**FIRST AMENDMENT TO LEASE**  
(Parcel K)

THIS FIRST AMENDMENT TO LEASE (this "Amendment") is made as of \_\_\_\_\_, 2011, in San Francisco, California, by and between CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation ("City"), and PROXYDEVELOPMENT, LLC, a California limited liability company ("Subtenant").

**RECITALS**

A. City and Subtenant are parties to a Lease dated as of July 14, 2010 (the "Original Sublease"), for premises located near the southeast corner of Hayes and Octavia Streets, San Francisco, as further depicted in Exhibit A to the Original Sublease. All undefined, initially-capitalized terms used in this Amendment shall have the meaning given to such terms in the Original Sublease.

B. Subtenant wishes to extend the term of the Original Sublease from three years to five years, and City consents to such extension on the terms and conditions as set forth in this Amendment.

**AGREEMENT**

NOW, THEREFORE, in consideration of the matters described in the foregoing recitals, and for other good and valuable consideration, the receipt and sufficiency of which are mutually acknowledged, City and Subtenant agree as follows:

1. Term. As of the date this Amendment is fully executed and delivered (the "Effective Date"), Section 4.2 of the Original Sublease is hereby deleted in its entirety and replaced with the following language:

"4.2 Commencement Date and Expiration Date. The "Commencement Date" shall be September 15, 2010, and the "Expiration Date" shall be the fifth (5<sup>th</sup>) anniversary of the Commencement Date. "

2. Initial Improvement Charges. Within sixty (60) days following the Effective Date, Subtenant shall deliver the Initial Improvements statement of costs, invoices and other documents required under Section 8.3(c) of the Original Sublease to City for its review.

3. Subtenant's Licensees. Subtenant represents and warrants that each party (each, a "Licensee") operating at the Premises or otherwise authorized by Subtenant to use or occupy the Premises is listed on the attached Exhibit A. Within sixty (60) days following the Effective Date, Subtenant shall deliver to City an estoppel certificate in the form attached hereto as Exhibit B ("Estoppel"), duly completed and executed by Subtenant and each Licensee, and a copy of any written agreement ("License") between Subtenant and a Licensee with respect to such Licensee's use of the Premises. Subtenant acknowledges that City's consent to the use of the Premises by a Licensee is conditioned on City's receipt and approval of the Estoppel and License for such Licensee. If City approves of any Licensee after reviewing the Estoppel and License for such Licensee, City shall deliver written notice thereof to Subtenant and Licensee within sixty (60) days of City's receipt of such Licensee's Estoppel and License.

3. Master Lease. Subtenant acknowledges that the Master Lease (as defined in the Original Sublease) has been amended by that certain Second Amendment to Ground Lease dated as of April 19, 2011, between City and Master Landlord (as defined in the Original Sublease), a copy

of which is attached hereto as Exhibit C (the "Master Lease Second Amendment"). All references to the Master Lease in the Original Sublease and this Amendment shall mean the Master Lease as amended by the Master Lease Second Amendment.

4. Trash Control. As of the Effective Date, Subtenant shall provide, or ensure the provision of, adequate trash receptacles at the Premises, timely maintenance of such trash receptacles, and otherwise provide for adequate control of any garbage at the Premises generated by the use of the Premises by Subtenant and any of its Agents (as defined in the Original Sublease), subtenants and licensees.

5. Outreach to Vendors. Subtenant shall take good faith efforts that are satisfactory to Master Landlord to outreach to vendors who currently do business in current Redevelopment Project Areas established by Master Landlord under Division 24, Part 1 of the California Health and Safety Code and in the former Western Addition A-2 Redevelopment Project Area established by Master Landlord under Division 24, Part 1 of the California Health and Safety Code, and who may wish to provide services on the Premises. Such efforts may consist of Subtenant developing a list of such vendors and notifying such vendors of its permitted uses of the Premises, or other actions that are reasonably requested by Master Landlord. All outreach efforts must be documented by Subtenant and available for review on request by Master Landlord and City.

6. Required Signage Related to Future Use of Premises. Subtenant shall, at its sole cost, design, provide, and install in good condition signage ("Future Use Sign") on the Premises that (i) is visible from the portion of Hayes Street that abuts the Premises, (ii) is no less than three feet by three feet, and (iii) indicates the Premises are intended to be developed into affordable housing and that any other activities or uses allowed by Subtenant are temporary in nature. Within thirty (30) days following the Effective Date, Subtenant shall submit its proposed drawings and plans for the Future Use Sign ("Proposed Sign Plans") to City and Master Landlord for review and approval, each acting in its sole discretion. If City and Master Landlord do not approve the submitted Proposed Sign Plans, Subtenant shall promptly submit revised Proposed Sign Plans to City and Master Landlord. Within sixty (60) days following Subtenant's receipt of written approval of any Proposed Sign Plans from City and Master Landlord, Subtenant shall install the Future Use Sign in accordance with the approved Proposed Sign Plans and the standards set forth in Section 8.3(a) and Section 8.3(b) of the Original Sublease. Once Subtenant installs the Future Use Sign on the Premises pursuant to this Amendment, the definition of "Improvements" in the Original Sublease shall include the Future Use Sign.

7. No Joint Venture. Neither this Amendment nor any activity by the City hereunder creates a partnership or joint venture between the City and Subtenant relating to the Premises, the Original Sublease or otherwise. This Amendment does not constitute authorization or approval by the City of any activity conducted at the Premises by Subtenant or any of Agents, its permittees or sublessees, and the City shall in no way be responsible for the acts or omissions of Subtenant or any of Agents, its permittees or sublessees on the Premises or otherwise.

8. Attorneys Fees. In the event a dispute arises concerning this Amendment, the party not prevailing in such dispute shall pay any and all costs and expenses incurred by the other party in enforcing or establishing its rights hereunder, including, without limitation, court costs and reasonable attorneys' fees. For purposes of this Amendment, reasonable fees of attorneys of City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

9. References. No express reference to this Amendment is necessary in any instrument or document that refers to the Original Sublease. As of the Effective Date, any reference to the

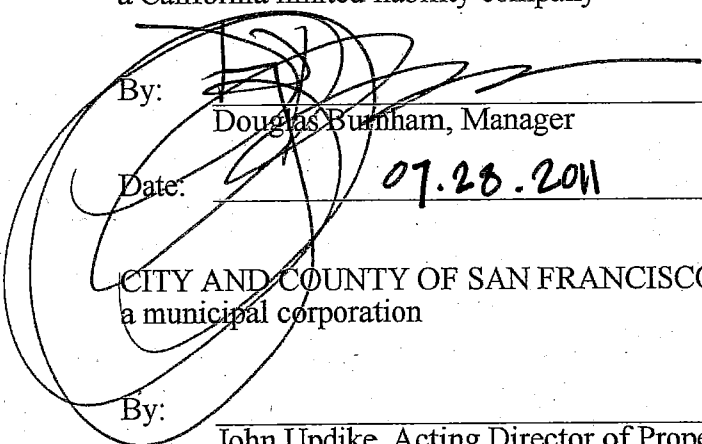

Original Sublease after the date of this Amendment shall be deemed a reference to the Original Sublease as amended by this Amendment.

10. Applicable Law. This Amendment shall be governed by, construed and enforced in accordance with the laws of the State of California.

11. Miscellaneous. Except as expressly modified herein, the terms, covenants and conditions of the Original Sublease shall remain unmodified and in full force and effect. This Amendment constitutes the entire agreement of the parties concerning the subject matter hereof, and supersedes and conceals any and all previous negotiations, agreements, or understandings, if any, regarding the matters contained herein. The execution of this Amendment shall not constitute a waiver of relinquishment of any rights that City may have relating to the Original Sublease. Subtenant and City hereby ratify and confirm all of the provisions of the Original Sublease as amended by this Amendment.

Re: Case No. 2010.0359R  
Central Freeway Parcels K and L (0817/030, 0817/033)  
Proposed Leases for Interim Uses

Dear Ms. Brown,

The Department received your request on 5/12/2010, for a General Plan Referral as required by Section 4.105 of the San Francisco Charter, and Section 2A.53 of the San Francisco Administrative Code.

## Project Description

Parcels K and L were vacated as part of the demolition of the Central Freeway and construction of Octavia Boulevard. Parcel K was transferred by the City to the San Francisco Redevelopment Agency. The Redevelopment Agency plans eventually to develop affordable housing on this parcel, but does not anticipate doing so for several years. In the meantime, the City has leased this parcel back from the Redevelopment Agency for the purpose of interim uses. Parcel L is owned by the City and awaits future disposition to a developer.

In December 2009, the City issued a Request for Proposals from qualified respondents for interim uses on several vacant Central Freeway parcels, including parcels K and L, for the purpose of activating these parcels to provide additional amenities to the public and promote economic development, until the economy will allow for housing development on these sites.

These parcels were rezoned as part of the Market Octavia Plan. Their current zoning is Hayes NCT. The Market Octavia Plan envisions mixed use development on these parcels ultimately, with ground floor retail on both parcels.

As a result of a competitive solicitation, the City intends to enter into leases with PROXYDevelopment, LLC for the purpose of providing interim retail activities, including the sale of foods and beverages, the operation of restaurants, and the operation of a membership-based car sharing business. The term of the Parcel K lease is three years and the term of the Parcel L lease is four years. The detailed proposal from PROXYDevelopment is attached to this letter and incorporated by reference.

Staff has determined that the project is, on balance, IN CONFORMANCE with the General Plan.

**RE: 2008.0879R**  
Sale of twelve parcels that were part of the former Central Freeway for new residential mixed-use development

Dear Ms. Brown,

The following General Plan referral findings for the above proposed project is submitted per your request. The purpose of this referral is to determine whether the proposed sale of twelve parcels of the former Central Freeway would conform to the General Plan (Exhibit A).

The parcels in question were part of the former Central Freeway that was removed and replaced by the Octavia Boulevard project. The proposal is to sell seven of the parcels at public auction and issue a Request for Proposals (RFP) for the remaining four parcels, ultimately producing several hundred units of new housing with ground floor retail.

The Department has determined that the project is exempt from Environmental Review under California Environmental Review Quality Act Section 15060 (c)(2). The project is, on balance, in conformity with the General Plan, as described in the Case Report (Exhibit B), and has been reviewed for consistency with the Eight Priority Policies of the Planning Code (Exhibit C).

Sincerely,

John Rahaita

Sale of twelve parcels that were part of the former Central Freeway.

## GENERAL PLAN CASE REPORT

General Plan Objectives and Policies are in **Bold font**. Policy text is in regular font. Staff comments are in *italics*.

### HOUSING ELEMENT

#### OBJECTIVE 1

**TO PROVIDE NEW HOUSING, ESPECIALLY PERMANENTLY AFFORDABLE HOUSING, IN APPROPRIATE LOCATIONS WHICH MEETS IDENTIFIED HOUSING NEEDS AND TAKES INTO ACCOUNT THE DEMAND FOR AFFORDABLE HOUSING CREATED BY EMPLOYMENT DEMAND**

#### **POLICY 1.4**

*Locate in-fill housing on appropriate sites in established residential neighborhoods.*

*In established residential areas, new in-fill housing construction should be located on vacant sites that are not designated for open space. At the time the former Central Freeway was constructed, it bisected an established residential area served by neighborhood commercial services. The sale of former freeway parcels for housing development and neighborhood commercial activities effectively restores the character of the area.*

#### **POLICY 1.5**

*Support the development of affordable housing on surplus public lands.*

*Although the twelve parcels in question will not be developed as affordable housing, their sale enables the City, through the Redevelopment agency, to produce 100% affordable housing on other former Central Freeway parcels. Overall, 50% affordable housing will be produced on former Central Freeway parcels.*

#### **POLICY 1.7**

*Encourage and support the construction of quality, new family housing.*

*Families with children or elderly members have few options as only 25% of the City's housing stock has three or more bedrooms. Much of the housing constructed in the last decade consisted of studios, and one-bedroom units — too small to accommodate many families. New housing constructed on the former Central Freeway parcels will include larger two bedroom units, and the inclusion of three-bedroom units will also be encouraged.*

**EXHIBIT B**

**RE: 2008.0879R**

Sale of twelve parcels that were part of the former Central Freeway.

**OBJECTIVE 5  
INCREASE THE EFFECTIVENESS AND EFFICIENCY OF THE CITY'S  
AFFORDABLE HOUSING PRODUCTION SYSTEM.**

***POLICY 5.3***

*Create greater public awareness about the quality and character of affordable housing projects and generate community-wide support for new affordable housing.*

*The planned sale of these parcels for future market rate housing has helped to generate support for affordable housing on other former Central Freeway parcels in the area.*

***POLICY 5.4***

*Coordinate governmental activities related to affordable housing.*

*Numerous agencies and city departments have worked for years to coordinate the removal of the Central Freeway and, upon removal, the sale of former freeway parcels for needed housing. Through this effort the City will gain hundreds of units of new housing, half of which will be affordable.*

**OBJECTIVE 7  
EXPAND THE FINANCIAL RESOURCES AVAILABLE FOR PERMANENTLY  
AFFORDABLE HOUSING.**

***POLICY 7.1***

*Enhance existing revenue sources for permanently affordable housing.*

*The sale of these parcels will generate an estimated ten million dollars for affordable housing in the area.*

**OBJECTIVE 8  
ENSURE EQUAL ACCESS TO HOUSING OPPORTUNITIES.**

***POLICY 8.9***

*Encourage the provision of new home ownership opportunities through new construction so that increased owner occupancy does not diminish the supply of rental housing.*

*Predominately ownership housing is expected to be constructed on these parcels.*

**EXHIBIT B**

**RE: 2008.0879R**

Sale of twelve parcels that were part of the former Central Freeway.

**OBJECTIVE 11**  
**IN INCREASING THE SUPPLY OF HOUSING, PURSUE PLACE MAKING AND NEIGHBORHOOD BUILDING PRINCIPLES AND PRACTICES TO MAINTAIN SAN FRANCISCO'S DESIRABLE URBAN FABRIC AND ENHANCE LIVABILITY IN ALL NEIGHBORHOODS.**

***POLICY 11.1***

*Use new housing development as a means to enhance neighborhood vitality and diversity.*

*Currently vacant, the sale of the former Central Freeway parcels will foster new housing and therefore increase neighborhood vitality.*

***POLICY 11.3***

*Encourage appropriate neighborhood-serving commercial activities in residential areas, without causing affordable housing displacement.*

*Ground floor retail will be included in most new housing developed on the former Central Freeway parcels.*

***POLICY 11.5***

*Promote the construction of well-designed housing that enhances existing neighborhood character.*
