ADMINISTRATIVE PROVISIONS

SECTION 3. General Authority.

The Controller is hereby authorized and directed to set up appropriate accounts for the items of receipts and expenditures appropriated herein.

SECTION 3.1 Two-Year Budget.

For departments for which the Board of Supervisors has authorized, or the Charter requires, a fixed two-year budget, appropriations in this ordinance shall be available for allotment by the Controller on July 1st of the fiscal year in which appropriations have been approved. The Controller is authorized to adjust the two-year budget to reflect transfers and substitutions consistent with City's policies and restrictions for such transfers. The Controller is further authorized to make adjustments to the second year budgets consistent with Citywide estimates for salaries, fringe benefits, and work orders.

SECTION 4. Interim Budget Provisions.

All funds for equipment and new capital improvements shall be held in reserve until final action by the Board of Supervisors. No new equipment or capital improvements shall be authorized during the interim period other than equipment or capital improvements that, in the discretion of the Controller, is reasonably required for the continued operation of existing programs or projects previously approved by the Board of Supervisors. Authorization for the purchase of such equipment may be approved by the Board of Supervisors.

During the period of the interim annual appropriation ordinance and interim annual salary ordinance, no transfer of funds within a department shall be permitted without approval of the Controller, Mayor's Budget Director and the Chair of the Budget and Finance Committee.

When the Budget and Finance Committee or Budget and Appropriations Committee reserves selected expenditure items pending receipt of additional information from departments, upon receipt of the required information to the satisfaction of that committee, the Controller may release the previously reserved funds with no further action required by the Board of Supervisors.

If the Budget and Finance Committee or Budget and Appropriations Committee recommends a budget that increases funding that was deleted in the Mayor's Budget, the Controller shall have the authority to continue to pay these expenses until final passage of the budget by the Board of Supervisors, and approval of the budget by the Mayor.

SECTION 4.1 Interim Budget – Positions.

No new position may be filled in the interim period with the exception of those positions which in the discretion of the Controller are critical for the operation of existing programs or for projects previously approved by the Board of Supervisors or are required for emergency operations or where such positions would result in a net increase in revenues or where such positions are required to comply with law. New positions shall be defined as those positions that are enumerated in the Mayor's budget for the current fiscal year but were not enumerated in the appropriation and salary ordinances for the prior fiscal year, as amended, through June 30 of the prior fiscal year. In the event the Mayor has

approved the reclassification of a position in the department's budget for the current fiscal year, the Controller shall process a temporary or "tx" requisition at the request of the department and subject to approval of the Human Resources Director. Such action will allow for the continued employment of the incumbent in his or her former position pending action by the Board of Supervisors on the proposed reclassifications.

If the Budget and Finance Committee or Budget and Appropriations Committee of the Board of Supervisors recommends a budget that reinstates positions that were deleted in the Mayor's Budget, the Controller and the Human Resources Director shall have the authority to continue to employ and pay the salaries of the reinstated positions until final passage of the budget by the Board of Supervisors, and approval of the budget by the Mayor.

SECTION 5. Transfers of Functions and Duties.

Where revenues for any fund or department are herein provided by transfer from any other fund or department, or where a duty or a performance has been transferred from one department to another, the Controller is authorized and directed to make the related transfer of funds, provided further, that where revenues for any fund or department are herein provided by transfer from any other fund or department in consideration of departmental services to be rendered, in no event shall such transfer of revenue be made in excess of the actual cost of such service.

Where a duty or performance has been transferred from one department to another or departmental reorganization is effected as provided in the Charter, in addition to any required transfer of funds, the Controller and Human Resources Director are authorized to make any personnel transfers or reassignments between the affected departments and appointing officers at a mutually convenient time, not to exceed 100 days from the effective date of the ordinance or Mayoral memorandum transferring the duty or function. The Controller, the Human Resources Director and Clerk of the Board of Supervisors, with assistance of the City Attorney, are hereby authorized and directed to make such changes as may be necessary to conform all applicable ordinances to reflect said reorganization, transfer of duty or performance between departments.

SECTION 5.1 Agencies Organized under One Department.

Where one or more offices or agencies are organized under a single appointing officer or department head, the component units may continue to be shown as separate agencies for budgeting and accounting purposes to facilitate reporting. However, the entity shall be considered a single department for purposes of employee assignment and seniority, position transfers, and transfers of monies among funds within the department, and reappropriation of funds.

SECTION 5.2 Continuing Funds Appropriated.

In addition to the amount provided from taxes, the Controller shall make available for expenditure the amount of actual receipts from special funds whose receipts are continuously appropriated as provided in the Municipal Codes.

SECTION 5.3 Multi-Year Revenues.

In connection with money received in one fiscal year for departmental services to be performed in a subsequent year, the Controller is authorized to establish an account for depositing revenues which are applicable to the ensuing fiscal year, said revenue shall be carried forward and become a part of the funds available for appropriation in said ensuing fiscal year.

SECTION 5.4 Contracting Funds.

All money received in connection with contracts under which a portion of the moneys received is to be paid to the contractors and the remainder of the moneys received inures to the City and County shall be deposited in the Treasury.

(a) That portion of the money received that under the terms of the contract inures to the City and County shall be deposited to the credit of the appropriate fund.

(b) That portion of the money received that under the terms of the contracts is to be paid to the contractor shall be deposited in special accounts and is hereby appropriated for said purposes.

SECTION 5.5 Real Estate Services.

Rents received from properties acquired or held in trust for specific purposes are hereby appropriated to the extent necessary for maintenance of said properties, including services of the General Services Agency.

Moneys received from lessees, tenants or operators of City-owned property for the specific purpose of real estate services relative to such leases or operating agreements are hereby appropriated to the extent necessary to provide such services.

SECTION 5.6 Collection Services.

In any contracts for the collection of unpaid bills for services rendered to clients, patients or both by the Department of Public Health in which said unpaid bills have not become delinquent pursuant to Article V of Chapter 10 of the Administrative Code, the Controller is hereby authorized to adjust the estimated revenues and expenditures of the various divisions and institutions of the Department of Public Health to record such recoveries. Any percentage of the amounts, not to exceed 25 percent, recovered from such unpaid bills by a contractor is hereby appropriated to pay the costs of said contract. The Controller is authorized and is hereby directed to establish appropriate accounts to record total collections and contract payments relating to such unpaid bills.

SECTION 5.7 Contract Amounts Based on Savings.

When the terms of a contract provide for payment amounts to be determined by a percentage of cost savings or previously unrecognized revenues, such amounts as are actually realized from either said cost savings or unrecognized revenues are hereby appropriated to the extent necessary to pay contract amounts due. The Controller is authorized and is hereby directed to establish appropriate accounts to record such transactions.

SECTION 5.8 Collection and Legal Services.

In any contracts between the City Attorney's Office and outside counsel for legal services in connection with the prosecution of actions filed on behalf of the City or for assistance in the prosecution of actions that the City Attorney files in the name of the People, where the fee to outside counsel is contingent on the recovery of a judgment or other monies by the City through such action, the Controller is hereby authorized to adjust the estimated revenues and expenditures of the City Attorney's Office to record such recoveries. A percentage of such recoveries, not to exceed 25 percent plus the amount of any out-of-pocket costs the Controller determines were actually incurred to prosecute such action, is hereby appropriated from the amount of such recoveries to pay the contingent fee due to such outside counsel under said contract and any costs incurred by the City or outside counsel in prosecuting the action. The Controller is authorized and hereby directed to establish appropriate accounts to record total collections and contingent fee and cost payments relating to such actions. The City Attorney as verified by the Controller shall report to the Board of Supervisors annually on the collections and costs incurred under this provision, including the case name, amount of judgment, the fund which the judgment was deposited, and the total cost of and funding source for the legal action.

SECTION 6. Bond Interest and Redemption.

In the event that estimated receipts from other than utility revenues, but including amounts from ad-valorem taxes, shall exceed the actual requirements for bond interest and redemption, said excess shall be transferred to a General Bond Interest and Redemption Reserve account. The Bond Interest and Redemption Reserve is hereby appropriated to meet debt service requirements including printing of bonds, cost of bond rating services and the legal opinions approving the validity of bonds authorized to be sold not otherwise provided for herein.

Issuance, legal and financial advisory service costs, including the reimbursement of departmental services in connection therewith, for debt instruments issued by the City and County, to the extent approved by the Board of Supervisors in authorizing the debt, may be paid from the proceeds of such debt and are hereby appropriated for said purposes.

SECTION 7. Allotment Controls.

Since several items of expenditures herein appropriated are based on estimated receipts, income or revenues which may not be fully realized, it shall be incumbent upon the Controller to establish a schedule of allotments, of such duration as the Controller may determine, under which the sums appropriated to the several departments shall be expended. The Controller shall revise such revenue estimates periodically. If such revised estimates indicate a shortage, the Controller shall hold in reserve an equivalent amount of the corresponding expenditure appropriations set forth herein until the collection of the amounts as originally estimated is assured, and in all cases where it is provided by the Charter that a specified or minimum tax shall be levied for any department the amount of appropriation herein provided derived from taxes shall not exceed the amount actually produced by the levy made for such department.

The Controller in issuing payments or in certifying contracts, purchase orders or other encumbrances pursuant to Section 3.105 of the Charter, shall consider only the allotted portions of appropriation items to be available for encumbrance or expenditure and shall not approve the incurring of liability under any allotment in excess of the amount of such allotment. In case of emergency or unusual circumstances which could not be anticipated at the time of allotment, an additional allotment for a period may be made on the recommendation of the department head and the approval of the Controller. After the allotment schedule has been established or fixed, as heretofore provided, it shall be unlawful for any department or officer to expend or cause to be expended a sum greater than the amount set forth for the particular activity in the allotment schedule so established, unless an additional allotment is made, as herein provided.

Allotments, liabilities incurred and expenditures made under expenditure appropriations herein enumerated shall in no case exceed the amount of each such appropriation, unless the same shall have been increased by transfers or supplemental appropriations made in the manner provided by Section 9.105 of the Charter.

SECTION 7.1 Prior Year Encumbrances.

The Controller is hereby authorized to establish reserves for the purpose of providing funds for adjustments in connection with liquidation of encumbrances and other obligations of prior years.

SECTION 7.2 Equipment Purchases.

Funds for the purchase of items of equipment having a significant value of over \$20,000 and a useful life of three years and over shall only be purchased from appropriations specifically provided for equipment or lease-purchased equipment, including equipment from capital projects. Departments may purchase additional or replacement equipment from previous equipment or lease-purchase appropriations, or from citywide equipment and other non-salary appropriations, with approval of the Mayor's Office and the Controller.

Where appropriations are made herein for the purpose of replacing automotive and other equipment, the equipment replaced shall be surrendered to the General Services Agency and shall be withdrawn from service on or before delivery to departments of the new automotive equipment. When the replaced equipment is sold, in lieu of being traded-in, the proceeds shall be deposited to a revenue account of the related fund. Provided, however, that so much of said proceeds as may be required to affect the purchase of the new equipment is hereby appropriated for the purpose. Funds herein appropriated for automotive equipment shall not be used to buy a replacement of any automobile superior in class to the one being replaced unless it has been specifically authorized by the Board of Supervisors in the making of the original appropriation.

Appropriations of equipment from current funds shall be construed to be annual appropriations and unencumbered balances shall lapse at the close of the fiscal year.

SECTION 7.3 Enterprise Deficits.

Funds appropriated herein to meet estimated enterprise deficits shall be made available to each such enterprise only to the extent that an actual deficit shall exist and not to exceed the amount herein provided. Any amount not required for the purpose of meeting an enterprise fund deficit shall be transferred back to the General Fund at the end of each fiscal year unless otherwise appropriated by ordinance.

SECTION 7.4 Public Utilities Commission Debt Service.

The San Francisco Public Utilities Commission shall, in coordination with the Controller's Office, record and report the use of debt service appropriations in their respective debt service funds consistent with the Schedule of Bond Redemption and Interest Statement included herein and as required pursuant to Governmental Accounting Standards Board (GASB) and Generally Accepted Accounting Principles (GAAP) accounting rules, requirements and practices. The Controller is hereby authorized to make all associated net-zero appropriation transfers to ensure compliant financial reporting.

SECTION 8. Expenditure Estimates.

Where appropriations are made for specific projects or purposes which may involve the payment of salaries or wages, the head of the department to which such appropriations are made, or the head of the department authorized by contract or interdepartmental order to make expenditures from each such appropriation, shall file with the Controller, when requested, an estimate of the amount of any such expenditures to be made during the ensuing period.

SECTION 8.1 State and Federal Funds.

The Controller is authorized to increase Federal and State funds that may be claimed due to new General Fund expenditures appropriated by the Board of Supervisors. The Human Resources Director is authorized to add civil service positions required to implement the programs authorized by these funds. The Controller and the Human Resources Director shall report to the Board of Supervisors any actions taken under this authorization before the Board acts on the Annual Appropriation and Annual Salary Ordinances.

SECTION 8.2 State and Federal Funding Restorations.

If additional State or Federal funds are allocated to the City and County of San Francisco to backfill State reductions, the Controller shall backfill any funds appropriated to any program to the General Reserve.

SECTION 8.3 Process for Addressing General Fund Revenue Shortfalls

Upon receiving Controller estimates of revenue shortfalls that exceed the value of the General Reserve and any other allowances for revenue shortfalls in the adopted City budget, the Mayor shall inform the Board of Supervisors of actions to address this shortfall. The Board of Supervisors may adopt an ordinance to reflect the Mayor's proposal or alternative proposals in order to balance the budget.

SECTION 9. Interdepartmental Services.

The Controller is hereby authorized and directed to prescribe the method to be used in making payments for interdepartmental services in accordance with the provisions of

Section 3.105 of the Charter, and to provide for the establishment of interdepartmental reserves which may be required to pay for future obligations which result from current performances. Whenever in the judgment of the Controller, the amounts which have been set aside for such purposes are no longer required or are in excess of the amount which is then currently estimated to be required, the Controller shall transfer the amount no longer required to the fund balance of the particular fund of which the reserve is a part. Provided further that no expenditure shall be made for personnel services, rent, equipment and capital outlay purposes from any interdepartmental reserve or work order fund without specific appropriation by the Board of Supervisors.

The amount detailed in departmental budgets for services of other City departments cannot be transferred to other spending categories without prior agreement from both the requesting and performing departments.

The Controller, pursuant to the provisions of Charter Section 3.105, shall review and may adjust charges or fees for services that may be authorized by the Board of Supervisors for the administration of the Technology Marketplace. Such fees are hereby appropriated for that purpose.

SECTION 10. Positions in the City Service.

Department heads shall not make appointments to any office or position until the Controller shall certify that funds are available.

Funds provided herein for salaries or wages may, with the approval of the Controller, be used to provide for temporary employment when it becomes necessary to replace the occupant of a position while on extended leave without pay, or for the temporary filling of a vacancy in a budgeted position. The Controller is authorized to approve the use of existing salary appropriations within departments to fund permanent appointments of up to six months to backfill anticipated vacancies to ensure implementation of successful succession plans and to facilitate the transfer of mission critical knowledge. The Controller shall provide a report to the Board of Supervisors every six months enumerating permanent positions created under this authority.

Appointments to seasonal or temporary positions shall not exceed the term for which the Controller has certified the availability of funds.

The Controller shall be immediately notified of a vacancy occurring in any position.

SECTION 10.1 Positions, Funds, and Transfers for Specific Purposes.

Funds for personnel services may be transferred from any legally available source on the recommendation of the department head and approval by the City Administrator, Board or Commission, for departments under their respective jurisdiction, and on authorization of the Controller with the prior approval of the Human Resources Director for:

(a) Lump sum payments to officers, employees, police officers and fire fighters other than elective officers and members of boards and commissions upon death or retirement

or separation caused by industrial accident for accumulated sick leave benefits in accordance with Civil Service Commission rules.

(b) Payment of the supervisory differential adjustment, out of class pay or other negotiated premium to employees who qualify for such adjustment provided that the transfer of funds must be made from funds currently available in departmental personnel service appropriations.

(c) Payment of any legal salary or fringe benefit obligations of the City and County including amounts required to fund arbitration awards.

(d) The Controller is hereby authorized to adjust salary appropriations for positions administratively reclassified or temporarily exchanged by the Human Resources Director provided that the reclassified position and the former position are in the same functional area.

(e) Positions may be substituted or exchanged between the various salary appropriations or position classifications when approved by the Human Resources Director as long as said transfers do not increase total departmental personnel service appropriations.

(f) The Controller is hereby authorized and directed upon the request of a department head and the approval by the Mayor's Office to transfer from any legally available funds amounts needed to fund legally mandated salaries, fringe benefits and other costs of City employees. Such funds are hereby appropriated for the purpose set forth herein.

(g) The Controller is hereby authorized to transfer any legally available funds to adjust salary and fringe benefit appropriations as required under reclassifications recommended by the Human Resources Director and approved by the Board of Supervisors in implementing the Management Compensation and Classification Plan.

Amounts transferred shall not exceed the actual amount required including the cost to the City and County of mandatory fringe benefits.

(h) Pursuant to California Labor Code Section 4850.4, the Controller is authorized to make advance payments from departments' salary accounts to employees participating in CalPERS who apply for disability retirement. Repayment of these advanced disability retirement payments from CalPERS and from employees are hereby appropriated to the departments' salary account.

(i) For purposes of defining terms in Administrative Code Section 3.18, the Controller is authorized to process transfers where such transfers are required to administer the budget through the following certification process: In cases where expenditures are reduced at the level of appropriation control during the Board of Supervisors phase of the budget process, the Chair of the Budget and Finance Committee, on recommendation of the Controller, may certify that such a reduction does not reflect a deliberate policy

reduction adopted by the Board. The Mayor's Budget Director may similarly provide such a certification regarding reductions during the Mayor's phase of the budget process.

SECTION 10.2 Professional Services Contracts.

Funds appropriated for professional service contracts may be transferred to the account for salaries on the recommendation of the department head for the specific purpose of using City personnel in lieu of private contractors with the approval of the Human Resources Director and the Mayor and the certification by the Controller that such transfer of funds would not increase the cost of government.

SECTION 10.3 Surety Bond Fund Administration.

The Controller is hereby authorized to allocate funds from capital project appropriations to the San Francisco Self-Insurance Surety Bond Fund, as governed by Administrative Code Section 10.100-317 and in accordance with amounts determined pursuant to Administrative Code Section 14B.16.

SECTION 10.4 Salary Adjustments, Memoranda of Understanding (MOUs).

The Controller is authorized and directed to transfer from the Salary and Benefits Reserve, or any legally available funds, amounts necessary to adjust appropriations for salaries and related mandatory fringe benefits of employees whose compensation is pursuant to Charter Sections A8.403 (Registered Nurses), A8.404 (Transit Operators), A8.409 (Miscellaneous Employees), A8.405 and A8.590-1 through A8.590-5 (Police and Firefighters), revisions to State Law, and/or collective bargaining agreements adopted pursuant to the Charter or arbitration award. The Controller and Human Resources Director are further authorized and directed to adjust the rates of compensation to reflect current pay rates for any positions affected by the foregoing provisions.

Adjustments made pursuant to this section shall reflect only the percentage increase required to adjust appropriations to reflect revised salary and other pay requirements above the funding level established in the base and adopted budget of the respective departments.

The Controller is authorized and directed to transfer from reserves or any legally available funds amounts necessary to provide costs of non-salary benefits in ratified Memoranda of Understanding or arbitration awards or Board of Supervisors approved employee and retiree health and dental rates. The Controller's Office shall report to the Budget and Finance Committee or Budget and Appropriations Committee on the status of the Salary and Benefits Reserve, including amounts transferred to individual City departments and remaining Reserve balances, as part of the Controller's Six and Nine Month Budget Status Reports.

SECTION 10.5 MOUs to be Reflected in Department Budgets.

Should the City and County adopt an MOU with a recognized employee bargaining organization during the fiscal year which has fiscal effects, the Controller is authorized and directed to reflect the budgetary impact of said MOU in departmental appropriations by transferring amounts to or from the Salary and Benefits Reserve, or, for self-supporting

or restricted funds, to or from the respective unappropriated fund balance account. All amounts transferred pursuant to this section are hereby appropriated for the purpose.

SECTION 10.6 Funding Memoranda of Understanding (MOUs).

Whenever the Board of Supervisors has ratified by ordinance or resolution Memoranda of Understanding with recognized employee organizations or an arbitration award has become effective, and said memoranda or award contains provisions requiring the expenditure of funds, the Controller, on the recommendation of the Human Resources Director, shall reserve sufficient funds to comply with such provisions and such funds are hereby appropriated for such purposes. The Controller is hereby authorized to make such transfers from funds hereby reserved or legally available as may be required to make funds available to departments to carry out the purposes required by the Memoranda of Understanding or arbitration award.

SECTION 10.7 Fringe Benefit Rate Adjustments.

Appropriations herein made for fringe benefits may be adjusted by the Controller to reflect revised amounts required to support adopted or required contribution rates. The Controller is authorized and is hereby directed to transfer between departmental appropriations and the General Reserve or other unappropriated balance of funds any amounts resulting from adopted or required contribution rates and such amounts are hereby appropriated to said accounts.

When the Controller determines that prepayment of the employer share of pension contributions is likely to be fiscally advantageous, the Controller is authorized to adjust appropriations and transfers in order to make and reconcile such prepayments.

SECTION 10.8 Police Department Uniformed Positions.

Positions in the Police Department for each of the various ranks that are filled based on the educational attainment of individual officers may be filled interchangeably at any level within the rank (e.g., Patrol Officer Q2, Q3 or Q4, Sergeant Q50, Q51, Q52). The Controller and Human Resources Director are hereby authorized to adjust payrolls, salary ordinances and other documents, where necessary, to reflect the current status of individual employees; provided however, that nothing in this section shall authorize an increase in the total number of positions allocated to any one rank or to the Police Department.

SECTION 10.9 Holidays, Special Provisions.

Whenever any day is declared to be a holiday by proclamation of the Mayor after such day has heretofore been declared a holiday by the Governor of the State of California or the President of the United States, the Controller, with the approval of the Mayor's Office, is hereby authorized to make such transfer of funds not to exceed the actual cost of said holiday from any legally available funds.

SECTION 10.10 Litigation Reserve, Payments.

The Controller is authorized and directed to transfer from the Reserve for Litigation Account for General Fund supported departments or from any other legally available funds for other funds, amounts required to make payments required to settle litigation

against the City and County of San Francisco that has been recommended by the City Attorney and approved by the Board of Supervisors in the manner provided in the Charter. Such funds are hereby appropriated for the purposes set forth herein.

Amounts required to pay settlements of claims or litigation involving the Public Utilities Commission are hereby appropriated from the Public Utilities Commission Wastewater Enterprise fund balance or the Public Utilities Commission Water Enterprise fund balance, as appropriate, for the purpose of paying such settlements following final approval of those settlements by resolution or ordinance.

SECTION 10.11 Changes in Health Services Eligibility.

Should the Board of Supervisors amend Administrative Code Section 16.700 to change the eligibility in the City's Health Service System, the Controller is authorized and directed to transfer from any legally available funds or the Salary and Fringe Reserve for the amount necessary to provide health benefit coverage not already reflected in the departmental budgets.

Section 10.12 Workers' Compensation Alternative Dispute Resolution Program

Resolutions 85-19 and 86-19 authorized the Department of Human Resources to enter Workers' Compensation Alternative Dispute Resolution (ADR) Labor-Management Agreements with the San Francisco Firefighters' Association, Local 798, and San Francisco Police Officers Association, respectively. These Agreements require the City to allocate an amount equal to 50% of the ADR program estimated net savings, as determined by actuarial report, for the benefit of active employees. The Controller is authorized and directed to transfer from any legally available funds the amount necessary to make the required allocations. This provision will terminate if the parties agree to terminate the Agreements.

SECTION 11. Funds Received for Special Purposes, Trust Funds.

The Controller is hereby authorized and directed to continue the existing special and trust funds, revolving funds, and reserves and the receipts in and expenditures from each such fund are hereby appropriated in accordance with law and the conditions under which each such fund was established.

The Controller is hereby authorized and directed to set up additional special and trust funds and reserves as may be created either by additional grants and bequests or under other conditions, and the receipts in each fund are hereby appropriated in accordance with law for the purposes and subject to the conditions under which each such fund was established.

SECTION 11.1 Special and Trust Funds Appropriated.

Whenever the City and County of San Francisco shall receive for a special purpose from the United States of America, the State of California, or from any public or semi-public agency, or from any private person, firm or corporation, any moneys, or property to be converted into money, the Controller shall establish a special fund or account evidencing the said moneys so received and specifying the special purposes for which they have

been received and for which they are held, which said account or fund shall be maintained by the Controller as long as any portion of said moneys or property remains.

Recurring grant funds which are detailed in departmental budget submissions and approved by the Mayor and Board of Supervisors in the annual budget shall be deemed to have met the requirements of Administrative Code Section 10.170 for the approval to apply for, receive and expend said funds and shall be construed to be funds received for a specific purpose as set forth in this section. Positions specifically approved by granting agencies in said grant awards may be filled as though said positions were included in the annual budget and Annual Salary Ordinance, provided however that the tenure of such positions shall be contingent on the continued receipt of said grant funds. Individual grants may be adjusted by the Controller to reflect actual awards made if granting agencies increase or decrease the grant award amounts estimated in budget submissions.

The expenditures necessary from said funds or said accounts as created herein, in order to carry out the purpose for which said moneys or orders have been received or for which said accounts are being maintained, shall be approved by the Controller and said expenditures are hereby appropriated in accordance with the terms and conditions under which said moneys or orders have been received by the City and County of San Francisco, and in accordance with the conditions under which said funds are maintained.

The Controller is authorized to adjust transfers to the San Francisco Capital Planning Fund, established by Administrative Code Section 10.100-286, to account for final capital project planning expenditures reimbursed from approved sale of bonds and other long term financing instruments.

SECTION 11.2 Insurance Recoveries.

Any moneys received by the City and County of San Francisco pursuant to the terms and conditions of any insurance policy are hereby appropriated and made available to the general city or specific departments for associated costs or claims.

SECTION 11.3 Bond Premiums.

Premiums received from the sale of bonds are hereby appropriated for bond interest and redemption purposes of the issue upon which it was received.

SECTION 11.4 Ballot Arguments.

Receipts in and expenditures for payment for the printing of ballot arguments, are hereby appropriated in accordance with law and the conditions under which this appropriation is established.

SECTION 11.5 Tenant Overtime.

Whenever employees of departments are required to work overtime on account of services required by renters, lessees or tenants of City-owned or occupied properties, or recipients of services from City departments, the cost of such overtime employment shall be collected by the departments from the requesters of said services and shall be

deposited with the Treasurer to the credit of departmental appropriations. All moneys deposited therein are hereby appropriated for such purpose.

SECTION 11.6 Refunds.

The Controller is hereby authorized and directed to set up appropriations for refunding amounts deposited in the Treasury in excess of amounts due, and the receipts and expenditures from each are hereby appropriated in accordance with law. Whereby State statute, local ordinance or court order, interest is payable on amounts to be refunded, in the absence of appropriation therefore, such interest is herewith appropriated from the unappropriated interest fund or interest earnings of the fund involved. The Controller is authorized, and funds are hereby appropriated, to refund overpayments and any mandated interest or penalties from State, Federal and local agencies when audits or other financial analyses determine that the City has received payments in excess of amounts due.

SECTION 11.7 Arbitrage.

The Controller is hereby authorized and directed to refund excess interest earnings on bond proceeds (arbitrage) when such amounts have been determined to be due and payable under applicable Internal Revenue Service regulations. Such arbitrage refunds shall be charged in the various bond funds in which the arbitrage earnings were recorded and such funds are hereby appropriated for the purpose.

SECTION 11.8 Damage Recoveries.

Moneys received as payment for damage to City-owned property and equipment are hereby appropriated to the department concerned to pay the cost of repairing such equipment or property. Moneys received as payment for liquidated damages in a City-funded project are appropriated to the department incurring costs of repairing or abating the damages. Any excess funds, and any amount received for damaged property or equipment which is not to be repaired shall be credited to a related fund.

SECTION 11.9 Purchasing Damage Recoveries.

That portion of funds received pursuant to the provisions of Administrative Code Section 21.33 - failure to deliver article contracted for - as may be needed to affect the required procurement are hereby appropriated for that purpose and the balance, if any, shall be credited the related fund.

SECTION 11.10 Off-Street Parking Guarantees.

Whenever the Board of Supervisors has authorized the execution of agreements with corporations for the construction of off-street parking and other facilities under which the City and County of San Francisco guarantees the payment of the corporations' debt service or other payments for operation of the facility, it shall be incumbent upon the Controller to reserve from parking meter or other designated revenues sufficient funds to provide for such guarantees. The Controller is hereby authorized to make payments as previously guaranteed to the extent necessary and the reserves approved in each Annual Appropriation Ordinance are hereby appropriated for the purpose. The Controller shall notify the Board of Supervisors annually of any payments made pursuant to this Section.

SECTION 11.11 Hotel Tax – Special Situations.

The Controller is hereby authorized and directed to make such interfund transfers or other adjustments as may be necessary to conform budget allocations to the requirements of the agreements and indentures of the 1994 Lease Revenue and/or San Francisco Redevelopment Agency Hotel Tax Revenue Bond issues.

SECTION 11.12 Local Transportation Agency Fund.

Local transportation funds are hereby appropriated pursuant to the Government Code.

SECTION 11.13 Insurance.

The Controller is hereby authorized to transfer to the Risk Manager any amounts indicated in the budget estimate and appropriated hereby for the purchase of insurance or the payment of insurance premiums.

SECTION 11.14 Grants to Departments of Disability and Aging Services, Child Support Services, Homelessness and Supportive Housing, and Children, Youth and their Families

The Department of Disability and Aging Services and the Department of Child Support Services are authorized to receive and expend available federal and state contributions and grant awards for their target populations. The Controller is hereby authorized and directed to make the appropriate entries to reflect the receipt and expenditure of said grant award funds and contributions. The Department of Homelessness and Supportive Housing is authorized to apply surpluses among subgrants within master HUD grants to shortfalls in other subgrants. The Department of Children, Youth and Their Families is authorized to receive and expend funds in instances where funds from grants appropriated herein are not fixed and exceed the estimates contained in the budget.

SECTION 11.15 FEMA, OES, Other Reimbursements.

Whenever the City and County recovers funds from any federal or state agency as reimbursement for the cost of damages resulting from earthquakes and other disasters for which the Mayor has declared a state of emergency, such funds are hereby appropriated for the purpose. The Controller is authorized to transfer such funds to the credit of the departmental appropriation which initially incurred the cost, or, if the fiscal year in which the expenses were charged has ended, to the credit of the fund which incurred the expenses. Revenues received from other governments as reimbursement for mutual aid provided by City departments are hereby appropriated for services provided.

Whenever the City and County is required to designate agents authorized to obtain state and federal disaster and emergency assistance funding, the Mayor and Board of Supervisors designate the Executive Director of the Department of Emergency Management, the Controller, and the Deputy Controller to be the agents authorized to execute agreements for and on behalf of the City and County of San Francisco, for disaster and emergency assistance funding from State and Federal agencies, for all open and future disasters.

SECTION 11.16 Interest on Grant Funds.

Whenever the City and County earns interest on funds received from the State of California or the federal government and said interest is specifically required to be expended for the purpose for which the funds have been received, said interest is hereby appropriated in accordance with the terms under which the principal is received and appropriated.

SECTION 11.17 Treasurer – Banking Agreements.

Whenever the Treasurer finds that it is in the best interest of the City and County to use either a compensating balance or fee for service agreement to secure banking services that benefit all participants of the pool, any funds necessary to be paid for such agreement are to be charged against interest earnings and such funds are hereby appropriated for the purpose.

The Treasurer may offset banking charges that benefit all participants of the investment pool against interest earned by the pool. The Treasurer shall allocate other bank charges and credit card processing to departments or pool participants that benefit from those services. The Controller may transfer funds appropriated in the budget to General Fund departments as necessary to support allocated charges.

SECTION 11.18 City Buildings–Acquisition with Certificates of Participation (COPs).

Receipts in and expenditures from accounts set up for the acquisition and operation of City-owned buildings including, but not limited to 25 Van Ness Avenue and 1660 Mission Street, are hereby appropriated for the purposes set forth in the various bond indentures through which said properties were acquired.

SECTION 11.19 Generally Accepted Principles of Financial Statement Presentation.

The Controller is hereby authorized to make adjustments to departmental budgets as part of the year-end closing process to conform amounts to the Charter provisions and generally accepted principles of financial statement presentation, and to implement new accounting standards issued by the Governmental Accounting Standards Board and other changes in generally accepted accounting principles.

SECTION 11.20 Fund Balance Reporting and Government Fund Type Definitions.

The Controller is authorized to establish or adjust fund type definitions for restricted, committed or assigned revenues and expenditures, in accordance with the requirements of Governmental Accounting Standards Board Statement 54. These changes will be designed to enhance the usefulness of fund balance information by providing clearer fund balance classifications that can be more consistently applied and by clarifying the existing governmental fund type definitions. Reclassification of funds shall be reviewed by the City's outside auditors during their audit of the City's financial statements.

SECTION 11.21 State Local Public Safety Fund.

Amounts received from the State Local Public Safety Fund (Sales Taxes) for deposit to the Public Safety Augmentation Fund shall be transferred to the General Fund for use in meeting eligible costs of public safety as provided by State law and said funds are appropriated for said purposes.

Said funds shall be allocated to support public safety department budgets, but not specific appropriation accounts, and shall be deemed to be expended at a rate of 75% of eligible departmental expenditures up to the full amount received. The Controller is hereby directed to establish procedures to comply with state reporting requirements.

SECTION 11.22 Health Care Security Ordinance Agency Fund.

Irrevocable health care expenditures made to the City by employers on behalf of their employees pursuant to the provisions of Administrative Code Chapter 14, the San Francisco Health Care Security Ordinance are maintained in the Health Care Security Ordinance Fund, an agency fund maintained by the City for the benefit of City Option account holders. Interest earnings in the fund are hereby appropriated for the administrative costs incurred to manage participant accounts.

SECTION 11.23 Affordable Housing Loan Repayments and Interest Earnings.

Loan repayments, proceeds of property sales in cases of defaulted loans, and interest earnings in special revenue funds designated for affordable housing are hereby appropriated for affordable housing program expenditures, including payments from loans made by the former San Francisco Redevelopment Agency and transferred to the Mayor's Office of Housing and Community Development, the designated the housing successor agency. Expenditures shall be subject to the conditions under which each such fund was established.

SECTION 11.24 Development Agreement Implementation Costs.

The Controller is hereby authorized to appropriate reimbursements of City costs incurred to implement development agreements approved by the Board of Supervisors, including but not limited to City staff time, consultant services and associated overhead costs to conduct plan review, inspection, and contract monitoring, and to draft, negotiate, and administer such agreements. This provision does not apply to development impact fees or other payments approved in a development agreement, which shall be appropriated by the Board of Supervisors.

SECTION 11.25 Housing Trust Fund.

The Controller is hereby authorized to adjust appropriations as necessary to implement the movement of Housing Trust Fund revenues and expenditures from the General Fund to a special revenue fund.

The Controller shall account for appropriation of \$17,600,000 for eligible affordable housing projects in fiscal year 2021-22 as an advance of future year Housing Trust Fund allocations, and shall credit such advance against required appropriations to that fund for a period of five years, beginning in fiscal year 2023-24, in an annual amount of \$3,520,000.

SECTION 12. Special Situations.

SECTION 12.1 Revolving Funds.

Surplus funds remaining in departmental appropriations may be transferred to fund increases in revolving funds up to the amount authorized by the Board of Supervisors if said Board, by ordinance, has authorized an increase in said revolving fund amounts.

SECTION 12.2 Interest Allocations.

Interest shall not be allocated to any special, enterprise, or trust fund or account unless said allocation is required by Charter, state law or specific provision in the legislation that created said fund. Any interest earnings not allocated to special, enterprise or trust funds or accounts shall be credited, by the Controller, to General Fund Unallocated Revenues.

SECTION 12.3 Property Tax.

Consistent with the State Teeter Plan requirements, the Board of Supervisors elects to continue the alternative method of distribution of tax levies and collections in accordance with Revenue and Taxation Code Section 4701. The Board of Supervisors directs the Controller to maintain the Teeter Tax Losses Reserve Fund at an amount not less than 1% of the total of all taxes and assessments levied on the secured roll for that year for participating entities in the county as provided by Revenue and Taxation Code Section 4703. The Board of Supervisors authorizes the Controller to make timely property tax distributions to the Office of Community Investment and Infrastructure, the Treasure Island Development Authority, and City and County of San Francisco Infrastructure Financing Districts as approved by the Board of Supervisors through the budget, through development pass-through contracts, through tax increment allocation pledge agreements and ordinances, and as mandated by State law.

The Controller is authorized to adjust the budget to conform to assumptions in final approved property tax rates and to make debt service payments for approved general obligation bonds accordingly.

The Controller is authorized and directed to recover costs from the levy, collection and administration of property taxes. The tax rate for the City's General Obligation Bond Fund, approved annually by resolution of the Board of Supervisors, includes a collection fee of 0.25% of the fund collected for the purpose of the General Obligation Bond debt service. An amount sufficient to pay this fee is hereby appropriated within the General Obligation Bond Fund and the Controller is hereby authorized to pay this fee into the General Fund from the General Obligation Bond Fund.

SECTION 12.4 New Project Reserves.

Where this Board has set aside a portion of the General Reserve for a new project or program approved by a supplemental appropriation, any funds not required for the approved supplemental appropriation shall be returned to the General Fund General Reserve by the Controller.

SECTION 12.5 Aid Payments.

Aid paid from funds herein provided and refunded during the fiscal year hereof shall be credited to, and made available in, the appropriation from which said aid was provided.

SECTION 12.6 Department of Public Health Transfer Payments, Indigent Health Revenues, and Realignment Funding to Offset for Low Income Health Programs.

To more accurately reflect the total net budget of the Department of Public Health, this ordinance shows net revenues received from certain State and Federal health programs. Funds necessary to participate in such programs that require transfer payments are hereby appropriated. The Controller is authorized to defer surplus transfer payments, indigent health revenues, and Realignment funding to offset future reductions or audit adjustments associated with funding allocations for health services for low income individuals.

SECTION 12.7 Municipal Transportation Agency.

Consistent with the provisions of Proposition E and Proposition A creating the Municipal Transportation Agency and including the Parking and Traffic function as a part of the Municipal Transportation Agency, the Controller is authorized to make such transfers and reclassification of accounts necessary to properly reflect the provision of central services to the Municipal Transportation Agency in the books and accounts of the City. No change can increase or decrease the overall level of the City's budget.

SECTION 12.8 Treasure Island Authority.

Should the Treasure Island property be conveyed and deed transferred from the Federal Government, the Controller is hereby authorized to make budgetary adjustments necessary to ensure that there is no General Fund impact from this conveyance, and that expenditures of special assessment revenues conform to governmental accounting standards and requirements of the special assessment as adopted by voters and approved by the Board of Supervisors.

SECTION 12.9 Hetch Hetchy Power Stabilization Fund.

Hetch Hetchy has entered into a long-term agreement to purchase a fixed amount of power. Any excess power from this contract will be sold back to the power market.

To limit Hetch Hetchy's risk from adverse market conditions in the future years of the contract, the Controller is authorized to establish a power stabilization account that reserves any excess revenues from power sales in the early years of the contract. These funds may be used to offset potential losses in the later years of the contract. The balance in this fund may be reviewed and adjusted annually.

The power purchase amount reflected in the Public Utility Commission's expenditure budget is the net amount of the cost of power purchased for Hetch Hetchy use. Power purchase appropriations may be increased by the Controller to reflect the pass through costs of power purchased for resale under long-term fixed contracts previously approved by the Board of Supervisors.

SECTION 12.10 Closure of Special Funds, Projects, and Accounts

In accordance with Administrative Code Section 10.100-1(d), if there has been no expenditure activity for the past two fiscal years, a special fund or project can be closed and repealed. The Controller is hereby authorized and directed to reconcile and balance funds, projects and accounts, and to close completed projects. The Controller is directed

to create a clearing account for the purpose of balancing surpluses and deficits in such funds, projects and accounts, and funding administrative costs incurred to perform such reconciliations.

This budget ordinance appropriates fund balance from active project closeouts in continuing funds in the General Fund and a number of special revenue and enterprise funds. The Controller is directed to deappropriate projects to realize the fund balance used as a source in the adopted budget.

SECTION 12.11 Charter-Mandated Baseline Appropriations.

The Controller is authorized to increase or reduce budgetary appropriations as required by the Charter for baseline allocations to align allocations to the amounts required by formula based on actual revenues received during the fiscal year. Departments must obtain Board of Supervisors' approval prior to any expenditure supported by increasing baseline allocations as required under the Charter and the Municipal Code.

SECTION 12.12 Parking Tax Allocation.

The Controller is authorized to increase or decrease final budgetary allocation of parking tax in-lieu transfers to reflect actual collections to the Municipal Transportation Agency. The Municipal Transportation Agency must obtain Board of Supervisors' approval prior to any expenditure supported by allocations that accrue to the Agency that are greater than those already appropriated in the Annual Appropriation Ordinance.

SECTION 12.13 Former Redevelopment Agency Funds.

Pursuant to Board of Supervisors Ordinance 215-12, the Successor Agency to the San Francisco Redevelopment Agency (also known as the Office of Community Investment and Infrastructure, or OCII) is a separate legal entity from the City and its budget is subject to separate approval by resolution of the Board of Supervisors. The Controller is authorized to transfer funds and appropriation authority between and within accounts related to former San Francisco Redevelopment Agency (SFRA) fund balances to serve the accounting requirements of the OCII, the Port, the Mayor's Office of Housing and the City Administrator's office and to comply with State requirements and applicable bond covenants.

The Purchaser is authorized to allow the OCII and departments to follow applicable contracting and purchasing procedures of the former SFRA and waive inconsistent provisions of the San Francisco Administrative Code when managing contracts and purchasing transactions related to programs formerly administered by the SFRA.

If during the course of the budget period, the OCII requests departments to provide additional services beyond budgeted amounts and the Controller determines that the Successor Agency has sufficient additional funds available to reimburse departments for such additional services, the departmental expenditure authority to provide such services is hereby appropriated.

When 100% of property tax increment revenues for a redevelopment project area are pledged based on an agreement that constitutes an enforceable obligation, the Controller

will increase or decrease appropriations to match actual revenues realized for the project area.

The Mayor's Office of Housing and Community Development is authorized to act as the fiscal agent for the Public Initiatives Development Corporation (PIDC) and receive and disburse PIDC funds as authorized by the PIDC bylaws and the PIDC Board of Directors.

SECTION 12.14 CleanPowerSF.

CleanPowerSF customer payments and all other associated revenues deposited in the CleanPowerSF special revenue fund are hereby appropriated in the amounts actually received by the City and County in each fiscal year. The Controller is authorized to disburse the revenues appropriated by this section as well as those appropriated yet unspent from prior fiscal years to pay power purchase obligations and other operating costs as provided in the program plans and annual budgets, as approved by the Board of Supervisors for the purposes authorized therein.

SECTION 12.15 Unclaimed Funds Escheatment Noticing & Accounting Procedures

Pursuant to Government Code Sections 50055 and 50057, the Board of Supervisors authorizes the Treasurer to transfer to the General Fund without publication of a notice in a newspaper the following amounts that remain unclaimed in the treasury of the City and County of San Francisco or in the official custody of an officer of the City and County of San Francisco for a period of at least one year: (1) any individual items of less than \$15; and (2) any individual items of \$5,000 or less if the depositor's name is unknown. The Treasurer shall notify the Controller of transfers performed using this authorization.

SECTION 14. Departments.

The term department as used in this ordinance shall mean department, bureau, office, utility, agency, board or commission, as the case may be. The term department head as used herein shall be the chief executive duly appointed and acting as provided in the Charter. When one or more departments are reorganized or consolidated, the former entities may be displayed as separate units, if, in the opinion of the Controller, this will facilitate accounting or reporting.

(a) The Public Utilities Commission shall be considered one entity for budget purposes and for disbursement of funds within each of the enterprises. The entity shall retain its enterprises, including Water, Hetch Hetchy, Wastewater, and the Public Utilities Commission, as separate utility fund enterprises under the jurisdiction of the Public Utilities Commission and with the authority provided by the Charter. This section shall not be construed as a merger or completion of the Hetch Hetchy Project, which shall not be deemed completed until a specific finding of completion has been made by the Public Utilities Commission. The consolidated agency will be recognized for purposes of determining employee seniority, position transfers, budgetary authority and transfers or reappropriation of funds.

(b) There shall be a General Services Agency, headed by the City Administrator, including the Department of Telecommunication and Information Services, and the

Department of Administrative Services. The City Administrator shall be considered one entity for budget purposes and for disbursement of funds.

(c) There shall be a Human Services Agency, which shall be considered one entity for budget purposes and for disbursement of funds. Within the Human Services Agency shall be two departments: (1) the Department of Human Services, under the Human Services Commission, and (2) the Department of Disability and Aging Services ("DAAS"), under the Disability and Aging Services Commission, includes Adult Protective Services, the Public Administrator/Public Guardian, the Mental Health Conservator, the Department of Disability and Aging Services, the County Veterans' Service Officer, and the In-Home Supportive Services Program. This budgetary structure does not affect the legal status or structure of the two departments. The Human Resources Director and the Controller are authorized to transfer employees, positions, and funding in order to effectuate the transfer of the program from one department to the other. The consolidated agency will be recognized for purposes of determining employee seniority, position transfers, budgetary authority and transfers or reappropriation of funds.

The departments within the Human Services Agency shall coordinate with each other and with the Disability and Aging Services Commission to improve delivery of services, increase administrative efficiencies and eliminate duplication of efforts. To this end, they may share staff and facilities. This coordination is not intended to diminish the authority of the Disability and Aging Services Commission over matters under the jurisdiction of the Commission.

The Director of the Aging and Adult Services Commission also may serve as the department head for DAAS, and/or as a deputy director for the Department of Human Services, but shall receive no additional compensation by virtue of an additional appointment. If an additional appointment is made, it shall not diminish the authority of the Aging and Adult Services Commission over matters under the jurisdiction of the Commission.

(d) The Local Agency Formation Commission (LAFCo) is a separate legal entity established under State law and is not a department or agency of the City. Because the City has a legal obligation to provide funds to LAFCo, this ordinance includes an appropriation for that purpose. Although LAFCo is not part of the Board of Supervisors or subject to the Board's oversight and direction, this ordinance includes appropriations to LAFCo in the Board of Supervisors budget for administrative reasons related to the format of this ordinance. Any transfers of funds to LAFCo from other appropriations in the budget are prohibited without approval by a subsequent ordinance. City staff, including but not limited to the Clerk of the Board of Supervisors, may perform work for LAFCo, under a memorandum of understanding between the City and LAFCo, subject to any required approvals.

SECTION 15. Travel Reimbursement and Cell Phone Stipends.

The Controller shall establish rules for the payment of all amounts payable for travel for officers and employees, and for the presentation of such vouchers as the Controller shall deem proper in connection with expenditures made pursuant to said Section. No

allowance shall be made for traveling expenses provided for in this ordinance unless funds have been appropriated or set aside for such expenses in accordance with the provisions of the Charter.

The Controller may advance the sums necessary for traveling expenses, but proper account and return must be made of said sums so advanced by the person receiving the same within ten days after said person returns to duty in the City and County of San Francisco, and failure on the part of the person involved to make such accounting shall be sufficient cause for the Controller to withhold from such persons pay check or checks in a sum equivalent to the amount to be accounted.

In consultation with the Human Resources Director, the Controller shall establish rules and parameters for the payment of monthly stipends to officers and employees who use their own cell phones to maintain continuous communication with their workplace, and who participate in a Citywide program that reduces costs of City-owned cell phones.

SECTION 16. Contributed Revenue Reserve and Audit and Adjustment Reserve.

The Controller is hereby authorized to establish a Contributed Revenue and Adjustment Reserve to accumulate receipts in excess of those estimated revenues or unexpended appropriations stated herein. Said reserve is established for the purpose of funding the budget of the subsequent year, and the receipts in this reserve are hereby appropriated for said purpose. The Controller is authorized to maintain an Audit and Adjustment Reserve to offset audit adjustments, and to balance expenditure accounts to conform to year-end balancing and year-end close requirements.

SECTION 17. Airport Service Payment.

The moneys received from the Airport's revenue fund as the Annual Service Payment provided in the Airline-Airport Lease and Use Agreement are in satisfaction of all obligations of the Airport Commission for indirect services provided by the City and County of San Francisco to the Commission and San Francisco International Airport and constitute the total transfer to the City's General Fund.

The Controller is hereby authorized and directed to transfer to the City's General Fund from the Airport revenue fund with the approval of the Airport Commission funds that constitute the annual service payment provided in the Airline - Airport Lease and Use Agreement in addition to the amount stated in the Annual Appropriation Ordinance.

On the last business day of the fiscal year, unless otherwise directed by the Airport Commission, the Controller is hereby authorized and directed to transfer all moneys remaining in the Airport's Contingency Account to the Airport's Revenue Fund. The Controller is further authorized and directed to return such amounts as were transferred from the Contingency Account, back to the Contingency Account from the Revenue Fund Unappropriated Surplus on the first business day of the succeeding fiscal year, unless otherwise directed by the Airport Commission.

SECTION 18. Pooled Cash, Investments.

The Treasurer and Controller are hereby authorized to transfer available fund balances within pooled cash accounts to meet the cash management of the City, provided that special and non-subsidized enterprise funds shall be credited interest earnings on any funds temporarily borrowed therefrom at the rate of interest earned on the City Pooled Cash Fund. No such cash transfers shall be allowed where the investment of said funds in investments such as the pooled funds of the City and County is restricted by law.

SECTION 19. Matching Funds for Federal or State Programs.

Funds contributed to meet operating deficits and/or to provide matching funds for federal or State aid (e.g. Medicaid under SB 855 or similar legislation for Zuckerberg San Francisco General Hospital) are specifically deemed to be made exclusively from local property and business tax sources.

SECTION 20. Advance Funding of Bond Projects – City Departments.

Whenever the City and County has authorized appropriations for the advance funding of projects which may at a future time be funded from the proceeds of general obligation, revenue, or lease revenue bond issues or other legal obligations of the City and County, the Controller shall recover from bond proceeds or other available sources, when they become available, the amount of any interest earnings foregone by the General Fund as a result of such cash advance to disbursements made pursuant to said appropriations. The Controller shall use the monthly rate of return earned by the Treasurer on City Pooled Cash Fund during the period or periods covered by the advance as the basis for computing the amount of interest foregone which is to be credited to the General Fund.

SECTION 21. Advance Funding of Projects – Transportation Authority.

Whenever the San Francisco County Transportation Authority requests advance funding of the costs of administration or the costs of projects specified in the City and County of San Francisco Transportation Expenditure Plan which will be funded from proceeds of the transactions and use tax as set forth in Article 14 of the Business and Tax Regulations Code of the City and County of San Francisco, the Controller is hereby authorized to make such advance. The Controller shall recover from the proceeds of the transactions and use tax when they become available, the amount of the advance and any interest earnings foregone by the City and County General Fund as a result of such cash advance funding. The Controller shall use the monthly rate of return earned by the Treasurer on General City Pooled Cash funds during the period or periods covered by the advance as the basis for computing the amount of interest foregone which is to be credited to the General Fund.

SECTION 22. Controller to Make Adjustments, Correct Clerical Errors.

The Controller is hereby authorized and directed to adjust interdepartmental appropriations, make transfers to correct objects of expenditures classifications and to correct clerical or computational errors as may be ascertained by the Controller to exist in this ordinance. The Controller shall file with the Clerk of the Board a list of such adjustments, transfers and corrections made pursuant to this Section.

The Controller is hereby authorized to make the necessary transfers to correct objects of expenditure classifications, and corrections in classifications made necessary by changes in the proposed method of expenditure.

SECTION 22.1 Controller to Implement New Financial and Interfacing Subsystems.

In order to further the implementation and adoption of the Financial and Procurement System's modules, the Controller shall have the authority to reclassify departments' appropriations to conform to the accounting and project costing structures established in the new system, as well as reclassify contract authority utilized (expended) balances and unutilized (available) balances to reflect actual spending.

SECTION 23. Transfer of State Revenues.

The Controller is authorized to transfer revenues among City departments to comply with provisions in the State budget.

SECTION 24. Use of Permit Revenues from the Department of Building Inspection.

Permit revenue funds from the Department of Building Inspection that are transferred to other departments as shown in this budget shall be used only to fund the planning, regulatory, enforcement and building design activities that have a demonstrated nexus with the projects that produce the fee revenues.

SECTION 25. Board of Supervisors Official Advertising Charges.

The Board of Supervisors is authorized to collect funds from enterprise departments to place official advertising. The funds collected are automatically appropriated in the budget of the Board of Supervisors as they are received.

SECTION 26. Work Order Appropriations.

The Board of Supervisors directs the Controller to establish work orders pursuant to Board-approved appropriations, including positions needed to perform work order services, and corresponding recoveries for services that are fully cost covered, including but not limited to services provided by one City department to another City department, as well as services provided by City departments to external agencies, including but not limited to the Office of Community Investment and Infrastructure, the Treasure Island Development Authority, the School District, and the Community College. Revenues for services from external agencies shall be appropriated by the Controller in accordance with the terms and conditions established to perform the service.

SECTION 26.1 Property Tax System

In order to minimize new appropriations to the property tax system replacement project, the Controller is authorized and directed to apply operational savings from the offices of the Tax Collector, Assessor, and Controller to the project. No later than June 1, 2018 the Controller shall report to the Budget and Legislative Analyst's Office and Budget and Finance Committee on the specific amount of operational savings, including details on the source of such savings, in the budgets of Tax Collector, Assessor, and Controller that are re-allocated to the Property Tax System Replacement Project

SECTION 27. Revenue Reserves and Deferrals.

The Controller is authorized to establish fee reserve allocations for a given program to the extent that the cost of service exceeds the revenue received in a given fiscal year, including establishment of deferred revenue or reserve accounts. In order to maintain balance between budgeted revenues and expenditures, revenues realized in the fiscal year preceding the year in which they are appropriated shall be considered reserved for the purposes for which they are appropriated.

SECTION 28. Close-Out of Reserved Appropriations.

On an annual basis, the Controller shall report the status of all reserves, their remaining balances, and departments' explanations of why funding has not been requested for release. Continuation of reserves will be subject to consideration and action by the Budget and Finance Committee or Budget and Appropriations Committee. The Controller shall close out reserved appropriations that are no longer required by the department for the purposes for which they were appropriated.

SECTION 28.1. Reserves Placed on Expenditures by Controller.

Consistent with Charter Section 3.105(d), the Controller is authorized to reserve expenditures in the City's budget equal to uncertain revenues, as deemed appropriate by the Controller. The Controller is authorized to remove, transfer, and update reserves to expenditures in the budget as revenue estimates are updated and received in order to maintain City operations.

SECTION 29. Appropriation Control of Capital Improvement Projects and Equipment.

Unless otherwise exempted in another section of the Administrative Code or Annual Appropriation Ordinance, and in accordance with Administrative Code Section 3.18, departments may transfer funds from one Board-approved capital project to another Board-approved capital project. The Controller shall approve transfers only if they do not materially change the size or scope of the original project. Annually, the Controller shall report to the Board of Supervisors on transfers of funds that exceed 10% of the original appropriation to which the transfer is made.

The Controller is authorized to approve substitutions within equipment items purchased to equip capital facilities providing that the total cost is within the Board-approved capital project appropriation.

The Controller is authorized to transfer approved appropriations between departments to correctly account for capitalization of fixed assets.

The Controller is authorized to shift sources among cash and COP-funded capital projects across General Fund departments to ensure the most efficient and cost-effective administration of COP funds, provided there is no net increase or decrease in project budgets.

SECTION 30. Business Improvement Districts.

Proceeds from all special assessments levied on real property included in the property-based business improvement districts in the City and County of San Francisco are hereby

appropriated in the respective amounts actually received by the City and County in such fiscal year for each such district.

The Controller is authorized to disburse the assessment revenues appropriated by this section to the respective Owners' Associations (as defined in Section 36614.5 of the Streets and Highways Code) for such districts as provided in the management district plans, resolutions establishing the districts, annual budgets and management agreements, as approved by the Board of Supervisors for each such district, for the purposes authorized therein. The Tourism Improvement District and Moscone Expansion Business Improvement District assessments are levied on gross hotel room revenue and are collected and distributed by the Tax Collector's Office.

SECTION 31. Infrastructure Financing and Infrastructure Revitalization Financing Districts.

Pursuant to California Government Code Section 53395 et seq. (IFD Law), the Board of Supervisors has formed Infrastructure Financing (IFD) and Infrastructure Revitalization Financing (IRFD) Districts within the City and County of San Francisco. The Board of Supervisors hereby authorizes the Controller to transfer funds and appropriation authority between and within accounts related to City and County of San Francisco IFDs and IRFDs to serve accounting and State requirements, the latest approved Infrastructure Financing Plan for a District, and applicable bond covenants.

When 100% of the portion of property tax increment normally appropriated to the City and County of San Francisco's General Fund or Special Revenue Fund or to the County's Educational Revenue Augmentation Fund (ERAF) is instead pledged, based on Board of Supervisors Ordinance, the Controller may increase or decrease appropriations to match actual revenues realized for the IFD or IRFD. Any increases to appropriations would be consistent with the Financing Plan previously approved by the Board of Supervisors.

*Estimated tax increment per approved Infrastructure Financing Plans.

SECTION 32. Community Facilities and Special Tax Districts.

Pursuant to California Government Code 53311 et seq. (the Mello-Roos Community Facilities Act of 1982) and Chapter 43, Article X of the San Francisco Administrative Code, which incorporates the Mello-Roos Community Facilities Act of 1982, the Board of

Supervisors has formed Community Facilities Districts (CFDs) and Special Tax Districts (STDs) within the City. Proceeds from special taxes levied on property in the CFDs/STDs are hereby appropriated in the respective amounts actually received by the City in such fiscal year for each such district.

The Controller is authorized to disburse the special tax revenues appropriated by this section as provided in the Joint Community Facilities Agreements, Development Agreements, Disposition and Development Agreements, and Ordinances levying special taxes, as approved by the Board of Supervisors for each such district for the purposes authorized therein.

The Controller may transfer funds and appropriation authority between and within accounts related to CFDs and STDs to serve accounting requirements, the Board of Supervisors approved CFD/STD Report for each district (as approved in the referenced Ordinances), and applicable bond covenants.

The table below provides estimated special tax revenues for informational purposes; only amounts actually received by the City and County of San Francisco for each district in any given fiscal year are authorized to be expended.

SECTION 32.1. Exclusion of Projected Unassigned Fund Balance from Budget Stabilization Reserve.

Eighty-one million, one hundred and ninety thousand dollars (\$81,190,000) of projected but unbudgeted, unassigned fund balance from fiscal year 2022-23 is designated for balancing future budget shortfalls in FY 2024-25 and after. This amount shall not be included in the calculations of deposits to the Budget Stabilization Reserve described in Administrative Code Section 10.60 (c).

SECTION 32.2. Federal and State Emergency Revenue Revisions.

The Controller is authorized to revise approved revenue budgets for federal and state emergency-related revenues to manage timing differences and cash flow needs driven by changing granting agencies' guidance and approvals, provided that such adjustments shall not change cumulative total revenue budgets in a given fund for the period from fiscal years 2020-21 through 2024-25. Such revisions shall not change approved expenditure authority. The Controller shall report any such revisions to the Mayor and Board within 30 days of their enactment.

SECTION 33. Federal, State and Local Match Sources & Uses Accounting for COVID-19 Emergency.

The Controller is authorized to adjust federal and state sources appropriations to reflect eligible costs by authorized spending category, to ensure cost reimbursement recovery revenues are maximized, and to align eligible costs to the appropriate federal or state fund, provided there is no net increase or decrease to COVID-19 emergency response revenues or expenditures. Adjustments may be made across fiscal years.

SECTION 34. Transbay Joint Powers Authority Financing.

Sources received for purposes of payment of debt service for the approved and issued Transbay Community Facilities District special tax bonds and the approved and drawn City bridge loan to the Transbay Joint Powers Authority are hereby appropriated.

SECTION 35. Police Department Overtime Reporting.

The Police Department shall provide a quarterly report of overtime spending to the Board of Supervisors, including the types of activities performed on overtime.

(1) Interest payment will be offset in part by available federal subsidies of interest.

(2) Debt service will be offset by available tobacco settlement revenues (TSR). The offset assumes that TSR will be available to cover GOBs debt service with respect to Laguna Honda Hospital Series 2008-R3 and Laguna Honda Hospital Series 2005A & 2005I. Series 2005A & 2005I were refunded by GOB Refunding Series 2011-R1 and Series 2008-R3 by GOB Refunding Series 2015-R1. GOB Refunding Series 2011-R1 was subsequently refunded by GOB Series 2021-R2.

(3) For AAO purpose, the totals in the summary are gross of net bid premium, federal subsidies and tobacco settlement revenue.

(7) Debt service related to construction cost of Laguna Honda Hospital is offset by SB 1128 sinking fund. The information assumes that SB 1128 reimbursement will be available to partially cover the Certificates of Participation Refunding Bond, Series 2019-R1 LHH debt service.

Other Fiscal Charges include insurance, trustees and arbitrage rebate computation fees.

The Hetch Hetchy Water and Power Enterprise and Wastewater Enterprise and Water Enterprise are on a fixed two-year budget (FY 2022-2023 and FY 2023-2024). The debt service schedules for FY 2023-2024 and FY 2024-2025 for these departments were updated in this AAO.

The Airport is on a fixed two-year budget and the FY 2024-2025 debt service figures will be updated in the next year's AAO.

*Debt Service for the 2023 Wastewater Revenue Bonds and 2023 Water Revenue Bonds not available for FY 2024 Budget submission. Debt Service for the FY 2025 Budget Submission is preliminary and subject to change.

ADMINISTRATIVE PROVISIONS

SECTION 3. General Authority.

The Controller is hereby authorized and directed to set up appropriate accounts for the items of receipts and expenditures appropriated herein.

SECTION 3.1 Two-Year Budget.

For departments for which the Board of Supervisors has authorized, or the Charter requires, a fixed two-year budget, appropriations in this ordinance shall be available for allotment by the Controller on July 1st of the fiscal year in which appropriations have been approved. The Controller is authorized to adjust the two-year budget to reflect transfers and substitutions consistent with City's policies and restrictions for such transfers. The Controller is further authorized to make adjustments to the second year budgets consistent with Citywide estimates for salaries, fringe benefits, and work orders.

SECTION 4. Interim Budget Provisions.

All funds for equipment and new capital improvements shall be held in reserve until final action by the Board of Supervisors. No new equipment or capital improvements shall be authorized during the interim period other than equipment or capital improvements that, in the discretion of the Controller, is reasonably required for the continued operation of existing programs or projects previously approved by the Board of Supervisors. Authorization for the purchase of such equipment may be approved by the Board of Supervisors.

During the period of the interim annual appropriation ordinance and interim annual salary ordinance, no transfer of funds within a department shall be permitted without approval of the Controller, Mayor's Budget Director and the Chair of the Budget and Finance Committee.

When the Budget and Finance Committee or Budget and Appropriations Committee reserves selected expenditure items pending receipt of additional information from departments, upon receipt of the required information to the satisfaction of that committee, the Controller may release the previously reserved funds with no further action required by the Board of Supervisors.

If the Budget and Finance Committee or Budget and Appropriations Committee recommends a budget that increases funding that was deleted in the Mayor's Budget, the Controller shall have the authority to continue to pay these expenses until final passage of the budget by the Board of Supervisors, and approval of the budget by the Mayor.

SECTION 4.1 Interim Budget – Positions.

No new position may be filled in the interim period with the exception of those positions which in the discretion of the Controller are critical for the operation of existing programs or for projects previously approved by the Board of Supervisors or are required for emergency operations or where such positions would result in a net increase in revenues or where such positions are required to comply with law. New positions shall be defined as those positions that are enumerated in the Mayor's budget for the current fiscal year but were not enumerated in the appropriation and salary ordinances for the prior fiscal year, as amended, through June 30 of the prior fiscal year. In the event the Mayor has

approved the reclassification of a position in the department's budget for the current fiscal year, the Controller shall process a temporary or "tx" requisition at the request of the department and subject to approval of the Human Resources Director. Such action will allow for the continued employment of the incumbent in his or her former position pending action by the Board of Supervisors on the proposed reclassifications.

If the Budget and Finance Committee or Budget and Appropriations Committee of the Board of Supervisors recommends a budget that reinstates positions that were deleted in the Mayor's Budget, the Controller and the Human Resources Director shall have the authority to continue to employ and pay the salaries of the reinstated positions until final passage of the budget by the Board of Supervisors, and approval of the budget by the Mayor.

SECTION 5. Transfers of Functions and Duties.

Where revenues for any fund or department are herein provided by transfer from any other fund or department, or where a duty or a performance has been transferred from one department to another, the Controller is authorized and directed to make the related transfer of funds, provided further, that where revenues for any fund or department are herein provided by transfer from any other fund or department in consideration of departmental services to be rendered, in no event shall such transfer of revenue be made in excess of the actual cost of such service.

Where a duty or performance has been transferred from one department to another or departmental reorganization is effected as provided in the Charter, in addition to any required transfer of funds, the Controller and Human Resources Director are authorized to make any personnel transfers or reassignments between the affected departments and appointing officers at a mutually convenient time, not to exceed 100 days from the effective date of the ordinance or Mayoral memorandum transferring the duty or function. The Controller, the Human Resources Director and Clerk of the Board of Supervisors, with assistance of the City Attorney, are hereby authorized and directed to make such changes as may be necessary to conform all applicable ordinances to reflect said reorganization, transfer of duty or performance between departments.

SECTION 5.1 Agencies Organized under One Department.

Where one or more offices or agencies are organized under a single appointing officer or department head, the component units may continue to be shown as separate agencies for budgeting and accounting purposes to facilitate reporting. However, the entity shall be considered a single department for purposes of employee assignment and seniority, position transfers, and transfers of monies among funds within the department, and reappropriation of funds.

SECTION 5.2 Continuing Funds Appropriated.

In addition to the amount provided from taxes, the Controller shall make available for expenditure the amount of actual receipts from special funds whose receipts are continuously appropriated as provided in the Municipal Codes.

SECTION 5.3 Multi-Year Revenues.

In connection with money received in one fiscal year for departmental services to be performed in a subsequent year, the Controller is authorized to establish an account for depositing revenues which are applicable to the ensuing fiscal year, said revenue shall be carried forward and become a part of the funds available for appropriation in said ensuing fiscal year.

SECTION 5.4 Contracting Funds.

All money received in connection with contracts under which a portion of the moneys received is to be paid to the contractors and the remainder of the moneys received inures to the City and County shall be deposited in the Treasury.

(a) That portion of the money received that under the terms of the contract inures to the City and County shall be deposited to the credit of the appropriate fund.

(b) That portion of the money received that under the terms of the contracts is to be paid to the contractor shall be deposited in special accounts and is hereby appropriated for said purposes.

SECTION 5.5 Real Estate Services.

Rents received from properties acquired or held in trust for specific purposes are hereby appropriated to the extent necessary for maintenance of said properties, including services of the General Services Agency.

Moneys received from lessees, tenants or operators of City-owned property for the specific purpose of real estate services relative to such leases or operating agreements are hereby appropriated to the extent necessary to provide such services.

SECTION 5.6 Collection Services.

In any contracts for the collection of unpaid bills for services rendered to clients, patients or both by the Department of Public Health in which said unpaid bills have not become delinquent pursuant to Article V of Chapter 10 of the Administrative Code, the Controller is hereby authorized to adjust the estimated revenues and expenditures of the various divisions and institutions of the Department of Public Health to record such recoveries. Any percentage of the amounts, not to exceed 25 percent, recovered from such unpaid bills by a contractor is hereby appropriated to pay the costs of said contract. The Controller is authorized and is hereby directed to establish appropriate accounts to record total collections and contract payments relating to such unpaid bills.

SECTION 5.7 Contract Amounts Based on Savings.

When the terms of a contract provide for payment amounts to be determined by a percentage of cost savings or previously unrecognized revenues, such amounts as are actually realized from either said cost savings or unrecognized revenues are hereby appropriated to the extent necessary to pay contract amounts due. The Controller is authorized and is hereby directed to establish appropriate accounts to record such transactions.

SECTION 5.8 Collection and Legal Services.

In any contracts between the City Attorney's Office and outside counsel for legal services in connection with the prosecution of actions filed on behalf of the City or for assistance in the prosecution of actions that the City Attorney files in the name of the People, where the fee to outside counsel is contingent on the recovery of a judgment or other monies by the City through such action, the Controller is hereby authorized to adjust the estimated revenues and expenditures of the City Attorney's Office to record such recoveries. A percentage of such recoveries, not to exceed 25 percent plus the amount of any out-of-pocket costs the Controller determines were actually incurred to prosecute such action, is hereby appropriated from the amount of such recoveries to pay the contingent fee due to such outside counsel under said contract and any costs incurred by the City or outside counsel in prosecuting the action. The Controller is authorized and hereby directed to establish appropriate accounts to record total collections and contingent fee and cost payments relating to such actions. The City Attorney as verified by the Controller shall report to the Board of Supervisors annually on the collections and costs incurred under this provision, including the case name, amount of judgment, the fund which the judgment was deposited, and the total cost of and funding source for the legal action.

SECTION 6. Bond Interest and Redemption.

In the event that estimated receipts from other than utility revenues, but including amounts from ad-valorem taxes, shall exceed the actual requirements for bond interest and redemption, said excess shall be transferred to a General Bond Interest and Redemption Reserve account. The Bond Interest and Redemption Reserve is hereby appropriated to meet debt service requirements including printing of bonds, cost of bond rating services and the legal opinions approving the validity of bonds authorized to be sold not otherwise provided for herein.

Issuance, legal and financial advisory service costs, including the reimbursement of departmental services in connection therewith, for debt instruments issued by the City and County, to the extent approved by the Board of Supervisors in authorizing the debt, may be paid from the proceeds of such debt and are hereby appropriated for said purposes.

SECTION 7. Allotment Controls.

Since several items of expenditures herein appropriated are based on estimated receipts, income or revenues which may not be fully realized, it shall be incumbent upon the Controller to establish a schedule of allotments, of such duration as the Controller may determine, under which the sums appropriated to the several departments shall be expended. The Controller shall revise such revenue estimates periodically. If such revised estimates indicate a shortage, the Controller shall hold in reserve an equivalent amount of the corresponding expenditure appropriations set forth herein until the collection of the amounts as originally estimated is assured, and in all cases where it is provided by the Charter that a specified or minimum tax shall be levied for any department the amount of appropriation herein provided derived from taxes shall not exceed the amount actually produced by the levy made for such department.

The Controller in issuing payments or in certifying contracts, purchase orders or other encumbrances pursuant to Section 3.105 of the Charter, shall consider only the allotted portions of appropriation items to be available for encumbrance or expenditure and shall not approve the incurring of liability under any allotment in excess of the amount of such allotment. In case of emergency or unusual circumstances which could not be anticipated at the time of allotment, an additional allotment for a period may be made on the recommendation of the department head and the approval of the Controller. After the allotment schedule has been established or fixed, as heretofore provided, it shall be unlawful for any department or officer to expend or cause to be expended a sum greater than the amount set forth for the particular activity in the allotment schedule so established, unless an additional allotment is made, as herein provided.

Allotments, liabilities incurred and expenditures made under expenditure appropriations herein enumerated shall in no case exceed the amount of each such appropriation, unless the same shall have been increased by transfers or supplemental appropriations made in the manner provided by Section 9.105 of the Charter.

SECTION 7.1 Prior Year Encumbrances.

The Controller is hereby authorized to establish reserves for the purpose of providing funds for adjustments in connection with liquidation of encumbrances and other obligations of prior years.

SECTION 7.2 Equipment Purchases.

Funds for the purchase of items of equipment having a significant value of under \$20,000 and a useful life of three years and over shall only be purchased from appropriations specifically provided for equipment or lease-purchased equipment, including equipment from capital projects. Departments may purchase additional or replacement equipment from previous equipment or lease-purchase appropriations, or from citywide equipment and other non-salary appropriations, with approval of the Mayor's Office and the Controller.

Where appropriations are made herein for the purpose of replacing automotive and other equipment, the equipment replaced shall be surrendered to the General Services Agency and shall be withdrawn from service on or before delivery to departments of the new automotive equipment. When the replaced equipment is sold, in lieu of being traded-in, the proceeds shall be deposited to a revenue account of the related fund. Provided, however, that so much of said proceeds as may be required to affect the purchase of the new equipment is hereby appropriated for the purpose. Funds herein appropriated for automotive equipment shall not be used to buy a replacement of any automobile superior in class to the one being replaced unless it has been specifically authorized by the Board of Supervisors in the making of the original appropriation.

Appropriations of equipment from current funds shall be construed to be annual appropriations and unencumbered balances shall lapse at the close of the fiscal year.

SECTION 7.3 Enterprise Deficits.

Funds appropriated herein to meet estimated enterprise deficits shall be made available to each such enterprise only to the extent that an actual deficit shall exist and not to exceed the amount herein provided. Any amount not required for the purpose of meeting an enterprise fund deficit shall be transferred back to the General Fund at the end of each fiscal year unless otherwise appropriated by ordinance.

SECTION 7.4 Public Utilities Commission Debt Service.

The San Francisco Public Utilities Commission shall, in coordination with the Controller's Office, record and report the use of debt service appropriations in their respective debt service funds consistent with the Schedule of Bond Redemption and Interest Statement included herein and as required pursuant to Governmental Accounting Standards Board (GASB) and Generally Accepted Accounting Principles (GAAP) accounting rules, requirements and practices. The Controller is hereby authorized to make all associated net-zero appropriation transfers to ensure compliant financial reporting.

SECTION 8. Expenditure Estimates.

Where appropriations are made for specific projects or purposes which may involve the payment of salaries or wages, the head of the department to which such appropriations are made, or the head of the department authorized by contract or interdepartmental order to make expenditures from each such appropriation, shall file with the Controller, when requested, an estimate of the amount of any such expenditures to be made during the ensuing period.

SECTION 8.1 State and Federal Funds.

The Controller is authorized to increase Federal and State funds that may be claimed due to new General Fund expenditures appropriated by the Board of Supervisors. The Human Resources Director is authorized to add civil service positions required to implement the programs authorized by these funds. The Controller and the Human Resources Director shall report to the Board of Supervisors any actions taken under this authorization before the Board acts on the Annual Appropriation and Annual Salary Ordinances.

SECTION 8.2 State and Federal Funding Restorations.

If additional State or Federal funds are allocated to the City and County of San Francisco to backfill State reductions, the Controller shall backfill any funds appropriated to any program to the General Reserve.

SECTION 8.3 Process for Addressing General Fund Revenue Shortfalls

Upon receiving Controller estimates of revenue shortfalls that exceed the value of the General Reserve and any other allowances for revenue shortfalls in the adopted City budget, the Mayor shall inform the Board of Supervisors of actions to address this shortfall. The Board of Supervisors may adopt an ordinance to reflect the Mayor's proposal or alternative proposals in order to balance the budget.

SECTION 9. Interdepartmental Services.

The Controller is hereby authorized and directed to prescribe the method to be used in making payments for interdepartmental services in accordance with the provisions of

Section 3.105 of the Charter, and to provide for the establishment of interdepartmental reserves which may be required to pay for future obligations which result from current performances. Whenever in the judgment of the Controller, the amounts which have been set aside for such purposes are no longer required or are in excess of the amount which is then currently estimated to be required, the Controller shall transfer the amount no longer required to the fund balance of the particular fund of which the reserve is a part. Provided further that no expenditure shall be made for personnel services, rent, equipment and capital outlay purposes from any interdepartmental reserve or work order fund without specific appropriation by the Board of Supervisors.

The amount detailed in departmental budgets for services of other City departments cannot be transferred to other spending categories without prior agreement from both the requesting and performing departments.

The Controller, pursuant to the provisions of Charter Section 3.105, shall review and may adjust charges or fees for services that may be authorized by the Board of Supervisors for the administration of the Technology Marketplace. Such fees are hereby appropriated for that purpose.

SECTION 10. Positions in the City Service.

Department heads shall not make appointments to any office or position until the Controller shall certify that funds are available.

Funds provided herein for salaries or wages may, with the approval of the Controller, be used to provide for temporary employment when it becomes necessary to replace the occupant of a position while on extended leave without pay, or for the temporary filling of a vacancy in a budgeted position. The Controller is authorized to approve the use of existing salary appropriations within departments to fund permanent appointments of up to six months to backfill anticipated vacancies to ensure implementation of successful succession plans and to facilitate the transfer of mission critical knowledge. The Controller shall provide a report to the Board of Supervisors every six months enumerating permanent positions created under this authority.

Appointments to seasonal or temporary positions shall not exceed the term for which the Controller has certified the availability of funds.

The Controller shall be immediately notified of a vacancy occurring in any position.

SECTION 10.1 Positions, Funds, and Transfers for Specific Purposes.

Funds for personnel services may be transferred from any legally available source on the recommendation of the department head and approval by the City Administrator, Board or Commission, for departments under their respective jurisdiction, and on authorization of the Controller with the prior approval of the Human Resources Director for:

- (a) Lump sum payments to officers, employees, police officers and fire fighters other than elective officers and members of boards and commissions upon death or retirement

or separation caused by industrial accident for accumulated sick leave benefits in accordance with Civil Service Commission rules.

(b) Payment of the supervisory differential adjustment, out of class pay or other negotiated premium to employees who qualify for such adjustment provided that the transfer of funds must be made from funds currently available in departmental personnel service appropriations.

(c) Payment of any legal salary or fringe benefit obligations of the City and County including amounts required to fund arbitration awards.

(d) The Controller is hereby authorized to adjust salary appropriations for positions administratively reclassified or temporarily exchanged by the Human Resources Director provided that the reclassified position and the former position are in the same functional area.

(e) Positions may be substituted or exchanged between the various salary appropriations or position classifications when approved by the Human Resources Director as long as said transfers do not increase total departmental personnel service appropriations.

(f) The Controller is hereby authorized and directed upon the request of a department head and the approval by the Mayor's Office to transfer from any legally available funds amounts needed to fund legally mandated salaries, fringe benefits and other costs of City employees. Such funds are hereby appropriated for the purpose set forth herein.

(g) The Controller is hereby authorized to transfer any legally available funds to adjust salary and fringe benefit appropriations as required under reclassifications recommended by the Human Resources Director and approved by the Board of Supervisors in implementing the Management Compensation and Classification Plan.

Amounts transferred shall not exceed the actual amount required including the cost to the City and County of mandatory fringe benefits.

(h) Pursuant to California Labor Code Section 4850.4, the Controller is authorized to make advance payments from departments' salary accounts to employees participating in CalPERS who apply for disability retirement. Repayment of these advanced disability retirement payments from CalPERS and from employees are hereby appropriated to the departments' salary account.

(i) For purposes of defining terms in Administrative Code Section 3.18, the Controller is authorized to process transfers where such transfers are required to administer the budget through the following certification process: In cases where expenditures are reduced at the level of appropriation control during the Board of Supervisors phase of the budget process, the Chair of the Budget and Finance Committee, on recommendation of the Controller, may certify that such a reduction does not reflect a deliberate policy

reduction adopted by the Board. The Mayor's Budget Director may similarly provide such a certification regarding reductions during the Mayor's phase of the budget process.

SECTION 10.2 Professional Services Contracts.

Funds appropriated for professional service contracts may be transferred to the account for salaries on the recommendation of the department head for the specific purpose of using City personnel in lieu of private contractors with the approval of the Human Resources Director and the Mayor and the certification by the Controller that such transfer of funds would not increase the cost of government.

SECTION 10.3 Surety Bond Fund Administration.

The Controller is hereby authorized to allocate funds from capital project appropriations to the San Francisco Self-Insurance Surety Bond Fund, as governed by Administrative Code Section 10.100-317 and in accordance with amounts determined pursuant to Administrative Code Section 14B.16.

SECTION 10.4 Salary Adjustments, Memoranda of Understanding (MOUs).

The Controller is authorized and directed to transfer from the Salary and Benefits Reserve, or any legally available funds, amounts necessary to adjust appropriations for salaries and related mandatory fringe benefits of employees whose compensation is pursuant to Charter Sections A8.403 (Registered Nurses), A8.404 (Transit Operators), A8.409 (Miscellaneous Employees), A8.405 and A8.590-1 through A8.590-5 (Police and Firefighters), revisions to State Law, and/or collective bargaining agreements adopted pursuant to the Charter or arbitration award. The Controller and Human Resources Director are further authorized and directed to adjust the rates of compensation to reflect current pay rates for any positions affected by the foregoing provisions.

Adjustments made pursuant to this section shall reflect only the percentage increase required to adjust appropriations to reflect revised salary and other pay requirements above the funding level established in the base and adopted budget of the respective departments.

The Controller is authorized and directed to transfer from reserves or any legally available funds amounts necessary to provide costs of non-salary benefits in ratified Memoranda of Understanding or arbitration awards or Board of Supervisors approved employee and retiree health and dental rates. The Controller's Office shall report to the Budget and Finance Committee or Budget and Appropriations Committee on the status of the Salary and Benefits Reserve, including amounts transferred to individual City departments and remaining Reserve balances, as part of the Controller's Six and Nine Month Budget Status Reports.

SECTION 10.5 MOUs to be Reflected in Department Budgets.

Should the City and County adopt an MOU with a recognized employee bargaining organization during the fiscal year which has fiscal effects, the Controller is authorized and directed to reflect the budgetary impact of said MOU in departmental appropriations by transferring amounts to or from the Salary and Benefits Reserve, or, for self-supporting

or restricted funds, to or from the respective unappropriated fund balance account. All amounts transferred pursuant to this section are hereby appropriated for the purpose.

SECTION 10.6 Funding Memoranda of Understanding (MOUs).

Whenever the Board of Supervisors has ratified by ordinance or resolution Memoranda of Understanding with recognized employee organizations or an arbitration award has become effective, and said memoranda or award contains provisions requiring the expenditure of funds, the Controller, on the recommendation of the Human Resources Director, shall reserve sufficient funds to comply with such provisions and such funds are hereby appropriated for such purposes. The Controller is hereby authorized to make such transfers from funds hereby reserved or legally available as may be required to make funds available to departments to carry out the purposes required by the Memoranda of Understanding or arbitration award.

SECTION 10.7 Fringe Benefit Rate Adjustments.

Appropriations herein made for fringe benefits may be adjusted by the Controller to reflect revised amounts required to support adopted or required contribution rates. The Controller is authorized and is hereby directed to transfer between departmental appropriations and the General Reserve or other unappropriated balance of funds any amounts resulting from adopted or required contribution rates and such amounts are hereby appropriated to said accounts.

When the Controller determines that prepayment of the employer share of pension contributions is likely to be fiscally advantageous, the Controller is authorized to adjust appropriations and transfers in order to make and reconcile such prepayments.

SECTION 10.8 Police Department Uniformed Positions.

Positions in the Police Department for each of the various ranks that are filled based on the educational attainment of individual officers may be filled interchangeably at any level within the rank (e.g., Patrol Officer Q2, Q3 or Q4, Sergeant Q50, Q51, Q52). The Controller and Human Resources Director are hereby authorized to adjust payrolls, salary ordinances and other documents, where necessary, to reflect the current status of individual employees; provided however, that nothing in this section shall authorize an increase in the total number of positions allocated to any one rank or to the Police Department.

SECTION 10.9 Holidays, Special Provisions.

Whenever any day is declared to be a holiday by proclamation of the Mayor after such day has heretofore been declared a holiday by the Governor of the State of California or the President of the United States, the Controller, with the approval of the Mayor's Office, is hereby authorized to make such transfer of funds not to exceed the actual cost of said holiday from any legally available funds.

SECTION 10.10 Litigation Reserve, Payments.

The Controller is authorized and directed to transfer from the Reserve for Litigation Account for General Fund supported departments or from any other legally available funds for other funds, amounts required to make payments required to settle litigation

against the City and County of San Francisco that has been recommended by the City Attorney and approved by the Board of Supervisors in the manner provided in the Charter. Such funds are hereby appropriated for the purposes set forth herein.

Amounts required to pay settlements of claims or litigation involving the Public Utilities Commission are hereby appropriated from the Public Utilities Commission Wastewater Enterprise fund balance or the Public Utilities Commission Water Enterprise fund balance, as appropriate, for the purpose of paying such settlements following final approval of those settlements by resolution or ordinance.

SECTION 10.11 Changes in Health Services Eligibility.

Should the Board of Supervisors amend Administrative Code Section 16.700 to change the eligibility in the City's Health Service System, the Controller is authorized and directed to transfer from any legally available funds or the Salary and Fringe Reserve for the amount necessary to provide health benefit coverage not already reflected in the departmental budgets.

Section 10.12 Workers' Compensation Alternative Dispute Resolution Program

Resolutions 85-19 and 86-19 authorized the Department of Human Resources to enter Workers' Compensation Alternative Dispute Resolution (ADR) Labor-Management Agreements with the San Francisco Firefighters' Association, Local 798, and San Francisco Police Officers Association, respectively. These Agreements require the City to allocate an amount equal to 50% of the ADR program estimated net savings, as determined by actuarial report, for the benefit of active employees. The Controller is authorized and directed to transfer from any legally available funds the amount necessary to make the required allocations. This provision will terminate if the parties agree to terminate the Agreements.

SECTION 11. Funds Received for Special Purposes, Trust Funds.

The Controller is hereby authorized and directed to continue the existing special and trust funds, revolving funds, and reserves and the receipts in and expenditures from each such fund are hereby appropriated in accordance with law and the conditions under which each such fund was established.

The Controller is hereby authorized and directed to set up additional special and trust funds and reserves as may be created either by additional grants and bequests or under other conditions, and the receipts in each fund are hereby appropriated in accordance with law for the purposes and subject to the conditions under which each such fund was established.

SECTION 11.1 Special and Trust Funds Appropriated.

Whenever the City and County of San Francisco shall receive for a special purpose from the United States of America, the State of California, or from any public or semi-public agency, or from any private person, firm or corporation, any moneys, or property to be converted into money, the Controller shall establish a special fund or account evidencing the said moneys so received and specifying the special purposes for which they have

been received and for which they are held, which said account or fund shall be maintained by the Controller as long as any portion of said moneys or property remains.

Recurring grant funds which are detailed in departmental budget submissions and approved by the Mayor and Board of Supervisors in the annual budget shall be deemed to have met the requirements of Administrative Code Section 10.170 for the approval to apply for, receive and expend said funds and shall be construed to be funds received for a specific purpose as set forth in this section. Positions specifically approved by granting agencies in said grant awards may be filled as though said positions were included in the annual budget and Annual Salary Ordinance, provided however that the tenure of such positions shall be contingent on the continued receipt of said grant funds. Individual grants may be adjusted by the Controller to reflect actual awards made if granting agencies increase or decrease the grant award amounts estimated in budget submissions.

The expenditures necessary from said funds or said accounts as created herein, in order to carry out the purpose for which said moneys or orders have been received or for which said accounts are being maintained, shall be approved by the Controller and said expenditures are hereby appropriated in accordance with the terms and conditions under which said moneys or orders have been received by the City and County of San Francisco, and in accordance with the conditions under which said funds are maintained.

The Controller is authorized to adjust transfers to the San Francisco Capital Planning Fund, established by Administrative Code Section 10.100-286, to account for final capital project planning expenditures reimbursed from approved sale of bonds and other long term financing instruments.

SECTION 11.2 Insurance Recoveries.

Any moneys received by the City and County of San Francisco pursuant to the terms and conditions of any insurance policy are hereby appropriated and made available to the general city or specific departments for associated costs or claims.

SECTION 11.3 Bond Premiums.

Premiums received from the sale of bonds are hereby appropriated for bond interest and redemption purposes of the issue upon which it was received.

SECTION 11.4 Ballot Arguments.

Receipts in and expenditures for payment for the printing of ballot arguments, are hereby appropriated in accordance with law and the conditions under which this appropriation is established.

SECTION 11.5 Tenant Overtime.

Whenever employees of departments are required to work overtime on account of services required by renters, lessees or tenants of City-owned or occupied properties, or recipients of services from City departments, the cost of such overtime employment shall be collected by the departments from the requesters of said services and shall be

deposited with the Treasurer to the credit of departmental appropriations. All moneys deposited therein are hereby appropriated for such purpose.

SECTION 11.6 Refunds.

The Controller is hereby authorized and directed to set up appropriations for refunding amounts deposited in the Treasury in excess of amounts due, and the receipts and expenditures from each are hereby appropriated in accordance with law. Whereby State statute, local ordinance or court order, interest is payable on amounts to be refunded, in the absence of appropriation therefore, such interest is herewith appropriated from the unappropriated interest fund or interest earnings of the fund involved. The Controller is authorized, and funds are hereby appropriated, to refund overpayments and any mandated interest or penalties from State, Federal and local agencies when audits or other financial analyses determine that the City has received payments in excess of amounts due.

SECTION 11.7 Arbitrage.

The Controller is hereby authorized and directed to refund excess interest earnings on bond proceeds (arbitrage) when such amounts have been determined to be due and payable under applicable Internal Revenue Service regulations. Such arbitrage refunds shall be charged in the various bond funds in which the arbitrage earnings were recorded and such funds are hereby appropriated for the purpose.

SECTION 11.8 Damage Recoveries.

Moneys received as payment for damage to City-owned property and equipment are hereby appropriated to the department concerned to pay the cost of repairing such equipment or property. Moneys received as payment for liquidated damages in a City-funded project are appropriated to the department incurring costs of repairing or abating the damages. Any excess funds, and any amount received for damaged property or equipment which is not to be repaired shall be credited to a related fund.

SECTION 11.9 Purchasing Damage Recoveries.

That portion of funds received pursuant to the provisions of Administrative Code Section 21.33 - failure to deliver article contracted for - as may be needed to affect the required procurement are hereby appropriated for that purpose and the balance, if any, shall be credited the related fund.

SECTION 11.10 Off-Street Parking Guarantees.

Whenever the Board of Supervisors has authorized the execution of agreements with corporations for the construction of off-street parking and other facilities under which the City and County of San Francisco guarantees the payment of the corporations' debt service or other payments for operation of the facility, it shall be incumbent upon the Controller to reserve from parking meter or other designated revenues sufficient funds to provide for such guarantees. The Controller is hereby authorized to make payments as previously guaranteed to the extent necessary and the reserves approved in each Annual Appropriation Ordinance are hereby appropriated for the purpose. The Controller shall notify the Board of Supervisors annually of any payments made pursuant to this Section.

SECTION 11.11 Hotel Tax – Special Situations.

The Controller is hereby authorized and directed to make such interfund transfers or other adjustments as may be necessary to conform budget allocations to the requirements of the agreements and indentures of the 1994 Lease Revenue and/or San Francisco Redevelopment Agency Hotel Tax Revenue Bond issues.

SECTION 11.12 Local Transportation Agency Fund.

Local transportation funds are hereby appropriated pursuant to the Government Code.

SECTION 11.13 Insurance.

The Controller is hereby authorized to transfer to the Risk Manager any amounts indicated in the budget estimate and appropriated hereby for the purchase of insurance or the payment of insurance premiums.

SECTION 11.14 Grants to Departments of Disability and Aging Services, Child Support Services, Homelessness and Supportive Housing, and Children, Youth and their Families

The Department of Disability and Aging Services and the Department of Child Support Services are authorized to receive and expend available federal and state contributions and grant awards for their target populations. The Controller is hereby authorized and directed to make the appropriate entries to reflect the receipt and expenditure of said grant award funds and contributions. The Department of Homelessness and Supportive Housing is authorized to apply surpluses among subgrants within master HUD grants to shortfalls in other subgrants. The Department of Children, Youth and Their Families is authorized to receive and expend funds in instances where funds from grants appropriated herein are not fixed and exceed the estimates contained in the budget.

SECTION 11.15 FEMA, OES, Other Reimbursements.

Whenever the City and County recovers funds from any federal or state agency as reimbursement for the cost of damages resulting from earthquakes and other disasters for which the Mayor has declared a state of emergency, such funds are hereby appropriated for the purpose. The Controller is authorized to transfer such funds to the credit of the departmental appropriation which initially incurred the cost, or, if the fiscal year in which the expenses were charged has ended, to the credit of the fund which incurred the expenses. Revenues received from other governments as reimbursement for mutual aid provided by City departments are hereby appropriated for services provided.

Whenever the City and County is required to designate agents authorized to obtain state and federal disaster and emergency assistance funding, the Mayor and Board of Supervisors designate the Executive Director of the Department of Emergency Management, the Controller, and the Deputy Controller to be the agents authorized to execute agreements for and on behalf of the City and County of San Francisco, for disaster and emergency assistance funding from State and Federal agencies, for all open and future disasters.

SECTION 11.16 Interest on Grant Funds.

Whenever the City and County earns interest on funds received from the State of California or the federal government and said interest is specifically required to be expended for the purpose for which the funds have been received, said interest is hereby appropriated in accordance with the terms under which the principal is received and appropriated.

SECTION 11.17 Treasurer – Banking Agreements.

Whenever the Treasurer finds that it is in the best interest of the City and County to use either a compensating balance or fee for service agreement to secure banking services that benefit all participants of the pool, any funds necessary to be paid for such agreement are to be charged against interest earnings and such funds are hereby appropriated for the purpose.

The Treasurer may offset banking charges that benefit all participants of the investment pool against interest earned by the pool. The Treasurer shall allocate other bank charges and credit card processing to departments or pool participants that benefit from those services. The Controller may transfer funds appropriated in the budget to General Fund departments as necessary to support allocated charges.

SECTION 11.18 City Buildings–Acquisition with Certificates of Participation (COPs).

Receipts in and expenditures from accounts set up for the acquisition and operation of City-owned buildings including, but not limited to 25 Van Ness Avenue and 1660 Mission Street, are hereby appropriated for the purposes set forth in the various bond indentures through which said properties were acquired.

SECTION 11.19 Generally Accepted Principles of Financial Statement Presentation.

The Controller is hereby authorized to make adjustments to departmental budgets as part of the year-end closing process to conform amounts to the Charter provisions and generally accepted principles of financial statement presentation, and to implement new accounting standards issued by the Governmental Accounting Standards Board and other changes in generally accepted accounting principles.

SECTION 11.20 Fund Balance Reporting and Government Fund Type Definitions.

The Controller is authorized to establish or adjust fund type definitions for restricted, committed or assigned revenues and expenditures, in accordance with the requirements of Governmental Accounting Standards Board Statement 54. These changes will be designed to enhance the usefulness of fund balance information by providing clearer fund balance classifications that can be more consistently applied and by clarifying the existing governmental fund type definitions. Reclassification of funds shall be reviewed by the City's outside auditors during their audit of the City's financial statements.

SECTION 11.21 State Local Public Safety Fund.

Amounts received from the State Local Public Safety Fund (Sales Taxes) for deposit to the Public Safety Augmentation Fund shall be transferred to the General Fund for use in meeting eligible costs of public safety as provided by State law and said funds are appropriated for said purposes.

Said funds shall be allocated to support public safety department budgets, but not specific appropriation accounts, and shall be deemed to be expended at a rate of 75% of eligible departmental expenditures up to the full amount received. The Controller is hereby directed to establish procedures to comply with state reporting requirements.

SECTION 11.22 Health Care Security Ordinance Agency Fund.

Irrevocable health care expenditures made to the City by employers on behalf of their employees pursuant to the provisions of Administrative Code Chapter 14, the San Francisco Health Care Security Ordinance are maintained in the Health Care Security Ordinance Fund, an agency fund maintained by the City for the benefit of City Option account holders. Interest earnings in the fund are hereby appropriated for the administrative costs incurred to manage participant accounts.

SECTION 11.23 Affordable Housing Loan Repayments and Interest Earnings.

Loan repayments, proceeds of property sales in cases of defaulted loans, and interest earnings in special revenue funds designated for affordable housing are hereby appropriated for affordable housing program expenditures, including payments from loans made by the former San Francisco Redevelopment Agency and transferred to the Mayor's Office of Housing and Community Development, the designated the housing successor agency. Expenditures shall be subject to the conditions under which each such fund was established.

SECTION 11.24 Development Agreement Implementation Costs.

The Controller is hereby authorized to appropriate reimbursements of City costs incurred to implement development agreements approved by the Board of Supervisors, including but not limited to City staff time, consultant services and associated overhead costs to conduct plan review, inspection, and contract monitoring, and to draft, negotiate, and administer such agreements. This provision does not apply to development impact fees or other payments approved in a development agreement, which shall be appropriated by the Board of Supervisors.

SECTION 11.25 Housing Trust Fund.

The Controller is hereby authorized to adjust appropriations as necessary to implement the movement of Housing Trust Fund revenues and expenditures from the General Fund to a special revenue fund.

The Controller shall account for appropriation of \$17,600,000 for eligible affordable housing projects in fiscal year 2021-22 as an advance of future year Housing Trust Fund allocations, and shall credit such advance against required appropriations to that fund for a period of five years, beginning in fiscal year 2023-24, in an annual amount of \$3,520,000.

SECTION 12. Special Situations.

SECTION 12.1 Revolving Funds.

Surplus funds remaining in departmental appropriations may be transferred to fund increases in revolving funds up to the amount authorized by the Board of Supervisors if said Board, by ordinance, has authorized an increase in said revolving fund amounts.

SECTION 12.2 Interest Allocations.

Interest shall not be allocated to any special, enterprise, or trust fund or account unless said allocation is required by Charter, state law or specific provision in the legislation that created said fund. Any interest earnings not allocated to special, enterprise or trust funds or accounts shall be credited, by the Controller, to General Fund Unallocated Revenues.

SECTION 12.3 Property Tax.

Consistent with the State Teeter Plan requirements, the Board of Supervisors elects to continue the alternative method of distribution of tax levies and collections in accordance with Revenue and Taxation Code Section 4701. The Board of Supervisors directs the Controller to maintain the Teeter Tax Losses Reserve Fund at an amount not less than 1% of the total of all taxes and assessments levied on the secured roll for that year for participating entities in the county as provided by Revenue and Taxation Code Section 4703. The Board of Supervisors authorizes the Controller to make timely property tax distributions to the Office of Community Investment and Infrastructure, the Treasure Island Development Authority, and City and County of San Francisco Infrastructure Financing Districts as approved by the Board of Supervisors through the budget, through development pass-through contracts, through tax increment allocation pledge agreements and ordinances, and as mandated by State law.

The Controller is authorized to adjust the budget to conform to assumptions in final approved property tax rates and to make debt service payments for approved general obligation bonds accordingly.

The Controller is authorized and directed to recover costs from the levy, collection and administration of property taxes. The tax rate for the City's General Obligation Bond Fund, approved annually by resolution of the Board of Supervisors, includes a collection fee of 0.25% of the fund collected for the purpose of the General Obligation Bond debt service. An amount sufficient to pay this fee is hereby appropriated within the General Obligation Bond Fund and the Controller is hereby authorized to pay this fee into the General Fund from the General Obligation Bond Fund.

SECTION 12.4 New Project Reserves.

Where this Board has set aside a portion of the General Reserve for a new project or program approved by a supplemental appropriation, any funds not required for the approved supplemental appropriation shall be returned to the General Fund General Reserve by the Controller.

SECTION 12.5 Aid Payments.

Aid paid from funds herein provided and refunded during the fiscal year hereof shall be credited to, and made available in, the appropriation from which said aid was provided.

SECTION 12.6 Department of Public Health Transfer Payments, Indigent Health Revenues, and Realignment Funding to Offset for Low Income Health Programs.

To more accurately reflect the total net budget of the Department of Public Health, this ordinance shows net revenues received from certain State and Federal health programs.

Funds necessary to participate in such programs that require transfer payments are hereby appropriated. The Controller is authorized to defer surplus transfer payments, indigent health revenues, and Realignment funding to offset future reductions or audit adjustments associated with funding allocations for health services for low income individuals.

SECTION 12.7 Municipal Transportation Agency.

Consistent with the provisions of Proposition E and Proposition A creating the Municipal Transportation Agency and including the Parking and Traffic function as a part of the Municipal Transportation Agency, the Controller is authorized to make such transfers and reclassification of accounts necessary to properly reflect the provision of central services to the Municipal Transportation Agency in the books and accounts of the City. No change can increase or decrease the overall level of the City's budget.

SECTION 12.8 Treasure Island Authority.

Should the Treasure Island property be conveyed and deed transferred from the Federal Government, the Controller is hereby authorized to make budgetary adjustments necessary to ensure that there is no General Fund impact from this conveyance, and that expenditures of special assessment revenues conform to governmental accounting standards and requirements of the special assessment as adopted by voters and approved by the Board of Supervisors.

SECTION 12.9 Hetch Hetchy Power Stabilization Fund.

Hetch Hetchy has entered into a long-term agreement to purchase a fixed amount of power. Any excess power from this contract will be sold back to the power market.

To limit Hetch Hetchy's risk from adverse market conditions in the future years of the contract, the Controller is authorized to establish a power stabilization account that reserves any excess revenues from power sales in the early years of the contract. These funds may be used to offset potential losses in the later years of the contract. The balance in this fund may be reviewed and adjusted annually.

The power purchase amount reflected in the Public Utility Commission's expenditure budget is the net amount of the cost of power purchased for Hetch Hetchy use. Power purchase appropriations may be increased by the Controller to reflect the pass through costs of power purchased for resale under long-term fixed contracts previously approved by the Board of Supervisors.

SECTION 12.10 Closure of Special Funds, Projects, and Accounts

In accordance with Administrative Code Section 10.100-1(d), if there has been no expenditure activity for the past two fiscal years, a special fund or project can be closed and repealed. The Controller is hereby authorized and directed to reconcile and balance funds, projects and accounts, and to close completed projects. The Controller is directed to create a clearing account for the purpose of balancing surpluses and deficits in such funds, projects and accounts, and funding administrative costs incurred to perform such reconciliations.

This budget ordinance appropriates fund balance from active project closeouts in continuing funds as follows: \$99.6 million in the General Fund, \$77.4 million in the Homelessness Gross Receipts Tax Fund, \$6.6 million in the Our City, Our Home Prop C Advance Fund, \$10.7 million in the Building Inspection Fund, \$3.5 million in the Department of Building Inspection Repair and Demolition Fund, \$4.2 million in the Zuckerberg San Francisco General hospital enterprise fund, \$2.6 million in the Cable TV Access Fund, and \$2.4 million in the Assessor's State Authorized Special Revenue Fund. The Controller is directed to deappropriate projects up to this amount to realize the fund balance.

SECTION 12.11 Charter-Mandated Baseline Appropriations.

The Controller is authorized to increase or reduce budgetary appropriations as required by the Charter for baseline allocations to align allocations to the amounts required by formula based on actual revenues received during the fiscal year. Departments must obtain Board of Supervisors' approval prior to any expenditure supported by increasing baseline allocations as required under the Charter and the Municipal Code.

SECTION 12.12 Parking Tax Allocation.

The Controller is authorized to increase or decrease final budgetary allocation of parking tax in-lieu transfers to reflect actual collections to the Municipal Transportation Agency. The Municipal Transportation Agency must obtain Board of Supervisors' approval prior to any expenditure supported by allocations that accrue to the Agency that are greater than those already appropriated in the Annual Appropriation Ordinance.

SECTION 12.13 Former Redevelopment Agency Funds.

Pursuant to Board of Supervisors Ordinance 215-12, the Successor Agency to the San Francisco Redevelopment Agency (also known as the Office of Community Investment and Infrastructure, or OCII) is a separate legal entity from the City and its budget is subject to separate approval by resolution of the Board of Supervisors. The Controller is authorized to transfer funds and appropriation authority between and within accounts related to former San Francisco Redevelopment Agency (SFRA) fund balances to serve the accounting requirements of the OCII, the Port, the Mayor's Office of Housing and the City Administrator's office and to comply with State requirements and applicable bond covenants.

The Purchaser is authorized to allow the OCII and departments to follow applicable contracting and purchasing procedures of the former SFRA and waive inconsistent provisions of the San Francisco Administrative Code when managing contracts and purchasing transactions related to programs formerly administered by the SFRA.

If during the course of the budget period, the OCII requests departments to provide additional services beyond budgeted amounts and the Controller determines that the Successor Agency has sufficient additional funds available to reimburse departments for such additional services, the departmental expenditure authority to provide such services is hereby appropriated.

When 100% of property tax increment revenues for a redevelopment project area are pledged based on an agreement that constitutes an enforceable obligation, the Controller will increase or decrease appropriations to match actual revenues realized for the project area.

The Mayor's Office of Housing and Community Development is authorized to act as the fiscal agent for the Public Initiatives Development Corporation (PIDC) and receive and disburse PIDC funds as authorized by the PIDC bylaws and the PIDC Board of Directors.

SECTION 12.14 CleanPowerSF.

CleanPowerSF customer payments and all other associated revenues deposited in the CleanPowerSF special revenue fund are hereby appropriated in the amounts actually received by the City and County in each fiscal year. The Controller is authorized to disburse the revenues appropriated by this section as well as those appropriated yet unspent from prior fiscal years to pay power purchase obligations and other operating costs as provided in the program plans and annual budgets, as approved by the Board of Supervisors for the purposes authorized therein.

SECTION 12.15 Unclaimed Funds Escheatment Noticing & Accounting Procedures

Pursuant to Government Code Sections 50055 and 50057, the Board of Supervisors authorizes the Treasurer to transfer to the General Fund without publication of a notice in a newspaper the following amounts that remain unclaimed in the treasury of the City and County of San Francisco or in the official custody of an officer of the City and County of San Francisco for a period of at least one year: (1) any individual items of less than \$15; and (2) any individual items of \$5,000 or less if the depositor's name is unknown. The Treasurer shall notify the Controller of transfers performed using this authorization.

SECTION 14. Departments.

The term department as used in this ordinance shall mean department, bureau, office, utility, agency, board or commission, as the case may be. The term department head as used herein shall be the chief executive duly appointed and acting as provided in the Charter. When one or more departments are reorganized or consolidated, the former entities may be displayed as separate units, if, in the opinion of the Controller, this will facilitate accounting or reporting.

(a) The Public Utilities Commission shall be considered one entity for budget purposes and for disbursement of funds within each of the enterprises. The entity shall retain its enterprises, including Water, Hetch Hetchy, Wastewater, and the Public Utilities Commission, as separate utility fund enterprises under the jurisdiction of the Public Utilities Commission and with the authority provided by the Charter. This section shall not be construed as a merger or completion of the Hetch Hetchy Project, which shall not be deemed completed until a specific finding of completion has been made by the Public Utilities Commission. The consolidated agency will be recognized for purposes of determining employee seniority, position transfers, budgetary authority and transfers or reappropriation of funds.

(b) There shall be a General Services Agency, headed by the City Administrator, including the Department of Telecommunication and Information Services, and the Department of Administrative Services. The City Administrator shall be considered one entity for budget purposes and for disbursement of funds.

(c) There shall be a Human Services Agency, which shall be considered one entity for budget purposes and for disbursement of funds. Within the Human Services Agency shall be two departments: (1) the Department of Human Services, under the Human Services Commission, and (2) the Department of Disability and Aging Services ("DAAS"), under the Disability and Aging Services Commission, includes Adult Protective Services, the Public Administrator/Public Guardian, the Mental Health Conservator, the Department of Disability and Aging Services, the County Veterans' Service Officer, and the In-Home Supportive Services Program. This budgetary structure does not affect the legal status or structure of the two departments. The Human Resources Director and the Controller are authorized to transfer employees, positions, and funding in order to effectuate the transfer of the program from one department to the other. The consolidated agency will be recognized for purposes of determining employee seniority, position transfers, budgetary authority and transfers or reappropriation of funds.

The departments within the Human Services Agency shall coordinate with each other and with the Disability and Aging Services Commission to improve delivery of services, increase administrative efficiencies and eliminate duplication of efforts. To this end, they may share staff and facilities. This coordination is not intended to diminish the authority of the Disability and Aging Services Commission over matters under the jurisdiction of the Commission.

The Director of the Aging and Adult Services Commission also may serve as the department head for DAAS, and/or as a deputy director for the Department of Human Services, but shall receive no additional compensation by virtue of an additional appointment. If an additional appointment is made, it shall not diminish the authority of the Aging and Adult Services Commission over matters under the jurisdiction of the Commission.

(d) The Local Agency Formation Commission (LAFCo) is a separate legal entity established under State law and is not a department or agency of the City. Because the City has a legal obligation to provide funds to LAFCo, this ordinance includes an appropriation for that purpose. Although LAFCo is not part of the Board of Supervisors or subject to the Board's oversight and direction, this ordinance includes appropriations to LAFCo in the Board of Supervisors budget for administrative reasons related to the format of this ordinance. Any transfers of funds to LAFCo from other appropriations in the budget are prohibited without approval by a subsequent ordinance. City staff, including but not limited to the Clerk of the Board of Supervisors, may perform work for LAFCo, under a memorandum of understanding between the City and LAFCo, subject to any required approvals.

SECTION 15. Travel Reimbursement and Cell Phone Stipends.

The Controller shall establish rules for the payment of all amounts payable for travel for officers and employees, and for the presentation of such vouchers as the Controller shall deem proper in connection with expenditures made pursuant to said Section. No allowance shall be made for traveling expenses provided for in this ordinance unless funds have been appropriated or set aside for such expenses in accordance with the provisions of the Charter.

The Controller may advance the sums necessary for traveling expenses, but proper account and return must be made of said sums so advanced by the person receiving the same within ten days after said person returns to duty in the City and County of San Francisco, and failure on the part of the person involved to make such accounting shall be sufficient cause for the Controller to withhold from such persons pay check or checks in a sum equivalent to the amount to be accounted.

In consultation with the Human Resources Director, the Controller shall establish rules and parameters for the payment of monthly stipends to officers and employees who use their own cell phones to maintain continuous communication with their workplace, and who participate in a Citywide program that reduces costs of City-owned cell phones.

SECTION 16. Contributed Revenue Reserve and Audit and Adjustment Reserve.

The Controller is hereby authorized to establish a Contributed Revenue and Adjustment Reserve to accumulate receipts in excess of those estimated revenues or unexpended appropriations stated herein. Said reserve is established for the purpose of funding the budget of the subsequent year, and the receipts in this reserve are hereby appropriated for said purpose. The Controller is authorized to maintain an Audit and Adjustment Reserve to offset audit adjustments, and to balance expenditure accounts to conform to year-end balancing and year-end close requirements.

SECTION 17. Airport Service Payment.

The moneys received from the Airport's revenue fund as the Annual Service Payment provided in the Airline-Airport Lease and Use Agreement are in satisfaction of all obligations of the Airport Commission for indirect services provided by the City and County of San Francisco to the Commission and San Francisco International Airport and constitute the total transfer to the City's General Fund.

The Controller is hereby authorized and directed to transfer to the City's General Fund from the Airport revenue fund with the approval of the Airport Commission funds that constitute the annual service payment provided in the Airline - Airport Lease and Use Agreement in addition to the amount stated in the Annual Appropriation Ordinance.

On the last business day of the fiscal year, unless otherwise directed by the Airport Commission, the Controller is hereby authorized and directed to transfer all moneys remaining in the Airport's Contingency Account to the Airport's Revenue Fund. The Controller is further authorized and directed to return such amounts as were transferred from the Contingency Account, back to the Contingency Account from the Revenue Fund Unappropriated Surplus on the first business day of the succeeding fiscal year, unless otherwise directed by the Airport Commission.

SECTION 18. Pooled Cash, Investments.

The Treasurer and Controller are hereby authorized to transfer available fund balances within pooled cash accounts to meet the cash management of the City, provided that special and non-subsidized enterprise funds shall be credited interest earnings on any funds temporarily borrowed therefrom at the rate of interest earned on the City Pooled Cash Fund. No such cash transfers shall be allowed where the investment of said funds in investments such as the pooled funds of the City and County is restricted by law.

SECTION 19. Matching Funds for Federal or State Programs.

Funds contributed to meet operating deficits and/or to provide matching funds for federal or State aid (e.g. Medicaid under SB 855 or similar legislation for Zuckerberg San Francisco General Hospital) are specifically deemed to be made exclusively from local property and business tax sources.

SECTION 20. Advance Funding of Bond Projects – City Departments.

Whenever the City and County has authorized appropriations for the advance funding of projects which may at a future time be funded from the proceeds of general obligation, revenue, or lease revenue bond issues or other legal obligations of the City and County, the Controller shall recover from bond proceeds or other available sources, when they become available, the amount of any interest earnings foregone by the General Fund as a result of such cash advance to disbursements made pursuant to said appropriations. The Controller shall use the monthly rate of return earned by the Treasurer on City Pooled Cash Fund during the period or periods covered by the advance as the basis for computing the amount of interest foregone which is to be credited to the General Fund.

SECTION 21. Advance Funding of Projects – Transportation Authority.

Whenever the San Francisco County Transportation Authority requests advance funding of the costs of administration or the costs of projects specified in the City and County of San Francisco Transportation Expenditure Plan which will be funded from proceeds of the transactions and use tax as set forth in Article 14 of the Business and Tax Regulations Code of the City and County of San Francisco, the Controller is hereby authorized to make such advance. The Controller shall recover from the proceeds of the transactions and use tax when they become available, the amount of the advance and any interest earnings foregone by the City and County General Fund as a result of such cash advance funding. The Controller shall use the monthly rate of return earned by the Treasurer on General City Pooled Cash funds during the period or periods covered by the advance as the basis for computing the amount of interest foregone which is to be credited to the General Fund.

SECTION 22. Controller to Make Adjustments, Correct Clerical Errors.

The Controller is hereby authorized and directed to adjust interdepartmental appropriations, make transfers to correct objects of expenditures classifications and to correct clerical or computational errors as may be ascertained by the Controller to exist in this ordinance. The Controller shall file with the Clerk of the Board a list of such adjustments, transfers and corrections made pursuant to this Section.

The Controller is hereby authorized to make the necessary transfers to correct objects of expenditure classifications, and corrections in classifications made necessary by changes in the proposed method of expenditure.

SECTION 22.1 Controller to Implement New Financial and Interfacing Subsystems.

In order to further the implementation and adoption of the Financial and Procurement System's modules, the Controller shall have the authority to reclassify departments' appropriations to conform to the accounting and project costing structures established in the new system, as well as reclassify contract authority utilized (expended) balances and unutilized (available) balances to reflect actual spending.

SECTION 23. Transfer of State Revenues.

The Controller is authorized to transfer revenues among City departments to comply with provisions in the State budget.

SECTION 24. Use of Permit Revenues from the Department of Building Inspection.

Permit revenue funds from the Department of Building Inspection that are transferred to other departments as shown in this budget shall be used only to fund the planning, regulatory, enforcement and building design activities that have a demonstrated nexus with the projects that produce the fee revenues.

SECTION 25. Board of Supervisors Official Advertising Charges.

The Board of Supervisors is authorized to collect funds from enterprise departments to place official advertising. The funds collected are automatically appropriated in the budget of the Board of Supervisors as they are received.

SECTION 26. Work Order Appropriations.

The Board of Supervisors directs the Controller to establish work orders pursuant to Board-approved appropriations, including positions needed to perform work order services, and corresponding recoveries for services that are fully cost covered, including but not limited to services provided by one City department to another City department, as well as services provided by City departments to external agencies, including but not limited to the Office of Community Investment and Infrastructure, the Treasure Island Development Authority, the School District, and the Community College. Revenues for services from external agencies shall be appropriated by the Controller in accordance with the terms and conditions established to perform the service.

SECTION 26.1 Property Tax System

In order to minimize new appropriations to the property tax system replacement project, the Controller is authorized and directed to apply operational savings from the offices of the Tax Collector, Assessor, and Controller to the project. No later than June 1, 2018 the Controller shall report to the Budget and Legislative Analyst's Office and Budget and Finance Committee on the specific amount of operational savings, including details on the source of such savings, in the budgets of Tax Collector, Assessor, and Controller that are re-allocated to the Property Tax System Replacement Project

SECTION 27. Revenue Reserves and Deferrals.

The Controller is authorized to establish fee reserve allocations for a given program to the extent that the cost of service exceeds the revenue received in a given fiscal year, including establishment of deferred revenue or reserve accounts. In order to maintain balance between budgeted revenues and expenditures, revenues realized in the fiscal year preceding the year in which they are appropriated shall be considered reserved for the purposes for which they are appropriated.

SECTION 28. Close-Out of Reserved Appropriations.

On an annual basis, the Controller shall report the status of all reserves, their remaining balances, and departments' explanations of why funding has not been requested for release. Continuation of reserves will be subject to consideration and action by the Budget and Finance Committee or Budget and Appropriations Committee. The Controller shall close out reserved appropriations that are no longer required by the department for the purposes for which they were appropriated.

SECTION 28.1. Reserves Placed on Expenditures by Controller.

Consistent with Charter Section 3.105(d), the Controller is authorized to reserve expenditures in the City's budget equal to uncertain revenues, as deemed appropriate by the Controller. The Controller is authorized to remove, transfer, and update reserves to expenditures in the budget as revenue estimates are updated and received in order to maintain City operations.

SECTION 29. Appropriation Control of Capital Improvement Projects and Equipment.

Unless otherwise exempted in another section of the Administrative Code or Annual Appropriation Ordinance, and in accordance with Administrative Code Section 3.18, departments may transfer funds from one Board-approved capital project to another Board-approved capital project. The Controller shall approve transfers only if they do not materially change the size or scope of the original project. Annually, the Controller shall report to the Board of Supervisors on transfers of funds that exceed 10% of the original appropriation to which the transfer is made.

The Controller is authorized to approve substitutions within equipment items purchased to equip capital facilities providing that the total cost is within the Board-approved capital project appropriation.

The Controller is authorized to transfer approved appropriations between departments to correctly account for capitalization of fixed assets.

The Controller is authorized to shift sources among cash and COP-funded capital projects across General Fund departments to ensure the most efficient and cost-effective administration of COP funds, provided there is no net increase or decrease in project budgets.

SECTION 30. Business Improvement Districts.

Proceeds from all special assessments levied on real property included in the property-based business improvement districts in the City and County of San Francisco are hereby

appropriated in the respective amounts actually received by the City and County in such fiscal year for each such district.

The Controller is authorized to disburse the assessment revenues appropriated by this section to the respective Owners' Associations (as defined in Section 36614.5 of the Streets and Highways Code) for such districts as provided in the management district plans, resolutions establishing the districts, annual budgets and management agreements, as approved by the Board of Supervisors for each such district, for the purposes authorized therein. The Tourism Improvement District and Moscone Expansion Business Improvement District assessments are levied on gross hotel room revenue and are collected and distributed by the Tax Collector's Office.

SECTION 31. Infrastructure Financing and Infrastructure Revitalization Financing Districts.

Pursuant to California Government Code Section 53395 et seq. (IFD Law), the Board of Supervisors has formed Infrastructure Financing (IFD) and Infrastructure Revitalization Financing (IRFD) Districts within the City and County of San Francisco. The Board of Supervisors hereby authorizes the Controller to transfer funds and appropriation authority between and within accounts related to City and County of San Francisco IFDs and IRFDs to serve accounting and State requirements, the latest approved Infrastructure Financing Plan for a District, and applicable bond covenants.

When 100% of the portion of property tax increment normally appropriated to the City and County of San Francisco's General Fund or Special Revenue Fund or to the County's Educational Revenue Augmentation Fund (ERAF) is instead pledged, based on Board of Supervisors Ordinance, the Controller may increase or decrease appropriations to match actual revenues realized for the IFD or IRFD. Any increases to appropriations would be consistent with the Financing Plan previously approved by the Board of Supervisors.

IFD/IRFD No / Title	Ordinance	Estimated Tax Increment *	
		FY 2023-24	FY 2024-25

*Estimated tax increment per approved Infrastructure Financing Plans.

SECTION 32. Community Facilities and Special Tax Districts.

Pursuant to California Government Code 53311 et seq. (the Mello-Roos Community Facilities Act of 1982) and Chapter 43, Article X of the San Francisco Administrative

Code, which incorporates the Mello-Roos Community Facilities Act of 1982, the Board of Supervisors has formed Community Facilities Districts (CFDs) and Special Tax Districts (STDs) within the City. Proceeds from special taxes levied on property in the CFDs/STDs are hereby appropriated in the respective amounts actually received by the City in such fiscal year for each such district.

The Controller is authorized to disburse the special tax revenues appropriated by this section as provided in the Joint Community Facilities Agreements, Development Agreements, Disposition and Development Agreements, and Ordinances levying special taxes, as approved by the Board of Supervisors for each such district for the purposes authorized therein.

The Controller may transfer funds and appropriation authority between and within accounts related to CFDs and STDs to serve accounting requirements, the Board of Supervisors approved CFD/STD Report for each district (as approved in the referenced Ordinances), and applicable bond covenants.

The table below provides estimated special tax revenues for informational purposes; only amounts actually received by the City and County of San Francisco for each district in any given fiscal year are authorized to be expended.

SECTION 32.1. Exclusion of Projected Unassigned Fund Balance from Budget Stabilization Reserve.

Seventy-nine million, five hundred and five thousand dollars (\$79,505,000) of projected but unbudgeted, unassigned fund balance from fiscal year 2022-23 is designated for balancing future budget shortfalls in FY 2024-25 and after. This amount shall not be included in the calculations of deposits to the Budget Stabilization Reserve described in Administrative Code Section 10.60 (c).

SECTION 32.2. Federal and State Emergency Revenue Revisions.

The Controller is authorized to revise approved revenue budgets for federal and state emergency-related revenues to manage timing differences and cash flow needs driven by changing granting agencies' guidance and approvals, provided that such adjustments shall not change cumulative total revenue budgets in a given fund for the period from fiscal years 2020-21 through 2024-25. Such revisions shall not change approved expenditure authority. The Controller shall report any such revisions to the Mayor and Board within 30 days of their enactment.

SECTION 33. Federal, State and Local Match Sources & Uses Accounting for COVID-19 Emergency.

The Controller is authorized to adjust federal and state sources appropriations to reflect eligible costs by authorized spending category, to ensure cost reimbursement recovery revenues are maximized, and to align eligible costs to the appropriate federal or state fund, provided there is no net increase or decrease to COVID-19 emergency response revenues or expenditures. Adjustments may be made across fiscal years.

SECTION 34. Transbay Joint Powers Authority Financing.

Sources received for purposes of payment of debt service for the approved and issued Transbay Community Facilities District special tax bonds and the approved and drawn City bridge loan to the Transbay Joint Powers Authority are hereby appropriated.

(1) Interest payment will be offset in part by available federal subsidies of interest.

(2) Debt service will be offset by available tobacco settlement revenues (TSR). The offset assumes that TSR will be available to cover GOBs debt service with respect to Laguna Honda Hospital Series 2008-R3 and Laguna Honda Hospital Series 2005A & 2005I. Series 2005A & 2005I were refunded by GOB Refunding Series 2011-R1 and Series 2008-R3 by GOB Refunding Series 2015-R1. GOB Refunding Series 2011-R1 was subsequently refunded by GOB Series 2021-R2.

(3) For AAO purpose, the totals in the summary are gross of net bid premium, federal subsidies and tobacco settlement revenue.

We would increase our community offerings from two days to five days per week, add an additional 20 hours of programming per week, and serve an additional 100 residents per year (225 total residents annually) with improved participant outcomes in living more independently, strengthening minds, bodies, and spirits, and most importantly, increased socialization and reduced isolation.	\$20,000	\$20,000	Continuing support for a program that has expiring funding	6 years	Department of Aging and Adult Services	The Stonestown Family YMCA-Parkmerced Program has been serving Parkmerced seniors' and adults with disabilities yearly since 2017 by providing programming that supports helping participants live more independently, attend programs that strengthen their minds, bodies, and spirits, and most importantly provide socialization and friendship. Prior to COVID, Parkmerced, LLC owned by Maximus Real Estate Partners, who we partner with to provide space for programming and outreach support, contributed an additional \$25,000 annually to support the program. Due to increased vacancies during covid within their housing, the funding ceased, and required us to decrease operations from five days per week to only two days per week. While the housing outlook looks for promising, Parkmerced, LLC has still not reinstated their community support funding. To receive a yearly addback of \$20,000 from Supervisor Melgar allows us to increase our community offerings from two days to five days per week, adds and additional 20 hours of programming per week, and we will serve an additional 100 residents to total 225 participants. If Sup. Melgar may be interested in funding this for FY's '23-24 and '24-'25, we could have this funding baselined to our funding we receive from DAS. This program is currently funded with \$85,233 through the City & County of San Francisco's Department of Aging and Adult Services. Please let me know.	District 7

We serve working class immigrants citywide, who speak a variety of languages. We were formed in 2017 to conduct community education, and engage city stakeholders to boost civic participation and leadership of immigrant families in their schools and communities. The Collaborative consists of organizations that work at the intersection of immigrant rights, civic participation, and education equity. Our work goes beyond immigrant voting rights to encompass civic participation, leadership development, and immigration legal referrals. Our work includes: Community Education - Since its inception the IPVC has reached 76,922 parents with information about their right to vote, referrals to immigration legal services, and opportunities to engage in decision making processes at local schools. Coordination with City agencies - IPVC has worked closely with several city agencies to ensure a streamlined process for immigrant voters at registration and polling, and access to opportunities for broader civic engagement in local communities. Specifically, IPVC has partnered with the Office of Civic Engagement and Immigrant Affairs, San Francisco Unified School District, the City Attorney's Office, and the San Francisco Department of Elections. Make Immigrant Civic Participation Accessible - IPVC has connected limited-English proficient, working class immigrant parents, who otherwise wouldn't have access to spaces of decision making power, with onramps to influence change in the school district and within their local school sites through participation in meetings, focus groups, events, and formal bodies such as Board of Education spaces, LCAP meetings, ELACs and DLACs. More broadly, beyond the funded work of the IPVC, the collaborative also shares models, sample materials, and strategies for other municipalities seeking to initiate and implement immigrant voting efforts, putting San Francisco on the map as a nationwide leader in immigrant voting. We have begun outreach to the Stonestown YMCA and the Park Merced Clubhouse program and have their stated approval to begin classes. We are now seeking your help for funding to create new Art With Elders classes for their senior and disabled constituents in District 7. Our Mission Art With Elders uses the power of art, creativity, and community to enrich the journey of aging. Overview: Fighting elder isolation since 1991, AWE has brought community to 12,000 older adults in 75 senior centers across every Bay Area county through free/low-cost fine arts classes. A dozen exhibits a year, seen by 250,000 people, engage elder artists and audiences through the power of creativity, deepening connection between cultures and generations. AWE programs provide older adults from all walks of life with a vehicle for self-expression, social connection, and a presence in the community. Need: According to the National Academies of Sciences, Engineering, and Medicine, 1 in 4 adults over 65 were considered socially isolated even before the pandemic began. Impact: "I frankly wouldn't be alive if it weren't for Art With Elders. Three years ago, I felt my life winding down...now I'm learning new skills at age 94." — Shirley • Working for Those Who Need It Most: The majority of AWE students are low-income, BIPOC, and disabled. Not a country club per se, the CCC is a welcoming community center and coffee shop in the heart of the San Francisco's Castro district. The CCC is open to anyone seeking recovery from the damaging effects of alcohol and drug dependency. We provide job training and skills building, peer counseling, social support, and a meeting space for 12-step and other recovery programs. All of these services are crucial to ensure the LGBT community secures equality for all its members, many of whom face life-threatening issues related to addiction and alcoholism.</p> <p>Funding from the mayors budget will continue support for the CCC's Jobs Training and Skills Building Program, which has provided LGBTQ people who are newly recovering from alcoholism and/or addiction with an opportunity to learn and/or improve critical professional and interpersonal skills.</p> <p>This program was first funded in 2017 and has graduated 180 people since the inception. Developing or reestablishing fundamental employment skills is a valuable component to a person's long-term success in overcoming addiction and alcoholism. Through this program, the CCC supplements existing volunteer cafe training activities with a full-fledged barista training and certification program.</p> <p>One of the biggest challenges for people in early sobriety is simply learning how to live, work and socialize without drugs or alcohol. By providing a safe, supportive, stigma-free environment, the CCC offers a unique venue for job skills development for those early in recovery from alcoholism and addiction. Because cafe staff and other volunteers have also been through the early stages of recovery, the people who participate in the training program receive unstructured peer, social support and fellowship.</p> <p>CDC studies have shown that, when compared with the general population, LGBTQ individuals are more likely to use alcohol and drugs, have higher rates of substance abuse, and continue heavy drinking into later life. There is also a clear and demonstrable relationship between substance use/abuse and high-risk behaviors that can lead to a greater chance of contracting HIV and other STD's. Please continue to fully invest in Family Resource Centers and Family Support Organizations	\$23.1M	\$26.7M	An expansion of an existing program or initiative	The FRC Initiative has been funded since 2009.	DEC, DCYF and HSA	<p>The Family Resource Center (FRC) Alliance is respectfully requesting your full support of DEC's proposed FRC Annual Budget of \$23.1M for FY 23 and \$26.7M in FY 24.</p> <p>The FRC Alliance is a network of 40+ family support organizations, including 26 neighborhood and population-based Family Resource Centers. FRC organizations are key to San Francisco's recovery as they provide culturally and linguistically responsive, trauma-informed services for approximately 40,000 parents/caregivers and their children and effectively help families navigate our City's systems and resources. FRCs were on the frontlines of supporting children and families during the pandemic and continue to always have an open door.</p> <p>Many families served by the FRC Alliance face challenges such as systemic racism, poverty, income inequality, immigration, mental health issues, and intergenerational trauma. FRCs also support populations that need specialized services, including families experiencing homelessness, LGBTQ families, families with children with disabilities, young parents, and families with children exposed to violence. The FRC Alliance supports this proposed DEC budget to help ensure all San Francisco families are able to recover, build back stronger, and thrive in our city.</p> <p>The research is clear, 50% of a child's healthy growth and development depends on family support. A child's development happens within the context of their family, requiring a two-generation approach, working alongside the city's early childhood and educational systems to support child and family wellbeing. As noted in the DEC's Strategic Plan and the Mayor's Children and Families Recovery Plan, now more than ever, family support is an essential component of a successful early care and education system.</p> <p>For these reasons, the FRC Alliance asks for your support of the DEC by fully including their budget proposal in the signed version of the budget. Thank you for your ongoing commitment and dedication to the families in our City.</p>	Citywide, District 1, District 2, District 3, District 4, District 5, District 6, District 7, District 8, District 9, District 10, District 11

With 2,700 women experiencing homelessness on any given night and over 2,000 visiting the drop-in each year, it is imperative that we not only fill the gap in their budget but further expand this service to meet the unique safety needs of women.	\$2,560,845	\$2,740,104	An expansion of an existing program or initiative	Department of Public Health	A Woman's Place has been in existence since 1998.	the National Network to End Domestic Violence, more than 90% of cis and trans unhoused women experience severe physical and sexual abuse at some point in their lives. Women are 106 times more likely to experience sexual assault in coed shelters than in housing, though they do also experience sexual assault in housing. They are the majority and disproportionately people of color. The average age of death for chronically homeless women is 48 years old compared to 83 years old for housed women. Despite these heartbreaking statistics, only 10% of women experiencing homelessness in San Francisco can access women-only transitional and permanent housing options, with only one 24/7 drop-in center focused on women. Right now, that drop-in center, A Woman's Place operated by Community Forward SF, is in danger of closing. Thanks to support from the Board of Supervisors last year, Community Forward SF (CFSF) was able to reopen the women's drop-in center in its old building after being closed through the pandemic. The funding has already impacted over 1,000 women since reopening in November 2022, with new and improved recliner chairs providing a safe space to rest for 32 women every night. Sadly the building currently housing A Woman's Place (AWP) drop-in has been sold and the lease expires at the end of December. In order to be competitive in the current market and address a major historic budget shortfall, CFSF is in need of additional funding. Drop-in centers are a critical "front door" to engaging in services. Most clients at AWP drop-in are homeless, suffer from mental illness, and are often victims of violence. AWP provides a safe, trauma-informed and harm-reduction based space to enable clients to participate in programming that supports personal recovery. AWP's programs provide care to single women without children and are open to cis and transgender women with special needs due to mental disabilities, sexual or domestic violence, drug and alcohol abuse, and HIV/AIDS-related issues. AWP Drop-In Center is the only low-barrier center open 24-hours and seven days a week for female-identified unhoused individuals in San Francisco.	Citywide

No but historically this has come from OEWD	In partnership with the residents and businesses on San Bruno Ave, the Portola Neighborhood Association is creating a 7 block long public greenspace called the "Freeway Greenway." This project will provide desperately needed natural open space to address the unusually high level of environmental risk that our underserved community continues to endure. We are at a critical junction in this project where we cannot open our gates to the first 2 block stretch of the greenway until the completion of our northern gateway at "Thornton Pocket Park." This project which started in 2016 as a partnership with SFPD and Caltrans was stuck in bureaucratic red tape until 2022 which depleted project funds. Now with all permitting approved, we are in need of funding to complete this project which will construct a vital linkage to the San Bruno Ave business district. Providing access to greenspace for residents, merchants, customers and workers by 2024. Our needs include the completion of accessible DG paving, landscape materials, welcome gates and a highly visible public art piece to draw attention to the mostly hidden entrance. Additionally, we are completing a multilingual community based study with SiteLab Urban Studio to design and permit the next 5 blocks to the south of the existing Freeway Greenway space. With phase 1 of this study fully financed and underway, Phase 2 will complete the study. Allowing us to unlock permissions and gain access to the site for clearing and environmental remediation. These organizational enhancements aimed over the next one to two years total between \$177,500-\$187,500 annually. Our request of \$60,000 per year reflects roughly 30% of the total cost. We plan to cover the additional amount with our multi-year grant of \$50,000 from the Viragh Foundation and a request for the remaining costs through our home district of District 11, which we have already submitted. Before the pandemic, Performing Arts Workshop was the primary offering for Pre-K artistic programming in San Francisco, running 175 residencies impacting 1,883 primarily BIPOC students (ages 3-5) in the Bay Area to provide a holistic education that includes the arts. In 2021-2022, we restarted our Pre-K program and ran nine residencies spanning performing arts, dance, and visual arts for over 100 students at two sites in San Francisco. In 2022-2023, the Workshop has grown and stabilized partnerships with a number of Pre-K and TK sites across San Francisco. For 2023, we have nine residencies planned at four sites and plan to continue to recruit and grow our impact to pre-pandemic levels and beyond. This work was jump-started by a rebuilding grant awarded to us by the Viragh Family Foundation which is committed to sustained funding as we grow and diversify our support.	Citywide, District 11

GLIDE has had the CHANGES contract going back to at least 2004-2005, and for the last several years it has been under the Department of Homelessness and Supportive Housing (HSH).	Human Services Agency and/or Department of Disability and Aging Services for the HVAC request and Department of Homelessness and Supportive Housing for the emergency assistance and personnel requests	FY24-25 in GLIDE's Meals program and Walk-in Center. These requests, which will be broken down in the line item budgets and supporting materials. We are requesting \$632,000 one-time for an HVAC system for our Meals Program. This request also includes \$98,276 in indirect costs (15.55 percent), which brings the total request to \$730,276. The space for indoor congregate meal service has historically been located on the basement level of GLIDE's main building, where there is limited air circulation. Prior to the pandemic, ventilation had not been an issue, but the continuous rise and fall of COVID-19 infection rates necessitates the need for an air circulation system. The HVAC system will allow GLIDE to safely resume indoor congregate meal service for the community and provide a clean, healthy environment for program participants. The HVAC system will especially benefit the older adults and adults with disabilities whom we serve. On average, the older adults we serve are 75 years old, and an overwhelmingly disproportionate 80 percent are Asian and nine percent are Black. Among the adults with disabilities who participate in our meal program, 32 percent are Black, 15 percent are Hispanic or Latinx, 12 percent are Chinese, and six percent are American Indian or Alaska Native. Annually, a combined 56,000 meals are served by these two contracts, which are housed under the Department of Disability and Aging Services. Meanwhile, we have already experienced a steady increase in people seeking food access, and we are anticipating that many more will turn to our Meals Program as the end of CalFresh emergency allotments affects people across the city. GLIDE is also requesting an additional \$286,564 (FY23-24) and \$286,564 (FY24-25) ongoing through our HSH CHANGES contract that would be used for personnel salary increases (\$13,130 total to seven staff), funding for an additional house case manager (\$80,171 – \$63,127 salary plus \$21,733 in fringe benefits), emergency financial assistance totaling \$150,000, and \$38,573 in indirect costs (15.55 percent, consistent with our existing CHANGES contract). Emergency financial assistance in the form of direct payments to clients will be used to support rental assistance, including back rent, move-in assistance (e.g., deposits, furniture), travel and relocation assistance, removal of barriers (e.g., pest extermination, car repairs), and anything that contributes to timely resolution of a housing crisis. The funding we receive will help serve our community in Visitacion Valley as well as the greater San Francisco area as our reach has increased over the past few years. We have many clients who are coming from all over San Francisco due to their satisfaction with our program and our ability to resolve their problems in a culturally competent way as well as connect and provide access to services they need. Frameline's 47-year history has been committed to serving the broad diversity of the greater LGBTQ+ communities that are often under- or misrepresented in mainstream film. With Frameline's Festival programming, we provide a safer space for our communities to gather, view more accurate reflections of our stories onscreen, and consider issues relevant to our own personal experiences, followed by meaningful discussions with the filmmakers, community leaders, and activists. We also see Frameline programs addressing livability and how American communities are strengthened through their interaction with the arts. These films help counter discrimination and prejudice by also educating heterosexual and cis-gendered people, creating new allies, fostering empathy, and expanding the cultural competency of those in queer communities about the complexity of issues faced by LGBTQ+ youth, elders, people of color, transgender and gender nonconforming people. ADDITIONAL BACKGROUND: For nearly 50 years, Frameline has remained the global leader of arts programming in film targeted specifically toward the LGBTQ+ communities. Frameline has maintained this demonstrated history by presenting the world's first, largest, and longest-running international LGBTQ+ film festival. Frameline is proud to have been homegrown right here in San Francisco in 1977, and we are proud that our vibrant history continues to inform our provision of LGBTQ+ film art programming, especially in District 8. For decades, Frameline's arts programming has countered discrimination and prejudice by educating heterosexual and cisgender people, creating new allies, fostering empathy, and expanding cultural competency about the complexity of issues faced by LGBTQ+ youth, elders, BIPOC, transgender, and gender nonconforming people. Our programs bring high quality films and their creators directly to audiences to experience topics relevant to underserved audiences within LGBTQ+ communities. This enables Frameline to deliver on our mission to challenge preconceived ideas and stereotypes of our community and educate audiences to build greater support of human rights for all. Frameline's Board of Directors reflects the diversity of our constituent communities, comprising highly successful LGBTQ+ people in a range of industries who ensure equity and fiscal responsibility in all that we do. Additionally, the strong majority of Frameline's staff identify as BIPOC, LGBTQ+, and/or gender non-conforming and reflect the diverse communities we serve. All staff help to develop the themes and outcomes for Frameline arts programming and events, drawing on their lived experiences to maintain sharp focus on highlighting underserved voices and narratives. We truly appreciate the City's consideration of our funding request. BHNHC has covered these areas without funding and during COVID-19. Frameline is the world's first and largest LGBTQ+ film festival and headquartered in the Ninth Street Corridor, making District 6 the hub of the world capital of queer film. As with any industry conference, Frameline Industry Day will activate and enliven Mid-Market as hundreds of LGBTQ+ global film leaders will work, stay, and play in the area, making this an economic success story worthy of City investment. Frameline Industry Day will begin at 10am with an industry networking brunch with keynote address in the foyer of the Dolby Laboratories building. Following this opening segment, all LGBTQ+ film industry attendees will continue onward to various breakout sessions. The SF Public Library will also be activated for these industry breakout sessions. Frameline Industry Day will conclude in the evening with an industry networking hour at a District 6/Mid-Market space, such as Folsom Street Events or Positive Resource Center. As Frameline continues to struggle post-pandemic, we appreciate and urge for the City's careful consideration of investment in us, which we know will help us to sustain and grow as the crown jewel of LGBTQ+ film. The funding will help reach an additional 5,000 students starting in the next school year, reaching a total 10,000 SFUSD students since the tutoring initiative started in 2021.	\$300,000	\$300,000	An expansion of an existing program or initiative	At the beginning of the 2022-2023 fiscal year, we were awarded a 2-year grant from DCYF to provide \$50,000 (per year) of support to this tutoring initiative.	DCYF	for over 40 years. We currently serve 93 of 99 SFUSD K-12 schools, and cover every Supervisory District (list of schools served will be emailed with budget details) in San Francisco with approximately \$6M in programming covering quality learning, mental wellness, college scholarships to SFUSD graduates, grants to SFUSD teachers, and placement of SFUSD's classroom volunteers and corporate partnerships with schools. High-Impact Tutoring Initiative to Address COVID Unfinished Learning: In response to the devastating impact of the pandemic on student learning, SF Ed Fund launched a high-impact tutoring initiative in 2021, in collaboration with SFUSD and DCYF. High-impact tutoring is a high-dosage tutoring approach, delivered by professional tutors, that is research-backed with curriculum to accelerate learning gains in student literacy and math. To date, we have served over 6000 students, and assessments show that students receiving tutoring are making academic gains of at least 2x the rate of other students, with some sub-groups gaining at almost 3x the rate. The majority of the initial funding for this initiative was supported by SFUSD through ESSER funding (federal COVID relief funding provided to schools). However, as we face the termination of this funding source and SFUSD continues to face a severe budget shortfall, the SF Ed Fund has launched Accelerate Learning SF, a \$3M campaign to fund learning acceleration/high-impact tutoring for an additional 5000 students starting in the '23-24 school year, with a focus on the most under-resourced students in San Francisco. These schools are 50%+ students of color, 50%+ receiving free/reduced-price lunch, and 50%+ not yet proficient in math or literacy. Reach an additional 5000 students: The SF Ed Fund's high-impact tutoring initiative, is currently the only major city-wide high-impact tutoring initiative to address COVID unfinished learning. At the beginning of the 2022-2023 fiscal year, we were awarded a 2-year grant from DCYF to provide \$50,000 (per year) of support to this tutoring initiative. For the remainder of the \$3M budget to reach an additional 5000 students, we are raising funds through grants and gifts from private donors. This is in addition to the fundraising we must do to support all of our standard	Citywide

Unless it does so, we cannot keep up the critical actions required by the Climate Action Plan. Additional staff for SFE must be hired, enabling SFE to identify and access additional funding from state and federal grants, especially to serve communities most affected by and least able to cope with the devastating health and economic effects of climate change. According to the California Air Resources Board (CARB), smog-forming pollution from using a gas-powered leaf blower for 1 hour equals pollution from driving a car 1100 miles - the distance from San Francisco to Santa Fe. The smog-forming pollution emitted from a gas-powered lawn mower for one hour is equivalent to the pollution generated from driving an internal combustion engine car 300 miles. Our Neighborhood Centers have been on the front lines serving youth and families throughout the COVID-19 pandemic. We've seen firsthand how the compounding impacts of the pandemic have given way to continued stress and hardships on young people in particular. Recent high-profile instances of youth violence and distress have only underscored the challenges that we see every day in our work. As trusted institutions in their respective neighborhoods, our centers have an important role to play in supporting youth and families. Our centers' physical presences in their communities matter. When neighbors are in need, they can walk into our centers and find a source for support, whether it be for childcare, after-school programs, or recreation. We know that we can do more. We are requesting \$150,000 in funding for a Community Convener Program that would allow our centers to greatly expand their hours that their doors are open to use by the community. With this funding, our eight Neighborhood Centers could fund hours for a staff person to host community groups at our centers and cover additional insurance for these events. This would enable community meetings, safety workshops, and town halls to be held at our neighborhood centers and bring communities together to build resilience and unity. Currently, our centers are typically closed after 5pm and on the weekends. This leaves a hole in our community - literally. Our Neighborhood Centers serve as "third places" in their communities. This type of place, which offers welcoming spaces for the community to gather outside of home and work, has been consistently shown to increase community safety. A 2020 study showed that the presence of a YMCA or Boys & Girls Club - models similar to our Neighborhood Centers - reduced the risk of assaults in a community by 24% and 28% respectively. Additionally, a study from the University of Illinois indicated that an increase in the number of "spaces for informal contact between neighbors" results in a greater sense of safety. Not only will these new spaces better serve existing YAX youth, but they will also enable more people to participate. By being in affordable housing units in areas that are rapidly gentrifying and changing, we will provide safe, relevant places for residents to send their children, serving them where they are. Story Circle provides artists with paid work and units Japanese-Americans in pursuit of unpacking hard and personal truths. For a culture that carries immense trauma because of the prison camps, but doesn't often talk about it, the simple act of sharing stories is revolutionary. Together we play music, speak poetry, dance, and share stories. Together we experience grief, levity, sorrow, joy, vulnerability, and belonging.</p> <p>Many members of the First Voice community (both artists and audience) left San Francisco in recent years due to increased costs of living. A majority of them migrated to unfamiliar communities where there aren't Asian grocery stores and people don't speak the same language. For these people who grew up in San Francisco, the birthplace of Asian America, but are now in different environments, virtual programming is a life-line to home</p> <p>The feedback we received from participants in the Second Annual Story Circle was overwhelmingly positive and articulated how needed these types of gatherings are. Being able to realize future iterations of this special event allows us to continue to connect with our intergenerational, multiracial community.</p>	\$15,000	\$15,000	Expiring program	3 years	SFAC		D1, 2, 3, 5

The City has become First Voice's sole source for ongoing funding. San Francisco Arts Commission Funds will continue to fund core personnel allowing First Voice to proceed with its 47 year legacy of investing in local artists, supporting culture bearers, and passing on the stories of the people of San Francisco. Our performances, workshops, salons, and classes are produced in Chinatown, Japantown, the Richmond and throughout the City, and annually support approximately 40 performance artists, designers, and healing artists.</p> <p>\$130,000 will be used toward paying the salaries of First Voice's two full time Co-Artistic Directors. \$10,000 will be used to pay support personnel- Andi Wong (Educational Director) and Stephen Nakajo (Director of Community Engagement). The remaining \$30,000 will fund First Voice's ongoing programmatic activity of producing four annual intergenerational learning sessions between mature and emerging artists that aim to protect, preserve, and perpetuate our cultural continuum. Continued funding of \$100,000 will be used to create new work while also giving new life to existing Japanese Jazz and original performance works pulled from a repertoire developed with San Francisco artists over the past 47 years. This goal includes recording work, publishing work, and sharing our work with other San Francisco theater, dance, film, and music artists, and is nested within our overarching goal of pushing back on Japanese cultural extinction. San Francisco artists stand to benefit directly from this both financially and from the opportunity to work with Mark and Brenda's unique material. As pioneers of contemporary Asian American performing arts, First Voice is critical to the arts and culture ecosystem of San Francisco. They picked up their meals to go or received Home Delivered Meals if they are homebound. During the past 3 years, at each of our 14 Senior Centers, meal numbers increased a lot, some centers doubled, and some tripled in the daily meals numbers. Since 1/3/23, all 14 Seniors were reopened to seniors to enjoy in-dining meals and activities. But since 1/3/23, the daily attendance dropped by 50%. This is very alarming to us who operate the programs, as well as our Caterer who prepares the meals for our seniors. They have to lay-off their employees when the number of meals a day dropped from 1500 to below 750. We need to conduct special outreach and home visits to bring the number of seniors back to our centers to prevent isolation, depression, lack of nutritious meals and lack of socialization and social engagement. 	HIV/AIDS Providers Network	Lance Toma	lance@scommunityhealth.org	415-577-9779		Budget Justice Coalition	There is significant need for expanded funding for enhanced mental health services to benefit long term survivors (LTS) of HIV especially as 73% of individuals living with HIV are aged 50 years and over. This demographic experiences accelerated aging due to the ravages of HIV on the immune system. Co-morbidities can appear in LTS some twelve years earlier and at three times the rate seen in their negative counterparts. Their health concerns are exacerbated by the intersectional problems of poverty, depression, the costs of and access to healthcare, and unstable housing. One of the greatest unmet needs for LTS identified in The San Francisco Principles 2020 is mental health care concerns, including but not limited to substance use, complex PTSD, racism, sexism, ageism, homophobia and transphobia. To continue to keep pace with the growing demands and needs of LTS mental health concerns HAPN is asking for \$500,000 to strengthen the system of care for LTS.	\$500,000	\$500,000	New		SFDPH	Health (HIV/AIDS, Hep C, Behavioral Health)	5,840
	HIV/AIDS Providers Network	Lance Toma	lance@scommunityhealth.org	415-577-9779		Budget Justice Coalition	For many years, members of the HIV services client and provider community have expressed the need for expanded behavioral health services to address people living with HIV who struggle with acute psychiatric and mental health challenges. There is increased need to build upon proven-successful intensive case management programs focused on the highest utilizers of emergency services, most of whom are experiencing acute and severe behavioral challenges and who are out of care due to these challenges. To expand intensive case management programs with experienced behavioral health staff who have high levels of clinical training and/or experience (e.g., LCSWs, MSWs, or providers with significant years of experience with the system of care and resources in San Francisco) and who are working in close coordination with each other, strengthening care coordination throughout the system, and working closely with the SFDPH system, will ensure the most complex clients living with HIV are continually engaged in care and treatment. The shallow subsidy program aims to reduce the risk of housing dislocation faced by mixed status families by limiting household rent burden. The program is at risk of not being renewed and thereby putting more families at risk of eviction. Instead, this request calls for an expansion of the program to support additional families not currently receiving the subsidies and to decrease the rent burden for participating families from the current 60% down to 50%, which is in line with other subsidies the city provides.	\$722,000	\$758,100	Expansion	MOHCD	Housing/ eviction prevention/ homelessness services	84 mixed-status families

	Excelsior Works! Capacity Building for Workforce Development in D11	Noelle Horario	noelle.horario@excelsiorworks.org	(530) 933-5324		Budget Justice Coalition	Request for \$75k in additional funding for the 2023/24 FY that would support capacity building to support our organization through transitions post COVID community response along with a recent leadership change. COVID response funding was much needed but also disruptive to CBOs given the one-time nature of the funding. We were required to scale up quickly and we continue to meet growing needs, but the abrupt cuts in funding this year require us to now focus on capacity and long-term stability to sustain our organization's role in the community to continue providing workforce development services. With our current contract through MOHCD, we are able to surpass our program deliverables to serve over 200 residents in District 11 per year. However, our staff's monthly capacity for intake of about 30 new clients plus followup from previous months is strained regularly with a monthly waitlist of over 30 more clients waiting for services. The recovery after the pandemic is a significant factor for residents seeking to achieve economic security and our center also continues to receive an influx of clients who are new arrivals from Central and South America in need of resource connections. This funding would allow us to expand on the work we are already conducting successfully in the community by allowing us to focus on organizational development to stabilize post-covid response programs, build sustainable fundraising infrastructure, and tend to staff wellness needs.	\$405,000	\$405,000	Expansion		MOHCD, OEWD	Workforce Development	> 300 D11 residents and their families

This weekly class teaching 15 immigrants a quarter will be able to receive updated curriculum and staff support to meet the increased demand on these applications from recent policy changes.	60,000	60,000	New	0	OCEIA	Applications in Citizenship has increased. The Biden Administration has also improved the speed to process these to as short as 6 months to 1 year. We process 80 applications a year, but need further support to meet the additional demand. 75% of these applicants need culturally competent support with Citizenship classes that also connect them to our wrap around case management and basic needs like food, rent and diapers. Our volunteers need to restart the program in person with additional staff support to modernize the curriculum of a 30 year volunteer program paused for 2 years during COVID.	CityWide
sflatinoparityequity@gmail.com	CJ2	Lariza Dugan	lariza@carecensf.org	415-309-9659	No	SFLPEC	Sustain Case Management, Peer Support groups, Service Connection and System Navigation for transitional age youth impacted by violence, trafficking and caught in the crim-immigration court system. Geographically the focus is in the mid-market, SOMA and Tenderloin communities.	150,000	150,000	Continuing program	4	DCYF	Latinx, immigrant and extremely low-income TAY connected to CARECEN's Second Chance Case Managers receive court accompaniment, system navigation/service connection support, one-on-one mental health, bi-lingual peer support groups and culturally responsive enrichment activities. Of total youth served, 80% successfully avoid arrest/charges for another crime. 80% complete probation and have charges dropped. 90% of youth report increased sense of social connectivity, understanding of their rights & immigration legal case. Average cost per youth served annually is \$10K.	City Wide, D9, D10, D11, D5, D6

YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$151,565,347 budget for FY 2023-24, as proposed by the Mayor, is \$8,880,821 or 6.2%% more than the original FY 2022-23 budget of \$142,684,526.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 208.75 FTEs, which are 15.57 FTEs more than the 193.18 FTEs in the original FY 2022-23 budget. This represents an 8.1% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$130,795,166 in FY 2023-24 are \$6,725,520 or 5.4% more than FY 2022-23 revenues of \$124,069,646.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$150,603,687 budget for FY 2024-25, as proposed by the Mayor, is \$961,660 or 0.6% less than the Mayor’s proposed FY 2023-24 budget of \$151,565,347.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 203.72 FTEs, which are 5.03 FTEs less than the 208.75 FTEs in the Mayor’s proposed FY 2023-24 budget. This represents a 2.4% decrease in FTEs from the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$134,129,237 in FY 2024-25 are \$3,334,071 or 2.5% more than FY 2023-24 estimated revenues of \$130,795,166.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: HRD – HUMAN RESOURCES

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Human Resources	\$111,929,472	\$108,030,770	\$118,046,396	\$142,684,526	\$151,565,347
FTE Count	172.40	177.28	203.17	193.18	208.75

The Department’s budget increased by \$39,635,875 or 35.4% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 36.35 or 21.1% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$8,880,821 primarily due to costs related to negotiating labor agreements, hosting the SF Fellows program, and salaries and benefits. Other increases include technology investments to improve citywide hiring practices.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$961,660 largely due to reductions in allocations for labor relations.

Budget Reductions

The Department reports that the Mayor proposed \$1.6 million in reductions in FY 2023-24, which are summarized in the table attached to this report. Please note that these reductions may not be reflected in the overall change in the Department's budget due to offsetting enhancements.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: HRD – HUMAN RESOURCES

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$805,491 in FY 2023-24. Of the \$805,491 in recommended reductions, \$438,923 are ongoing savings and \$366,568 are one-time savings. These reductions would still allow an increase of \$8,880,821 or 6.2% in the Department’s FY 2023-24 budget.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$446,587 in FY 2024-25, which are ongoing savings.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$171,019,125 budget for FY 2024-25, as proposed by the Mayor, is \$3,747,268 or 2.2% more than the Mayor’s proposed FY 2023-24 budget of \$167,271,857.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 261.28 FTEs, which are 1.78 FTEs more than the 259.50 FTEs in the Mayor’s proposed FY 2023-24 budget. This represents a 0.7% increase in FTEs from the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$163,865,119 in FY 2024-25 are \$4,221,651 or 2.6% more than FY 2023-24 estimated revenues of \$159,643,468.

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Department of Technology	140,490,276	131,472,645	153,023,074	153,419,700	167,271,857
FTE Count	220.42	223.75	229.27	251.65	259.50

The Department’s budget increased by \$26,781,581 or 19.1% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 39.08 or 17.7% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$13,852,157 largely due to increased cost of salary and benefits, software contracts, and services of other departments.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$3,747,268 largely due to increases in salary and benefits.

Budget Reductions

The Department reports that the Mayor proposed \$3,266,544 in reductions in FY 2023-24, which are summarized in the table attached to this report. The \$3,266,544 reductions in FY 2023-24 are net of contractual increases. The realized savings result from contract renegotiations, reduction of services no longer needed and use of prior year carryforward balances to fund operational expenditures. Additional reductions include the use of fund balance and attrition in the amounts of \$6,145,758 and \$750,000, respectively. FY 2024-25 department savings are realized largely from the use of fund balance totaling \$5,499,562.

Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: TIS – TECHNOLOGY

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$446,956 in FY 2023-24. Of the \$446,956 in recommended reductions, \$226,857 are ongoing savings and \$220,099 are one-time savings. These reductions would still allow an increase of \$13,405,201 or 8.7% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$348,099.74, for total General Fund savings of \$348,099.74.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$226,857 in FY 2024-25. Of the \$226,857 in recommended reductions, \$226,857 are ongoing savings. These reductions would still allow an increase of \$3,520,411 or 2.1% in the Department’s FY 2024-25 budget.

	Reduce budgeted amount for Systems Consulting Services due to insufficient justification. The recommended reduction would still fund the entire \$37,927 in requested funding for the creation of department-specific project interfaces, and it would fund \$25,000 of the \$75,000 requested for converting the system coding language. The Department did not provide a further breakdown of System Consulting Services costs or provide vendor contracts.							One-time savings.

Deny the requested permanent positions and instead approve two two-year limited-term positions. The Department is adding two off-budget 1053 IS Business Analyst - Senior positions, funded through the COIT Data Center of Excellence (DCOE) project. The positions are intended to develop new functionalities in support of the JUSTIS DCOE project, which has a limited duration.							One-time savings

	Programmatic Projects-Budget			\$1,369,500	\$1,317,529	\$51,971	x	x							
	Reduce budget for Programmatic Projects due to realistic hiring timeline for two new positions funded by this account. The Department is adding two off-budget 1053 IS Business Analyst - Senior positions, funded through the COIT Data Center of Excellence project. The positions are funded at 0.79 FTE each for FY 2023 but are unlikely to have start dates prior to November of 2023, based on the timeline of a FY 2022-23 hire in this job class. This recommended savings represents the difference between 0.79 FTE each and 0.67 FTE each and would still allow for these positions to be funded starting November 1, 2023. The Department’s budget decreased by \$4,687,226 or 11.1% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 0.49 or 0.3% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$2,255,761 largely due to increases in non-personnel services and salaries. These increases are partially offset by reductions in programmatic projects and services of other departments.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$634,506 largely due to increases in salaries and fringe benefits. These increases are partially offset by reductions in programmatic projects and materials and supplies.

Budget Reductions

The Department reports that the Mayor proposed \$1,589,134 in reductions in FY 2023-24, which are summarized in the table attached to this report. However, these reductions are offset by increases in other areas, as noted above in the Department’s overall budget increase of \$2,255,761.

The Department’s major budget changes were adjustments made to maintain the baseline budget. General Fund support decreased by \$759,264 in FY 2023-24 due to shifting staff to self-supporting funds to address the projected revenue shortfall. Additional reductions in interdepartmental services and materials and supplies were made to align with the prior year’s actuals. General Fund support was reduced in salaries (\$485,208), fringe benefits (\$258,831), services of other departments (\$138,552), and materials and supplies (\$12,597). These reductions are partially offset by increases in General Fund support to non-personnel expenses (\$135,924).

Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: ASR – ASSESSOR / RECORDER

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$236,250 in FY 2023-24. Of the \$236,250 in recommended reductions, \$101,242 are ongoing savings and \$135,008 are one-time savings. These reductions would still allow an increase of \$2,019,511 or 5.7% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$18,653, for total General Fund savings of \$254,903.

Our policy recommendations total \$16,008 in FY 2023-24, all of which are ongoing.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$104,304 in FY 2024-25. All of the \$104,304 in recommended reductions are ongoing savings. These reductions would still allow an increase of \$530,202 or 1.4% in the Department’s FY 2024-25 budget.

Our policy recommendations total \$16,571 in FY 2023-24, all of which are ongoing.

	<p>Over the last three years, growth in manager and deputy director positions across the City has outpaced total position growth by nearly three-fold (12.4% vs. 4.5%). Although staff in these classifications play an important role, they are more expensive per position than front line workers and generally do not provide direct services.</p> <p>The Department is proposing an upward substitution of 1.00 FTE 0923 Manager II position to an 0931 Manager III position at an added cost of \$16,008 in FY 2023-24. As shown in Recommendation ASR-7 above, the employee currently is paid above top-step at the 0923 Manager II classification.</p> <p>Given the high cost of this position and the high growth of such positions in recent years, we consider approval of this proposed upward substituted position to be a policy matter for the Board of Supervisors.</p>

YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$59,270,198 budget for FY 2023-24, as proposed by the Mayor, is \$4,659,235 or 7.3% less than the original FY 2022-23 budget of \$63,929,433.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 186.38 FTEs, which are 14.01 FTEs less than the 200.39 FTEs in the original FY 2022-23 budget. This represents a 7.0% decrease in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$47,449,674 in FY 2023-24 are \$3,238,145 or 6.4% less than FY 2022-23 revenues of \$50,687,819.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$56,372,502 budget for FY 2024-25, as proposed by the Mayor, is \$2,897,696 or 4.9% less than the Mayor’s proposed FY 2023-24 budget of \$59,270,198.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 185.27 FTEs, which are 1.11 FTEs less than the 186.38 FTEs in the Mayor’s proposed FY 2023-24 budget. This represents a 0.6% decrease in FTEs from the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$46,697,085 in FY 2024-25 are \$752,589 or 1.6% less than FY 2023-24 estimated revenues of \$47,449,674.

DEPARTMENT: CPC – CITY PLANNING

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
City Planning	55,665,484	60,446,114	61,977,580	63,929,433	59,270,198
FTE Count	221.67	217.29	207.41	200.39	186.38

The Department’s budget increased by \$3,604,714 or 6.5% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count decreased by 35.29 or 15.9% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has decreased by \$4,659,235 largely due to an expected decline in fee revenue, as the fee revenue has slowed over the past several years. The proposed budget aligns decreased spending with the anticipated continued decline of fee revenues. This is largely reflected in decreases in salaries and mandatory fringe benefits through the deletion of 24 vacant positions. Programmatic project spending is also decreased due to expiring one-time funding for community development efforts in the Tenderloin.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$2,897,696 largely due to the continued expected decrease of fee revenues. This is largely reflected in decreases in programmatic projects and services of other departments, and partially offset by increases in salary, mandatory fringe benefits, and professional services.

Budget Reductions

The Department reports that the Mayor proposed \$11,068,417 in reductions in FY 2023-24, which are summarized in the table attached to this report. Please note that these reductions may not be reflected in the overall change in the Department's budget due to offsetting enhancements.

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$572,363 in FY 2023-24. All of the \$572,363 in recommended reductions are ongoing savings.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$29,003, for total General Fund savings of \$601,366.

Our policy recommendations total \$236,597 in FY 2023-24, all of which are ongoing.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$545,903 in FY 2024-25. All of the \$245,903 in recommended reductions are ongoing savings.

Our policy recommendations total \$243,470 in FY 2024-25, all of which are ongoing.

Although, according to the Department, in FY 2023-24, the Software Licensing Fee budget will be used to fund the implementation of the City's Digital Accessibility Standard (DAIS). The City adopted the Digital Accessibility Standard (DAIS) on November 18, 2021 and last amended the standard on September 15, 2022. The Department's timeline to begin the services needed for DAIS compliance are unknown, yet the Department must be compliant by May 2024. Additionally, the Department reports an overall cost of \$3 million across three years to meet this unfunded mandate. It is unclear whether the suggested cost to comply with this mandate is justified, nor if the funds will be spent in FY 2023-24.							Ongoing savings.

	<p>The Department is proposing to maintain 1.00 FTE for a vacant 0923 Manager II position in FY 2023-24 at a cost of \$236,597. The position has been vacant since October 30, 2021, and the Department opened applications for this position June 13, 2023.</p> <p>Over the last three years, growth in manager and deputy director positions across the City has outpaced total position growth by nearly three-fold (12.4% vs. 4.5%). Although staff in these classifications play an important role, they are more expensive per position than front line workers and generally do not provide direct services.</p> <p>Given the high cost of this position and the high growth of such positions in recent years, we consider maintaining this vacant of this position to be a policy matter for the Board of Supervisors. The Board could consider reclassifying the position to a lower level, such as an 0922 Manager I, or deleting the position due to prolonged vacancy.</p>

YEAR ONE: FY 2023-24

Budget Changes

The Department's \$23,013,712 budget for FY 2023-24, as proposed by the Mayor, is \$292,566 or 1.3% less than the original FY 2022-23 budget of \$23,306,278.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 55.11 FTEs, which are 3.31 FTEs less than the 58.42 FTEs in the original FY 2022-23 budget. This represents a 5.7% decrease in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$294,229 in FY 2023-24 are \$295,062 or 50.1% less than FY 2022-23 revenues of \$589,291.

YEAR TWO: FY 2024-25

Budget Changes

The Department's \$26,405,267 budget for FY 2024-25, as proposed by the Mayor, is \$3,391,555 or 14.7% more than the Mayor's proposed FY 2023-24 budget of \$23,013,712.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 59.07 FTEs, which are 3.96 FTEs more than the 55.11 FTEs in the Mayor's proposed FY 2023-24 budget. This represents a 7.2% increase in FTEs from the Mayor's proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$738,909 in FY 2024-25 are \$444,680 or 151.1% more than FY 2023-24 estimated revenues of \$294,229.

DEPARTMENT: REG – ELECTIONS

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Elections	26,681,119	24,388,329	30,671,997	23,306,278	23,013,712
FTE Count	75.97	61.20	79.95	58.42	55.11

The Department’s budget decreased by \$3,667,407 or 13.7% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count decreased by 20.86 or 27.5% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has decreased by \$292,566 largely due to a reduced need for temporary election staff, reflected in decreases in salaries and mandatory fringe benefits. The decrease of the FY 2023-24 budget proposal results from the passage of Proposition H in the November 2022 election, through which San Francisco voters amended the City Charter to move local elections to even-numbered years. Accordingly, the proposed budget reflects the expenses the Department will incur for conducting one election, namely the March 2024 Presidential Primary Election, rather than two elections funded during the last year’s budget cycle.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$3,391,555 largely due to anticipated election costs, reflected in increases in non-personnel services, salaries, and fringe benefits. During this fiscal year, Elections will conduct one election, the November 5, 2024 Consolidated General Election.

Budget Reductions

The Department reports that the Mayor proposed \$1,975,007 in reductions in FY 2023-24, which are summarized in the table attached to this report. Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

According to Department staff, the budget reductions impact several areas of the Department’s operations, including: (1) a decrease in partnership grant funding for supplemental outreach to vulnerable populations; (2) a decrease in additional vote-by-mail ballot drop-off boxes; and (3) a decrease in funds for professional development of Department personnel.

FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: REG – ELECTIONS

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$70,763 in FY 2023-24. All of the \$70,763 in recommended reductions are ongoing savings.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$637,012, for total General Fund savings of \$707,775.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$60,337 in FY 2024-25. All of the \$60,337 in recommended reductions are ongoing savings. These reductions would still allow an increase of \$3,331,218 or 14.5% in the Department’s FY 2024-25 budget.

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Retirement System	127,947,637	39,716,333	41,360,618	43,096,861	51,479,503
FTE Count	105.48	106.83	111.98	123.85	154.22

The Department’s budget decreased by \$76,468,134 or 59.8% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 48.74 or 46.2% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$8,382,642 largely due to the addition of new positions and previously negotiated city-wide pay adjustments, reflected in increases in salaries and mandatory fringe benefits. The Department’s primary initiative this fiscal year is to add positions in the Retirement Services Division to account for increased complexity of the Plan, increase in membership, and increased demand for services from the members.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$2,625,417 largely due to the addition of new positions and previously negotiated city-wide pay adjustments, reflected in increases in salaries and mandatory fringe benefits. The Department’s primary initiative this fiscal year is to add positions in the Retirement Services Division to account for increased complexity of the Plan, increase in membership, and increased demand for services from the members.

Budget Reductions

The Department reports that the Mayor made \$165,845 in expenditure reductions in FY 2023-24, which are summarized in the table attached to this report. Please note that these reductions may not be reflected in the overall change in the Department's budget due to offsetting enhancements.

DEPARTMENT: RET – RETIREMENT SYSTEM

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$499,110 in FY 2023-24. Of the \$499,110 in recommended reductions, \$479,110 are ongoing savings and \$20,000 are one-time savings. These reductions would still allow an increase of \$7,883,532 or 18.3% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$1,379,514, for total General Fund savings of \$1,379,514.

Our policy recommendations total \$634,307 in FY 2023-24, all of which are ongoing savings.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$693,982 in FY 2024-25. All of the \$693,982 in recommended reductions are ongoing savings. These reductions would still allow an increase of \$1,931,435 or 3.8% in the Department’s FY 2024-25 budget.

Our policy recommendations total \$719,525 in FY 2024-25, all of which are ongoing savings.

YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$1,809,307,870 budget for FY 2023-24, as proposed by the Mayor, is \$46,022,949 or 2.5% less than the original FY 2022-23 budget of \$1,855,330,819.

Personnel Changes

The General City Responsibility budget does not have positions.

Revenue Changes

The Department’s revenues of \$6,386,118,040 in FY 2023-24 are \$39,969,902 or 0.6% less than FY 2022-23 revenues of \$6,426,087,942.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$1,515,592,724 budget for FY 2024-25, as proposed by the Mayor, is \$293,715,146 or 16.2% less than the Mayor’s proposed FY 2023-24 budget of \$1,809,307,870.

Personnel Changes

The General City Responsibility budget does not have positions.

Revenue Changes

The Department’s revenues of \$6,287,561,158 in FY 2024-25 are \$98,556,882 or 1.5% less than FY 2023-24 estimated revenues of \$6,386,118,040.

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
General City Responsibility	2,051,221,234	1,801,949,206	1,599,166,560	1,855,330,819	1,809,307,870
FTE Count	0.00	0.00	0.00	0.00	0.00

The Department’s budget decreased by \$241,913,364 or 11.8% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has decreased by \$46,022,949 largely due to reductions intended to close the budget gap, including a reduction in funding for community-based organization inflationary costs (to be funded with FY 2022-23 savings), a reduction in funding for the MOU Reserve (to be funded with FY 2022-23 savings), and a reduction in transfers from the General Fund’s operating fund to its project funds. These reductions are partially offset by an increase in debt service expenses.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$293,715,146 largely due to reductions to project funds, debt service, and required deposits to the General Reserve, partially offset by increases in funding for community-based organization inflationary costs and for the MOU Reserve.

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$500,000 in FY 2023-24. Of the \$500,000 in recommended reductions, \$400,000 are ongoing savings and \$100,000 are one-time savings.

In addition, the Budget and Legislative Analyst recommends closing current-year inactive projects totaling \$797,189, for total General Fund savings of \$1,297,189.

Our reserve recommendations total \$10,000,000 in FY 2023-24, all of which are one-time.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$400,000 in FY 2024-25. All of the \$400,000 in recommended reductions are ongoing savings.

YEAR ONE: FY 2023-24

Budget Changes

The Department's \$84,177,890 budget for FY 2023-24, as proposed by the Mayor, is \$2,477,004 or 3.0% more than the original FY 2022-23 budget of \$81,700,886.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 251.14 FTEs, which are 2.23 FTEs more than the 248.91 FTEs in the original FY 2022-23 budget. This represents a 0.9% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$71,625,672 in FY 2023-24 are \$1,710,871 or 2.4% more than FY 2022-23 revenues of \$69,914,801.

YEAR TWO: FY 2024-25

Budget Changes

The Department's \$84,433,072 budget for FY 2024-25, as proposed by the Mayor, is \$255,182 or 0.3% more than the Mayor's proposed FY 2023-24 budget of \$84,177,890.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 252.08 FTEs, which are 0.94 FTEs more than the 251.14 FTEs in the Mayor's proposed FY 2023-24 budget. This represents a 0.4% increase in FTEs from the Mayor's proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$73,726,624 in FY 2024-25 are \$2,100,952 or 2.9% more than FY 2023-24 estimated revenues of \$71,625,672.

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Controller	74,639,619	75,093,898	76,939,262	81,700,886	84,177,890
FTE Count	250.30	248.19	250.50	248.91	251.14

The Department’s budget increased by \$9,538,271 or 12.8% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 0.84 or 0.3% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$2,477,004 largely due to increased work order requests by other City Departments for accounting services and the addition of the new Refuse Rates Division to the Controller’s Office. The proposed budget also includes a reduction in the lease budget of the Systems Division. The Department is proposing to vacate its second work location on Market Street and co-locate staff at City Hall, yielding lease savings.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$255,182 largely due to increases in salaries and benefits offset by non-personnel savings.

Budget Reductions

The Department reports that the Mayor proposed \$17,544,715 in reductions in FY 2023-24, which are summarized in the table attached to this report. Please note that these reductions may not be reflected in the overall change in the Department's budget due to offsetting enhancements.

The Department proposes ongoing savings with the termination of its 1155 Market Street, 6th Floor lease, reductions in its service work order with the Department of Technology, deletion of one payroll position and increased attrition savings. The changes in other accounts are primarily budget reallocations within the Department.

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$195,917 in FY 2023-24. All of the \$195,917 in recommended reductions are ongoing savings. These reductions would still allow an increase of \$2,281,087 or 2.8% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$10,730, for total General Fund savings of \$206,647.

Our policy recommendations total \$199,480 in FY 2023-24, all of which are ongoing.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$176,748 in FY 2024-25. All of the \$176,748 in recommended reductions are ongoing savings. These reductions would still allow an increase of \$78,434 or 0.1% in the Department’s FY 2024-25 budget.

Our policy recommendations total \$261,422 in FY 2024-25, all of which are ongoing.

CON-11		<p>The Department is proposing 0.79 FTE for one new 0931 Manager III position in FY 2023-24 at a cost of \$199,481.</p> <p>The proposed new manager position would develop and manage a new Department initiative, the SF Budget Academy. The intent of this new initiative is to address the shortage of staff with budgeting experience both in central agencies and departments. The program would provide required training for all City budget analyst staff, with the possibility of expanding the requirement to the Board's Budget & Legislative Analyst Office.</p> <p>Over the last three years, growth in manager and deputy director positions across the City has outpaced total position growth by nearly three-fold (12.4% vs. 4.5%). Although staff in these classifications play an important role, they are more expensive per position than front line workers and generally do not provide direct services.</p> <p>Given the high cost of this position and the high growth of such positions in recent years, we consider approval of this proposed new position to be a policy matter for the Board of Supervisors. The Board could consider reclassifying the position to a lower level, such as an 0923 Manager II or deleting the position and terminating the proposed project.</p>						Ongoing savings.

YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$594,652,214 budget for FY 2023-24, as proposed by the Mayor, is \$15,979,713 or 2.6% less than the original FY 2022-23 budget of \$610,631,927.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 978.87 FTEs, which are 0.28 FTE more than the 978.59 FTEs in the original FY 2022-23 budget. This represents a 0% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$514,900,414 in FY 2023-24 are \$15,917,730 or 3.0% less than FY 2022-23 revenues of \$530,818,144.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$603,135,939 budget for FY 2024-25, as proposed by the Mayor, is \$8,483,725 or 1.4% more than the Mayor’s proposed FY 2023-24 budget of \$ 594,652,214.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 980.94 FTEs, which are 2.07 FTEs more than the 978.87 FTEs in the Mayor’s proposed FY 2023-24 budget. This represents a 0.2% increase in FTEs from the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$517,431,652 in FY 2024-25 are \$2,531,238 or 0.5% more than FY 2023-24 estimated revenues of \$514,900,414.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: ADM – ADMINISTRATIVE SERVICES

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Administrative Services	\$526,530,214	\$471,084,939	\$554,825,729	\$610,631,927	\$594,652,214
FTE Count	917.06	913.06	962.00	978.59	978.87

The Department’s budget increased by \$68,122,000 or 12.9% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased/decreased by 61.81 or 6.7% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has decreased by \$15,979,713 largely due to major decreases in funding for capital repair programs and debt service payments compared to FY 2022-23. Other changes in the budget include (a) planned improvements to the City’s Permit Center’s processes, (b) revised allocation of City departments’ costs for the Office of Contract Administration, (c) returning accessibility review and inspection processes of city-permitted architectural projects from the Mayor’s Office on Disability to the Department of Building Inspection, and (d) combining data and web engineering services provided by DataSF with Digital Services.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$8,483,725 largely due to mandated salary and fringe benefit increases, increases in insurance contracts managed by the Office of Risk Management, and increases in payments to the Public Utilities Commission for water, sewer, and power services.

Budget Reductions

The Department reports that the Mayor proposed \$70 million in reductions in FY 2023-24, which are summarized in the table attached to this report. Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: ADM – ADMINISTRATIVE SERVICES

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$1,006,867 in FY 2023-24. Of the \$1,006,867 in recommended reductions, \$867,186 are ongoing savings and \$139,680 are one-time savings.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$872,528 in FY 2024-25, which are ongoing savings. These reductions would still allow an increase of \$7,611,197 or 1.3% in the Department’s FY 2024-25 budget.

YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$452,855,682 budget for FY 2023-24, as proposed by the Mayor, is \$1.9 million, or 0.4% more than the original FY 2022-23 budget of \$451 million for the Department of Public Works and the Department of Sanitation and Streets combined.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 1,171.51 FTEs, which are 43.75 FTEs more than the 1,127.76 FTEs in the original FY 2022-23 budget for the Department of Public Works and Department of Sanitation and Streets combined. This represents a 3.9% increase in FTEs from the original FY 2022-23 budget for the two departments.

Revenue Changes

The Department's revenues of \$330,408,253 in FY 2023-24 are \$167,041,454 or 102.2% more than FY 2022-23 revenues of \$163,366,799 for the Department of Public Works and Department of Sanitation and Streets combined.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$407,624,714 budget for FY 2024-25, as proposed by the Mayor, is \$45,230,968 or 10% less than the Mayor’s proposed FY 2023-24 budget of \$452,855,682.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 1,171.51 FTEs, which are the same number of FTEs in the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$271,161,609 in FY 2024-25 are \$59,246,644 or 17.9% less than FY 2023-24 estimated revenues of \$330,408,253.

FY 2023-24 AND FY 2024-25**

DEPARTMENT: DPW – PUBLIC WORKS

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Department of Public Works	386,726,519	351,913,006	357,507,348	450,951,801 ¹	452,855,682
FTE Count	1,070.99	1,063.07	1,049.89	1,127.76 ²	1,171.51

The Department’s budget increased by \$66,129,163 or 17.1% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 100.52 or 9.4% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$167,041,454 largely due to the return of all components of the Department of Sanitation and Streets back to Public Works following the passage of Proposition B in November 2022. It is also driven by increased funds for Public Works’ Operations Division to increase street cleaning operations.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$45,230,968 largely due to reductions in capital project funding.

Budget Reductions

The Department reports that the Mayor proposed \$6,817,085 in reductions in FY 2023-24, which are summarized in the table attached to this report. Please note that these reductions may not be reflected in the overall change in the Department's budget due to offsetting enhancements. The Department met the Mayor’s reduction targets through salary savings from Proposition B 2.0, reduction of costs related to data collection for Proposition C inspections handled by the Controller’s Office, and various program savings.

¹ Department of Public Works and Department of Sanitation and Streets combined FY 2022-23 budgets.

² Department of Public Works and Department of Sanitation and Streets combined FY 2022-23 FTE net operating positions.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: DPW – PUBLIC WORKS

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$1,230,120 in FY 2023-24. Of the \$1,230,120 in recommended reductions, \$1,134,462 are ongoing savings and \$95,658 are one-time savings. These reductions would still allow an increase of \$725,562 or 0.2% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$432,279, for total General Fund savings of \$734,389.

Our policy recommendations total \$41,024 in FY 2023-24, all of which are ongoing.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$863,127 in FY 2024-25. All of the \$863,127 in recommended reductions are ongoing savings.

Our policy recommendations total \$41,947 in FY 2023-24, all of which are ongoing.

	<p>The Department states that the 3464 Area Supervisor classification is being phased out citywide and this substitution is to align DPW's classifications with those of other departments with similar positions, such as Rec and Park. However, the proposed upward substitution of 1.00 FTE 3464 Area Supervisor, Parks, Squares, and Facilities to 1.00 FTE 0922 Manager I is a significant budget increase for the position.</p> <p>Over the last three years, growth in manager and deputy director positions across the City has outpaced total position growth by nearly three-fold (12.4% vs. 4.5%). Although staff in these classifications play an important role, they are more expensive per position than front line workers and generally do not provide direct services.</p> <p>The Board of Supervisors could deny the proposed upward substitution of 1.00 FTE 3464 Area Supervisor, Parks, Squares, and Facilities to 1.00 FTE 0922 Manager I and direct the Department to not phase out the 3464 Area Supervisor classification.</p>

YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$196,695,061 budget for FY 2023-24, as proposed by the Mayor, is \$23,355,821 or 10.6% less than the original FY 2022-23 budget of \$220,050,882.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 83.84 FTEs, which are 1.69 FTEs more than the 82.15 FTEs in the original FY 2022-23 budget. This represents a 2.1% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department’s revenues of \$116,943,261 in FY 2023-24 are \$23,293,838 or 16.6% less than FY 2022-23 revenues of \$140,237,099.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$206,514,137 budget for FY 2024-25, as proposed by the Mayor, is \$9,819,076 or 5.0% more than the Mayor’s proposed FY 2023-24 budget of \$196,695,061.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 83.84 FTEs, which are unchanged from the FTEs in the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department’s revenues of \$120,809,850 in FY 2024-25 are \$3,866,589 or 3.3% more than FY 2023-24 estimated revenues of \$116,943,261.

DEPARTMENT: MYR – MAYOR

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Mayor	\$326,783,206	\$206,307,156	\$267,515,812	\$220,050,882	\$196,695,061
FTE Count	77.89	76.06	81.11	82.15	83.84

The Department’s budget decreased by \$130,088,145 or 39.8% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 5.95 or 7.6% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has decreased by \$23,355,821 largely due to one-time and ongoing reductions to community based organization grants and ending of one-time appropriations in FY 2022-23.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$9,819,076 largely due to increases in developer-funded, one-time housing investments.

Budget Reductions

The Department reports that the Mayor proposed \$6,235,898 in reductions in FY 2023-24, offset by \$5,200,000 in enhancements, which are summarized in the table attached to this report. Please note that these reductions may not be reflected in the overall change in the Department's budget due to offsetting enhancements.

DEPARTMENT: MYR – MAYOR

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$634,109 in FY 2023-24. Of the \$634,109 in recommended reductions, \$204,109 are ongoing savings and \$430,000 are one-time savings.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$204,323 in FY 2024-25, which are ongoing savings. These reductions would still allow an increase of \$9,614,753 or 4.9% in the Department’s FY 2024-25 budget.

Budget Changes

The Department’s \$22,664,386 budget for FY 2023-24, as proposed by the Mayor, is \$549,910 or 2.5% more than the original FY 2022-23 budget of \$22,114,476.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 89.49 FTEs, which are 1.05 FTEs less than the 90.54 FTEs in the original FY 2022-23 budget. This represents a 1.2% decrease in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$506,146 in FY 2023-24 are \$33,010 or 7% more than FY 2022-23 revenues of \$473,136.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$23,123,969 budget for FY 2024-25, as proposed by the Mayor, is \$459,583 or 2% more than the Mayor’s proposed FY 2023-24 budget of \$22,664,386.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 89.49 FTEs, which is equal to the number of FTEs in the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$506,146 in FY 2024-25 are equal to the Department’s revenues in FY 2023-24.

The Department’s budget increased by \$4,429,118 or 24.3% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 4.98 or 5.9% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$549,910 largely due to increases in salary and benefit costs, an increase in work order costs for the Office of Contract Administration, and the proposed cost of living adjustment to the Budget and Legislative Analyst contract.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$459,583 largely due to increases in salary and benefit costs.

Budget Reductions

The Department reports that the Mayor proposed \$562,753 in reductions in FY 2023-24, which are summarized in the table attached to this report. Please note that these reductions may not be reflected in the overall change in the Department's budget due to offsetting enhancements.

DEPARTMENT: BOS – BOARD OF SUPERVISORS

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$6,000 in FY 2023-24. All of the \$6,000 in recommended reductions are ongoing savings. These reductions would still allow an increase of \$549,910 or 2.5% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$1,271 and reducing current year expenditures by \$40,000, for total General Fund savings of \$47,271.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s Office does not have recommended reductions to the proposed budget in FY 2024-25.

YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$11,481,958 budget for FY 2023-24, as proposed by the Mayor, is \$289,055 or 2.6% more than the original FY 2022-23 budget of \$11,192,903.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 52.91 FTEs, which are 0.66 FTEs more than the 52.25 FTEs in the original FY 2022-23 budget. This represents a 1.3% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$391,982 in FY 2023-24 are \$97,646 or 19.9% less than FY 2022-23 revenues of \$489,628.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$11,783,496 budget for FY 2024-25, as proposed by the Mayor, is \$301,538 or 2.6% more than the Mayor’s proposed FY 2023-24 budget of \$11,481,958.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 52.90 FTEs, which are 0.01 FTEs less than the 52.91 FTEs in the Mayor’s proposed FY 2023-24 budget. This represents a 0.02% decrease in FTEs from the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$404,201 in FY 2024-25 are \$12,219 or 3.1% more than FY 2023-24 estimated revenues of \$391,982.

FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: AAM – ASIAN ART MUSEUM

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Asian Art Museum	12,033,316	10,236,316	10,598,289	11,192,903	11,481,958
FTE Count	57.51	53.29	51.94	52.25	52.91

The Department’s budget decreased by \$551,358 or 4.6% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count decreased by 4.60 FTE or 8.0% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$289,055 largely due to capital investments for maintenance of buildings.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$301,538 largely due to an increase in salaries and benefits.

Budget Reductions

The Department reports that the Mayor proposed \$348,021 in reductions in FY 2023-24, which are summarized in the table attached to this report.

The reductions are in Other Professional Services, which the department uses for building maintenance, security maintenance, art storage and conservation, and various inspection fees and assessments.

Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: AAM – ASIAN ART MUSEUM

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$69,839 in FY 2023-24. All of the \$69,839 are one-time savings. These reductions would still allow an increase of \$219,216 or 2.0% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$36,450, for total General Fund savings of \$106,289.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst has no recommended reductions to the proposed budget in FY 2024-25. This would allow an increase of \$301,538 or 2.6% in the Department’s FY 2024-25 budget.

FTE Count	109.22	104.60	104.30	107.48	108.17

The Department’s budget increased by \$3,728,322 or 19.1% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count decreased by 1.05 FTE or 1.0% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$2,122,825 largely due to capital funding for maintenance of buildings and salary and benefit increases due to contractual obligations.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$340,261 largely due to expiration of one-time capital funding in FY 2023-24.

Budget Reductions

The Department reports that the Mayor proposed \$642,922 in reductions in FY 2023-24, which are summarized in the table attached to this report. Please note that this amount may not be reflected in the Department’s overall budget due to offsetting enhancements.

The reductions affect facility maintenance contracts including contracts for fire system, security system, elevators, HVAC Controls and Humidifiers.

Please note that these reductions may not be reflected in the overall change in the Department's budget due to offsetting enhancements.

DEPARTMENT: FAM – FINE ARTS MUSEUMS

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$48,980 in FY 2023-24. All of the \$48,980 in recommended reductions are one-time savings. These reductions would still allow an increase of \$2,073,845 or 9.8% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$95,071, for total General Fund savings of \$144,051.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst has no recommended reductions to the proposed budget in FY 2024-25.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has decreased by \$19,083 largely due to a reduction of Interdepartmental Services work orders.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$12,031,277 largely due to one-time capital funding in FY 2022-23 and FY 2023-24.

Budget Reductions

The Department reports that the Mayor proposed \$131,562.50 in reductions in FY 2023-24, which are summarized in the table attached to this report. Note that these reductions may not be fully reflected in the Department’s overall budget due to offsetting enhancements.

The reductions include Board addbacks from prior years and an interdepartmental service work order with the Controller’s Office, a non-critical work order as the Department will be fully staffed in FY 2024-25.

YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$342,031,868 budget for FY 2023-24, as proposed by the Mayor, is \$9,020,023 or 2.7% more than the original FY 2022-23 budget of \$333,011,845.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 70.79 FTEs, which are 2.99 FTEs more than the 67.80 FTEs in the original FY 2022-23 budget. This represents a 4.4% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$260,483,480 in FY 2023-24 are \$12,498,182 or 5.0% more than FY 2022-23 revenues of \$247,985,298.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$343,298,108 budget for FY 2024-25, as proposed by the Mayor, is \$1,266,240 or 0.4% more than the Mayor’s proposed FY 2023-24 budget of \$342,031,868.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 71.05 FTEs, which are 0.26 FTEs more than the 70.79 FTEs in the Mayor’s proposed FY 2023-24 budget. This represents a 0.4% increase in FTEs from the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$245,898,195 in FY 2024-25 are \$14,585,285 or 5.6% less than FY 2022-23 revenues of \$260,483,480.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: CHF – CHILDREN, YOUTH AND THEIR FAMILIES

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Children, Youth and Their Families	313,926,736	285,355,499	313,454,521	333,011,845	342,031,868
FTE Count	54.87	54.92	55.15	67.80	70.79

The Department’s budget increased by \$28,105,132 or 9.0% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 15.92 FTEs or 29.0% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$9,020,023 largely due to increased grants to community-based organizations from the newly established Student Success Fund.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$1,266,240 largely due to additional increases to community-based organization grants.

Budget Reductions

The Department reports that the Mayor proposed \$4,634,745 in General Fund reductions in FY 2023-24, which are summarized in the table attached to this report. The reductions include finding alternative funds for General Fund support and eliminating some prior year addbacks.

Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: CHF – CHILDREN, YOUTH AND THEIR FAMILIES

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$946,177 in FY 2023-24. The \$946,177 in recommended reductions are one-time savings. These reductions would still allow an increase of \$8,073,846 or 2.4% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$5,073,937, of which \$2,288,601 are in the General Fund, for total General Fund savings of \$3,234,778.

Our policy recommendations total \$1,999,358 in FY 2023-24, which are one-time savings.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst does not have recommended reductions to the proposed budget in FY 2024-25.

Policy Recommendations

CHF-2	Community Based Org Svcs			\$1,999,358	\$0	\$1,999,358	x	x						
		The Mayor's FY 2023-24 Recommended Budget appropriates \$1,999,358 in the City College Enrollment Assistance Fund for unpaid student fees. Funding of this program has been established by MOU. This additional appropriation not only exceeds that MOU funding requirement, but unpaid student fees are not explicitly allowable per the MOU. While the intent of the Mayor's Office is to use previously appropriated but unspent funds for this purpose, those unspent funds would otherwise reduce General Fund contributions to the program. Additionally, current funding levels are significantly exceeding the program funding needs as detailed in the most recent Controller's audit of this program issued May 17, 2023. The Department reports that significant community input was received in support of paying off unpaid student fees and the Free City College Oversight Committee has approved the re-purpose of the appropriations. Accordingly, the Budget and Legislative Analyst considers the approval of this appropriation to be a policy matter for the Board of Supervisors.							One-time savings

YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$12,826,542 budget for FY 2023-24, as proposed by the Mayor, is \$2,077,623 or 13.9% less than the original FY 2022-23 budget of \$14,904,165.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 10.09 FTEs, which are 1.93 FTEs less than the 12.02 FTEs in the original FY 2022-23 budget. This represents a 16.1% decrease in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$200,000 in FY 2023-24 are \$170,000 or 45.9% less than FY 2022-23 revenues of \$370,000.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$12,454,087 budget for FY 2024-25, as proposed by the Mayor, is \$372,455 or 2.9% less than the Mayor’s proposed FY 2023-24 budget of \$12,826,542.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 10.09 FTEs, which is the same number of FTEs in the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$200,000 in FY 2024-25 are the same as FY 2023-24 estimated revenues of \$200,000.

FY 2023-24 AND FY 2024-25**

DEPARTMENT: WOM – STATUS OF WOMEN

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Department on the Status of Women	19,259,078	10,279,426	11,121,448	14,904,165	12,826,542
FTE Count	6.10	5.38	6.92	12.02	10.09

The Department’s budget decreased by \$6,432,536 or 33.4% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 3.99 or 65.4% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has decreased by \$2,077,623 largely due to savings from non-personnel and grant budgets.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$372,455 largely due to savings from non-personnel and grant budgets.

Budget Reductions

The Department reports that the Mayor proposed \$1,907,623 in reductions in FY 2023-24, which are summarized in the table attached to this report.

The Mayor’s proposed FY 2023-24 budget includes reductions in salary and fringe benefits and non-personnel services. Reductions were also made to capacity building funds for the Department’s gender-based violence (GBV) grant portfolio as well as the loss of one-time funding for abortion access landscape analyses and research. However, the City Grant Program budget maintains all GBV base contract amounts.

Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

FY 2023-24 AND FY 2024-25**

DEPARTMENT: WOM – STATUS OF WOMEN

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$110,000 in FY 2023-24. Of the \$110,000 in recommended reductions, \$10,000 are ongoing savings and \$100,000 are one-time savings.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$13,122, for total General Fund savings of \$123,122.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$10,000 in FY 2024-25. All of the \$10,000 in recommended reductions are ongoing savings.

YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$19,161,364 budget for FY 2023-24, as proposed by the Mayor, is \$4,040,691 or 26.7% more than the original FY 2022-23 budget of \$15,120,673.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 32.10 FTEs, which are 5.38 FTEs more than the 26.72 FTEs in the original FY 2022-23 budget. This represents a 20.1% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$5,099,600 in FY 2023-24 are \$5,000,000 or 5020.1% more than FY 2022-23 revenues of \$99,600.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$19,348,694 budget for FY 2024-25, as proposed by the Mayor, is \$187,330 or 1.0% more than the Mayor’s proposed FY 2023-24 budget of \$19,161,364.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 32.12 FTEs, which are .02 FTEs more than the 32.10 FTEs in the Mayor’s proposed FY 2023-24 budget. This represents a 0.1% increase in FTEs from the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$5,099,600 in FY 2024-25 are the same as FY 2023-24 estimated revenues of \$5,099,600.

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Human Rights Commission	7,771,538	11,205,068	14,543,732	15,120,673	19,161,364
FTE Count	23.19	22.91	21.14	26.72	32.10

The Department’s budget increased by \$11,389,826 or 146.6% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 8.91 FTEs or 38.4% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$4,040,691 largely due to spending related to a new state grant to provide mental health services in coordination with the Department of Public Health. Additionally, the Department is increasing its net operating positions by 5.38 FTE or 20.1%.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$187,330 largely due to increased salary and benefits costs.

Budget Reductions

The Department reports that the Mayor proposed \$1,200,838 in reductions in FY 2023-24, which are summarized in the table attached to this report. The Department reports that this generally reflects a reduction of spending for non-personnel services in FY 2023-24.

Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$154,958 in FY 2023-24, which are ongoing savings. These reductions would still allow an increase of \$3,885,733 or 25.7% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$1,046, for total General Fund savings of \$156,004.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$159,291 in FY 2024-25, which are ongoing savings. These reductions would still allow an increase of \$28,039 or 0.1% in the Department’s FY 2024-25 budget.

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed

FTE Count	6,886.00	7,161.30	7,358.57	7,739.48	7,733.04

The Department’s budget increased by \$809,085,354 or 33.3% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 847.04 or 12.3% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$238,233,561 largely due to increases in salaries mandated by labor agreements along with new programs that are supported with funds from the opioid settlement, and funding from state and private sources to support mental health services and capital improvements. The Department also projects increased revenues from the State and the San Francisco Health Plan from its transition to a fee-for-service billing model at Zuckerberg San Francisco General Hospital.

The proposed budget includes \$100 million over two years in opioid settlement funding that will support implementation of the City’s Overdose Prevention Plan; new State funding to support the implementation of the new Community Assistance, Recovery, and Empowerment (CARE) Court that will connect clients struggling with behavioral health issues to court-ordered CARE Plans; and State funding for Behavioral Health Bridge Housing to support behavioral health clients with accessing housing and shelter. In addition, there is new funding to help support the Medicare and Medicaid recertification process at Laguna Honda Hospital as well as funds to support capital improvements and expand the number of beds for behavioral health services at Zuckerberg San Francisco General Hospital.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$25,294,614 compared to the FY 2023-24 budget due to the expiration of one-time State and private funding that supports the capital improvements. The decrease in State and private funding is offset by projected increases to labor costs.

Budget Reductions

The only reductions in the Mayor’s Proposed Budget with service impacts for DPH are the further step down of the COVID-19 Response budgets, in line with the end of FEMA funding and the public health emergency declarations. The Department had \$57.5 million budgeted for COVID-19 Response in its FY 2022-23 budget and originally had budgeted \$25 million for continued response in FY 2023-24. It now proposes to step down to about \$21 million in ongoing funds that will support more robust communicable disease response and preparedness within both the Population Health and the San Francisco Health Network divisions. This step down will reduce the capacity to \$3 million in contracted services for COVID-19 testing and vaccine at community sites, reflecting the continued decline in demand and the shift of services into the healthcare delivery systems. DPH community sites conducted fewer than 11,000 tests in the first quarter of 2023 (from January to March 2023), compared to nearly 135,000 tests in the same period in 2022. This change will likely reduce the number of City-funded locations by approximately three and impact access to these services based on reduced geographic coverage. However, the Department reports that services will remain available for those who need them. The reductions also include the transition of temporary staff added for the response into a reduced set of permanent roles, moving from an estimated 249 FTEs in the current year to around 84 FTEs going forward, with more than half of those roles adding nursing or cleaning capacity in the San Francisco Health Network.

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$4,508,461 in FY 2023-24. Of the \$4,508,462 in recommended reductions, \$1,796,603 are ongoing savings and \$2,711,858 are one-time savings. These reductions would still allow an increase of \$233,725,100 or 7.8% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$785,140, for total General Fund savings of \$5,293,601.

Our policy recommendations total \$809,406 in FY 2023-24, all of which are ongoing.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$1,927,836 in FY 2024-25. All of the \$1,927,836 in recommended reductions are ongoing savings.

Our policy recommendations total \$910,856 in FY 2024-25, all of which are ongoing.

DPH-18		<p>The Department of Public Health is receiving funding for four positions to seed the implementation of the new Office of Victim and Witness Rights (Proposition D). The creation of an Office of Victim and Witness Rights was approved by voters on June 7, 2022. This new Office will initially be charged with (1) Monitoring the provision of services or providing services to victims and witness of crimes; (2) Working with agencies that provide victim and witness assistance services; (3) Surveying clients and community groups involved in victim and witness services; (4) Evaluating city services based on survey results and make recommendations to the Board regarding unmet needs; (5) Developing a consolidation plan to consolidate the city services for victims and witnesses under this new Office; and (6) Establishing a pilot program that provides a right to counsel for domestic violence survivors. The costs of establishing this new Office and implementing these efforts have not been provided and are likely to be significant. There also appears to not have been other consideration of how to potentially conduct this work within the framework of the existing victim and witness services that the City provides.</p> <p>Given the City's current budget deficit as well as the recent history of voters rescinding the creation of new departments after better understanding the implementation costs, we consider funding for these new positions to create the Office during this upcoming budget year to be a policy matter for the Board of Supervisors. The Board may want to consider funding the Office with fewer positions, such as only funding the 0961 Department Head I and 0952 Deputy Director II. The Board could also consider addressing the voter's request by having additional work done to scope out the cost and work of the new Office prior to funding it, and/or requesting options for funding this work through the existing infrastructure of the Victim Services Division within the District Attorney's Office.</p>

DPH-19	<p>The Department of Public Health is receiving funding for four new manager positions in the FY 2023-24 budget. These include: 1.00 FTE (annualized) 0933 Manager V to lead Strategic Initiatives for Behavioral Health Services and assist with coordinating the street response teams and across City departments; 1.00 FTE (annualized) 1165 Manager, Department of Public Health (Chief Nursing Officer) and a 1.00 FTE (annualized) 0943 Manager VIII (Chief Care Experience Officer) in Health Network Services in response to findings from the recertification efforts at Laguna Honda Hospital and a need to have organizational leadership at the network level in the areas of Care Experience and Nursing; and a 1.00 FTE (annualized) 0922 Manager I who will serve as the Deputy Director of Equity and Community Engagement that reflects capacity created during the City's COVID response. This position will work with community organizations and stakeholders to advance health equity.</p> <p>These positions have been identified as priority areas for the Department and are in a response to (1) growing funding and prioritization of behavioral health services; (2) corrections needed to resolve and maintain the work of the Laguna Honda Hospital recertification and ensure practices are aligned across the SFHN; and (3) address and prioritize health equity in the Population Health Division's work. We are not recommending that these proposed positions be deleted. However, given the growth in the managerial positions in recent years, we are highlighting the new manager positions in the FY 2023-24 budget and consider approval of the positions to be a policy matter for the Board of Supervisors.</p>

YEAR ONE: FY 2023-24

Budget Changes

The Department's \$1,189,907,405 budget for FY 2023-24, as proposed by the Mayor, is \$65,308,666 or 5.8% more than the original FY 2022-23 budget of \$1,124,598,739.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 2,278.43 FTEs, which are 28.00 FTEs more than the 2,250.43 FTEs in the original FY 2022-23 budget. This represents a 1.2% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$872,306,046 in FY 2023-24 are \$40,436,323 or 4.9% more than FY 2022-23 revenues of \$831,869,723.

YEAR TWO: FY 2024-25

Budget Changes

The Department's \$1,211,125,305 budget for FY 2024-25, as proposed by the Mayor, is \$21,217,900 or 1.8% more than the Mayor's proposed FY 2023-24 budget of \$1,189,907,405.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 2,296.91 FTEs, which are 18.48 FTEs more than the 2,278.43 FTEs in the Mayor's proposed FY 2023-24 budget. This represents a 0.8% increase in FTEs from the Mayor's proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$871,915,357 in FY 2024-25 are \$390,689 or 0.04% less than FY 2022-23 revenues of \$872,306,046.

DEPARTMENT: HSA – HUMAN SERVICES AGENCY

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Human Services Agency	1,075,337,178	1,412,197,472	1,370,149,243	1,124,598,739	1,189,907,405
FTE Count	2,141.36	2,159.97	2,204.27	2,250.43	2,278.43

The Department’s budget increased by \$114,570,227 or 10.7% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 137.07 FTEs or 6.4% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$65,308,666 largely due to increased In-Home Support Services and CalWORKS aid payments, grants to community-based organizations, and increased staffing.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$21,217,900 largely due to additional increases to In-Home Support Services aid payments and staffing.

Budget Reductions

The Department reports that the Mayor’s Proposed Budget reflects \$35,749,563 in expenditure reductions in FY 2023-24, relative to original FY 2022-23, which are summarized in the table attached to this report. The vast majority of the decreases in the identified areas (\$25.4 million) are technical adjustments to more accurately track spending by department, program or type of expenditure, which are offset by corresponding increases elsewhere in the budget. The remaining reductions consist of a repurposing of funds to align with service demands (\$3.9 million), reductions due to changes in available State revenue (\$3.7 million), updated spending projections (\$1.3 million), and the removal of one-time funding that was added during the prior year (\$1.5 million). The Department is taking steps to ensure these reductions cause minimal disruption to existing services and clients.

Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: HSA – HUMAN SERVICES AGENCY

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$4,057,778 in FY 2023-24. Of the \$4,057,778 in recommended reductions, \$2,057,778 are ongoing savings and \$2,000,000 are one-time savings. These reductions would still allow an increase of \$61,250,888 or 5.4% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$752,643 for total General Fund savings of \$4,112,387.

Our policy recommendations total \$21,207,232 in FY 2023-24, \$20,000,000 of which are one-time and \$1,207,232 of which are ongoing.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$11,695,878 in FY 2024-25. Of the \$11,695,878 in recommended reductions, \$2,095,415 are ongoing savings and \$9,600,463 are one-time savings. These reductions would still allow an increase of \$9,522,022 or 0.8% in the Department’s FY 2024-25 budget.

Our policy recommendations total \$11,240,909 in FY 2023-24, \$10,000,000 of which are one-time and \$1,240,949 of which are ongoing.

		Deny proposed upward substitution from 1.00 FTE 1454 Executive Secretary III position to 1.00 FTE 0922 Manager I position for the Executive Assistant and Commission Secretary for the Human Services Commission. The Budget and Legislative Analyst's Office has reviewed the merits of this particular upward substitution and does not believe it is warranted at this time. Over the last three years, growth in manager and deputy director positions across the City has outpaced total position growth by nearly three-fold (12.4% vs. 4.5%). Although staff in these classifications play an important role, they are more expensive per position than front line workers and generally do not provide direct services. The Department is proposing 11.00 FTE Manager I positions in FY 2023-24 at a cost of \$2,460,271. Given the high cost of these positions and the high growth of such positions in recent years, we recommend the Board of Supervisors deny the proposed upward substituted position. 	Decrease Temporary Misc Regular Salaries for the Jobs Now Programs based on current year expenditure levels, as well as due to significant carryforward appropriations. In FY 2022-23, the original budget for Temporary Salaries of \$7.5 million and the carryforward budget of \$6.0 million resulted in a revised budget in the current year of \$13.5 million. As of May 31, 2023, Temporary Salaries expenditures totaled \$3.6 million and the Department projects year-end expenditures to be \$5.0 million. Furthermore, the Department plans on using carryforward to fund 30 Career Pathways participants for a total annual costs of \$2.7 million. Even if the program returns to pre-pandemic levels, sufficient carryforward remains such that the recommendation will not result in any service reductions.									One-time savings

	<p>Deny the proposed upward substitution of 1.00 FTE 0922 Manager I position to 1.00 FTE 0923 Manager II position. The Budget and Legislative Analyst's Office has reviewed the merits of this particular upward substitution and does not believe it is warranted at this time. Over the last three years, growth in manager and deputy director positions across the City has outpaced total position growth by nearly three-fold (12.4% vs. 4.5%). Although staff in these classifications play an important role, they are more expensive per position than front line workers and generally do not provide direct services. The Department is proposing 51.00 FTE Manager II positions in FY 2023-24 at a cost of \$12,137,541. YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$256,498,457 budget for FY 2023-24, as proposed by the Mayor, is \$15,191,463 or 6.3% more than the original FY 2022-23 budget of \$241,306,994.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 988.91 FTEs, which are 41.65 FTEs more than the 947.26 FTEs in the original FY 2022-23 budget. This represents a 4.4% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$167,957,101 in FY 2023-24 are \$14,130,596 or 9.2% more than FY 2022-23 revenues of \$153,826,505.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$261,163,781 budget for FY 2024-25, as proposed by the Mayor, is \$4,665,324 or 1.8% more than the Mayor’s proposed FY 2023-24 budget of \$256,498,457.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 997.41 FTEs, which are 8.50 FTEs more than the 988.91 FTEs in the Mayor’s proposed FY 2023-24 budget. This represents a 0.9% increase in FTEs from the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$169,325,882 in FY 2024-25 are \$1,368,781 or 0.8% more than FY 2023-24 estimated revenues of \$167,957,101.

DEPARTMENT: REC – RECREATION AND PARK COMMISSION

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Recreation and Park Commission	219,570,100	231,586,029	243,275,382	241,306,994	256,498,457
FTE Count	939.65	911.71	925.23	947.26	988.91

The Department’s budget increased by \$36,928,357 or 16.8% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 49.26 or 5.2% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$15,191,463 largely due to funding of new park rangers, increased capital investments, and an increase in salaries and benefits.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$4,665,324 largely due to increases in salaries and benefits.

Budget Reductions

The Department prioritized programs and services for FY 2023-24 and identified savings in the Park Stop (\$500,000) and equipment (\$250,000) budgets that complied with the Mayor's budget directives. The Mayor’s Office also requested the Department to remove budgets from Heron Watch and Nature Program (\$15,000) and Nob Hill maintenance (\$250,000).

Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

DEPARTMENT: REC – RECREATION AND PARK COMMISSION

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$850,000 in FY 2023-24, all of which are ongoing. These reductions would still allow an increase of \$14,341,463 or 5.9% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$117,551, for total General Fund savings of \$117,551.

Our policy recommendations total \$1,062,813 in FY 2023-24, \$204,000 of which are one-time and \$858,813 of which are ongoing.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$750,000 in FY 2024-25, all of which are ongoing savings. These reductions would still allow an increase of \$3,915,324 or 1.5% in the Department’s FY 2024-25 budget.

Our policy recommendations total \$1,109,652 in FY 2024-25, all of which are ongoing savings.

YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$50,179,904 budget for FY 2023-24, as proposed by the Mayor, is \$2,285,201 or 4.8% more than the original FY 2022-23 budget of \$47,894,703.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 203.49 FTEs, which are 4.00 FTEs less than the 207.49 FTEs in the original FY 2022-23 budget. This represents a 1.9% decrease in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$23,014,084 in FY 2023-24 are \$526,430 or 2.3% more than FY 2022-23 revenues of \$22,487,654.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$48,743,547 budget for FY 2024-25, as proposed by the Mayor, is \$1,436,357 or 2.9% less than the Mayor’s proposed FY 2023-24 budget of \$50,179,904.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 201.42 FTEs, which are 2.07 FTEs less than the 203.49 FTEs in the Mayor’s proposed FY 2023-24 budget. This represents a 1.0% decrease in FTEs from the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$23,180,330 in FY 2024-25 are \$166,246 or 0.7% more than FY 2023-24 estimated revenues of \$23,014,084.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: TTX – TREASURER-TAX COLLECTOR

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Treasurer-Tax Collector	41,674,064	42,671,873	44,962,306	47,894,703	50,179,904
FTE Count	208.45	205.44	198.40	207.49	203.49

The Department’s budget increased by \$8,505,840 or 20.4% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count decreased by 4.96 or 2.4% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$2,285,201 largely due to increases in programmatic projects and salaries. This increase is partially offset by reductions to fringe benefits and non-personnel services.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$1,436,357 largely due to reductions in programmatic projects and non-personnel services. This reduction is partially offset by increases to salaries and services of other departments.

Budget Reductions

The Department reports that the Mayor proposed \$396,730 in reductions in FY 2023-24, which are summarized in the table attached to this report. These reductions are offset by increases to other areas, as shown in the Department’s overall budget increase of \$2,285,201 above.

The Department’s proposed FY 2023-24 budget includes a reduction of \$222,532 in non-personnel services due to changes in contracting for professional services. The deletion of 6.25 vacant FTEs and downward substitution of positions reduced the personnel budget by \$607,598. The proposed FY 2024-25 budget includes a reduction of \$288,000 in software licensing, an additional 2.00 FTEs deletion, and a \$100,000 one-time reduction in programmatic project budget.

Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: TTX – TREASURER-TAX COLLECTOR

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$321,143 in FY 2023-24. Of the \$321,143 in recommended reductions, \$10,000 are ongoing savings and \$311,143 are one-time savings. These reductions would still allow an increase of \$1,964,058 or 4.1% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$12,102, for total General Fund savings of \$333,245.

Our policy recommendations total \$53,468 in FY 2023-24, all of which are ongoing.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$10,000 in FY 2024-25. All of the \$10,000 in recommended reductions are ongoing savings.

Our policy recommendations total \$56,173 in FY 2023-24, all of which are ongoing.

YEAR ONE: FY 2023-24

Budget Changes

The Department's \$81,343,574 budget for FY 2023-24, as proposed by the Mayor, is \$11,501,353 or 12.4% less than the original FY 2022-23 budget of \$92,844,927.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 269.24 FTEs, which are 2.30 FTEs more than the 266.94 FTEs in the original FY 2022-23 budget. This represents a 0.9% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$81,343,574 in FY 2023-24 are \$11,501,353 or 12.4% less than FY 2022-23 revenues of \$92,844,927.

YEAR TWO: FY 2024-25

Budget Changes

The Department's \$83,030,884 budget for FY 2024-25, as proposed by the Mayor, is \$1,687,310 or 2.1% more than the Mayor's proposed FY 2023-24 budget of \$81,343,574.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 268.45 FTEs, which are 0.79 FTEs less than the 269.24 FTEs in the Mayor's proposed FY 2023-24 budget. This represents a 0.3% decrease in FTEs from the Mayor's proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$83,030,884 in FY 2024-25 are \$1,687,310 or 2.1% more than FY 2023-24 estimated revenues of \$81,343,574.

FTE Count	269.08	265.49	266.97	266.94	269.24

The Department’s budget decreased by \$15,157,969 or 15.7% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 0.16 or 0.1% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has decreased by \$11,501,353 largely due to reductions in programmatic projects, City grant programs, services of other departments, and non-personnel services. These reductions are partially offset by increases to salaries.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$1,687,310 largely due to increases in salaries and fringe benefits. These increases are partially offset by reductions in non-personnel services.

Budget Reductions

The Department reports that the Mayor proposed \$16,136,152 in reductions in FY 2023-24, which are summarized in the table attached to this report. These reductions are partially offset by increases in other areas, as shown in the overall budget reduction of \$11,501,353 above.

Major reductions include \$6,802,359 of one-time programmatic projects for records management and illegal in-law apartments; \$5,255,314 of City Grant Program expenditures including the Code Enforcement Outreach Program and the Single Room Occupancy Outreach Program; \$3,037,429 of Services of Other Departments including Assessor’s Office and Fire Department, and \$930,460 of operating materials and supplies and non-personnel expenditures.

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$40,000 in FY 2023-24, all of which are ongoing savings.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$60,412 and current year surplus project appropriations of \$60,801.

Our policy recommendations total \$62,053 in FY 2023-24, all of which are ongoing.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$40,000 in FY 2024-25, all of which are ongoing savings. These reductions would still allow an increase of \$1,647,310 or 2.0% in the Department’s FY 2024-25 budget.

Our policy recommendations total \$63,765 in FY 2023-24, all of which are ongoing.

Budget Changes

The Department’s \$690,299,204 budget for FY 2023-24, as proposed by the Mayor, is \$18,279,400 or 2.7 % more than the original FY 2022-23 budget of \$672,019,804.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 255.34 FTEs, which are 26.65 FTEs more than the 228.69 FTEs in the original FY 2022-23 budget. This represents an 11.7% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$387,072,435 in FY 2023-24 are \$90,915 or 0.0% more than FY 2022-23 revenues of \$386,981,520.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$660,614,069 budget for FY 2024-25, as proposed by the Mayor, is \$29,685,135 or 4.3% less than the Mayor’s proposed FY 2023-24 budget of \$690,299,204.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 263.83 FTEs, which are 8.49 FTEs more than the 255.34 FTEs in the Mayor’s proposed FY 2023-24 budget. This represents a 3.3% increase in FTEs from the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$365,284,211 in FY 2024-25 are \$21,788,224 or 5.6% less than FY 2023-24 estimated revenues of \$387,072,435.

DEPARTMENT: HOM –HOMELESSNESS AND SUPPORTIVE HOUSING

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Homelessness & Supportive Housing	367,690,818	852,119,737	667,830,310	672,019,804	690,299,204
FTE Count	132.34	156.97	217.21	228.69	255.34

The Department’s budget increased by \$322,608,386 or 87.7% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 123.00 or 92.9% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$18,279,400 largely due to an increase in one-time state funding, as well as increased spending on salary and benefits, and services performed by other City departments. The proposed FY 2023-24 budget also reallocates unspent Our City, Our Home (OCOH) funds to support additional emergency rental assistance, new PSH units, capital funding for legacy sites, and expansion of shelter beds. As noted in last year’s report, the annual budget amounts do not reflect funds carried forward from prior years, which will increase the Department’s actual spending authority in FY 2023-24.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$29,685,135 largely due to expiring one-time state funding.

While the proposed FY 2024-25 budget reflects a decrease in the Department’s budget, as noted above, the Department has historically carried forward significant unspent funds from prior years, so actual spending authority has been higher than the annual budgeted amount.

Budget Reductions

The Department reports that the Mayor proposed \$5,113,622 in reductions in FY 2023-24, which are summarized in the table attached to this report. The Mayor's Proposed Budget de-appropriates and/or reallocates prior General Fund support to other homelessness priorities as part of the proposed budget and made no significant service or staffing reductions.

Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$6,248,510 in FY 2023-24. Of the \$6,248,510 in recommended reductions, \$865,624 are ongoing savings and \$5,382,886 are one-time savings. These reductions would still allow an increase of \$12,030,890 or 1.8 % in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$666,579, for total General Fund savings of \$6,915,089.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$1,122,103 in FY 2024-25. All of the \$1,122,103 in recommended reductions are ongoing savings.

		Deny 0.79 FTE new 2917 Program Support Analyst. The Department has 62 vacancies, 25 of which were newly authorized positions in FY 2022-23, including 6 interim exceptions. The Department should prioritize filling these critical existing administrative and programmatic positions to maximize operational performance. Of the 14 additional new positions requested by the Department in this budget, the BLA recommends approval of 10.							Ongoing savings

HOM-5	Programmatic Projects - Budget			\$3,000,000	\$1,000,000	\$2,000,000	X	X							
		Reduce Programmatic Projects Budget. The Department received \$3 million in FY 2022-23 for this project, which has not been spent and will carry forward. This is a work order to MOHCD for rental subsidies and housing navigation for transgender and non-conforming individuals. MOHCD reports that the associated contracts were not in place until April 2023, and the Department expects to spend a quarter of the FY 2022-23 budget. The remaining carry forward from FY 2022-23 (estimated at \$2.25M) will be more than sufficient to meet the operational need for FY 2023-24 with this reduction.							One-time savings						
HOM-6	Prof & Specialized Svcs - Budget			\$267,800	\$0	\$267,800	x				\$267,800	\$0	\$267,800	x	
		Reduce Professional and Specialized Services budget to reflect actual need. The Department funds budgeted for Shelter Hygiene Services that support shower and portapotty services at a VTC site. While this was needed during COVID, these costs have shifted to now be included within CBO budgets and is no longer needed as a direct contract held by the Department. Any additional hygiene or sanitation needs will be absorbed at the provider level.							Ongoing savings						
HOM-7	Prof & Specialized Svcs - Budget			\$7,613,835	\$7,175,835	\$438,000	x	x							
		Reduce Professional and Specialized Services budget to reflect actual need. The City has secured Round 2 of the Encampment Resolution Fund Grant from the State. Part of this grant application is for SFHOT services that will allow for one-time savings for Outreach services to be recognized in the General Fund.							One-time savings						
HOM-8	Community Based Organizations			\$20,563,340	\$18,563,340	\$2,000,000	x	x							
		Reduce Community Based Organizations budget to reflect actual spending. The Department has carried forward funds in this account for the past three years. This recommendation still allows for \$15.5 million (nearly 100 percent) increase in this overall project budget in FY 2023-24 as compared to the current year budget.							One-time savings

 BLA #16 Mayoral Proposed Reductions**

A: The Mayor's Proposed Budget de-appropriates and/or reallocates prior General Fund support to other homelessness priorities in the following areas but prioritized homeless services as part of her proposed budget and made no significant service or staffing reductions.

Program	FY23-24	FY24-25	Description	Rationale
Safe Parking Program	(3,500,000.00)	(3,500,000.00)	Funds for a 50-100 vehicle triage center in District 7; City has not been able to identify a location in the district for two years	Funds reallocated in FY23-24 in HSH's budget to fund existing shelter programs; Ongoing funding reduced in FY25
LOSP Program	(1,613,622.00)		Reduction to revised schedule to open new sites	No programmatic impact
Street Ambassador Program for D6 and D3 sites		(250,000.00)	Sunset of GF support for HSH's ambassador program	
HSH Materials and Supplies		(18,317.00)	citywide cut to materials and supplies	
HSH software and training		(66,278.00)	citywide cut to software	

YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$324,548,422 budget for FY 2023-24, as proposed by the Mayor, is \$50,628,485 or 13.5% less than the original FY 2022-23 budget of \$375,176,907.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 65.96 FTEs, which are 1.79 FTEs more than the 64.17 FTEs in the original FY 2022-23 budget. This represents a 2.8% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$273,347,838 in FY 2023-24 are \$29,758,868 or 9.8% less than FY 2022-23 revenues of \$303,106,706.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$345,774,984 budget for FY 2024-25, as proposed by the Mayor, is \$21,226,562 or 6.5% more than the Mayor’s proposed FY 2023-24 budget of \$324,548,422.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 65.96 FTEs, which are the same as the 65.96 FTEs in the Mayor’s proposed FY 2023-24 budget, which represents no increase in FTEs from the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$284,682,631 in FY 2024-25 are \$11,334,793 or 4.1% more than FY 2022-23 revenues of \$273,347,838.

The Department was established in FY 2022-23 by consolidating City and County programs from other departments, including the Human Services Agency and the Children’s and Families Commission.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has decreased by \$50,628,485 largely due to projected decreases in commercial rent tax (Proposition C) revenues, resulting in decreased grants to community-based organizations for early care and education programs.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$21,226,562, largely due to projected rebound in commercial rent tax (Proposition C) revenues, increasing associated grants to community-based organizations for early care and education programs.

Budget Reductions

The Department reports that the Mayor proposed \$22,967,717 in reductions in FY 2023-24, which are summarized in the table attached to this report.

FY 2023-24 AND FY 2024-25**

DEPARTMENT: DEC – EARLY CHILDHOOD

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$1,249,152 in FY 2023-24. Of the \$1,249,152 in recommended reductions, \$1,023,010 are ongoing savings and \$226,142 are one-time savings.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$68,078, of which \$27,017 is in the General Fund, for total General Fund savings of \$721,211.

Our reserve recommendations total \$2,000,000 in FY 2023-24, all of which are one-time.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$3,037,925 in FY 2024-25. All of the \$3,037,925 in recommended reductions are ongoing savings. These reductions would still allow an increase of \$18,188,637 or 5.6% in the Department’s FY 2024-25 budget.

	Move facilities costs associated with three City-owned childcare facilities for which the City contracts with childcare service providers out of the General Fund and into the Public Education Enrichment Fund. These costs were transferred to the Department from the Human Services Agency and should be accounted for with other childcare services that are programmatically accounted for in the Public Education Enrichment Fund. The Department notes that these services include infant and toddler rooms serving children under 3. According to San Francisco City Charter Section 16.123-4, the Public Education Enrichment Fund "may also be used to support the development of services for children from birth to three years old." YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$152,569,988 budget for FY 2023-24, as proposed by the Mayor, is \$11,369,282 or 6.9% less than the original FY 2022-23 budget of \$163,939,270.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 116.58 FTEs, which are 4.08 FTEs more than the 112.50 FTEs in the original FY 2022-23 budget. This represents a 3.6% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$48,315,245 in FY 2023-24 are \$18,054,552 or 59.7% more than FY 2022-23 revenues of \$30,260,693.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$124,127,616 budget for FY 2024-25, as proposed by the Mayor, is \$28,442,372 or 18.6% less than the Mayor’s proposed FY 2023-24 budget of \$152,569,988.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 115.27 FTEs, which are 1.31 FTEs less than the 116.58 FTEs in the Mayor’s proposed FY 2023-24 budget. This represents a 1.1% decrease in FTEs from the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$42,707,342 in FY 2024-25 are \$5,607,903 or 11.6% less than FY 2023-24 estimated revenues of \$48,315,245.

DEPARTMENT: ECN – ECONOMIC AND WORKFORCE DEVELOPMENT

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Economic & Workforce Development	\$86,874,531	\$96,149,625	\$152,580,977	\$163,939,270	\$152,569,988
FTE Count	105.66	104.69	109.67	112.50	116.58

The Department’s budget increased \$65,695,457 or 75.6% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 10.92 or 10.3% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has decreased by \$11,369,282 largely due to one-time economic recovery investments funded in FY 2022-23.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$28,442,372 largely due to the expiration of one-time economic recovery investments in the proposed FY 2023-24 budget.

Budget Reductions

The Department reports that the Mayor proposed \$18.8 million in reductions in FY 2023-24, which are summarized in the table attached to this report.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: ECN – ECONOMIC AND WORKFORCE DEVELOPMENT

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$1,959,753 in FY 2023-24. Of the \$1,959,753 in recommended reductions, \$153,649 are ongoing savings and \$1,806,104 are one-time savings.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended projects of \$210,914, for total General Fund savings of \$2,170,667.

Our policy recommendations total \$33,818,234 in FY 2023-24, \$14,668,234 of which are one-time and \$19,150,000 of which are ongoing.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$153,904 in FY 2024-25, which are ongoing.

Our policy recommendation totals \$19,150,000 in FY 2024-25.

			The Mayor's proposed FY 2023-24 budget includes one time funding to community based organizations for the Powell Street Corridor. This project would replace the existing metallic sidewalk extension to create a unified widened sidewalk from Market Street to Geary Street. These funds would also be used to jumpstart up to 10 new tenancies in storefronts along Powell Street, including subsidizing tenant improvements or other new business' start-up costs. We consider approval of the Powell Street Corridor project to be a policy matter for the Board.

YEAR ONE: FY 2023-24

Budget Changes

The Department's \$32,117,937 budget for FY 2023-24, as proposed by the Mayor, is \$614,581 or 2.0% more than the original FY 2022-23 budget of \$31,503,356.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 80.89 FTEs, which are 0.51 FTEs more than the 80.38 FTEs in the original FY 2022-23 budget. This represents a 0.6% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$32,117,937 in FY 2023-24 are \$614,581 or 2.0% more than FY 2022-23 revenues of \$31,503,356.

YEAR TWO: FY 2024-25

Budget Changes

The Department's \$30,882,858 budget for FY 2024-25, as proposed by the Mayor, is \$1,235,079 or 3.8% less than the Mayor's proposed FY 2023-24 budget of \$32,117,937.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 81.13 FTEs, which are 0.24 FTEs more than the 80.89 FTEs in the Mayor's proposed FY 2023-24 budget. This represents a 0.3% increase in FTEs from the Mayor's proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$30,882,858 in FY 2024-25 are \$1,235,079 or 3.8% less than FY 2023-24 estimated revenues of \$32,117,937.

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Environment Department	25,798,521	41,287,133	22,309,037	31,503,356	32,117,937
FTE Count	64.90	70.70	69.74	80.38	80.89

The Department’s budget increased by \$6,319,416 or 24.5% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 15.99 or 24.6% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$614,581 largely due to new federal and state funding, and investments to support staff working on the Climate Action Plan.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$1,235,079 largely due to the loss of one-time funding from FY 2023-24.

Budget Reductions

The Department reports that the Mayor proposed \$10,638,003 in reductions in FY 2023-24, which are summarized in the table attached to this report.

Major reductions to the department’s budget are due to the conclusion of a one-time Board addback in FY 2022-23, and an ongoing \$500,000 reduction in lease expenses, reflecting the department consolidating its office space.

Please note that these reductions may not be reflected in the overall change in the Department's budget due to offsetting enhancements.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: ENV – ENVIRONMENT

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$175,000 in FY 2023-24. All of the \$175,000 in recommended reductions are ongoing savings. These reductions would still allow an increase of \$439,581 or 1.40% in the Department’s FY 2023-24 budget.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$175,000 in FY 2024-25. All of the \$175,000 in recommended reductions are ongoing savings.

ENV-1		Reduce the proposed budget for Other Professional Services in the SR-Solid Waste Non-Project Fund. Overall, the proposed FY 2023-24 budget increases the funding for Non-Personnel Services by more than \$134,000. However, the Department carried forward more than \$477,000 in Non-Personnel Services funding from FY 2021-22 into FY 2022-23, and as of June 1, 2023, more than \$158,000 of available funding had not been spent. This proposed reduction still allows for an increase in the Department's Non-Personnel Services budget for membership fees, training, and travel costs.							Ongoing savings.						
	Attrition Savings			(\$546,649)	(\$618,241)	\$71,592					(\$546,649)	(\$618,241)	\$71,592

		<i>Total Savings</i>					<i>\$100,000</i>			<i>Total Savings</i>					<i>\$100,000</i>
ENV-2		Increase Attrition Savings in the SR-Solid Waste Non-Project Fund. The Department had more than \$280,000 in salary savings in this fund in FY 2021-22, and is projected to have more than \$1.8 million in salary savings at the end of FY 2022-23. This proposed reduction accounts for an increase of almost \$100,000 in attrition savings already proposed in the Mayor's FY 2023-24 budget, as well as an increase of more than \$285,000 of temporary salary budget in this fund.							Ongoing savings.

		Move facilities costs associated with three City-owned childcare facilities for which the City contracts with childcare service providers out of the General Fund and into the Public Education Enrichment Fund. These costs were transferred to the Department from the Human Services Agency and should be accounted for with other childcare services that are programmatically accounted for in the Public Education Enrichment Fund. The Department notes that these services include infant and toddler rooms serving children under 3. According to San Francisco City Charter Section 16.123-4, the Public Education Enrichment Fund "may also be used to support the development of services for children from birth to three years old." YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$200,154,962 budget for FY 2023-24, as proposed by the Mayor, is \$14,455,089 or 7.8% more than the original FY 2022-23 budget of \$185,699,873.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 720.92 FTEs, which are 14.11 FTEs more than the 706.81 FTEs in the original FY 2022-23 budget. This represents a 2.0% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$97,464,962 in FY 2023-24 are \$10,725,089 or 12.4% more than FY 2022-23 revenues of \$86,739,873.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$186,221,047 budget for FY 2024-25, as proposed by the Mayor, is \$13,933,915 or 7.0% less than the Mayor’s proposed FY 2023-24 budget of \$200,154,962.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 723.56 FTEs, which are 2.64 FTEs more than the 720.92 FTEs in the Mayor’s proposed FY 2023-24 budget. This represents a 0.4% increase in FTEs from the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$80,311,047 in FY 2024-25 are \$17,153,915 or 17.6% less than FY 2023-24 estimated revenues of \$97,464,962.

DEPARTMENT: LIB – PUBLIC LIBRARY

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Public Library	171,592,228	151,700,834	171,222,254	185,699,873	200,154,962
FTE Count	701.06	700.17	700.45	706.81	720.92

The Department’s budget increased by \$28,562,734 or 16.6% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 19.86 or 2.8% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$14,455,089 largely due to an increase in salaries and benefits, and capital investments.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$13,933,915 largely due to one-time capital funding in FY 2023-24.

Budget Reductions

The Department reports that the Mayor proposed \$3,118,108 in reductions in FY 2023-24, which are summarized in the table attached to this report.

The Department does not have major reductions to the budget in FY 2023-24 compared to FY2022-23. The reductions are primarily one-time investments in FY 2022-23, which do not result in service impacts. The other reductions are either planned end of phase or shifting from external to internal service provision.

Please note that these reductions may not be reflected in the overall change in the Department's budget due to offsetting enhancements.

FY 2023-24 AND FY 2024-25**

DEPARTMENT: LIB – PUBLIC LIBRARY

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$485,000 in FY 2023-24. All of the \$485,000 in recommended reductions are ongoing savings. These reductions would still allow an increase of \$13,970,089 or 7.5% in the Department’s FY 2023-24 budget.

Our policy recommendations total \$240,241 in FY 2023-24, all of which are ongoing savings.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$485,000 in FY 2024-25. All of the \$485,000 in recommended reductions are ongoing savings.

Our policy recommendations total \$244,469 in FY 2024-25, all of which are ongoing savings.

	<p>The Department is proposing a substitution to return the 1.00 FTE 0952 Deputy Director II position back to the prior 1.00 FTE 0932 Manager IV position in FY 2023-24 at a net cost of \$16,130. This position is the Library's Chief Information Officer (CIO) position. Over the last three years, growth in manager and deputy director positions across the City has outpaced total position growth by nearly three-fold (12.4% vs. 4.5%). Although staff in these classifications play an important role, they are more expensive per position than front line workers and generally do not provide direct services. This substitution will not add to the count of the manager and deputy director positions and, according to Department staff, will allow the Department to offer a more competitive salary, and still be at a lower management level than other CIO's in the City. Given the high cost of this position and the high growth of such positions in recent years, the Budget and Legislative Analyst's Office considers approval of this substitution to be a policy decision for the Board of Supervisors.</p>

	<p>The Department is proposing an upward substitution of 1.00 FTE 1926 Senior Materials and Supplies Supervisor to 1.00 FTE 0922 Manager I. According to Department staff, the Department's operational needs now require this position to oversee fleet, delivery, and receiving logistics for the Library, outside the scope of the 1926 Senior Materials and Supplies Supervisor classification. Over the last three years, growth in manager and deputy director positions across the City has outpaced total position growth by nearly three-fold (12.4% vs. 4.5%). 	<p>The Department is proposing an upward substitution of 1.00 FTE 3602 Library Page to 1.00 FTE 0922 Manager I for the City Archivist position. According to Department staff, the City Archivist fulfills citywide responsibilities defined in SEC 8.7, SEC. 67.29-1, 67.29-7. According to Department staff, in assessing a pending vacancy, the Department determined that the responsibilities are most appropriately performed by a manager who will engage with other City departments and community groups to ensure preservation of the City's diverse community. Over the last three years, growth in manager and deputy director positions across the City has outpaced total position growth by nearly three-fold (12.4% vs. 4.5%). YEAR ONE: FY 2023-24

Budget Changes

The Department's \$108,902,751 budget for FY 2023-24, as proposed by the Mayor, is \$5,488,531 or 5.3% more than the original FY 2022-23 budget of \$103,414,220.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 316.71 FTEs, which are 3.57 FTEs less than the 320.28 FTEs in the original FY 2022-23 budget. This represents a 1.1% decrease in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$76,452,191 in FY 2023-24 are \$1,976,539 or 2.7% more than FY 2022-23 revenues of \$74,475,652.

YEAR TWO: FY 2024-25

Budget Changes

The Department's \$113,162,269 budget for FY 2024-25, as proposed by the Mayor, is \$4,259,518 or 3.9% more than the Mayor's proposed FY 2023-24 budget of \$108,902,751.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 317.28 FTEs, which are 0.57 FTEs more than the 316.71 FTEs in the Mayor's proposed FY 2023-24 budget. This represents a 0.2% increase in FTEs from the Mayor's proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$74,510,225 in FY 2024-25 are \$1,941,966 or 2.5% less than FY 2023-24 estimated revenues of \$76,452,191.

FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: CAT – CITY ATTORNEY

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
City Attorney	91,435,217	93,814,525	98,679,267	103,414,220	108,902,751
FTE Count	310.19	309.80	311.04	320.28	316.71

The Department’s budget increased by \$17,467,534 or 19.1% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 6.52 or 2.1% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$5,488,531 largely due to new attorney positions related to the California CARE Court, a state initiative creating a pathway for family members, providers and first responders to ask a court to mandate treatment for individuals with serious, untreated behavioral health disorders. Other factors include cost increases to outside counsel expenses, court reporters and legal vendors, and a one-time workorder with the Department of Human Resources for negotiating collective bargaining agreements covering 88% of the City’s workforce.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$4,259,518 largely due to increases in salaries and benefits and ongoing outside service costs.

Budget Reductions

The Department reports that the Mayor proposed \$1,527,191 in reductions in FY 2023-24, which are summarized in the table attached to this report. These reductions include ongoing reductions in temporary salaries and corresponding fringe benefits for budget savings, reductions in the interdepartmental services budgets of requesting departments, and a reduction in one-time Gun Violence Restraining Order unit addbacks.

Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

DEPARTMENT: CAT – CITY ATTORNEY

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$363,183 in FY 2023-24. Of the \$363,183 in recommended reductions, \$163,183 are ongoing savings and \$200,000 are one-time savings. These reductions would still allow an increase of \$5,125,349 or 5.0% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$1,067, for total General Fund savings of \$364,249.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$170,377 in FY 2024-25. All of the \$170,377 in recommended reductions are ongoing savings. These reductions would still allow an increase of \$4,089,141 or 3.8% in the Department’s FY 2024-25 budget.

	Reduce funding for Professional and Specialized Services due to opportunities for Information Technology cost savings. This recommendation would still allow an increase of \$462,840 in Professional and Specialized Services in FY 2023-24, and would accommodate the Department's proposed acquisition of new IT solutions. As a result of these acquisitions, the Department should be able to reduce certain existing expenditures. It can also achieve savings by reducing the number of Microsoft subscriptions, which currently exceeds the number of Department staff.							Ongoing savings.

Deny proposed new position 0.79 FTE 8182 Head Attorney due to inadequate justification and instead approve 0.79 FTE 8177 Attorney (Criminal/Civil) focused on the CARE Court program. Existing management positions in the Department, including 21.00 FTE 8182 Head Attorneys, should be able to provide the necessary coordination and oversight of CARE Court and conservatorship cases. This recommendation would still allow the Department to add three attorneys and one paralegal to focus on CARE Court cases, as part of an overall personnel increase of five positions.							Ongoing savings.

YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$138,773,276 budget for FY 2023-24, as proposed by the Mayor, is \$2,542,624 or 1.9% more than the original FY 2022-23 budget of \$136,230,652.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 312.92 FTEs, which are 18.25 FTEs more than the 294.67 FTEs in the original FY 2022-23 budget. This represents a 6.2% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$43,408,396 in FY 2023-24 are \$2,677,629 or 5.8% less than FY 2022-23 revenues of \$46,086,025.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$135,349,274 budget for FY 2024-25, as proposed by the Mayor, is \$3,424,002 or 2.5% less than the Mayor’s proposed FY 2023-24 budget of \$138,773,276.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 313.02 FTEs, which are 0.10 FTEs more than the 312.92 FTEs in the Mayor’s proposed FY 2023-24 budget. This represents a 0.03% change in FTEs from the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$43,468,071 in FY 2024-25 are \$59,675 or 0.1% more than FY 2023-24 estimated revenues of \$43,408,396.

DEPARTMENT: DEM – EMERGENCY MANAGEMENT

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Department of Emergency Management	96,330,705	117,088,290	121,057,366	136,230,652	138,773,276
FTE Count	279.47	296.79	295.31	294.67	312.92

The Department’s budget increased by \$42,442,571 or 44.1% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 33.45 FTE or 12.0% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$2,542,624 largely due to increases in salaries and benefits, technology projects, and enhanced street response coordination.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$3,424,002 largely due to loss of one-time funding for programs budgeted only in FY 2023-24.

Budget Reductions

The Department reports that the Mayor proposed \$6,834,945 in reductions in FY 2023-24, which are summarized in the table attached to this report. The Department reports that those reductions included decreasing line items that would have no impact to the delivery of DEM’s core services, which include reducing debt service by \$1.5 million, decreasing funding for Major IT Projects by a combined \$1.8 million, reducing contract services from the Healthy Streets Operation Center by \$3.15 million, and then decreasing training, office supplies, and other workorders by \$385,000. In order to support Mayoral initiatives and priorities, increases to the Department’s programmatic projects budget directly offset these reductions, thereby resulting in a net overall increase of \$2.5 million for FY 2023-2024.

Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: DEM – EMERGENCY MANAGEMENT

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$359,172 in FY 2023-24. Of the \$359,172 in recommended reductions, \$156,224 are ongoing savings and \$202,948 are one-time savings. These reductions would still allow an increase of \$2,183,452 or 1.6% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$1,129,963, for total General Fund savings of \$1,489,135.

Our policy recommendations total \$2,062,176 in FY 2023-24, \$1,277,052 of which are one-time and \$785,124 of which are ongoing.

Our reserve recommendations total \$4,020,000 in FY 2023-24, all of which are one-time.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$159,690 in FY 2024-25. All of the \$159,690 in recommended reductions are ongoing savings.

Our policy recommendations total \$815,035 in FY 2023-24, all of which are ongoing.

Downward substitute 1.00 FTE 0922 Manager I to 1.00 FTE 8240 Public Safety Communications Coordinator. The Department is proposing this downward substitution to offset a proposed upward substitution of 1.00 FTE 0923 Manager II to 1.00 FTE 0931 Manager III in Emergency Communications. This downward substitution will result in one less manager-level position in Emergency Communications despite the upward substitution.							Ongoing savings.

Reduce the proposed budget for the Drug Market Agency Coordination Center, which is funded with \$5.5 million of one-time funding in FY 2023-24. According to the Department, the Drug Market Agency Coordination Center will coordinate operations across multiple City agencies to combat drug sales, drug use, and illegal fencing of stolen goods in the City. The initiative began in April 2023.															
Based on the Budget and Legislative Analyst's review of information provided by the Department, we recommend reducing the Drug Market Agency Coordination Center budget by \$202,948, or 3.7%.															
Our recommendation would leave \$5,297,052 in remaining funding for the Drug Market Agency Coordination Center, of which we recommend placing \$4,020,000 on reserve (see DEM-7) and of which \$1,277,052 we consider to be a policy matter for the Board of Supervisors (see DEM-5). DEM-5		<p>The proposed FY 2023-24 budget includes \$5.5 million to fund the Drug Market Agency Coordination Center in FY 2023-24. We recommend in DEM-3 to reduce that budget to \$5,297,052.</p> <p>The proposed budget includes \$850,000 for a lease for physical space on the sixth floor of 1155 Market Street, which is a property already leased by the City that formerly housed the Controller's Office. The proposed budget also includes \$50,000 for associated technology costs for the space. The Department states that the space is being used as an administrative space for coordination of the Drug Market Agency Coordination Center only. The space is 13,185 square feet with a cost of \$64.60 per square foot. The Department reports that between 20-25 City employees are currently using the space as their full-time workspace and that as many as 66 employees have utilized the space since the program began. However, because the Department has not yet hired any new FTEs for the Coordination Center, all of the employees using the space are existing City staff who have existing permanent workspaces.</p> <p>Based on the Budget and Legislative Analyst's review of information provided by the Department, we consider the lease budget of \$850,000, the associated technology costs of \$50,000, and the remaining \$377,052 in operations costs, to be a policy matter for the Board of Supervisors.</p>							One-time savings.

DEM-6	<p>DEM is requesting three interim exceptions for 1.00 FTE 0922 Manager I Street Ambassador Program Coordinator, 1.00 FTE 0931 Tenderloin Street Conditions Manager, and 1.00 FTE 0941 Chief of Policy in their Street Conditions Division. These managerial positions are all filled with temporary appointments made in FY 2022-23 therefore we are not recommending decreasing any of these FTEs.</p> <p>These 3.00 FTEs represent a 75 percent expansion of the Street Conditions Division, which now consists of 4.00 FTE manager-level positions and 1.00 FTE 1823 Senior Administrative Analyst.</p> <p>Over the last three years, growth in manager and deputy director positions across the City has outpaced total position growth by nearly three-fold (12.4% vs. 4.5%). Although staff in these classifications play an important role, they are more expensive per position than front line workers and generally do not provide direct services.</p> <p>The Board of Supervisors has approved significant investments in San Francisco's response to its street conditions in previous budget cycles, including the establishment of various street response and outreach teams, and additional investments in the Healthy Streets Operations Center are included in this budget. The Budget and Legislative Analyst considers these 3.00 FTE manager-level positions to be a policy matter for the Board of Supervisors.</p>

Plans for these workorders are ongoing and could include \$1.5 million to the Department of Public Health to support enhanced jail health operations, \$1.5 million to the Sheriff's Office to support a temporary detox detention pilot, and \$1.02 million to Adult Probation, Public Works, the Municipal Transportation Authority, and the Public Utilities Commission for service enhancements. However, the Department has not finalized the specific uses of this funding.</p> <p>The Budget and Legislative Analyst recommends placing the funding for these proposed workorders on Budget and Finance Committee reserve pending the identification of the specific uses of the \$4,020,000 in funding.</p>							One-time savings.

FTE Count	-	-	-	-	-

The Department’s budget decreased by \$2,682,468 or 7.5% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has decreased by \$506,309 largely due to a decrease in funding to the Indigent Defense Program to align the budget with actual program usage.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$200,000 largely due to updating the Indigent Defense Program budget to account for inflation.

Budget Reductions

Department reports that the Mayor has not proposed any reductions in FY 2023-24.

DEPARTMENT: JUV – JUVENILE PROBATION

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Juvenile Probation	42,840,786	41,284,225	42,973,703	52,535,026	49,262,858
FTE Count	212.68	183.61	176.25	173.54	175.39

The Department’s budget increased by \$5,422,072 or 15.0% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count decreased by 37.29 or 17.5% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has decreased by \$3,272,168 largely due to reductions in programmatic projects, services of other departments, non-personnel services, and City grant programs. These reductions are partially offset by increases to salaries, capital outlay, and fringe benefits.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$3,961,152 largely due to reductions in capital outlay, programmatic projects, and non-personnel services. These reductions are partially offset by increases to salaries.

Budget Reductions

The Department reports that the Mayor proposed \$5,060,363 in reductions in FY 2023-24, which are summarized in the table attached to this report. These reductions are partially offset by increases in other areas, as shown above in the Department’s overall budget reduction of \$3,272,168.

The Department’s primary budgetary goals are to ensure staffing capacity to meet statutory functions for youth referred by law enforcement agencies, to implement reforms identified by City planning processes, and to meet legislative mandates resulting from the closure of California’s Division of Juvenile Justice. Priority was given to preserving work orders with DCYF to support services provided by Community Based Organizations to youth both in custody and in the community, and to fill vacant positions, in particular sworn staff.

The Department complied with Mayor’s proposed reductions in General Fund by shifting funding for 15 FTE (\$1.7M) from General Fund to intergovernmental funding (i.e., State Apportionments). In addition, it reduced \$500,000 in spending on non-personnel and work orders to other departments by reducing the security contract for the Log Cabin Ranch property and eliminating

work orders no longer needed. The Department used prior-year balances and growth funding on state apportionments to maintain current funding levels to CBOs and direct services.

Please note that these reductions may not be reflected in the overall change in the Department's budget due to offsetting enhancements.

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$295,081 in FY 2023-24. Of the \$295,081 in recommended reductions, \$243,924 are ongoing savings and \$51,157 are one-time savings.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$104,592, for total General Fund savings of \$388,429.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$246,005 in FY 2024-25. Of the \$246,005 in recommended reductions, all are ongoing savings.

YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$58,465,199 budget for FY 2023-24, as proposed by the Mayor, is \$428,713 or 0.7% more than the original FY 2022-23 budget of \$58,036,486.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 146.57 FTEs, which are 1.97 FTEs less than the 148.54 FTEs in the original FY 2022-23 budget. This represents a 1.3% decrease in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$27,136,519 in FY 2023-24 are \$2,921,657 or 9.7% less than FY 2022-23 revenues of \$30,058,176.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$57,646,502 budget for FY 2024-25, as proposed by the Mayor, is \$818,697 or 1.4% less than the Mayor’s proposed FY 2023-24 budget of \$58,465,199.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 142.52 FTEs, which are 4.05 FTEs less than the 146.57 FTEs in the Mayor’s proposed FY 2023-24 budget. This represents a 2.8% decrease in FTEs from the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$27,280,047 in FY 2024-25 are \$143,528 or 0.5% more than FY 2023-24 estimated revenues of \$27,136,519.

FY 2023-24 AND FY 2024-25**

DEPARTMENT: ADP – ADULT PROBATION DEPARTMENT

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Adult Probation Department	41,881,466	41,818,109	48,663,502	58,036,486	58,465,199
FTE Count	154.40	147.38	154.55	148.54	146.57

The Department’s budget increased by \$16,583,733 or 39.6% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count decreased by 7.83 or 5.1% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$428,713 largely due to ongoing investments in re-entry services including transitional housing and behavioral health treatment programs.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$818,697 largely due to one-time funding for community programs in FY 2023-24.

Budget Reductions

The Department reports that the Mayor reduced \$694,084 in FY 2023-24, which are summarized in the table attached to this report.

The major reductions include \$339,084 decrease in non-personnel which reflect budget savings in professional services and other current expenses; \$55,000 in materials and supplies; and a \$300,000 reduction in the Treatment Recovery Prevention (TRP) Program due to a reduction in TRP staff salaries.

Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: ADP – ADULT PROBATION DEPARTMENT

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$396,399 in FY 2023-24. Of the \$396,399 in recommended reductions, \$65,000 are ongoing savings and \$331,399 are one-time savings. These reductions would still allow an increase of \$32,314 or 0.1% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$32,326, for total General Fund savings of \$428,726.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$65,000 in FY 2024-25. Of the \$65,000 in recommended reductions, all are ongoing savings.

YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$9,990,353 budget for FY 2023-24, as proposed by the Mayor, is \$214,176 or 2.2% more than the original FY 2022-23 budget of \$9,776,177.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 40.95 FTEs, which are 2.22 FTEs less than the 43.17 FTEs in the original FY 2022-23 budget. This represents a 5.1% decrease in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$332,795 in FY 2023-24 are \$204,795 or 160% more than FY 2022-23 revenues of \$128,000.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$9,821,191 budget for FY 2024-25, as proposed by the Mayor, is \$169,162 or 1.7% less than the Mayor’s proposed FY 2023-24 budget of \$9,990,353.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 40.85 FTEs, which are 0.10 FTEs less than the 40.95 FTEs in the Mayor’s proposed FY 2023-24 budget. This represents a 0.2% decrease in FTEs from the Mayor’s proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$332,795 in FY 2024-25 are the same as the budgeted revenues in FY 2023-24.

DEPARTMENT: DPA – DEPARTMENT OF POLICE ACCOUNTABILITY

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Department Police Accountability	\$11,557,966	\$10,415,143	\$9,373,996	\$9,776,177	\$9,990,353
FTE Count	50.17	47.94	42.38	43.17	40.95

The Department’s budget decreased by \$1,567,613 or 13.6% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count decreased by 9.22 or 18.4% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$214,176 largely due to a one-time \$400,000 increase in a project budget that is currently used to fund unbudgeted department spending (including one 1823 Senior Analyst position) which is offset by an increase in budgeted attrition savings.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$169,162 largely due to a \$400,000 decrease in the Department’s project budget, which is offset by funding for positions that their FY 2023-24 FTE level.

Budget Reductions

The only decrease in the Mayor’s proposed budget is the increase in budgeted attrition in FY 2023-24 and the decrease in the project budget in FY 2024-25.

Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$20,000 in FY 2023-24, which are one-time savings. These reductions would still allow an increase of \$194,176 or 2.0 % in the Department’s FY 2023-24 budget.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst does not have any recommended reductions for DPA’s FY 2024-25 budget.

Proposition D, passed by voters in November of 2020, directed the City to create a new department to oversee the Sheriff’s Department and a new oversight board that would make recommendations to the Sheriff and Board of Supervisors about the operations of the Sheriff’s Department. Although the City’s FY 2021-22 budget included a new Department of Sheriff’s Accountability and the funding required by Proposition D, the Department did not include a staff member or make any expenditures until May of 2022.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has decreased by \$247,724 largely due to vacant positions. As of June 2023, the Department continues to have only one staff member. The Sheriff’s Department Oversight Board anticipates hiring an Inspector General by the end of calendar year 2023, and hiring for the Department’s other budgeted positions remains on hold pending the filling of this position. In the interim, Department of Police Accountability staff continue to assist with budgeting and investigate complaints of serious misconduct made against Sheriff’s Department staff.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has decreased by \$17,036 due to an increase in budgeted attrition savings.

Budget Reductions

The Department reports that the Mayor proposed \$560,969 in reductions in FY 2023-24, which are summarized in the table attached to this report. The proposed reductions will be achieved by utilizing salary savings from existing unfilled positions, which will continue to remain vacant until the Sheriff Department Oversight Board hires an Inspector General. Please note that these reductions may not be reflected in the Department’s overall changes due to offsetting enhancements.

To estimate salary savings, we assumed a Sept. 1, 2023 start date for the Inspector General position and a March 1, 2024 start date for the 11 other vacant positions, for which the hiring process will not begin until the Inspector General starts. This is a conservative assumption, as it assumes the new Inspector General will begin the hiring process for every position on Sept. 1 and have an average hiring timeline of six months, which is faster than the median Permanent Civil Service hiring timeline (more than eight months) as of October 2022. The Department’s budget increased by \$30,856,849 or 11.8% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count decreased by 35.81 or 3.5% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has decreased by \$7,510,968 largely due to salary savings from vacant positions and a decrease in overtime.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$1,986,084 largely due to increases in interdepartmental services and salaries and benefits.

Budget Reductions

The Department reports that the Mayor proposed \$19,165,086 in line-item reductions in FY 2023-24, which are summarized in the table attached to this report. Net reductions of \$4,620,507 are realized from attrition and overtime savings.

Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$627,551 in FY 2023-24. Of the \$627,551 in recommended reductions, \$70,551 are ongoing savings and \$557,000 are one-time savings.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$95,102, for total General Fund savings of \$722,653.

Our policy recommendations total \$33,184 in FY 2023-24, all of which are ongoing savings.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$70,551 in FY 2024-25, all of which are ongoing savings. These reductions would still allow an increase of \$1,915,533 or 0.7% in the Department’s FY 2024-25 budget.

Our policy recommendations total \$34,260 in FY 2024-25, all of which are ongoing savings.

	<p>Over the last three years, growth in manager and deputy director positions across the City has outpaced total position growth by nearly three-fold (12.4% vs. 4.5%). Although staff in these classifications play an important role, they are more expensive per position than front line workers and generally do not provide direct services.</p> <p>The Department is proposing an upward substitution of 1.0 FTE 1823 Senior Administrative Analyst position to 1.0 FTE 0922 Manager I position in FY 2023-24 at a cost of \$33,184. In February of 2023, a position review by the Department of Human Resources found that the majority of the responsibilities carried out by the incumbent were aligned within the scope of the Manager position series. This position works closely with the Sheriff on strategic planning, annual reports and as a liaison to other law enforcement, legislative, and government agencies.</p> <p>Given the high cost of this position and the high growth of such positions in recent years, we consider approval of this proposed upward substituted position to be a policy matter for the Board of Supervisors.</p>															

Ongoing savings.

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 1,828.16 FTEs, which are 20.33 FTEs more than the 1,807.83 FTEs in the Mayor's proposed FY 2023-24 budget. This represents a 1.1% increase in FTEs from the Mayor's proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$161,547,365 in FY 2024-25 are \$237,379 or 0.1% less than FY 2023-24 estimated revenues of \$161,784,744.

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Fire Department	424,133,020	412,290,704	439,975,978	498,585,516	511,768,691
FTE Count	1,676.77	1,641.24	1,677.68	1,801.46	1,807.83

The Department’s budget increased by \$87,635,671 or 20.7% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 131.06 FTE or 7.8% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$13,183,175 largely due to increased overtime and increased costs associated with recently negotiated employee labor contracts.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$14,917,575 largely due to the ongoing salaries and benefits costs associated with the labor contracts.

Budget Reductions

The Department reports that the Mayor proposed \$12,121,998 in reductions in FY 2023-24, which are summarized in the attached report. These reductions are primarily for fringe benefit rate changes and reallocations to other line items.

Please note that these reductions may not be reflected in the overall change in the Department's budget due to offsetting enhancements.

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$484,210 in FY 2023-24. Of the \$484,210 in recommended reductions, \$421,194 are ongoing savings and \$63,016 are one-time savings. These reductions would still allow an increase of \$12,698,965 or 2.5% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$2,219, for total General Fund savings of \$486,429.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$197,260 in FY 2024-25. All of the \$197,260 in recommended reductions are ongoing savings. These reductions would still allow an increase of \$14,720,315 or 2.9% in the Department’s FY 2024-25 budget.

		Reduce Fire Prevention Vehicle Replacement budget by two vehicles, or \$63,016. The Department's proposed budget includes \$252,064 for eight Ford Escape hybrid vehicles to replace their existing fire prevention vehicle fleet, at a price of \$31,508 per vehicle. The vehicles to be replaced are a mix of Ford Fusions, Ford Escapes, and a Mercury Grand Marquis. However, two of the vehicles the Department is proposing to replace have fewer than 100,000 miles on them, and one of those is only seven years old. Reducing the budget by \$63,016, or two vehicles, would still allow the Department to replace six of the eight proposed vehicles with Ford Escape hybrids, at a total cost of \$189,048. This recommendation would still approve the Department's additional proposed equipment replacement budget of seven Ambulances, two Fire Engines, and nine Defibrillators at a total cost of more than \$4.1 million.							One-time savings.

		The Department is proposing substituting 1.00 FTE 6281 Fire Safety Inspector II for 1.00 FTE 1043 IS Engineer-Senior because the 6281 Fire Safety Inspector II classification is being phased out. However, the Department did not provide a reason for why the senior-level 1043 IS Engineer-Senior is needed, so we propose instead substituting the 1.00 FTE 6281 Fire Safety Inspector II for 1.00 FTE 1042 IS Engineer-Journey, for savings of \$21,194 in FY 2023-24.							Ongoing savings.

YEAR ONE: FY 2023-24

Budget Changes

The Department’s \$50,860,959 budget for FY 2023-24, as proposed by the Mayor, is \$675,622 or 1.3% more than the original FY 2022-23 budget of \$50,185,337.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 208.68 FTEs, which are 1.58 FTEs more than the 207.10 FTEs in the original FY 2022-23 budget. This represents a 0.8% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$2,533,184 in FY 2023-24 are \$22,328 or 0.9% less than FY 2022-23 revenues of \$2,555,512.

YEAR TWO: FY 2024-25

Budget Changes

The Department’s \$51,694,828 budget for FY 2024-25, as proposed by the Mayor, is \$833,869 or 1.6% more than the Mayor’s proposed FY 2023-24 budget of \$50,860,959.

Budget Reductions

The Department reports that the Mayor has not proposed any reductions in FY 2023-24.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25**

DEPARTMENT: PDR – PUBLIC DEFENDER

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$15,873 in FY 2023-24, all of which are one-time savings. These reductions would still allow an increase of \$659,749 or 1.3% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$9,358, for total General Fund savings of \$25,232.

Our policy recommendation totals \$15,996 in FY 2023-24, all of which are ongoing.

YEAR TWO: FY 2024-25

Our policy recommendation totals \$16,331 in FY 2024-25, all of which are ongoing.

					Over the last three years, growth in manager and deputy director positions across the City has outpaced total position growth by nearly three-fold (12.4% vs. 4.5%). Although staff in these classifications play an important role, they are more expensive per position than front line workers and generally do not provide direct services. The Department is proposing an upward substitution of an 8182 Head Attorney to an 8181 Assistant Chief Attorney in FY 2023-24 at a net cost of \$15,996. This position is for the Chief of Confront and Advocacy, and the department would like to align this position under the same classification as the other two Chief positions (Chief of Operations and Chief of Defense and Advocacy). Given the high growth of such positions in recent years, we consider approval of this proposed upward substituted position to be a policy matter for the Board of Supervisors.				Ongoing savings.

FTE Count	275.34	266.83	282.99	283.24	296.03

The Department’s budget increased by \$16,223,392 or 22.0% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count increased by 20.69 or 7.5% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$5,829,563 largely due to an increase in personnel budget to account for current staffing, new attorney positions and an overall increase in salaries and benefits.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$2,396,408 largely due to increases in salaries and benefits.

Budget Reductions

The Department reports that the Mayor proposed \$100,000 in reductions in FY 2023-24, which are summarized in the table attached to this report.

The Mayor reduced \$100,000 in programmatic projects budget. \$35,000 was reduced in the Victim Services project to implement budget savings. \$65,000 was reduced in the OIS Oversight programmatic project to implement budget savings.

Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST
FOR AMENDMENT OF BUDGET ITEMS
FY 2023-24 AND FY 2024-25

DEPARTMENT: **DAT – DISTRICT ATTORNEY**

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$253,761 in FY 2023-24. Of the \$253,761 in recommended reductions, \$13,000 are ongoing savings and \$240,761 are one-time savings. These reductions would still allow an increase of \$5,575,802 or 6.6% in the Department’s FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of \$1,000, for total General Fund savings of \$254,761.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$13,000 in FY 2024-25. Of the \$13,000 in recommended reductions, all are ongoing savings. These reductions would still allow an increase of \$2,383,408 or 2.7% in the Department’s FY 2024-25 budget.

YEAR ONE: FY 2023-24

Budget Changes

The Department's \$776,786,700 budget for FY 2023-24, as proposed by the Mayor, is \$62,806,016 or 8.8 % more than the original FY 2022-23 budget of \$713,980,684.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2023-24 are 2,994.30 FTEs, which are 94.94 FTEs more than the 2,849.36 FTEs in the original FY 2022-23 budget. This represents a 3.3% increase in FTEs from the original FY 2022-23 budget.

Revenue Changes

The Department's revenues of \$157,650,432 in FY 2023-24 are \$14,817,019 or 10.4% more than FY 2022-23 revenues of \$142,833,413.

YEAR TWO: FY 2024-25

Budget Changes

The Department's \$787,878,316 budget for FY 2024-25, as proposed by the Mayor, is \$11,091,616 or 1.4% more than the Mayor's proposed FY 2023-24 budget of \$776,786,700.

Personnel Changes

The number of full-time equivalent positions (FTE) budgeted for FY 2024-25 are 2,950.58 FTEs, which are 6.28 FTEs more than the 2,994.30 FTEs in the Mayor's proposed FY 2023-24 budget. This represents a 0.2% increase in FTEs from the Mayor's proposed FY 2023-24 budget.

Revenue Changes

The Department's revenues of \$152,673,303 in FY 2024-25 are \$4,977,129 or 3.2% less than FY 2023-24 estimated revenues of \$157,650,432.

SUMMARY OF 5-YEAR HISTORICAL & PROPOSED BUDGET YEAR EXPENDITURES AND FTE AUTHORITY:

	FY 2019-20 Budget	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Budget	FY 2023-24 Proposed
Police Department	692,322,316	667,891,102	657,406,273	713,980,684	776,786,700
FTE Count	3,202.79	3,048.45	2,880.71	2,849.36	2,944.30

The Department’s budget increased by \$84,464,384 or 12.2% from the adopted budget in FY 2019-20 to the Mayor’s proposed budget in FY 2023-24. The Department’s FTE count decreased by 258.49 or 8.1% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

FY 2023-24

The Mayor’s proposed FY 2023-24 budget for the Department has increased by \$62,806,016 largely due to the following:

In the General Fund:

- A decrease in sworn attrition from -88.59 FTE in FY 2022-23 to -44.25 FTE in FY 2023-24.
- A decrease in civilian attrition from -41.71 FTE in FY 2022-23 to -36.59 FTE in FY 2023-24.
- Escalations in labor costs resulting from new labor agreements, estimated by Police to cost \$11.1 million more than the base FY 2023-24 budget.
- Ten new Community Police Service Aides (an increase from 68.00 FTE in FY 2022-23).
- Two new Community Police Services Aides (an increase from 0.00 FTE in FY 2022-23).
- An 23 FTE increase in temporary staff costing \$2.8 million to partially fund part-time sworn staff that are currently funded by full-time sworn vacant positions
- An increase in sworn overtime from \$26 million to \$42.4 million.
- A \$913,000 increase in materials and supplies due to cost escalation in goods.

FY 2024-25

The Mayor’s proposed FY 2024-25 budget for the Department has increased by \$11,091,616 largely due to ongoing escalations in labor costs.

Budget Reductions

The Department reports that the Mayor proposed \$102,500 in reductions in FY 2023-24, which are summarized in the table attached to this report.

The reductions are to three Board add-backs for SF Safe: (1) District 1 National Night, (2) District 8 Castro Community on Patrol, and (3) Southwest Gun Violence and Safety.

Please note that these reductions may not be reflected in the overall change in the Department’s budget due to offsetting enhancements.

RECOMMENDATIONS

YEAR ONE: FY 2023-24

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$2,372,470 in FY 2023-24, all of which are ongoing savings. These reductions would still allow an increase of \$60,433,546 or 8.5% in the Department’s FY 2023-24 budget.

Our policy recommendations total \$200,000 in FY 2023-24, all of which are one-time savings.

YEAR TWO: FY 2024-25

The Budget and Legislative Analyst’s recommended reductions to the proposed budget total \$2,372,470 in FY 2024-25, all of which are ongoing savings. These reductions would still allow an increase of \$8,719,146 or 1.1% in the Department’s FY 2024-25 budget.

	Reduce overtime by \$1.3 million. The Department's sworn overtime budget is increasing from \$26 million in FY 2022-23 to \$42.4 million in FY 2023-24. This reduction will not interrupt the Mayor's sworn hiring plan and still provides the Department \$40.4 million in position vacancy savings resulting from 300 sworn vacancies to fund projected overtime needs beyond what is accounted for in the Mayor's proposed budget.											Ongoing savings.

Increase attrition by 7.00 FTE. The Department will start FY 2023-24 with 104 existing civilian vacancies plus 12 new civilian positions. The proposed FY 2023-24 civilian attrition assumes a start date of early November 2023 for all currently vacant civilian positions. This proposed reduction would push the start date to the end of November 2023. According to analysis by the Department of Human Resources, the City's median time to hire is 255 days and recent civil service reforms were proposed with a goal of reducing that timeline to 120 - 150 days. The proposed budget modification increases the time to fill vacant civilian positions from 128 days to 148 days.											Ongoing savings.

		Delete 10 TruNarc Analyzers. The department currently has 8 TruNarc devices in use at the Crime Lab (2) and by the Narcotics Unit (6) and proposes to purchase 10 new devices at \$20,000 each for each Police Station. According to Police staff, the purpose of the new devices is to provide preliminary testing of suspicious substances following an arrest. However, the Department will still need to rely on outside lab testing for determining the nature of seized substances and to meet court evidentiary standards. Purchasing these devices may be redundant given the ongoing reliance on lab testing. In addition, according to a March 2023 report from National Public Radio that includes interviews with a toxicologist and former police chief, touching or inhaling fentanyl is not dangerous and there has never been a toxicologically confirmed case of such an injury. On the other hand, the devices' preliminary determinations may assist the Police Department in prioritizing certain investigations. We consider the approval of these devices to be a policy matter for the Board of Supervisors.							One-time purchase in FY 2023-24.

LAW LIBRARY BUDGET PRESENTATION

FY 2023-24 and FY 2024-25

June 16, 2023

Introduction

The law library budget remains consistent year to year with no requests for new positions or funding for special programs. Any annual changes relate to rent, utilities, or salaries and benefits, which are determined by the mayor's office with the exception of salaries which are solely the province of the law library board of trustees and set by that board, pursuant to the SF Charter. The library's appropriation is mandated by the SF Charter. The city appropriation funds three positions. One position needs to be filled, which is addressed in the Budgetary & Operational Challenges section below.

Law Library Funding

The law library's appropriation is funded by the general fund. Pursuant to State Law and the SF Charter, the city is required to fund three management positions, utilities (DT services & telecom), rent, materials and supplies, and valuable papers insurance. The mayor's proposed appropriation for FY 2023-24 is \$1,794,860, a 16% decrease from the \$2,131,664 current year appropriation, but does not include funding for the third Charter-mandated head of technical services position. The city does not fund all other essential library staff salaries, their benefits, library materials including print and legal databases, equipment, liability, and other insurance, furnishings, computers, reproduction costs, public legal education programs, reference services, and all the other expenses a library needs to function. Those costs are paid by the library's share of civil court fees which declined drastically during COVID. As a result, the law library had to lay off two reference librarians, a technical services clerk, and weekend staff, and cancel major legal database and print subscriptions. The law library is unable to replace these positions due to the cost. As a result, the head of technical services position is critically needed to facilitate broader outreach and reference services for the public.

The law library's overriding mission is to provide the people of San Francisco free access to legal information and specialized reference assistance in the use of those resources so they may preserve their rights and conduct their legal affairs.

DT Appropriation - The law library's DT appropriation is an essential component of extensive legal information services to the public, legal profession, agencies, students, and others as it provides the secure and modern technology required to provide accessible access to justice. It supports access to critical legal databases, reference staff services, and library systems by providing a safe and secure network and internet access. Recent technology enhancements during COVID enabled the law library to expand its reach to a wider audience of patrons through virtual programs, communications, and remote legal database offerings.

Real Estate Appropriation - The library's space funded by the real estate appropriation enables the library to provide space for free access to public computers and other legal resources for extensive and free legal research information. The library is an essential resource for small businesses, solo/small firm attorneys, legal services, and the public who would be unable to afford these expensive legal databases and would thus be denied access. The library hosts free legal education programs, space for a legal services consumer rights clinic, and free use of conference rooms for legal meetings and programs.

EXECUTIVE SUMMARY

MAYOR'S LETTER

May 31, 2023

Dear Residents of San Francisco,

I am honored to present my proposed balanced budget for the City and County of San Francisco for Fiscal Years (FY) 2023-24 and 2024-25. We are in a unique moment as we face both uncertainty and incredible opportunity. This budget reflects that by closing our projected \$780 million two-year shortfall, protecting jobs, and minimally impacting services, while allowing for strategic investments to lift our City up and set us up for a brighter, more prosperous future.

We are a city that can deliver on both safety and justice. A city that believes everyone deserves a safe and affordable place to call home. A city that celebrates our innovative spirit, where the next great idea is created by world-leading businesses and where we create opportunities for all our residents to succeed and thrive.

First, the proposed budget invests in public safety. This budget recognizes a national trend that San Francisco is not immune to: a chronic understaffing that plagues public safety departments and places stress on minimum staffing levels. The budget funds contract agreements reached with our police officers, firefighters, EMTs, paramedics, and 911 dispatchers that recognize the tremendous work these men and women do for our City day in and day out, and also acknowledges the difficulty these departments have in recruiting new talent. Police officers choosing to begin their careers in San Francisco will now be the highest paid in all large Bay Area cities and new retention bonuses aim to extend the careers of current officers. I'm confident these investments will help build back our police force in the coming years.

Additional public safety investments build upon our successes in expanding alternatives to policing and civilianization of law enforcement work, including through the use of Police Service Aides and Community Safety Ambassador programs that make our streets more welcoming and safe for both residents and tourists. Ambassadors will continue to play a key role in improving street conditions citywide, and specifically in the Tenderloin, mid-Market, Mission, and in and around BART stations. All ambassadors will now be coordinated through a new Department of Emergency Management lead, improving deployment strategies to maximize their effectiveness.

San Francisco needs to strengthen its support for creating economic success in this time of dramatic shifts in how people work and shop. Remote

work and the changing nature of retail continue to impact our City, but we can't just sit back and wait for things to go back to the way they were. We have to act to set our City up to recruit new businesses, stabilize the ones we have, and fill vacant office and retail spaces across our City. This budget proposes changes to business and commercial rent taxes aimed to incentivize new businesses and ease the burdens of San Francisco's taxes on our existing businesses. I'm also setting aside funds for small business relief as well as dollars for downtown and neighborhood events, and for storefront activations to bring all our commercial corridors to life – from Powell Street to the Castro to West Portal and beyond.

Helping everyone have a safe and affordable place to call home requires a commitment to building more housing at all income levels, and also providing support for the most vulnerable populations in our City. San Francisco saw a 15 percent reduction in unsheltered homelessness between 2019 and 2022, but there remains significant work to do. The budget makes critical investments in new housing, shelter, and homelessness prevention as outlined in our citywide strategic plan, to create 594 new shelter beds, 545 new housing slots, and 825 new homelessness prevention and problem-solving slots over the next two years.

We are a city that leads with services for those who are in need of support. San Francisco's Department of Public Health serves 16,000 people

per year with mental health services and 4,500 per year with substance use issues. Our budget will continue and expand critical behavioral health programs, including funding our Street Response Teams, opening additional mental health beds, and expanding immediate access to services through our Behavioral Health Access Center. We'll expand treatment options for those most at-risk of overdose and open wellness hubs – safe and supervised spaces to get drug use off the streets and connect people to services.

This budget also addresses other key priorities including children and youth programming to address systemic inequities in education, funding for food security, support of nonprofit partners, continuance of the Dream Keeper Initiative, and advancing the Climate Action Plan, all of which are vital to San Francisco's future.

We couldn't do it all. Deficits require difficult choices. This budget includes reductions across departments from current levels of spending, only minimally funds our capital program, and reduces salary budgets in some departments with high vacancy rates. It also uses some reserves to balance out lower revenue levels in the coming years, but maintains our largest reserves to hedge against the uncertainties ahead.

I look forward to working with the Board of Supervisors, the community, and all stakeholders to pass a budget that reflects these priorities and our shared values and vision for the City we call home.

London N. Breed

EXECUTIVE SUMMARY

SAN FRANCISCO'S BUDGET

The budget for the City and County of San Francisco (the City) for Fiscal Years (FY) 2023-24 and FY 2024-25 is \$14.6 billion and \$14.6 billion, respectively. Just over half of the budget consists of self-supporting activities, primarily at the City's Enterprise departments, which focus on City-related business operations, and include the Port, Municipal Transportation Agency, Airport, and Public Utilities Commission. General Fund monies comprise the remaining half, which support public services such as public health, housing, support for those experiencing homelessness, safety and fire services, parks management, and others.

The City receives funds into its General Fund from a combination of local tax revenues, such as

property, transfer, sales, hotel, and business taxes, as well as state and federal resources, and fees for service.

Each year, the City makes decisions on how to allocate the City's budget based on the resources that are available and the priorities and needs of the City and its residents. The table below summarizes total spending in each of the next two years in the City's Major Service Areas.

The City and County of San Francisco is also a major employer. The proposed budget for FY 2023-24 includes salaries and benefits for 33,476 employees. This represents a 0.8 percent growth in the labor force compared to the FY 2022-23 budget.

Total Department Uses by Major Service Area	FY 2023-24 (\$ millions)	FY 2024-25 (\$ millions)
Community Health	3,236.1	3,210.8
Culture and Recreation	579.3	551.9
General Administration and Finance	1,384.0	1,404.3
General City Responsibilities	1,809.3	1,515.6
Human Welfare and Neighborhood Development	2,828.1	2,847.3
Public Protection	2,012.5	2,035.5
Public Works, Transportation and Commerce	5,404.5	5,517.7
Less Transfer Adjustments	(2,640.8)	(2,510.6)
Total Budget	14,613.0	14,572.5

BUDGET PROCESS

The City's budget process begins in September with preliminary revenue projections for the upcoming budget years. In December, the Mayor's Office and the Controller's Office issue budget instructions to departments, which contain detailed guidance on the preparation of departments' budget requests. Departments then prepare their budget requests and submit them to the Controller by mid-February. The Controller consolidates, verifies, and refines the departments' proposed budgets, and turns the

proposals over to the Mayor's Office of Public Policy and Finance. From March through May, the Mayor's Office analyzes each budget proposal, examining policy and service implications, in order to meet citywide needs and reflect the Mayor's goals and priorities for the upcoming year.

Concurrently, the Mayor conducts budget outreach with community members to obtain feedback on budget priorities. From February through May, the Mayor and the Mayor's Office of Public Policy

and Finance staff conduct comprehensive outreach to understand the budget priorities of San Francisco’s communities. For the proposed budget for FY 2023-24 and FY 2024-25, the Mayor’s Office hosted a public meeting to obtain input on budget priorities understand community members’ neighborhood and citywide priorities for the upcoming budget. All San Franciscans had the opportunity to share their budget feedback and priorities by emailing the Mayor’s Office of Public Policy and Finance or using an online form. Feedback from these various forums was used to make decisions about the upcoming budget.

The Mayor presents a balanced two-year budget proposal for departments by the first business day in June of each year. The Board of Supervisors’ Budget and Appropriations Committee holds public hearings on the budget in June, makes recommendations for approval, and makes changes to the budget before it goes to the full Board. The entire budget is heard and must be voted on and approved by the full Board of Supervisors by August 1st. Finally, the budget returns to the Mayor for signature and final adoption.

In November of 2009, voters passed Proposition A, which amended the City Charter to require the City to transition to a two-year budget cycle for all departments beginning in FY 2012-13. Four departments – the Municipal Transportation Agency, the Public Utilities Commission, the Airport, and the Port –adopted fixed two-year budgets in last year’s budget cycle for FY 2022-

23 and FY 2023-24. Since the four enterprises are on a fixed two-year budget cycle, the departments budgets were closed this budget cycle. Any changes in departments with a fixed budget above or below the percentage threshold require approval from the Board via supplemental. All other departments retain a rolling two-year budget.

Five-Year Financial Plan and Budget Instructions for Fiscal Years 2023-24 and 2024-25

In January 2023, the Mayor’s Office, along with the Controller’s Office and the Board of Supervisors’ Budget and Legislative Analyst, released an updated Five-Year Financial Plan for FY 2023-24 through FY 2027-28. The report projected a General Fund deficit of \$200.8 million in FY 2023-24 and \$527.5 million in FY 2024-25, for a cumulative deficit of \$728.3 million. The report also projected that the deficit would grow to \$1.2 billion by the end of the forecast period.

The forecast was driven by a number of key factors, including the persistence of remote work, with impacts to commercial and residential real estate, as well as taxable gross receipts; implementation of measures adopted by voters in 2022; previously negotiated wage increases on employee contracts; escalating health insurance costs; pension costs; inflationary increases on non-personnel operating costs; and projected capital and technology project spending.

In recognition of the projected deficit, the Mayor required departments to propose General Fund budget reductions totaling 5 percent in FY 2023-24, and an ongoing 8 percent in FY 2024-25.

Five-Year General Fund Shortfall: January 2023 (\$ Millions)	FY 2023-24	FY 2024-25	FY2025-26	FY 2026-27	FY 2027-28

Two-Year Deficit	(779.8)				

Update to Prior Projections

In March 2023, the three offices released an update to the Five-Year Financial Plan, known as the March Update. This report showed the two upcoming fiscal years, the period for which the City is required to adopt a balanced two-year budget, the three offices projected a \$779.8 million shortfall, or \$51.5 million more than the deficit of \$728.3 million projected in the January report. The worsening trends are largely the result of lower revenue projections, higher employee benefit costs, and new spending proposals adopted by the City since the January forecast.

As a result of the worsened fiscal outlook, the Mayor instructed departments to propose additional General Fund reductions that is equivalent to at least another 5 percent in each fiscal year and identify project balance savings as one-time sources to help balance the budget.

Balancing the Budget

The Mayor’s proposed budget is balanced with a combination of departmental budget reductions, savings and spending reductions in citywide operating costs, the use of one-time project savings and fund balance, as well as the use of some reserves. The budget also leverages non-General Fund revenue sources to support critical programs, notably in homelessness and public health.

The projected two-year deficit was closed using the following solutions:

- **Departmental Budget Reductions:** Departments and the Mayor’s Office reduced General Fund expenditures by cutting salary budgets to account

for position vacancies, limiting professional services and some grant budgets, and shifting costs to non-General Fund sources.

- **Citywide Operating Savings:** Savings in other citywide costs include reduced funding levels for capital, IT, and equipment spending; savings in fleet, fuel, and workers’ compensation costs from prior projections; reductions in costs in the City’s debt portfolio, and savings targets in technology and real estate expenses in FY 2024-25.
- **Use of Special Funds:** The budget leverages multiple non-General Fund sources to support programs, including Our City, Our Home (“Prop C”) funds to support spending in homelessness; recent opioid settlement funding to support overdose prevention, behavioral health, and other related programs; and reductions to the Early Care and Education General Fund baseline to support funding for food access programs.
- **Fund Balance and Project Savings:** The proposed budget appropriates the projected FY 2022-23 year-end surplus of \$36.3 million as starting fund balance in FY 2023-24. Budgeted fund balance also includes \$137.0 million in various project and other one-time savings across departments for projects that are complete, funded with other ongoing sources, or non-critical to core department operations.
- **Revenue Improvements:** Modest revenue improvements from the March Update to the Five-Year Financial Plan in FY 2023-24 help balance the first year of the budget, but are not sustained in FY 2024-25.

- **Use of Reserves:** The proposed budget utilizes an additional \$75.8 million in reserves in order to balance, including \$29.5 million from the Business Tax Stabilization Reserve and \$41.3 from the Federal and State Emergency Grant Disallowance Reserve. The proposed budget also utilizes and \$90.2 million from the City’s Fiscal Cliff Reserve, which was originally appropriated in the prior two-year budget and remains unchanged. This leaves a balance of approximately \$130.3 million in the Fiscal Cliff Reserve to help the City hedge against future budget shortfalls, in addition to \$40 million in the Federal and State Emergency Grant Disallowance to help the City address any FEMA reimbursement recoveries reduction, in addition to the City’s rainy day reserves.

HIGHLIGHTS FROM THE FISCAL YEARS 2023-24 AND 2024-25 BUDGET

The Mayor’s proposed FY 2023-24 and FY 2024-25 budget makes investments the following priority areas discussed further below and throughout this book:

- Public safety;
- Homelessness;
- Behavioral health;
- Economic recovery;
- Children and families;
- Community and climate;
- Good government.

Public Safety

The Mayor’s proposed budget makes a number of investments to meet key public safety priorities, both through traditional public safety departments such as the Police, Fire, Sheriff, and Emergency Management Departments, as well as in continuing and expanding

civilianization efforts and alternatives to law enforcement. These investments acknowledge and address the difficulty public safety departments have had in recruitment and retention, while building on the success of existing programs, such as Police Service Aides and citywide Community Safety Ambassadors. The proposed budget prioritizes building back the police force to meet long-term hiring goals, expanding alternatives to policing to free up officers to focus on crime prevention and safety, delivering more tools for addressing open-air drug markets, and improving coordination to get resources to San Franciscans most in need quickly and efficiently.

Building Back Our Police Force

The Mayor’s proposed budget expands investments within the San Francisco Police Department (SFPD) to promote recruitment, restore staffing to pre-pandemic

levels, and promote public safety, while continuing to focus on reform and the use of non-sworn civilian staff to help carry out department operations. San Francisco has seen an increase in applications for Police Department academies over the last six months, and interest continues to grow. Seeking to capitalize on this momentum, the budget sets dynamic Academy class goals so that the Department is ready to start classes as soon as they fill. Taken together, these classes aim to backfill a total of 220 officers over the next two budget years.

Given the challenges the Department is facing with recruitment and retention, the Mayor's proposed budget also includes new funding to support efforts to attract new officers and retain those already employed by the Department. In April 2023, the City agreed to a new memorandum of understanding (MOU) which will adjust both entry-level and continuing salaries for incoming and current officers. The proposed budget fully funds wage increases of 7.75 percent for all sworn staff across FY 2023-24 and FY 2024-25, as well as retention pay increases of 3 percent when officers reach five, seven, and eight years of service. These wage increases make San Francisco the highest paid starting salary for officers of large Bay Area cities and provide significant retention incentives to prevent the outflow of experienced officers.

Furthermore, in the upcoming fiscal year, the Mayor's Office will convene a Police Staffing Accountability Working Group with representatives from SFPD, the Department of Human Resources, and the Controller's Office. This group will work collaboratively over the course of the year to improve and track outcomes in hiring, leave management, and overtime usage within the Police Department.

Expanding Alternatives to Policing

San Francisco continues to be a leader in moving non-law enforcement work away from police officers to provide more tailored responses, and

to free up officers to focus on the crime and safety issues they are trained to confront. Community Police Service Aides (PSAs) are civilian employees of the SFPD who provide a variety of support services to sworn officers and are an integral part of civilianization of the Department, allowing for relationship building within communities and faster response times to non-emergency calls. The proposed budget includes investments of \$2.2 million in FY 2023-24 and \$3.0 million in FY 2024-25 to support an additional 22 PSA positions and 2 PSA Supervisors to add staffing resources at more district stations.

The proposed budget also makes key investments in a variety of ambassador programs in the City Prop F Community Ambassadors. These are formerly-retired SFPD officers who have been specially trained to build relationships with the community. They are assigned to specific neighborhoods and work to develop trust and understanding between the police and the people they serve, and are limited to a part-time status. The SFPD budget includes \$2.8 million in FY 2023-24 and \$2.9 million in FY 2024-25 to support expansion by an additional 24,000 hours of Ambassador time per fiscal year.

In addition to retired Police Officers, the budget continues the recent expansion of Community Safety Ambassadors in other key areas throughout the City, including the Tenderloin and mid-Market area, the Mission, and in and around BART stations with \$26.5 million in FY 2023-24 and \$16.0 million in FY 2024-25 in funding. The Mission cohort was first deployed in May 2023 and a full-year of funding for this new program is included in the budget.

Improving Coordination

Coordination of the City's safety ambassador programs will be led by the Department of Emergency Management (DEM), which recently hired a Street Ambassador Coordinator to improve and coordinate existing programs citywide through strategic planning, and deployment. These include ambassador programs that are operated or contracted by the City, as well

as those operated by nonprofit organizations, Community Benefits Districts, and Business Improvement Districts. Collectively, these programs employ over 800 public, private, and contracted employees in ambassador roles supporting safety, cleanliness, wellness, and hospitality. These programs are a critical component of San Francisco's street response efforts.

Earlier this year, under the Mayor's direction, DEM implemented a Unified Command structure to coordinate multi-departmental responses that are tailored to address challenging neighborhood conditions that can vary by location, from the Castro, to the Tenderloin, South of Mission, to the Mission District. Unified Command will be expanded under DEM's leadership so that city agencies work in concert to ensure that all of the city's Street Response teams, Department of Public Health's (DPH) neighborhood-based street care teams, and other local and state agency resources—including law enforcement—are deployed to get as many people into care as possible.

Ensuring Accountability Around Open-Air Drug Markets

Key to the Mayor's priorities of delivering a clean and safe city, restoring downtown, and continuing progress on homelessness and mental health, is combating open-air drug markets. These cause harm to those struggling with addiction, and the larger communities. In addition to targeting the markets directly, the Mayor's strategy includes expanded treatment and service options through DPH and other outreach programs. To ensure there is accountability and strict enforcement of these open-air drug markets, the proposed budget funds prosecutors in the District Attorney's Office dedicated to targeting drug trafficking.

Staffing Investments in Core Public Safety Services

The Mayor's proposed budget also includes resources within the DEM to return to sufficient 911 dispatcher staffing levels in order to meet their service standard. The service standard is to

answer 90 percent of 911 calls in 10 seconds or less. Currently, the Department is only able to achieve approximately 75 percent of 911 calls answered in 10 seconds or less and needs at least 40 more fully-trained dispatchers to meet the service standard. The Mayor's proposed budget provides \$2.9 million over two years for 911 dispatchers' salary increases due to a recently negotiated MOU, which aims to combat the high level of dispatcher vacancies. To help reach recruitment goals, the proposed budget includes additional human resources staff as well. With these investments, the Department expects academy classes to be filled to capacity in FY 2023-24.

Homelessness

Mayor Breed's proposed budget makes critical investments in new housing, shelter, and prevention as called for in the recently released citywide strategic plan, "Home by the Bay: An Equity-Driven Plan to Prevent and End Homelessness in San Francisco." The plan calls for new investments and strategies to reduce unsheltered homelessness by half over the next five years. The FY 2023-24 and FY 2024-25 proposed budget allocates approximately \$98.6 million in Our City, Our Home Fund (OCOH) sources to implement the plan's goals and strategies, along with leveraging state grants and reprogramming \$21 million of the Department of Homelessness and Supportive Housing's (HSH) General Fund budget to meet these goals. These shelter and housing resources are supported by a citywide network of crisis response, behavioral health, and homeless outreach teams that make connections with people every day so that they can exit homelessness.

Maintaining and Expanding Temporary Shelter and Crisis Interventions

The Mayor's proposed budget supports operating approximately 521 beds of non-congregate shelter and other programs established during the COVID-19 pandemic that would otherwise sunset without continued funding. In addition, the budget also increases shelter beds at the City's existing sites and allocates funds to operate new sites. These

investments will increase HSH's shelter capacity by approximately 594 beds to operate a total of 3,656 beds. The budget also invests in improving services and extends shelter hours to accommodate more people, with an ultimate goal of improving outcomes overall.

Shelter investment highlights include:

- Expanding adult shelter capacity to pre-pandemic levels by adding 395 shelter beds at existing sites.
- \$24.6 million over two years to create and operate a new shelter site in the Bayview and operate a 60-cabin project in the Mission District.
- \$2.3 million in FY 2023-24 and \$5.5 million in FY 2024-25 to continue operations of 70 cabins.
- \$150,000 in funding for a vehicular assistance program.
- \$820,000 to expand hours and services at family and adult shelters.

Expanding New Housing

Over the last three years as part of the Mayor's Homelessness Recovery Plan, San Francisco successfully leveraged local, state and federal dollars for the largest expansion of supportive housing in over 20 years. The City has expanded housing options to include a broad range of subsidies, vouchers, and units to meet the diverse needs of people who are exiting homelessness. The Mayor's proposed budget funds 75 new PSH units in FY 2024-25 through OCOH.

In addition, the Mayor's Office of Housing and Community Development (MOHCD), in partnership with HSH, administers the Local Operating Subsidy Program (LOSP), which provides housing units with supportive services for formerly homeless households. Over the next two fiscal years, approximately 258 permanent supportive housing (PSH) units are under construction and are expected to be completed by June 2025.

The Mayor's proposed budget also makes a significant investment in housing expansion beyond PSH units funded, including:

- \$14 million over two years for 350 new rapid re-housing slots for adults.
- \$1.5 million ongoing investment for 60 new family shallow rental assistance subsidies.
- \$1.1 million ongoing investment for 60 new adult shallow rental assistance subsidies.

Doing More in Homelessness Prevention

One of the most effective solutions to homelessness is to keep people stably housed or to rapidly resolve their homelessness. As such, the Mayor's proposed budget will increase the HSH prevention budget by \$18.2 million dollars in FY 2023-24 and FY 2024-25, through the addition of 825 new prevention and problem-solving slots. This significant investment will help reduce the inflow of people entering homelessness.

Increasing Capacity and Accountability

The budget also funds positions to ensure HSH has the capacity to execute the ambitious five-year strategic plan and implement accountability measures to ensure effective use of this funding. The Mayor's proposed budget adds nine new positions in FY 2023-24, and four additional positions in FY 2024-25, for a total increase of 13 new positions over two years. This additional staffing will help build the Department's organizational capacity to carry out its existing workload and implement expansions funded in the two-year budget. The new staff will also fill gaps in essential functions across housing, shelter, and program compliance to achieve strategic goals.

Leveraging Every Dollar Available

Even with all of the progress the City has made, San Francisco continues to face a significant need for more shelter and housing solutions. While the City faces a budget deficit, there are significant resources in the Our City, Our Home (OCOH) Fund that are unspent because of the prescriptive spending plan outlined in the code that governs the fund. On a one-time basis, the Mayor's proposed budget reallocates \$60 million in unspent and unprogrammed OCOH funds to support critical investments in preventing and reducing homelessness in San Francisco. The

budget seeks to authorize two years of flexibility to allow unspent and unprogrammed OCOH funds to be transferred across categories. These funds will support expansions in shelter and prevention categories and create flexibility in the fund to support time-limited housing solutions. During this time of tremendous need, these unspent funds must be leveraged to fill in every gap possible and provide the right supports for the most vulnerable San Franciscans.

Behavioral Health

The proposed budget builds on the Mayor's commitments to expand and improve behavioral health treatment primarily through the continued implementation of Mental Health SF (MHSF), legislation passed in December 2019 that proposed a comprehensive overhaul of San Francisco's mental health system. The proposed budget leverages General Fund, Our City Our Home (OCOH), State grants, and Opioid settlement funding to continue critical behavioral health efforts, including in residential treatment expansion, overdose prevention efforts in targeted communities, coordinating a robust street outreach program, expanding abstinence-based treatment programs, launching CARE Court implementation, and opening wellness hubs.

Continued Investments in Behavioral Health Programs

In the recent year, the City launched and implemented key initiatives and programs funded with the OCOH allocation that support important mental health and substance use services for people experiencing homelessness. These accomplishments include: adding the seventh Street Crisis Response Team (SCRT) that provides 24/7 coverage of San Francisco and respond to nearly 80 percent of eligible 911 calls for behavioral health cases, launching the second Street Overdose Response Team (SORT), opening over 160 new residential care and treatment beds that brings the total of new beds opened under Mental Health SF to over 350,

and adding three TAY and Transgender Mental Health clinicians focused on providing behavioral health services for trans and non-binary TAY experiencing homelessness.

Despite revenue shortfalls in gross receipts business tax that impact the OCOH budget, the Mayor's proposed budget includes over \$200 million over the two years to continue these key behavioral health initiatives, which includes adding Office of Coordinated Care case managers for justice-involved individuals and expanding follow-up for people exiting involuntary holds, pursuing the opening of 50 additional residential care and treatment beds to approach completion of the 400-bed goal, working to implement the Mental Health Service Center as a one-stop behavioral health clinic, strengthening street-based follow-up care and linkage treatment, expanding overdose prevention services, and launching the behavioral health element of the Permanent Housing Advanced Clinical Services program.

Coordinated Street Outreach

The Mayor's proposed budget will continue to fund the City's Street Response Teams, coordinated by DEM, as discussed above. The City's multi-department approach to helping people in crisis on its streets coordinates Police, Fire, Public Health, and Homelessness and Supportive Housing. As of April 2023, over 18,000 calls have been diverted from police to street response teams.

The Department of Public Health's neighborhood-based street care teams have expanded to five neighborhoods working seven days a week to get people into care. The Street Medicine team, serving nearly 3,000 patients a year, will continue to provide medical and behavioral health care to people experiencing homelessness in streets, parks, and encampments. The City will continue to expand buprenorphine distribution by emergency responders and medical professionals in the community. More than 5,000 San Franciscans get access to buprenorphine or methadone annually.

Addressing the Opioid Crisis

The City reached historic settlements with pharmaceutical chains, drug manufacturers, and distributors for their role in fueling the opioid epidemic in San Francisco. Through the work of the City Attorney's Office, San Francisco has secured over \$290 million of settlement funding over the course of multiple years. The Mayor's proposed budget includes \$100 million of settlement funding over the two years, allowing the City to progress in implementing the Overdose Prevention Plan released in October 2022. This evidence-based, equity-oriented plan aims to reduce fentanyl and other drug-related deaths, increase access to treatment for opioid use disorder (including addiction to fentanyl) and stimulant use disorder, increase social support for and reduce the stigma experienced by people at risk of overdose, and improve the community conditions in which drug use occurs.

Settlement funding in the proposed budget includes \$18.9 million to open up to three Wellness Hubs over the two budget years to improve the health and well-being of people who use drugs, including those experiencing homelessness, and reduce public drug use. These sites will provide low- to no-barrier:

- Overdose prevention services and resources;
- Resources to improve a person's health, including basic needs such as housing, food assistance, and basic medical services;
- Connections to outpatient and inpatient residential treatment.

Any possible inclusion of safe consumption would be funded by private entities.

The Mayor's proposed budget also enhances investments in high-risk overdose communities. While the African-American community represents less than 6 percent of the San Francisco population, they represent 28 percent of overdose deaths over the last two years. To address the City's disproportionate overdose deaths among African American people and people experiencing

homelessness, the Mayor's proposed budget will fund culturally congruent programs tailored to serve at-risk communities, as well as expanded overdose prevention education, overdose prevention champions, and links to care, including abstinence-based treatment.

Additionally, the Mayor's proposed budget invest in expansion of recovery programs, including \$2.0 million each year for expanding contingency management, a motivational incentive model for treatment that has shown efficacy against stimulant use disorder. The proposed budget also includes \$3.0 million for new investments in sober living programs, medication-assisted treatment programs, especially methadone, and preventing overdose in high-risk housing settings such as single-room occupancy hotels. Additional funding will also expand abstinence-based treatment services, including a women's abstinence-based therapeutic community, which supports those exiting the criminal justice system who have experienced addiction, domestic violence, and family separation and will support additional abstinence-based treatment services.

Finally, the Mayor's proposed budget also allocates \$36.0 million of settlement funds across the two years to sustain investments in the Behavioral Health Services and the Population Health Division previously supported with by the General Fund. These funds offset some of the sizable investments the City has had to make to address opioid use disorder as the epidemic has grown over the last few years.

CARE Court Implementation

This fall, the State will begin implementing the new Community Assistance, Recovery, and Empowerment (CARE) Court, connecting clients struggling with untreated health issues with a court-ordered CARE plan for up to 24 months. San Francisco is among the first seven counties in California to implement CARE Courts. This program is designed to bring people into care who are not ready to engage voluntarily but not eligible for programs like conservatorship. CARE Courts allow family members, healthcare providers, or

first responders to petition for an individual to enter the programs. In these procedures, a CARE Plan is established, and a judge can use court orders with support such as short-term stabilization medications and beds, as well as wellness and recovery offerings. The Mayor's proposed budget includes funding for engagement and assessment staff, new City attorneys dedicated to CARE Court implementation, increased capacity for treatment and housing, and outreach and educational efforts.

Improvements at Laguna Honda Hospital

Beyond behavioral health, this budget makes investments in DPH's budget for Laguna Honda Hospital, which is actively working towards gaining recertification with the Centers for Medicare and Medicaid Services (CMS). DPH is currently implementing the action plan submitted to CMS, and it represents a significant facility-wide effort and includes hundreds of process improvements. The Mayor's proposed budget includes over \$3.5 million of new annual investment to support the implementation of the action plan and sustain the improvements, including staffing in key areas, including education and training, patient care experience, medication management, and leadership within the San Francisco Health Network.

Economic Recovery

The Mayor's proposed FY 2023-24 and FY 2024-25 budget invests \$24.4 million over the two years in support of the Roadmap for Downtown San Francisco's Future, and broadly supports economic recovery across the entire City. While critical components around recovery include investments in public safety and street conditions, there are also targeted improvements and programs to support a thriving economy, both downtown and throughout the City's neighborhood commercial corridors.

Providing Tax Relief and Incentives

To keep existing businesses stable and to recruit new businesses, the Mayor's budget includes key changes to the City's business taxes. In November 2020, San

Francisco voters passed Proposition F, which phased out the payroll expense tax, while gradually increasing gross receipts tax for businesses across most industries. The proposition also delayed gross receipts tax increases until 2023 and 2024 for industries hit hardest by the pandemic. In March 2023, the Mayor introduced legislation to further delay tax increases for maintenance and laundry businesses, retail trade, food services, manufacturing, accommodations, arts, entertainment, and recreation until 2025 and 2026. The proposed budget includes revenue assumptions aligned with these tax changes.

The City must also attract new businesses to fill its office vacancies, support customer-serving businesses, and bolster future revenue through gross receipts tax, property tax, and contributions to other revenue sources. The Mayor's legislation will offer a discount for up to three years on the office-based gross receipts tax for new offices locating in San Francisco in the information, administrative and support services, financial services, insurance, professional scientific and technical services industries.

Finally, the budget proposes a change to the Commercial Rent Tax, which was passed by voters in June 2018. The change seeks to pause the collection revenues on sub-leases of commercial spaces through 2029 to ensure commercial properties are only subject to a single commercial rent tax, rather than also being taxed for sub-leasing the space. Profits on subleases will continue to be collected.

Supporting Small Businesses

The Mayor's proposed budget continues the small business grant program, providing \$5 million in direct grants to help small businesses across the city to stabilize, scale, and adapt business models to changed conditions. The program will target businesses in commercial corridors that have experienced the highest drop in sales tax to fill vacancies, or expand into new storefronts, while providing business assistance to improve operations and renegotiate leases.

The proposed budget also continues the First-Year Free program. This citywide initiative promotes economic recovery for small businesses by waiving first-year permits, initial licenses, and initial business registration fees. Over 2,400 brand new businesses have participated in the program since its launch in November 2021.

Restoring Vibrancy Downtown and Across Neighborhoods

The Mayor's proposed budget includes \$12 million of funding for programs to restore vibrancy and fill empty storefronts Downtown, and ensure stability of the City's neighborhood commercial corridors. This includes the new Vacant to Vibrant program, which matches pop-up activations with property owners with vacant ground floor spaces and larger public space activations. To bring life to one of the City's most active tourist areas, the budget funds streetscape improvements and support for new tenants on Powell Street near the Cable Car Turnaround. The budget also includes \$1 million dedicated to commercial corridor improvements in the Mission, one of San Francisco's neighborhoods that has been especially hard hit since the pandemic.

The Mission District, and neighborhoods citywide, will also benefit from continued funding for the Department of Public Works' street vending permit program. Along with ensuring continued access to BART stations and Muni stops, the program discourages the sale of stolen goods through enforcement by Public Works' street inspectors.

Investing in Clean and Welcoming Streets

The Mayor's proposed budget includes \$8.2 million over the two years to continue funding for Welcome Ambassadors stationed in key transit and tourist nodes such as Downtown BART stations, Union Square, Moscone Convention Center, and along the Embarcadero. These Downtown-focused Ambassadors provide a consistent and visible presence as well as proactive positive engagement and friendly assistance in wayfinding, making referrals and recommendations, and coordinating

with other City departments and community-based efforts to support positive street conditions and experiences by business owners, employees, residents, and visitors, alike.

The proposed budget also includes increased funding for Public Works to enhance street cleaning operations across the City. This includes continued or expanded deployment of Public Works cleaning crews and contractors who power wash sidewalks, remove litter, and sweep gutters. The Department will also continue providing courtesy graffiti removal for storefronts and other private property in the City's diverse neighborhood commercial corridors.

Children & Families

The Mayor's proposed FY 2023-24 and FY 2024-25 budget prioritizes children, youth, and families through a series of investments centered around wellness, access to childcare, and overall family supports.

Afterschool and Summer Programs

The Department of Children, Youth, and Families (DCYF) provides approximately \$41M in funding for school year and summer programs, which include programs focused on learning, enrichment, skill-building, and leadership strategies. DCYF's Comprehensive Year-Round and Summer Learning programs (around \$35 million annually) are designed to ensure continuous support and programming for children and youth outside of school hours throughout the school year and summer. Last summer, the Summer Together Initiative served over 30,000 youth. The FY 2023-24 budget includes grant and City funding to continue reaching 30,000 youth in the summer of 2023.

Student Success Fund

In 2022, San Francisco voters approved Proposition G that established the Student Success Fund, which provide grants to the San Francisco Unified School District (SFUSD) and schools to implement programs that improve academic achievement and social/emotional wellness of students. The Mayor's proposed budget includes \$11.0 million in FY 2023-24 and

\$35.0 million in FY 2024-25 for the Fund. DCYF is working closely with SFUSD to release a request for funding proposal in 2023, seeking to make grant funds available for the 2024-25 school year. The first year will be focused on providing funding support for crisis and emergency needs at school sites, critical non-core staffing, school readiness and preparation for grant application, and the workforce pipeline to address workforce shortages in after school, paraprofessional, school social worker, and school district nurse staffing.

Early Childhood

The Mayor's proposed budget includes funding for early childhood and education, ensuring sustained distribution of childcare vouchers to low-income families, continued funding for the landmark compensation initiative for early educators, pipeline programs to support recruitment and retention of early educators, and childcare facilities construction and improvements.

In April 2022, the Mayor and the Office of Early Care and Education (OECE), now the Department of Early Childhood (DEC), announced a new initiative to invest up to \$71 million annually to advance pay raises, increase benefits, and improve working conditions and support educational attainment for San Francisco's workforce of over 2,000 City-funded early educators. The Mayor's proposed budget continues the ongoing funding for these early educator raises and earmarks another \$60 million to ensure these funds are available as the economic outlook fluctuates, ensuring educators are paid more fairly for their crucial work, and to help attract new, quality educators to the field. This program is funded by the Commercial Rent Tax that was passed by voters in June 2018 and funds are dedicated to serving early childcare programs in San Francisco.

The Mayor's budget proposal also includes funding in FY 2023-24 and FY 2024-25 to for early learning scholarship childcare vouchers. Families that make up to 110 percent of the Area Median Income are

eligible for this program, which provides children from birth to 5 years old with financial assistance to ensure the youngest San Franciscans have access to quality early care and education.

Food Security

In response to the pandemic and financial crisis that ensued for many individuals, the Human Services Agency (HSA) established the City's COVID-19 food support program, now referred to as the Food Access Program. This program successfully reaches tens of thousands of families. Despite the City's transition from the pandemic, the high cost of living and increased food costs persists. The Mayor's proposed budget continues the City's investments in food pantries, grocery vouchers, and meals and markets, targeting community-based organizations that meet unique population needs. The budget allocates \$20 million in FY 2023-24 and \$10 million in FY 2024-25 to support these integral programs in HSA. An additional \$5 million in new funding each year for food access programs will be made available through a partnership between the Department of Public Health and the Dream Keeper Initiative.

In addition to community funding, HSA will continue to combat food insecurity by connecting people to other longer-term assistance such as CalFresh, WIC, Medi-Cal, CalWORKs and IHSS, and coordinating with other departments on food security interventions.

Community & Climate

Despite the deficit, the Mayor's proposed budget adds additional funding to support its non-profit partners and sustains funding for major initiatives including Dream Keeper and the Climate Action Plan.

Supporting Nonprofit Partners

The Mayor's proposed budget recognizes the central role that nonprofit providers play in administering City services. The proposed budget makes a significant investment in helping organizations address inflationary pressures, providing 3 percent cost-of-doing-business increase for next fiscal year, an ongoing cost of approximately \$27 million per year. In addition,

the proposed budget makes an additional 1 percent investment, an ongoing cost of \$5.5 million per year, for contracts that provide services related to health and homelessness, which have some of the highest rates of staff vacancies according to a recent Controller's Office survey.

Additionally, the proposed budget goes one step further by targeting the wages of lowest paid workers that help provide City services through updates to the Minimum Compensation Ordinance (MCO). The budget includes \$3.3 million in FY 2023-24 to bring wages to \$18.93 per hour, providing pay equity and promoting retention of trained staff. In FY 2024-25, the budget invests an additional \$4.3 million to bring wages up to \$20.25 per hour. The proposed changes to the MCO will ultimately increase wages to \$23 per hour by FY 2025-26. These new investments are aimed at promoting retention of staff, and ultimately contributing to improved service delivery.

Continuing Investment in the Dream Keeper Initiative

In June of 2020, the Mayor and Board of Supervisors announced the City's \$60 million ongoing annual investment into San Francisco's Black communities. An impact evaluation of the last two years has found that the Dream Keeper Initiative (DKI) is beginning to deliver on its mission of remedying historical exclusion and divestment.

Programs include technical and financial assistance for small or emerging Black businesses, which have already reached over 150 different businesses and 400 individuals. The Mayor's Office of Housing and Community Development supports two programs through DKI – the Dream Keeper Down Payment Assistance Loan Program (DALP) that offers up to \$500,000 to help cover the cost of a mortgage down payment, and the Senior Home Repair Program (SHRP) that helps low-to-moderate-income older adults in historically underserved communities with property rehabilitation. The Department of Public Health's DKI funding has supported hundreds of

families with services that address physical and mental health needs. DKI grants in DCYF continue to support youth through educational investments in tutoring, homework assistance, and career planning.

The Mayor's proposed budget will preserve these investments and continue to build on the progress in the coming two years.

Advancing the Climate Action Plan

The Climate Action Plan, released in 2021 with contributions from the Mayor's Office, Mayor Breed's Zero Emission Building Task Force, the Department of the Environment, and other City partners, details a data-driven, community-informed, and people-focused plan to achieve net-zero emissions by 2040, while building a more just and equitable future. The Mayor's proposed budget invests \$2 million over the two years to support staff at the Department of Environment (ENV) to continue their work advancing the Climate Action Plan, enabling the Department to secure Federal and State funding to further accelerate progress toward these goals.

Good Government

Finally, the Mayor's proposed budget includes funding for building on citywide reforms to hiring, contracting, and other core operations. It also funds ongoing and new IT projects and makes investments in capital maintenance and critical repairs, though at lower levels than planned.

Hiring and Contracting Reform

The Mayor's proposed budget continues its investment in staffing resources for the Government Operations Recovery initiative, a citywide effort focused on improvements to hiring, contracting, and other City processes that support the efficient and timely delivery of City services. In the upcoming year, cross-departmental teams in contracting, hiring, and financial management will build on new initiatives launched this past year. In contracting, projects include centralized contract review processes and the creation of a one-stop shop that consolidates procurement plans from Chapter 6 departments. In

hiring, projects include the creation of online, on-demand assessments and automated scoring for certain recruitments.

Investing in Capital and Information Technology

Given the uncertain economic future, as the City recovers from the impact of COVID-19, the proposed capital budget remains at a reduced level compared to the City's 10-year Capital Plan, and significantly lower than before the pandemic. The proposed General Fund support for the Pay-As-You-Go Program is \$118 million over two years, supported by an additional \$58.4 million in debt-funded capital for street resurfacing and other critical renewal needs. The Mayor's proposed budget primarily funds urgent repairs, including roofs, HVAC systems, elevators, potholes, as well as, crucial projects across the park system, and ADA needs.

The City continues to invest in vital technology projects through the Committee of Information Technology (COIT) allocation. The proposed COIT budget is \$53.9 million over the next two fiscal years, \$26.8 million lower than the City's Information and Communication Technology (ICT) plan from the Five-Year Report. Given the fiscal outlook, the City is focused on IT projects that are crucial for the City's technology operations and advancement. Major projects funded include the replacement of two critical City systems - the Computer Aided Dispatch system, and the Property Tax System. The budget continues funding for the Sheriff's Jail Management System, JUSTIS Data Center of Excellence, Infrastructure Modernization, and digital accessibility. New projects include replacement of the legacy Legislative Management System and a new platform to help manage the implementation of the new Empty Homes Tax passed by voters recently.

Balancing a \$780 million Deficit

These investments are made possible by making reductions across City spending and leveraging all available funding sources beyond the General Fund. City departments and the Mayor's Office made

reductions to General Fund budgets by eliminating balances in non-critical or completed projects, reducing contracts, cutting salary budgets to account for vacancies, and shifting existing program spending to special funds with dedicated revenue sources, including the Children's Fund, Hotel Tax for Fund, Our City Our Home Fund and Early Care and Education Fund. It also budgets new funding secured through historic settlements with opioid manufacturers and distributors to pay for both existing and new overdose prevention, treatment, and outreach programs.

The proposed budget sets savings targets in FY 2024-25 by reducing the budget for real estate expenses, software and technology licenses, and materials and supplies. By reducing budgets in the second year, the Mayor's Office plans to work with City departments in the year ahead to continue identifying areas for greater efficiencies. The budget also includes savings in the City's debt portfolio, including through re-financing, and maximizes interest earnings. Finally, it makes lower-than-planned investments in citywide equipment, IT, and particularly, in capital spending. The City's Ten-Year Capital Plan proposed investing an additional \$30 million each year in cash-funded capital maintenance and improvement projects. This budget leaves General Fund capital funding mostly flat, at around \$59 million each year.

Finally, the proposed budget includes a use of reserves to help balance, but maintains the bulk of the City's reserves to hedge against continued economic uncertainty. Even with these reductions and use of reserves, the City's projected structural deficit remains significant, at over \$500 million in FY 2025-26 and greater after that. Future budgets will need to continue making reductions or identify new revenue sources to address these deficits.

Ultimately, the proposed budget sustains funding for the key City services and critical programs that support children and families, while making targeted investments in public safety, homelessness and mental health, and economic revitalization.

HOW TO USE THIS BOOK

MAYOR'S PROPOSED TWO-YEAR BUDGET

The Mayor's proposed Fiscal Year (FY) 2023-24 and 2024-25 budget for the City and County of San Francisco (the City) contains citywide budgetary and fiscal policy information as well as detailed departmental budgets for General Fund and Enterprise Departments. The proposed budget is organized into the following sections:

EXECUTIVE SUMMARY includes the Mayor's Letter and the Executive Summary of the proposed budget, and provides a high-level overview of the City's budget, the changes from the prior budget year, an update on how the budget was balanced, and other high-level details on specific policy areas that are changing in the proposed budget.

SAN FRANCISCO: AN OVERVIEW provides a high-level overview of economic, demographic, and financial trends in San Francisco.

SAN FRANCISCO PERFORMANCE MEASURES features selection of measures related to the Mayor's priorities and discuss data on how the City has performed in these key service areas in recent years.

BUDGET PROCESS describes the various financial planning and budgeting processes and reports that inform the budget process.

BUDGET INFORMATION AND SUMMARY TABLES provides technical information on the structure, policies, and processes that govern the City's budget development and implementation as well as high-level financial data summarizing the Mayor's proposed budget. Tables detail changes over a three-year period: FY 2022-23 budgeted, and the proposed (FY) 2023-24 and 2024-25

budgets. The variance column measures the dollar and position differences between fiscal years. Summary data is provided on a citywide basis and organized in a variety of ways, including by department, major service area, revenue or expenditure type, and by fund type.

DEPARTMENT BUDGETS provides budgetary information and operational priorities for each of the City's departments. Department information is organized alphabetically by department name and includes the following information:

- Mission statements with a website link to learn more about the department's latest updates.
- Budget Issues and Details explains any significant service level changes in (FY) 2023-24 and 2024-25, and highlights key areas of focus.
- Performance Measures illustrates the department's progress in meeting strategic goals.
- Organizational Chart depicts the department's organizational structure.
- Total Budget – Historical Comparison Chart illustrates the department's total revenue sources, expenditures, and funded positions over time.

BONDED DEBT AND LONG-TERM OBLIGATIONS provides technical information as well as current data on the City's debt portfolio and other long-term obligations.

CAPITAL PROJECTS provides information on capital projects funded in the proposed budget. It provides an overview of the City's capital planning process and budget development. Capital projects generally include major construction of new or existing buildings, roads, and other investments in

the City's physical infrastructure. Specific projects are detailed in this section.

INFORMATION AND COMMUNICATION

TECHNOLOGY PROJECTS provides a summary of information technology (IT) projects funded in the proposed budget. It provides an overview of the City's IT planning process and budget development.

IT projects generally refer to new investments and replacement of the City's technology infrastructure. Specific projects are detailed in this section.

ADDITIONAL RESOURCES provides additional information related to the City's budget and finances as well as a glossary of commonly-used terms.

GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished
Budget Presentation
Award*

PRESENTED TO

**City and County of San Francisco
California**

For the Fiscal Year Beginning

July 01, 2022

Christopher P. Morill

Executive Director

*The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City and County of San Francisco, California for its annual budget for the fiscal year beginning July 1, 2022. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

SAN FRANCISCO: AN OVERVIEW

SAN FRANCISCO: AN OVERVIEW

CITY GOVERNANCE AND STRUCTURE

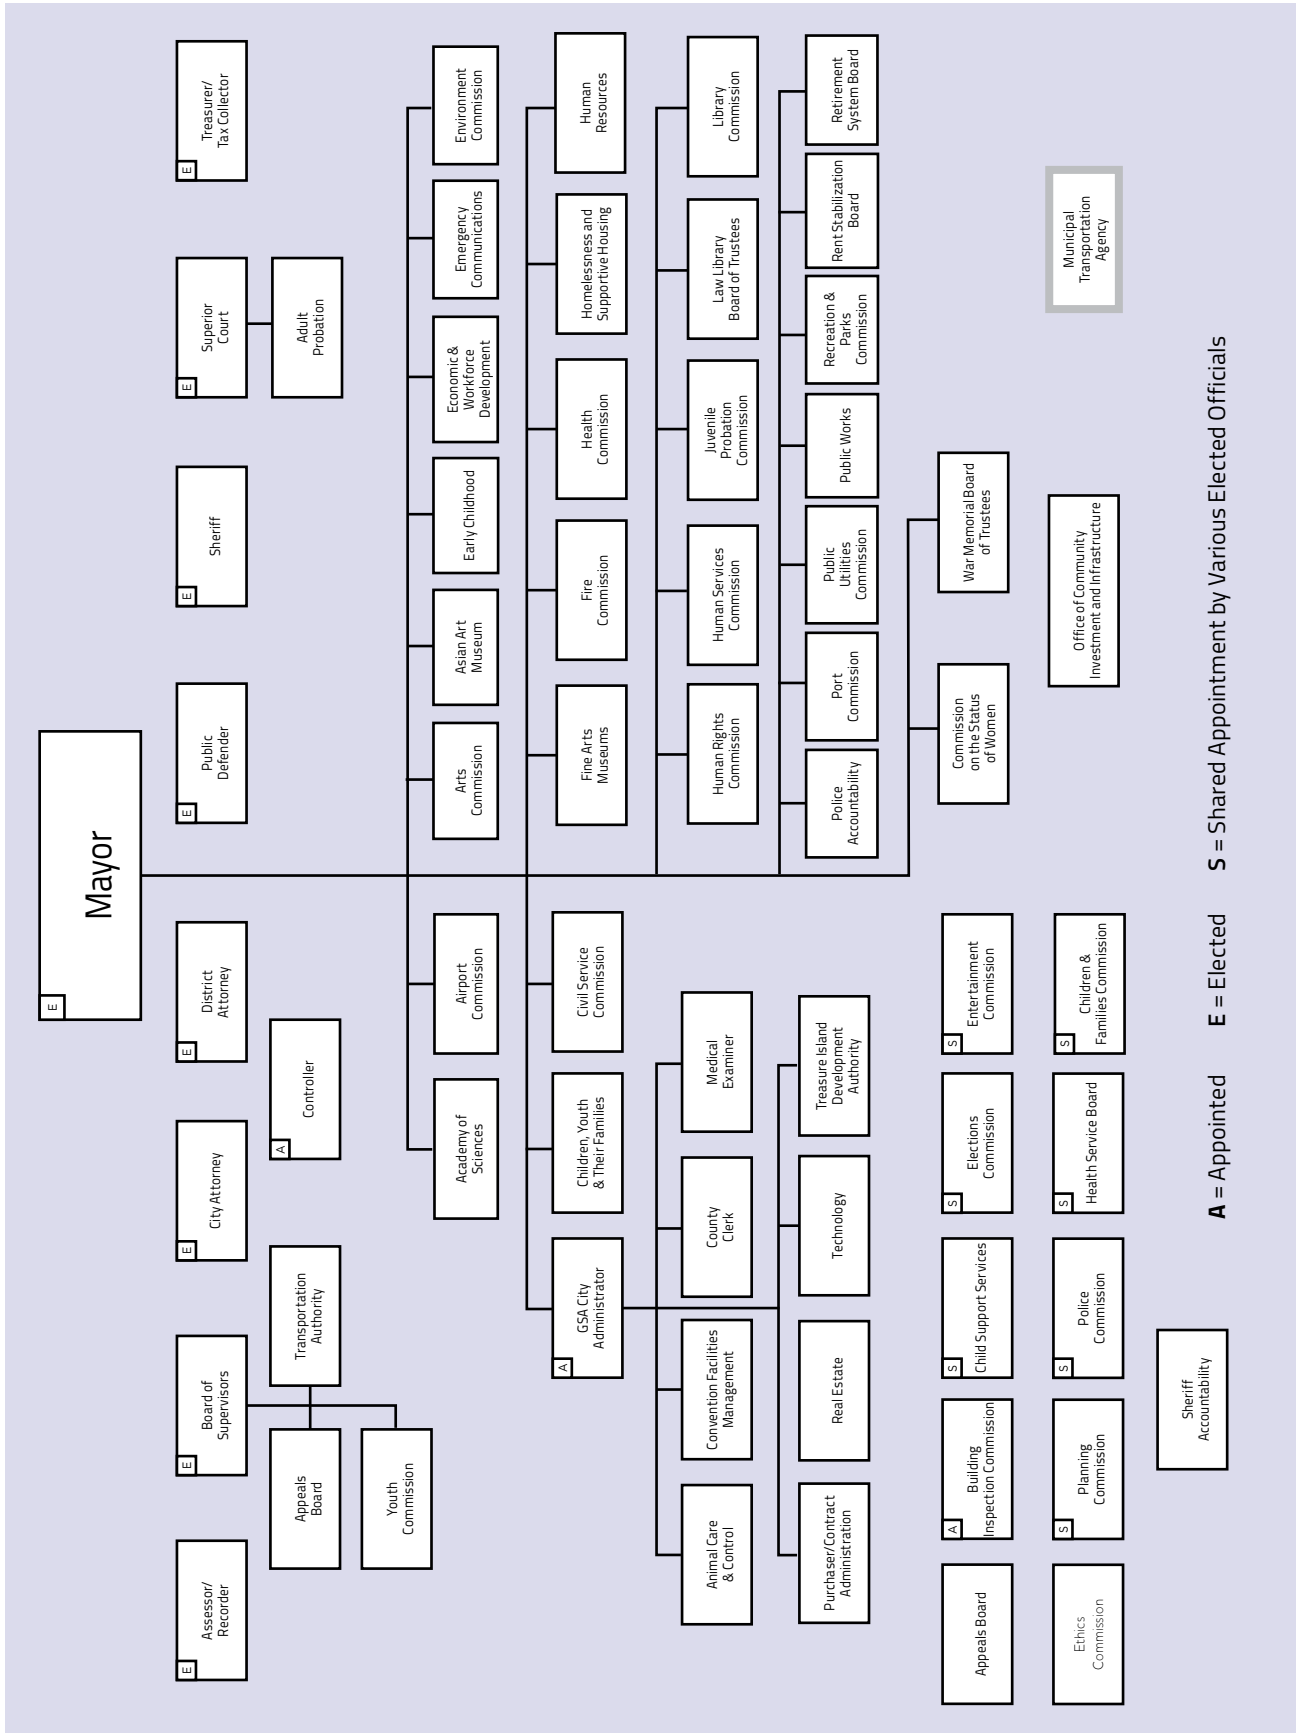

The City and County of San Francisco (the City) was established by Charter in 1850 and is a legal subdivision of the State of California. It is the only consolidated city and county in the State, exercising the governmental powers of both a city and a county under California law. The City's governance structure, codified in the City Charter of 1996, is similar in form to the federal government. The Mayor's Office comprises the Executive branch, while the Board of Supervisors and Superior Court act as the Legislative and Judicial branches, respectively.

The Mayor and all 11 members of the Board of Supervisors serve four-year terms. In November 2022 San Francisco voters passed Proposition H, shifting Mayoral elections to even-numbered years starting with the next Mayoral election, which will be held in November 2024. Board of Supervisors elections are held in even-numbered years and are

staggered, with five or six seats being open each election. Any vacancies on the Board of Supervisors are filled by Mayoral appointment. Both the Mayor and members of the Board of Supervisors are limited to two terms.

Each of the City's 11 districts is represented by a member of the Board of Supervisors. Beginning in November 2000, the Board of Supervisors was elected by district for the first time since the 1970s. The Mayor appoints the heads of most city departments. Many departments are also advised by commissions or boards whose members are citizens appointed by the Mayor or, in some cases, by a combination of the Mayor, the Board of Supervisors, and other elected officials. Other elected officials include the Assessor-Recorder, City Attorney, District Attorney, Public Defender, Sheriff, Superior Court Judges, and Treasurer.

DEMOGRAPHIC AND ECONOMIC STATISTICS

Incorporated on April 15th, 1850, San Francisco is the fourth largest city in the State of California and geographically the smallest county. Occupying just 49 square miles of land, the city is located on a peninsula bounded by the Pacific Ocean to the west, San Francisco Bay to the east, the entrance to the Bay and the Golden Gate to the north, and San Mateo County to the south.

While the government has played a key role in San Francisco's development, the true wealth of the City resides in the creative and entrepreneurial spirit of its pioneering citizens.

According to the U.S. Census Bureau, San Francisco's population was 808,437 on July 1, 2022. From July 2021 to July 2022, the City's population decreased by 2,816 people, a 0.3 percent decline. The decline in 2021 was much more significant, 59,140 (or 6.8 percent). Comparatively, in 2022, Los Angeles and Santa Clara counties lost 90,704 and 15,650 people, respectively. In contrast, Riverside

and Merced counties gained 20,724 and 5,556 people, respectively.

International immigration has long been a major contributor to San Francisco's cultural diversity. About 36 percent of the City's population over the age of five was born outside of the United States, and about 43 percent speak a language other than English at home. Immigration and its legacy contribute to a sense of diversity in San Francisco and positions the City's future labor force for success in the global economy.

According to the U.S. Census Bureau American Community Survey 2017-2021, 39.2 percent of the San Francisco population identifies as white, 34.1 percent identifies as Asian, 15.4 percent identifies as Hispanic or Latino, 5.3 percent identifies as Black or African American, 4.9 percent identifies with two or more races, 0.3 percent identifies as Native Hawaiian and other Pacific Islander, and 0.2 percent identifies as American Indian and Alaska Native.

LOCAL ECONOMY

San Francisco is at the center of a dynamic and innovative region with a long track record of creating jobs and opportunities, lasting social and cultural impacts, and tools and ideas that are used worldwide. While post-pandemic changes in work and retail create new challenges for the City’s economic future, the long-term fundamentals of the City’s economy remain strong.

The strength of San Francisco’s economy comes from a diverse portfolio of well-established industries and businesses, as well as emerging and growing sectors. In addition to being an economic center for advanced, knowledge-based services such as professional and financial services, information technology and digital media, and healthcare, San Francisco is pushing to develop new and innovative fields in civic-based and green technologies to help grow its manufacturing sector.

According to the Quarterly Census of Employment and Wages (QCEW), in 2019, there were over 760,000 jobs in San Francisco—the most at any point in the City’s history. However, in 2020, due to COVID-19 related slowdown, the City’s employment fell by 9.9 percent to about 685,000 people. Leisure and hospitality – including restaurants, hotels, arts, and recreation service industries fared the worst. Since then the City

began to experience an economic recovery in early 2021, and according to the latest QCEW figures, the City’s employment stood around 786,000 in September 2022 (an 81,000 jobs or 8.9 percent gain from 2020 level). This means that the city gained back all the jobs lost during the shutdown period in 2020. Similarly, the San Francisco Metropolitan Division, which includes San Mateo County, lost about 183,000 jobs from February to April 2020 but has since more than fully recovered (gained about 185,000 jobs) by March 2023.

Before the pandemic, San Francisco led economic growth in the Bay Area and California, and had been at full employment for over three years. Although San Francisco represents only 2.1 percent of the State’s population, it accounted for 9.9 percent of Gross Domestic Product growth in California from 2012 to 2021. During the same period, the City created 1 in 4.5 new jobs in the nine-county Bay Area.

Nonetheless, San Francisco must contend with major structural changes adopted during the pandemic that persist, namely, the high level of remote work. This has significant economic implications for San Francisco. Office attendance in large metropolitan areas is only 45% - 65% of pre-pandemic levels. The San Francisco area is

NUMBER OF HOUSING UNITS PERMITTED. 3 Month Moving Average, San Francisco, through March, 2023.

trailing most other metro areas in office attendance, and office industries produce approximately three-quarters of the City's Gross Domestic Product. Remote work is one of the major reasons why San Francisco's economy has been slower to recover than other cities.

Meanwhile, the City's housing market remains under pressure due to the higher interest rate environment and other factors. The City residential building permit activity dropped by 37.4 percent in 2020, mainly due to COVID-19 related shutdown. The City issued 2,004 permits in 2020, whereas in 2019, 3,200 permits were issued. The situation improved in 2021 when the city issued 2,519 (a 25.7 percent increase), but in 2022 the City issued only 2,044 permits (an 18.7 percent decline). The City's residential building permit applications showed unusual strength at the end of 2022. Building permits are a volatile indicator, as 1,019 units were permitted from November to December last year. However, more recently, through March 2023, there

has been a sharp drop off in housing permit activity, with only 22 units permitted from January to March.

High interest rates are not just affecting building permit activity – they're also hampering real estate transactions, which have an impact on the City's property tax revenues. In 2023 and beyond, the key macroeconomic question is how inflation responds to rising interest rates. If the Fed is required to maintain unusually high interest rates for an extended period of time to curb inflation, that will continue to curtail the investment that drove San Francisco's property values for the past decade.

Structural changes to the City's economy that were brought about by the pandemic combined with macro-economic forces, including interest rates and inflation, will determine the outlook for the City's budget in the next several years. Nonetheless, San Francisco's long-term economic fundamentals—the quality of its workforce, business environment, technological base, and general quality of life—remain among the strongest of any city in the United States.

SAN FRANCISCO PERFORMANCE MEASUREMENT

The Controller’s Office works with the Mayor’s Office every year to monitor the performance of City departments. This helps to evaluate the effectiveness of services provided by the City and County of San Francisco.

Each department collects data on a series of performance measures connected with their strategic plan. Departments report on their results in the prior year, in addition to their projected performance this year and performance targets for the next two fiscal years. Performance data for every City department is available in the Department Budget section of the Budget Book.

This section features a selection of measures related to some of the Mayor’s priorities: public safety, housing, homelessness, and transportation. The charts below include monthly and annual data showing how the City has performed in these key service areas in recent years.

Public Safety

Crime

The San Francisco Police Department (POL) reports the number of violent crimes and property crimes to the FBI under the Uniform Crime Reporting (UCR) program. Thefts from vehicles is a subset of Part I Property crimes. All three categories experienced a drop in reports halfway through FY 2019-20, reflecting the effects of the COVID-19 pandemic and associated response, but began trending up shortly thereafter through the end of FY 2021-22. Since the beginning of FY 2022-23, all three categories are experiencing a positive downward trend. The performance measure program mandates annual targets, and POL sets targets for Property Crime and Violent Offenses based on expected outcomes given historical trends. For this report, those annual targets are divided into monthly values indicated by the dotted lines. An annual target is not set for UCR: Number of Thefts from Vehicles (UCR Part I Property Crimes, Larceny-Theft).

Police Response Times

The San Francisco Police Department measures the Median Response Time of Priority A, B, and C Calls from the time that the call is entered into the dispatch system by the Department of Emergency Management (DEM) to the time that a POL officer is on scene. POL works with DEM to respond to 911 calls that are received to facilitate dispatch of officers on the scene. This response time measure accounts for the time POL may have knowledge of a call to the time a POL unit arrives in response, and differs from other police response time measures which include DEM call response and entry time. Response time decreased from FY 2017-18 to FY 2020-21 for each of the three priority categories. From FY 2020-21 forward, response time steadily increased for Priority B and C categories, going

over their annual targets. Priority A response time remains under the 8-minute target.

Street Crisis Response

The Street Crisis Response Team (SCRT) provides rapid, trauma-informed response to people experiencing crisis in San Francisco with the aim to reduce law enforcement encounters and unnecessary emergency room use. SCRT launched in November 2020 and there are currently seven teams that provide citywide coverage 24 hours a day, seven days a week. Teams are staffed through the Department of Public Health and the Fire Department. In the first half of FY 2022-23, SCRT responded to between 500 and 800 crisis calls each month.

MEDIAN POLICE RESPONSE TIME TO PRIORITY A, B, AND C CALLS, BY MONTH.

NUMBERS OF CALLS HANDLED BY THE STREET CRISIS RESPONSE TEAM (SCRT), BY MONTH.

Housing

The number of new below market rate (BMR) rental and ownership units constructed by private developers is one measurement of the growth in the City’s affordable housing stock. The Mayor’s Office of Housing and Community Development is responsible for working with private developers to ensure their below market rate units are meeting the BMR unit requirements. The number of new BMR rental units peaked in FY 2019-20 while the number of new BMR ownership units peaked in FY 2020-

21. The number of new units constructed varies year-to-year because the construction of below market rate housing is subject to the same market forces as market-rate housing. Economic conditions at the time a market-rate project containing BMR units submits its land use entitlement applications or moves toward construction are inconsistent year-to-year. Similarly, BMR unit targets are subject to change based on the number of projects that have been approved by the Planning Department.

NUMBER OF NEW BMR RENTAL UNITS, BY FISCAL YEAR.

NUMBER OF NEW BMR OWNERSHIP UNITS, BY FISCAL YEAR.

Homelessness

Homeless Population

Every two years, communities across the country conduct a Point-in-Time (PIT) Count of individuals experiencing homelessness. 2021's PIT Count was delayed due to the pandemic and was conducted in February 2022. San Francisco's count of unsheltered and sheltered individuals experiencing homelessness decreased by 3.5 percent between 2019 and 2022. The number of people experiencing unsheltered homelessness dropped by 15 percent in the same time frame.

Direct Exits from Homelessness

The Department of Homelessness and Supportive Housing operates programs to help households exit homelessness to housing. This measure of

direct exits counts the number of households (both individuals and families) who exit homelessness each year through participation in these City programs. Permanent supportive housing offers long-term affordable housing with a range of supportive services, including case management and housing retention assistance. Rapid re-housing is a time-limited subsidy for tenants to live in private-market units and access supportive services. Housing problem solving includes relocation assistance, financial assistance, and other interventions to divert or rapidly exit people from homelessness. For FY 2017-18 through FY 2019-20, housing problem solving included only the Homeward Bound program, which provided relocation assistance. For FY 2020-21 and FY 2021-22, housing problem solving exits include all types of assistance. Data

may differ from what is seen on the scorecards page, due to different de-duplication methodology for annual data versus monthly data.

Transportation

Muni Ridership

Muni ridership is measured by the number of passengers boarding Muni vehicles during weekdays. Muni ridership dropped significantly in FY 2019-20 because of the COVID-19 pandemic, and has since partially rebounded to levels that remain below those in FY 2018-19. The SFMTA has set their target ridership for FY 2022-23 at 422,000, to reflect reduced ongoing demand for transit after the

pandemic. Ridership has remained around that target during the first half of FY 2022-23.

Percent of Scheduled Service Hours Delivered

The percentage of scheduled service hours delivered is one measurement of reliability of Muni services. The target of 98.5 percent is set in the City Charter. The percent of scheduled service hours delivered dropped to around 30 percent in April 2020 after the COVID-19 shelter-in-place order, though rebounded to about 99 percent in September 2020 as the schedule was adjusted to reflect operating conditions. Since the beginning of FY 2022-23, the percent of scheduled service hours delivered has been close to the target.

BUDGET PROCESS

LONG-TERM FINANCIAL PLANNING PROCESS

The Constitution of the State of California requires all cities to adopt a balanced budget wherein revenues match expenditures. To ensure that San Francisco can meet its immediate needs while planning for long-term growth, the City has adopted a process that develops annual budgets alongside multi-year financial plans. This process assumed its current form with the passage of Proposition A on November 3, 2009, which replaced annual budgeting with two-year budgeting, and required additional long-term financial planning.

The sections below provide an understanding of the processes that guide San Francisco's multi-year and annual financial plans.

Multi-Year Financial Planning Process

The City operates on a two-year budget, which is guided by two fundamental components. The first consists of the City's revenue and expenditure projections, which are developed via four analytical assessments. The second consists of the City's financial and reserve policies, which assume unexpected fiscal pressures that may not be accounted for in the revenue and expenditure projections. In addition, the City's long-term information technology and capital needs are assessed through citywide processes. The components and processes that guide San Francisco's multi-year plans are described in more detail below.

Two-Year Budget Cycle

On November 3, 2009, voters approved Proposition A, amending the City Charter to stabilize spending by requiring two-year budgeting for all city departments and multi-year financial planning.

In Fiscal Year (FY) 2010-11, the City adopted two-year budgets for the following four departments: Airport, Port, Public Utilities Commission, and Municipal Transportation Agency. These four

enterprise departments are on a fixed two year budget cycle and any changes to their budget in FY 2023-24 would require approval from the Board through the supplemental process. The rest of the City's departments will submit rolling two-year budgets over the same period. Two-year budgeting has been in effect for all departments since FY 2012-13.

Long-Term Operating Revenue and Expenditure Projections

The City's budget process is guided by operating revenue and expenditure projections. The Controller's Office, Mayor's Office, and the Board of Supervisors are responsible for the City's long-term financial planning. These three offices cooperate to produce four reports, including a Five-Year Financial Plan each odd calendar year, the Joint Report each even calendar year, and the Six- and Nine-Month Reports each February and May. Together, these reports provide the basis for developing the City's budget. The reports are described below and can be accessed online at sfcontroller.org.

The Controller's Six-Month Budget Status Report, published annually in early February, projects the year-end status of the City's General Fund and key special revenue and enterprise funds based on financial activity from July through December. Issues identified within this report can then be incorporated into mid-year budgetary adjustments as necessary.

The Four-Year Budget Projection ("Joint Report"), published each even calendar year, reports on projected citywide revenues and expenditures for the following four fiscal years. First required by voters in 1994, this analysis captures significant one-time budgetary items in addition to forecasting revenue and expenditure trends into the future. Beginning in FY 2011-12, the Joint Report was extended to forecast four years into the future (prior to FY 2011-12, the report projected three years into the future.) This change was required by Proposition A, which also

required adoption of a biennial Five-Year Financial Plan. The Joint Report now serves as an “off-year” update to the Five-Year Financial Plan and projects out the remaining four years of the prior year’s plan. The Joint Report was last published on March 31, 2022, as an update to the City’s Five-Year Financial Plan for FY 2022-23 through FY 2025-26.

The Five-Year Financial Plan, published first in December of each odd calendar year and then updated in March, forecasts expenditures and revenues over a five-year period, proposes actions to balance revenues and expenditures during each year of the plan, and discusses strategic goals and corresponding resources for city departments. On January 13, 2023, the Mayor proposed the City’s seventh Five-Year Financial Plan for Fiscal Years 2023-24 through 2027-28, which was updated on March 31, 2023 and heard by the Board of Supervisors on April 12, 2023.

The Controller’s Nine-Month Budget Status Report, published annually in early May, reports financial activity from July through March and includes the projected year-end status of the City’s General Fund and key special revenue and enterprise funds. A comprehensive review of revenue and spending to date and discussions with financial officers at major city departments drive the report’s year-end projections.

Taken as a whole, these reports are used by the Mayor’s Office to prepare a balanced budget to propose to the Board of Supervisors each year and to plan for long-term financial needs. The reports provide information on the financial resources available to fund the City’s programs and projections of future costs.

Capital and Information Technology Projections

As noted above, the City also engages in long-term planning for the City’s infrastructure and information technology (IT) needs. Managed by the City

Administrator, the City has completed comprehensive assessments of the City’s near- and long-term capital and IT needs through the creation of the Ten-Year Capital Plan and the Information and Communications Technology (ICT) Plan, each of which is issued biennially in odd calendar years in conjunction with the City’s Five-Year Financial Plan.

The Capital Plan is prepared under the guidance of the Capital Planning Committee (CPC), while the Committee on Information Technology (COIT) oversees the ICT Plan. Both committees work to identify, assess, and prioritize needs for the City as they relate to capital and IT investments. They also present departments with the opportunity to share information about the impact to operating costs that projects generate.

Funding for capital and technology is appropriated through the City’s budget process. While the creation of the Capital and ICT Plans does not change their basic funding mechanisms, the priorities in the capital and IT budgets do reflect the policies and objectives identified in each respective plan.

Further information about capital and IT planning and expenditures can be found in the Capital Planning and Information Technology sections of this book.

Financial Policies and Enhanced Reserves

The City’s budget is further guided by financial policies that plan for unforeseen financial circumstances that cannot be factored into revenue and expenditure projections. Proposition A charges the Controller’s Office with proposing to the Mayor and Board of Supervisors financial policies addressing reserves, use of volatile revenues, debt, and financial measures in the case of disaster recovery, and requires the City to adopt budgets consistent with these policies once approved.

In May 2010, legislation was adopted to codify the City’s practice of maintaining an annual General Reserve for fiscal pressures not anticipated in the budget and to help the City mitigate the impact of

multi-year downturns. This included augmentation of the existing Rainy Day Reserve and the creation of a new Budget Stabilization Reserve funded by excess receipts from volatile revenue streams.

Finally, independent auditors who certify the City's annual financial statements and credit ratings from the national bond rating agencies provide additional external oversight of the City's financial matters.

Mission-driven budgeting, as described by the City Charter, requires department budget requests to include goals, programs, targeted clients, and strategic plans. The requested budget must tie program funding proposals directly to specific goals. In addition, legislation passed by the Board of Supervisors requires performance standards to

increase accountability. The City and County of San Francisco operates under a budget that balances all operating expenditures with available revenue sources and prior-year fund balance.

Governmental financial information statements are reported using the modified accrual basis of accounting. Revenues are recognized when they are measurable and available, and are considered available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. Expenditures are generally recorded when a liability is incurred as under accrual accounting. However, debt service expenditures and expenditures related to vacation, sick leave, and claims and judgments are recorded only when payment is due.

ANNUAL BUDGET PROCESS

The City adopts annual budgets for all government funds on a substantially modified accrual basis of accounting, except for capital project funds and certain debt service funds that generally adopt project-length budgets.

The budget of the City is a detailed operating plan that identifies estimated costs and results in relation to estimated revenues.

The budget includes: the programs, projects, services, and activities to be provided during the fiscal year; the estimated resources (inflows) available for appropriation; and the estimated changes to appropriations. The budget represents a process through which policy decisions are deliberated, implemented, and controlled. The City Charter prohibits expending funds for which there is no legal appropriation.

Two-Year Budget Cycle

As described in the previous section, in November 2009, voters passed Proposition A, which amended the City Charter to require the City to transition to

a two-year budget cycle for all departments by FY 2012-13. In FY 2010-11, the City adopted two-year budgets covering FY 2010-11 and FY 2011-12 for four early implementation departments: the Airport, Municipal Transportation Agency, Public Utilities Commission, and Port Commission. FY 2012-13 was the first year that all city departments submitted a two-year budget for FY 2012-13 and 2013-14. Also for the first time that year, the four early-implementation departments had a "fixed" two-year budget. This means that in the second year, these departments could only amend their budget if proposed revenues or expenditures were 5.0 percent above or below projections. All other departments retained a variable two-year budget and thus are open to changes and must be rebalanced as part of the next two-year budget. Moving to a fixed two-year budget for all departments would require the passage of legislation by the Board of Supervisors. The two-year budget is developed, approved, and implemented pursuant to the process described below.

Key Participants

- Residents provide direction for and commentary on budget priorities throughout the annual budget process. Input from residents through virtual feedback forms, stakeholder working groups convened by the Mayor's Office, public budget hearings, and communication with elected officials are all carefully considered in formulating the Mayor's proposed budget.
- City departments prioritize needs and present balanced budgets for review and analysis by the Mayor's Office of Public Policy and Finance.
- The multi-year budget projections described in the previous section as well as the Capital Planning Committee (CPC) and Committee on Information Technology (COIT) provide guidance to the Mayor's Office on both long-term fiscal trends as well as citywide priorities for capital and IT investments.
- The Mayor, with the assistance of the Mayor's Office of Public Policy and Finance, prepares and submits a balanced budget to the Board of Supervisors on an annual basis.
- The Board of Supervisors is the City's legislative body and is responsible for amending and approving the Mayor's proposed budget. The Board's Budget and Legislative Analyst also participates in reviews of city spending and financial projections and makes recommendations to the Board on budget modifications.
- The Controller is the City's Chief Financial Officer and is responsible for projecting available revenue to fund city operations and investments in both the near- and long-term. In addition, the City Services Auditor Division of the Controller's Office is responsible for working with departments to develop, improve, and evaluate their performance standards.

Calendar and Process

Beginning in September and concluding in July, the annual budget cycle can be divided into three major stages (see calendar at the end of this section):

- Budget Preparation: budget development and submission to the Board of Supervisors.
- Approval: budget review and enactment by the Board of Supervisors and budget signing by the Mayor.
- Implementation: department execution and budget adjustments.

Budget Preparation

Preliminary projections of Enterprise and General Fund revenues for the next fiscal year by the Controller's Office and Mayor's Office staff begin in September. Around this time, many departments begin budget planning to allow adequate input from oversight commissions and the public. In December, budget instructions are issued by the Mayor's Office and the Controller's Office with detailed guidance on the preparation of department budget requests. The instructions contain a financial outlook, policy goals, and guidelines as well as technical instructions.

Three categories of budgets are prepared:

- General Fund department budgets: General Fund departments rely in whole or in part on discretionary revenue comprised primarily of local taxes such as property, sales, payroll, and other taxes. The Mayor introduces the proposed General Fund budget to the Board of Supervisors on June 1.
- Enterprise department budgets: Enterprise departments generate non-discretionary revenue primarily from charges for services that are used to support operations. The Mayor introduces the proposed Enterprise budgets to the Board of Supervisors on May 1.
- Capital and IT budgets: Capital and IT budget requests are submitted to the CPC and COIT for review. The recommendations for each committee are taken into account during the budget preparation process. The City's Ten-Year Capital Plan is brought before the Board of Supervisors and Mayor for approval concurrently with the General Fund and Enterprise department budgets.

Between December and early February, departments prepare their budget requests and submit them to the Controller by mid-February. The Controller consolidates and verifies all of the information that departments have submitted. The Controller submits departments' proposed budget requests to the Mayor's Office of Public Policy and Finance for review in early March.

From March through June, the Mayor and the Mayor's Office of Public Policy and Finance analyze each budget proposal, examining policy and service implications in order to meet citywide needs and reflect the Mayor's goals and priorities for the upcoming year. Concurrently, the Controller's Office certifies all revenue estimates.

From February through May, the Mayor and Mayor's Office of Public Policy and Finance staff conduct a comprehensive outreach process to understand the budget priorities of San Francisco's communities and address these priorities in the budget. Additionally, the Mayor and the Mayor's Office of Public and Policy Finance meet with community groups to understand community members' neighborhood and citywide priorities for the upcoming budget. All San Franciscans have the opportunity to submit their budget priorities and feedback to the Mayor's Office of Public Policy and Finance by email and/or online form. The Mayor's Office use all feedback to make decisions about the upcoming budget that reflect the needs and priorities of San Francisco community members.

Total budget requests must be brought into balance with estimated total revenues, which requires the Mayor's Office of Public Policy and Finance to prioritize funding requests that typically exceed projected available revenues. Before the Mayor's proposed budget is introduced to the Board of Supervisors, the Controller ensures that the finalized budget is balanced and accurate.

Approval

Upon receiving the Mayor's proposed budget, the Budget and Appropriations Committee of the Board of Supervisors holds public hearings during the month of June to review departmental requests and solicit public input. The Budget and Appropriations Committee makes recommendations to the full Board for budget approval along with their proposed changes. Since budget review lapses into the new fiscal year, the Interim Budget—usually the Mayor's proposed budget—is passed by the Board as a continuing resolution and serves as the operating budget until the budget is finalized in late July. The Mayor typically signs the budget ordinance into law by August.

The Budget and Appropriations Committee works closely with the Board of Supervisor's Budget and Legislative Analyst (BLA), which develops recommendations on departmental budgets. Informed by departmental discussions that center on justifications for proposed expenses and comparison with prior year spending, the BLA forwards a report with recommended reductions. The Budget and Appropriations Committee reviews the Budget Analyst's recommended expenditure reductions, along with department and public input, before making final budget recommendations to the full Board of Supervisors.

Because the budget must be balanced, expenditure reductions that are made to General Fund departments represent unallocated monies that the Board of Supervisors can apply to new public services or to offset proposed budget cuts. The Board of Supervisors generates a list of budget policy priorities that the Budget and Appropriations Committee uses to guide funding decisions on the unallocated pool of money. The Budget Committee then votes to approve the amended budget and forwards it to the full Board by June 30th.

As required by the City Charter, the Board of Supervisors must vote on the budget twice between

July 15 and August 1. At the first reading, which occurs the first Tuesday after July 15, amendments may be proposed and, if passed by a simple majority, added to the budget. These amendments may be proposed by any member of the Board of Supervisors and can reflect further public input and/or Board policy priorities. At the second reading, the Board votes on the amended budget again, and, if passed, the budget is forwarded to the Mayor for final signature. If additional amendments are proposed during the second reading, the budget must go through another reading a week later. Final passage by the Board must occur before the August 1 deadline.

The Mayor has 10 days to approve the final budget, now called the Budget and Appropriation Ordinance. The Mayor may sign the budget as approved by the Board, making it effective immediately, or may veto any portion, whereupon the budget returns to the Board of Supervisors. The Board has ten-days to override any or all of the Mayor's vetoes with a two-thirds majority vote. In this case, upon Board vote, the budget is immediately enacted, thus completing the budget process for the fiscal year.

Should the Mayor opt not to sign the budget within the ten-day period, the budget is automatically

enacted but without the Mayor's signature of approval. Once the Budget and Appropriation Ordinance is passed, it supersedes the Interim Budget.

Implementation

Responsibility for execution of the budget rests largely with departments. The Mayor's Office and the Controller's Office monitor department spending throughout the year and take measures to mitigate overspending or revenue shortfalls. Both offices, as well as the Board of Supervisors, also evaluate departments' achievement of performance measures on a periodic basis.

Budget adjustments during the fiscal year take place in two ways: through supplemental appropriation requests, and through grant appropriation legislation. Supplemental appropriation requests are made when a department finds that it has inadequate resources to support operations through the end of the year. Grant appropriations occur when an outside entity awards funding to a department. Both supplemental and grant appropriation requests require approval by the Board of Supervisors before going to the Mayor for final signature.

BUDGET INFORMATION & SUMMARY TABLES

GENERAL FUND REVENUE & EXPENDITURE TRENDS

OVERVIEW

Each year, the City prepares a budgetary forecast of General Fund-supported operating expenditures and revenues, and projects either a surplus or shortfall between the two. In odd-numbered years, the Mayor's Office works with the Controller's Office and the Board of Supervisors' Budget and Legislative Analyst to forecast revenue and expenditures to prepare the City's Five-Year Financial Plan. The most recent update to the Five-Year Financial Plan (also called the Joint Report) was released in March 2023. The March Joint Report projected deficits of \$290.9 million in FY 2023-24 and

\$488.9 million in FY 2024-25 and shortfalls of \$723.9 million, \$1,075.3 million, and \$1,319.8 million for FY 2025-26, FY 2026-27, and FY 2027-28 respectively.

The City is legally required to balance its budget each year. The proposed FY 2023-24 budget totals \$14.6 billion, a \$611.8 million, or 4.4 percent, increase over the FY 2022-23 budget. The proposed FY 2024-25 budget totals \$14.6 billion, a \$40.5 million, or 0.3 percent, decrease over the FY 2023-24 proposed budget.

TRENDS IN GENERAL FUND SOURCES

Total General Fund resources – which include revenue, transfers, fund balance, and use of reserves – are projected to increase by \$70.9 million in FY 2023-24, or 1.0 percent above the FY 2022-23 original budget, and increase by \$193.5 million, or 2.8 percent, in FY 2024-25.

REGULAR REVENUES. General Fund regular revenues make up 93.8 and 92.0 percent of total General Fund resources in FY 2023-24 and FY 2024-25, respectively. General Fund tax revenues have been profoundly affected by the pandemic. The revenue outlook for the City is closely tied to the recovery of sectors most impacted or transformed during the COVID-19 pandemic, including tourism and office-using industries. In this budget, the revenue forecast assumes long-term structural change in office usage due to the prevalence of hybrid and remote work. This negatively impacts property, transfer, and business taxes beyond the budget period. The City's hospitality-based taxes are expected to rebound by FY 2027-28 if not earlier.

Regular revenues are budgeted to increase by \$241.6 million in FY 2023-24, 3.9 percent more than the FY 2022-23 original budget, and increase by \$55.0 million in FY 2024-25, 0.9 percent higher than the FY 2023-24 proposed budget. The FY 2023-24 increase is largely driven by property tax, hotel tax, and interest income, with increases of \$130.5 million, \$114.0 million, and \$76.6 million respectively from FY 2022-23 budget. These increases are partially offset by significant anticipated losses of real property transfer tax and Federal Emergency Management Agency reimbursements of \$168.5 million and \$73.4, respectively. In FY 2024-25, revenue growth moderates from FY 2023-24, with strength in business, hotel and transfer taxes, growing \$83.8 million, \$39.1 million, and \$47.7 million, respectively from the FY 2023-24 budget. These gains are mostly offset by reductions to Federal Emergency Management Agency reimbursements.

USE OF FUND BALANCE AND USE OF

RESERVES. The proposed budget allocates \$406.1 million in General Fund year-end fund balance as a source in the two budget years. The budget also withdraws \$172.3 million from reserves in the two budget years, including \$90.2 million from the Fiscal Cliff Reserve, \$41.3 million from the Federal and State Emergency Revenue Reserve, \$29.5 million from the Business Tax Stabilization Reserve, and \$11.4 million from various other reserves.

Detail about General Fund Revenues

Property Tax Revenue

Property valuations are in flux following a rapid increase in interest rates, reduction in time spent in offices, and a pause in construction of some entitled development projects. Assessments and taxes are based upon market valuations as of January 1st preceding any new fiscal year (starting on July 1st).

The FY 2023-24 General Fund share of property tax revenue is budgeted at \$2,510.0 million, which is \$130.5 million, or 5.5 percent, more than the FY 2022-23 budget. The FY 2024-25 General Fund share of property tax revenue is budgeted at \$2,474.0 million, which is \$36.0 million, or 1.4 percent, less than the proposed FY 2023-24 budget.

The budget assumes secured roll growth of four percent in FY 2023-24 and 2.5 percent in FY 2024-25, including the two percent inflation allowed under the state constitution, and unsecured values are projected to decline 0.5 percent in each year. Approximately \$90.0 million is assumed diverted from the General Fund to various tax increment financing districts, including redevelopment projects and infrastructure financing districts in FY 2023-24, increasing to \$96.0 million in FY 2024-25. The budget assumes \$2.5 billion of reductions in current year local assessment values over the course of each of the two budget years, which translates to approximately \$14.0 million in General

Fund property tax revenues refunded annually. Additionally, the budget assumes refunds of \$64.0 million in General Fund revenue from appeals of assessed values filed in FY 2023-24 and \$103.0 million from appeals filed in FY 2024-25 will need to be paid at such time as the Assessment Appeals Board determines reductions.

Supplemental assessments capture changes in value for the portion of the tax year remaining after an assessable event—a change in ownership or new construction—results in a change in the base year assessed value of a property. Supplemental property taxes are estimated at \$46.0 million in FY 2023-24, dampened in the second half of the year due to the Assessor’s planned migration to new assessment software, and \$45.0 million in FY 2024-25. Escape assessments capture a full year’s increase in assessed value up to four years after the event trigger date and are estimated to generate \$13.0 million in each of the budget years.

Excess Educational Revenue Augmentation Fund (ERAF) revenue represents the amount of property tax revenues initially diverted from the City to help the state meet its funding obligations for K-14 education. The amount that exceeds these entities’ revenue limits is returned to the City. Excess ERAF revenues are budgeted at \$365.0 million in FY 2023-24 and \$322.0 million in FY 2024-25, based on current state law.

Business Tax Revenue

FY 2023-24 General Fund business tax revenue is budgeted at \$846.7 million, which is \$55.6 million, or 6.2 percent, less than what was budgeted in FY 2022-23. FY 2024-25 business tax revenue is budgeted at \$930.5 million, which is an additional \$83.8 million, or 9.9 percent, higher than the proposed FY 2023-24 budget. Business tax revenue is comprised of business registration fees, administrative office tax, and gross receipts tax.

San Francisco gross receipt taxes are determined in part by the proportion of businesses’

employees that physically work within the City limits. Responding to the pandemic, workers who previously commuted into the City began telecommuting from home, outside the City, and business tax revenue fell accordingly.

While office attendance increased over the course of the pandemic, in recent weeks office attendance in the Bay Area has stagnated around 45 percent of pre-pandemic levels, according to office security company Kastle Systems. With lower office attendance and recent layoffs in the technology industry, office vacancy rates continue to rise. Real estate firm JLL reports that office vacancy in the City increased to 26.4 percent in the first quarter of 2023. Considering the stable levels of remote work and office occupancy, the projection assumes economic growth rates of 0 percent in 2023-24 and 1 percent in 2024-25.

In November 2020, voters passed Proposition F, which eliminated the payroll tax, modified gross receipt tax rates, reduced business registration fees for businesses with less than \$1.0 million in gross receipts, and raised the small business exemption for gross receipts taxes to \$2.0 million. The impacts of Proposition F are accounted for in the budget.

Additionally, the budget assumes two pieces of pending legislation that impact this source will pass: a delay of tax increases for business categories most acutely affected by the pandemic, and a tax reduction for businesses that sign new leases in the City.

Sales Tax Revenue

In FY 2023-24, local sales tax revenue is budgeted at \$200.1 million, which is \$17.2 million, or 9.4 percent, higher than what was budgeted in FY 2022-23. FY 2024-25 local sales tax revenue is budgeted at \$205.2 million, which is \$5.2 million, or 2.6 percent, higher than the proposed FY 2023-24 budget.

Sales tax experienced significant losses during the COVID-19 public health emergency shut-

downs. The budget assumes sales tax revenues will stagnate in FY 2023-24 and FY 2024-25 at FY 2022-23 levels but slowly reach pre-pandemic levels by FY 2025-26.

This is largely due to the persistence of fewer in-commuters, travelers, and residents.

Transient Occupancy (Hotel) Tax

The FY 2023-24 General Fund share of hotel tax revenue is budgeted at \$302.9 million, which is \$114.0 million, or 60.4 percent, more than what was budgeted in FY 2022-23. FY 2024-25 revenue is budgeted at \$342.0 million, an increase of \$39.1 million, or 12.9 percent, from the proposed FY 2023-24 budget.

The City's hotel tax experienced an unprecedented decline in FY 2020-21, with a 90 percent revenue drop compared to pre-pandemic levels.

The City's budget assumes hotel tax returns to pre-pandemic levels by FY 2027-28, as the resumption of large group events, conventions, business, and international travel contribute to growth in the budget years. Conventions drive up hotel room rates through compression pricing, which is important to the full recovery of the City's hotel tax base.

San Francisco's hotel tax is derived from hotel stays from individual business travelers, group events such as conferences and meetings, and leisure tourists.

These visitors primarily travel to the City by air. In April 2020, at the height of the first peak of the COVID-19 pandemic, enplanements at San Francisco International Airport decreased by 97 percent compared to prior year. Enplanements at San Francisco International Airport have improved steadily since the onset of the pandemic. As of March 2023, domestic and international enplanements throughout FY 2022-23 were 43.3 percent greater than FY 2021-22, but behind FY 2018-19 by 19.8 percent.

Real Property Transfer Tax Revenue

Real property transfer tax revenue is budgeted at \$222.0 million in FY 2023-24, representing a decrease of \$168.5 million, or 43.2 percent, below what was budgeted in FY 2022-23. In FY 2024-25, revenue is budgeted at \$269.6 million, an increase of \$47.7 million, or 21.5 percent, above the proposed FY 2023-24 budget.

The high interest rate environment makes borrowing more difficult for residents and businesses, and the persistent remote work makes office space less attractive. The budget assumes FY 2023-24 and FY 2024-25 transfer taxes grow from a low in FY 2022-23 to a new long-term average by FY 2026-27. FY 2022-23 transfer activity has dropped across-the-board to levels not seen since FY 2003-04 and FY 2009-10. Considering the highly volatile nature of this revenue source, the Controller's Office monitors collections throughout the fiscal year and provides regular updates to the Mayor and Board of Supervisors.

Overpaid Executive Tax

The overpaid executive tax is budgeted at \$100.0 million in FY 2023-24 and \$100.0 million in FY 2024-25. In November 2020, voters adopted Proposition L, a new tax on businesses in the City, where compensation of the businesses' highest-paid managerial employee compared to the median compensation paid to the businesses' employees based in the City exceeds a ratio of 100:1. The measure took effect on January 1, 2022 for tax year 2022, and revenue was first collected in FY 2022-23. This tax is expected to be highly volatile due to the narrow base of expected payers, annual fluctuations in the value and form of executive compensation, and the risk of tax-avoidance. In tax year 2022, the top five payers owed 64 percent of the total tax. Estimates based on prior years' activity may not be predictive of future revenues.

State and Federal Grants and Subventions

General Fund federal grants and subventions are budgeted at \$505.1 million in FY 2023-24, which

is \$55.3 million, or 9.9 percent, less than what was budgeted in FY 2022-23. In FY 2024-25, federal grants and subventions are budgeted at \$422.4 million, which is \$82.7 million, or 16.4 percent, less than the proposed FY 2023-24 budget.

These changes are largely driven by reimbursements from the Federal Emergency Management Agency (FEMA) for the City's COVID-19 emergency response. FEMA reimbursements are budgeted at \$170.0 million in FY 2023-24, which is \$73.4 million, or 30.1 percent, less than what was budgeted in FY 2022-23. In FY 2024-25, FEMA reimbursements are budgeted at \$80.0 million, which is \$90.0 million, or 52.9 percent, less than the proposed FY 2023-24 budget. The City's FEMA forecast is based on updated timelines upon which FEMA will obligate and remit funds for the COVID-19 public health emergency.

General Fund state grants and subventions are budgeted at \$947.8 million in FY 2023-24, which is \$58.9 million, or 6.2 percent, more than what was budgeted in FY 2022-23. In FY 2024-25, General Fund state grants and subventions are budgeted at \$1,002.7 million, which is \$4.0 million, or 0.4 percent, less than the proposed FY 2023-24 budget. The increase in FY2023-24 is driven by growth in social service subventions, health and welfare realignment, and health and mental health subventions, and public safety sales tax, partially offset by reductions public safety realignment.

Operating Transfers-In

Transfers-in to the General Fund are budgeted at \$208.7 million in FY 2023-24, which is \$5.75 million, or 0.1 percent, more than what was budgeted in FY 2022-23. In FY 2024-25, transfers-in are budgeted at \$206.4 million, which is \$2.4 million, or 0.0 percent, less than the proposed FY 2023-24 budget. These transfers include a portion of Airport concessions revenue and 15 percent of commercial rent tax collections as authorized by June 2018 Proposition C.

USE TRENDS

Personnel Expenses

The proposed budget includes an increase in total labor costs of \$222.7 million, or 3.4 percent, from FY 2022-23 and an additional increase of \$162.4 million, or 2.4 percent, for all funds in FY 2023-24 and FY 2024-25, respectively. This total increase includes an increase in General Fund labor costs of \$63.2 million, or 2.0 percent, in FY 2023-24 and an additional increase of \$112.7 million, or 3.6 percent, in FY 2024-25. The change in FY 2023-24 and FY 2024-25 is driven by cost of living adjustment increases to wages for all City employees and increases in employee benefit costs in health and retirement.

Non-Personnel Expenses

General Fund non-personnel expenses – including professional services, materials and supplies, aid assistance, grants, capital projects and equipment, debt service, and contributions to reserves – will

decrease by \$16.0 million, or 0.7 percent, to \$2.4 billion in FY 2023-24 and will decrease further by \$36.7 million, or 1.5 percent, to \$2.37 billion in FY 2024-25. In FY 2023-24, the change is primarily due to one-time FY 2022-23 investments in nonprofit capital and community base organization (CBO) grants, and shifting CBO grants in FY 2023-24 to non-General Fund sources. The change in FY 2024-25 is primarily due to a one-time deposit to the General Reserve made in FY 2023-24.

Transfers Out

Transfers Out of the General Fund are budgeted at \$1.3 billion and \$1.42 billion in FY 2023-24 and FY 2024-25, respectively, representing an increase of \$23.7 million in FY 2023-24 from the previous year and an increase of \$117.5 million in FY 2024-25. Changes are due to increases in mandatory baseline funded requirements.

SPENDING MANDATES AND DISCRETIONARY SOURCES

The General Fund represents 46.9 percent and 48.4 percent in FY 2023-24 and FY 2024-25, respectively, of the City's total budget. General Fund discretionary spending capacity, however, is less, due to voter-approved minimum spending requirements. San Francisco voters have passed ballot measures that require minimum spending levels for certain operations, including the Children's Baseline, the Transitional Youth Baseline, Our City Our Homes Baseline, Early Care and Education Baseline, the Public Library Baseline, the

Public Transportation Baseline, the City Services Auditor operations, the Municipal Symphony Baseline, Housing Trust Fund, Dignity Fund, Street Tree Maintenance Fund, Recreation and Parks Baseline, Mission Bay Transportation Improvement Fund, and required reserve deposits.

These requirements are discussed in detail in the Controller's discussion of the Mayor's Budget, also known as the Revenue Letter, published the second week of June 2023.

FUND STRUCTURE

The fund structure chart below maps out how the City's revenue and expenditures are organized within the budget. At its most basic, a budget is divided into revenues (sources) and expenses (uses). Budgets like San Francisco's (a consolidated city and county), contain a detailed organizational scheme to group, categorize, and identify revenues and expenses. The tables displayed in the following pages summarize proposed revenues and expenditures by funding sources and uses at multiple levels, by service area, and by full time equivalent FTE employee counts.

In the public sector, financial activity is planned and recorded in a series of funds, which are created to reflect restrictions on the uses of different types of revenue. For example, enterprise funds are used to account for activities primarily funded by user charges, such as the Port, Airport, MTA and Public

Utilities Commission. The General Fund is the City's largest single fund. Because it contains revenues with the broadest allowable uses (tax proceeds), it is the focus of a large amount of budget discussion and deliberation.

A **fund** is a high-level classification unit that is organized according to its purpose.

An **account** is a unique six digit code that identifies the general nature of a source or use, at its lowest level of detail. A value between 400000 and 499999 denotes a source, while a value between 500000 and 599999 denotes a use.

Accounts can be summarized at different levels. For the reports contained in this book, accounts are summarized at Level 5, into a 4 digit code. For example, accounts 501010 - Permanent Salaries and 501070 - Holiday Pay roll up to an Account Level 5 of 5010 - Salaries.

DEPARTMENT BUDGETS

ACADEMY OF SCIENCES

MISSION

The Academy of Sciences (The Academy) is an aquarium, planetarium, rainforest, and natural history museum in the heart of San Francisco’s Golden Gate Park. The Academy’s mission is to regenerate the natural world through science, learning, and collaboration. It is a leading institution for biodiversity research and exploration, environmental education, and sustainability across the globe. For more information about this department’s services, please visit calacademy.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$7.5 million for the Academy of Science is approximately \$0.04 million, or 0.5 percent, higher than the FY 2022-23 budget. This is primarily due to reduced reimbursements to the Academy offset by increased costs in salaries and benefits. The FY 2024-25 proposed budget of \$7.3 million is \$0.1 million, or 1.8 percent, lower than the FY 2023-24 proposed budget. This change is primarily due one-time capital funding in FY 2023-24.

Philanthropic Endeavors

The Academy of Science’s fundraising efforts are focused on major initiatives such as Coral

Reefs, California & Tropical Island Biodiversity, and Museum Accessibility. These initiatives align with the Academy’s mission and leverage exhibits within the museum to inspire better understanding and regeneration of the natural world.

Exhibits

The Academy’s exhibits and seasonal festivals bring science and nature to life for visitors of all ages. Public engagement specialists orchestrate more than 30 interactive presentations and activities throughout the Academy every day to connect guests with science concepts and ideas. The Academy’s team has increased the number of online experiences to aid in distance

learning and informal science education, and will continue to bring back in-person experiences as well.

Capital Investment

The Mayor’s proposed budget invests in facilities maintenance, building projects, and stationary engineers to keep Steinhart Aquarium in working order and ensure a safe environment for staff, visitors, and live animals. This investment in preventative maintenance will decrease future facilities’ maintenance costs and represents an investment in City resources.

Accessibility

The “Academy for All” initiative currently serves children and their families annually through free and low-cost programs including free admission days, free field trips, and special programs targeting youth from backgrounds traditionally underrepresented in STEM fields. The Academy is also a proud participant in the Mayor’s Museums for All initiative and a partner with the ARC of San Francisco and AccessSFUSD. From toddlers to young adults, the Academy provides pathways for discovery, learning, and workforce development.

NUMBER OF VISITORS.
On average, the Academy hosts over 1 million visitors each year.

ADULT PROBATION

MISSION

The mission of the Adult Probation Department (ADP) is to protect and serve the community, further justice, inspire change, and prioritize racial equity. ADP collaborates with the courts and numerous partners and community-based organizations, and provides evidence-based supervision and holistic and client-centered services. ADP values the diversity of its clients and invests in their success by providing a continuum of integrated services designed to address individual needs and help clients permanently exit the criminal justice system. ADP offers its reentry services to all justice-involved individuals, not just those on formal supervision. For more information about this department's services, please visit sf.gov/departments/adult-probation-department

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$58.5 million for the Adult Probation Department is \$0.4 million, or 0.7 percent, higher than FY 2022-23 budget. This is primarily due to on-going investments in re-entry services including transitional housing and behavioral health treatment programs. The FY 2024-25 proposed budget of \$57.6 million is \$0.8 million, or 1.4 percent lower than the FY 2023-24 proposed budget. This change is due to one-time funding for community programs in FY 2023-24.

Restoring Vibrancy in San Francisco through Improved Public Safety

Adult Probation Department's core functions of supervision, investigations and re-entry are crucial to improved public safety. Through collaboration with City and community partners, ADP provides transitional housing and supportive services to justice-involved adults. Supportive services include employment, medication management, drug treatment and case management. The Mayor's

proposed budget includes \$3.7 million in grants to community-based organization funding to preserve these services.

The proposed budget also continues to invest \$3.5 million annually to support a treatment and transitional housing program for justice-involved, un-housed individuals with 75 units of transitional housing. The project is a partnership between the Department of Public Health and ADP. In addition to transitional housing, participants have access to on-site wraparound services, including outpatient mental health and substance disorder treatment. Participants will also have access to case management, medication management and support groups.

The proposed budget also includes \$3.3 million annually in continued funding for the department's abstinence-based Treatment Recovery and Prevention (TRP) program. The program is a peer-led, abstinence-based, therapeutic teaching community and transitional housing program offering 105 beds.

In addition to housing, programs are designed to offer continuum of care, including detox, peer-led services, and cognitive behavioral interventions. The TRP also extends the hours of ADP’s Community Assessment and Services Center ensure that residents have the help they need at any hour.

Prioritizing Equity

ADP will continue to implement its Racial Equity Action Plan through various initiatives. In FY

2023-24, ADP will expand services through the development of new LGBTQ+ and Immigrant programs.

The department will participate in National Institute of Justice (NIJ) Coaching Model project that will change the way the department engages with clients and partners. The Model compliments ADP’s efforts to implement its racial equity plan and develop a strategic plan.

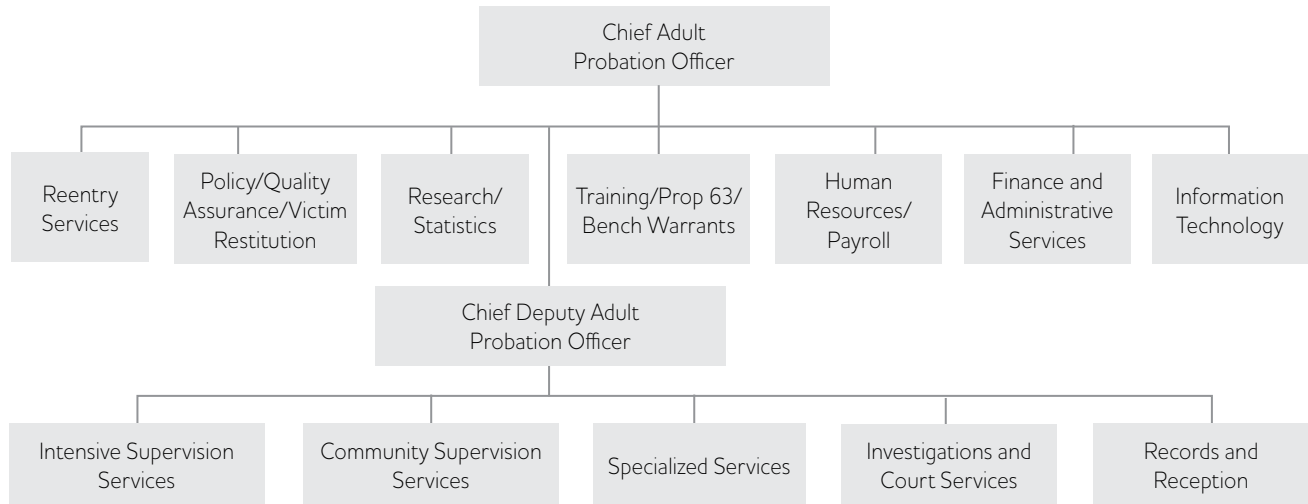

FY 2021-22 HOUSING AND SUPPORTIVE SERVICES. *In FY 21-22, through community partnerships, ADP clients accessed housing and supportive services.*

AIRPORT

MISSION

The San Francisco International Airport (SFO or the Airport) strives to be an exceptional airport in service to its communities. SFO is the Bay Area's largest airport by passenger volume. For more information about this department's services, please visit flysfo.com

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$1.3 billion for the Airport is \$148.4 million, or 12.8 percent, higher than FY 2022-23 budget. This is primarily due to increases in salaries and benefits and debt service. The FY 2024-25 proposed budget of \$1.5 billion is \$187.3 million, or 14.3 percent higher than the FY 2023-24 proposed budget. This change is primarily due to increases in revenue from charges for services, such as landing fees, parking fees, and airline rentals.

COVID-19 Impact on Passenger Levels

The Airport's revenues are primarily driven by passenger levels. As the graphic on passenger levels indicates, there are encouraging signs that travel demand is recovering. The Airport anticipates the full recovery to pre-pandemic FY 2018-19 levels in FY 2024-25, according to passenger enrollment forecasts.

Enhancing Health, Safety and Security

Passengers, employees, airlines, and tenants depend on Airport systems and processes to provide a safe and secure travel environment. The Airport is committed to exceeding all aviation safety and security regulations in response to COVID-19, and maintains measures to facilitate physical distancing, on-site vaccinations, and testing, as

needed. Through the use of advanced technology and implementation of best practices, the Airport continues to advance its safety and security profile.

Investing In Capital

The Mayor's proposed budget continues to support the implementation of the Airport's Capital Improvement Plan (CIP). In January 2023, the Airport Commission approved a mid-year update

REDUCTION IN PASSENGER LEVELS DUE TO COVID-19. Passenger traffic continues to recover and as of February 2023 has recovered close to 80 percent of pre-pandemic levels.

to the FY 2022-23 CIP increasing the total budget from \$7.8 billion to \$8.9 billion to take advantage of potential federal funding opportunities and prioritize certain capital projects related to the modernization of the West Field and supporting the Airport's infrastructure. In addition, the Airport is currently in the process of developing a new FY 2023-24 CIP focusing on capital projects that are critical for Airport operations and forecasted passenger growth. Approximately \$5.9 billion of the current CIP project costs have been financed to date, and many CIP projects have been completed, such as the AirTrain Extension to the long-term parking garages, the Harvey Milk Terminal Boarding Area B, the Courtyard 3 Connector post-security passenger connector between Terminal 2 and Terminal 3, and the rehabilitation of Runway 10L-28R. Construction activity continues on major projects such as the expansion of Terminal 1 Center and North Areas, the International Terminal departures level expansion of both security checkpoints, Wayfinding Enhancement Program, and the Terminal 3 West Modernization.

Diversity, Equity & Inclusion

The Airport continues to use the Racial Equity Action Plan as the blueprint that guides and helps

focus our efforts towards advancing racial equity in all aspects of the department's work. Airport leadership and employees are looking both inward and outward to address existing gaps. For workforce, priority areas include increasing opportunities and resources for career development; implementing process improvements to better address employee workplace concerns, including complaints of equal employment opportunity (EEO); as well as providing team members with practical racial equity tools that inform decision-making, measurement, and accountability.

Accelerating Sustainability

SFO is halfway through its journey to be the first airport in the world to achieve "triple zero": zero net carbon operations, zero net energy facilities, zero waste going to landfill, and healthy and safe indoor environments by 2030. Key milestones include achieving Level 4 of the Airport Carbon Accreditation Program, a first for large-hub airports in North America; completing a Distributed Energy Resources (DER) study to identify sites for new solar generation; receiving the first airport Platinum certification under the Leadership in Energy and Environmental Design (LEED v4.1) for Communities program; leading the industry in Sustainable Aviation Fuel pipeline deliveries.

PASSENGER ENPLANEMENT SCENARIOS.

The latest forecast shows SFO returning to FY 2018-19 passenger levels by FY 2024-25.

Launching Resilience

In December 2022, the Airport established a new Resilience & Sustainability Office to define and deliver projects that can reduce the magnitude and duration of impacts of future disruptive hazard events to our campus facilities and operations. The Office is preparing recommended actions that can enable SFO's dynamic response to ever-changing

conditions and disruptive events by hardening critical infrastructure, assets and operations. Investments set by staff in the coming year will target vulnerabilities within SFO's critical facilities and services to unpredictable events through scenario planning, capital project delivery, tool development, and preventative maintenance.

ARTS COMMISSION

MISSION

The San Francisco Arts Commission (ART) champions the arts as essential to daily life by investing in a vibrant arts community, enlivening the urban environment, and shaping innovative cultural policy. The Commission values the transformative power of art as critical to strengthening neighborhoods, building infrastructure and fostering positive social change. Additionally, the Commission strives to ensure a vibrant San Francisco where creativity, prosperity and progress go hand in hand. For more information about this department's services, please visit sfartscommission.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$40.9 million for the Arts Commission is less than \$0.1 million, or 0.05 percent, lower than the FY 2022-23 budget. This is primarily due to decreases in capital funding offset by increases in hotel tax revenue. The FY 2024-25 proposed budget of \$28.9 million is \$12.0 million, or 29.4 percent, lower than the FY 2023-24 proposed budget. This change is due to expiration of one-time capital funding.

Hotel Tax Arts Allocation

Hotel tax revenue allocated to ART supports San Francisco artists and arts organizations representing historically underserved communities through grants, technical assistance and capacity building, economic development, arts education initiatives and community-based Cultural Centers. Hotel tax is expected to continue to increase in the next fiscal years. In FY 2023-24, the Mayor's proposed budget includes \$14 million of funding from Hotel Tax in the Arts Commission to fund programs and to support artist and art

organizations. The San Francisco Arts Commission will continue working towards providing equitable access to cultural resources and creating more sustainable impact across the arts ecosystem.

HOTEL ROOM TAX ONGOING FUNDING TO THE ARTS COMMISSION. *Hotel Room Tax saw large declines during the pandemic years. The General Fund backfill prevented large reductions to ART's budget. Hotel Room Tax is projected to continue its recovery and growth in the next two fiscal years.*

ART's Role in the Recovery of Local Economy

Through its grants program, local arts and culture nonprofits, the Arts Commission's seven cultural centers were supported to return to pre-COVID-19 pandemic vibrancy. As visitors return to performances and special events, the local economy is stimulated through dining and shopping at small businesses. The arts and culture sector produces employment opportunities for the creative community and draws residents and tourists to neighborhoods' cultural sites across the City. Individual artists from the Art Vendor Program also participated in the City Hall holiday and Small Business Week craft fairs, creating economic opportunities for local artists to showcase SF-made artwork and goods.

Civic Art Collection

The Monuments and Memorials Advisory Committee (MMAC) is a body that will establish the criteria and guidelines by which to determine the future of historic monuments and memorials in the City's Civic Art Collection. This initiative was established by Mayoral directive and is a partnership between ART, the Human Rights Commission (HRC), and the Recreation and Parks Department (REC). The MMAC is responsible for

examining the history of monuments in the public realm in San Francisco, the individuals, events, and ideals they represent and how the narratives associated with these monuments align or do not align with San Francisco's values today. The MMAC meetings began in early 2022 and are set to finalize its recommendations by the end of FY 2022-23.

Organizational Improvements

ART is actively recruiting to fill all open budgeted positions to improve core service delivery and is on track to be fully staffed by the end of FY 2022-23. ART has invested in professional development to ensure that staff is well-trained and has access to job related tools, resources, and opportunities. It has also just completed development of a new grants management system that aims to streamline grant applications and monitoring.

In FY 2023-24, the Commission will begin its strategic and business planning process. ART will engage in a process to work with a variety of community stakeholders to help plan the City's cultural future and assess the impact of past and present programs, practices and policies to help set priorities and identify opportunities.

ASIAN ART MUSEUM

MISSION

The Asian Art Museum (the Museum) celebrates, preserves, and promotes Asian and Asian American art and cultures for local and global audiences. We provide a dynamic forum for exchanging ideas, inviting collaboration, and fueling imagination to deepen understanding and empathy among people of all backgrounds. For more information about this department's services, please visit asianart.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023–24 budget of \$11.5 million for the Asian Art Museum is \$0.3 million, or 2.6 percent, higher than the FY 2022-23 budget, primarily due to capital funding. The FY 2024-25 proposed budget of \$11.8 million is \$0.3 million, or 2.6 percent, higher than the FY 2023-24 proposed budget, primarily due to increases in salaries and benefits.

A new exhibition pavilion opened in July 2021 and a new rooftop art terrace is expected to open in 2023. The transformed space will allow the Museum to increase its contribution to the economic recovery of the City, the City's global tourism market, and vitality of the Civic Center neighborhood.

Ongoing Priorities

One of the top priorities of the Museum is to create thought-provoking experiences that demonstrate the impact and relevance of Asian and Asian American art and culture in contemporary life. Its focus is to challenge stereotypes, create cross-cultural understanding, celebrate heritage and innovation, and connect the past to both present and future.

The Museum has recently adopted the following core strategic priorities:

- Become experience-centered
- Accelerate digital transformation
- Double and diversify audiences
- Increase and diversify revenues

VISITOR ORIGIN. In FY 2021-22, a majority of the Museum's visitors were from the Bay Area as the local tourism industry continued to recover from the impacts of the pandemic.

The Museum strives to ensure stakeholders reflect the ethnic and cultural diversity of the Bay Area. General admission is free the first Sunday of every month, as well as during a variety of heritage celebrations and access days throughout the year. In addition to participating in the San Francisco Museums for All program, the Museum also offers free admission to museum members, children aged 12 and under, San Francisco Unified School District (SFUSD) students, essential workers, active-duty military, and college students visiting as part of their coursework.

Capital Projects

The Museum opened its Civic Center location in 2003. While the building received a Leadership in Energy and Environmental Design certification in December 2018, protection, conservation, and exhibition of the City’s priceless collection of Asian and Asian American art requires diligent maintenance of the building. Capital investments focus on renewal and replacement of life-safety infrastructure, efficient maintenance, and operations of aging equipment. The Mayor’s proposed budget includes \$0.7 million in FY 2023-24 and \$0.6 million in FY 2024-25 to fund these critical repairs.

ASSESSOR-RECORDER

MISSION

The Office of the Assessor-Recorder's (ASR) mission is to fairly and accurately identify and assess all taxable property in San Francisco, collect transfer tax, and record, secure, and provide access to property, marriage and other records. For more information about this department's services, please visit sfassessor.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$37.4 million for the Office of the Assessor-Recorder is \$2.3 million, or 6.4 percent, higher than FY 2022-23 budget. This is primarily due to costs associated with the ongoing maintenance and staff for the new Property Assessment System as well as, staffing for the Assessment Appeals team. The FY 2024-25 proposed budget of \$38.0 million is \$0.6 million, or 1.7 percent higher than the FY 2023-24 proposed budget. This change is due to increases in salaries and benefits.

Goal-to-Roll and Assessments

The assessed roll for FY 2022-23 continued its growth trajectory, increasing 5.4 percent over the prior year to \$330 billion. These assessments equate to approximately \$3.9 billion in revenue that the City relies on to maintain critical programs in the areas of public safety, mental health, homelessness, and more. In June 2022, staff closed the roll on time for the fourth year since clearing a historically large backlog. By implementing technology improvements, standardizing work processes, and establishing performance expectations, the Department continues to set

production targets to ensure it is advancing transparency, accessibility, and integrity to ensure the financial stability of the City and best serve taxpayers.

Recorder Revenues

ASR is projecting a decline in recorder revenue due to a decline in the volume of recorded documents from the prior year. In order to respond to this trend, the Department is shifting costs from the General Fund by increasing the use of one-time fund balance to cover the decrease in annual fee collections each year.

Real Property Transfer Tax

The Department's Recorder Division collects Real Property Transfer Tax (RPTT) when a building changes ownership. Over the last five years, RPTT has generated an average of \$369 million annually to support the General Fund and free community college. ASR maintains a robust RPTT Audit Program that closely reviews high value transactions to ensure these entities are not underreporting their transfer tax obligations. Since 2015, ASR has recovered \$75 million through the audit program.

Assessment Appeals

In the year ahead, ASR will focus on successful roll close while balancing the increase in assessment appeals and implementing major improvements to ASR’s primary technology platform. The focus on Assessment Appeals will be important as appeals filed in FY 2021–22 increased 8 percent over the prior year, with open appeals representing \$531 million in revenue-at-risk, a 54 percent increase from FY 2020–21. The Mayor’s proposed budget invests \$0.2 million in FY 2023-24 and \$0.5 million in FY 2024-25 to support four new appeals support positions, advancing the Department’s ability to dedicate time to assessment appeals.

Modernizing Technology

Through the City’s Committee on Information Technology, San Francisco has made significant investments to improve and modernize the systems that assess properties and bill, collect, and allocate property tax revenue. The Property Assessment and Tax System program encapsulates the integrated systems of the Assessor-Recorder, Treasurer-Tax Collector, and Controller. The modernization and upgrade of these antiquated systems will:

- Increase efficiency and quality of work product by eliminating the need for manual processes.

- Improve the revenue collection process for the Treasurer and Tax Collector through decreasing turnaround time for property assessments tax billing, revenue collection, and certification to reduce revenue at risk.
- Strengthen and modernize technology infrastructure that is the system foundation for the City’s property tax revenue stream.
- Increase access to data and reporting for the public as well as policymakers and city leaders by creating a system that can store all Assessor property information and analysis in a single system.
- Improve taxpayer service and transparency.

The Treasurer-Tax Collector’s tax billing and collection system went live in 2020, and Phase I of the Property Assessment System went live in 2021, with Phase II to follow in December 2023.

The Mayor’s proposed budget includes new ongoing investments to support the maintenance and staff needed for this system, totaling \$2.7 million in FY 2023-24 and \$3.5 million in FY 2024-25. Over the next year, ASR’s project team will work to integrate its components with the Treasurer-Tax Collector’s system. The project will

also undertake a major change management effort for hundreds of users who rely on assessment data.

Community Engagement

In 2022, ASR partnered with community groups and engaged with residents online and in-person. The office held webinars to share updates on new state laws such as Proposition 19, property tax basics, and continued outreach and education on the benefits of estate planning and tax savings programs to strengthen intergenerational wealth building particularly for communities of color.

ASR will continue to expand recruitment efforts to a broader talent pool, support professional development for all staff, and implement California Assembly Bill 1466 (AB 1466). AB 1466 was signed into law by Governor Newsom in 2021 and requires that all county recorder offices work to identify and redact unlawfully restrictive covenants from real property records. This effort to uphold the implementation of AB 1466 is made possible with the ongoing support of the Mayor’s proposed budget which makes investments to continue supporting two positions tasked with finding and redacting discriminatory language from recorded documents.

NUMBER OF OPEN APPEALS & POTENTIAL PROPERTY TAX IMPACT. *Over the past three years, the average number of appeals filed has climbed to an average of 2,500. The increase in open appeals has resulted in a dramatic over 335 percent increase in potential property tax impact from FY18-19 to now, up from \$174 million to over \$750 million.*

BOARD OF APPEALS

MISSION

The Board of Appeals (BOA) provides the public with a final administrative review process for the issuance, denial, suspension, revocation, and modification of city permits as well as for certain decisions of the Zoning Administrator, Planning Commission, and Historic Preservation Commission. For more information about this department's services, please visit sf.gov/departments/board-appeals

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$1.1 million for the Board of Appeals is \$0.1 million, or 4.4 percent, lower than FY 2022-23 budget. This is primarily due to decline in permitting revenues. The FY 2024-25 proposed budget of \$1.2 million is \$0.02 million, or 1.8 percent higher than the FY 2023-24 proposed budget, and does not significantly differ from their FY 2023-24 proposed budget.

Commitment to Racial Equity and Inclusion

The Mayor's proposed budget maintains training opportunities for Board of Appeals commissioners and staff that focus on racial equity and inclusion.

Cost of Service

The Department has experienced revenue shortfalls primarily from a reduced number of surcharges which are collected on permits issued by various departments. The Mayor's proposed budget assumes an increase to surcharge fees

consistent with this year's consumer price index. This adjustment to fees will allow the Department to maintain its current operations.

APPEAL DISTRIBUTION. This graphic shows the number of appeals heard from each department throughout the current fiscal year.

BOARD OF SUPERVISORS

MISSION

The Board of Supervisors (BOS or “the Board”) is the legislative branch of government in the City and County of San Francisco. The Board of Supervisors responds to the needs of the people of San Francisco by adopting legislation, establishing policies, and assisting constituents. As stated in the City Charter, the Board of Supervisors provides for the public’s access to government meetings, documents, and records. For more information about this department’s services, please visit sfbos.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$22.7 million for the Board of Supervisors is \$0.5 million, or 2.5 percent, higher than the FY 2022-23 budget. This is primarily due to increased costs in salaries and benefits. The FY 2024-25 proposed budget of \$23.1 million is \$0.5 million, or 2.0 percent, higher than the FY 2023-24 proposed budget. This change is due to further increases in salaries and benefits.

Charter Mandated Services

The Board of Supervisors is the legislative branch of the City and County of San Francisco. The Office of the Clerk of the Board, at the direction of the Board of Supervisors, is designated by the City’s Charter to oversee the affairs and records of the Board of Supervisors, the legislative process, and Board and Committee proceedings. The Charter also requires that the Board of Supervisors provide direct services that support open and participatory government, including the requirements of the Maddy Act, which mandates the Clerk of the Board publish an annual listing of vacancies for active boards, commissions, and committees. Charter-

mandated positions and programs include members of the Board of Supervisors, legislative assistants, the Clerk of the Board and committee clerks, the Assessment Appeals Board, the Sunshine Ordinance Task Force, the Youth Commission, and the Budget and Legislative Analyst.

PROPOSED BUDGET BY DIVISION. *The largest division within the Department is the Supervisors, which includes all 11 District offices and their staff.*

Innovating the Legislative Process through Technology

The Mayor’s proposed budget includes funding for a new legislative management system which will promote open, transparent, and responsive government. The new system will provide the Board and Commissions with end-to-end integrated legislative process management, mobile digital accessibility independent of device platform, an online public portal for constituent

engagement, enhanced search and subscribe capabilities, and a geo-map to identify how legislation affects each neighborhood.

The Assessment Appeals Board’s Online Appeals Application Filing System continues to undergo re-engineering to integrate with the Assessor’s new property assessment (SMART) system to meet new requirements in the Revenue and Taxation code and make system enhancements for streamlined processes.

ASSESSMENT APPEALS APPLICATIONS.

Assessment appeals application filings continue to climb since the pandemic pointing to a potential increase in appeals as lease agreements in the city come up for renewal.

BUILDING INSPECTION

MISSION

The Department of Building Inspection (DBI) ensures that life and property within the City and County of San Francisco are safeguarded and provides a public forum for community involvement in that process. DBI oversees the effective, efficient, fair, and safe enforcement of Building, Housing, Plumbing, Electrical, and Mechanical Codes, along with Disability Access Regulations. For more information about this department's services, please visit sf.gov/departments/departments-building-inspection

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$81.3 million for Building Inspection is \$11.5 million, or 12.4 percent, lower than the FY 2022-23 budget. This change is due to aligning decreased spending with declining revenues, generated by reduced spending on non-personnel services, contracts with community-based organizations, projects, as well as, services performed by other City departments. The FY 2024-25 proposed budget of \$83.0 million is \$1.7 million, or 2.1 percent, higher than the FY 2023-24 proposed budget. This is primarily due to increases in salaries and benefits.

Revenue Changes

The COVID-19 pandemic slowed construction activity over the past three years, and permitting activity remains below pre-pandemic levels. The pandemic's impact on permitting activity has resulted in reduced revenues for DBI. As a self-supporting department that relies on the revenues it collects, revenue decline has a direct impact on the department's budget. Over this time, DBI has been reducing its expenditures, to the extent possible, and

leveraging its reserves to balance its budget. However, reliance on reserves is not a sustainable option for the Department. As such, in 2023, DBI began conducting a fee study to bring revenue and expenditures closer in alignment. This is also crucial, given that the last fee change was a reduction in 2015. The fee study will address the recent revenue decline and ensure appropriate cost recovery in the long-run. As part of this effort, the Department will also continue to monitor revenues

TOTAL INSPECTIONS PERFORMED

and identify expenditure savings. As such, DBI's focus will remain on providing core services and making operational improvements with existing resources. In addition, given the continued downward trend in construction activity, the Department continues to assume slowed revenue in both years of the budget.

Streamlining Permitting and Application Review

As part of the Mayor's Housing for All Executive Directive, DBI will assess permitting timelines,

identify opportunities to reduce review times, and implement process improvements to expedite housing delivery in San Francisco. The Department will specifically implement changes to the Site Permit review process. Changes, including standardization of the site permit process, will establish greater transparency and a more predictable project review process. Permit applicants will receive clear direction from the City about the information and additional permits required for their project.

CHILD SUPPORT SERVICES

MISSION

The Department of Child Support Services (CSS) works to empower parents to provide economic support for their children, thereby contributing to the well-being of families and children. For more information about this department's services, please visit sf.gov/departments/child-support-services

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$13.7 million for the Department of Child Support Services is \$0.1 million, or 0.6 percent, higher than the FY 2022-23 budget. This is primarily due to anticipated increases in non-personnel costs. The FY 2024-25 proposed budget of \$13.7 million is \$0.1 million, or 0.4 percent, higher than the FY 2023-24 budget, which remains in line with projected State and Federal allocations.

Ongoing Initiatives

The Department will continue to focus its energy and resources on the following five key initiatives during FY 2023-24 and FY 2024-25:

Paternity Establishment A collaboration with SF General Hospital and other San Francisco birthing centers to support children with an opportunity for financial and emotional support from both parents.

Serving Incarcerated Parents Expanding collaboration with the Sheriff's Department to provide both virtual and in-person assistance to incarcerated parents ensures they have equitable access to the program and opportunities for debt relief.

Providing More Parents with Debt Relief The Debt Relief program is an expansion of the familiar Compromise of Arrears Program (COAP) that allows more parents to qualify to settle government-owned debt – reducing the negative consequences of debt burden and promotes parent stability in getting more resources to their children.

ANNUAL DISTRIBUTED COLLECTIONS. *The annual amount of support collections distributed to families on the CSS caseload over recent years.*

Succession Planning Through an Equitable Lens

DCSS looks to prepare for the future by providing its team with professional training and development to provide equitable opportunities for staff to compete and promote to leadership roles. To increase diversity and employment equity the department seeks to work with the Department of Human Resources to create child support officer positions that allows community representation.

Community Input through Advisory Committee

DCSS is building an Advisory Committee to work directly with parents and community based organizations on issues of concerns to families to promote equitable change and effectively guide the department.

A New Approach to Child Support for San Francisco Families

The Department understands that parents work together in many ways to support their children. In recognition of this fact, CSS partnered with the

San Francisco Superior Court in 2021 to create a non-cash payment alternative to the traditional child support order.

A non-cash payment alternative, also referred to as in-kind support, is an arrangement between parents to care for their children. The arrangement may involve the exchange of goods or services such as transportation, clothing, shoes, groceries, housing, rent, or other items. Working with the San Francisco Superior Court, the Department coordinates a pilot program to acknowledge the various ways that parents provide for their children and reflect those arrangements in their formal child support court order.

Recruitment of families into the voluntary program is currently underway. Enrolled parents will work with court mediators to draft their in-kind support agreements; the court will monitor the agreements for compliance, and child support will enforce the monetary portion of the child support order.

AVERAGE CASELOAD. Cases managed by CSS have decreased over the last several years, averaging 9,037 in Federal FY 2021-22.

CHILDREN, YOUTH AND THEIR FAMILIES

MISSION

The Department of Children, Youth and Their Families (DCYF) has administered San Francisco’s powerful investments in children, youth, transitional age youth, and their families through the Children and Youth Fund since 1991. With a deep commitment to advancing equity and healing trauma, DCYF brings together government agencies, schools, community-based organizations to strengthen San Francisco communities to lead full lives of opportunity and happiness. The Department strives to make San Francisco a great place to grow up. For more information about this department’s services, please visit dcyf.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$342 million for the Department of Children, Youth and their Families (DCYF) is \$9 million, or 2.7 percent higher, than the FY 2022-23 budget. This is primarily due to the newly approved Student Success Fund, which set asides \$11 million in FY 2023-24 for new programming, offset by savings in non-personnel services and the expiration of grant funding. The FY 2024-25 proposed budget of \$343.3 million is \$1.3 million, or 0.4 percent, higher than the FY 2023-24 proposed budget. This change is due to the Student Success Fund of \$24 million, offset by the expiration of one-time grant funding.

Mental Health and Family Wellness

The Mayor’s proposed budget continues allocating \$5 million annually to address critical mental health needs and support family wellness. This includes a Mental Health Support Pilot with UCSF, where clinicians and graduate students will work with community-based organizations (CBO) to provide onsite support to children and youth, train and coach CBO staff to identify signs and

symptoms of mental health needs, provide clinical support services for CBO staff, and increase agency capacity to provide wellness and referral services. The investment also funds an expansion

INVESTMENTS BY SERVICE AREA (FY 2022-23).

DCYF invest in a variety of children and youth services and programs. Majority of the services are out of school time, followed by youth workforce development and enrichment, leadership and skill building.

of culturally specific mental health services. As part of the budget, DCYF will continue to partner with CBOs to provide parents and caregivers additional support related to parenting and understanding their child's developmental needs.

Citywide Referral and Navigation Supports

The exacerbated need for support during the pandemic highlighted that City services can be difficult to understand and access. As part of the Children and Family Recovery Plan, the Mayor's proposed budget includes \$2.5 million in FY 2023-24 and \$2.6 million in FY 2024-25 to support enhanced referral and navigation for citywide resources, making it easier for children and families to get the support they need to thrive. This initiative increases communication and improves coordination to reach more children, youth and families across City agencies and the San Francisco Unified School District. This reduces confusion for families, lowers barriers to accessing services and reaches vulnerable families who might otherwise not know about services that exist for them.

Restoration of Technical Assistance

The City is committed to improving program quality and driving better outcomes for program

participants. To that end, DCYF offers technical assistance and capacity building training workshops, and other support to all its grantees. After a brief period of reduced funding during the pandemic, the Mayor's proposed budget maintains DCYF's Technical Assistance programming budget in FY 2023-24 and FY 2024-25.

San Francisco Unified School District and the City College of San Francisco

The proposed budget continues to invest in the Free City College Program at City College of San Francisco (CCSF). Further, in 2022, San Francisco voters approved Proposition G to establish the Student Success Fund to provide grants to the San Francisco Unified School District (SFUSD) and schools to implement programs that improve academic achievement and social/emotional wellness of students. The amended Charter requires an annual appropriation to the Fund for 15 years based on a calculation of the City's excess Educational Revenue Augmentation Fund (Fund) allocation in specified fiscal years. The Mayor also proposes to increase support for San Francisco's School Crisis Support Coordination Project (SCSCP) in partnership with SFUSD in response to an increase in violent incidents

YOUTH SERVED BY AGE GROUP (FY 2021-22).

both on and off school campus. The SCSCP was developed with the explicit goals of intervening and preventing escalation of violent incidents and coordinating supports and services for youth with City Departments, SFUSD, and CBO partners. In FY 22-23, DCYF received its first STOP School Violence Program grant and is in the process of applying for the second grant to expand this project. The Mayor’s proposed budget includes \$11.0 million in FY 2023-24 and \$35.0 million in FY 2024-25 for the Fund. DCYF is partnering with SFUSD on implementation. In addition, the budget includes a one-time use of \$2 million from the Free City College reserve to alleviate student fees to support students with course enrollment.

Equity and the 5-Year Granting Cycle

DCYF’s equity-based funding framework is developed through a three-part planning process which includes Community Needs Assessment (CNA), Services Allocation Plan (SAP), and Request for Proposal (RFP) for services implemented by CBOs. The CNA process utilizes equity metrics that help DCYF identify the high need groups. The SAP process is the way that DCYF makes meaning of CNA findings and turns them into services that meet the needs of the City’s residents. The five-year RFP is the procurement process used to identify CBO providers with the experience, cultural competence and community connection to implement the services DCYF funds in support of the Department’s racial equity and equity goals.

CITY ADMINISTRATOR'S OFFICE

MISSION

City Administrator's Office (ADM) comprises over 25 departments and programs that provide a broad range of services to other City departments and the public. Examples of the Agency's functions include public safety, internal services, civic engagement, capital planning, asset management, code enforcement, disaster mitigation, tourism promotion, and economic development. For more information about this department's services, please visit sf.gov/departments/city-administrator

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$594.7 million for the City Administrator is \$16.0 million, or 2.6 percent, lower than the FY 2022-23 budget. This is primarily due to the expiration of one-time capital expenditures in FY 2022-23. The FY 2024-25 proposed budget of \$603.1 million is \$8.5 million, or 1.4 percent, higher than the FY 2023-24 proposed budget. This change is due to increased costs in salaries and benefits, non-personnel services, and services of other departments.

Improving the Customer Experience

The Mayor's proposed budget for the City Administrator's Office funds an overall improvement to resident and non-resident experience. At the Permit Center, new staffing will aid the on-going interdepartmental effort to centralize customer services by consolidating standard questions to a single-entry point, handling simple inquiries, and routing more complex inquiries to the permitting department for resolution. Centralizing points of intake makes it easier for customers to ask questions and receive a faster and efficient response.

Similarly, the proposed budget funds County Clerk's service upgrades to its current queuing system, facilitating pre-check-in text notifications in multiple languages, and improving queue management and customer flow. In addition, the County Clerk is replacing paper applications with an online portal to allow customers to submit forms and applications remotely.

Finally, the budget also continues to invest in bringing better digital services to all citywide departments via the Digital Services program. Currently, in collaboration with the Department of Technology and the Department of Building Inspection, the program is piloting an electronic version of the "pink form" that allows building permit applicants to send their data and documents directly into City systems from their own device and get a confirmation email with a tracking link immediately.

Helping to Meet Climate and Housing Goals

The Fleet Management Division laid the research, procurement, and operational groundwork to double the City's fleet of hydrogen fuel cell vehicles.

The Mayor’s proposed budget in FY 2023-24 funds the planning for development of a City-operated hydrogen fuel cell station, which will provide the City’s fleet with reliable access to a zero-emission fuel.

In addition, the Treasure Island Development Authority has made substantial progress with the completion of new roadways, utilities, parks, and a ferry terminal in support of future housing. So far, 229 new units have been completed, 119 of which are affordable units including the Maceo May Apartments, which houses formerly homeless veterans and their families. An additional 740 units are currently in progress for completion by the end of 2024, 178 of which will be affordable. At full buildout, the project will deliver 8,000 new units of housing, 27.2 percent of which will be permanently affordable. The proposed budget includes \$15 million of new expenses related to the

TICD Developer Housing Subsidy as well as \$1.5 million of new expenses for anticipated operations and maintenance of new parks and open spaces scheduled to open in FY 2023-24.

Contracting Reform and Community Safety

Under the Mayor’s proposed budget, new staffing under the Office of Contract Administration will help with citywide contracting reform and contribute to future cost savings by conducting procurement analysis across departments and identify efficiencies.

The proposed budget also sustains funding for the Community Ambassadors Program (CAP) under the Office of Civic Engagement and Immigrant Affairs. CAP is a community safety and neighborhood engagement program and provides visible, non-law enforcement safety presence in several neighborhoods across San Francisco.

CITY ADMINISTRATOR'S OFFICE—TECHNOLOGY

MISSION

The Department of Technology modernizes City technology infrastructure, communications, and applications to deliver resilient, cost-effective, and efficient city business systems. These solutions drive innovation while promoting public safety, digital equity, and new government services. For more information about this department's services, please visit sf.gov/departments/department-technology

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$167.3 million for the Department of Technology (TIS) is \$13.9 million, or 9.0 percent higher than FY 2022-23 budget. This is primarily due to increased cost of salary and benefits, software contracts, and services of other departments. The FY 2024-25 proposed budget of \$171.0 million is \$3.7 million, or 2.2 percent higher than the FY 2023-24 proposed budget. This change is due to increase in salaries and benefits.

Accelerating a Digital City

The Department continues to deliver shareable enterprise-level business applications and modernize the City's technology infrastructure. Emphasizing infrastructure resiliency and migrating departments to a new software defined network increases capacity and performance. New applications speed up City services, and modernized infrastructure delivers security, performance, reliability, and enables new services such as Voice over Internet Protocol (VoIP).

Data Center of Excellence

Since decommissioning the Justice Tracking Information System (JUSTIS) legacy mainframe, the

Department has jumpstarted the Data Center of Excellence which manages the JUSTIS Hub. The hub empowers justice organizations with in-depth data analysis and streamlined workflows to make data-driven decisions about public safety and criminal justice issues.

The full-fledged JUSTIS Hub will soon provide easy-to-use dashboards and thorough insights to criminal justice agencies in the City and County of San Francisco.

Cloud Center of Excellence

The Department is expanding its team of cloud architects and engineers to deploy cloud solutions for business partners. The center will reduce costs and increase operational capacity by helping to migrate processes and data to the cloud. This work simultaneously makes City systems more secure and resilient, bringing together constant improvement and diligent defense.

The Cloud Center of Excellence is well-positioned to help other departments accomplish more with less and tap into cloud technology with DT Cloud Desktop in place of costly device refreshes.

Information Technology Support Nexus

The Department is committed to collaboration across the City and County of San Francisco to expand digital services, validate election results, and secure enterprise applications. With projects across dozens of departments and agencies, the Department helps lower cost, increase efficiency, and improve quality of services.

For instance in fiscal year 2022-23, the Department collaborated with the Department of Elections to provide an award-winning Risk-Limiting Audit web application. The Department also partnered with and the San Francisco International Airport to secure their own TaxiVQ app with MyApps, which secures over 10,000 users with single sign-on and multifactor authentication.

Closing the Digital Divide

The Department continues its work to close gaps in equitable community access to the Internet by installing, operating, and maintaining municipal broadband fiber. The Department has delivered free internet broadband service to thousands of units as well as community centers and non-profits.

Office of Cybersecurity

Protecting the City's technology and information is critical to ensure City departments can continue providing essential services. The Office of Cybersecurity ensures mission critical business systems can be restored after any natural or human-caused disaster with minimal delay. The Office consistently works to raise the awareness of City staff while proactively identifying and addressing potential cybersecurity risks.

STAFF RESOURCE BY DIVISION.
The Department have staff that work on and support various technology projects and initiatives in the City, such as Public Safety, Cybersecurity, and Infrastructure.

BUDGET USE BY EXPENDITURE TYPE.
The majority of the Department's budget goes to support hardware and software, including assisting employees with setting up remote work environments.

CITY ATTORNEY

MISSION

The Office of the City Attorney (CAT) provides legal services to the Mayor's Office, the Board of Supervisors, other elected City officials, and all the departments, boards, and commissions that comprise the government of the City and County of San Francisco. For more information about this department's services, please visit sfcityattorney.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$108.9 million for the Office of the City Attorney is \$5.5 million, or 5.3 percent, higher than FY 2022-23 budget. This is primarily due to new attorney positions related to the California CARE Court, cost increases to outside counsel expenses, court reporters and legal vendors, and a one-time workorder with the Department of Human Resources. The FY 2024-25 proposed budget of \$113.2 million is \$4.3 million, or 3.9 percent, higher than the FY 2023-24 proposed budget. This change is due to the increases in salaries and benefits and ongoing outside service costs.

Major Opioid Settlements

In May 2023, the Office helped secure a \$230 million settlement with Walgreens over the company's role in the opioid epidemic for the City of San Francisco, the largest ever paid by a pharmacy chain to a local government in connection with the opioid crisis. The settlement will be used to fund programs and services to address the opioid crisis in San Francisco, including treatment, prevention, and harm reduction. In addition to the settlement with Walgreens, the Office has also reached settlements with other

pharmaceutical companies and distributors involved in the opioid crisis.

In total, the City Attorney has generated over \$350 million in cash payments, benefits, and fees from the opioid industry through these settlements, which will provide the City a new revenue source to defray general fund expenditures and provide a reliable ongoing funding source.

CARE Court

The California CARE Court is a new system created to help those with severe mental illness who are not otherwise receiving treatment, and is meant to be a supportive environment where a person, upon referral to the court by a family member or law enforcement officer, can be assigned a case manager who will develop a comprehensive and holistic treatment plan. The City Attorney's Office will play an important role in the administration and success of the CARE Court program. The Mayor's proposed budget includes resources that will allow the Office to begin hiring CARE Court-specific attorneys to handle upcoming caseloads.

Advising City Departments on Homelessness, Housing, and Mental Health Service Delivery

The Office advises on housing delivery, including planning, development, leasing, financing, and construction at all affordability levels. It has successfully defended the City's eviction protection law, protecting tenants. The Office also advises departments on policies and procedures for shelter and services for those experiencing homelessness, and has allocated extensive resources defending litigation challenging City actions related to encampments. The Office further continues to devote extensive resources to protecting Laguna Honda Hospital.

Recovery of the local economy with a focus on downtown and the economic core

Attorneys have supported all aspects of the drive to revitalize the local economy, providing expert advice on economic development programs, development agreements, workforce programs, assessment districts, land use changes to facilitate conversions and reuse, and capital improvement

programs. They advise on tax reform for downtown businesses, including tax and fee waiver and delay initiatives, and streamlining permitting and infrastructure.

REVENUE SOURCES. *Most revenue supporting the City Attorney's Office budget are recoveries from workorders with other City departments.*

CITY PLANNING

MISSION

The Planning Department works to make San Francisco the world's most livable urban place – environmentally, economically, socially, and culturally. For more information about this department's services, please visit sf-planning.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$59.3 million for Planning is \$4.7 million, or 7.3 percent, lower than the FY 2022-23 budget. This change is due to aligning decreased spending with declining revenues, generated by deleting vacant positions, with no impacts to service, and expiring one-time project spending. The FY 2024-25 proposed budget of \$56.4 million is \$2.9 million, or 4.9 percent, lower than the FY 2023-24 proposed budget. This change is also due to continued expected revenue decline, and reductions to grants-related project spending.

Updated Revenue Outlook

The largest changes in City Planning's (Planning) budget relate to revenue changes. Given the past

several years of slowing fee revenue, the Mayor's proposed budget adjusts revenue downward to align with these trends. While volume of cases reviewed has increased, it has not yet recovered to pre-pandemic levels. As such, Planning is aligning its expenditures with updated revenue expectations to create a balanced budget.

Streamlining Permitting and Application Review

In alignment with the recently adopted Housing Element and the Mayor's Executive Directive on Housing for All, the coming fiscal year will focus on streamlining permit and application review by creating a more predictable and transparent process to approve housing. Additionally, Planning

will continue its efforts to increase efficiency, consistency, and in its site permitting process, the Department will roll out a new internal dashboard to better track compliance with the Permit Streamlining Act, Housing Accountability Act, and other State and local laws.

Community Engagement: Housing Element Rezoning

As part of the City's implementation of the Housing Element, the Department has committed to engaging with the community to have an inclusive conversation about the need for additional housing, solicit feedback on zoning proposals to create affordable housing, build community facilities, enhance economic development, improve urban design, support

small businesses, and create community capacity, understanding, and awareness of the City's priorities and upcoming housing-related actions.

As such, Planning will partner with the City's wide range of communities to hold community conversations with neighborhood merchants and other groups, host focus groups, conduct open houses for the general public, sponsor educational workshops to break down technical housing and land use information, and convene topical roundtable discussions to help inform decision-making. These activities will culminate in a series of webinars, open to the general public, where the Department will report back on how community input has informed the final zoning proposals.

CIVIL SERVICE COMMISSION

MISSION

The Civil Service Commission (CSC) establishes, ensures, and maintains an equitable and credible merit system for public service employment for the citizens of San Francisco, and strives to consistently provide the best-qualified candidates for public service in a timely and efficient manner. For more information about this department's services, please visit sf.gov/departments/civil-service-commission

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$1.4 million for the Civil Service Commission is \$0.1 million, or 4.5 percent, lower than the FY 2022-23 budget. This is primarily due to salaries and benefits savings from vacant positions. The FY 2024-25 proposed budget of \$1.4 million is less than \$0.1 million, or 1.6 percent, higher than the FY 2023-24 proposed budget. This change is due to increased costs in salaries and benefits.

The Department is committed to the citywide government operations recovery initiative to develop faster hiring processes for City staff and job applicants, make contracting less resource-demanding for City staff, and to use data to understand challenges and measure the impact of changes.

Supporting the City's Workforce

The Department continues to work closely with City departments in order to meet the growing demand for public service employees. The Department also supports the Mayor's initiatives of accountability and equity in services by conducting trainings, investigations, and hearing appeals. CSC works with hiring managers, employees,

department staff, and union representatives when reviewing policies and current practices in addition to proposing rule or policy amendments to expedite and expand equity in hiring. The Department staff educates employees and union representatives to increase their knowledge of the merit system, impacts on City employment, and what employees

TYPES OF APPEALS IN FY 2021-22. CSC accepts a wide range of appeals related to City's merit system. CSC holds hearings and makes decisions on the appeals filed.

can do to gain promotional opportunities within the City. CSC also works closely with the City Attorney’s Office and Contract Management staff from other City departments to search for alternative methods to efficiently move forward contracts while maintaining transparency with the union and the public.

Ensuring Equity in Hiring

The Department is mandated by Charter to establish an equitable merit system to ensure the City hires the most qualified people for public service jobs. With the ongoing ability to conduct

virtual public meetings, Civil Service Commissioners and Department staff have been able to build an even stronger connection with City employees and the public they serve. Department staff will continue to operate in this hybrid environment and find new ways to be more inclusive and further expand opportunities for City employees as part of the citywide government operations recovery initiative. Many of these methods demand an equitable lens (e.g. the Racial Equity Action Plan) that in return, diversifies the City’s hiring process, creating a public service workforce that is reflective of the City’s diverse communities.

TYPES OF INSPECTION SERVICE REQUESTS IN FY 2021-22. CSC conducts investigations and audits of many aspects of the City’s merit system and makes sure that the City’s merit system is working.

COMMUNITY INVESTMENT AND INFRASTRUCTURE

MISSION

The Office of Community Investment and Infrastructure (OCII) is the Successor Agency to the San Francisco Redevelopment Agency (SFRA), which the State of California dissolved in 2012. OCII is responsible for development in Mission Bay, Transbay, and the Hunters Point Shipyard/Candlestick Point neighborhoods which will collectively provide over 22,000 new housing units and 14 million square feet of new commercial space; the management of significant assets in the City; and the development of over 7,000 affordable housing units and over 400 acres of parks. For more information about this department's services, please visit sfocii.org

BUDGET ISSUES & DETAILS

OCII is a separate legal entity from the City and County of San Francisco and does not rely on General Fund appropriation. Rather, OCII uses property tax increment authorized under state law. Accordingly, OCII's budget is considered separately from the City and County budget. OCII operates with an annual budget with expenditures approved by the California Department of Finance and required to complete enforceable obligations. The Fiscal Year (FY) 2023-24 proposed budget is presented here and is consistent with DOF's approval of expenditures dated April 14, 2023.

The proposed FY 2023-24 budget of \$717.4 million for the Office of Community Investment and Infrastructure is \$0.1 million more than the FY 2022-23 budget of \$717.3 million. The FY 2023-24 proposed budget of \$717.4 million is approximately equivalent to the FY 2022-23 proposed budget.

OCII funds its construction programs primarily with bond proceeds generated by the issuance of tax allocation bonds. In FY 2023-24, OCII anticipates expending \$151.0 million on its debt program, including bond debt service. The FY 2023-24 proposed budget includes three new debt issuances of \$129.0 million, which will fund infrastructure in Transbay and affordable housing projects.

The Department anticipates spending \$331.6 million for affordable housing, \$178.5 million for infrastructure, \$2.1 million for community and workforce development, and \$54.3 million for project management and operations, including a payment of \$33.7 million to the Transbay Joint Powers Authority for the Transbay Terminal Project.

Housing Obligations

To build a more equitable San Francisco, OCII funds affordable housing that serves low or very low-

income households. OCII's total housing production obligation includes 21,927 units, of which 7,116 will be affordable and 65 percent will be funded by OCII. As of July 1, 2023, OCII will have completed 9,316 units of housing, of which 2,752 are affordable. These units are known as OCII's Retained Affordable Housing Production Obligation.

In FY 2023-24, OCII will complete 148 affordable housing units in Mission Bay South and 77 units in Hunters Point Shipyard Phase 1.

Land Use & Infrastructure

OCII contributes to livability and vibrancy through its delivery of public infrastructure, including funding for parks and streetscape improvements that are required under existing enforceable obligations. At completion, HPS2/CP will include 326 acres, Mission Bay will include 49 acres, and Transbay will include 4 acres of parks.

In FY 2023-24, OCII will complete 5.6 acres of park space, as well as a street segment, in Mission Bay.

Community & Workforce Development

OCII contributes to diversity, equity, and inclusivity through its equal opportunity program for contracting and workforce. OCII works with private contractors, CityBuild, and community-based organizations to foster job creation for local workers and to improve opportunities for small, local, minority and women-owned businesses to participate on OCII projects.

To date, the Department has awarded over \$5.7 billion in contracts with nearly \$1.8 billion or 32 percent credited to small business enterprises. Of this amount, \$973 million or 54 percent has been awarded to San Francisco-based small businesses. Over 49,890 workers, of which 7,401 or 15 percent are San Francisco residents, have performed 18.3 million construction hours on OCII-administered projects since 2012. Local residents have performed 3.5 million hours or 19 percent, garnering \$154.7 million in wages.

OCII'S TOTAL HOUSING PRODUCTION OBLIGATION.

Most of OCII's future development projects will be in the Hunters Point Shipyard/ Candlestick Point neighborhood.

OCII'S PARKS & OPEN SPACE COMPLETIONS. OCII projects to complete several parks and open space projects in Mission Bay in FY 2023-24.

CONTROLLER

MISSION

The Office of the Controller works to ensure the City's financial integrity and to promote efficient, effective, and accountable government. The Department strives to be a model for good government and to make the City a better place to live and work. For more information about this department's services, please visit sf.gov/departments/controllers-office

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$84.2 million for the Office of the Controller (CON) is \$2.5 million, or 3.0 percent, higher than FY 2022-23 budget. This is primarily due to increased costs in accounting services and the addition of the new Refuse Rates division to the Controller's Office. The FY 2024-25 proposed budget of \$84.4 million is \$0.3 million, or 0.3 percent higher than the FY 2023-24 proposed budget. This change is due to increases in salaries and benefits offset by non-personnel savings.

Training and Developing the City's Financial Professionals

A highly qualified financial workforce is the backbone of the City and County of San Francisco's (City) financial operations. An array of technical expertise and experience is required to successfully manage and support the City's vast complex financial activities. In FY 2023-24, the Controller's Office proposed the expansion of its training programs to establish financial standards across the City and County of San Francisco.

In order to address this issue, a pilot program will be created to develop and retain senior-level financial and accounting management talent. The

program will prepare managers for accounting leadership positions and will expand their knowledge and financial management experience. This new program is made possible with investments from the Mayor's proposed budget to support staffing required to begin this initiative.

A comprehensive training program on the City's budget cycle for staff with budget preparation and management duties will ensure that departments and central agencies gain professionals with a consistent and current training.

Controller as Refuse Rate Administrator

On June 7, 2022, voters approved Proposition F, which amended the Refuse Collection and Disposal Ordinance to restructure the refuse rate-setting process and membership of the Refuse Rate Board ("Board"). The Controller's new role is to serve as Refuse Rate Administrator, replacing the Director of Public Works as the party responsible for monitoring and proposing new rates to the Board. The Refuse Rate Administrator must present its proposals at public hearings to the Commission on the Environment and the Sanitation and Streets Commission before submitting proposed rates to the Board. The Refuse Rate Administrator must

also consider all written objections and public input to the refuse rates and address them with the Board. Lastly, the Refuse Rate Administrator is responsible for monitoring the financial and operational performance of refuse collectors, performing studies and investigations, and advising the Board to ensure rates are just and reasonable, considering any applicable service standards and environmental goals established by law.

Government Operations Recovery

Government Operations Recovery (Gov Ops) continues to focus on improvements to the City's

hiring, contracting, and other City processes. The Controller's Office continues to work with the City Administrator's Office and the Department of Human Resources to implement key initiative that support more efficient and timely City services to the public. The Mayor's proposed budget continues to support this initiative and invests \$0.2 million in both FY 2023-24 and FY 2024-25 to hire for previously vacant positions. In the coming year, Gov Ops will continue to work towards further streamlining the City's contracting procurement and reducing citywide vacancy rates.

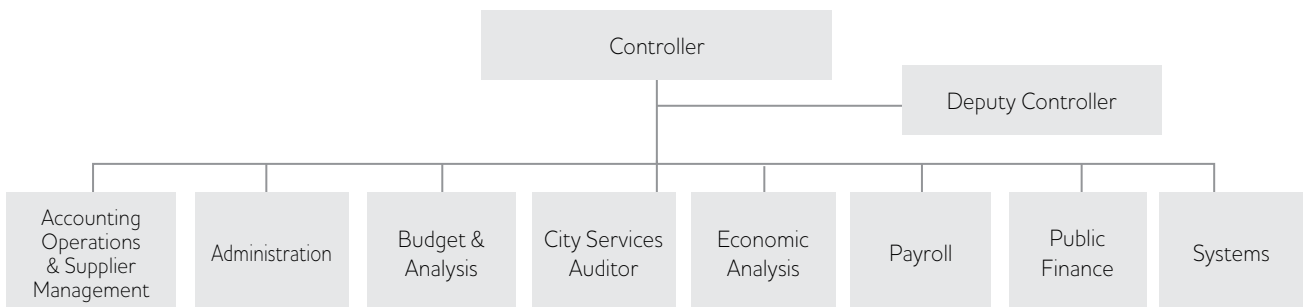

GROWTH OF FINANCIAL STABILIZATION RESERVES. *The strength of the City's economy during the past decade, combined with financial management reforms, have driven improvement in the City's overall financial condition, which includes fully funding the City's economic stabilization reserves. In FY 2018-19, the City reached its reserve target of 10 percent of General Fund reserves, with an economic stabilization reserve balance of \$588 million. In FY 2019-20, economic stabilization reserve balances are \$537 million, which is at 10 percent of General Fund reserve when adjusted for one-time Coronavirus Relief Fund and Federal Emergency Management Agency revenues related to the COVID-19 public health emergency. The FY 2020-21 budget included a use \$156.5 million of the economic stabilization reserves, but a de minimus use was assumed in the FY 2021-22 budget while the City is eligible to withdraw \$57.3 million per the voter-adopted policy.*

DISTRICT ATTORNEY

MISSION

To promote justice by fostering accountability and repairing harms; to address root causes of crime and prevent recidivism; to center and support crime victims and survivors; to reduce mass incarceration and develop effective alternatives to incarceration; to eliminate racial and class inequities in the criminal legal system; and to promote public safety by using innovative, evidence-based approaches. For more information about this department's services, please visit sfdistrictattorney.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$89.8 million for the Office of the District Attorney is \$5.8 million, or 6.9 percent, higher than FY 2022-23 budget. This is primarily due to an increase in personnel budget to account for current staffing, new attorney positions, and an overall increase in salaries and benefits. The FY 2024-25 proposed budget of \$92.2 million is \$2.4 million, or 2.7 percent higher than the FY 2023-24 proposed budget. This change is due to increases in salaries and benefits.

Combating Open-Air Drug Markets

The proposed budget includes funding for three dedicated attorneys to focus on open-air drug markets and drug trafficking throughout the City. The DAT has prioritized the prosecution of high-level dealers and are working closely with the San Francisco Police Department to file narcotics sales cases, and this new investment will expand the Office's capacity to address open-air drug dealing.

Public Safety Services and Programs

DAT continues to be forward-thinking in its approach to ensuring public safety and combatting

crime in the 21st century. The Department focuses on ensuring that all residents and families thrive as they interact with the criminal justice system, especially the most vulnerable and those who have been historically subjected to discrimination within the criminal justice system.

PENDING CASES VERSUS FILED CASES. *The Office of the District Attorney has seen an increase in both number of cases filed and pending cases since 2020.*

Independent Investigations Bureau

In its seventh year of funding, the Independent Investigations Bureau (IIB) is firmly in place as the entity investigating Officer Involved Shootings and other peace officer misconduct. DAT is now the

lead agency responding to and investigating these matters. In the Mayor’s proposed budget, the IIB program is funded at \$2.9 million in FY 2023-24 and FY 2024-25.

VICTIM SERVICES DIVISION. *The Office of the District Attorney has continued to expand service provision in the Victim Services Division since 2010.*

EARLY CHILDHOOD

MISSION

The Department of Early Childhood (DEC) strives to weave together family, community, and system supports so that all children who grow up in San Francisco have a strong foundation of nurturing, health, and learning. For more information about this department's services, please visit sfdec.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$324.5 million for the Department of Early Childhood (DEC) is \$50.6 million, or 13.5 percent, lower than the FY 2022-23 budget. This is primarily due to reductions in commercial rent tax (Proposition C) revenues. The Fiscal Year (FY) 2024-25 proposed budget of \$345.8 million is \$21.2 million, or 6.5 percent, higher than the FY 2023-24 proposed budget due to Proposition C revenue improvement. The department will leverage both prior year balances of Proposition C revenue and new projected revenues to maintain programming.

Establishing the New Department

In FY 2023-24, The Department of Early Childhood (DEC) will be in its second year of operation. Through this budget cycle, DEC will continue its progress on building administrative and program capacity to administer Proposition C (Prop C) funds in support of young children and their families. This includes setting up merged offices, implementing a unified financial structure, and developing a single procurement procedure.

Early Care and Education Programs

The Mayor's proposed budget includes funding for early childhood and education, ensuring sustained distribution of child care vouchers to low income families, continued funding for the landmark compensation initiative for early educators, pipeline programs to support recruitment and retention of early educators, and child care facilities construction and improvements.

These efforts are largely funded by the June 2018 Prop C that created the Babies and Families Fund, with revenues for early childhood expenditures totaling \$360 million over FY 2023-24 and FY 2024-25.

Proposition C initiatives will support recovery of the local economy by providing early learning subsidies to families earning less than 110 percent of area median income (AMI) for infants, toddlers, and preschool aged children. These subsidies will allow more families to work outside of the home, increasing the number of available child care vouchers from 10,000 to 12,000 per year by investing another \$3.8 million.

DEC's budget also includes over \$2 million to establish infrastructure to track programs and evaluate their impact. This will allow DEC to enhance accountability. In addition, DEC is providing funding to address inequity in early education. The Department will be funding targeted professional development opportunities to improve the cultural responsiveness of the early care and education workforce.

Early Educators Pay Raise

In April 2022, the Mayor announced a new initiative to invest up to \$71 million annually to advance pay raises, increase benefits, improve working conditions, and support educational attainment for San Francisco's early education

workforce. The Mayor's proposed budget includes ongoing funding for this program and earmarks another \$60 million to ensure these funds are available as the economic outlook fluctuates, ensuring educators are paid more fairly for their crucial work, and also help attract new, quality educators to the field. This investment will continue to ensure early educators are more equitably paid for their crucial work and that centers and family childcare sites continue to attract new, quality educators to the field. Over the next budget cycle, DEC will expand the program from stipends and wage increases to also include funding for direct supports to educators to attain permits/degrees and enhance professional development.

TEN-YEAR GROWTH IN CITY-FUNDED EARLY CARE AND EDUCATION ENROLLMENTS.

Ten-year growth projection in city-funded child enrollments needed to reach 75 percent of preschool children and 40 percent of infant/toddlers.

TOTAL PROPOSED PROGRAMMATIC SPENDING BY PROGRAM AREA FY2023-24. 85 percent of DEC's total budget is spent on community based programs and services. A majority of those funds are for child development/early care and education.

ECONOMIC & WORKFORCE DEVELOPMENT

MISSION

The Office of Economic and Workforce Development (OEWD) advances equitable and shared prosperity for San Franciscans by growing sustainable jobs, supporting businesses of all sizes, creating great places to live and work, and helping everyone achieve economic self-sufficiency. For more information about this department's services, please visit sf.gov/departments/office-economic-and-workforce-development

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$152.6 million for the Office of Economic and Workforce Development is \$11.4 million, or 6.9 percent, lower than the FY 2022-23 budget. This is primarily due to one-time economic recovery investments funded in FY 2022-23. The FY 2024-25 proposed budget of \$124.1 million is \$28.4 million, or 18.6 percent, lower than the FY 2023-24 proposed budget. This change is due to the expiration of one-time economic recovery investments in the proposed FY 2023-24 budget.

Small Business & Economic Recovery

OEWD is the primary City agency charged with economic recovery and revitalization efforts. The Mayor's proposed budget includes funding for OEWD to spark economic recovery, enhance the safety and beautification of key downtown areas, and restore vibrancy through activating and transforming downtown and neighborhood commercial corridors.

This budget includes a total of \$22.3 million over the next two years to promote the economic recovery of the City, which continues to adapt to the post-

COVID remote work economy. Acknowledging that the last two years have significantly restructured the downtown landscape, this budget includes \$17 million over the two years for OEWD's Economic Development Division and the Office of Small Business to continue to pursue innovative strategies

SF CONSTRUCTION WORKER DEMOGRAPHICS. Data from January 1, 2022 to December 31, 2022 show various populations participate in the construction industry in the City.

for downtown’s economic recovery and to ensure other neighborhoods’ economic stability. This investment includes support for small businesses by providing grants to fill vacancies, renegotiate leases, and improve their business operations. Similar programs and capital improvements targeted along Powell Street will work in tandem with investment in the Street Vibrancy Initiative that includes streamlining the permitting process for special events, facilitating recurring outdoor activations, and filling vacant retail spaces through the Vacant to Vibrant pop-up program. The budget also includes funds for similar operations in neighborhood commercial corridors, with a dedicated fund for the Mission.

Ambassadors

OEWD will manage the continued funding for various community ambassador programs, including Welcome Ambassadors stationed in key transit and tourist nodes such as Downtown BART stations, Union Square, Moscone Convention Center, and along the Embarcadero, as well as Community

Safety Ambassadors stationed around the City including in the Tenderloin and mid-Market area, with a new cohort now dedicated to the Mission.

Workforce Development

OEWD will prioritize its citywide, neighborhood based, and specialized job centers as San Francisco continues to provide hiring services to attract, grow, and retain a diverse workforce. The Workforce Development Division connects job seekers in San Francisco, who are unemployed, under-employed or have barriers to employment, with job opportunities in growing industries. OEWD will continue to invest in Sector Training programs, particularly the CityBuild construction program, TechSF, Hospitality and the HealthCare Academy, as well as opportunities responsive to the local economy. The Department will maintain workforce development activities in sectors that are in demand, face staffing shortages, and have the capacity to provide significant career pathway opportunities and work with local employers to tailor the Department services to meet their workforce needs.

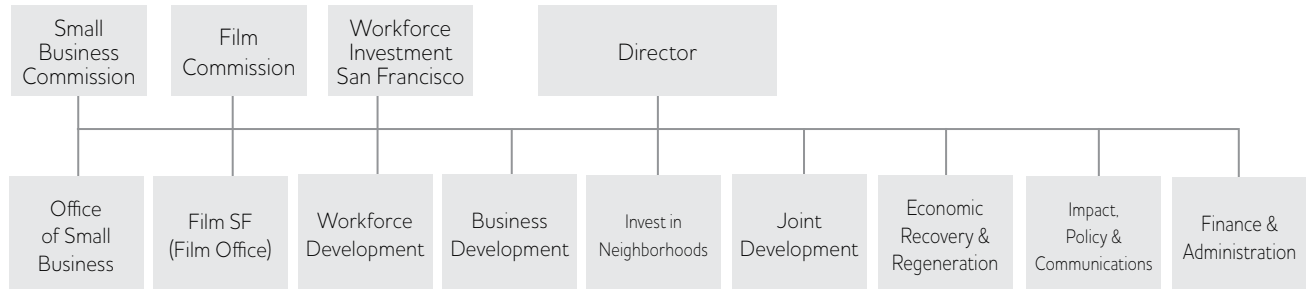

SMALL BUSINESS GRANT RECIPIENTS. *In FY 2022-23, OEWD issued various small business grants supporting training, facade improvements, rent and vandalism relief, and women’s entrepreneurship.*

ELECTIONS

MISSION

The mission of the Department of Elections (REG) is to provide equitable access to election-related services and voting and to conduct elections that are free, fair, and functional.

The Department administers elections and complies with all applicable federal, state, and local laws, including the Voting Rights Act, the Help America Vote Act, the Americans with Disabilities Act, and the City's Language Access Ordinance. For more information about this department's services, please visit sf.gov/departments/department-elections

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$23.0 million for the Department is \$0.3 million, or 1.3 percent, lower than the FY 2022-23 budget.

This is primarily due to savings in salaries and benefits due to less temporary election staff need. The FY 2024-25 proposed budget of \$26.4 million is \$3.4 million, or 14.7 percent, higher than the FY2023-24 proposed budget. This is primarily due to anticipated elections cost.

These changes in both budget years are primarily due to holding two elections in March and November 2024, which may be among the largest and most complex elections in San Francisco's history. The three primary factors informing this expectation are: 1) the historically high voter turnout for presidential elections, 2) long ballots, and 3) correspondingly large Voter Information Pamphlets.

Equitable and Convenient Voting Services

In FY 2023-24 and FY 2024-25, the Department of Elections (Elections) will conduct two elections, the March 5, 2024 Presidential Primary Election and the November 5, 2024 Consolidated General Election. For each election, the Department will work to provide equitable and convenient voter services

for all eligible voters in San Francisco as well as the City's most vulnerable residents – including those who do not speak English fluently, people with disabilities, people involved with the justice system, and people experiencing homelessness. These services include a universal vote-by-mail ballot program, in-person voting, emergency ballot delivery to homebound or hospitalized voters, and ballot delivery to incarcerated voters. The Mayor's proposed budget includes funding to maintain public-facing aspects of these voting services while, expanding access to election programs for all voters and potential registrants.

Voter Education and Outreach

With two historic elections scheduled over the next two fiscal years, the Mayor's proposed budget includes the funding necessary to provide effective, equitable, and accessible voter outreach programs designed to build awareness of election services and encourage voter participation. Elections will maintain its outreach to the general public, which includes distribution of digital and print materials at community events, mailing of election notices, placement of news and radio

advertisements, and broadcasting of public service announcements, all in multiple languages and formats. With the support of the Mayor’s proposed budget, the Department will continue liaising with local nonprofit organizations that work with San Francisco’s vulnerable and hard-to-reach populations – coordinating with these organizations to help ensure that all residents have access to safe, barrier-free registration and voting options.

Public Engagement with Elections Processes

With the goal of maximizing public transparency and involvement in government operations,

Elections will continue to work on raising public awareness and engagement with elections processes. Such engagement includes election observation, poll worker service, and participation in Voting Accessibility and Language Accessibility Advisory committees. With the goal of instilling civic interest and participation among the youth, the Mayor’s proposed budget will maintain several programs designed to engage students in the High School Student Poll Worker and Ambassador programs. The Mayor’s proposed budget continues to support strategies for engaging local populations and agencies with election processes.

BALLOTS CAST BY VOTING METHOD AND ELECTION.
Implementation of Vote-by-Mail provisions has significantly increased the use of that method for ballot delivery since 2020.

EMERGENCY MANAGEMENT

MISSION

The Department of Emergency Management (DEM) leads the City in planning, preparedness, communication, response, and recovery for daily emergencies, large-scale citywide events, and major disasters. DEM is the vital link in emergency communication between the public and first responders, providing key coordination and leadership to city departments, stakeholders, residents, and visitors. For more information about this department's services, please visit sf.gov/departments/department-emergency-management

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$138.8 million for the Department of Emergency Management is \$2.5 million, or 1.9 percent, higher than FY 2022-23 budget. This is primarily due to increases in salaries and benefits, technology projects, and enhanced street response coordination. The FY 2024-25 proposed budget of \$135.3 million is \$3.4 million, or 2.5 percent lower than the FY 2023-24 proposed budget. This change is due to loss in one-time funding for programs budgeted only in FY 2023-24.

The FY 2023-24 and FY 2024-25 Mayor's proposed budget focuses on enhancing core service delivery, and ensuring that all emergencies in San Francisco are responded to efficiently and safely. The Mayor's proposed budget proposes increases in the following areas:

Improving 9-1-1 Core Services

Ensuring that the 9-1-1 Call Center is fully staffed is essential to ensuring the safety of the public. Due to hiring challenges, DEM has not been able to replace the annual attrition of veteran dispatchers with new recruits. Through the recent hiring of a

full-time recruiter, DEM plans to increase staffing levels in FY 2023-24 with 40 new dispatcher trainees for a total cost of \$2.4 million in FY 2023-24 and \$2.3 million in FY 2024-25. This investment, included in the Mayor's proposed budget, will allow the City to improve response times for emergencies.

The proposed budget also invests \$1.4 million in FY 2023-24 and \$1.5 million in FY 2024-25 for recently negotiated MOUs to increase wages for dispatchers.

Expanded Street Response Support and Coordination of Citywide Initiatives

DEM continues to lead citywide efforts in Street Response. The Mayor's proposed budget includes three new positions to coordinate the various street teams under San Francisco's Street Crisis Initiative, Department dedicated staff, and their stakeholders in order to more effectively serve the people experiencing crisis on the streets. Additional funding of \$0.25 million in FY 2023-24 will be used to support the development of Drug Market Intervention (DMI) that eliminates the overt open air drug market and addresses the most serious community harms in the most impacted areas of the City.

Improving Resiliency of the Citywide Data Center

The Mayor’s proposed budget includes capital investments totaling \$0.9 million in FY 2023-24 to ensure continuity of operations for the City’s Data Center. Projects include a power load distribution study to test critical electrical components, replacing end of useful life cooling units, and refreshing outdated electrical component panels of essential generator systems.

Data Support for Public Safety

DEM holds all the relevant data for emergency response and dispatch within the City that spans across all other public safety departments. DEM

is responsible for conducting analysis on the types and quantity of calls coming into the 9-1-1 system, which enables the City to better respond to emergencies in a safe and timely manner. The Mayor’s proposed budget includes capital funding for facility enhancements that help maintain these vital City systems.

The City is also continuing to invest in the replacement of Computer Aided Dispatch (CAD) System. CAD systems are used by dispatchers to prioritize and record incident calls. Dispatchers identify the status and location of responders in the field, and dispatch responders to the scene. The current system was purchased in 2001 and is at end-of-life. The new system is planned to go live in 2023.

ENVIRONMENT

MISSION

The Department of Environment's (ENV) mission is to provide solutions that advance climate protection and enhance the quality of life for all San Franciscans. ENV implements change-making environmental policies and delivers programs and services directly to residents and businesses that help promote zero waste, protect human health, increase energy efficiency, prevent pollution, enhance biodiversity, and reduce personal vehicle trips. ENV also works in partnership with city agencies and the public to implement San Francisco's ambitious Climate Action Strategy, also known as "0-80-100-Roots" to reach net-zero citywide emissions by 2040 and strengthen community resilience. For more information about this department's services, please visit sfenvironment.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$32.1 million for the Department of Environment is \$0.6 million, or 2.0 percent, higher than FY 2022-23 budget. This is primarily due to new Federal and State funding and investments to support staff working on the Climate Action Plan. The FY 2024-25 proposed budget of \$30.9 million is \$1.2 million, or 3.8 percent lower than the FY 2023-24 proposed budget. This change is primarily due to the loss of one-time funding from FY 2023-24.

Environmental Justice

ENV manages several programs focused on improving access to clean transportation. ENV is currently administering funds to develop a plan to electrify medium and heavy-duty vehicles in the City and to install three electric vehicle fast-charging plazas. ENV will be leading an engagement process to inform this work and has prioritized outreach in areas like Bayview Hunters Point,

a neighborhood disproportionately impacted by major freeways and vehicle congestion. Additionally, the Fix Lead SF program completed several residential retrofits to remove lead hazards from residential homes. Their learnings and best practices will inform the 2023 program rollout in southeast neighborhoods with high incidences of lead-hazards in households. Finally, ENV is partnering with a coalition to implement a Citywide electric bicycle (e-bike) program for app-based food delivery workers. The program will provide up to 30 delivery workers with e-bikes and collect data to evaluate the impact on efficiency, working conditions, income, and safety.

Climate Action Plan

The Climate Action Plan (CAP), released in 2021 with contributions from the Mayor's Office, Mayor Breed's Zero Emission Building Task Force, ENV, and other City partners details a data-driven,

community-informed, and people-focused plan which contains implementable strategies to achieve net-zero emissions by 2040 while building a more just and equitable future.

Along with work done by the Department, investments from the Mayor’s proposed budget allow for continued work to be done regarding the CAP. In FY 2023-24, the proposed budget will invest \$0.7 million to support current staff whose priority is to maintain and secure Federal and State funding relating to climate action. This investment continues into FY 2024-25 with an investment of \$1.3 million from the Mayor’s proposed budget to continue supporting these positions in the Department. In the current year, ENV has been working on creating new grants and programs to empower local communities while continuing the work needed to implement the CAP with an equity lens. An example of this work is the continued efforts to establish the Climate Equity Hub, a one-stop-shop with resources about decarbonization

and support for residents and business owners to learn how to achieve the City’s growing electrification and net-zero carbon requirements. While this process will take time, the investments from the Mayor’s proposed budget guarantee ENV the staffing needed to continue various initiatives relating to the CAP.

Climate Action in Small Businesses

The SF Green Business Program (SFGBP) provides free technical assistance to help businesses save money and go green. To become a Green Business, businesses must implement best management practices in the areas of pollution prevention, water conservation, energy efficiency, zero waste, clean transportation, and employee engagement. The program offers rebates and “prebates” to offset costs. From 2020 to 2023, the SFGBP has provided businesses with \$68,240, assisting businesses in conserving resources, reducing utility usage, and attracting clientele to the City’s businesses.

ETHICS COMMISSION

MISSION

The mission of the Ethics Commission (ETH) is to promote and practice the highest standards of ethical behavior in government. The Department acts as a filing officer, administers campaign finance, lobbying, and ethics programs; advises city departments on ethical matters, conducts policy analysis and issues reports; and performs audits, investigations, and administrative enforcement. For more information about this department's services, please visit [SFethics.org](https://sfethics.org)

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$7.2 million for the Ethics Commission is \$0.4 million, or 4.7 percent, lower than the FY 2022-23 budget. This is primarily due to salaries and benefits savings from vacant positions. The FY 2024-25 proposed budget of \$8.6 million is \$1.4 million, or 18.8 percent, higher than the FY 2023-24 proposed budget. This is primarily due to an increased contribution to the Election Campaign Fund.

Election Campaign Fund

The Election Campaign Fund (Fund) is established in the City's Campaign Finance Reform Ordinance to fund the City's system of partial public financing for candidates for the Office of the Mayor and the Board of Supervisors. The Fund was created by San Francisco voters in 2000 and enables eligible candidates to qualify for a limited amount of public funds in their campaigns. The Fund is capped at a maximum of \$7.0 million. Annual required allocations into the Fund are based on a formula in the law of \$2.75 per resident to ensure adequate program funding, with additional allocations required in the case of a Mayoral or Board of

Supervisors vacancy. No more than 15 percent of the total budget in the Fund for any given election may be used for administering the public financing program.

Ethics@Works

The Ethics@Work division was created to ensure that City officials, employees, and contractors are equipped to navigate ethical issues. The program is developing multimedia and multilingual content to engage all City departments to establish individually curated training approaches, including overviews of common issues like gifts, financial disclosures, conflicts of interest, and the misuse of positions.

Enforcement

The Enforcement Division investigates and pursues penalties for violations of the laws administered by the Commission. This essential function deters future violations and establishes consequences and, where possible, remedies for past violations. In FY 2021-22, the Enforcement Division increased its size from four to eight

full-time employees in order to decrease the time it takes to resolve cases, increase the number of cases completed, and allow for more complex and thorough investigations. This has

successfully resulted in more timely and effective case resolutions, providing capacity to develop more advanced investigatory and prosecutorial techniques and processes.

ENFORCEMENT CASES COMPLETED (BY FISCAL YEAR OF DATE COMPLETED). *This table shows the total number of cases completed by the Commission's Enforcement Division in each fiscal year. This includes cases that required full investigation. Case completion includes when a case results in a Commission order (penalties), closure (no penalties), or warning letter.*

FINE ARTS MUSEUMS

MISSION

The Fine Arts Museums of San Francisco (FAM) was formed in 1972 with the merger of the de Young and Legion of Honor museums. The Fine Arts Museums' mission is to connect visitors with local and global art in order to promote their knowledge of and curiosity about the past, deepen their engagement with the art and ideas of today, and stimulate their creative agency in their own futures. FAM is further envisioned as a forum that stimulates community and visitor conversations and explorations by applying inclusive and equitable perspectives to collections and the histories they embody, and to support staff to realize their potential in an inclusive and equitable workplace. For more information about this department's services, please visit famsf.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$23.3 million for the Fine Arts Museum is \$2.1 million, or 10.0 percent, higher than the FY 2022-23 budget. This is primarily due to capital funding. The FY 2024-25 proposed budget of \$23.0 million is \$0.3 million, or 1.5 percent, lower than the FY 2023-24 proposed budget. This change is primarily due to reductions in capital funding.

Exhibitions that Embrace Inclusive Narratives while Supporting Economic Recovery

The Fine Arts Museums (Museums) offer a wide range of programs that expand knowledge and provide audiences with an inclusive and equitable lens on historic and contemporary issues. This inclusive programming supports economic recovery by welcoming an expanded audience to the Museums. The Museums will offer several major special exhibitions in FY 2023-24 covering a wide range of art and artists, including the following:

ANNUAL VISITORS. *The Fine Arts Museums of San Francisco, comprising the de Young Museum and the Legion of Honor.*

- *Kehinde Wiley* – A monumental new body of work created against the backdrop of the COVID-19 pandemic, the murder of George Floyd, and

the worldwide rise of the Black Lives Matter movement, this exhibition meditates on the deaths of young Black people slain all over the world.

- *The Tudors* —The first major exhibition in the United States of portraiture and decorative arts of the Tudor courts.
- *Botticelli Drawings* —A quintessential artist of the Italian Renaissance, Alessandro di Mariano di Vanni Filipepi — better known as Sandro Botticelli — has had an enduring influence on contemporary culture, from art and design to dance, music, fashion, and film.
- *The de Young Open* —The immensely popular exhibition, The de Young Open returns this year as a newly recurring triennial exhibit, featuring artworks from the nine Bay Area counties’ diverse creative communities.
- *San Francisco Style* — San Francisco Style offers the opportunity to explore a facet of our city through an examination of the permanent collection of the Fine Arts Museums of San Francisco — home to one of the most significant collections of women’s high fashion and haute couture in the United States.
- *Lee Mingwei* dissolves the boundaries between artist, art object, and viewer through participatory installations that draw visitors

into an intimate experience of reflection and exchange, pondering the question of how the museum can be a place of healing in the wake of the COVID-19 pandemic.

Equitable Access to the Museums through Free Saturdays

The Museums ensure that the City’s collections are accessible to individuals and families from across the socio-economic spectrum. The Free Saturdays program was established in April 2019 to provide free General Admission to every San Francisco resident. In October 2019, the Museums expanded the program to all San Francisco Bay Area residents. As part of the Free Saturday program, the Museums provide a variety of complimentary public and family programming every Saturday. Since its inception, the program has provided over 400,000 free visits.

In addition to Free Saturday, FAM provides free general admission through Museums for All and for visitors with disabilities. FAM continues to offer free general admission to all every first Tuesday of the month. School group admission and programs are also free of charge, including for special exhibitions. These combined programmatic efforts assist to increase diversity and financial accessibility at the museums, and to expand awareness in new communities.

FREE STUDENT MUSEUM VISITS. *Museum visits and programming are provided free of charge at the Fine Arts Museums for thousands of local students each year. This includes digital programs in FY 2020-21.*

FIRE DEPARTMENT

MISSION

The mission of the San Francisco Fire Department is to protect the lives and property of the people of San Francisco and its visitors from fires, natural disasters, accidents, hazardous materials incidents, and other causes requiring a rapid and skilled emergency response; serve the needs of its most vulnerable residents through community paramedicine, and save lives and reduce suffering by providing emergency medical services; prevent harm through prevention services and education programs; and to provide a work environment that is free from harassment and discrimination, and values health, wellness, cultural diversity, and equity. For more information about this department's services, please visit sf-fire.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$511.8 million for the Fire Department is \$13.2 million, or 2.6 percent, higher than FY 2022-23 budget. This is primarily due to increased overtime and increased costs associated with recently negotiated employee labor contract, offset by new one-time and ongoing ambulance revenues. The FY 2024-25 proposed budget of \$526.7 million is \$14.9 million, or 2.9 percent, higher than the FY 2023-24 proposed budget. This change is due to ongoing salaries and benefits costs related to the labor contract, offset by ongoing ambulance revenues.

Hiring to Support Operations

As the San Francisco Fire Department (FIR) emerges from the COVID-19 pandemic and the City embarks on its recovery, FIR has undertaken a number of hiring initiatives to support the daily emergency staffing operations of the Department. Fire Department call volume has increased, and the Department is staffing to restore levels of personnel

that were lost during the pandemic. The FY 2023-24 and FY 2024-25 proposed budget funds four additional H-2 Firefighter academies and two additional H-3 EMT/Paramedic EMS academies to support these initiatives. These academies aim to increase sworn staffing levels to pre-pandemic levels and to backfill positions to support front-line Fire Suppression, EMS, and Community Paramedicine services to the public.

Recognizing the role FIR plays in key public safety priorities, the proposed budget includes new funding to support efforts to attract new recruits and retain those currently employed. In April 2023, the City agreed to a new memorandum of understanding (MOU) which adjusts salaries for incoming and existing sworn staff. The proposed budget fully funds wage increases of 7.75 percent for all sworn staff across FY 2023-24 and FY 2024-25, as well as a retention pay increase of 2 percent when sworn staff reaches twenty-one years of service.

In addition to fully funding these wage increases, the proposed budget provides overtime wage support to account for Department understaffing and required minimum staffing levels.

Emphasis on Community Paramedicine

The FY 2023-24 and 2024-25 budget continues the collaborative work amongst City partners on the City's Street Teams, including the Street Crisis Response Team, the Street Overdose Response Team, and the EMS-6 program. These teams expand the Fire Department's Division of Community Paramedicine and support the efforts of the Community Paramedicine Program to

coordinate programs across the City and expand the resources available.

Equipment and Fleet Replacement

The Mayor's proposed budget continues the Department's multi-year Equipment and Fleet replacement plan. These investments support FIR's Fire Suppression and EMS personnel with the tools and equipment required to perform their crucial tasks and responsibilities. The proposed budget includes \$4.5 million in FY 2023-24 and \$3.0 million in FY 2024-25 for equipment purchases, including emergency apparatus.

GENERAL CITY RESPONSIBILITY

MISSION

General City Responsibility is a departmental designation for expenditures and revenues that are not directly attributable to one City department, or that are citywide in nature. Examples of citywide expenditures are voter mandated General Fund support for transit, libraries, and other baselines, the General Fund portion of retiree health premiums, nonprofit cost of doing business increases, required reserve deposits, and debt service. These costs are budgeted in General City Responsibility rather than allocating costs to departments. Examples of citywide revenues deposited into General City Responsibility are undesignated property taxes, business taxes, and hotel taxes. These revenues are transferred to departments in the form of General Fund subsidy allocations.

HEALTH SERVICE SYSTEM

MISSION

The San Francisco Health Service System (SFHSS) is dedicated to preserving and improving sustainable, quality health benefits and to enhancing the well-being of employees, retirees and their families. For more information about this department's services, please visit [SFHSS.ORG](https://www.sfhss.org)

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 proposed budget of \$13.9 million for the Health Service System is \$0.3 million, or 2.3 percent, higher than the FY 2022-23 budget due to enhanced Employee Assistance (EAP) services for the Police and Fire departments and an increase in a workorder with the Human Resources Department. The FY 2024-25 proposed budget of \$14.0 million is \$0.1 million, or 0.6 percent, higher than the FY 2023-24 proposed budget. This is primarily due to increases in salaries and benefits.

Strategic Goals

SFHSS completed the drafting of its 2023–25 strategic plan in November 2022. The strategic goals in this plan are:

- Foster equity through intentional organizational culture, accessibility, inclusion and belonging.
- Advance primary care practice and member engagement to ensure the right care, at the right time and place.
- Provide affordable and sustainable healthcare and high-quality well-being services through value-driven decisions and program design.
- Support the mental health and well-being of our membership by reducing stigma and

addressing barriers to care in partnership with key stakeholders.

The Mayor's proposed budget supports SFHSS's strategic goals to ensure the Department delivers quality services. SFHSS health membership covers

more than 122,000 active employees, dependents, and retirees. The Department's community engagement efforts center around the Member Services Division that provides front-line support through consultation and enrollment. Additionally, the Well-Being Division advises City departments on Well-Being Annual Plans. The Department's Wellness Center offers exercise challenges, flu clinics and benefits fairs, and the Employee Assistance Program provides individual counseling sessions, organizational development consultation, and critical incident response.

Healthcare Sustainability Fund

The Healthcare Sustainability Fund (HSF) was established under San Francisco City Charter Section A8.423. The HSF budget covers annual activities and multi-year implementation of strategic initiatives to improve member service experience, mitigate rising health care costs, and invest in the well-being of all members. SFHSS has utilized sources in HSF to fund projects, including an updated member communications plan, self-

servicing eBenefits, and telephony replacement including integration with customer relationship management tool.

HOMELESSNESS AND SUPPORTIVE HOUSING

MISSION

The Department of Homelessness and Supportive Housing (HSH) strives to make homelessness in San Francisco rare, brief, and one-time through the provision of coordinated, compassionate, and high-quality services. For more information about this department's services, please visit hsh.sfgov.org.

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$690.3 million for the Department of Homelessness and Supportive Housing is \$18.3 million, or 2.7 percent, higher than the FY 2022-23 budget.

This is primarily due to increase in one-time state funding, as well as, increased spending on salary and benefits, and services performed by other City departments. The FY 2024-25 proposed budget of \$660.6 million is \$29.7 million, or 4.3 percent, lower than the FY 2023-24 proposed budget. This is primarily due to expiring one-time state funding budgeted in FY 2023-24, offset by increases in salary and benefits, as well as, spending on services performed by other City departments.

Investments in the Citywide Strategic Plan to Prevent and End Homelessness

The newly released, citywide five-year strategic plan, "Home by the Bay: An Equity-Driven Plan to Prevent and End Homelessness in San Francisco," is built upon the three pillars of equity, quality, and innovation. The Plan calls for expanding HSH's housing, shelter, and prevention inventory and implementing new strategies to achieve a 50 percent reduction in unsheltered homelessness in the next five years with greater focus on equity, homelessness prevention, and housing retention.

The Mayor's proposed FY 2023-24 and FY 2024-25 budget allocates approximately \$98.6 million in Our City, Our Home Fund (OCOH) sources to implement the plan's goals and strategies, along with leveraging state grants and reprogramming \$21 million in the Department of Homelessness and Supportive Housing's (HSH) General Fund budget to meet these goals.

On a one-time basis, the proposed budget reallocates unspent OCOH funds to support critical investments in preventing and reducing homelessness in San Francisco. The two-year budget invests \$46 million in new housing initiatives, \$18.2 million in additional prevention strategies, and \$34.4 million in additional shelter beds and shelter services.

The investments include:

- 750 new slots of emergency rental assistance.
- Acquisition funding for Transitional Age Youth (TAY) and Family Housing in FY 2024-25.
- 75 new units of permanent supportive housing (PSH) for adults.
- 350 slots of rapid re-housing for adults.
- Capital funding for legacy permanent supportive housing (PSH) sites.

- 60 additional shallow rental subsidies for families and 60 additional shallow rental subsidies for adults.
- A pilot program for TAY for a Bridge Housing model that provides shared housing with services for young people with high behavioral health care needs.
- 75 slots of problem-solving assistance set aside for Latine youth experiencing homelessness.
- Expanded money management services for tenants at PSH sites.

Maintaining and Expanding Emergency Shelter

The Mayor’s proposed budget leverages OCOH, and repurposes General Fund and state grant funds, to operate a total of 3,656 shelter beds citywide, including reopening beds closed during the pandemic and maintaining capacity that was previously added with expiring funds. This includes the addition of 594 new shelter beds, while also investing in improved services and extended hours to accommodate more people.

The proposed budget’s shelter investments include funding to:

- Expand adult shelter capacity to pre-pandemic levels by adding 395 shelter beds at existing sites.

- Build and operate a non-congregate shelter site in the Bayview, a new cabin site in the Mission District, and continue 70 cabins at the 33 Gough Street site.
- Expand hours and services at family and adult shelters.
- Create a vehicular assistance program for people living in their vehicles.
- Add hotel vouchers for families needing emergency shelter.

Investments in Staffing

The Mayor’s proposed budget also funds positions to ensure HSH has the capacity to execute the ambitious five-year strategic plan and to implement accountability measures to ensure that this funding is being used effectively. The budget adds 9 new positions in FY 2023-24, and four additional positions in FY 2024-25, for a total increase of 13 positions over two years. This additional staffing will help build the Department’s organizational capacity to carry out its existing workload and implement expansions funded in the two-year budget. The new staff will also fill gaps in essential functions across housing, shelter, and program compliance to achieve strategic goals.

NUMBER OF PERMANENT SUPPORTIVE HOUSING UNITS.

The City has invested in the largest expansion of permanent supportive housing (PSH) in 20 years. At the end of FY 2022-23, the City had 11,487 units of PSH.

HUMAN RESOURCES

MISSION

The Department of Human Resources (DHR) uses fair and equitable practices to hire, develop, support and retain a highly-qualified workforce. For more information about this department's services, please visit sfdhr.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$151.6 million for the Department of Human Resources is \$8.9 million, or 6.2 percent, higher than the FY 2022-23 budget. This is primarily due to costs related to negotiating labor agreements, hosting the SF Fellows program, and salaries and benefits. Other increases include technology investments to improve citywide hiring practices. The FY 2024-25 proposed budget of \$150.6 million is \$1.0 million, or 0.6 percent, lower than the FY 2023-24 proposed budget. This change is due to having no planned labor negotiations occurring in FY 2024-25.

Human Resources Modernization

Human Resources Modernization is an ongoing Citywide initiative to simplify hiring practices and provide tools to enable City staff to do their best work. The Mayor's proposed budget continues to invest in the Department of Human Resources (DHR) to continue advancing in modernization HR practices: Digital Records, Onboarding, and the Intranet/Employee Portal. These projects are unified in providing all City employees with a common human resources access point and experience. The Digital Records project establishes the base of employees' careers in the City. The Electronic Onboarding project will improve the beginning of

employees' journeys into the City and the Intranet project will provide equitable access to services.

EEO Case Management

Starting in FY 2023-24, the Equal Employment Opportunity Division will provide direct services and consultation to the Department of Public Health, including investigating and resolving discrimination issues, harassment prevention, and other staff training, reasonable accommodation for individuals with disabilities, and establishing City-wide leave management policies and protocols.

EXTERNAL HIRES. *Citywide external hiring has mostly recovered since the pandemic began.*

Labor Negotiations

The Employee Relations Division is responsible for negotiating all non-Municipal Transportation Agency labor contracts for City employees. It also conducts all required meet-and-confer sessions with labor unions under the City Charter and state law.

In FY 2023-24, DHR will be negotiating collective bargaining agreements on behalf of 88 percent of the City's workforce covered by 34 unions contracts.

SF Fellows

The Department also hosts the annual San Francisco Fellows Program. This program serves as a talent pipeline and has delivered diverse recent college graduates into the City's workforce for the past 13 years. San Francisco Fellows support important analytical projects across various City departments. Over half of the San Francisco Fellows become part of the City's permanent workforce after they graduate from the program. In the Mayor's proposed budget for FY 2023-24, 29 Fellows are funded across 11 departments.

Workers' Compensation

The City self-insures for workers' compensation and is financially responsible for all workers'

compensation liabilities. In the proposed budget, the Workers' Compensation Division will continue to advance its safety & health initiatives and partner with departments to implement the Temporary Transitional Work Assignment (TTWA) policy to improve Return to Work outcomes. Citywide workers' compensation expenditures in the next two fiscal years are expected to grow slower than previously anticipated with fewer claims since a COVID-19 peak.

Career Center

The Mayor's proposed budget includes funding for the new Career Center at City Hall which will help City employees access existing programs and resources that support their career goals such as City University and SEIU's work training program. In addition, the Department will launch and promote new career pathway programs, including a public safety pathway program and a health worker pathway program that support employees with upskilling, career exploration, and preparation and application support to apply for other City jobs that offer career advancement opportunities.

WORKERS' COMPENSATION CLAIM FILINGS PER 100 FULL-TIME EQUIVALENT (FTE) EMPLOYEES.
Annual claim filing totals for indemnity, medical, and future medical workers' compensation claims.

HUMAN RIGHTS COMMISSION

MISSION

The Human Rights Commission (HRC), established in 1964 by City Ordinance, provides leadership and advocacy in securing, protecting, and promoting human rights for all people. The HRC advocates for human and civil rights, and works in service of the City's anti-discrimination laws to further racial solidarity, equity, and healing. For more information about this department's services, please visit sf.gov/departments/human-rights-commission

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$19.2 million for the Human Rights Commission is \$4.0 million, or 26.7 percent, higher than the FY 2022-23 budget. This is primarily due to spending related to a new state grant, increases in salaries and benefits, and spending on services performed by other City departments. The FY 2024-25 proposed budget of \$19.3 million is \$0.2 million, or 1.0 percent, higher than the FY 2023-24 proposed budget. This is primarily due to increases in salaries and benefits.

Dream Keeper Initiative

Over the last several years, HRC's programming has significantly increased, largely due to the annual \$60.0 million annual commitment made by the Mayor to the Dream Keeper Initiative (DKI) for citywide community engagement and grant-making, which is coordinated by HRC. Since the start of DKI, these funds have been allocated to more than 70 San Francisco-based organizations to provide direct services and programs to the City's diverse Black and African American communities. DKI programming has wide reach and includes a variety of direct services, such as workforce development training, educational assistance, down

payment mortgage support, home repair subsidies, preventative healthcare, case management supports, comprehensive wraparound services for children and their families, and spotlighting Black arts and culturally important programming. Despite the challenges of the City budget, the Mayor's Proposed Budget preserves this annual funding.

SNAPSHOT OF HRC ENGAGEMENTS.

By mid-year FY 2022-23, HRC convened a series of community engagements, meetings, listening sessions, and other convenings, on track with projections.

Mental Health Investment

As part of investing in improved mental and behavioral health outcomes, HRC will spearhead new programming for the City. Through a partnership with the Department of Public Health, HRC will leverage new state grant funding of \$5.0 million in both FY 2023-24 and FY 2024-25 to lead a new talk therapy program for Black and African American San Franciscans.

Opportunities for All

The Mayor’s Proposed Budget also continues to support the Opportunities for All (OFA) program. OFA provides paid internships, mentorship, and

career services to youth aged 13 to 24 from across the City. The program serves more than 3,000 youth each summer, and is a crucial support for their personal, academic, and professional development. OFA offers a spectrum of opportunities through placements at companies, community organizations, and City departments. Some internship locations include SFO, Bank of America, United, Blackrock, City departments, the Latino Task Force, Collective Impact, Ella Hill Hutch Community Center, Boys and Girls Club, Code Tenderloin, and Life Learning Academy on Treasure Island.

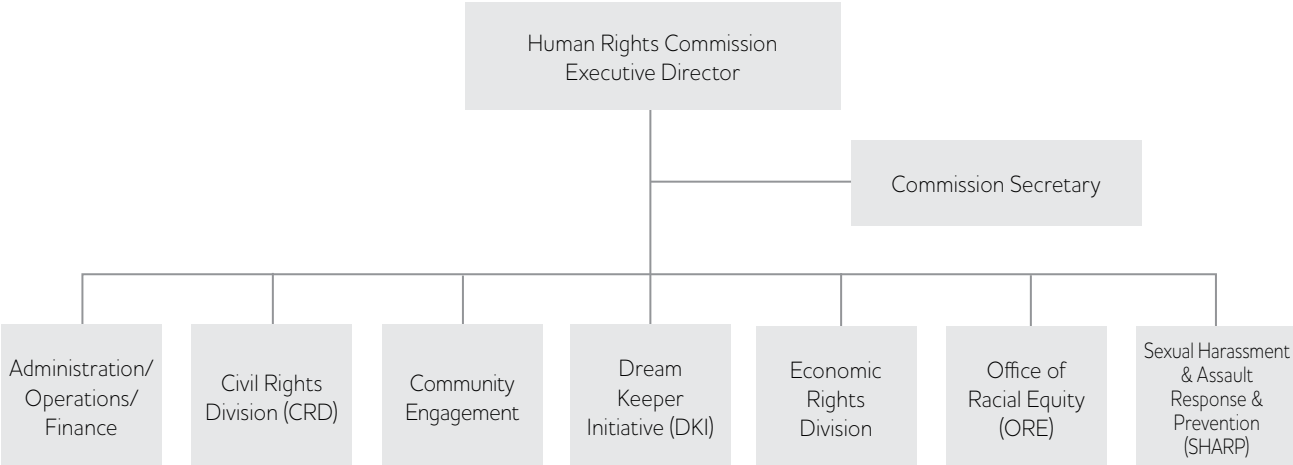

HOURS OF DIRECT SERVICE & SUPPORT. *By mid-year FY 2022-23, HRC invested thousands of hours of direct service and support across all departmental divisions.*

HUMAN SERVICES AGENCY

MISSION

The Human Services Agency (HSA) is committed to delivering essential services that support and protect people, families, and communities. The Department partners with community-based organizations and advocates for public policies to improve well-being and economic opportunity for all San Franciscans. For more information about this department's services, please visit sfhsa.org

BUDGET ISSUES & DETAILS

The Fiscal Year (FY) 2023-24 proposed budget of \$1.2 billion for HSA is \$65.3 million, or 5.8 percent, more than the FY 2022-23 budget. This is primarily due to increased aid payments in IHSS and CalWORKs, increased costs in salaries, and increased child care spending in CalWORKs. The proposed budget includes IHSS costs reflecting the recently negotiated MOU described below.

The FY 2024-25 proposed budget of \$1.2 billion for HSA is \$21.2 million, or 1.8 percent, more than the FY 2023-24 proposed budget. This is due to increased aid payments in the IHSS Program, increased costs in salaries and benefits, and costs related to the relocation of HSA's headquarters at 170 Otis. In addition, the proposed budget in both FY 2023-24 and FY 2024-25 includes savings related to positions being held vacant and other non-personnel spending.

Food Support

The demand for food assistance in the CalFresh Program has grown since March 2020 and has not waned since the transition from the COVID-19 pandemic. Food insecurity will

be exacerbated in FY 2023-24 by the end of CalFresh Emergency Allotments which, during the COVID-19 pandemic, granted households the maximum monthly benefit amount for their household size. San Francisco also faces a persistent gap between the number of potentially eligible residents and the number actually enrolled in public assistance benefits like CalFresh and Medi-Cal. To maintain food security, especially among underserved populations, HSA plans to purchase a mobile office vehicle that will enable eligibility workers to visit different food distribution sites each weekday, enroll clients, and issue benefits on-site.

Additionally, the Citywide Food Access Team (CFAT) supports community-based organizations that provide food resources centered on dignity, cultural relevance, quality and choice. CFAT invests in neighborhood-run grocery distributions, grocery vouchers, and meals in order to combat hunger and bridge the gap left by state and federal food programs. To date in FY 2022-23, CFAT has distributed 600,000 grocery bags, 180,000 meals, and 60,000 grocery vouchers. CFAT also supports food sovereignty

efforts aimed at ending food insecurity through community kitchens and other community-driven initiatives. These community-based efforts ensure that low-income San Franciscans have dignified access to culturally-relevant food through a diverse portfolio of strategies and across all districts in the City. The Mayor's proposed budget continues this vital work with investments of \$20 million in FY 2023-24 and \$10 million in FY 2024-25, as well as the replacement of five temporary positions with permanent staff in order to continue program, contract, and planning support.

Family and Children's Services (FCS) Children's Crisis Continuum Pilot

The Mayor's proposed budget reflects the award of \$8.5 million in state funding to establish a regional Children's Continuum of Care Pilot that will enable foster youth in crisis to receive stabilization and long-term wellness services close to their homes and families. In collaboration with regional Child Welfare and Behavioral Health departments, FCS will establish a range of additional high-end programs and placement options that will support dependent youth with complex needs, increasing alternatives for them to receive targeted care in the least restrictive settings possible.

In-Home Supportive Services

The Department's In-Home Supportive Services (IHSS) program continues to grow due to the general aging of the City's population and state expansions to Medi-Cal eligibility. There is, however, a nationwide shortage of home care workers, which results in consumers not having a reliable support system. The City and its partners' ability to recruit and retain a workforce sufficient to deliver essential home care services to all eligible San Franciscans constitutes the central challenge facing the program over the next two years.

The City – through the IHSS Public Authority – and IHSS independent providers (IPs) – through Service Employees International Union Local 2015 – have now reached agreement on a new 4-year labor contract, which will begin on July 1, 2023 and continue through FY 2026-27. This agreement will bring the wage for in-home care providers to \$25.50 per hour by the contract's conclusion. It also establishes a training and education fund, enabling IPs to embrace career development opportunities, as well as offers caregivers a limited number of transit passes on a pilot basis. Despite the many challenges facing the City right now, this agreement provides a well-deserved lift to San Francisco's more than 24,000 IHSS providers, who perform vital supportive services for 28,000 San Franciscans daily.

Contract Mode IHSS, which serves consumers unable to direct their own care due to complex health and behavioral issues, continues to be a critical service in San Francisco, especially among newly-housed residents in the City's permanent supportive housing system. San Francisco's Contract Mode provider has rolled out a number of recruitment and retention initiatives to meet the increasing need for services. The Department of Disability and Aging Services (DAS) will continue to work on strategies to address the shortage and ensure that care is available to those in need.

Disability Community Cultural Center

In collaboration with the Disability community, City partners, and service providers, DAS is currently procuring services to begin implementation of the nation's first City-funded Disability Community Cultural Center. The budget includes \$680,000 from the Dignity Fund and State grant funds for a community-based provider to lead the continued development of the Center which will create a space for diverse people

with disabilities to come together; advance social and disability justice; celebrate disability culture, community, and pride; and provide information about and access to disability programs and services. It will be located in the heart of San

Francisco, on the site of a new affordable housing development, a quarter of whose units are designated for low-income people with disabilities. The site is currently under construction, and will welcome residents and launch services in 2025.

JUVENILE PROBATION

MISSION

It is the mission of the San Francisco Department of Juvenile Probation to serve the needs of youth and families who are brought to the Department's attention with care and compassion; to identify and respond to the individual risks and needs presented by each youth; to engage fiscally sound and culturally humble strategies that promote the best interests of the youth; to provide victims with opportunities for restoration; to identify and utilize the least restrictive interventions and placements that do not compromise public safety; to hold youth accountable for their actions while providing them with opportunities and assisting them to develop new skills and competencies; and contribute to the overall quality of life for the citizens of San Francisco within the sound framework of public safety as outlined in the Welfare & Institutions Code. For more information about this department's services, please visit sf.gov/departments/juvenile-probation-department

BUDGET ISSUES & DETAILS

The Fiscal Year (FY) 2023-24 proposed budget of \$49.3 million for the Juvenile Probation Department is \$3.3 million, or 6.2 percent, lower than the FY 2022-23 budget. This is primarily due to a decrease in one-time balances of state funding for the Youthful Offender Block Grant (YOBG) and Juvenile Probation Activities Funding (JPAF), and reduced security services at Log Cabin Ranch. The FY 2024-25 proposed budget of \$45.3 million is \$4 million, or 8 percent, less than the FY 2023-24 proposed budget. The decrease is due to one-time sources in FY 2023-24 going away in FY 2024-25 and reductions in non-personnel services.

Department Goals

The Juvenile Probation Department (JUV) is guided by these goals, developed in collaboration with the Juvenile Probation Commission:

- Reimagine how the City addresses juvenile crime and delinquency – from referral through reentry – in collaboration with community and government partners; emphasizing research, evidence-based practices, and innovation; and sustainably addressing pervasive racial disparities throughout the system.
- Prioritize diversion and connection to appropriate services and responses at every stage of the youth's contact with JUV. Ensure youth are returned home as quickly as possible, whenever appropriate, and that families are provided comprehensive support. Maximize the utilization of community-based services that provide high quality care for all youth and their families.
- Advance a whole family engagement strategy that places racial equity at its center to ensure that all youth have full and equal access to

opportunities, power, and resources; that advances youth- and family-centered case plans and goal development to help justice-involved youth and their families thrive.

- Create a non-institutional home-like secure setting for both detained and incarcerated youth and young adults that is healing-centered, family-centered, community-connected, culturally responsive, and developmentally appropriate.
- Continue to organize and right-size the JUV department and budget to reflect changes in caseloads, increased emphasis on community-based services, and changes in approach and responsibilities, including Division of Juvenile Justice (DJJ) realignment duties.
- Advance the goals of the City and DJJ Realignment Subcommittee in the ongoing

implementation of DJJ Realignment to effectively support the most impacted youth and young adults, both in the community and in the Secure Youth Treatment Facility located in Juvenile Hall.

Juvenile Justice Landscape & Priorities

In the prior year, the Department experienced a 46 percent increase in law enforcement referrals and a 25 percent increase in Juvenile Hall admissions. This coincided with a seismic shift that created local new responsibilities related to the closure of California’s youth prison system. The Department is focused on maintaining staffing levels critical to implement juvenile justice system transformation, meet statutory obligations, and advance community safety. One top priority is justice reinvestment into community-based services for youth and families, reflected in the Department’s new Community Investments Division.

JUVENILE HALL ADMISSIONS. Admissions to Juvenile Hall increased 25 percent from 2021 to 2022.

LAW ENFORCEMENT REFERRALS TO JUV. Law enforcement referrals for JUV of juvenile arrests increased 46 percent from 2021 to 2022.

LAW LIBRARY

MISSION

The Law Library (LLB) provides the people of San Francisco free access to legal information and specialized reference assistance in the use of those materials, so they may preserve their rights and conduct their legal affairs. For more information about this department's services, please visit sf.gov/departments/san-francisco-law-library

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$1.8 million for the Law Library is \$0.3 million, or 15.8 percent, lower than FY 2022-23 budget. This is primarily due to a decrease in office lease costs. The FY 2024-25 proposed budget of \$1.9 million is \$0.1 million, or 3.2 percent, higher than the FY 2023-24 proposed budget. This is primarily due to increases in salaries and benefits.

Legal Resources for San Franciscans

The Law Library's (LLB) priority is to provide professional, legal reference assistance and resources to the City's departments and agencies.

Post-COVID-19, demand significantly increased for law library assistance related to housing, employment, discrimination, consumer debt, domestic violence, MUNI & building codes, health services, homelessness, and small business. All of these critical issues affect San Francisco's recovery.

LLB contributes to the recovery of the local economy by including all sectors of the community in its service delivery whether in person, online or by phone. Programs are continually developed to address customer legal information needs.

**LEGAL MATERIALS EXPENSES:
DATABASES, PRINT, MULTIMEDIA.**
The Law Library's collection expenses are expected to increase slightly in FY 2023 due to publication costs.

PUBLIC SERVICES COSTS. *Public Services costs funded by the Law Library are expected to increase to near pre-pandemic levels in FY 2023.*

MAYOR

MISSION

The Mayor's Office (MYR) represents the people of the City and County of San Francisco and ensures that San Francisco is a place where all residents can live full lives in a safe, prosperous, and vibrant community. For more information about this department's services, please visit <https://sf.gov/departments/office-mayor>

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$196.7 million for the Mayor's Office is \$23.4 million, or 10.6 percent, lower than the FY 2022-23 budget. This is primarily due to the expiration of one-time investments made in FY 2022-23, and reduction in spending on contracts with community-based organizations. The FY 2024-25 proposed budget of \$206.5 million is \$9.8 million, or 5.0 percent, higher than the FY 2023-24 proposed budget. This is primarily due to increases in developer-funded, one-time housing investments.

Maximizing Affordable Housing Opportunities

The Mayor's Office of Housing and Community Development (MOHCD) continues to work closely with the City Planning Department to develop policy objectives that reinforce practices and programs in support of new affordable housing, housing preservation, and community stabilization. As outlined in the Mayor's Housing for All Executive Directive, MOHCD will continue to collaborate with agency and community partners to accelerate delivery of the City's affordable housing pipeline.

In FY 2023-24 and FY 2024-25, MOHCD will continue to expand its new construction pipeline of affordable housing projects and expand the supply of permanent supportive housing units serving San Franciscans experiencing homelessness. Recent Notices of Funding Availability (NOFAs) will result in the acquisition of new affordable housing sites, capital improvements to existing MOHCD-funded properties, and new permanently affordable educator housing projects. Projects selected for funding under these NOFAs will be announced this summer.

Significant efforts will continue with HOPE SF, the City's signature initiative to transform its most distressed public housing communities, directing considerable resources to advance racial equity by focusing on preservation of communities of color. For the first time since the initiative was launched in 2016, construction of new replacement housing is underway at three of four HOPE SF sites.

The Dream Keeper Down Payment Assistance Program launched in FY 2022-23 made great strides in increasing Black homeownership in San Francisco and will continue with an additional \$10 million investment in FY 2023-24. To date, MOHCD

has assisted 22 new homeowners with 5 more in escrow to close on their first home. Additionally, the program is preparing another 190 Black San Franciscans for homeownership to utilize the FY 2023-24 funding.

In the Mayor’s proposed budget, the largest increase in FY 2023-24 is an \$8.0 million housing developer subsidy from a Mission Bay housing developer to be used for downpayment assistance at Mission Bay South 9a. The largest budget increase in FY 2024-25 is a \$17.9 million housing developer subsidy from a Treasure Island Development Authority housing developer.

Eviction Prevention and Housing Stabilization

MOHCD funds community-based organizations to deliver essential anti-displacement services to residents, including eviction legal assistance (Tenant Right to Counsel), tenants’ rights counseling and education, tenant-landlord mediation and technical assistance, ongoing rental subsidies, and one-time emergency rental assistance. In FY 2023-24 and FY 2024-25, MOHCD will continue to provide guaranteed full-scope legal representation for all individuals facing unlawful detainer notices as

well as continue to stabilize housing for our most vulnerable residents through financial assistance and subsidies as these communities begin to recover from the economic effects of the pandemic.

MOHCD administers the Local Operating Subsidy Program (LOSP) which currently provides over 2,338 subsidized housing units for formerly homeless households, through a work order with the Department of Homelessness and Supportive Housing. Approximately 258 permanent supportive housing units are under construction and are expected to be completed by June 2025, of which 152 units are LOSP-supported.

Fostering Community and Neighborhood Vitality

Community programs such as cultural districts also continue to be supported by the MOHCD budget. This program is designed to celebrate and strengthen the unique cultural identities of San Francisco’s communities and currently encompasses 10 different cultural districts located throughout the city. MOHCD currently coordinates the partnerships with the City’s 10 cultural districts that cover San Francisco’s diverse neighborhoods and cultural communities, and will

NUMBER OF AFFORDABLE UNITS COMPLETED.

The Mayor’s Office of Housing and Community Development constructs and rehabilitates affordable housing across the City to mitigate displacement and keep people housed.

be providing ongoing programmatic support for all of the districts through FY 2023-24. In addition, the Mayor's Proposed budget makes a one-time \$5.0 million and \$250,000 ongoing investment in priority community-based organization needs, including capital and infrastructure, as well as providing public safety.

The Mayor's budget also includes the Mayor's Office Administration, which directly supports the Mayor and advances Mayoral priorities through policy and budget development, communications, and advocacy for the City's interests at the all the local, regional, state, and federal levels of government.

MUNICIPAL TRANSPORTATION AGENCY

MISSION

The San Francisco Municipal Transportation Agency's (SFMTA) goals are to: create a safer transportation experience for everyone, make transit and other sustainable modes of transportation the most attractive and preferred means of travel, improve the quality of life and environment in San Francisco and the region, and create a workplace that delivers outstanding service. For more information about this department's services, please visit [sfmta.com](https://www.sfmta.com)

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$1.5 billion for the San Francisco Municipal Transportation Agency is \$81.6 million, or 5.9 percent, higher than FY 2022-23 budget. This is primarily due to increased salary and benefit costs, non-personnel services costs, and increased capital investments. The FY 2024-25 proposed budget of \$1.5 billion is \$6.2 million, or 0.4 percent, lower than the FY 2023-24 proposed budget. This change is due to a decrease in benefits costs and non-personnel services costs, offset by increased capital investments and expiring federal revenues.

Customer Experience

The Mayor's proposed budget supports transit service that is a lynchpin of San Francisco's economic recovery. It invests in improving the customer experience for public transportation in San Francisco in a variety of ways, including increased budgets for car cleanings, signage, and transit stop maintenance. The SFMTA continues to expand transit priority lanes to increase system

speed and reliability. Since 2019, the SFMTA has nearly doubled red transit-only lanes from 11 miles to 20 miles, with more expansions planned. The FY 2023-24 budget does not raise any fares, helping make transit a more affordable and attractive option to riders. This budget's funds continues the Free Muni for all Youth program, allowing all San Franciscans 18 and under to ride SFMTA services for free.

Capital Investment

The FY 2023-24 SFMTA capital budget is \$388.2 million. The largest component is \$143.9 million towards the transit fleet, which includes buses and Muni subway cars. The proposed capital budget also funds \$32.4 million for replacement of the Muni Metro Train Control System, \$67.5 million towards upgraded facilities for better maintenance, and \$37.3 million for street safety improvements. These investments will improve system reliability and allow the SFMTA to support San Francisco's long-term economic recovery.

Fiscal Cliff and Continued Recovery

In FY 2023-24, the SFMTA is projected to use \$247 million in federal funds for operating purposes to balance its budget. Remaining federal relief will be used in FY 2024-25, at which point it will be exhausted. After FY 2024-25, the SFMTA faces a projected fiscal cliff due to transit fare revenue losses and the Department's will need to identify new revenue sources and implement expenditure controls to maintain service levels.

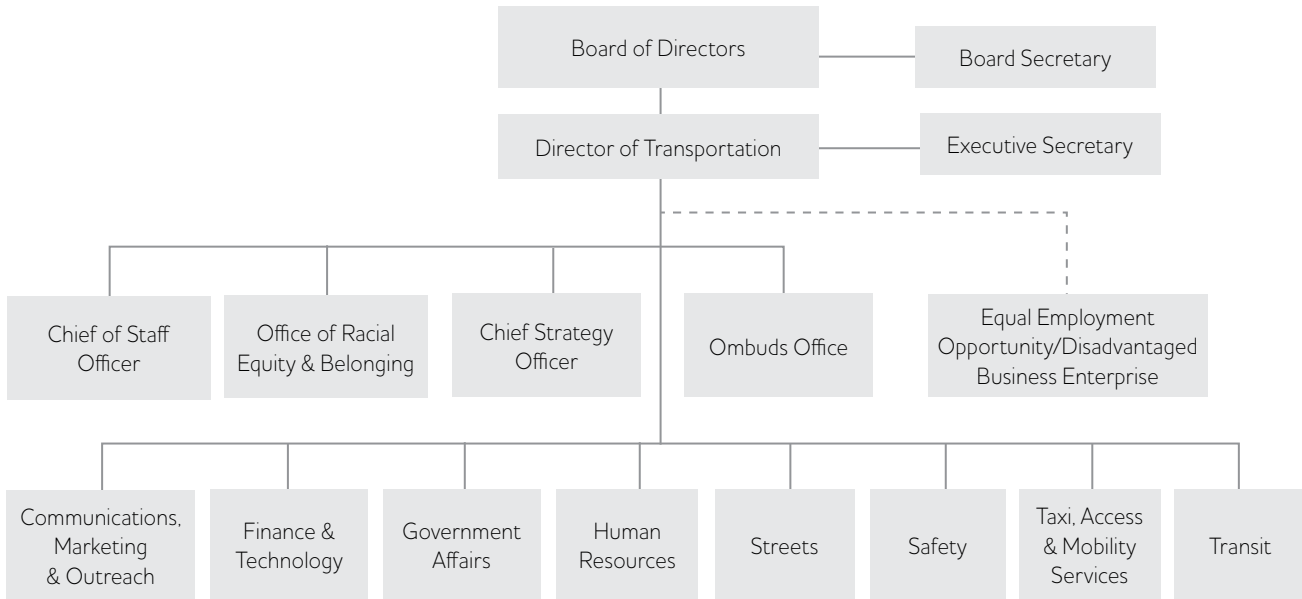

The FY 2023-24 budget invests in human resources and workforce development staff to help SFMTA fill vacancies. The Department's apprenticeship program is also being expanded to create new skilled labor hiring pathways. These enhancements will position SFMTA to maintain service for public transportation as the City continues to recover from the COVID-19 pandemic.

POLICE ACCOUNTABILITY

MISSION

The Department of Police Accountability (DPA) is committed to providing the City and County of San Francisco with independent and impartial law enforcement oversight through investigations, policy recommendations, and performance audits to ensure that the City reflects the values and concerns of the community it serves. For more information about this department's services, please visit sf.gov/departments/department-police-accountability

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$10.0 million for the Department of Police Accountability is \$0.2 million, or 2.2 percent, higher than FY 2022-23 budget. This is primarily due to one-time funding to support Sheriff's investigations work. The FY 2024-25 proposed budget of \$9.8 million is \$0.2 million, or 1.7 percent lower than the FY 2023-24 proposed budget. This change is due to holding positions vacant and the loss of one-time funding in the prior year.

Case Tracking

The Department of Police Accountability's cases are increasingly complex and require additional

review due to the prevalence of video evidence. The Department will continue using existing programs and resources to ensure that it meets mandated investigation levels. In addition, the Department is also actively investigating complaints filed against the Sheriff's Office until the Office of Inspector General becomes operational.

DPA has endeavored to meet community and Police Commission expectations by exercising its charter-mandated authority to conduct periodic biased policing audits of the San Francisco Police Department.

Complying with new state laws including SB 1421, SB 16, and SB 2 continues to present significant

5 YEAR COMPARISON OF OPENED CASES. Cases increased by 6 percent from 2018 to 2021 and decreased by 1 percent in 2022.

administrative challenges as DPA reviews and redacts thousands of qualifying records. As of January 1, 2023, nine new disclosure categories require additional record review and an obligation to provide case data to the statewide Commission on Peace Officer Standards and Training.

Racial Equity

DPA will continue prioritizing racial equity by pursuing multiple internal and external equity actions, including outreach activities, internship programs, and using the Career Pathway Program to advance racial equity in the community.

2022 CASE ALLEGATIONS.

Allegations describe officer misconduct. Multiple allegations are usually investigated for each case. In 2022, 2,487 new allegations were brought against 830 officer involvement (some officers were the subject of multiple investigations). The most common allegations were Neglect of Duty, Conduct Unbecoming an Officer, and Unwarranted Action, which made up a combined 89 percent of all allegations.

POLICE DEPARTMENT

MISSION

The San Francisco Police Department (SFPD) is committed to ensuring safety while maintaining respect for all. The Department provides responsive policing through collaboration with the community, and works to maintain and build trust and respect. For more information about this department's services, please visit [sanfranciscopolice.org](https://www.sanfranciscopolice.org)

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$776.8 million for the Police Department is \$62.8 million, or 8.8 percent, higher than FY 2022-23 budget. This is primarily due to increased overtime, increased costs associated with recently negotiated labor agreements, and new Police Service Aide and Community Ambassador positions. The FY 2024-25 proposed budget of \$787.9 million is \$11.1 million, or 1.4 percent, higher than the FY 2023-24 proposed budget. This change is due to salaries and benefits costs related to the labor contract and continuing new positions, offset by overtime savings.

Recruitment and Retention

The Mayor's proposed budget includes expanded investments within the San Francisco Police Department (SFPD) to promote recruitment, restore staffing to pre-pandemic levels, and promote public safety within the City. San Francisco has seen an increase in applications for Police Department academies over the last six months, and interest continues to grow. Seeking to capitalize on this momentum, the budget sets dynamic Academy class goals so that the Department is ready to start classes as soon as they fill, and taken together will total up 100 new recruits in FY 2023-24 and 120 new recruits in FY 2023-24, with the

goal backfilling a total of 220 officers over the next two budget years. Recognizing challenges the Department is facing with recruitment and retention, the Mayor's proposed budget also includes new funding to support efforts to attract new officers and keep those currently employed. In April 2023, the City agreed to a new memorandum of understanding (MOU) which will adjust both entry-level and continuing salaries for incoming and

current officers. The proposed budget fully funds wage increases of 7.75 percent for all sworn staff across FY 2023-24 and FY 2024-25, as well as retention pay increases of 3 percent when officers reach five, seven, and eight years of service. Taken together, these wage increases make the City the highest paid starting salary for officers of large Bay Area cities (100,000 or more) and provide significant retention incentives to prevent the outflow of experienced officers.

In addition to fully funding these wage increases, the proposed budget provides overtime funding support to account for the Department's chronic understaffing to ensure necessary deployment levels as the Department staffs up.

Prop F Ambassadors

The Mayor's proposed budget includes \$2.8 million in FY 2023-24 and \$2.9 million in FY 2024-25 to support expansion of the Prop F Community Ambassador program. Prop F Officer Ambassadors are a group of formerly-retired sworn officers who have been specially trained to build relationships with the community. They are assigned to specific neighborhoods and work to develop trust and understanding between the police and the people they serve, and are limited to a part-time status. This investment supports an additional 24,000 hours of Ambassador time per fiscal year, as the Department has identified and hired an additional 25 Prop F Officers in April 2023.

Community Police Service Aides

The Mayor's proposed budget includes \$2.2 million in FY 2023-24 and \$3.0 million in FY 2024-25 to support expansion of the Community Police Service Aide (PSA) program. PSAs are civilian employees of the San Francisco Police Department who provide a variety of support services to sworn officers. PSAs are not peace officers and do not carry firearms, but are required to wear uniforms and are an integral part of civilianization of the Department, allowing

for relationship building within communities and faster response times to non-emergency calls. This investment supports an additional 22 PSA positions and 2 PSA Supervisors.

Reform Sustainability and Transparency

The Department continues its progress on the Collaborative Reform Initiative recommendations. As of May 2023, the SFPD has achieved substantial compliance in 245 of the 272 recommendations. The California Department of Justice has agreed to continue being the independent third-party monitor for the remaining 27 recommendations, of which, 19 require investments in information technology to progress forward. The budget continues funding to continue reform work; positions for Community Policy Working Groups to gather community input and feedback on Department General Orders or Department Manuals; and additional positions to support Public Records Act requests for improved transparency.

Vehicles and Equipment

The Mayor's proposed budget includes \$4.5 million investment over the two budget years to replace vehicles of the SFPD's aging fleet, outfit existing vehicles with new technology, and provide state-of-the-art drug detection equipment to all District stations.

Efficiency Gains Through Technology

The Federal Bureau of Investigation's Uniform Crime Reporting Program has transitioned to the National Incident-Based Reporting System (NIBRS) and will only accept incident data adhering to the NIBRS format. The proposed budget includes \$4.9 million in FY 2024 to help implement a new NIBRS-compliant Record Management System (RMS). SFPD will have a modern RMS system that will reduce the burden of using multiple disparate systems and improve data reporting capabilities and crime data quality.

PORT

MISSION

The Port of San Francisco (PRT) manages the waterfront as a gateway to a world-class city and advances environmentally and financially sustainable maritime, recreational, and economic opportunities to serve the City, Bay Area region, and California. For more information about this department's services, please visit sfport.com

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$150.1 million for the Port is \$43.6 million, or 22.5 percent lower than the FY 2022-23 budget because the majority of the \$114 million of American Rescue Plan Act (ARPA) economic recovery stimulus funds received by the Port was appropriated in FY 2022-23. The proposed FY 2024-25 budget of \$151.0 million is \$0.9 million, or 0.6 percent, higher than the FY 2023-24 proposed budget. This is primarily due to increased salary and benefit costs.

Addition of Mission Bay Parks

FY 2023-24 is the second year of the biennial budget previously approved by the Mayor and Board of Supervisors, and includes two budget items that were not previously approved.

The Mayor's proposed budget includes funds to provide for the ongoing operations of select Mission Bay parks that were previously operated by the Office of Community Investment and Infrastructure (OCII). State law requires OCII to dispose of their real property interests, including parks in Mission Bay which are on Port property. The Mayor's proposed budget includes approximately \$1.0 million in revenue from the Community Facilities District in Mission Bay to fund annual operating costs.

Additionally, the Mayor's proposed budget includes approval of new contracts to allow for maintenance of non-standard improvements at the Mission Rock and Pier 70 development sites. These development projects include unique improvements which do not meet the Department of Public Works (DPW) standards, and therefore cannot be maintained by DPW. The proposed new contracts provide for the needed maintenance at a savings to the City.

Pursuing Economic Recovery

The Port launched COVID-19 pandemic recovery efforts in 2021 and experienced early success with the allocation of up to \$114 million in stimulus funding which provided an economic reprieve to the Port's operations and budget, sustaining a safe and active waterfront, and allowing the Port to support its tenants and drive new leasing. Actual FY 2022 results showed the recovery was well underway, with operating revenues nearing pre-pandemic levels and cruise passenger volumes reaching historic highs.

In FY 2023-24 the Port will continue to focus on economic recovery, maximizing revenue from business such as cargo and cruise, seeking and investing in new tenants, revitalizing historic piers, activating waterfront neighborhoods, and

identifying external funding sources to improve facilities, support resilience, and reduce its capital backlog.

Waterfront Resilience Program

In recognition of the need to address both seismic and flood risk, the Port of San Francisco has created the Waterfront Resilience Program and is advancing assessments, policies, plans and projects to reduce these risks as efficiently and effectively as possible. As of 2018, the rough estimated cost to reduce these risks for the three miles of the Embarcadero Seawall is over \$5 billion, with less than \$1 billion in funding sources identified. The Port is now working with the U.S. Army Corps of Engineers (USACE) on a more detailed study of coastal flood risks and the strategies to address them across the full 7.5 miles of Port waterfront (as compared to the three miles of Embarcadero Seawall). The Port expects to report the projected timeline and cost of such measures during the first half of 2024. Initial funding sources include the U.S. Army Corps of Engineers (USACE), General Obligation bonds, and Port contributions.

While advancing the broader resilience work with USACE, the Port has identified 23 potential

Embarcadero early projects to advance into the design phase based on its extensive risk assessment work, including the Embarcadero Seawall Multi-Hazard Risk Assessment and the joint Disaster Response Exercise conducted with the Department of Emergency Management. These projects address immediate needs and improve safety along the Embarcadero.

Pursuing Equity

The Port will continue to prioritize racial equity in FY 2023-24. In the coming fiscal years, the Port will make equity a key aspect of daily operations pursuing multiple internal and external equity actions, including building a culture of inclusion through an active employee mentorship program, improved diversity in recruitment, and the addition of an ombudsperson to support employee development. External equity efforts include funding to implement a line of credit program for Local Business Enterprises (LBE) in partnership with the Treasurer Tax Collector, workforce development in partnership with the Office of Economic and Workforce Development, and efforts to attract more LBE tenants to lease affordable Port space.

PUBLIC DEFENDER

MISSION

The Public Defender’s Office (PDR) delivers zealous, compassionate, and client-centered legal representation to over 20,000 indigent persons accused of crimes, facing deportation, and/or involved in conservatorship matters in San Francisco, and advocates for systemic changes to benefit the City’s most disenfranchised and disempowered. For more information about this department’s services, please visit sfpublicdefender.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$50.9 million for the Public Defender’s Office is \$0.7 million, or 1.3 percent, higher than FY 2022-23 budget. This is primarily due to increases in salaries and benefits. The FY 2024-25 proposed budget of \$51.7 million is \$0.8 million, or 1.6 percent higher than the FY 2023-24 proposed budget. This change is due increases in salaries and benefits.

expand its indigent defense services for the City and County in client representation, including addressing Racial Justice Act violations, reviewing resentencing opportunities and parole suitability. The Public Defender strives to maintain this vital program so the Department may continue to meet the individual needs of its clients, their families and the overall community’s need for a just and equitable system.

Providing People with the Tools and Support to Rebuild their Lives and Increase Community Health

The Mayor’s proposed budget includes \$1.2 million of grant funding for The Freedom Project, which will allow PDR to continue administering post-conviction resentencing available under new legislation and evolving case law. The Freedom Project is dedicated to safe and successful post-release transition and post-conviction systemic change through ensuring every individual released is connected to housing, social services and ongoing, indefinite support. Additionally, the Project assists with other immediate needs such as cell phones, providing DMV vouchers, benefit enrollment assistance, employment referrals and more. This investment allows the Department to

PUBLIC HEALTH

MISSION

The mission of the Department of Public Health (DPH) is to protect and promote the health of all San Franciscans. For more information about this department's services, please visit sf.gov/departments/department-public-health

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$3.2 billion for the Department of Public Health is \$238.2 million, or 7.9 percent, higher than the FY 2022-23 budget. This is primarily due to increases in salaries mandated by labor agreements, new programs supported by opioid settlement funding, and state and private funding for capital improvements and mental health services. The FY 2024-25 proposed budget of \$3.2 billion is \$25.3 million, or 0.8 percent, lower than the FY 2023-24 proposed budget. This change is driven by the expiration of one-time State and private funding that supported capital expenditures, offset by projected labor cost growth.

Opioid Settlement Funds

Through the work of the City Attorney's Office, San Francisco has now reached historic settlements with pharmacy chains and distributors for their role in fueling the opioid epidemic. The City has been dealing with the impacts of opioids for years, including the need for direct treatment and support for those struggling with addiction. The Mayor's proposed budget includes the first two years of the settlement funds, with over \$100 million over the two budget years to address the devastating impacts of the opioid crisis. These funds will allow for the City to make progress in implementing the Overdose Prevention Plan released in October 2022. This evidence-based, equity-oriented plan aims to reduce fentanyl and other drug-related

deaths, increase access to treatment for opioid use disorder (including addiction to fentanyl) and stimulant use disorder, increase social support for and reduce the stigma experienced by people at risk of overdose, and improve the community conditions in which drug use occurs. The plan builds upon decades of commitment and success by advocates, people who use drugs, and community organizations, whose partnership with the City is vital in this work.

CARE Court and Bridge Housing Programs

This fall, the State will begin implementing the new Community Assistance, Recovery and Empowerment (CARE) Court to connect clients struggling with untreated behavioral health issues with a court-ordered CARE Plan for up to 24 months. Under this pilot, Behavioral Health Service (BHS) will be responsible for the clinical evaluation of clients, who may be referred by a family member, health provider, or other community member with knowledge of their medical history. San Francisco has agreed to be part of the first cohort of counties implementing CARE Court, beginning October 2023 and has received \$4.3 million in State funding for the first year of implementation. The Department must engage referred clients and, for those who are eligible, either reach a voluntary treatment agreement with them or develop a CARE Plan for review and adoption by a court order.

The Mayor’s proposed budget in DPH also includes an anticipated grant from the State for Behavioral Health Bridge Housing for \$32.0 million to be spent over the next four years to support behavioral health clients, especially those associated with CARE Court, in accessing shelter and housing

Sustaining Improvements at Laguna Honda Hospital

Laguna Honda Hospital (LHH) is dedicated to successful recertification in Medicare and Medicaid to continue providing care to our residents and bring long-term stability to the community. To support and maintain improvements gained through the recertification process, the Mayor’s proposed budget supports 18 new positions in key areas including education and training for staff, patient care experience, medication management, and facility operations.

Capital and Bed Expansion Investments through State and Private Partnerships

The Mayor’s proposed budget includes significant new investments in its Behavioral Health Services facilities expansion and at the Zuckerberg San Francisco General Hospital funded by the State and by private partners. The Department continues

to successfully leverage outside capital investments to meet its ambitious goals for expanding capacity and improving facilities. These investments include:

- A \$33.7 million state grant awarded to DPH to build new inpatient and outpatient psychiatric facilities for youth at ZSFG, which include 12 inpatient beds to up to 450 young people each year.
- An \$18.3 million grant from the ZSFG Foundation for phase one of the build-out and additional improvements of the Outpatient Care Center, at Zuckerberg San Francisco General Hospital and Trauma Center. When completed, all outpatient services will be centralized into this building, which provides 500,000 patient visits per year.
- Two different Community Care Expansion grants from the State:
 - » One of the grant is for \$7.4 million, to be administered jointly with the Mayor’s Office of Housing and Community Development, to provide operating subsidies towards leases costs and grants to licensed board and care operators towards the facility acquisition.
 - » The second grant is \$9.5 million that will support the renovation and expansion of the residential treatment step-down site on Treasure Island.

SORT POST-OVERDOSE ENGAGEMENT TEAM ENGAGEMENT OUTCOMES. *The goals of the of the SORT Post-Overdose Engagement Team (POET) are to reduce the risk of opioid-related death of individuals who have recently experienced an overdose, contribute to an overall reduction in overdose deaths through referrals and care coordination with community-based organizations, and to provide support to people who have survived any overdose.*

CalAIM Expansion for People At-Risk of Institutionalization and Justice-Involved People

The State of California is continuing its multi-year roll out of California Advancing and Innovating Medi-Cal (CalAIM), a new framework that encompasses a broad-based delivery system, program, and payment reform across the Medi-Cal program with a whole-person care approach. For the proposed FY 2023-24 and FY 2024-25 budget, the focus is on the roll-out of expanded benefits to people at risk of long-term institutionalization and justice-system involved people exiting jail. As CalAIM focuses on stabilizing patients in community settings as much as possible, the enhanced care management (ECM) benefit allows for Medi-Cal to pay for hands-on support to address both the clinical and non-clinical needs of medically complex patients to keep them out of institutions.

Health Equity Investments through the Mental Health Services Act

The Mayor's proposed budget includes \$32.0 million in FY 2022-23 and \$17.7 million of ongoing

in additional Mental Health Services Act (MHSA) funds. These funds will be used to ensure the continuity of existing MHSA programming; support new, innovative and culturally congruent services to meet the pressing needs of the Black/African American community and sustain a pilot effort to provide mental health support for Black mothers. New initiatives in this budget include \$15.0 million for a three-year pilot from FY 2023-24 through FY 2025-26 with the Dream Keeper Initiative to create a talk therapy, telehealth program for people in San Francisco, with a particular focus on Black/African American residents.

Fee for Service Transition

In January 2023, the San Francisco Health Plan (SFHP) and Zuckerberg San Francisco General Hospital (ZSFG) expanded its use of the fee-for-service model to maximize revenues. By expanding the use of fee-for-service, ZSFG will recover more funding from the SFHP and the State, while maintaining quality care for its patients. DPH projects \$36.7 M in additional revenues in FY 2023-24 and \$36.9 M in FY 2024-25 as result of the shift that is included in the Mayor's proposed budget.

STREET RESPONSE TEAM. *The goals of the San Francisco Street Overdose Response Team (SORT) are to reduce the risk of opioid-related death of individuals who have recently experienced an overdose, contribute to an overall reduction in overdose deaths through referrals and care coordination with community-based organizations, and to provide support to people who have survived any overdose.*

PUBLIC LIBRARY

MISSION

The Public Library (Library) is dedicated to providing free and equal access to information, knowledge, independent learning, and reading for the community. The Library consists of the Main Library at Civic Center, 27 branch libraries geographically distributed throughout San Francisco, four Bookmobiles that travel around the City, and a digital library collection via sfpl.org. In addition to the Library's collection of over 3.8 million items in various formats and more than 50 languages, the Library offers high-speed internet through free wireless and public access computers as well as educational, cultural, and literary programming. For more information about this department's services, please visit sfpl.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$200.2 million for the San Francisco Public Library is \$14.5 million, or 7.8 percent, higher than FY 2022-23 budget. This is primarily due to an increase in salaries and benefits, and increased capital investments. The FY 2024-25 proposed budget of \$186.2 million is \$13.9 million, or 7.0 percent, lower than the FY 2023-24 proposed budget. This change is due to increased salaries and benefits costs, offset by one-time capital funding.

Equity and Recovery

The San Francisco Public Library (SFPL) is an essential resource for the City's diverse communities, offering an equitable and safe space for people of all ages to gather, gain knowledge, and participate in shared experiences. The SFPL is committed to advancing racial equity through its core services to the community. Equity investments include bolstering BIPOC representation in the circulating collections, which

starts with Black and Native American peoples, and expanding *Scholars@Home* program to include the successful Summer Together and BIPOC Everybody Reads programs. The Library's budget also includes position changes to add analytical and clerical support to the department's overall racial equity efforts in Human Resources, and funding to expand bookmobile capacity to support least served communities. The Library's budget continues to invest in its successful *Work It and Tech Time* services, as well as the Smart Money Coaching program through the Office of the Treasurer & Tax Collector.

Robust Collections

In addition to its focused collection development on BIPOC authors, the Library continuously enhances its library collections based on usage each cycle to better meet the needs of San Francisco's diverse communities in the future. The Library purchases materials in various formats and multiple languages to support the City's diverse

community. Print books remain the primary material format for patrons; however, e-Media circulation continues to grow. Given the current budgetary environment, the Library will maintain \$22.2 million allocated in FY 2023-24 and \$22.2 million in FY 2024-25. Library collections investments over these two fiscal years are more than 12 percent of the Library’s operating budget, which is above the industry standard of 10 percent.

Digital Access

The Library continuously refreshes its technology to meet the needs of San Franciscans. The Mayor’s proposed budget includes obtaining a book scanner for the DigiCenter in the Main Library to allow Digitized books allow free public access to unique, rare, fragile, and/or high-demand materials - many of which are only available at SFPL - to researchers and curious browsers all over the world. Digital access expands access for patrons, and two other key digital access

investments this cycle include ongoing enhancements to the digital access management system that digitizing archives and virtual programming software and hybrid programming kits for the public so they can participate remotely in live-streamed or recorded library programming. The budget also includes new positions to expand the Media Services capacity to support public programming and implement lessons learned while delivering programming through the COVID-19 pandemic.

Mission Branch Renovation

The proposed budget includes \$3.0 million in additional funding for the SFPL’s Mission Branch Renovation Project, which has been under contract since 2018 and will update and improve the historic library building in the Mission District. The project will include a number of improvements, including increased accessibility, increased floor space, improved energy efficiency, and updated technology.

LIBRARY PROGRAMMING VOLUME. *Library programming has increased significantly due to seven day service and increased staffing capacity.*

COLLECTIONS BUDGET - 5 YEAR TREND. *Maintaining stable collections budget to meet format demands, exceeding industry standards*

PUBLIC UTILITIES COMMISSION

MISSION

The San Francisco Public Utilities Commission (SFPUC) provides customers with high quality, efficient, and reliable water, power, and wastewater services in a manner that values environmental and community interests and sustains the resources entrusted in their care. For more information about this department's services, please visit sfpub.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$1.8 billion for the Public Utilities Commission is \$136.5 million, or 8.3 percent, higher than the FY 2022-23 budget. This is primarily due to increased power purchasing and power delivery costs for the Power enterprise. The FY 2024-25 budget of \$1.8 billion is \$3.1 million, or 0.2 percent, higher than the FY 2023-24 proposed budget. This is primarily due to increased costs for salaries and benefits.

The SFPUC has a fixed 2-year (biennial) operating budget for FY 2022-23 and FY 2023-24. FY 2023-24 represents the second year of the fixed biennial budget, and as such only critical changes are proposed. FY 2024-25 represents a "rollover" budget with minor adjustments that will be revisited as part of the Department's next budget cycle.

SFPUC's budget was developed based on the following three overarching priorities which continue to resonate through the second year of the fixed budget:

Responsible Management

SFPUC's budget is grounded in responsibility and transparency, with a focus on core service delivery. The SFPUC will prioritize financial sustainability, meet regulatory requirements, ensure public

confidence, advance environmental stewardship, and maintain critical infrastructure. Some examples of this in the FY 2023-24 budget include:

Through the Mayor's proposed budget, the Department is continuing to work on the acquisition of PG&E's San Francisco electricity distribution network that will enable the SFPUC to directly provide electricity that is more cost-effective, cleaner, and more reliable.

USES BY ENTERPRISE. *Uses of funds broken down into the SFPUC's enterprises.*

The FY 2023-24 budget includes new funding to run the Westside Recycled Water plant, which will begin operations in late 2023. The plant will provide up to two million gallons per day of recycled water to Golden Gate Park, Lincoln Park Golf Course, and other landscaped areas for irrigation.

Access and Affordability

The SFPUC's new Water and Wastewater rate structure will begin in FY 2023-24. Wastewater rates will include a new stormwater charge that will more fairly bill customers based on their property's stormwater runoff and the resulting impact on the City's combined sewer system.

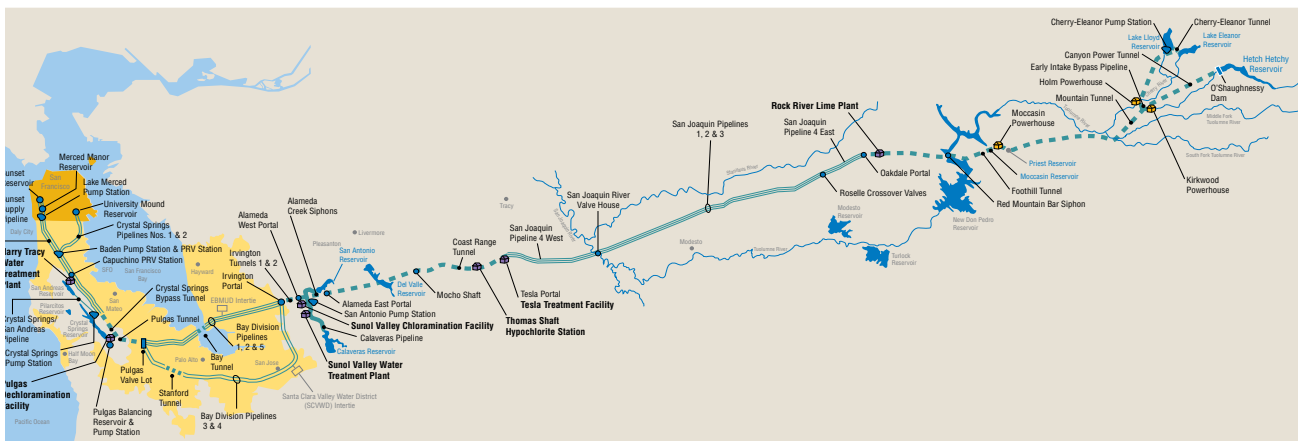

The SFPUC is committed to ensuring rate fairness and affordability for its customers, and the projected utility rates meet the Department's approved affordability level of service goal that the average combined water and wastewater bill remain under 2.5 percent of Median Household Income.

The department has also undertaken a significant effort to reduce its operating costs, including prioritizing and constraining its 10-Year Capital Plan, leading to over a billion dollars in savings. In addition, the department has been successful in applying for low-interest state and federal loans resulting in an estimated \$1.4 billion in savings in contrast to issuing bonds in FY 2023-24.

People and Communities

One of the most visible and meaningful ways SFPUC will contribute to the recovery of the economy and restoring the vibrancy of San Francisco will be through its capital program, which will invest approximately \$1.4 billion dollars in FY 2023-24 and \$8.8 billion over the next 10 years. These investments will support local jobs and businesses while improving the City's essential utility infrastructure. SFPUC's largest investment in FY 2023-24 is in upgrading the Southeast Treatment Plant, located in the Bayview Hunters Point neighborhood, which was built in 1952 and represents 1940s technology and facilities operating well beyond their useful lives. These upgrades include the New Biosolids Digester Facilities, replacement of the headworks (where the flow enters the plant), structural and seismic retrofits, as well as odor control improvements, and architectural and landscape improvements to the perimeter that will benefit the local community. Nearby, the new Southeast Community Center at 1550 Evans Avenue recently opened for community use and enjoyment. The Center features a childcare center, nonprofit workspace, community meeting rooms and provides a wide range of workforce development and educational opportunities for Southeast San Francisco residents of all ages.

PUBLIC WORKS

MISSION

San Francisco Public Works (DPW) cares for and builds the City's assets for the people of San Francisco. For more information about this department's services, please visit sfpublicworks.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$452.9 million for the Department of Public Works (DPW) is \$1.9 million, or 0.4 percent, higher than the FY 2022-23 budgets of DPW and the Department of Sanitation and Streets (SAS) combined. This is primarily due increased funding for street cleaning operations and other core services offset by administrative cost reductions from the recombination of DPW and SAS. The FY 2024-25 proposed budget of \$407.6 million is \$45.2 million, or 10.0 percent, lower than the FY 2023-24 proposed budget. This change is primarily due to reductions in capital project funding.

Proposition B

In November 2022, 75 percent of San Francisco voters approved Proposition B, returning all components of the Department of Sanitation and Streets back within Public Works. This reversed the 2020 ballot measure (also labeled Proposition B) that created SAS by separating out DPW's Operations Division as a standalone department. The savings from reduced administrative costs will enable DPW to increase funding for more direct services, such as graffiti abatement, sidewalk steam cleaning, and street cleaning and repair, in coordination with the Department's engineering, architecture, building repair, and street tree care functions.

Clean Streets and Graffiti Removal

The proposed budget includes increased funds for DPW's Operations Division to enhance street cleaning operations. This includes expanded deployment of cleaning crews to neighborhoods across the City to power wash sidewalks, remove litter and debris, and sweep gutters while the Department continues participation in daily joint operations with City departments in the Tenderloin. Along with fostering street and sidewalk cleanliness,

ANNUAL BLOCKS RESURFACED. *An annual average of 655 blocks per year have been resurfaced since FY 2014.*

Public Works will continue providing courtesy graffiti removal for storefronts and other private property in the City’s diverse neighborhood commercial corridors. Launched in December 2022, this program relieves participating property owners and businesses of the financial burdens of removing tags from their buildings, and letting professional Public Works crews or City contractors wipe out graffiti. During its first three months, more than 400 property and business owners signed up for the program, with a turn-around time of less than a week for the reported tags to be removed.

Sidewalk Vending Permits and Enforcement

DPW’s Bureau of Street-use and Mapping implemented the new Street Vending Permit program launched in September 2022, enabling legitimate street vendors to operate, while keeping streets and sidewalks accessible and free of hazards. Along with ensuring continued access to BART stations, Muni stops, shops, and restaurants,

the program discourages the sale of stolen goods through enforcement by DPW inspectors. Since beginning the program, DPW has issued more than 120 low-cost or no-cost permits for vendors in the Mission, Downtown, Chinatown, the Haight, North Beach, and the Inner Richmond.

Curb Ramps, Tree Planting and Street Resurfacing Programs

The Department’s programs, including curb ramps, tree planting, and street resurfacing, have developed prioritization criteria that incorporate geographic equity to extend improvements to all of San Francisco’s neighborhoods. The curb ramp program, in coordination with the Mayor’s Office on Disability, prioritizes locations most requested by people with disabilities; the tree planting program focuses on areas where there is lower tree canopy cover; the street resurfacing program is prioritized based on a specific street’s regionally tracked Pavement Condition Index score.

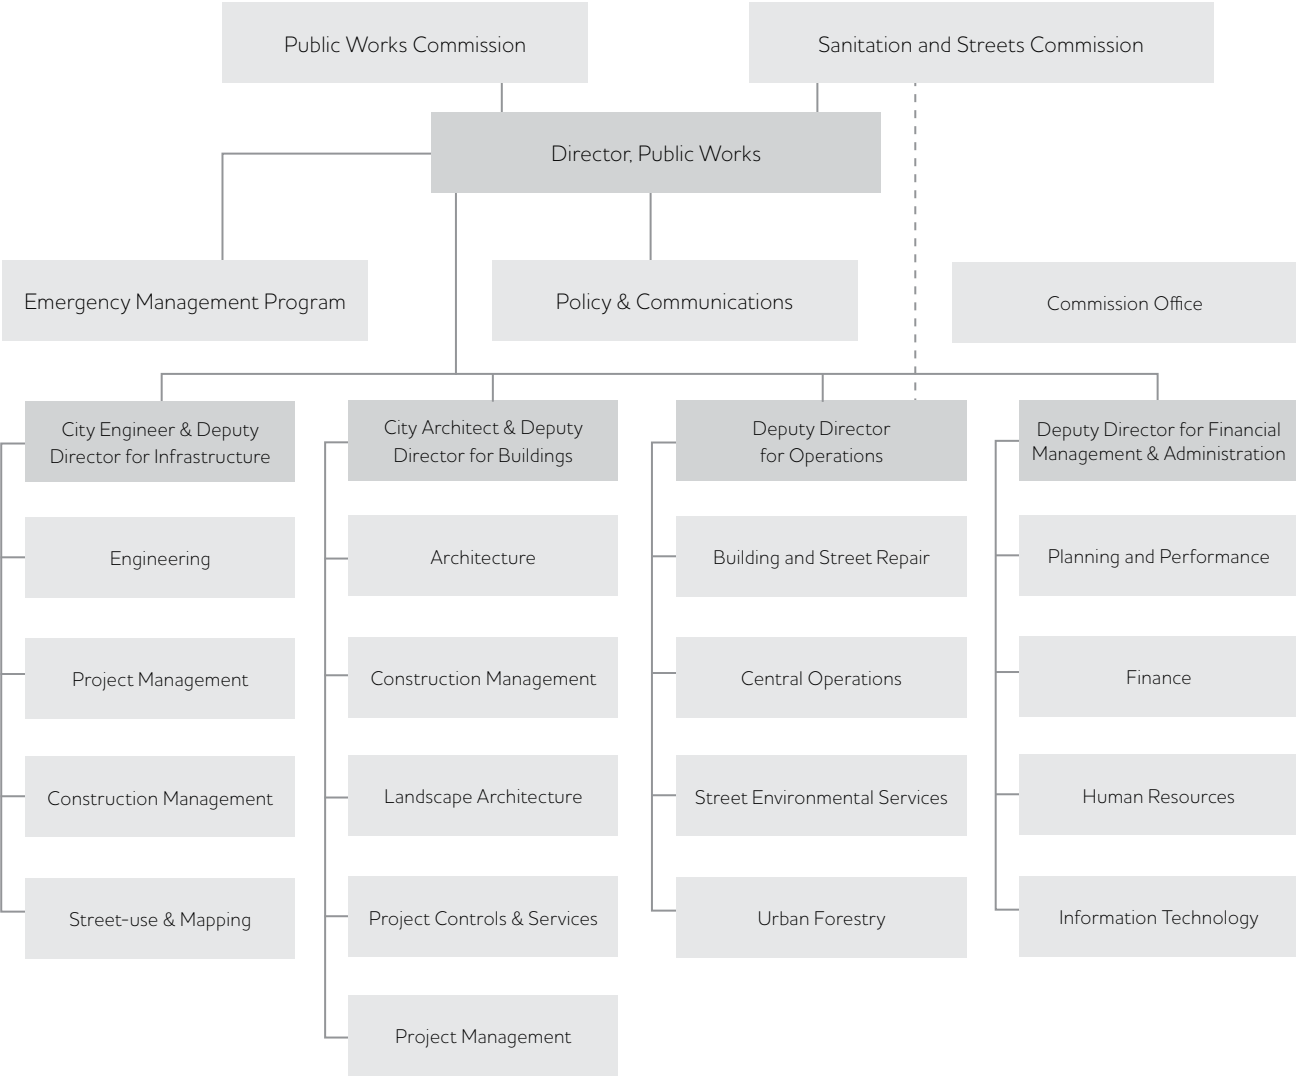

ANNUAL STREET CLEANING SERVICE ORDER VOLUME BY PROBLEM DESCRIPTION. *Service orders have increased by 328 percent since 2014. Note: Data does not include requests related to encampments.*

RECREATION AND PARKS

MISSION

The Recreation and Park Department (REC) strives to foster the well-being of San Francisco's diverse community by maintaining beautiful parks, preserving the environment, and providing enriching recreational activities. REC maintains more than 220 parks, playgrounds, and open spaces. These include Camp Mather, the Marina Yacht Harbor, six municipal golf courses, and other recreational facilities and urban forestry areas. For more information about this department's services, please visit sfrecpark.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$256.5 million for the Recreation and Parks Department is \$15.2 million, or 6.3 percent, higher than FY 2022-23 budget. This is primarily due to funding of new park rangers, increased capital investments, and an increase in salaries and benefits. The FY 2024-25 proposed budget of \$261.2 million is \$4.7 million, or 1.8 percent, higher than the FY 2023-24 proposed budget. This change is due to increases in salaries and benefits.

New Park Rangers

The Mayor's proposed budget includes funding for an additional eight Park Rangers to staff the Park Ranger Unit. The Park Ranger Unit is responsible for providing law enforcement, safety, and environmental protection services in San Francisco's parks and open spaces, and will further the City's mission to provide safe and clean parks and open spaces for all San Franciscans. The additional funding expands capacity of the Park Ranger Unit to 101.2 positions in FY 2023-24 and to 103.5 in FY 2024-25, an increase of 17 percent from FY 2022-23 levels.

Expanding Requity's Reach to Bolster Equity

The Requity program brings free, engaging, and culturally relevant recreation programming to youth under 18 living in shelters, foster care, public housing, or housing developments assisted by the City through the Mayor's Office of Housing & Community Development (MOHCD). REC seeks to expand Requity's reach in vulnerable communities and enhance programming. In this proposed budget, \$123,594 of Requity funding will be used for the Bayview Safety Swim and Splash program, which is a program of the India Basin Waterfront Park Initiative, and \$124,000 will be used to fund a Recreation Coordinator for Margaret Hayward Clubhouse. Another \$40,000 will fund the expansion of Junior Warriors for an additional 40 teams to accommodate high demand.

Staffing to Support the Delivery of the 2020 Health and Recovery Bond

The proposed budget adds four off-budget finance positions to support capital and planning's delivery of the 2020 Health and Recovery Bond.

This major initiative is an expansion of REC’s roles and responsibilities in the accounting of large bond project work. Funded with bond revenue, these positions will lead capital project contract procurement and invoice processing work.

Preparing for Mission Bay Parks

REC is preparing for a transfer of Mission Bay Parks from the Office of Community Investment and Infrastructure (OCII) on July 1, 2023. This proposed budget includes an additional 3.5 FTEs and funding for utilities and facilities maintenance.

Equity Remains a Primary Focus of the Department

REC will continue providing critical equity programming, such as Requity, Peace Parks, the Tennis Learning Center (TLC), and discounted Camp Mather fees. Peace Parks promote community wellness and violence prevention in vulnerable communities. TLC provides tutoring, tennis instruction, and other support services for 100 underserved elementary students annually. REC also provides discounts for eligible residents at Camp Mather and engages inner-city youth through the Teen Outdoor Experience program.

RENT ARBITRATION BOARD

MISSION

The Rent Arbitration Board's (RNT) mission is to protect tenants from excessive rent increases and unjust evictions, while assuring landlords fair and adequate rents; to provide fair and even-handed treatment for both tenants and landlords through efficient and consistent administration of the rent law; to promote the preservation of sound, affordable housing; and to maintain the ethnic and cultural diversity that is unique to San Francisco. For more information about this department's services, please visit sf.gov/departments/rent-board

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$17.7 million for the Rent Arbitration Board is \$1.4 million, or 8.8 percent, higher than FY 2022-23 budget. This is due to one-time costs from office space updates and increased benefits costs. The FY 2024-25 proposed budget of \$14.7 million is \$3.0 million, or 16.8 percent lower than the FY 2023-24 proposed budget. This change is primarily due to the one-time costs from the prior year and changes in salaries and benefits.

Citywide Residential Housing Inventory

Recent legislation requires owners of approximately 291,000 residential housing units to report to the Rent Board certain information regarding each unit's occupancies and vacancies. This information is now maintained in a Housing Inventory of all units in the City, and licenses are issued to owners so they may impose annual and/or banked rent increases. To manage this responsibility, RNT has created an Inventory and Fee Unit and collaborates with the SF311 Customer Service Center to serve residents' needs more quickly.

Expansion of Equity in Services and Programming

As part of its ongoing commitment to racial equity, the Board continues to implement and regularly evaluate its comprehensive Racial Equity Action Plan initiatives. RNT is committed to an equitable and inclusive workplace and is hiring an analyst to coordinate its racial equity work. The Board will improve core service delivery by having broader race representation among its employees and actively working to ensure staff have the tools and resources to be effective. The Board continues to focus an equity lens on Housing Inventory implementation to collect concrete data to better inform the local housing landscape and to provide targeted Inventory and Fee-related outreach to small property owners in Chinese, Spanish, and Filipino. RNT is growing its Public Information Unit and reevaluating its core service priorities, grounding racial equity and shifting from its traditional model of services to landlords or tenants in the aggregate, which can hide problems and trends in vulnerable populations.

Modernization and Improved Data Sharing

RNT is undertaking a business process workflow modernization project to provide more efficient services to the public. During the COVID-19 pandemic, RNT implemented a new call center, and began accepting filings by email, conducting remote hearings, and using a contactless online platform

for the public to make fee payments and request 55,000 fee exemptions. The Board continues to streamline and standardize its data-sharing practices with other City departments and increase its effectiveness by providing timely data and documents, which helps expedite permitting and decision-making processes.

TOTAL FILINGS. *The Rent Board accepts petitions from renters and landlords seeking arbitration of disputes, reporting issues with housing conditions, or otherwise seeking assistance with conflicts relating to the Rent Ordinance.*

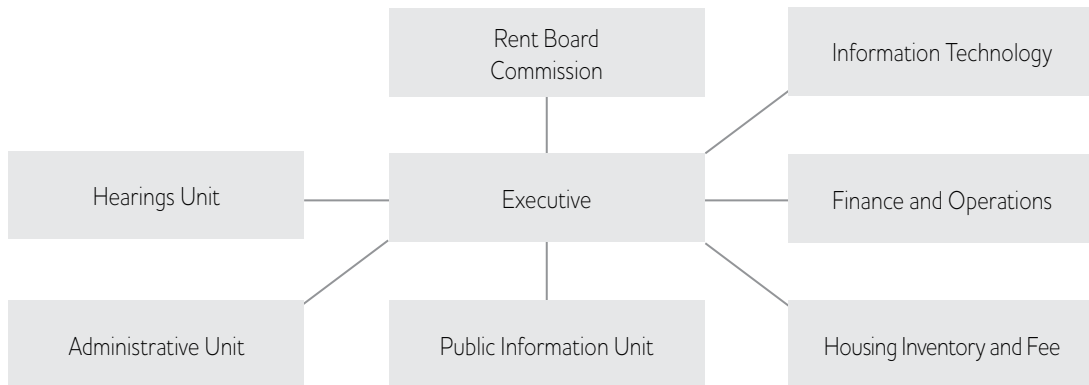

PHONE COUNSELING CONTACTS. *Phone counseling interactions on all matters, including petition filing, evictions, fee, and housing inventory.*

RETIREMENT SYSTEM

MISSION

The Retirement System (RET) works to secure, protect, and prudently invest the City's pension trust accounts, administer mandated benefit programs, and provide promised benefits. For more information about this department's services, please visit mysfers.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$51.5 million for the San Francisco's Employee Retirement System is \$8.4 million, or 19.5 percent, higher than the FY 2022-23 budget. The increase is primarily due to the costs of new positions added. The FY 2024-25 proposed budget of \$54.1 million is \$2.6 million, or 5.1 percent, higher than the FY 2023-24 budget. The increase is also due to changes to salaries and benefits.

The entirety of the Department's budget is funded from the San Francisco Employee's Retirement System (SFERS) Trust, the Retiree Health Care

Trust (RHCTF), or through reimbursements from the San Francisco Deferred Compensation Plan (SFDCP) recordkeeper.

Prudently Invest the SFERS Trust

In its most recent February 2023 Actuarial Valuation Report, SFERS is 98 percent funded based on the market value of the assets as of July 1, 2022. As one of its key on-going strategic initiatives, SFERS will continue to prudently invest the SFERS Trust assets to maintain full funding of the City's pension liabilities.

INVESTMENT ALLOCATION AS OF JUNE 30, 2022 - FAIR VALUE.
SFERS has diverse investment allocations to secure and protect Trust assets and deliver promised benefits.

Educate Employees about Retirement Planning

The Retirement System has a long-standing goal to provide City employees with the tools and resources needed to ensure financial wellness and retirement readiness at the end of their City employment. In recent years, the Retirement System has partnered with the City's Deferred Compensation Plan to provide a more coordinated approach to employee outreach on the importance of taking advantage of retirement and savings programs offered by the City.

Enhance Member Experience

SFERS will be adding 18 new positions funded by the SFERS Trust in the next two Fiscal Years to provide quality benefits administration services and deliver benefits on time and accurately. In addition, SFERS continues to upgrade its member services platforms to enhance the member experience and offer 24/7 self-service. As part of this initiative, the Department is also updating its website and adding online educational videos.

Operational Risk Management and Quality Assurance

The Department is building a comprehensive operational risk management program to measure

and report on operational risk issues related to calculating and paying out more than \$1.7 billion in retirement benefits each year. The systematic review and audit of business processes used in calculating and paying benefits ensures the integrity and financial soundness of the SFERS pension trust.

Support a Qualified and Diverse Workforce

SFERS' Racial Equity Plan involves removing barriers to successful recruitment and retention of qualified department staff with diverse educational and life experience throughout the department. To develop and support a qualified and diverse workforce, SFERS is building out an internship program in both the Retirement Services Division and the Investment Division.

Build Career Pathways

The Department has had a long-standing challenge of recruiting and retaining staff, particularly in its retirement services division, which has been exacerbated by the COVID-19 pandemic. The Department is proposing a strategic restructuring of certain retirement operations and business services positions to remove recruitment and retention barriers and more closely align the required skills and experience for these positions to the long-term needs of the Department.

PLAN NET POSITION AS OF JUNE 30, 2022 (\$ BILLIONS).
SFERS is 98 percent funded based on the market value of the assets.

SHERIFF ACCOUNTABILITY

MISSION

The Sheriff's Department of Accountability (SDA), Office of Inspector General (OIG) is committed to providing the City and County of San Francisco with professional, fair, and impartial oversight of the San Francisco Sheriff's Office (SFSO) consistent with community values and concerns, through thorough investigations, comprehensive policy reviews and recommendations, and performance audits to ensure compliance with applicable laws and policies.

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$2.3 million for the Sheriff's Department of Accountability is \$0.2 million, or 9.9 percent, lower than FY 2022-23 budget. This is primarily due to anticipated vacancies in the department as it becomes operational. The FY 2024-25 proposed budget of \$2.2 million is \$0.02 million, or 0.8 percent lower than the FY 2023-24 proposed budget due to slight changes in salaries and benefits.

Creating the Sheriff's Department of Accountability

In November 2020, voters passed Proposition D, a charter amendment that created the Sheriff's Department Oversight Board. (SDOB). In addition, the Sheriff's Department of Accountability (SDA) was created under SDOB to review and investigate complaints. After conducting and finalizing investigations SDA makes final recommendations for disciplinary action. The department is currently in the process of becoming operational and has very minimal staff. The Sheriff's Department Oversight Board (SDOB), which, aims to appoint

a department head, referred to as the Inspector General, in Fiscal Year (FY) 2023-24. The proposed budget for FY 2022-23 and FY 2023-24 includes all required costs that are outlined in Proposition D. Once the Department is operationalized, the Inspector General will determine any additional budget changes required to meet the needs of the community.

The Board is actively engaged in identifying candidates and expects to hire for the position before the end of the 2023 calendar year. Once a candidate is chosen, the department head will lead in the hiring of other key roles within the Department to begin investigations.

The Inspector General will set performance measures when appointed. Since 2019, the Department of Police Accountability (DPA) has performed all independent oversight investigative functions for the San Francisco Sheriff's Office (SFSO). The DPA provides this service for certain types of serious misconduct allegations pursuant to an agreement with the SFSO under different parameters than those specified by the SDA charter.

SHERIFF

MISSION

The San Francisco Sheriff's Office (The Office) provides for the safe, secure, and constitutional detention of persons arrested or under a court order; operates county jail facilities, including educational, vocational, and transitional programs; operates alternative sentencing for in-custody and out-of-custody community programs; provides law enforcement services for a number of City and County facilities and the surrounding area; provides bailiffs to ensure the security of all juvenile, adult civil and criminal courts; and executes criminal and civil warrants and court orders. For more information about this department's services, please visit sfsheriff.com

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$291.7 million for the Sheriff's Office (SHF) is \$7.5 million, or 2.5 percent, lower than FY 2022-23 budget. This is primarily due to salary reductions from position vacancies and a decrease in overtime. The FY 2024-25 proposed budget of \$293.7 million is \$2.0 million, or 0.7 percent higher than the FY 2023-24 proposed budget. This change is primarily due to increases in interdepartmental services and salaries and benefits.

Meeting Existing Staffing Needs

The Sheriff's Office has ongoing staffing challenges, resulting in a demand for overtime to meet mandated minimum staffing requirements and maintain safety and the provision of programming. The proposed budget includes funding to meet the overtime needs of the

Sheriff's Office in FY 2023-24. As the Office improves its regular staffing levels, the need for overtime spending will decrease.

The Office of the Sheriff is aggressively and actively recruiting to fill the numerous vacancies in its deputy sheriff positions as well as its professional staff.

Community Programs

The Office of the Sheriff is increasing its law enforcement presence in the community, expanding the field officer training program, and increasing staff in the warrant services unit, which searches for, arrests, and returns persons with criminal warrants to secure detention. The Office continues to support victims of crime by funding the Survivor Restoration Program and assisting mothers with minor children by providing housing and services at Cameo House.

The Office is revitalizing its in-custody therapeutic communities, including the Roads to Recovery and SISTERS programs following the pandemic.

The Office is dedicated to building community by providing a robust visiting program including video visits, in-person visits, and parent-child contact visits. The department intends to improve the physical environment for the visiting family members and children as some of these programs are decades old.

Recruitment and community outreach are vital in advancing public safety and public trust. However, the Office struggles with the representation of women in law enforcement. This has led to its participation in the 30X30 initiative, a nationwide campaign advancing the representation of women

in law enforcement with a goal of 30 percent women by 2030.

Improving Organizational Accountability and Modernizing Technology

Digital devices, cloud-based software, and data-driven tools are changing the landscape of law enforcement. By utilizing technology to improve performance, the Office can operate more efficiently.

The Mayor’s proposed budget continues to support the replacement of the current jail management case system. The new system improves City and County operations, while minimizing legal and security risks and improves cross-agency data sharing, which improves public safety.

STAFFING PROGRESS. Sworn staffing level projections suggest that hiring of new employees will keep pace with the number of separations within the department.

STATUS OF WOMEN

MISSION

Tasked with helping to transform San Francisco into a fully gender equitable City, the San Francisco Department on the Status of Women advances the equitable treatment and furtherment of women and girls across social, economic, and political indexes through policies, programs, and legislation, both within City and County government and in the private sector. For more information about this department's services, please visit dosw.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$12.8 million for the Department on the Status of Women (WOM) is \$2.1 million, or 13.9 percent lower, than the FY 2022-23 budget. This is primarily driven by savings in non-personnel and grant budgets, while leveraging existing staff and grant resources. The FY 2024-25 proposed budget of \$12.5 million is approximately \$0.4 million, or 2.9 percent, lower than the FY 2023-24 proposed budget due to non-personnel and grant savings. The budget continues programming in the areas of health and safety, economic security, civic engagement and political empowerment, antihuman trafficking, and gender-based violence.

Accountability and Equity in Services and Spending

With a focus on its four core service areas of Ending Gender-Based Violence, Health and Safety, Economic Security, and Civic Engagement and Political Empowerment, the Department continues to serve as an accountability partner to all City departments and agencies as it relates to the commitment to gender equity. WOM works towards equity in service delivery, employment opportunities, leadership development, and policies that best support women, girls, and nonbinary people to thrive. Over the next two years, WOM will work to serve as a Chief Advocate for equity in service delivery, employment opportunities,

GENERAL FUND AND NON-GENERAL FUND GRANT PROGRAMS (FY 2022-23).

In addition to the grant programs supported by the General Fund, the Department on the Status of Women administers five non-General Fund programs. Two of these are funded by the State of California, two by the Blue Shield Foundation of California, and one by the Department of Justice Office of Violence Against Women.

leadership development, and budget allocation; and Master Convener - bringing people together inside and outside the City to collaborate on ideas, strategies and impactful actions to help San Francisco transform into a fully gender equitable City and County.

Additionally, the Department recently began implementing information-technology solutions to create accurate data and reporting, efficient operations, and increased management of resources.

As the country’s oldest local department dedicated to women and gender equity

with subject matter expertise on the policy, programmatic and political conditions surrounding reproductive freedom and access, the Department has also been tapped to lead the BAARC (Bay Area Abortion Rights Coalition) Initiative, the first ever regional collective of municipal governments and reproductive health and justice stakeholders across nine Bay Area counties. The purpose of the Coalition is to coordinate a regional response to the immediate, long-term, and unanticipated impacts of the reversal of Roe v Wade. San Francisco is uniquely prepared and positioned to convene BAARC as human rights and civic innovation global leaders.

INVESTMENT BY PROGRAM AREA (FY 2022-23). *The majority of the Department’s City Grants budget goes to support the Health and Safety program, which includes funding for services such as legal assistance and crisis lines for gender-based violence victims.*

SUPERIOR COURT

MISSION

The Superior Court (CRT) assures equal access, fair treatment, and the just and efficient resolution of disputes for all people asserting their rights under the law in the City and County of San Francisco. For more information about this department's services, please visit sf.courts.ca.gov

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$32.9 million for the San Francisco Superior Court is \$0.5 million, or 1.5 percent, lower than FY 2022-23 budget. This is primarily due to a decrease in funding to the Indigent Defense Program to align the budget with actual program usage. The FY 2024-25 proposed budget of \$33.1 million is \$0.2 million, or 0.6 percent, higher than the FY 2023-24 proposed budget. This change is due to updating the Indigent Defense Program budget to account for inflation.

The Superior Court receives funding from the City for its Indigent Defense Program, which assigns attorneys to individuals and families in cases that represent a conflict of interest to the Public Defender. Attorneys with the Bar Association of San Francisco provide legal representation in both criminal defense and foster care cases. Beginning in FY 2023-24, adjustments have been made to funding levels to accurately reflect the billing of costs to the program.

TREASURER-TAX COLLECTOR

MISSION

The Office of the San Francisco Treasurer & Tax Collector serves as the banker, tax collector, collection agent, and investment officer for the City and County of San Francisco. The Department's mission is to collect and safeguard the City's money and utilize internal expertise to assist low-income San Francisco families to build economic security and mobility.

The Department is committed to providing excellent services for taxpayers, customers, and the community. By promoting diversity, equity, and inclusion, the Department is a stronger, smarter, and more informed government agency. For more information about this department's services, please visit sftreasurer.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$50.2 million for the Office of the Treasurer-Tax Collector (TTX) is \$2.3 million, or 4.8 percent, higher than FY 2022-23 budget. This increase is primarily due to a one-time investment in the Mayor's proposed budget to continue supporting the First Year Free program. The FY 2024-25 proposed budget of \$48.7 million is \$1.4 million, or 2.9 percent lower than the FY 2023-24 proposed budget. This change is due to savings from the deletion of vacant positions and non-personnel reductions.

Tax Implementation and Reform

In March of 2020, the Commercial Vacancy Tax was passed by voters. Filing for the tax began in 2023 and TTX conducted extensive outreach to property and business owners. This included resources like a new website with an interactive map, instructional videos on filing the tax, and multilingual outreach. The Commercial Vacancy

Tax is a tax on certain types of commercial spaces that have been vacant for more than 182 days in a calendar year. A similar tax was recently passed in November 2022 and will begin collecting a vacancy tax on multifamily units that have been vacant for longer than 182 days in a calendar year. The Empty Homes Tax will become effective in 2024.

Additionally, the Department is partnering with the Controller to formulate recommendations regarding business tax reform for the 2024 Ballot, with a specific focus on addressing post-COVID-19 pandemic shifts to remote work and encouraging investment in downtown.

Recovery of the local economy and supporting public safety

Property tax revenue is one of the most significant funding sources for public safety programs. Because of comprehensive communication from the Department to property owners, more than 99 percent of secured property tax revenue was

collected on time, providing billions in revenue to the City.

First Year Free

The Mayor’s Office and TTX are fully committed to a City-wide effort to provide relief to small businesses by implementing the expansion of First Year Free to additional small businesses, with over 3,300 businesses now enrolled and more than \$1.1 million in initial license and first-year permit fees waived for qualifying businesses. The Mayor’s proposed budget continues to invest in the First Year Free by allocating \$2.1 million in FY 2023-24, further supporting the growth of small business and re-vitalization of the City’s economy.

Accountability & Equity

The Department continues its efforts to implement its Racial Equity Action Plan and has made significant progress by developing a work plan and training staff. The Department moved to improve citywide banking services by transitioning the City and County of San Francisco’s primary banking partner to JP Morgan. This partnership includes a first-ever Social Responsibility MOU.

Kindergarten to College (K2C) is preparing to celebrate the first cohort of students graduating from high school in 2023 and readying their college savings for disbursements. K2C continues to build on an equity incentive pilot for low-income families, encouraging college savings by increasing their initial seed money.

BUSINESS TAX & FEE COLLECTIONS.
This pie chart shows the business tax and fee collections by type. As demonstrated in the chart, gross receipts accounts for almost half of all fees collected by the Department in FY 2021-22.

WAR MEMORIAL

MISSION

The War Memorial (WAR) and Performing Arts Center manages, maintains and operates safe and accessible world class venues to promote cultural, educational and entertainment opportunities in a cost-effective manner for enjoyment by the public, while best serving the purposes and beneficiaries of the War Memorial Trust. For more information about this department's services, please visit sfwarmemorial.org

BUDGET ISSUES & DETAILS

The proposed Fiscal Year (FY) 2023-24 budget of \$37.7 million for the War Memorial is \$1.2 million, or 3.2 percent, higher than the FY 2022-23 budget. This is primarily due to increases in one-time capital funding. The FY 2024-25 proposed budget of \$31.7 million is \$6.0 million, or 16 percent, lower than the FY 2023-24 proposed budget. This is due to the expiration of one-time capital funding and increases in salaries and benefits.

Restoring Vibrancy Through the Performing Arts

San Francisco has one of the most diverse artistic communities in the nation. As a cornerstone of San Francisco's performing arts community, the War Memorial plays a pivotal role in invigorating the City's economy and allowing communities to reconnect and engage with one another. The War Memorial and its resident companies such as the Symphony, Ballet, and Opera, as well as hundreds of outside licensees, employ a significant workforce year-round. The arts presented here consistently draw thousands of residents and

visitors to the Civic Center neighborhood, indirectly contributing to important business sectors such as restaurants and tourism.

TOTAL ANNUAL PERFORMANCES. *The number of performances in FY 2022-23 did not reach projected pre-pandemic levels. As a result, performance projections for FY 2023-24 have been slightly decreased.*

Capital Upgrades

WAR is consistently engaged in numerous capital projects and regular ongoing facilities maintenance. During the closure of venues due to COVID-19, WAR partnered with resident companies to execute privately funded capital improvement projects, including Opera House seating replacement, ADA upgrades in the Opera House and LED lighting conversion in Davies

Symphony Hall. The Department also completed the modernization of one of the passenger elevators in Davies Symphony Hall under the management of the Department of Public Works (DPW), and will be working with DPW on for the modernization of another passenger elevator in the same building. In addition, WAR is working to replace the mansard roof of the Opera House.

ANNUAL EARNED REVENUE. *The earnings in FY 2022-23 did not return to the budgeted pre-pandemic level. As a result, revenue projections for FY 2023-24 have been slightly decreased.*

BONDED DEBT & LONG-TERM OBLIGATIONS

BONDED DEBT & LONG-TERM OBLIGATIONS

MISSION

The Office of Public Finance is housed within the Controller's Office and provides and manages low-cost debt financing for large-scale, long-term capital projects and improvements that produce social and economic benefit to the City and its citizens while balancing market and credit risk with appropriate benefits, mitigations, and controls. For more information about this office's services, please visit sf.gov/controllers-office-public-finance

BACKGROUND

The City and County of San Francisco is the fourth largest city in California and the 17th largest city in the country. The City has gained national recognition among investors in municipal debt obligations as a high-profile economic center of one of the country's largest metropolitan areas. Investor interest benefits the City in the form of lower interest rates and lower annual debt service expenditures compared to other California cities.

The Office of Public Finance utilizes five principal types of municipal debt to finance long-term capital projects: general obligation (G.O.) bonds, lease revenue bonds, certificates of participation (COPs), special tax bonds, and tax increment revenue bonds.

The City relies on the issuance of G.O. bonds to leverage property tax receipts for voter-approved capital expenditures for the acquisition, improvement, and/or construction of real property such as libraries, hospitals, parks, and cultural and educational facilities.

The City utilizes lease revenue bonds and COPs to finance capital projects and acquisitions, some of

which provide a direct revenue benefit or cost savings to the City. Debt service payments for lease revenue bonds and COPs may be paid from revenues of the related project or fees, taxes, or surcharges imposed on users of the project. The City utilizes its commercial paper COP program to provide interim financing for approved project costs in connection with the acquisition, improvement, renovation, and construction of real property and the acquisition of capital equipment and vehicles in anticipation of issuing long-term financings.

The City has utilized Mello-Roos community facilities districts and special tax districts to assist in the financing of public benefits, infrastructure, and community facilities. The City has formed Infrastructure Financing Districts and Infrastructure and Revitalization Financing Districts to assist financing projects, such as affordable housing, waterfront improvements, public benefits, infrastructure, and community facilities. These districts facilitate improvements to real property, providing in connection with new developments in the City.

RATINGS

The City's G.O. bond debt is rated Aaa by Moody's, AAA by Standard & Poor's, and AA+ by Fitch. These ratings represent the highest or second-highest scores possible for G.O. bonds. The City's Certificates of Participation (COPs) and Lease Revenue Bonds are rated Aa1/Aa2 by Moody's, AA+ by Standard & Poor's, and AA/AA+ by Fitch. These ratings are one or two levels below the City's G.O. bond ratings. The City has no legal obligation or authority to levy taxes for repayment of lease revenue debt. However, the City may appropriate monies from the General Fund to pay for rent associated with the use of facilities that have been financed from lease revenues only when the facilities provide beneficial use to San Franciscans.

MOODY'S

In March 2023, Moody's affirmed its Aaa rating for the City's General Obligation bond debt, recognizing the City's exceptionally strong financial position and the outperformance of economically sensitive revenues through the COVID-19 pandemic. According to Moody's latest rating report, the City's stable property tax base and capable financial management team should insulate its G.O. bond portfolio from economic headwinds, including a high office vacancy rate and population loss. In the same report, Moody's affirmed its Aa1/Aa2 rating for the City's Lease Revenue Bonds and COPs.

STANDARD & POOR'S

In March 2023, Standard & Poor's (S&P) affirmed its AAA rating for the City's G.O. bond debt, ascribing the action to San Francisco's extremely strong levels of sustained income and wealth through the COVID-19 pandemic. S&P notes that although the City boasts strong reserve balances and a steady growth in assessed value (AV), high downtown office vacancy rates present the risk of continued declines in commercial and business tax revenues. In the same report, S&P affirmed its AA+ rating for the City's Lease Revenue Bonds and COPs.

FITCH RATINGS

In March 2023, Fitch maintained the City's G.O. bond rating of AA+, citing its strong financial management capabilities and ample resources to help bolster the City's spending flexibility as revenue growth slows. In the same rating report, Fitch also affirmed its AA/AA+ rating on the City's Lease Revenue Bonds and COPs.

DEBT PROFILE

Pursuant to the City Charter, the City must have voter authorization to issue G.O. bonds and lease revenue bonds. In the case of G.O. bonds, authorization is required by a two-thirds majority vote. In the case of Lease Revenue Bonds, authorization is required by a simple majority vote to fund new money capital projects. The City also issues Commercial Paper and Certificates of Participation, which do not require voter authorization. There are additional long-term obligations issued by public agencies whose jurisdictions overlap the boundaries of the City in whole or in part. See overlapping debt obligations described below.

Of the \$4.3 billion in outstanding G.O. bonds and other long-term general fund backed obligations, only \$58.2 million or 1.4 percent is variable rate debt.

GENERAL OBLIGATION BONDS

Debt service on the City's G.O. bonds is repaid from taxes levied on all real and personal property within the City boundaries. In addition to a two-thirds majority voter threshold, the principal amount of bonds outstanding at any one time must not exceed three percent of the assessed value of all taxable real and personal property located within the boundaries of the City.

As of April 15, 2023, the total amount of G.O. bonds authorized by the voters, but not yet issued, was \$1.3 billion. Of the total principal amount of \$4.7 billion of G.O. bonds originally issued from these authorizations, \$2.9 billion remains outstanding.

Table 1 lists the City's outstanding and unissued G.O. bonds by series and authorization. Additionally, the

Long-Term Obligations

The City's Long-Term Obligations, shown in **Table 2**, include lease revenue bonds and COPs. Pursuant to the Charter, lease revenue bonds must be approved by a simple majority of the voters. As shown in Table 2, as of June 30, 2023, the City will have roughly \$1.4 billion in projected Long-Term Obligations outstanding. The City anticipates issuing approximately \$400 million of COPs in Fiscal Year (FY) 2023-24 for Affordable Housing and Community Development projects, Department of Public Health Facilities projects, and Critical Repairs, Recovery Stimulus, and Streets projects. The City estimates this number will increase to \$1.8 billion by the end of FY 2023-24. The gross debt service payment for FY 2023-24 is estimated to be \$134.7 million.

In 1990, voters approved Proposition C, which amended the Charter to authorize the City to lease-purchase equipment through a nonprofit corporation without additional voter approval but with certain restrictions. The City and County of San Francisco Finance Corporation (the Corporation) was incorporated for that purpose. Proposition C provides that the outstanding aggregate principal amount of obligations with respect to lease financings may not exceed \$20.0 million, with such amount increasing by five percent each fiscal year. As of July 1, 2022, the total authorized and unissued amount for such financings was \$95.3 million. There are no current plans to issue additional debt under the Proposition C authorization.

In 1994, voters approved Proposition B, which authorized the issuance of up to \$60.0 million in lease revenue bonds for the acquisition and construction of a combined dispatch center

for the City's emergency 9-1-1 communication system and for the emergency information and communications equipment for the center. To date, \$45.9 million of Proposition B lease revenue bonds have been issued and there is approximately \$14.0 million in remaining authorization. There are no current plans to issue additional debt under the Proposition B authorization.

In March 2000, voters approved Proposition C, which extended a two and one-half cent per \$100 in assessed valuation property tax set-aside for the benefit of the Recreation and Park Department (the Open Space Fund). Proposition C also authorized the issuance of lease revenue bonds or other forms of indebtedness payable from the Open Space Fund. The City issued \$27.0 million and \$42.4 million of such Open Space Fund lease revenue bonds in October 2006 and October 2007, respectively. The City issued refunding lease revenue bonds to refinance the remaining outstanding amounts of the Series 2006 and Series 2007 Open Space Fund lease revenue bonds in August 2018.

In November 2007, voters approved Proposition D, which renewed a two and one-half cent per \$100 in assessed valuation property tax set-aside for the benefit of the Library (the Library Preservation Fund) and authorized the City to issue lease revenue bonds or other types of debt to construct and improve library facilities. The City issued Library Preservation Fund lease revenue bonds in the amount of \$34.3 million in March 2009 and refinanced these obligations with the issuance of refunding lease revenue bonds in August 2018.

COMMERCIAL PAPER PROGRAM

In March 2009, the City approved the establishment of a not-to-exceed \$150 million Lease Revenue Commercial Paper Certificates of Participation Program (the CP Program). Under the CP Program, Commercial Paper Notes

(the CP Notes) are issued from time to time to pay approved project costs in connection with the acquisition, improvement, renovation, and construction of real property and the acquisition of capital equipment and vehicles in anticipation of long-term or other takeout financing to be issued when market conditions are favorable. Projects are eligible to access the CP Program once the Board and the Mayor have approved the project and the long-term, permanent financing for the project. In July 2013, the City approved an additional \$100 million of commercial paper for a total authorized CP Program of \$250 million.

The City's CP Program is secured by two revolving credit facilities. The Series 1 and Series 2 CP notes are secured by a \$150 million revolving credit facility issued by Wells Fargo Bank which expires in March 2026. The Series 3 CP notes are secured by a \$100 million revolving credit facility issued by Bank of the West which expires in April 2026.

As of April 15, 2023, the outstanding principal amount of CP Notes was \$33.2 million with a weighted average interest rate of 4.26 percent. The CP Program currently provides interim financing for the following projects: Hall of Justice Projects, HOPE SF, Housing Trust Fund Projects, the Homeless Services Center, the Laguna Honda Hospital Wings Improvement Project, Critical Repairs & Recovery Stimulus projects, and Police Vehicles projects. The CP program has previously financed other various projects including 49 South Van Ness, the Animal Care & Control Facility, and the Moscone Convention Center Expansion.

OVERLAPPING DEBT OBLIGATIONS

Overlapping debt obligations are long-term obligations that are often sold in the public credit markets by public agencies whose boundaries overlap the boundaries of the City in whole or in part. In many cases, overlapping debt obligations issued by a public agency are payable only from

the revenues of the public agency, such as sales tax receipts, property taxes, and special taxes generated within the City's boundaries. Overlapping debt obligations of the City have been issued by public agencies such as the Office of Community Investment and Infrastructure (OCII), Association of Bay Area Governments (ABAG), the Bayshore-Hester Assessment District, the Bay Area Rapid Transit District (BART), the San Francisco Community College District, and the San Francisco Unified School District.

DEBT LIMIT

The City's debt limit for outstanding G.O. bond principal is governed by Section 9.106 of the City's Charter and is subject to Article XIII of the State Constitution. Under the Charter, the City's outstanding G.O. bond principal is limited to three percent of the assessed value of all taxable real and personal property located within the jurisdiction of the City and County of San Francisco.

As indicated in **Table 3**, the City has a current G.O. bond limit of \$9.9 billion, based upon the Controller's Certificate of Assessed Valuation released on August 8, 2022 (FY 2022-23 AV). As of April 15, 2023, the City has \$2.9 billion of G.O. bonds outstanding, which results in a G.O. bond debt to assessed value ratio of 0.87 percent. Based on the FY 2022-23 AV, the City's remaining legal capacity for G.O. bond debt is \$7.0 billion. The

FY 2023-24 AV will be released in August 2023 and will likely result in modest growth in the City's G.O. bond debt capacity. The City has \$1.3 billion in voter authorized and unissued G.O. bonds. The amount of authorized but unissued debt is not included in the debt limit calculation since the limit applies only to outstanding bonds. Principal on previously issued bonds is repaid on a continuous basis allowing for additional debt capacity despite continued authorization for the issuance of new debt. Furthermore, debt capacity will increase or decrease as the City's total assessed property value changes.

CITIZENS' GENERAL OBLIGATION BOND OVERSIGHT COMMITTEE

In March 2002, San Francisco voters approved Proposition F, creating the Citizens' General Obligation Bond Oversight Committee (the Committee). The purpose of the Committee is to inform the public about the expenditure of G.O. bond proceeds. The Committee actively reviews and reports on the expenditure of taxpayers' money in accordance with the voter authorization. The Committee provides oversight for ensuring that (1) G.O. bond proceeds are expended only in accordance with the ballot measure, and (2) no G.O. bond funds are used for any administrative salaries or other general governmental operating expenses, unless specifically authorized in the ballot measure for such G.O. bonds.

Proposition F provides that all ballot measures seeking voter authorization for G.O. bonds after the 2002 adoption of Proposition F must provide that 0.1 percent of the gross proceeds from the proposed bonds be deposited in a fund established by the Controller’s Office and appropriated by the Board at the direction of the Committee to cover the Committee’s costs. The Committee, which was initially convened on January 9, 2003, continuously reviews existing G.O. bond programs. The Committee issues reports on the results of its activities to the Board of Supervisors at least once a year.

Since the Committee was convened in 2003, the voters have approved approximately \$5.6 billion in G.O. Bonds to fund various bond programs such as Clean and Safe Neighborhood Parks Bonds, Earthquake Safety and Emergency Response Bonds, Road Repaving & Street Safety Bonds, San Francisco General Hospital Bonds, Transportation and Road Improvement Bonds, Affordable Housing Bonds, Public Health and Safety Bonds, Seawall, and Health and Recovery Bonds.

ENTERPRISE DEPARTMENT PRINCIPAL OUTSTANDING AND DEBT SERVICE

Certain Public Service Enterprise departments of the City and County of San Francisco have outstanding revenue bond indebtedness that does not require discretionary City funding for their support. The departments include the Airport Commission, Municipal Transportation Agency, Port Commission, and the Public Utilities Commission. These departments have issued revenue bonds to leverage operating revenues to finance capital projects and acquisitions, many of which provide a direct revenue benefit or cost savings to the public. **Table 4** shows the total estimated FY 2023-24 principal outstanding and debt service payments due for these enterprise departments.

As of July 1, 2023, the Public Service Enterprise Departments are expected to have approximately \$15.2 billion principal outstanding, with \$1.2 billion expected to be issued by the end of FY 2023-24.

The FY 2023-24 budget provides for an annual debt service payment of \$1.04 billion for Public Service Enterprise departments bonds.

CAPITAL PROJECTS

CAPITAL PROJECTS

THE CAPITAL PLANNING PROCESS onesanfrancisco.org

Beginning in Fiscal Year (FY) 2005-06, San Francisco centralized its capital planning process by enacting legislation that required the creation of a multi-year capital plan. As a result, while departments receive funds annually for capital projects, the City strategizes, prioritizes and plans for capital expenditures on a ten-year timeframe.

This process is guided by the Ten-Year Capital Plan (the Plan). Every other year, the City Administrator submits the proposed Plan to the Mayor and Board of Supervisors (Board), as required under Section 3.20 of the Administrative Code. The Plan provides an assessment of the City's capital infrastructure needs and a financing plan for addressing those needs. The Plan is a coordinated citywide approach to long-term infrastructure planning covering the City's General Fund departments, as well as enterprise departments and external agencies. Under the authority of the City Administrator, the Office of Resilience and Capital Planning prepares the Plan and presents it to the Capital Planning Committee (CPC) for review. The Plan is then submitted to the Board by March 1 for approval no later than May 1 every odd-numbered year.

Following the Plan's adoption, CPC proposes a rolling two-year capital budget for consideration by the Board during the regular budget process. The currently proposed FY 2024-33 Capital Plan was approved by the CPC on May 9.

The capital budget was updated on the following timeline:

- **JANUARY 20:** Budget requests due from departments
- **APRIL 24:** Review of General Fund department budget scenarios
- **MAY 22:** Capital Planning Committee approval of General Fund department budget
- **MAY 31:** Citywide proposed budget, including capital budget, submitted to the Board of Supervisors

About The Ten-Year Capital Plan

The City's current Ten-Year Capital Plan recommends total investments over \$41 billion between Fiscal Years 2023-24 and 2032-33. The proposed projects address capital needs related to eight service areas: Affordable Housing; Economic and Neighborhood Development; General Government; Health and Human Services; Infrastructure and Streets; Public Safety; Recreation, Culture and Education; and

Transportation. **Table 1** shows how the Plan recommends investment across these service areas.

The most recently approved Plan reflects a renewed level of investment in the Pay-As-You-Go program, with increased General Fund investment at \$2.2 billion from \$1 billion in the previous capital plan adopted for FY 2022-31. The COVID-19 pandemic and its related impacts continue to have consequences on the City's funding capacity.

The loss of revenue for capital projects is made up by Certificate of Participation (COP) investments. The Plan anticipates \$527 million in Certificates of Participation (COPs), also known as General Fund debt, over the next 10 years. COPs are backed by a physical asset in the City’s capital portfolio and repayments are appropriated each year out of the General Fund. While the overall COP program is \$238 million lower than the previous Plan, it makes significant commitments in the early years to address reductions in the Pay-Go Program and support projects to promote economic stimulus and racial equity. In addition, the Plan proposes approximately \$2.0 billion in General Obligation (G.O.) debt over the next decade, up from \$1.25 billion in the previous capital plan. Due to a historic number of successful bond measures over the two-year interim period, the City will be able to issue \$1.7 billion in G.O. bonds to address critical needs in earthquake safety and emergency response, affordable housing, public health, homelessness and open space. As a result, there is significantly reduced capacity in the G.O. Bond program looking forward. Despite this reduced capacity, the FY 2024-33 Capital Plan incorporates \$310 million for Shelters and Public Health capital needs, and \$200 million for Shelters and Affordable Housing in 2024.

Funding principles from the Plan that help establish capital priorities for the City are to:

- Address legal or regulatory mandates.
- Protect life safety and minimize physical danger to those who work in and use City infrastructure and facilities.
- Enhance resilience and eliminate racial and social disparities so that all San Franciscans may thrive.
- Ensure asset preservation and sustainability, i.e. timely maintenance and renewal of existing infrastructure.
- Serve programmatic or planned needs, i.e. formal objectives of an adopted plan or action by the City’s elected officials.
- Promote economic development with projects that are expected to increase revenue, improve government effectiveness, or reduce operating costs.

Capital-Related Policies

The City’s Ten-Year Capital Plan is financially constrained, meaning that it lists funded as well as deferred projects that are selected based on fiscally responsible and transparent policies. The FY 2024-33 Capital Plan generally retains most policies and practices set in prior year plans,

including restrictions around debt issuance, in order to meet key objectives such as:

- Growing the Pay-As-You-Go program at a rate that allows the City to address its facilities backlog.
- Funding Street Resurfacing to maintain a Pavement Condition Index (PCI) in a state of good repair with a score of 75.
- Prioritizing the City's curb ramp program and barrier removal projects to improve accessibility for all.
- Prioritizing regulatory requirements, life safety concerns, and the maintenance of current assets in order to reduce the City's backlog of deferred capital projects.
- Keeping property tax rates at or below 2006 levels.
- Funding critical enhancements to cover unexpected capital needs and emergencies as well as projects that are not good candidates for debt financing.

Operating Impacts of Capital Projects

The vast majority of projects in the City's Capital Plan and Budget address the needs of existing assets and are not expected to substantially impact operating costs. For those projects where a substantial operational impact is expected, San Francisco Administrative Code Section 3.20 states, "The capital expenditure plan shall include a summary of operating costs and impacts on city operations that are projected to result from capital investments recommended in the plan." This operations review includes expected changes in the cost and quality of city service delivery.

Such operational planning is a foundational component of the pre-development planning for the City's large-scale capital projects, and is included in the Plan whenever possible. In practice, because projects are often described in the Plan so far in advance of their construction, and even

before pre-planning is complete, operating impacts are typically not available in detail at the time of Plan publication. More often, operating impacts are presented to the Capital Planning Committee as project plans come into focus.

Departments present future one-time and ongoing costs of their projects to the Capital Planning Committee as part of the funding approval process. The Capital Planning Committee considers recurring salary and benefits costs, other operating costs such as maintenance and any anticipated recurring revenues to understand the net operating impacts of major projects. Considerations for the costs of stand-alone facilities include ongoing costs like staffing and utilities, as well as one-time costs like furniture, fixtures, and equipment. The near-term impacts of major projects are reflected in the projected sources and uses of the City's Five-Year Financial Plan, issued every other year. In addition, renewal needs and condition assessments for all facilities and infrastructure are modeled before a project is funded. These models are updated annually as a part of the capital planning process.

Eligible Capital Project Types

Capital projects funded through the annual budget are considered part of the Plan's Pay-As-You-Go (Pay-Go) Program. Debt-financed projects are typically funded through supplemental appropriations and considered outside of the annual budgeting process. Projects funded through the Pay-As-You-Go Program fall into one of five general funding categories defined below:

ADA Facility Transition Plan and ADA Right-of-Way: ADA Facility investments are barrier removal projects on public buildings. ADA Right-of-Way projects correspond to on-demand curb ramp work. These dedicated ADA projects represent a small fraction of the accessibility improvements the Plan funds, as capital projects frequently include accessibility upgrades that are not counted as separate line items.

Routine Maintenance: Projects that provide for the day-to-day maintenance of existing buildings and infrastructure, including labor costs. Unlike renewals and enhancements, these annual expenditures are often a mix of capital and operating expenses, and they can be used for minor renewals according to department needs.

Street Resurfacing: This funding is used to maintain a citywide average PCI score of 75.

Critical Enhancement: An investment that increases an asset's value or useful life and changes its use. Critical enhancement projects include emergency repairs and improvements that address growth or other priority capital needs that are not good candidates for debt financing due to size or timing.

Facility and Right-of-Way Infrastructure

Renewals: An investment that preserves or extends the useful life of existing facilities or infrastructure.

The categories of spending captured in the Capital Budget mirror those of San Francisco's Ten-Year Capital Plan and enable the City to chart trends, measure capital spending in terms of best practices, and report against the City's targets for state of good repair spending.

Historical Capital Accomplishments

The City's first Ten-Year Capital Plan was adopted on June 20, 2006, and recommended \$16 billion in total investments and \$3 billion in General Fund investments through FY 2014-15. Since its adoption, nearly all of the high-priority projects identified in the first Plan have been accomplished while planned General Fund investments have surpassed \$5 billion.

General Obligation (G.O.) Bonds and Certificates of Participation

Prior to 2008, San Francisco voters had not authorized any G.O. bonds since 2000, which

contributed to the City's infrastructure maintenance backlog. Since 2008, voters have approved \$5.9 billion in G.O. bonds for hospitals, clinics, parks, police stations, firefighting facilities, public safety operations, transportation, streets, shelter and affordable housing. Recent levels of investment are higher than at any other time in the City's history. New bonds are only issued as old ones are retired and/or the City's base of net assessed value grows. This policy has ensured the repayment of these obligations without raising property tax rates for San Francisco residents and businesses since 2006.

COPs, which are repaid from the General Fund, are another financing method used to address infrastructure projects. COPs are reserved for projects with a revenue source, such as the Moscone Convention Center, or for critical improvements such as those at the War Memorial Veterans Building and the Animal Care and Control Facility. These issuances are limited to an amount that results in debt service that is no more than 3.25 percent of the discretionary General Fund budget.

Pay-As-You-Go Capital Investments

The annual General Fund investment in the Pay-As-You-Go Program will be \$59 million in FY 2023-24 and \$59 million in FY 2024-25. These funds go toward maintaining basic infrastructure and investing in the City's assets including facility renovations, street repaving, right-of-way renewals, ADA improvements, critical enhancements and regular maintenance. In the five years prior to the COVID-19 pandemic the City had an average General Fund investment of \$144 million annually, however in light of the shortfalls caused by COVID-19, the Capital Plan recommendation was reduced. These shortfalls are being addressed through the issuance of \$60 million in FY 2023-24 Certificates of Participation to address critical repairs and street repaving.

Integration of Impact Fees

In the early 2000s, several planning initiatives to transform former industrial areas into new neighborhoods in east San Francisco were partially funded by impact fees. Projects funded by these impact fees include pedestrian and streetscape enhancements, transportation improvements, new parks, library assets and childcare facilities. The impact fees are managed by the Interagency Planning Implementation Committee in collaboration with the Citizens' Advisory Committee for each plan area.

Projected revenues have slowed due to the overall decline of the developer project pipeline.

Streets Program

In addition to providing a safer and smoother ride for users, streets with a higher PCI score last longer and are less expensive to maintain, which results in operating savings in future years. A block with a PCI score of 85-100 is in excellent condition and does not require any treatment. In 2011, the City's streets were at an average PCI score of 63 and declining quickly.

Since then, the City has made streets funding a top priority and, with the help of voters, passed the Road Repaving and Streets Safety Bond, which provided funding to increase the City's overall PCI score to 67. Now at 74, San Francisco is continuing to improve its citywide average PCI score with large SB1 investments from the Pay-As-You-Go program, complemented by General Fund. This will save the City millions on future street repaving costs, save Muni on vehicle repair costs and reduce citizens' annual car maintenance costs. Considering financial constraints, the Plan's funding levels for streets will maintain the PCI at 74 during the 10-year cycle.

Recent Major Projects

Since 2020, the City has completed or broken ground on a number of major projects, including:

- Produced 2,600 new affordable housing units through 10 groundbreakings.
- Completed the City's Housing Element, centering on racial and social equity.
- Completed Fire Station 35, an innovative new floating station berthed at Pier 22 1/2, funded through ESER 2014.
- Completed the Animal Care and Control replacement animal shelter at 1419 Bryant Street.
- Opened the Embarcadero SAFE Navigation Center and expanded the Division Circle Navigation Center.
- Completed seismic retrofit and modernization of Maxine Hall and Castro Mission Health Centers, also funded by the 2016 Health and Safety G.O. Bond.
- Achieved a citywide PCI of 74. All districts have had at least one-third of their blocks resurfaced since 2009.
- Completed the Salesforce Transit Center, with ongoing work to form a mixed-use neighborhood surrounding the Transit Center.
- Completed the Downtown San Francisco Ferry Terminal Expansion Project.
- Renovation of the Bayview Opera House for greater accessibility and community use.
- Moved police staff into the newly completed Forensic Services Division.
- Opened the Central Subway, extending the T-line through SoMa, Union Square and Chinatown.
- Connected over 8,096 units with free broadband internet access over the last 5 years.
- Modernization of the City's 100+ year-old sewer system.
- Improvements to the City's Emergency Firefighting Water System.
- Designed, constructed, or upgraded thousands of curb ramps to comply with ADA standards.

The proposed FY 2023-24 and FY 2024-25 budget funds capital investment at \$512 million for General Fund departments over the two-year period.

The proposed budget includes funding the General Fund Capital Budget Pay-Go Program at \$59 million per year in FY 2023-24 and FY 2024-25. Due to ongoing capital funding reductions post-COVID, in FY 2023-24 the budget also proposes \$25.6 million for a Critical Repairs Program and \$32.5 million for Street Repaving – funded through Certificates of Participation. Additional revenues for capital investments come from non-General Fund sources, state and federal grants, impact fees, and other locally generated revenues. These revenue sources total \$271 million in FY 2023-24 and \$65 million in FY 2024-25.

Capital investment is critical for keeping the City's infrastructure, roads, parks, and public safety facilities in a state of good repair and maintaining the City's service delivery capabilities. Highlights from the FY 2023-24 and FY 2024-25 proposed Capital Budget include funding for:

- Street repaving, pothole repair, and sidewalks.
- Critical repairs to roofs, elevators, and HVAC systems across the City's facilities.
- On-going curb ramp improvements and barrier removals for improved accessibility citywide.
- Funding for essential parks infrastructure such as fields, courts, forestry, fencing, and erosion control.

IT PROJECTS

INFORMATION & COMMUNICATION TECHNOLOGY PROJECTS

SF.GOV/COIT

THE COMMITTEE ON INFORMATION TECHNOLOGY (COIT)

Investment in information and communications technology (IT or ICT) enables the City and County to enhance city services, facilitate resident and visitor engagement, and utilize data to better inform leaders and policymakers.

The City plans, funds, and coordinates IT projects through the Committee on Information Technology (COIT). COIT is responsible for advising the Mayor and Board of Supervisors (Board) on technology matters and setting overall technology direction for the City.

Every other year, COIT publishes the City's Information and Communication Technology Plan (ICT Plan) to proactively plan, fund, and implement the City's technology efforts to align with the Mayor's goals on equity and government accountability. The ICT Plan for Fiscal Year (FY) 2023-24 through FY 2027-28 was proposed by COIT in the spring of 2023, and the full plan can be found on the COIT website at sf.gov/coit.

INFORMATION AND COMMUNICATION TECHNOLOGY PLAN (ICT PLAN)

The proposed Five-Year ICT Plan presents a vision of government services that are available and universally accessible in times of crisis and beyond.

This vision reflects the increased importance of ensuring the accessibility and reliability of City services that are essential to our economic recovery. The Plan outlines a path to coordinate technology investments, improve city services, and improve the resilience of our most critical systems.

The ICT plan identifies three strategic IT goals:

- Online and Accessible City Services Residents Can Use.
- Integrated City Operations that are Efficient and Cost-Effective.
- IT Infrastructure You Can Trust.

FY 2023-24 and FY 2024-25 Proposed ICT Budget

COIT recommends strategic investments in technology projects citywide. The FY 2023-24 and FY 2024-25 Mayor's proposed budget provides \$53.9 million in funding for 14 projects for the two years, including:

City Telecom Modernization

Phone systems across the City are relying on aging technology and require replacement. The City will convert more than 35,000 phone lines from more than 100 telephone systems to Voice Over Internet Protocol (VOIP).

Digital Accessibility & Inclusion Support

COIT adopted the citywide Digital Accessibility and Inclusion Policy to ensure city websites are accessible regardless of disability and across languages. This project will continue to provide secure web hosting on the growing SF.gov site.

Computer Aided Dispatch (CAD) Replacement

The City's CAD system is a tool for tracking field personnel of the City's police, fire, sheriff and other public safety agencies. The current system was purchased in 2001 and is at end-of-life. Cut-over to the new system is planned to go live in 2023.

Human Resources Modernization

The Department of Human Resources (DHR) is continuing to modernize the employee and job candidate experience within the City by developing an employee onboarding tool and e-personnel filing system. This work builds on the City's new applicant tracking system that went live in 2021, and will improve the candidate experience by shortening time-to-hire. Additionally, DHR will begin developing a "one-stop shop" intranet to improve the accessibility of key resources for employees. This project will facilitate organization-wide communication, increase employee productivity, and improve team collaboration.

JUSTIS Data Center of Excellence

The City reached a significant milestone in the JUSTIS project, completely retiring the mainframe and launching a new modernized court case management system that will transform and streamline case management and improve access and services to judicial partners and the community at-large. The next phase of the JUSTIS hub will provide a data sharing and analysis platform for the courts and public safety agencies.

Infrastructure Modernization

Over the past four years, the City has invested in modernizing network and data center infrastructure. The proposed budget continues the Department of Technology's work by improving resilience in the City's data centers. This will allow for rapid recovery of critical city systems in the event of a failure, such as a power outage or a natural disaster.

Public Safety and Public Service Radio Replacement

The Public Safety and Public Service Radio Replacement Project will upgrade the citywide radio communications system used primarily by the City's public safety agencies. The new technology will support over 9,000 mobile and handheld radios, with 10 city departments and four outside agencies operating daily on the system.

New Property Assessment and Tax System

The Assessor, the Treasurer-Tax Collector, and the Controller are replacing the property tax system in order to better support document capture, reporting, storage maintenance, conversion migration services, and management.

Jail Management System

The Sheriff's Jail Management System is at end-of-life and requires replacement. A modern, supported system will allow the department to more efficiently manage operations and increase accountability by improving data sharing between Sheriff and partnering City agencies.

SF Cloud Expansion

The City uses four central data centers to support daily operations. The Department of Technology seeks to enhance the provisioning and functionality of Infrastructure-as-a-Service (IaaS) and Platform-as-a-Service (PaaS) services for city departments. In the next year, the City will provide departments with advice and expertise in platforms to optimize business functions and disaster recovery, and consolidate procurement of cloud services to achieve economies of scale.

Empty Homes Tax

In November 2022, a ballot measure was passed to implement a new tax on vacant units. It is effective January 1, 2024. The tax is unique in that property owners are required to file information regarding the vacancy of their unit; these owners are not normally subject to filing a return or being assessed on this basis. The tax is assessed based on number of days vacant with exemptions related to building permits, construction, and other factors per the tax. The new technology will support the creation

of a database that determines the filing universe, filer requirements, and timelines for the new tax. The system will be an online and accessible form for taxpayers to file and pay. It will also provide effective customer service, including targeted taxpayer outreach and education.

Legislative Management System

The Board of Supervisors are replacing the previous Legislative Management System. The new system will better support City boards, commissions and other task force throughout the legislative process. The new system will allow departments to automate legislative processes from submission to codification in the Municipal Code. In addition, the system will create an online public portal with a Heat Map for tracking legislative items. Another major function of the system deals with record retention as the system will serve as a records repository for preserving the last century of the City's legislative history and saving department reports and records associated with each file.

ADDITIONAL BUDGETARY RESOURCES

ADDITIONAL BUDGETARY RESOURCES

The Mayor's proposed Fiscal Years (FY) 2023-24 and 2024-25 budget for the City and County of San Francisco (the City), published on June 1, is one of several financial documents that can be a resource to the public. Other sources of financial information include:

Consolidated Budget and Appropriation Ordinance, FY 2023-24 and FY 2024-25

The Consolidated Budget and Appropriation Ordinance (BAO) contains the City's sources of funds and their uses, detailed by department. This document provides the legal authority for the City to spend funds during each fiscal year. The BAO is released annually with the Board's passage and the Mayor's signing of the final budgets. An interim BAO is passed by a continuing resolution of the Board and provides the City's interim operating budget between the end of the fiscal year on June 30 and when the final budget is passed.

Annual Salary Ordinance, FY 2023-24 and FY 2024-25

The Annual Salary Ordinance (ASO) is the legal document that authorizes the number of positions and job classifications in departments for the budgeted fiscal years. The ASO is passed at the same time as the BAO.

Annual Comprehensive Financial Report

The City's Annual Comprehensive Financial Report (ACFR) summarizes the performance of all revenue sources and accounts for total expenditures in any given fiscal year. The ACFR for the fiscal year ending June 30, 2022 is currently available. The FY 2022-23 ACFR will be made available by the Controller after the fiscal year has closed and the City's financial reports have been reviewed and certified.

Five-Year Financial Plan and Joint Report

The City's Five-Year Financial Plan forecasts expenditures and revenues during the five-year period, proposes actions to balance revenues and expenditures during each year of the plan, and discusses strategic goals and corresponding resources for city departments. The Plan is published each odd calendar year by the Controller's Office, the Mayor's Office of Public Policy and Finance, and the Board of Supervisors' Budget and Legislative Analyst. In even calendar years, the Five-Year Financial Plan Update, commonly known as the Joint Report, is issued and is currently available for FY 2023-24 through FY 2027-28.

COMMONLY USED TERMS

ACCRUAL BASIS ACCOUNTING – An accounting methodology that recognizes revenues or expenditures when services are provided.

ANNUAL COMPREHENSIVE FINANCIAL REPORT (ACFR) – The City’s Annual Financial Report, which summarizes the performance of all revenue sources and accounts for total expenditures in the prior fiscal year.

ANNUALIZATION – Adjusting a partial year revenue or expense to reflect a full year’s worth of income or spending.

APPROPRIATION – Legislative designation of money to a department, program, or project for a particular use, including operations, personnel, or equipment.

ATTRITION SAVINGS – Salary savings that result when positions at a department are vacant.

BALANCED BUDGET – A budget in which revenues equal expenditures, with no deficit.

BALANCING – Process of making revenues match expenditures within each departmental budget and within the City budget as a whole.

BASE BUDGET – The budget predicated on maintaining the existing level of services and operations. The City and County of San Francisco require two-year budgeting annually, and the second year of the budget becomes the base budget for the following budget cycle.

BASELINE – (1) The annualized budget for the current fiscal year, which serves as the starting point for preparing the next fiscal year’s budget. (2) A required minimum of spending for a specific purpose.

BOND – A debt investment in which an investor loans money to an entity that borrows the funds for a defined period of time at a fixed interest rate. Bonds are used by companies and governments to finance a variety of projects and activities.

BUDGET AND APPROPRIATION ORDINANCE (BAO) – The legislation that enacts the annual two-year budget. Formerly the Annual Appropriation Ordinance (AAO).

BUDGET CYCLE – The period of time in which the City’s financial plan for the upcoming fiscal year is developed; submitted to, reviewed, and enacted by the Board of Supervisors and signed by the Mayor; and implemented by city departments.

CAPITAL BUDGET – Funds to acquire land, plan and construct new buildings, expand or modify existing buildings, and/or purchase equipment related to such construction.

CAPITAL EXPENDITURE – Expenditures creating future benefits, used to acquire or upgrade physical assets such as equipment or property.

CARRYFORWARD – Funds remaining unspent at year-end that a department requests permission to spend during the following fiscal year. Some funds carry forward automatically at year-end.

CASH BASIS ACCOUNTING – An accounting methodology that recognizes revenues and expenditures when payments are actually made.

COVID-19 – An illness caused by a virus that can spread from person to person that created a global pandemic.

COST-OF-LIVING ADJUSTMENT (COLA) – A regularly scheduled adjustment to salaries, aid payments, or other types of expenditures to reflect the cost of inflation.

COUNTY-WIDE COST ALLOCATION PLAN

(COWCAP) – The County-Wide Cost Allocation Plan is developed annually by the Controller’s Office and calculates the overhead rate charged to each department for its share of citywide overhead costs, such as payroll, accounting, and operations.

DEFICIT – An excess of expenditures over revenues.

ENTERPRISE DEPARTMENT – A department that does not require a General Fund subsidy because it generates its own revenues by charging fees for services.

FIDUCIARY FUND – Used to account for assets held in trust by the government for the benefit of individuals or other entities. Government employee pension funds are an example of a fiduciary fund. Fiduciary funds are one of the three broad types of government funds, the other two being governmental and proprietary funds.

FISCAL YEAR – The twelve-month budget cycle. San Francisco’s fiscal year runs from July to June 30.

FRINGE – The dollar value of employee benefits such as health and dental, which varies from position to position.

FULL-TIME EQUIVALENT (FTE) – One or more employees who cumulatively work 40 hours/week.

FUND – Government budgets are made up of funds that organize and account for specific resources. Each fund is considered a separate accounting entity.

FUND BALANCE – The amount of funding that remains in a given fund at the end of the fiscal year.

GENERAL FUND – The largest of the City’s funds, the General Fund is a source for discretionary spending and funds many of the basic municipal services such as public safety, health and human services, and public works. Primary revenue sources include local taxes such as property, sales, payroll, and other taxes.

GENERAL FUND DEPARTMENT – A department that receives an annual appropriation from the City’s General Fund.

GOVERNMENTAL FUND – The City’s basic operating fund, includes the General Fund and Capital projects. One of the three broad types of government funds, the other two being the fiduciary fund and the proprietary fund.

INTERIM BUDGET – The citywide budget that is in effect for the first two months of the fiscal year, during the lag period between July 1—the date on which the Board of Supervisors must technically submit its budget—until mid-August when the new budget is signed into effect by the Mayor. The Mayor’s proposed budget serves as the interim budget.

MAJOR AND PROPRIETARY FUND – Used to account for a government’s on-going activities and operations, the proprietary fund includes enterprise funds (which account for activities in which a fee is charged to external user) and internal service funds (used for services provided to other funds or departments). One of the three broad types of government funds, the other two being the fiduciary fund and the governmental fund.

MAYOR’S PROPOSED BUDGET – The citywide budget submitted to the Board of Supervisors by the Mayor’s Office, by May 1 for selected Enterprise and other departments and June 1 for all remaining departments, that makes recommendations and estimates for the City’s financial operations for the ensuing fiscal year.

MEMORANDUM OF UNDERSTANDING (MOU) – A binding agreement between two parties.

ORDINANCE – A proposed or enacted law. Typically prepared by the City Attorney.

RAINY DAY CITY AND SCHOOL RESERVES

– Funds that are legally set-aside by the City Charter, Section 9.113.5, with the intent of protecting the City from being negatively impacted

by the economy's boom-bust cycle. Generally, the Rainy Day Reserve requires that money be saved when revenue growth exceeds a certain level (in good economic times) in order to create a cushion during economic downturns. Pursuant to Proposition C, approved by San Francisco voters in November of 2014, the original Rainy Day Reserve was split into two separate reserves—the City Reserve for use by the City and the School Reserve for use by the San Francisco Unified School District.

RESOLUTION – A type of legislation. Typically prepared by the sponsoring department or a member of the Board of Supervisors and generally directed internally.

REVISED BUDGET – The department's budget at the end of the fiscal year. Over the course of the fiscal year, the department's original budget may be amended to reflect supplemental appropriations, and receipt of unbudgeted grants.

SALARY ORDINANCE – The legislation that grants departments the authority to fill a specified number of positions during the fiscal year. Note that this is not the same as having the funding to fill that number of positions. Formerly the Annual Salary Ordinance (ASO). This legislation is passed at the same time as the Budget and Appropriation Ordinance.

SPECIAL FUND – Any fund other than the General Fund. Revenues in special funds are non-discretionary.

SURPLUS – An excess of revenue over expenditures.

TECHNICAL ADJUSTMENT – Changes made by the Mayor's Office to the Mayor's proposed budget after it has been submitted to the Board of Supervisors.

TWO-YEAR BUDGETING – The citywide process (beginning Fiscal Year 2012-13) of budgeting each year for the next two fiscal years.

5 BE IT ORDAINED BY THE PEOPLE OF THE CITY AND COUNTY OF SAN FRANCISCO.

6 **SECTION 3. General Authority.**

7 The Controller is hereby authorized and directed to set up appropriate accounts for the
8 items of receipts and expenditures appropriated herein.

9
10 **SECTION 3.1 Two-Year Budget.**

11 For departments for which the Board of Supervisors has authorized, or the Charter requires,
12 a fixed two-year budget, appropriations in this ordinance shall be available for allotment by
13 the Controller on July 1st of the fiscal year in which appropriations have been approved.
14 The Controller is authorized to adjust the two-year budget to reflect transfers and
15 substitutions consistent with City's policies and restrictions for such transfers. The Controller
16 is further authorized to make adjustments to the second year budgets consistent with
17 Citywide estimates for salaries, fringe benefits, and work orders.

18
19 **SECTION 4. Interim Budget Provisions.**

20 All funds for equipment and new capital improvements shall be held in reserve until final
21 action by the Board of Supervisors. No new equipment or capital improvements shall be
22 authorized during the interim period other than equipment or capital improvements that, in
23 the discretion of the Controller, is reasonably required for the continued operation of existing
24 programs or projects previously approved by the Board of Supervisors. Authorization for the
25 purchase of such equipment may be approved by the Board of Supervisors.

1 During the period of the interim annual appropriation ordinance and interim annual salary
2 ordinance, no transfer of funds within a department shall be permitted without approval of
3 the Controller, Mayor's Budget Director and the Chair of the Budget and Finance
4 Committee.

5
6 When the Budget and Finance Committee or Budget and Appropriations Committee
7 reserves selected expenditure items pending receipt of additional information from
8 departments, upon receipt of the required information to the satisfaction of that committee,
9 the Controller may release the previously reserved funds with no further action required by
10 the Board of Supervisors.

11
12 If the Budget and Finance Committee or Budget and Appropriations Committee
13 recommends a budget that increases funding that was deleted in the Mayor's Budget, the
14 Controller shall have the authority to continue to pay these expenses until final passage of
15 the budget by the Board of Supervisors, and approval of the budget by the Mayor.

16
17 **SECTION 4.1 Interim Budget – Positions.**
18 No new position may be filled in the interim period with the exception of those positions
19 which in the discretion of the Controller are critical for the operation of existing programs or
20 for projects previously approved by the Board of Supervisors or are required for emergency
21 operations or where such positions would result in a net increase in revenues or where such
22 positions are required to comply with law. New positions shall be defined as those positions
23 that are enumerated in the Mayor's budget for the current fiscal year but were not
24 enumerated in the appropriation and salary ordinances for the prior fiscal year, as amended,
25 through June 30 of the prior fiscal year. In the event the Mayor has approved the

1 reclassification of a position in the department's budget for the current fiscal year, the
2 Controller shall process a temporary or "tx" requisition at the request of the department and
3 subject to approval of the Human Resources Director. Such action will allow for the
4 continued employment of the incumbent in his or her former position pending action by the
5 Board of Supervisors on the proposed reclassifications.

6
7 If the Budget and Finance Committee or Budget and Appropriations Committee of the Board
8 of Supervisors recommends a budget that reinstates positions that were deleted in the
9 Mayor's Budget, the Controller and the Human Resources Director shall have the authority
10 to continue to employ and pay the salaries of the reinstated positions until final passage of
11 the budget by the Board of Supervisors, and approval of the budget by the Mayor.

12

13 **SECTION 5. Transfers of Functions and Duties.**

14 Where revenues for any fund or department are herein provided by transfer from any other
15 fund or department, or where a duty or a performance has been transferred from one
16 department to another, the Controller is authorized and directed to make the related transfer
17 of funds, provided further, that where revenues for any fund or department are herein
18 provided by transfer from any other fund or department in consideration of departmental
19 services to be rendered, in no event shall such transfer of revenue be made in excess of the
20 actual cost of such service.

21

22 Where a duty or performance has been transferred from one department to another or
23 departmental reorganization is effected as provided in the Charter, in addition to any
24 required transfer of funds, the Controller and Human Resources Director are authorized to
25 make any personnel transfers or reassignments between the affected departments and

1 appointing officers at a mutually convenient time, not to exceed 100 days from the effective
2 date of the ordinance or Mayoral memorandum transferring the duty or function. The
3 Controller, the Human Resources Director and Clerk of the Board of Supervisors, with
4 assistance of the City Attorney, are hereby authorized and directed to make such changes
5 as may be necessary to conform all applicable ordinances to reflect said reorganization,
6 transfer of duty or performance between departments.

7

8 **SECTION 5.1 Agencies Organized under One Department.**

9 Where one or more offices or agencies are organized under a single appointing officer or
10 department head, the component units may continue to be shown as separate agencies for
11 budgeting and accounting purposes to facilitate reporting. However, the entity shall be
12 considered a single department for purposes of employee assignment and seniority,
13 position transfers, and transfers of monies among funds within the department, and
14 reappropriation of funds.

15

16 **SECTION 5.2 Continuing Funds Appropriated.**

17 In addition to the amount provided from taxes, the Controller shall make available for
18 expenditure the amount of actual receipts from special funds whose receipts are
19 continuously appropriated as provided in the Municipal Codes.

20

21 **SECTION 5.3 Multi-Year Revenues.**

22 In connection with money received in one fiscal year for departmental services to be
23 performed in a subsequent year, the Controller is authorized to establish an account for
24 depositing revenues which are applicable to the ensuing fiscal year, said revenue shall be
25 carried forward and become a part of the funds available for appropriation in said ensuing
fiscal year.

1 **SECTION 5.4 Contracting Funds.**

2 All money received in connection with contracts under which a portion of the moneys
3 received is to be paid to the contractors and the remainder of the moneys received inures to
4 the City and County shall be deposited in the Treasury.

5
6 (a) That portion of the money received that under the terms of the contract inures to the
7 City and County shall be deposited to the credit of the appropriate fund.

8
9 (b) That portion of the money received that under the terms of the contracts is to be paid
10 to the contractor shall be deposited in special accounts and is hereby appropriated for said
11 purposes.

12
13 **SECTION 5.5 Real Estate Services.**

14 Rents received from properties acquired or held in trust for specific purposes are hereby
15 appropriated to the extent necessary for maintenance of said properties, including services
16 of the General Services Agency.

17
18 Moneys received from lessees, tenants or operators of City-owned property for the specific
19 purpose of real estate services relative to such leases or operating agreements are hereby
20 appropriated to the extent necessary to provide such services.

21
22 **SECTION 5.6 Collection Services.**

23 In any contracts for the collection of unpaid bills for services rendered to clients, patients or
24 both by the Department of Public Health in which said unpaid bills have not become
25 delinquent pursuant to Article V of Chapter 10 of the Administrative Code, the Controller is
hereby authorized to adjust the estimated revenues and expenditures of the various

1 divisions and institutions of the Department of Public Health to record such recoveries. Any
2 percentage of the amounts, not to exceed 25 percent, recovered from such unpaid bills by a
3 contractor is hereby appropriated to pay the costs of said contract. The Controller is
4 authorized and is hereby directed to establish appropriate accounts to record total
5 collections and contract payments relating to such unpaid bills.

6

7 **SECTION 5.7 Contract Amounts Based on Savings.**

8 When the terms of a contract provide for payment amounts to be determined by a
9 percentage of cost savings or previously unrecognized revenues, such amounts as are
10 actually realized from either said cost savings or unrecognized revenues are hereby
11 appropriated to the extent necessary to pay contract amounts due. The Controller is
12 authorized and is hereby directed to establish appropriate accounts to record such
13 transactions.

14

15 **SECTION 5.8 Collection and Legal Services.**

16 In any contracts between the City Attorney's Office and outside counsel for legal services in
17 connection with the prosecution of actions filed on behalf of the City or for assistance in the
18 prosecution of actions that the City Attorney files in the name of the People, where the fee
19 to outside counsel is contingent on the recovery of a judgment or other monies by the City
20 through such action, the Controller is hereby authorized to adjust the estimated revenues
21 and expenditures of the City Attorney's Office to record such recoveries. A percentage of
22 such recoveries, not to exceed 25 percent plus the amount of any out-of-pocket costs the
23 Controller determines were actually incurred to prosecute such action, is hereby
24 appropriated from the amount of such recoveries to pay the contingent fee due to such
25 outside counsel under said contract and any costs incurred by the City or outside counsel in
prosecuting the action. The Controller is authorized and hereby directed to establish

1 appropriate accounts to record total collections and contingent fee and cost payments
2 relating to such actions. The City Attorney as verified by the Controller shall report to the
3 Board of Supervisors annually on the collections and costs incurred under this provision,
4 including the case name, amount of judgment, the fund which the judgment was deposited,
5 and the total cost of and funding source for the legal action.

6

7 **SECTION 6. Bond Interest and Redemption.**

8 In the event that estimated receipts from other than utility revenues, but including amounts
9 from ad-valorem taxes, shall exceed the actual requirements for bond interest and
10 redemption, said excess shall be transferred to a General Bond Interest and Redemption
11 Reserve account. The Bond Interest and Redemption Reserve is hereby appropriated to
12 meet debt service requirements including printing of bonds, cost of bond rating services and
13 the legal opinions approving the validity of bonds authorized to be sold not otherwise
14 provided for herein.

15

16 Issuance, legal and financial advisory service costs, including the reimbursement of
17 departmental services in connection therewith, for debt instruments issued by the City and
18 County, to the extent approved by the Board of Supervisors in authorizing the debt, may be
19 paid from the proceeds of such debt and are hereby appropriated for said purposes.

20

21 **SECTION 7. Allotment Controls.**

22 Since several items of expenditures herein appropriated are based on estimated receipts,
23 income or revenues which may not be fully realized, it shall be incumbent upon the
24 Controller to establish a schedule of allotments, of such duration as the Controller may
25 determine, under which the sums appropriated to the several departments shall be
expended. The Controller shall revise such revenue estimates periodically. If such revised

1 estimates indicate a shortage, the Controller shall hold in reserve an equivalent amount of
2 the corresponding expenditure appropriations set forth herein until the collection of the
3 amounts as originally estimated is assured, and in all cases where it is provided by the
4 Charter that a specified or minimum tax shall be levied for any department the amount of
5 appropriation herein provided derived from taxes shall not exceed the amount actually
6 produced by the levy made for such department.

7
8 The Controller in issuing payments or in certifying contracts, purchase orders or other
9 encumbrances pursuant to Section 3.105 of the Charter, shall consider only the allotted
10 portions of appropriation items to be available for encumbrance or expenditure and shall not
11 approve the incurring of liability under any allotment in excess of the amount of such
12 allotment. In case of emergency or unusual circumstances which could not be anticipated at
13 the time of allotment, an additional allotment for a period may be made on the
14 recommendation of the department head and the approval of the Controller. After the
15 allotment schedule has been established or fixed, as heretofore provided, it shall be
16 unlawful for any department or officer to expend or cause to be expended a sum greater
17 than the amount set forth for the particular activity in the allotment schedule so established,
18 unless an additional allotment is made, as herein provided.

19
20 Allotments, liabilities incurred and expenditures made under expenditure appropriations
21 herein enumerated shall in no case exceed the amount of each such appropriation, unless
22 the same shall have been increased by transfers or supplemental appropriations made in
23 the manner provided by Section 9.105 of the Charter.

24

25

1 **SECTION 7.1 Prior Year Encumbrances.**

2 The Controller is hereby authorized to establish reserves for the purpose of providing funds
3 for adjustments in connection with liquidation of encumbrances and other obligations of prior
4 years.

5

6 **SECTION 7.2 Equipment Purchases.**

7 Funds for the purchase of items of equipment having a significant value of ~~over~~-under
8 \$520,000 and a useful life of three years and over shall only be purchased from
9 appropriations specifically provided for equipment or lease-purchased equipment, including
10 equipment from capital projects. Departments may purchase additional or replacement
11 equipment from previous equipment or lease-purchase appropriations, or from citywide
12 equipment and other non-salary appropriations, with approval of the Mayor's Office and the
13 Controller.

14

15 Where appropriations are made herein for the purpose of replacing automotive and other
16 equipment, the equipment replaced shall be surrendered to the General Services Agency
17 and shall be withdrawn from service on or before delivery to departments of the new
18 automotive equipment. When the replaced equipment is sold, in lieu of being traded-in, the
19 proceeds shall be deposited to a revenue account of the related fund. Provided, however,
20 that so much of said proceeds as may be required to affect the purchase of the new
21 equipment is hereby appropriated for the purpose. Funds herein appropriated for
22 automotive equipment shall not be used to buy a replacement of any automobile superior in
23 class to the one being replaced unless it has been specifically authorized by the Board of
24 Supervisors in the making of the original appropriation.

25

1 Appropriations of equipment from current funds shall be construed to be annual
2 appropriations and unencumbered balances shall lapse at the close of the fiscal year.

3

4 **SECTION 7.3 Enterprise Deficits.**

5 Funds appropriated herein to meet estimated enterprise deficits shall be made available to
6 each such enterprise only to the extent that an actual deficit shall exist and not to exceed
7 the amount herein provided. Any amount not required for the purpose of meeting an
8 enterprise fund deficit shall be transferred back to the General Fund at the end of each
9 fiscal year unless otherwise appropriated by ordinance.

10

11 **SECTION 7.4 Public Utilities Commission Debt Service.**

12 The San Francisco Public Utilities Commission shall, in coordination with the Controller's
13 Office, record and report the use of debt service appropriations in their respective debt
14 service funds consistent with the Schedule of Bond Redemption and Interest Statement
15 included herein and as required pursuant to Governmental Accounting Standards Board
16 (GASB) and Generally Accepted Accounting Principles (GAAP) accounting rules,
17 requirements and practices. The Controller is hereby authorized to make all associated net-
18 zero appropriation transfers to ensure compliant financial reporting.

19

20 **SECTION 8. Expenditure Estimates.**

21 Where appropriations are made for specific projects or purposes which may involve the
22 payment of salaries or wages, the head of the department to which such appropriations are
23 made, or the head of the department authorized by contract or interdepartmental order to
24 make expenditures from each such appropriation, shall file with the Controller, when
25 requested, an estimate of the amount of any such expenditures to be made during the
ensuing period.

1 **SECTION 8.1 State and Federal Funds.**

2 The Controller is authorized to increase Federal and State funds that may be claimed due to
3 new General Fund expenditures appropriated by the Board of Supervisors. The Human
4 Resources Director is authorized to add civil service positions required to implement the
5 programs authorized by these funds. The Controller and the Human Resources Director
6 shall report to the Board of Supervisors any actions taken under this authorization before
7 the Board acts on the Annual Appropriation and Annual Salary Ordinances.

8

9 **SECTION 8.2 State and Federal Funding Restorations.**

10 If additional State or Federal funds are allocated to the City and County of San Francisco to
11 backfill State reductions, the Controller shall backfill any funds appropriated to any program
12 to the General Reserve.

13

14 **SECTION 8.3 Process for Addressing General Fund Revenue Shortfalls**

15 Upon receiving Controller estimates of revenue shortfalls that exceed the value of the
16 General Reserve and any other allowances for revenue shortfalls in the adopted City
17 budget, the Mayor shall inform the Board of Supervisors of actions to address this shortfall.
18 The Board of Supervisors may adopt an ordinance to reflect the Mayor's proposal or
19 alternative proposals in order to balance the budget.

20

21 **SECTION 9. Interdepartmental Services.**

22 The Controller is hereby authorized and directed to prescribe the method to be used in
23 making payments for interdepartmental services in accordance with the provisions of
24 Section 3.105 of the Charter, and to provide for the establishment of interdepartmental
25 reserves which may be required to pay for future obligations which result from current

1 performances. Whenever in the judgment of the Controller, the amounts which have been
2 set aside for such purposes are no longer required or are in excess of the amount which is
3 then currently estimated to be required, the Controller shall transfer the amount no longer
4 required to the fund balance of the particular fund of which the reserve is a part. Provided
5 further that no expenditure shall be made for personnel services, rent, equipment and
6 capital outlay purposes from any interdepartmental reserve or work order fund without
7 specific appropriation by the Board of Supervisors.

8
9 The amount detailed in departmental budgets for services of other City departments cannot
10 be transferred to other spending categories without prior agreement from both the
11 requesting and performing departments.

12
13 The Controller, pursuant to the provisions of Charter Section 3.105, shall review and may
14 adjust charges or fees for services that may be authorized by the Board of Supervisors for
15 the administration of the Technology Marketplace. Such fees are hereby appropriated for
16 that purpose.

17
18 **SECTION 10. Positions in the City Service.**
19 Department heads shall not make appointments to any office or position until the Controller
20 shall certify that funds are available.

21
22 Funds provided herein for salaries or wages may, with the approval of the Controller, be
23 used to provide for temporary employment when it becomes necessary to replace the
24 occupant of a position while on extended leave without pay, or for the temporary filling of a
25 vacancy in a budgeted position. The Controller is authorized to approve the use of existing

1 salary appropriations within departments to fund permanent appointments of up to six
2 months to backfill anticipated vacancies to ensure implementation of successful succession
3 plans and to facilitate the transfer of mission critical knowledge. The Controller shall provide
4 a report to the Board of Supervisors every six months enumerating permanent positions
5 created under this authority.

6
7 Appointments to seasonal or temporary positions shall not exceed the term for which the
8 Controller has certified the availability of funds.

9
10 The Controller shall be immediately notified of a vacancy occurring in any position.

11

12 **SECTION 10.1 Positions, Funds, and Transfers for Specific Purposes.**

13 Funds for personnel services may be transferred from any legally available source on the
14 recommendation of the department head and approval by the City Administrator, Board or
15 Commission, for departments under their respective jurisdiction, and on authorization of the
16 Controller with the prior approval of the Human Resources Director for:

17

18 (a) Lump sum payments to officers, employees, police officers and fire fighters other
19 than elective officers and members of boards and commissions upon death or retirement or
20 separation caused by industrial accident for accumulated sick leave benefits in accordance
21 with Civil Service Commission rules.

22

23 (b) Payment of the supervisory differential adjustment, out of class pay or other
24 negotiated premium to employees who qualify for such adjustment provided that the transfer
25 of funds must be made from funds currently available in departmental personnel service
appropriations.

1 (c) Payment of any legal salary or fringe benefit obligations of the City and County
2 including amounts required to fund arbitration awards.

3

4 (d) The Controller is hereby authorized to adjust salary appropriations for positions
5 administratively reclassified or temporarily exchanged by the Human Resources Director
6 provided that the reclassified position and the former position are in the same functional
7 area.

8

9 (e) Positions may be substituted or exchanged between the various salary
10 appropriations or position classifications when approved by the Human Resources Director
11 as long as said transfers do not increase total departmental personnel service
12 appropriations.

13

14 (f) The Controller is hereby authorized and directed upon the request of a department
15 head and the approval by the Mayor's Office to transfer from any legally available funds
16 amounts needed to fund legally mandated salaries, fringe benefits and other costs of City
17 employees. Such funds are hereby appropriated for the purpose set forth herein.

18

19 (g) The Controller is hereby authorized to transfer any legally available funds to adjust
20 salary and fringe benefit appropriations as required under reclassifications recommended by
21 the Human Resources Director and approved by the Board of Supervisors in implementing
22 the Management Compensation and Classification Plan.

23

24 Amounts transferred shall not exceed the actual amount required including the cost to the
25 City and County of mandatory fringe benefits.

1 (h) Pursuant to California Labor Code Section 4850.4, the Controller is authorized to
2 make advance payments from departments' salary accounts to employees participating in
3 CalPERS who apply for disability retirement. Repayment of these advanced disability
4 retirement payments from CalPERS and from employees are hereby appropriated to the
5 departments' salary account.

6
7 (i) For purposes of defining terms in Administrative Code Section 3.18, the Controller is
8 authorized to process transfers where such transfers are required to administer the budget
9 through the following certification process: In cases where expenditures are reduced at the
10 level of appropriation control during the Board of Supervisors phase of the budget process,
11 the Chair of the Budget and Finance Committee, on recommendation of the Controller, may
12 certify that such a reduction does not reflect a deliberate policy reduction adopted by the
13 Board. The Mayor's Budget Director may similarly provide such a certification regarding
14 reductions during the Mayor's phase of the budget process.

15
16 ~~(j) Department travel budgets shall be considered as line-item appropriations for the~~
17 ~~purposes of administration for Administrative Code Section 3.18 and Charter Section~~
18 ~~9.113(c) governing limitations on transfer of appropriated funds.~~

19
20 **SECTION 10.2 Professional Services Contracts.**

21 Funds appropriated for professional service contracts may be transferred to the account for
22 salaries on the recommendation of the department head for the specific purpose of using
23 City personnel in lieu of private contractors with the approval of the Human Resources
24 Director and the Mayor and the certification by the Controller that such transfer of funds
25 would not increase the cost of government.

1 **SECTION 10.3 Surety Bond Fund Administration.**

2 The Controller is hereby authorized to allocate funds from capital project appropriations to
3 the San Francisco Self-Insurance Surety Bond Fund, as governed by Administrative Code
4 Section 10.100-317 and in accordance with amounts determined pursuant to Administrative
5 Code Section 14B.16.

6

7 **SECTION 10.4 Salary Adjustments, Memoranda of Understanding (MOUs).**

8 The Controller is authorized and directed to transfer from the Salary and Benefits Reserve,
9 or any legally available funds, amounts necessary to adjust appropriations for salaries and
10 related mandatory fringe benefits of employees whose compensation is pursuant to Charter
11 Sections A8.403 (Registered Nurses), A8.404 (Transit Operators), A8.409 (Miscellaneous
12 Employees), A8.405 and A8.590-1 through A8.590-5 (Police and Firefighters), revisions to
13 State Law, and/or collective bargaining agreements adopted pursuant to the Charter or
14 arbitration award. The Controller and Human Resources Director are further authorized and
15 directed to adjust the rates of compensation to reflect current pay rates for any positions
16 affected by the foregoing provisions.

17

18 Adjustments made pursuant to this section shall reflect only the percentage increase
19 required to adjust appropriations to reflect revised salary and other pay requirements above
20 the funding level established in the base and adopted budget of the
21 respective departments.

22

23 The Controller is authorized and directed to transfer from reserves or any legally available
24 funds amounts necessary to provide costs of non-salary benefits in ratified Memoranda of
25 Understanding or arbitration awards or Board of Supervisors approved employee and
retiree health and dental rates. The Controller's Office shall report to the Budget and

1 Finance Committee or Budget and Appropriations Committee on the status of the Salary
2 and Benefits Reserve, including amounts transferred to individual City departments and
3 remaining Reserve balances, as part of the Controller's Six and Nine Month Budget Status
4 Reports.

5

6 **SECTION 10.5 MOUs to be Reflected in Department Budgets.**

7 Should the City and County adopt an MOU with a recognized employee bargaining
8 organization during the fiscal year which has fiscal effects, the Controller is authorized and
9 directed to reflect the budgetary impact of said MOU in departmental appropriations by
10 transferring amounts to or from the Salary and Benefits Reserve, or, for self-supporting or
11 restricted funds, to or from the respective unappropriated fund balance account. All amounts
12 transferred pursuant to this section are hereby appropriated for the purpose.

13

14 **SECTION 10.6 Funding Memoranda of Understanding (MOUs).**

15 Whenever the Board of Supervisors has ratified by ordinance or resolution Memoranda of
16 Understanding with recognized employee organizations or an arbitration award has become
17 effective, and said memoranda or award contains provisions requiring the expenditure of
18 funds, the Controller, on the recommendation of the Human Resources Director, shall
19 reserve sufficient funds to comply with such provisions and such funds are hereby
20 appropriated for such purposes. The Controller is hereby authorized to make such transfers
21 from funds hereby reserved or legally available as may be required to make funds available
22 to departments to carry out the purposes required by the Memoranda of Understanding or
23 arbitration award.

24

25

1 **SECTION 10.7 Fringe Benefit Rate Adjustments.**

2 Appropriations herein made for fringe benefits may be adjusted by the Controller to reflect
3 revised amounts required to support adopted or required contribution rates. The Controller
4 is authorized and is hereby directed to transfer between departmental appropriations and
5 the General Reserve or other unappropriated balance of funds any amounts resulting from
6 adopted or required contribution rates and such amounts are hereby appropriated to said
7 accounts.

8
9 When the Controller determines that prepayment of the employer share of pension
10 contributions is likely to be fiscally advantageous, the Controller is authorized to adjust
11 appropriations and transfers in order to make and reconcile such prepayments.

12
13 **SECTION 10.8 Police Department Uniformed Positions.**

14 Positions in the Police Department for each of the various ranks that are filled based on the
15 educational attainment of individual officers may be filled interchangeably at any level within
16 the rank (e.g., Patrol Officer Q2, Q3 or Q4, Sergeant Q50, Q51, Q52). The Controller and
17 Human Resources Director are hereby authorized to adjust payrolls, salary ordinances and
18 other documents, where necessary, to reflect the current status of individual employees;
19 provided however, that nothing in this section shall authorize an increase in the total number
20 of positions allocated to any one rank or to the Police Department.

21
22 **SECTION 10.9 Holidays, Special Provisions.**

23 Whenever any day is declared to be a holiday by proclamation of the Mayor after such day
24 has heretofore been declared a holiday by the Governor of the State of California or the
25 President of the United States, the Controller, with the approval of the Mayor's Office, is

1 hereby authorized to make such transfer of funds not to exceed the actual cost of said
2 holiday from any legally available funds.

3

4 **SECTION 10.10 Litigation Reserve, Payments.**

5 The Controller is authorized and directed to transfer from the Reserve for Litigation Account
6 for General Fund supported departments or from any other legally available funds for other
7 funds, amounts required to make payments required to settle litigation against the City and
8 County of San Francisco that has been recommended by the City Attorney and approved by
9 the Board of Supervisors in the manner provided in the Charter. Such funds are hereby
10 appropriated for the purposes set forth herein.

11

12 Amounts required to pay settlements of claims or litigation involving the Public Utilities
13 Commission are hereby appropriated from the Public Utilities Commission Wastewater
14 Enterprise fund balance or the Public Utilities Commission Water Enterprise fund balance,
15 as appropriate, for the purpose of paying such settlements following final approval of those
16 settlements by resolution or ordinance.

17

18 **SECTION 10.11 Changes in Health Services Eligibility.**

19 Should the Board of Supervisors amend Administrative Code Section 16.700 to change the
20 eligibility in the City's Health Service System, the Controller is authorized and directed to
21 transfer from any legally available funds or the Salary and Fringe Reserve for the amount
22 necessary to provide health benefit coverage not already reflected in the departmental
23 budgets.

24

25

Section 10.12 Workers' Compensation Alternative Dispute Resolution Program

Resolutions 85-19 and 86-19 authorized the Department of Human Resources to enter Workers' Compensation Alternative Dispute Resolution (ADR) Labor-Management Agreements with the San Francisco Firefighters' Association, Local 798, and San Francisco Police Officers Association, respectively. These Agreements require the City to allocate an amount equal to 50% of the ADR program estimated net savings, as determined by actuarial report, for the benefit of active employees. The Controller is authorized and directed to transfer from any legally available funds the amount necessary to make the required allocations. This provision will terminate if the parties agree to terminate the Agreements.

SECTION 11. Funds Received for Special Purposes, Trust Funds.

The Controller is hereby authorized and directed to continue the existing special and trust funds, revolving funds, and reserves and the receipts in and expenditures from each such fund are hereby appropriated in accordance with law and the conditions under which each such fund was established.

The Controller is hereby authorized and directed to set up additional special and trust funds and reserves as may be created either by additional grants and bequests or under other conditions, and the receipts in each fund are hereby appropriated in accordance with law for the purposes and subject to the conditions under which each such fund was established.

SECTION 11.1 Special and Trust Funds Appropriated.

Whenever the City and County of San Francisco shall receive for a special purpose from the United States of America, the State of California, or from any public or semi-public agency,

1 or from any private person, firm or corporation, any moneys, or property to be converted into
2 money, the Controller shall establish a special fund or account evidencing the said moneys
3 so received and specifying the special purposes for which they have been received and for
4 which they are held, which said account or fund shall be maintained by the Controller as
5 long as any portion of said moneys or property remains.

6
7 Recurring grant funds which are detailed in departmental budget submissions and approved
8 by the Mayor and Board of Supervisors in the annual budget shall be deemed to have met
9 the requirements of Administrative Code Section 10.170 for the approval to apply for,
10 receive and expend said funds and shall be construed to be funds received for a specific
11 purpose as set forth in this section. Positions specifically approved by granting agencies in
12 said grant awards may be filled as though said positions were included in the annual budget
13 and Annual Salary Ordinance, provided however that the tenure of such positions shall be
14 contingent on the continued receipt of said grant funds. Individual grants may be adjusted
15 by the Controller to reflect actual awards made if granting agencies increase or decrease
16 the grant award amounts estimated in budget submissions.

17
18 The expenditures necessary from said funds or said accounts as created herein, in order to
19 carry out the purpose for which said moneys or orders have been received or for which said
20 accounts are being maintained, shall be approved by the Controller and said expenditures
21 are hereby appropriated in accordance with the terms and conditions under which said
22 moneys or orders have been received by the City and County of San Francisco, and in
23 accordance with the conditions under which said funds are maintained.

24
25 The Controller is authorized to adjust transfers to the San Francisco Capital Planning Fund,

1 established by Administrative Code Section 10.100-286, to account for final capital project
2 planning expenditures reimbursed from approved sale of bonds and other long term
3 financing instruments.

4

5 **SECTION 11.2 Insurance Recoveries.**

6 Any moneys received by the City and County of San Francisco pursuant to the terms and
7 conditions of any insurance policy are hereby appropriated and made available to the
8 general city or specific departments for associated costs or claims.

9

10 **SECTION 11.3 Bond Premiums.**

11 Premiums received from the sale of bonds are hereby appropriated for bond interest and
12 redemption purposes of the issue upon which it was received.

13

14 **SECTION 11.4 Ballot Arguments.**

15 Receipts in and expenditures for payment for the printing of ballot arguments, are hereby
16 appropriated in accordance with law and the conditions under which this appropriation is
17 established.

18

19 **SECTION 11.5 Tenant Overtime.**

20 Whenever employees of departments are required to work overtime on account of services
21 required by renters, lessees or tenants of City-owned or occupied properties, or recipients of
22 services from City departments, the cost of such overtime employment shall be collected by
23 the departments from the requesters of said services and shall be deposited with the
24 Treasurer to the credit of departmental appropriations. All moneys deposited therein are
25 hereby appropriated for such purpose.

1 **SECTION 11.6 Refunds.**

2 The Controller is hereby authorized and directed to set up appropriations for refunding
3 amounts deposited in the Treasury in excess of amounts due, and the receipts and
4 expenditures from each are hereby appropriated in accordance with law. Whereby State
5 statute, local ordinance or court order, interest is payable on amounts to be refunded, in the
6 absence of appropriation therefore, such interest is herewith appropriated from the
7 unappropriated interest fund or interest earnings of the fund involved. The Controller is
8 authorized, and funds are hereby appropriated, to refund overpayments and any mandated
9 interest or penalties from State, Federal and local agencies when audits or other financial
10 analyses determine that the City has received payments in excess of amounts due.

11

12 **SECTION 11.7 Arbitrage.**

13 The Controller is hereby authorized and directed to refund excess interest earnings on bond
14 proceeds (arbitrage) when such amounts have been determined to be due and payable
15 under applicable Internal Revenue Service regulations. Such arbitrage refunds shall be
16 charged in the various bond funds in which the arbitrage earnings were recorded and such
17 funds are hereby appropriated for the purpose.

18

19 **SECTION 11.8 Damage Recoveries.**

20 Moneys received as payment for damage to City-owned property and equipment are hereby
21 appropriated to the department concerned to pay the cost of repairing such equipment or
22 property. Moneys received as payment for liquidated damages in a City-funded project are
23 appropriated to the department incurring costs of repairing or abating the damages. Any
24 excess funds, and any amount received for damaged property or equipment which is not to
25 be repaired shall be credited to a related fund.

1 **SECTION 11.9 Purchasing Damage Recoveries.**

2 That portion of funds received pursuant to the provisions of Administrative Code Section
3 21.33 - failure to deliver article contracted for - as may be needed to affect the required
4 procurement are hereby appropriated for that purpose and the balance, if any, shall be
5 credited the related fund.

6

7 **SECTION 11.10 Off-Street Parking Guarantees.**

8 Whenever the Board of Supervisors has authorized the execution of agreements with
9 corporations for the construction of off-street parking and other facilities under which the
10 City and County of San Francisco guarantees the payment of the corporations' debt service
11 or other payments for operation of the facility, it shall be incumbent upon the Controller to
12 reserve from parking meter or other designated revenues sufficient funds to provide for such
13 guarantees. The Controller is hereby authorized to make payments as previously
14 guaranteed to the extent necessary and the reserves approved in each Annual
15 Appropriation Ordinance are hereby appropriated for the purpose. The Controller shall notify
16 the Board of Supervisors annually of any payments made pursuant to this Section.

17

18 **SECTION 11.11 Hotel Tax – Special Situations.**

19 The Controller is hereby authorized and directed to make such interfund transfers or other
20 adjustments as may be necessary to conform budget allocations to the requirements of the
21 agreements and indentures of the 1994 Lease Revenue and/or San Francisco
22 Redevelopment Agency Hotel Tax Revenue Bond issues.

23

24 **SECTION 11.12 Local Transportation Agency Fund.**

25 Local transportation funds are hereby appropriated pursuant to the Government Code.

1 **SECTION 11.13 Insurance.**

2 The Controller is hereby authorized to transfer to the Risk Manager any amounts indicated
3 in the budget estimate and appropriated hereby for the purchase of insurance or the
4 payment of insurance premiums.

5
6 **SECTION 11.14 Grants to Departments of Disability and Aging Services, Child**
7 **Support Services, Homelessness and Supportive Housing, and Children, Youth and**
8 **their Families**

9 The Department of Disability and Aging Services and the Department of Child Support
10 Services are authorized to receive and expend available federal and state contributions and
11 grant awards for their target populations. The Controller is hereby authorized and directed to
12 make the appropriate entries to reflect the receipt and expenditure of said grant award funds
13 and contributions. The Department of Homelessness and Supportive Housing is authorized
14 to apply surpluses among subgrants within master HUD grants to shortfalls in other
15 subgrants. The Department of Children, Youth and Their Families is authorized to receive
16 and expend funds in instances where funds from grants appropriated herein are not fixed
17 and exceed the estimates contained in the budget.

18
19 **SECTION 11.15 FEMA, OES, Other Reimbursements.**

20 Whenever the City and County recovers funds from any federal or state agency as
21 reimbursement for the cost of damages resulting from earthquakes and other disasters for
22 which the Mayor has declared a state of emergency, such funds are hereby appropriated for
23 the purpose. The Controller is authorized to transfer such funds to the credit of the
24 departmental appropriation which initially incurred the cost, or, if the fiscal year in which the
25 expenses were charged has ended, to the credit of the fund which incurred the expenses.

1 Revenues received from other governments as reimbursement for mutual aid provided by
2 City departments are hereby appropriated for services provided.

3
4 Whenever the City and County is required to designate agents authorized to obtain state
5 and federal disaster and emergency assistance funding, the Mayor and Board of
6 Supervisors designate the Executive Director of the Department of Emergency
7 Management, the Controller, and the Deputy Controller to be the agents authorized to
8 execute agreements for and on behalf of the City and County of San Francisco, for disaster
9 and emergency assistance funding from State and Federal agencies, for all open and future
10 disasters.

11

12 **SECTION 11.16 Interest on Grant Funds.**

13 Whenever the City and County earns interest on funds received from the State of California
14 or the federal government and said interest is specifically required to be expended for the
15 purpose for which the funds have been received, said interest is hereby appropriated in
16 accordance with the terms under which the principal is received and appropriated.

17

18 **SECTION 11.17 Treasurer – Banking Agreements.**

19 Whenever the Treasurer finds that it is in the best interest of the City and County to use
20 either a compensating balance or fee for service agreement to secure banking services that
21 benefit all participants of the pool, any funds necessary to be paid for such agreement are to
22 be charged against interest earnings and such funds are hereby appropriated for the
23 purpose.

24

25 The Treasurer may offset banking charges that benefit all participants of the investment pool
against interest earned by the pool. The Treasurer shall allocate other bank charges and

1 credit card processing to departments or pool participants that benefit from those services.
2 The Controller may transfer funds appropriated in the budget to General Fund departments
3 as necessary to support allocated charges.

4
5 **SECTION 11.18 City Buildings–Acquisition with Certificates of Participation (COPs).**
6 Receipts in and expenditures from accounts set up for the acquisition and operation of City-
7 owned buildings including, but not limited to 25 Van Ness Avenue and 1660 Mission Street,
8 are hereby appropriated for the purposes set forth in the various bond indentures through
9 which said properties were acquired.

10
11 **SECTION 11.19 Generally Accepted Principles of Financial Statement Presentation.**
12 The Controller is hereby authorized to make adjustments to departmental budgets as part of
13 the year-end closing process to conform amounts to the Charter provisions and generally
14 accepted principles of financial statement presentation, and to implement new accounting
15 standards issued by the Governmental Accounting Standards Board and other changes in
16 generally accepted accounting principles.

17
18 **SECTION 11.20 Fund Balance Reporting and Government Fund Type Definitions.**
19 The Controller is authorized to establish or adjust fund type definitions for restricted,
20 committed or assigned revenues and expenditures, in accordance with the requirements of
21 Governmental Accounting Standards Board Statement 54. These changes will be designed
22 to enhance the usefulness of fund balance information by providing clearer fund balance
23 classifications that can be more consistently applied and by clarifying the existing
24 governmental fund type definitions. Reclassification of funds shall be reviewed by the City's
25 outside auditors during their audit of the City's financial statements.

1 **SECTION 11.21 State Local Public Safety Fund.**

2 Amounts received from the State Local Public Safety Fund (Sales Taxes) for deposit to the
3 Public Safety Augmentation Fund shall be transferred to the General Fund for use in
4 meeting eligible costs of public safety as provided by State law and said funds are
5 appropriated for said purposes.

6
7 Said funds shall be allocated to support public safety department budgets, but not specific
8 appropriation accounts, and shall be deemed to be expended at a rate of 75% of eligible
9 departmental expenditures up to the full amount received. The Controller is hereby directed
10 to establish procedures to comply with state reporting requirements.

11
12 **SECTION 11.22 Health Care Security Ordinance Agency Fund.**
13 Irrevocable health care expenditures made to the City by employers on behalf of their
14 employees pursuant to the provisions of Administrative Code Chapter 14, the San Francisco
15 Health Care Security Ordinance are maintained in the Health Care Security Ordinance
16 Fund, an agency fund maintained by the City for the benefit of City Option account holders.
17 Interest earnings in the fund are hereby appropriated for the administrative costs incurred to
18 manage participant accounts.

19
20 **SECTION 11.23 Affordable Housing Loan Repayments and Interest Earnings.**
21 Loan repayments, proceeds of property sales in cases of defaulted loans, and interest
22 earnings in special revenue funds designated for affordable housing are hereby
23 appropriated for affordable housing program expenditures, including payments from loans
24 made by the former San Francisco Redevelopment Agency and transferred to the Mayor's
25 Office of Housing and Community Development, the designated the housing successor

1 agency. Expenditures shall be subject to the conditions under which each such fund was
2 established.

3

4 **SECTION 11.24 Development Agreement Implementation Costs.**

5 The Controller is hereby authorized to appropriate reimbursements of City costs incurred to
6 implement development agreements approved by the Board of Supervisors, including but
7 not limited to City staff time, consultant services and associated overhead costs to conduct
8 plan review, inspection, and contract monitoring, and to draft, negotiate, and administer
9 such agreements. This provision does not apply to development impact fees or other
10 payments approved in a development agreement, which shall be appropriated by the Board
11 of Supervisors.

12

13 **SECTION 11.25 Housing Trust Fund.**

14 The Controller is hereby authorized to adjust appropriations as necessary to implement the
15 movement of Housing Trust Fund revenues and expenditures from the General Fund to a
16 special revenue fund.

17

18 The Controller shall account for appropriation of \$17,600,000 for eligible affordable housing
19 projects in fiscal year 2021-22 as an advance of future year Housing Trust Fund allocations,
20 and shall credit such advance against required appropriations to that fund for a period of
21 five years, beginning in fiscal year 2023-24, in an annual amount of \$3,520,000.

22

23 **SECTION 12. Special Situations.**

24

25 **SECTION 12.1 Revolving Funds.**

1 Surplus funds remaining in departmental appropriations may be transferred to fund
2 increases in revolving funds up to the amount authorized by the Board of Supervisors if said
3 Board, by ordinance, has authorized an increase in said revolving fund amounts.

4

5 **SECTION 12.2 Interest Allocations.**

6 Interest shall not be allocated to any special, enterprise, or trust fund or account unless said
7 allocation is required by Charter, state law or specific provision in the legislation that created
8 said fund. Any interest earnings not allocated to special, enterprise or trust funds or
9 accounts shall be credited, by the Controller, to General Fund Unallocated Revenues.

10

11 **SECTION 12.3 Property Tax.**

12 Consistent with the State Teeter Plan requirements, the Board of Supervisors elects to
13 continue the alternative method of distribution of tax levies and collections in accordance
14 with Revenue and Taxation Code Section 4701. The Board of Supervisors directs the
15 Controller to maintain the Teeter Tax Losses Reserve Fund at an amount not less than 1%
16 of the total of all taxes and assessments levied on the secured roll for that year for
17 participating entities in the county as provided by Revenue and Taxation Code Section
18 4703. The Board of Supervisors authorizes the Controller to make timely property tax
19 distributions to the Office of Community Investment and Infrastructure, the Treasure Island
20 Development Authority, and City and County of San Francisco Infrastructure Financing
21 Districts as approved by the Board of Supervisors through the budget, through development
22 pass-through contracts, through tax increment allocation pledge agreements and
23 ordinances, and as mandated by State law.

24

25

1 The Controller is authorized to adjust the budget to conform to assumptions in final
2 approved property tax rates and to make debt service payments for approved general
3 obligation bonds accordingly.

4
5 The Controller is authorized and directed to recover costs from the levy, collection and
6 administration of property taxes. The tax rate for the City's General Obligation Bond Fund,
7 approved annually by resolution of the Board of Supervisors, includes a collection fee of
8 0.25% of the fund collected for the purpose of the General Obligation Bond debt service. An
9 amount sufficient to pay this fee is hereby appropriated within the General Obligation Bond
10 Fund and the Controller is hereby authorized to pay this fee into the General Fund from the
11 General Obligation Bond Fund.

12

13 **SECTION 12.4 New Project Reserves.**

14 Where this Board has set aside a portion of the General Reserve for a new project or
15 program approved by a supplemental appropriation, any funds not required for the approved
16 supplemental appropriation shall be returned to the General Fund General Reserve by the
17 Controller.

18

19 **SECTION 12.5 Aid Payments.**

20 Aid paid from funds herein provided and refunded during the fiscal year hereof shall be
21 credited to, and made available in, the appropriation from which said aid was provided.

22

23 **SECTION 12.6 Department of Public Health Transfer Payments, Indigent Health**
24 **Revenues, and Realignment Funding to Offset for Low Income Health Programs.**

25 To more accurately reflect the total net budget of the Department of Public Health, this
ordinance shows net revenues received from certain State and Federal health programs.

1 Funds necessary to participate in such programs that require transfer payments are hereby
2 appropriated. The Controller is authorized to defer surplus transfer payments, indigent
3 health revenues, and Realignment funding to offset future reductions or audit adjustments
4 associated with funding allocations for health services for low income individuals.

5

6 **SECTION 12.7 Municipal Transportation Agency.**

7 Consistent with the provisions of Proposition E and Proposition A creating the Municipal
8 Transportation Agency and including the Parking and Traffic function as a part of the
9 Municipal Transportation Agency, the Controller is authorized to make such transfers and
10 reclassification of accounts necessary to properly reflect the provision of central services to
11 the Municipal Transportation Agency in the books and accounts of the City. No change can
12 increase or decrease the overall level of the City's budget.

13

14 **SECTION 12.8 Treasure Island Authority.**

15 Should the Treasure Island property be conveyed and deed transferred from the Federal
16 Government, the Controller is hereby authorized to make budgetary adjustments necessary
17 to ensure that there is no General Fund impact from this conveyance, and that expenditures
18 of special assessment revenues conform to governmental accounting standards and
19 requirements of the special assessment as adopted by voters and approved by the Board of
20 Supervisors.

21

22 **SECTION 12.9 Hetch Hetchy Power Stabilization Fund.**

23 Hetch Hetchy has entered into a long-term agreement to purchase a fixed amount of power.
24 Any excess power from this contract will be sold back to the power market.

25

1 To limit Hetch Hetchy's risk from adverse market conditions in the future years of the
2 contract, the Controller is authorized to establish a power stabilization account that reserves
3 any excess revenues from power sales in the early years of the contract. These funds may
4 be used to offset potential losses in the later years of the contract. The balance in this fund
5 may be reviewed and adjusted annually.

6
7 The power purchase amount reflected in the Public Utility Commission's expenditure budget
8 is the net amount of the cost of power purchased for Hetch Hetchy use. Power purchase
9 appropriations may be increased by the Controller to reflect the pass through costs of power
10 purchased for resale under long-term fixed contracts previously approved by the Board of
11 Supervisors.

12

13 **SECTION 12.10 Closure of Special Funds, Projects, and Accounts**

14 In accordance with Administrative Code Section 10.100-1(d), if there has been no
15 expenditure activity for the past two fiscal years, a special fund or project can be closed and
16 repealed. The Controller is hereby authorized and directed to reconcile and balance funds,
17 projects and accounts, and to close completed projects. The Controller is directed to create
18 a clearing account for the purpose of balancing surpluses and deficits in such funds,
19 projects and accounts, and funding administrative costs incurred to perform such
20 reconciliations.

21
22 This budget ordinance appropriates fund balance from active project closeouts in continuing
23 funds as follows: \$99.6 million in the General Fund, \$77.4 million in the Homelessness
24 Gross Receipts Tax Fund, \$6.6 million in the Our City, Our Home Prop C Advance Fund,
25 \$10.7 million in the Building Inspection Fund, \$3.5 million in the Building
Inspection Repair and Demolition Fund, \$4.2 million in the Zuckerberg San Francisco

1 General hospital enterprise fund, \$2.6 million in the Cable TV Access Fund, and \$2.4 million
2 in the Assessor's State Authorized Special Revenue Fund. The Controller is directed to
3 deappropriate projects up to this amount to realize the fund balance.

4
5 **SECTION 12.11 Charter-Mandated Baseline Appropriations.**

6 The Controller is authorized to increase or reduce budgetary appropriations as required by
7 the Charter for baseline allocations to align allocations to the amounts required by formula
8 based on actual revenues received during the fiscal year. Departments must obtain Board
9 of Supervisors' approval prior to any expenditure supported by increasing baseline
10 allocations as required under the Charter and the Municipal Code.

11
12 **SECTION 12.12 Parking Tax Allocation.**

13 The Controller is authorized to increase or decrease final budgetary allocation of parking tax
14 in-lieu transfers to reflect actual collections to the Municipal Transportation Agency. The
15 Municipal Transportation Agency must obtain Board of Supervisors' approval prior to any
16 expenditure supported by allocations that accrue to the Agency that are greater than those
17 already appropriated in the Annual Appropriation Ordinance.

18
19 **SECTION 12.13 Former Redevelopment Agency Funds.**

20 Pursuant to Board of Supervisors Ordinance 215-12, the Successor Agency to the San
21 Francisco Redevelopment Agency (also known as the Office of Community Investment and
22 Infrastructure, or OCII) is a separate legal entity from the City and its budget is subject to
23 separate approval by resolution of the Board of Supervisors. The Controller is authorized to
24 transfer funds and appropriation authority between and within accounts related to former
25 San Francisco Redevelopment Agency (SFRA) fund balances to serve the accounting
requirements of the OCII, the Port, the Mayor's Office of Housing and the City

1 Administrator's office and to comply with State requirements and applicable bond
2 covenants.

3
4 The Purchaser is authorized to allow the OCII and departments to follow applicable
5 contracting and purchasing procedures of the former SFRA and waive inconsistent
6 provisions of the San Francisco Administrative Code when managing contracts and
7 purchasing transactions related to programs formerly administered by the SFRA.

8
9 If during the course of the budget period, the OCII requests departments to provide
10 additional services beyond budgeted amounts and the Controller determines that the
11 Successor Agency has sufficient additional funds available to reimburse departments for
12 such additional services, the departmental expenditure authority to provide such services is
13 hereby appropriated.

14
15 When 100% of property tax increment revenues for a redevelopment project area are
16 pledged based on an agreement that constitutes an enforceable obligation, the Controller
17 will increase or decrease appropriations to match actual revenues realized for the project
18 area.

19
20 The Mayor's Office of Housing and Community Development is authorized to act as the
21 fiscal agent for the Public Initiatives Development Corporation (PIDC) and receive and
22 disburse PIDC funds as authorized by the PIDC bylaws and the PIDC Board of Directors.

23

24 **SECTION 12.14 CleanPowerSF.**

25 CleanPowerSF customer payments and all other associated revenues deposited in the

1 CleanPowerSF special revenue fund are hereby appropriated in the amounts actually
2 received by the City and County in each fiscal year. The Controller is authorized to disburse
3 the revenues appropriated by this section as well as those appropriated yet unspent from
4 prior fiscal years to pay power purchase obligations and other operating costs as provided
5 in the program plans and annual budgets, as approved by the Board of Supervisors for the
6 purposes authorized therein.

7

8 **SECTION 12.15 Unclaimed Funds Escheatment Noticing & Accounting Procedures**

9 Pursuant to Government Code Sections 50055 and 50057, the Board of Supervisors
10 authorizes the Treasurer to transfer to the General Fund without publication of a notice in a
11 newspaper the following amounts that remain unclaimed in the treasury of the City and
12 County of San Francisco or in the official custody of an officer of the City and County of San
13 Francisco for a period of at least one year: (1) any individual items of less than \$15; and (2)
14 any individual items of \$5,000 or less if the depositor's name is unknown. The Treasurer
15 shall notify the Controller of transfers performed using this authorization.

16

17 **SECTION 14. Departments.**

18 The term department as used in this ordinance shall mean department, bureau, office,
19 utility, agency, board or commission, as the case may be. The term department head as
20 used herein shall be the chief executive duly appointed and acting as provided in the
21 Charter. When one or more departments are reorganized or consolidated, the former
22 entities may be displayed as separate units, if, in the opinion of the Controller, this will
23 facilitate accounting or reporting.

24

25 (a) The Public Utilities Commission shall be considered one entity for budget purposes

1 and for disbursement of funds within each of the enterprises. The entity shall retain its
2 enterprises, including Water, Hetch Hetchy, Wastewater, and the Public Utilities
3 Commission, as separate utility fund enterprises under the jurisdiction of the Public Utilities
4 Commission and with the authority provided by the Charter. This section shall not be
5 construed as a merger or completion of the Hetch Hetchy Project, which shall not be
6 deemed completed until a specific finding of completion has been made by the Public
7 Utilities Commission. The consolidated agency will be recognized for purposes of
8 determining employee seniority, position transfers, budgetary authority and transfers or
9 reappropriation of funds.

10

11 (b) There shall be a General Services Agency, headed by the City Administrator,
12 including the Department of Public Works, the Department of Telecommunication and
13 Information Services, and the Department of Administrative Services. The City Administrator
14 shall be considered one entity for budget purposes and for disbursement of funds.

15

16 (c) There shall be a Human Services Agency, which shall be considered one entity for
17 budget purposes and for disbursement of funds. Within the Human Services Agency shall
18 be two departments: (1) the Department of Human Services, under the Human Services
19 Commission, and (2) the Department of Disability and Aging Services ("DAAS"), under the
20 Disability and Aging Services Commission, includes Adult Protective Services, the Public
21 Administrator/Public Guardian, the Mental Health Conservator, the Department of Disability
22 and Aging Services, the County Veterans' Service Officer, and the In-Home Supportive
23 Services Program. This budgetary structure does not affect the legal status or structure of
24 the two departments. The Human Resources Director and the Controller are authorized to
25 transfer employees, positions, and funding in order to effectuate the transfer of the program
from one department to the other. The consolidated agency will be recognized for purposes

1 of determining employee seniority, position transfers, budgetary authority and transfers or
2 reappropriation of funds.

3
4 The departments within the Human Services Agency shall coordinate with each other and
5 with the Disability and Aging Services Commission to improve delivery of services, increase
6 administrative efficiencies and eliminate duplication of efforts. To this end, they may share
7 staff and facilities. This coordination is not intended to diminish the authority of the Disability
8 and Aging Services Commission over matters under the jurisdiction of the Commission.

9
10 The Director of the Aging and Adult Services Commission also may serve as the
11 department head for DAAS, and/or as a deputy director for the Department of Human
12 Services, but shall receive no additional compensation by virtue of an additional
13 appointment. If an additional appointment is made, it shall not diminish the authority of the
14 Aging and Adult Services Commission over matters under the jurisdiction of the
15 Commission.

16 ~~(d) Pursuant to Charter Section 4.138 approved by voters on November 3, 2020, there~~
17 ~~shall be a Department of Sanitation and Streets that will come into existence on October 1,~~
18 ~~2022, responsible for sweeping streets, cleaning sidewalks, and other functions historically~~
19 ~~performed largely by the Operations Division of the Department of Public Works. The~~
20 ~~Controller is authorized to adjust budgets between the Department of Public Works and the~~
21 ~~Department of Sanitation and Streets during the fiscal year to achieve the purposes of the~~
22 ~~measure, provided that such adjustments shall not change cumulative total expenditure~~
23 ~~budgets across the two departments, and to reclassify appropriations to conform to the~~
24 ~~accounting and project costing structures in each department as appropriate.~~

25

1 ~~If the voters amend the Charter in November 2022 to eliminate the Department of Sanitation~~
2 ~~and Streets, the Controller is further authorized to adjust the budgets during the fiscal year~~
3 ~~to achieve the purposes of that measure, provided that such adjustments shall not change~~
4 ~~cumulative total expenditures authorized herein, and to reclassify appropriations to conform~~
5 ~~to the accounting and project costing structures in the Department of Public Works.~~

6
7 (d) The Local Agency Formation Commission (LAFCo) is a separate legal entity
8 established under State law and is not a department or agency of the City. Because the City
9 has a legal obligation to provide funds to LAFCo, this ordinance includes an appropriation
10 for that purpose. Although LAFCo is not part of the Board of Supervisors or subject to the
11 Board's oversight and direction, this ordinance includes appropriations to LAFCo in the
12 Board of Supervisors budget for administrative reasons related to the format of this
13 ordinance. Any transfers of funds to LAFCo from other appropriations in the budget are
14 prohibited without approval by a subsequent ordinance. City staff, including but not limited
15 to the Clerk of the Board of Supervisors, may perform work for LAFCo, under a
16 memorandum of understanding between the City and LAFCo, subject to any required
17 approvals.

18
19 ~~(e) Until such time as the Board of Supervisors finally approves legislation to consolidate~~
20 ~~the Office of Early Care and Education (OECE) and the First Five Commission (CFC) into~~
21 ~~the Department of Early Childhood (DEC), appropriations to DEC herein authorized are~~
22 ~~hereby authorized for those departments' uses.~~

23
24 **SECTION 15. Travel Reimbursement and Cell Phone Stipends.**

25 The Controller shall establish rules for the payment of all amounts payable for travel for officers and employees, and for the presentation of such vouchers as the Controller shall

1 deem proper in connection with expenditures made pursuant to said Section. No allowance
2 shall be made for traveling expenses provided for in this ordinance unless funds have been
3 appropriated or set aside for such expenses in accordance with the provisions of the
4 Charter.

5
6 The Controller may advance the sums necessary for traveling expenses, but proper account
7 and return must be made of said sums so advanced by the person receiving the same
8 within ten days after said person returns to duty in the City and County of San Francisco,
9 and failure on the part of the person involved to make such accounting shall be sufficient
10 cause for the Controller to withhold from such persons pay check or checks in a sum
11 equivalent to the amount to be accounted.

12
13 In consultation with the Human Resources Director, the Controller shall establish rules and
14 parameters for the payment of monthly stipends to officers and employees who use their
15 own cells phones to maintain continuous communication with their workplace, and who
16 participate in a Citywide program that reduces costs of City-owned cell phones.

17

18 **SECTION 16. Contributed Revenue Reserve and Audit and Adjustment Reserve.**

19 The Controller is hereby authorized to establish a Contributed Revenue and Adjustment
20 Reserve to accumulate receipts in excess of those estimated revenues or unexpended
21 appropriations stated herein. Said reserve is established for the purpose of funding the
22 budget of the subsequent year, and the receipts in this reserve are hereby appropriated for
23 said purpose. The Controller is authorized to maintain an Audit and Adjustment Reserve to
24 offset audit adjustments, and to balance expenditure accounts to conform to year-end
25 balancing and year-end close requirements.

1 **SECTION 17. Airport Service Payment.**

2 The moneys received from the Airport's revenue fund as the Annual Service Payment
3 provided in the Airline-Airport Lease and Use Agreement are in satisfaction of all obligations
4 of the Airport Commission for indirect services provided by the City and County of San
5 Francisco to the Commission and San Francisco International Airport and constitute the
6 total transfer to the City's General Fund.

7
8 The Controller is hereby authorized and directed to transfer to the City's General Fund from
9 the Airport revenue fund with the approval of the Airport Commission funds that constitute
10 the annual service payment provided in the Airline - Airport Lease and Use Agreement in
11 addition to the amount stated in the Annual Appropriation Ordinance.

12
13 On the last business day of the fiscal year, unless otherwise directed by the Airport
14 Commission, the Controller is hereby authorized and directed to transfer all moneys
15 remaining in the Airport's Contingency Account to the Airport's Revenue Fund. The
16 Controller is further authorized and directed to return such amounts as were transferred
17 from the Contingency Account, back to the Contingency Account from the Revenue Fund
18 Unappropriated Surplus on the first business day of the succeeding fiscal year, unless
19 otherwise directed by the Airport Commission.

20
21 **SECTION 18. Pooled Cash, Investments.**

22 The Treasurer and Controller are hereby authorized to transfer available fund balances
23 within pooled cash accounts to meet the cash management of the City, provided that
24 special and non-subsidized enterprise funds shall be credited interest earnings on any funds
25 temporarily borrowed therefrom at the rate of interest earned on the City Pooled Cash Fund.

1 No such cash transfers shall be allowed where the investment of said funds in investments
2 such as the pooled funds of the City and County is restricted by law.

3

4 **SECTION 19. Matching Funds for Federal or State Programs.**

5 Funds contributed to meet operating deficits and/or to provide matching funds for federal or
6 State aid (e.g. Medicaid under SB 855 or similar legislation for Zuckerberg San Francisco
7 General Hospital) are specifically deemed to be made exclusively from local property and
8 business tax sources.

9

10 **SECTION 20. Advance Funding of Bond Projects – City Departments.**

11 Whenever the City and County has authorized appropriations for the advance funding of
12 projects which may at a future time be funded from the proceeds of general obligation,
13 revenue, or lease revenue bond issues or other legal obligations of the City and County, the
14 Controller shall recover from bond proceeds or other available sources, when they become
15 available, the amount of any interest earnings foregone by the General Fund as a result of
16 such cash advance to disbursements made pursuant to said appropriations. The Controller
17 shall use the monthly rate of return earned by the Treasurer on City Pooled Cash Fund
18 during the period or periods covered by the advance as the basis for computing the amount
19 of interest foregone which is to be credited to the General Fund.

20

21 **SECTION 21. Advance Funding of Projects – Transportation Authority.**

22 Whenever the San Francisco County Transportation Authority requests advance funding of
23 the costs of administration or the costs of projects specified in the City and County of San
24 Francisco Transportation Expenditure Plan which will be funded from proceeds of the
25 transactions and use tax as set forth in Article 14 of the Business and Tax Regulations
Code of the City and County of San Francisco, the Controller is hereby authorized to make

1 such advance. The Controller shall recover from the proceeds of the transactions and use
2 tax when they become available, the amount of the advance and any interest earnings
3 foregone by the City and County General Fund as a result of such cash advance funding.
4 The Controller shall use the monthly rate of return earned by the Treasurer on General City
5 Pooled Cash funds during the period or periods covered by the advance as the basis for
6 computing the amount of interest foregone which is to be credited to the General Fund.

7

8 **SECTION 22. Controller to Make Adjustments, Correct Clerical Errors.**

9 The Controller is hereby authorized and directed to adjust interdepartmental appropriations,
10 make transfers to correct objects of expenditures classifications and to correct clerical or
11 computational errors as may be ascertained by the Controller to exist in this ordinance. The
12 Controller shall file with the Clerk of the Board a list of such adjustments, transfers and
13 corrections made pursuant to this Section.

14

15 The Controller is hereby authorized to make the necessary transfers to correct objects of
16 expenditure classifications, and corrections in classifications made necessary by changes in
17 the proposed method of expenditure.

18

19 **SECTION 22.1 Controller to Implement New Financial and Interfacing Subsystems.**

20 In order to further the implementation and adoption of the Financial and Procurement
21 System's modules, the Controller shall have the authority to reclassify departments'
22 appropriations to conform to the accounting and project costing structures established in the
23 new system, as well as reclassify contract authority utilized (expended) balances and
24 unutilized (available) balances to reflect actual spending.

25

SECTION 23. Transfer of State Revenues.

1 The Controller is authorized to transfer revenues among City departments to comply with
2 provisions in the State budget.

3

4 **SECTION 24. Use of Permit Revenues from the Department of Building Inspection.**

5 Permit revenue funds from the Department of Building Inspection that are transferred to
6 other departments as shown in this budget shall be used only to fund the planning,
7 regulatory, enforcement and building design activities that have a demonstrated nexus with
8 the projects that produce the fee revenues.

9

10 **SECTION 25. Board of Supervisors Official Advertising Charges.**

11 The Board of Supervisors is authorized to collect funds from enterprise departments to
12 place official advertising. The funds collected are automatically appropriated in the budget of
13 the Board of Supervisors as they are received.

14

15 **SECTION 26. Work Order Appropriations.**

16 The Board of Supervisors directs the Controller to establish work orders pursuant to Board-
17 approved appropriations, including positions needed to perform work order services, and
18 corresponding recoveries for services that are fully cost covered, including but not limited to
19 services provided by one City department to another City department, as well as services
20 provided by City departments to external agencies, including but not limited to the Office of
21 Community Investment and Infrastructure, the Treasure Island Development Authority, the
22 School District, and the Community College. Revenues for services from external agencies
23 shall be appropriated by the Controller in accordance with the terms and conditions
24 established to perform the service.

25

1 ~~It is the policy of the Mayor and the Board of Supervisors to allocate costs associated with~~
2 ~~the replacement of the City's financial and purchasing system to all City Departments~~
3 ~~proportional to the departments' costs and financial requirements. In order to minimize new~~
4 ~~General Fund appropriations to complete the project, the Controller is authorized and~~
5 ~~directed to work with departments to identify efficiencies and savings in their financial and~~
6 ~~administrative operations to be applied to offset their share of the costs of this project, and~~
7 ~~is authorized to apply said savings to the project.~~

8

9 **SECTION 26.1 Property Tax System**

10 In order to minimize new appropriations to the property tax system replacement project, the
11 Controller is authorized and directed to apply operational savings from the offices of the Tax
12 Collector, Assessor, and Controller to the project. No later than June 1, 2018 the Controller
13 shall report to the Budget and Legislative Analyst's Office and Budget and Finance
14 Committee on the specific amount of operational savings, including details on the source of
15 such savings, in the budgets of Tax Collector, Assessor, and Controller that are re-allocated
16 to the Property Tax System Replacement Project

17

18 **SECTION 27. Revenue Reserves and Deferrals.**

19 The Controller is authorized to establish fee reserve allocations for a given program to the
20 extent that the cost of service exceeds the revenue received in a given fiscal year, including
21 establishment of deferred revenue or reserve accounts. In order to maintain balance
22 between budgeted revenues and expenditures, revenues realized in the fiscal year
23 preceding the year in which they are appropriated shall be considered reserved for the
24 purposes for which they are appropriated.

25

SECTION 28. Close-Out of Reserved Appropriations.

1 On an annual basis, the Controller shall report the status of all reserves, their remaining
2 balances, and departments' explanations of why funding has not been requested for
3 release. Continuation of reserves will be subject to consideration and action by the Budget
4 and Finance Committee or Budget and Appropriations Committee. The Controller shall
5 close out reserved appropriations that are no longer required by the department for the
6 purposes for which they were appropriated.

7

8 **SECTION 28.1. Reserves Placed on Expenditures by Controller.**

9 Consistent with Charter Section 3.105(d), the Controller is authorized to reserve
10 expenditures in the City's budget equal to uncertain revenues, as deemed appropriate by
11 the Controller. The Controller is authorized to remove, transfer, and update reserves to
12 expenditures in the budget as revenue estimates are updated and received in order to
13 maintain City operations.

14

15 **SECTION 29. Appropriation Control of Capital Improvement Projects and Equipment.**

16 Unless otherwise exempted in another section of the Administrative Code or Annual
17 Appropriation Ordinance, and in accordance with Administrative Code Section 3.18,
18 departments may transfer funds from one Board-approved capital project to another Board-
19 approved capital project. The Controller shall approve transfers only if they do not materially
20 change the size or scope of the original project. Annually, the Controller shall report to the
21 Board of Supervisors on transfers of funds that exceed 10% of the original appropriation to
22 which the transfer is made.

23

24 The Controller is authorized to approve substitutions within equipment items purchased to
25 equip capital facilities providing that the total cost is within the Board-approved capital
project appropriation.

1 The Controller is authorized to transfer approved appropriations between departments to
2 correctly account for capitalization of fixed assets.

3
4 The Controller is authorized to shift sources among cash and COP-funded capital projects
5 across General Fund departments to ensure the most efficient and cost-effective
6 administration of COP funds, provided there is no net increase or decrease in project
7 budgets.

8
9 **SECTION 30. Business Improvement Districts.**

10 Proceeds from all special assessments levied on real property included in the property-
11 based business improvement districts in the City and County of San Francisco are hereby
12 appropriated in the respective amounts actually received by the City and County in such
13 fiscal year for each such district.

14
15 The Controller is authorized to disburse the assessment revenues appropriated by this
16 section to the respective Owners' Associations (as defined in Section 36614.5 of the Streets
17 and Highways Code) for such districts as provided in the management district plans,
18 resolutions establishing the districts, annual budgets and management agreements, as
19 approved by the Board of Supervisors for each such district, for the purposes authorized
20 therein. The Tourism Improvement District and Moscone Expansion Business Improvement
21 District assessments are levied on gross hotel room revenue and are collected and
22 distributed by the Tax Collector's Office.

23
24 **SECTION 31. Infrastructure Financing and Infrastructure Revitalization Financing**
25 **Districts.**

Pursuant to California Government Code Section 53395 et seq. (IFD Law), the Board of Supervisors has formed Infrastructure Financing (IFD) and Infrastructure Revitalization Financing (IRFD) Districts within the City and County of San Francisco. The Board of Supervisors hereby authorizes the Controller to transfer funds and appropriation authority between and within accounts related to City and County of San Francisco IFDs and IRFDs to serve accounting and State requirements, the latest approved Infrastructure Financing Plan for a District, and applicable bond covenants.

When 100% of the portion of property tax increment normally appropriated to the City and County of San Francisco's General Fund or Special Revenue Fund or to the County's Educational Revenue Augmentation Fund (ERAF) is instead pledged, based on Board of Supervisors Ordinance, the Controller may increase or decrease appropriations to match actual revenues realized for the IFD or IRFD. Any increases to appropriations would be consistent with the Financing Plan previously approved by the Board of Supervisors.

SECTION 32. Community Facilities and Special Tax Districts.

Pursuant to California Government Code 53311 et seq. (the Mello-Roos Community Facilities Act of 1982) and Chapter 43, Article X of the San Francisco Administrative Code, which incorporates the Mello-Roos Community Facilities Act of 1982, the Board of Supervisors has formed Community Facilities Districts (CFDs) and Special Tax Districts (STDs) within the City. Proceeds from special taxes levied on property in the CFDs/STDs are hereby appropriated in the respective amounts actually received by the City in such fiscal year for each such district.

The Controller is authorized to disburse the special tax revenues appropriated by this section as provided in the Joint Community Facilities Agreements, Development Agreements, Disposition and Development Agreements, and Ordinances levying special taxes, as approved by the Board of Supervisors for each such district for the purposes authorized therein.

The Controller may transfer funds and appropriation authority between and within accounts related to CFDs and STDs to serve accounting requirements, the Board of Supervisors

1 approved CFD/STD Report for each district (as approved in the referenced Ordinances),
 2 and applicable bond covenants.

3
 4 The table below provides estimated special tax revenues for informational purposes; only

OFFICE OF THE MAYOR
SAN FRANCISCO

RECEIVED
BOARD OF SUPERVISORS
SAN FRANCISCO

2023 JUN -1 PM 2:37

JDS

BY _____

LONDON N. BREED
MAYOR

To: Angela Calvillo, Clerk of the Board of Supervisors
From: Anna Duning, Mayor's Budget Director
Date: June 1, 2023
Re: Interim Exceptions to the Annual Salary Ordinance and Annual Appropriations Ordinance

Dear Madam Clerk,

I herein present exceptions to the Annual Salary Ordinance (ASO) and Annual Appropriations Ordinance (AAO) for consideration by the Budget and Appropriations Committee of the Board of Supervisors. The City's standard practice is to budget new positions beginning in pay period 7, at 0.79 FTE, and to hold funding for new initiatives until the budget is signed on August 1. Where there is justification for expedited hiring and spending, however, the Board may authorize exceptions to the Interim ASO and AAO, which allow new positions to be filled and expenditures related to new initiatives to begin in the first quarter of the fiscal year, prior to final adoption of the budget.

Exceptions are being requested for the following positions and non-personnel expenditures:

General Fund Positions (15.0 FTE)

- **City Attorney's Office (1.0 FTE)**
8177 Attorney (1.0 FTE). This position is critical to the coordination, management, and support of the City Attorney's Office work in preparation for state-mandated CARE Court requirements.
- **Department of Emergency Management (3.0 FTE)**

Re: Mayor's FY 2023-24 and FY 2024-25 Budget Submission

Madam Clerk,

In accordance with City and County of San Francisco Charter, Article IX, Section 9.100, the Mayor's Office hereby submits the Mayor's proposed budget by June 1st, corresponding legislation, and related materials for Fiscal Year (FY) 2023-24 and FY 2024-25.

In addition to the Mayor's Proposed FY 2023-24 and FY 2024-25 Budget Book, the following items are included in the Mayor's submission:

- The Annual Appropriation Ordinance and Annual Salary Ordinance, along with Administrative Provisions
- The proposed budget for the Office of Community Investment and Infrastructure for FY 2023-24
- The Airport Annual Salary Ordinance Supplemental for FY 2023-24
- The Port of San Francisco Annual Salary Ordinance Supplemental for FY 2023-24 and Annual Appropriation Ordinance Supplemental for FY 2023-24
- The Public Utilities Commission Capital Budget for FY 2023-24 and Annual Appropriation Ordinance Supplemental for FY 2023-24
- 34 separate pieces of trailing legislation (see list attached)
- A Transfer of Function letter detailing the transfer of positions from one City department to another
- An Interim Exception letter
- A letter addressing funding levels for nonprofit corporations or public entities for the coming two fiscal years
- Memo to the Board President requesting for 30-day rule waivers on ordinances

Please note the following:

- Technical adjustments to the June 1 budget are being prepared, but are not submitted with this set of materials.

Sincerely,
