I am blessed to live and work in San Francisco's District 3. I am a full time bicycle mechanic specializing in electric power systems on the bikes. However, I work on all aspects of all bikes for the fleet and that includes family/kids bikes, seats, trailers, tag-alongs, and tandems. My job pays a living wage and while I am grateful I am also intimately aware of the financial challenges of living in the City.
At my job I work with customers and fellow staff from all nations and backgrounds and this is a privilege as it widens my perspective. Also, I mentor new employees re-entering the workforce.
I am a proud father of a three month old son. My wife is an immigrant, as was the case with my mother and my dad's parents. Many would consider our son bi-racial, we just think he's awesome!
