Hearing on San Francisco HIV Health Reform Task Force

The text is listed below or attached:

The San Francisco HIV Health Reform Task Force recently released its recommendations to help ensure the safe and secure transition of San Franciscan's living with HIV/AIDS into broader systems of care that become available because of the implementation of the Affordable Care Act. I would like to call a hearing to discuss the Task Force recommendations as well as the Department of Public Health's plan to implement those recommendations.

I request that the Clerk of the Board forward a copy of this request to the Director of the Department of Public Health. I also request that the President send this item to the Neighborhood Services & Safety Committee.
