

1 [WATER RATES]

2
3 Ordinance approving revised schedule of rates to be charged by the
4 San Francisco Public Utilities Commission for water service to its retail customers inside and
5 outside the City and County of San Francisco.

6 Be it ordained by the People of the City and County of San Francisco:

7 Section 1. The Public Utilities Commission adopted on May 8, 2001, its Resolution
8 No.01-0106, after having held a public hearing on April 24, 2001 and May 8, 2001, to consider
9 a proposal for a 8.65% rate increase for water service and water supplied to its retail
10 customers inside and outside the City and County of San Francisco. Members of the public
11 have been given an opportunity to express, and have expressed their views on the
12 recommended Schedule of Rates. Pursuant to a published notice of intention of the Public
13 Utilities Commission to adopt a revised Schedule of Rates to be charged for retail water
14 service inside and outside the City and County of San Francisco and a public hearing held on
15 April 24, 2001 and May 8, 2001, a copy of said Schedule of Rates being on file in the office of
16 the Secretary of the Commission, the Commission recommended a 8.65% rate increase as
17 enumerated in the Schedule of Rates to be charged for retail water service inside and outside
18 the City and County of San Francisco.

19 Section 2. The foregoing rate schedule is for the purpose of meeting operating
20 expenses, including employee wage rate and fringe benefits, purchasing or leasing or
21 supplies, equipment or materials, meeting financial reserve needs and requirements,
22 obtaining funds for capital projects necessary to maintain service within existing service areas
23 and other budgetary requirements of the Public Utilities Commission's water service
24 enterprise.
25

1 Section 3. The Public Utilities Commission, in accordance with applicable laws,
2 recommended the revised Schedule of Rates to be charged for retail water service based
3 upon the water service enterprise budget for the current and ensuing fiscal year, and all the
4 data supporting such conclusions. The Public Utilities Commission has submitted to this
5 Board in support of said Schedule the data upon which it is based for the current fiscal year
6 (2000-2001) and the ensuing fiscal year (2001-2002).

7 Section 4. This Board of Supervisors hereby finds that said Schedule will provide
8 revenues adequate to fund the 2001-2002 departmental budget and will be sufficient to pay,
9 for the balance of the current year and for the ensuing fiscal year, expenses of every kind and
10 nature incidental to the operation and maintenance of the San Francisco water service
11 enterprise, together with the interest and sinking fund charges for any bonds issued for the
12 acquisition, construction or extension of the San Francisco water service enterprise, without
13 tax subsidy.

14 Section 5. The Certificate of Determination of Exemption/Exclusion From
15 Environmental Review on file in Board of Supervisors File No. 010872 states that
16 the adoption of the schedule, as stated herein, is exempt from environmental review
17 requirements in accordance with California Public Resources Code Section 21080(b)(8).
