy, a plaque shall be
21 placed in a publicly conspicuous location outside the building at street level, or at the site of
22 any publicly-accessible open space. The plaque shall identify said open space feature and its
23 location, stating the right of the public to use the space and the hours of use, describing its
24 principal required features (e.g., number of seats or other defining features) and stating the
25 name, telephone number, and address of the owner or owner's agent responsible for

1 maintenance. The plaque shall be of no less than 24 inches by 36 inches in size unless
2 specifically reduced by the Zoning Administrator in cases where the nature, size, or other
3 constraints of the open space would make the proscribed dimensions inappropriate.

4 (5) Property owners providing open space under this section will hold harmless the City
5 and County of San Francisco, its officers, agents and employees, from any damage or injury
6 caused by the design, construction, use, or maintenance of open space. Property owners are
7 solely liable for any damage or loss occasioned by any act or negligence in respect to the
8 design, construction, use, or maintenance of the open space.

9 (i) **Off-Site Provision of Required Usable Open Space.**

10 (1) **Eastern Neighborhoods Mixed Use Districts.** In the Eastern Neighborhoods Mixed
11 Use Districts, the provision of off-site publicly accessible open space may be credited toward
12 the residential usable open space requirement, subject to Section 329 for projects to which
13 that Section applies and Section 307(h) for other projects. Any such space shall meet the
14 publicly accessible open space standards set forth in Section 135(h) and be provided within
15 800 feet of the project. No more than 50 percent of a project's required usable open space
16 shall be off-site. The publicly accessible off-site usable open space shall be constructed,
17 completed, and ready for use no later than the project itself, and shall receive its Certificate of
18 Final Completion from the Department of Building Inspection prior to the issuance of any
19 Certificate of Final Completion or Temporary Certificate of Occupancy for the project itself.

20 (2) **DTR Districts.** In DTR Districts the provision of off-site publicly accessible open
21 space may be counted toward the requirements of residential open space per the procedures
22 of Section 309.1 provided it is within the individual DTR district of the project or within 500 feet
23 of any boundary of the individual DTR district of the project, and meets the standards of
24 subsection (h).

25 (A) At least 36 square feet per residential unit of required open space must be provided

1 on-site. Pursuant to the procedures of Section 309.1, the Planning Commission may reduce
2 the minimum on-site provision of required residential open space to not less than 18 square
3 feet per unit in order to both create additional publicly-accessible open space serving the
4 district and to foster superior architectural design on constrained sites.

5 (B) **Open Space Provider.** The open space required by this Section may be provided
6 individually by the project sponsor or jointly by the project sponsor and other project sponsors,
7 provided that each square foot of jointly developed open space may count toward only one
8 sponsor's requirement. With the approval of the Planning Commission, a public or private
9 agency may develop and maintain the open space, provided that (i) the project sponsor or
10 sponsors pay for the cost of development of the number of square feet the project sponsor is
11 required to provide, (ii) provision satisfactory to the Commission is made for the continued
12 maintenance of the open space for the actual lifetime of the building giving rise to the open
13 space requirement, and (iii) the Commission finds that there is reasonable assurance that the
14 open space to be developed by such agency will be developed and open for use by the time
15 the building, the open space requirement of which is being met by the payment, is ready for
16 occupancy.

17 (3) **Ocean Avenue NCT.** In the Ocean Avenue NCT District, the provision of off-site
18 publicly accessible open space may be credited toward the residential usable open space
19 requirement subject to the procedures of Section 303. Any such open space shall meet the
20 publicly accessible open space standards set forth in Section 135(h) and be provided within
21 800 feet of the project. No more than 50 percent of a project's usable open space requirement
22 may be satisfied off-site. The publicly accessible off-site usable open space shall be
23 constructed, completed, and ready for use no later than the project itself, and shall receive its
24 certificate of final completion from the Department of Building Inspection prior to the issuance
25 of any certificate of final completion or temporary certificate of occupancy for the project itself.

1 **SEC. 140. ALL DWELLING UNITS IN ALL USE DISTRICTS TO FACE ON AN OPEN**
2 **AREA.**

3 (a) With the exception of dwelling units in single room occupancy buildings in the South
4 of Market Mixed Use Districts, in each dwelling unit in any use district, the required windows
5 (as defined by Section 504 of the San Francisco Housing Code) of at least one room that
6 meets the 120-square-foot minimum superficial floor area requirement of Section 503 of the
7 Housing Code shall face directly on an open area of one of the following types:

8 (1) A public street, public alley at least 25 feet in width, side yard at least 25 feet in width,
9 or rear yard meeting the requirements of this Code; provided, that if such windows are on an
10 outer court whose width is less than 25 feet, the depth of such court shall be no greater than
11 its width; or

12 (2) An open area (whether an inner court or a space between separate buildings on the
13 same lot) which is unobstructed (except for fire escapes not projecting more than necessary
14 for safety and in no case more than four feet six inches, chimneys, and those obstructions
15 permitted in Sections 136(c)(14), (15), (16), (19), (20) and (29) of this Code) and is no less
16 than 25 feet in every horizontal dimension for the floor at which the dwelling unit in question is
17 located and the floor immediately above it, with an increase of five feet in every horizontal
18 dimension at each subsequent floor, except for single room occupancy buildings in the
19 Eastern Neighborhoods Mixed Use Districts, which are not required to increase five feet in
20 every horizontal dimension until the fifth floor of the building.

21 (b) For historic buildings identified in Section 307(h)(~~13~~) which are located within the
22 Eastern Neighborhoods Mixed Use Districts, the requirements of this Section 140 may be
23 modified or waived ~~by the Zoning Administrator~~ pursuant to the procedures and criteria set forth
24 in Section 307(h) and 329.

25 [DIAGRAM: OMITTED BUT NOT TO BE DELETED]

1 **SEC. 145.1. STREET FRONTAGES IN NEIGHBORHOOD COMMERCIAL, RESIDENTIAL-**
2 **COMMERCIAL, COMMERCIAL, AND MIXED USE DISTRICTS.**

3 (a) **Purpose.** The purpose of this Section is to preserve, enhance and promote attractive,
4 clearly defined street frontages that are pedestrian-oriented, fine-grained, and which are
5 appropriate and compatible with the buildings and uses in Neighborhood Commercial
6 Districts, Commercial Districts, Residential-Commercial Districts, and Mixed Use Districts.

7 (b) **Definitions.**

8 (1) **Development lot.** A "development lot" shall mean:

9 (A) Any lot containing a proposal for new construction, or

10 (B) Building alterations which would increase the gross square footage of a structure by
11 20 percent or more, or

12 (C) In a building containing parking, a change of more than 50 percent of the building's
13 gross floor area to or from residential uses, excluding residential accessory off-street parking.

14 (2) **Active use.** An "active use", shall mean any principal, conditional, or accessory use
15 which by its nature does not require non-transparent walls facing a public street or involves
16 the storage of goods or vehicles.

17 (A) Residential uses are considered active uses above the ground floor; on the ground
18 floor, residential uses are considered active uses only if more than 50 percent of the linear
19 residential street frontage at the ground level features walk-up dwelling units which provide
20 direct, individual pedestrian access to a public sidewalk, and are consistent with the Ground
21 Floor Residential Design Guidelines, as adopted and periodically amended by the Planning
22 Commission.

23 (B) Spaces accessory to residential uses, such as fitness or community rooms, are
24 considered active uses only if they meet the intent of this section and have access directly to
25 the public sidewalk or street.

1 (C) Building lobbies are considered active uses, so long as they do not exceed 40 feet or
2 25% of building frontage, whichever is larger.

3 (D) Public Uses described in 790.80 and 890.80 are considered active uses except utility
4 installations.

5 (c) **Controls.** The following requirements shall generally apply, except for those controls
6 listed in subsections (1) Above Grade Parking Setback and (4) Ground Floor Ceiling Height,
7 which only apply to a "development lot" as defined above.

8 In NC-S Districts, the applicable frontage shall be the primary facade(s) which contain
9 customer entrances to commercial spaces.

10 (1) **Above-Grade Parking Setback.** Off-street parking at street grade on a development
11 lot must be set back at least 25 feet on the ground floor and at least 15 feet on floors above,
12 from any facade facing a street at least 30 feet in width. Parking above the ground level shall
13 be entirely screened from all public rights-of-way in a manner that accentuates ground floor
14 uses, minimizes mechanical features and is in keeping with the overall massing and
15 architectural vocabulary of the building. In C-3 Districts, parking above the ground level,
16 where permitted, shall also be designed to facilitate conversion to other uses by maintaining
17 level floors and a clear ceiling height of nine feet or equal to that of the adjacent street-fronting
18 active uses, whichever is greater. Removable parking ramps are excluded from this
19 requirement.

20 The following shall apply to projects subject to this section:

21 (A) when only one parking space is permitted, if a space is proposed it must be within
22 the first 25 feet of the building;

23 (B) when two or more parking spaces are proposed, one space may be within the first 25
24 feet of the building;

25 (C) when three or more parking spaces are proposed, all parking spaces must be set

1 back at least 25 feet from the front of the development.

2 (2) **Parking and Loading Entrances.** No more than one-third of the width or 20 feet,
3 whichever is less, of any given street frontage of a new or altered structure parallel to and
4 facing a street shall be devoted to parking and loading ingress or egress. In NC-S Districts, no
5 more than one-third or 50 feet, whichever is less, of each lot frontage shall be devoted to
6 ingress/egress of parking. Street-facing garage structures and garage doors may not extend
7 closer to the street than a primary building facade unless the garage structure and garage
8 door are consistent with the features listed in Section 136 of this Code. The total street
9 frontage dedicated to parking and loading access should be minimized, and combining
10 entrances for off-street parking with those for off-street loading is encouraged. The placement
11 of parking and loading entrances should minimize interference with street-fronting active uses
12 and with the movement of pedestrians, cyclists, public transit, and autos. Entrances to off-
13 street parking shall be located at least six feet from a lot corner located at the intersection of
14 two public rights-of-way. Off-street parking and loading entrances should minimize the loss of
15 on-street parking and loading spaces. Off-street parking and loading are also subject to the
16 provisions of Section 155 of this Code. In C-3 Districts, so as not to preclude the conversion of
17 parking space to other uses in the future, parking at the ground-level shall not be sloped, and
18 the floor shall be aligned as closely as possible to sidewalk level along the principal
19 pedestrian frontage and/or to those of the street-fronting commercial spaces and shall have a
20 minimum clear ceiling height of 14 feet or equal to that of street-fronting commercial spaces,
21 whichever is greater. Removable parking ramps are excluded from this requirement.

22 (3) **Active Uses Required.** With the exception of space allowed for parking and loading
23 access, building egress, and access to mechanical systems, space for active uses as defined
24 in Subsection (b)(2) and permitted by the specific district in which it is located shall be
25 provided within the first 25 feet of building depth on the ground floor and 15 feet on floors

1 above from any facade facing a street at least 30 feet in width. Building systems including
2 mechanical, electrical, and plumbing features may be exempted from this requirement by the
3 Zoning Administrator only in instances where those features are provided in such a fashion as
4 to not negatively impact the quality of the ground floor space.

5 (4) **Ground Floor Ceiling Height.** Unless otherwise established elsewhere in this
6 Code:

7 (A) Ground floor non-residential uses in UMU Districts shall have a minimum floor-to-
8 floor height of 17 feet, as measured from grade.

9 (B) Ground floor non-residential uses in all C-3, C-M, NCT, DTR, Chinatown Mixed Use,
10 RSD, SLR, SLI, SPD, SSO, MUG, MUR, and MUO Districts shall have a minimum floor-to-
11 floor height of 14 feet, as measured from grade.

12 (C) Ground floor non-residential uses in all RC districts, C-2 districts, RED districts, and
13 NC districts other than NCT, shall have a minimum floor-to-floor height of 14 feet, as
14 measured from grade except in 40-foot and 50-foot height districts, where buildings shall have
15 a minimum floor-to-floor height of 10 feet.

16 (5) **Street-Facing Ground-Level Spaces.** The floors of street-fronting interior spaces
17 housing non-residential active uses and lobbies shall be as close as possible to the level of
18 the adjacent sidewalk at the principal entrance to these spaces. Street-facing ground-level
19 spaces housing non-residential active uses in hotels, office buildings, shopping centers, and
20 other large buildings shall open directly onto the street, rather than solely into lobbies and
21 interior spaces of the buildings. Such required street-facing entrances shall remain open to
22 the public during business hours.

23 (6) **Transparency and Fenestration.** Frontages with active uses that are not residential
24 or PDR must be fenestrated with transparent windows and doorways for no less than 60
25 percent of the street frontage at the ground level and allow visibility to the inside of the

1 building. The use of dark or mirrored glass shall not count towards the required transparent
2 area.

3 (7) **Gates, Railings, and Grillwork.** Any decorative railings or grillwork, other than wire
4 mesh, which is placed in front of or behind ground floor windows, shall be at least 75 percent
5 open to perpendicular view. Rolling or sliding security gates shall consist of open grillwork
6 rather than solid material, so as to provide visual interest to pedestrians when the gates are
7 closed, and to permit light to pass through mostly unobstructed. Gates, when both open and
8 folded or rolled as well as the gate mechanism, shall be recessed within, or laid flush with, the
9 building facade.

10 (d) **Exceptions for Historic Buildings.** Specific street frontage requirements in this
11 Section may be modified or waived by the Planning Commission for structures designated as
12 landmarks, significant or contributory buildings within a historic district, or buildings of merit
13 when the Historic Preservation Commission advises that complying with specific street
14 frontage requirements would adversely affect the landmark, significant, contributory, or
15 meritorious character of the structure, or that modification or waiver would enhance the
16 economic feasibility of preservation of the landmark or structure.

17 **SEC. 145.5. GROUND FLOOR STANDARDS IN INDUSTRIAL DISTRICTS.**

18 All new buildings constructed in Industrial Districts, as defined in Section 201, shall
19 provide ground floor spaces with a minimum ~~floor-to-floor-clear ceiling~~ height of ~~17+5~~ feet, as
20 measured from grade. In existing buildings, a minimum clear ceiling height of 15 feet shall be
21 retained where currently existing. Any building permit which seeks to reduce the ~~floor-to-floor~~
22 ~~clear ceiling~~ height to less than ~~17+5~~ feet shall require a variance as set forth in Section 305 of
23 this Code.

24 **SEC. 151.1. SCHEDULE OF PERMITTED OFF-STREET PARKING SPACES IN**
25 **SPECIFIED DISTRICTS.**

1 (a) **Applicability.** This subsection shall apply only to DTR, NCT, Upper Market Street
2 NCD, RTO, Eastern Neighborhood Mixed Use, PDR-1-D, and PDR-1-G or C-3 Districts.

3 (b) **Controls.** Off-street accessory parking shall not be required for any use, and the
4 quantities of off-street parking specified in Table 151.1 shall serve as the maximum amount of
5 off-street parking that may be provided as accessory to the uses specified. For non-residential
6 and non-office uses in the UMU, PDR-1-D, and PDR-1-G Districts, the maximum amount of
7 off-street parking that may be provided as accessory shall be no more than 50% greater than
8 that indicated in Table 151.1. Variances from accessory off-street parking limits, as described
9 in this Section, may not be granted. Where off-street parking is provided that exceeds the
10 quantities specified in Table 151.1 or as explicitly permitted by this Section, such parking shall
11 be classified not as accessory parking but as either a principally permitted or conditional use,
12 depending upon the use provisions applicable to the district in which the parking is located. In
13 considering an application for a conditional use for any such parking due to the amount being
14 provided, the Planning Commission shall consider the criteria set forth in Section 157 and
15 157.1 of this Code.

16 (c) **Definition.** Where a number or ratio of spaces are described in Table 151.1, such
17 number or ratio shall refer to the total number of parked cars accommodated in the project
18 proposal, regardless of the arrangement of parking, and shall include all spaces accessed by
19 mechanical means, valet, or non-independently accessible means. For the purposes of
20 determining the total number of cars parked, the area of an individual parking space, except
21 for those spaces specifically designated for persons with physical disabilities, may not exceed
22 185 square feet, including spaces in tandem, or in parking lifts, elevators or other means of
23 vertical stacking. Any off-street surface area accessible to motor vehicles with a width of 7.5
24 feet and a length of 17 feet (127.5 square feet) not otherwise designated on plans as a
25 parking space may be considered and counted as an off-street parking space at the discretion

of the Zoning Administrator if the Zoning Administrator, in considering the possibility for tandem and valet arrangements, determines that such area is likely to be used for parking a vehicle on a regular basis and that such area is not necessary for the exclusive purpose of vehicular circulation to the parking or loading facilities otherwise permitted.

(d) **Car-share parking.** Any off-street parking space dedicated for use as a car-share parking space, as defined in Section 166, shall not be credited toward the total parking permitted as accessory in this Section.

Table 151.1
OFF-STREET PARKING PERMITTED AS ACCESSORY

Use or Activity	Number of Off-Street Car Parking Spaces or Space Devoted to Off-Street Car Parking Permitted
Dwelling units in RH-DTR Districts	P up to one car for each two dwelling units; up to one car for each dwelling unit, subject to the criteria and procedures of Section 151.1(e); NP above one space per unit.
Dwelling units in C-3 and SB-DTR, Districts, except as specified below	P up to one car for each four dwelling units; up to 0.75 cars for each dwelling unit, subject to the criteria and procedures of Section 151.1(f); NP above 0.75 cars for each dwelling unit.
Dwelling units in C-3 and SB-DTR, Districts with at least 2 bedrooms and at least 1,000 square feet of occupied floor area	P up to one car for each four dwelling units; up to one car for each dwelling unit, subject to the criteria and procedures of Section 151.1(f); NP above one car for each dwelling unit.
Dwelling units in C-3 Districts and in the Van Ness and Market Downtown	P up to one car for each four dwelling units; C up to .5 cars for each dwelling unit, subject to the criteria and procedures

1 2 3 4 5 6 7	Residential Special Use District	of Section 151.1(f); NP above two cars for each four dwelling units.
8 9 10 11 12 13 14 15	Dwelling units and SRO units in MUG, MUR, MUO, SPD Districts, except as specified below	P up to one car for each four dwelling units; up to 0.75 cars for each dwelling unit, subject to the criteria and conditions and procedures of Section 151.1(g); NP above 0.75 cars for each dwelling unit.
16 17 18 19 20 21 22	Dwelling units in MUG, MUR, MUO, SPD Districts with at least 2 bedrooms and at least 1,000 square feet of occupied floor area	P up to one car for each four dwelling units; up to one car for each dwelling unit, subject to the criteria and conditions and procedures of Section 151.1(g); NP above one car for each dwelling unit.
23 24 25	Dwelling units in NCT Districts and the Upper Market Street NCD, except as specified below	P up to one car for each two dwelling units; C up to 0.75 cars for each dwelling unit, subject to the criteria and procedures of Section 151.1(g); NP above 0.75 cars for each dwelling unit.
	Dwelling units in the Ocean Avenue NCT Districts	P up to one car for each unit; NP above.
	Dwelling units in RTO Districts, except as specified below	P up to three cars for each four dwelling units; C up to one car for each dwelling unit, subject to the criteria and procedures of Section 151.1(g); NP above one car for each dwelling unit.
	Dwelling units and SRO units in UMU Districts, except as specified below	P up to 0.75 cars for each dwelling unit and subject to the conditions of 151.1(g) ; NP above.

1 2 3 4	Dwelling units in UMU District with at least 2 bedrooms and at least 1,000 square feet of occupied floor area	P up to 1 car for each dwelling unit and subject to the conditions of 151.1(g); NP above.
5 6 7	Group housing of any kind	P up to one car for each three bedrooms or for each six beds, whichever results in the greater requirement, plus one for the manager's dwelling unit if any. NP above.
8 9	All non-residential uses in C-3 Districts	Not to exceed 7% of gross floor area of such uses. See requirements in Section 204.5
10 11	Hotel, inn, or hostel	P up to one for each 16 guest bedrooms, plus one for the manager's dwelling unit, if any.
12 13 14	Motel	P up to one for each guest unit, plus one for the manager's dwelling unit, if any.
15 16 17 18	Hospital or other inpatient medical institution	P up to one for each 8 guest beds excluding bassinets or for each 2,400 square feet of gross floor area devoted to sleeping rooms, whichever results in the lesser requirement.
19	Residential care facility	P up to one for each 10 residents.
20 21	Child care facility	P up to one for each 25 children to be accommodated at any one time.
22 23	Elementary school	P up to one for each six classrooms.
24 25	Secondary school	P up to one for each two classrooms.

1	Post-secondary educational institution	P up to one for each two classrooms.
2	Church or other religious institutions	P up to one for each 20 seats.
3	Theater or auditorium	P up to one for each eight seats up to 1,000 seats, plus one
4		for each 10 seats in excess of 1,000.
5	Stadium or sports arena	P up to one for each 15 seats.
6	Medical or dental office or outpatient	P up to one for each 300 square feet of occupied floor area.
7	clinic	
8	All office uses in C-3, DTR, SPD, MUG,	P up to seven percent of the gross floor area of such uses
9	MUR, and MUO Districts	and subject to the pricing conditions of Section 155(g); NP
10		above.
11	Office uses in UMU, PDR-1-D, and	P up to one car per 1,000 square feet of gross floor area
12	PDR-1-G Districts, except as specified	and subject to the pricing conditions of Section 155(g); NP
13	below	above.
14	Office uses in UMU, PDR-1-D, and	P up to one car per 500 square feet of gross floor area; NP
15	PDR-1-G Districts where the entire	above.
16	parcel is greater than ¼-mile from	
17	Market, Mission, 3rd <u>Streets</u> and 4th	
18	<u>Streets north of Berry Street</u>	
19	Non-residential uses in RTO and RM	None permitted.
20	districts permitted under Section 231.	
21	All non-residential uses in NCT districts	For uses in Table 151 that are described as a ratio of
22	and the Upper Market Street NCD,	occupied floor area, P up to 1 space per 1,500 square feet
23		
24		
25		

1 2 3 4	except for retail grocery stores with over 20,000 gross square feet except as specified below	of occupied floor area or the quantity specified in Table 151, whichever is less, and subject to the conditions and criteria of Section 151.1(g) NP above.
5 6 7 8 9 10	Retail grocery store uses in NCT districts and the Upper Market Street NCD with over 20,000 square feet of occupied floor area	P up 1 space per 500 square feet of occupied floor area, and subject to the conditions and criteria of Section 151.1(g) C up to 1 space per 250 square feet of occupied floor area for that area in excess of 20,000 square feet, subject to the conditions and criteria of Section 151.1(g). NP above.
11 12 13 14 15 16 17	All retail in the Eastern Neighborhoods Mixed Use Districts where any portion of the parcel is less than 1/4 mile from Market, Mission, 3rd <u>Streets</u> and 4th <u>Streets north of Berry Street</u> , except grocery stores of over 20,000 gross square feet.	P up to one for each 1,500 square feet of gross floor area.
18 19 20 21 22	With the exception of Eastern Neighborhoods Mixed Use Districts as set forth above, all other restaurant, bar, nightclub, pool hall, dance hall, bowling alley or other similar enterprise	P up to one for each 200 square feet of occupied floor area.
23 24 25	With the exception of Eastern Neighborhoods Mixed Use Districts as	P up to one for each 1,000 square feet of occupied floor area.

1	set forth above, all other retail space	
2	devoted to the handling of bulky	
3	merchandise such as motor vehicles,	
4	machinery or furniture	
5		
6	With the exception of Eastern	P up to one for each 4,000 square feet of occupied floor
7	Neighborhoods Mixed Use Districts as	area.
8	set forth above, all other greenhouse or	
9	plant nursery	
10	With the exception of Eastern	P up to one for each 500 square feet of gross floor area up
11	Neighborhoods Mixed Use Districts as	to 20,000 square feet, plus one for each 250 square feet of
12	set forth above, all other retail space	gross floor area in excess of 20,000.
13	Service, repair or wholesale sales	P up to one for each 1,000 square feet of occupied floor
14	space, including personal, home or	area.
15	business service space in South of	
16	Market Districts	
17		
18	Mortuary	P up to five.
19	Storage or warehouse space, and	P up to one for each 2,000 square feet of occupied floor
20	space devoted to any use first permitted	area.
21	in an M-2 District	
22	Arts activities and spaces except theater	P up to one for each 2,000 square feet of occupied floor
23	or auditorium spaces	area.
24		
25	Laboratory	P up to one for each 1,500 square feet of occupied floor

1		area.
2		
3	Small Enterprise Workspace Building	P up to one for each 1,500 square feet of occupied floor
4		area.
5	Integrated PDR	P up to one for each 1,500 square feet of occupied floor
6		area.
7	Other manufacturing and industrial uses	P up to one for each 1,500 square feet of occupied floor
8		area.
9		

(e) In DTR districts, any request for accessory parking in excess of what is permitted by right shall be reviewed on a case-by-case basis by the Planning Commission, subject to the procedures set forth in Section 309.1 of this Code. In granting approval for parking accessory to residential uses above that permitted by right in Table 151.1, the Commission shall make the following affirmative findings:

(1) All parking in excess of that allowed by right is stored and accessed by mechanical means, valet, or non-independently accessible method that maximizes space efficiency and discourages use of vehicles for commuting or daily errands;

(2) Vehicle movement on or around the project site associated with the excess accessory parking does not unduly impact pedestrian spaces or movement, transit service, bicycle movement, or the overall traffic movement in the district;

(3) Accommodating excess accessory parking does not degrade the overall urban design quality of the project proposal;

(4) All parking in the project is set back from facades facing streets and alleys and lined with active uses, and that the project sponsor is not requesting any exceptions or variances requiring such treatments elsewhere in this Code; and

1 (5) Excess accessory parking does not diminish the quality and viability of existing or
2 planned streetscape enhancements.

3 (f) In C-3 Districts, any request for accessory parking in excess of what is permitted by
4 right in Table 151.1, shall be reviewed on a case-by-case basis by the Planning Commission,
5 subject to the procedures set forth in Section 309 of this Code. In granting approval for
6 parking accessory to residential uses above that permitted by right in Table 151.1, the
7 Planning Commission shall make the following affirmative findings:

8 (1) For projects with 50 units or more, all residential accessory parking in excess of 0.5
9 parking spaces for each dwelling unit shall be stored and accessed by mechanical stackers or
10 lifts, valet, or other space-efficient means that allows more space above-ground for housing,
11 maximizes space efficiency and discourages use of vehicles for commuting or daily errands.
12 The Planning Commission may authorize the request for additional parking notwithstanding
13 that the project sponsor cannot fully satisfy this requirement provided that the project sponsor
14 demonstrates hardship or practical infeasibility (such as for retrofit of existing buildings) in the
15 use of space-efficient parking given the configuration of the parking floors within the building
16 and the number of independently accessible spaces above 0.5 spaces per unit is de minimus
17 and subsequent valet operation or other form of parking space management could not
18 significantly increase the capacity of the parking space above the maximums in Table 151.1

19 (2) For any project with residential accessory parking in excess of 0.375 parking spaces
20 for each dwelling unit, the project complies with the housing requirements of Sections 315
21 through 315.9 of this Code except as follows: the inclusionary housing requirements that
22 apply to projects seeking conditional use authorization as designated in Section 315.3(a)(2)
23 shall apply to the project.

24 (3) The findings of Section 151.1(d)(2), (d)(3) and (d)(5) are satisfied;

25 (4) All parking meets the active use and architectural screening requirements in

1 Sections 155(s)(1)(B) and 155(s)(1)(C) and the project sponsor is not requesting any
2 exceptions or variances requiring such treatments elsewhere in this Code.

3 (g) In RTO and NCT districts and the Upper Market Street NCD, any request for
4 accessory parking in excess of what is principally permitted in Table 151.1, but which does
5 not exceed the maximum amount stated in Table 151.1, shall be reviewed by the Planning
6 Commission as a Conditional Use. In MUG, MUR, MUO, and SPD Districts, any project
7 subject to Section 329 and that requests residential accessory parking in excess of that which
8 is principally permitted in Table 151.1, but which does not exceed the maximum amount
9 stated in Table 151.1, shall be reviewed by the Planning Commission according to the
10 procedures of Section 329. Projects that are not subject to Section 329 shall be reviewed
11 under the procedures detailed in subsection (*hs*), below. In granting such Conditional Use or
12 exception per 329 for parking in excess of that principally permitted in Table 151.1, the
13 Planning Commission shall make the following affirmative findings according to the uses to
14 which the proposed parking is accessory:

15 (1) **Parking for all uses.**

16 (A) Vehicle movement on or around the project does not unduly impact pedestrian
17 spaces or movement, transit service, bicycle movement, or the overall traffic movement in the
18 district;

19 (B) Accommodating excess accessory parking does not degrade the overall urban
20 design quality of the project proposal;

21 (C) All above-grade parking is architecturally screened and, where appropriate, lined
22 with active uses according to the standards of Section 145.1, and the project sponsor is not
23 requesting any exceptions or variances requiring such treatments elsewhere in this Code; and

24 (D) Excess accessory parking does not diminish the quality and viability of existing or
25 planned streetscape enhancements.

1 **(2) Parking for Residential Uses.**

2 (A) For projects with 50 dwelling units or more, all residential accessory parking in
3 excess of 0.5 spaces per unit shall be stored and accessed by mechanical stackers or lifts,
4 valet, or other space-efficient means that reduces space used for parking and maneuvering,
5 and maximizes other uses.

6 **(3) Parking for Non-Residential Uses.**

7 (A) Projects that provide more than 10 spaces for non-residential uses must dedicate
8 5% of these spaces, rounded down to the nearest whole number, to short-term, transient use
9 by vehicles from certified car sharing organizations per Section 166, vanpool, rideshare, taxis,
10 or other co-operative auto programs. These spaces shall not be used for long-term storage
11 nor satisfy the requirement of Section 166, but rather to park them during trips to commercial
12 uses. These spaces may be used by shuttle or delivery vehicles used to satisfy subsection
13 (B).

14 (B) Retail uses larger than 20,000 square feet, including but not limited to grocery,
15 hardware, furniture, consumer electronics, greenhouse or nursery, and appliance stores,
16 which sell merchandise that is bulky or difficult to carry by hand or by public transit, shall offer,
17 at minimal or no charge to its customers, door-to-door delivery service and/or shuttle service.
18 This is encouraged, but not required, for retail uses less than 20,000 square feet.

19 (C) Parking shall be limited to short-term use only.

20 (D) Parking shall be available to the general public at times when such parking is not
21 needed to serve the use or uses to which it is accessory.

22 (h) Small residential projects in MUG, MUR, MUO, and SPD Districts. Any project that is
23 not subject to the requirements of Section 329 and that requests residential accessory parking
24 in excess of what is principally permitted in Table 151.1 shall be reviewed by the Zoning
25 Administrator subject to Section 307(h). The Zoning Administrator may grant parking in

1 excess of what is principally permitted in Table 151.1, not to exceed the maximum amount
2 stated in Table 151.1, only if the Zoning Administrator determines that all of the following
3 conditions are met:

4 (1A) all the conditions of subsection (f)(1) above have been met.

5 (2B) parking is not accessed from any protected Transit or Pedestrian Street described in
6 Section 155(r), and

7 (3C) where more than ten spaces are proposed at least half of them, rounded down to the
8 nearest whole number, are stored and accessed by mechanical stackers or lifts, valet, or
9 other space-efficient means that reduces space used for parking and maneuvering, and
10 maximizes other uses.

11 **SEC. 157.1. CONDITIONAL USE APPLICATIONS FOR NON-ACCESSORY PARKING**
12 **GARAGES IN EASTERN NEIGHBORHOODS MIXED USE DISTRICTS AND DTR**
13 **DISTRICTS.**

14 (a) In considering a Conditional Use application for a non-accessory parking garage in
15 Eastern Neighborhoods Mixed Use Districts and DTR Districts, the Planning Commission
16 shall affirmatively find that such facility meets all the criteria and standards of this Section, as
17 well as any other requirement of this Code as applicable.

18 (b) A non-accessory garage permitted with Conditional Use may not be permitted under
19 any condition to provide additional accessory parking for specific residential or non-residential
20 uses if the number of spaces in the garage, in addition to the accessory parking permitted in
21 the subject project or building, would exceed those amounts *Not Permitted as-of-right or as a*
22 *Conditional Use* by Section 151.1

23 (c) **Criteria.**

24 (1) Such facility shall meet all the design requirements for setbacks from facades and
25 wrapping with active uses at all levels per the requirements of Section 145.1; and

1 (2) Such parking shall not be accessed from any protected Transit or Pedestrian Street
2 described in Section 155(r); and

3 (3) Such parking garage shall be located in a building where the ratio of gross square
4 footage of parking uses to other uses that are permitted or Conditionally permitted in that
5 district is not more than 1 to 1; and

6 (4) Such parking shall be available for use by the general public on equal terms and
7 shall not be deeded or made available exclusively to tenants, residents, owners or users of
8 any particular use or building except in cases that such parking meets the criteria of
9 subsection (d) or (e) below; and

10 (5) Such facility shall provide spaces for car sharing vehicles per the requirements of
11 Section 166 and bicycle parking per the requirements of Section 155.2; and

12 (6) Such facility, to the extent open to the public per subsection (4) above, shall meet
13 the pricing requirements of Section 155(g) and shall generally limit the proposed parking to
14 short-term occupancy rather than long-term occupancy; and

15 (7) Vehicle movement on or around the facility does not unduly impact pedestrian
16 spaces or movement, transit service, bicycle movement, or the overall traffic movement in the
17 district; and

18 (8) Such facility and its access does not diminish the quality and viability of existing or
19 planned streetscape enhancements.

20 (d) **Parking of Fleet Vehicles.** Parking of fleet of commercial or governmental vehicles
21 intended for work-related use by employees and not used for parking of employees' personal
22 vehicles may be permitted with Conditional Use provided that the Commission affirmatively
23 finds all of the above criteria except criteria (4) and (6).

24 (e) **Pooled Residential Parking.** Non-accessory parking facilities limited to use by
25 residents, tenants or visitors of specific off-site development(s) may be permitted with

1 Conditional Use provided that the Commission affirmatively finds all of the above criteria
2 under (c) except criteria (4) and (6), and provided that the proposed parking on the subject lot
3 would not exceed the maximum amounts permitted by Section 151.1 with Conditional Use or
4 309.1 and 329 exception as accessory for the uses in the off-site residential development. For
5 the purpose of this subsection, an "off-site development" is a development which is existing or
6 has been approved by the Planning Commission or Planning Department in the previous 12
7 months, is located on a lot other than the subject lot, and does not include any off-street
8 parking. A Notice of Special Restrictions shall be recorded on both the off-site and subject
9 development lot indicating the allocation of the pooled parking.

10 **SEC. 175.8. SUNSET FOR INTEGRATED PDR USES.**

11 Any Integrated PDR use (as defined in Sec. 890.49) permitted by this Code will require
12 conditional use authorization five years after the effective date of Ordinance Number 298-
13 08 in order to allow for greater scrutiny of Integrated PDR uses in light of the City's
14 Enterprise Zone Payroll Tax Credit program. The Planning Commission and Board of
15 Supervisors should consider revising this control to continue permitting Integrated PDR uses if
16 data show that 25 percent of all employees in areas Integrated PDR uses are eligible for the
17 City's Enterprise Zone Payroll Tax Credit.

18 **SEC. 207.1. RULES FOR CALCULATION OF DWELLING UNIT DENSITIES.**

19 The following rules shall apply in the calculation of dwelling unit densities under this
20 Code:

21 (a) The entire amount of lot area per dwelling unit specified in Sections 207.5 or 209.1
22 of this Code shall be required for each dwelling unit on the lot. Fractional numbers shall be
23 adjusted downward to the next lower whole number of dwelling units.

24 (b) Where permitted by the provisions of Sections 207.5, 209.1 and 209.2 of this Code,
25 two or more of the dwelling and other housing uses specified in said sections may be located

1 on a single lot, either in one structure or in separate structures, provided that the specified
 2 density limits are not exceeded by the total of such combined uses. Where dwelling units and
 3 group housing are combined, the maximum permitted density for dwelling units and for group
 4 housing shall be prorated to the total lot area according to the quantities of these two uses
 5 that are combined on the lot.

6 (c) Where any portion of a lot is narrower than five feet, such a portion shall not be
 7 counted as part of the lot area for purposes of calculating the permitted dwelling density.

8 (d) No private right-of-way used as the principal vehicular access to two or more lots
 9 shall be counted as part of the lot area of any such lot for purposes of calculating the
 10 permitted dwelling unit density.

11 (e) Where a lot is divided by a use district boundary line, the dwelling unit density limit
 12 for each district shall be applied to the portion of the lot in that district, and none of the
 13 dwelling units attributable to the district permitting the greater density shall be located in the
 14 district permitting the lesser density.

15 (f) In the RTO ~~and RTO-M~~ Districts, dwelling units that are affordable (meeting the
 16 criteria of Section ~~406(b)326.3(h)(2)(B)~~ or the requirements of Section ~~415 315~~) shall not count
 17 toward density calculations or be limited by lot area.

SEC. ~~230~~ 231A. DEMOLITION OF INDUSTRIAL BUILDINGS IN PDR DISTRICTS, REPLACEMENT REQUIREMENTS.

(a) In order to preserve the existing stock of buildings suitable for industrial activities and to create new viable space for industrial operations in PDR Districts, an industrial building that is not unsound and is proposed for demolition must be replaced by a new building that complies with the criteria set forth below:

(1) If the building proposed for demolition represents greater than 0.4 FAR, then the replacement building shall include at least one square foot of industrial use for each square foot of industrial use in the building proposed for demolition.

(2) If the building proposed for demolition represents 0.4 FAR or less, then the replacement building shall include at least two square feet of industrial use for each square foot of industrial use in the building proposed for demolition.

(b) **Definitions.** For the purpose of this subsection, the following definitions shall apply:

(1) Unsound shall refer to buildings in which rehabilitation would cost fifty percent (50%) or more to construct a comparable building.

(2) *For purposes of this section, i*Industrial use shall refer to any legally authorized use of a building or portion of a building that is included in Planning Code Sections 220, ~~or~~ 222, 223, 224, 225, 226, through 227(a), 227(b), 227(c), 227(t), and 227(u).

(3) An industrial building shall mean any building containing any industrial use.

SEC. 249.36. - LIFE SCIENCE AND MEDICAL SPECIAL USE DISTRICT.

1 (a) **Purpose.** The Life Science and Medical Special Use District is intended to support
2 uses that benefit from proximity to the University of California. San Francisco (UCSF) campus
3 at Mission Bay. These uses include medical office and life science (biotechnology) uses.

4 (b) **Geography.** The boundaries of the Life Science and Medical Special Use District
5 are shown on Sectional Map No. 8SU of the Zoning Map. Generally, the area borders
6 Mariposa St. on the north, 23rd St. on the south, I-280 to the west, and 3rd St. to the east.
7 Within this area, the Dogpatch Historic District is generally excluded.

8 (c) **Controls.** All provisions of the Planning Code currently applicable shall continue to
9 apply, except as otherwise provided in this Section:

10 (1) **Medical Services.** Medical services, including medical offices and clinics, as
11 defined in Section 890.114, are a principally permitted use and are exempted from use size
12 limitations, PDR replacement requirements (Sec. 230), and vertical (floor-by-floor) zoning
13 controls (Sec. ~~219.1 and~~ 803.9(h)). For the purposes of this Section, a medical service use
14 may be affiliated with a hospital or medical center as defined in 890.44

15 (2) **Life Science Offices.** Office uses that contain Life Science facilities, as defined in
16 Section 890.53, are a principally permitted use and are exempted from use size limitations,
17 PDR replacement requirements (Sec. 230), and vertical (floor-by-floor) zoning controls (Sec.
18 219.1 and 803.9(h)).

19 (3) **Life Science Laboratories.** Laboratories that engage in life science research and
20 development, as defined in Section 890.52, are a principally permitted use and are exempted
21 from use size limitation, PDR replacement requirements (Sec. 230), and vertical (floor-by-
22 floor) zoning controls (Sec. 219.1 and 803.9(h)).

23 **SEC. 249.37. - INNOVATIVE INDUSTRIES SPECIAL USE DISTRICT.**

24 (a) **Purpose.** The purpose of the Innovative Industries Special Use District is to provide
25 affordable office space to small firms and organizations which are engaged in innovative

1 activities, including incubator businesses and microenterprises.

2 (b) **Geography.** The boundaries of the *Innovative Industries–Life–Science* Special Use
3 District are shown on Sectional Map No. 8SU of the Zoning Map.

4 (c) **Controls.** All provisions of the Planning Code currently applicable shall continue to
5 apply, except that:

6 (1) office uses shall be principally permitted uses on all stories above the ground story.

7 (2) retail uses shall be subject to the size controls applicable in the Urban Mixed Use
8 District, as stated in Sec. 843.45.

9 **SEC. 249.38. - TRANSIT-ORIENTED RETAIL SPECIAL USE DISTRICT.**

10 (a) **Purpose.** The Transit-Oriented Retail Special Use District is intended to support
11 street activity along 16th Street.

12 (b) **Geography.** The boundaries of the Transit-Oriented Retail Special Use District
13 include all parcels in PDR Districts that are along 16th St. from Mission St. to Potrero Avenue.

14 (c) **Controls.** All provisions of the Planning Code currently applicable shall continue to
15 apply, except that the amount and types of retail sales and services allowed on a parcel will
16 be controlled in the same manner as in the UMU District or the underlying zoning district,
17 whichever is greater.

18 **SEC. 329. - LARGE PROJECT AUTHORIZATION IN EASTERN NEIGHBORHOODS MIXED**
19 **USE DISTRICTS.**

20 (a) **Purpose.** The purpose of this Section is to ensure that all large projects proposed in
21 the Eastern Neighborhoods Mixed Use Districts are reviewed by the Planning Commission, in an
22 effort to achieve the objectives and policies of the General Plan, the applicable Design
23 Guidelines, and the purposes of this Code.

24 (b) **Applicability.** This Section applies to all ~~new construction and proposed alterations of~~
25 ~~existing buildings~~ projects in the Eastern Neighborhoods Mixed Use ~~Buildings~~ that meet at least

1 one of the following criteria:

2 (1) The project includes the construction of a new building greater than 75 feet in height
3 (excluding any exceptions permitted per Section 260(b)), or includes a vertical addition to an
4 existing building with a height of 75 feet or less resulting in a total building height greater than 75
5 feet; or

6 (2) The project involves a net addition or new construction of more than 25,000 gross
7 square feet; ~~or~~

8 ~~(3) The project has 200 or more linear feet of contiguous street frontage on any public right of~~
9 ~~way.~~

10 (c) **Planning Commission Design Review:** As set forth in Subsection (e), below, the
11 Planning Commission shall review and evaluate all physical aspects of a proposed project at
12 a public hearing. At such hearing, the Director of Planning shall present any recommended
13 project modifications or conditions to the Planning Commission, including those which may be
14 in response to any unique or unusual locational, environmental, topographical or other
15 relevant factors. The Commission may subsequently require these or other modifications or
16 conditions, or disapprove a project, in order to achieve the objectives and policies of the
17 General Plan or the purposes of this Code. This review shall address physical design issues
18 including but not limited to the following:

19 (1) Overall building massing and scale;

20 (2) Architectural treatments, facade design and building materials;

21 (3) The design of lower floors, including building setback areas, commercial space,
22 townhouses, entries, utilities, and the design and siting of rear yards, parking and loading
23 access;

24 (4) The provision of required open space, both on- and off-site. In the case of off-site
25 publicly accessible open space, the design, location, access, size, and equivalence in quality

1 with that otherwise required on-site;

2 (5) The provision of mid-block alleys and pathways on frontages between 200 and 300
3 linear feet per the criteria of Section 270, and the design of mid-block alleys and pathways as
4 required by and pursuant to the criteria set forth in Section 270.2

5 (6) Streetscape and other public improvements, including tree planting, street furniture,
6 and lighting;

7 (7) Circulation, including streets, alleys and mid-block pedestrian pathways;

8 (8) Bulk limits;

9 (9) Other changes necessary to bring a project into conformance with any relevant
10 design guidelines. Area Plan or Element of the General Plan.

11 (d) **Exceptions.** As a component of the review process under this Section 329, projects
12 may seek specific exceptions to the provisions of this Code as provided for below:

13 (1) Exceeding the principally permitted accessory residential parking ratio described in
14 Section 151.1 and pursuant to the criteria therein;

15 (2) Exception from residential usable open space requirements. In circumstances where
16 such exception is granted, a fee shall be required pursuant to the standards in Sections
17 135(j), pursuant to the criteria of Section 305(c).

18 (3) Modification of the horizontal massing breaks required by Section 270.1 in light of
19 any equivalent reduction of horizontal scale, equivalent volume of reduction, and unique and
20 superior architectural design, pursuant to the criteria of Section 270.1(d).

21 (4) Exception from satisfaction of loading requirements per Section 152.1 pursuant to
22 the criteria contained therein.

23 (5) Exception to height limits for vertical non-habitable architectural elements described
24 in Section 263.21 and pursuant to the criteria therein;

25 (6) Provision of the required minimum dwelling unit mix, as set forth in Section 207.6,

1 pursuant to the criteria of Section 305(c);

2 (7) Exception for rear yards, pursuant to the requirements of Section 134(f);

3 (8) The number of Designated Office Stories for projects which are subject to vertical
4 office controls pursuant to 219.1 or 803.9(h) and contain more than one building on the project
5 site, so long as

6 (A) an increase in the number of Designated Office Stories would result in a total square
7 footage of office space no greater than that which would otherwise be permitted by the
8 project.

9 (B) office uses are consolidated within a lesser number of buildings than would
10 otherwise be the case, and

11 (C) the resulting location and mix of uses increases the project's consistency with
12 nearby land uses;

13 (9) Relief from dwelling unit exposure requirements for buildings which are designated
14 landmark buildings or contributory buildings within designated historic districts under Article 10 of
15 this Code, and/or buildings recorded with the State Historic Preservation Office as eligible for the
16 California Register, when the following criteria are met:

17 (i) literal enforcement of Section 140 would result in the material impairment of the historic
18 resource; and

19 (ii) the project complies with the Secretary of the Interior's Standards, (36 C.F.R. § 67.7 (2001))
20 and/or Section 1006 and any related Article 10 appendices of this Code.

21 (10) Modification of the accessory use provisions of Section 803.3(b)(1)(c) for dwelling units.
22 Dwelling units modified under this Subsection shall continue to be considered dwelling units for the
23 purposes of this Code and shall be subject to all such applicable controls and fees. Additionally, any
24 building which receives a modification pursuant to this Subsection shall (i) have appropriately
25 designed street frontages to accommodate both residential and modified accessory uses and (ii) obtain

1 comment on the proposed modification from other relevant agencies prior to the Planning Commission
2 hearing, including the Fire Department and Department of Building Inspection. Modifications are
3 subject to the following:

4 (i) A modification may only be granted for the ground floor portion of dwelling units that front
5 on a street with a width equal to or greater than 40 feet.

6 (ii) The accessory use may only include those uses permitted as of right at the subject property.
7 However, uses permitted in any unit obtaining an accessory use modification may be further limited by
8 the Planning Commission.

9 (iii) The Planning Commission may grant exceptions to the size of the accessory use, type and
10 number of employees, and signage restrictions of the applicable accessory use controls.

11 (11) Where not specified elsewhere in this Subsection (d), modification of other Code
12 requirements which could otherwise be modified as a Planned Unit Development (as set forth
13 in Section 304), irrespective of the zoning district in which the property is located.

14 (e) **Hearing and Decision.**

15 (1) **Hearing.** The Planning Commission shall hold a public hearing for all projects that
16 are subject to this Section.

17 (2) **Notice of Hearing.** Notice of such hearing shall be provided pursuant to the same
18 requirements for Conditional Use requests, as set forth in Section 306.3 and 306.8

19 (3) **Director's Recommendations on Modifications and Exceptions.** At the hearing,
20 the Planning Director shall review for the Commission key issues related to the project based
21 on the review of the project pursuant to Subsection (c) and recommend to the Commission
22 modifications, if any, to the project and conditions for approval as necessary. The Director
23 shall also make recommendations to the Commission on any proposed exceptions pursuant
24 to Subsection (d).

25 (4) **Decision and Imposition of Conditions.** The Commission, after public hearing

1 and, after making appropriate findings, may approve, disapprove or approve subject to
 2 conditions, the project and any associated requests for exception. As part of its review and
 3 decision, the Planning Commission may impose additional conditions, requirements,
 4 modifications, and limitations on a proposed project in order to achieve the objectives,
 5 policies, and intent of the General Plan or of this Code.

6 (5) **Appeal.** The decision of the Planning Commission may be appealed to the Board of
 7 Appeals by any person aggrieved within 15 days after the date of the decision by filing a
 8 written notice of appeal with that body, setting forth wherein it is alleged that there was an
 9 error in the interpretation of the provisions of this Code or abuse of discretion on the part of
 10 the Planning Commission.

11 (6) **Discretionary Review.** No requests for discretionary review shall be accepted by
 12 the Planning Department or heard by the Planning Commission for projects subject to this
 13 Section.

14 (7) **Change of Conditions.** Once a project is approved, authorization of a change in
 15 any condition previously imposed by the Planning Commission shall require approval by the
 16 Planning Commission subject to the procedures set forth in this Section.

17 **SEC. 352. - COMMISSION AND ZONING ADMINISTRATOR HEARING APPLICATIONS.**

18 (a) Conditional Use (Section 303), Planned Unit Development (Section 304),

Estimated Construction Cost	Initial Fee
No construction cost, excluding extension of hours	\$1,800.00
No construction cost, extension of hours	\$1,286.00
Wireless Telecommunications Services	\$4,500.00

1	(WTS)	
2		
3	Estimated Construction Cost	Initial Fee
4	\$1.00 to \$9,999.00	\$1,286.00
5	\$10,000.00 to \$999,999.00	\$1,286.00 plus 0.583% of cost over \$10,000.00
6		
7	\$1,000,000.00 to \$4,999,999.00	\$7,171.00 plus 0.695% of cost over \$1,000,000.00
8	\$5,000,000.00 to \$9,999,999.00	\$35,537.00 plus 0.583% of cost over \$5,000,000.00
9	\$10,000,000.00 to \$19,999,999.00	\$65,257.00 plus 0.303% of cost over \$10,000,000.00
10		
11	\$20,000,000.00 or more	\$96,230.00

(b) Variance (Section 305)

12		
13	Estimated Construction Cost	Initial Fee
14	\$0.00—\$9,999.00	\$817.00
15		
16	\$10,000.00—\$19,999.00	\$1,821.00
17	\$20,000.00 and greater	\$,3,708.00

Variance fees are subject to additional time and material charges, as set forth in Section 350(c).

(c) Downtown (C-3) District Review (Section 309) and Coastal Zone Permit (Section 330) Applications Commission Hearing Fee Schedule:

22	Estimated Construction Cost	Initial Fee
23	\$0.00 to \$9,999.00	\$256.00
24		
25	\$10,000.00 to \$999,999.00	\$261.00 plus 0.117% of cost over \$10,000.00

\$1,000,000.00 to \$4,999,999.00	\$1,442.00 plus 0.139% of cost over \$1,000,000.00
\$5,000,000.00 to \$9,999,999.00	\$7,130.00 plus 0.116% of cost over \$5,000,000.00
\$10,000,000.00 to \$19,999,999.00	\$13,050.00 plus 0.061% of cost over \$10,000,000
\$20,000,000.00 or more	\$19,268.00

(1) Applications with Verified Violations of this Code: The Planning Department shall charge \$204.00 as an initial fee, plus time and materials as set forth in Section 350(c).

(2) Where an applicant requests two or more approvals involving a conditional use, planned unit development, variance, Downtown (C-3) District Section 309 review, Large Project Authorization in the Eastern Neighborhoods Mixed Use Districts, certificate of appropriateness, permit to alter a significant or contributory building both within and outside of Conservation Districts, or a coastal zone permit review, the amount of the second and each subsequent initial fees of lesser value shall be reduced to 50 percent.

(3) Minor project modifications requiring a public hearing to amend conditions of approval of a previously authorized project, not requiring a substantial reevaluation of the prior authorization: \$955.00.

(4) The applicant shall be charged for any time and materials beyond the initial fee in Section 352, as set forth in Section 350(c).

(5) An applicant proposing major revisions, as determined by the Zoning Administrator, to a project application that has been inactive for more than six months and is assigned shall submit a new application. An applicant proposing major revisions to a project which has not been assigned and for which an application is on file with the Planning Department shall be charged time and materials to cover the full costs in excess of the initial fee paid.

(6) For agencies or departments of the City and County of San Francisco, the initial fee

1 for applications shall be based upon the construction cost as set forth above.

2 (d) **Discretionary Review Request:** \$500.00; provided, however, that the fee shall be
3 waived if the discretionary review request is filed by a neighborhood organization that: (1) has
4 been in existence for 24 months prior to the filing date of the request, (2) is on the Planning
5 Department's neighborhood organization notification list, and (3) can demonstrate to the
6 Planning Director or his/her designee that the organization is affected by the proposed project.
7 Such fee shall be refunded to the individual or entity that requested discretionary review in the
8 event the Planning Commission denies the Planning Department's approval or authorization
9 upon which the discretionary review was requested. Mandatory discretionary reviews:
10 \$3,438.00.

11 (e) **Institutional Master Plan (Section 304.5).**

12 (1) **Full Institutional Master Plan or Substantial Revision:** \$12,259.00 plus time and
13 materials if the cost exceeds the initial fee as set forth in Section 350(c).

14 (2) **Abbreviated Institutional Master Plan:** \$2,244.00 plus time and materials if the
15 cost exceeds the initial fee as set forth in Section 350(c).

16 (f) **Land Use Amendments and Related Plans and Diagrams of the San Francisco**
17 **General Plan:** Fee based on the Department's estimated actual costs for time and materials
18 required to review and implement the requested amendment, according to a budget prepared
19 by the Director of Planning, in consultation with the sponsor of the request.

20 (g) **General Plan Referrals:** \$3,310.00 plus time and materials if the cost exceeds the
21 initial fee as set forth in Section 350(c).

22 (h) **Redevelopment Plan Review:** The Director of Planning shall prepare a budget to
23 cover actual time and materials expected to be incurred, in consultation with the
24 Redevelopment Agency. A sum equal to ½ the expected cost will be submitted to the
25 Department, prior to the commencement of the review. The remainder of the costs will be due

1 at the time the initial payment is depleted.

2 (i) **Reclassify Property or Impose Interim Zoning Controls:** \$7,052.00

3 (1) The applicant shall be charged for any time and materials as set forth in Section
4 350(c).

5 (2) **Applications with Verified Violations of this Code:** The Planning Department
6 shall charge time and materials as set forth in Section 350(c).

7 (j) **Setback Line, Establish, Modify or Abolish:** \$2,851.00

8 (k) **Temporary Use Fees:** \$409.00 as an initial fee, plus time and materials if the cost
9 exceeds the initial fee, as set forth in Section 350(c).

10 (l) **Amendments to Text of the Planning Code:** \$14,090.00 as an initial fee, plus time
11 and materials if the cost exceeds the initial fee as set forth in Section 350(c).

12 (m) **Zoning Administrator Conversion Determinations Related to Service Station**
13 **Conversions:** \$2,783.00 as an initial fee, plus time and materials if the cost exceeds the
14 initial fee. (Section 228.4).

15 (n) **Conditional Use Appeals to the Board of Supervisors:**

16 (1) \$500.00 for the appellant of a conditional used authorization decision to the Board of
17 Supervisors; provided, however, that the fee shall be waived if the appeal is filed by a
18 neighborhood organization that: (1) has been in existence for 24 months prior to the appeal
19 filing date, (2) is on the Planning Department's neighborhood organization notification list, and
20 (3) can demonstrate to the Planning Director or his/her designee that the organization is
21 substantially affected by the proposed project.

22 (2) Such fees shall be used to defray the cost of an appeal to the Planning Department.
23 At the time of filing an appeal, the Clerk of the Board of Supervisors shall collect such fee and
24 forward the fee amount to the Planning Department.

25 **SEC. 401. – DEFINITIONS.**

1 (a) In addition to the specific definitions set forth elsewhere in this Article, the following
2 definitions shall govern interpretation of this Article:

3 "Affordable housing project." A housing project containing units constructed to satisfy
4 the requirements of Sections 413.5, 413.8, 415.4, or 4.5.5 of this Article, or receiving funds
5 from the Citywide Affordable Housing Fund.

6 "Affordable to a household." A purchase price that a household can afford to pay based
7 on an annual payment for all housing costs of 33 percent of the combined household annual
8 net income, a 10 percent down payment, and available financing, or a rent that a household
9 can afford to pay based on an annual payment for all housing costs of 30 percent of the
10 combined annual net income.

11 "Affordable to qualifying households":

12 (A) With respect to owned units, the average purchase price on the initial sale of all
13 affordable owned units in an affordable housing project shall not exceed the allowable
14 average purchase price. Each unit shall be sold:

15 (i) Only to households with an annual net income equal to or less than that of a
16 household of moderate income; and

17 (ii) At or below the maximum purchase price.

18 (B) With respect to rental units in an affordable housing project, the average annual
19 rent shall not exceed the allowable average annual rent. Each unit shall be rented:

20 (i) Only to households with an annual net income equal to or less than that of a
21 household of lower income;

22 (ii) At or less than the maximum annual rent.

23 "Allowable average purchase price":

24 (A) For all affordable one-bedroom units in a housing project, a price affordable to a
25 two-person household of median income as set forth in Title 25 of the California Code of

1 Regulations Section 6932 ("Section 6932") on January 1st of that year;

2 (B) For all affordable two-bedroom units in a housing project, a price affordable to a
3 three-person household of median income as set forth in Section 6932 on January 1st of that
4 year;

5 (C) For all affordable three-bedroom units in a housing project, a price affordable to a
6 four-person household of median income as set forth in Section 6932 on January 1st of that
7 year;

8 (D) For all affordable four-bedroom units in a housing project, a price affordable to a
9 five-person household of median income as set forth in Section 6932 on January 1st of that
10 year.

11 "Affordable to qualifying middle income households":

12 (A) With respect to owned units, the average purchase price on the initial sale of all
13 qualifying middle income units shall not exceed the allowable average purchase price deemed
14 acceptable for households with an annual gross income equal to or less than the qualifying
15 limits for a household of middle income, adjusted for household size. This purchase price shall
16 be based on household spending of 35% of income for housing, and shall only apply to initial
17 sale, and not for the life of the unit.

18 (B) With respect to rental units, the average annual rent - including the cost of utilities
19 paid by the tenant according to the HUD utility allowance established by the San Francisco
20 Housing Authority - for qualifying middle income units shall not exceed the allowable average
21 purchase price deemed acceptable for households with an annual gross income equal to or
22 less than the qualifying limits for a household of middle income, adjusted for household size.
23 This price restriction shall exist for the life of the unit.

24 "Allowable average annual rent":

25 (A) For all affordable one-bedroom units in a housing project, 18 percent of the

1 median income for a household of two persons as set forth in Section 6932 on January 1st of
2 that year;

3 (B) For all affordable two-bedroom units in a housing project, 18 percent of the
4 median income for a household of three persons as set forth in Section 6932 on January 1st
5 of that year;

6 (C) For all affordable three-bedroom units in a housing project, 18 percent of the
7 median income for a household of four persons as set forth in Section 6932 on January 1st of
8 that year;

9 (D) For all affordable four-bedroom units in a housing project, 18 percent of the
10 median income for a household of five persons as set forth in Section 6932 on January 1st of
11 that year.

12 "Annual gross income." Gross income as defined in CCR Title 25, Section 6914, as
13 amended from time to time, except that MOH may, in order to promote consistency with the
14 procedures of the San Francisco Redevelopment Agency, develop an asset test that differs
15 from the State definition if it publishes that test in the Procedures Manual.

16 "Annual net income." Net income as defined in Title 25 of the California Code of
17 Regulations Section 6916.

18 "Average annual rent." The total annual rent for the calendar year charged by a housing
19 project for all affordable rental units in the project of an equal number of bedrooms divided by
20 the total number of affordable units in the project with that number of bedrooms.

21 "Average purchase price." The purchase price for all affordable owned units in an
22 affordable housing project of an equal number of bedrooms divided by the total number of
23 affordable units in the project with that number of bedrooms.

24 "Balboa Park Community Improvements Fund." The fund into which all fee revenue the
25 City collects from the Balboa Park Impact Fee is deposited.

1 "Balboa Park Community Improvements Program." The program intended to implement
2 the community improvements identified in the Balboa Park Area Plan, as articulated in the
3 Balboa Park Community Improvements Program Document on file with the Clerk of the Board
4 in File No. 090179.

5 "Balboa Park Impact Fee." The fee collected by the City to mitigate impacts of new
6 development in the Balboa Park Program Area, as described in the findings in Section 422.1.

7 "Balboa Park Program Area." The Balboa Park Plan Area in Figure 1 of the Balboa Park
8 Station Area Plan of the San Francisco General Plan.

9 "Base service standard." The relationship between revenue service hours offered by the
10 Municipal Railway and the number of automobile and transit trips estimated to be generated
11 by certain non-residential uses, expressed as a ratio where the numerator equals the average
12 daily revenue service hours offered by MUNI and the denominator equals the daily automobile
13 and transit trips generated by non-residential land uses as estimated by the TIDF Study or
14 updated under Section 411.5 of this Article.

15 "Base service standard fee rate." The TIDF that would allow the City to recover the
16 estimated costs incurred by the Municipal Railway to meet the demand for public transit
17 resulting from new development in the economic activity categories for which the fee is
18 charged, after deducting government grants, fare revenue, and costs for non-vehicle
19 maintenance and general administration.

20 "Board" or "Board of Supervisors." The Board of Supervisors of the City and County of
21 San Francisco.

22 "Change of Use." A change of gross floor area from one category of use to another
23 category of use listed in the use table for the zoning district of the subject lot.

24 "Child-care facility." A child-care facility as defined in California Health and Safety Code
25 Section 1596.750.

1 "Child-care provider." A provider as defined in California Health and Safety Code
2 Section 1596.791.

3 "City" or "San Francisco." The City and County of San Francisco.

4 "Commission" or "Planning Commission." The San Francisco Planning Commission.

5 "Community apartment." As defined in San Francisco Subdivision Code Section
6 1308(b).

7 "Community facilities." All uses as defined under Section 209.4(a) and 209.3(d) of this
8 Code.

9 "Condition of approval" or "Conditions of approval." A condition or set of written
10 conditions imposed by the Planning Commission or another permit-approving or issuing City
11 agency or appellate body to which a project applicant agrees to adhere and fulfill when it
12 receives approval for the construction of a development project subject to this Article.

13 "Condominium." As defined in California Civil Code Section 783.

14 "Cultural/Institution/Education (CIE)." An economic activity category subject to the TIDF
15 that includes, but is not limited to, schools, as defined in Sections 209.3(g), (h), and (i) and
16 217(f)-(i) of this Code; child care facilities; museums and zoos; and community facilities, as
17 defined in Sections 209.4 and 221(a)-(c) of this Code.

18 "DBI." The San Francisco Department of Building Inspection or its successor.

19 "Dedicated." Legally transferred to the City and County of San Francisco, including all
20 relevant legal documentation, at no cost to the City.

21 "Dedicated site." The portion of site proposed to be legally transferred at no cost to the
22 City and County of San Francisco under the requirements of this section.

23 "Department" or "Planning Department." The San Francisco Planning Department or
24 the Planning Department's designee, including the Mayor's Office of Housing and other City
25 agencies or departments.

1 "Designated affordable housing zones." For the purposes of implementing the Eastern
2 Neighborhoods Public Benefits Fund, shall mean the Mission NCT defined in Section 736 and
3 the Mixed Use Residential District defined in Section 841.

4 "Development fee." Either a development impact fee or an in-lieu fee. It shall not
5 include a fee for service or any time and material charges charged for reviewing or processing
6 permit applications.

7 "Development Fee Collection Unit" or "Unit." The Development Fee Collection Unit at
8 DBI.

9 "Development impact fee." A fee imposed on a development project as a condition of
10 approval to mitigate the impacts of increased demand for public services, facilities or housing
11 caused by the development project that may or may not be an impact fee governed by the
12 California Mitigation Fee Act (California Government Code Section 66000 et seq.).

13 "Development impact requirement." A requirement to provide physical improvements,
14 facilities or below market rate housing units imposed on a development project as a condition
15 of approval to mitigate the impacts of increased demand for public services, facilities or
16 housing caused by the development project that may or may not be governed by the
17 California Mitigation Fee Act (California Government Code Section 66000 et seq.).

18 "Development project." Any change of use within an existing structure, addition to an
19 existing structure, or new construction, which includes any occupied floor area.

20 "Development under the TIDF." Any new construction, or addition to or conversion of an
21 existing structure under a building or site permit issued on or after September 4, 2004, that
22 results in 3,000 gross square feet or more of a covered use. In the case of mixed use
23 development that includes residential development, the term "new development" shall refer to
24 only the non-residential portion of such development. "Existing structure" shall include a
25 structure for which a sponsor already paid a fee under the prior TIDF ordinance, as well as a

1 structure for which no TIDF was paid.

2 "Director." The Director of Planning or his or her designee.

3 "DPW." The Department of Public Works, or its successor.

4 "Eastern Neighborhoods Infrastructure Impact Fee." The fee collected by the City to
5 mitigate impacts of new development in the Eastern Neighborhoods Program Area, as
6 described in the Findings in Section 423.1

7 "Eastern Neighborhoods Public Benefits Fund." The fund into which all fee revenue
8 collected by the City from the Eastern Neighborhoods Impact Fee is deposited.

9 "Eastern Neighborhoods Public Benefits Program." The program intended to implement
10 the community improvements identified in the four Area Plans affiliated with the Eastern
11 Neighborhoods (Central Waterfront, East SoMa, Mission, and Showplace Square/Potrero
12 Hill), as articulated in the Eastern Neighborhoods Public Benefits Program Document, on file
13 with the Clerk of the Board in File No. 081155.)

14 "Eastern Neighborhoods Program Area." The Eastern Neighborhoods Plan Area in Map
15 1 (Land Use Plan) of the Eastern Neighborhoods Area Plan of the San Francisco General
16 Plan.

17 "Economic activity category." Under the TIDF, one of the following six categories of
18 non-residential uses: Cultural/Institution/Education (CIE), Management, Information and
19 Professional Services (MIPS), Medical and Health Services, Production/Distribution/Repair
20 (PDR), Retail/Entertainment, and Visitor Services.

21 "Entertainment use." Space within a structure or portion thereof intended or primarily
22 suitable for or accessory to the operation of uses defined in San Francisco Planning Code
23 Sections 102.17 (Nighttime Entertainment), 790.38 and 890.37 (Other Entertainment), 790.36
24 and 890.36 (Adult Entertainment), 790.64 and 890.64 (Movie Theater), and 790.4 and 890.4
25 (Amusement Arcade), regardless of the zoning district that the use is located in.

1 "First certificate of occupancy." Either a temporary certificate of occupancy or a
2 Certificate of Final Completion and Occupancy as defined in San Francisco Building Code
3 Section 109A, whichever is issued first.

4 "First construction document." As defined in Section 107A.13.1 of the San Francisco
5 Building Code.

6 "Gross floor area." The total area of each floor within the building's exterior walls, as
7 defined in Section 102.9(b)(12) of this Code.

8 "Gross square feet of use." The meaning set forth in Section 102.9 of this Code, with
9 the exception of the TIDF. With respect to the TIDF, the total square feet of gross floor area in
10 a building and/or space within or adjacent to a structure devoted to all uses covered by the
11 TIDF, including any common areas exclusively serving such uses and not serving residential
12 uses. Where a structure contains more than one use, areas common to two or more uses,
13 such as lobbies, stairs, elevators, restrooms, and other ancillary spaces included in gross floor
14 area that are not exclusively assigned to one uses shall be apportioned among the two or
15 more uses in accordance with the relative amounts of gross floor area, excluding such space,
16 in the structure or on any floor thereof directly assignable to each use.

17 "Hotel" or "Hotel use." Space within a structure or portion thereof intended or primarily
18 suitable for or accessory to the operation of uses defined in San Francisco Planning Code
19 Sections 790.46 and 890.46, regardless of the zoning district that the use is located in.

20 "Household." Any person or persons who reside or intend to reside in the same housing
21 unit.

22 "Household of lower income." A household composed of one or more persons with a
23 combined annual net income for all adult members which does not exceed the qualifying limit
24 for a lower-income family of a size equivalent to the number of persons residing in such
25 household, as set forth for the County of San Francisco in Title 25 of the California Code of

1 Regulations Section 6932.

2 "Household of median income." A household composed of one or more persons with a
3 combined annual net income for all adult members which does not exceed the qualifying limit
4 for a median-income family of a size equivalent to the number of persons residing in such
5 household, as set forth for the County of San Francisco in Title 25 of the California Code of
6 Regulations Section 6932.

7 "Household of moderate income." A household composed of one or more persons with
8 a combined annual net income for all adult members which does not exceed the qualifying
9 limit for a moderate-income family of a size equivalent to the number of persons residing in
10 such household, as set forth for the County of San Francisco in Title 25 of the California Code
11 of Regulations Section 6932.

12 Housing developer." Any business entity building housing units which receives a
13 payment from a sponsor for use in the construction of the housing units. A housing developer
14 may be (a) the same business entity as the sponsor, (b) an entity in which the sponsor is a
15 partner, joint venturor, or stockholder, or (c) an entity in which the sponsor has no control or
16 ownership.

17 "Housing project." Any development which has residential units as defined in the
18 Planning Code, including but not limited to dwellings, group housing, independent living units,
19 and other forms of development which are intended to provide long-term housing to
20 individuals and households. "Housing project" shall not include that portion of a development
21 that qualifies as an Institutional Use under the Planning Code. "Housing project" for purposes
22 of this Program shall also include the development of live/work units as defined by Section
23 102.13 of this Code. Housing project for purposes of this Program shall mean all phases or
24 elements of a multi-phase or multiple lot residential development.

25 "Housing unit" or "unit." A dwelling unit as defined in San Francisco Housing Code

1 Section 401.

2 "Improvements Fund." The fund into which all revenues collected by the City for each
3 Program Area's impact fees are deposited.

4 "In-Kind Agreement." An agreement acceptable in form and substance to the City
5 Attorney and the Director of Planning, under which the project sponsor agrees to provide a
6 specific set of community improvements, at a specific phase of construction, in lieu of
7 contribution to the relevant Fund.

8 "Infrastructure." Open space and recreational facilities; public realms improvements
9 such as pedestrian improvements and streetscape improvements; public transit facilities; and
10 community facilities such as libraries, child care facilities, and community centers.

11 "In lieu fee." A fee paid by a project sponsor in lieu of complying with a requirement of
12 this Code and that is not a development impact fee governed by the Mitigation Fee Act.

13 "Institutional use." Space within a structure or portion thereof intended or primarily
14 suitable for or accessory to the operation of uses contained in San Francisco Planning Code
15 Section 217 and 890.50, regardless of the zoning district that the use is located in.

16 "Integrated PDR use." Space within a structure or portion thereof intended or primarily
17 suitable for or accessory to the operation of uses defined in San Francisco Planning Code
18 Section 890.49, regardless of the zoning district that the use is located in.

19 "Interim Guidelines." The Office Housing Production Program Interim Guidelines
20 adopted by the City Planning Commission on January 26, 1982, as amended.

21 "Licensed Child-care facility." A child-care facility which has been issued a valid license
22 by the California Department of Social Services pursuant to California Health and Safety Code
23 Sections 1596.80-1596.875, 1596.95-1597.09, or 1597.30-1597.61.

24 "Live/work project." A housing project containing more than one live/work unit.

25 "Live/work unit" shall be as defined in Section 102.13 of this Code.

1 "Long term housing." Housing intended for occupancy by a person or persons for 32
2 consecutive days or longer.

3 "Low income." For purposes of this Article, up to 80% of median family income for the
4 San Francisco PMSA, as calculated and adjusted by the United States Department of
5 Housing and Urban Development (HUD) on an annual basis, except that as applied to
6 housing-related purposes such as the construction of affordable housing and the provision of
7 rental subsidies with funds from the SOMA Stabilization Fund established in Section 418.7, it
8 shall mean up to 60% of median family income for the San Francisco PMSA, as calculated
9 and adjusted by HUD on an annual basis.

10 "Management, Information and Professional Services (MIPS). An economic activity
11 category under the TIDF that includes, but is not limited to, office use; medical offices and
12 clinics, as defined in Section 890.114 of this Code; business services, as defined in Section
13 890.111 of this Code; Integrated PDR, as defined in Section 890.49 of this Code, and Small
14 Enterprise Workspaces, as defined in Section 227(t) of this Code.

15 "Market and Octavia Community Improvements Fund" The fund into which all fee
16 revenue collected by the City from the Market and Octavia Community Improvements Fee is
17 deposited.

18 "Market and Octavia Community Improvements Impact Fee." The fee collected by the
19 City to mitigate impacts of new development in the Market and Octavia Program Area, as
20 described in the findings in Section 421.1.

21 "Market and Octavia Community Improvements Program." The program intended to
22 implement the community improvements identified in the Market and Octavia Area Plan, as
23 articulated in the Market and Octavia Community Improvements Program Document on file
24 with the Clerk of the Board in File No. 071157.)

25 "Market and Octavia Program Area." The Market and Octavia Plan Area in Map 1 (Land

1 Use Plan) of the Market and Octavia Area Plan of the San Francisco General Plan, which
2 includes those districts zoned RTO, NCT, or any neighborhood specific NCT, a few parcels
3 zoned RH-1 or RH-2, and those parcels within the Van Ness and Market Downtown
4 Residential Special Use District (VMDRSUD). The Program Area also includes the Upper
5 Market NCD, which includes parcels one block west of the plan area that front Market Street.

6 "Market rate housing." Housing constructed in the principal project that is not subject to
7 sales or rental restrictions.

8 "Maximum annual rent." The maximum rent that a housing developer may charge any
9 tenant occupying an affordable unit for the calendar year. The maximum annual rent shall be
10 30 percent of the annual income for a lower-income household as set forth in Section 6932 on
11 January 1st of each year for the following household sizes:

- 12 (A) For all one-bedroom units, for a household of two persons;
- 13 (B) For all two-bedroom units, for a household of three persons;
- 14 (C) For all three-bedroom units, for a household of four persons;
- 15 (D) For all four-bedroom units, for a household of five persons.

16 "Maximum purchase price." The maximum purchase price that a household of
17 moderate income can afford to pay for an owned unit based on an annual payment for all
18 housing costs of 33 percent of the combined household annual net income, a 10 percent
19 down payment, and available financing, for the following household sizes:

- 20 (A) For all one-bedroom units, for a household of two persons;
- 21 (B) For all two-bedroom units, for a household of three persons;
- 22 (C) For all three-bedroom units, for a household of four persons;
- 23 (D) For all four-bedroom units, for a household of five persons.

24 "Medical and Health Services." An economic activity category under the TIDF that
25 includes, but is not limited to, those non-residential uses defined in Sections 209.3(a) and

1 217(a) of this Code; animal services, as defined in Section 224(a) and (b) of this Code; and
2 social and charitable services, as defined in Sections 209.3(d) and 217(d) of this Code.

3 "Middle Income Household." A household whose combined annual gross income for all
4 members is between 120 percent and 150 percent of the local median income for the City and
5 County of San Francisco, as calculated by the Mayor's Office of Housing using data from the
6 United States Department of Housing and Urban Development (HUD) and adjusted for
7 household size or, if data from HUD is unavailable, as calculated by the Mayor's Office of
8 Housing using other publicly available and credible data and adjusted for household size.

9 "MOH." The Mayor's Office of Housing, or its successor.

10 "MTA." The Municipal Transportation Agency, or its successor.

11 "MTA Director." The Director of MTA or his or her designee.

12 "Municipal Railway; MUNI." The public transit system owned by the City and under the
13 jurisdiction of the MTA.

14 "Net addition." The total amount of gross floor area defined in Planning Code Section
15 102.9 contained in a development project, less the gross floor area contained in any structure
16 demolished or retained as part of the proposed development project.

17 "New development." Under the TIDF, any new construction, or addition to or conversion
18 of an existing structure under a building or site permit issued on or after September 4, 2004
19 that results in 3,000 gross square feet or more of a use covered by the TIDF. In the case of
20 mixed use development that includes residential development, the term "new development"
21 shall refer to only the non-residential portion of such development. "Existing structure" shall
22 include a structure for which a sponsor already paid a fee under the prior TIDF ordinance, as
23 well as a structure for which no TIDF was paid.

24 "Nonprofit child-care provider." A child-care provider that is an organization organized
25 and operated for nonprofit purposes within the provisions of California Revenue and Taxation

1 Code Sections 23701 - 23710, inclusive, as demonstrated by a written determination from the
2 California Franchise Tax Board exempting the organization from taxes under Revenue and
3 Taxation Code Section 23701.

4 "Nonprofit organization." An organization organized and operated for nonprofit purposes
5 within the provisions of California Revenue and Taxation Code Sections 23701 - 23710,
6 inclusive, as demonstrated by a written determination from the California Franchise Tax Board
7 exempting the organization from taxes under Revenue and Taxation Code Section 23701.

8 "Non-residential use." Space within any structure or portion thereof intended or primarily
9 suitable for or accessory to occupancy by retail, office, commercial, or other non-residential
10 uses defined in Section 209.3, 209.8, 217, 218, 219, ~~and 221~~, and 227 of this Code, except uses
11 227(a), (b), and (p), regardless of the zoning district that the use is located in; except that
12 residential components of uses defined in Section 209.3(a)-(c) and (g)-(i) shall be defined as a
13 "residential use" for purposes of this Article. For the purposes of this Article, non-residential
14 use shall not include PDR and publicly owned and operated community facilities.

15 "Notice of Special Restrictions." A document recorded with the San Francisco
16 Recorder's Office for any unit subject to this Program detailing the sale and resale or rental
17 restrictions and any restrictions on purchaser or tenant income levels included as a Condition
18 of Approval of the principal project relating to the unit.

19 "Office use." Space within a structure or portion thereof intended or primarily suitable for
20 or accessory to the operation of uses defined in San Francisco Planning Code Section
21 890.70, regardless of the zoning district that the use is located in.

22 "Off-site unit." A unit affordable to qualifying households constructed pursuant to this
23 Ordinance on a site other than the site of the principal project.

24 "On-site unit." A unit affordable to qualifying households constructed pursuant to this
25 Article on the site of the principal project.

1 "Owned unit." A unit affordable to qualifying households which is a condominium, stock
2 cooperative, community apartment, or detached single-family home. The owner or owners of
3 an owned unit must occupy the unit as their primary residence.

4 "Owner." The record owner of the fee or a vendee in possession.

5 "PDR use." Space within any structure or portion thereof intended or primarily suitable
6 for or accessory to the operation of uses defined in San Francisco Planning Code Sections
7 220, 222, 223, 224, 225, 226, 227(a), 227(b), and 227(p), regardless of the zoning district that
8 the use is located in.

9 "Principal project." A housing development on which a requirement to provide
10 affordable housing units is imposed.

11 "Principal site." The total site proposed for development, including the portion of site
12 proposed to be legally transferred to the City and County of San Francisco.

13 "Procedures Manual." The City and County of San Francisco Affordable Housing
14 Monitoring Procedures Manual issued by the San Francisco Department of City Planning, as
15 amended.

16 "Rent" or "rental." The total charges for rent, utilities, and related housing services to
17 each household occupying an affordable unit.

18 "Rental unit." A unit affordable to qualifying households which is not a condominium,
19 stock cooperative, or community apartment.

20 "Replacement of use." The total amount of gross floor area, as defined in Section 102.9
21 of this Code, to be demolished and reconstructed by a development project.

22 "Research and development use." Space within any structure or portion thereof
23 intended or primarily suitable for or accessory to the operation of uses defined in San
24 Francisco Planning Code Section 890.52, regardless of the zoning district that the use is
25 located in.

1 "Residential use." Space within any structure or portion thereof intended or primarily
2 suitable for or accessory to occupancy by uses defined in San Francisco Planning Code
3 Sections 209.1, 790.88, and 890.88, as relevant for the subject zoning district, or containing
4 group housing as defined in Section 209.2(a) - (c) of this Code and any residential
5 components of institutional uses as defined in Section 209.3(a) - (c) and (g) - (i) of this Code.

6 "Retail/entertainment." An economic activity category under the TIDF that includes, but
7 is not limited to, a retail use; an entertainment use; massage establishments, as defined in
8 Section 218.1 of this Code; laundering, and cleaning and pressing, as defined in Section 220
9 of this Code.

10 "Retail use." Space within any structure or portion thereof intended or primarily suitable
11 for or accessory to the operation of uses contained in San Francisco Planning Code Section
12 218, regardless of the zoning district that the use is located in.

13 "Revenue services hours." The number of hours that the Municipal Railway provides
14 service to the public with its entire fleet of buses, light rail (including streetcars), and cable
15 cars.

16 "Rincon Hill Community Improvements Fund." The fund into which all fee revenue
17 collected by the City from the Rincon Hill Community Infrastructure Impact Fee is deposited.

18 "Rincon Hill Community Infrastructure Impact Fee." The fee collected by the City to
19 mitigate impacts of new development in the Rincon Hill Program Area, as described in the
20 findings in Section 418.1.

21 "Rincon Hill Program Area." Those districts identified as the Rincon Hill Downtown
22 Residential (RH DTR) Districts in the Planning Code and on the Zoning Maps.

23 "Section 6932." Section 6932 of Title 25 of the California Code of Regulations as such
24 section applies to the County of San Francisco.

25 "Small Enterprise Workspace use." Space within a structure or portion thereof intended

1 or primarily suitable for or accessory to the operation of uses defined in San Francisco
2 Planning Code Section 227(t), regardless of the zoning district that the use is located in.

3 "SOMA." The area bounded by Market Street to the north, Embarcadero to the east,
4 King Street to the south, and South Van Ness and Division to the west.

5 "SOMA Community Stabilization Fee." The fee collected by the City to mitigate impacts
6 on the residents and businesses of SOMA of new development in the Rincon Hill Program
7 Area, as described in the findings in Section 418.1.

8 "SOMA Community Stabilization Fund." The fund into which all fee revenue collected by
9 the City from the SOMA Community Stabilization Fee is deposited.

10 "Sponsor" or "project sponsor." An applicant seeking approval for construction of a
11 development project subject to this Article, such applicant's successor and assigns, and/or
12 any entity which controls or is under common control with such applicant.

13 "Stock cooperative." As defined in California Business and Professions Code Section
14 11003.2.

15 "Student housing." A building where 100 percent of the residential uses are affiliated
16 with and operated by an accredited post-secondary educational institution. Typically, student
17 housing is for rent, not for sale. This housing shall provide lodging or both meals and lodging,
18 by prearrangement for one week or more at a time. This definition only applies in the Eastern
19 Neighborhoods Mixed Use Districts.

20 "TIDF; Transit Impact Development Fee." The development fee that is the subject of
21 Section 411.1 et seq. of this Article.

22 "TIDF Study." The study commissioned by the San Francisco Planning Department and
23 performed by Nelson/Nygaard Associates entitled "Transit Impact Development Fee Analysis
24 - Final Report," dated May 2001, including all the Technical Memoranda supporting the Final
25 Report and the Nelson/Nygaard update materials contained in Board of Supervisors File No.

1 040141.

2 "Total developable site area." That part of the site that can be feasibly developed as
3 residential development, excluding land already substantially developed, parks, required open
4 spaces, streets, alleys, walkways or other public infrastructure.

5 "Treasurer." The Treasurer for the City and County of San Francisco.

6 "Trip generation rate." The total number of automobile and Municipal Railway trips
7 generated for each 1,000 square feet of development in a particular economic activity
8 category as established in the TIDF Study, or pursuant to the five-year review process
9 established in Section 411.5 of this Article.

10 "Use." The purpose for which land or a structure, or both, are legally designed,
11 constructed, arranged, or intended, or for which they are legally occupied or maintained, let or
12 leased.

13 "Visitacion Valley." The area bounded by Carter Street and McLaren Park to the west,
14 Mansell Street to the north, Route 101 between Mansell Street and Bayshore Boulevard to the
15 northeast, Bayview Park to the north, Candlestick Park and Candlestick Point Recreation Area
16 to the east, the San Francisco Bay to the southeast, and the San Francisco County line to the
17 south.

18 "Visitor services." An economic activity category under the TIDF that includes, but is not
19 limited to, hotel use; motel use, as defined in Section 216(c) and (d); and time-share projects,
20 as defined in Section 11003.5(a) of the California Business and Professions Code.

21 "Waiver Agreement." An agreement acceptable in form and substance to the City
22 Attorney and the Planning Department under which the City agrees to waive all or a portion of
23 the Community Improvements Impact Fee.

24
25 **SEC. 411.3. - APPLICATION OF TIDF.**

1 (a) **Application.** Except as provided in Subsections (1) and (2) below, the TIDF shall be
2 payable with respect to any new development in the City for which a building or site permit is
3 issued on or after September 4, 2004. In reviewing whether a development project is subject
4 to the TIDF, the project shall be considered in its entirety. A sponsor shall not seek multiple
5 applications for building permits to evade paying the TIDF for a single development project.

6 (1) The TIDF shall not be payable on new development, or any portion thereof, for
7 which a TIDF has been paid, in full or in part, under the prior TIDF Ordinance adopted in 1981
8 (Ordinance No. 224-81; former Chapter 38 of the Administrative Code), except where (A)
9 gross square feet of use is being added to the building; or (B) the TIDF rate for the new
10 development is in an economic activity category with a higher fee rate than the rate set for
11 MIPS, as set forth in Section 411.3(e).

12 (2) No TIDF shall be payable on the following types of new development.

13 (A) New development on property owned (including beneficially owned) by the City,
14 except for that portion of the new development that may be developed by a private sponsor
15 and not intended to be occupied by the City or other agency or entity exempted under Section
16 411.1 et seq., in which case the TIDF shall apply only to such non-exempted portion. New
17 development on property owned by a private person or entity and leased to the City shall be
18 subject to the fee, unless the City is the beneficial owner of such new development or unless
19 such new development is otherwise exempted under this Section.

20 (B) Any new development in Mission Bay North or South to the extent application of this
21 Chapter would be inconsistent with the Mission Bay North Redevelopment Plan and
22 Interagency Cooperation Agreement or the Mission Bay South Redevelopment Plan and
23 Interagency Cooperation Agreement, as applicable.

24 (C) New development located on property owned by the United States or any of its
25 agencies to be used exclusively for governmental purposes.

1 (D) New development located on property owned by the State of California or any of its
2 agencies to be used exclusively for governmental purposes.

3 (E) New development for which a project sponsor filed an application for environmental
4 evaluation or a categorical exemption prior to April 1, 2004, and for which the City issued a
5 building permit or site permit on or before September 4, 2008; provided however, that such
6 new development may be subject to the TIDF imposed by Ordinance No. 224-81, as
7 amended through June 30, 2004, except that the Department and the Development Fee
8 Collection Unit at DBI shall be responsible for the administration, imposition, review and
9 collection of any such fee consistent with the administrative procedures set forth in Section
10 411.1 et seq. The Department shall make the text of Ordinance No. 224-81, as amended
11 through June 30, 2004, available on the Department's website and shall provide copies of that
12 ordinance upon request.

13 (F) The following types of new developments:

14 (i) Public facilities/utilities, as defined in Section 209.6 of this Code;

15 (ii) Open recreation/horticulture, as defined in Section 209.5 of this Code, including
16 private noncommercial recreation open use, as referred to in Section 221(g) of this Code;

17 (iii) Vehicle storage and access, as defined in Section 209.7 of this Code;

18 (iv) Automotive services, as defined in Section 223(l)-(v) of this Code, that are in a new
19 development;

20 (v) Wholesale storage of materials and equipment, as defined in Section 225 of this
21 Code;

22 (vi) Other Uses, as defined in Section 227(a)—(~~oq~~) and (~~qs~~)—(~~rt~~) of this Code;

23 (b) **Timing of Payment.** Except for those Integrated PDR projects subject to Section
24 328 of this Code, the TIDF shall be paid prior to issuance of the first construction document,
25 with an option for the project sponsor to defer payment until prior to issuance of the first

1 certificate of occupancy upon agreeing to pay a deferral surcharge in accordance with Section
2 107A.13 of the San Francisco Building Code. Under no circumstances may any City official or
3 agency, including the Port of San Francisco, issue a certificate of final completion and
4 occupancy for any new development subject to the TIDF until the TIDF has been paid;

5 (c) **Calculation of TIDF.** The TIDF shall be calculated on the basis of the number of
6 square feet of new development, multiplied by the square foot rate in effect at the time of
7 building or site permit issuance for each of the applicable economic activity categories within
8 the new development, as provided in Subsection 411.3(e) below. An accessory use shall be
9 charged at the same rate as the underlying use to which it is accessory. Whenever any new
10 development or series of new developments cumulatively creates more than 3,000 gross
11 square feet of covered use within a structure, the TIDF shall be imposed on every square foot
12 of such covered use (including any portion that was part of prior new development below the
13 3,000 square foot threshold).

14 (d) **Credits.** In determining the number of gross square feet of use to which the TIDF
15 applies, the Department shall provide a credit for prior uses eliminated on the site. The credit
16 shall be calculated according to the following formula:

17 (1) There shall be a credit for the number of gross square feet of use being eliminated
18 by the new development, multiplied by an adjustment factor to reflect the difference in the fee
19 rate of the use being added and the use being eliminated. The adjustment factor shall be
20 determined by the Department as follows:

21 (A) The adjustment factor shall be a fraction, the numerator of which shall be the fee
22 rate which the Department shall determine, in consultation with the MTA, if necessary, applies
23 to the economic activity category in the most recent calculation of the TIDF Schedule
24 approved by the MTA Board for the prior use being eliminated by the project.

25 (B) The denominator of the fraction shall be the fee rate for the use being added, as set

1 forth in the most recent calculation of the TIDF Schedule approved by the MTA Board.

2 (2) A credit for a prior use may be given only if the prior use was active on the site within
3 five years before the date of the application for a building or site permit for the proposed use.

4 (3) As of September 4, 2004, no sponsor shall be entitled to a refund of the TIDF on a
5 building for which the fee was paid under the former Chapter 38 of the San Francisco
6 Administrative Code.

7 (4) Notwithstanding the foregoing, the adjustment factor shall not exceed one.

8 (e) **TIDF Schedule.** The TIDF Schedule shall be as follows:

Economic Activity Category	TIDF Per Gross Square Foot of Development
Cultural/Institution/Education	\$10.00
Management, Information and Professional Services	\$10.00
Medical and Health Services	\$10.00
Production/Distribution/Repair	\$8.00
Retail/Entertainment	\$10.00
Visitor Services	\$8.00

19
20 **SEC. 419.2. DEFINITIONS**

21 (a) In addition to the definitions set forth in Section 401 of this Article:

22 (1) "Rental Housing Project" shall mean a project consisting solely of rental housing
23 units, as defined in Section 401 that meets the following requirements:

24 (A) The units shall be rental housing for not less than 30 years from the issuance of the
25 certificate of occupancy pursuant to an agreement between the developer and the City. This

1 agreement shall be in accordance with applicable State law governing rental housing;

2 (B) A Notice of Special Restrictions (NSR), with the City as a third party beneficiary and
3 subject to written approval of the Director, shall be recorded on the title of the property prior to
4 final map approval containing the terms of the agreement described above in subsection (1).
5 Once the agreement is recorded against the property, the NSR shall terminate.

6 (2) Tier A." ~~Sites within the UMU which not receive zoning changes that increase heights, as~~
7 ~~compared to allowable height prior to the rezoning (May 2008).~~

8 (i) All development on sites within the UMU District which received a height increase of eight
9 feet or less, or received a reduction in height, as part of the Eastern Neighborhoods Plan (on file with
10 the Clerk of the Board of Supervisors in File No. 081154), and all sites within the Mission NCT District
11 utilizing the land dedication alternative specified in Section 419.5(a)(2).

12 (ii) All changes of use within existing structures.

13 (3) "Tier B." ~~Sites within the UMU which receive zoning changes that increase heights by one to~~
14 ~~two stories.~~ All development on sites within the UMU District which received a height increase of nine
15 to 28 feet as part of the Eastern Neighborhoods Plan (on file with the Clerk of the Board of Supervisors
16 in File No. 081154).

17 (4) "Tier C." ~~Sites within the UMU which receive zoning changes that increase heights by three~~
18 ~~or more stories.~~ All development on sites within the UMU District which received a height increase of
19 29 feet or more as part of the Eastern Neighborhoods Plan (on file with the Clerk of the Board of
20 Supervisors in File No. 081154).

21 **SEC. 419.5. - ALTERNATIVES TO THE INCLUSIONARY HOUSING COMPONENT.**

22 (a) **Alternatives to the Inclusionary Housing Component.** In addition to the
23 alternatives specified in Section 415.5(9) the project sponsor may elect to satisfy the
24 requirements of Section 415.5 by one of the alternatives specified in this Section. The project
25 sponsor has the choice between the alternatives and the Planning Commission may not

1 require a specific alternative. The project sponsor must elect an alternative before it receives
2 project approvals from the Planning Commission or Planning Department and that alternative
3 will be a condition of project approval. The alternatives are as follows:

4 (1) **Middle Income Alternative.** On sites with less than 50,000 square feet of total
5 developable area, applicants may provide units as affordable to qualifying "middle income"
6 households as follows:

7 (A) A minimum percent of the total units constructed shall be affordable to and occupied
8 affordable to qualifying "middle income" households upon initial sale, according the schedule
9 in Table 419.5A.4. If the total number of units is not a whole number, the project applicant shall
10 round up to the nearest whole number for any portion of .5 or above. Units shall be affordable
11 to households between 120 percent and 150 percent of the San Francisco Area Median
12 Income, with an average affordability level of 135 percent for all units provided through this
13 alternative.

14 (B) Where market rate sales prices exceed restricted sales prices, the difference
15 between the market rate sales prices and the restricted sales prices shall be held by the
16 Mayor's Office of Housing as a silent second mortgage according to the Procedures Manual.
17 The City shall hold a deed of trust and promissory note for the second mortgage. MOH shall
18 hold this mortgage shall release it when the original note and proportional share of the
19 appreciation are paid in full to the City.

20 (C) Units shall initially be sold at or below prices to be determined by MOH in the
21 Conditions of Approval or Notice of Special Restrictions according to the formula specified in
22 the Procedures Manual to make them affordable to middle income households. Upon resale,
23 the seller shall be permitted to sell the units at their market price. The City will waive its right
24 of first refusal to the seller when the promissory note and deed of trust are paid, along with the
25 City's share of the appreciation of the unit. The promissory note shall accrue no interest and

1 shall require no monthly payments.

2 (D) Upon first resale, the seller shall have a right to keep a percentage of the total
3 appreciation of the unit proportional to every year the original seller owns the unit as an owner
4 occupant. The remainder of the proceeds of the sale, after the first mortgage, the second
5 mortgage, and any other subordinate financing is paid off, shall be repaid to MOH. Detailed
6 resale procedures shall be specified in the Middle Income Housing Procedures Manual
7 published by MOH and approved by the Planning Commission. The Director of MOH shall
8 amend the Procedures Manual as needed with the Commission's approval.

9 (E) The City shall monitor units provided under this option during the 2- and 5-year
10 Monitoring Report specified in Section 342 of this Code and in separate resolution. Should
11 this monitoring report indicate that units constructed under this program do not meet the
12 programs stated goals of providing affordable housing to Middle Income Households, the
13 Planning Department and MOH shall consider changes to this program, including, but not
14 limited to, legislative changes.

15 (F) If the project sponsor elects to satisfy the requirements of Section 415.5 and of this
16 Section by the alternative specified above, the dwelling unit mix required by Section 207.6
17 ~~requirement that 40 percent of the total number of proposed dwelling units shall contain at least two~~
18 ~~bedrooms~~ may be waived provided the minimum percent of total units affordable to qualifying
19 "middle income" as required by Table 419.5A.4 is increased by 10%.

20 (2) **Land Dedication Alternative.** Applicants may dedicate a portion of the total
21 developable area of the principal site to the City and County of San Francisco for the purpose
22 of constructing units affordable to qualifying households. A minimum percentage of
23 developable area, representing an equivalent percent of total potential units to be constructed,
24 shall be dedicated to the City according the schedule in Table 419.5A.4. To meet the
25 requirements of this alternative, the developer must convey title to land in fee simple absolute

1 to MOH according to the Procedures Manual, provided the dedicated site is deemed of
2 equivalent or greater value to the principal site per those procedures and is in line with the
3 following requirements:

4 (A) The dedicated site will result in a total amount of inclusionary units not less than forty
5 (40) units. MOH may conditionally approve and accept dedicated sites which result in no less
6 than twenty-five (25) units at its discretion.

7 (B) The dedicated site will result in a total amount of inclusionary units that is equivalent
8 or greater than the minimum percentage of the units that will be provided on the principal site,
9 as required by Table 419.5A.4. MOH may also accept dedicated sites that represent the
10 equivalent of or greater than the required percentage of units for all units that could be
11 provided on a collective of sites within a one-mile radius, provided the total amount of
12 inclusionary units provided on the dedicated site is equivalent to or greater than the total
13 requirements for all principal sites participating in the collective, according to the requirements
14 of Table 419.5A.4.

15 (C) The dedicated site is suitable from the perspective of size, configuration, physical
16 characteristics, physical and environmental constraints, access, location, adjacent use, and
17 other relevant planning criteria. The site must allow development of affordable housing that is
18 sound, safe and acceptable.

19 (D) The dedicated site includes infrastructure necessary to serve the inclusionary units,
20 including sewer, utilities, water, light, street access and sidewalks.

21 (E) The developer must submit full environmental clearance for the dedicated site before
22 the land can be considered for conveyance, and before a first site or building permit may be
23 conferred upon the principal project.

24 (F) The City may accept dedicated sites that vary from the minimum threshold provided
25 such a dedication is deemed generally equivalent to the original requirement by the Mayor's

1 Office of Housing.

2 (G) The City may accept dedicated sites that meet the above requirements in
3 accordance with the Procedures Manual, in combination with fees or on-site units, provided
4 such a combination is deemed generally equivalent by MOH to the original requirement.

5 (H) The project applicant has a letter from MOH verifying acceptance of site before it
6 receives project approvals from the Planning Commission or Planning Department, which
7 shall be used to verify dedication as a condition of approval.

8 (I) If the project sponsor elects to satisfy the requirements of Section 415.5 and of this
9 Section by the alternative specified above, the *dwelling unit mix required by Section 207.6*
10 *requirement that 40 percent of the total number of proposed dwelling units shall contain at least two*
11 *bedrooms* may be waived.

12 (J) The Land Dedication Alternative may be satisfied through the dedication to the City
13 of air space above or adjacent to the project, upon the approval of MOH, or a successor
14 entity, and provided the other requirements of subsection (a)(2)(A)—(I) are otherwise
15 satisfied.

16 **TABLE 419.5A.4**
17 **HOUSING REQUIREMENTS FOR THE UMU DISTRICT**

18

Tier	On-Site Housing Requirement	Off-Site/In-Lieu Requirement	Middle Income Alternative*	Land Dedication Alternative for sites that have less than 30,000 square feet of developable area	Land Dedication Alternative for sites that have at least 30,000 square feet of developable area
------	-----------------------------	------------------------------	----------------------------	--	---

19
20
21

23
24
25

A	18%	23%	30%	35%	30%
B	20%	25%	35%	40%	35%
C	22%	27%	40%	45%	40%

*Requirement increases by 5% if dwelling unit mix required by Section 207.6~~two-bedroom requirement~~ is waived.

(b) **Rental Incentive.** Qualified rental housing projects, as defined in Section 419A.2(g), are allowed a reduction in their inclusionary housing requirements as follows:

(1) If the rental housing project chooses to meet its inclusionary housing requirements through on-site construction, off-site construction, or an in-lieu fee, then the project is entitled to a 3% reduction in the requirements specified above in subsection (a).

(2) If the rental housing project chooses to meet its inclusionary housing requirements through the land dedication option for projects less than 30,000 square feet, then the project is entitled to a 5% reduction in the requirements specified above in the subsection (b)(2).

(3) In addition, a rental housing project shall receive a fee waiver from the Eastern Neighborhood Public Benefit Fee as set forth in Section 427.3 in the amount of \$1.00 per gross square foot.

(4) No rental incentive shall be provided for project that chooses the land dedication alternative for projects over 30,000 square feet.

(c) **Adjustments to Requirements for the Inclusionary Housing Component.** This Section is intended to incorporate, rather than supersede, any changes made to Planning Code Section 415. In the instance that the base requirements of Section 415 are amended, the above-noted requirements shall be reviewed, and if appropriate, amended and/or increased accordingly.

SEC. 423.5. - THE EASTERN NEIGHBORHOODS PUBLIC BENEFITS FUND.

1 (a) There is hereby established a separate fund set aside for a special purpose entitled
2 the Eastern Neighborhoods Public Benefits Fund ("Fund"). All monies collected by the
3 Development Fee Collection Unit at DBI pursuant to Section 423.3(b) shall be deposited in a
4 special fund maintained by the Controller. The receipts in the Fund to be used solely to fund
5 Public Benefits subject to the conditions of this Section.

6 (b) Expenditures from the Fund shall be recommended by the Planning Commission,
7 and administered by the Board of Supervisors.

8 (1) All monies deposited in the Fund shall be used to design, engineer, acquire, and
9 develop and improve public open space and recreational facilities; transit, streetscape and
10 public realm improvements; and community facilities including child care and library materials,
11 as defined in the Eastern Neighborhoods Nexus Studies; or housing preservation and
12 development within the Eastern Neighborhoods Plan Area. Funds may be used for childcare
13 facilities that are not publicly owned or "publicly-accessible." Funds generated for 'library
14 resources' should be used for materials in branches that directly service Eastern
15 Neighborhoods residents. Monies from the Fund may be used by the Planning Commission to
16 commission economic analyses for the purpose of revising the fee, and/or to complete an
17 updated nexus study to demonstrate the relationship between development and the need for
18 public facilities if this is deemed necessary.

19 (2) Funds may be used for administration and accounting of fund assets, for additional
20 studies as detailed in the Eastern Neighborhoods Public Benefits Program Document, and to
21 defend the Community Stabilization fee against legal challenge, including the legal costs and
22 attorney's fees incurred in the defense. Administration of this fund includes time and materials
23 associated with reporting requirements, facilitating the Eastern Neighborhoods Citizens
24 Advisory Committee meetings, and maintenance of the fund. All interest earned on this
25 account shall be credited to the Eastern Neighborhoods Public Benefits Fund.

1 (c) Funds shall be deposited into specific accounts according to the improvement type
2 for which they were collected. Funds from a specific account may be used towards a different
3 improvement type, provided said account or fund is reimbursed over a five-year period of fee
4 collection. Funds shall be allocated to accounts by improvement type as described below:

5 (1) Funds collected from all zoning districts in the Eastern Neighborhoods Program
6 Area, excluding Designated Affordable Housing Zones shall be allocated to accounts by
7 improvement type according to Table 423.56.

8 (2) Funds collected in designated affordable housing zones (Mission NCT and MUR (as
9 defined in 401423.2-(3)), shall be allocated to accounts by improvement type as described in
10 Table 423.56A. The revenue devoted to affordable housing preservation and development
11 shall be deposited into a specific amount to be held by the Mayor's Office of Housing.

12 A. All funds collected from projects in the Mission NCT that are earmarked for
13 affordable housing preservation and development shall be expended on housing programs
14 and projects within the Mission Area Plan boundaries.

15 B. All funds collected from projects in the MUR that are earmarked for affordable
16 housing preservation and development shall be expended on housing programs and projects
17 shall be expended within the boundaries of 5th to 10th Streets/Howard to Harrison Streets.

18 C. Collectively, the first \$10 million in housing fees collected between the two
19 Designated Affordable Housing Zones shall be utilized for the acquisition and rehabilitation of
20 existing housing.

21 (3) All funds are supported by the Eastern Neighborhoods Nexus Studies, San
22 Francisco Planning Department, Case No. 2004.0160, and monitored according to the
23 Eastern Neighborhoods Area Plans Monitoring Program required by the Administrative Code
24 Section 10E and detailed by separate resolution.

25 **TABLE 423.56**

**BREAKDOWN OF EASTERN NEIGHBORHOODS PUBLIC BENEFIT FEE/FUND
BY IMPROVEMENT TYPE***

Improvement Type	Residential	Non-residential
Open space and recreational facilities	50%	7%
Transit, streetscape and public realm improvements	42%	90%
Community facilities (child care and library materials)	8%	3%

*Does not apply to Designated Affordable Housing Zones, which are addressed in Table 423.6A.

TABLE 423.56A

**BREAKDOWN OF EASTERN NEIGHBORHOODS PUBLIC BENEFIT FEE/FUND
BY IMPROVEMENT TYPE FOR DESIGNATED AFFORDABLE HOUSING ZONES**

Improvement Type	Residential	Non-residential
Affordable housing preservation and development	75%	n/a
Open space and recreational facilities	13%	7%
Transit, streetscape and public realm improvements	10%	90%
Community facilities (child care and library materials)	2%	3%

(d) With full participation by the Planning Department and related implementing agencies, the Controller's Office shall file a report with the Board of Supervisors beginning 180 days after the last day of the fiscal year of the effective date of Section 423.1 et seq. that shall include the following elements: (1) a description of the type of fee in each account or fund; (2) amount of fee collected; (3) beginning and ending balance of the accounts or funds including any bond funds held by an outside trustee; (4) amount of fees collected and interest

1 earned; (5) identification of each public improvement on which fees or bond funds were
2 expended and amount of each expenditure; (6) an identification of the approximate date by
3 which the construction of public improvements will commence; (7) a description of any
4 interfund transfer or loan and the public improvement on which the transferred funds will be
5 expended; and (8) amount of refunds made and any allocations of unexpended fees that are
6 not refunded.

7 (e) A public hearing shall be held by the Recreation and Parks Commissions to elicit
8 public comment on proposals for the acquisition of property using monies in the Fund that will
9 ultimately be maintained by the Department of Recreation and Parks. Notice of public
10 hearings shall be published in an official newspaper at least 20 days prior to the date of the
11 hearing, which notice shall set forth the time, place, and purpose of the hearing. The Parks
12 Commissions may vote to recommend to the Board of Supervisors that it appropriate money
13 from the Fund for acquisition and development of property acquired for park use.

14 (f) The Planning Commission shall work with other City agencies and commissions,
15 specifically the Department of Recreation and Parks, DPW, and the MTA, to develop
16 agreements related to the administration of the improvements to existing public facilities and
17 development of new public facilities within public rights-of-way or on any acquired public
18 property, using such monies as have been allocated for that purpose at a hearing of the Board
19 of Supervisors.

20 (g) The Planning Commission, based on findings from the Interagency Planning &
21 Implementation Committee (IPIC), shall make recommendations to the Board regarding
22 allocation of funds.

23 (h) Within 60 days of receiving the Eastern Neighborhoods Capital Expenditure
24 Evaluation Report as specified in Administrative Code Section 10E.2(c)Z, the Office of the
25 Controller shall assess whether funds collected from the Eastern Neighborhoods Impact Fee

1 are being effectively utilized for capital projects serving the Eastern Neighborhoods, and
2 whether such projects are successfully advancing towards implementation, as set forth in the
3 abovementioned Section. Based on this assessment, the following shall occur:

4 (A) If the Controller determines that the funds have been effectively utilized as set forth
5 in Section 10E.~~2(c)~~ of the Administrative Code, the Controller shall issue an affirmative
6 finding to the Board of Supervisors and the Planning Commission certifying that the intent of
7 this aforementioned Section is being met. No further Controller action is necessary for
8 purposes of this Subsection.

9 (B) If the Controller fails to issue the certification described in Subsection (h) (A) above
10 or if the Controller determines that the fees are not being effectively utilized as set forth in
11 Administrative Code Section 10E.~~2(c)~~ and notifies the Board of Supervisors and Planning
12 Commission of this determination, then the following shall occur:

13 (i) Any project specified below within the Eastern Neighborhoods Area Plan that has
14 not already received final and effective approvals from the Planning Department, Zoning
15 Administrator, and/or the Planning Commission, shall require a conditional use authorization,
16 in addition to any other approvals necessary under the Planning Code:

17 (aa) Residential projects containing more than 10 new units that have not received
18 issuance of their first site or building permit; or

19 (bb) Non-residential projects containing a net new addition or new construction of 10,000
20 square feet or more that have not received issuance of their first site or building permit.

21 (C) Elimination of interim conditional use requirement.

22 (i) At any time after the Controller has determined that Eastern Neighborhood impact
23 fees are not being effectively utilized as set forth in Section 423.~~56~~(h)(B) above, or fails to
24 certify that they are being effectively utilized as set forth in Section 423.~~56~~(h)(A), the Planning
25 Department may provide the Controller with a newly updated or revised Eastern

1 Neighborhoods Capital Expenditure Evaluation Report.

2 (ii) Within 60 days of receiving an updated or revised Report, the Office of the Controller
3 shall determine whether funds collected from the Eastern Neighborhoods Public Benefit Fee
4 are being effectively utilized for capital projects serving the Eastern Neighborhoods consistent
5 with the intent of the Section 10E.~~2(c)~~7 of the Administrative Code.

6 (iii) If, on the basis of a new, updated or revised Eastern Neighborhoods Capital
7 Expenditure Evaluation Report, the Controller determines that the development impact fees
8 collected to date are being effectively utilized as set forth in Section 423.~~56~~ (h)(A) above, any
9 projects within the Eastern Neighborhoods Plan Area that required a conditional use
10 authorization on an interim basis as set forth in Section 423.~~56~~(h)(B) shall no longer require
11 such conditional use authorization unless the underlying use requires conditional use
12 authorization independent of the requirements set forth in Section 423.~~56~~(i)(B).

13 **SEC. 607.2. - MIXED USE DISTRICTS.**

14 Signs located in Mixed Use Districts shall be regulated as provided herein, except for
15 those signs which are exempted by Section 603. Signs not specifically regulated in this
16 Section 607.2 shall be prohibited. In the event of conflict between the provisions of Section
17 607.2 and other provisions of Article 6, the provisions of Section 607.2 shall prevail in Mixed
18 Use Districts.

19 (a) **Purposes and Findings.** In addition to the purposes stated in Sections 101 and 601
20 of this Code, the following purposes apply to Mixed Use Districts. These purposes constitute
21 findings that form a basis for regulations and provide guidance for their application.

22 (1) As Mixed Use Districts change, they need to maintain their attractiveness to
23 customers and potential new businesses alike. Physical amenities and a pleasant appearance
24 will profit both existing and new enterprises.

25 (2) The character of signs and other features projecting from buildings is an important

1 part of the visual appeal of a street and the general quality and economic stability of the area.
2 Opportunities exist to relate these signs and projections more effectively to street design and
3 building design. These regulations establish a framework that will contribute toward a
4 coherent appearance of Mixed Use Districts.

5 (3) Mixed Use Districts are typically mixed use areas with commercial units on the ground or
6 lower stories and residential uses on upper stories or have housing and commercial and
7 industrial activities interspersed. Although signs and other advertising devices are essential to
8 a vital commercial district, they should not be allowed to interfere with or diminish the livability
9 of residential units within a Mixed Use District or in adjacent residential districts.

10 (4) The scale of most Mixed Use Districts as characterized by building height, bulk, and
11 appearance, and the width of streets and sidewalks differs from that of other commercial and
12 industrial districts. Sign sizes should relate and be compatible with the surrounding district
13 scale.

14 (b) **Signs or Sign Features Not Permitted in Mixed Use Districts.** General
15 advertising signs are not permitted in the Eastern Neighborhoods and South of Market Mixed
16 Use districts, except in the South of Market General Advertising Special Sign District. Roof
17 signs as defined in Section 602.16 of this Code, wind signs as defined in Section 602.21 of
18 this Code, and signs on canopies, as defined in Section 136.1(b) of this Code, are not
19 permitted in Mixed Use Districts. No sign shall have or consist of any moving, rotating, or
20 otherwise physically animated part, or lights that give the appearance of animation by
21 flashing, blinking, or fluctuating. In addition, all signs or sign features not otherwise specifically
22 regulated in this Section 607.2 shall be prohibited.

23 (c) **Identifying Signs.** Identifying signs, as defined in Section 602.10, shall be permitted
24 in all Mixed Use Districts subject to the limits set forth below.

25 (1) One sign per lot shall be permitted and such sign shall not exceed 20 square feet in

1 area. The sign may be a freestanding sign, if the building is recessed from the street property
2 line, or may be a wall sign or a projecting sign. The existence of a freestanding identifying sign
3 shall preclude the erection of a freestanding business sign on the same lot. A wall or
4 projecting sign shall be mounted on the first-story level; a freestanding sign shall not exceed
5 15 feet in height. Such sign may be nonilluminated, indirectly illuminated, or directly
6 illuminated.

7 (2) One sign identifying a shopping center or shopping mall shall be permitted subject to
8 the conditions in Paragraph (1), but shall not exceed 30 square feet in area. Such signs may
9 be nonilluminated, indirectly illuminated, or directly illuminated during the hours of operation of
10 the businesses in the shopping center or shopping mall.

11 (d) **Nameplate.** One nameplate, as defined in Section 602.12 of this Code, not
12 exceeding an area of two square feet, shall be permitted for each noncommercial use in
13 Mixed Use Districts.

14 (e) **General Advertising Signs.** General advertising signs, as defined in Section 602.7,
15 shall be permitted in Mixed Use Districts as provided for below. General advertising signs are
16 not allowed in the South of Market *and Downtown Residential* Mixed Use Districts, except in the
17 Eastern Neighborhoods and South of Market General Advertising Special Sign District or
18 where a permit was approved by the City prior to January 1, 2001. In Mixed Use Districts
19 where such signs are permitted, general advertising signs may be either a wall sign or
20 freestanding, provided that the surface of any freestanding sign shall be parallel to and within
21 three feet of an adjacent building wall. In either case, the building wall shall form a complete
22 backdrop for the sign, as the sign is viewed from all points from a street or alley from which it
23 is legible. No general advertising sign shall be permitted to cover part or all of any windows.
24 Any extension of the copy beyond the rectangular perimeter of the sign shall be included in
25 the calculation of the sign area, as defined in Section 602.1(a) of this Code.

1 (1) **Chinatown Residential Neighborhood Commercial District.** No more than one
2 general advertising sign shall be permitted per lot. Such sign shall not exceed 72 square feet
3 in area nor exceed 12 feet in height. Such sign may be either nonilluminated or indirectly
4 illuminated.

5 (2) **Chinatown Visitor Retail and Chinatown Community Business Districts.** No
6 more than one general advertising sign not exceeding 300 square feet in area or two general
7 advertising signs of 72 square feet each shall be permitted per lot. The height of any such wall
8 sign shall not exceed 24 feet, or the height of the wall to which it is attached, or the height of
9 the lowest of any residential windowsills on the wall to which it is attached, whichever is lower.
10 If the advertising sign is a freestanding sign, the height shall not exceed 24 feet or the height
11 of the adjacent wall, whichever is lower.

12 (A) Signs may be either nonilluminated or indirectly or directly illuminated.

13 (3) **South of Market General Advertising Special Sign District.** Within the area
14 designated as a South of Market General Advertising Special Sign District, as described in
15 Section 821 of this Code and shown on Sectional Map SSD of the Zoning Map, the following
16 provisions shall apply to general advertising signs: (1) No more than two general advertising
17 signs not to exceed 300 square feet in area or one general advertising sign not to exceed 672
18 square feet in area shall be permitted per lot; (2) No more than one double-sided or multiple-
19 sided sign shall be permitted per lot; and (3) Roof signs shall be permitted and shall not
20 exceed the standards established by Section 607(b) of this Code for roof signs lying within M
21 Districts.

22 (f) **Business Signs.** Business signs, as defined in Section 602.3 shall be permitted in
23 all Mixed Use Districts subject to the limits set forth below.

24 (1) **Chinatown Residential Neighborhood Commercial District.**

25 (A) **Window Signs.** The total area of all window signs, as defined in Section 602.1(b),

1 shall not exceed 1/3 the area of the window on or in which the signs are located. Such signs
2 may be nonilluminated, indirectly illuminated, or directly illuminated.

3 (B) **Wall Signs.** The area of all wall signs shall not exceed one square foot per foot of
4 street frontage occupied by the business measured along the wall to which the signs are
5 attached, or 50 square feet for each street frontage, whichever is less; provided, however, that
6 in no case shall the wall sign or combination of wall signs cover more than 75 percent of the
7 surface of any wall, excluding openings. The height of any wall sign shall not exceed 15 feet
8 or the height of the wall to which it is attached. Such signs may be nonilluminated or indirectly
9 illuminated; or during business hours, may be directly illuminated.

10 (C) **Projecting Signs.** The number of projecting signs shall not exceed one per
11 business. The area of such sign or signs combined when there are multiple signs, as defined
12 in Section 602.1(a), shall not exceed 24 square feet. The height of such sign shall not exceed
13 15 feet or the height of the wall to which it is attached. No part of the sign shall project more
14 than 75 percent of the horizontal distance from the street property line to the curblin, or six
15 feet six inches, whichever is less. The sign may be nonilluminated or indirectly illuminated, or
16 during business hours, may be directly illuminated.

17 (D) **Signs on Awnings.** Sign copy may be located on permitted awnings in lieu of wall
18 signs and projecting signs. The area of such sign copy as defined in Section 602.1(c) shall not
19 exceed 20 square feet. Such sign copy may be nonilluminated or indirectly illuminated.

20 (2) **Chinatown Visitor Retail District.**

21 (A) **Window Signs.** The total area of all window signs, as defined in Section 602.1(b),
22 shall not exceed 1/3 the area of the window on or in which the signs are located. Such signs
23 may be nonilluminated, indirectly illuminated, or directly illuminated.

24 (B) **Wall Signs.** The area of all wall signs shall not exceed two square feet per foot of
25 street frontage occupied by the use measured along the wall to which the signs are attached,

1 or 100 square feet for each street frontage, whichever is less. The height of any wall sign shall
2 not exceed 24 feet, or the height of the wall to which it is attached, or the height of the lowest
3 of any residential windowsill on the wall to which the sign is attached, whichever is lower.
4 Such signs may be nonilluminated, indirectly, or directly illuminated.

5 (C) **Projecting Signs.** The number of projecting signs shall not exceed one per
6 business. The area of such sign, as defined in Section 602.1(a), shall not exceed 24 square
7 feet. The height of such sign shall not exceed 24 feet, or the height of the wall to which it is
8 attached, or the height of the lowest of any residential windowsill on the wall to which the sign
9 is attached, whichever is lower. No part of the sign shall project more than 75 percent of the
10 horizontal distance from the street property line to the curblin, or six feet six inches,
11 whichever is less. Such signs may be nonilluminated or indirectly illuminated; or during
12 business hours, may be directly illuminated.

13 (D) **Signs on Awnings and Marquees.** Sign copy may be located on permitted awnings
14 or marquees in lieu of projecting signs. The area of such sign copy as defined in Section
15 602.1(c) shall not exceed 30 square feet. Such sign copy may be nonilluminated or indirectly
16 illuminated, except that sign copy on marquees for movie theaters or places of entertainment
17 may be directly illuminated during business hours.

18 (E) **Freestanding Signs and Sign Towers.** One freestanding sign or sign tower per lot
19 shall be permitted in lieu of a projecting sign, if the building or buildings are recessed from the
20 street property line. The existence of a freestanding business sign shall preclude the erection
21 of a freestanding identifying sign on the same lot. The area of such freestanding sign or sign
22 tower, as defined in Section 602.1(a), shall not exceed 20 square feet nor shall the height of
23 the sign exceed 24 feet. No part of the sign shall project more than 75 percent of the
24 horizontal distance from the street property line to the curblin, or six feet, whichever is less.
25 Such signs may be nonilluminated or indirectly illuminated; or during business hours, may be

1 directly illuminated.

2 (3) **Chinatown Community Business District, Eastern Neighborhoods, ~~and~~ South**
3 **of Market Mixed Use Mixed Use Districts, and the Downtown Residential Districts.**

4 (A) **Window Signs.** The total area of all window signs, as defined in Section 602.1(b),
5 shall not exceed 1/3 the area of the window on or in which the signs are located. Such signs
6 may be nonilluminated, indirectly illuminated, or directly illuminated.

7 (B) **Wall Signs.**

8 (i) In districts other than the Urban Mixed Use District. The area of all wall signs shall not
9 exceed three square feet per foot of street frontage occupied by the use measured along the
10 wall to which the signs are attached, or 150 square feet for each street frontage, whichever is
11 less; provided, however, that in no case shall the wall sign or combination of wall signs cover
12 more than 75 percent of the surface of any wall, excluding openings. The height of any wall
13 sign shall not exceed 24 feet, or the height of the wall to which it is attached, or the height of
14 the lowest of any residential windowsill on the wall to which the sign is attached, whichever is
15 lower. Such signs may be nonilluminated, indirectly, or directly illuminated.

16 (ii) In the Urban Mixed Use District. The area of all wall signs shall not exceed three square
17 feet per foot of street frontage occupied by the use measured along the wall to which the signs are
18 attached for up to 50 feet of street frontage, and an additional one square foot per foot of street
19 frontage thereafter; provided, however, that in no case shall the wall sign or combination of wall signs
20 cover more than 75 percent of the surface of any wall, excluding openings. The height of any wall sign
21 shall not exceed 60 feet, or the height of the wall to which it is attached, or the height of the lowest of
22 any residential windowsill on the wall to which the sign is attached, whichever is lower. Such signs may
23 be nonilluminated, indirectly, or directly illuminated.

24 (C) **Projecting Signs.** The number of projecting signs shall not exceed one per
25 business. The area of such sign or signs combined when there are multiple signs, as defined

1 in Section 602.1(a), shall not exceed 32 square feet. The height of the sign shall not exceed
2 24 feet, or the height of the wall to which it is attached, or the height of the lowest of any
3 residential windowsill on the wall to which the sign is attached, whichever is lower. No part of
4 the sign shall project more than 75 percent of the horizontal distance from the street property
5 line to the curblin, or six feet six inches, whichever is less. Such signs may be
6 nonilluminated, indirectly, or directly illuminated.

7 (D) **Sign Copy on Awnings and Marquees.** Sign copy may be located on permitted
8 awnings or marquees in lieu of projecting signs. The area of such sign copy, as defined in
9 Section 602.1(c), shall not exceed 40 square feet. Such sign copy may be nonilluminated or
10 indirectly illuminated; except that sign copy on marquees for movie theaters or places of
11 entertainment may be directly illuminated during business hours.

12 (E) **Freestanding Signs and Sign Towers.** One freestanding sign or sign tower per lot
13 shall be permitted in lieu of a projecting sign if the building or buildings are recessed from the
14 street property line. The existence of a freestanding business sign shall preclude the erection
15 of a freestanding identifying sign on the same lot. The area of such freestanding sign or sign
16 tower, as defined in Section 602.1(a), shall not exceed 30 square feet nor shall the height of
17 the sign exceed 24 feet. No part of the sign shall project more than 75 percent of the
18 horizontal distance from the street property line to the curblin, or six feet, whichever is less.
19 Such signs may be nonilluminated or indirectly illuminated, or during business hours, may be
20 directly illuminated.

21 (g) **Special Sign Districts.** Additional controls apply within certain Mixed Use Districts
22 that are designated as Special Sign Districts. The designations, locations, and boundaries of
23 these Special Sign Districts are provided on Sectional Map SSD of the Zoning Map of the City
24 and County of San Francisco, and are described within Sections 608.1 through 608.10 of this
25 Code.

1 (h) **Special Districts for Sign Illumination.** Signs in Mixed Use Districts shall not have
2 nor consist of any flashing, blinking, fluctuating or otherwise animated light except in the
3 following special districts, all specifically designated as "Special Districts for Sign Illumination"
4 on Sectional Map SSD of the Zoning Map of the City and County of San Francisco, and
5 described in Section 607(e) of this Code.

6 (1) **Broadway District.** Along the main commercial frontage of Broadway between
7 Wayne and Osgood.

8 (i) **Other Sign Requirements.** Within Mixed Use Districts, the following additional
9 requirements shall apply:

10 (1) **Public Areas.** No sign shall be placed upon any public street, alley, sidewalk, public
11 plaza or right-of-way, or in any portion of a transit system, except such projecting signs as are
12 otherwise permitted by this Code and signs, structures, and features as are specifically
13 approved by the appropriate public authorities under applicable laws and regulations not
14 inconsistent with this Code and under such conditions as may be imposed by such authorities
15 or posted pursuant to the Police Code.

16 (2) **Maintenance.** Every business sign pertaining to an active establishment shall be
17 adequately maintained in its appearance. When the activity for which the business sign has
18 been posted has ceased operation for more than 90 days within the Chinatown Mixed Use
19 Districts, all signs pertaining to that business activity shall be removed after that time.

20 (3) **Temporary Signs.** The provisions of Section 607.1(g) of this Code shall apply.

21 (4) **Special Standards for Automotive Gas and Service Stations.** The provisions of
22 Section 607.1(f)(4) of this Code shall apply.

23 **SEC. 726.1. - VALENCIA STREET NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.**

24 The Valencia Street Commercial Transit District is located near the center of San
25 Francisco in the Mission District. It lies along Valencia Street between 14th and Cesar Chavez

1 (Army) Street, and includes a portion of 16th Street extending west toward Dolores Street.
2 The commercial area provides a limited selection of convenience goods for the residents of
3 sections of the Mission and Dolores Heights. Valencia Street also serves a wider trade area
4 with its retail and wholesale home furnishings and appliance outlets. The commercial district
5 also has several automobile-related businesses. Eating and drinking establishments
6 contribute to the street's mixed-use character and activity in the evening hours. A number of
7 upper-story professional and business offices are located in the district, some in converted
8 residential units.

9 The Valencia Street District has a pattern of large lots and businesses, as well as a
10 sizable number of upper-story residential units. Controls are designed to permit moderate-
11 scale buildings and uses, protecting rear yards above the ground story and at residential
12 levels. New neighborhood-serving commercial development is encouraged mainly at the
13 ground story. While offices and general retail sales uses may locate at the second story of
14 new buildings under certain circumstances, most commercial uses are prohibited above the
15 second story. In order to protect the balance and variety of retail uses and the livability of
16 adjacent uses and areas, most eating and drinking and entertainment uses at the ground
17 story are limited. Continuous retail frontage is promoted by prohibiting drive-up facilities, some
18 automobile uses, and new nonretail commercial uses. Parking is not required, and any new
19 parking is required to be set back or below ground. Active, pedestrian-oriented ground floor
20 uses are required.

21 Housing development in new buildings is encouraged above the ground story. Housing
22 density is not controlled by the size of the lot but by requirements to supply a high percentage
23 of larger units and by physical envelope controls. Existing residential units are protected by
24 prohibitions on upper-story conversions and limitations on demolitions, mergers, and
25 subdivisions. Given the area's central location and accessibility to the City's transit network,

1 accessory parking for residential uses is not required.

SPECIFIC PROVISIONS FOR THE VALENCIA STREET DISTRICT

Article 7 Code Section	Other Code Section	Zoning Controls
§ 726.68	§ 249.35	FRINGE FINANCIAL SERVICE RESTRICTED USE DISTRICT (FFSRUD) Boundaries: The FFSRUD and its ¼ mile buffer includes, but is not limited to, the Valencia Street Neighborhood Commercial District. Controls: Within the FFSRUD and its ¼ mile buffer, fringe financial services are NP pursuant to Section 249.35. Outside the FFSRUD and its ¼ mile buffer, fringe financial services are P subject to the restrictions set forth in Subsection 249.35(c)(3).

SEC. 734.1. NCT-2 — SMALL-SCALE NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.

1 NCT-2 Districts are transit-oriented mixed-use neighborhoods with small scale
2 commercial uses near transit services. The NCT-2 Districts are mixed use districts that
3 support neighborhood-serving commercial uses on lower floors and housing above. These
4 Districts are well-served by public transit and aim to maximize residential and commercial
5 opportunities on or near major transit services. The District's form is generally linear along
6 transit-priority corridors, though may be concentric around transit stations or in broader areas
7 where multiple transit services criss-cross the neighborhood. Housing density is limited not by
8 lot area, but by the regulations on the built envelope of buildings, including height, bulk,
9 setbacks, and lot coverage, and standards for residential uses, including open space and
10 exposure, and urban design guidelines. There are prohibitions on access (e.g., driveways,
11 garage entries) to off-street parking and loading on critical stretches of commercial and transit
12 street frontages to preserve and enhance the pedestrian-oriented character and transit
13 function. Residential parking is not required and generally limited. Commercial establishments
14 are discouraged from building excessive accessory off-street parking in order to preserve the
15 pedestrian-oriented character of the district and prevent attracting auto traffic.

16 NCT-2 Districts are intended to provide convenience goods and services to the
17 surrounding neighborhoods as well as limited comparison shopping goods for a wider market.
18 The range of comparison goods and services offered is varied and often includes specialty
19 retail stores, restaurants, and neighborhood-serving offices. The small-scale district controls
20 provide for mixed-use buildings, which approximate or slightly exceed the standard
21 development pattern. Rear yard requirements above the ground story and at residential levels
22 preserve open space corridors of interior blocks.

23 Most new commercial development is permitted at the ground and second stories.
24 Neighborhood-serving businesses are strongly encouraged. Eating and drinking and
25 entertainment uses, however, are confined to the ground story. The second story may be

1 used by some retail stores, personal services, and medical, business and professional offices.
 2 Parking and hotels are monitored at all stories. Limits on late-night activity, drive-up facilities,
 3 and other automobile uses protect the livability within and around the district, and promote
 4 continuous retail frontage.

5 Housing development in new buildings is encouraged above the ground story. Existing
 6 residential units are protected by limitations on demolition and upper-story conversions.

SPECIFIC PROVISIONS FOR NCT-2 DISTRICTS

Article Code Section	7 Other Code Section	Zoning Controls
§§ 734.84, 790.141	Health Code § 3308	Medical cannabis dispensaries in NCT-2 District may only operate between the hours of 8 a.m. and 10 p.m.

SEC. 735.1. - SOMA NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.

The SoMa Neighborhood Commercial Transit District (SoMa NCT) is located along the 6th Street and Folsom Street corridors in the South of Market. The commercial area provides a limited selection of convenience goods for the residents of the South of Market. Eating and drinking establishments contribute to the street's mixed-use character and activity in the evening hours. A number of upper-story professional and business offices are located in the

1 district, some in converted residential units.

2 The SoMa NCT has a pattern of ground floor commercial and upper story residential
3 units. Controls are designed to permit moderate-scale buildings and uses, protecting rear
4 yards above the ground story and at residential levels. Active, neighborhood-serving
5 commercial development is required at the ground story, curb cuts are prohibited and ground
6 floor transparency and fenestration adds to the activation of the ground story. While offices
7 and general retail sales uses may locate on the second story or above of new buildings, most
8 commercial uses are prohibited above the second story. In order to protect the balance and
9 variety of retail use, bars and liquor stores are allowed with a conditional use. Continuous
10 retail frontage is promoted by prohibiting drive-up facilities, some automobile uses, and new
11 non-retail commercial uses. Above-ground parking is required to be setback or below ground.
12 Active, pedestrian-oriented ground floor uses are required.

13 Housing development in new buildings is encouraged above the ground story. Housing
14 density is not controlled by the size of the lot or by density controls, but by bedroom counts.
15 Given the area's central location and accessibility to the City's transit network, parking for
16 residential and commercial uses is not required.

6 **SEC. 736.1 MISSION STREET NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.**

7 The Mission Street Commercial Transit District is located near the center of San
8 Francisco in the Mission District. It lies along Mission Street between 15th and Cesar Chavez
9 (Army) Street, and includes adjacent portions of 17th Street, 21st Street, 22nd Street, and
10 Cesar Chavez Street. The commercial area of this District provides a selection of goods
11 serving the day-to-day needs of the residents of the Mission District. Additionally, this District
12 serves a wider trade area with its specialized retail outlets. Eating and drinking establishments
13 contribute to the street's mixed-use character and activity in the evening hours.

14 The District is extremely well-served by transit, including regional-serving BART stations
15 at 16th Street and 24th Street, major buses running along Mission Street, and both cross-town
16 and local-serving buses intersecting Mission along the length of this district. Given the area's
17 central location and accessibility to the City's transit network, accessory parking for residential
18 uses is not required. Any new parking is required to be set back or be below ground.

19 This District has a mixed pattern of larger and smaller lots and businesses, as well as a
20 sizable number of upper-story residential units. Controls are designed to permit moderate-
21 scale buildings and uses, protecting rear yards above the ground story and at residential
22 levels. New neighborhood-serving commercial development is encouraged mainly at the
23 ground story. While offices and general retail sales uses may locate at the second story of
24 new buildings under certain circumstances, most commercial uses are prohibited above the
25

second story. Continuous retail frontage is promoted by requiring ground floor commercial uses in new developments and prohibiting curb cuts. Housing development in new buildings is encouraged above the ground story. Housing density is not controlled by the size of the lot but by requirements to supply a high percentage of larger units and by physical envelope controls. Existing residential units are protected by prohibitions on upper-story conversions and limitations on demolitions, mergers, and subdivisions.

SEC. 781.5. - MISSION STREET FAST-FOOD SUBDISTRICT.

In order to preserve the mix and variety of goods and services provided to the Mission neighborhood and City residents and prevent further proliferation of fast-food restaurant uses, and prevent further aggravation of parking and traffic congestion in this district, there shall be a Mission Street Fast-Food Subdistrict, generally applicable for the NC-3-zoned portion of Mission Street between Cesar Chavez~~14th~~ and Randall Streets, as designated on Sectional Map 7SU of the Zoning Map. The following provisions shall apply within such subdistrict:

13 (a) A small self-service restaurant, as defined in Section 790.91 of this Code, is permitted as a conditional use on the first story and below only.

14 (b) A large fast-food restaurant, as defined in Section 790.90 of this Code, shall not be permitted in this subdistrict.

15 (c) The provisions of Sections 180 through 186.1 of this Code shall govern large fast-food restaurants which existed lawfully at the effective date of this Code in this subdistrict.

16
17
18
19
20

SEC. 803.3. USES PERMITTED IN EASTERN NEIGHBORHOODS MIXED USE DISTRICTS AND SOUTH OF MARKET USE MIXED USE DISTRICTS.

21 (a) **Use Categories.** A use is the specified purpose for which a property or building is used, occupied, maintained, or leased. Whether or not a use is permitted in a specific Eastern Neighborhood Mixed Use District and South of Market Mixed Use District is generally set forth, summarized or cross-referenced in Sections 813.3 through 818 and 840 through 843 of this Code for each district class.

22
23
24
25

1 (b) **Use Limitations.** Uses in Eastern Neighborhood Mixed Use Districts and South of
2 Market Mixed Use Districts are either permitted, conditional, accessory, temporary or are not
3 permitted.

4 (1) **Permitted Uses.** If there are two or more uses in a structure, any use not classified
5 below under Section 803.3(b)(1)(C) of this Code as accessory will be considered separately
6 as an independent permitted, conditional, temporary or not permitted use.

7 (A) **Principal Uses.** Principal uses are permitted as of right in an Eastern Neighborhood
8 Mixed Use District and South of Market Mixed Use District, when so indicated in Sections 813
9 through 818 and 840 through 843 of this Code for the district. Additional requirements and
10 conditions may be placed on particular uses as provided pursuant to Section 803.5 through
11 803.9 and other applicable provisions of this Code.

12 (B) **Conditional Uses.** Conditional uses are permitted in an Eastern Neighborhood
13 Mixed Use District and South of Market Mixed Use District, when authorized by the Planning
14 Commission; whether a use is conditional in a given district is generally indicated in Sections
15 813 through 818 and 840 through 843 of this Code. Conditional uses are subject to the
16 applicable provisions set forth in Sections 178, 179, 263.11, 303, 316-8, and 803.5 through
17 803.9 of this Code.

18 (i) An establishment which sells beer or wine with motor vehicle fuel is a conditional
19 use, and shall be governed by Section 229

20 (ii) Notwithstanding any other provision of this Article, a change in use or demolition of a
21 movie theater use, as set forth in Section 890.64, shall require conditional use authorization.
22 This Section shall not authorize a change in use if the new use or uses are otherwise
23 prohibited.

24 (iii) Notwithstanding any other provision of this Article, a change in use or demolition of a
25 general grocery store use, as set forth in Section 890.102(a) and as further defined in Section

1 790.102(a), shall require conditional use authorization. This Subsection shall not authorize a
2 change in use if the new use or uses are otherwise prohibited.

3 (C) **Accessory Uses.** Subject to the limitations set forth below and in Sections 204.1
4 (Accessory Uses for Dwelling Units in R and NC Districts), 204.2 (Accessory Uses for Uses
5 Other Than Dwellings in R Districts); 204.4 (Dwelling Units Accessory to Other Uses), and
6 204.5 (Parking and Loading as Accessory Uses) of this Code, an accessory use is a related
7 minor use which is either necessary to the operation or enjoyment of a lawful principal use or
8 conditional use, or is appropriate, incidental and subordinate to any such use, and shall be
9 permitted as an accessory use in an Eastern Neighborhoods Mixed Use District and South of
10 Market Mixed Use District. In order to accommodate a principal use which is carried out by
11 one business in multiple locations within the same general area, such accessory use need not
12 be located in the same structure or lot as its principal use provided that (1) the accessory use
13 is located within 1,000 feet of the principal use; and (2) the multiple locations existed on April
14 6, 1990 (the effective date of this amendment). Accessory uses to non-office uses (as defined
15 in Section 890.70) may occupy space which is non-contiguous or on a different story as the
16 principal use so long as the accessory use is located in the same building as the principal use
17 and complies with all other restrictions applicable to such accessory uses. Any use which
18 does not qualify as an accessory use shall be classified as a principal use.

19 No use will be considered accessory to a principal use which involves or requires any of the
20 following:

21 (i) The use of more than one-third of the total occupied floor area which is occupied by
22 both the accessory use and principal use to which it is accessory, combined, except in the
23 case of accessory off-street parking or loading which shall be subject to the provisions of
24 Sections 151, 156 and 157 of this Code;

25 (ii) A hotel, motel, inn, hostel, nighttime entertainment, adult entertainment, massage

1 establishment, large fast food restaurant, or movie theater use in a RED, SPD, RSD, SLR,
2 SLI, SSO, DTR, MUG, MUR, MUO, or UMU District;

3 (iii) Any take-out food use, except for a take-out food use which occupies 100 square
4 feet or less (including the area devoted to food preparation and service and excluding storage
5 and waiting areas) in a restaurant, bar, catering establishment, bakery, retail grocery or
6 specialty food store.

7 (iv) Any sign not conforming to the limitations of Section 607.2(f)(3).

8 (D) **Temporary Uses.** Temporary uses not otherwise permitted are permitted in Eastern
9 Neighborhoods Mixed Use Districts and South of Market Mixed Use Districts to the extent
10 authorized by Sections 205 through 205.3 of this Code.

11 **SEC. 803.8 HOUSING IN MIXED USE DISTRICTS.**

12 (a) **Demolition or Conversion of Group Housing or Dwelling Units in South of**
13 **Market Mixed Use Districts.** Demolition, or conversion to any other use, of a group housing
14 unit or dwelling unit or any portion thereof, in any South of Market Mixed Use District shall be
15 allowed only subject to Section 233(a) and only if approved as a conditional use pursuant to
16 Sections 303 and 316 of this Code, notwithstanding any other provision of this Code. This
17 provision shall extend to any premises whose current use is, or last use prior to a proposed
18 conversion or demolition was, in fact as a group housing unit or dwelling unit as well as any
19 premises whose legal use as shown in the records of the Bureau of Building Inspection is that
20 of a group housing or dwelling unit.

21 (b) **Low-Income Affordable Housing Within the Service/Light Industrial District.**
22 Dwelling units and SRO units may be authorized in the SLI District as a conditional use
23 pursuant to Sections 303, 316, 817.14, and 817.16 of this Code provided that such dwellings
24 units shall be rented, leased or sold at rates or prices affordable to a household whose
25 income is no greater than 80 percent of the median income for households in San Francisco

1 ("lower income household"), as determined by Title 25 of the California Code of Regulations
2 Section 6932 and implemented by the Mayor's Office of Housing.

3 (1) "Affordable to a household" shall mean a purchase price that a lower income
4 household can afford to pay based on an annual payment for all housing costs of 33 percent
5 of the combined household annual net income, a 10-percent down payment, and available
6 financing, or a rent that a household can afford to pay, based on an annual payment for all
7 housing costs of 30 percent of the combined annual net income.

8 (2) The size of the dwelling unit shall determine the size of the household in order to
9 calculate purchase price or rent affordable to a household, as follows:

- 10 (A) For a one-bedroom unit, a household of two persons;
- 11 (B) For a two-bedroom unit, a household of three persons;
- 12 (C) For a three-bedroom unit, a household of four persons;
- 13 (D) For a four-bedroom unit, a household of five persons.

14 (3) No conditional use permit will be approved pursuant to this Subsection 803.8(b)
15 unless the applicant and City have agreed upon enforcement mechanisms for the provisions
16 of this Subsection which are acceptable to the City Attorney. Such enforcement mechanisms
17 may include, but not be limited to, a right of first refusal in favor of the City, or a promissory
18 note and deed of trust.

19 (4) The owner(s) of dwelling units authorized pursuant to this Subsection shall submit
20 an annual enforcement report to the City, along with a fee whose amount shall be determined
21 periodically by the City Planning Commission to pay for the cost of enforcement of this
22 Subsection. The fee shall not exceed the amount of such costs. The annual report shall
23 provide information regarding rents, mortgage payments, sales price and other housing costs,
24 annual household income, size of household in each dwelling unit, and any other information
25 the City may require to fulfill the intent of this Subsection.

1 (c) **Housing Requirement in the Residential/Service District.**

2 (1) **Amount Required.** Nonresidential uses subject to Sections 815.26, 815.28, 815.30,
3 815.31 through 815.47, and 815.59 through 815.65, of this Code shall be permitted in new
4 construction in the Residential/Service District only if the ratio between the amount of
5 occupied floor area for residential use to the amount of occupied floor area of the above-
6 referenced nonresidential use is three to one or greater.

7 (2) **Means of Satisfying the Housing Requirement.** (A) Live/work units may satisfy
8 the residential requirement pursuant to this Subsection and, when applicable, shall be subject
9 to Sections 124(j) and/or 263.11(c)(3) of this Code; or (B) The residential space required
10 pursuant to this Subsection may be satisfied by payment of a one-time in-lieu fee equal to \$30
11 per square foot of residential space required by this Subsection and not provided on-site
12 payable to the City's Affordable Housing Fund administered by the Mayor's Office of Housing;
13 or (C) The residential space requirement may be satisfied by providing the required residential
14 space elsewhere within the South of Market Mixed Use District where housing is permitted or
15 conditional and is approved as a conditional use.

16 (d) **Housing Requirement in the Mixed Use — Residential (MUR) District.** In *new*
17 *construction in* the MUR District, three square feet of gross floor area for residential use is
18 required for every one gross square foot of permitted nonresidential use, subject to Section
19 841 of this Code.

20 **SEC. 803.9. COMMERCIAL USES IN MIXED USE DISTRICTS.**

21 (a) **Preservation of Landmark Buildings, Significant or Contributory Buildings**
22 **Within the Extended Preservation District and/or Contributory Buildings Within**
23 **Designated Historic Districts within the South of Market Mixed Use Districts.** Within the
24 South of Market Mixed Use District, any use which is permitted as a principal or conditional
25 use within the SSO District, excluding nighttime entertainment use, may be permitted as a

1 conditional use in (a) a landmark building located outside a designated historic district, (b) a
2 contributory building which is proposed for conversion to office use of an aggregate gross
3 square footage of 25,000 or more per building and which is located outside the SSO District
4 yet within a designated historic district, or (c) a building designated as significant or
5 contributory pursuant to Article 11 of this Code and located within the Extended Preservation
6 District. For all such buildings the following conditions shall apply: (1) the provisions of
7 Sections 316 through 318 of this Code must be met; (2) in addition to the conditional use
8 criteria set out in Sections 303(c)(6) and 316 through 316.8, it must be determined that
9 allowing the use will enhance the feasibility of preserving the landmark, significant or
10 contributory building; and (3) the landmark, significant or contributory building will be made to
11 conform with the San Francisco Building Code standards for seismic loads and forces which
12 are in effect at the time of the application for conversion of use.

13 A contributory building which is in a designated historic district outside the SSO District
14 may be converted to any use which is a principal use within the SSO District provided that: (1)
15 such use does not exceed an aggregate square footage of 25,000 per building; and (2) prior
16 to the issuance of any necessary permits the Zoning Administrator (a) determines that
17 allowing the use will enhance the feasibility of preserving the contributory building; and (b) the
18 contributory building will be made to conform with the San Francisco Building Code standards
19 for seismic loads and forces which are in effect at the time of the application for conversion of
20 use.

21 **(b) Preservation of Historic Buildings within the MUG, MUO, and MUR Districts.**

22 The following controls are intended to support the economic viability of buildings of historic
23 importance within the MUG, MUO, and MUR Districts.

24 (1) This subsection applies only to buildings that are a designated landmark building or
25 a contributory building within a designated historic district per Article 10 of the Planning Code,

1 or a building listed on or determined eligible for the California Register of Historical Resources
2 by the State Office of Historic Preservation.

3 (2) All uses are permitted as of right, provided that:

4 (A) The project does not contain ~~office uses of 25,000 square foot or more per lot, or~~
5 nighttime entertainment.

6 (B) Prior to the issuance of any necessary permits, the Zoning Administrator, with the
7 advice of the Landmarks Preservation Advisory Board, determines that allowing the use will
8 enhance the feasibility of preserving the building.

9 (C) Residential uses meet the affordability requirements of the Residential Inclusionary
10 Affordable Housing Program set forth in Section 315.1 through 315.9

11 ~~(3) Projects containing office use of 25,000 square foot or more per lot may be permitted as a~~
12 ~~conditional use. In addition to the conditional use criteria set forth in Section 303, and with the advice~~
13 ~~of the Landmarks Preservation Advisory Board, the Planning Commission must find that allowing the~~
14 ~~use will enhance the feasibility of preserving the building.~~

15 (34) The Landmarks Preservation Advisory Board shall review the proposed project for
16 compliance with the Secretary of the Interior's Standards, (36 C.F.R. § 67.7 (2001)) and any
17 applicable provisions of the Planning Code.

18 (c) **Preservation of Historic Buildings within and UMU Districts.** The following rules
19 are intended to support the economic viability of buildings of historic importance within the
20 UMU District.

21 (1) This subsection applies only to buildings that are a designated landmark building, or
22 a building listed on or determined eligible for the California Register of Historical Resources by
23 the State Office of Historic Preservation.

24 (2) All uses are permitted as of right, provided that:

25 (A) The project does not contain ~~office uses of 25,000 square foot or more per lot, or~~

1 nighttime entertainment.

2 (B) Prior to the issuance of any necessary permits, the Zoning Administrator, with the
3 advice of the Landmarks Preservation Advisory Board, determines that allowing the use will
4 enhance the feasibility of preserving the building.

5 (C) Residential uses meet the affordability requirements of the Residential Inclusionary
6 Affordable Housing Program set forth in Section 315.1 through 315.9

7 ~~(3) Projects containing office use of 25,000 square foot or more per lot may be permitted as a~~
8 ~~conditional use. In addition to the conditional use criteria set forth in Section 303, with the advice of~~
9 ~~the Landmarks Preservation Advisory Board, the Planning Commission must find that allowing the use~~
10 ~~will enhance the feasibility of preserving the building.~~

11 (34) The Landmarks Preservation Advisory Board shall review the proposed project for
12 compliance with the Secretary of the Interior's Standards, (36 C.F.R. § 67.7 (2001)) and any
13 applicable provisions of the Planning Code.

14 (d) **Automated Bank Teller Machines Within South of Market Districts.** All
15 automated bank teller machines (ATMs), whether freestanding structures or walk-up facilities
16 associated with retail banking operations, shall have adequate lighting, waste collection
17 facilities and parking resources and shall be set back three feet from the front property line.

18 (e) **Open Air Sales.** Flea markets, farmers markets, crafts fairs and all other open air
19 sales of new or used merchandise except vehicles, within South of Market Mixed Use and
20 Eastern Neighborhoods Mixed Use Districts, where permitted, shall be subject to the following
21 requirements: (1) the sale of goods and the presence of booths or other accessory
22 appurtenances shall be limited to weekend and/or holiday daytime hours; (2) sufficient
23 numbers of publicly-accessible toilets and trash receptacles shall be provided on-site and
24 adequately maintained; and (3) the site and vicinity shall be maintained free of trash and
25 debris.

1 (f) **Legal and Government Office Uses in the Vicinity of the Hall of Justice.** Within
2 an approximately 300-foot radius of the 800 Bryant Street entrance to the Hall of Justice, and
3 Assessor's Block 3780, Lots 1 and 2, as shown on Sectional Map 8SU of the Zoning Map, the
4 offices of attorneys, bail and services, government agencies, union halls, and other criminal
5 justice activities and services directly related to the criminal justice functions of the Hall of
6 Justice shall be permitted as a principal use. There shall be a Notice of Special Restriction
7 placed on the property limiting office activities to uses permitted by this Subsection.

8 (g) **Work Space of Design Professionals.** The work space of design professionals, as
9 defined in Section 890.28 of this Code, shall be permitted as a principal use within the SLR,
10 RSD and SLI Districts provided that, as a condition of issuance of any necessary permits, the
11 owner(s) of the building shall agree to comply with the following provisions: (1) The occupied
12 floor area devoted to this use per building is limited to the third story or above; (2) The gross
13 floor area devoted to this use per building does not exceed 3,000 square feet per design
14 professional establishment; (3) The space within the building subject to this provision has not
15 been in residential use within a legal dwelling unit at any time within a five-year period prior to
16 application for conversion under this Subsection; and (4) The owner(s) of the building comply
17 with the following enforcement and monitoring procedures; (i) The owner(s) of any building
18 with work space devoted to design professional use as authorized pursuant to this Subsection
19 shall submit an annual enforcement report to the Department of City Planning with a fee in an
20 amount to be determined periodically by the City Planning Commission to pay for the cost of
21 enforcement of this Subsection. The fee shall not exceed the amount of such costs. The
22 report shall provide information regarding occupants of such space, the amount of square
23 footage of the space used by each design professional establishment, amount of vacant
24 space, compliance with all relevant City codes, and any other information the Zoning
25 Administrator may require to fulfill the intent of this Subsection; (ii) The owner(s) of any

1 building containing work space of design professionals authorized pursuant to this Subsection
2 shall permit inspection of the premises by an authorized City official to determine compliance
3 with the limitations of this Subsection. The City shall provide reasonable notice to owners prior
4 to inspecting the premises; (iii) The owner(s) of any building containing work space of design
5 professionals authorized pursuant to this Subsection shall record a Notice of Special
6 Restriction, approved by the City Planning Department prior to recordation, on the property
7 setting forth the limitations required by this Subsection. The Department of City Planning shall
8 keep a record available for public review of all space for design professionals authorized by
9 this Subsection.

10 (h) **Vertical Controls for Office Uses.**

11 (1) **Purpose.** In order to preserve ground floor space for production, distribution, and
12 repair uses and to allow the preservation and enhancement of a diverse mix of land uses,
13 including limited amounts of office space on upper stories, additional vertical zoning controls
14 shall govern office uses as set forth in this Section.

15 (2) **Applicability.** This Section shall apply to all office uses in the MUG and UMU
16 Districts, where permitted.

17 (3) **Definitions.** Office use shall be as defined in Section 890.70 of this Code.

18 (4) **Controls.**

19 (A) **Designated Office Story or Stories.** Office uses are not permitted on the ground
20 floor, except as specified in Sections 840.65A and 843.65A. Office uses may be permitted on
21 stories above the ground floor if they are designated as office stories. On any designated
22 office story, office uses are permitted, subject to any applicable use size limitations. On any
23 story not designated as an office story, office uses are not permitted. When an office use is
24 permitted on the ground floor per Sections 840.065A and 843.65A, it shall not be considered a
25 designated office story for the purposes of Subsection D below.

1 (B) **Timing of designation.** In the case of new construction, any designated office story
 2 or stories shall be established prior to the issuance of a first building permit or along with any
 3 associated Planning Commission action, whichever occurs first. In the case of buildings that
 4 were constructed prior to the effective date of this Section, any such story or stories shall be
 5 designated prior to the issuance of any building permit for new or expanded office uses or
 6 along with any associated Planning Commission action, whichever occurs first.

7 (C) **Recordation of designation.** Notice of the designation of office stories shall be
 8 recorded as a restriction on the deed of the property along with plans clearly depicting the
 9 designated story or stories in relation to the balance of the building. A designated office story
 10 may only be re-allocated when the designated office story is first returned to a permitted non-
 11 office use and associated building modifications to the designated office story are verified by
 12 the Zoning Administrator.

13 (D) **Maximum Number of Designated Stories.** The maximum number of designated
 14 office stories shall correspond to the total number of stories in a given building, as set forth in
 15 the table below. The designation of a particular story shall apply to the total floor area of that
 16 story and no partial designation, split designation, or other such subdivision of designated
 17 floors shall be permitted. For the purposes of the following table, the total number of stories in
 18 a given building shall be counted from grade level at curb and shall exclude any basements or
 19 below-grade stories.

21 **Table 803.9(h)**

Total Number of Stories	Maximum Number of Designated Office Stories
1-story	0 stories (office use NP)

2—4 stories	1-story
5—7 stories	2-stories
8 or more stories	3-stories

(E) For projects with multiple buildings, consolidation of permitted office stories may be permitted, pursuant to the controls set forth in 329(d)(8).

(i) **Retail Controls in the MUG, MUO, and UMU Districts.** In the MUG, MUO, and UMU District, up to 25,000 gross square feet of retail use (as defined in Section 890.14-04 of this Code) is permitted per lot. Above 25,000 gross square feet, three gross square feet of other uses permitted in that District are required for every one gross square foot of retail. In the UMU District, gyms, as defined in Sec. 218(d), are exempt from this requirement.

SEC. 814. SPD — SOUTH PARK DISTRICT.

South Park is an attractive affordable mixed-use neighborhood. The South Park District (SPD) is intended to preserve the scale, density and mix of commercial and residential activities within this unique neighborhood. The district is characterized by small-scale, continuous-frontage warehouse, retail and residential structures built in a ring around an oval-shaped, grassy park. Retention of the existing structures is encouraged, as is a continued mix of uses, family-sized housing units, and in-fill development which contributes positively to the neighborhood scale and use mix.

Most retail, general commercial, office, service/light industrial, arts, live/work and residential activities are permitted. Group housing, social services, and other institutional uses are conditional uses. Hotels, motels, movie theaters, adult entertainment and nighttime entertainment are not permitted.

24 SPECIFIC PROVISIONS FOR SPD DISTRICTS

Article Code Section	Other Code Section	Zoning Controls
§ 814.23 § 890.133		— Only those medical cannabis dispensaries that can demonstrate to the Planning Department they were in operation as of April 1, 2005 and have remained in continuous operation or that were not in continuous operation since April 1, 2005, but can demonstrate to the Planning Department that the reason for their lack of continuous operation was not closure due to an actual violation of Federal, State or local law, may apply for a medical cannabis dispensary permit in a South Park District.
814.33	§§ 249.35, 890.113	Fringe Financial Services are P subject to the restrictions set forth in Section 249.35, including, but not limited to, the proximity restrictions set forth in Subsection 249.35(c)(3).

SEC. 840. MUG — MIXED USE-GENERAL DISTRICT.

The Mixed Use — General (MUG) District is largely comprised of the low-scale, production, distribution, and repair uses mixed with housing and small-scale retail. The MUG is designed to maintain and facilitate the growth and expansion of small-scale light industrial, wholesale distribution, arts production and performance/exhibition activities, general commercial and neighborhood-serving retail and personal service activities while protecting existing housing and encouraging the development of housing at a scale and density compatible with the existing neighborhood.

Housing is encouraged over ground floor commercial and production, distribution, and repair uses. New residential or mixed use developments are encouraged to provide as much

1 mixed-income family housing as possible. Existing group housing and dwelling units would be
 2 protected from demolition or conversion to nonresidential use by requiring conditional use
 3 review.

4 ~~Hotels, n~~Nighttime entertainment, ~~movie theaters,~~ adult entertainment and heavy industrial
 5 uses are not permitted. Office is restricted to the upper floors of multiple story buildings.

SEC. 841. MUR—MIXED USE—RESIDENTIAL DISTRICT.

The Mixed Use — Residential District (MUR) serves as a buffer between the higher-density, predominantly commercial area of Yerba Buena Center to the east and the lower-scale, mixed use service/industrial and housing area west of Sixth Street.

The MUR serves as a major housing opportunity area within the eastern portion of the South of Market. The district controls are intended to facilitate the development of high-density, mid-rise housing, including family-sized housing and residential hotels. The district is also designed to encourage the expansion of retail, business service and commercial and cultural arts activities.

Continuous ground floor commercial frontage with pedestrian-oriented retail activities along major thoroughfares is encouraged. Hotels, nighttime entertainment, ~~movie theaters,~~

1 adult entertainment and heavy industrial uses are not permitted. Office is limited by residential-
 2 to-non residential ratio in new construction~~restricted to the upper floors of multiple story buildings.~~

SEC. 842. MUO — MIXED USE — OFFICE DISTRICT.

The Mixed Use — Office (MUO) runs predominantly along the 2nd Street corridor in the South of Market area. The MUO is designed to encourage office uses and housing, as well as small-scale light industrial and arts activities. Nighttime entertainment is permitted as a conditional use. Dwelling units and group housing are permitted, while demolition or conversion of existing dwelling units or group housing requires conditional use authorization. Family-sized housing is encouraged.

Office, general commercial, most retail, production, distribution, and repair uses are also principal permitted uses. Large hotel, adult entertainment and heavy industrial uses are not permitted.

SEC. 843. UMU — URBAN MIXED USE DISTRICT.

The Urban Mixed Use (UMU) District is intended to promote a vibrant mix of uses while maintaining the characteristics of this formerly industrially-zoned area. It is also intended to serve as a buffer between residential districts and PDR districts in the Eastern Neighborhoods. Within the UMU, allowed uses include production, distribution, and repair

1 uses such as light manufacturing, home and business services, arts activities, warehouse,
 2 and wholesaling. Additional permitted uses include retail, educational facilities, and nighttime
 3 entertainment. Housing is also permitted, but is subject to higher affordability requirements.
 4 Family-sized dwelling units are encouraged. Within the UMU, office uses are restricted to the
 5 upper floors of multiple story buildings. In considering any new land use not contemplated in
 6 this District, the Zoning Administrator shall take into account the intent of this District as
 7 expressed in this Section and in the General Plan.

8 **Table 843**
 9 **UMU — URBAN MIXED USE DISTRICT**
 10 **ZONING CONTROL TABLE**

Urban Mixed Use District			
No.	Zoning Category	§ References	Controls
Building and Siting Standards			
843.01	Height Limit	See Zoning Map, §§ 260-261.1, 263.20	As shown on Sectional Maps 1 and 7 of the Zoning Map Height sculpting required on narrow streets, § 261.1 Non-habitable vertical projections permitted, § 263.20
843.02	Bulk Limit	See Zoning Map, §§ 270, 270.1, 270.2	As shown on Sectional Maps 1 and 7 of the Zoning Map Horizontal mass reduction required, § 270.1

1			Mid-block alleys required, §270.2
2	843.03	Non-residential density limit	§§ 102.9, 123, 124, 127
3			Generally contingent upon permitted height, per Section 124
4	843.04	Setbacks	§§ <u>134</u> , 136, 136.2, 144, 145.1
5			Generally required
6	843.05	Awnings and Canopies	§§ 136, 136.1, 136.2

SEC. 890.49. INTEGRATED PDR.

1 (a) Integrated PDR is a land use that meets the following requirements:

2 (1) Contains at least the following amount of PDR activities:

3 (A) For uses of 2,000 gross square feet or greater, at least 1/3 of the total space shall
4 contain PDR activities; or

5 (B) For uses of less than 2,000 gross square feet, at least 20% of the total space shall
6 contain PDR activities;

7 (2) Does not include residential activities;

8 (3) The remaining space may contain any non-residential use permitted in the MUO
9 District as long as:

10 (A) Retail space is limited to 1/3 of the total space; and

11 (B) All uses in the space are conducted as integral and related parts of a single
12 business activity or enterprise;

13 (4) For purposes of this definition, PDR activities are those that:

14 (A) Are generally consistent with Code Sections 220, ~~and 222, 223, 224, 225, 226, through~~
15 227(a), 227(b), and 227(p) or involve the fabrication, testing, distribution, maintenance, or repair
16 of physical goods;

17 (B) Are not:

18 (i) Residential (as defined in Section. 890.88);

19 (ii) Retail and personal services (as defined in Sections 890.102, ~~and~~ 890.104, and
20 890.116);

21 (iii) Institutional (as defined in Section 890.50);

22 (iv) Office (as defined in Section 890.70);

23 (v) Laboratory (as defined in Section 890.52); or

24 (vi) Storage (as defined in Sec. 890.54(c));

25 (C) May include any non-office uses that integrate multimedia, information technology,

1 or software development functions;

2 (D) Do not include typical office support functions; and

3 (E) Occur in space specifically designed to accommodate the industrial nature of the
4 PDR activities.

5 (5) Any retail space contained within the Integrated PDR use shall not count against any
6 per-parcel retail limits of the subject zoning district.

7 (b) Integrated PDR uses are subject to the following requirements:

8 (1) These uses are only permitted in buildings:

9 (A) That were constructed before 1951 which were at least three stories in height above
10 grade, excluding those building features listed in Section 260(b) and related structures, as of
11 the effective date of Ordinance Numbers 0297-08, 0298-08, 0299-08 and 0300-08; or

12 (B) For which a first certificate of occupancy was issued after the effective date of
13 Ordinance Numbers 0297-08, 0298-08, 0299-08, and 0300-08;

14 (2) A Notice of Special Restriction (NSR) shall be recorded on the title of any property
15 containing an Integrated PDR use. The Planning Department shall forward a copy of each
16 NSR to the Mayor's Office of Economic and Workforce Development, or a successor office,
17 for purposes of record keeping and monitoring. This NSR shall include a copy of the use
18 provisions of this Section and also require that the property owner:

19 (A) Ensure that all new Integrated PDR tenants and/or occupants register with the Office
20 of Economic and Workforce Development's PDR Program. The purpose of this registration is
21 to confirm the accuracy of each tenant's or occupant's NAICS code on their Business
22 Registration and Payroll Tax forms, collect basic information on the nature of each tenant's or
23 occupant's business, including the total number of employees to inform the tenant or occupant
24 of available tax credits and other benefits of the state and local Enterprise Zone program; and
25 to determine, to the extent possible, the total number of employees that reside within the City

1 and are eligible to receive State Enterprise Zone tax credits ("IPDR Disadvantaged
2 Employees"); and

3 (B) Report annually to the Planning Department staff on any reallocation of space within
4 an Integrated PDR space.

5 (c) Integrated PDR uses are not subject to the annual office limit controls of Sections
6 320-324.

7 **SEC. 890.54. LIGHT MANUFACTURING, WHOLESALE SALES, STORAGE.**

8 A commercial use, including light manufacturing, wholesale sales, and storage, as
9 defined in Subsections (a), (b), (c), and (d) below.

10 (a) **Light Manufacturing.** A nonretail use which provides for the fabrication or
11 production of goods, by hand or machinery, for distribution to retailers or wholesalers for
12 resale off the premises, primarily involving the assembly, packaging, repairing, or processing
13 of previously prepared materials, when conducted in an enclosed building having no openings
14 other than fixed windows or exits required by law located within 50 feet of any R District. Light
15 manufacturing uses include production and custom activities usually involving individual or
16 special design, or handiwork, such as the following fabrication or production activities defined
17 by the Standard Industrial Classification Code Manual as light manufacturing uses:

- 18 (1) Food processing, not including mechanized assembly line production of canned or
19 bottled goods;
- 20 (2) Apparel and other garment products;
- 21 (3) Furniture and fixtures;
- 22 (4) Printing and publishing of books or newspaper;
- 23 (5) Leather products;
- 24 (6) Pottery;
- 25 (7) Glass blowing;

1 (8) Measuring, analyzing, and controlling instruments; photographic, medical and optical
2 goods; watches and clocks.

3 It shall not include the chemical processing of materials or the use of any machine that
4 has more than five horsepower capacity, nor shall the mechanical equipment required for the
5 use, together with related floor space used primarily by the operators of such equipment, in
6 aggregate occupy more than ¼ of the total gross floor area of the use.

7 It shall be not include a trade shop, as defined in Section 890.124 of this Code, or a
8 heavy industrial use subject to Section 226(e) through (w) of this Code. It shall not include
9 general or heavy manufacturing uses, not described in this Subsection (a).

10 (b) **Wholesale Sales.** A nonretail use which exclusively provides goods or commodities
11 for resale or business use, including accessory storage. It shall not include a nonaccessory
12 storage warehouse.

13 (c) **Commercial Storage.** A commercial use which stores, within an enclosed building,
14 ~~household goods,~~ contractors' equipment, building materials or goods or materials used by
15 other businesses at other locations. This use shall not include the storage of waste, salvaged
16 materials, automobiles, inflammable or highly combustible materials, and wholesale goods or
17 commodities.

18 (d) **Self-Storage.** Retail facilities for the storage of household and personal goods.
19
